GOD IN THE LAODICEAN AGE - THE YEAR 2005 PART 2

This message is the concluding part of the beautiful breakdown of events which God has mapped out for the Gentile bride in this last age, and was preached by Brother Amos, on Tuesday 25th March, 2014, at Bible Faith Tabernacle, Lagos, Nigeria. Praise God for the fresh carcass of His Word, and for the abundant continuous light that is getting ever Brighter!

Good evening church. May God bless you all. We want to continue the message we started last Sunday titled, *GOD IN THE LAODICEAN AGE THE YEAR 2005*. In this message, we are asking: What happened in the Year

2005? Sister Ivba Onyebuoha testified that at the death of Raymond Jackson, the chief apostle to this age, in December 2004, she called his home in the United States to confirm his death, and his wife, Sister Opal, having first confirmed his death, also informed her that Brother Jackson told her to watch 2005, that something was fixing to happen in 2005, for God was going to do something in that very year for the bride of Jesus Christ. So, we ask? What happened in 2005? This is the question Brother Richard Ofori asked me in his email from the United States. And it is this very question that prompted me to take this message. Last

Sunday, we took a quote of William Branham, the star messenger to this age. We will therefore take that quote again, and continue with our message from there. Talking strictly of the racial change in the carriage of the Torch of the Message of Jesus Christ, the Torch of the Gospel of Christ, in his message titled, *Accepting God's Provided Way At The End Time*, page 37, paragraphs 279-281, the prophet to this age declared prophetically and categorically: "... I ask you, as believers, don't you move. Set still. And you believe that Jesus Christ is the same yesterday, today, and forever, **THAT I'M HERE TO MAKE KNOWN HIS WORKS AND HIS WAYS!** I been very reluctant on these things, the fifteen, sixteen years I been on the field. **BUT THERE'S AN HOUR COMING NOW WHEN SOMETHING IS FIXING TO TAKE PLACE.**" (And what exactly was fixing to take place? He spelt it out plainly, declaring categorically): "**THE MESSAGE WILL GO TO ANOTHER NATION, ANOTHER PEOPLE!**" Now, the question we must ask is this: When do we apply this prophetic

statement? When precisely will the carriage of the Gospel move to another race? Which race is this prophetic insight looking at, and when exactly will the baton of truth pass? Again, in 1960, when he was preaching on *The Seven Church Ages*, on page 36, paragraph 5, William Branham stated enthusiastically: "***Now, when is the Gospel returning to the Jews? When the day of the Gentiles is finished. The Gospel is ready to go back to the Jews. Oh, if I could just tell you something that is about to happen RIGHT IN THIS OUR DAY,***" (RIGHT IN THIS LAODICEAN CHURCH AGE. He continued, saying): "***THIS GREAT THING THAT IS ABOUT TO HAPPEN WILL CARRY OVER TO REVELATION 11***", (being a Connecting Gentile Ministry), "***AND PICK UP THOSE TWO WITNESSES, those two prophets, Moses and Elijah, turning the Gospel back to the Jews. We're ready for it. Everything is in order. AS THE JEWS BROUGHT THE MESSAGE TO THE GENTILES, EVEN SO THE GENTILES WILL***

TAKE IT RIGHT BACK TO THE JEWS, AND THE RAPTURE WILL COME!" The question also is this: When is this great thing set in motion? That is the issue, for all these quotes are prophetic, for they all look forward, and all speak of a future event ordained in this last age of Gentile Christendom! So, the material question is: When do we apply them? Raymond Jackson prophesied of "***A STRANGE THING***" God will do in the earth, to tear down the traditions of men's thinking. He also spoke specifically of "***THE THIRD PHASE***" to come in this Laodicean age, in completion of the Move God started through the star messenger to the age, for the bride of Christ. Then, finally, he also warned his wife, Sister Opal, to "***WATCH THE YEAR 2005***", declaring that God was going to do something in 2005 for the universal bride, and she was to watch that year. Brothers and sisters, I am giving you the testimony of Brother Jackson, because the man knew his days were over, and he pointed forward to a specific year! We did not know in that day that his time was up.

But he could see the manner of ministry God was setting in place as his successor lead apostolic ministry, because he had the wisdom of Christ. He saw the manner of ministry, and he realized, *“Oh, this one is not going to play games with anybody.”* In fact he stood one day, he said to his people in service, right in my presence, words which amount precisely to this: ***“In this last move, TRUTH IS WHAT IS GOING TO SETTLE IT. Do not say, I do not like him; he speaks rough. Do not say that, because truth is what God is going to use to settle this thing.”*** That is a man trying to help his people, warning them, saying implicitly or impliedly: *“Oh, do not stumble on this stone! This may be a rough stone, but do not stumble on it, for it is a stone of truth. Truth and not personal or racial sentiments is what determines God's last Move, for salvation is by faith, for it is strictly by the revealed Word!”* In his day, William Branham spoke also prophetically that ***“THE MESSAGE WILL GO TO ANOTHER NATION, ANOTHER PEOPLE.”*** He again spoke of ***“THIS GREAT THING”*** that will

carry the Gentiles over to the hour of the Jews, to connect with the ministry of the two Jewish prophets. All the five testimonies I gave, testimonies we received from the two major consecutive ministries God set over the end time universal bride, the Elijah-star messenger, AND the Chief Apostle, all synchronize with regards to God's vessel of choice for today, and in their year of application. Brothers and sisters, you are looking precisely at the Year 2005, for all these quotes relate to Year 2005! Do not forget that the application of prophetic utterances such as these has a specific time application, and a specific ministry application, and they all synchronize in their ministry projection, as well as in their year of application! You are looking specifically at 2005! So, what happened in 2005? Brother Richard, 2005 was the year God turned to Africa, for it was the year when the Dayspring from on high visited us. It was the year when the racial move of God changed, when God left the race of Japheth, to come and set in motion the ministry of the race of Ham, IN the continent of Ham,

that we may carry the light of Jesus Christ for the body of Christ universal, right up till we go in the rapture. It was the year when the Input of Ham was set in motion, for that was the very year when THE MESSAGE MOVED TO AFRICA! Consequently, 2005 was the year when the ministry of the end time John of Revelation Chapter 10, verse 11, was set in motion. Year 2005, therefore, brings us, brothers and sisters, to the third and final junction of time in this last age, in God's dealing with the bride of Christ. However, looking back to William Seymour's hour, 2005 brings us to the fourth and final junction of time in Laodicea. The next junction of time brings us to that of the two Jewish prophets, Moses and Elijah, in the 70th week of Daniel. As such, for us Gentiles, this is where it ends, for this move of the truth, which began in 2005, is where it all ends for us. That was the very year the lead apostolic ministry of John from the Hamitic race, was set in motion. Come with me to consider the wrap up ministry Jesus Christ gave

in his prophetic revelation, way back there in 96 AD., for the Master gave us John. Brother Richard, we have a reason for rejoicing, for the Lord has given us a song to sing, and it is in fact THE SONG, BEING THE ONLY SONG HEAVEN WILL ACCEPT. It is not vain talk, for we are not punching the air, and we are certainly not chasing shadows: We are standing firmly upon the solid and immovable rock of the revealed truths of Jesus Christ of the Bible. It is by the grace of God, for it is solely His doing, and all glory therefore goes to Him. In Revelation Chapter 10, verse 11, Jesus Christ declared categorically to John, just as it is written: **“And he said unto ME”, (A SINGULAR PERSON), “THOU MUST PROPHECY AGAIN”, (which is A SECOND TIME), “before many peoples”, (which means before many races), “and nations, and tongues, and kings.”** This prophetic verse gives us the Promise of John. Remember, this is an angel characterizing Jesus the Christ. So, we can say this is Jesus Christ in angelic form speaking to John prophetically, giving him a commission. But it is a commission which he did

not fulfil before he passed away IN Asia Minor, around 100 AD, because it was given to him for and on behalf of the end time John. As such, it is a commission reserved strictly for the end time John. And John means *Jehovah's GIFT*, and John is indeed a gift to the end time bride of Jesus Christ! And to those who are trying in futility to knock the truth of John, let me tell you now, that you will never be able to pluralize the application of this prophetic commission, for ONLY ONE MAN fulfilled a prophetic ministry in 96 AD., when this divine encounter took place on the Isle of Patmos, and consequently, ONLY ONE MAN can fulfill it today as well, for as I have been warning whoever has ears to hear, the commission is asking strictly for A REPEAT MINISTRY. I care less what chattering squirrels are muttering around the globe to the contrary! Truth remains the truth: **“And he said unto ME”, will therefore never become, “And he said unto US.”** Otherwise, you will have to pluralize the entire Chapter, for John spoke in singularity in the entire Chapter, except and only except, when it comes to

the plural ministry of the seven thunders. Period! Fight that! **“And he said unto me, Thou MUST”** (Not thou may; not thou could, or if you wish; Not thou should; not even thou may, if circumstances permit; or if the Jackson Movement will allow; or if the Branham Movement accept it). Oh, my! I feel religious this morning! Thus saith the Lord can never fail! It is good to see the light. Thank God for His grace! The inspiration or divine command which John received to eat the entire scroll of redemption, where did he get that authority from? It was directly from heaven, from the God of heaven and earth! Verses 8-11 declares: **“And the voice which I heard FROM HEAVEN spake unto ME again, and said, Go and take the little book which is open in the hand of the angel which standeth upon the sea and upon the earth. And I went unto the angel, and said unto him, Give ME the little book. And he said unto ME, Take it, and eat it up; and it shall make thy belly bitter, but it shall be in thy mouth sweet as honey. And I took the little book out of**

the angel's hand, and ate it up; and it was in MY mouth sweet as honey: and as soon as I had eaten it, MY belly was bitter. And he said unto ME, Thou MUST PROPHECY AGAIN before many peoples, and nations, and tongues, and kings. Where do you see plurality here? You cannot pluralize this text, because if you pluralize one verse, you have to pluralize all other verses; because they all relate to the same person, by the same Spirit of God, and in the same context. Moreover, I must ask you: Since the foundation of the world, from the Book of Genesis, right up to the Book of Revelation, where has any man ever eaten a scroll in a prophetic experience, and that eating is applicable to a plural ministry? Let these noise makers answer me! Brothers and sisters, Revelation Chapter 10, verse 11, gives us nothing but John's global lead apostolic ministry outreach, at this very end of time in Laodicea, and I am here to announce to you that that ministry was ignited or set in motion precisely in Year 2005! Full stop! That was the year we received the gift of John, for that is the meaning of John: JOHN

MEANS "JEHOVAH'S GIFT." And as we have been emphasising to those who have an ear to hear, the very fact that God apportioned that he eat the Entire scroll of redemption, (a serious issue for that matter, if you know what the scroll of redemption is), shows without any iota of doubt, that, **FIRSTLY**, John's ministry carries the Completeness of the revelation which the universal bride must have, in order to attain the full revelation stature of Jesus Christ, in accordance with God's plan of salvation, which started in the days of the early church apostles, a universal salvation God promised Abraham way back there in Genesis.

