## REVISITING ARMAGEDDON -PART 2 (THE WINEPRESS)

The following message was preached by Brother Amos, on two separate days, Sunday 24th November, 2013, and 26th November, 2013, at Bible Faith Tabernacle, Lagos, Nigeria. The message has been merged for easy reading of the Scribe, and is another strand of light, so accurately presented by Brother Amos, that the understanding and truth of the Battle of Armageddon, is now clear.

Good morning Church. We thank God for a successful Convention. May God be glorified, and may He bless each and every one of you. Before I take my message, I will say this: We are not a people that believe in numbers, because God is not in numbers.

Numbers mean nothing to God. If it did, He would not have wiped away the whole world in the days of Noah, and saved only eight souls. If numbers meant anything to God, He also would not have wiped away the Cities of Sodom and Gomorrah, and saved only four souls. Numbers mean absolutely nothing to God, although we live in a religious world that goes by numbers. And if it is about numbers, then, there is really nothing to us, as we do not have numbers, for numerically, we are most insignificant. Deeper Life Bible Church, The Redeemed Christian Church of God, Winners' Chapel, Mountain of Fire and Miracles: all these places are packed out in their tens of thousands, in their

Conventions; even their regular services are packed out in the tens of thousands! So there is nothing to us, number wise. Our crowd is nothing, just like a little drop in the ocean, totally insignificant. But nevertheless, I will still talk about numbers this morning, just to glorify the name of the Lord. Because if you look back and see the humble beginnings of this Move, then you will be able to appreciate something. The first night of the Convention just concluded, that is Thursday night, we were 850 souls; on Friday morning, we were 894; then on Friday night, we were 1,067; on Saturday morning, we were 1,115; then on Saturday evening, we were 1,260; by Sunday morning, we were 1,375; and on Sunday night, after most people start making their way home, we were 1,018. Like I said, compared with the religious world, it is nothing. But when we consider our humble beginnings, and the truth we stand for, knowing that it is not food for many, for truth has only very few friends, for us, it is a lot, and we give God all the glory. It just vindicates the fact that God is doing something in the earth, and that God's people are slowly recognizing it. One here, one

there, people are slowly beginning to awaken to the reality of what God is doing at this evening time, on behalf of the bride of Jesus Christ, because I do not know where they come from; yet I know:

*They come from the East and west,  
They come from the lands afar,  
To feast with the King,  
To dine as His Guest;  
How blessed these pilgrims are!  
Beholding His hallowed face  
Aglow with light divine;  
Blest partakers of His grace,  
As gems in His crown to shine.*

All I can say is: "Lord, may your light continue to shine. May it shine to the ends of the earth, and may the bride be glorified." Amen. Our day of showing is certainly coming; but until then, we will remain in a humble attitude in the closet where God has put us, right in the chamber of truth, hidden away from the world. And if you are not looking for truth, it is impossible to see the bride: Because everything about the bride is very humble and quiet. There is no noise; there is no advertisement; there is no radio jingle; there is no television advert; there are no handbills being distributed; and there are no billboards. It is just in simple

humble quietness, that the bride of Christ is marching on in the light. It is only if you have a love for truth in your soul that you will ever see anything at all, because it takes a revelatory eye to see this way. However, the attraction which the present light is causing for seeds around the globe, evidenced by the letters and emails I receive every day from around this globe, lets us see that God is doing something. And if you consider the last Convention, you have to see that Unity is on, for we are not a people in confusion; we are certainly not in confusion. It is the Branham Movement that is in serious confusion, for you cannot get two pastors in the same locality, not even speaking globally now, but in the same locality: You cannot get two pastors in this Movement in the same locality to see eye to eye on issues of truth. But in this continuing move, around the globe, we have men who see eye to eye, and much more so locally. We see eye to eye, because we believe the same thing; and we are standing for the same thing; and we are preaching the same thing. Unity is here,

brothers and sisters. God can only bring His other children into this Unity, and the coast of Unity will begin to expand. Church, God is doing something. But like I said, there is no noise about it, and as such, if you cannot see the divine revelation of the Word of Truth in projection, you cannot see that God is doing something; because God works in very humble, very simple ways, moving by His still small voice, which is the Holy Ghost unveiling of the Word. That is why we believe in keeping the preaching of the Gospel simple. If you take away the simplicity and the humility of the preaching of the Gospel, you go into glamour gospel, and glamour evangelism, and God is not in that; for we are not Hollywood. Our prayer is that God will perfect everything that concerns the universal bride of Jesus Christ. Amen.

Today, we want to continue the message we started during the Convention, titled, **REVISITING ARMAGEDDON**. I have to do this because we want to expound on it. We need to cover other scriptural grounds that we did not touch at the Convention, things which devolve or hang

upon the Battle of Armageddon. As I stated during the Convention, although I placed a notice correcting this issue in one of our recent Scribes, however, I realized that if I did not go a step further and revisit this issue, and restate the truth, in order to reinforce the truth, the opposition will think that they have something with which to knock the Continuity Message, for they will say: *"If you say that they are two different valleys, then they are two different wars. They have to be! So, Brother Amos, maybe you are wrong in projecting this war, because you are already wrong geographically. You might as well be wrong revelationally."* That is how the opposition will take it! This made me realize that the correction notice I placed in the Scribe was not enough. I would now have to revisit this issue. Hence, the reason we took the message at the Convention. However, in order to shed more light, and to further enlarge our understanding of this war, is the reason I am continuing that message this Sunday morning; for we still need to touch upon certain material scriptural issues relating to this war,

issues which we did not touch upon during the Convention. This will certainly expand our understanding of the truth of this battle, as well as reinforce the truth, because the truth remains the truth: North, South, East or West. There is no counsel against a true divine revelation of the Word of God. Therefore, it is my sincere prayer that the Lord will help me to do justice to the message. Let us bow our heads in prayer. (Brother Amos prayed).

Open up with me to the Book of Joel Chapter 3, verse 2, and it records: ***"I will also gather all nations, and will bring them down into the Valley of Jehoshaphat, and will plead with them there for my people and for my heritage Israel, whom they have scattered among the nations, and parted my land."*** We will now skip to continue the thought in verses 9-14: ***"Proclaim ye this among the Gentiles; Prepare war, wake up the mighty men, let all the men of war draw near; let them come up: Beat your plowshares into swords, and your pruninghooks into spears: let the weak say, I***

**am strong. Assemble yourselves, and come, all ye heathen, and gather yourselves together round about: thither cause thy mighty ones to come down, O Lord Let the heathen be wakened, and come up to the valley of Jehoshaphat: for there will I sit to judge all the heathen round about. Put ye in the sickle, for the harvest is ripe: come, get you down; for the press is full, the fats overflow; for their wickedness is great. Multitudes, multitudes in the valley of decision: for the day of the Lord is near in the valley of decision."**

The battle right here in the Valley of Jehoshaphat, gives us the battle called the Battle of Armageddon, as recorded in the Book of Revelation Chapter 16, verses 12-16, and Chapter 9, verses 13-21, for the battle is one, even though it is fought on two fronts. Joel Chapter 3, verses 15-17, now states: **"The sun and the moon shall be darkened, and the stars shall withdraw their shining. The Lord also shall roar out of Zion, and utter his voice from Jerusalem; and the heavens and the earth shall shake: but the Lord will be the hope of his people, and the strength of**

**the children of Israel."**

This passage, on the other hand, gives us the Day of the Lord, when *Joel's Army*, which is the *Bride Army*, will be turned loose upon this earth from heaven. And what a day that will be! What an overturning of this planet that will be! This being accomplished, brothers and sisters, paves way for verse 17, which brings us directly to the Millennium, for verse 17 now declares: **"So shall ye know that I am the Lord your God dwelling in Zion, my holy mountain: then shall Jerusalem be holy, and there shall no strangers pass through her any more."** This Chapter of Joel certainly gives us the two wars: The Battle of Armageddon, which is also fought in the Valley of Jehoshaphat, and the Battle of the Day of the Lord. Now come with me to the Book of Zechariah Chapter 14, beginning from verse 1: **"Behold, the Day of the Lord COMETH, and thy spoil shall be divided in the midst of thee."** This verse speaks futuristically, in reference to the Day of the Lord. Verse 2 now states: **"For I will gather all nations against Jerusalem to battle; and the city shall be taken, and the houses rifled, and the**

**women ravished; and half of the city shall go forth into captivity, and the residue of the people shall not be cut off from the city."** Brothers and sisters, as we said during the Convention, this prophecy cannot fulfil, Except immediately before the Day of the Lord, and as such, it gives us the Battle of Armageddon, a battle which will also be fought in the Valley of Jehoshaphat. I also want you to know that this battle does not have any bearing on the battles which the nation of Israel will fight with her neighbours, in the Hour of the Jewish Miraculous, because Israel beats everybody, and is beaten by no one, it being a totally, s p e c t a c u l a r , and unparalleled all round victory for Israel! Zechariah Chapter 14, verse 2, deals with the battle in the Valley of Jehoshaphat. And based upon the evil inflicted on the children of Israel in verse 2, Prophet Zechariah now declares in verses 3-4: **"THEN shall the Lord go forth, and fight against those nations, as when he fought in the day of battle. And his feet shall stand in that day upon the Mount of Olives, which is before Jerusalem on the**

**east, and the mount of Olives shall cleave in the midst thereof toward the east and toward the west, and there shall be a very great valley; and half of the mountain shall remove toward the north, and half of it toward the south.”**

