## REVISITING ARMAGEDDON PART 1

This message was preached by Brother Amos, during the morning service of Sunday 17th November, 2013, at the Bible Faith Tabernacle November 2013 Convention, in Lagos, Nigeria. This a two part message, in which Brother Amos, whilst correcting a geographical fact, laid out new insights, in order to reinforce the truth about the War of Armageddon.

Good morning saints, open with me to the Book of Revelation Chapter 9, and we will take it from verse 13. It gives us the sixth trumpet. May I say this morning, that only the bride of Christ, a people following the Continuity of the divine revelation of the Scriptures truly understand what the seven

trumpets are. Brother Branham thought that he would touch it in his days, but he never did, for the Lord did not give it to him to bear. We come to the sixth trumpet, which starts from verse 13, and it reads: ***"And the sixth angel sounded, and I heard a voice from the four horns of the golden altar which is before God, Saying to the sixth angel which had the trumpet, Loose the four angels which are bound"*** (stationed; positioned) ***"in the great river Euphrates."*** (These four angels, who are stationed in the River Euphrates, the centre of the earth, and from which all directions take their axis, are also revealed in Revelation Chapter 7, verses 1-3, holding ***"the four winds of the earth"***,

which are the four winds of conflict. Verse 15 of Chapter 9, now reads): ***“And the four angels were loosed”*** (or were turned loose, given the divine mandate now to move), ***“which were prepared for an hour, and a day, and a month, and a year, for to slay the third part of men.”*** They are going to kill a third part of men. Saints, this prophecy has a global application, for its application affects the whole globe, and hence the incredible number of those killed! The world as it stands today is over seven billion strong. When God kills a third of this population by these four angels, through what they set in motion, and they bring about such astronomical deaths, brothers and sisters, how many billions are dead? You do the Math! I was never good at Maths. But because whatever I do, I do my best, when it came to Maths, I got the best failure I could get: F9, which was failure at its best. So, you do the Math! However, you must know that by the time the world enters the era of time when this prophecy is to be fulfilled, only God knows what the population of the world will be in that day. Then, think of one third of that population being wiped out of existence! What a day! And what an hour!

What a future awaits this totally sick and degenerate world, a world most profane and insane! Verse 16: ***“And the number of the army of the horsemen were two hundred thousand thousand”***, (which gives us exactly Two Hundred Million Soldiers): ***“and I heard the number of them.”*** (John heard their precise number. We continue with verse 17): ***“And thus I saw the horses in the vision, and them that sat on them, having breastplates of fire, and of jacinth, and brimstone: and the heads of the horses were as the heads of lions; and out of their mouths issued fire and smoke and brimstone. By these three was the third part of men killed, by the fire”*** (of scud missiles), ***“and by the smoke”*** (of gas bombs and nuclear missiles), ***“and by the brimstone”*** (created by bombs), ***“which issued out of their mouths. For their power is in their mouth, and in their tails: for their tails were like unto serpents, and had heads, and with them they do hurt.”*** This is a prophetic picture of modern day Military Jets, Hi-Tech Jet bombers, Aircrafts with mass killing power. They project or launch their bombs or missiles from the

front, like mouths, and they launch it from their tail as well, all sorts of missiles: Cruise missiles, Land attack missiles; and they are also fitted with Conventional or Nuclear warheads. Brothers and sisters, all you see is a ball of fire coming down from heaven, from the plane in the cloud, a plane you do not see, and one you do not even hear its sound from the ground! We are speaking of Fighter Jets like the US B-2 Spirit, which looks like a black bat or like a black Sting Ray. They use technology to zero in on their target, and they can fire a missile through the door of a house at the push of a button, from miles way up in the sky, for it is precision laser guided! Some of these fighter planes can evade radar, for they fly in stealth mode: Mass killing machines which men have invented under Satan! This reminds me of when the atomic bomb was dropped on Hiroshima and Nagasaki. It was just at a press of a button from the Jet Bomber, and something lethal was coming down, an atomic bomb. Look at what it did to Hiroshima and Nagasaki! Men have enough nuclear and biological weapons, enough armories to kill

themselves, and men will kill themselves! No wonder Apostle Paul under divine inspiration called them ***“Inventors of evil things.”*** Verse 20: ***“And the rest of the men which were not killed by these plagues yet repented not of the works of their hands, that they should not worship devils, and idols of gold, and silver, and brass, and stone, and of wood: which neither can see, nor hear, nor walk: Neither repented they of their murders, nor of their sorceries, nor of their fornication, nor of their thefts.”*** Brothers and sisters, the sixth trumpet is projecting nothing but the Battle of Armageddon, a battle the Lord is going to set in motion in the Last Week of Daniel, as God brings all the armies of the East and the West to the Valley of Armageddon, in the Land of Israel. The Valley of Armageddon, coined from the Hebrew word, *Har Megiddo*, referring to the Mount or the Hill of Megiddo, gives us the Valley of Megiddo, and it is also known in Israel as Jezreel Valley, or the Valley of Jezreel. Two Hundred Million Soldiers are required in the War of Armageddon. Saints, in God's numerology, three is number of perfection, for God is perfect in three. We

have had the First World War, and you know the devastation it did in the earth; you know the number of people that died in that war, for it was over 37 million people, including war related deaths like diseases and famine. We have also had the Second World War, a war which made the First World War look like nothing, in terms of the devastation and the volume of deaths, which was over 80 million, including those who died from war related disease and famine. However, the First and Second World Wars put together, including all the wars that have been fought on this planet, along with the plagues and disasters that have besieged this earth, are nothing compared with the destruction and the killing that the Third World War will cause. Saints, the Third World War is the Battle of Armageddon. It is a war that will be fought towards the closing of the Last Week of Daniel, when the kings of the East, under the leadership of China, will come against the West, under the leadership of the Antichrist, who will be the Pope of that hour. Brothers and sisters, the sixth trumpet gives us the Battle of Armageddon, and it is the Third and Final conflict

between man and man.

When we get to Revelation Chapter 16, John was also shown something concerning this same battle under the sixth vial, which is like the anointing of the sixth trumpet, for they both synchronize in their prophetic projection, being one in their revelation; thereby giving us a double witness of the truth in this prophetic Book. Revelation Chapter 16, verse 12 records: ***“And the sixth angel poured out his vial upon the great river Euphrates; and the water thereof was dried up, that the way of the kings of the east might be prepared.”*** River Euphrates comes up again in prophecy, as tied to the prophetic picture we read in Chapter 9. It is certain that the Lord God has His eye on the Euphrates, and the Euphrates will be dried up as it is written, in order to serve God's prophetic purpose, for the Scriptures cannot be broken; the Word of God cannot fail. Consequently, the Lord is going to use global warming, no doubt, to achieve this, for God is going to increase the power of the sun seven times. By the time it is done, the Euphrates will be dried up, to make way for the kings of

the East to have the land mass needed for the vast movement of soldiers, because God requires, not two hundred thousand soldiers; not two million; not even twenty million soldiers, but two hundred million soldiers in this war. Therefore God dries up the Euphrates, removing the hindrance of this river, so that the kings of the East may find an easy and ready passage, because you can move a vast volume of soldiers much more by land than by air. The volume that can be moved by land, cannot be moved by air. And since the revelation of Jesus Christ cannot fail, God Himself who opened up the Red sea will dry the Euphrates River, so that the way of the kings of the East may be made. But who are the kings of the East? That gives us the Far Eastern bloc, led by Communist China, which is now a world power. We are looking at China, Japan, North and South Korea, Taiwan, Thailand, Cambodia, Vietnam etc., nations who are coming under the Communist Ideology and leadership of China. At the appropriate time, they are all going to be bonded together by the same Communist Ideology, and they will come under one Communist flag, to fight the West. That is why on every anniversary, China

demonstrates her military power. She always rolls out her tanks and rockets, and stages a great Military parade before the world, putting the world on notice, indirectly telling the West: *"Look at us, do not try us. We are not like yesteryears. We too have arrived militarily. I would be careful if I were you."* And that is precisely what is going on today in the political arenas of the world: China is flexing her muscle against the West, and the West also realizes that they cannot do without China, particularly when it comes to money, for they need China's money, as well as access to her over a billion population to sell their products to. Brethren, they need China's money and business! So for a little while, the West bring down their arrogance, because they are very arrogant. However, when it comes to money, they will lower their arrogance, because, as they say, *"Money talks."* It is their god after all, which is why men kneel and bow at the feet of *"mammon"*, the god of money; the god of silver and gold of this rotten and filthy world. Saints, God is simply saying to the bride: *"Keep your eyes on China. Watch the kings of the East."* They are coming with everything they have against the West, and the

West will also come with everything they have, their hi-tech military weaponry. All the bombs that they have put in place: Nuclear bombs, Atomic bombs, Hydrogen bombs, all sorts of deadly weapons which men have made for mass killings, for they are all out there, and will be brought and used in this war. Right now, there is a rift between China and Japan, and also a rift between North Korea and South Korea. But in that day, all that will be straightened out, because they are bound together in prophecy. And although the East is coming against the West, the world itself will be divided in alignment behind the two powers, East and West. It has always been that way in every major war, whether we consider World War 1, or World War 2. Africans fought in both, and as a matter of fact, the war was also fought on African soil as well! However, some will ask, how did it concern us? It is because all nations align in major wars, on account of political, religious, or economic relationships. That is the truth! And so also will this Third World War be. And thanks to the CBN Governor, Nigeria is already positioning herself for the Last Week. They are trying to introduce