SECONDLY, it also shows that the days of his ministry is when the Completeness of the salvation of the Gentiles will be wrought, for in his days, which closes out the Laodicean church age, "**the fulness of the Gentiles**" will be brought in, in fulfilment of Romans Chapter 11, verse 25, thereby finishing or completing "**the mystery of God**", recorded in Revelation Chapter 10, verse 7. This means in effect, that the ministry the

Lord set in motion in 2005, is what God is using to wrap up the plan of Gentile salvation, for completion is in John. The undeniable truth is that everything that has a beginning also has an end. And everything that has a beginning ministry point, a point which the Scriptures give to us, which was Apostle Paul's ministry, also has a precise ending ministry point, a point which the Scriptures also give to us, and that is Apostle John's ministry, for everything is determined entirely by the Word. Period! This is particularly so, brothers and sisters, because John, who was given this commission in 96 AD., did not fulfill it, because he never went outside of Asia Minor, before he passed away around 100 AD. So, this prophecy was left hanging until this day. What does that show you? It is that God has to send back the Spirit of John; not his human spirit, but the anointing of God which carried him in his ministry, for he is Jehovah's gift. Hence, the reason in 33 AD, when Peter asked the Master concerning John, saying in John Chapter 21, verse 21: "**Lord, and what shall this man**

do?”, the Lord replied prophetically in verse 22, in deeply coded spiritual language, declaring: **“IF I WILL THAT HE TARRY TILL I COME, what is that to thee?”** Peter thought that the Lord was talking about the man, but the Lord was actually talking about the Spirit of John that will be reserved for its end time use, in fulfilment of Revelation Chapter 10, verse 11! In his message titled, *The Chronology of Revelation*, Part 1, of 1977, page 4, column 2, talking about the prophetic scenario of Revelation Chapter 10, verses 1-4, Brother Jackson stated: ***“Now there was not actually a huge angel standing with one foot on the sea and the other on the earth, this is symbolic, showing his authority. The little scroll in his hand is open, which shows that all of the seals have now been broken, and he has come for the contents of the scroll. The names that are written within are the names of all the people that he, (as high priest and mediator) has interceded for while he sat there on the mercy seat for almost 2000 years. Now he is on earth in spirit form to claim***

them. Just as he had finished crying with a loud voice, seven thunders are heard uttering their voices, John was about to write what he had heard from the seven thunders, but a voice from heaven instructed him to seal up those things which the seven thunders uttered, and write them not. How foolish for some to say that we cannot know what was uttered by the seven thunders, John was in the spirit when he heard them.” (Now pay attention to what the chief apostle says next): ***“and even though John is dead, THE SPIRIT THAT WAS ON HIM IS NOT DEAD.”*** (Did you hear that? He declared that the Spirit on John was not dead. And why was it not dead? Because God reserved the Spirit of John, just as He reserved the Spirit of Moses, as well as that of Elijah! Hence, he concluded): ***“When the time comes for the bride to know what those thunders uttered, God will have A HUMAN VESSEL here on earth that He can communicate with, in the same way that He did with John (in the spirit)”***, (not only to post us

ahead concerning the ministry of the thunders, but also to lead us into the thunders). Church, what am I saying this morning? I am simply telling you that in the Year 2005, the ministry of John was activated, and it is this same ministry that God is going to use to move us into the hour of the seven thunders. Period! Right now we are in Year 2014. But I have to ask you: If you believe there are seven thunders to come, and Brother Jackson passed away in December 2004, and we are now in 2014, how do we get from here to the hour of the thunders without a lead apostolic ministry? We all know scripturally that the seven thunders are not the ones entrusted with the work of the Unity and Perfection of the universal bride of Christ, but the fivefold ministry, headed by apostles. As such, if all you are waiting for are seven thunders, what about the fivefold ministry, and most particularly, what about the first fold of it all, who are the apostles? Where are you going to put them? And how can we have a body of apostles without a lead apostle? What are you

therefore going to do with the ministry of John? How are we going to “write” or re-enact the last Chapter of the Book of Acts without a lead apostle? I ask because we all know that the “writing” of the last Chapter of the Book of Acts, has nothing to do with the thunders! Moreover, who makes the Jewish Connection? And how are we going to make the Jewish Connection, unless we have a man, under Christ, an apostle with a prophetic unction upon his ministry, to return the Gospel back to the Jews? Because Brother Branham declared prophetically that, *“This great thing will carry over to the two prophets,”* being A CARRYOVER MINISTRY! And when was that carry over ministry ignited? It was in the Year 2005! How are you going to get away from the promised ministry of the end time John? You cannot do it! It just will not work; otherwise I will simply ask you: Who continues to give us the present tense things of Jesus Christ in this last age, constituting WHAT THE SPIRIT IS SAYING? **For the SPIRIT IS STILL TALKING!** God has to use somebody to show us the way, following the death of the chief apostle! And it is

this ministry that will carry us over to the thunders, just as it is this ministry that will also carry us over into the last Week of Daniel. Therefore it is the very same ministry that will make the Jewish connection, in order to restore the Gospel back to Israel, when an element of Jews will be prepared for what God is about to do in that last Week of Daniel, when God turns fully to the nation of Israel, for salvation. An element of Jews are prepared right here. (Brother Amos points to the chart). They are prepared right at this point, just before the last Week starts, for that is when the Jewish connection will be made. They will be told what God has been doing for the past two thousand years, how He has been among the Gentiles, and what God is now about to do for Israel, and how the ministry of the two prophets are about to be set in motion, to give them the revelation of the Messiah they crucified about two thousand years ago. Brothers and sisters, as Saint Peter bore a living testimony before the Gentiles in the house of Cornelius, as recorded in the Book of Acts Chapter

10, so will Saint John also bear a living testimony in Israel, before a nucleus of Jewish people that God will put together in a home somewhere there. And as God confirmed the message of Peter with the rain of the Spirit, God will also confirm the message of John with the rain of the Spirit. This confirms the truth, that as the Spirit of God used Apostle Peter to open up the door of life unto the Gentiles way back there, so also will God use Apostle John to re-open the door of life unto Israel, an act which also signifies that the door has been shut to the Gentiles, and then the rapture will come. Jesus Christ the same yesterday, today, and forever. Saints, we will see the beginning of the ministry of the two prophet. And under that anointing, we go up in the rapture, and the Jews are left here for the last Week of Daniel, and Jesus Christ comes at the end of that Week, with the bride, all riding on white horses, to wipe out this ungodly bunch of serpent seeds, on the Day of the Lord. A resurrection takes place right here, after the Day of the Lord, to judge the

people who will pass into the Millennium; and then the Millennium starts. Brothers and sisters, the rest of the dead are still left in the ground, for God does not touch them, (Brother Amos points to the chart), for they are the wicked dead; they remain in the belly of the earth, until the White Throne Judgment is set.

Brothers and sisters, all these things which God will do, take us back to the year 2005, for that is where the ministry God will use to bring us to all these points was established! So what happened in 2005? Saints, the ways of God are very simple, very humble. When the Messiah was born, the Son of Almighty God, you would think that there would be earthquakes and tornadoes all over the place, heralding and announcing his birth. God sent His angels to mere shepherds, simple people, watching over their flocks by night. They bore a simple testimony of that great divine event, and that was it. But who believed the testimony of the shepherds? And also, when it was time for God to set the ministry of the end time John in motion; when it was

time for God to visit Africa for the first time in the grace age, that Africa may carry the light for the entire body of Christ universal, that we may bear our major Input, which is the Input of Ham, at the wrapping up hour of the plan of Gentile salvation, God also set it in motion in absolute simplicity and humility, for there was no noise or advertisement to it. Halleluia! But it is written: **“WHO HATH BELIEVED OUR REPORT?”** The move of God in 2005, set in motion *THE HOUR OF GOLD*; because of the three wise men from the Orient, who came to worship Jesus Christ after he was born, it was the wise man from the race of Ham who bore Gold. His investment in Christ in that day signifies the hour of his racial Input into Christ's work of universal salvation. And that brings us precisely to Year 2005. What happened in 2005? It was the year *THE INPUT OF HAM* was set in motion. Brother and sisters, the proof of it, the vindication of this Move of God, is not so much our testimony, even though it is true; but the proof of it, the vindication of it, is in the revelation we bear, the perfect light of the

Bible we bear. By God's grace, we can go into the mysteries of the Scriptures, and open them up, and show their place. We can go into the prophetic things of Jesus Christ, and lay them out, and also show their place. And we can look at the original fivefold ministry, their entire ministry structure, their calling, their offices, their working, (or how they function), their objective, and order of establishment; and lay them bare for the understanding of the seeds of God, by the perfect revelation which the Spirit of Jesus Christ gives. This we have been able to do, all under Jesus Christ! God has helped us to hold a plumb-line on the revelation of the Word of God, maintaining a perfect message, since the chief apostle passed away in December 2004! And by this Move, a true focus and direction is being given to the universal bride of Jesus Christ, at this final junction of Gentile time. But also listen to this: In addition, the revelation we bear today, carries the essential ingredient which Revelation Chapter 3, verse 22, speaks of, for it sternly warns: **“He that**

hath an ear, let him hear what the Spirit saith unto the churches." In other words: "*He that hath an ear, let him hear what the Spirit IS SAYING!*" So, you are looking at the Progressive revelation of the Spirit of Christ in the Laodicea church age, which the bride must have, which is the FRESH CARCASE! That is precisely what this Move gives to us, for it is carrying the fresh "**carcase**" of the Word of God. And in order for that to happen today; in order for it to be a spiritual reality in this our day, God had to do something right after Brother Jackson passed away in December 2004. And as I have been emphasizing, anything that has a beginning, surely has an end. This therefore brings us back to Year 2005! And as God started this age with a black man in the land of Japheth, He is also ending it with a black man; but it is now a black man in Africa, a continent which God declared in Psalm 78, verse 51, as "**the tabernacles OF HAM.**" Halleluia! Brothers and sisters, look at it this morning, God has gone full circle. The Gospel started with the Jews, the Shemites. And from them it came to Japheth, the white

race, for they carried the torch of the Gospel for the whole world for many centuries thereafter. And now, it is in the hands of the black race, the Hamites, from whom it is going back to the Shemites, and the rapture will come. It gives us a complete circle. No wonder the prophet to this age warned: "**THE MESSAGE WILL GO TO ANOTHER NATION, ANOTHER PEOPLE!**" When did this message move to another race? When exactly did it move to the Hamitic race? It was precisely in the Year 2005. Therefore, listen to this very serious point. Remember, the Lord Jesus in his prophetic revelation to this final age declared that, "*Let him that hath an ear HEAR WHAT THE SPIRIT IS SAYING*", (PRESENTLY AND CONTINUOUSLY TO LAODICEA). The voice of the Spirit of Christ to this age started with the voice of Brother Branham, the angel to Laodicea, a man who passed away in December 1965. When he was on the ground with us, he bore the FRESH LIGHT of the Word; the **FRESH "CARCASE."** In 1966 God anointed Raymond Jackson with the power of

the Word, and he also bore the FRESH LIGHT of the Word, further opening up the revelation of the Word of life, giving us the **FRESH "CARCASE."** He also passed away in December 2004. Many people professed that they believe him to be the chief apostle. Now I ask all these that say they believe him: Where is the fresh light of Jesus Christ FOR NOW? What is the SPIRIT SAYING RIGHT NOW? Or has he stopped talking? Then, where is the true food of the true eagles of God, which is the **FRESH "CARCASE"?** These people in the Jackson Movement are just going round in circles in "**Mount Seir**", in the land of Edom, near Jordan, having left the Branham Movement at "**Kadesh-Barnea**"! They will not cross over Jordan into the Promised Land of Christ's Progressive Word, that they may "**be established in THE PRESENT TRUTH**", in full readiness for the rapture! My! Brothers and sisters, one essential ingredient of truth, which is the Continuity revelation of the Spirit of Jesus Christ, which gives us the **FRESH CARCASE, THE FRESH MEAT OF THE WORD,**

does not exist in their message; except stale meat, and dead carcass, full of maggots, stinking to the skies, which is what the so-called "*Third Day Revelation*" is, along with the warped and most sacrilegious teachings of James Allen, that in the Millennium, one man will marry many women, as a means of repopulating the earth, in the reign of the righteous, an abominable teaching for that matter! But here in the Move of John, we have the FRESH LIGHT, giving us continuous FRESH "**CARCASS.**" And now we have the perfect revelation of a six thousand years old mystery: *THE PRESENT DAY IDENTITY OF THE SERPENT.* Consequently, the proof of what God did in 2005 is here, and it is here for every man to test. It is on the Internet for free, and it is also going round the world for free. All you need to do is take your Bible, take the Continuity Message sounding forth in the Scribes, pray to God, read it with an open heart, using the plumb-line of the Scriptures, and tell me we do not have a song. We have a song, a glorious song; and in fact, it is the final tune! Halleluia! As a

proverb says, "*He who laughs last laughs the best.*" TRUTH WILL HAVE THE LAST SAY, AND THE LAST LAUGH. Amen! Year 2005: What happened in that year? The God of heaven and earth turned to Africa, and set in motion the ministry of the race of Ham, that will carry the light for the major and global Input of Ham, a divine Move where the plan of Gentile salvation will be brought to a close; and we will connect with the Jews, and the rapture will come. Amen!

