## THE LEAD THUNDER, AND THE CHRONOLOGY OF REVELATION 10 PART 3

The following message was preached by Brother Amos, on the evening of Sunday 18th May, 2014, at the 2014 May Convention, at Bible Faith Tabernacle, Lagos, Nigeria. This is the final instalment of what has been an eye opening preview, of what the Lord is going to do prophetically, with the introduction of the seven thunders, as we approach the rapture. With this conclusion, we have a true focus and a clearer understanding, of what lies ahead for the ministry to c o m e .

I greet you all in Jesus' name. May God bless each and every one of you, and as you return to your places of abode tomorrow, may Almighty God take you back home safely. It

has been a joy having you at this Convention. We want to continue our message this evening, and bring it to its conclusion. May God help us.

In the morning, we were looking at the Chronological application of Revelation Chapter 10, and we made a very pertinent and specific point, that we have to separate the prophetic ministry of John from the ministry of the seven thunders, because God separated them in the written record. That is why you see the seven thunders recorded separately, and removed from the encounter that John had with the Angel of the Covenant, because they are not together, and as such, we cannot lump them together

either. This truth has been sufficiently established, and we are settled on it, scripturally, being perfect. Yet, it is necessary to point out that the prophetic ministry of John, activated by the prophetic anointing that comes upon him, and the prophetic ministry of the seven thunders, which is also activated by the prophetic anointing that comes upon them, not only has a relationship, but they are also in close proximity of time to one another. We will lay out all these things this evening, the Lord being our helper. But in the record of Revelation Chapter 10, we see three different and distinct ministries spoken of therein, namely: The **Seven Thunders**, The **Star Messenger** to this Laodicean age, and **Apostle JOHN**. We have already shown the application of the star messenger to this age, for it is on the basis of what the Lord Jesus used him to accomplish for the bride of Christ universal, that the entire Chapter will be fulfilled, for his ministry laid the necessary foundation for its fulfilment. Unfortunately, it is only his ministry that the Branham Movement sees, and it is the only ministry they will

accept, for they see no other man! And regardless of the volume of truth you show them concerning the present Move of Jesus Christ, they will not accept anything but the leadership of a dead man; which is an absurdity in itself, for God has never and can never, lead His people through someone who is dead, regardless of his position in the ministry, and regardless of the measure of his anointing. It is a living ministry that God uses to deal with living saints. Otherwise, we are no better than the Roman Catholics, who pray through dead saints, and make saints of only dead people, which is utter idolatry! In the first age, we had a star messenger, the first star messenger, Apostle Paul. But after he was taken off the scene in 66 AD., the Lord anointed Apostle John, and placed him squarely in the shoes of Paul, as the Lead Apostle in that day, Christ's "**Candlestick**." Knowing his precise position within the body of ministry, around 90 AD., Apostle John made a serious and bold declaration in 1 John Chapter 4, verses 5-6, where he said: "**THEY**", (referring to the carnal

preachers of his day, men who formed the opposition he faced), "**ARE OF THE WORLD: therefore speak they of the world**", (for they speak carnally, being devoid of any true divine revelation of Jesus Christ), "**and the world heareth them. WE ARE OF GOD: HE THAT KNOWETH GOD HEARETH US; HE THAT IS NOT OF GOD HEARETH NOT US. HEREBY KNOW WE THE SPIRIT OF TRUTH, AND THE SPIRIT OF ERROR.**" What a bold claim by a mortal! Yet, his claim is absolutely true, for it is founded, and this challenge is definitely inspired by God; which is why it makes up part of the written record of the Holy Scriptures, God's Holy Writ! I ask: On what basis did Saint John make this serious and bold claim in that day? Remember, this was around 90 AD! He made the claim on the basis of him being the Lead Apostle of Jesus Christ, for the entire body of saints in that day, following the death of Apostle Paul, for he was the present tense "**Candlestick**" of the Ephesian bride church, recorded in Revelation

Chapter 2, verse 5! Hence, in his message titled, *The Seven Church Ages*, page 76, paragraph 3, William Branham declared to whosoever will care to listen: ***“At the time of the giving of the Revelation, according to tradition”***, (referring to the *Ante-Nicene Fathers*), ***“Paul had already died a martyr, but JOHN WAS CARRYING ON IN HIS STEAD EXACTLY AS PAUL HAD DONE IN THE DAYS OF HIS MINISTRY.”*** And because John was the current ***“Candlestick”***, the Lead Apostle in that day, was precisely why he had the encounter he had in 96 AD with Michael, the Archangel, on the Isle of Patmos. Revelation Chapter 1, verse 1, confirms his pre-eminent ministry position in that day, over all other men in the ministry, as the Lead Apostle, which is why it is written: ***“The Revelation of Jesus Christ, which God gave unto him, to shew unto his SERVANTS things which must shortly come to pass; and he sent and signified it by his angel UNTO HIS SERVANT JOHN”***, (so that from the mouth of John, all the true servants of Christ can receive the overriding

testimony of Jesus Christ which John bore in that day, for the entire body of saints! I reiterate for emphasis: Jesus Christ had a revelation to show unto his plural servants in that day, but he did not send it to them directly. Instead, he sent his angel to carry this revelation, his prophetic revelation, a prophetic message that is designed for his plural servants, as many as are ordained in that number, and as many as are identified in that number, to one lone man, John, that through John, the revelation of Jesus can be expounded to all the plural servants, and that through those plural servants, the entire Ephesian body of saints can in turn be affected by it, and thus be established in the truth! You will not change this logistic of Jesus Christ. Hence verse 2 records of John): ***“Who bare record of the word of God, and of the testimony of Jesus Christ, and of all things that he saw.”*** Argue with that! Brothers and sisters, the ministry of John later changed in that day to a prophetic one, with the divine encounter he had with Michael, the Angel of Christ. Who can deny or

fight these things, but the proper children of Lucifer! Saints of God, it is an undeniable fact of Scripture that this singular encounter changed the ministry Input of John, the Shemite, for that is what activated the prophetic ministry he bore, even though he had no inkling that that would happen, prior to the encounter! For before then, he had been bearing a salvational message, borne by a salvational anointing. However, when we consider the serious claim John made around 90 AD, as recorded in 1 John Chapter 4, verse 6, brothers and sisters, if John had lived in this our day, he would be branded a heretic, and an idolater, and a man with the spirit of the Nicolaitans! They would say to him: *“We do not need to listen to you. It is Jesus we need to listen to, for he is our Saviour. It is Jesus we believe. You are trying to make yourself another star messenger, when we know that the star messenger is Apostle Paul! How can you say that whoever does not follow your message is not of God, but is having the spirit of error? You have a contrary spirit, and you*

*need deliverance. You are looking for recognition, by lifting yourself over everybody else. But you are supposed to be humble, and stay with the message of Christ which Apostle Paul bore! Repent Brother John!*" As if the revelation of Jesus Christ is static or stationary! As if the revelation of the Lord is not progressive, and hence, continuous! And as if the revelation of Jesus Christ comes in a vacuum! And as if Jesus Christ is here in his physical corporal body, for anybody to log on to him! Please note: The revelation of Jesus is conveyed through the vessel of clay ordained by God to carry the light of Christ for the entire body of saints, for God never leaves Himself without a true witness! Turn down the man, you turn down Jesus Christ! But remember, it is not about a man: It is about the revelation of Jesus Christ, the Messiah, which is carried by a man, for the elect bride body, as laid out in God's plan of salvation! Simple! As such, you cannot reject whomsoever Jesus sends, because he is not sent to entertain you: He is sent to carry the light of Christ for you, so that you can have a true understanding of God's

great plan of redemption, so that, in turn, you can be in tune with your Maker, in true readiness for the translation ordained for this hour! Consequently, brothers and sisters, whether you like the man or not; whether you like the colour of his skin or not; whether you like his race or not, (for many hate the Jews, just as they hate Nigerians); whether you like his physical stature or not, all those things have absolutely nothing to do with it! The colour of a man's skin is meaningless! The stature of a man is also meaningless! It is not about a man's physical stature, for there is no ounce of virtue in that, and neither is it about age: It is about the divine revelation of the Word, for the revelation in a man is what makes the difference! As it is written: Old men are not always wise; but it is the inspiration of the Most High God, *El Elyon*, that gives wisdom to a man, for that is what makes him wise! The Book of Job Chapter 32, verses 6-9 records: "***And Elihu the son of Barachel the Buzite answered and said, I am young, and ye are very old; wherefore I was afraid, and durst not shew you mine opinion. I***

***said, Days should speak, and multitude of years should teach wisdom. But there is a Spirit in man: and the Inspiration of the Almighty giveth them understanding. GREAT MEN ARE NOT ALWAYS WISE: NEITHER DO THE AGED UNDERSTAND JUDGMENT.***" That is absolutely correct! This reminds me of a similar incident, which took place in Montgomery, Illinois, whilst I was holding meetings there, before Brother Jackson passed away. We were having fellowship one day in the house of the pastor, Mike Hefner, when an elderly sister in his church, Sister Highsmith, who had been reading some of the books the Lord inspired me to write in defense of Brother Jackson, said to me in the presence of my wife and her own pastor, words to this very effect: "***Brother Amos, compared to me, you are a young man in age. But when it comes to the revelation of the Word of God, when it comes to divine wisdom, you are an old man; you are older than me.***" I simply smiled. What can you say? The Bible says old men are not

always wise, but that it is the inspiration, a divine inspiration of the Lord which a man receives, that gives wisdom to him. Consequently, it is not about the colour of a man's skin; neither is it about the stature of a man; and neither is it about the age: It is strictly about the deposit of grace in a man's life that counts, for that is what makes all the difference. Take grace away, and every man is grass. I repeat: Without the grace of God, all flesh is grass, whether white, black, brown or yellow. Which is why on the Day of the Lord, this world will be filled with dead bodies, billions of dead bodies, strewn all over the face of the planet, right from one end of this earth to the other end, bodies of all flesh, white, black, brown, and yellow, for God does not care for colour! He is not a respecter of persons! This lets you see just how carnal and hateful the white South Africans have become, for they will not even allow their dead bodies to be buried in cemeteries where blacks or coloured people are buried, as if God cares for the rotten flesh of dead unbelieving people! My! The bigotry of fallen man! Let me tell you now tonight, I did not give