Biometrics now. That man is running faster than Europe and the Pope, in the implementation of a cashless society, so much so, that you are very limited in the amount of physical funds you can withdraw from your own account! Brothers and sisters, it is a shame that our leaders are spiritually as blind as bats! What a blessing it would be for our leaders to be revealed believers like King David and King Solomon! What a blessing! Brothers and sisters, the nations of the world will align themselves with the East or West, and we know the end result of this war. David Cameron, the current Prime Minister of the United Kingdom may be fighting against Europe as of now. However, as sure as we are sitting here today, they are going to submit themselves to the leadership authority of the Pope of Rome, in the Last Week of Daniel, because it is *“Thus saith the Lord”* in the Word of God. The ten horns will give their seat and authority to the beast, who is not a mysterious or an imaginary figure, but the Anti-Christ, the Pope of Rome of that day. And under the leadership of the beast, the man of sin, they will come to the Valley of Megiddo, to slug it out with the kings of the East. My wife and I have been privileged to

stand on a small mountain overlooking the Megiddo valley, for it gives you a good view and perspective of the Valley of Jezreel. The Jezreel Valley, or the Plains of Megiddo, the *“Great Plain”*, a very fertile agricultural area, is a confluence, a gateway to the East and North, and was a convenient passageway for International travellers in ancient times. Countless wars have been fought in this valley all through the years, but the War of Armageddon is one war that God has ordained to be the final conflict, where man will kill man. God does not even need to do anything, for man is going to self-eliminate; because they have removed themselves from the only source of life and global security, and that is their Maker, God Almighty! Prophet Daniel also spoke of this war. Do not close Revelation Chapter 16, but quickly turn with me to Daniel Chapter 11. Starting from verse 36, Daniel was speaking about the Antichrist who shall exalt himself above God; but whilst he is still reigning, the Bible says in verse 44: **“But tidings”** (or news) **“out of the East and out of the North shall trouble him”** (who is the Anti-Christ): **“therefore he shall go forth with great fury to**

**destroy, and utterly to make away many.”** See? His intelligence will pick up the military onslaught which the kings of the East are planning against the West, and this will trouble him, and cause him to prepare for a faceoff! Verse 45 says: **“And he”** (who is the Anti-Christ), **“shall plant the tabernacles of his palace between the seas in the glorious holy mountain”** (in Jerusalem); **“yet he shall come to his end, and none shall help him.”** In real essence, no man can take him out, no one, except Jesus Christ, the Stone cut without hands, at his second physical coming; and when Jesus does that, there is nothing anyone can do to stop the Anti-Christ from suffering this fate. Brothers and sisters, please note that verse 45, which gives us the taking over of Jerusalem, would have been fulfilled, ever before verse 44, which gives us the faceoff between the East and West, is set in motion; because it is in the Middle of the Week that the Anti-Christ comes to take over Jerusalem by military force, making it the seat of his power! However, verse 44, which relates to the Battle of Armageddon, takes us straight to near the end of the Week. But that

same verse 44, which speaks of the Battle of Armageddon, lets us know that the man of sin, the Antichrist, will have the military intelligence to know that the East are coming against him, and he realizes, "My, this is serious!" The Eastern bloc would have aligned themselves together, all under one Communist Ideology, in that day, and they are coming with all their technological Military know-how to fight against the West. The West will stir up all their Military might as well, and all roads will then lead to the Valley of Megiddo for the Battle of Armageddon. Let me say this. They are not fighting this battle because God said it; for they have no knowledge of God, and they do not care for what God says in His Word either, as they are a godless bunch of humanity; but they will do it because the conditions in the earth, economic, political, social, and military, (which are the four winds of conflict), will move them to this battle. I say that simply because the Chinese people have no belief system: They just live for the flesh. And the Japhetic West has thrown out God from their entire lives, and have imbibed or taken in an Atheistic spirit. It is a notorious fact that today, they have already embraced a liberal spirit, a worldly spirit,

which makes them live just for the flesh. They are a people who are now given wholly to entertainment, having an insatiable craving for fleshly enjoyment, for they just cannot seem to have enough of it, as they crawl all over the globe in search of it in one form of pleasure or the other, being a people without God, which is the foundation stone for Atheism. So, as it stands today, Europe has already gone Anti-God, and that is a fact! God has been taken completely out of the picture! Brothers and sisters, in that day, what God does is simply to bring the two godless people together in mortal combat. It is God's way of wiping out a huge chunk of humanity, and He is letting them do it themselves. You can imagine a third of men killed in this war; one third of men! That is mind boggling even to conceive! When Jesus comes in the Clouds with his wife, the bride, he will finish up the rest, and then our kingdom, which is the Millennial kingdom, will be established! And we must all know that our kingdom is coming with great power and exceeding glory! It will come with super power, because we are coming riding on white horses, and a horse speaks of power, super mega divine power,

the divine authority of God we are invested with, alongside Jesus, the King of kings, and Lord of lords, who is also on a white horse! And in our company are the saints of all ages, with an innumerable company of angels, for we are coming down together to overturn the earth, and establish the Government of God on earth; God's Theocracy, which is our kingdom, the Millennial kingdom, one which is coming with great power! That is what we are living for! We are not living for this sick apostate world! I do not care for this world! (Brother Amos bursts out singing):

*This world is not my home,  
I'm just a-passing through;  
My treasures are laid up,  
Somewhere beyond the blue;  
The Angels beckon me,  
From heaven's open door;  
And I can't feel at home,  
In this world anymore.*

We do not care for this world! That is why we cannot fight for it; and that is also precisely why we do not demonstrate, whether peaceful or violent. We do not demonstrate against any government or organisation, whether public or private; and we certainly do not join riots, because this is not our kingdom. We leave the

children of the world to fight for their world! And we also fight for the spiritual kingdom which we have right now in the light, for our kingdom is a spiritual one, as it stands today. That is what we fight for: We fight for the revelation of our kingdom, which is the revelation of Jesus Christ our Lord; we fight for his truth, for its liberty, for therein we have life eternal. Hence it is written in Matthew Chapter 11, verse 12: ***“And from the days of John the Baptist until now the kingdom of heaven suffereth violence, AND THE VIOLENT TAKE IT BY FORCE.”*** We make sure that nothing gets in the way of the truth we have received, for we will sacrifice anything and everything to follow this wonderful light of Jesus Christ. Consequently, we leave the people of this world to fight for this world, and we fight for the establishment of the spiritual kingdom of our God, which is the bride church, for our day is coming. Halleluiah! Coming back to the War in Armageddon: What a war, and what a day that will be! Oh, my! There is no burial for any flesh in that day. All the Mathematicians in our midst, please divide seven billion into three. What is a third of it? It gives us 2.3 billion! Brothers and sisters, that is the totality of deaths, and what an amount of deaths! It is mind boggling!

You cannot even cry in such a situation, because it is simply stupefying! What about the destruction, the utter devastation of the planet, which the battle will bring? Then, a few days later, God will come down to finish off the rest. But do you know the beauty of it all? It is that we are on the Amen side! That is the beauty of it! So, we have nothing to worry about. Brothers and sisters, very soon we are going up; for soon and very soon, we are going to see the King. That is what we are preparing for, and that is why we are here! We are going up, my brothers and sisters! One of these days, they will see us no more. And yet, in a few days, at the end of the Week, they shall see us. Halleluiah! However, they will not see us in the way we are right now, for now we are weak; now we are despised; now we are unknown; now we are unloved; now we are hated and unwanted, and counted as nothing. But in that day, what a difference it is, for it is a different kettle of fish! Just by your look alone, and Islands will begin to vanish! When the children of Israel were coming out of Egypt, and Michael looked at the Red sea, the Red sea said, *“I am sorry, Angel of the Covenant, I am sorry.”* Halleluiah! Brothers and

sisters, remember in that day, we are like angels. So it is a different kettle of fish! That is what we are living for, and that is what we are preaching this for: It is the Bible plan. Please come and join us! We do not preach money here. No, we do not share money messages. We are not preachers of materialism either. Here, we preach Eternal life, for we share Eternal life messages in Jesus Christ. Halleluiah! We do not care for money and materialism here, for they will fail, being carnal things; we care only for Eternal life, which the true revelation of Jesus gives. Period! Halleluiah! They, (the preachers of money and materialism), have all the houses and lands you can only imagine, but they do not have Eternal life. The Truth of Life on the other hand, is looking for a roof over its head, and it has none, Except a hired and grossly inadequate roof. That is how it always is. But our day is coming. That is what we are living for. Come with me, church. Let us get back on course. May the Lord help me today.

We will return to Revelation Chapter 16, to consider the sixth vial, having seen the passage in Daniel Chapter 11, verse 44, which also

speaks of the Battle of Armageddon: for it speaks of the ***“TIDINGS OUT OF THE EAST and out of the North SHALL TROUBLE HIM,”*** who is the Anti-Christ. God is going to move upon the leadership of the kings of the East, and they will be bonded together under the leadership of China, and under the Communist Flag, and they are coming to slug it out against the West, right here in the valley of Megiddo. Revelation Chapter 16, verse 12 now says: ***“And the sixth angel poured out his vial upon the great river Euphrates; and the water thereof was dried up, that the way of the kings of the East might be prepared. And I saw three unclean spirits like frogs come out of the mouth of the DRAGON”***, (which is the Spirit of Satan embedded in the Roman Beast Empire, the spirit embedded in the European Union), ***“and out of the mouth of the BEAST”***, (which gives us right here, the Roman Beast Empire, in its end time restored geographical entity called the European Union), ***“...and out of the mouth of the FALSE PROPHET”***, (which gives us the Anti-Christ, the Pope of Rome of that hour of time). Remember that in that hour of time, that is, from the Middle of the Last Week of

Daniel, the Pontiff of Rome is no longer a religious man, for he is no longer calling on God, and praying to any saint, whether Saint Peter, Saint Mary, or Saint Cecilia, and neither is he praying to any God. He will remove all religious togas (coverings), and make himself God, and demand worship, thereby becoming the false prophet, having already taken over the leadership of the ***“ten horns”*** of Europe, which is the European Union, from the beginning of the 70th Week. So, under the sixth vial, we have ***“three unclean spirits like frog come out of the mouth of the DRAGON, and out of the mouth of the BEAST, and out of the mouth of the FALSE PROPHET.”*** Here is the Trinity of Satan: The dragon, the beast, and the false prophet. What are they united for? Verse 14 records: ***“For they are the spirits of devils, working MIRACLES...”*** These are not miracles that preachers do. These are strictly scientific military miracles! Whilst we were still in the Denominational world, we used to think that this was going to be one man that would come and start doing miracles, and that the world would fall for him. But people are doing miracles, false miracles every day: Why are Presidents and