Now pay close attention, as we do a quick run through the chart, for it lays out our message. In 1963, Six Seals were opened by Jesus Christ in heaven, leaving just one more Seal to be opened, which is the Seventh Seal, and he sent the revelation of the Seals through a constellation of seven angels to William Branham, the man through whom the deep prophetic truths of Christ was made known unto the plural servants of God, for the entire universal body of saints. His message or voice constituted the prophetic "**SHOUT**" of 1 Thessalonian Chapter 4, verse 16, which is none

other than an Awakening and Preparatory message for the elect bride of Christ; for Jesus Christ descended in the spirit, and by his Spirit IN a man, the star messenger to this age, Jesus gave the shout. This great move is what also fulfilled what Jesus had earlier called the Midnight Cry, in Matthew Chapter 25, verse 6, just as it is written: "**And AT MIDNIGHT there was A CRY MADE, Behold, the bridegroom cometh; go ye out to meet him.**" A "**cry**" or a "**voice**" in Bible prophecy simply means a message, on the full authority of Isaiah Chapter 40, verse 3, and Acts Chapter 13, verses 27. For Prophet Isaiah wrote: "**The voice of him that CRIETH in the wilderness, Prepare ye the way of the Lord**", referring strictly to the message of John the Baptist. In 33 AD., Jesus also stated: "**And at midnight there was A CRY MADE, BEHOLD, THE BRIDEGROOM COMETH,**" (meaning that Jesus IS COMING); "**GO YE OUT TO MEET HIM**", (meaning PREPARE TO MEET HIM). However, in verse 10, Jesus declared prophetically: "**...THE**

BRIDEGROOM CAME..." In verse 6, it was, "**the Bridegroom cometh.**" But now in verse 10, the Lord declared, still in reference to this last age, that "**the Bridegroom CAME.**" How did he come? It is strictly in a divine revelation, which was why it was in the spirit! That was when Jesus descended by his Spirit, through the instrumentality of the seven angels, revealing himself to the end time bride, through the ministry of one man, William Branham, giving us the Shout, or the Midnight Cry! In December 1965, through an automobile accident, the man passed away. And the religious world said, "*If he was a man of God, how could he have died through a car accident?*" But the truth is: What promise do we have in the entire Bible, which gives us how a seed or a servant of God will die? The Bible says Elisha died in sickness; that he did not get up from his sickness. But yet, that was a man that had a miraculous ministry, a double portion of Elijah's anointing, to be exact! So, I ask, does the manner of Elisha's death vitiate or nullify the truth of God that he bore for the nation of Israel in that day? Of course not! But we can also argue

like this carnal religious bunch: "*Elisha cannot be a true servant of God, and die in sickness; not with all the miraculous things he was used to do! Since he died in sickness, he must have gone out of the will of God; he must have gone into a ministry God did not give to him, and God allowed sickness to kill him!*" I say these things only because that is exactly how these religious demons look at the death of Brother Branham, who died in a ghastly car accident! Whether he died in a car accident, was hit by a drunken driver, or not, who cares for that fact? What has that got to do with truth? Nothing! But as long as people do not want the truth, because they do not have a love for the truth in their hearts, the devil will give them a lot of excuses for them to reject the truth. So, on 24th December, 1965, Brother Branham passed away, and when he died, another ministry of the truth was established on the ground, to carry on the progressive unveiling of Christ. This is particularly so, because the ministry of Elijah of Malachi Chapter 4, verse 6B, birthed the ministry of the end time apostolic

fathers of faith, which the faith of the early church apostles give to us, as recorded in the Book of Ephesians Chapter 4, which gives us First, the beginning office of Saint Paul, which is the office of "**The apostle**", or the chief apostle, an office Raymond Jackson occupied, thereby making him the Paul of today: Not as star messenger, but as the beginning office of the entire Ephesian ministry. Do not forget that Brother Branham is not part of the Ephesian ministry; but his ministry as Elijah, produces the Ephesian fivefold ministry, in its precise divine scriptural infallible order. And the beginning of the Ephesian ministry gives us first apostles; and the starting office of the apostolic fold of ministry, is the office of Saint Paul, the chief apostle to the Gentiles, just as he declared in Romans Chapter 11, verse 13. He said, "**For I speak to you Gentiles, inasmuch as I AM THE APOSTLE OF THE GENTILES, I MAGNIFY MINE OFFICE.**" May I therefore say this as a warning to one and all: There is no Move of God any man can rubbish or

reject: for every Move of God is used to accomplish something in God's divine purpose, something in the furtherance of God's plan of redemption. And by each Move, the objective of God is established, and is thus an absolute Move. I am simply warning that you cannot nullify an accomplishment of God, ANY accomplishment of God, particularly a major one: You will only nullify yourself. I repeat: You cannot reject or deny an accomplishment of God, in the establishment of the Lord's ministry for the universal body, being a major ministry, and not pay a serious price. So it was on 4th December, 2004, God called our Paul home. But before he passed away, he spoke to his wife, his dear wife, Sister Opal Jackson, that something was fixing to happen in Year 2005 for the bride universal, and that she was to watch 2005. So we ask ourselves tonight, what happened in 2005? Brothers and sisters, 2005 was a phenomenal year for a number of prophetic reasons. But do you know what, church? If you are not following the Spirit of Christ in a divine scriptural revelation, it is utterly impossible to hear what the

Spirit IS SAYING. Consequently, there is nothing in all the years that we have laid out on the chart that will make any sense to you, except one year or two. (Brother Amos points to the chart). The only thing or the only Move, which the religious world can identify with, in all the years we have on the chart, is 1906: Because all they see is the Pentecostal Movement! But what is the point in seeing one isolated move, which is just one tiny piece of a giant puzzle? What good is that to you? Now you have a giant puzzle of the plan of salvation in your hand: You take just one piece of it, and you can see that lone piece; but you do not see any other pieces, and will not touch any other pieces. What good will that piece do for you in a day when God has moved on, in a day when God has shed serious light on other key pieces of the giant and complex puzzle of life? Think about it! Because a piece cannot stand alone, for no piece stands in isolation to other pieces! Because together with all the other pieces, they make a perfect and complete picture of God's great and complex plan of

redemption! And although the piece which the religious world see and can identify with, a piece which carries a specific picture, which is God's Move in 1906, is a true piece, yet, that picture is not enough, because it is most incomplete, and utterly inadequate in its projection and accomplishment, and as such, you need each and every other piece, in order to see the full picture, and to have the complete story, which is a most beautiful, spectacular, and breath-taking picture; one which gives us the best story ever told, being entirely a living story! As such, although each piece carries a specific picture, still, each piece cannot stand alone, because it is incomplete in itself, in relation to the overall plan; because it only carries a picture. It may be an important picture, but it is only a part of the overall plan of redemption; it is only a part of the overall picture. So, if you see a piece, and that is all you see, you see nothing as you should see, because a piece cannot stand on its own: It stands in relation to others; and by aligning it with others, the picture is

made clear. Brothers and sisters, when you look at all the dates we have on the chart, the religious world will only wonder, thinking: "What happened here? What is this year about? What happened there?" Because all they know, and all they can see is 1906 Azusa Revival! Yet, the divine objective for Azusa they do not understand, for they just love that power Move of God, as if God is an entertainer! Church, the point is this: People can see Azusa; they can see what God did in 1906. And yet, it is not like anyone can open their Bibles, and show us precisely where 1906 is written! It is not there! You have to follow the Spirit's dealership to know exactly what the Spirit did in that day! Because everything that God would do cannot be written. Every detail of what God will do in every age cannot be written. So, a lot of the nitty-gritty details are left out for the Spirit to show the children of God, in their respective periods of time in the grace age. Period! That is the only way you will know what God did in April 1909, when the star messenger to Laodicea was born in a log cabin, and a supernatural light shined into the room, and shone

upon the little baby boy. But ask the Christian religious world: "What happened in 1933 on the Ohio River? What of in 1946? What took place in 1966? And what did God do in 2005?" They will only be looking at you with total amazement, being completely dumbfounded, for they have no clue whatsoever! It is absolutely meaningless to them! And yet they will tell you the Bible is the Word of God. They carry it, but they are strangers to the Book of life they carry. Yet, Jesus said, **Whoever follows me, SHALL NOT WALK IN DARKNESS.** How can you go to church for thirty something years, and you know no more of your Bible than when you started? Who are you listening to? When the blind lead the blind, they will both fall into the ditch. So, brothers and sisters, for us who are following the Lord Jesus in a continuous divine revelation of the Scriptures, these years are pivotal years, because they carry something, they hold a great Move of God for the elect bride of Christ of this end time, and hence, they are years having great meaning to us. Even at the birth of that man in the month of April 1909, a

supernatural light came into the log cabin where he was born; because he was born at a particular time when there was a crossing of certain stars, so much so, that everywhere he went, mediums knew who he was, just as they knew who Jesus was in his days. For whilst the Pharisees were saying that Jesus was using the power of Beelzebub, and that he was a deceiver, a man born out of wedlock, the demons said, "We know who thou art. Thou art the Son of the living God!" And Jesus told them: "Hold your peace." Whilst spirit demons recognized him, religious demons did not recognize him. It is the same today in Laodicea, for the so-called Christian religious world rejected William Branham. Unfortunately, neither did the Branham Movement realize however, that God moved on in the establishment of His plan of universal salvation, with the death of Brother Branham: For here came 1966, when God anointed Raymond Jackson with the authority of the Word, activating the second great thing of **The Third Pull**, and the Branham Movement rejected that

Move, and still do, for they see absolutely nothing as well. The Spirit of inspiration, the anointing of the unveiling of the Word, which was first invested in William Branham, was now conferred on Raymond Jackson, thereby enabling him to carry the Torch of the Truth till he passed away in December, 2004.

