# THE INPUT OF HAM

## INTRODUCTION

In presenting this crucial and very important message, it is my humble prayer, that God would help me do justice to it, knowing it is a new terrain, as it is my earnest desire to make men see what the Almighty God has predetermined to do, for the bride of Christ, according to His master plan of Salvation, at this closing hour of Gentile dispensation of grace. I should solemnly inform you that the world is currently writing its last chapter of human history, before it is judged with fire, on the day of the Lord, at the close of the Seventieth Week of Daniel, a week of time which is clearly at the doors. You must therefore realise that time is short.

On 5th November, 2005, during the Sunday evening service at Assembly Of Faith, Calhoun, Georgia, U.S.A., the Lord led me to take this message, using circumstances I have explained further on in this book, to make me take this issue. I took this message again, on the evening of Sunday 20th November, 2005, at the closing of our Convention at Bible Faith Tabernacle, Lagos. Subsequently, I was moved to put it out in print, in book form. However, when God

later used circumstances to move me into producing The Scribe, I thought I would simply edit the message I had taken during our Convention, and put it in The Scribe. But at the last minute, realizing I needed to present it in a much fuller depth than I had taken it in my message, I had to rewrite the message, turning it into this book.

It is my humble and sincere prayer, that God would use it as a means of blessing to the bride, to give a true and clear understanding to the saints of God around the world, of what God is doing at this very hour, in this third and final move, even as it is written, ***“The Spirit of truth... will show you things to come.”*** Shalom.

## GOD'S OBJECTIVE OF CREATION

We will start this message by delving into the revealed Scriptures, the exclusive basis for any and every true revelation. We will start with the seed chapter, Genesis 10 verses 1 & 32: ***“Now These are the generations of the sons of Noah, Shem, Ham, and Japheth: and unto them were sons born after the flood... And by these were the nations divided in the earth after the flood.”*** We will again read Acts 17. This is Paul speaking on Mars hill. From verse 24, it reads: ***“God that made the world and all things therein, seeing that He is Lord of heaven and earth, dwelleth not in temples made with hands; Neither is worshipped with men's hands, as though He needed anything, seeing He giveth to all life, and breath, and all things.”*** I am going to verse 26: ***“This same God hath made of ONE BLOOD all nations of men”*** (One blood: That is the blood of Noah) ***“All nations”*** (That takes in all races, all tribes), ***“of men for to dwell on all the face of the earth, and hath determined”*** (beforehand), ***“the times before appointed, and the bounds of their habitation.”***

The Lord destroyed the world in Noah's day with the flood, and started afresh with Noah. Noah was a man God used to repopulate the entire earth. Therefore,

after the flood, God gave him a commission to multiply, and to replenish the earth. But he never bore anymore children. He never added one more child after that commission. All that Noah had were three sons, the only man in the race of Adam that did not have a daughter before the flood. When you look at the lineage of Adam, trace it through Seth, on and on to Methuselah, all the way to Noah, only Noah had no daughters. Why? God touched his loins, because God was going to start afresh, bringing judgment to that era. God made a fresh start with just the three sons of Noah, and their wives. And of these three sons of Noah, Shem, Ham, and Japheth, is the whole world as it stands today, populated. Every race, every tribe, every colour, that is on earth today, all came out of one man, Noah. The blood of Noah flows through every human being, regardless of colour, race, or nationality. As such, there is a principal gene in the bloodstream of every human being today, that is common to all without any exception, and is traceable back to only one man, who forms our root, and the beginning source of that gene, and that man is Noah, being the progenitor of the entire human race on the planet today, no matter the colour, race, nationality, or tribe. Yet, there is also another particular gene, that can be found only in the bloodstream of each specific race, and is traceable back to only one of the three sons of Noah, Shem, Ham, or Japheth, for that

particular genetic mutation started with them, producing that particular genetic strain. I will explain and address the issue of mutation further on in this book. But remember, the blood of the man Paul referred to in Acts 17:26, is not Adam, but Noah. I watched a documentary with my wife, sometime in April, 2007, on the National Geographic channel, titled, DNA Mysteries: The Search For Genetics, where geneticist, Spencer Wells, purportedly traced humanity's family tree, to discover whether the Bible account of man's origin is true. In the documentary, the genetic mutation scientifically called M168, a Y-chromosome, a gene which is shared by every human being on the planet today, was erroneously traced back to Adam, and Adam was held by them to be the root of that gene. But as bride saints, having the revelation of the original sin in the garden of Eden, we must understand why Noah, and not Adam, is the progenitor of every human being we have today on the planet, and why it is the blood of Noah that flows through all, and not that of Adam. As such, the mutation called M168, shared by every human being, could not have originated from Adam, and did not originate from Adam, but from Noah. Why is this so? It is simply because Adam is not the father of all human beings! No, he is not, and cannot be inferred to be! Because the express mention of one thing, is the exclusion of others. The Bible plainly declares in the

seed chapter in Genesis 3 verse 20: **“And Adam called his wife's name Eve; because she w-a-s THE MOTHER OF ALL LIVING”!** That is, she is the mother of all human beings! Adam named her by inspiration, for her name is prophetic, for it bears a revelation knowledge of the fact that the two seeds that would form the two main streams of humanity, was conceived in her womb, and she would end up being the mother of all living! But you cannot turn that around and also say that Adam was the father of all living, for he definitely wasn't! And the Bible did not call him so either! Why? I will spell it out for you.

The Serpent in the beginning, that is before his judgment and transformation into a snake, was an upright creature, and one who could talk. He could carry out a vocal conversation, as we see him do in Genesis chapter 3 with Eve. As a creature who stood uprightly, and who looked like a man, walked like a man, and talked like a man, a creature who was the highest form of animal life, that is, at the head of the animal kingdom, and one who is **the missing link between humans and apes**, was inspired by the devil to deceive Eve to eat of the forbidden fruit, which was strictly **sex for pleasure**, with him. This was the original sin in the Garden of Eden. That way, through the Serpent, Satan was able to get seed for himself, vicariously (That is, by every implication), a seed

called Cain. Shortly after, Adam also partook of the same forbidden fruit of **sex for pleasure** with Eve, willfully, and not by deception, for he was not deceived, even as apostle Paul revealed in 1Tim. 2:14, and the act produced another seed, called Abel. Both seeds were conceived in the womb of Eve, in a conception medically referred to as superfetation, that is, a conception or pregnancy which holds separate eggs like in non-identical twins, and with different sperms from different men, producing children from different fathers. This conception produced the first twins, who were actually half-brothers, Cain and Abel. One child was of the Serpent, and hence of the devil, and the other child was of Adam, which is the son of God, giving us what God referred to as the seed of the Serpent, and the seed of the woman, respectively, in Genesis 3 verse 15: **“THY SEED and HER SEED.”** That is, the seed of the Serpent, and the seed of the woman (Eve): Cain and Abel. At the time of judgment in Genesis 3, the Serpent was transformed into a snake, but both seeds were already in the womb of Eve! However, after their birth, and after they had grown up, and had given their offerings to God, Cain killed Abel, his half-brother, acting to type, and God appointed the woman (Eve), another seed, called Seth. These two men, Cain and Seth, fathered two different streams of people revealed in Genesis 4 and 5. This made Eve in

reality, and by an earlier prophetic utterance of Adam, ***“The mother of all living”!*** What a prophetic name she bore! But Adam was not the father of all living, for he was not the father of Cain! That is why Cain is not in Adam's genealogy. He would have had to be if he was! Search the Scriptures! Moreover, apostle John, by divine revelation, in 1 John 3:12, identified Cain's vicarious father, Satan: ***“Cain, who WAS OF that WICKED ONE.”*** Apostle Luke, in tracing the genealogy of Christ, confirms the fact that Cain is not part of Adam's lineage, in Luke 3: 23&38: ***“And Jesus himself began to be about thirty years of age, being (as was supposed) the son of Joseph, which was the son of Heli... Which was the son of Enos, which was THE SON OF SETH, which was THE SON OF ADAM, which was THE SON OF GOD.”*** Note that the genealogy of the sons of God which Doctor Luke laid out is vindicated by the revelation of Moses in Genesis 5 verse 3: ***“And Adam lived an hundred and thirty years, and begat a son in his own likeness, after his image; and called his name SETH.”*** Why was Abel missing in Adam's genealogy? Because Abel was no more, and did not bear seed, to carry on the lineage, and therefore, Seth was appointed in his stead! Nonetheless, in Hebrews 11:4, the Bible still confirms that Abel is a son of God, being declared **a righteous one**, for he was a son of Adam, which is a son of God!

But I ask: Why is Cain not in Adam's genealogy? And why was he not named among the righteous, in any part of the Bible, but instead, he was said to be of that wicked one, Satan? Because he is the seed of the Serpent, whom God spoke about in Genesis 3:15! He is the child of the wicked one! He is not a child of Adam, and Adam is the line of God's sons! As such, whilst Eve is the progenitor of all human beings, and hence the mother of all living, Adam is not. Hence, two different parallel streams of humanity are projected in Genesis 4 & 5: Cain and Seth! One lineage is of the Serpent, and the other lineage is of Adam; One line is of the devil, and the other is of God. But as revealed in Genesis chapter 6, the lineage of the Serpent, the Cainites, used their seductive daughters to pull down the resistance and the moral uprightness of the sons of God, the Sethites, the lineage of Adam, under the influence and design of Satan. This sexual promiscuity and affinity between the two parallel streams of humanity, resulted in mixed marriages, which in turn created a fusion or the injection of the evil Serpentine traits or genes into the bloodstream of the line of the Sethites (the line of Adam), in the offspring born, as a result of the mixed marriages. Remember, a couple become one in their offspring! This went on rapidly and extensively, to the extent that when Noah was born, his lineage was already fouled up and defiled, and God ordained to cut it short, and

start afresh. However, the Serpentine evil genes had already been transferred into the bloodstream of the Sethite line, by virtue of the prevailing mixed marriages, and hence it had been fused in Noah's blood, making Noah not to be pure, as Adam was, in his genetic make-up, although he was nevertheless a Sethite, being of the lineage of Seth, and one who still had a genetic make-up that God knew He could use, above his peers. In contrast to Noah, all Adam had in his bloodstream, was the imputation of death, and none of the evil Serpentine genetic traits expressed in the Cainite line in Genesis 4! God decided to wipe off that whole generation with the flood, including Noah's brothers and sisters, and the entire lineage of Adam, except Noah's immediate family, and start afresh, using Noah, and his three sons, to repopulate the entire earth, and to produce the entire races of man, giving you the colours, races, nationalities, and tribes we have today. Therefore, Paul stated by the Spirit of God, that God, ***“Hath made of ONE BLOOD all nations of men for to dwell on all the face of the earth, and determined the times before appointed, and the bounds of their habitation.”*** That one blood is the blood of Noah, and not the blood of Adam. The generation before Noah, ended with Noah, and the generation after, started with Noah, for with Noah, one world ended, and with Noah, another one started, making Noah the progenitor of every

single race, colour, nationality, and tribe, that is on the face of the earth today. But look at the variety of colours, races, nationalities, and tribes! God is simply awesome! But you must also realise, that although the Serpentine evil gene was fused in Noah, and was passed on through Noah, making Noah not to have Adam's genetic purity, that did not also take away from Noah, a vital gene of his progenitors, Noah also inherited, because certain vital genetic attributes of Adam were also passed on to Noah, which God was going to use, and which Noah also passed on through the line of Shem, his son, the line through which Christ came, maintaining the lineage of Adam, because God, through Abraham, was also going to brew up the genetic attributes the devil had bred down. We must understand that, because there still had to be a lineage that would take you back, genetically, to the first Adam, even though all the genes, both good and evil, were fused in Noah, and although God used Noah to start afresh, that is, to repopulate the entire earth. Otherwise, the genealogy of Christ in Luke 3:23-38 is meaningless, but it is not! It is absolute and infallible truth! As such, we all share the blood of one man, Noah, irrespective of race or colour, but there is also a particular gene that the line of Shem inherited from Noah, which is traceable back to Adam. Hence, it is a Scriptural fact, that we all partook of the blood of Noah, but we did not all

partake of the blood of the first Adam. However, through faith, as bride saints, we partook of the royal blood of Jesus Christ, the second Adam, and that is what matters. Halleluyah! But today, if you are looking for a principal gene that is shared by every human being, in his or her bloodstream, you cannot trace it back to Adam: You must stop at Noah, for it comes from Noah. As such, the genetic mutation scientifically called M168, a Y-chromosome shared by every human being, started, not with Adam, for mutation did not start with Adam, but with Noah, on the authority of Acts 17:26, and Genesis 10. Noah is the root of all colours, races, nations, even as the Bible declares. I hope that is clear, for **“the just shall live by faith”**, that is, by revelation. The truth is, we all belong to one man, in blood lineage, and that is Noah, even as the Bible declares. We all go back to Noah, all of us, regardless of race, colour, or nationality. But how did God start it? He started with just the three sons of Noah, and their wives. Praise the Lord! But we must also ask: How come we have so much diversity of races? Look at all the races, and the tribes, and the nations on earth today: The Chinese, the Japanese, the Koreans, and the Indians (the Asians, with their various nations). Now, you come to Europe: The Germans, the French, the Russians, the English, the Spanish, the Dutch, on and on and on. Then you come to Africa. We have North Africa, Central Africa,

West Africa, East Africa, South Africa, with their many nations, Niger Republic, Algeria, Egypt, Ethiopia, Ghana, Nigeria, Malawi, South Africa, on and on. Then you go to Australia, and the Pacific Islands. Then you move to North America: Canada, and the United States. You look at Mexico, and at South America: Argentina, Brazil, all these places. Not to talk of the Caribbean Islands: Jamaica, Haiti, Cuba, St. Lucia, Barbados etc. We even have the Arctic region, where we have the Eskimos, and such like people. All races of men today go back to one man. The blood of one man flows through each and every one. But look at the variety! Can you imagine that all of us go back to Noah? But look at the diversity of colour, and physical characteristics! How did God do it? We will now consider it.

All God needs, to do anything, is just an original, a male and a female, to carry out multiplication, and to reproduce themselves. That is why to every male, there is a female. That is the law of God. To every male, there is a female, even as it is written in Genesis 5 verse 2: **“Male and female created He them.”** So once a man gave birth to a child in the beginning, in Adam's day, here comes first a son, who would be the heir. And the law of inheritance devolved on him, the law of the firstborn. Yet, in God's law, if you gave birth to a male first, in that

day, and not today, when the devil has come in the picture, then, that male child, would be followed by a female, because to every male, there is a female. It was like that, so that through that balanced reproduction, man could equitably or fairly reproduce himself. It is equation balanced, as it did not leave any son or daughter of God without a spouse. But God had to touch that law somewhere along the line, because iniquity came in. In fact, God had to touch that law, until when it got to Noah's day, God did not give him any females. He had only males! God touched his loins, for **God appoints seeds!** Yet, all his brothers, and his father, and all his forefathers, all had female children. Even Noah had sisters, because his own father gave birth to sons and daughters! Only Noah did not have one single daughter. He bore only three sons. Why? God touched his loins, because God was going to start afresh, bringing that world to a close with a flood, and start anew. This will let you see, that there is so much truth buried in the Bible, than to be preaching money and materialism. There are so many precious truths we can preach about in the Bible, than to turn the revealed gospel of Christ into a material gospel (i.e. a carnal gospel of prosperity), a money spinning gospel. I say that to ask you: What are you looking for? Why do you go to church? Why do you think Christ died? And what do you want from

Christ? Please look for eternal life. Look for his truth, for Christ can only be known by the revelation of his Word, the revelation of the truth. Knowing him by revelation is what gives eternal life. Therefore look for the revealed truth of the Scriptures. It will do you well. Saints of God, so, God decided to do something, since He knew He was going to wipe away the world, and start afresh, using Noah as the progenitor of the entire human race on this planet. I said, He was going to use Noah as the progenitor of the entire races of people on this earth. Therefore He touched his loins, and took away the gene that could produce females. He limited him only to males, and to three, specifically. Three is the number of perfection. Brothers and sisters, these three boys came out, in their due order, and they were named Shem, Ham, and Japheth. I want you to note, when they came out of the womb, in their respective pregnancies, all three looked very different, physically, that is in their complexion (i.e. in their skin colour), for they were going to be the progenitors of the three main distinct races of people on earth, out of which would come all other races. But look at Noah! Brothers and sisters, you must realise that right from Adam, Seth, to Enoch, Jared, Methuselah, all the way to Noah himself, all of them looked alike! For every seed brings forth after its own kind! Yes, there would have been slight

variations in colour tone, but you could not look at Noah, and look at his Father, Lamech, and say he was different. He wasn't! The semblance was there, for they all looked alike! Yet, it was not one bland colour tone, for you had variations, but they all still looked alike! Have you ever seen a Yoruba man of Nigeria produce a white person? You know he would look alike, although there would be slight variations in the tone of his dark skin, except the offspring is an albino, and that indicates there is a cross gene somewhere. But watch. Everything looked more or less alike, but when Noah produced these three children, and Japheth came out, he was white. When he produced Ham, he was a black baby. And Ham means dark, or burnt black. Yet, he was from the same loin. Yet he was from the same daddy, and from the same mummy. And when Shem, the eldest of the three, came out, brothers and sisters, that gave us the yellow race, or what we call the Middle East race (a people in-between in colour), just like his daddy. They are in-between. They are not white, and they are not black. They are olive skinned. They are called the yellow race. This gives you the Jews and the Arabs. **But the Shemite race, being the lineage of Adam, definitely gives you the picture of what colour Adam's lineage had, before the flood, for Shem being the heir, gives you the skin colour of the lineage of the**

**Sethites, with its variations.** That fact is confirmed by the genealogy of Christ, in Luke 3:23-38, which is traced back to Adam. It gives us the lineage of Adam. When you look at the Book of Genesis, it is obvious God used Noah to repopulate all the peoples of this earth. So says Genesis 10! With the birth of Noah's three sons, God began to break down the races, using these three sons to produce them, because Japheth produced the entire white race. It does not matter whether it is the Portugese, or whether it is the Russians. It does not matter whether it is the Germans, the British, the French, the Dutch, the Italians, or the Spanish. They are all part of the white race, and all of them, came out of Noah. But so did the blacks. They all came out of Noah, because Japheth produced the white race, and Ham produced the black or the coloured race. That was why his name was Ham, dark, or burnt black, by interpretation. He is the progenitor of the Africans, but remember this, the offspring of Ham also moved, and migrated, and covered even the Middle East, going as far as the Far East (Asia), being **the greatest migrants**, in that hour of time, a people who roved the earth. They were the Canaanites that God told the children of Israel to wipe out. And when you look at South India, for instance, you have to see Ham there as well, all the way down to the Aborigines of Australia, and the native Pacific Islanders. And let us

not forget, that Babylon, which is your modern day Iraq, to Nineveh, the ancient capital of Assyria, were Ham, in their original lineage. But come with me. Let us look with focus at these children, not culture-wise, but genetically (i.e. complexion-wise, or colour-wise).