Heads of States not bowing to them? Come on! We have magicians in the world today, and they do a lot of false miracles. The greatest magician on earth currently is in America, an American named David Copperfield. Brothers and sisters, his f o l l o w e r s h i p is phenomenal, for he performs to pack out venues! You also have one called ***“Dynamo: Magician Impossible”***, Steve Frayne, in the United Kingdom, who is also doing things, like walking on water, for he walked on the Thames River in London, all by the power of illusion or magical deception. We have had one Harry Houdini, a Hungarian-American, a master illusionist, and the President of the American Society of Magicians. But yet, Heads of States are not bowing to any of these men. So, how come they are going to bow to this particular one, referring to the Antichrist, according to Revelation Chapter 13? It is because the miracles he performs are scientific military miracles, which will cause any Head of State who dares challenge him to bow, for he will simply whip them for real; a deterrent factor for which men will bow! Brothers and sisters, as we heard yesterday night, without an apostle,

how would we really understand the **“miracles”** given here in prophecy? I say that because it is nowhere in the message of the prophet to this age! So, how are we to understand this prophecy, which is not of any private interpretation, without the ministry of an apostle? Think about it! Formerly, we also thought that the Antichrist would stand and be commanding fire from heaven, and literal fire would be coming down. Oh, my! But here came an apostle, the chief apostle of this end time, the beginning office of the apostolic fold of the Ephesian ministry, Raymond Jackson, who went to Revelation Chapter 13, and broke it down, showing us precisely what the mark of the beast will be. When you look at it, brothers and sisters, two hundred years ago, people did not know what the mark would be. It was impossible to know what the mark of the beast would be, two hundred years ago, for it was in the last Century that the software was developed. But today, we know what it will be, for the mark is nothing but an **Identification Microchip** the size of a grain of rice that the Anti-Christ will insert or implant into the right hands or foreheads of men. It was not until 1959 that the microchip was invented, and

just look at the size it has now been reduced to, and what men are now also doing with it; for microchips are already in use today in the military, in business organisations, and in social circles! The chief apostle also came to the passage of Scripture we just read, which deals with the **“three unclean spirits like frogs... WORKING MIRACLES”**, and he showed us the application of this prophecy, and the precise miracles that they will work, and now we have the revelation of it, and how perfect it is! It is the scientific military miracles that the three unclean spirits will bring about, and God further showed us precisely what these kinds of miracles are during **“Operation Desert Storm”**, when America waged war against Saddam Hussein of Iraq, for overrunning Kuwait. American Fighter Jets were firing squad missiles out of the sky, and all we saw were balls of fire coming out of the sky to the earth, bombing the forces of Saddam Hussein. We did not see the planes, only fire balls created by squad missiles coming out of the clouds of heaven! It was like fire was coming out of heaven, literally, and the world was mesmerised, for that was the first time the world

realized what was being called squad missiles. It was in operation, and hence, on display for the whole world to see on Cable TV in that day! That was a **“miracle”**! The military knew about squad missiles, but the general mass of people on earth did not know anything about it, although we know that the military have Jet bombers. God wanted this prophecy made plain, and sometimes, events or developments on earth are the things God uses to throw light on prophecy; because prophecy is sometimes made clear by events that are unfolding, events which throw light on a prophecy, thus making us see its true application. Then you can see what God meant there. When Saddam Hussein overran Kuwait, the United States launched a military offensive against his forces, in order to dislodge him from Kuwait, called Operation Desert Storm, thereby liberating Kuwait. With the use of squad missiles, pounding Saddam's massive army from the sky, within a few days, the war was over, and Kuwait was liberated. However, because we live in an age of Satellite, brothers and sisters, the Television News carried the

event live all over this globe. And for the first time, we just saw balls of fire coming out of the skies, exploding on impact. When John the beloved disciple was shown this vision in 96 AD., he just saw balls of fire coming out of heaven! In his day, he could not relate to a Jet bomber or to a subsonic super fighter plane, which cannot be seen or heard flying in the sky, for it is invisible to the naked eye, being way up there above the clouds; but nonetheless, has such mega killing power. Sitting behind a little cockpit full of military gadgets and buttons, the fighter pilot, wears a helmet that makes him look like the head of a wasp or hornet. He has big black glass around his face, and an with oxygen mask on his nose, because of the pressure in that aircraft and the height at which he is travelling; his head looks like that of a hornet! Brothers and sisters, he is seeing everything on the ground on his radar screen, but you do not see him, and you do not hear the sound of his plane. All he does is simply press a button, and missiles are coming down. We do not even see the missiles until they break through the cloud into our visible air space. They come with a great sizzling noise, falling down with terrific speeds like meteors; fireballs; and they

explode when they meet their targets. Saints, it was impossible in 96 AD for John to understand a bomb, let alone talk about a fighter Jet plane, for in his day, the military were still riding horses and chariots for battle! However, the Lord made him record or couch out the prophecy in such a way that at the end time, with the reality on the earth, the developments in the earth, the events on the earth will make the prophecy clear to God's children. Concerning the hour of the **"Man of sin"**, and specifically, in regards to the influence of America, the **Lamb Beast**, the Book of Revelation Chapter 13, verses 13-14 states: **"And he"** (the lamb beast, which is America), **"DOETH GREAT WONDERS, so that he maketh fire come down from heaven on the earth in the sight of men, And deceiveth"** (or influences) **"them that dwell on the earth by the means of THOSE MIRACLES which he had power to do in the sight of the beast..."** What miracles can any nation do? As I said earlier, we did not see the prophetic projections in the Book of Revelation right, for we laid everything on the Anti-Christ, and hence, had no clue! However, here came Brother Jackson, and

he went straight to this prophetic Chapter and laid it all out. And concerning the **"great wonder"** the lamb beast makes, causing **"fire come down from heaven on the earth in the sight of men"**, and having power to do **"those miracles"**, are the scientific military miracles America has the power to do, which we saw for the first time during Operation Desert Storm! Prior to the time Raymond Jackson was used of the Lord to open up this great prophetic truth, we were expecting a giant person to come out, probably one who is taller than the World Trade Centre, that if he was to take one step, he could probably can cross the Atlantic; these were all carnal so-called revelations! It took an apostle, the chief apostle to make sense of what we had no clue about. That is the ministry of an apostle! Coming back to the Battle of Armageddon, brothers and sisters, and concerning the three unclean spirits, we must look at Revelation Chapter 16, verse 14 again: **"For they are the spirits of devils, WORKING MIRACLES, which go forth unto the kings of the earth and of the whole world"**, (for their "miraculous" or wonderful

scientific military power, is what gives them the bravado) **“to gather them to the battle of that great day of God Almighty.”** Did you hear that? It is the “miraculous” power they have which gives them the courage or audacity for this battle! And it is such a horrible battle, brothers and sisters, such a horrible day! Jesus therefore warns in verse 15: **“Behold, I come as a thief. Blessed is he that WATCHETH, and keepeth his GARMENTS, lest he WALK NAKED, and they see his shame.”** In other words: Lest you partake in this horrible portion which is awaiting the unbelieving world! Exactly! However, the issue is this: How do you watch? Is it by looking into the literal sky? And how do you keep your garment? It is strictly watching by the Word of God; watching the revealed truths of Jesus Christ, so that you are not left behind to face this great evil! If you watch properly by the Word, standing firmly and sincerely for the truth, and not allow any so-called preacher to preach lies to you, derailing you from the faith, then, you will not walk naked, for you would have kept your garment of righteousness, by your firm and resolute stand for the Word of life! That is how to watch, brethren!

Otherwise, you will lose your garment of righteousness, thereby making you spiritually naked, meaning that you are ordained for destruction! Period! That should be plain enough.

We will take Revelation Chapter 16 from verse 15 again: **“Behold, I come as a thief. Blessed is he that watcheth, and keepeth his garments, lest he walk naked, and they see his shame. And He”** (the Lord God) **“gathered them together into a place called in the Hebrew tongue Armageddon.”** God has ordained that this battle will be fought, and His zeal will bring it to pass. Before you this morning is the Battle of Armageddon. However, these are not the only Scriptures dealing with this battle. Can you turn with me now to the Book of Joel, Chapter 3, and we will take it from verse 2, and it reads: **“I will also gather all nations, and will bring them down into the Valley of Jehoshaphat, and will plead with them there for my people and for my heritage Israel, whom they have scattered among the nations, and parted my land.”** With that, we will skip to verse 9: **“Proclaim ye this among the Gentiles; Prepare war, wake up the mighty men”**, (mighty men

of war among the Gentiles), **“let all the men of war draw near”**; (the men of war of this world; the great military generals); **“let them come up: Beat your plowshares into swords, and your pruninghooks into spears: let the weak”** (among you) **“say, I am strong.”** In other words, come with bravado; come with confidence; come looking strong! Verse 10 is actually saying: Whatever technology you can harness to bring about military weapons, you do it, and come and slug it out! You can imagine agricultural machine making Industries, giant Industries where agricultural machines are produced, are going to be churning out military tanks, armoured tanks. Also, companies where lovely cars are being produced today, will be turned around to produce Jet planes and all sorts of military hardware: As everything will be harnessed for military purposes! What is the Spirit of God saying? You need everything you can lay your hands on to fight this battle! Brothers and sisters, they are coming determined to fight to the death! It is an hour when there will be no regard for life, for it is a mortal conflict where men

will use anything and everything that they have, however potent, in order to achieve victory! Therefore, they will be stirred in their hearts to harness whatever weapons they have and can produce technologically, for the best possible way to kill. No weapon is off limits in that day, for God requires nothing less than one third of the whole population of man wiped out in that war. So, you are definitely looking at weapons of mass destruction, like hydrogen bombs, nuclear bombs, and missiles of all sorts, weapons that can cause the most killings, weapons which are still being produced today as we speak, for they will use everything! That is what verse 10 is telling us: ***“Beat your plowshares into swords, and your pruninghooks into spears: let the weak say, I am strong.”*** It is the final conflict between man and man, the Third World War! Verse 11 states: ***“Assemble yourselves, and come, all ye heathen, and gather yourselves together round about: thither cause thy mighty ones to come down, O Lord. Let the heathen be wakened, and come up to the Valley of Jehoshaphat: for there will I sit to judge all the heathen round about.”*** Watch verse 13: ***“Put ye in the sickle,***