Brothers and sisters, with regards to war, Zechariah Chapter 14 is telling us exactly what Joel Chapter 3 also tells us, thereby confirming the truth; for in Zechariah Chapter 14, the two wars are also conceived: The war of Armageddon, which we find expressed in the Valley of Jehoshaphat, and the war of the Day of the Lord. Both battles are spoken of in the two prophetic Books of the Old Testament. The Valley of Jehoshaphat is in projection in Joel Chapter 3, verses 2, 9-14, when the armies of the nations will come down to that valley on the east of the Old City of Jerusalem, and God pleads with them there, as we shall see this morning. But so also, that is, in the same Chapter of Joel, we also see the Day of the Lord in projection in verses 15-16, when, as it is written: **“The Lord also shall roar out of Zion, and utter his voice from Jerusalem; and the heavens and the earth shall shake: but the Lord**

**will be the hope of his people, and the strength of the children of Israel.”**

What is the roaring for? It brings us back to Zechariah Chapter 14, from verse 3-5: **“Then shall the Lord go forth, and fight against those nations, as when he fought in the day of battle. And his feet shall stand in that day upon the mount of Olives, which is before Jerusalem on the east, and the mount of Olives shall cleave in the midst thereof toward the east and toward the west, and there shall be a very great valley; and half of the mountain shall remove toward the north, and half of it toward the south...”**

Brothers and sisters, that is precisely when he will roar, and the earth will begin to shake and tremble, as he leads his mighty and invincible army. So, brothers and sisters, both Zechariah Chapter 14, and Joel Chapter 3, synchronize perfectly in their prophetic vision, for they are seeing the same picture, and they carry a united revelation, a united prophetic insight concerning the two wars, although they project it in different ways, for they approach it from different perspectives; but nevertheless, their

revelation is the same concerning the Battle of Armageddon, which is also fought at the Valley of Jehoshaphat, AND that of the Day of the Lord. Saints of God, there are no other wars envisaged in the passages we considered in the two Books of the Old Testament, because the Battle of Armageddon, which will be fought in the Valley of Megiddo, takes in the military formation we also see in the Valley of Jehoshaphat, for as we have been emphasizing, the battle is one, not two, even though it is fought on two fronts, for the prophetic location for the war is two. Brothers and sisters, this morning, I want to show you exactly what the devil has in store by coming against Israel, and what the Lord God has ordained that it will also serve. Do not forget, that whatever Satan does, the Lord also has His design for allowing it; and we all know that God's will is sovereign, because God is sovereign. Therefore, the will of the Lord prevails at any and every point in time, for He is God.

Church, when we take a look at Revelation Chapter 12, verses 7-12: **“And there was war in heaven:**

***Michael and his angels fought against the dragon; and the dragon fought and his angels, And prevailed not”; (Satan prevailed not, but was totally defeated by Michael); “neither was their place found any more in heaven. And the great dragon was cast out, that old serpent, called the Devil, and Satan, which deceiveth the whole world: he was cast out into the earth, and his angels were cast out with him. And I heard a loud voice saying in heaven, Now is come salvation, and strength, and the kingdom of our God, and the power of his Christ: for the accuser of our brethren is cast down, which accused them before our God day and night. And they overcame him by the blood of the Lamb, and by the word of their testimony; and they loved not their lives unto the death. Therefore rejoice, ye heavens, and ye that dwell in them. Woe to the inhabitants of the earth and of the sea! for the devil is come down unto you, having great wrath, because HE KNOWETH THAT HE HATH BUT A SHORT TIME.”*** He knows at this time that his days are numbered, literally numbered, extremely

limited, for it is now only a matter of days! Although the war for the control of heaven or the sky starts around the beginning of the week, he is driven down in the Middle of the Week, giving him precisely 1,260 days. And when he is driven down, brothers and sisters, he has an objective. He not only incarnates the Pope at the Vatican in Rome, he also moves him to overrun Jerusalem, thereby moving his seat of power from Rome to Jerusalem, in the Middle of that week. He sits in the Temple in Jerusalem, desecrating it, and makes himself God, and demands worship, and institutes the 666 Mark. He completely denies the Jews any right to the Temple ground. However, as the Week is coming to a close, for time is coming to the end of the Week, here come the kings of the East. The Anti-Christ has no choice than to slug it out with them, because it is God drawing all nations to the battle, the Battle of Armageddon, the Third World War, man's final war against man. It is God drawing humanity to the Valleys of Megiddo and Jehoshaphat. Saints, please pay close attention, for I want to show you a picture we did not touch

upon at the Convention. I repeat: It is God drawing the whole nations of the world to this war; it is God drawing the whole of humanity to war, because they are in total rebellion against God. Open rebellion is before you, church, for God and His Holy Bible have been completely removed from the equation of man! That is why godlessness is celebrated. And the more carnal, ridiculous, and demon possessed people get, is the more they are celebrated in today's world, finding their way into the *Guinness Book of Records*. An abominable and utterly sacrilegious and most shameful lifestyle of Homosexuality is now termed goodness, and a cause for celebration. Good is deemed Evil, and Evil has become good. Righteousness is now evil s p o k e n o f , a n d unrighteousness is wonderful, and must be commended. If you openly s p e a k a g a i n s t Homosexuals, Bi-sexuals, or Tran-sexuals in the United States, brothers and sisters, they will shut your mouth. And if you are a pastor, they may close your church, and you may be put in prison, for the three arms

of Government, Executive, Legislative, and Judiciary, have all sanctioned and upheld it, backed with the force of the Law. I was listening to BBC Television, and they were interviewing one homosexual, this moral pervert from Australia. He has now openly declared himself gay, and he said: *"I am very happy to be gay."* He said, *"It is not a sin. It is nothing bad."* Some even say that it is a gift of God, for as far as they are concerned, Homosexuality is not sin. When the man was saying all his nonsense, I just looked at him, and said to myself: *"Your day is coming, for the Lord has a special day for you. God saw your types, and He instituted Armageddon. And that is just the beginning point. The concluding point is the Day of the Lord, when He comes for the balance of your kind."* Brothers and sisters, today, the devil is moving humanity down the road of total open rebellion against their Maker, so that nothing of God is expressed in human society anymore, where he, the devil, holds court. He is doing all these things because we are at the end. And as we just read in the Book of Revelation Chapter 12, what does he do, when he is driven down at around the

Middle of the Last Week? He knows that the Millennial promise is hanging right over that hour, for it is just a few days down the road, and so he comes against Jerusalem! He wants to wipe them out, so that the Millennial promise does not fulfill. But unknown to him, God is waiting for him, for God is always one step ahead of the devil. Do not forget, that just before he makes his move to take over Jerusalem, in the Middle of that Week, the Lord sends and keeps **"The Woman"**, the spiritual element of the nation of Israel, IN America. America takes in Canada in prophecy, and she is the prophetic **"EARTH"**, **"The WILDERNESS"**, of Revelation Chapter 12, verses 6, 14-16. She is **"The Earth"**, which **"opened HER mouth, and swallowed up the flood"** of persecution which the Anti-Christ issued against **"the woman"**, from the Middle of the Week. Remember, countries are spoken of in terms of the feminine gender, "she" or "her". The **"earth"** opening up **"HER mouth"** here, is not the literal earth opening up as in an earthquake, for I will also ask: Will the earth also throw out bread, and belch out water with which to feed and

nourish the woman for three and a half years? Because it is written that the same earth also nourishes her for that period of time! I say that because of all the nonsensical so-called revelations, which one so-called message preacher is portraying in Lagos, in his "Jehovah's Witness" pamphlets! Here comes an earthquake, the earth opens up and throws out bread. Then the next earthquake is belching out water, and closes up again. But let us also ask him: Does the earthquake also provide these Jews, beds in which they are to sleep, and covers from the elements of weather? How silly men can be! I have never heard such utter nonsense in my entire life! Ridiculous men! Brethren, I was trying to make a point before I addressed the foolishness of men. I was saying that the devil in that day knows that his time is very short indeed. Consequently, he comes against Jerusalem. Look at what Revelation Chapter 12, reveals. It is verse 17 we want to see, but let us take it from verse 15, for a material background, and it states: ***"And the serpent cast out of his mouth water as a***

**flood after the woman, that he might cause her to be carried away of the flood. And the earth helped the woman, and the earth opened her mouth, and swallowed up the flood which the dragon cast out of his mouth. And the dragon**", (which is the spirit of Satan embedded in the European Union), "**was wrath**", (was angry; mad), "**with the woman, and WENT TO MAKE WAR WITH THE REMNANT OF HER SEED, which keep the commandments of God**", (referring to the Jewish saints), "**and have the testimony of Jesus Christ**", (who are the Gentile foolish virgins). Now pay attention. The Bible confirms that the devil will go after the Jews he can lay his hands upon, in his entire domain, beginning from Jerusalem, for Jerusalem is in prophetic projection in his evil onslaught, as recorded in Daniel Chapter 12, verses 7 and 11. This links us with the battle in the Valley of Jehoshaphat, where Satan comes with his multi-national military force, all in his bid to nullify God's Millennial promise for the nation of Israel. However, God limits the damage he can do. This hour gives us the prophetic "**TIME OF JACOB'S**

**TROUBLE**", written in the Book of Jeremiah Chapter 30, because the time of Jacob's trouble starts from the Middle of the week, and stretches throughout the last three and a half years of the 70th Week of Daniel, as Jeremiah Chapter 30, verses 5-7 records: "**For thus saith the Lord; We have heard a voice of trembling, of fear, and not of peace. Ask ye now, and see whether a man doth travail with child? wherefore do I see every man with his hands on his loins, as a woman in travail, and all faces are turned into paleness? Alas! for that day is great, so that none is like it: it is even the time of Jacob's trouble; but he shall be saved out of it.**" Saints, the coming of the Lord, on the Day of the Lord, is what puts an end to this great sorrow, for the Millennium will then be established, just as verses 8-9 now reveal: "**For it shall come to pass in that day, saith the Lord of hosts, that I will break his yoke from off thy neck, and will burst thy bonds, and strangers shall no more serve themselves of him: But they shall serve the Lord their God, and David their king, whom I will raise up unto them**",