Saints, for thirty nine solid years, from 1966 to 2004, the Third Pull was carried on in earnest, in its second phase, giving us ***the second GREAT THING OF THE THIRD PULL***, a second phase God set in motion through the chief apostle. But like the unbelieving religious world, the Branham Movement also see nothing, except 1906-1965. All they do is to look back to what God did as per 1965, or to the point of 1965, because this is their bus-stop; this is where they end their walk with Christ in his progressive light, for they see nothing more. Consequently, nothing else on the chart matters, for they see nothing else, for as far as they are concerned, 1965 is where the light of Jesus Christ stopped shining! My, oh my! 1965 is all they see,

and that is only as far as they will go! So, just as the Pentecostals see only 1906, and see nothing else, the Branham Movement also only see 1965, and they see nothing else. Brothers and sisters, in their revelation, there is no currency of God. Their god certainly is not a current god; it is an historical god they are worshipping; one that has died. "I was" is the name of their god. But our God, Elohim, the God of Abraham and of Israel, is the Great "I AM": Ever living present tense God! He is not even "I WAS"; and neither is He "I WILL BE"; He is "**I AM THAT I AM.**" Period! Our God is not a memory, our God is not history: He is real. The Movement is certainly serving a memory, which is why they cannot see what God did from 1966 onwards, right up to 2004, despite the fact that for thirty nine solid years of the man's ministry, God vindicated his ministry with an unparalleled light of the Scriptures he bore, giving us the greatest vindication any man can have, for there is no vindication like the vindication of the Scriptures! But on the other

hand, for those of us who followed the successive standard bearing ministry of the chief apostle, because we followed him in the Progressive light of Christ that he bore, is precisely why we can stand solidly and unshakably on the Bible, and face the whole wide world on issues of truth, because we are fruits of his ministry, beneficiaries of the grace of God upon his life. But he was the first fruit of Brother Branham's ministry, even though the Movement denies it, because they see nothing. They just see a fivefold ministry without headship; a fivefold ministry without apostles; a fivefold ministry without a standard bearer; a fivefold ministry without unity of faith; a fivefold ministry without an ounce of fresh "**CARCASE**"; a fivefold ministry without continuity of scriptural revelation, which amounts to a dead fivefold ministry! And yet, Brother Branham spoke of a standard bearer to come right after him, for **THE SPIRIT IS STILL TALKING**. For he said in January 1963: "*Somebody will COME after me, and take this*

Message On. And you listen to him. As long as it is the truth, stay with it. He will be an odd person, but he will RISE after this, and take this message on." But in December 2004, the man he spoke of passed away, having borne the continuing light of Christ for 39 years, thus bringing us to the Year 2005. So what happened in 2005? That is the junction where we are right now (Brother Amos points to the chart). It gives us the final junction of time for the end time bride of Jesus Christ, the third and final junction of time for the bride, and the fourth junction of time, from the opening of the age in 1901. Year 2005 was when God activated *THE INPUT OF HAM*, which gives us the prophetic time application of the gift of gold. And church, make no mistake about it: *THIS IS THE HOUR OF GOLD*. It is the short period of time which closes out this seventh and final church age, for with it, we move straight into the hour of the nation of Israel. Brother Branham testified of this hour. He said, "*Oh, if I could only show you this great thing that is about to happen RIGHT IN THIS OUR DAY.*" Because he saw it! As the star

messenger, the angel to Laodicea, the man with the blue print of salvation for this last age, God had to show him every major move ordained for this age, because everything that God would do in this age, has to be on the basis of what God used him to set in motion for the bride of Christ universal. Moreover, the Lord Jesus had to fulfil his unfailing word of promise that the Comforter will show us the things of Christ to come. So, God dealt with him, to show him John's ministry, and he saw the Input of Ham. When he saw it, he realized that the reality of it is too shocking for the Japhetic world to accept, on account of racial prejudice. So, the man kept the truth of it in his heart for fifteen, sixteen years, pondering, "*How can I tell it to the people? How will they accept it?*" Consider this: It was in the very year the prophet died that the blacks in America were even allowed to vote! Think about it! Think seriously about it, for it was only in 1965 that the African-Americans were considered fit to vote as human beings! Yes, the American Constitution was changed after the Civil War

to enable Blacks to vote; but for one hundred years, the Whites in the South used many tactics to keep Blacks from voting until 1965; and it has only been 49 years since the Blacks have been voting in America! So much for democracy! Hypocrites! No wonder, on 28th September, 1958, when Brother Branham was preaching on *The Serpent Seed*, page 22, paragraphs 20-21, he said: "***When I was in Africa... They***", (the Whites in South Africa), "***treat those poor colored people there in such a way. Someone said to me; he said: 'They're nothing but animals.'***" I said, "***I beg your pardon. They're just as much human as you are, may be a little more.***" Let me tell you: ***When you got that kind of attitude, YOU'RE GETTING BACK TOWARDS AN ANIMAL.*** I said, "***That man, if he's as black as the ace of spades, or if he's as yellow as a pumpkin, or if he's as blue as indigo, he might save your life by giving you a blood transfusion.***" But don't never put an animal

blood in you”, (because you will die; it will kill you). **“Certainly, he’s a human being. Just because one skin was black, the other brown, another one yellow, and the other one white, that has nothing to do with it. The Bible said, “GOD OF ONE BLOOD MADE ALL MEN.” And that’s exactly right. Places we lived in, changing our colors, had nothing to do with it. God made of one one man all nations, one blood. All nations the same”**(before God, for they are the same in their beginning progenitor). **“The Chinese... The colored man can’t say now... The black man can’t say, “Now, that that Chinese, he’s yellow, and I aint going to have nothing to do with him.” He’s your brother. And you white man can’t say to the yellow man or the black man, either one, “I have nothing to do with you.” He’s your brother. Exactly right.”** And let me say this: That same stinking racial prejudice is what is killing them in America today as we speak, even though it is only to their hurt, just like the chief apostle also stated. They are at liberty to reject

the light: But then they just will not make it in the bride, unless they swallow their racial prejudice, and walk in **“THE PRESENT TRUTH.”** It is that simple, for God does not care for the colour of any man's skin; and neither do I care for one: white, black, brown, or yellow! The pigmentation of a man's skin is absolutely meaningless to me, spiritually, for there is no spiritual virtue in ANY skin colour or race! You can be as white as snow, or as the cattle egret, and you can be as black as charcoal, unless you walk in the true light of Jesus Christ, you will perish, as a person following the Message of Elijah, for THERE IS NO FOOLISH VIRGIN IN THE MESSAGE! The choice is yours! Having been shown the closing move of God for Gentile salvation, a divine move which connects with the Jews, William Branham waited for a holy hour in which to give this prophetic insight, after having kept this serious truth, a truth which forms a very crucial part of the plan of redemption, to himself for a decade and a half. But he knew he had to give it out before he passed away. He

waited for a solemn hour; a holy hour; and a holy moment, after he had finished his message, and the anointing came, before giving it away, because the angel of the Lord descended onto the platform with the supernatural presence of Jesus Christ. Then he told it, under absolute divine inspiration. He said, *“How many of you believe that God has sent me to show you His works and His ways? Do you believe me? I have been sent to show you His works AND HIS WAYS.”* For in John Chapter 16, verses 12-15, Jesus infallibly promised that **THE HOLY SPIRIT WILL SHOW US THINGS TO COME!** Hence, brothers and sisters, this was Jesus activating that promise in this last age, relating to our own junction of time, in order to post us ahead concerning the realities the bride of Christ is to face, that we may know precisely what the Spirit wants to set in motion and accomplish today, on behalf of the bride of Christ universal, so that we are not left in ignorance of what Jesus is doing and wants to do! Oh, my! When he was on *The*

Seventh Seal, he got to a point during his message when the angel of the Lord told him, "Stop." Brother Branham said, "*I have been checked not to say more.*" It is simply because, there are things God will show His servant for his own personal edification and privileged knowledge; but he is not allowed to share it, being left for God to deal on it with His children, in a divine revelation! It is therefore a matter of who is dealing with you? It is a question of, Do you have an ear to hear? And can you hear what the Spirit is SAYING? It boils down to the matter of Revelation! And it is the portion of every elect seed of God, male and female, to be dealt with by Almighty God in a divine revelation. Hence, in 1960, Brother Branham also said: "*If only I could show you this great thing THAT IS ABOUT TO HAPPEN right in this our day*", in this Laodicean age. That speaks of another move far removed from his own move, but which is a continuing and a concluding move! Therefore, he declared: "*When this great thing happens, it will carry over and connect the two prophets, Moses and Elijah, turning the Gospel back to*

Israel, AND THEN THE RAPTURE WILL COME." So, who or what can carry the universal bride over IN TIME, to connect with another ministry later IN TIME, if not a ministry on earth? Come on! And that gives you nothing other than the ministry of John of Revelation Chapter 10, verses 8-11. Period! And that proves without any iota of doubt that the prophet saw John, but he was barred from saying it out in plain terms; he was forbidden to spell it out, that it may be by revelation. But as Brother Richard stated in his email, it took the end time Elijah himself to show the ministry in Malachi Chapter 4, verse 6B. Are you with me? It took John the Baptist in that day to show the ministry in Isaiah Chapter 40, verse 3. It also took Apostle Paul to show his position in Romans Chapter 11, verse 13. Brothers and sisters, it will also take John to show who he is, according to the written Word! That is precisely why the Bible has been there with the promise of John for about two thousand years, for it concealed the revelation of John, and nobody had any clue about it, until John

came! Now, every idiot is John! But how did they know about John's ministry promise in the first place? How did they know about John? How did they see it? Through John of course! These hypocrites! This pack of unbelievers!

Brothers and sisters, for the activation of that promise; the prophetic utterance God gave through William Branham of the carry-over ministry, you have to come straight to the Year 2005! Let me tell you this, saints, for I must remind you, loads and loads of prophecies of God, promises of ministries, promises of God's moves, ninety-nine percent of them carry no time specifics. In the Scriptures, all we have in the main, are simply promises of ministries, promises of God's moves, but never the specifics as to time! So, do not tell me, "*Show me Year 2005 in the Scriptures.*" Then I will also ask you: Please show me where the year of the birth of the Messiah is stated in the entire Old Testament! Also show me exactly where the year in which his ministry was to be set in motion, was

written in the Old Testament, knowing that when his ministry started, the only scriptural reference point was the Old Testament writings, giving us the Law and the Prophets? Exactly! Show me where, in the earthly days of Jesus Christ, 30 AD was written in black and white, as a direct promise in his day, for Jesus to point to the Jews, saying: *"Look at the Bible here, for it states my ministry will start in 30 AD."* Yet, 30 AD was a pivotal year in the entire history of redemption. What a year that was! Angels rejoiced for that year! What a year! But God did not make a single noise on earth over it, even though it was the activation of the ministry of the Promised Messiah, the Son of God! How much less, the Year 2005, which marks the beginning of the ministry of the end time John. 2005 was therefore the year God activated the Input of Ham. And if you say it is not so, then I challenge you to consider the fruits: SEE THE FRUITS! You must be totally blind not to see the fruits, for no man can carry such a light without God being in it! Moreover, to those who deny the fruits, I

simply challenge them to give me another voice which God is using today to unveil the total Message of the Bible, whether from the Jewish race, or from the Japhetic race! Give me just one ministry: I am waiting for you! Give me a Shemitic voice, and particularly, give me just one Japhetic voice, that is carrying the Continuous AND Progressive unveiling of the written Word, further and continuously opening up the plan of salvation, strictly in the light of the Holy Scriptures, and then I will apologize! We are not talking of men writing carnal religious books: *"Woman, Thou Art Loosed!"*; *"Your Best Life"*; *"Break Out"*; *"The Holy Spirit, Your Financial Advisor"*; *"No More Debt!"*, and all such stuff. What has that got to do with it? What exactly has all these write-ups got to do with the divine objective of God for the Ephesian fivefold ministry, ordained to bring about the Unity of the Faith and Perfection to a universal body of saints, in readiness for the rapture? These carnal write-ups are taking people nowhere, for it is only appealing to the carnal desires and carnal

sentiments and ego of men! These are the books they are writing out there, and these are the books they are reading in the religious world! Brothers and sisters, 2005 was the year John's lead apostolic ministry, the successor apostolic lead ministry to the chief apostle, was set in motion. Brother Jackson saw this move before he passed away. He knew his time had come; he knew his job was done; but like the sages of old, he sealed his lips; he told nobody his time was up. However, he pointed his people forward. He even warned his closest ministers. He warned them privately concerning the next move, and I learnt this fact from their lips. On the 8th of December, 2004, as the three of us stood on the platform, with the casket of Brother Jackson laying there in front of the podium, just before the burial service began that morning, James Allen and Bud Thompson told me: ***"Brother Amos, we want you to know Brother Jackson told us some things about you. We want you to preach tomorrow in the***

midweek service.” And they kept what he said from me, thinking that it will not fulfill. Ridiculous people! How foolish men can be! As if its fulfillment is dependent upon my knowledge of the man's testimony. And so, if nobody hears it, it will not fulfill. Brothers and sisters, the successor Lead Apostolic ministry to that of the Chief Apostle was set in motion in the Year 2005. Brother Jackson saw it, and that was why he warned his wife, saying, *“God is going to do something in 2005 for the bride of Christ universal.”* He said, *“You watch 2005.”* And he called another man who used to be a great sponsor of his ministry, a man who paid a lot of the bills: Steve Yahrus. When they were going to do their warped judgment at Faith Assembly in January, 2005, he told them, *“How are you going to judge Brother Amos? Brother Jackson said there is **“A GREAT CALLING UPON HIS LIFE.”*** They said, *“Well, we know what to say concerning that. We know how to explain it away. It is like a potential of an apostle Brother Amos had. Like Rolf Strommen, he also had the potentials to be an apostle.”* My! Thank God they even

saw and confessed the Lord gave me an apostolic potential. That is great! What do you think? They could have made it an evangelistic potential. I am only showing you that Brother Jackson had no doubt as to what was going to happen in Year 2005, for like William Branham, he also saw the activation of the first fruit of his own ministry, which is the second fruit of Elijah's ministry, which is the ministry of John. Hence, he declared live, plainly and categorically before the world on the Internet, that a brother from Africa, the Hamitic race, will ***“WRITE THE LAST CHAPTER OF THE BOOK OF ACTS as the bride gets ready to leave this world”!*** Does that not dovetail perfectly with the prophetic utterance of William Branham concerning the racial change in the carriage of the Torch of Truth? It does! But come with me, for we want to close our message with the consideration of vital Bible issues that are fundamental to getting the bride in the true spiritual shape she must attain, in readiness for the return of Christ. You must see the

objective of the Spirit of Christ for this hour, strictly in the light of the Holy Bible, for this is much more than a man. This is about getting the bride in shape for the marriage supper. Come with me.