***FOR THE HARVEST IS RIPE”*** This is not the harvest of the bride, for it is not the harvest of souls. It is judgment against ungodly humanity, and hence, it is the harvest of dead bodies; it is the harvest of cadaver! God wants billions of corpses piled all over the face of this planet, and so, He commands: ***“Use your sickle to harvest the cadavers of men.”*** Saints, it is the day when the arrogance of the white man is brought down! I have a reason for saying that, particularly when I consider the stinking attitude they have towards truth, on account of the colour of the vessel of truth! But God does not care for the colour of anybody's skin, and neither do I care! Your colour is nothing to God, because your racial descent means next to nothing! Let the bride saints be careful as well, because where you come from, your racial origin, and your national origin, however advanced and materially well off it may be, means absolutely nothing before God, no more than Pompeii! He buried Pompeii in hot volcanic lava, and sank the ancient city of Babylon! You must submit yourself to the rulership of the revelation of Jesus Christ, because there is nothing to your colour, and

there is nothing to your nation. Yes, thank God if we live in well laid-out, carnally beautiful cities, with all the necessary amenities. That is good! However, I will remind you of the Words of the Master concerning the saints of God, God's heroes of faith, as recorded in Hebrews Chapter 11, verses 37-38, as it is written of them: ***“They were stoned, they were sawn asunder, were tempted, were slain with the sword: they wandered about in sheepskins and goatskins; BEING DESTITUTE, afflicted, tormented; (OF WHOM THE WORLD WAS NOT WORTHY:) they wandered in deserts, and in mountains, and in dens and caves of the earth.”*** Did you hear that? God's true heroes were extremely poor, for they were destitute, having no roof over their heads! Think seriously about that, and be humble; for whether you live in a developed world, or in an undeveloped world, is really nothing, but living for the Lord. Living for Jesus Christ in the light of his Word is everything, and not these carnal things we pride ourselves in, for everything will change! You must not forget that Jesus, with his royal wife, the bride, is coming to overturn

Every Race; Every Colour; Every Nation, and Every Tribe, because the Kingdom of God is coming with great power and glory! Our Millennial reward in that day is not based upon the colour of our skin, nor is it based upon the race or nation we came out of, but it is based strictly upon the spiritual value or content of our works of faith, for His Name's sake! As such, and on that same basis, we must understand that in that day, when the Battle of Armageddon is fought, the dead bodies of the white race will not be set apart from that of the black, yellow, and brown: For all flesh will litter the planet, piled on top of one another like Mount Everest! Then the utter arrogance of the Japhetic race, a people who have become moral perverts and Sodomites, and a race who are now Anti-God, (for they are now God haters, and a people seeking to remove the knowledge of God from everything), will be brought low, and God will exalt Himself in that day! Yes, the West will beat the East in the Battle of Armageddon, but look at the cost, the utter destruction of the planet! Brothers and sisters, it is not only the Japhetic race that will be killed though: The Lord is going to use the Battle of Armageddon to wipe out a whopping one third of the

entire population of man, whatever the number is in that day, white, black, yellow, and brown, for all races are guilty! Exactly! Consequently, there will be nobody looking at the colour of the dead! In that day, brothers and sisters, the racial pride, and the horrible racial prejudice that is being exhibited today, the incredible hatred that it bears, which makes the American Law Enforcement agents, the Police, kill black folks everyday with flagrant impunity, as if they are dogs, will be brought low! Every pride of race will die, and they will realize that they are nothing, absolutely nothing! And to top it all, on the Day of the Lord, the Lord will finish off the job, and say, good riddance to this godless bunch of degenerates; wicked creatures; moral perverts; Serpent seeds; vile creatures who have taken over the earth! Please, I beg you, as fellow believers, as joint heirs of the promise, and joint heirs with Jesus Christ, do not look down on the body of saints as if they are nothing, on account of race, colour, or social stature, because you are also nothing, but a little piece of dust! Since I am on this issue, let me warn you seriously, because racial hatred is now on the rise in the world, particularly

in the West: There cannot be discrimination within the body of saints, for the universal body of Christ is one. As such, IF you look down on brethren because of the colour of their skin, or on account of the nation they come from, or on account of their poor economic state, and you treat them disdainfully or shabbily, you will not make it in the bride, unless you repent; because you show plainly that you are absolutely devoid of perfect love, which is the only passport to making it to paradise in heaven! That is why I preached a message titled, *The Prosperity Of Serpent Seeds*, and God helping me, it will come out in the Scribe shortly. In his message titled, *The Serpent Seed*, William Branham warned: ***"When I was in Africa... They"*** (the South African whites), ***"treat those poor coloured people there in such a way. Someone said to me; he said, "They're nothing but animals." I said, "I beg your pardon! They're just as much human as you are, maybe a little more! Let me tell you, when you got that kind of an attitude, YOU'RE GETTING BACK TOWARDS AN ANIMAL. I said, "That man, if he's as***

***black as the ace of spades, or if he's as yellow as a pumpkin, or if he's as blue as indigo, he might save your life by giving you a blood transfusion." But don't you ever put an animal blood in you. Certainly, he's a human being. Just because one skin was black, the other brown, another one yellow, and the other one white, that has nothing to do with it. The Bible said, "GOD OF ONE BLOOD MADE ALL MEN." And that's exactly right! Places we lived in, changing our colours, had nothing to do with it. God made of... one man all nations; one blood. All nations are the same... The black man can't say, "Now, that Chinese, he's yellow and I ain't going to have nothing to do with him." He's your brother. And you white man can't say to the yellow man or the black man, either one, "I have nothing to do with you." He's your brother. Exactly right!"*** Brothers and sisters, in the day the Battle of Armageddon is set in motion, the arrogance of man will certainly be brought low, and cadavers will fill the whole planet, and everything men have laboured for, and by which they have made a name for themselves, will be rendered totally useless and meaningless! Over 2.3 billion

dead: White, black, brown, yellow, name it! And that is the end of man, for we are nothing! It is when we have the breath of life in us that we feel proud and arrogant; but we are really nothing! If God should take away the breath of life, you will collapse on the floor, and that will be the end of you, and you will begin to decay and smell, for man is nothing! Therefore, let us treat one another with mutual love and respect. Let us love one another as is expected of saints. Things may be better in your country materially, and we thank God for that; but do not despise or look down on those of us who are born in a country where things are not so good, for we brought nothing into this world, and we are most certainly taking nothing out of it, nothing but our souls. Consequently, it is the state of our souls that really counts. So, I ask you: What is the state of your soul? Is the Holy Spirit of Jesus Christ dwelling in your soul or not? That is what counts! Do not forget that we do not preach religion; we preach Jesus Christ in a divine revelation, for this is strictly about eternal life. If you only know what is coming for this world a few days down the road, you will live in the fear of God, and you will be on your knees

daily, and you will hold tight to the Word of God; because it is your only hope, for it is your life; it is the only way to Not walk **"naked"**! However, if you fall from **"The Faith"**, you are finished, and you will certainly walk **"NAKED"**! Let us therefore hold firmly to the message of the Bible, for it is the message of life, and there is nothing like the Word of God; it is the Word of life eternal! As I said earlier: We are not money preachers here, for by the grace of God, we are p r e a c h e r s o f r i g h t e o u s n e s s , righteousness which comes strictly by revealed faith. It is the grace of God, and not of ourselves, and to God alone be the glory. Amen.

Let us continue with Joel Chapter 3, from verse 13: ***"Put ye in the sickle, for the harvest is ripe: come, get you down; for the press is full, the fats overflow; for their wickedness is great. MULTITUDES, MULTITUDES in the valley of decision: for the day of the Lord is near in the valley of decision."*** Hold it right there. Brothers and sisters, the passage of Joel Chapter 3 we just read, also gives us nothing but the Battle of Armageddon,

the same as the other Scriptures we took today in the Book of Revelation, under the sixth trumpet and sixth vial. In a message we brought out in the Scribe, titled, *Joel's Army*, I made some factual statements which are incorrect, and I need to correct it in this open forum, this Convention. As a result of this need, we are revisiting the Battle of Armageddon today. Therefore, the title of my message this morning is, *REVISITING ARMAGEDDON*. When I took *Joel's Army*, brothers and sisters, my focus was not on the Battle of Armageddon, because it was not the focus of that message, even though I also dealt with it in the message. My focus was not on any battle, other than the battle that is on the Day of the Lord, which is strictly a battle between God and man. Who will win? You know the answer. Brothers and sisters, listen to me now, please! The battle of the Day of the Lord is not a battle between man and man: It is a war in which men will try to fight their Maker, when He is coming to take over, in order to establish the Millennium. And in that day, that is, on the Day of the Lord, Jesus Christ our Lord constitutes his army, which I titled, *Joel's Army*. That army was the main focus and essence of

that message. It was the reason for the message, for the truth of that army was what I wanted to lay out for God's children. Consequently, the Battle of Armageddon was not the reason why I took the message, and it was also not the focus of the message; but I touched on it during the course of that message, as I tried to use one stone to kill many birds, because I first had to show what Joel's Army is not, in a scriptural process of elimination of possible contrary interpretations of Joel's Army. Consequently, I laid out all the wars that are ahead, including the War of Armageddon, just to show that we cannot lump it with Joel's Army, for it is absolutely different, and must be understood as such. Saints, I am saying in essence that I touched on the Battle of Armageddon, along with the various other armies that do not make up *Joel's army*, before we delved properly into *Joel's Army*, to show who and what constitutes *Joel's Army*, and when they are expressed in battle. We know that *Joel's Army* is the bride of Jesus Christ, a heavenly army which God puts together, as we come down to earth, with our Husband, our Bridegroom, Jesus Christ, to take over this planet on

the Day of the Lord, in order to establish the Millennium. Period! However, brothers and sisters, in touching the Battle of Armageddon, which I put in the Scribe, I made a terrible oversight, an assumption, which led me to make a statement of fact which is incorrect, though it was made in absolute sincerity. In the Scribe titled, *Joel's Army*, page 9, column 1, this is what I said: **“THE VALLEY OF JEHOSHAPHAT is in the Land of Israel, and is also called Jezreel valley in the Bible. In another prophecy, THE SAME SPOT OF LAND IS ALSO CALLED THE VALLEY OF MEGIDDO.”** Then in column 2, coming up to column 3, I also stated: **“God is bringing these military multitudes, to the valley of Jezreel; the valley of Jehoshaphat, which is the Megiddo valley in Israel. And He is going to compress and condense all that number of soldiers into that valley.”** Church, the statements I made in these two places are incorrect, because the Valley of Jehoshaphat is not the same as the Valley of Megiddo. I innocently lumped the Valley of Megiddo, which is also called Jezreel Valley, with the Valley of Jehoshaphat.