(in the Millennium). It lets us see all that the children of Israel will suffer in the last three and a half years, for a lot of evil is going to befall them, for it is the time of Jacob's trouble. It is the hour of the abomination of desolation, which is the time of the expression of the excessive hatred which Lucifer has for the children of Israel. That is why the Book of Daniel Chapter 12, verse 1, declares: "**And at that time shall Michael stand up, the great prince which standeth for the children of thy people: and there shall be a time of trouble, such as never was since there was a nation even to that same time: and at that time thy people shall be delivered, every one that shall be found written in the book.**" Verses 6-7, now states: "**And one said to the man clothed in linen, which was upon the waters of the river, How long shall it be to the end of these wonders? And I heard the man clothed in linen, which was upon the waters of the river, when he held up his right hand and his left hand unto heaven, and sware by Him that liveth for ever that it shall be for a time, times, and an half; and**

**when he”** (the Antichrist) **“shall have accomplished to SCATTER THE POWER OF THE HOLY PEOPLE”**, (who are the children of Israel, denying them the right to the land), **“all these things shall be finished.”** And on top of their persecution, the devil brings the forces of the world to the Valleys of Megiddo and Jehoshaphat, where the Battle of Armageddon is being fought. This is the world's holocaust battle! And you can only imagine what it will do to the nation of Israel, seeing that the battle is being fought on two fronts on her land, and she is also the direct attack of the one in the Valley of Jehoshaphat! What an hour for the nation of Israel!

However, when we consider the Battle of Armageddon between the East and the West, the question is: How can the East win. I do not care for the money China has today, by virtue of her economic power, including that of Japan, Korea, Thailand, Taiwan, Indonesia, and the rest of them; and neither do I care for the military hardware they may have developed. The truth is: Do they know who they want to fight? They want to fight Lucifer, incarnated in his

super prince, the Anti-Christ. That is the point! So, just how are they going to win, when they do not have God on their side? Think about it! Do you not know what Revelation Chapter 13, verse 4 says? It asks a serious question: **“Who is like unto the beast? WHO IS ABLE TO MAKE WAR WITH HIM?”** That is what the Bible says! The kings of the East will really think that they have the military and economic power to fight the West, and by so doing, they will, in essence, come to fight against their father, Lucifer. I say that only because they do not have any belief system. And when you do not have any belief system, you will have Lucifer for your father. Certainly! Brothers and sisters, there is no grey line. If you do not believe in God, you will serve the devil, whether you know it or not! The truth is, many children of Lucifer do not even know who their father is; but their daddy knows who they are though! Brethren, most of the Chinese people do not believe in anything: They do not believe in God, and they do not believe in Satan, for pathetically, they are people without any belief system. Satan will simply look at them, and say, “Very well

*then, come and fight me.”* Remember that in that day, Satan is now operating from the earth, by no choice of his, for he has been beaten by Michael, and driven down; he has been whipped black and blue! Consequently, he is ashamed, and so he is mad! He incarnates the Pope, just as God incarnated Jesus Christ. Then the kings of the East will come against him, whilst he is reigning IN and THROUGH his super prince, whom he has incarnated. It is like a Yoruba saying we have here in Nigeria: *“Do you not know who that man is? Even if you do not have eyes, do you not hear?”* Lucifer will say, *“Okay, come. You do not seem to know who rules this earth, for I am the prince of this world, and I give it to whoever I like. Now that I am reigning in and through my super seed son, you want to come and fight me. Okay, come.”* The West will whip the kings of the East, although the casualties on both sides, around the world, and the destruction, is simply indescribable. It is a Doomsday War! Every Biological, Chemical, Nuclear, Atomic, and other bombs that they have made

or stored up, will be freely used in that day, for no weapon will be off limits, for men will decimate men. However, from God's standpoint, this battle serves a very important purpose, and it is precisely what I want you to see. Come with me to the Word.

Revelation Chapter 19, beginning from verse 11 reads: ***“And I saw heaven opened, and behold a white horse; and he that sat upon him was called Faithful and True, and in righteousness he doth judge and make war. His eyes were as a flame of fire”,*** (for he is no longer smiling; no longer the gentle Lamb), ***“and on his head were many crowns; and he had a name written, that no man knew, but he himself.”*** Brothers and sisters, watch verse 13: ***“And he was clothed with a vesture dipped in blood...”*** (We are coming to this issue; we are coming back to pick up this prophetic picture. The Scriptures continue): ***“and his name is called The Word of God. And the armies which were in heaven followed him upon white horses, clothed in fine linen, white and clean.”*** (When you go back to verse 8, you know that that

is prophetic imagery of the bride of Christ. For it says that the fine linen which the bride is clothed with, *“is the righteousness of saints.”* It is God's way of hiding, in the main, the identity of the ones who constitute this army. Verse 15): ***“And out of his mouth goeth a sharp sword, that with it he should smite the nations: and he shall rule them with a rod of iron: and he treadeth the winepress of the fierceness and wrath of Almighty God. And he hath on his vesture and on his thigh a name written, KING OF KINGS, AND LORD OF LORDS. And I saw an angel standing in the sun; and he cried with a loud voice, saying to all the fowls that fly in the midst of heaven, Come and gather yourselves together unto the supper of the great God; That ye may eat the flesh of kings, and the flesh of captains, and the flesh of mighty men...”*** (The flesh of billionaires; the flesh of business moguls; the flesh of professors and scientific wizards; the flesh of Hollywood stars and celebrities of all classes; the flesh of politicians, judges, and top military brass, and of all the moral perverts influencing the world into

perversion!) ***“... and the flesh of horses, and of them that sit on them, and the flesh of all men, both free and bond, both small and great. And I saw THE BEAST”,*** (THE MAN OF SIN; the Anti-Christ), ***“AND the KINGS of the earth, AND their armies, gathered together to make war against him that sat on the horse, and against his army.”*** Saints, they want to fight Jesus Christ and his army, JOEL'S ARMY, a holy army, a supernatural army, with their natural military equipment! You know that at that point, men have gone insane! It is the height of madness for men to think that they can use their hi-tech weapons against supernatural beings! It is sheer madness! That is not where I am going, but remember that this Bible passage brings us to the Day of the Lord. The Battle of Armageddon is already over; half of the City of Jerusalem has been taken into captivity already, and the women ravished. The Anti-Christ has led the West in total victory against the kings of the East, and now, he is leading the whole earth in battle against the coming King. Now the Lord is coming

down to fight against all these nations. That is what Joel Chapter 3, verse 16, and Zechariah Chapter 14, verses 1, and 3-5, tells us; that the Lord will go and fight against those nations. For here now is the Day of the Lord; for now is when this prophecy is set in motion! Jesus has to come with his bride on white horses, setting that day in motion. Here is also where Jesus will eventually make the touch down on the Mount of Olives in Jerusalem, in fulfilment of Zechariah Chapter 14, verses 3-5. So, Revelation Chapter 19, verse 11, therefore, gives us an entrance to heaven on the Day of the Lord, for here heaven is opened up, as the heavenly armies are making their military formation, in readiness for their most spectacular and most glorious descent to the earth, for we are coming down with mega divine power and glory. But what do we see on earth in that day, as revealed in Revelation Chapter 19? We also see an earthly military formation, a formation of the armies of the whole world, led by **“the false prophet”**, who is the **Anti-Christ**. We used to think that Armageddon is being fought as Jesus comes literally in the skies. That was

how we looked at it before we came into the Continuity light of Christ, which the end time chief apostle bore. Thank God for Brother Jackson! Thank God for the Continuity light! Here in Revelation Chapter 19, verse 19, we see the Antichrist, leading the kings of the earth. He is not leading just the ten horns of Europe; he is leading the kings of the whole earth! What does that show you? It confirms the fact that he whipped the kings of the East! And as we all know, the vanquished always surrenders and follows the victor, because he surrenders on the terms of the victor. Consequently, it is scripturally settled that the Battle of Armageddon is fought and won, and concluded, ever before the Day of the Lord sets in, although it is in close proximity of time to it. But the fact remains that the Battle of Armageddon is fought and won, for it is concluded before the Day of the Lord, allowing for a short space of time wherein Jewish women are ravished, and half of Jerusalem are carried away captive to the nations of the earth, for a short period of time, for it is in close proximity to the Day of the Lord. That is precisely why

Joel Chapter 3, verse 14, says: **“Multitudes, multitudes in the valley of decision: for the Day of the Lord is NEAR”**; (it has not come, but it is close; it is near), **“in the valley of decision”**, (which is in the Valley of Jehoshaphat, during the Battle of Armageddon). We will take Revelation Chapter 19, verse 19 again: **“And I saw THE BEAST”**, (who is the Antichrist; Not the ten horned beast empire, but the man of sin who heads the ten horns), **“AND the kings of the earth...”** The beast here is spoken of along with the other kings of the earth, and this lets you know that this Scripture gives us the Antichrist. **“And I saw the beast, and the kings of the earth, and their armies, gathered together to make war against him”**, (Jesus Christ, the Lord of lords, the King of kings), **“that sat on the horse, and against his army.”** We all know that this will be a one-sided war, for on the side of the armies of heaven, it is No-war. Verse 20: **“And the beast was taken”**, (which now is the spirit of Satan embedded in the Roman Beast Empire, which is the European Union, the spirit ruling and motivating the