myself my stature. I will confess though, that I wish I was bigger than I am in physical stature; because I am older than Babatunde Fashola, the Governor of Lagos State; I am older than Barak Obama, the President of the United States of America; I am older than David Cameron, the Prime Minister of the United Kingdom. And the present Governor of my State, Ekiti State, Kayode Fayemi, was my junior brother in secondary school. So, I am not anybody's boy; I am a servant of Almighty God, most unworthy as I am! I am sounding a warning, because of the horrible attitude of men to the Present Truth. The prophet we all follow, the Elijah of this end time, William Branham, was only fifty six years, which was the sum total of all the days of his mortal life. Now I am going on fifty five, and my ministry has not even started in earnest as yet. I am on my way to fifty five years, and you still want to call me a boy. It is ridiculous to call a fifty four year old man a boy; for our Lord and Saviour Jesus Christ, was only thirty three and a half years when he was crucified! That was all the

days of his mortal life! And God is not raising old men on crutches to preach His Word to the universal body of saints, but able bodied men of His choice, for God is sovereign! Chew on that! I am making a most valid and crucial point, because some want only a Methuselah, whilst others regard only a white skinned man. You have to understand the ways of God, and see His logistics, for it will not change for you. The fact that you do not like it does not make a difference. The fact that you do not like a man's manner of preaching also does not make a difference, as long as it is the truth. Your not liking a vessel also does not make a difference. God did not set a man in place to satisfy your fantasy. God has never set any man in office in order to satisfy the fantasy of men. He only raises men that will do His will. The men God raises up, know without any shadow of doubt, that their prosperity and their glory is in total obedience, out of a pure heart; and they always do nothing but the will of God, for the will of God is their command: therein they find true happiness. They do not

care for anything else, for God is bigger than anybody and everybody else! I had better get back on course. However, the truth remains, that this Third and final Move of God for the end time bride, a Move which gives us *THE INPUT OF HAM*, is certainly the Move that will take us to the rapture! Why then will anyone in his right mind reject this Move, when we know that we are the ones ordained for translation, for this Third and final junction of time, is the Junction for rapture! Think about it!

Brothers and sisters, the Third Move which Brother Jackson spoke about, is the Move that ushers in the rapture, because in reality, the end of this Move is the rapture, for it ends in the rapture! And God is perfect in three, for three is the number of perfection, and this is the hour of perfection. So, you cannot tell me that you believe God sent Elijah, and that God also gave us a chief apostle, but now all we are expecting are the seven thunders, because you cannot see John; when the **“Third Pull”**, which strictly gives us the divine revelation of the Word, and which started with the ministry of Elijah, and ends

in the thunders, does not stop, and neither is it suspended, but it is being carried on as we speak, through the apostolic ministry, giving us continuous accessibility to the fresh **“carcase”** of the Word! So, I say, if you want to make the rapture, I tell you this evening without mincing words, and I will say it in a similar vein as John did in that day: **IF** you reject the present tense revelation of Jesus Christ that John is bearing from the pages of the Bible, you can pray for the rapture as much as you want, and you can believe in it as much as you want; but I assure you tonight, that it will only be a mere dream to you, because you are Not going to make it, Unless you follow the present light of Jesus Christ of the Bible! Take it from me! I say that because Jesus has a crucial and fundamental reason why he sent the end time John! He has a divine reason for it! No man in his right spiritual mind can take the issue of the eating of the scroll of redemption lightly, when it is Jesus Christ, the Messenger of the Covenant, who gives it to him; and it is given for the wrapping up of God's great plan of Gentile redemption!

Therefore, in our consideration of Revelation Chapter 10, I say this to the Branham Movement, if all you want to see is only verse 7, then, help yourself! And to the Jackson Movement, if all you want to see is the seven thunders, you are just a big joke, for you have no clue to anything; and as such, I will not be bothering myself with you; for I have better things to do with my time! I have not been sent to play Dominoes, or the game of Snakes and Ladders! So, wait for your thunders! We will see where you wind up. But I pray you heed the warning of life before it is too late, for this is not a game. Quit your unbelief, and as Apostle James implored, **“... lay apart all filthiness and superfluity of naughtiness, and receive with meekness the engrafted Word, which is able to save your souls”**, for Jesus is coming soon!

Saints of God, today, the Jackson Movement is only waiting for the seven thunders, which is just One fold of ministry, out of the **“Threefold”** prophetic ministry under the seventh

seal. They are looking forward to the opening of that seal. Yet, there is A MINISTRY STEP into the opening of the Seventh Seal, which gives us what Brother Jackson also called ***“The Third Phase”***, which is none other than the present day ministry of the Lead Apostle, the end time John. Look at the three separate prophecies that went forth this morning. Since we have been holding Conventions, we have never had that. Three different witnesses, all gave prophecies, and the projection was the same! The revelation is one: ***“Thus saith the Lord, MY JOHN IS ON THE GROUND. Listen to him. Listen to him.”*** Just why can the Movement not see the current Move of God in the light? Church, the absolute truth of the matter is that these people are not really interested in the truth, for the truth has been made plain, even to babies; which is why I have to say that they are wilfully blind; wilfully devoid of understanding. For certain! And they wilfully decided not to see the salvational ministry of John, ***“The Next Step”*** into the seventh seal, AND the First prophetic fold of ministry to be activated,

right under the seventh seal! Hence they say that they are only waiting for the thunders! Yet, the revelation which William Branham bore, and that of Raymond Jackson, both synchronize perfectly concerning this Third Move, although they used different terms to convey this truth. The former used ***“The NEXT STEP”*** into the opening of the seventh seal, whilst the latter used ***“The THIRD PHASE”*** for the bride, in this Laodicean age. The chief apostle added: ***“You can say that God sent a prophet; but then if God was to say He was going to raise up other men, you deny that fact and refuse to listen to anyone else. THAT IS TO YOUR OWN HURT.”*** Because God will simply move on, and do what He has ordained to do in His sovereign will, and leave you behind! Simple! When you reject the Move of Jesus Christ, who feels it? Who is at a loss? Surely not my Master! Jesus is not the one that loses; it is the man that rejects the light that is at a loss! And what a loss! What a colossal loss, if you miss life eternal! Because eternal life comes strictly through the divine revelation of Jesus Christ!

There is no other way to eternal life, but by the true revelation of Jesus Christ! As such, when you turn down the truth of the Lord Jesus, you turn down eternal life! Period! And what would you have in its place? Brothers and sisters, I am reiterating a most material and fundamental truth of this hour. You must not only see that the Lead Apostolic ministry of John is on the ground, (although it is being denied vehemently by the Movement), you must also see that there is a difference between the prophetic ministry of John, and that of the seven thunders, for the prophetic ministry of John is what the Lord Jesus activates first, right after the opening of the seventh seal. We have established this truth. This is where we stopped this morning, and we now want to press forward. Do not forget the focus of our message: ***THE LEAD THUNDER, AND THE CHRONOLOGY OF REVELATION CHAPTER 10.***

Brothers and sisters, let us now go back to consider the Book of Revelation

Chapter 10, beginning from verses 1-2, which state: ***“And I saw another mighty angel come down from heaven, clothed with a cloud: and a rainbow was upon his head, and his face was as it were the sun, and his feet as pillars of fire: And he had in his hand a little book open: and he set his right foot upon the sea, and his left foot on the earth.”*** For the true chronological order of the prophetic application of this Chapter, we have to take this Scripture in verses 1-2, which gives us the descent of the mighty angel to the earth, with the fully open scroll, and link it with verses 8-11, which gives us the prophetic ministry of John, which records: ***“And the voice which I heard from heaven spake unto me again, and said, Go and take the little book which is open in the hand of the angel which standeth upon the sea and upon the earth. And I went unto the angel, and said unto him, Give me the little book. And he said unto me, Take it, and eat it up; and it shall make thy belly bitter, but it shall be in thy mouth sweet as honey. And I took the little book out of the angel's hand, and ate it up; and it***

***was in my mouth sweet as honey: and as soon as I had eaten it, my belly was bitter. And he said unto me, Thou must prophesy again before many peoples, and nations, and tongues, and kings.”*** These projections fulfill ever before the application of the thunders in verses 3-4. Now pay attention. When Angel Michael comes down and meets with John, and sets his prophetic ministry in motion, by which means he gives him the scroll of redemption to eat, and John goes off with his prophetic ministry, then it brings us back to verses 5-6. Brothers and sisters, as we established this morning, the giving of the scroll of redemption to John, is what lays the ground for the swearing as to time recorded in verses 5-6, for now the mighty angel can do what we see therein: ***“And the angel which I saw stand upon the sea and upon the earth lifted up his hand to heaven, And sware by Him that liveth for ever and ever, who created heaven, and the things that therein are, and the earth, and the things that therein are, and the sea, and the things which are***

***therein, that there SHOULD be time no longer.*** Why is he saying that? Because the prophetic Move of Jesus Christ which ends everything for us Gentiles, completing the great plan of Gentile salvation, is already in motion, for John is now anointed to function as a fully-fledged prophet! Hence the declaration that **TIME SHOULD BE NO LONGER.** And as was pointed out earlier, he did not say that time has ended; he said time should be no longer. Brothers and sisters, we have to take that time projection, and relate it to the time projection recorded in Revelation Chapter 8, verse 1, which declares: ***“And when he had opened the seventh seal, there was silence in heaven ABOUT THE SPACE OF HALF AN HOUR.*** That is about a thirty minute silence. What is that applying to? Brothers and sisters, this thirty minute silence in heaven relates to the prophetic dealing which Jesus is going to give the universal bride, after the breaking of the seventh seal, ushering in the final hours of the grace age, which is strictly a prophetic

one, and which closes out the plan of universal redemption. Saints, the breaking of the seventh seal signifies the end of Gentile salvation, for from that very day forward, there is no Gentile person that will ever again be saved, which is why Jesus Christ our Lord and Saviour will leave the Throne of God in heaven, nevermore to Intercede for any soul, for his Intercessory days are completely over and done with! Even the Jews who are to be saved in the 70th week of Daniel, would have already been Interceded for! With the seventh seal now broken, the Lord Jesus, who is then characterized by Archangel Michael, comes down to earth as revealed in Chapter 10, with the fully open scroll, and gives it to John, for his total consumption. This means in essence, that he anoints John with a prophetic anointing, and this sets John's prophetic ministry in motion. When John is anointed, the angel can then lift up his hand, and swear that **"there should be time no longer"**, thus giving us a small frame of time, which is referred to in Chapter 8, verse 1, as **"about the space of half**

**an hour"**, which is about thirty minutes of prophetic time, in which Jesus Christ is going to deal prophetically with the bride of the end time, beginning with the prophetic ministry of John. John is the man who will put the bride of Christ on notice, that the seventh seal has been broken, that Christ has left the Intercessory Throne, and that Gentile redemption is now completely over. Brothers and sisters, from this point in time, John goes around the world, strictly with a prophetic message, not a salvational message, but a prophetic message, as he is led by the Spirit, for the salvation phase of God's Move for the Gentile world, has been fully accomplished. John will also be giving prophetic insight of things to come in that day, to the bride of Christ, as we are posted prophetically, concerning the prophetic things of Christ, in that hour of time. Remember, the Lord Jesus promised us in the Gospel of Saint John Chapter 16, verses 12-15, that the Comforter, the Spirit of Truth, will not only guide us into ALL TRUTH, He will also SHEW US THINGS TO COME. In that day, it is