In other words: Whilst the Valley of Megiddo and Jezreel are one and the same valley, on the other hand, the Valley of Jehoshaphat is not the same valley, for it is an entirely different valley, being all on its own, and should not have been lumped together as constituting the same valley. Therefore, I want each and every one to know that the Valley of Jehoshaphat is different from the Valley of Megiddo, although the Valley of Megiddo is also known as the Jezreel Valley. But because the prophecy relating to the Valley of Jehoshaphat is a prophecy that touches on the same Battle of Armageddon, I assumed that the valleys were therefore the same, because the battle referred to with respect to Megiddo and Jehoshaphat Valley is one. I thought that the valleys were the same, because the battle is the same. So I just assumed that the valley was called by three different names. But in reality, the Valley of Jehoshaphat is not the same thing as the Valley of Megiddo, or Jezreel Valley. We have a fine man by the name of Jehoshaphat, a king of Judah, and that valley is called by his name. But I am not going into the Etymology or the genesis of that name, because our focus is not on the genesis of how that valley

was named; for we are not interested in that. It is the war that we are interested in. It was therefore an oversight on my part, as I was ignorant of the fact that the Valley of Jehoshaphat is different from the Megiddo Valley, and I made a wrong assumption. When Brother Enoch read that Scribe, he wrote me an email to bring the issue of the valleys to my attention. I love the humble way he did it, all because of the opposition: Because the opposition will take anything they can find to crucify me; because that is what they are looking for anyway. So, I want to appreciate my brother for bringing that to my notice. May God bless Brother Enoch. I have had other brothers, who, once they see any small thing, they then think that they have something with which to smash my head. And that is not right, for we are not fighting one another: We are standing for the same faith! And so, there is a right way to do things. May God help His people; may God help us all. Amen. Brothers and sisters, we not only want to get our truth right; we not only want to get our revelation right, we also want to get our facts right. We want to get our facts right, even though as mortals, every last one of us m a k e s m i s t a k e s

sometimes, on issues of facts. I said every last one of us makes innocent mistakes on facts. Consequently, I want you to understand this morning that the issue of the Valley of Jehoshaphat is an issue of an innocent mistake of fact; it is not one of truth. I repeat: This mistake is not one of truth; it is not one of revelation; it is one of fact: Because the truth I laid out in that Scribe concerning the Battle of Armageddon holds; it remains the same, for it is the absolute truth! Based upon the revelation of what the War of Armageddon constitutes, and knowing that it also takes in the Valley of Jehoshaphat, and being ignorant of the true geographical location of the Valley of Jehoshaphat, I assumed that the two valleys were the same. Therefore, it is a geographical mistake, not a revelational mistake. We must know how to look at something. This is strictly a geographical mistake, a mistake of a geographical fact, and not a mistake of revelation. And sometimes when you are carrying a revelation, you see something, but you may never have been to the geographical location before, much enough to know about the location,

and as such, it is easy to make a mistake of geography, which however, does not offend the revelation. So I repeat: The mistake is one of geography, not of revelation. And we are not here to preach geography; we are here to preach Jesus Christ in a divine revelation. We are not following geography either; we are following the light of Jesus Christ. The truth is that if you have never been to a place, it is easy to make a lot of wrong assumptions about it. That is true! If you have never been to a place or inquired about a place, it is easy to assume a lot of things. Everybody does that, including the prophet to this age! I have also heard Brother Jackson say some facts that I know are wrong; but it did not stumble me, for I could see the truth he was trying to establish. After all, I am not following his literal words; I am following his revelation of the Word of God. We must know how to follow a man, any man. Let everyone know, therefore, that the issue we are treating this morning is merely geographical, for the revelation of Armageddon stays! And this morning, I want to prove to you that the revelation we presented in that Scribe message, concerning the Battle of Armageddon, holds; it stays!

I have to do this because I know what the enemy can do, and I can see precisely what they will try to use to create confusion, for their lack of true understanding of the Scriptures. The opposition will definitely feel: *"If the two valleys are different, then the battles cannot be the same. If the Armageddon war has been spoken of distinctly, and its location different, and the Valley of Jehoshaphat is also spoken of distinctly, and a war is being fought in the Valley of Jehoshaphat, THEN they cannot be the same war."* This is how they will think! This is what they will present, for that is where they are going to go. Saints, I believe God allowed me to be ignorant of the geographical reality of Jehoshaphat, so that I can shed the light I now want to shed on this Bible subject this morning. There are people who will think they have something with which to tear down our message. To them I say this: God saw you way ahead, and that is why He allowed me to not know that the Valley of Jehoshaphat is not in the same location as the Valley of Megiddo. God will use anything and everything to prove people. And as such, you must be careful to follow a man only in a scriptural revelation. You cannot hang

on to every word and statement he utters; because it is not the words we are holding to; it is the revelation carried by those words that we are holding to. Brothers and sisters, I just assumed the two valleys give us the same location, because the war described in both valleys is the same, although it looks like they are different wars. Now, Saints of God, I want to prove to you scripturally, that you cannot take the battle that will be fought in the Valley of Jehoshaphat, from the war that will be fought in the Valley of Megiddo, because the war is one. I will show you the objective Satan has for coming against Jerusalem in the Valley of Jehoshaphat. Remember, I said that the Battle of Armageddon was not my focus when I preached on *Joel's Army*. But now it is my main and only focus. The oversight I made in that message is what the Lord is now using to move me to zero in on the Battle of Armageddon, that we may be further established in the truth of what we have, so that we can stand against any opposition. It is the grace of God, and we give Him all the praise. Amen.

Come with me to the Scriptures, for the

testimony of God is one; the revelation of God is one, and it is perfect, being infallible and unchangeable. Turn with me to the Book of Joel Chapter 3, and for the sake of clarity, in order to avoid any iota of doubt, we will take it right from verse 1: ***“For, behold, in those days, and in that time, when I shall bring again the captivity of Judah and Jerusalem.”*** This gives us the restoration of the nation of Israel at the end time, which is a fulfilled prophecy as it stands today. Verse 2: ***“I will also gather ALL NATIONS, and will bring them down into the VALLEY OF JEHOSHAPHAT, and will plead with them there for my people and for my heritage Israel, whom they have scattered among the nations, and parted my land.”*** Consequent upon the restoration of the nation of Israel in verse 1, the Lord now promises that He will also gather all nations, and bring them down to the Valley of Jehoshaphat for battle, because of the scattering of the children of Israel. Therefore, it is a war that is to be fought consequently upon the restoration of Israel, because verse 2 is written based upon the accomplishment of verse 1. That is clear, for it is plain. The material question now is: Where is the Valley of

Jehoshaphat? And where is the Valley of Megiddo? That is the issue! Saints, the Valley of Megiddo, also referred to in the Bible as the Valley of Jezreel, or Jezreel Valley, is about 130 kilometres from Jerusalem, depending on the route you take. So, it is far away from Jerusalem; whereas, the Valley of Jehoshaphat is very close to Jerusalem. In fact, the Valley of Jehoshaphat, also known as the Kidron Valley, is what separates Jerusalem from the Mount of Olives on the east, for it runs through the right side of the Old City of Jerusalem. Wikipedia refers to it as: ***“... the valley on the eastern side of The Old City of Jerusalem, separating the Temple Mount from the Mount of Olives. It continues east through the Judean Desert, towards the Dead Sea, descending 4000 feet along its 20 mile course.”*** So, when we step out of Jerusalem on the eastern side, we are coming to the area of the Valley of Jehoshaphat, or the Kidron Valley. But on the other hand, brothers and sisters, the Valley of Megiddo, is far away from the Valley of Jehoshaphat. Yet, I want to show you this morning, that the battle being referred to here, in Joel Chapter 3, verse 2, is one with the

Battle of Armageddon, and we will prove it strictly by the Scriptures, the Lord being my helper. I have to do this, because there is much controversy over the battle conveyed in Bible prophecies involving the two valleys: for whilst some see it as the same battle, others view it as two different battles. However, the truth is that they are two different valleys; but they are joined together in prophecy, for the battle is one. Saints, let us now look closely at what the Bible is saying here. In Joel Chapter 3, verse 2, God says: ***“I will also gather all nations, and will bring them down into the valley of Jehoshaphat, and will plead with them there...”*** (And He tells us exactly why He is bringing them to the Valley of Jehoshaphat): ***“for my people and for my heritage Israel, whom they have scattered among the nations, and parted my land.”*** (Who did that? The Gentiles Beast Empires, the last of which is the Roman Beast, under General Titus, who, in 70 AD, destroyed Jerusalem and the Temple, and carried the children of Israel captive to all the nations of the earth, selling them in the slave markets of Europe for money! Verse 3 confirms this, stating):

**“And they have cast lots for my people; and have given a boy for an harlot, and sold a girl for wine, that they might drink.”** And God never forgot! So God is saying in effect: *“In the day I restore them back to their land as a nation, I will remember you and come after you. I will bring you to the Valley of Jehoshaphat in judgment.”* So, we now see that this war in the Valley of Jehoshaphat has a two-pronged objective, because God remembers everything Israel suffers at the hands of the enemy, her opposition. May I also say this to comfort your hearts: God never forgets the sufferings of His own children from the hands of the opposition. Verse 4: **“Yea, and what have ye to do with me, O Tyre, and Zidon, and all the coasts of Palestine? will ye render me a recompence? and if ye recompense me, swiftly and speedily will I return your recompence upon your own head.”** God is saying this to the neighbours of Israel, on behalf of Israel, meaning in essence that all they were doing to the nation of Israel, they were doing to God, because they are the apple of God's eye. Think of this: If natural Israel is the apple of God's eye, what about spiritual Israel, who is the bride of Christ, the royal seeds of Abraham? Think

about it! Then you must know this morning, that we are the apple of God's eye as well, and more so, because of Jesus Christ. Verse 5-6: **“Because ye have taken my silver and my gold”**, (belonging to the Temple of God in Jerusalem), **“and have carried into your temples my goodly pleasant things: The children also of Judah and the children of Jerusalem have ye sold unto THE GRECIANS, that ye might remove them far from their border”**, under the leadership of Alexander the Great. Church, Tyre and Sidon, and all the nations round about, instead of standing with Israel and helping their brother, they came against Israel, in the day of her calamity, so as to take over her land. The Book of Prophet Obadiah says the same thing, for God never forgot! Today, they say that Israel is in **“Occupied Territory.”** Who is in occupied territory? We will see when God turns Israel loose! I say that because God never deeded the land to the Palestinians! It is eternally deeded to Israel! That land does not belong to the Palestinians; it belongs to Israel! They were scattered, but the land is still theirs, for the title deeds are Israel's! Now that they are back, brothers and sisters,