One thing is certain, Shem, Ham and Japheth, brought variety of colour to Noah's lineage, and hence, to the earth. Yet, the colours of men on the earth today, and the races of men on the earth today, are much more diverse, than those original three, and incredibly too. How did God do it? God did it essentially by a law, a genetic law, called mutation. The law of mutation, is a law God Himself established in the genes, or in the chromosomes of His children. This particular gene has an ability to change, or to alter its characteristics. Mutation means to alter or to change features or characteristics. Hence in this instance, it means colour and physical feature change. That is, their pigmentation, and physical features are radically changed. It is an alteration of their pigmentation, and their physique. It is God working upon the genes of man. So there is a particular gene, a genetic strain in the chromosomes of man, responsible for colour change, that is buried in God's children, which lays dormant over many years. It was in Adam, but it was not activated in Adam, and hence mutation did not start with him. By

the time it got to Noah, God was going to activate it, because this particular gene generally lies dormant, even though it is a very dominant gene. But it lies dormant until the era of time comes, that God wants it to produce something in His own mind, to establish His own will. Then, you will see mutation take place, a change in product, and a man who is black, can give birth to a yellow child. I only said that to make a point! Note that! I only said that strictly for the purpose of illustrating mutation! But that is essentially how every other race of people on earth today came about. So, as time progressed, the posterity of these three children, through the law of mutation, as they were giving birth, were bringing forth a different product of children, who looked so different from their parents, yet they came from these same parents. It is mutation. Through the law of mutation, God, quietly, and smoothly, and with time in progress, began to add the various children, that had the kind of pigmentation, and the physical characteristics, that would start the various races, and the nations of people, God predetermined to have on this earth. God alone was in charge of it all. He did it, essentially by the law of mutation. And that is why, we can look at the Scriptures, Acts 17, and firmly and unquestionably believe, even as it is written, that all the races we have on this earth today, all came out of one man, Noah. But it did not happen in one day. It did

not happen overnight. It was a step at a time. Noah, through the operation of the law of mutation, gave birth to three boys, one after the other, and his relatives must have exclaimed, seeing the boys going down the road: *“Wow! How could Noah produce three children with three different colours?!”* It is the law of mutation at work. In Noah, God activated that law. It brings a radical change in the product, caused by a particular strain that had laid dormant, but yet a very powerful, very dominant strain. It is a dominant gene, but God makes that gene dormant, until He needs it to bring out a feature He wants in the human race. Through that, every race on this earth, as man began to repopulate, was brought forth, essentially. At God's appointed time, here would come a different strain, producing a different baby, with a different genetic colour and physical features, but you know that God would also allow a female of such a specie to come forth. Please note that. Because God is perfect in all His ways. Because to every male, there had to be a female! That is God's law! So if that strain, if that particular genetic colour, and physical feature, had to be carried through, there still had to be mutation, to produce a matching female. And through that, variety was established on this earth, in human colour, and physical characteristics. Look at the African race, in its variety or colour diversity, and even in diversity of hair type. The Algerians and the Egyptians are not like

Nigerians or Ghanians. Think about it! The Algerians and the Egyptians of North Africa have long hair, but that of the Nigerians and Ghanians in West Africa is very short and kinky. And when you look at the people of Mali, or those of Niger Republic, they are also different. Saints, what is God doing? God is establishing diversity in human beings, because He is a God of variety. But it means this, as bride saints, God expects you and I to have an understanding of what He is doing. He is expressing Himself in His attributes, in His creation, because God loves variety. He is a God of variety. But He is also a God of balance. That is why to every male there is a female. And once He gets the specie He wants, it serves His purpose. He does not like crossbreeding. Why? Because it brings hybrid. That is why in Genesis 1:11, He says, **“Every seed should bring forth after its own kind, WHOSE SEED IS IN ITSELF!”** And that is precisely why God makes them male and female, so that they can bring forth after their own kind. Hence I have to ask these carnal message followers, Why did God give man a reproductive organ, and also put seeds into his loins, if he was supposed to speak his children into existence? If you believe that foolishness, that Adam was supposed to speak to Eve's womb, well, you are free to believe it. But then I would ask you, What were both of them supposed to do with their private parts? Why did God give it to them? And why

did Adam also bear seeds in his loins, and Eve bear eggs in her ovaries? It is for natural reproduction! Jesus Christ was born supernaturally, strictly in order to bypass the bloodstream of man, for the inherent fallen and evil attributes it held, which would have passed into Christ, if he was born by sexual intercourse. It is not that God intended Adam to reproduce in the way Christ came. No! After all, Adam himself was not spoken into existence! He was created! And Adam and Eve, by that intimate relationship, that is **sex, strictly for reproduction**, in order to carry out God's commission, to multiply and refill this earth, which was the law of the tree of life, would have given birth to children, with eternal life attributes in them. But instead, they had the relationship, **strictly for pleasure**, even though it still produced seeds, coming by the law, or by the tree, of the knowledge of good and evil, which was **the law of sex, strictly for pleasure**. This route of reproduction, brought death to every man. Hence David said: ***"In sin did my mother conceive me."*** He is merely referring to that pleasure relationship, even though it is no longer sin in a marital relationship! Alright. I do not even want to go into that, for that is a different issue all together. You are free to believe what you want to believe. But the issue is this, Once God began to add this variety of colour and physical features in the human race, to create distinct races of man on

earth, and we consider God's law of reproduction, in Genesis 1:11, which dictates that every seed should bring forth after its kind, How do we relate that law of reproduction of like seeds to man? What does this law mean, in relation to man, particularly, to the children of God? That is: How does this law bear on man? Remember, I am not talking of salvation, but I am talking of the law of creation, God's law of reproduction. It means, God expects a black to marry a black, and a white to marry a white. Why? He does not like hybrid! Because hybrid has no originality! **The product of hybrid is neither here nor there.** He is a mongrel! He is a half-caste! He is not accepted by the white race, neither is he accepted by the black race. **He has no true identity!** Because he has no true racial identity! And that is a serious issue! You have to see that! What a strange creature! I say that with respect to everyone! But I have to lay this truth firmly, for God takes it seriously. And the more they are interbred, they get farther and farther away from God, and usually cannot relate to God, having nothing of God in them. It makes them aliens to God! God wants everything to stay in its original state. That is why people that are products of racial intermarriage, have social problems too, because the whites look down on them, and the blacks wonder, which ones are these. They definitely have social problems, and that is the truth. I do not say that to ridicule, or out of

disrespect, for we are not responsible for our birth. No! But that is the truth, for God does not want interracial marriages. But I did not say God cannot save a person who is a half-caste, or a product of mixed marriages, because **as fallen creatures, we were all bastard born, all of us!** That is true! And as such we cannot condemn anyone who is a product of a mixed marriage. That is why I said, this has nothing to do with salvation. I am talking about God's plan of creation. And as God's children, we should be able to appreciate truth, without getting personal or without taking offence. If God wanted that particular colour, that that hybrid marriage produced, the law of mutation, which God set for that purpose, would have produced that colour. So do not add to what God has made, and do not help Satan to fowl up God's objective of creation. God knows what He is doing. He knows. And God is ruling this thing. That is precisely why we believe, yes, a white man may believe, and a black woman may believe, but you cannot intermarry. You cannot! I do not say that to be a racist, for I am not! And it is not because it takes away your salvation. It does not! This is laid out for the sake of God's children. It is laid out strictly for the sake of the elect bride of Christ. But simply ask yourself: Why did God make them male and female, and also gave them different colours, and different physical characteristics, and said, **Every seed should bring**

**forth after its own kind?** Why does He want it so? Because He wants the various varieties to remain in their slots! (i.e. In their estates)! Because in them, God's desire for the various races and nationalities, are accomplished, and God's beauty is revealed in all, because the glory of God is revealed in all His creation. And that is precisely why He said, **“Let everything bring forth after its own kind,”** and for which cause, He made them male and female. So you must understand God's plan of creation. And eventually, every colour He wanted in man, has been manifested here. That is why, when you look at plants, everything is not all green. If all you saw was green, where would be the beauty? It would be extremely bland and very boring! But beloved saints, oh my! During our meetings in October, 2005, in Calhoun, Georgia, Brother Alvin and Sister Patsy Suggs took my wife and I to a place called Ellejay. The physical scenery of natural vegetation along the sides of the road was so beautiful, so breathtaking. There is something about the plants and the trees in that area, because when it comes to autumn, all the trees begin to change colour, getting ready to drop their leaves, in preparation for winter, and send down their sap. Come and see the variety of trees, as their leaves bore various colours: Red, purple, green, yellow, orange, pink, white, blue, and brown. When we were passing, I exclaimed: *Oh my! I wish I had my video*

*recorder to catch the scenery!* It looked like artists took their paints and brushes, and started painting all the trees, to give such a wonderful and an incredible variety of colour, all adorning the area. It is simply spectacular! God is awesome! God is awesome! He is a God of beauty, and He is the greatest Artist, who reveals His beauty in nature. The beauty of the scenery, the beauty of nature, all along the road, way back into the mountains, is incredible. It is simply amazing. Left, right, all over the whole area. No wonder the Bible says, ***“The Heavens declare the glory of God; and the firmament showeth His handiwork.”*** I say all that to say this: God is a God of variety, but do not hybrid that variety, because He is able to get Himself precisely the variety He wants, because He is in charge, not you. I say that strictly in relation to man, in his marital quest. So, as a child of God, as bride saints, you must understand God's plan of creation, His objective, to get a particular class or variety, and to maintain it. That is why, once those nations were fully established on earth, and all those races were fully projected, He put a full stop to it, because there had to be a cut-off point, when all the variety of races He intended, were fully established. I said He put a full stop to it, because God had a finished objective! There had to be a finishing point! Once He accomplished it, that was it. That is why, you will never see man mutate, no matter how much they

interbreed, and come out with a green colour, because God did not intend to have green men. If He did, we would have had a green race, before the variety reached its terminating point, as Acts 17:26 reveals. Because God foreordained even the bounds of their habitation! He foreordained the bounds of their nationhood! He predetermined the races, and the nationalities. He knew where each nation would be carved out on this earth. God is in charge of everything, even though He may use man in bringing about His objective. It will take the millennium, under the Kingship of Jesus Christ, to appreciate this beauty, when all the confusion, the cesspool, that the United Nations, and carnal men given to interracial marriages, both under the influence of Satan, are trying to establish, is wiped off the slate, for God is going to purge it. They want to brew down all races of people, so that there is no longer any distinct race, through racial intermarriage. Because by the time you brew white with black, black with brown, yellow with white, all you would have is a cesspool of people, with no identity, racial, cultural, or national. It is the devil's objective to mess up God's plan of creation, to muddle it all up, so that they become completely removed from God, having nothing of God in them, being a mixed-up bunch of humanity. That is the United Nation's agenda, and that is fallen man's desire. Because they feel, *“Well, all these racial conflicts man is constantly having, the way to stop*

*racism, is to interbreed man; the way to put an end to racial hatred, oppression and inequality, is to intermingle them; mix everything up!*" That is what they think! But it is the devil using them! Because the devil will also give you a "good" reason. That was why, when the devil came to Eve, for he came to Eve in the garden through the Serpent, he said: **"...Ye shall not surely die: For God doth know that in the day ye eat thereof, then your eyes shall be opened, and ye shall be as gods, knowing good and evil."** You see, he threw in reasoning! He will give you a lot of reasons. And it looked good to Eve, but the devil was behind the Serpent! So also brethren, it looks good, for the United Nation to decide, *"We don't want all these racial problems. Racism must go. If only we all intermarried, everything would blend, and no one would have any particular racial identity, and no one would look down on the other."* It looks good, but what does that produce? It will make the world eventually become a melting pot, no different to some of the hybrid animals, fallen man has created on this planet, animals which relate to nothing, and are identified with nothing. Then the identity, the distinct identity God wants of races, and of nationalities, for which reason He mapped them out, and for which reason their nationhood was predetermined, is wiped out. It plainly means that humanity would lose that originality, that national and racial identity God

predetermined they should have through Noah. Can you now see the plan of the devil? You must see God's plan of creation. You must see God's objective of creation, as elect bride saints, and you must unite with him in that objective. You must!

So, that is why, as a brother, a black brother, who truly believes, you do not look for a white sister to marry. I do not care whether you live in America, or in Europe, you do not look for a white sister, simply because she believes. You cannot! You look for a black sister, and marry her. And that goes for the white brother as well: You look for a white sister! You know a lot of illegal African and Asian immigrants living in the western world, are marrying white people, to obtain visas, to enable them to stay and work within those various countries. They are not even doing it for the sake of marriage. They are marrying for the sake of the visa. I have to say, hell is waiting for a lot of them, because all they think about, is only in terms of dollars. And because of that, the devil makes them use marriage, merely as a means of livelihood, and marriage has been gravely bastardized, a holy matrimony God Himself established, human beings are using today, as a mere means of sustaining their belly. They bastardize it. Today they marry, being joined officially in conjugal union, by paying money to a

pretended spouse, and the following day, they go their separate ways, and take somebody else in marriage. Hell is waiting for a lot of people! Back home, their relations may be enjoying the dollars they are sending from the United States and from Europe, but you do not know what is coming, for God is going to judge such gross violation and desecration of the holy institution of marriage. When I was looking for a wife, I never looked for a white sister. Even though I did not have the understanding I have today, but something within me let me know it was not right for me, a black man, to take a white sister in marriage. I looked for a black sister. Black anywhere is potentially okay for you, as a black believer. And that goes the other way round too. Do you understand? And God reserved a black wife for me in the United Kingdom. It was not a white lady. It was a British West Indian lady! And when our children came out, you do not see them looking white, or mixed race. You see them black! And when they walk down the streets of Lagos, people do not look at them, wondering: *“Where do these ones come from?”* Because they look just like me! Church of the living God, that is why I said, it has nothing to do with salvation, but it has to do with God's plan of creation. As bride saints, you must have an understanding of God's objective of creation. You must! And you and I must realize every colour God

predetermined, every race, and every tribe, and every nation, is on the ground. They are all on the earth! It is finished! That is, it has been fully accomplished. There is no further mutation into anything we are going to have. God has accomplished His objective of Creation. Amen and Amen. That is an established fact, and it is the truth. We are at the end. Brother Jackson never went deeply into the issue of racial intermarriage, as he was not moved of God to do so. He would simply tell you, a black person should marry another black, and a white person should marry another white, ***because of social problems.*** And a lot of people started calling him a racist, people following his message! I am talking of what we (my wife and I), have heard! An attitude of people following him, people even coming for his Conventions, who still had things against him! It took God using my wife and myself, to straighten out some of our folks over there in the United States, both black and white folks, on this very issue of marriage. When we sat them down, our African-American brothers and sisters, along with some white sisters, and broke down the Scriptures on this issue, they had to see it. Even a white sister in East Chicago, listening at one such gathering, started crying. She said, "*Brother Amos, you make it so plain.*" Why? If Brother Jackson preached it all, where would be continuity?

So God would let him go into it, only in a measure, so that there can be a little something left. It is God's way of brightening our understanding of the Scriptures. Can you see that? God has used Brother Branham, and Brother Jackson, to give us the full Scriptural picture. But you know, by the time we have the full sculpture, all we need to do is to take a piece of cloth, add some polish, and simply polish it. That is all. The most labour has been expended on producing that sculpture. But ours is just to polish it, at this very end. We are simply polishing the Scriptural image sculpted for us. When you understand God's objective of creation, although it does not take away your salvation if you marry a white person or a black person, you would also know you would be trampling God's objective of creation. And why would you as a bride saint, having an understanding of God's plan of creation, go against God's will? Why would you want to defeat His purpose of creation? In the days of ignorance, God winks at it, but now that the light is being shed, why would you knowingly go ahead and do that? And if you really can see God's objective, why would you go against it? Then it shows that you really do not love God, because if you love Him, you would love His objective, because if I love my wife, and I know she does not like something, I would not do that thing. And that is even a wife. How much

more God! When you have the revelation of His Will, you want to please Him, as a totally submissive bride saint. You would not go against God's revealed plan, because you owe Him your very life, for you are bought with a price! I say, How can you know God's plan and go against it? So, no, this is not stated on a salvational basis, but yet, there is a truth of it, which you are expected by God to uphold. Having said so much on this issue, we want to move on to another material issue, which bears upon the message of this book.

## THE SIN OF HAM

Coming back to the three sons of Noah, Shem, Ham, and Japheth, we now want to consider the sin of Ham, because it is very material to my message. You will later understand why. In Genesis 9:20-27, something happened after the flood: ***“And Noah began to be an husbandman, and HE PLANTED a vineyard: And HE DRANK of the wine, and was drunken; and HE WAS UNCOVERED w-i-t-h-i-n HIS TENT. And Ham, the father of Canaan, saw the nakedness of his father, and told his two brethren without. And Shem and Japheth took a garment, and laid it upon both their shoulders, and went backward, and covered the nakedness of their father; and***

***their faces were backward, and they saw not their father's nakedness. And NOAH AWOKE from his wine, and knew what his younger son had done unto him. And he said, CURSED BE CANAAN; a servant of servants shall he be unto his brethren. And he said, Blessed be the Lord God of Shem; and Canaan shall be his servant. God shall enlarge Japheth, and he shall dwell in the tents of Shem; and Canaan shall be his servant.***” After the flood, as the account of the Bible laid out, Noah planted a vineyard. When the fruit of harvest was reaped, he made wine. He was a good wine maker. After brewing the wine, he sat with a “barrel” of wine, and began to drink. He drank until he was stupidly drunk. He did not even know when he undressed himself, even to his underwear! Noah, the prophet of God! Saints, and this was Noah, lying nude, just as the day he was born. Here he was in his tent, laid flat, and blanked out, from this drinking stupor. When you consider that fact in itself, I ask you, Would you say that the genetic quality of Noah was pure? In other words, Would you say that he was a pure Sethite, a man who had a pure genetic quality? Were his genes truly free of all Cainite, Serpentine attributes? If you say it was, I would then have to ask you: Who was responsible for the fallen attribute of drinking stupor, or drunkenness, that Noah manifested? Do you want to blame it on his wife, Mrs. Noah, and maintain she

was the only one that had that Serpentine genetic trait? But Mrs. Noah was not the one that planted a vineyard! And Mrs. Noah was not the one that made wine! And neither was she the one that drank wine! Verses 20&21 declare clearly and categorically, that it was Noah himself that did all these things! That leads me to say this: Richard Gan, You can project your contrary thought, only to a people who do not know their Bible. I say that because his people would no doubt also read this. He teaches that Ham committed incest with his mum, in the account of Genesis 9! Hogwash! The account of Genesis 9 has nothing to do with incest! And it is most wicked to accuse a man of committing incest with his own mother, when he didn't, in order to project a carnal revelation! Let me move the issue of Noah's genetic state up a notch. In Genesis 6, God saw the wickedness of man. The **“sons of God”**, which were not angels, but were the line of Seth, went after the daughters **“of men,”** the Cainite daughters. I say that because angels were not the ones that committed sexual immorality in Genesis 6 account! If angels could do it then, Satan would not have needed to use the Serpent creature to commit the act with Eve, in order to get seed for himself! He would have done it himself! Moreover, if angels were able to commit sex then, they should still be able to do so today! And if you still question my stand, I have to ask you: How many angels have appeared to you to

have sex with you? Please answer me! Who has stopped the fallen angels from their evil acts and utter wickedness? They have always been troubling God's creation! They are the adversaries of God's people! So, how come angels are not coming into women today, to produce their children? Have you read in any part of the Bible where God forbade them from their evil ways? No! Are they not the adversaries of God Himself? And are they not coming against God's creation, as a means of indirectly coming against God? So if angels could have sex with women at that time, what stops them today? How come since then, no angel has visited any woman to have sex? Don't be ridiculous! The truth is, the **"sons of God"** line, is the Sethite line, which is the Adamic line, and the daughters **"of men,"** not the daughters of the **"sons of God"**, but the daughters **"of men,"** is the Cainite line. You have the **"sons of God,"** who saw the daughters **"of men."** So, **"sons of God"** are a different specie of people, from the daughters **"of men."** Here you have some people referred to as **"men"**, who had daughters, and others who were referred to as **"sons of God"**. So we have in Genesis 6, two classes of men. The line of Seth, and the line of Cain (the Adamic line, and the Serpentine line). The line of God's children, is the Sethite line, and the line of the devil, through the Serpent, produced Cain, which is the Cainite line. Saints, the Bible says, **"That**

***the sons of God saw the daughters of men***” (that is, the sons of Seth saw the daughters of Cain), ***“that they were fair”*** (i.e. beautiful). They used cosmetology. And in the evenings, they came to the borders of the sons of God, and you see, they wore hot pants, and what I would call, “Show me your breasts”, and “Show me your belly-button,” and “Show me your legs and thighs” (i.e. very revealing, provocative clothes), and they did it just to breakdown the moral resistance of the sons of God. Three quarters of their breasts were bared out, and they painted their faces, and lips, and long claws (nails), to appeal. By the time they did all that, and they came out in the evenings, oh my, they had a lot of materials to sell! They were selling lust! All their thighs were out. Their breasts were put on open display as an attraction, a bait, to seduce the sons of God. They did the same thing with their belly-button, and their backless apparel! You see them on the streets today. Nasty people! Can you see the picture? Those were the children from the land of Nod, because that was where Cain settled, in the land of Nod. The land of Nod represents your modern day Hollywood. And here they came, with all their breasts bared out. You know in Hollywood, the women always flaunt their breasts. They have no shame, just like prostitutes, for that is precisely what they are in God's eye. Why would you not see the seed of the Serpent? Why

would anyone not see Serpent seed? Why would you not see the modern day daughters of Cain? They do not have any morality. And neither do they blush at all, for they have no ounce of shame! They are unrighteously bold! Just look at the Catwalk! Look at Hollywood stars! These twenty times married prostitutes! But that is precisely the condition of western society today, with their nasty hipster fashions. The more breasts they show, the more thighs, buttocks, belly, and backless they show, the better. That is their warped thinking, and base lifestyle! But I ask: How are they then better than animals?! Yet, animals have never put off the clothing God put on them! And when Adam realized he was naked, he tried to clothe himself! And when God found him with mere fig leaves, God clothed him! Adam covered himself with fig leaves, but fig leaves were not enough cover for him. God Himself killed an animal, and used the skin to cover his nakedness! But today, man is taking everything off. But saints of God, here came the daughters of men, the Cainite daughters, instruments of the devil, to bring about Satan's objective. The devil's objective was this: *“Let me bring down the pure genetic soul quality of the Sethite line, the line of God's children, so that once that evil trait is inbred in them, they would never listen to their God. They would serve me.”* The devil wanted to mess it all up, and God allowed him in his plans,

because He knew, *“I am one step ahead of the devil, and I will bring everything to a close through Noah, and start afresh.”* Listen, that was why in that era of time, when the sons of God went into the daughters of men, and saw that they were fair, and began to have concubines, as many as they chose, immorality started. There was also drunkenness, and there was violence as well, in the earth in those days, drunkenness, revelry, moral debuchery, evil, violence, and wickedness. God wiped it all out. But Noah, Richard Gan says, was a pure Sethite, which means, he had a pure genetic trait. But Noah, seeing how God destroyed that world for all the drunkenness, and immorality, and violence, and evil, went to plant a vineyard, made wine, and drank himself stupid. I ask: Who gave him that trait? Where did he get that from? Who gave him that trait? Did he not see the judgment of God upon ungodly mankind for such evil lifestyle? Had he not just come out of that judgment? Was drunkenness not part of the acts God judged? Then, who bred that evil trait into him? How can anyone therefore say that Noah was genetically pure? Mr. Gan, you do not know what you are talking about! How can we make Mrs. Noah the only one responsible for how the evil Serpentine trait crossed over the flood, when Noah's lifestyle testifies against his genetic purity?! Any man that has a revelation, let him bring out truth, and not muddle up the Bible

picture! Otherwise, do not expect the bride to take it. We will not take any warped revelation, for it is a perversion of a plain Bible account. And to think that these men have had decades since the death of the prophet, to prove themselves (i.e. to prove their ministries; to show what they have)! It is obvious, they have derailed themselves! They are not following **the plot!** Saints, a man makes his own choice himself. They have made their own choice. They have made their bed, and they will lie in it. I have gone into that to say this, please, Noah's drinking lifestyle shows his genetic quality had been fouled up. Therefore, he was not a pure Sethite, although he was truly a Sethite. He obviously had inbred in him, a fallen genetic nature. Amen. That cannot be denied Scripturally! I just proved it! And to let you know it had to be a trait of Noah's own genetic constitution, right after the flood, that is exactly what he went about doing: He planted a vineyard, and made wine out of it, and was drinking. He drank so excessively, until he lost all reason, and a prophet of God removed all his clothes, including his underpants, going naked, until he fell down flat on the bare floor, under gross intoxication, and passed out. Only grace made the difference! I do not say this to ridicule Noah, the servant of the Lord, but to show you something! The angel of the Lord told the prophet to this Laodicean church age, William Marrison Branham: ***“Don't you ever smoke, drink, or defile***

***your body with women, for there'll be a work for you to do when you get older.***” And before he got saved, the chief apostle to this age, Raymond Jackson, was a confessed smoker! Think of it! He called it a mere habit, but the prophet had this to say of smoking: ***“Now, the cigarette company could get after me for this, but, I'm telling you, that's just a stunt of the Devil. It's the biggest killer and sabotage this nation's got. I'D RATHER MY BOY BE A DRUNKARD THAN TO BE A CIGARETTE SMOKER. THAT'S THE TRUTH. I'D RATHER SEE MY WIFE LAYING ON THE FLOOR, DRUNK, THAN TO SEE HER WITH A CIGARETTE... Now, this Spirit of God that's with me, if that is the Spirit of God (as you might question), YOU SMOKING CIGARETTES HAS GOT A SLIM CHANCE WHEN YOU GET THERE, 'cause that just... every time. You notice it on the platform, how He condemns it. IT'S A HORRIBLE THING. KEEP AWAY FROM IT. Lady, if you have been guilty of that, please, in the Name of Christ, get away from it! It breaks you. It'll kill you... IT'S A CANCER BY THE CARLOADS.”*** (My Life Story, 19th April, 1959 in Los Angeles, California, page 26, from paragraph 7). I say these things with respect to Brother Jackson, for I am also a fruit of his ministry! Moreover, before my conversion, I was myself a fornicator, a prince of sinners; one who deserved nothing but death! And the prophet to this

age before his conversion was a potential murderer! His anger was so terrible and unforgiving, that he literally took a shot gun and lay in wait in the field, to snuff out (i.e. to kill), the children that had made fun of him! But as he pressed the trigger, the bullets were simply falling out, infuriating and frustrating the prophet, as the children screamed in utter terror, and ran frantically for their lives! And you know the prophet was a good shot (a good marks man)! Grace stopped the gun from firing!!! I say all that to say this: It was not the goodness of Noah that saved him, for Noah was a drunk! But **“Noah found grace”!** Grace is unmerited favour in the sight of God. It was not because of any goodness on Noah's part. It was just the sovereign grace of God. And today too, it is the same, whether you want to consider Brother Branham, Brother Jackson, or anyone else. We are not better than anybody else. It is just God's grace that makes the difference in our lives. No one can glory in himself. No one can! So, it was not because Noah was so good, so pure, so perfect. No! Bible says he found favour! That is grace! Because inspite of his fallen nature, God saw something in his soul, that could still listen to God, above all his peers. In his day, he had the best genetic constitution there was, and God knew he would listen, and do God's will, and on that account, God chose him. His choosing had nothing to do with being a pure Sethite. He was not

genetically pure! His nature was already polluted. That is what accounts for his bad drinking habit! Period!