Jesus revealing his prophetic things through the ministry of John. Saints, I repeat: It is Jesus Christ revealing himself by his Spirit through the ministry of John, strictly on a prophetic level. I do not have any doubt in my mind as to that hour of time, that just as it was in the days of old, when Paul and Barnabas went forth in that day, and as Moses and Aaron went forth in their day, that John will travel with key men whom God has chosen, in order to bear a Witness around this globe. It is always like that! I show you **The First Fold Mystery of the Seventh Seal**, which Brother Branham talked about at the opening of the first six seals; for it takes precedence in its activation, over the prophetic ministry of the seven thunders, which gives us **The Second Fold Mystery of the Seventh Seal**. Consequently, when we consider **The Threefold Mystery OF THE SEVENTH SEAL**, it is the absolute truth of the Word of God, that the prophetic ministry of John is the first fold. We just saw that this morning. Hence, verses 8-11, must be separated

from verses 3-4 of Revelation Chapter 10, because John's prophetic ministry is set in motion first, for it is the first fold, of the threefold mystery of the seventh seal. So I ask: What are you going to do with the ministry of John? However, we must also remember, that as John is enjoying the great sweetness of the scroll in his mouth; as he is enjoying the wonderful divine insights and the prophetic manifestations of the Lord in his ministry, nevertheless, it will also give him great bitterness in his stomach. When he goes forth around the globe with his prophetic message, no doubt reproving the world of sin, the reaction of the Gentile religious world, a world which today is already completely apostatized and totally demon-possessed, will give John belly-ache, so-to-say; because of the serious opposition he will face! But the Lord always raises a standard, and gives grace to the vessels He anoints for His divine purpose. When God sends a man, He backs him up. God never sends a man without equipping him for the job, and without giving him the strength he needs, for the capacity or the ability

to accomplish this great task is not in John; the strength of John lies in the Holy One of Israel, the Lord God Almighty. That is where the strength of John lies, as John bears his prophetic light to the nations of the world, in the hour of the bitterness in his stomach. But we now want to see something, as we move up a notch. As John is bearing his prophetic ministry to the nations, which is the final Witness of Jesus Christ to the whole Gentile world, saints, you also have to see the nation of Israel in the picture. Come on! If you see him go to the nations with a prophetic unction, you have to see the Jewish Connection as well! Because he will be used by God to re-open the door of salvation, the door of eternal life, to the nation of Israel, before the ministry of Israel is ignited or anointed, just as God used Saint Peter, the chief apostle of the Jews, to open the door of life to the Gentiles, in the home of Cornelius, in Caesarea, as recorded in Acts Chapter 10, before the ministry of the Gentiles was set in motion, which is the ministry of Apostle Paul, the chief apostle of the

Gentiles! Absolutely! In that day, and as we have laid out in the Scribe message titled, *THE JEWISH CONNECTION*, the Lord will send John to the Land of Israel, to a nucleus of Jews whom God has dealt with prophetically, for God, being perfect in all His ways, works on both ends of the line. We have the revelation of the Jewish Connection, and we are waiting on God for that Connection. Halleluiah! But I need to point out, and let every eagle of God understand, that the Jewish Connection will be made within the thirty minutes silence, **Prior** to the opening of the 70th week. This is absolutely so, because the Connection has to be made before Moses and Elijah, who are the two Jewish prophets, step on the scene. And we know scripturally, that their ministry starts right at the very beginning of the 70th week of Daniel, for they have exactly three and a half years of the first half of the week to express their ministry, and as such, the Connection has to be made just before that week starts. Full stop! But concerning this

Connection, brothers and sisters, it is certain that John will not go to Israel alone, for the Connection is too great for there not to be other key witnesses of this glorious event, when God re-opens the door of salvation to the nation of Israel, signifying that the door of salvation has been closed to the whole wide world! But I must warn, however, that the choice of the men to go with him, will be John's choice, all exercised under God, just as it was with Apostle Peter who chose the men that went with him, as confirmed in the Book of Acts Chapter 10, verse 23, and in Chapter 11, verses 11-15. I must also warn, that it is good for the men in the ministry to have a humble attitude, and not speak p r e s u m p t u o u s l y concerning who goes with John in that day, for God loves humility; particularly as the substantive original Ephesian Fivefold ministry is yet to be put together, and we do not yet know who will make it through, for many men, no doubt, who today are following the Continuity light of Christ, will be set aside for unfaithfulness! Therefore, every man's desire should be to make it through into the substantive Ephesian ministry, and not

about following John to Israel. However, the truth remains that the Jewish Connection is not going to be made without Gentile witnesses of the event, even though John is the Jewish Connector, for he is the one to bear the Witness of Jesus Christ to the predestinated Jewish nucleus in that day, a people whom God will also anoint with the Holy Ghost, and also cause them to look forward to the ministry of the two Jewish prophets, modern day Moses and Elijah. The fact is, Apostle Peter did not go alone, and neither will John go alone. But there is no man on this planet that will select for John, who is to go with him, and who is not to go, if you truly understand the leadership of God. Period!

Brothers and sisters, in that day, arrangements will be made for a meeting place in Israel, most likely in somebody's home in Jerusalem, a man whom the Lord has dealt with by His angel, and a nucleus of elect Jews will be gathered, waiting for John. But unlike Apostle Peter, John knows exactly what is going to happen in that meeting, for he is not going there ignorant of what is to take

place. In his day, Peter did not see God's Gentile plan of salvation, and as such, when he was going to the house of Cornelius in Caesarea, he went ignorantly, wondering what it would all lead to! He went only because the angel of the Lord instructed him to go, and he had to obey the Lord! He had not the faintest clue about anything! However, today, we are living at the end of everything, and the entire plan of Gentile salvation has been opened up for us, including the salvation plan of God for the nation of Israel! Therefore, we know what Peter did not know in that day, and consequently, we are going to go with the knowledge of what God wants to do! Even as we sit tonight, we know what is coming, for we are the wise people of God at this end time! As such, John is not going to go to Israel ignorantly, but with a perfect revelation, a perfect understanding of w h a t i s t o b e accomplished, and he is going with a divine message from God, for he has a message, backed by the prophetic unction he has received! When he

enters that home, he opens up the Torah and the Prophets, and he begins to show them the ministry of Jesus, the Jewish Messiah, from the pages of the Old Testament which the Jews are holding to, for that is the Book they believe. He will take them through time in the grace age, letting them know exactly what God has been doing in the earth, for the Gentiles, since the Jews were sacked from Jerusalem in 70 AD., by the army of Rome, led by General Titus. He will open up God's plan of salvation for the Jews ordained for the 70th week of Daniel, and he will point them forward to the Jewish ministry of Moses and Elijah, that is just about to be set in motion in that day. Church, he shows the truth of Christ to them by the Law of Moses; he also shows it to them by the Prophets of Israel, and then he enters into his prophetic office, revealing the secrets of their hearts, confirming the truth that has been laid out before them, with prophetic signs. And whilst he yet speaks in that day, the fire of the Holy Spirit will fall! Halleluiah! Heaven opens up, and the rain will begin to fall upon the elect Jewish people gathered in that

meeting. As the anointing comes down, and they begin to go in the Spirit; some will break out in tongues, whilst others will dance in the Spirit, or be slain by the power of God in raw display, as God uses John to unlock the door of life to the nation of Israel, and he returns home, to testify to the bride universal, what great things the Lord did in that meeting. Thus, a Jewish nucleus of people is converted, and they become the beginning nucleus of the believers of Jesus Christ in the Land of Israel, in that day. They are now looking forward to the imminent ministry of the two prophets, Moses and Elijah, ministries revealed in Revelation Chapter 11, verses 3-13, for the conversion of the spiritual elements of the nation of Israel, which gives us **The Third Fold Mystery of the Seventh Seal**. The prophetic ministry of John has now served the purpose of God, having borne a prophetic Witness to the nations of the world, including God designated kings! The First Fold Mystery of the Seventh Seal has been unveiled and expressed. However, and please pay close

attention, ever before the two Jewish prophets are anointed, and ever before they step on the scene in the Land of Israel, something first has to take place on the side of the Gentiles. I am speaking of the Gentile bride! In other words, before we consider the prophetic application of Revelation Chapter 11, verses 3-6, which gives us the ministry of Moses and Elijah, we first have to come back to pick up verses 3-4 of Chapter 10, which gives us the prophetic ministry of the seven thunders, the next ministry fold applicable in that hour, following the prophetic ministry of John. What is it? The hour of the seven thunders has now arrived! We are speaking of **The Second Fold Mystery of the Seventh Seal**. Now, the hour of the seven thunders has finally come. Now we enter into the very core reason why I am taking this message, which is my main focus and objective for this message. Do not forget, the title of my message is, *THE LEAD THUNDER, AND THE CHRONOLOGY OF REVELATION 10*. Church, now that the prophetic ministry of John

has made its waves around the globe, and the hour of the seven thunders has now arrived, what happens? We step into the Second fold of the Threefold mystery of the seventh seal, which gives us **the Third and final Phase of the THIRD PULL**, for it is ***“The seven thunders.”*** This brings us directly and immediately to Revelation Chapter 10, verses 3-4, as we now pick up the prophetic application of the ministry of the seven thunders. But something happens before they are actually set in motion. The Angel of the Covenant, who earlier, gave John the Scroll of redemption, now gives a loud cry in the spirit. Come with me church, as we turn to Chapter 10, verses 3, and it states: ***“And”*** (the mighty angel) ***“CRIED WITH A LOUD VOICE, AS WHEN A LION ROARETH: and when he had cried, seven thunders uttered their voices.”*** Brothers and sisters, the ministry of the seven thunders is set in motion or ignited by the loud cry of the mighty angel in the spirit realm on earth. And as we all know, a CRY or VOICE simply means a message, for it is to declare or to give a vocal message, and as such, it needs no interpretation. But listen

very carefully to what I now say, and put on your thinking caps. I want to say tonight, that when you consider the ministry of the seven thunders, you have to see a lead thunder. I will remind you that what is going on today, is that God is simply posting us ahead to the thunders, being true to the prophetic promise Jesus gave in John Chapter 16, verse 13-15. When we come to the hour of the seven thunders, brothers and sisters, it is right under John's prophetic ministry that the bride enters the hour of the thunders. That is the first point. For it is scripturally certain that we are not going to enter into the thunders with our eyes closed. In other words, we are not going to walk into the ministry of the thunders ignorantly, and hence suddenly, without a divine expectation of the imminence of their ministry, for that is contrary to the promise of our Lord Jesus Christ, that the Comforter will shew us things to come. When John makes the Jewish Connection, neither will the elect Jews walk ignorantly into the ministry of Moses and Elijah, because John would have posted them ahead,

and they would be in great expectation. Consequently, it is definite that when the seven thunders are to start, God will not spring a surprise on us either, but rather, He will use John to post us prophetically, in readiness for their ministry, for as I have been stressing, we will be posted ahead. He will inform us by the prophetic unction he bears in that day, declaring: *“Thus saith the Lord to the universal bride of Jesus Christ: The hour of the seven thunders has come, for it is now here. Open your hearts and ears, and hear what the Spirit is saying through the thunders.”* This takes away the mysticism from this ministry, and prepares the hearts of God's elect bride saints all over the globe for the seven thunders.