they are not in occupied territory; they are back home in their land, their homeland! However, the nations of Tyre and Sidon joined hands with the Grecians, just as the Edomites did back there, as recorded in the Book of Obadiah. The Philistines in Gaza, also joined hands with the Grecians to vanquish Israel. And when the children of Israel were scattered to the nations of the world, they came happily to take over her land; and today they say Israel cannot build more houses for her people, for they are in **“Occupied Territory.”** I ask: Whose territory?! It does not belong to the Palestinians! Anyway, we know the end of the matter though, on the full authority of the infallible Word of God. So, let Barack Obama and John Kerry do whatever they like now, for in the end, God will have the last say, for He will have His way concerning the nation of Israel, though all the world stand against her. I say that because right now, they are forcing the hand of Benjamin Netanyahu, the Prime Minister of Israel, to stop building more settlements for Israel. They call it the **“Occupied Territory.”** My! But God has them in His memory, and their day is

coming. Let us move on in our consideration of the prophecy of Joel Chapter 3, concerning the battle in the Valley of Jehoshaphat. The truth remains, that the Lord has not forgotten the wickedness that the surrounding nations committed against Israel, in the day of her calamity. He never forgets, for as it is written in Zechariah Chapter 2, verse 8: "... **he that toucheth you toucheth THE APPLE OF HIS EYE.**" Look again at what the Lord said in Joel Chapter 3, verse 6: "**The children also of Judah and the children of Jerusalem have ye sold unto the Grecians, that ye might remove them far from their border.**" Verse 7: "**Behold, I will raise them out of the place whither ye have sold them**", (and God has done it, for He restored the nation of Israel in 1948), "**and will return your recompense upon your own head.**" Saints, when you take a look at these verses of Scripture, they deal with what the children of Israel have suffered, although they have now been restored, AND they deal with how the Lord will bring the nations to the Valley of Jehoshaphat in judgment, for all the evil they have inflicted upon Israel. Consequently, the restoration of Israel in verse

1, sets the stage for the fulfilment of the battle in verse 2. Verses 3-6 therefore tell us why God is going to bring the nations to the Valley of Jehoshaphat, for it is judgment for what the Western world and all the territories around did to Israel! Now we skip to verse 9, where it decrees: "**Proclaim ye this among the Gentiles; Prepare war, wake up the mighty men, let all the men of war draw near; let them come up: Beat your plowshares into swords, and your pruninghooks into spears: let the weak say, I am strong. Assemble yourselves, and come, all ye heathen, and gather yourselves together round about: thither cause thy mighty ones to come down, O Lord. Let the heathen be wakened, and come up to the valley of Jehoshaphat: for there will I sit to judge all the heathen round about. Put ye in the sickle, for the harvest is ripe: come, get you down; for the press is full, the fats overflow; FOR THEIR WICKEDNESS IS GREAT.**" God says that their wickedness is great! With all the gays and lesbians, and the arrogant and impudent words they utter against God and His Word, the Holy Bible; with all the raping, child molesting,

and mindless killings; and with men preying on men for selfish reasons, particularly for money, being nothing but fraudsters, thereby ruining people's lives: Their wickedness is indeed great! Verse 14 proclaims: "**Multitudes, multitudes in the valley of decision**"; (the valley of judgment. The valley of decision is the valley of judgment. The word decision as used here stands for judgment. It is divine judgment! It is not decision making as in when you make up your mind on things, and you decide this and that; it is God's judgment decision! We will take verse 14 again): "**Multitudes, multitudes in the valley of decision: for the day of the Lord is near in the valley of decision.**" Look at verses 15-16: "**THE SUN AND THE MOON SHALL BE DARKENED, and the stars shall withdraw their shining. The Lord also shall roar out of Zion, and utter his voice from Jerusalem; and the heavens and the earth shall shake: but the Lord will be the hope of His people, and the strength of the children of Israel.**" Brothers and sisters, when we look at verses 15-16, it brings us straight to the Day of the Lord, because that is

when the sun and the moon shall cease to give their light; and that is when the Lord is going to utter His voice FROM Jerusalem; and that is when the heavens and the earth shall shake. Consequently, we must distinguish verses 15-16, which speaks of the Day of the Lord, from verse 14; because verse 14 deals with the battle in the Valley of Jehoshaphat. I repeat: Verse 14 deals, Not with the Day of the Lord, but with the battle in the Valley of Jehoshaphat, which we see in projection from verse 2, joined with verses 9-14. I am saying in effect, that when we come to verse 2, where we see the battle in the Valley of Jehoshaphat, we are to move verse 2, and place it on top of verse 9, in order to continue the thought of the war in the Valley of Jehoshaphat, and that thought ends in verse 14, which states: **“Multitudes, multitudes in the valley of decision: for the Day of the Lord is near in the valley of decision”**, the Lord bringing them to the Valley of Jehoshaphat, where you have multitudes, multitudes in the Valley of Judgment. Brothers and sisters, you have to stop at verse 14, in considering the battle in the Valley of Jehoshaphat. Do not take the thought into verse 15, because verse 15

gives us the Day of the Lord, when, as it is written in Matthew Chapter 24, verses 29-31, Jesus says that the **“the sun shall be darkened, and the moon shall not give her light, and the stars shall fall from heaven, and the powers of the heavens shall be shaken”**, as the Lord ushers in the Day of the Lord, when our Lord Jesus is coming with great authority, power, and glory, to overturn this planet, and deliver it from the hands of its wicked and evil inhabitants. You say: *“But Brother Amos, verse 14, which projects multitudes in the valley of decision, talks of the Day of the Lord! So, how can you take away verse 14 from verse 15, when verse 14 also gives us the Day of the Lord? Verse 14 lets us see, Brother Amos, that it is attached to verse 15, and as such, the war can only be fought on the Day of the Lord. Consequently, Brother Amos, the battle in the Valley of Jehoshaphat is not the Battle of Armageddon.”* Very good! Very, very good! If you go down that road, there are Bible questions I will throw at you that you will never be able to answer, simply because you do not have the true picture. You are just looking at words which stand out! The key to

the true interpretation of verse 14, is buried right there in that verse! Just pay close attention. You know the Bible says out of the mouth of two or more witnesses shall the truth be established. So, for my stand, I have two infallible scriptural witnesses why verse 14 must not be tied with verse 15, for they are not projecting the same thing. And the key is right there in verse 14. What am I trying to do? I am trying to fortify the saints with the truth; I am arming you with the truth, so you can face any opposition, and that you may know exactly how to look at the Scriptures on this issue, or on any further issue. That is how I can keep you, and that is the only way to rightly and truly keep the children of God: It is by arming them with the truth. It is not by scaring them, and asking them not to touch this book, or not to read that magazine! No! When you know the truth, as our Lord Jesus declared, **“... THE TRUTH SHALL MAKE YOU FREE.”** Truth is what sets free! Now let me give you my two witnesses of the truth. Look at Joel Chapter 3, verse 14 again. Saints of God, there is no doubt that this prophetic verse is dealing strictly with the battle in the valley of decision, which is

the Valley of Jehoshaphat, and verse 14 has the key that lets us know precisely when the verse itself is applicable. It says: ***“Multitudes, multitudes in the valley of decision: for the Day of the Lord is NEAR...”*** Did you hear that? It says that the Day of the Lord is NEAR! The Day of the Lord has not yet come, but it is very close; for it is near. ***“Multitudes, multitudes in the valley of decision: for the Day of the Lord is NEAR”***, (for it has not yet come, but is near), ***“in the valley of decision”***, which is the Valley of Jehoshaphat. The key is the word ***“Near.”*** This definitely lets us know that the battle in the Valley of Jehoshaphat is removed from the Day of the Lord. However, it is in close proximity to the Day of the Lord; but nevertheless, it must be fought before the Day of the Lord, for as it is written, ***“the Scripture cannot be broken”***: ***“Multitudes, multitudes in the valley of decision: for the Day of the Lord”***, (the day when Christ comes physically to wipe out this ungodly mass of humanity, and overturn the world) ***“IS NEAR in the valley of decision”***, (when we come to the battle in the Valley of Jehoshaphat). Brothers and sisters, I am going to give another Bible witness, for as it is written 2 Corinthians

Chapter 13, verse 1: ***“... In the mouth of two or three witnesses shall every word be established.”*** Come now with me. We must understand that in the writing of the Scriptures, God does not lay everything out plainly and chronologically, in the divine order of its fulfilment; but rather, He juggles the writing of the prophetic record, in order to take the true understanding of it from the wise and the prudent of this world, and He uses divine revelation to put the picture together for His children. That is why in the Book of Prophet Isaiah Chapter 28, beginning from verse 9, the Lord asked: ***“Whom shall He teach knowledge? and whom shall He make to understand doctrine? them that are weaned from the milk, and drawn from the breasts.”*** In other words, the deep things of the Spirit of God are not meant for spiritual children, babies, because all they can handle is milk. It is for the spiritually matured, people who have the maturity of mind that can understand the deep and hard things of the Spirit of God. In verse 10, the Lord now states what only spiritually matured minds have the capacity to do, for it is absolutely required in our understanding of the truth:

***“For precept must be upon precept, precept upon precept; line upon line, line upon line; HERE A LITTLE, AND THERE A LITTLE”***, and the picture begins to form. Here a little, and there a little scripture, and the picture begins to take shape, for you know what Scripture to pick here, and to what extent, and where to precisely slot it there, in order to show the light of God. This is precisely what the Spirit of God is doing through the apostolic ministry at this end time, in order to give a true understanding of the truth to the universal body of Christ; that our faith may not rest in man's theology, but solely in the written infallible Word of God, The Rock or The Foundation which the gates of hell cannot prevail against. Coming back to Joel Chapter 3, verse 14, the Bible says: ***“Multitudes, multitudes in the valley of decision: for the Day of the Lord IS NEAR in the valley of decision.”*** It is truly because the Day of the Lord is so close when God institutes the battle in the Valley of Jehoshaphat. I am going to tie everything together, because this battle is one with that which is revealed in the Valley of Megiddo, the Battle of Armageddon. I stand upon

the Rock of the Scriptures, and as a result, I fear no foe! We walk tall with our God in the light of His Word! Like our brother said yesterday, Truth does not make a child of God afraid. The Bible says true revelation will make you bold as a lion, for when a true revelation anchors, you cannot challenge it: No man can! That is why I said that this issue is one of a geographical mistake, but the revelation presented in that Scribe holds! The revelation of it stands solid like a rock! Come with me.