Brothers and sisters, we want to take a quick look at the logistics for getting the universal bride in ***“A GLORIOUS” SPIRITUAL SHAPE***, an absolute standard which Ephesians Chapter 5, verses 26-27, firmly requires, the acceptable spiritual image in which Christ will receive her unto himself, which is that she must be ***“A GLORIOUS CHURCH, Not having spot, or wrinkle, or any such thing; but that it should be holy”***, (not worldly or carnal), ***“AND WITHOUT BLEMISH.”*** For the accomplishment of the serious objective the resurrected Christ has for his bride, the Book of Ephesians Chapter 4, verses 11-13, plainly declares: ***“And he”*** (Christ) ***“gave some, APOSTLES; and some, PROPHETS; and some, EVANGELISTS; and some, PASTORS and TEACHERS; For the***

PERFECTING of the saints, for the work of THE Ministry, (singular ministry; because the ministry of Christ is one, regardless of the fold of ministry), **“for the edifying”** (or the building up) **“of the body of Christ: Till we all come in THE UNITY OF THE FAITH, and of the knowledge of the Son of God, UNTO A PERFECT MAN, unto the measure of the stature of the fulness of Christ.”** Now, I want to stay on the divine objective for 2005, having read the divine objective of Christ for his bride, as laid out in Ephesians Chapters 4 and 5. Jesus gave the promise of a fivefold ministry, for bringing about the Unity of the faith AND Perfection, of a universal body of people, so that wherever we are stationed around the earth, we will see eye to eye, on any and every issue of faith, for the revelation of Jesus Christ, and his Spirit is one! But the question today is this: How do we accomplish that? Brother Jackson looked forward in his day, to leading an army of men that were original, placed men; men making up the substantive ministry to the bride of Christ; but he was

never so privileged. When the man passed away, every last one of them on that platform scattered to the four winds. I do not even know what they believe anymore, because there is so much multiplicity of beliefs now in the Jackson Movement. Every man is doing his own thing! And yet, when the chief apostle was on the ground, as these men all sat on the platform, we all thought that they were the men ordained for the original ministry of the bride. The death of the chief apostle was a master stroke, the joker God used to show their unbelief and hypocrisy. Brother Jackson had spoken plainly of the third move to come in this age. His death opened up that channel, for in 2005, the third and final move of Christ to get the bride was set in motion. Consequently, Year 2005 is very important to the bride of Jesus Christ. Brother Jackson certainly pointed forward, and very directly and plainly too! I remember the last time I was privileged to preach in his church before he passed away. I say this only because I also preached at the Mid-week service after

his burial, on Thursday, 9th December, 2004. But this was Thursday, 30th September, 2004, right after the Fall Convention, the day I preached the message titled, *The Foundation of The Fivefold Ministry*. Just as they were about to dismiss the church, he told my wife and myself to go to the back of the church, so that the brethren can shake our hands as they departed from the church building. I did not know he was doing his own send off for us that day. But during the Convention, he had come to me privately, and without saying a word, he had given me a photograph which he took from the breast pocket of his suit, where he was on a horse. And although he said nothing, I knew exactly what I was to do with the photograph, although later events overtook that unspoken desire of his. He knew I was writing a book on Headship, on account of his ministry, and he wanted me to use it for the front cover, just as I had done for the other three books the Lord helped me to write about his ministry. Coming back to the

scenario at the end of the service, as we stood at the back of the church, Brother Jackson also came and stood between me and my wife. He turned to me and said, **“Brother Amos, when we consider the black race, we see them excel in the field of sports and in all entertainment. But in this way,”** (which is this revealed way), **“they are just nowhere.”** Then he added: **“Brother, it is good to see God use a black man like this.”** And when I got to our room that night, I said to my wife: *“Darling, do you know what Brother Jackson told me? He said so and so.”* She exclaimed that he said the very same thing to her as well! He said such kind words only because he was looking forward, having seen how God had moved through time, and also knowing what was coming next, for the Lord had shown him what was to come in this very age, for it is the third and final move of Jesus Christ for his bride! Yes, he knew, and declared it openly! That was why he could tell his wife to watch Year 2005, thinking everything would be wrapped up very fast. Hence, he also warned

James Allen and Bud Thompson, and he also spoke to Steve Yahrus on the same issue, for he spoke to them concerning what was to come subsequently, following his death. That was a man who did not want his people to miss life! And he did what he did openly too, declaring about the “writing” of **“THE LAST CHAPTER OF THE BOOK OF ACTS”**, just so as to help his people, so that nobody should miss it. And really, nobody should miss it! If anybody misses it, they miss it because of their racial pride, and because of their own unbelief and hardness of heart, because it was declared plainly to them. Therefore, as it is written: They are straitened in themselves. I have a Scripture I am going to give you tonight. Just watch. So, church, we must understand that in God's plan of salvation, Year 2005 is a crucial year; because that is the year the Input of Ham was set in motion, the hour of GOLD. It was a year Brother Branham saw by divine prophetic insight, for he saw the Message Move to Africa for the very first time, in its racial carriage, since

the beginning of the grace age. It set in place the successor lead apostolic ministry to Brother Jackson, the last seed of Japheth, ever to bear the standard of the truth of Christ, for the bride universal. It means in essence that 2005 was the year the Baton of Truth passed from the hands of the White race, to the hands of the Black race, the seeds of Ham. And from the Black race, it is going back to that of the Jews, the Shemites, the Gospel carriage having gone full circle. And we are saying that the Book of Ephesians demands Unity of the Faith and Perfection. But as we asked before, we ask again: How are we going to have Unity amongst a universal body of saints? Brother Jackson said in many messages before he passed away, that Unity of divine revelation is not going to start with everybody in the ministry, all at the same time, for there is a divine scriptural way for accomplishing it. In his Contender message of November, 2004, titled, *The Great Mystery, Part 5, Page 7, Column 5, Raymond Jackson*

declared prophetically: **"I am simply saying to you, There is SOMETHING coming up the road,"** (something ordained for 2005), **"and I believe God is absolutely going to anoint His servants"**, (His true servants), **"wherever they are around the earth, to be ready for it."** (What is the Lord going to set in motion? It is precisely this): **"OUT OF THE SHADOWS, GOD IS GOING TO SET A MINISTRY OUT FRONT"**, (A LEAD APOSTOLIC MINISTRY, THE MINISTRY OF JOHN), **"THAT IS GOING TO STAND TRUE TO HIS CALL, HIS PURPOSE, AND TO THE REVELATION OF TRUTH THAT HAS BEEN RESTORED"**, (showing that John will be faithful to the End Time Message). But what will be the objective of God setting this lead apostolic ministry in place? I will remind you though, (in case anyone has problems with my interpretation of John as the successor ministry), that with the establishment of the office of the chief apostle, after the death of Elijah, shows evidently that the door has been opened for the establishment of apostles, and hence, the

successor apostolic ministry to be set out front, following the chief apostle, cannot be anyone other than John. But what will be the objective of God setting **"a ministry OUT FRONT"**? In his message titled, *The Body of Christ*, Part 5, delivered on the 5th of September, 2004, Brother Jackson spelt it out clearly, saying: **"I will have to say this morning, GOD WILL NOT START WITH THE VOICE OF MEN."** (In other words, Unity will not start with the voice of plural ministry). **"HE WILL START WITH THE VOICE OF ONE MAN THAT WILL LIFT UP THE TRUTH, strong enough, loud enough, that those men"**, (plural elect men), **"WILL KNOW, GOD IS IN IT..."** (Now listen to the scriptural blueprint he now laid out): **"And that is what I'm saying this morning. IF THERE IS TO BE UNITY, THERE HAS GOT TO BE THE VOICE OF ONE MAN, who all the other men will GET ALIGNED WITH... Always remember, brothers and sisters, the birth of anything, you get the head first... The head's got to be set in motion first! That head don't**

have to be one man. BUT IT STARTS WITH ONE MAN. AND AS THAT ONE MAN SPEAKS, other components of the head, join with it." That is absolutely true, for it is the recipe for true Unity, and that is exactly what the prophet to this age also stated in his message titled, *Absolute*, paragraph 164, where he declared: **"God doesn't deal with groups of men. God deals with AN INDIVIDUAL, because men has different ideas. He's built up different in nature. God has to take that MAN, and mess HIM around, and pull HIM around, out of HIS own SELF, till He gets HIM in His nature. See? And then God deals with that PERSON. Look all down through the ages, Noah and Moses, the prophets; never two of them at the same time. ONE, constantly, all the way down through the age."** In plain terms, Brother Branham and Brother Jackson are saying the same thing, and that is that if there is going to be Unity, for there to be Unity of revelation, there has got to be a principal rallying voice of

truth; a voice carrying a clear and perfect revelation of the Word, bringing Continuity to the revelation of Jesus Christ, FOR THE SPIRIT IS STILL TALKING! The voice of pure truth, ringing forth with unbounded progressive revelation of the Word of God, is the rallying point for all seeds, for that is what draws their attention to the fountain Jesus has opened up for them! Consequently, without a rallying voice, it is absolutely and utterly impossible for a universal body of people to believe the same thing. Every man will preach what he likes and teach what he likes, and he will lay out things the way he sees it, in his own carnal mind. But the bride cannot be led by the carnal minds of men, for it is the recipe for confusion! She cannot be led by a plurality of voices either, for that is a recipe for confusion, not Unity! And that is precisely the problem with the religious world today, most unlike the first church age: We have too many voices clamoring for recognition; voices declaring they all have the truth, but they are nothing but a conglomeration of babel! Hence, there was a Noah, a

Moses, an Elijah, a John the Baptist, a Paul, a John the beloved apostle; a William Branham, a Raymond Jackson, and now, a John. So, I ask again: How do we establish Unity within a universal body of saints? In other words, how do we from all around the globe hear the voice of the Spirit to Laodicea, for the Spirit of Christ draws only one picture? It is as Jesus himself laid it out at the very opening of the Book of Revelation. As we saw at the beginning of this message, Jesus Christ in his prophetic revelation, spelt out the logistics for affecting the universal body of Ministry with the truth, which in turn, is the logistics for affecting the universal body of saints with the truth, and by which same logistics, Unity of revelation, which is Unity of faith, is thereby established. Revelation Chapter 1, verses 1-2 states: **"The Revelation of Jesus Christ, which God gave unto him, TO SHEW UNTO HIS SERVANTS things which must shortly come to pass; AND HE SENT AND SIGNIFIED IT BY HIS ANGEL UNTO HIS**