However, I have to ask certain material questions: When we are to step into the hour of the seven thunders, how on earth is it possible to have them, without the apostolic body of ministry first being on ground? Think seriously about it! The seven thunders are made up of seven men known only to

God, prophetically called seven thunders in the Bible. But let us ask ourselves this question: About the thunders, who are they? What fold of ministry do they come from? From what fold of ministry are they constituted, when they are not abracadabra, for they do not jump down from heaven? Listen to me church. The seven thunders are nothing other than seven apostles the Lord has ordained to be thunders, for they are seven men chosen exclusively by God, in His Sovereign and Omniscient mind before the foundation of the world, and they are divinely selected strictly from the ranks of apostles. It is exclusively from the rank of apostles that God will choose seven men as thunders, for not every apostle will be a thunder; because we will have more than seven apostles in order to effectively impact a universal bride body of saints, in true readiness for the rapture! But from the fold of apostles, and only apostles, will God choose seven men. For the sake of the opposition who may question this scriptural fact, then I say this again tonight, and you consider it seriously: If Every ounce of written Truths of the New

Testament, (Every New Testament Scripture), **and** Every revelation of Truth making up the New Testament, outside of the ones we received directly from the lips of Jesus Christ when he was here in his body of flesh, came strictly by the fold of apostles, are you telling me that the unwritten revelations which the seven thunders will carry, will come by a lesser fold of the ministry? I think not! Commonsense, which is no longer common, will tell you therefore, that we are not going to have any thunder, who is not an apostle. Exactly! That is precisely why I asked: How can we have seven thunders, without a body of apostles first being on the ground, prior to the hour of the thunders? It will be utterly impossible! But then I must also ask you, and please weigh it carefully: If the Lord takes seven apostles and anoints them as thunders, what about John? What are you going to do with the Lead Apostle? Think about that, and throw away all unbelief, for this is not a game! Just how can God choose seven apostles as seven thunders, and leave out the lead apostle, the man with the revelatory

blueprint of Gentile salvation? Come on! What are you going to do with the apostle who alone eats the entire scroll of redemption, for he eats a scroll which No thunder has the privilege of eating? How can God choose seven apostles as thunders, and leave out the apostle who eats the scroll? Think about it! This lets you see that the Eating of the scroll is a very crucial prophetic key. It is a pivotal Scripture! Jesus knew why he slotted that picture there, because it shows that John is bearing the Completeness of the divine revelation of the Lord, necessary for the spiritual adornment of the bride of Jesus Christ, both written and unwritten. The very fact that he eats the entire scroll of redemption which Jesus Christ gives to him, after the breaking of the seventh seal, definitely shows that the unwritten revelation of the thunders also constitutes part of John's revelation! Absolutely! Because the eating of the entire scroll of redemption shows that he bears the Completeness of the revelation of Jesus Christ! Wake up! It gives us, Not only the

Completeness of Gentile salvation, (speaking of a full realization of the plan of Gentile redemption), it also gives us the Completeness of the revelation of the bride, required to put her in the rapture! Hence we say that the Scripture of the eating of the scroll is most pivotal, for it is like a master key. The eating of the scroll is a serious prophetic projection, for no thunder ate even a tiniest portion of the scroll which was given wholly to John! Therefore, I ask again: In the constitution of seven apostles as seven thunders, what are you going to do with the man that eats the scroll, the apostle in whom we will have the Entirety of the divine revelation of Jesus Christ? And just how can God put together seven apostles as thunders and leave out the lead apostle? Brothers and sisters, without further ado, you must know without any shadow of doubt, that when the era of the seven thunders comes, John will definitely be a thunder. That is the first point, and it is scripturally settled. We are establishing the lead thunder. So, please bear with me, for I have to make it plain, so that there is no

room for confusion and doubts. It is an important prophetic issue, and we must understand it, as **“the wise”** of the end time. As the elect children of God unto whom the seven thunders will sound, it is imperative that we understand this ministry. It is still a prophetic ministry though, but now it is in a different prophetic phase. As has already been established, the seven thunders gives us the Second Fold Mystery of the seventh seal, which **Caps** the plan of Gentile salvation, for within the hour of the thunders, is precisely when we will go in the rapture. However, the seven thunders give us the Third and Final Phase of the Third Pull, which is majorly divine revelation, unwritten prophetic insights coming directly from the throne of God in heaven, and which instructs and prepares us prophetically and specifically for the rapture event itself. They will be giving us specific prophetic utterances concerning world events, concerning developments in the world, giving the knowledge of things the Lord will have us know in that day, as they post us in readiness for the

actual rapture. Brothers and sisters, we must see John in the number of the thunders by the eye of faith, although as it is written, not all men have faith, for the Lord will definitely not leave John out, when He picks seven apostles as thunders. That is settled, scripturally. The next material question we need to ask at this junction is this: How are the seven thunders anointed? In other words, are they all anointed at the same time, or is it at different times? Before I give you the prophetic insight God gave the prophet to this age in 1963, let me first say this, and it is pure commonsense. Since the seven thunders are not in one location, for they are not even in one continent, you cannot expect them to be anointed and set in motion the same day. So, please do not go to the Upper Room experience in Acts Chapter 2. Yet, I know, some people will say: But God can anoint them all at the same time, for the Lord is sovereign. That is so true, for indeed, the Lord **can** anoint them all at the same time, **IF** He so desires. But the question is, will He? Is that His plan? That is the

material issue! As such, let us not argue over possibilities, but rather, let us find out the immutable and infallible will of God concerning the anointing of the seven thunders! In March, 1963, when he was preaching on *The Seventh Seal*, page 557, paragraph 4, Brother Branham, the end time Elijah, declared prophetically: ***“And now, as certain as I stand in the platform tonight”***, (concerning the Seventh Seal), ***“I had the revelation that revealed – It's in a Threefold manner. That, I will speak to you by God's help of A FOLD OF IT... Here's the revelation to begin... I want to tell you what it is. What happens is that those SEVEN THUNDERS that he”*** (John) ***“heard thunder, and was forbidden to write, that's what the mystery is laying behind those seven CONSECUTIVE thunders rolling out.”*** In other words, for this is really what he meant to say: The seven consecutive thunders constitute the only fold shown to him, the one fold of the Seventh Seal's Threefold Mystery. But please note that he described the thunders as t h e ***“ S E V E N***

***C O N S E C U T I V E THUNDERS ROLLING OUT.”*** To be consecutive simply means that they are not anointed or set in motion at the same time, but one after the other, until the seven are anointed, giving us the number of completion. Again, on page 567, paragraph 1, (or page 512, paragraph 323), he gave a second prophetic witness, where he also declared: ***“Now, what this great secret is that lays beneath this Seal, I do not know. I don't know it. I couldn't make it out. I couldn't tell it, just what it said. But I know that IT WAS THEM SEVEN THUNDERS UTTERING THEMSELVES RIGHT CLOSE TOGETHER, JUST BANGING SEVEN DIFFERENT TIMES...”*** It basically means that the seven thunders are set in motion, Not at the same time, but at seven different times, even though it is in close proximity of time with one another. Brothers and sisters, the manner in which the seven thunders are going to be anointed and set off, is clearly and categorically laid out here, in the prophetic dealing which the angel of the Lord gave Brother Branham at the opening of the seals in

1963, and it leaves us in no doubt, that the seven thunders are not anointed at the same time, but one after the other, for it is ***“consecutive”***, which is why they are prophesying ***“right CLOSE together, BANGING SEVEN DIFFERENT TIMES.”*** Period! This truth stands out, and it is not only Thus saith the Lord through Malachi Chapter 4:6B Elijah, it is also Thus saith the Lord by the revelation of the Scriptures! You will never get away from that, regardless of what you think to the contrary. This truth holds inviolate, which is why the angel's feet placing is also expressed in relation to the seven thunders, for they are not anointed in the same day, for they are not all on the same continent!

Saints of God, since the seven thunders are not anointed at the same time, but one after the other, then I ask: Who will be the first thunder? Or better still, who will God anoint first? And in order to make it plain, I will word it like this: Which of the apostles will God anoint first to lead the way in the thunders? Exactly! I say that because it should make the truth

plain, for you should see my point! Undoubtedly therefore, the absolute truth of the matter is that, If God constitutes seven thunders, anointing them one after the other, you have to see that the first thunder God anoints is John, for he is the lead apostle, the standard bearer, the man who holds the blueprint for the ministry of the thunders, being the man who eats the entire scroll of redemption. Full stop! Case closed! Furthermore, if you understand divine headship at all, you will know with scriptural certainty, that there will be no thunder telling the lead apostle, who is the First Ministry Fold of the Seventh Seal, what God has just revealed, when he is the man bearing the Standard of Truth, and the man in whose light is the completeness of the revelation of the scroll of redemption. The seven thunder apostles will not be put together, and then be telling the lead apostle, who ate the entire scroll, what truth is, and what truth is not, in that hour of time. That is precisely why it is John who makes the Jewish Connection, and hands back the baton of the standard of the Word to the ministry of Israel, as the

bride go in the rapture! So you must understand, before you call for any thunder, you first have to think of John, because when the thunder hour comes, his thunder ministry starts first, and he will tell the Bride: *"The Thunders are on, for the thunder ministry have started"*, causing the hearts of the bride saints around the nations of the earth, who have been witnessing John's prophetic ministry, now to open their hearts to receive the message of the thunders, as God begins to anoint the men in the various station of this earth, starting from the old world, because the right foot is first expressed and maintained here, before the left foot to the prophetic earth, which is America, is applied in relation to the thunders. The angel's feet placing, conceals the racial direction of the Move of the Spirit under the seventh seal. Church, I ask again for the sake of reinforcing the truth: If the seven thunders are not anointed in one day, then where does God start? God has to start with somebody, and whoever it is, becomes the first thunder! Absolutely! Now I ask: What does the first thunder give us,