We will now move on to consider the actual event that took place in Genesis 9, as it bears on the Input of Ham. Please follow me closely. Noah was asleep on the floor, under the effects of a drinking stupor. But you know the person that came into the tent, to see him in that naked pathetic state was Ham. Hold it there. Who is Ham? The progenitor of the black race! He is the father of the African race! I will give you the Scriptures, because Ham produced the African race, in the main! It is written in Genesis 10 verse 6: **"And the sons of Ham; Cush"** (Ethiopia), **"and Mizraim"** (Hebrew word for Egypt), **"and Phut** (Libya), **"and Canaan."** And from these sons of Ham came all other African nations. Psalm 78:51 declares that God: **"Smote all the firstborn in Egypt; the chief of their strength in THE TABERNACLE OF HAM."** That is written, that we may know without a shadow of doubt, that Egypt is in Africa! Egypt is part of Africa! The Egyptians may call themselves Arabians, but they are not! It is the Islamic religion that binds them together with the Arabians, but they are Africans, whether they like it or not. They are not Arabs! They are Africans! Psalm 78:51 confirms that! Arabians are strictly from the line of Shem. Psalm 105:23 also declares: **"Israel**

**also came into Egypt; and Jacob sojourned”** (Where?) **“IN THE LAND OF HAM!”** That is in Egypt! Three is a witness, for out of the mouth of two or three witnesses, shall the truth be established. I will give you one more witness. It is also written in Psalm 106:21-22: **“They forgot God their Saviour, which had done great things in Egypt; Wondrous works”** (Where?) **“IN THE LAND OF HAM, and terrible things by the Red sea.”** That is Africa, which is the **“tabernacle of Ham”**, the father of the black race. Ham is the father of all Africans. He is the progenitor of the entire Negroid or black race. Now listen saints. When Noah was drunk, one of his sons came into the tent, and saw him. Mrs Noah was not there at all, because Mrs. Noah was not the one that planted a vineyard, and Mrs. Noah was not the one that drank. So surely, since it was not Mrs. Noah that was drunk, neither was she the one that was covered up. The person who was later covered up within the tent, was the same person who was initially uncovered! But Richard Gan says it was incest Ham committed with his mother, and he would not be moved from his warped projection! But Mrs. Noah was not even in the picture at all! We just read Genesis 9! **Noah was even already uncovered before Ham saw him!** And Mrs. Noah was not in the picture at all! So, how can anyone possibly see incest in this scenario? What a wild imagination people

have! I have to say, men are desperately trying to show they know something, and that they have something, when there is nothing; they are desperate to have a revelation. Instead of following Brother Jackson, the chief apostle, in the continuity truth he bore, and allowing that man to bless their soul with truth, they want to be a big shot. And who can deny it, they are big shots today; But on what basis? On the basis of so-called revelations that amount to mere wind, for they are nothing, having no Scriptural base.

So Ham came in, and what did he see? He saw his father lying naked (i.e. uncovered) in his tent, dead drunk, and he made fun of his father's pathetic situation. He forgot his daddy is a prophet, the prophet to that generation! Oh my! Let me say this. I know it is sometimes difficult to sever family from ministry, but family have to look beyond family ties, and see what God is doing, and honour something, on account of God, and not on family basis. Moreover, we cannot make the church of God a family affair, as to deny other children of God the opportunity of service to God. And neither can we bring family sentiments into the church, as to disrupt the programme of God. The fact that somebody is your father, or your husband, or your son, or your brother, shouldn't make you forget the ministry of the Lord he is bearing. Ham should have realized that! Noah was

more than just being his daddy! He bore God's voice for that day! That was the prophet of the hour! He bore the revelation of God for that day! But Ham started making fun, saying all sorts of nonsense about his dad, in his drunken state. He should have shown respect and reverence! And his dad was drunk, too drunk, to even know what was going on, but do not forget, he was a prophet! Because the Bible says, when Noah came out of his drinking stupor, he knew what his son had done. How? By revelation! Watch. So Ham saw his dad's nakedness, and he did not close his eyes, in respect and pity. Instead, he was making fun. Oh, what a lack of respect for his dad who bore the standard of the truth of God. So it was disrespectful to God! I have also heard precious brethren call their dad or dad-in-law by name. What a shame! What gross disrespect! We should know what is right and acceptable, as God's children. Saints of God, the issue is this: Ham subsequently went out of the tent, to inform Shem and Japheth, as verse 22 confirms, and as he did so, he was still making jest of his dad's nakedness, expecting the same reaction from them! You have to read between the lines! But when his two brothers, Shem and Japheth, heard it, they did not find it funny. They had enough love, sense, and respect! They did not find it funny at all! And I believe they must have rebuked him, saying: *"You should be ashamed of yourself, talking about*

*our daddy like that!*” And Richard Gan says it was Mrs. Noah that Ham committed incest with. But immediately these two brothers heard what Ham related to them, Japheth and Shem went to take a large piece of cloth, to cover something. And when they were about to enter that tent, they did not go face forward, because they did not want to see what Ham saw and ridiculed. So, one held the edge of the cloth, and the other held the other end, and they went backward. They went backward, and covered something. Mr. Gan, I ask you: Who was covered? And what was covered? **If it was incest Ham committed with his mother, how could they have covered that? Just how do you cover incest?! And moreover, how come it was Noah that was covered?! It should have been Mrs. Noah to be covered!** But they covered Noah! So, I ask: What has that Bible account got to do with Mrs. Noah? And when Noah came out of that drinking stupor, or out of that drunken state, he knew what Ham had done to him, making fun of his loins! **And by inspiration, he also cursed Ham's loins! He cursed his loins in return!** He cursed Canaan, who was only a seed in the loins of Ham, and was later to be the fourth born, because Cush was Ham's first born! Think of it! That lets you see that that curse was pronounced under divine inspiration! The divine pronouncement lets you see just how God hates things like that, even as it is

written in Habakkuk 2 verses 14&15: **“Woe unto him that giveth his neighbour drink, that putteth thy bottle to him, and makest him drunken also, THAT THOU MAYEST LOOK ON THEIR NAKEDNESS! Thou art filled with shame for glory: drink thou also, AND LET THY FORESKIN BE UNCOVERED: the cup of the Lord's right hand”** (i.e. judgment) **“shall be turned unto thee, and SHAMEFUL SPEWING shall be on thy glory”** (That is, it shall cover thy glory). God looks at such acts seriously. But this is where I am going. Please, do not limit that curse just to Canaan, and tell me that Ham himself did not bear any responsibility. He had to pay a price! You have to see that! Yes, it was his loins that was cursed, but he had to pay a price himself! And that is why today, his children are naked: They go naked! The children of Ham are naked, from Africa to South India. But go to the white race, you would not see an old white lady, I do not care how old she is, without clothes on. They put on clothes! It is our women (African women), our old women, in the market places and villages, that have all their breasts hanging out in the open, with no bra, and with no shame. Children of Ham! I do not say this to belittle my race, but that is the truth! Simply ask yourself, Why do they still go naked in this modern day? It goes back to what Ham did that day, by making fun of his naked father!!! You have to see it! And when you look

at the door of the houses of the children of Ham, you see in the doorway of their houses, all their children standing naked, and running naked in the streets. Children of Ham! You would not see the white people do that! You would not see their children running naked in their compounds! You will never see that! Except if they are on the beach or in a swimming pool! Yes, I know that in itself is a horrible and shameful thing to do, being abominable, but it is confined to the beaches, swimming pools, and such areas, except you are also looking at the nudist colonies, establishments of Satan, which Japheth has put in place, which reduces man to his lowest estate! But Ham's race, Ham's race, they are naked everywhere! In the front of their houses, they sit in chairs, and all they have is a wrapper (a piece of cloth wrapped round their body), and their breasts hanging down flat and lifeless and bare, and they keep it like that. What a shame! What a shame! They do not mind even if their bra is hanging down, and you are seeing three quarters of their breasts. They have no shame, and they do not think anything of it! And some of you, you know you have to struggle with mama or grandma visiting from the village. When they sit in your living rooms, all they wear is that wrapper round their waist, with probably only a bra on top. You would have to ask them to dress up and appear decent. You would have to! You have to! They will carry that same mentality

from the village into your home, when they visit you. And as bride saints, with a knowledge of the truth, why would you not tell mama: *You can't do that! And if you want to dress like that, you must go into the bedroom. Stay in the bedroom!* Today, the children of Ham are naked. From North Africa, to South Africa, there is nakedness all over Africa. Thank God for the white man who came to give us clothes! Thank God for the gospel and the civilization they brought! And please swallow your pride and accept truth, for I have no time for carnal sentiments, knowing that I am an African myself! And I take pride in whom God has made me, knowing that my real identity is in Christ! But what were we doing before the white men came? We had only what is called "*lbante*", that is, only a little wrap around our waist. We also had a spear in our hand, and we painted our faces, as we hunted for animals, worshipping all sorts of devils! You know what? That is why the white people, when they come to Africa, that is what they want to see. That is why many of them still believe we swing from tree to tree. On one of my trips to the United States, I was asked, "*Will you bring a monkey for me?*" I should have said, "*I live with monkeys, and if you check my luggage, you will see a monkey there. That is how close I am to monkeys!*" And another brother, a fellow ministering brother, an African-American for that matter, once asked me, seeing me behind the wheel of a car in

Calhoun: “So you drive?” I should have told him, “No, we don’t drive. We swing from tree to tree.” That is how ignorant some people are! As bride saints, you must know what is befitting, and what is required of you, much enough to know when your loved ones come, you do not condemn them, but also, they must have enough respect for your home. But when you live a life of compromise, and you do not let your family know what you believe, and what your stand is, what you will accept, and what you will not accept, and stand firmly, they will come to your house and rubbish it, and God will judge you for it. But when they know what you believe, and that you are not going to compromise it for nobody, when they come, they will respect the sanctity of your home. They will not bring strong drink, like whiskey and brandy, into your home. And neither will they smoke in your home, to defile it. So when they are coming, they are coming, brothers and sisters, to honour your home, for the duration of their stay. Because there is no family member, I do not care how old they are, that would come to my house, and spread out all their nakedness shamelessly for the world to see. You know they would not be allowed to come to my house! All that is a reality we are faced with today. It is a reality the entire race of Ham, and not just Canaan alone, is facing! And Noah cursed **Canaan**, and said in essence: “**You will be a servant, both to Shem and Japheth.**” And then you

want to tell me Ham himself bore no responsibility for his actions! Where do you see that in the Bible? You say, “*Well, when God judged Adam, God cursed the ground, not Adam, for his sake.*” But I ask: How come Adam sweated just to eat bread? And how come his race is sweating profusely today, just to sustain his belly? And you say Adam did not bear any responsibility! He did not bear what? Is it only the earth that is bearing responsibility? Who is bearing the effects of a cursed earth? Is it the ground that is suffering or man? That is why you and I, brothers and sisters, toil endlessly to earn a living! And that is precisely the condition we face in the African race today. There is no development. The more money they receive from abroad as aid, the more the leaders loot the treasuries of the nations. There is not enough aid that can help Africa out of its misery, because the root cause goes deeper than people think. And that is why in Africa, from one country to the other, they are crying for aid. Poverty has smitten the race of Ham: Poverty, whether by an act of man, or by an act of nature. All we have is a visionless leadership across the Continent, incurable corruption, gross mis-management of resources, diseases, poverty, famine, and horrible, genocidal, inter-tribal wars, either for political, religious, or economic gains! And inspite of all these harsh and grim realities we face, you still want to say

Ham did not bear responsibility. I say to you, Open your eyes, and look at the tabernacle of Ham! What do you think is responsible, brothers and sisters, for the situation in Africa, and of the black race in general? Remember, it is not a situation prevailing in just one nation in Africa. It is the general picture of Africa, and of the black race all over this world, whether coloured or not; it is a general malaise. The black race all over the world are living in the same pathetic situation; a pathetic condition. Then you want to tell me Ham did not bear any responsibility, and it was only Canaan. "*Joko sibe!*" That is, sit down there, in your unrealistic world! You do not even know anything! That is why till today, our condition is what it is, although you must also realise, the sin of Ham in Genesis 9, is not the only reason, but that is one of the major reasons why our condition is the way it is. I do not say these things to belittle our race, the black race, knowing also, by the revelation of the Scriptures, particularly in Genesis 10&11, that the race of Ham once led the world in civilization, coming out of the flood, from the building of the Kingdom of Babylon, to the wonders of Egypt, civilizations whose existing ancient relics and archaeological findings, still constitute some of the wonders of the world, inspite of modern day engineering and technological achievements.

It is written in Genesis 10, from verse 6: **“And the sons of HAM; Cush, and Mizraim, Phut, and Canaan... And Cush begat Nimrod: HE BEGAN TO BE A MIGHTY ONE in the earth”** (A world leader in that era of time; a man having world acclaim, politically and militarily. Why do I add militarily? Because of what the next verse tells us:) **“He was a mighty hunter before the Lord”** (That is more than mere gaming or animal hunting! You are looking at a man that was a military genius, or a military general, in his days): **“Wherefore it is said, Even as NIMROD THE M-I-G-H-T-Y HUNTER BEFORE THE LORD.”** I repeat, you are looking at a military genius, a military general, a man highly skilled and most successful in military tactics, most feared and revered by all, even though for sports, he would have been a great hunter of animals as well. These two verses of Scripture, even if we had to stop here, though short, gives us a deep insight into the leadership position of Ham's lineage, over the whole earth, as it then was, coming out of the flood, for they led the way in virtually every aspect of human endeavour! I am going to prove it to you Scripturally. Come with me to the next verse: **“And the beginning of his kingdom”** (His empire) **“was BABEL”** (Which is Babylon), **“And Erech, and Accad, and Calneh, in the LAND OF SHINAR.”** That lets you know he founded the Babylonian Empire. Before we continue this account,

we will turn to chapter 11 verse 1, to see the extent of the power and the influence Nimrod had, that is of his leadership position, over Shem and Japheth: **“And the whole earth was of one language, and of one speech. And it came to pass, as THEY”** (The people of the earth, the seeds of Noah: Shem, Ham, and Japheth) **“journeyed from the east, that they found a plain in the LAND OF SHINAR”** (That is the area that became the kingdom of Nimrod, that is Babylon); **“And they dwelt there. And they”** (The whole earth in that day) **“said to one another, Go to, let us make brick, and burn them thoroughly. And they had BRICK”** (Not mud, but brick) **“For stone”** (That lets you see their advancement in that day, in structural engineering, and architecture); **“And slime had they for mortar. And they said, Go to, let us build us A CITY”** (Which city? Babylon), **“And A TOWER, whose top may reach unto heaven; and let us make us a name, LEST WE BE SCATTERED ABROAD UPON THE FACE OF THE WHOLE EARTH.”** Let me say this: All of them could not have come up one morning with the thought, or with the idea of building the City of Babel! It had to be the brain child, or the plan of one man, a leader! Somebody had to be the engineer of that plan! And it had to be somebody with tremendous influence! Somebody who had the plan, and who commanded tremendous respect, and who sold it to the people, and they all,

without exception, Shem, Ham, and Japheth, bought it, and went totally along with it. The Bible tells us they were solidly united as one in that plan! That man was Nimrod, the seed of Ham! It was Nimrod, Ham's grandson through Cush! You have to see a man with a dream, a man with a vision, **an earthly vision**, a man with a great influence, behind the entire project! Genesis 10:10 declares that Babel was the beginning of his kingdom! That was Nimrod! The only problem is, his dream and his project, was totally anti-the Word of God, anti-God's plan of creation, and that made the plan a carnal and an extremely evil one. It did! It was not evil simply to have built a city, but the objective, which was inspired of the devil, was to defeat God's plan of creation, for they sought to ensure they did not refill the whole earth, when God's commission to them was: ***“Be fruitful, and multiply, A-N-D REPLENISH THE WHOLE EARTH!”*** (Genesis 9:1; Genesis 1:28). But the truth is, Shem and Japheth were completely sold out to the carnal vision of Ham, that it literally became their own vision as well. Hence the Bible declares: ***“And THEY SAID ONE TO ANOTHER, Go to, LET US make brick.”*** It took God, using His angels, to put an end to the building of the tower of Babel, scattering them in the earth, by confounding their language. As such, from this scenario, one thing stands clear: The brain behind the building of the City and Tower, was Ham! It was

Nimrod, the founding father of Babylon! The political power and influence of Nimrod, his military genius, his administrative and organizational ability, was very great. He was definitely a man highly respected and revered. Furthermore, it is also obvious that the lineage of Ham, in that era of time, possessed a great deal of knowledge of science, technology, architecture, engineering, geometry, astronomy, agriculture etc, to have been able to build cities, which were remarkably well fortified, with all the complexities of city planning, construction, and running, as well as its security, and also to come up with such a gigantic tower structure that it took God to stop!

It is obvious therefore, that Scripturally, Ham led the world in civilization, at the beginning of this world, that is, after the flood, for we are the ones who today are living at the end of that world. He led both Shem and Japheth in that civilization. But today, the West (Japheth), is leading the whole world in civilization, that is in terms of well structured and ordered political systems, social welfare, economic progress, military advancement, as well as being the world leaders, in the fields of science and technology. But in that beginning era of time, Ham led the way in the world, militarily, socially, economically, politically, and in the fields of science and technology, even as the Word of

God reveals. Let me show you something, for it clearly reveals the advancement of Ham above his two brothers. In Genesis 10, verses 6-20, the Word of God lays out the genealogy of Ham, showing also his achievements. But from verses 8-11, a picture begins to unfold. We have taken these verses earlier, but we will take them again: **“And Cush begat Nimrod: he began to be a MIGHTY ONE”** (A great leader) **“in the earth”** (i.e. in the world; a world leader). **“He was a mighty hunter before the Lord”** (speaking of his military prowess or genius): **“Wherefore it is said, Even as Nimrod the mighty hunter before the Lord. And the beginning of his K-I-N-G-D-O-M”** (or empire) **“was Babel, and Erech, and Accad, and Calneh, in the land of Shinar.”** (That is the area of modern day Iraq). **“Out of that land went forth Asshur, and builded NINEVEH”** (Which became the ancient capital of the Assyrian Empire, showing you that the original people of Assyria were Cushites, that is, they were the children of Ham, through the lineage of Cush, from Babylon, as Micah 5:6 vindicates, before the Shemites took it over, and the Hamites were later absorbed by the Shemites), **“and THE CITY REHOBOTH, A-N-D Calah, A-N-D Resen between Nineveh and Calah: the same is a G-R-E-A-T CITY”** (i.e. Resen City). In verses 19-20, it finally says: **“And the border of the Canaanites was from Sidon, as thou comest to Gerar, unto Gaza;**

***as thou goest, unto SODOM, and GOMORRAH***” (Two cities later destroyed by God). “...***These are the sons of Ham, after their families, after their tongues***” (Watch:) “***IN THEIR C-O-U-N-T-R-I-E-S, and in their nations.***” Their ability to construct and maintain cities, not villages, but cities, shows you Ham's established and ordered system of administration, commerce (economics), technological and structural engineering skills, literary skills, and agricultural capacity, for there is a reason why God inspired Moses to elaborate on the growth and civilization of the lineage of Ham, their rapid development. This chapter tells you the success story of Ham, but strictly in an earthly way, when you compare it with that of Shem and Japheth, in that day, thereby laying the foundation for the achievements of today, for which we owe Japheth credit. It does! They were city builders; structural engineers; scientists; astronomers; leading navigators, being the greatest migrants, and who preceded Japheth in every continent on earth, where Japheth subsequently settled! That is a known fact! Comparatively, when laying out the lineage of Shem, from verses 21-31, the Spirit of the Lord, through Moses, simply tells us in verses 30-31: “***And THEIR D-W-E-L-L-I-N-G was from Mesha, as thou goest unto Sephar a mount of the east. These are the sons of Shem, after their families, after their tongues, in THEIR L-A-N-D-S,***

**after their nations.”** Two key words God used to describe the very simple and humble settlement of Shem, are: **“Dwelling”**, and **“Lands”**, because they were not a city people!!! You have to see that! It is the same way the Lord laid out the record of the simple and humble life of the Sethites, in contra-distinction to that of the Cainites, in Genesis 4! You have to see it! In the same manner, when laying out the lineage of Japheth, in verses 2-5, Moses simply declared: **“The sons of Japheth; Gomer”** (The Celtic family of Ireland, Wales, and Scotland, of Great Britain), **“and Magog”** (Russia) **“and Madia”** (Medes: Iran), **“and Javan”** (Greece), **“...and Dodanim. By these were the isles of the Gentiles divided in their L-A-N-D-S; every one after his tongue, after their families, in their nations!”** But look at the detailed description Moses gave of Ham's growth, who established kingdoms, from Babylonia, with its lavish palaces and hanging gardens, to the splendour of the Egyptian Empire! The key words revealing his state of advancement, being: **“Mighty one”**; **“Mighty hunter”**; **“Kingdom”**; **“City”**; **“a great City”**; **“in their Countries,”** as against that of Shem and Japheth: **“Dwelling”**, and **“Lands.”** In Deuteronomy 9:1-2, Moses confirmed the greatness of the lineage of Ham to Israel, when they were coming out of Egypt: **“Hear, O Israel: Thou art to pass over Jordan this day, to go in to possess NATIONS, G-R-E-A-T-E-R**

**AND M-I-G-T-H-I-E-R than thyself, CITIES GREAT AND FENCED UP TO HEAVEN.**" And do not forget the great city of Jericho. **"A PEOPLE G-R-E-A-T and tall, the children of the Anakims, whom thou Knowest, and of whom thou hast heard say, WHO CAN STAND BEFORE THE CHILDREN OF ANAK!"** Because they were awesome warriors, military giants! Genesis 10:13-17 also lays out some of these warrior nations: **"And Mizraim begat Ludim, and Anamin, and Lehabim, and Naphtulim, And Pathrusim, and Casluhim, (out of whom came Philistim,)"** that is the Philistines, **"And Caphtorim. And CANAAN begat Sidon his firstborn"** (The father of the Sidonians; the Phoenicians), **"and Heth"** (The forefather of the nation of the Hittites), **"and the Jebusite"** (whose Jebusite city, later became known as Jerusalem), **"and the Amorite, and the Girgasite, and the Hivite, and the Arkite, and the Sinite..."** Remember, all these people were great warriors, warriors whose fame and stature caused the heart of the ten elders of Israel Moses sent to spy on the land of Canaan, to melt, and which caused them to bring an evil report of the land, because of the great fear they had of the lineage of Ham, the original inhabitants of the land of Canaan. In 2Chron. 16:7-8, prophet Hanani rebuked the king of Judah, king Asa, for relying on the king of Syria for military support,

saying: ***"...Were not the Ethiopians and the Lubims a huge host, with very many chariots and horsemen? Yet, because thou didst rely on the Lord, He delivered them into thine hand..."*** This clearly reveals the military strength of Ethiopia in those days. We can say the same of Egypt in the days of her glory. But as God helped Israel to prevail over them, so did He help Israel to prevail over the Canaanites, for God alone makes the difference, in any and every situation, and in any and every matter. Moreover, I want to remind you also of the Hittites and the Phoenicians, who were great merchants, and with whom the nation of Israel, and indeed the nations of the world, traded. They were all Hamites, in their origin.