European Union), **“and with him THE FALSE PROPHET”**, (which is the spirit of the Anti-Christ; for God simply takes him out, fulfilling Daniel Chapter 2, verses 34-35, which speaks of the stone *“cut without hands”*, smiting the great image on its ten toes, and bringing it to its permanent end, and establishing the Millennial reign over all the earth). Verses 20-21: **“And the beast was taken, and with him the false prophet that wrought miracles”**, (scientific military miracles) **“before him, with which he deceived”**, (meaning that with his military miracles he influenced or forced) **“them that had received the Mark of the Beast”** (in the Last Week of Daniel), **“AND them that worshipped”** (or joined) **“HIS IMAGE”**, (which is the WORLD COUNCIL OF CHURCHES). **“These both were cast alive into a lake of fire burning with brimstone”**, (referring to these two evil spirits). **“And the remnant”** (of men or of humanity), **“were slain with the sword of him that sat upon the horse, which sword proceeded out of his mouth: and all the fowls were filled with their flesh.”** This is the conclusion of the whole story, for here it

ends with all ungodly mankind, pending the White Throne Judgment. Church, on the Day of the Lord, God wins that war hands down, for the victory is phenomenal, for it is total! There is not one casualty on the side of God; Not one sustains a scratch; Not one is injured! And on the other side, look at the heaps and heaps of dead bodies, billions of them. The giant inferno and the earthquakes God activates in that day, burns and buries them all! Brothers and sisters, the balance of the billions of people standing on the Day of the Lord are now lying completely dead, except a small remnant, out of whom the Lord will constitute the Millennial subjects. Do not forget, that when Jesus is coming, it is our God coming, because it is still God deified in Jesus Christ. Just what does the devil think that he can do to JOEL'S ARMY, God's Royal Army? Nothing, absolutely nothing! And may I say that this battle, which the Jews call the battle of **“the Sons of Light”** against **“the Sons of Darkness”**, is the last battle ever to be fought on planet earth; the last battle where one gunshot will be fired. For right after the Millennium, the Gog and

Magog War of Revelation Chapter 20, verses 7-9, does not produce one bullet, when the Lord sends down fire straight from heaven, and ends the story before it even starts! The White Throne Judgment is then instituted, the wicked are thrown into the Lake of Fire, and Eternity breaks. Glory to God! Amen!

Brothers and sisters, we have not only established that the battle to be fought in the Valley of Jehoshaphat and in the Valley of Megiddo, a war called the Battle of Armageddon, are one, but we have, by the grace of God, also established the objective of the devil for this war. However, we are not yet done, for we now want to show God's divine objective for the two wars: That is, The War of Armageddon, AND the War of the Day of the Lord, revealed in Revelation Chapter 19. With this issue we will end this message. God also has an objective, for God has a reason why He is allowing these two wars, which end the era of fallen man. In the first war, which is the Battle of Armageddon, a battle which also brings us to the Valley of Jehoshaphat, two

passages of Scripture describe the magnitude of the soldiers involved in this conflict. Firstly, Revelation Chapter 9, verses 15-16, states: **“And the four angels were loosed, which were prepared for an hour, and a day, and a month, and a year, for to slay the third part of men. And the number of the army of the horsemen were two hundred thousand thousand: and I heard the number of them.”** This gives us nothing but two hundred million soldiers squashed into the Valley of Megiddo. It is important to note that China alone can produce this number. Secondly, Joel Chapter 3, verse 14 declares: **“MULTITUDES, MULTITUDES in the valley of decision...”** Only God knows the number of soldiers squashed into the Valley of Jehoshaphat, for it is unnumbered, or innumerable! That is an incredibly great number of soldiers, which all wars on earth put together cannot match! And we are speaking only of the soldiers. What of the mind boggling deaths and colossal destruction, the utter devastation of the earth they will bring about? Think about it! Two hundred million is a lot of soldiers! Bring ten

soldiers with squad missiles, and consider the damage, the death and destruction they will orchestrate! Now bring two hundred million with mass killing power, with weapons of mass destruction, and exactly what do you imagine they will do to man and the planet? The question now is why is God allowing this? What is He doing this for, for we know He has a divine objective? Come back with me to Revelation Chapter 19, and look at something we left off, something that is stated in verse 13: **“And he was clothed with a vesture dipped in blood.”** Why, how, and where was his vesture dipped in blood? Please note that the Bible did not say that his vesture WILL BE dipped in blood, but that it had already been dipped in blood: **“And he was clothed with a vesture DIPPED in blood.”** In other words, his clothing or garment, the vesture he put on, was soaked in blood. So, where did he get the blood, and when? A true revelation, brothers and sisters, nobody can come against. It will stand! He was clothed with **“a vesture”** that was soaked in blood. To be dipped in blood means to be immersed or soaked in blood. So, the question is,

where did he get the blood? Do not forget that in Verse 15, the Bible says: **“And out of his mouth goeth a sharp sword, that with it he should smite the nations: and he shall rule them with a rod of iron”** (in the Millennium; and pay attention to this): **“and HE TREADETH THE WINEPRESS of the fierceness and wrath of Almighty God.”** This prophecy conveys to us the image of a giant winepress. How many have read the Scribe on *Joel's Army*? For those of you who have not read it, let me say this: A winepress is a press that is used to extract juice from grapes. This is the juice that is used in brewing or making wine. They have this giant iron pot, huge, which is a presser, with an iron lid with handles on it. All you do is to use this hard iron lid to compress or press down the grapes, so that all the juice in it can be pressed out or extracted in that crushing process. The juice is what is actually needed, and in order to get it out, the grapes have to be pressed. God is using this process to represent His giant winepress. God's winepress is actually a blood-press, because the life is in the blood. God

therefore wants to extract the blood in men, as a means of snuffing out or crushing out their lives, on a giant scale, just as it is being done to grapes in a winepress. Consequently, instead of grapes with its juice, you will have men with blood flowing in them, which speaks of life, mortal life. As a giant press needs a huge iron pot that can take a lot of grapes at one press, so does God need a giant pot, a piece of land that can contain a great host of men, God's "grapes", which is why it is in a valley that this job can be done, for a valley being a low region or a sunken region between two plateaus or two mountains, acts like a giant pot in a winery. God wants to make the bodies of man like the grapes which the wine presser uses for juice, for man also has juice (blood) in him. However, because of the scale of the human grapes God requires, He decides to use two winepresses, for the winepress of God Almighty is two, namely: The Valley of Megiddo, and the Valley of Jehoshaphat; Two giant winepresses! My! Come with me, and let me show you by the Scriptures. Remember in verse 13, Jesus has on "**a vesture**", a clothing, that is dipped in blood; for it is

soaked in blood. Therefore, we ask the question: Where did he get this blood? Before we answer this very material question, first come with me, and let me show you something similar in Isaiah Chapter 63, before we come back to the Book of Revelation. In Isaiah Chapter 63, it says from verse 1: "**Who is this that COMETH from Edom, with dyed garments from Bozrah? this that is glorious in His apparel, travelling in the greatness of His strength?**" (This is Elohim in the field of battle, or rather, this is Elohim coming forth from the field of battle, where He got His garment stained completely red. But remember that this is a vision, a vision which Prophet Isaiah saw, and not a Theophany manifestation to any particular person. I used to think it was a Theophany though, because of how Brother Jackson used it, until the Lord straightened me out on it. Yes, it is Elohim in the vision; but No doubt, Michael will be used to express this visionary projection, and it will not be different to when Joshua met Michael in the wilderness, for he did not meet a Theophany, but the Captain of the Lord's host.

That is true! At any rate, the truth remains that this is not a Theophany manifestation to anyone, but a vision Isaiah simply saw! Period! Verse 1): "**Who is this that cometh from Edom, with dyed garments from Bozrah? this that is glorious in His apparel, travelling in the greatness of His strength? I that speak in righteousness, mighty to save. Wherefore art thou red in thine apparel, and Thy garments like HIM THAT TREADETH IN THE WINEFAT?**" Winefat means the same thing as a winepress. Watch verse 3, for God says: "**I HAVE TRODDEN THE WINEPRESS ALONE; and of the people there was none with ME**" (in MY plan for Israel to have all her land, and live in peace): "**for I will TREAD THEM**" (who are the Palestinians, along with Israel's neighbouring nations, in MY winepress), "**in mine anger, and trample them in my fury; and their blood shall be sprinkled upon my garments, and I will stain all my raiment. For the day of vengeance is in mine heart, and the year of my redeemed is come. And I looked, and there was none to help**"

(Israel); ***“and I wondered that there was none to uphold: therefore mine own arm brought salvation unto me; and my fury, it upheld me. And I will tread down the people in mine anger, and make them drunk in my fury, and I will bring down their strength to the earth.”*** Amen. Here is a prophecy where we see God expressing the use of a ***“winepress”*** in settling the Palestinian issue once and for all; for He will deal ruthlessly and terribly with the Palestinians, at the Hour of the Jewish Miraculous. It plainly shows that at the Hour of the Jewish miraculous, the blood of the Palestinian Arabs is going to be just like the juice of the grapes in a winepress, for their blood is going to flow. So, we are seeing a picture of something, for the Lord reveals Himself with a garment that is blood stained, coming out of Bozrah in Edom, and He says: ***“I have trodden”*** (or squashed) ***“the winepress alone.”*** This prophetic picture gives us the Hour of the Jewish Miraculous, when God turns Israel loose in the field of battle, for that is precisely what this prophecy is looking at. We came to this prophecy of Isaiah, to show Elohim in the field of battle

with a blood stained garment, in order to give us a picture of how Jesus will also have his vesture dipped in blood; for in Revelation Chapter 19, verse 13, we also see Jesus Christ with ***“a vesture dipped in blood.”*** And I asked: Where did he get this blood soaked vesture from? Now come with me to the Book of Revelation, to see precisely how he got it, and where he got it from.