SERVANT JOHN: Who bare record of the Word of God, and of the testimony of Jesus Christ, and of all things that he saw." (One man, under Christ, with the true revelation of Christ, speaks to the entire body of ministry, and by his singular revelation which all the men receive from this same source, they in turn carry the same revelation to the body of saints, and by this means, Unity is established. Period! Verses 10-11 now states): **"I was in the Spirit on the Lord's day, and heard behind me a great voice, as of a trumpet, Saying, I am Alpha and Omega, the first and the last: and, WHAT THOU SEEST,"** (meaning that the revelation Christ now gives), **"write in a book, and SEND IT UNTO THE SEVEN CHURCHES which are in Asia; unto Ephesus, and unto Smyrna, and unto Pergamos, and unto Thyatira, and unto Sardis, and unto Philadelphia, and unto Laodicea."** Hence, Chapter 2, verse 1, instructs: **"Unto THE ANGEL of the church of**

Ephesus write...” This is the blueprint for all the church ages, as Christ laid it out in 96 AD., including this last age, as Jesus Christ in Chapter 3, verse 15 demands: ***“And unto THE ANGEL of the church of the Laodiceans write...”*** Jesus Christ dealt with John on truth, and John was now to give that same revelation message he received from the Spirit of Christ to the servants of God, who in turn will lay it before the body of saints, thereby establishing them in the same truth. This is the infallible divine logistics for true Unity: **UNITY DEMANDS A CLEAR VOICE OF TRUTH!** Remember, we are not talking of men who want to be something, or men who just wake up one day and think they have something others need to hear; men who have a self-bloated ego of themselves and of their ministry. We are talking strictly of God's chosen vessels of truth; men that are dealt with by the Spirit of Christ, and are anointed to carry his light to the body of ministry! ***Jesus Christ the same yesterday, today and forever!*** This all means that if there is to be Unity; if we are to have Unity, in this final junction of time in

Laodicea, we have to know that there has to be a lead apostolic voice, a voice God has ordained, and a vessel God has anointed, to carry the perfect revelation of the Spirit of Christ, to the entire body of ministry. Therefore, to hear the light of the truth he bears, is to hear what the Spirit IS SAYING TO THE CHURCHES PLURAL, IN LAODICEA! There has got to be a voice that is packing the mind of the Spirit of Christ to the entire body of saints today, for God does not leave Himself without a true witness. And may I say this evening that we have such a voice, just as Jesus promised in his written prophetic Word in 96 AD., which is precisely the reason he gave the Entire scroll of redemption to John to eat, according to the plan of God the Father, showing plainly and inarguably, that John is carrying the PERFECT and COMPLETE revelation of Jesus Christ, for the bride of Christ universal, on the full authority of Revelation Chapter 10, verses 8-11! And by believing his Message, a wholesome Message which is super abundantly vindicated by the Scriptures, we will all be

believing the same truth of Jesus Christ, and we will all be standing for the same truth, for we cannot but see eye to eye, on the revelation of the Word, because we are drinking from the same fountain, and are not bearing our individual revelations! Simple! Therefore, the projection of the universal bride ministry will be one, and hence, the universal bride saints will have perfect Unity of the faith of Jesus Christ of the Bible. Anything else is a panacea for confusion and chaos! Richard Gan said in his book titled, *Religo*, words which amount to this: *“We all follow one man, William Branham, and look at how we are all disunited, for it did not bring unity.”* He said that to knock the truth that unity can only come by following the light of the man that carries the torch of the truth of Jesus Christ. However, what he does not understand is that Brother Branham's ministry as the end time Elijah, was not designed or supposed to bring Unity. He was supposed to turn our hearts back to something, turn our hearts to the faith of the early

church apostles, which is the faith of the Bible, out of which will come the ministry of truth, who will bring Unity. So, he was only giving truth back in accessibility, and as it is written, **“the Scripture cannot be broken”!** The Ephesians fivefold ministry is what God has ordained to bring about Unity of faith; Not Elijah. That is precisely why following Brother Branham's ministry did not bring Unity, because it was not meant to! His ministry was supposed to give truth back in accessibility, so that from the pages of truth, from the grounds of the Word of God, God could raise up a voice that sets the true Ephesian ministry in motion, a ministry that can bring Unity. Because according to the written Word, Unity is not by Elijah of Malachi; Unity is by the Ephesian ministry! Period! Elijah was used to lay the foundation for the reproduction of the Ephesian fivefold ministry. The chief apostle of this end time, Raymond Jackson, a man who was the first fruit of Elijah's ministry, and a man who occupied the beginning office of the apostolic ministry, was also used to fortify the foundation the prophet laid for the bride

ministry. And now that we are in the third and final move for the bride, this is the hour of the establishment of the **original** Ephesian fivefold ministry, starting with substantive original apostles, an order of ministry divinely ordained to bring the Unity of faith to the universal body of saints, and consequently, this is the hour of Unity, which is precisely why We Now have Unity in motion! You did not hear me. In the Year 2005, brothers and sisters, God set the **“Unity of the faith”** IN MOTION, by igniting this Continuing AND Concluding Message of the Bible, giving us *“what the Spirit is SAYING.”* UNITY IS HERE: IT IS ON! Do you know what, church, and I say this to the glory of God, for it is strictly the Lord's doing: Around this globe today, starting with Nigeria, from Lagos to Ibadan, to Oyo, to Ondo (in the West), to Port Harcourt, to Owerri, to Okigwe, to Okrika, to Bonny (in the East), to Abuja, to Jos, to Nassarawa (in the North), just to mention a few places in this country; and abroad, to Togo, to Ghana, to Uganda, to Congo, to South Africa, to the United

States, to Canada, to the United Kingdom, to India, to Sri-Lanka, to the Philippines, all over this globe, we have people, saints, that believe exactly as we believe! Saints with whom we are not arguing over any verse of Scripture; we are not arguing over what it means, for we see it exactly the same way, even though we may use different words and different examples to convey it. It is a fact that around the globe, as it stands today in 2014, we see Eye to Eye on what the Scripture means! We are not arguing with one another, all because of one man's clear message of the Word, under Jesus Christ! But someone might say: *“But Brother Amos, there is a ministering brother who is standing for continuity in my place who is doing this, and who is preaching that. He is even preaching and teaching things that are contrary to the truth of the Bible that has been plainly laid out in the Scribe.”* There were people doing the same thing in the days of Saint Paul! That was why he rebuked the Galatians in Chapter 3, because you

always have men like that who profess to follow something, but it is strictly for their personal selfish agenda! And they are bound to fail, for total separation of seeds is also assured by Jesus in the Scriptures for this end time, as recorded in Matthew Chapter 13, verses 40-43. Moreover, you cannot stop the devil from trying to blight this move, for it is also his business to bring his men along, men who pretend to stand for the truth, in order to try to mar the picture, and cause confusion, and thus mislead and derail unrevelated souls. It is the devil's business to raise men to do exactly that; but it does not take away from the fact that around this world, there are people that see **"EYE TO EYE"**, for we are not arguing or fighting on Scriptures! Exactly! As such, if you ask them, *"Who is the man that was caught up?"* they will tell you straightaway: *"It was Apostle John!"* You will never be able to give them the unscriptural teaching that it was Paul that was caught up: They will throw you out! **THAT IS UNITY!** If you ask them: *"What are the three great things of the Third Pull?"* Everybody will

rise and say: *"The revelation of Elijah, followed by that of the Apostles, and finally that of the Seven Thunders, give us the three great things of the third pull!"* Unity is here! Glory to God! If you ask them: *"Has the Seventh Seal been broken? Was it broken in 1963?"* They will instantly reply, declaring: *"It is not yet broken, and it was not broken in 1963, because Jesus Christ is still on the Intercessory throne, saving the souls of the Gentiles. When that Seal is broken, however, he must leave the Mediatoral throne, and come for the bride, never to return back as Intercessor; for salvation is over for the Gentiles; and the elect Jews ordained for life in the last Week of Daniel, would have already been interceded for."* If you ask them: *"How many Gods are there?"* They will plainly tell you: *"There is only One God, Elohim, the God of Israel, who incarnated His Son at Jordan River, for Jehovah of the Old Testament, who is a spirit, is IN Jesus Christ of the New Testament, empowering him for the work of redemption."* If you ask them: *"How can we*

have Unity of divine revelation?" They will instantly reply: *"By following one man who can turn on the light under Christ."* And if you tell any of them that we do not have to see eye to eye on every issue of truth, they will be quick to tell you: *"Get behind me Satan, for it is written in the Book of Isaiah Chapter 52, verse 8: "... **THEY SHALL SEE EYE TO EYE!**"* Brothers and sisters, **UNITY IS HERE!** Unity is here! Yes! It is other people that will have to be brought into this Unity, but unity of THE FAITH IS HERE. And as others are being brought into this Unity, Unity is expanding its borders of the coverage of seeds; it is expanding its coverage in the measure of people being brought into it. But make no mistake about it: Unity is here, for scriptural Unity is already on! Everybody is not brought into Unity all at the same time, for true Unity has its beginning point, and its beginning nucleus. But it can only grow from hereon. That is precisely why our Message is strictly a scriptural one, one which is carrying the Message of the Bible,

opening up the written Word, unveiling the Master-plan of salvation, giving a knowledge of the deep things of the Spirit of Christ to the bride universal; for we are not carrying a material or money gospel, but the Gospel of life. Period! I will remind you that it is written: ***“The wise shall understand”!*** For as Jesus also declared: ***It is given unto the elect bride TO KNOW THE MYSTERIES OF THE KINGDOM!*** And just how were those mysteries given to us? They came by men who were inspired by the Holy Ghost! And how will we also understand them? The understanding will also come by men that are inspired by the Holy Ghost to carry the light of the inspired written Word! As I said before, the Spirit of Truth that was upon Elijah, which is the Spirit of scriptural revelation, the anointing of the Word, an anointing which was later conferred on the chief apostle, has now been invested in John. Therefore, I repeat, and please pay good attention: The Move of John which God set in motion in 2005, is the move God has ordained to bring Unity, and I am here to

inform you that that Unity is here. Consequently, 2005 gives us the year of the activation of God's Unity Move. And that is precisely why the Message of Christ we bear today, by the Spirit of Christ, in its present AND continuous revelation, a Bible Message which takes in all that we received from the end time Elijah and Paul, plus present tense revelations, is as clear as day. ***“THE PRESENT TRUTH”*** does not allow for ambiguity, because it carries no complexity of presentation, or hardness of language, or duality of projection. It is carried on in simplicity of language, and in simplicity of presentation, and with clarity of thought. You know exactly what is being spoken; you know exactly where truth lays on any matter, because it is succinctly or clearly laid. The voice of truth today is simple and plain, and the truth is laid out in-depth, and only the Lord can motivate that! Hence, the Present-Continuous light of the Word we have today, does not allow us to fight over anything, thinking, *“Oh, what does this brother mean here? I do not understand it because it is*

not clear.” No! The presentation of the continuity message is too clear to entertain doubts and arguments on issues of truth. That is the difference between the Continuing Message of John that God set in motion in 2005, and that of the chief apostle, and particularly in comparison with that of Elijah: Because the Message of Elijah had much dual statements in it, causing a serious wind of confusion in the Branham Movement, which God ordained for the separation of seeds at this end time. It took the chief apostle to make sense of it for you and me, because we were fighting one another with the quotes of the prophet. It took Brother Jackson to put the Message of Elijah in its proper scriptural perspective. But even then, Brother Jackson also spoke in duality, even though it was in a much lesser measure. Moreover, because his ministry was that of the chief apostle, like Paul of Old, who was a teacher of teachers, Brother Jackson's Continuity Message was very deep,

and a lot of times, it takes the ministry to break it down, in order to show what it really means. But John's voice, in comparison, is simple and clear, and with no ambiguity or duality. Church, today, and by the grace of God, and not of any man's doing, but strictly by the working of the Spirit of God, duality has been taken out from the Message! Because as long as we have dual statements and dual interpretations of truth, there is room for confusion! I repeat: As long as a voice has duality in its projection, it gives room for argument! And that is why you must understand today, that this is one move in which you will not have duality, because the men around the globe must know exactly what truth is saying, and where precisely they are to pitch their tent on issues of the Word. For they must know where to stand, and they will know where to stand, because truth has been made plain! And they will stand firmly and solely for the truth, because the truth has been made plain and very clear to one and all. That is why 2005 stands out as a crucial year in God's revealed plan of salvation. What a year! That