Saints of God, you have to see that in the beginning of this second world (the first world having been wiped out by the flood), Ham was blessed of God, for he definitely led the world in virtually every area of human endeavour, and were as such pioneers, being way ahead of Shem and Japheth. That is a Scriptural fact! We must not also forget the civilization of Egypt, their advancement in science, astronomy, technology, agriculture, irrigation, chemistry, writing, art, literature etc. They gave the world the papyrus, the ancient writing paper, which was the first form of writing paper. Moreover, they were able to construct

the pyramids, such a huge structure, and no matter where the sun is positioned in the sky, in relation to the pyramid, the pyramid does not cast a shadow! Their knowledge of mathematics, geometry, and astronomy, is simply amazing! And with all our advancement in engineering technology, the pyramid remains till this day, an engineering feat! The science of embalming the dead they possessed, and the grandeur of the Egyptian mummies, is one of the arts of Egypt that fascinates the western world till this day. There is no doubt, that Ham in his beginning, was not what he is today. And you must realise, that as God is behind the prosperity of Japheth today, so also is God the one that put a cap to the prosperity of Ham. And there has to be a reason why God stifled the developmental capacity of Ham, which is the reason why he retrogressed (or went down) incredibly, developmentally, that is to say, socially, economically, politically, militarily, and scientifically. You have to see that, because he led the world in civilization, coming out of the flood. He did!

The material question therefore is this: Why was his development or growth reversed? **Here you have to see the dark side of Ham.** When you read the accounts of the Bible, and historical records, you must realise that the lineage of Ham crossed a line, for they went into the depths of Satan, so-to-say, for

they went into extremes in riotous living, perverted lifestyles, as we see in the cities of Sodom and Gomorrah, in devil worship, and in abominable and very dark religious practices, human sacrifices, etc., and God had to judge them for it. We can say that of the Babylonians, the Egyptian kingdom, and of Africa generally, as well as of the Canaanites, even as God revealed to Israel in Deuteronomy 9 verses 3-6: ***“Understand therefore this day, that the Lord thy God is He which goeth over before thee; as a consuming fire He shall destroy them, and He shall bring them down before thy face: so shalt thou drive them out, and destroy them quickly, as the Lord hath said unto thee. Speak not thou in thine heart, after that the Lord thy God hath cast them out from before thee, saying, For my righteousness the Lord hath brought me in to possess this land: BUT FOR THE WICKEDNESS OF THESE NATIONS THE LORD DOTH DRIVE THEM OUT FROM BEFORE THEE. Not for thy righteousness, or for the uprightness of thine heart, dost thou go to possess **THEIR LAND**: But for the wickedness of these nations the Lord thy God doth drive them out from before thee, and that He may perform the word which the Lord sware unto thy fathers, Abraham, Isaac, and Jacob. Understand therefore, that the Lord thy God giveth thee not this good land to possess it***

**for thy righteousness; FOR THOU ART A STIFFNECKED PEOPLE.**” Again Moses records in Deuteronomy 18, verses 9-12: **“When thou art come into the land which the Lord thy God giveth thee, thou shalt not learn to do after the A-B-O-M-I-N-A-T-I-O-N-S of those nations”** (The Canaanites; the lineage of Ham). **“There shall not be found among you any one that maketh his son or his daughter to pass through the fire, or that useth divination, or an observer of times, or an enchanter, or a witch, or a charmer, or a consulter with familiar spirits, or a wizard, or a necromancer. For all that do these things ARE AN ABOMINATION unto the Lord”** (For that is how God looks on them. Now watch): **“AND BECAUSE OF THESE ABOMINATIONS THE LORD THY GOD DOTH DRIVE THEM OUT FROM BEFORE THEE... For these nations, which thou shalt possess, hearkened unto observers of times, and unto diviners...”** It is exactly the same way God used the Americans to drive out the native Indians, the original inhabitants of America, for their abominable pagan religious lifestyle. And it is the same way God used Britain to judge the Aborigines of Australia, and the Maoris of New Zealand, for their dark pagan religious way of life. Moreover, when you read historical records, Nimrod also led the people in devil worship, and in dark occultic practices and rituals, to the extent

that when he died, he was held out as a god, the sun-god, or Baal, starting the worship of the sun-god, or Baal worship, which spread throughout the earth from Babylon, thus becoming the first proto-type of the man of sin, the anti-christ of the end time, who would make himself God, and demand worship. Remember, he was called, "**Nimrod, the mighty hunter before the Lord.**" And although that title shows his military prowess, it also reveals the idolatrous level to which he had been lifted, for the title itself constitutes a deification of Nimrod, just as the Caesars of Rome. Furthermore, his wife, Semiramis, who also was worshipped as a goddess, the queen of heaven, Diana, named her child, Tammuz, the son of the sun-god, giving the world a mother-and-child god religion. And from Babylon, idolatry literally spread to the whole world, and here we see the first impersonation of the Son of God, Jesus Christ our Lord, by Tammuz, as orchestrated by Semiramis. Nimrod was also very autocratic, and extremely wicked, notwithstanding his impressive achievements, for abominable things in God's sight did he do. And even now, Africa as a whole, is still stooped in voodoo, and idolatry. And we can say the same of India and the West Indies, as well as the native Pacific Islanders. It is the spread of the gospel that has made the difference in the African Continent. That is the truth! But we must also realise, pathetically, that witchcraft, psychic mediums,

hypnotists, people with familiar spirits, satanists, grand lodges, wizardry and magic, sorcery, wife swapping, pornography, rape, child molestation (pedophilia), sadists, violence, extremely violent gangs, murder, serial killing, are on an incredible rise in the western world today, for these abominable lifestyle have taken over the nations of Japheth. That is why demonic books and films like Harry Potter sell like hot cakes, in billions of dollars, as people are rushing in their droves to purchase them. Moreover, the immoral condition of modern Japheth, has definitely overtaken that of Sodom and Gomorrah, with their legalized gay marriages, and their open perverted lifestyle, where homosexuality and lesbianism have become the order of the day, and the publicly acceptable way of life of a people, whom God blessed, and who have now become more or less, God haters. And that is precisely why the western world (Japheth), will rally the whole world to fight the physical and visible return of Christ and his bride, under the leadership of the Pope of Rome, as revealed in Revelation 17 and 19. And I have to say this: As God judged Ham, so will God judge this present evil world, a world where criminals, gays and sexual perverts, rapists, and what-have-you, have more rights, and are more protected by law, than the law abiding citizens. You have to realise the western world is fast going down the drain, just as pagan

Rome, and will soon be history, as God's fire is coming to purge everything, at the end of Daniel's Seventieth Week. **You have to accept, Japheth today has become predominantly pagan, and is precisely in the shoe of Ham back then, and in fact, worse, with all these abominable tattooing and body piercings, godless and shameless body make-overs (i.e. cosmetic or plastic surgery, which is done, not in order to save life, but to merely redesign their bodies), cloning for human parts and designer babies, trans-sexualism (people who change their sex by surgical operation), which Japheth has taken on big time.** Moreover, when you consider THE TOWERS (Sky Scrappers), Japheth is building today, like the twin towers (The World Trade Center), which terrorists destroyed, towers that reach up into the sky, and their elaborate and money guzzling **space programmes**, which God will definitely destroy, you have to realise, the motivation they have for doing these things, is the same motivation Ham had, which is to **make a name** for themselves, as they compete with one another, to see who can go the farthest, into heaven (i.e. into space), as they seek for an alternative dwelling place, other than planet earth, which they have defiled and destroyed! But in spite of all the evil and abominable deeds the lineage of Japheth is committing today, you cannot deny the advancement of Japheth, so can you not deny the early advancement of Ham, in

that hour of time in Genesis. You cannot! Moreover, I will tell you now, God loves Ham! He does! And that was why Ham prospered greatly in his beginning, inspite of the curse. And I have to ask: Why was Canaan cursed, and not Ham himself? It was for the very same reason why God cursed the earth for Adam's sake! And for the same reason why David sinned, by numbering the people, and God wiped out other Jews because of it! The same reason why Solomon sinned, but Rehoboam, his son, paid the bill! That should let you see the love of God for Shem, Ham, and Japheth, three seeds God used to begin this present world, after the flood! But you also have to remember, the love of God does not take away human responsibility. It does not!

As such, we have to realise that the travails of Ham, goes beyond what he did that day to Noah, in Genesis 9. But it is in Genesis 9, you see the curse pronounced on the seed of Ham. But that sin in itself, is obviously partly responsible, for Ham's present day condition, particularly when you consider his nakedness. And regardless of our feelings, as bride saints, we must be able to see and accept the truth of God! **At the beginning of that world, coming out of the flood, Ham made fun of his naked father. And today, at the end of that same world, the race of Ham is naked.** That is undeniable. And if Ham is to be naked, bearing

the same reproach he placed on his own father, then, the social, political, and economic conditions of the African race, must warrant it, inspite of the rich and very vast mineral resources the continent of Africa has been blessed with. You have to see it! But thank God for Jesus Christ! I said thank God for Jesus Christ, whose love reached down to us, lifting us up, and giving us a hope, and a place, in the beloved (i.e. Christ). Christ is everything to us. Amen.

## **ALL HAVE SINNED**

Having laid out the sin of Ham, let me also say this, and please get it straight, for we must be able to look at the various races that make up the body of Christ, with a balanced Scriptural sense of understanding. Having closely examined the curse placed on Ham's posterity, let me say clearly and firmly: The curse on Ham's loins (That is, on his posterity), and whatever he may have suffered, and whatever his condition was, or that of his posterity, has nothing to do with salvation. I repeat, his curse and condition, has nothing at all to do with salvation. A ministering brother, Mike Hefner, the pastor of the church in Montgomery, Illinois, told Brother Alvin Suggs, an apostle of Jesus Christ for this day, based in

Calhoun, Georgia, USA, that Ham cannot be an apostle, and as such he cannot bear the standard, because Ham is cursed. Before I deal with this issue (**That is with Ham's apostleship**), I want to say one or two things concerning the attitude and stand of Mike Hefner towards me, when Brother Jackson was still on the ground. He is a brother that loved the ministry God gave to me. I have gone to Montgomery many times, by God's grace, and God has used me as a blessing to his people, in the various meetings I have been used of God to hold in his church. He has talked glowingly about the supernatural manifestation of the angel of the Lord in my ministry, more than I ever did. You have to see the length he goes to, and the good things he says, concerning my ministry from his pulpit. Sometimes, he would say: *"Brother Amos, you have a bigger ministry than me."* I am not the one who said that! I am only telling you things he said! And my precious wife is a witness to these things, because I do not travel in the ministry without her being at my side. After Brother Jackson's burial, we were in Montgomery for a week, in December of 2004, and I took a series of meetings. There, I took a chart we used during our Convention, in November 2004, when I preached a message titled, "God In Laodicea." But I added something to it in Montgomery. Brothers and sisters, right after my

message, he confessed before his assembly, after that final service, he said, *“Brother Amos, I couldn't say Amen. I did not know those things.”* He asked: *“Is it okay if I take this chart and continue the message, and add those details you've just shared?”* I said that was fine. He later phoned me from the United States, and said, *“I have added those things on the chart, and used it to teach the people, Is it okay?”* I said, *“Brother, ride on!”* This is a brother who talked about who would be the next standard bearer, after Brother Jackson passed away, and he told myself and his church: *“It is between Brother Amos and Brother Govender.”* He finally concluded that Deva Govender had certain factors that mitigate against him, factors which I would not mention here. What a revelation! Saints of God, that is a brother that today, because Brother Jackson is dead, and because things went the way they went, he is now preaching that Ham cannot be an apostle, because they are cursed. That is what he told Brother Suggs! Brother Suggs told me that himself, whilst we were in a restaurant! And as such, the following night, 5th November, 2005, I took a message in Calhoun, titled: The Input of Ham. It is that message that forms the inspiration for this book: **The Input of Ham**. I was forced to take that message, because men are preaching

that Ham cannot bear the standard of the continuity light of Jesus Christ, because Ham is cursed. They say that the John of today, the lead apostle, the standard bearer, cannot be from Ham. **That is the issue we want to consider.** That is my main reason for preaching this message in Calhoun, Georgia, and for writing this book.

I have to say this: When a man does not have a true focus, and a true understanding, and a pure heart, he will see double. He will see men like trees. He will see double, and by the time he sees double, and he brings out that which he thinks is a beautiful revelation vindicated by the Word, he only shows his foolishness to the bride. I say that with respect! But I want you to know this for a fact: Every man who is not standing faithfully for truth will be divested. He must be! And there is no compromiser that will be used in this last move, and in this critical hour, for the bride of Christ. Every humpty-dumpty sitting on a wall must have a great fall! You must note that, for we live in a most serious hour of time. Firstly, I will say this: The curse on Ham is not as much, and not as serious, as the curse on Israel, which is Shem. I repeat: The curse on Ham is not as serious as the curse on Israel, as laid out in Deuteronomy 28, from verse 15 to the very end! **Read it!** The curse on Israel, on account of her adulterous ways, is more grievous, one hundred times over and

above that of Ham, but salvation still came to Israel! And inspite of that, God still used her to give us the oracles of God, for salvation is of the Jews! So says the Word of God! Think about it! What does that tell you? The curse in Deuteronomy has nothing to do with the gospel of salvation! Nothing! Nothing! Nothing! Yet, that curse still remains, but that decree shall be far removed in this hour, an hour when God will favour Israel. That curse will be lifted, in the coming hour of the miraculous. So that lets you see that the curse is even still there on Israel, but for the purposes of the gospel, it has no effect on seeds that would believe! I said for the purposes of the gospel, it has no effect on seeds that would believe! It doesn't, and I am going to prove it Scripturally! Moreover, if you want to consider the sins of the three main races of people, don't forget, Shem went into idolatry, and became idol worshippers. Even Terah, the father of Abraham, was an idol worshipper, and the Jews, when they were in Egypt, served other gods, inspite of the revelation of God unto Abraham, Isaac and Jacob, even as it is written: ***“And Joshua gathered all the tribes of Israel to Shechem, and called for the elders of Israel, and for their heads, and for their judges, and for their officers; and they presented themselves before God. And Joshua said unto all the people, Thus saith the Lord God of Israel, Your fathers dwelt on the other side of the flood in old time, EVEN TERAH, the father of***

**Abraham, and the father of Nachor: AND THEY SERVED OTHER GODS. And I took your father Abraham from the other side of the flood, and led him throughout all the land of Canaan, and multiplied his seed, and gave him Isaac... Now therefore fear the Lord, and SERVE HIM IN SINCERITY AND IN TRUTH: AND PUT AWAY the gods which YOUR FATHERS SERVED on the other side of the flood, AND IN EGYPT; and serve ye the Lord.”** (Joshua 24:1-3, 14). That was why the Israelites pressured Aaron into making them a molten god, when Moses went up on the mount to collect the Ten Commandments! Moses rebuked them for their love for idolatry in Deut. 9: 6-24! And when you read the history of Japheth, with their druids (priests), witches, occultic practices and rituals, human sacrifices, lodges, and literal Satan worship, you have to agree with the Scriptures, that indeed, ALL HAVE SINNED, and all have fallen short. Amen. That is absolute truth, and there is no one in his or her right mind that can contest that, because apostle Paul had to marvel at the extent of the idolatry that went on in Greece, when he got to Athens, in Acts 17, not to talk of the gross idolatry of pagan Rome, particularly under the Caesars! Moreover, Japheth today is predominantly pagan! That is a fact, for you cannot take away human volition and spiritual responsibility! You cannot!

In Roman 3:9-23, the Scriptures declare: “... **Are we better than they?**” (In other words, Are the Jews better than the Gentiles? Paul answered it). **“No, in no wise: For we have before PROVED BOTH JEWS AND GENTILES, THAT THEY ARE ALL UNDER SIN; As it is written, There is none righteous, no, not one: There is none that understandeth, there is none that seeketh after God. They are ALL gone out of the way, they are TOGETHER become unprofitable; there is NONE THAT DOETH GOOD, NO, NOT ONE. THEIR throat is an open sepulchre; with THEIR tongues they have used deceit; the poison of asps is under THEIR lips: Whose mouth is full of cursing and bitterness: THEIR feet are swift to shed blood: Destruction and misery are in THEIR ways: AND THE WAY OF PEACE HAVE THEY NOT KNOWN: There is no fear of God before THEIR eyes... FOR ALL”** (Shem, Ham, and Japheth) **“HAVE SINNED, AND COME SHORT OF THE GLORY OF GOD; Being justified freely by his grace through the redemption that is in Christ Jesus: Whom God hath set forth to be a propitiation through faith in his blood, to declare his righteousness for the remission of sins”** (Which sins?) **“THAT ARE PAST”** (All past sins, of Shem, Ham, and Japheth), **“Through the forbearance of God...**

***That he might be just, and the justifier of him which believeth in Jesus***” (Whether Shem, Ham or Japheth). ***“Where is boasting then? It is excluded.”*** (Amen!) ***“... Is He the God of the Jews only? Is He not also of the Gentiles? Yes, of the Gentiles also”*** (That is, He is also the God of Ham and Japheth). Amen! Halleluyah! Elect bride saints, you must realise therefore, that it is an elementary principle of faith, that ***“All have sinned, and come short of the glory of the Almighty God.”*** “All”, inclusive of Shem, Ham, and Japheth. That takes in all their posterity; all their seeds! All have sinned, and have fallen short. ***“For there is none righteous, no, not one”***, whether you consider the race of Shem, Ham, or Japheth. But ***“their throat is an open sepulchre”***: They came to the world speaking lies. I just laid it out! It tells you all three main races, and all their posterity, are corrupt, and have fallen short. None is worthy of anything except death! As such, I want to tell you now, There is no spiritual virtue in colour, white, yellow or black. There is no spiritual virtue in colour. Saints of God, please do not look at colour, otherwise God will pass you by. In other words, do not use the colour of a man's skin, or his race, to determine your stand, or to determine spirituality. That would be plain carnality. Do not be racial in your outlook, no

matter the injustice you may have suffered on account of race. We have a glorious hope. Therefore, look for truth, and follow the light. We are talking of The Input Of Ham. The Bible says: ***“All have sinned, and come short of the glory of God.”*** King David, a seed of Shem said, ***“In sin did my mother conceive me.”*** He said, ***“I was born in sin and shapen in iniquity.”*** Psalm 51 gives you that! But that is Shem's line! Why? Because there is none that doeth good, none that is righteous, in Shem, Ham, or Japheth! All, without any exception, are concluded under sin, that salvation may be by grace! In 1 John 1:8, John says: ***“If we say that we have no sin, we deceive ourselves, and the truth is not in us.”*** And it is true, because it shows there is no righteousness in us, seeing that we make God a liar. Are you following me? Israel, the lineage of Shem, was cursed with serious and grievous curses, but she still bore the entire Bible oracles! Think of it! I say that because **you have to lay aside the curse, and see God's plan of salvation!** I said, you have to lay aside the curse, and see God's plan of salvation! Saints, let me lay a solid springboard to go into this message: The Input of Ham. Come with me to Galatians, for truth is not what you preach in the closet. As long as it is Bible, there is no man of God anywhere on this planet that can

tear it down. Nobody can, not with the Scriptures. And as long as it is the truth, I care less what people feel or think, because truth is not for the closet, because we do not preach these things to lift up the flesh of a race, but to project a truth. I said we do not preach this to lift up the flesh of a race, but to project a truth of God. When the Spirit comes, He will show us what God is doing. That is the promise of the Lord.