knowing that this is the very beginning of this ministry, for this is where it starts? It gives us nothing but the lead thunder! On the grounds of divine headship or leadership, and on the authority of the unchanging pattern of how God establishes promised plural ministries through time, we must realize that the first thunder gives us the lead thunder, for as students of the Bible, we all know, that the beginning of any plural ministry, gives us first the head. In other words, the birth or the start of anything gives us first its head! We are talking of the birth or the start of the seven thunders! Jesus Christ in his prophetic revelation on the Isle of Patmos, did not have to give us the details we see today, from way back in 96 AD. But now that we are close to that hour, and more importantly, because John, the man with the blueprint of this Move, is here, then we must know how to look forward. We have to, because we cannot be looking forward to the thunders without a focus and direction! Are you listening to me? They are not anointed the same

day, but it is all within a close proximity of time. If they are not anointed the same day, and they are anointed seven different times, then it definitely starts with one man. The seven thunders start with one man; but the one man with whom that ministry is set in motion gives you the lead thunder, just like it was in the days of Moses, and as it was in the days of Paul, and even as it was in the days of Raymond Jackson! For in a body of ministry, the man God sets in motion first, the man God uses to set this fold of ministry in motion first, gives you the head of that ministry. When God was going to set the ministry of Israel in motion, He placed Moses first. When God was going to set the ministry of the Gentiles in motion in the early church, He placed Paul first. When He was going to set the ministry of the end time bride in motion, He placed Elijah first. And when He was going to set the Ephesian ministry of the end time bride in motion, He placed the chief apostle first. And when the Lord is going to set the seven thunders in motion, He will place the lead thunder first, and it can be none other than John. Do not ask me: *“Where is your Scripture,*

*Brother Amos?”*, because I have proved it scripturally! The issue of the lead apostle, and of the apostle who eats the scroll of redemption, are scriptural pointers bearing on the thunders! What more do you need? I say that because that is how unbelievers talk. They think they have a point, but in truth, they have no point, because some things are even commonsense; for as Apostle Paul declared in 1 Corinthians Chapter 11, **“Doth not even NATURE ITSELF TEACH YOU”** SOME THINGS! Nature as used here simply means commonsense! That is the truth! Brothers and sisters, this is not rocket science, but plain truth: If the seven thunders are seven apostles, it is not the man that eats the scroll that God will leave out, and neither will he be the last thunder to be set in motion, leaving him ignorant of present truths, when he is the man who eats the entire scroll of r e d e m p t i o n ! THEREFORE, HERE IS YOUR SCRIPTURE: **It is Revelation Chapter 10, verses 8-11, which gives us JOHN'S PROPHETIC LEAD MINISTRY!** Let me also fortify and seal this truth with a serious

prophetic quote of the star messenger to this age. In 1960, William Branham, speaking prophetically about the Return of the Gospel to Israel, which gives us the Jewish Connection, in his message titled, *The Seven Church Ages*, page 36, paragraph 5, made a pronouncement: **“Now, when is the Gospel returning to the Jews? WHEN THE DAY OF THE GENTILES IS FINISHED”**, (which brings us to the hour following the opening of the seventh seal). **“The Gospel is ready to go back to the Jews.”** (Now, pay attention to Brother Branham's excitement and open declaration): **“Oh, if I could just tell you something that is about to happen RIGHT IN THIS OUR DAY! THIS GREAT THING THAT IS ABOUT TO HAPPEN WILL CARRY OVER TO REVELATION 11 AND PICK UP THOSE TWO WITNESSES, those two prophets, Moses, and Elijah, turning the Gospel back to the Jews. We're ready for it. Everything is in order. AS THE JEWS BROUGHT THE MESSAGE TO THE**

**GENTILES, EVEN SO THE GENTILES WILL TAKE IT RIGHT BACK TO THE JEWS, AND THE RAPTURE WILL COME!**

Brothers and sisters, the prophet to this age was looking squarely at the prophetic ministry of John, and he laid the Jewish Connection squarely on his shoulder, even though he was not allowed to spell it out in plain terms, that it may be by divine revelation! But there is nowhere else to go with this declaration, except to look at the only ministry which the Bible gives to us! You are looking directly at the man to whom Archangel Michael gives the scroll of redemption for his total consumption, for with his Jewish Connection done, the rapture is unstoppable, for it is right under his lead apostolic ministry, when the prophetic phase of his lead ministry has been ignited. But the fact remains that under his **Lead Prophetic Ministry** we go in the rapture, because he is also the lead thunder! After all, he is the one who lets the bride universal know that the seventh seal is broken, for his prophetic ministry is set in motion first, with the encounter he has with the Angel of the Covenant, and

he is also the one who will put us on notice when the hour of the thunders arrive, for he is anointed first, as lead thunder. Then God anoints the second man in one region of the old world; then He anoints another one, making a third thunder, in another region of the old world; then He goes to a fourth thunder and anoints him, still in the old world. But in the final analysis, the ending of the thunders brings us to America, which gives us the United States and Canada; because in the New World, we will have the last thunder set in motion. That is why his left foot is set on the **“earth.”** This prophetic earth gives us the Lamb Beast of Revelation Chapter 13, verse 11, which is America.

Brothers and sisters, when you are looking at the seven thunders, you must understand tonight, that there is a lead thunder. It is not a title, but a fact, for every plural ministry is always set in motion by one man, and the starting ministry point of it always gives us the lead ministry. Brothers and sisters, if there are seven APOSTOLIC thunders, and they are not

established the same day, who else will be the lead thunder but the lead apostle, the last Witness? You have to look at the man who eats the entire scroll of redemption, for in him you have completion; for whatever has a beginning ministry point, has a definite ending ministry point; which is why, following the death of the chief apostle, once the lead apostolic ministry of John was established at this end time, it will be John all the way through, even in the thunders! Saints of God, the revelation of the eating of the scroll is central! How crucial it is! It is the key text in the entire Chapter, outside of verse 7! That is precisely why, speaking of this Third Move, this Third Junction of time, Brother Branham implicitly referred to the ministry of John, and called it **“THIS GREAT THING”!** And indeed, what a great thing it is, for God has laid a lot of responsibility on his shoulders, it being the ending Move of God for Gentile salvation. Brothers and sisters, what a light we now have in this hour! What an understanding of the Word! What an unparalleled revelatory

plateau the Lord has placed us on, in this third and final junction of time! It is because we are closer in time to the end than Brother Branham was; and we are also closer in time to the end than Raymond Jackson was, FOR WE ARE IN THE FINAL JUNCTION OF GENTILE TIME. Period! Hence the reason we can scripturally see what William Branham and Raymond Jackson could not see, and we know what they were not privileged to know, by reason of the proximity of time. It is not because we are better; it is that as we move farther on in time to the very end, and as we get closer to the return of the Lord, we will definitely know better, and we will get deeper in our understanding of the truth, thus making us richer in things divine, in the things of the Spirit of God, than ever before. Precisely!

For my final scriptural Witness of John's lead thunder position, church, please listen to this. When we look at the experience John had, of having a preview of the message of the seven thunders, it should definitely tell us something concerning the privilege which the John of

this end time will similarly have, for it also speaks of a reality to come. Revelation Chapter 10, verses 3-4 records: ***“And cried with a loud voice, as when a lion roareth: and when he had cried, seven thunders uttered their voices. And when the seven thunders had uttered their voices, I WAS ABOUT TO WRITE: and I heard a voice from heaven saying unto me, Seal up those things which the seven thunders uttered, and write them not.”*** John the beloved apostle, the candlestick of Jesus Christ in 96 AD, a man who did not live in the day of the reality of the seven thunders, nevertheless, was privileged to see the ministry of the thunders, and to hear their message, ahead of its hour time, by the virtue of the prophetic anointing he received in that day, an anointing which propelled him in the spirit to this very day, to preview the ministry of the seven thunders which is yet to come, and to hear their message. Brethren, it is infallibly written that he heard the prophetic message of the thunders, and he wanted to write it, but from heaven, God stopped him from doing so.

Now listen carefully to this. With the return of the Spirit of John, the man who lives in the days of the reality of the thunders, and a man who will be used by God to usher us into that era of time, being the **“Next Step”** into the opening of the seventh seal, and also the **First Fold Ministry** of the seventh seal, are you telling me that he will not know the message of the thunders before any other thunder, when a man way back there in 96 AD, a man who was in his shoe, was privileged in a prophetic preview, to know the message of the thunders ahead? Of course he will also know ahead of any other thunder! In effect I am saying: What are we going to do with the John who lives in the days of the reality of the thunders? He also has to know the message of the thunders ahead of any and every other thunder, and this can only be possible by being the first thunder, which gives us the office or the ministry of a lead thunder. For as I explained earlier, the ministry of the seven thunders must start with one apostle, who becomes the lead thunder, and this can only give us none other than the lead

prophetic ministry of apostle John! On the authority of the established prophetic pattern which John set in 96 AD, whereby he had the prophetic preview of the message of the seven thunders, you should know scripturally, that with the return of that Spirit, the end time John will also have the same privilege which the early church John had. Absolutely! Consequently, the end time John will also know the message of the seven thunders ahead of any other thunder; Not because he will be given a preview like the first John, BUT BY BEING THE FIRST ANOINTED THUNDER, being the John who is living in the day of reality, for he is the last Gentile witness! Do not let that pass you by! I repeat: John saw and heard the thunders in a prophetic preview; yet he did not live in the reality of it. But he saw their message, over two thousand years ahead of its reality. Now, we are living in the days of its imminent reality, and we have an end time John, the man who eats the scroll. What are you now going to do with John? Therefore, you must understand, that the John of today will also be posted ahead; Not that he will know

the message of the thunders in the way that the first John knew it ahead of time; but nevertheless, he will know ahead by being the first thunder, bearing the thunder ministry and message ahead of every other thunder: Because that is the end time application of the privileged shoe of John, in relation to the seven thunders! If John knew ahead, then the John of this end time has to be the first thunder, in order to have the reality of the message of the thunders before any thunder, just as John in 96 AD, was privileged to hear the message of the thunders ahead of its hour of reality. How many see the point? That is another crucial scriptural pointer to the lead thunder ministry of John, for the John of that day was only standing in the shoe of the end time John, who lives in the days when the seventh seal will be broken, making it an open scroll, and subsequently, the basis upon which the ministry of the seven thunders will be set in motion! As it is written in Hebrews Chapter 13, verse 8: ***“Jesus Christ the same yesterday, and to day, and for ever.”*** It is the same privilege the Lord