was the year true Unity was set in motion: Not unity of men's ambition, for it is not a unity obtained by reciprocal scratching of backs; and certainly not a unity of ideas of men, or a unity of man's programs, but of divine scriptural unity. I Repeat: It is not a carnal unity resulting out of, *"You scratch my back, I scratch your back. If I stand for you and help you to establish your ministry, you too will stand for me to help establish mine."* No, this is not a unity of sorts, where men buy followership, and men follow just because of their belly! And neither is it a unity born out of compromise of the truth. Furthermore, please note that the Move that began in 2005, is what God will use to pick up every piece of the Original Ephesian ministry: Every vessel God has ordained as ministry to the true elect bride, men to occupy the substantive fivefold ministry, who will build the bride up into a scripturally United and Mature universal body of saints, this is the Move in which they will all be constituted, namely, original cadre of apostles, prophets, evangelists, pastors and teachers. This

is absolutely so, because the ministry of Jesus Christ for the universal bride body is born in the light, for they are called by the light, into the light, for the light, that they, in turn, may use the light to dress the bride of Christ, in full readiness for the rapture. Therefore, every apostle of truth; every prophet of truth; every evangelist of the original order, including pastors and teachers, all of the original cadre, all ministers of truth, will all be put together by the Spirit of God, using the Continuing and Climaxing light of John to do just that. I reiterate or emphasize, it is in John's Move that the original and substantive Ephesian fivefold ministry are constituted in reality, and hence, the very reason why today, UNITY IS ON. Shine your eyes! It simply means open your eyes, for God is doing something: In simplicity and quietness, God is fulfilling His Word for the end time elect bride!

Let me say this tonight, for this is where we started this message, for it is what we used as our spring board: When God set the

voice of the star messenger to this age in motion in 1946, the voice of the angel to Laodicea, it carried the voice of the Spirit of Christ to this age. But the voice of the Spirit did not end with him, for although he died before the age closed out, the Spirit still continued to speak. Hence, when God set the Continuing Ministry of the end time Paul in motion in 1966, he was carrying the same Message, which is the same voice, which is the voice of the Spirit to Laodicea; for he was carrying that voice on in continuity. This is so, because the revelation of the Lord is ever progressive, and also because the Message or the Voice of Jesus Christ is one! However, he also passed away before the Laodicean age came to a close. And with the bride of Christ still being here, and on account of the fact that the rapture has not yet come, for the bride is not yet in shape, consequently, in 2005, God set the voice of John in motion. And like I told you before, John is also not carrying a different message or voice, because the voice is one: He is carrying the Continuing

AND Concluding voice of the Spirit of Jesus Christ to Laodicea. And as it is written to this age: He that hath an ear, let him hear what the Spirit IS SAYING, first through the star-angel to Laodicea; and after the angel to Laodicea passed away, through the Paul of today; and after Paul passed away, let him hear what the Spirit is NOW SAYING, presently and continuously, through John. It is the Spirit of Jesus speaking, for *THE SPIRIT IS STILL TALKING*, being *A WALKING VOICE*. Brothers and sisters, I am making a crucial point, that the voice of the Spirit to Laodicea, is what is contained in the Continuing Message of John, because although the voice of the Spirit to Laodicea opens up and starts with the voice of the angel to Laodicea, it does not end with him. The voice of the Spirit to Laodicea actually ends with John, which is precisely why it is to John, and not to the star messenger, that Jesus Christ gives the scroll of redemption to eat, in its entirety, evidencing that the ministry of John is that of the continuation and the

completion of the Message of Christ. Therefore, brothers and sisters, you have to know that the voice of John is a continuing voice, and it is also one of closure, because with him, the Message of Gentile redemption will be brought to a permanent and perpetual close; it is a ministry for conclusion. But as I have been emphasizing, this continuing and concluding voice of John, which is the Continuing and concluding voice of the Spirit, carries all the truths of Elijah, plus all the truths of the chief apostle, up to year 2004, for he has all their truths, PLUS WHAT THE SPIRIT IS SAYING FROM 2005 TO DATE, AND TILL THE RAPTURE! So, in the voice of John is the Message of the two men that have gone on before him. Let me therefore tell you this: There is not one truth which the two major ministries that have gone on before bore, that will be lost in this continuing message; not one jot of truth that will not be embraced, incorporated, carried on, re-established, and reinforced, in this final

Move, because the Message is one. It just gets brighter, and it gets richer, and it gets deeper, thus lifting the bride up on a plateau never before attained, in the entire dispensation of grace. Halleluiah! Therefore, Every atom of truth, (and I do not care whether it is as to doctrine; I do not care whether it is as to mystery; and I do not care whether it is as to instruction in righteousness); but every ounce of truth that has been given by the Spirit of Jesus Christ in this last age, from the Bible, through Elijah, the angel to this age, and through the chief apostle, the continuing ministry to this age, all these truths are incorporated into the Message of John: Because the Message of Jesus Christ is one, and it is the Message of the Bible. But in addition, John has the present tense revelations of Jesus Christ, popping up from the pages of the Bible, constituting the **FRESH "CARCASE"**, which the eagles of God gather around: For Jesus said, *Wheresoever the carcass is, there, and only there, will the eagles be gathered.* Consequently, do not expect chickens to come

there! Are you with me? This is an eagle gathering tonight! So John has all the revelation of the ministries gone on before. And do not forget that in this age, we are carrying the totality of the revelation of all six ages that have gone on before. You all know that! In fact, we are carrying the revelation of all dispensations, right from that which Moses laid out in the Seed Chapter in Genesis, to that which is contained in the Book of Revelation for this end time. Why do you think God took Brother Branham to start in Genesis? He came out with the revelation of the *Original Sin*, and also that of *The Serpent Seed*. And when the Lord also brought in the chief apostle, He also took him back to Genesis, and he came out with the revelation of the *Prehistoric World*, and *The Two Laws of Eden*. And when John also started in 2005, he said, *"Let us go and polish up the truths we have received from Elijah and Paul"*; but God said, *"It is much more than that."* From that same Genesis, God began to open up nuggets and nuggets of truth. Church, here came

the revelation of *The Creation of The Universe*, enabling us to know what we will do in eternity, that we are not going to just sit by the riverside, testifying all through eternity, as if we have no better things to do, than just to sit idly by, when we know that God does not encourage indolence or joblessness. We have work to do in eternity, as God turns His attention to other planets and galaxies, for the introduction of life, and we will be partners with Him in that great work. Moreover, angels are always busy, dutiful; angels are at work; angels are on perpetual assignment. As we are speaking tonight, angels are on assignment. Even right here, angels are here, on divine assignment! I say that because you must see tonight, that there is an angel behind this ministry, for the Spirit of God is here! Then, here came the revelation of *The Mark Of Cain*; here came the revelation of *The Mixing Of Seeds*; here came the revelation of *Sin Lieth at the Door*, and that of *The Travails Of Ham*. Halleluiah! On and on it goes! What do you think is

happening? THE SPIRIT IS TALKING! And Jesus said to Laodicea: ***“He that hath an ear, let him hear what THE SPIRIT”,*** (not what the spirits, but what THE SPIRIT) ***“IS SAYING TO ALL THE CHURCHES.”***

So, it is one voice to the universal body, which is the voice of the Spirit of our Lord Jesus Christ. But church, everything that has a beginning, has a conclusion; it has an end. The voice of the Spirit to this age starts with the angel of this age, and it ends with John. Consequently, brothers and sisters, we are in the concluding move of God for Gentile salvation. And when did the Gentile concluding move start? It was precisely in the Year 2005! The final move ordained of God to wrap up the entire plan of Gentile salvation, a salvation move which started two thousand years ago, was set in motion in 2005. It gives us a short move, the shortest move for the bride in this age, but the brightest move, in the measure of the light which the move carries, for it is packing an unparalleled light. Listen to me, church. The present day truth includes truths that are yet to come. Tonight, brothers

and sisters, I will tell you now, and I am not ashamed of it: There is a picture in the Book of Revelation which the chief apostle had laid out for us, which I can now confidently say that he gave us only in a measure. I say that because I can now see something we need to straighten out and set right, scripturally, even though I had previously thought that we had the full picture. Now I see that he was given the revelation of this prophetic subject only to a measure. And because of the other measure he was not given, we now have to take the pieces of this prophetic puzzle, and put them all together, in proper scriptural perspective, to form a perfect and complete picture. Then you will clearly see that some pieces have been slotted out of place. However, I have to confess, that as much as I can see this fact, I am still waiting on God for the divine code to unlock this prophetic mystery, for I do not have all the answers as yet; for without Him, I can see nothing, and I can do nothing. And may I tell you, that this concerns a major prophetic issue recorded in the Book of

Revelation. It is a major one. I will leave it like that. This lets us know, brothers and sisters, that there are still things to come, revelations to come from the pages of the written Word. But by the time the written Word has been fully dusted or fully laid out, relative to the spiritual dressing of the bride, we will then enter into the unwritten revelations of God, in the hour of the seven thunders. Halleluia! So, what does this let us see? In 2005, (and listen to this), the road to the seven thunders was set out. I repeat: In 2005, the road to the thunders was laid out. We did not have the road opened up before now, for it was closed. But suddenly in 2005, God opened up the road, and we can now see our way to the seven thunders. I say that only because the ministry of John is what takes us to the thunders, being the ***“next step”*** into the thunders! Furthermore, not only is John ***“THE NEXT STEP”*** INTO THE THUNDERS, but in addition, he is **the beginning office of the seven thunders!** The Branham Movement can

say all they want about that: I care less for them; for they have never followed the Scriptures anyway, for them to see anything worthwhile, spiritually speaking! Yet, I know some may sincerely ask: *“What do you mean by the beginning office of the thunders? Is there one scripturally speaking?”* Listen attentively church. The seven thunders are going to be seven apostles. This is very simple, for it is A,B,C, if you only understand what apostles really are. As I often say, I say again: If every written revelation came strictly by the order of apostles, being that they are the head of the fivefold ministry, do not tell me that unwritten revelation will come by a lesser fold. That is the first point! I repeat: If every written truth of the New Testament came strictly by the order of apostles, who make up the head of the Ephesian ministry, for they wrote every verse of Scripture making up the New Testament, including the earthly teachings of Jesus Christ, do not tell me we will go into the unwritten prophetic revelations buried in the mind of God in the hour of the thunders, and then God will use a lesser

fold of ministry to unveil it to the body of ministry! Spit out such carnal thoughts! Forget it! So, what does that show you? The seven thunders are going to be nothing other than seven apostles known only to the Lord, seven apostles that God can put dependence on, seven apostles chosen exclusively by God. But the second point is this: If seven apostles are going to constitute the seven thunders, I ask you, where are you going to put the lead apostle? Just how can God constitute seven apostles, men who will bear the unwritten revelation to the body of ministry, as seven thunders, that they may show the way for the bride of Christ universal, in that prophetic hour, and leave out the lead apostle? Just think about it! The third point is this: If seven apostles will make up the seven thunders, what are we going to do with the apostle that eats the entire scroll of redemption, a scroll which is not given to any other ministry to eat, a ministry bearing the completeness of the written and unwritten revelation of Jesus Christ required to get the bride in

perfect spiritual shape, in readiness for the rapture? The prophet to this age saw the seven thunders **“b a n g i n g S E V E N different times,”** showing that they are not ignited the same day. The fourth point therefore is this: Which apostle will God ignite first as thunder, if not the lead apostle? Fifthly: How will the bride be prepared to open up to receive the unwritten message of the thunders without a lead thunder, putting them on notice that we have now entered into the hour of the thunders? Sixthly: What are you going to do with the revelation of *The Angel's Feet Placing?* Seventhly and finally: What are you going to do with the revelation of The Firstfold Mystery, of *The Threefold Mystery of the Seventh Seal?* The truth is, if only you can see the implication and the application of the eating of the scroll, you must know that John has what no other thunder has, for he has the light of Jesus Christ, over and above any thunder, because the completeness of the revelation of Jesus Christ is invested solely in John!