Let us open now to Revelation Chapter 14, which gives us the vision of the Battle of Armageddon, and we will take it from verse 14, where it records: ***“And I looked, and behold a white cloud, and upon the cloud one sat LIKE UNTO the Son of man...”*** Not the Son of man, but ONE LIKE unto him. This is Michael, the Angel of the Covenant, characterizing Jesus the Christ, the King of kings and Lord of lords, ***“having on his head a golden crown, and in his hand A SHARP SICKLE”***, which is strictly an instrument for the harvesting of fruits like grapes. It is a long pole with a sharp curved iron end attached to it. Brothers and sisters, talking of the ***“sickle”*** in the Bible, God projects the use of the sickle

in five Books, one of which we just read in Revelation Chapter 14. There are five Books of the Bible where God has projected the use of the sickle. In the Book of Deuteronomy, we have two Chapters where the use of the sickle is projected, for the children of Israel: Chapter 16, verse 9, and in Chapter 23, verse 25. But the sickle as used in these two Chapters of Deuteronomy is in a natural sense, for it is in relation to harvesting natural crops, food crops, plant life, which is due for harvest. That is the first Book where it is conveyed in the Bible. When we come to Jeremiah Chapter 50, verse 16, we see God use the sickle again, but it is also used in its natural sense, and it is spoken of in a prophecy in relation to natural Babylon, which was under judgment. And in that judgment, God was saying, ***“I will cut off the sower, and I will cut off the reaper as well, from Babylon.”*** So, the sickle as used in Jeremiah Chapter 50, verse 16, is in relation to their natural crops, which God promised to blight or decimate, for sickle here is used in judgment; here it acts as an instrument of judgment, for it is as a judgment rod. In

the Gospel of Saint Mark Chapter 4, verse 29, the Lord Jesus also used the term sickle; but now, its use is in relation to the harvesting of souls. It is written that when the harvest is ripe, the Lord will thrust in the sickle, for the use of the sickle in Mark Chapter 4, verse 29, is strictly for the harvesting of souls. Consequently, whichever way you look at it, the sickle is an instrument of harvest, and has always been used as an instrument of harvest. Let us go to Jeremiah Chapter 50, where it is used in judgment, but still in relation to the harvesting of natural crops, which God says He will cut off. From verse 14, just for a background, the Bible records: ***“Put yourselves in array against Babylon round about: all ye that bend the bow, shoot at her, spare no arrows: for she hath sinned against the Lord. Shout against her round about: she hath given her hand: her foundations are fallen, her walls are thrown down: for it is the vengeance of the Lord: take vengeance upon her; as she hath done, do unto her.”*** Verse 16 is where I am going, and it states: ***“Cut off the sower from Babylon...”*** And if the sower is cut off, then there

will be no harvest. Is that right? Yes! If you do not plant, you do not reap. No sowing, then there is no reaping. You cannot have harvest without planting. No planting, no harvest. Exactly! There has to be a sowing first. Verse 16: ***“Cut off the sower from Babylon, and him that handleth the sickle in the time of harvest: for fear of the oppressing sword they shall turn every one to his people, and they shall flee every one to his own land.”*** So, the sickle as used in verse 16 is simply to say that there will be no harvest in the land of Babylon, for it is judgment. Period! No sower, no harvest, and hence, no sickle. This confirms what we are saying, that the sickle has only one use: It is an instrument of harvest, whatever the harvest. Church, in three Books of the Bible that we considered: the Book of Deuteronomy, the Book of Jeremiah, and the Gospel of Saint Mark, the sickle is projected in relation to harvest, whether of natural crops, or of the harvest of souls. Now in Revelation Chapter 14, we have the sickle in prophetic projection in verse 14, which states: ***“And I looked, and behold***

***a white cloud, and upon the cloud one sat like unto the Son of man, having on his head a golden crown, and in his hand a sharp sickle.”*** This means that harvest has come, for the grapes are ripe. But the issue is: What kind of harvest is this? Brothers and sisters, it is the harvest of human grapes, for you are looking at God's human grapes! Verse 15: ***“And another angel came out of the temple, crying with a loud voice to him that sat on the cloud”,*** the one who looks like unto the Son of man, the one characterizing and representing Jesus Christ, the King of kings: ***“Thrust in thy sickle, and reap: for the time is come for thee to reap; for THE HARVEST OF THE EARTH IS RIPE.”*** What harvest? The harvest of human grapes! The harvest of humanity is ripe to bring them down to God's giant winepress, for the cup of the iniquity of the Amorites is now full, and is running over! The question is this: When is this fulfilled? It is at the Battle of Armageddon! God is bringing human grapes to His two winepresses: The Valley of Megiddo, and the Valley of

Jehoshaphat, because God wants to press their blood out! It is the winepress of Almighty God, to institute His wrath against ungodly humanity, the serpent seeds (in the main), the strangers who have taken over the planet, the haters of God! Yes! I am showing what God lays out in the Holy Bible, for the morally bankrupt class of humanity you see today! Saints, you do not need to worry about the hatred these people have for God and His Word. Do not worry about the celebration of iniquity, and the mass slaughtering of human beings by this demon possessed Islamic Jihadists, who are nothing but hordes of hell. Brothers and sisters, God has a day and a time that He has ordained to overthrow this ungodly bunch of humanity we see today. This is why I say this to our visitors: There is much more in the Bible to preach, other than money. God did not even send us to preach money. He sent us to preach His Word, for it is the Word of Eternal life, to give men an eternal hope, for as it is written in Hebrews Chapter 13, verse 14: ***“For here we have no continuing”*** (or abiding) ***“city, but we seek one to come.”*** This world is absolutely temporal, for it is vain, very vain. Therefore,

build your hopes on things eternal. Period!

Saints, I am making a very serious point. In Revelation Chapter 14, verse 14, we see one like Jesus, because he is representing Jesus, and he is characterizing Jesus. So, we can say in essence that we see Jesus in Revelation Chapter 14, verse 14, with a golden crown, and a sickle in his hand. And an angel told him to use that sickle because the harvest is ripe. Is that right? Yes! Now verse 16 records: ***“And he that sat on the cloud thrust in his sickle on the earth; and THE EARTH WAS REAPED.”*** This is not the harvest of souls; it is the harvest of human grapes! It is God's judgment against ungodly mankind, bringing about colossal heaps and heaps of cadavers, dead bodies! And when does he thrust in this sickle? It is at the Battle of Armageddon! That is why God is calling for two hundred million soldiers, for he will use two hundred million soldiers to take out or press out over two billion human grapes, which make up one third of our global human population! That is the effect of the sickle being thrust to the earth! IT IS GOD'S

GIANT WINEPRESS! And God is bringing them to His giant winepress. And where is it? It is in the Valley of Megiddo, the Jezreel Valley! But please note that the picture does not end here. Watch verse 17: ***“And another angel came out of the temple which is in heaven, HE ALSO”***, (being a second sickle holder), ***“HAVING A SHARP SICKLE. And another angel came out from the altar, which had power over fire; and cried with a loud cry to him that had the sharp sickle”***, (the second sickle holder), ***“saying, Thrust in thy sharp sickle, and gather the clusters of the vine of the earth; for her grapes are fully ripe. And the angel thrust in his sickle into the earth, and gathered the vine of the earth, and cast it into THE GREAT WINEPRESS OF THE WRATH OF GOD.”*** So what are we seeing? The earth was reaped twice in this prophetic passage. This gives us the application of another sickle, a second sickle, the first one for the Valley of Megiddo, and this second one for the Valley of Jehoshaphat, for as it is written in verses 18-19, ***“the clusters of the vine***

**of the earth**", the human **"grapes"**, are FULLY RIPE. When this **"clusters of the vine of the earth"** was gathered or reaped, it was CAST INTO THE GREAT WINEPRESS OF GOD! Brothers and sisters, this shows that the winepress is one, being God's winepress, even though we are given two reaping in this passage of Scripture; which is why it is called **"the great WINEPRESS"**, singular, being a collective noun, standing for winepresses. This links the sickle application in the Valley of Megiddo, with that in the Valley of Jehoshaphat, showing that at the end of it, the human grapes whose blood are squashed out in the Valley of Megiddo, are added to the number of human grape juice in the Valley of Jehoshaphat, for the winepress is one: It is God's giant winepress. You are not hearing me. I said the second sickle is thrust to the earth, and when it is harvested or reaped, it is cast into God's great winepress! We already see the application of the first sickle, where two hundred million soldiers are used in the clusters reaped in the Valley of Megiddo. But now there is another angel, and he is also told to thrust in his

sickle, and add it to the giant winepress. If he is to add the cluster of human grapes he has already reaped or squashed out, to the giant winepress, then, this gives us a second winepress, which together makes up God's singular **"great winePRESS"**, which is a collective noun, and this brings us directly to the Valley of Jehoshaphat. Hence, verse 20 concludes the matter, declaring: **"And the winepress was trodden"** (squashed) **"without the city"** (speaking of Jerusalem, meaning that the winepress was established outside the city of Jerusalem, bringing us straight to the Valley of Jehoshaphat, another sunken land or big pot-like container, a valley filled with human grapes), **"and blood came out of the winepress, even unto the horse bridles, by the space of a thousand and six hundred furlongs"**; (that is blood flowing all the way to the winepress in the Valley of Megiddo)! That is why the Battle of Armageddon is one, although fought on two fronts in the land of Israel, thereby giving us a winepress of God in the Valley of Megiddo, and another winepress in the