Look at Galatians 3:13. ***“Christ hath redeemed us from the curse of the law, being made a curse for us: for it is written, Cursed is every one that hangeth on a tree: THAT THE BLESSING OF ABRAHAM MIGHT COME ON THE GENTILES”*** (That the blessing of Abraham might come on the Gentiles), ***“THROUGH JESUS CHRIST; THAT WE MIGHT RECEIVE THE PROMISE OF THE SPIRIT THROUGH FAITH.”*** Apostle Paul is speaking here of the Gentiles. I ask: Who are the Gentiles? You are looking at none Jews! That is mainly Ham and Japheth! By God's Word of promise, God decided to make up the royal seeds of Abraham from the Gentiles, through Christ. Therefore, we are the royal seeds of Abraham through Jesus Christ. We are the ones that receive the promise of the Spirit by faith. So I ask again: Who are the Gentiles? That is both Ham and Japheth, in the main! It is not even Shem!

But there is an element of Shem that is ordained into the body of Christ, but predominantly, it is the Gentiles that make up the church, the bride church, which is Christ's body, his mystical body. It is a Gentile bride. It is a Gentile church. This is a Gentile dispensation of grace. The Word of God declares, ***“That the blessing of Abraham”*** (The father of the Jews) ***“Might come on Ham and Japheth!”*** Not just on Japheth, but also on Ham! Ham is ordained of God to partake of the blessing of Abraham! But don't forget, Abraham is also the father of faith, that is, he is the father of all faithful, through Christ. That is why God changed his name from Abram to Abraham, meaning, the father of many nations, and through him, all nations are to be blessed! Thus saith the Word of God! That is precisely why Paul declared in his epistle, thus: ***“That the blessing of Abraham might come on the Gentiles through Jesus Christ; that we might receive the promise of the Spirit.”*** Let us skip to verse 26 of Galatians 3, but first, verse 22 says: ***“But the Scripture”*** (But the Scripture) ***“Hath”*** (Past tense) ***“Concluded all”*** (Shem, Ham, and Japheth), ***“Under sin, that the promise by faith of Jesus Christ might be given to them that believe”*** (Whether Shem, Ham, or Japheth). That is why I said, when it comes to the issue of the gospel, do not talk to me of any curse precluding any race. That is absolute nonsense! Do

not bring in any curse! No, not on Shem, and not on Ham either, nor on Japheth. It has no effect or application to them that believe! It has none! Let that sink in! No effect, because everyone, Shem, Ham, Japheth alike, have all been concluded under sin. All have fallen short of the glory of God! All have sinned! There is not one that doeth good; none that seeketh God, but **“Their throat is an open sepulchre.”** Why were all concluded under sin? That the promise by faith of Jesus Christ might be given to them that believe, both Jew and Gentile, and that is, Shem, Ham, and Japheth! So I ask, WHAT HAS THE CURSE IN GENESIS NINE GOT TO DO WITH THE GOSPEL? Let us go on to verse 26 of Galatians 3: **“For ye are all,”** (Jew and Gentile: Shem, Ham, and Japheth), **“THE CHILDREN OF GOD BY FAITH IN CHRIST JESUS. FOR AS MANY OF YOU AS HAVE BEEN BAPTIZED INTO CHRIST”** (Watch), **“HAVE PUT ON CHRIST.”** There is no curse on you anymore, whatever race, as long as you believe! Paul continued by the Spirit: **“There is neither Jew nor Greek.”** Therefore, there is neither Shem, nor Ham, nor Japheth. We are all one now. There is no distinction for salvation. None at all! The Bible clearly says here that there is no more distinction for salvation, for that is what it means. There is no more difference before God, for salvation, whether you

are a woman, or you are a man, whether you are bond, or you are free, whether you are rich, or you are poor, whether you are white, or you are black, whether you are Shem, or Ham, or Japheth, there is no difference. God does not look at race or skin colour, as long as you believe, you are accepted. That is absolute unquestionable truth. It is perfect truth. Verse 28 lays out the infallible truth of the oneness of the body of Christ. It states unambiguously (That is clearly): ***“There is neither Jew nor Greek, there is neither bond nor free, there is neither male nor female: FOR YE ARE ALL ONE in Christ Jesus.”*** Why? The middle wall of partition that separated Shem from Ham and Japheth (the Gentiles), have been broken down! (Eph.2: 11-19). And if God tore down the middle wall that separated Shem's line from the Gentiles, how dare any man put a wall between Ham, Japheth, and Shem? That is nonsense! Whoever does that does not know his Bible, because THIS HAS NOTHING TO DO WITH THE SOCIAL OR ECONOMIC CONDITIONS OF PEOPLE. It does not! No wonder apostle Paul retorted: ***“Now the end of the commandment is charity out of a pure heart, and of a good conscience, and of faith unfeigned: From which some having swerved have turned aside unto vain jangling; Desiring TO BE TEACHERS OF THE LAW;***

**UNDERSTANDING NEITHER WHAT THEY SAY, NOR WHEREOF THEY AFFIRM”** (1 Timothy 1:5-7). **“Ever learning, and never able to come to the knowledge of the truth. Now as Jannes and Jambres withstood Moses, so do these also resist THE TRUTH: Men of corrupt minds, reprobate concerning the faith. BUT THEY SHALL PROCEED NO FURTHER: For their folly shall be manifest unto all men, as theirs also was”** (2 Timothy 3:7-9). Saints of God, there is no race or colour you can look down upon, and there is none you can lift up. Christ gives us all hope, and is a leveler of all races and colours!

At first, I was not going to preach on The Input of Ham in that first meeting in Calhoun, because I did not want to be misunderstood. But when I heard what Mike Hefner said about Ham, I said I would put the issue on the spot. That is how the Lord got me to preach it, for He ordained that I preach it abroad as well, knowing that truth is not for the closet, but for the bride Universal. It is a crucial message, as it opens up God's plan and move, at this closing hour of time, for the bride of Christ. Sometimes, it is good to listen to some of the things these men peddle. It only makes you appreciate the grace of God. As such, we do not tell people, *“Don't listen to this, and don't read that.”* Read anything! Once you know the

truth, what can move you? Truth is the anchor! Truth is the stabilizer! And if you do not know the truth, something must move you somewhere, even if we say, *"Don't read."* Something must blow you away, if you are not meant for this way. And even if you do not read something, that does not mean you have a true revelation in your soul! It doesn't! Revelation is a stabilizer. It is an anchor. **THE ONLY WAY TO KEEP A PEOPLE FROM THE DEVIL, IS TO ARM THEM WITH TRUTH.** There is no other way to keep God's people, but to arm them with truth. With a true revelation in your soul, as a bride saint, you would see through any deception. Why? Truth always shows out darkness! Moreover, You are an eagle! Your eagle eye must see! You must see! It is because most people following the message are not eagles, that is why they are afraid. So we do not need to say, *"Don't read this."* We do not do that in true bride assemblies. Read the books of Richard Gan; Read the books of Ewald Frank; Read the books of Ben Howard; with truth as your yardstick, you will see their errors. I say that humbly and with respect, for I have the books of these men myself. Why would I then say, *Don't have it?* But I know where I stand, and you should know where you stand, as a bride saint. You should! It is not because we are smart. It is the grace of God, and we thank Him for His favour. Halleluyah! Ye are all one,

whether Shem, Ham, or Japheth; ye are all one. The middle wall of partition has been broken down, irrespective of our past or culture. And God has made through the body of Christ, one new man, out of this twain, Jew and Gentile. I ask again, Who are the Gentiles? Ham and Japheth! And if God has made through the cross, when Christ was slain, one new man, out of these twain nations, how can any man look in the gospel, and preach race? That would be overturning the Scriptures, and God's plan of salvation. That would be bringing division within the body of Christ. Jesus Christ is offered freely by God to as many as would dare to believe. Anybody who preaches otherwise needs to sit down and learn some basic gospel! He needs to! He needs some lessons in basic gospel! Yet, men think they have a revelation, a revelation they should be recognized for. Or what else would motivate men in the ministry, to see the Universal gospel of Christ, and the Universal body of Christ, and conclude that Ham's race is cursed, and so we cannot produce an apostle. Paul continued in verse 29: ***“And if ye be Christ's, then are ye Abraham's seed.”*** Oh my! Whether you are Ham or Japheth! And if ye be what? ***“Christ's, then are ye”*** (What?) ***“Abraham's seed, and heirs according to the promise.”*** ***“For God so loved the world, that He gave His only begotten Son”*** (John 3:16), ***“that***

**whosoever,”** Ham, Shem or Japheth, **“believeth in him should not perish, but have everlasting life.”** For **“He came unto His own”** (Shem), **“and His own received Him not. But as many as received him, to them gave he power to become the sons of God”**: As many of Shem, Ham, and Japheth that believe (John 1:11-13). Halleluyah! We will now go to 1 Corinthians 3, for the gospel of Christ is a leveler. I said it is a leveler, because it makes of one body, all races of people on earth, of all those who dare to believe. And out of all these races, God is getting a bride for Christ, and all of them are part, or members of one indivisible body, a holy nation, the nation of the bride. So, where is the curse coming from, to belittle or disqualify any member of the body of Christ? No curse holds on the body of Christ. That is settled, and that should settle it for anyone reading this book, if it is truth you are really looking for. That is that.

## **PARTNERSHIP WITH GOD**

1 Corinthians 3, talks about the building of the church. Apostle Paul talks about those God uses in this building, the builders, that is the ministry. That is the Ephesian ministry. Verse 9 states: **“For we are LABOURERS TOGETHER WITH GOD: Ye are**

**God's husbandry**" (And ye are also God's what?) **"Ye are God's building."** But who are the people that God uses to work on this building? The labourers! It stands true, therefore, when we say it takes their input under God, and by the Spirit of God, to build the church of the living God. And who are the labourers? The ministry, the Ephesian ministry! You are looking at the five fold ministry! Paul says men in the ministry, are labourers together with God. What does that give you? **Partnership!** Partnership with God! That God chose to make men partners with Him, in His work of salvation, in His plan of redemption, is most wonderful. That is very humbling. What a great privilege! What a love! No wonder the Psalmist said, **"When I consider thy heavens, the work of thy fingers, the moon and the stars, which thou hast ordained; What is man, that thou art mindful of him? And the son of man, that thou visitest him? For thou hast made him a little lower than the angels, and hast crowned him WITH GLORY AND HONOUR..."** (Psalm 8:3-6; Heb. 2:6-7). God so much loves us, that He decided: *"I will share this work of redemption with man."* So He elects a cream of people to bear this gospel message, that the beauty and the glory of God may be revealed in all His children, because God is good towards all His children. Saints of God, why do I go into that? It is

this: There are three races of people that the whole earth has been populated by, Shem, Ham, and Japheth, the three sons of Noah. But look at the epistle of Paul to the Romans, chapter 3, from verse 1, the Scriptures question: ***“What Advantage then hath the Jew? Or what profit is there of circumcision?”*** The Scriptures also lay it out: ***“Much every way: Chiefly”*** (In other words, it is principally this) ***“Because that unto them were committed THE ORACLES”*** (of what?) ***“Of God.”*** Is that right? Yes! Listen saints. What does that show you? The oracles of God was committed to who? To the Jews! That is, to Shem! Why did God commit the oracles, which is the Scriptures, to the Jews? It is God's sovereign elective love that ordained that the Jews, and the Jews alone, would bear the oracles, the entire oracles of God. What does that mean? Now hear me out. Every Scripture, every verse of the Bible, from Genesis to Revelation, was written strictly by Jews. Not one Gentile wrote a verse of the Bible. The Jews alone bore the oracles of the Old Testament, as well as the oracles of the New Testament. Jude was a Jew! Doctor Luke was a Jew! Jonah was a Jew! Every verse of the Scriptures was given by the Jews, the line of Shem. Brothers and sisters, every verse of the Scriptures was borne strictly by the Jews. But remember, in the building of the body of Christ, we

are partners with God in the ministry, in God's work of salvation, for we are invested with a treasure, a deposit of grace, which enables us, under God, to become partners with the Lord, even as it is written: ***“We have this treasure in earthen vessels, that the excellency of the power may be of God, and not of us”*** (2 Cor. 4:7). That is, God invests us with divine ability, enabling us to bear an input into the body of Christ, by virtue of that investment of grace, for the glory of God. But, we have three children of Noah, whom God used to repopulate the whole earth. We want to consider their input, on a Universal, or on a global scale, for God decided: *“I will share my glory, and shed it upon all my children, so that my glory can be expressed and seen through the races I have established.”* But look at these three main principal races, Shem, Ham and Japheth. We see God's glory in Shem, not because of any righteousness they have done, because they constantly rebelled against God and went into idolatry. But it was by virtue of God's ordination, God's elective love, even as the Bible declares, for God told the Jews so in Deuteronomy 7:6-8. God revealed Himself to them, and caused them to bear the Torah, and the Prophets. And when it came to the New Testament age, they were also the ones God used to write every Scripture of the New Testament. So, the whole world has been

blessed by God through Shem. Why? **They gave the world the entire Bible!** And thank God for the inspired Scriptures, the only and exclusive basis of true faith. **And by it, they gave the world the only two true religions: Judaism, and Christianity!** But that did not make them better! It is just the grace of God that was shown in them, that God's glory may be revealed in all His seeds, starting with Shem's lineage! God started with Shem, because he was the heir! But the dealership of God would not stop with him, for in Christ, we are joint-heirs! Hence, we see the input of Shem, in their partnership role with God, in His plan of salvation. And there is no man in his right senses that can deny that. It is a fact. God used Shem, out of His own sovereign, elective will, to give the world the entire Bible, the entire Scriptures: The Written Word, and by it, they gave the whole world the only two true religions, Judaism and Christianity. Let us now look at the input of Japheth, the line of Japheth, the white race, and see what their input has been.

Once the complete Bible was delivered, and the last Book of the Bible was given, the gospel of Christ, the Christian faith, which was in the hands of the apostles, after their era, passed over to the hands of Japheth. Remember, the second

dispensational star messenger was Saint Irenaeus. I repeat: Once the baton was handed over, because the complete Bible had been written, and Shem had borne his input, affecting the whole world, with the Christian faith, God moved from Shem to Japheth, and Japheth, which is made up of the white race, bore the gospel message of the Bible for the whole wide world. I said it was Japheth that bore the revelation of the Bible, which God gave through the Jews. Why? That you may also see God's glory shed in the lives of His own children, the race of Japheth, the white race, because God has ordained that they will also be partners with Him, in His plan of redemption. That is why they (the line of Japheth), were the missionaries to the world. To Congo they came; To India they went. To China, and to the jungles of Africa they came, and a lot of them died as a result of mosquitoes, and tsetse-fly bites. But a lot of them were also brutally murdered by savages in the jungles of Asia and Africa. Yet, they bore it all, by the grace God invested in them to carry the gospel message to the entire earth. Japheth did it. They burned this whole globe with the gospel message. And no one can contest that. Japheth did it, not Ham. That is the input of Japheth. **They bore the message of the Bible to the whole world.** But I now have to ask: Where is

Ham? Where is his input in this partnership work, Ham being also an integral part of the body of Christ? I have to ask that because when you look at the standard bearers, after the first church age, from one to the next, from Saint Irenaeus, to Saint Columba, to Saint Martin, on and on, right through to William Branham, and lastly, to Raymond Jackson, except William Seymour, you are looking at the white race: Japheth, Japheth, Japheth, Japheth, Japheth, Japheth. The missionaries were Japheth, the white race. It remains only one, out of the children of Noah, to bare his input, and that is Ham. Unknown to the world, God ordained that at the end of it all, at the very end of time, Ham would bear his input. I am laying before you God's plan of salvation, God's logistics, with relation to the three main streams of humanity, which God used Noah to produce. Remember, there is no race excluded from the salvation plan of God, which salvation we have in Christ Jesus our Lord. You have got to see God's partnership plan, and the role of the three main streams of humanity, which produced every other stream. Moreover, I must remind you, all the three main races of people, stemming from Shem, Ham, and Japheth, all went into idolatry, occultic and satanic rituals and practices, and all went into riotous living, all of them! All are guilty! I already

proved that! Read their history, both from the Bible, as well as from secular records! Yet, God still used Shem and Japheth, in this age of grace. You have to see the place of Ham at this final hour. Who can contest that? At the closing of everything, in this short space of time, in this era of perfection, I declare unto you that God is using Ham, for the last input. You have to see it, for nothing excludes any race, and nothing makes any race worthy of anything, except death, because we were all born in sin, shapen in iniquity, and came into the world speaking lies: Shem, Ham and Japheth! Remember, we are talking about The Input Of Ham, which gives you predominantly the black race, the Africans. I care less what they say out there. You do not have Bible to tear it down. Of course anyone can call anything heresy, but without a Bible base, it is just words, meaning nothing! I care less what people feel or think about this message, it is still the truth! Because, brothers and sisters, if we are all one in Christ, as the Scriptures clearly and incontrovertibly declare, and you can see God's glory manifest in Shem, and also in Japheth, I ask: Why would that same glory, the glory of the Almighty God, not also be revealed in Ham, when they are of one body, and are one family, and are joint-heirs with Christ? Think about it!

## THE INPUT OF HAM

What is the input of Ham? And when is the input of Ham? I want to tell you plainly, Ham's input is now. **This is the day of Ham.** This is the day, that for the first time, all races, and all nations, and all tribes, and all tongues, and all colours, ordained of God to make up this end time, elect bride of Christ, will look to the tabernacle of Ham, that is, will look to Africa, for spiritual nourishment, instruction, and direction. Thus saith the Lord, and Thus saith the Word of God, by His revelation. I ask again: What is the input of Ham? Before I lay that out, we first want to look at a material promise in John 16:12-15: ***"I have yet many things to say unto you, but ye cannot bear them now. Howbeit when He, the Spirit of truth, is come, He will guide you into all truth: For He shall not speak of Himself; but whatsoever He shall hear, that shall He speak: and He will show you things to come. He shall glorify me: For He shall receive of mine, and shall show it unto you. All things that the Father hath are mine: Therefore said I, that He shall take of mine, and shall show it unto you."*** Jesus Christ assures us in this place, that the Comforter, the Holy Spirit, will show us things to come. That is, He will show us, **What God is doing, and How He is doing it.** Why

do I say that? In the days of the Jews, when they were writing the Scriptures for the whole world, little did they realize that once it moved into the hand of the Gentiles, at the close of the first church age, Japheth would carry it, and they would not touch it after that, until the Last Week of Daniel! It took the Comforter to show that fact! Saints, once you can see the plan of salvation, and the love and the desire of God, to shed His glory on all His seeds, in this partnership work, that God may be revealed in all of His handiwork, particularly His body, the redeemed body of Christ, a Gentile body in essence, who are joint-heirs with His Son, Jesus the Christ, then you know this, you can no longer downgrade anyone, because we are one! I want to add a thought before I lay out the input of Ham.

Brothers and sisters, you know in 1 Corinthians 12, there are nine gifts of the Spirit, and everybody loves those glorious gifts that are on display. But you also know the Bible says, concerning those gifts, God ***“bestows more abundant honour on those parts that are uncomely”***, that is, on those gifts of the Spirit that are looked down upon, because even though they are uncomely, there is an input, a vital and necessary input they give to the body. You may look down on your anus, for instance, which is a part of your body, but if it

collapses, and refuses to function, your beauty must wither, because you would be in great discomfort, because your body would begin to pack up, to shut down. You must die, or you would have to be cut open, with a tube fitted in you, and given a bag to carry around, to take your body waste. So therefore, God bestows more abundant honour, and glory, on those parts that are uncomely. Why? Apostle Paul answered it: ***“That there should be no schism within the body of Christ”!*** That there be no looking down upon any member of the body of Christ! That there be no schism, that there be no discrimination or looking down on any race that make up part of the bride of Christ! It also means that by implication! But I now ask: What does that translate to, in relation to this message? It translates to this. Seeing that Ham has been in the back burner, seemingly left out of the scheme of things, input wise, I want you to realize that this is the day of Ham, for this is the hour God foreordained, because Ham has been looked down upon, because Ham has been down trodden, and because Ham has been relegated to the background long enough, He decided of His sovereign exclusive will: *“I will use him at the very end. And because it is a short space of time, I will give him grace, and I will give him an anointing, and I will give him an understanding, that he might bear a revelation, and there will be a glory*

that will follow Ham at this hour, as he bears his input of the gospel, on a global scale, as my last witness, my last standard bearer.” It is his input, and that input is for now. And what is that input? In considering that, please note that Ham would not be used to write the Scriptures. All that was borne by Shem. Ham would not be used to send missionaries round the world, and bear the gospel all over the world, for Japheth has borne that. His input is this: **The closing out revelation that is needed to complete this message, and to bring about perfection, and to lead the bride of Christ, right into the rapture hour, that input is reserved strictly for Ham to bear,** because it is a serious hour, a short but crucial hour all ages look unto. So God decided, *“Because Ham has been relegated to the background, and as such has been looked down upon, yet being an integral part of the body of Christ, I will reserve him for that glorious end, that the beauty of the Lord may also be revealed in all the work of His hand, making up the race of Ham.”* Come with me.