We are facing a global and harsh opposition, who, no doubt, will think they now have something in the Scribe they can use, because the Scribe on *Joel's Army* will definitely fall into their hands. But God saw them ahead, and He did not move me to explore the geographical truth of the location of the Valley of Jehoshaphat, that it might give an occasion for the fortification of the truth. Moreover, there are things we are now also forced to go into, something closely related, which that Scribe did not touch upon. Consequently, I am going to take my time this morning, because I want to do justice to this truth, particularly as this is the last day of our Convention, and our precious brethren from the

United States are going back this evening. May the Lord bless you all. We appreciate the sacrifice of the saints. Church, watch. Verse 14 says precisely that the military onslaught in the Valley of Jehoshaphat is near the Day of the Lord, for it is in close proximity of time to it. Period! No man can change the testimony of the written record of God, because there is no mistake in God. I make mistakes, because I am a man, human; and you also make mistakes, because you are also human. But God is not a man; He is not even an angel, for some angels fell; and as such, He makes no mistakes, because He is God. On the other hand, verse 15 gives us the Day of the Lord, when God turns off the celestial lights, as the armies in heaven begin to gather in the sky; for up there in heaven will be a military formation such as the world has never and will never ever see. You have never seen such military formation in your life! God puts the armies of heaven on open display in the skies for the whole world to see, and what a most spectacular and unparalleled display that will be! God is gathering the saints for this formation, from the four corners of heaven to the next, in

preparation for our descent to earth, on the Day of the Lord! This reminds me of the revelation of Doctor Luke. Please allow me to quickly touch on it, in order to dispel a cloud, although it is a digression. In Luke Chapter 17, verses 34-37, the Bible records: ***"I tell you, in that night there shall be two men in one bed; the one shall be taken, and the other shall be left. Two women shall be grinding together; the one shall be taken, and the other left. Two men shall be in the field; the one shall be taken, and the other left. And they answered and said unto him, Where, Lord? And he said unto them, Wheresoever the body is, THITHER WILL THE EAGLES BE GATHERED TOGETHER."*** Brothers and sisters, please note that YOU CANNOT TAKE Luke Chapter 17, verse 37, which states that "Wheresoever the BODY is, thither will all the eagles be gathered together", AND BRING IT TO Matthew Chapter 24, verse 28 carcass: You will goof! Because what Jesus is saying in Luke Chapter 24, relates strictly to our gathering together on the day of rapture, because there is going to be a gathering, a holy

convocation of the entire body of Christ in the sky, both dead and living saints. Come on! Luke Chapter 17, verses 34-37 are all tied together, for they are dealing with the day of rapture, when the dead in Christ will rise first, and we the living saints will be changed, to be caught up together with the resurrected saints, for a meeting in the air! That is on the full authority of 1 Thessalonians Chapter 4, verses 16-17! That is why, when the Lord was asked where will one of the persons grinding in the meal, and one of the persons in the field, be taken to, Jesus answered, saying: ***“Wheresoever THE BODY IS”***; (Not wheresoever the carcass is; but wheresoever the body of Christ is gathering), ***“thither will the eagles be gathered together.”*** Whereas, in Matthew Chapter 24, verse 28, it is written: ***“For wheresoever the CARCASS IS, there will the eagles be gathered together.”*** This verse has nothing to do with the rapture event which Saint Luke wrote about, for it is dealing with a different issue to that which Saint Luke's Gospel deals with. Please note that. In the first instance, the ***“carcass”*** is food, the fresh kill of the Word of God, which is divinely ordained for the sustenance of God's eagles,

the end time bride of Jesus Christ. I do not care where you go in the Bible, and I do not care what Dictionary you use, ***“carcass”*** stands for food, the meal of eagles. Full stop! Secondly, in Saint Matthew, Jesus was speaking about his second physical return on the Day of the Lord, right from verse 27, and right up to verse 31, Excluding only verse 28. He was speaking about the Day of the Lord, which gives us his physical return, which will be visible to the whole world, from coast to coast, from continent to continent, from nation to nation, and also from tribe to tribe, just as the lightning comes out from the east, and shines all the way through to the west, being physical and visible! Consequently, both passages of Scripture are looking at two different periods, and at two different events, and as such, we cannot lump them together, and make them the same thing, for they are definitely not! Therefore, we must also realise that they do not have the same meaning, just because both Scriptures relate to the eagles of God. One is relating to the food of the eagles, whilst the other relates to our gathering in the sky. I will put it this way: Saint Matthew deals with the feeding of the bride on earth in preparation for our

going up, whilst Saint Luke deals with our gathering in the sky on the day of rapture, for both instances give us the eagles of God, for they relate to them. Full stop! Let us get back on course.

Brothers and sisters, moving on with our message titled, ***R E V I S I T I N G ARMAGEDDON***, we will go back to Joel Chapter 3, because we have not yet finished with it. We have shown that verse 14 concludes the war in the Valley of Jehoshaphat, whilst verses 15-16 gives us the Day of the Lord. Now look closely at what God says in verse 17: ***“So shall ye know that I am the Lord your God dwelling in Zion, my holy mountain: then shall Jerusalem be holy, and there shall no strangers pass through her any more.”*** In this verse, we are looking at the Millennium, and the Millennium is ushered in by the Day of the Lord, which is set in motion in verses 15-16. But when we come to verse 2, taken together with verses 9-14, it gives us the battle in the Valley of Jehoshaphat. Are you with me? And after the battle in that valley, then the Day of the Lord closely follows, when, according to

verse 16, the Lord **“shall roar out of Zion, and utter His voice from Jerusalem.”** Consequently, brothers and sisters, we are looking at two wars in this Chapter: The battle in the Valley of Jehoshaphat, and that which is on the Day of the Lord. However, the question now is this: When is the battle in the Valley of Jehoshaphat fought? When is it fought? And why is it fought? We must ask that, because we know that God has an objective for it, just as He has a divine objective for everything He does, for He is a God of purpose. We already know, for we saw it earlier, that God is using it to judge the heathen, for what they did to the children of Israel. However, in order to give you the second witness to seal this issue, for I have told you that we need to separate verse 14 from verse 15, now come with me to the Book of Prophet Zechariah, for it holds the second witness, and we will close with it. Look at what the Bible says in Zechariah Chapter 14, from verse 1: **“Behold, the Day of the Lord cometh, and thy spoil”**, (referring to the nation of Israel), **“shall be divided in the midst of thee.”** These are spoils of war. So, they are going to have spoils of war on the Day of the Lord. However, look at what verse

2 says: **“For I will gather all nations against Jerusalem to battle.”** This brings us now to the Valley of Jehoshaphat, because the Valley of Jehoshaphat is what is adjoining Old Jerusalem on the east, for it is what separates the City of Jerusalem from the Mount of Olives, and it also called the Kidron Valley, because the Kidron River flows through this valley. Consequently, brothers and sisters, when the armies of all these nations are coming against Jerusalem, they are coming to the Valley of Jehoshaphat. Verse 2 continues, declaring: **“and the city shall be taken, and the houses rifled, and the women ravished”**; (women are raped); **“and half of the city shall go forth into captivity, and the residue of the people shall not be cut off from the city.”** When? That is what you see when multitudes are brought to the Valley of Jehoshaphat. That is at the war of Armageddon! So you have to see that there is only one place that you can take this prophecy: And that is the Battle of Armageddon! There is nowhere else to take it. Church, I say this this morning, on the full authority of verse 2, that the prophetic details of the things spelt out here in verse 2, cannot

happen on the Day of the Lord, because Israel is defeated here. It even says that half of the City of Jerusalem will be taken away into captivity! Brothers and sisters, you will all agree with me that on the Day of the Lord, there is nobody taking anybody captive! Jesus comes with the bride to overthrow the whole world, setting this world on fire, wiping out humanity, and **“the Scripture cannot be broken”**! If half of the city of Jerusalem must be taken to captivity, then, the battle which Prophet Zechariah speaks of, has to take place just before the Day of the Lord, in order to allow captives to be taken from Jerusalem, for however short a time it may be. This has to be so, because the battle immediately precedes the Day of the Lord, for it ushers it in, as revealed in verse 1, which states: **“Behold, the Day of the Lord COMETH”**; meaning that IT IS COMING; but it has not yet come; but it cometh! Brothers and sisters, in preaching, we make a lot of innocent mistakes and innocent miss-statements. Sometimes we say things we do not mean to say. And when you listen to the tape, you say, **“Lord have mercy on me. Did I say that?”** I

preached a message at Faith Assembly one day when Brother Jackson was still on ground. When I got the dvd, and listened to it, I made some statements which I should not have made, and I do not know how I said that. Later when I was with Brother Jackson, and I said to him: *"I was listening to the message I took, and as I was touching on the role of Antiochus Epiphanes, an adumbration of the Anti-Christ, I was referring to him as the Anti-Christ. Oh, how could I have said that? I cannot believe I said that."* He simply said: **"WE ALL DO."** Because to err is human! If there is a man who tells you he does not make mistakes, you need to run from him. Because the day he makes a mistake, it will be irreversible! It reminds me of a little story they tell about a man who wanted to hire someone to work in his company. This guy came before him for the interview. The employer said: *"You were supposed to come to this interview with an eraser, in case you make any mistakes, so you can erase it, and then write the correct thing. But I can see that you did not come with an eraser. Why?"* The guy replied: *"No sir, I do not need an eraser, for I do not make mistakes."* Then the owner of the business said to him: *"I am*

*very sorry, I cannot hire you; because if you ever did make a mistake, since you do not have an eraser with which to correct it, it would be costly; it would be colossal. Sorry, we are looking for men who have erasers."* We are using erasers this morning to correct a geographical fact! I stand as a man with an eraser in my hand, and I hope you will accept me.