gives unto John, because he is bearing THE FINAL GENTILE STANDARD; which is why he is the vessel who eats the entire scroll of redemption, for he is the man living in the hour of Completion and Climax. You will never get away from this pivotal truth of John, which Jesus Christ laid out in his prophetic revelation, as recorded in Revelation Chapter 10, for it is the infallible and immutable Word of God. You will never change that revealed plot. Saints, there is perfect harmony and absolute consistency in the ways of God, and in His divine revelation, **FOR GOD IS ONE**. Furthermore, brothers and sisters, as we brought out in the first part of this message, when we took a journey through time, I have to remind you that it is an established and settled scriptural fact, that God does not lay out the details of a promised plural ministry, well ahead of its day of application. He never does! However, when its day of application comes, He always has a man that He uses to carry the blueprint of that ministry, being the carrier of the light of God for that

day, and the man who becomes the starting point of that ministry. It was so in the Old Testament, in relation to the Threefold ministry of the nation of Israel, and it was also so in the days of the early church. It is also true concerning the seven thunders, recorded in the Book of Revelation, as far back as 96 AD., towards the closing of the first church age. And for the sake of emphasizing the truth, I reiterate: The revelation details of a promised plural ministry, is always freshly given in the season of its establishment. And the details of that ministry has always been unveiled, through the man which God ordains to carry the blueprint of the plan of God for that hour. Hence, it took Moses to lay out the details of the Old Testament ministry, for he carried the blueprint of it in that day. It also took Paul to lay out the details of the New Testament ministry, for he also carried the blueprint of Gentile salvation in that day. Likewise also, it will take John, the man who is carrying the blueprint of the end picture of God's Gentile plan of salvation, in this Third and Final Junction of time, the period when we will have the application of

the ministry of the seven thunders, to lay out the details of the seven thunders, being a ministry ordained strictly to close out the Laodicean church age. However, talking of the seven thunders, we must not forget, for it is necessary to remind you once again, that it is the loud cry of the mighty angel which sets the ministry of the seven thunders in motion, **“consecutively”**, (one after the other); for they are set in motion in close proximity of time to one another, **“banging seven different times.”** This is so, because they only have the balance of the prophetic thirty minutes silence to deliver their prophetic message, John having utilized the first part of that prophetic time frame, for it is his prophetic ministry which sets off the thirty minutes silence. As such, within the application of the thirty prophetic minutes, Prophet Hosea's **“Two Days”** of grace will come to a close, and with the seven thunders ignited just prior to its close, we will move into the beginning of the last week of Daniel, to finish off the balance of the thirty minutes, for it is a prophetic period of time which ends with the

rapture. This is absolutely so, because the ministries of the seven thunders are set in motion before that of Moses and Elijah, who are the two Jewish prophets, for the seven thunders constitute the Second Fold Mystery of the seventh seal, whilst Moses and Elijah constitute the Third Fold Mystery of the seventh seal. However, let every elect seed of God know tonight with scriptural certainty, that in the ministry of the seven thunders, we have a lead thunder, who is Apostle John, the man whose prophetic ministry will jumpstart the ministry of the seven thunders, in that prophetic hour of time.

Brothers and sisters, let us now wrap up our consideration of the seven thunders, for we have successfully proven by the Scriptures, that in the seven thunders, we have a lead thunder, the ministry that God will use it set it all in motion. But do not forget that it is the loud cry of the Archangel, that sets the ministry of the seven thunders in motion, and not the eating of the scroll, for these are two separate prophetic

events. On the other hand, however, it is the eating of the scroll that sets the prophetic phase of the ministry of John in motion. We must not forget this distinction. And as I said earlier, when we consider the whole of Chapter 10, please note that the prophetic physical stance of that angel never changed, for he maintained the same prophetic stance throughout, with his right foot on the sea, and his left foot on the earth, thus confirming the truth which the Lord helped us to put out in the Scribe Magazine, titled, *The Angel's Feet Placing*. What truth is this? It is the truth that the angel's unchanged feet placing, throughout his dealing with the bride of Christ, under the seventh seal, speaks of THE IMMUTABILITY (or the unchangeability) OF GOD'S RACIAL PLOT AT THIS END TIME, a racial plot which William Branham also spoke about prophetically, in his message titled, *“Accepting God's Provided Way At The End Time.”* Speaking on the Racial Change in the Carriage of the Gospel, which gives pre-eminence to the Hamitic Race, William Branham declared on page 37, paragraphs 279-281:

**“Now, in the Name of Jesus Christ, the Son of God, I take this audience under my control, but for the Holy Spirit, by the Holy Spirit, in the Name of Jesus Christ. I ask you, as believers, don't you move. Set still. And you believe that Jesus Christ is the same yesterday, today, and forever, THAT I'M HERE TO MAKE KNOWN HIS WORKS AND HIS WAYS! I been very reluctant on these things, the fifteen, sixteen years I been on the field. BUT THERE'S AN HOUR COMING NOW WHEN SOMETHING IS FIXING TO TAKE PLACE. THE MESSAGE WILL GO TO ANOTHER NATION, ANOTHER PEOPLE!”**

This refers strictly to the race of Ham, the black race, who is bearing the Final Standard, giving us *THE INPUT OF HAM*, according to the divine Racial Plot of God, in the wrap up of His great plan of universal salvation. Saints, the Continent of Ham, being in the old world, is precisely why the mighty angel placed his right foot first on the sea of humanity, before placing his left foot on the earth, which is the new world, which gives us *America*, and he

maintained this posture all through this closing out Chapter, to show the immutability of the racial logistical Move of God which we see expressed on earth today. Brothers and sisters, in verse 2, is where, as the Angel of the Covenant touched down, we have the feet placing first expressed. Is that right? Yes! In the written record, it was expressed in relation to the seven thunders. Then in verse 5 of the written record, it was expressed in relation to the swearing of time. Then, in verse 8 of the written record, it was also expressed in relation to John, for his feet placing remained the same, for it never changed in 96 AD, throughout the recording of this prophetic Chapter. I am talking of the written record! Brothers and sisters, it gives us nothing but the immutability of the prophetic application of the angel's physical stance. Period! Truth just gets brighter and brighter, and it can only get brighter and brighter, for we are following a risen Christ, Not one that is dead; which is why his revelation is inherently progressive and not static or stagnant. We confess this evening,

that the Lord has helped us today, to lay out the prophetic pictures contained in the written record of Revelation Chapter 10, in its true prophetic Chronological order of fulfilment. For in the true prophetic Chronological order of fulfilment, the angelic stance is first expressed in relation to John, who receives the scroll in his hand, for he sees him coming; then it is expressed in relation to the angel's swearing to time; before it is finally expressed to the seven thunders, in its prophetic application. Brothers and sisters, by the grace of God, I show you *THE LEAD THUNDER, AND THE CHRONOLOGY OF REVELATION CHAPTER 10*. Take it, for it is the truth, and it is crystal clear. It should be crystal clear to you, if your heart is right with God and His Word, for the Lord has helped us to lay out something for the universal body of saints.

And when we move into the 70th week of Daniel, whilst the seven thunders are dealing prophetically on the side of the Gentiles, instructing the bride for the rapture, the two prophets

are dealing on the other side with the nation of Israel, giving her a wonderful revival. And in that day, at the opening of the 70th week, we will have **The Three Greatest ANOINTINGS** of God expressed together in the earth, all at the same time, giving us an event that has never ever happened, being absolutely unparalleled, since God put Adam and Eve on this planet. We will have the Three Great Spirits of God, namely: **MOSES, ELIJAH, and JOHN**. And what a supernatural explosion this will create in the earth in that day! But may I say this as I bring my message to a close. The ministry of the seven thunders, carrying the voice of the archangel, which is the unwritten prophetic message of Jesus Christ, brings the message of the bride to its Climax and Completion, under that prophetic anointing, with John as the Lead Thunder. Saints, there is going to be a prophetic unction on each and every one of these thunders. One thing, however, is certain: The prophetic unction on John will outclass all the others. Brothers and sisters, this is not said in order to glorify

the flesh, but it is an absolute fact of the Scriptures, that we receive in a measure, for God gives His Anointing in measure. As a result, No two prophets will have the same measure of anointing; No two apostles will have the same measure of anointing; No two evangelists will have the same measure of anointing; No two pastors will have the same measure of anointing; No two teachers will have the same measure of anointing; and No two thunders will have the same measure of anointing: Because as it is written, we all receive in a measure! It should therefore be scripturally apparent to us, that the measure of the anointing invested in some of the thunders, will be more than that invested in other thunders. Please bear with me, for I am at the end of my message, and I am making a serious point; of a reality we are going to face in the thunders. I am letting you know that the prophetic unction, the prophetic anointing on some thunders, will be more than on other thunders. What this boils down to in relation to John,

the lead thunder, is that he will receive the greatest measure any thunder can have, for it is certain that the prophetic unction, the measure of the prophetic anointing that John receives, being the Lead Apostolic Thunder, and the man who eats the entire scroll of redemption, being the Final Witness of the Truth of Jesus Christ our Lord, the man carrying the Final Standard; which is why he is the Jewish Connector, will be much more than that of all other thunders. Do not forget that the Spirit of John is the anointing that produced the greatest prophetic Book of the Bible. All this is so, simply because it is written in the Book of Ecclesiastes Chapter 7, verse 8: ***“BETTER IS THE END OF A THING, than the beginning thereof...”*** I am only showing you the glorious end of God's plan of universal salvation! Therefore, quit looking at the vessel, and see the Bible Plan! Come on! Because this is about God's revealed Plan of how Gentile salvation will be closed out, as recorded in the Word of God! As Prophet Haggai also confirmed in Chapter 2, verse 9: ***“The glory of this***

***latter house SHALL BE GREATER THAN OF THE FORMER, SAITH THE LORD OF HOSTS...”***

However, it is also needful to point out, that regardless of the measure of the anointing the thunders receive, the truth remains that when they hit the scene, oh what a powerful insight they will bring, and what a lifting their unwritten message will bring to the elect bride saints around the globe! Their ministry revelation will definitely make us hit the roof, because they will be posting us ahead as to time and definite prophetic events, relative to the coming of Jesus Christ in the rapture. Church, when we enter the hour of the seven thunders, being the Second and Final Mystery Fold of the seventh seal which is ordained for the bride, (for the Third Mystery Fold is strictly for the Jews), AND we cross over with the seven thunders into the 70th week, Now we know we are in the precise season of the rapture! But I must remind you though, that at the very opening of the 70th week in that day, Moses and Elijah also step on the scene for the nation of Israel, and they will start the revival of

the Jews, whilst we are now in full and high gear of readiness and expectation for the rapture. Brothers and sisters, we all know that the last condition precedent for the return of Christ on the day of rapture, according to 2 Thessalonians Chapter 2, verse 3, is the Introduction of the Pope of Rome as the Head of the European Union. His introduction as the Head of the European Union will be occasioned by the Peace and Economic Pact he makes with the European Union, and with Israel, and it is this Pact which will set the 70th week prophetic clock in motion. That is the last prophetic condition that the rapture is hanging upon! Hence, when with the seven thunders we enter the opening of the Last Week, from that time, rapture can be any day, and any hour of time. It can hit you on your way to work. We will still be going to work until the Lord comes to take us home, because God hates laziness and idleness. He believes in industry, and He teaches His children to be industrious, and He also rewards industry. So, we will still be working, for as it is written in Matthew

Chapter 24, verse 41: **“Two women shall be grinding at the mill; the one shall be taken, and the other left.”** But the rich and deep prophetic insights we are being given to post us in that hour, makes us go to work as people on cloud nine! And because we now know we are in the season of the rapture, we can now prepare our homes, settling personal accounts, willing out our personal effects and whatever little money we have to our loved ones, who are not following this way, telling them what things of ours they are to take when we are gone in the rapture. I am saying in essence that as living saints, we will have the privilege to prepare our homes in readiness for the rapture, for we will certainly settle accounts. Yes, we will!