Valley of Jehoshaphat, God's giant winepress. The battle is the same, but God is going to use it to take out only God knows how many men, who are presently walking on this planet, calling for all sorts of demonic rights, as well as men, who are creating nothing but mayhem and chaos in the earth, whether they are drug barons, or Islamic demons, or warlords! Yet, this is not the day of the Lord. It only precedes it. And what a great feast birds of prey will have in that day! That is when vultures will eat and eat, until they do not even want flesh anymore! It is a day when they can pick and choose what flesh they will eat in that day; a day when vultures will say, *"Reserve for me the flesh of the king and queen of so and so country. No, I do not want the one of the country you are offering me. I want the flesh of so and so. Give it to me!"* Another vulture will say: *"I want so and so Prime Minister; that horrible and useless Head of State. Where is his flesh? And add the President of X country to it, so that I can enjoy myself for once, feasting on great men. Give them to me!"* I say that just to make a point, a serious point: I do

not say that to dishonor men. But it is a serious reality coming down the road, nonetheless, for it is the truth, and it is thus saith the Lord in His Holy Writ, the Holy Bible, as recorded in Revelation Chapter 19, verses 17-18! Of a truth, God is not interested in the royal lineage of mortal men: He has His own royal lineage. The royal lineage of men has nothing to do with God, and a lot of them live very dirty and rotten lives behind the scenes, and what great evil and wickedness many royals like King Henry VIII, and Richard III of Britain, have wrought on this earth, in times past. That is the truth! Yet, do you not see the royals of this world, anywhere they go, with all the paparazzi and reporters present, getting the red carpet treatment, whether big or small royalty, old or young, male or female? But who cares for God's royalty? God's royalty go around the nations of the e a r t h u n k n o w n , unrecognized, and counted as nothing. And so was the greatest royal of all, our Lord Jesus Christ, who once walked on this planet, was treated with total contempt, and counted as nothing. Yet, there has never been anyone as great; none that ever walked in shoe leather

is as great, for there is none like him!

Let us take Revelation Chapter 14, again, before we finish off the picture. However, let me first say this in confirmation of the truth of this message, just in case anyone doubts the time application of the two winepresses, called collectively "**the great winepress**", which we just read in Revelation Chapter 14. There is no guesswork or gambling in the way of revealed faith. You either have a God given revelation of the truth, or you do not have it. Simple! In the first place, we must know that the entire Chapter 14 brings us directly to the second half of the 70th Week of Daniel, for that is when it is applicable; that is when it is fulfilled! That is the first point! That is why the Chapter opens up with the three angel's message, three spirit angels who are behind the ministry of the 144,000 Jewish preachers, men who will preach the Everlasting Gospel Message in the last three and a half years of the 70th Week. They prepare the elect Jewish saints AND the Gentile foolish virgins for martyrdom, in the last half of that Week, encouraging

them to die, rather than take the Mark of the Beast! This fact also gives us the second point, because the 666 Mark of the Beast will be offered strictly in the last three and a half years of that Week, for it is a great satanic hour. Verses 9-13 confirms this truth, for in that passage of Scripture, **t h e y a r e b e i n g** strengthened to stand and face death at the hand of the Anti-Christ, telling them that they will rise in the morning! Thirdly, and finally, it is in the last half of the 70th Week that the Church of Rome will be judged in reality, as confirmed by verse 8, taken together with Revelation Chapter 18, for the Vatican City in Rome will be burnt down with missiles! In that hour, the Anti-Christ would have removed all religious attributes, and become Satan incarnate, making himself God, demanding worship, and instituting the 666 Mark! Moreover, he would have already shifted his seat of office from the Vatican in Rome, to Jerusalem, from the Middle of the week! It is an hour of trial for the elect seeds of God who are still here, who, according to verse 12, "**...are they that keep the commandments of God**",

(the elect Jewish people of God) **“AND the faith of Jesus”**, (which gives us the Gentile foolish virgins, two classes of saints who will seal their testimony with their blood in the last half of the 70th Week of Daniel)! That is precisely why the Spirit of the Lord offers these tribulation saints a word of comfort in verse 13, which states: **“And I heard a voice from heaven saying unto me, Write, Blessed are the dead which die in the Lord FROM HENCEFORTH: Yea, saith the Spirit, that they may rest from their labours; and their works do follow them”**, at the end of that Week: for the Lord is coming, and they will be resurrected for the Millennial reign, as confirmed by Revelation Chapter 20, verse 4! Come on! It is towards the end of that Last Week of Daniel that we now see the two angels, each with the sickle in their hand, right there in the same Chapter 14, as God activates His Giant Winepress. Let us now go back to it.

Brothers and sisters, we are now seeing something. Look at Revelation Chapter 14, starting again from verse 14: **“And I looked, and behold a white cloud, and upon the cloud one sat like unto**

**the Son of man, having on his head a golden crown, and in his hand a sharp sickle. And another angel came out of the temple, crying with a loud voice to him that sat on the cloud, Thrust in thy sickle, and reap: for the time is come for thee to reap; for the harvest of the earth is ripe. And he that sat on the cloud thrust in his sickle on the earth; and the earth was reaped.”**(Brothers and sisters, this gives us the first reaping; the first harvest of human grapes; the first winepress of God. Verse 17 continues, declaring): **“And another angel came out of the temple which is in heaven, he also having a sharp sickle. And another angel came out from the altar, which had power over fire; and cried with a loud cry to him that had the sharp sickle, saying, Thrust in thy sharp sickle, and gather the clusters of the vine of the earth; for her grapes are fully ripe. And the angel thrust in his sickle into the earth, and gathered the vine of the earth”**, (thus giving us the second reaping; the second harvest of human grapes; the second winepress of God. However, we must now ask: What was done with this second harvest?

Verse 19B gives it to us, for it declares): **“and cast it into the GREAT”** (GIANT) **“WINEPRESS of the wrath of God.”** And to let you see that this is the Valley of Jehoshaphat in prophetic projection, a valley that is outside the City of Jerusalem on the east, verse 20, which is the key, gives us the answer, for it states: **“And the winepress was trodden WITHOUT THE CITY”**, (outside the city of Jerusalem, in the Valley of Jehoshaphat), **“and blood came out of the winepress, even unto the horse bridles, by the space of a thousand and six hundred furlongs.”** Brothers and sisters, the blood of men will flow so much, and so long, until it flows all the way to the Valley of Megiddo and beyond! I said the blood or the juice of human grapes flows all the way and beyond the Valley of Megiddo! How do I know that? Because the Bible declares that blood came out of the winepress, filling the valley up to the bridle of a horse, and flowed as far as 1,600 furlongs! Now pay attention, saints. One furlong, which is an old measure, is 660 feet. Some calculate one furlong as

580 feet though. But whichever one we use, the result is still the same in its prophetic effect, distance wise. But I will use 660 feet for one furlong. We already know that 1760 yards make one mile, and that 3 feet make one yard. In order to know how many furlongs are in one mile, we must multiply 1760 yards by 3, to bring it to the number of feet in one mile, which is 5280 feet in one mile. If we divide 5280 feet, by 660 feet (which makes one furlong), this equals 8 furlongs. It means that 8 furlongs make one mile. Finally, in order to know how many miles 1,600 furlongs make, for that is the figure the Scriptures give to us, we have to divide 1,600 by 8, which equals 200 miles. If however we use 582 feet for one furlong, the sum total gives us almost 178 miles. It means in essence, that whatever measure we use, the flow of blood runs for nothing less than 170 miles! Converting the figure we have to kilometres, we know that one mile gives us 1.6 kilometres. Therefore, if we multiply 200 miles by 1.6, it equals 320 kilometres of flowing blood. But if we use the 178 miles, it still gives us almost 285 kilometres of bleeding flowing. Yet, the distance between the Valley

of Megiddo and Jerusalem, depending on the route you take, gives us only from between 129-151.9 kilometres, via Yitzhak Rabin, and via Kvish Hahof, respectively. That lets us see that the flow of blood doubles the distance between the Valley of Jehoshaphat and the Valley of Megiddo! That is the projection of the Word of God, and it is appointed for fulfilment at the Battle of Armageddon, a battle which will be fought on two fronts in the land of Israel, as God brings the armies of the world to his winepresses, right there in the Middle East. However, it is needful to point out that the flowing blood, only represents the enormous amount of dead bodies that will litter the land of Israel, piled up from the Valley of Jehoshaphat, all the way past the Valley of Megiddo, even though the literal blood of the dead will also flow! It is the enormity of the dead that is the main projection in this prophecy, for that is what the blood flow relates to.

Therefore, let every brother and sister know undoubtedly, that the prophetic passage of the winepress in Revelation Chapter 14, is ordained for

application, strictly at the Battle of Armageddon, and Not on the Day of the Lord. It is Armageddon, a battle which also takes in the Valley of Jehoshaphat! And what a day that is! It is a day when we see Jesus with a sickle in his hand, as revealed in Revelation Chapter 14, instituting this giant human blood-press, called in prophecy, ***“the great winepress OF THE WRATH OF GOD”***, thereby fulfilling the will of the Father for modern man. No wonder, a few days down the road, precisely on the Day of the Lord when he is coming, how do we see him then? Revelation Chapter 19, verses 13 declares: ***“And he was clothed with a vesture dipped in blood.”*** His vesture is soaked with blood. Why; How? Revelation Chapter 14 gives it to us, for already, he has been in the Giant Winepress of God! That is precisely why, when he comes on the Day of the Lord, which ushers in the Millennium, he appears in the sky already soaked with blood. Where did he get that blood? It is in the Battle of Armageddon. But the Battle of Armageddon gives us two locations in prophecy; it takes in two

locations: The Valley of Jezreel, which is called the Valley of Megiddo, where the main battle is fought, and the Valley of Jehoshaphat, for the battle is one. However, we must realize that that is not the last application of God's winepress, which is why we say that the winepress is only a collective noun, standing for winepresses. I say that because, when we come to Revelation Chapter 19, the final picture unfolds, for there we see God activate another winepress, the final one, a mega one, for it is a global one, just as it is written, starting from verse 13: ***“And he” (Jesus) “was clothed with a vesture dipped in blood: and his name is called The Word of God. And the armies which were in heaven followed him upon white horses, clothed in fine linen, white and clean. And out of his mouth goeth a sharp sword, that with it he should smite the nations: and he shall rule them with a rod of iron: and he T R E A D E T H t h e W I N E P R E S S of the fierceness and wrath of Almighty God. And he hath on his vesture and on his thigh a name written, KING OF KINGS, AND LORD OF LORDS. And I saw an angel***

***standing in the sun; and he cried with a loud voice, saying to all the fowls that fly in the midst of heaven, Come and gather yourselves together unto the supper of the great God; That ye may eat the flesh of kings, and the flesh of captains, and the flesh of mighty men, and the flesh of horses, and of them that sit on them, and the flesh of all men, both free and bond, both small and great.”*** Brothers and sisters, this is the Day of the Lord, and it is a prophetic passage which affects the entire globe, and here the story ends, for here the picture of the winepress and its application comes to its completion. But now, the whole world becomes the winepress, for it now has a global application. I will not go into the details, because we are not preaching on the Day of the Lord. I just want you to see that the prophetic projection of the winepress of God, on the Day of the Lord, holds, for there the objective of God for the human blood-press, just like a winepress, has its total fulfilment, in taking out the whole of ungodly humanity from every nook and corner of this planet, leaving just a remnant, a remnant that will still come under the sieve of

God, at the Judgment of Nations, just before the Millennium is set in motion, in order to determine the Millennial subjects. Period!