If in Christ, there is no more curse; if in Christ, the wall of partition, the middle wall of racial partition has been broken down; if in Christ, we are all one, and there is no racial distinction, and none is better than the other, and none is to be looked down upon,

on a spiritual basis, and if we can see the input of Shem, and that of Japheth, **on a Universal scale**, why would Ham not have his input in the body, **also on a Universal scale**, in this partnership work, being of the same body? When Noah had three sons, the progenitor of the entire human race, why would two of them alone be used in a major way, and the third, who is also an integral and an important part of that same body, not bear a major input as well? Think of it! And remember, you cannot talk of any curse, or of sin, because that does not operate in the gospel light! It does not operate in the body of Christ! Then it means, there has to be a time slot, within this grace age, when Ham is to bear his input. That is why at this hour, with the passing away of Brother Jackson, the chief apostle, Ham will bear the torch of the light of Christ, as the last witness. As such, the standard bearer must be from Africa. Africa, being the tabernacle of Ham, will give us the lead apostle, the John of today, because the lead apostle gives us Scriptural continuity in the message, direction, and focus, and through him, every outstanding loose end will be tied, to neatly wrap up the truth for the Universal bride of Christ. I have to say, for it should be clear, if Ham does not bear the lead apostle at this final hour, there will be no way for Ham to bear any major input, and it would mean, there is distinction in the body of Christ as to

colour and race, and that would be anti-the Scriptures, because none of the other two, bore what they bore, on account of their own righteousness or goodness. And if you still want to deny Ham's major input at this closing hour of Gentile time, you are implicitly or indirectly saying that Japheth is bearing the final standard, because Ham would still have to look to the lineage of Japheth, or follow Japheth, right to the very end! And that cannot be so, as it violates every revelation of truth on this matter, for that would be to build up the middle wall of partition again. But for the first time, Japheth, and whoever is ordained in Shem at this end time, to be in this glorious elect bride, will have to follow Ham, under God, for spiritual instruction, and direction, and for the continuity light of Jesus Christ, for it will surely come out from the tabernacle of Ham, that is, from Africa. And in case you still doubt that, I will give you further witnesses. Firstly, if at the beginning of the seventh church age, for the first time, God used a black man, an African-American, William Seymour, to bear the Oil message, for the world, ever before William Branham was set in place, why would you find it impossible, or difficult, that God would use a black man now, not an African-American, but a black man, from the continent of Africa, a black man from the tabernacle of Ham himself, to finish this thing off, at

the very closing of the seventh age? If God could use a seed of Ham, but in a foreign land, who was an African-American, to spearhead the Oil message, at the opening of the seventh church age, why would you find it impossible or strange, for God to use Ham now, from the very continent of Ham, a continent that has never before been visited like that, a continent that has never borne the standard, to finish up the revelatory dealership of God, in this seventh and final age? You must realise that God using William Seymour, to open up the seventh age, is indicative of the fact that God is going to finish off the age with Ham. **It was an indicator move! It speaks of the fact that God was going to move from Japheth, to another race, the third race, Ham!** That is why I said, This is the day of Ham! I am not fighting for something. I am simply showing you something, for Japheth's day of bearing the standard of truth is over. It does not make us as blacks any better, for the input of Japheth cannot be taken away. It has been a tremendous one. It is the doing of the Lord, and to Him alone be all the glory. It is just for the last few hours of the grace age that Ham is on the scene, to bear his own input. Shem gave the world the whole Bible, and the only two true religions. What a glorious input! But still, this little time is Ham's time, for the black race will take this gospel message, **this continuity message,**

back to Japheth! He will take it to the world! This is the day of Africa, the day of the black race, to bear the standard of truth, and be a lead apostle, for the very first time! Think of it! I repeat, from around the whole world, every elected bride will look to Africa, for spiritual light, guidance, direction, focus and continuity. I am going to shed further light on these things before I conclude my message, but first, watch. Since John of today, the lead apostle of this hour, is from the lineage of Ham, it means Ham will bear, not only the balance of the revelation of written Scriptures, for the Universal bride, he will also bear the revelation of unwritten Scriptures, as the lead thunder, at the hour of the Seven Thunders, along with the other six thunder apostles, once the Seventh Seal is broken, to fulfill Revelation 10:1-6. And following that, he will also bear a prophetic message to the world, in fulfillment of the unfulfilled commandment of the Lord, in Revelation 10:8-11, following the fulfillment of verse 4, even as it is written: ***“And the voice which I heard from heaven spake unto me again, and said, Go and take the little book which is open in the hand of the angel which standeth upon the sea and upon the earth. And I went unto the angel, and said unto him, Give me the little book. And he said unto me, Take it, and eat it up; and it shall make thy belly bitter, but it shall be in thy mouth sweet***

*as honey. And I took the little book out of the angel's hand, and ate it up; and it was in my mouth sweet as honey: and as soon as I had eaten it, my belly was bitter.*" (Now listen to the next instruction). ***"And he said unto me, THOU M-U-S-T PROPHECY AGAIN before many peoples"*** (i.e. before many races), ***"and nations"*** (different nationalities), ***"And tongues, And KINGS"*** (Presidents and Heads of States). Please note that John the beloved apostle did not fulfil this commandment, for it relates prophetically to the lead ministry of the John-type-ministry of this end time, a ministry for today. You are looking at Ham's input, in prophecy. No, we did not know it relates to Ham, but now we can see it by the dealership of God, and by present day events. Let me also show you something in a type, as a second witness.

## THE THREE WISE MEN

In Matthew 2:1, the Bible says: ***"Now When Jesus was born in Bethlehem of Judaea in the days of Herod the king, behold, there came WISE MEN from the east to Jerusalem."*** Hold it there. We have all been told that these wise men were astrologers. Alright, but I want you to know that although you have astrologers and men of that calibre, referred to as

wise men in the Bible, but these ones here, were called wise men, because the wisdom of Christ was revealed to them. I said they were not called wise men, simply because they were astrologers, although they may have been astrologers by profession, but they were called wise men, because the revelation of Jesus Christ was given to them! 1 Corinthians 1:30 says, that Christ has been **“made unto us”** (What?), **“Wisdom!”** So, there is no wisdom in man, any man. Christ is our wisdom. I have to ask therefore: What have astrologers or star-gazers got to do with Jesus Christ?! Come on! Come with me. People say they were astrologers; they observed the stars. Listen to this, if that is strictly so, How come, they observed the stars so much, until they came all the way from the Orient to worship Jesus Christ, whom the Jews themselves did not even recognize was born, and whom the Jews did not know was the promised Messiah? They came to worship the King of kings, yet a little boy, a little toddler, just a few days old, figuratively speaking. I say that because Christ must have been between one to two years old! Men from the Orient, far away, recognized what God had produced on the earth, on behalf of Adam's fallen race, and they came all the way; they so much appreciated it, that they came all the way, not just to see him, but also to worship him, to give him worship, and you want to say it was because they were

astrologers. Think again! I am not denying the fact that they may have been people who studied the stars and such heavenly bodies. But you have to ask yourself: Who gives worship to Jesus, and who in that era of time could give worship to Jesus, if not a revealed person? And to think they were foreigners! You have to see that these men were dealt with by the Spirit of the Almighty God! God sent His angel to give them an understanding, of the birth of our Lord and Saviour! As God sent His angels to shepherds watching their flocks by night, so He sent His angel to these men. And when they heard that message, they believed and received it, and that angel led them, and they followed the angel. If you look out into the night sky, there is no physical star you can use, to guide you on a journey, through different roads, mountains and hills, from country to country, until you come to Jerusalem. And no literal star can show you a particular house! The same star you see here in the sky, other people also see over their own houses! It cannot show you the way! It was an angel of the Lord. Brothers and sisters, it was an angel of the Lord, who manifested as a star, a ball of light, a guiding star, after he had first revealed himself to them, giving them an understanding, a revelation of what God had done in that era, a revelation that was not conveyed to the Jews, except the elects of that hour. And when that angel appeared to them, and they heard his

message, they laid down their work (their jobs). Why? Election singled them out! I said, they were elected! Why did God appear through His angels to shepherds watching their flocks by night, and not to the Scribes and Pharisees? Election! They were simple ordinary men, men that would believe! And they did not argue or question, but they went to see him, and they worshipped him, and also gave praises to God, while the Scribes, and the Pharisees, and the High Priest, and Herod, cried, *“Kill him! He is Beelzebub!”* Yet in the day of the three wise men, Jesus was a little boy! I ask: What potential can you see in a little boy, if you do not have an eye of revelation? I said, What glory and beauty can you see in a little boy, if God has not opened your eyes to the invisible, to see whom you are looking at, in that little shack or room? The Bible says they came for one purpose only, to worship him! How did they know? The angel of the Lord revealed to them, what God was doing in that day. Election! Yes, they came from the Orient, but it is election! And not only did the angel reveal the birth of the Messiah to them, the angel also led them. He led them! And do not ever think they walked straight through without stopping! I can see when it was evening time, and the angel knew it was time for them to rest and refresh themselves, the angel, who was going before them as a star, would simply vanish. So they knew they had to rest. They would rest, and they would refresh. And

when it was time for them to move on, here appeared that star again, and they followed him. They were following him, as he led them from country to country, all the way from the Far East, all the way from the Orient, around India, to Palestine. Think of it! And people want to say they were simply astrologers! I say, That is not why these men were called wise men! It is the wisdom of God which was conveyed to them, that made them wise, and for which reason they were called wise men here, in relation to Christ! Saints, they traveled until they got to the land of Israel. The nation of Israel did not even know the Messiah had been born, whilst these ones knew. And when Herod found out from them, that the Messiah had been born, he said *“Come back, let me know when you find him. I want to worship him too.”* That fox! Brothers and sisters, we believe in the continuity of revelation, for the chief apostle did not preach it all. If you say Brother Jackson preached it all, it is obvious you do not know what you are talking about. Neither did Brother Branham preach it all. Brother Branham only preached all that was to make up his voice, as the seventh angel! There is therefore continuity of true revelation. You have to understand that there will still be nuggets from this Bible. Alright. These men were wise men from the East, and in Matthew 2:2 they asked: ***“Where is he that is born King of the Jews?”*** They knew him! ***“For we have seen his star***

*in the east, and are come TO WORSHIP HIM.*” They saw his angel! But Herod tried to trick them, and the angel of the Lord told them, “*Don't go back to Herod. Don't mind him. He is a fox.*” Verse 9: “***When they had heard the king, they departed; and, lo, the star, which they saw in the east, went before them.***” He guided them all the way. I repeat: There is no star in the sky that can show you the way. The star is so far away, and as it is appearing in Nigeria to some people, it is also appearing to other people. I ask you therefore: Which roof-top will you see stand out under the guidance of a literal star? The angel led them until he took them right to the very house, and stood on top of that house, as a shining light, a ball of light. Then they knew, “*This is the house!*” But ask yourself, What did they do there? Let us read it. Verse 9 reads: “***...The star...went before them, till it came and stood over***” (Directly on top) “***Where the YOUNG CHILD was.***” Watch verse 10: “***When they saw the star***” (The angel of the Lord), “***They rejoiced with exceeding great joy.***” And you want to say they were just astrologers. Think again! How they rejoiced! They were so glad, so happy. The mere thought of meeting the young child, the promised seed of the Woman, the Serpent bruiser, was thrilling to them: “*Wow! At last we are there to see the Messiah! We are there at last!*” What a revelation they received! What a revelation! And at this hour, the

Jews did not know anything. Think about it! Watch verse 11. What did they come to do? Watch it. Did they come just to see? No! **“And when they were come into the house, they saw the young child with Mary his mother”** (And what did they do?), **“And they fell down”** (And did what?), **“Worshipped him!”** This is not the act of a pagan astrologer! This is the act of a revealed man! It takes a revelation for you to see a little boy, and worship him! A young child, a toddler, who was still learning to speak! And don't tell me Jesus was born speaking. No! People in the Branham movement are saying that when Jesus was born, he knew everything. He knew nothing! He was just a little baby, who did not know anything at birth! That is why he had to grow in stature, and in favour. But in that little boy, there was no attribute of sin. He had a divine nature! Because he was born supernaturally, that is, by supernatural conception. Do you understand? Even though it produced a natural birth, making him a **begotten Son**, his conception was a supernatural one, in order to bypass the bloodstream of man, with all its evil attributes!

The issue is this: They saw a little boy, and they knew who he was; they knew he was a king. Yet he was only a boy, a little toddler! And they fell down and worshipped him. And you want to say they had

no revelation. Then I ask you, What is revelation? What does revelation make a man do? True revelation makes a man give God true worship! But let us now ask: How many were these wise men? They were precisely three. They were three wise men! I repeat, they were three men! These three wise men were representatives of the three main races of people, God used Noah to produce, through his three sons, Shem, Ham, and Japheth. Come with me. People say it is presumption, that it is tradition, that they were three wise men. But the truth is that they were three! No, the Roman Catholics do not have the revelation of it, but by God's grace, today, we do. They were three men, and these three wise men, were representatives of the three races, the three children of Noah, whom God used to re-populate this earth. Why do I say they were three? Look closely at what the Bible says they did. Verse 11: ***“And when they were come into the house, they saw the young child with Mary his mother, and fell down, and worshipped him: and when they”*** (plural), ***“had opened their”*** (collective, plural, pronoun), ***“treasures”*** (plural), ***“they”*** (plural), ***“presented unto him gifts”*** (plural). Saints, the gifts were three! They presented three gifts, and each one brought a gift, all the way from the Orient! They did not come empty handed! None came empty

handed! They came, each bearing a gift! THEY CAME TO WORSHIP, AND ALSO TO OFFER THEIR GIFTS TO THE KING OF KINGS, THEREBY SETTING A TYPE, FOR IT FORETELLS THE INPUT EACH RACE OF NOAH'S THREE SONS WOULD BEAR, IN THE PROPAGATION OF THE GOSPEL OF THE ALMIGHTY GOD, IN THIS GRACE AGE. Their ministry to Christ is prophetic! They looked in their treasures, all three of them, and each gave one gift, and you have three gifts, therefore, how many men would you say there were? It was three! They are known by the number of gifts! They all came to worship, and all gave a gift. And if there were three gifts given, and they opened **“their”** (plural) **“treasures”** (plural), and **“they”** (plural) **“presented... gifts”** (plural), then you know, each one gave a gift. What are the gifts? The next clause of the Scriptures lays it out: **“GOLD, AND FRANKINCENSE, AND MYRRH.”** And again I say to you: These three wise men were representatives of the three sons of Noah, through whom the whole world was populated, and through whom every race on earth was established. The three gifts they bore, lets you see the depth of revelation God gave these men, and the perfect and prophetic representation of the gifts they bore. It was perfect! Come with me.

There was gold, borne by one of them. There was frankincense, borne by another. And there was myrrh, borne by the third man. They gave these three gifts. I ask: What do these gifts signify? The gifts show their revelation of Christ, because they knew he was the King of the Jews! Remember that Jesus is the Prophet, Priest, and King, for he occupies these three offices. You must realise that the three gifts relate to the three offices of Christ, as Prophet (the lamb), Priest, and King. Gold speaks of royalty, that he would be King. He is not yet King, except potentially, for he is our Melchisedec right now, being our Great High Priest, but he will be King in the millennium. But also remember, we will not crown him here on earth; we will crown him over there in glory (i.e. In heaven). So when he is coming for the millennium, he is coming as King of kings, and Lord of lords. Alright, but right now, he is our Great High Priest. But when he was here on earth, in the days of his flesh, he was a Prophet, the Lamb of God, because the Prophet had to be the Lamb of God. ***“The Lord thy God,”*** Moses said, ***“Will raise up unto thee a Prophet from the midst of thee, of thy brethren, like unto me; unto him ye shall hearken”.*** ***And whosoever does not listen to him shall be cut off!*** (Deut. 18: 15, 18, 19). These three gifts represent the three offices of

Christ. Gold represents Kingship, for it speaks of the royalty of Christ, the King of kings, and Lord of Lords. Frankincense represents his High Priestly role, because Frankincense, as we see in the Book of Leviticus, is used in the priestly service (Lev. 2: 1-2, 14-16). And Myrrh speaks of his death! The gift of Myrrh shows he would be a Lamb/Prophet, who would pay the price of sin! Myrrh is used in preparing the dead for burial. These gifts depict that these men had a true and perfect revelation of who he was, and of his accomplishment, and the offices God ordained that Christ would bear, yet, Christ was just a young child! Think of it! No wonder the Bible called them wise men! It is the wisdom of Christ, given to them, that made the Scriptures refer to them here as wise. But then, I also have to ask a final question: Who bore what? We will answer that as well, by God's grace, but in it you will also see the prophetic application of the gifts these men bore, in relation to the giver of the gift, having first seen its application in relation to Christ, that is, in relation to the three offices of Jesus Christ.

Who bore which gift? You know the Bible is so beautiful, and the Scripture is absolutely infallible, that when God gives a little light, and the Scriptures flash on it, it anchors! That is the beauty of true

revelation. And that is the beauty of the revealed Scriptures. Who bore what? As I lay out who bore what, I also want to show you the application of the gifts they bore, in relation to the giver, for we must also ask: What is the representation of that gift, in relation to the bearer? In other words, what does it signify in the life of the giver of the gift? Because we want to answer who bore what, **and** what the gift represents in his own personal life, for giving it. I will tell you this: These three men were representatives of the three sons of Noah; representatives of the three main races of men that God used to repopulate this earth, after the flood. God is perfect in three. Saints of God, the seed of Shem bore the gift of myrrh. I will give you Scripture. Come with me to John 19. It is not presumption. It is a true revelation. And it is not my smartness. It is God's dealership of grace, for I am nothing. Let us see John 19, verse 38: ***“And after this Joseph of Arimathaea, being a disciple of Jesus.”*** This is one of the spiritual fathers in the days of John the Baptist, whose heart was turned to the apostolic children. I take it again: ***“And after this Joseph of Arimathaea, being a disciple of Jesus, but secretly for fear of the Jews, besought Pilate”*** (I ask: Who can enter Pilate's office, if not a bigwig?), ***“That he might take away the body of Jesus: and Pilate gave him leave. He came therefore, and***

**took the body of Jesus”** (Watch). **“And there came also Nicodemus”** (Another of the class of the Judaistic fathers, whose heart was turned to the faith of the children, the apostles), **“Which at first came to Jesus by night”** (What did he bring?), **“And brought a mixture of Myrrh...”** What is myrrh used for? In embalming for burial! So it had to do with the dead! It had to do with preparing him for his burial, showing that Christ would be crucified. That is the representation or significance of that gift, in relation to Christ. But what is the significance of the gift, in relation to Shem, the giver of Myrrh? Please note very carefully. The gift that man bore, does not signify the smallness of his gift, nor the value of his gift, but it only signifies the hour of time God would use him, to give an input. **The representation of the gift, in relation to the giver, is not in terms of the value, or of the weight of his gift, but it is strictly in relation to the era of time he would bear something, in God's kingdom, for God's glory; the time he would bear an input of grace, in this redemption work, as partners with God.** I have to ask you, if you say Shem did not bear the myrrh, then I have to ask, Was it the Gentiles that led him to the cross? It was the Jews! Was it the Gentiles that embalmed him? It was the Jews! So how can the Gentiles bear something that has no application to them? When the gospel had not even

come to the Gentiles yet! It was to start with the Jews! So who would have borne the gift of myrrh to prepare him for burial? Who bore myrrh? Shem! Because that myrrh represents or shows that Christ would be slain, and he would need to be embalmed! And who killed him? Was it not the Jews? They cried: **“Crucify him!”** Even a pagan Gentile, Pilate, asked them: *“What has this man done? Don't do this.”* They said, *“Crucify him! You are not a friend of Caesar if you let him go.”* So he said, *“Well, my hands are clean of his blood. It is you who want him dead.”* Who led him to the cross? Myrrh represents the fact that he would die! And Who led him to his death? It was the Jews! **It was Shem that bore Myrrh, showing that the input of Shem, starts with the death of Christ.** And do not forget, Shem did so much, in that first age of Christendom, to affect the whole world with the revelation faith of Christ, the New Testament Scriptures, the oracles of God. Thank God for the revealed Scriptures, the only foundation of faith for a true believer, and the standard and the test of truth! Shem gave it all. Thank God for Shem, for without the Scriptures, we would still be without God, and without the Scriptures, we would be following every wind of doctrine! But look at John 19, for Japheth and Ham were not yet in the picture! Verse 39: **“And there came also Nicodemus, which at first came to**

*Jesus by night, and brought a mixture of MYRRH and aloes, about an hundred pound weight*” (Very costly). *“Then took the body of Jesus, and wound it in linen clothes with the spices, as the manner of the Jews is”* (To do what?) ***“TO BURY. Now in the place where he was crucified there was a garden; and in the garden a new sepulchre, wherein was never man yet laid. There laid they Jesus therefore because of the Jews' preparation day; for the sepulchre was nigh at hand.”*** So who bore myrrh? Shem! Because it represents, in relation to the giver, the era of time he would have an input, and not the value of his gift! Remember, they brought a gift. So the gift each man bore, represents the era of time of his input, and not the weight of his gift. Note that! Because I do not want you to look at gold, and think it makes anyone better. No, it does not! That is not the essence of the gift, in relation to the giver! You are just being carnal! That is why I said, the value of the gift, in relation to the giver, is not in terms of the weight, or of the value of his input, but in terms of the time application of his input, for the kingdom of God. So you cannot look down, or esteem one gift, above the other, because it is not in relation to value! It is strictly in relation to the time application of their input! **AND ALL THREE GIFTS WERE MOST VITAL!** I ask again: Who bore myrrh? Shem! I just

proved it! Because Shem brought Christ to the cross! Shem cried for his crucifixion! And Shem embalmed him! And with the death of Christ, the ministry of Shem started, giving the world the New Testament oracles of God, the New Testament faith. And of the three wise men, Shem bore myrrh! That is settled! **THE GIFTS ARE PROPHETIC. In relation to Christ, they signify his three offices. And it is also prophetic, in relation to the giver, for it signifies the hour of time, he would be used of God, to bear an input, for the glory of God's kingdom, which is the church of Christ. You have to see that, for God did not lead these three wise men to Palestine for show! It is prophetic, both to Christ, and the giver! For it sets a type. It foreshadows something. It is definitely a representation of something.**

Who bore frankincense? It was Japheth! You say, Well, that is an assumption. Then I will also ask you: When Christ was buried and rose up from the dead, and ascended into heaven, and Shem, towards the closing of the first church age, finished giving the complete Bible, the entire oracles of God, to the world, giving the world the faith of Christ, during Christ's High Priestly role, who has been bearing it? Who has been bearing his input, for almost two thousand years? It is

Japheth! The revelation message of the Scriptures, the gospel message, has been borne by Japheth, during this long period of Christ's High Priestly role, that is, in this grace age, coming out of the first age, right up till the hour of Raymond Jackson. Because you are looking at the time application of their input, and not the value! If you are considering value, you are missing it! Because you would then be putting one gift or race above the other! Moreover, look at the enormity of what God used the white race to accomplish in six church ages, in spreading the gospel to the whole world. And you must realise that the gospel message the Europeans embraced and bore around the world, is what is responsible for their economic and social advancement. It is! That is the truth! For God is the secret behind the prosperity of Japheth! And that is the prophetic meaning of his name, for Japheth means **enlarged**. When you consider the modern day economic, technological, and scientific advancement or enlargement of Japheth, the white race had to be the ones to have such capacity, because they bore the gospel for six long church ages, and God blessed them tremendously for their dedication to the spreading of the gospel. Moreover, you must also realise, that everything that would be beneficial for the comfort and the

advancement of man, had to have been invented and produced, under the inspiration of God, prior to the millennial reign, when Christ will rule over this planet, harnessing and utilizing the best of man's inventions, and the things modern man has been used of God to put in place, for the benefit of fallen man. You have to see God behind the amazing and undeniable prosperity of Japheth. Nevertheless, when we consider the gift of the three wise men, in relation to the giver, it has nothing to do with the value, or with the weight of the gift he bore! As bride saints, we must be able to look at things right. The truth is, God's glory is shed on all, and revealed in all, and seen in all. Because I do not want anyone to go on a carnal tangent, on the basis of what somebody bore, for it has no application to the value of input. It does not! But the truth is, in the dispensation of grace, after the four synoptic gospels, and the entire epistles had been written, giving the world the New Testament faith, John the beloved apostle gave us the last book of the Bible, giving the world the complete Bible, the complete oracles of God, towards the closing of the first church age, and the baton passed to the Gentiles, specifically to Japheth. Since then, with Christ in his High Priestly role, Japheth has always borne it, all through time, in six long church ages. So who

could have borne frankincense? And who bore frankincense, talking of time application, to Christ's mediatorial work? Because that shows you, that in this era of grace, with the death of Christ, and with the input of Shem, in that first era of time, it would be Japheth's era, once the complete Scriptures had been given by Shem. **That is obvious, as we look back to what God has done, and how He has done it, in these seven church ages.** So Japheth had to bear frankincense. Because this is the era of Christ's intercessory role as High Priest, for the salvation of the lost race of Adam. For in six church ages, it has been Japheth, evangelizing the whole world. Thank God for Japheth! Thank God for the white race!