Brothers and sisters, wonderful things are in store for the end time elect bride. And as the seven thunders are dealing with us, we are being lifted up on a spiritual plateau, a spiritual height which no age has ever attained, whether in relation to the depth and the power of truth, or as regards to the glory of the workings of God in the open visible

miraculous, signs and wonders, a fantastic display of the raw power of Elohim, for this is when the rain is at its greatest intensity! I am speaking of the Latter Rain! Listen to this. Brother Branham saw by prophetic insight, the intensity of this rain in the hour of the Seven Thunders, for he applied the Latter Rain to the time of the seven thunders. And SEEING THE LEADING ROLE OF JOHN, THE LEAD THUNDER, the prophet declared with categorical admonition: **“Now I want you to be very careful here and SEE THIS. God has promised that at the end time Malachi 4 is going to be fulfilled. It has to be, for it is the Spirit-quickened Word of God spoken by the Prophet Malachi. Jesus referred to it. It is just before Christ comes the second time. By the time Jesus comes, ALL SCRIPTURE MUST BE FULFILLED”**, (including Revelation Chapter 10, verses 8-11, which gives us the prophetic ministry of the Lead Apostle John). **“The Gentile Dispensation will be in its last Church Age, w h e n T H A T M E S S E N G E R O F**

**MALACHI COMES. He will be right with the Word. He will take the whole Bible from Genesis to Revelation. He will start at the Serpent's seed, and carry on TO THE MESSENGER IN THE LATTER RAIN.”** Did you hear that? He declared in absolute effect, for that is absolutely what it means, that we have a God ordained Messenger IN or DURING the time of the Latter Rain, a ministry which his message as Elijah, eventually takes us to! He said this in 1960, when he was preaching on *The Seven Church Ages*, page 174, paragraph 2. This declaration means in essence, that the ministry of Elijah in Revelation Chapter 10, verse 7, takes us in its final accomplishment to the ministry of John, which is revealed in verses 8-11, for his prophetic lead apostolic ministry holds, even in the hour of the seven thunders. This is precisely why the prophet saw that IN THE LATTER RAIN, (which he applied to the seven thunders, and which in prophetic reality, is actually the climax of it), **T H E R E I S A MESSENGER** on the

ground in the hour of the seven thunders, and this gives us none other than John! Wake up, brothers and sisters! Where are you going to run to, that you can get away from the lead apostolic ministry of John, in this Third and Final Junction of time in Laodicea, following the passing away of the chief apostle? You cannot run away from the ministry of John, because of the Continuity light of the Scriptures he carries; the mind of Jesus he bears for the children of God, in order to show the way to the bride of Christ universal; to give direction and focus, and a true understanding to God's children, thus Moving the bride of Christ forward, in the Continuous revelation of Jesus Christ, right up and through the ministry of the seven thunders. This is perfectly so, because **THE THIRD PULL IS STILL ON!** And tonight, the Third Pull is still in full motion, for it never stopped! Brothers and sisters, revelation did not stop, and does not stop! It did not stop with William Branham; it certainly did not stop with Raymond Jackson, and it will not stop now either! It does not stop; it just keeps increasing, and it will keep increasing, until it

gets to the point when it is no more the revelation of written things we will be receiving, but strictly that of the unwritten, because we still have the unwritten revelation apportioned for us by the Lord. Consequently, the roof of divine written revelation will be removed, because written revelation has its cap, for it has its time of completion; and with that, we will move to the unwritten prophetic message of seven thunders! Pay attention now, because I am finished with my message. Saints, written revelation has a seal or cap, although as it stands today, there are a few details remaining here and there to be unveiled in the written Word of God, and then written revelation will come to its completion, thereby opening up the door to unwritten revelation, in the hour of the seven thunders. But an important and fundamental truth remains, brothers and sisters, and that is that revelation does not stop and will not stop, until the hour of the rapture, right under the ministry of the seven thunders, for the completion of the full revelation of Jesus Christ our Lord is in the hour of the

seven thunders, led by ***"The messenger in the latter rain"***, who is John, the Lead Apostolic Thunder, the man who receives for total consumption, the entire scroll of redemption! Just how are you going to get away from the ministry office of the Lead Thunder? No bride seed of God can! But as I have been warning, this is not said in order to lift up the flesh of any mortal man. This is stated in order to show you the true revealed plan of God, which concludes the great plan of Gentile salvation. It is concluded with a specific vessel of clay, chosen by God in His sovereign omniscient will before the foundation of the world, just as the plan of Gentile salvation was set in motion in reality, by a specific vessel of clay, and that was Apostle Paul, who was also chosen by God in His sovereign omniscient will, before the foundation of the world. What can anyone do about that, or rather, what can anyone do against that? Nothing! Because as children of light, **We can do Nothing against the truth, BUT FOR THE TRUTH!** You just have to

understand what the Lord is doing today, in this wrapping up Move for the universal bride of Christ, God working through the ministry He has ordained and established in His Word for this very purpose. After the death of Apostle Paul, the first star messenger, the star messenger to the first church age, which is the Ephesian age, God anointed Apostle John, one of the original twelve Jewish apostles, to step into his shoes, as the lead apostle for that age, the **“candlestick”** of the Lord for the Ephesian church age, thus making John a Minor Messenger to that age, and the man whose ministry testimony was used to conclude the Entire written record of the Word of God, for he was used by Jesus Christ to write the very last Book of the Bible, the Book of Revelation, a prophetic Book that stands entirely in a class of its own. Yet, it was not brought by the star messenger to that age, as we would have expected. Think about it! But nevertheless, **because** Apostle Paul was the star messenger to that age, and the man on whose revelation, the faith of the Gentiles was founded upon, and **because** his message

forms a scaffold or guard around the true revealed faith of Jesus Christ, therefore, it was most necessary that he would carry something in his message, a written record, pointing forward to the great prophetic Move the Lord would make in the earth, for the entire body of saints, after his demise. Therefore, in 2 Corinthians Chapter 12, verses 1-5, he was divinely inspired to write about **THE MAN THAT WAS CAUGHT UP**, the man who received **“unspeakable”** and most fantastic prophetic dealings by the Spirit of God, packing deep and complex prophetic revelations of the Lord. In 96 AD, Apostle John was caught up into heaven, fulfilling the wonderful experience stated by the star messenger to that age. I ask: Is it not the same today? Are we not facing the same thing today? Did William Branham, the star messenger to this last age, the Laodicean church age, Not also leave a similar testimony in 1960, in his message titled, *The Seven Church Ages*, concerning **“THIS GREAT THING THAT IS ABOUT TO HAPPEN”** IN OUR JUNCTION OF TIME, IN

THIS LAST AGE? He did! Absolutely! That is exactly why he rejoiced greatly in the spirit, knowing he had to conceal the identity of the vessel concerned, just as the first star messenger kept John's identity in his record, as fashioned by God! William Branham declared firmly and categorically: **“Oh, if I could just tell you something that is about to happen right in this our day! THIS GREAT THING THAT IS ABOUT TO HAPPEN will carry over to Revelation 11 and pick up those Two Witnesses, those two prophets, MOSES, and ELIJAH, turning the Gospel back to the Jews. We're ready for it. Everything is in order. As the Jews brought the message to the Gentiles, even so the Gentiles will take it right back to the Jews, and the rapture will come!”** This gives us the ministry of John, which carries us over from hence, to and through the thunders, to the hour of the ministry of the two Jewish prophets, when we will have the three greatest anointings expressed on the earth together! Brothers and sisters, Brother Branham also had

to lay this out, **because** he is the star messenger to this last age, and **because** his message also forms a scaffold or guard around the revealed faith of Jesus Christ for this final age! Consequently, like Saint Paul, he also had to leave a Witness in his message, concerning the most glorious prophetic Move of God through John, which ends God's plan of Gentile salvation, which is why at the hour of the seven thunders, he saw the **"messenger IN THE LATTER RAIN!"**

When John the beloved apostle had the great prophetic encounter he had with Michael, something happened which I want you to consider, as recorded in Revelation Chapter 19, verse 10: ***"And I fell at his feet to worship him"*** (who is the Angel of the Covenant). ***"And he said unto me, See thou do it not: I am thy fellowservant, and of thy brethren that have the testimony of Jesus: worship God: for the Testimony of Jesus IS THE SPIRIT OF PROPHECY."*** Saints, we must ask: Why did John fall down to worship the Angel of Christ? He fell down

before the angel, because he was overwhelmed by the incredible magnitude, the complexity, and the depth of the prophetic revelation he had received, AND the awesome prophetic experience through which it came! I am talking of the awesome anointing he received in that day, for it is one of **The Three greatest Anointings** God has ever released on man! Please, do not take the three greatest anointings, and relate it to what Christ received, for you cannot do that. This is so, because, although the anointing which these three vessels of clay receive, are the three greatest anointings, it is still in a measure, though a great measure; but a measure nonetheless! On the other hand, however, and as it is written, Jesus received the Spirit without measure, which simply means that he received the fullness of the Spirit of God, making him God incarnate. Hence, Colossians Chapter 2, verse 9 declares: ***"For in him dwelleth ALL THE FULNESS OF THE GODHEAD BODILY"***! As a result, when we are speaking of the Three Greatest Anointings, we

are speaking of the anointing of God invested in Moses, Elijah, and John, for they are all prophetic. And let me inform you that **John is a WRAPPING UP ANOINTING, which is why it is unparalleled in its prophetic expression!** Moses is a delivering Spirit and a law giver. Elijah is a God identifying Spirit, and hence, a restorer. But John is a wrapping up Spirit, an Anointing of God that closes out God's plan of global redemption! Period! However, coming back to John the beloved disciple, as recorded in Chapter 19, verse 10, he fell down at the feet of the angel to worship him, but he was forbidden. Then the angel told John, that ***"The Testimony of Jesus IS THE SPIRIT OF PROPHECY."*** **FIRSTLY:** It was spoken to let John realise precisely why he had such an unequalled prophetic experience in that day, for it was in order to wrap up the entire written record of the Word of God. The ending Book of God's Holy Writ, a Book which lays out the entire plan of redemption which we have in Christ Jesus, had to be unmatched, on the full authority of