I will say this morning in closing my message: Let the opposition rant and rave; let them say what they will say, the truth established in the Scribe message titled, *Joel's Army*, remains. Because a true revelation of the Word, once established, cannot be nullified. Truth remains the truth. But let me also say this: Even if we take a message, and God later sheds His light on it, and we realize that we had looked at it in a carnal way in time past, we will come back and set it right, because the truth of God is what we want to establish, for nothing else will help God's people. Furthermore, if we see something only to a measure, but now God throws more light on it, adding to the picture we see, we will also happily lay it before the children of God, to brighten their understanding of the truth. It is an updating of revelation. Saints, when the light of truth comes, and it settles in the Word of God, you can see precisely that that is the truth, for

everything in the Word of God confirms it. As Bible believers, we say Amen to it, and there is nothing anyone can use to nullify it. That is the power of divine revelation. Brothers and sisters, I have never told anybody that I know everything. I do not know everything, for I am a man, a sinner saved by grace, and in fact, I am the most wretched of sinners that the grace of God has ever saved; and as it is written: **“For we know IN PART...”** This means that we learn every day, and that is why we grow, and that is precisely how we grow every day, for we learn and grow by the light of Christ Jesus, the Saviour of the world. It is a fact that the picture of truth is getting brighter every day, for the path of the bride of Christ is getting brighter, and the picture is getting clearer. Thank God for the progressive light of His Son, Jesus Christ! That is why the revelation of the bride is getting ever more glorious by each passing day. We have climbed so high, and we have gone so far, that the religious world cannot even see our tail lights! The distance between the elect bride saints who are following Jesus in a Continuous divine revelation of the Word and the religious

world, is like the distance between Neptune and the Sun! Brothers and sisters, I thank God for our portion, that we can see these things. It is wonderful! God has done wonderful things for us. That is the truth! The picture can only get brighter and clearer, as God continues to unveil further pieces of this giant puzzle of the truth of salvation. Brothers and sisters, the Battle of Armageddon takes in the Valley of Megiddo, as well as the Valley of Jehoshaphat, for the battle is one. That is why, brothers and sisters, even though I made a geographical mistake, it was not a revelational mistake. What we are following is not geography; what we are following is scriptural revelation. That does not mean that we want to get our geography wrong, for we also want to get our facts right. But I believe God did not move me to look into the geographical location of the Valley of Jehoshaphat, because He was going to use my oversight to serve a further purpose, for He was looking at a time like this; because that is what has moved me to go into this subject, for us to lay things out to this dimension. Brothers and sisters, as a

topic, we have never taken this sickle or winepress projection, in order to show its application. Are you with me? We have also never seen the Battle in the Valley of Jehoshaphat in the way we now see it today. And I believe this morning, by the grace of God, that the picture is plain, and is therefore clear to one and all. Blessed be the name of our God! God is in everything, and God will use everything for the edification of the body of saints, for as it is written, God makes everything work together for the good of His elect seeds. The only thing I will plead with you is: Can you see the light? Do you see something? I say that because over time, having proven a ministry, you should have confidence in something. And if you do not have confidence in that thing, then I have to ask you: Why are you wasting your time following something you do not have confidence in? Because this is not a game, and time is short! It is not a gamble either! With the passage of time, and with the fruit of a ministry, you should be able to determine whether this is something you can follow with confidence, or something

you need to get away from. I only just pray that the Lord, who is leading the way, will give understanding to His people. And if there be any grey areas, that God will shed His light upon it for us, that we may have perfect understanding. However, one thing is definite this morning; one thing that cannot be denied; and one thing no man can contest: And that is the fact that as at this junction of time, in this closing out hours of Gentile time, it is in Africa that the true light of Jesus Christ is shining. It is the truth, for as I have always stated for those who have ears to hear: ***These are the Days of THE INPUT OF HAM.*** You will not change that, for it is God's programme, ending His plan of Gentile salvation. Amen.

Brothers and sisters, I have finished my message. But before we go, let me read an English report to you on something. It just reinforces the reason why the Lord has to apply the use of the sickle, in reaping the fruits of this world. It lets you see why you will see dead bodies piled up like Mount Everest, as far as the human eye can see, for as Revelation Chapter 14, verse 18 says, ***“FOR HER GRAPES ARE FULLY RIPE.”*** What grapes exactly

are fully ripe? It is the evil of the world; it is the iniquity of men, which has reached its point of maturity. Hence the need for the application of ***“THE GREAT WINEPRESS OF THE WRATH OF GOD”!*** My wife called me and she said, *“Darling, you will not believe this. This world is finished!”* We know that. She was saying that because of the horrible development in the United Kingdom. We know about pedophiles, for they abound in the world, particularly in the West; adults preying on little children, 6 year olds, sexually abusing little children, and also using them for child prostitution, as well as for child pornography, which is done even on the Internet today. It is a sad, sickening, and frightening situation of the world in which we now live. You know it is a sick world! However, saints, it is no longer a problem of just pedophiles, as bad as that is in itself. England is now facing a much bigger problem, a problem of child-on-child sexual abuse; child against child, 12 year olds, 11 years old, sexually abusing children; children carrying out sexual violence against another child. What if they grow up? What

exactly do you think they will become? This world is finished! It is on BBC; it is in Newspapers; it is on Google. And let me warn you that this evil development is not limited to England, for it is going on around the globe, for we are at the end. Let me read to you an English report I got on the Internet. It reads:

***“Children as young as 12 are carrying out sexual violence against each other, according to “profoundly distressing” evidence highlighted in an official report. The victims of these crimes are as young as 11, a damning report by the office of the Children's Commissioner for England has found. The scale and the nature of sexual attacks - including rape - indicates a “deep malaise” within society that needs to be addressed.”*** How exactly are they going to address it without God? They do not want God, so God gives them Satan! They do not want God; they want gays and lesbians, homosexuals; they want bisexuals and trans-sexuals; they want everything of the devil; they want a world without God. So God said,

"You will not only have that, you will also have all of the devil!" Now they have devils for children, demon possessed children! Do you know how many children are killing children every day? Children killing children, hacking other children to death in the field! Now it is children raping children; it is children sexually assaulting children. My, oh my! And they are also gang raping them, taking a little girl and passing her round a gang of little boys, demon possessed boys! No wonder when God got to Sodom and Gomorrah, he said to His angels: Wipe out every one, including the children, as well as unborn children, babies in the womb! I want everything totally wiped out! The report continues: ***"The Deputy Children's Commissioner said the "sheer levels of sadism" uncovered by the inquiry had been shocking. The study, the result of a two year inquiry into child exploitation and gangs, suggests that while the fact that paedophiles prey on young children is widely recognized, the concept of children abusing each other through gangs or groups is rarely acknowledged by society."*** Because they do not want to believe that it is

happening! It is too shocking for them to accept that child-on-child sexual abuse is happening, but it is! And it is happening at a vast rate! So ask me, what future has this world got, when it is no longer adults that are doing this evil? Children are doing it against children; children who cannot wipe their bottoms as yet, given to sadism and such depravity; given to such wickedness! You can imagine them growing up, and just how wicked they will be. Think about it, for things can only get worse! Listen to this: ***"Rape is considered "inevitable" and "normal", especially by gang members, and such cases of sexual violence were found not just in deprived, inner city neighbourhoods, the report says, but in every area of England."*** When children are exposed to a homosexual lifestyle, and they have made them love it and accept it as right and good, and not sinful, what do you expect? Now there is a growing number of children today, and a percentage increase of transgender children, children who feel that they are in the wrong body, and ask their parents for a sex change. There are parents and doctors who

have consented to this, and children as young as eight, the youngest being six in the United Kingdom, have their hormones suppressed, and are given steroids at an early age, so that they can have a smooth transition in their new bodies, when they are teenagers. I watched a documentary on this demonic development, and it is very scary. In a world exposed to homosexuality and pornography, what do you expect? Pornography can now be gotten on mobile phones, android phones, in a world of mobile communication where children have mobiles, many times out of necessity, because parents have to monitor them, to ensure they are safe. They do not need the television anymore in order to watch pornography: The mobile phones give them pornography. It is just a matter of having Internet connectivity, and boom, it pops up on their phones! Children are watching it! As parents, you had better monitor what your child does on the Internet. A lot of young people have given their minds over to the devil, and it is as a result of the pressure of the satanic society that we now live in.