Brothers and sisters, coming back to Zechariah Chapter 14, verse 2, and the captivity it gives, of half of the inhabitants of Jerusalem, we all know that on the Day of the Lord, there is nobody that will be held and taken captive anywhere. God literally destroys all the works and accomplishments of man on this planet, and kills out humanity, leaving a tiny remnant, as He establishes the Millennium. So you must know then, that the battle recorded in verse 2, has to give a period of time, however short a time it is, for half of the people of Jerusalem to be carried captive. Then the question remains: When are they to be carried captive? Then you must understand that the captivity is instituted only for a short period of time, prior to the Day of the Lord, for it precedes the Day of the

Lord. It is in close proximity to the Day of the Lord. How do I know that? Verse 3 gives us the infallible clue, and it declares, that following the captivity of half the inhabitants of Jerusalem: **"THEN"** (and only THEN) **"SHALL THE LORD GO FORTH, AND FIGHT against those nations"**, (ON THE DAY OF THE LORD), ***"as when he fought in the day of battle. AND HIS FEET SHALL STAND IN THAT DAY UPON THE MOUNT OF OLIVES, which is before Jerusalem on the east, and the mount of Olives shall cleave"***, (shall divide in two), ***"in the midst thereof toward the east and toward the west, and there shall be a very great valley; and half of the mountain shall remove toward the north, and half of it toward the south."*** He touches down on the Mount of Olives, overlooking Jerusalem on the east. And when does he touch down? It is on the Day of the Lord! He is not going to touch ground before then. He is not here physically before then. That is when he roars his voice in Jerusalem, in Zion, before his army, taking us back to Joel Chapter 3, verse 16: Because the roaring of his voice out of Zion is not for nothing! It is for war! Verse

5 ends it by saying: ***“And ye shall flee to the valley of the mountains; for the valley of the mountains shall reach unto Azal: yea, ye shall flee, like as ye fled from before the earthquake in the days of Uzziah king of Judah.”*** Look at the next clause, for it seals everything, declaring: ***“and the Lord my GOD SHALL COME, and all the saints with thee.”*** What day is this day? The Day of the Lord! Why is it set in motion? It is because the women of Israel have been ravished, and half of the inhabitants of Jerusalem have been taken captive! When did this captivity take place? It is when the battle in the Valley of Jehoshaphat was fought! But when will it be fought? It is in close proximity to the Day of the Lord! This lets us see that the prophetic testimony of Joel is one with that of Zechariah, for they harmonize in their prophetic projection! Zechariah verse 2 states: ***“For I will gather all nations against Jerusalem to battle.”*** On this account, Joel Chapter 3, verses 9 and 14 records: ***“Proclaim ye this among the Gentiles; Prepare war, wake up the mighty men, let all the men of war draw near; let them come up.”*** ***“Multitudes, multitudes in the valley of decision: for the Day of the Lord is near IN THE***

***VALLEY OF DECISION.”*** This lets us know for certain that the battle in the Valley of Jehoshaphat precedes the battle of the Day of the Lord. And on the Day of the Lord, God is going to fight against the nations for what they have done to Jerusalem! The final question now is this: What is the relation between the battle in the Valley of Jehoshaphat, and the battle in the Valley of Megiddo? The relationship is this: It is a two-pronged war, but the battle is the same. The battle is one, even though the location in the land of Israel is two; but the war is one. And do you know, church, whether you talk of the First World War, or of the Second World War, do you know that none of those wars were fought in one location? None of them were fought in one location, but yet it was one war. So it is with the Battle of Armageddon. It is fought in two locations in the land of Israel, but the battle is one. In its prophetic titling, it is called the Battle of Armageddon; but it takes in two locations: The valley of Megiddo, which is the Jezreel valley, and the valley of Jehoshaphat. Brothers and sisters, as God institutes the holocaust of the world, which is the Battle of Armageddon, two hundred million soldiers are

being gathered in the Valley of Megiddo, right there in the Middle East. However, when that war is to be instituted, Satan also has his eye on Jerusalem. He has been ruling from there from the Middle of the Last Week. But now, something makes him go totally berserk! When the War of Armageddon is going on, something makes him decide: ***“Yes, I need to come against Jerusalem, and wipe out the children of Israel.”*** This is because he does not want the Millennium prophecy of God to fulfil, because he knows his days are numbered. Come with me to the Book of Revelation Chapter 12, and we will close with this text. May God bless our interpreter. We appreciate our brother, Brother Victor, and we appreciate the patience of the saints. In Revelation Chapter 12, it records that a war is fought in heaven between the angels of God and the angels of Lucifer. Michael leads the holy angels, whilst Lucifer leads the fallen angels. But Michael wins that battle, and Satan is dispossessed of access to the heavens. He is literally driven down to the earth, and he embeds himself in human society. Verse 12 now states: ***“Therefore rejoice, ye***

**heavens, and ye that dwell in them. Woe to the inhabitants of the earth and of the sea! for the devil is come down unto you, having great wrath, because he knoweth that he hath but a short time. And when the dragon saw that he was cast unto the earth, he persecuted the woman which brought forth the man child.”** One thing is established in this prophecy: Satan realises his days are literally numbered, having reigned in Jerusalem over the whole prophetic earth from the Middle of the Last Week of Daniel. He knows that the countdown is on, and that at the end of that Week, Jesus is coming to take over the very Temple he has been sitting in for three and a half years, and he decides: *“If I cannot have it, let me kill all these people, let me come against Jerusalem, so that the Millennial promise will not be fulfilled.”* But the Millennial promise of God will be fulfilled! So what does he do? Brothers and sisters, as men are locked in a mortal combat in the Valley of Megiddo, he does not forget that at the end of that war, Jesus is going to come, because the Day of the Lord is near. So, what does he do? As the War of Armageddon is going on, the devil is coming against Jerusalem as well. And he has enough soldiers

of the European Army to come against Jerusalem in the Valley of Jehoshaphat! So it is Satan using one war to fulfil two purposes. However, when we look at the Battle of Armageddon, the Anti-Christ wins that war. And the proof that he won the war is why on the Day of the Lord, when Jesus is coming on a white horse with the bride, the Anti-Christ is leading the kings of the whole earth to fight the coming Christ! What does that show you? The West beats the East! No matter the military weaponry and money that China and all the rest of them are making, brothers and sisters, the West will beat them. Why? Revelation Chapter 13, verse 4 asks: **“... Who is able to make war with him?”** Only the Lord Jesus Christ can! It is so, because Satan is the prince of this evil world, and in that day, he is completely embedded in the Organisation of the European Union, which is the Roman Beast Empire! Consequently, the West are the people that personify Satan in all his evil attributes, and he is the one reigning through them in that hour. So, the prince of this world will surely defeat anyone in this world, who are not God's people. So, he not only slugs it out with the kings of the East, but

because he knows that at the end of that war, Jesus will come, he also turns his attention to Jerusalem, bringing his multinational military forces to the Valley of Jehoshaphat. Eventually, he wins, and he is able to carry away captives. His soldiers rape women, and they are carried captive again just for a few days. What the people of the world do not realise is that God is also using all this fighting to take out the enormous human population, and he leaves the balance for the Day of the Lord. And as Jerusalem is being pounded, and women ravished, and the people are carried away captive by these Gentile forces, God is “angry” in heaven. In Zechariah Chapter 14, verse 3, the Scripture declares: **“Then shall the Lord go forth, and fight against those nations, as when he fought in the day of battle.”** So in reality, the battle in the Valley of Jehoshaphat is to be fought at the same time that the War of Armageddon is being fought, for the war is one! That is why when you come to the sixth trumpet and the sixth vial, you see multitudes upon multitudes, two hundred million soldiers. But those two hundred million

soldiers will also spill into the Valley of Jehoshaphat, because there is also seen, multitudes, multitudes, in the valley of decision, before the Day of the Lord, for it is a two-pronged war. Consequently, saints, we are not going to have a situation where the War of Armageddon is going to be fought, and when it is over, then again we have the war in the Valley of Jehoshaphat, and then finally, that of the Day of the Lord. That is not the case! The Armageddon War is one, although fought on two fronts; it is the same war! It is Satan using the war to accomplish two objectives: Whilst he stamps his authority and superiority over the Kings of the East on one hand, showing, *"I am the prince of this world; how dare you come against my super prince, the Anti-Christ?"*, on the other hand, he comes against Jerusalem, seeking to wipe out the children of Israel. Remember that in that day, the Anti-Christ, who is the Pope of that hour, will be incarnated by Satan, thereby becoming Satan's super prince! So, in Satan's mind he feels: How dare the kings of the East come against me, when they themselves are also mine? So, his objective is to trash them, so that the whole world is subject to him.

And when we come to Revelation Chapter 19, on the Day of the Lord, who do we see leading the global earth to fight against the coming God? It is the Pope; it is the Antichrist, ***"that man of sin"***, who in that day is ***"the false prophet."*** So what does that show you? It shows that Satan incarnates his own heir apparent, and he fights against the East, and conquers everyone, because the vanquished always surrender to the victor. The battle is over just before the Week closes out. But on the other hand, he also comes against Jerusalem, because it is a two-pronged objective Satan has. He comes against Jerusalem in the Valley of Jehoshaphat, so that the Millennial promise does not fulfil; but do not forget that he is a defeated foe. Brothers and sisters, the children of Israel are killed; the women are raped; and some of them are scattered to the world, but just for a few days. God is in that war, because the Lord is the one who is also allowing it to be, for with it, He will also take out a lot of Gentile forces, even though they will win the battle. You can also only imagine the destruction and devastation that this war will bring to the Middle

East.

Brothers and sisters, please note, therefore, that the Valley of Jehoshaphat is not the same as the Valley of Megiddo, even though the battle is the same, for the battle is one. It was important for me to correct this mistake, this oversight, so that we have the true facts. As I stated earlier, if I had not made this mistake, I would not have taken the Battle of Armageddon as a subject all on its own, and the things we have laid out today, plus the things I still need to lay out on this subject, in order to do justice to this message, would not have been touched. So, God is in everything, just as it is written in Romans Chapter 8, verse 28: ***"And we know that all things work together for good to them that love God, to them who are the called according to His purpose."*** Shall we bow our heads in prayer. (Brother Amos prayed).

The Lord bless you.