Ecclesiastes Chapter 7, verse 8, and Haggai Chapter 2, verse 9, for as it is written, ***“the Scripture CANNOT BE BROKEN”!*** SECONDLY: As Brother Jackson was used of God to rightly make us understand, the statement of the angel was to show that the Testimony (or the Message) of Jesus Christ, is first salvational, and hence, the Testimony of Jesus first carries a salvational message, borne by a salvational anointing, in order to accomplish in reality, the salvation of Adam's fallen race, for it is universal salvation. However, once universal salvation is complete in reality, by the salvational message of Jesus Christ that the ministry bear, the Testimony or Message of Jesus will then change, to that which is strictly prophetic. That was precisely why the ministry of John changed in 96 AD! For the end accomplishment of the message of salvation, gives us a prophetic message, all which speak of Jesus Christ. Church, the declaration the angel made to John in that day, also speaks of this day as well, being prophetic! For as the End Book of God's written record was strictly

prophetic, and it was an unparalleled prophetic record which closed out the written plan of salvation, borne by a very great prophetic anointing, so will God also do at this end time. In effect, it is confirming in coded language, that at this end time, the testimony of the message of Jesus will also start as a salvational message, but once the salvation of the Gentiles is fully accomplished, the message or the testimony of Christ will change into strictly a prophetic message, borne by a prophetic anointing, one that is unparalleled all through time, bringing a most glorious closure to the plan of Gentile redemption. That was why the angel made that eye opening declaration to John in 96 AD. As I said before, that declaration in itself, is also prophetic of the reality of this end time, because the things John saw and wrote about in prophecy, pertain to this end time, as laid out in the Book of Revelation. Hence the reason the ministry of John will be as glorious, as we have endeavoured to show in this message, for it is the revealed plan of Almighty God, and not that of any

man. Now listen carefully to what I now say. It just shows that as God started in the Seed Chapter in Genesis, with the prophetic anointing, He also ends it in the Book of Revelation, with the prophetic anointing; but this time around, it is with a greater prophetic bang! It shows that He is Alpha and Omega, the Beginning and the End. For as it is written in 1 Peter Chapter 1, verses 9-12: ***“Receiving the end of your faith, even the salvation of your souls. Of which salvation the prophets”*** (of old) ***“have enquired and searched diligently, who prophesied of the grace that should come unto you: Searching what, or what manner of time THE SPIRIT OF CHRIST WHICH WAS IN THEM did signify, when it testified beforehand the sufferings of Christ, and the glory that should follow. Unto whom it was revealed, that not unto themselves, but unto us they did minister the things, which are now reported unto you by them that have preached the gospel unto you with the Holy Ghost sent down from heaven;***

***which things the angels desire to look into.***” It was the Spirit of Christ in the Old Testament prophets which produced the Law and the Prophets, and it is by the same prophetic Spirit of Christ that the plan of universal salvation is to be wrapped up at this end time. Every true seed of God should be able to see that, for God has helped us to present it with clarity, for the end time ministry Plot of God is now crystal clear; and is nothing but the infallible and unchanging Word of God! Do not fight God, for you cannot fight your Maker: You must lose dearly and eternally, if you do! This is the reality of the ministry of John, for The Anointing of John, is a wrapping Up Anointing. Period! No wonder then, why in Saint John's Gospel Chapter 21, Jesus declared prophetically, ***and implicitly***, (impliedly), that the Spirit of John will tarry, on account of its end time role, prior to the rapture, when Jesus returns for his bride, as it is written in verses 21-22: ***“Peter seeing him”*** (who is John, the beloved disciple), ***“saith to Jesus, Lord, and what shall this man do? Jesus saith unto him, IF I WILL THAT HE TARRY***

***TILL I COME, what is that to thee? follow thou me.***” And in confirmation of this truth of the tarrying of the Spirit of John, for it is reserved, Jesus Christ our Lord, in his prophetic revelation to John on the Isle of Patmos, in 96 AD, promised us the return of the Spirit of John, as recorded in Revelation Chapter 10, verses 8-11: ***“And the voice which I heard from heaven spake unto ME”*** (JOHN) ***“again, and said, Go and take the little book which is open in the hand of the angel which standeth upon the sea and upon the earth. And I went unto the angel, and said unto him, Give ME the little book. And he said unto ME, Take it, and eat it up; and it shall make THY belly bitter, but it shall be in THY mouth sweet as honey. And I took the little book out of the angel's hand, AND ATE IT UP; and it was in MY mouth sweet as honey: and as soon as I had eaten it, MY belly was bitter. And he said unto ME, THOU MUST PROPHECY AGAIN before many peoples, and nations, and tongues, and kings”***, thereby giving us the return

of the Spirit of John at this end time. And what is that Spirit? It is a wrapping up Spirit, sent to work a marvellous and unparalleled work, closing out the plan of Gentile salvation, which is why God invests so much in that Anointing or Spirit, for it is the Spirit of Closure, and hence, the Spirit of Completion. Who can deny this truth, but a chronic unbeliever of the Holy Scriptures? Therefore, let every true eagle of God around the globe wake up and realise, that the hour of John is the hour of the rapture, for that is precisely what the Spirit of John is about. What a most glorious time this is, for what is directly a h e a d o f u s !

Therefore, I plead with each and every one: Brothers and sisters, appreciate the truth, and let us walk in the light, for we are the ones apportioned for the rapture. We are the ones ordained for the skies; for we are the ones to receive the Bridegroom in the air, which is why there is coming a gathering in the air, in this day and hour. It is under the ministry of the Lead Thunder, who is the

Messenger in the Latter Rain. Saints of God, you must awaken to the reality of the fact that John is the Lead Apostle of Jesus Christ, at this final junction of time. And based upon what the Lord has used the Star Messenger to Laodicea to accomplish for us at this end time, the

prophetic ministry of John starts first in the Book of Revelation Chapter 10, ever before we have the application of the Seven Thunders. And when we even get to the Seven Thunders, Seven Apostolic Thunders, you will still see JOHN, for he is the First Thunder, THE LEAD

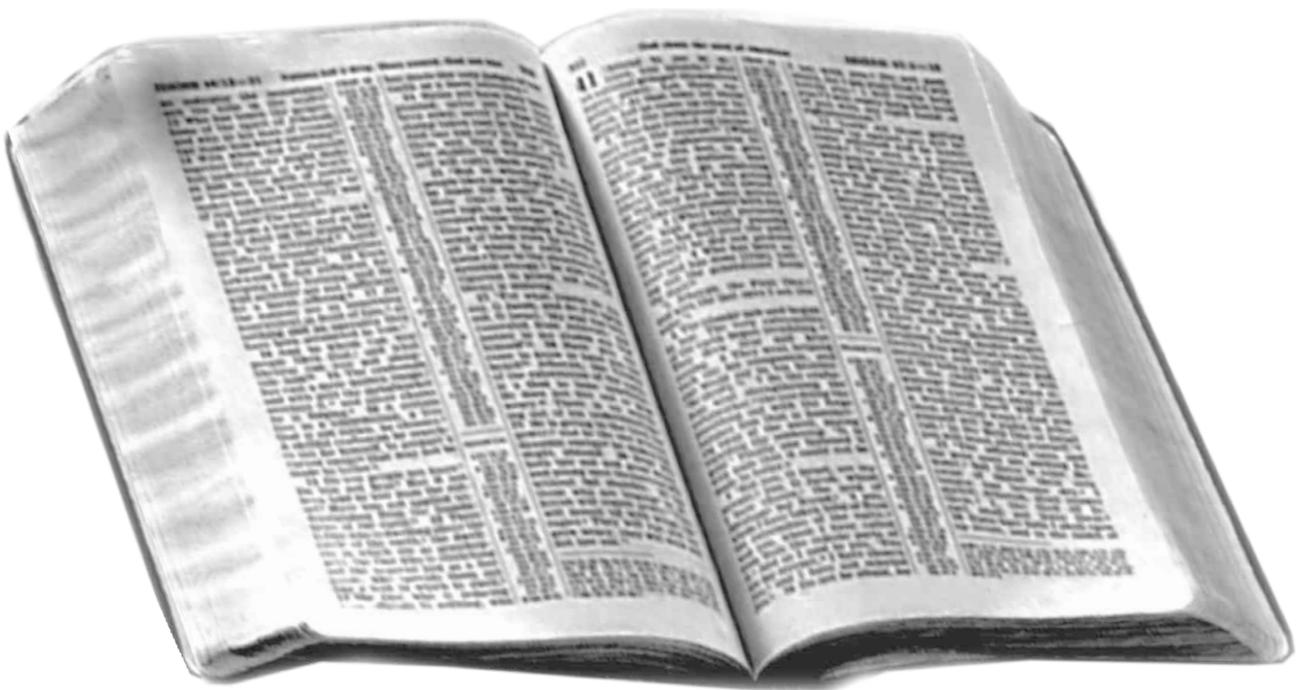

THUNDER. This is the Chronology of Revelation Chapter 10. Let us bow our heads in prayer. (Brother Amos prayed).

The Lord bless you.

## PROPHECY

After this message, a prophecy was given by Sister Gretchen Williams, from South Africa, which goes thus:

“I am the living God, your Father. I am in your midst. I am Him; I am Him, the Almighty God, your Sustainer. I am here, I am here my children. You listen, and hearken unto my apostle. My son, Amos, has spoken. My John of this hour is on ground. You listen unto his voice. I speak unto each and every one of you. I have ordained it that each and every one can be here. You receive my Word. You hearken unto my voice: For this is my Word. It shall come into fulfillment. This is my Word. Prepare your hearts, prepare your souls. Prepare your hearts, prepare your souls. A wondrous and glorious time is ahead, my children. Hold on to my Word. Keep focus. I am the living God your Father. I am always in your midst. You keep your eyes upon me. You keep your lives in order, for I am the Holy one. I am the living God. I am here. Hold on to my Word. Thus saith the Lord.”

Behold, ye among the heathen, and regard, and wonder  
marvellously: for I will work a work in your days,  
which ye will not believe, though it be told you