Lastly I have to ask: Who bore gold? It is Ham. But remember, the gold he bore that day, in relation to Ham, is not in terms of the value, but it speaks strictly and specifically of the time application of his input, to the church. Why? Because the gold represents the Kingship of Jesus Christ. Hence, to Ham, it represents the fact that his input would be given, just before the bride is taken away from this world, in the rapture, when we shall crown Christ in heaven, King of kings, and Lord of lords. His input is in this very hour of perfection, up till the rapture. You have to see that! That means, the black race,

or the African race, will bear something, on a Universal scale, just prior to the time Jesus Christ will be crowned King. Halleluyah! Gold speaks of time application, not the value. So, please, do not lift up one race above the other. God does not want that, because there is no spiritual virtue in colour. Therefore, we cannot be puffed up for one race or skin colour, over another. But the truth still remains that Ham bore gold that day! It signifies the era of time his lineage would have his input. God will use him to make a deposit of grace into the kingdom of God, which is the Universal bride. We are all bearing something for Christ, in the ministry, as partners with God in His work of salvation, according to God's foreordination, even as it is written: ***“Known unto the Lord are all His works from the foundation of the world.”*** This is Ham's hour of input. **HE WILL BEAR THE LAST WITNESS**, being the last standard bearer. That is a fact. It is vindicated by the Word of God, the greatest vindication any man can have, for it supercedes any and every other thing, even any prophetic utterance, being the absolute, and the infallible and unchangeable foundation of faith.

## PROPHETIC WITNESSES

I have to say this, as I am almost at the end of my message. This is the last chapter. It deals with the apostleship of Ham. A lot of people, when they look at Ham, all they see is that Ham is cursed, and that nothing good can come out of Nazareth. Preachers are denying his apostleship. What a shame! What a carnal way to look at the body of Christ! It is because they do not know their Bible, and obviously, they are not looking right. I say that humbly, for it is by God's grace we know what we know, for we are nothing of ourselves. But listen closely. Abraham, the father of faith, the father of all faithful, was told by God to stay in the land of Canaan. But do you know that Abraham came to Africa? He came to Egypt! He came to the tabernacle of Ham! And the king of Egypt even gave him gifts! He went away with a blessing from Africa! Only Isaac did not come to the tabernacle of Ham. But Jacob, his son, dwelt, and prospered, and flourished, in the tabernacle of Ham. He was blessed in Africa! He was blessed in Egypt! Israel, as a nation, was raised up in Africa! Think of it! All people do is look down on Ham, but I say, they forget that the land of Ham was also a place of

refuge for the Messiah, when he was born! He was taken to Egypt, and in Egypt his life was preserved! Yet, people want to look at Egypt, only as a land of bondage! It is not entirely so, for there is a positive side to Egypt as well. Because you should not also forget, at the end of the day, Egypt will be one with Israel, for God will re-unite her with Israel, even as it is written: ***“Thou shalt not abhor an Edomite; for he is thy brother: Thou shalt not abhor an Egyptian; because thou wast a stranger IN HIS LAND. THE CHILDREN THAT ARE BEGOTTEN OF THEM shall enter into the congregation of the Lord in their third generation”*** That is, that there would be Egyptian converts into Judaism(Deu. 23:7-8). The next prophecy I will give is however speaking of this end time, and is hanging right over this day, even as it is written: ***“In that day shall five cities in the land of Egypt speak the language of Canaan, and swear to the Lord of host; one shall be called, The city of destruction. In that day shall there be an altar to the Lord in the midst of the land of Egypt, and a pillar at the border thereof to the Lord. And it shall be for a sign and for a witness unto the Lord of hosts in the land of Egypt: For they shall cry unto the Lord because of the oppressors, and he shall send them a saviour, and a great one, and he shall***

**deliver them. And the Lord shall be known to Egypt, and the Egyptians shall know the Lord in that day, and shall do sacrifice and oblation; yea, they shall vow a vow unto the Lord, and perform it. And the Lord shall smite Egypt: He shall smite and heal it: and they shall return even to the Lord, and he shall be entreated of them, and shall heal them. In that day shall there be a highway out of Egypt to Assyria, and the Assyrian shall come into Egypt, and the Egyptian into Assyria, and the Egyptians shall serve with the Assyrians. In that day shall Israel be the third with Egypt and with Assyria, EVEN A BLESSING IN THE MIDST OF THE LAND: Whom the Lord of hosts shall bless, saying, Blessed be Egypt MY PEOPLE, and Assyria the work of my hands, and Israel my inheritance**" (Isaiah 19:18-25). I ask you: Where is Egypt? It is in the tabernacle of Ham! The hour of the Jewish miraculous in the field of battle, is what God will use to activate this prophecy. But watch. Abraham came to Africa! Jacob was blessed in Africa! All the patriarchs, and the race of Israel, were raised up and flourished in the tabernacle of Ham! They flourished in Africa, only until there arose a Pharaoh who knew not Joseph! And that in itself happened, so as to accomplish the plan of God, the purpose of God. But don't forget that she

flourished, until it was time for the Scriptures to be fulfilled. As such, Egypt is not as bad as people want to paint it, because you cannot project an extremity! There is always a middle of the road you must take, even as Isaiah 35:8 lays out! **“And an HIGHWAY shall be there, A-N-D A WAY, and it shall be called THE WAY OF HOLINESS”** (not the Highway, but the Way); **“The unclean shall not pass over it; but it shall be for those: The wayfaring men”** (That is, the Pilgrims), **“Though fools”** (For Christ), **“Shall not err therein.”** That lets you know: You must maintain a Scriptural balance! You have to! It is not to the left, and it is not to the right, for these are two extremes: It is the middle of the road! For if Egypt was that bad, why would God use Egypt as a place of refuge for His Son Jesus Christ? And I ask, if Africa, the tabernacle of Ham, could be a place of refuge, and a means of blessing to Jesus, in his early beginning, why would you find it difficult, ridiculous, or impossible, that the same tabernacle of Ham, will be a means of blessing, at this end time, for the same cause of Christ, in the propagation of the message of Christ, which is the continuity message of the hour? Why will you find it impossible? And if the Almighty God could use Egypt, in the tabernacle of Ham, to feed the world in the days of famine, back then in Genesis, and

God's people had to come to the tabernacle of Ham for physical food, why will you find it outrageous that God would use the same tabernacle of Ham, at the end time, to feed His elect seeds around the world, with spiritual food? Think of it! And if God moved the world, as it then was, to go to Egypt for physical food, why can He not move the bride elects around the world, to send to Africa, for spiritual food, when all these events are setting a type?! Think seriously of it, for this is about eternal life. You can see what Shem has borne, not on the basis of any righteousness he has done, because there is even a curse that still hangs on Israel, the lineage of Shem, and shortly in the hour of the miraculous, will the decree be ***“far removed.”*** Saints, you can also see the grace of God in Japheth, and what he has borne, not by virtue of any righteousness or goodness that he has done, but by God's elective love and mercy. God has ordained to shed His glory on all His seeds. **I am simply showing you God's programme!** Then why will you single out Ham, when God has made of the blood of Jesus Christ, one body, one nation, a holy nation, the nation of Christ, the nation of the bride? Why do you think the Lord sent an angel, to instruct Philip to leave the revival ground in Samaria, and minister to a Gentile, the Ethiopian Eunuch in

Acts 8, at the very beginning of the grace age? Think of it, for all that is foreshadowing something! Even the man that helped Jesus to carry his cross, Simon of Cyrene, was an African Jew, from an area now known as Libya!

I will give prophetic witnesses, in support of the Input of Ham. But the first two witnesses I will give, will come from the two vindicated ministries, a major and a minor messenger, which God set over the bride, in this last age. I am talking specifically of William Branham, and Raymond Jackson. But before then, let me declare to you, that at this end time, God is going to use the Africans to bear the gospel to the world. The whites have brought it to the blacks, but the blacks will take it back to the whites, just as the Jews brought the gospel to the Gentiles, and the Gentiles are going to take it back to the Jews. Listen to me saints, when I declare that the blacks will take the gospel back to the whites, what gospel do you think the blacks will bear at the very end of time, and take back to the whites? I have to ask you, Is it what Matthew Ashimolowo of Kingsway International Christian Centre (KICC) is preaching around the world? You know he is preaching nothing other than materialism and money! You know he is a financial seminarian! Or is it the worldly and glamourized gospel of Chris Oyakhilome, of the Atmosphere for

Miracles, the founder of Love World Telecast? Yet he ministers all over the world to large crowds. But these preachers do not know what the true gospel is! Look at the ministry of Temitope B. Joshua, of the Synagogue Of All Nations. Because of the myriad of miracles accompanying his ministry, he is in hot demand around the world, and he attracts a very huge crowd, particularly of white people from different nations of the world. But he cannot preach a simple gospel message for five minutes, and make sense! I say that humbly and with respect! All these men are African preachers, from Nigeria, to be exact. But they are creating a stir around the world, in one way or the other. It is causing the whole world to take notice of Africa, and particularly of Nigeria, on the religious front. When we even consider The Redeemed Christian Church of God (R.C.C.G), it has been proclaimed by the whites as being the fastest growing church in the world, having its tentacles virtually everywhere in the world! There was a documentary on her, as well as a write up. Thanks to the carnal vision of the general overseer of the organization, Enoch Adeboye! But remember, the headquarters of the church is based in Lagos - Nigeria, for it is a church founded in Nigeria! And William F. Kumuyi of Deeper Life Bible Church, and David Oyedepo of Living Faith World Outreach Ministries, all have an international influence. All these men have been used

to put Africa, particularly Nigeria, on the global scene, letting the whole world take notice, on a religious level. Yet, the truth is that God is allowing them to affect the world with their carnal message, forerunning the true ministry from the tabernacle of Ham, who would bear a true message to the whole wide world. **You have to see that, for something is definitely going on!** The fact that even on the global political scene, we have had a Ghanaian, Kofi Annan, as the Secretary General of the United Nations, an African-American, Colin Powell, as the former Defense Secretary to the United States of America, and Condolezza Rice, as the Foreign Secretary to the United States Government, an African-American, lets you know, we are definitely living in the days of Ham's input, for the blacks are coming up everywhere, as never before, in leadership positions. Even a Nigerian Cardinal in the Vatican, was one of the favoured candidates in the Vatican's election of a new Pope in year 2005! He however lost to the present Pope, Joseph Ratzinger, in April of that year. Moreover, the BBC World Radio Service, which was broadcasted on a Sunday, at 12:30 p.m., between September/October 2005, around the time I first preached the Input of Ham, in Calhoun, Georgia, USA, aired a documentary, in a religious programme titled, Reporting Religion. In it, they traced the journey of how the gospel was spread, from Shem (In the

Middle East), to Japheth (In Europe and subsequently in America), and they ended up with Ham, declaring that Africa is now bearing the gospel. As a matter of fact, they traced it specifically to Nigeria! They considered the ministry of Temitope Joshua, of the Synagogue Of All Nations, Enoch Adeboye of Redeemed Christian Church of God, David Oyedepo of Living Faith, Matthew Ashimolowo of KICC, and William F. Kumuyi of Deeper Life Bible Church. It was a brother in the continuity faith, Brother Simon Mshelbwala, who called my attention to this documentary. Think of it! They even concluded that leadership should come from one of these five men! But the gospel all these men are bearing is not the true and pure gospel, and is obviously not the gospel we received from the early apostles! **For there is only one true gospel!** It is the pure, original gospel, washed completely of all man's traditional and organizational ideas, and from denominational creeds and dogmas. That is the gospel God used William Branham to restore to the bride of this end time, as Malachi 4:6B Elijah. Only the true ministry to the bride of Christ of this end time, a people that are following the message of the hour, **the message of continuity**, are the only ones that are bearing the true gospel. No one else is! I ask again, What gospel do you think I am talking about? I am talking of the end time message, for that is the only true gospel, for **THE**

**GOSPEL OF CHRIST IS ONE!** Yet, the fact that today, particularly in Europe, and in other parts of the western world, and indeed all over the world, African preachers are also in the frontline, should tell you something! It is a sign of something! For they have literally taken over preaching in Western Europe, affecting that region of the world with their brand of gospel, a region which is now cold to the things of God, extremely cold towards going to church, and hostile towards talking about God, after all the revivals the region experienced, in this grace age, all through the reformation era! The issue is this: If these African denominational preachers can bear their uncertain voices to the world, why would God, the Almighty God, who is perfect in all His ways, and who is not a respecter of persons, not move men to bear the end time continuity message, the only true gospel, from the continent of Ham, to affect the Universal bride with the true light? Think of it! That should tell you something! Then it means this, a voice has to come from this African Continent, to bear the standard of truth, bearing continuity light to the bride of Christ Universal, as we get ready to leave this evil, wicked, and unbelieving world, in the rapture. But you must also realise, this is also not done, for any man's goodness, or righteousness. It is God's sovereign mercy and elective love. God did not use Shem because of his goodness, and God did not use

Japheth because of his goodness either. And neither will God use Ham at this end time, because of his goodness. That is why I said, the colour of a man's skin, has no place at all, for there is no spiritual virtue in colour.

And to my black or coloured brothers and sisters, I beg you, please do not jump in a move because it is Ham's time, because I will tell you most sincerely, there is no ounce of virtue in colour or race. I warn you: This is not a bandwagon, and neither is it a racial club. I say that because I know some of the black folks in their communities around the world, are looking for a black Moses, a deliverer of some sort. But I have to tell them now, unfortunately, they will not have one, for that dream has no Bible base! Moreover, this is not about black power. Neither is this a black movement. This is about God's plan of salvation which we have in Christ. **It is a move strictly for the bride of Christ.** As such, without a true revelation, it will do you no good standing for the continuity move, for **“WITHOUT FAITH”** (That is, without revelation), **“IT IS IMPOSSIBLE TO PLEASE GOD”**, and you will go nowhere, when the bride leaves this world. You must stand for this continuity move, strictly on account of truth, for truth is what you must follow. It is the continuity revelation message of Jesus Christ you must follow. You have

to see the plot. I say that because there are people that will take a stand, thinking: *Well, if it is a black man in the lead, then I will stand for him.* I also know there are people who will not follow because the lead apostle is a black man, more so that he is an African. Having such an attitude only shows they do not know what God is doing! They are not following Christ! They are only following flesh! Because, brothers and sisters, you cannot join in on the basis of colour, neither can you reject the move on the basis of colour. It has to be strictly on the basis of revelation, because there is no virtue whatsoever in skin colour or race. Remember, there are men that also followed Brother Branham and Brother Jackson, simply because they were white men, but where are they now? I ask that because they didn't see anything! This is not about white skin! And it is not about black or coloured skin either! It is strictly about truth, and about the programme and the move of God! Better open your eyes to truth, and don't lift up any colour or race above another. Follow the revelation of Christ. That is what gives life. Do not be tribalistic, and do not be a racist. If you do, and you reject the truth because of the colour of the bearer, you reject Christ. You will only undo yourself, and you will have no one to blame at the end of the day, but yourself, for there is true love and mutual respect, in the true body of Christ. Please follow the

light. Follow truth. Follow the true light which the Word of God gives. Remember, there is only one true gospel. And in it is revealed God's programme for the redemption of man.

This is the day of Ham. And I do not care what they say out there in the movement. Ewald Frank of Germany, in one of his books, *The Time Is At Hand*, tried to say that his country is ordained by God to carry the baton of leadership, after the death of Brother Branham. But where do you see that in the Bible? Let me tell you this: You cannot lift up prophecy, or the massive followership of a man, above the Word, because the Word of God supercedes any prophetic utterance. Moreover, true leadership is strictly in the light, and the massive followership of a man's ministry around the world, does not show he is standing for truth (i.e. it does not show that he is bearing a true revelation), because you have two big and successful ministries in the days of the prophet, in terms of followership and world wide acceptance, but Brother Branham called them, ***“The two blinding angels!”*** And that statement refers strictly to Billy Graham and Oral Roberts! Truth is what makes the difference! A ministry's success, is not determined by followership, but by his stand for truth! If you doubt that, and you want to believe God turned to Germany after the death of the prophet, for

leadership of the bride Universal, it is simply because you do not have a revelation of the plot of God! You do not see the plot! And I will also have to ask you: **What revelation of truth has Ewald Frank been used of God to give, in all these years, other than the truths we already received from the prophet?** Some of the Bible picture, like the issue of *Marriage And Divorce*, he has even muddled up! I ask you: What continuity revelation did he bear for the bride? None! I have his books! Except that God used him to publish the Sermon books of the prophet, in different languages, just like the Voice Of God Recordings are doing! He has done that most successfully, particularly in Eastern Europe. The truth still remains, that he bore no revelation of truth, to bear the standard. He didn't! But the chief apostle to this age, whose ministry took over from Malachi 4:6B Elijah, bore extensive and incredible but true continuity light! Moreover, I have to ask: Where in the Bible do you see God turning back to Europe for the leadership of the bride, and specifically to Germany? Remember, Germany is one of the ten horns of Europe, the Roman Beast Empire in its end time restructured geographical entity! Moreover, there is no true leadership God will set in any part of this globe, that will present to the Universal bride of Christ, a warped picture. As far as headship or leadership is concerned after William Branham, it is Raymond Jackson, being

the chief apostle, ***“He That Is To Come”***, as foretold by the prophet, in March, 1963, on page 567, paragraph 4, of the Seven Seals book, where the prophet declared: ***“It may be time. It may be the hour now, that this great person”*** (Not Christ in his person, but Christ by his Spirit in the ministry of the chief apostle, just as it was Christ by his Spirit, in the ministry of Brother Branham, fulfilling 1 Thess. 4:16 Shout, a prophecy which states categorically: ***“For the Lord H-I-M-S-E-L-F shall descend from heaven with a SHOUT...”***. But the shout is the awakening and preparatory message of William Branham, the Elijah of Malachi 4:6B! It is not Jesus in his person, but Jesus by his Spirit in a ministry! It was the Spirit of Christ in the prophet's ministry! I take the quote again:) ***“It may be time. It may be the hour now, that this great person that we're expecting to rise on the scene may rise on the scene. Maybe this ministry that I have tried to take people back to the Word has laid a foundation”*** (And that is exactly what his ministry did! His ministry as Elijah laid the foundation for the projection of the apostolic ministry, the beginning fold of the five fold ministry). ***“And if it has, I'll be leaving you for good”*** (And he did, about two and a half years later!). ***“There won't be two of us here at the same time. If it is, he'll increase, I'll decrease”*** (Because pre-eminence must always lay in God's subsequent move, in order

to accomplish God's plan of salvation). ***“I don't know. But I have been privileged by God to look and see what it was - unfold to that much. Now that is the Truth.”*** Earlier in the same year, in his message titled, *Spirit Of Truth*, which he preached on 18th January, 1963, at the Church Of All Nations, Phoenix, Arizona, the prophet had made a serious prophetic pronouncement, to post us ahead, of a continuing move, a move which would give us continuity to his message. On page 4, paragraphs 2-4, he declared: ***“And everything that He has placed here on earth is for His glory. The stars are for His glory. The winds are for His glory. The flowers are for His glory. And we are the crowning of His glory. But it seems like that everything will obey Him but man. Man just seems to... He has such a time, because that he was the only thing that fell. Everything else stayed in its original condition. But, man fell. Therefore, God has a battle with him, to get him to do what is right, and to obey. And one of the great problems for God, down through the years, as the history of the church goes, is to find somebody that He can completely get in His control. He only needs one man. He's always used one man AT A TIME. We studied that last few nights: One man, not a group. He just wants one. That's all He needs. Cause, two men would have two different ideas. He just makes one***

*man, represents Himself through that one person. Never did He do it otherwise than that. See?"* (Now listen to what he says next on page 6, paragraph 7:) ***"It may be my home-going time. It looks very much that way"*** (The prophet knew his ministry was at an end). ***"If it is"*** (in other words, that being so) ***"THERE WILL RISE S-O-M-E-B-O-D-Y AFTER ME, THAT'LL TAKE THE MESSAGE ON."*** (i.e. Bring continuity to the Message! It means nothing else but continuity!) ***"HE'LL BE AN ODD PERSON, BUT HE'LL RISE AFTER THIS AND TAKE THE MESSAGE ON. AND YOU LISTEN TO IT. AS LONG AS IT'S SCRIPTURE, S-T-A-Y WITH IT."*** Why did he say stay with it as long as it's Scripture? It is because he will shed new light, touching truths the prophet was not used of God to reveal, bringing continuity of revelation to the message the prophet brought! Yes! That's exactly what it is! And that is exactly what God used Raymond Jackson to do, following the death of Brother Branham! I say all that to establish the fact, that God did not revert back to Europe for that leadership! For the Sun in its course, does not move in reverse! It does not! And with the death of Brother Jackson, you cannot turn to Europe either, or to Japheth, for the bearer of the standard of truth. God moved from Europe to America, at the beginning of last century, and you cannot turn back to Europe for that leadership. You have to look to Africa!