So, the current civilization is what has exposed little children to things they would never have known, except they were grown up, if not for the present civilization. Welcome to Satan's world! Bullying is also going on every day, as well as taking photographs of people without their knowledge, taking nude photos of little girls, and putting it on the Internet. And such photos cannot be taken back, even if taken off, because it would have already been downloaded by some people somewhere, for you cannot undo it. That goes on every day, leading young girls to commit suicide. Cyber bullying is going on big time, particularly in the Western world, which is a notorious fact, because in Africa, the masses of people do not have access to the Internet. Cyber bullying is big time in the West, and many children are committing suicide every day, because in one way or the other, their naked photographs have found their way onto the Internet for the whole world to view. There is now a new wave of crime called "Sextortion", which is when someone gets you in a compromising position on the Internet, then blackmails you for money, which if he or she does not

get, they release your shame on the Internet for all to see. Another new wave of crime is "Revenge Porn", which is when someone like a boyfriend or ex-husband or ex-partner, takes nude photos of a lady, with or without her knowledge; or when a boyfriend or husband or partner, asks a lady to take and send nude photos of herself to him, for it is supposed to be personal, and after the relationship has ended badly, they put the nude photos on the web for revenge. Think of it: As a married couple, why would your husband even want to take a photo of your naked body? Even your husband, why would he want to put your naked body on a phone, if he is not insane? What does he want to do with it? Why would your husband want to take a photo of your naked body in the first place? He sees it every day! Why take a photo of it? It is an insane world! And a lot of men who have taken the nude photos of their wives, brothers and sisters, one way or the other, they have found their way onto the Internet! What a world! The social media we have today is in the hands of Lucifer. It is his social medium; it is his own. It is not God's design; it is

Satan's social media. That is why as a child of God, you must know how far you can go with these things, for we are called to live humble lives, away from the world, for we are not people of the world. Hence, I will not be joining you on the various social media, or in the various chat rooms. Forget it! If texting, emailing, and phoning, is not good enough for you, then forget it! Not even with Skype will I be skyping you! Because I have things to do; I have a lot of things to do! By the grace of God, we have been able to catch up Time wise, in the publication of the Continuity message in the Scribe; but the messages are piling up, and we are yet to catch up Message wise, in the publication of the Scribe. So I do not have time for skyping. It is not that skyping is bad; and please take note; it is that I have a lot of work to do. Period! Let us continue with the English report: ***"Rape is considered 'inevitable' and 'normal', especially by gang members, and such cases of sexual violence were found not just in deprived, inner city neighbourhoods, the report says, but in every area of England. The***

**report, which includes evidence from studies on children's understanding of consent and sexual violence within gangs, warns that young people across the country are being exploited, and that the authorities responsible for their safety are failing to protect them.**" There is nothing they can do to change the sad course of things! There is no protection they can give, for only God can make the difference, and they have shut this God out! They do not want to hear anything about God, and that is precisely why they now bow at the feet of the religion of Islam, all out of fear, for God has allowed it to be their terror and judgment! The report continues: **"Deputy Children's Commissioner Sue Berelowitz said in a foreword: "The fact that some adults (usually men), rape and abuse children is generally accepted. There is, however, a long way to go before the appalling reality of sexual violence and exploitation committed by children and young people is believed."** Research conducted by Bedfordshire University into sexual violence in gangs revealed two thirds of the young people

**questioned (65 percent) knew of young women who had been pressurized or forced into sexual activity, while half could provide examples of youngsters offering sex in return for status or protection."** Little children that you think are going to primary school, offering sex for protection from bullies, children bullies. They are offering them sex in schools, so that they are not bullied. And you think, *"Oh, my child is just a little boy."* Stay there! It is a horrible world we live in! The world is not like it was when we were growing up! Things have changed! What a strange world! Listen to this: **"Two fifths (41 percent) said they knew of individual cases of rape, while over a third (34 percent) gave researchers examples of gang rape. Nearly two fifths (39 percent) of the young people who responded to the survey said they knew of cases of youngsters exchanging sex for drugs, alcohol, or to pay off a debt."** So, just because they owe a little money in school, they are asked to offer sex in return for it, and they are giving in: These are primary school children! And in the drug areas of the world, children

are the couriers of drugs. They sell cocaine in schools, primary schools, and on the streets. Little children are the couriers, for adults are teaching them the trade. They carry their school bags, and you think it is books in it, but it is cocaine. Of course, they too eventually try it. So little children are already getting hooked on cocaine, because they are following papa and mama; or sometimes it is the uncles that are using them as couriers, without the knowledge of the parents. That is why you should be careful who you put your children with. But sometimes it is the relations that are sexually abusing children, and parents do not know. That is a fact! And do not think it does not happen in this country, because relations abuse children. Relations do! Open your eyes wide, and be wise! I speak to parents. I will read the statistics again: **"Nearly two fifths (39 percent) of the young people who responded to the survey said they knew of cases of youngsters exchanging sex for drugs, alcohol, or to pay off a debt."** And why would they not do that, when papa and mama are

on drugs, or on alcohol. When they tell little Johnny to throw away the beer bottle, little Johnny goes to the kitchen to drain the rest. So, while papa and mama are in the parlour, thinking they are enjoying, little Johnny is taking the bottle and the cigarette butts, and he is smoking the rest as well as draining the bottle. Exactly! The parents do not know that Johnny is already a drunk and a smoker, for Johnny is just seven years old; but he is already a drunk and a smoker! But how can they know when they themselves sit before the television drunk, with cigarettes. Jonny takes all the cigarette butts they throw, and re-lights them; and although at the beginning it makes him cough, however, he will get over the cough eventually. He can smoke the stuff, but he cannot afford it, and so, later, he graduates to stealing from daddy's cigarette pack. That is the human society for you! ***“Nearly two fifths (39 percent) of the young people who responded to the survey said they knew of cases of youngsters exchanging sex for drugs, alcohol, or to pay off a debt, while almost a third (31 percent) gave examples of girls being***

***used as bait to attract and “set up” male members from rival gangs. Thirty percent knew of men having sex with a young woman to “disrespect” rival gang members. But the study also found that just one in 12 of those interviewed, said that young people would be likely to report crimes of sexual abuse. Often, sexual violence was seen as normal and inevitable, with young women being blamed for their own abuse. Ms Berelowitz added: “We have found shocking and profoundly distressing evidence of sexual assault, including rape, being carried out by young people against other children and young people. Whilst we have published chilling evidence of this violence in gang-associated contexts, we know too that it is more widespread than that. This is a deep malaise within society from which we must not shirk.”*** What are they going to do, when they do not want God? How are they going to change it? There is something in these children moving them to do those things! Satan is taking over the minds of little children. It used to be adults that Satan

used; but now he is using children, for they are his new vessels. Only God knows what will happen in the last Week, when Satan fully embeds himself in human society! What a world it is going to be in that day! Satan has not yet been driven down, and look at what is going on in the earth! What of when Satan is driven down to embed himself in the human society? You can imagine the extent of ungodliness and utter wickedness, totally beyond our human comprehension! We cannot even conceive it! Because a lot of things happening today, we could not have conceived twenty years ago! ***“... The inquiry found that 2,409 youngsters were known to be victims of child sexual exploitation by gangs and groups, while a further 16,500 were at risk...”*** Can you see the wickedness of the world tonight? The wickedness is so great, until the leadership of this world have gone berserk! The leadership of the world is spiritually and morally bankrupt! Yes, they know about technology and money schemes; but it is a civilization of Satan, and fire is coming to purge it all!

Our civilization is also coming for sure, and it is to be ushered in by the application of God's giant winepress, for the wickedness of man is great in the earth.

Church, as we see a world that is most degenerate, a world that is falling apart, a world so clothed with evil and wickedness and gross darkness; as we see a world that is so Anti-God, so opposed to God; a world that has taken on every attribute of Lucifer, on the other hand, we also see how grace has dealt with us, to show us the way of life, to give us a revelation of the plan of redemption, to let us see everything in plain view, from the beginning to the very end, why will we not know that we are richly blessed? Brothers and sisters, we should not be a people given to murmuring and complaining, but to giving thanks. As bride saints, I do not care what you are going through, it is a fact that your portion is still a goodly one, and you need to be grateful

to God, for He has been good to us. Will you rather have money, and the material things of this world, and be shut off from this way of eternal life? And what good will your money do, when that day comes, when the Lord thrusts in his sickle? Think about it! Things are happening on this earth that is mind troubling to spiritually minded people, and it lets us see that terrible times are ahead for the world; but glorious times are ahead for the bride of Jesus Christ. God has a plan for us, a glorious plan, for we are in His plan, and this is what gives us comfort. Therefore, brothers and sisters keep focus; keep the vision, and stay in the light of Jesus Christ of the Bible. The world you see today is just for a few days, for it is overly ripe for judgment. The time is coming when the Lord will throw in the sickle, because the harvest of human grapes is due; the harvest of the world is due; and this is a harvest of dead bodies. But look at us in our littleness,

here in this corner of Shomolu, Lagos, basking in the light of the Word of God, just as it is true with all bride elects around the world, in their own little scattered fragments. Just look at our portion in our littleness, for we are a highly blessed people. We need to know how to give God thanks. In closing, it should be absolutely clear to one and all, that the Battle of Armageddon is what takes place in the Valley of Megiddo, as well as in the Valley of Jehoshaphat, two different valleys in the Land of Israel. It is God's "**GREAT WINEPRESS**", to take out ungodly mankind from the face of this planet, and eventually, that is in the Millennium, it will be turned over to God's children, on whose account it was created in the first place. This is the truth of the Scriptures. Shall we bow our heads in prayer. (Brother Amos prayed).

The Lord bless you.