I just showed you the prophetic input of the three wise men, in relation to the three sons of Noah, the three main races of man, in relation to the body of Christ! You cannot bring Ewald Frank's projection out of the Scriptures! Moreover, Germany cannot now be singled out, for it is Japheth, and it forms part and parcel of the ten horns! Furthermore, Japheth's day is over, in bearing the standard! They have borne a lot, and have done a tremendous work, a great work. But this is the day of Ham, and he bore gold, which is strictly in relation to the time application of his input. Remember, the revelation of God is one, and the standard of truth is one, for God does not have a double standard. Truth is truth, for truth is one. It holds, in any part of this globe. I will now give the witness of the chief apostle on the Input of Ham, before introducing a clincher, from the message of the prophet, on this issue, for the revelation of God is one. It is one.

At a point in time, in the ministry of the chief apostle to this age, Brother Jackson, a ministry which the Branham movement do not see, and would not accept, till this day, in bearing the testimony of his apostolic ministry, he said emphatically, in 1977, in his message titled: The Apostle's Office, Part 1, page 8, column 2, of the Contender, and how prophetic the statement is: "***I know SOMEWHERE,***

**God is going to have SOMEONE, who will have enough of God in HIS LIFE, enough BOLDNESS, enough determination, to stand for THE TRUE E-N-T-I-R-E WORD OF GOD."** The fact that the person is to stand for the entire or complete Word of God, shows he would bear the last witness! That gives us (in the bride), the John of today! Brother Jackson continued: **"No, he will not stand in defense of men's flesh, but he will stand in defense of the resurrected Christ, and the true revealed Word of God."** Saints of God, that statement in itself, gives us the third move for the end time bride, the next move after the chief apostle, for it looks forward to another ministry, that will stand to vindicate his own ministry (his office), and his message of continuity, and what God has used him to accomplish on behalf of the Universal bride, and also bear the balance of revelation for the bride, **tying up whatever loose-ends remain in the message.** It was a visionary and hence a prophetic utterance, for he was earnestly looking forward to something, someone to stand in his defense! But he did not know where the brother would come from! Hence we could not apply it to any particular race of people, until almost three decades later. But after God used me to write three books on his ministry, in the light of the Word of God, the last book being in year 2004, *He That Is To Come*, he

suddenly realized, God was turning to Africa, and from Africa, would later come the voice that would bear the standard of truth after him! Hence, on May 2nd of year 2004, Brother Jackson said to me in open service at Faith Assembly, as I was asked to dismiss the church, he said: ***“Brother Amos, I want you to know we are so glad to have you. It is a privilege to know you. I thank God our paths crossed.”*** Those words brought tears to my eyes that day, to hear that from the chief apostle, when in fact, I am the one privileged to have met him! And I must confess, I never really understood the real implication of those words that day. I was not to understand it, until his death. He also said later from the pulpit: ***“It took a black man FROM AFRICA, to show who I am, and to show my place.”*** I have to ask: Why did God reserve the revelation of the precise office Brother Jackson occupied, for a black man from Africa to bear for the world? It was to be a pointer, that following the death of the chief apostle, God was turning to Africa, for Ham's input! This was God's way of inspiring Brother Jackson, but in a humble way, to point to Africa, for the input of Ham, which would come after his death! This is a statement that is being denied today at Faith Assembly, USA. But Brother Suggs informed me personally, and also told his assembly from the pulpit, that Brother Jackson said exactly the same

thing to him! He said he passed a comment to Brother Jackson about me, whilst they were discussing on the phone: ***“That Brother Amos, Isn't he something?”*** He said Brother Jackson replied, ***“Yes, he is. It took a black man FROM AFRICA to stand for me, and to SHOW WHO I AM.”*** Brother Clarence Hester informed my wife and I, that Brother Jackson made the very same remark to him concerning me. As a matter of fact, after I had taken my message at Faith Assembly, titled, Locating God: The Visitation of God, Part 2, on Thursday 30th September, 2004, during the mid-week service, the week after the Fall Convention, and the church was about to be dismissed, Brother Jackson asked my wife and I to stand at the back of the church, so that all the brethren could shake our hands as they passed by, as a way of saying goodbye. As we stood there, Brother Jackson came and stood between my wife and myself, and said to both of us: ***“We have seen the blacks excel in the field of sports, and in all entertainment. But in this way, they are just not there.”*** Then he said, referring to me: ***“It is so good to see God use a black man LIKE THIS.”*** As we were leaving the church building, I informed him of the meetings I held in Cartersville, Georgia, specifically of the pathetic attitude of the ministry there towards his own pastoral responsibility, the effect it was having

upon the people, and the message I was forced to take there, titled: The Burden Of The Ministry, just to let him know of developments within his domain. He said to me, **“Brother Amos, if your ministry does not shake them there in Georgia, I don't know what else will.”** And with these words, we said our goodbyes, and departed from the building. Unknown to me, that was to be the last time I would be seeing him. The following day, 1st October, 2004, my wife and I left Faith Assembly to hold meetings in East Chicago, and from East Chicago, we left for meetings in Manitoba, Canada, from where we returned home later that month. These are part of the open testimony the present day ministry of Faith Assembly wanted to tear down. It was not because of any error. They really thought they could stop God's plan. Let me tell you this: There is no devil that can stop the plan of God for Ham. But don't expect people to jump in the boat and say, Praise God! No! Selfishness, ego, racial sentiments, jealousy, ambition, and unbelief, will not allow them to. Yet, God used the chief apostle, to put the Universal bride of Christ on notice, having seen God use a black brother from Africa in that way, for the very first time; Brother Jackson was used to put the bride on notice, that God was turning to Africa, and from the Continent of Africa, God would raise up another voice, after he is gone, as

the lead ministry! By all these utterances, we were all being posted to subsequently look to Africa, for Africa's turn to bear her input, would follow! That is why Brother Jackson said, there is coming a voice, a lead voice, an apostolic voice, to initiate unity. He said precisely: ***“God will NOT START with the voice of men. He will”*** (Future) ***“Start with the voice of ONE MAN, that will lift up the truth, strong enough, loud enough, that those men will know, God's in it... and that's what I'm saying this morning. If there's unity, there's got to be the voice of ONE MAN, who all the other men will get aligned with.”*** Brother Jackson laid that out in *The Body Of Christ*, Part 5, on 5th September, 2004. Again, in *The Great Mystery*, printed in the Contender in 2004, Part 117, page 7, column 5, he said: ***“Out of the shadows, God is going to set A MINISTRY, out front.”*** (A leading ministry), ***“That is going to stand true to his call, his purpose, and to the revelation of truth that has been restored.”*** I want you to realise, there is not one of these quotes of Brother Jackson you can vest in Japheth's race, for fulfillment. You can't! They all synchronize with the prophetic utterance of Brother Branham, which I will give shortly. All of them point you straight to the tabernacle of Ham! They point you to Africa! They all point you to the lineage of Ham! It does! They constitute the witness of the

chief apostle.

There was also a prophecy by God, given sometime when Brother Jackson was still on the ground, where the Spirit of the Lord said, ***I will do a strange thing, things that will begin to tear down the tradition of man's thinking.*** Saints, if you cannot see what the strange thing is, then I ask you: What strange thing can tear down man's traditional way of thinking? It has got to be a voice of truth! What tears down tradition if not truth in projection?! So, God was warning us, There will come a surprising thing. What is the strangeness or surprise about? **The strangeness or surprise is because of where the ministry would come from, A-N-D the manner of that ministry.** For the first time, God is visiting the tabernacle of Ham, to lift up a voice, that from Australia, to Canada, to the United States, to Europe, to Africa, to Asia, to Mexico, to the Philippines, I do not care where the bride of Christ is, they will have to look to Africa for spiritual direction, and continuity truth, under the leadership of the Spirit of Christ, for God has ordained to set Ham, as a light of the Gentiles, at this end time, to the ends of the earth, in this third and final move, in this hour of perfection. Ham will bear the final witness. You just have to see the plot. Praise God! For the very first time, the Continent of Ham is

bearing the standard of the light of the gospel of Jesus Christ. It is strange! It is a strange thing! You are looking at a ministry established by God in Africa! This is God's master plan, and it takes you straight to the tabernacle of Ham! The Spirit of God is showing us what He is doing at this very end! I therefore ask you in all sincerity, knowing that this is not a game, and because time is short: How can you follow Brother Jackson, and deny this humble, but serious warning, when this is not a joke?! How can you believe Brother Jackson's continuity message, and reject the way forward he laid out for the bride? Open your eyes, for this is the end! You must realise there will be no age after this, to bear testimony of what God is doing today. And as such, in this hour, everything will be made plain, and God's logistics will be laid out bare for the seeds of God, and no man will have any excuse, for not walking in the light. I have a crucial quote of the prophet I must now lay out, to further back up my projection, as it is most vital to this message, seeing that it bears heavily on the thought of this book: *The Input of Ham*. It synchronizes with the witness of Brother Jackson, and like I stated earlier, it is a clincher. I lay this strictly to help God's people see the truth, for time is short. The quote is as follows: ***“Now, in the Name of Jesus Christ, the SON OF GOD, I take this audience under my control, for the Holy Spirit,***

***by the Holy Spirit, in the Name of Jesus Christ. I ask you, as believers, don't you move. Set still. And you believe that Jesus Christ is the same yesterday, today, and forever, that I'm here to make known His WORKS" (That is, the works of Christ) "And His WAYS" (His moves). "I been very reluctant on these things, the fifteen, sixteen years I been on the field. But THERE'S AN HOUR COMING NOW" (Future) "When something is fixing to take place" (What is that something?) "The Message will go to ANOTHER NATION" (A different nation: That is, the message continuity light will be borne by another nation), "ANOTHER PEOPLE." That is, another race, another lineage. You have to see that, for the Sun in its movement, does not go back on itself! It moves in a continuous forward cycle! I say that because you cannot take this quote to Europe for fulfillment! But please note, this quote could not be fulfilled, and cannot be placed for fulfillment, until after the input of the chief apostle to this age, Raymond Jackson, a fellow American like the prophet, and one who is also from the lineage of Japheth. Note that! Because you cannot nullify the plot of God, in the establishment, and in the projection of the five fold Ephesian ministry, which follows Elijah's ministry, and which is produced by the message of Elijah! You cannot! You cannot sideline the office of the chief apostle of this***

end time! If you do, you are not speaking by the Spirit of God, for the office of the chief apostle, is the first ministry produce of Brother Branham's ministry and message! You would only be overturning God's Scriptural plan, by sidetracking the apostolic head, which starts first with the office of the chief apostle. The prophet is talking of a different people, a different race. This race cannot be the white race. It cannot be Japheth! We will take the quote again. ***"...I'm here to make known HIS WORKS AND HIS WAYS. I been very reluctant on these things, the fifteen, sixteen years I been on the field. But there's an hour coming now when SOMETHING IS FIXING TO TAKE PLACE. The Message will go to ANOTHER NATION, ANOTHER P-E-O-P-L-E. But while we are in the Presence of His Holy Being... The Church in America, I believe, is just about called out."*** This was a prophetic utterance by the prophet under divine anointing, with the presence of the angel of the Lord, when he was praying for the sick on the prayer line, in his message titled, *Accepting God's Provided Way At The End Time*, preached in Phoenix, Arizona, on 15th January, 1963. I ask: How can anyone, with an understanding of the Scriptures, and of the move of God, apply this to another Japheth? The ***"another nation, another people"***, refers strictly to a people, a race, a **Continent**, that have never borne any

input, to the body of Christ, on a Universal scale, because she had never borne the standard of truth for the world! This quote applies strictly to Ham! It applies strictly to Africa, and applies only after the bride has first received the input of the chief apostle, and not before! You have to see that! And to those who may think that the prophet's utterance means that the message will simply spread to another nation, another people, if that is really what the prophet meant, I must ask: Is the message ordained only for another nation, and another people, and not for the Universal bride, made up of many nations, and many peoples or races? Think about it! Moreover, why would the prophet reluctantly hold onto that quote for fifteen-sixteen years, when his message is supposed to go round the world, to catch a Universal bride?! Wake up! Therefore, this quote is referring strictly and prophetically to the message continuity standard, which another race will bear, and it relates to a specific nation within that race, and that nation cannot but be Nigeria! But with the notoriously bad image Nigeria has abroad, just as Nazareth had a very bad reputation in the earthly days of Christ, you may ask: *“Can anything good come out of Nigeria?”* The only way we can find out is to come and see! That is, to test the various voices coming out of the Country, with the Word. I have to say that, for we must ask: Why did the BBC

trace the gospel movement and leadership to Africa, and to Nigeria to be exact?! That should tell us something! Think of it! Yet, they do not know what we know, and Nigerian organizational ministers, are already affecting the religious world on a global scale, putting Nigeria in the spotlight! Remember, the natural types the spiritual, and the carnal always goes ahead of the spiritual. Do not forget that.

Saints of God, I want you to know of a certainty, knowing it is the will of God, that at the end of the grace age, Ham will finish this thing, by bearing the standard of the gospel light, not Japheth. The input of Ham is ordained by God for this hour of perfection, which the five fold ministry will bring about, an hour which all the church ages look to, and for which reason God is first putting together the apostolic head of the ministry, to set the ball rolling. And I want you to know the move is on, for we are definitely going to have more than one apostle from the tabernacle of Ham, for Ham to be able to bear his input. **As such, a number of Ham will definitely make up part of that apostolic head. You have to see that!** Remember, I did not say Nigerians will make up the apostolic head! I said a number of Ham will make up PART of it, for a meaningful input of Ham! That definitely gives us more than one nation in the African Continent, the tabernacle of Ham, out of which will come apostles, who will make

up part of the apostolic head. You have to see that! There is a lot more I could share, but I will leave it as it is. But make no mistake: This is the day of Ham! Thus saith the Lord! **God started the grace age with the lineage of Shem, and then used the lineage of Japheth for most of the church ages, and He is now wrapping it up with the lineage of Ham.** And when you look at the dealership of the Spirit of God in projection in the entire grace age, and how He gives an input through the three sons of Noah, into the Kingdom of God, on a global scale, you cannot tear down the revelation of The Input of Ham, and bring a wall of division in those three sons, in their racial projection, within the body of Christ, leaving one without a deposit, an input of grace, in this gospel plan, on a Universal scale, when Ham is an integral part of that body. You are not looking right! That is why Christ promised: ***When the Comforter comes, He will show us things to come.*** Brothers and sisters, there are a lot of other witnesses of Brother Jackson I can bring, to back this up, for those who truly believe his continuity message, but it is not necessary. But I tell you, this is the day God ordained for Ham to bear the light for the Gentiles. **As such, the standard bearer has to come from Africa.** You do not have to accept or follow him in his light. But I will tell you now, according to the prophecy the Lord gave us, From the East and West, and from the North, to the South, even from Germany,

and from around this world, they are going to come to Africa, and specifically to Nigeria. They will come, one by one, not every bride saint, but as many as God has ordained to come, even as God promised. Why? Because of the continuity light of Christ which Ham bears! You must realise that Ham will finish this thing. In a prophecy which was given by Marc Stewart, on the morning of Sunday 23rd September, 2002, in a service in Bloomington, Indiana, USA, right before my message that day, titled: *The Days Of Elisha*, the Lord said: ***“Yea, my people, I say unto thee this morning, there is truly A PATTERN WHICH I HAVE ESTABLISHED, and which I would inspire and anoint men through the ages of time; and I say, I have done this because that which thou would hear, is not for the wise and the prudent of this world. Yea, but they are for those who would come to me with a simple and a humble heart; those who have a desire to understand my ways; those who would seek truth from one end of this earth to the other. Yea, I have truly established this way, that those who I have called, and those who I have chosen through my name, yea, that they would come to me in the c-l-o-s-i-n-g days of time. Yea, and THEY WOULD GAIN AN UNDERSTANDING OF WHAT I AM DOING IN THE EARTH, AND HOW I AM PREPARING MY BRIDE to leave this world, Saith the Lord.”*** That plainly lets you know, God will lay out

His logistics at this end time, for the elect bride of Christ. And let me say this: Brother Jackson knew the next move, for he had a perfect revelation of the plan of God, and he was not ashamed or afraid to testify openly of it, because he was not a racist, for no racist would do what he did, that is to testify of Ham, openly before the world, in the Convention, via the internet. He did that, because he was a true apostle, yoked to the leadership of the Spirit of Christ, and sold out to God's master plan of salvation, as God's faithful servant, and **the last standard bearer, from the lineage of Japheth**. This is our day. I say that to every elected bride saint, called from the lineage of Ham, the black and coloured race. A day Ham is bearing his input. But please, look at truth. Do not look at flesh, otherwise, truth will pass you by. But we certainly rejoice in the mercy and goodness of the Almighty God towards us. For God has visited us, in our lowly estate.

In a message titled, *The Presence Of God Unrecognized*, which the prophet preached on 18th June, 1964, in Topeka, Kansas, on page 19, paragraphs 3&4, he laid out a deep prophetic picture, for it has a prophetic significance. He said: ***“Now, notice, there has never been a time in the history of the church age... And I know of one real student I'm talking to, a historian. There has never been. I'd ask any student of the Bible to tell me ONE***

**MAN that was ever sent to the church age, in this church, since the crucifixion of Christ, a worldwide ministry, that his name ever ended up with h-a-m, like A-b-r-a-h-a-m, until this day. Sankey, Finney, Moody, Knox, Calvin; but wherever was there a G-r-a-h-a-m before, Billy Graham, the great evangelist out there with the denominations, that's in Sodom? Never. There is a modern Oral Roberts out there with the Pentecostals, the same thing. Did you know that? But, h-a-m! Now, G-r-a-h-a-m is only six letters, but A-b-r-a-h-a-m is seven letters. Six is man's number, man's organization, man's doing; but A-b-r-a-h-a-m is seven letters. Now notice, in the Church elected that's pulled out, not those denominations, but the Elected church to stand out, it's to get a messenger, too, in this last days."**

But I ask: What is the name of that star messenger to this Laodicean age? His name is B-R-A-N-H-A-M, seven letters, the number of completion. As related in his message titled, *Standing In The Gap*, preached at the Branham Tabernacle, on Sunday 23rd June, 1963, God spelt out the prophet's seven letter name on seven mountain peaks, as a sign for the prophet, and as God's covenant with him, thereby emphasizing something! Now listen closely. In the beginning, in Genesis, God changed Abram's name, by removing the letter "m", and adding h-a-m to it, to

make A-b-r-a-**h-a-m**. That instantly and prophetically made him the father of many nations, and in him also, all nations were to be blessed, and are blessed. Remember, Abraham is the father of faith, which is the father of **all faithful**, speaking of the Universal body of Christ, for which reason God added ham to his name, making Ham, prophetically, part of the commonwealth of Israel. Please follow closely, for you have to see it, for it has a deep prophetic implication. That gave us in the beginning move of God to get a nation, a nation that would carry the message of redemption in Christ, in types and shadows, an A-b-r-a-h-a-m. Now at the closing age of that redemption, typed in Abraham's day, and also typed by the prophetic projection of the Law and the Prophets, we have a G-r-a-**h-a-m**, six letters, sent to the denominations. But we also had a B-r-a-n-**h-a-m**, seven letters, sent to the elect bride church, for his name also bears h-a-m as its closing letters. Why is this so? It is all speaking of Ham! It shows, that as h-a-m was joined to Shem in A-b-r-a-h-a-m, so would h-a-m be joined to Japheth, in B-r-a-n-h-a-m. Pay attention, for this is what all this is pointing to, and where it would end up. We have had A-b-r-a-h-a-m, in the beginning, and at this end time, we have had B-r-a-n-h-a-m. But we do not have, and have never had **h-a-m** himself. I declare to you, This is the day of H-A-M. Saints, believe it, for it is the truth.

In wrapping up this message, I feel moved to warn you, for you should remember, all through time, the move of God has always started in a humble, and in a very quiet and simple way, away from the public, away from the glare of the world, and without noise. Note that, for God remains the same, in all His ways. He does not change. Therefore, in locating the voice of the standard bearer for today, from the Continent of Ham, you have to look for truth, continuity truth, for that is what will identify him. Do not look for fire and smoke. **LOOK FOR THE STILL SMALL VOICE.** For Jesus Christ is revealed in the unveiling of the Word of God. And in his revelation, is life. This is clearly the day of Ham's input. But please note, as I have said before, I do not share these things to lift up human flesh, or race, for man is nothing, and we are nothing, but to show you what the Lord is doing today, in the light of truth, for the bride of Christ, out of His own sovereign will, through the race of Ham, for no one can deny or take away, the apostleship of Ham. And we must also realise, even as it is written in John 3 verse 27: ***"A man can receive nothing, except it be given him from heaven"***, for if God be not in something, you have nothing, and can do nothing, and will accomplish nothing, that God will honour, and in the end, you will fail. **This is the day of Ham.** And if nothing stopped Shem and Japheth, from giving their

global input into the body of Christ, nothing will stop Ham either, for God's will is sovereign. But irrespective of individual or collective feelings or stand, the elect bride church is obviously, and unstoppably, moving on, and truth will have the last say, and the last laugh.

May God bless you, and may God confirm truth, to every predestinated bride saint, around the world. Amen. **This is the day of Ham.** This hour of perfection, definitely belongs to Ham. IT IS NOT THAT HAM ALONE WILL MAKE UP THE FIVE FOLD MINISTRY, FOR THE FIVE FOLD MINISTRY IS A UNIVERSAL MINISTRY. IT IS THAT HE BEARS THE STANDARD OF TRUTH, AND ALSO THAT WE WILL HAVE MORE THAN ONE APOSTLE FROM THE LINEAGE OF HAM, IN THAT APOSTOLIC HEAD OF THE UNIVERSAL BRIDE,