Consequently, John will be the lead thunder. Fight that!

I must warn, however, that this is not about a man, but it is strictly about the prophetic revelation of Jesus Christ our Lord and Saviour! We are setting forth things that are written in the prophetic Book of Revelation; things Jesus Christ gave in his prophetic revelation! I am only showing you things that are laid out in the infallible Word of God! Simple! What are you therefore going to do with it, for God sets John as the wrap up lead apostolic ministry for Gentile salvation? That is why I took a message some years back titled: *LOOKING FOR THE THUNDERS: LOOK FOR JOHN*. For there is nowhere else you will get the thunders, for all apostles, including the men that will make up the thunders, will be men who are all firmly established in the continuing and concluding message John is bearing, for and on behalf of the entire body of saints, because John is bearing the continuing and concluding voice of the Spirit of Jesus Christ to Laodicea! Period! Racial sentiments have nothing to do with it, and

neither does envy and jealousy; and the personal ambitions of men have no place in God's revealed plan of redemption. Everything is about the revelation of the Scriptures of Truth! We should therefore be able to see these things, because the whole plan of redemption has been opened up for the end time bride. That is why there is no "No-go-zone" for us in the Bible. I do not care whether it is in the Book of Genesis, or in the Book of Revelation, the whole Bible is an open book for us. It is the Lord's doing, and we give Him all the praise. It is not that we know everything; but nonetheless, the truth remains that the Bible is now an open Book for the end time bride. And of a truth, Year 2005 opened up the road to the seven thunders, for with the establishment of John's lead apostolic ministry, which is the next step into the thunders, the way to the thunders was established. What a year that was! When the chief apostle was here, we used to say that the seven thunders are seven prophets. But now we know they are not seven prophets, but seven

predestinated apostles; seven elect apostles who will receive a prophetic anointing upon their lives, placing them into the shoes of prophets of the Old Testament order. And when we look at this cream of men, we also see the pre-eminent place of John in it, because the thunders do not receive the anointing in the same measure. This is a fact which should let you know that John's anointing will be greater than that which will be placed upon any other thunder, if you understand the leadership of God. Hence, I re-affirm: If you are looking for the thunders, look for John! If you do not get John in the light of Christ he bears, you will not get any thunder! Simple! If you do not get John in his light, you will not get or hear any thunder. Because when the angel of time is coming; when Jesus breaks the Seventh and final Seal in heaven, in fulfilment of Revelation Chapter 8, verse 1, he will descend again to the earth in the Spirit, as revealed in Revelation Chapter 10, verse 1, in order to give the scroll of redemption to John, just as he

descended to the earth back there in 1963! Oh, my! There are only two times he descends to the earth in the spirit in this last age. You did not hear me. There are only two times he descends to the earth in this last age. FIRSTLY: He descended in 1963 to activate the prophetic **“SHOUT”** of 1 Thessalonians Chapter 4, verse 16, a time also, when he as **“THE BRIDEGROOM CAME”**, in fulfillment of Matthew Chapter 25, verse 10, as well. SECONDLY: He is also going to descend in this last move, **“WITH THE VOICE OF THE ARCHANGEL”**, in order to give John the open scroll of redemption to eat, and also activate the thunders. My! And what is the voice of the archangel? That is exactly the **“loud VOICE”** of the mighty angel you see in Revelation Chapter 10, verse 3: It is the voice of the Archangel Michael, which sounds right there, characterizing Jesus the Christ, and also bearing his voice, speaking as his person, with a rainbow upon his head, and with the open scroll in his hand, showing that the Seventh Seal has now been broken. He now descends and comes to the

earth in the spirit, and gives John the scroll to eat, when no thunder sees or hears anything as yet. This is his second descent in the spirit in this age. The third and final descent will be in the sky, not to the earth, but in the sky, and then **“THE TRUMP OF GOD”** will sound, and the dead in Christ shall rise first, and we the living saints will also be changed in an instant, and be caught up together with the resurrected saints, to meet the Lord Jesus in the air. Church, when we really consider the application of the eating of the scroll, it speaks of the activation of the prophetic phase of the ministry of John; because right now, John is bearing the salvational phase of his ministry, empowered by a salvational anointing, just like John did in the first church age, from 67 AD., right up to 96 AD., when he had the divine encounter, and his ministry phase changed to a prophetic one. So also, when the end time John “eats” that scroll, the prophetic side of his ministry is set in motion, by the prophetic anointing he receives, and with that set in motion, the bride will be put on notice that we have

entered the hour in which the seven thunders will be set in motion. I will remind you that one of the implications of John being giving the scroll of redemption to eat, is the knowledge of time, relative to the ministry of the thunders, because the scroll he eats, lays out the plan of redemption! Moreover, no one shares in the eating of the scroll with him, for he alone eats the entire scroll, a most crucial prophetic landmark. It shows without any iota of doubt, that in John we have the completion of the revelation of Jesus Christ, for the universal bride. These are strictly issues of the Bible; they are the prophetic things Jesus Christ revealed in his prophetic message to John in 96 AD., and there is no getting away from it!

Therefore, if you look at Revelation Chapter 3, verse 22, you must first see the star messenger of verse 14, and then you must also see Paul, the first fruit of his ministry; and finally, you must also see John. This shows infallibly that the voice of the Spirit to this age

started with the Message of the star messenger to this age; but it definitely ends with the continuing and concluding message of John. With all these laid out perfectly and scripturally, is precisely why I said in Year 2005, the door was opened to the thunders. No, we are not yet in the thunders; but we can see them down the road by the eye of faith, because we know exactly what to look forward to, and we know exactly from what fold of ministry they will come, and church, we also know one man who will be the lead thunder in that hour, because the prophet to this age also saw **“the next step”** into the thunders, which is nothing other than the ministry of John. That is why I said if you are looking for thunders, look for John. Moreover, the ministry of John in his prophetic phase, is the **First fold Mystery** of the **“Threefold Mystery”** of the Seventh Seal. Brothers and sisters, the revelation of God does not allow for guess work, and it does not allow for ignorance either. And the closer we get to a picture, particularly one which is a prophetic event, the clearer our understanding will be,

because the better we will know; because **THE SPIRIT IS STILL SPEAKING, SHOWING US THE THINGS OF CHRIST TO COME**, and we are following what the Spirit is saying to the churches in Laodicea. That is the very reason our understanding can only get better, because the dealing of the Spirit of Christ can only get greater and richer, for we are to shine as the brightness of the firmament, and as stars of heaven forever, receiving a much greater glory at this end time, than that which was bestowed upon the early church, just as it is written: **“THE GLORY OF THIS LATTER HOUSE”**, (which represents the true temple of God, which is the bride church), **“SHALL BE GREATER THAN OF THE FORMER, saith the Lord of hosts: and in this place will I give peace, saith the Lord of hosts.”** (Hag. 2:9). As the prophet to this age often stated, **“The best is yet to come.”** Indeed, God has reserved the best for the last, and glory be to the name of our God. Amen! Saints, the clear light of Christ we have today, does not allow for ignorance or for confusion, for we are

not left in darkness on issues of truth, for Christ is showing us things to come in this final hour of Gentile time. Consequently, there is absolutely nothing that comes upon us by chance or unexpectedly, speaking strictly in terms of God's revealed plan of salvation, for the Spirit is showing us, posting us ahead, not allowing for darkness or ignorance of what Jesus Christ is doing in the earth, for and on our behalf. I will therefore say, that there is nothing called chance events in this way: It is a totally revealed way! And as such, every gambler must lose. Halleluia! There can be no gambling in this way! Every gambler must lose, for to gamble shows you are simply devoid of true revelation, which Christ gives to every elect seed of God. Hence, the reason we are not guess working, for we are walking strictly by revealed faith, which makes us walk tall in Christ, for we know who we are, and what precisely we are raised up for. We are the Original ministry, and the Original bride, with the Original life, following the Original Message of the Lord God Almighty! It is

a divine revelation of the Word, by the Spirit of God. Year 2005: What a year! But I hear the skeptics and doubters say: "All these are lies, Brother Amos. You are just deceiving the people." It is not a lie! Brothers and sisters, all you need to do is to simply look at 2005, and look at what has been coming forth since that year, in the light of the written Scriptures; things which have been coming out from the pages of the Word of God. For amongst many nuggets of truth, we now have the revelation of, *The Man That Was Caught Up; THE PRESENT DAY IDENTITY OF THE SERPENT*. Now we know him! That is a six thousand year old revelation! Brother Branham spoke about it, for he was used of God to open up the truth of the Serpent in a measure: He showed us his original profile, and the judgment which turned him into a snake. But he did not have the revelation of his present day identity within the reptile family. But here today, in this last move, even our children know him. Last December, we were away in Trinidad and Tobago, and the guide was taking us around the countryside; and as we

were about coming to a particular house, he said: "*In the household over there, there is an Anaconda snake. I do not know if you would want to see it.*" I immediately said, "Stop!" But he added: "*The owner is going to ask for maybe thirty dollars for him to bring it out for you to see.*" I replied: "*I will pay him the fee. I just want to see that old serpent.*" Oh, my! We stopped and he called to the man. He brought out the prince of the seeds of the Serpent, the Boa Anaconda. You can imagine the way I was looking at it in close proximity, going down memory lane of about six thousand years! I was looking at that old Serpent creature who was Adam's original servant-gardener. The anaconda was even hung on Mark's neck, and I took photo shots of it on him. The Anaconda! It was about twelve to fifteen feet long. Brothers and sisters, we have the revelation of *The Present Day Identity of the Serpent*. The truth of this mystery laid buried in the Bible for about six thousand long years. Think about it! Who can bring these things out, if not God? And they said God is

not moving. What if He would move? Brothers and sisters, Brother Branham said categorically that the Seventh Seal is in a "**threefold mystery.**" He spoke of only one fold. But now we have the threefold mystery all opened up, for we have the revelation of it all! What about the scribes of Matthew Chapter 13, verse 52? Brother Jackson applied it to the fivefold ministry generally, which is why he preached a message to the general ministry titled, *Oh Scribes Watch Out*; but today you know it is not the application! Now we have the revelation of the three major scribes; the three main readers. Brothers and sisters, again, in that same Chapter 13 of Matthew, all that the chief apostle saw were seven parables; but there are actually eight parables in that Chapter, and today, we can see the eighth one; and eight is the number of eternity. Brothers and sisters, why am I saying all this? It is just to let you see something. The fruit of what God is doing today, speaks precisely of where God is IN TIME, within His timetable or program of

redemption; and it vindicates the revelation of the Input of Ham. It is an Input God set in motion with the activation of the ministry of John, and this racial Move of God is unquestionable and undeniable, particularly when we consider the most crucial prophetic revelatory implication of the eating of the scroll. You must understand that it is a move that shows that John is carrying the entire plan of redemption. As such, it is the move that will bring not just continuity, it will also bring closure to the salvation plan God has mapped out for us Gentiles. Therefore, the revelation of John is the rallying point for any man and every man that will minister to the true Bride of Jesus Christ. It is that serious. And this is not said to lift up the flesh of man, but to show you the truth of Christ. Period! Brothers and sisters, I re-affirm: The evidence that the voice of John is the rallying point for every man that will minister to the true Bride of Jesus Christ, is the fact that he is the one that eats the entire scroll of redemption, showing clearly that he is bearing the revelation of the entire plan of redemption.

That is why Jesus gave him to eat the entire scroll, thereby conveying a serious prophetic picture for the bride of the very end. And as it is written: ***“He that hath an ear, let him hear what the Spirit SAITH UNTO THE CHURCHES.”***

Brothers and sisters, I will remind you tonight in bringing my message to a close: In 30 AD., God was doing something wonderful. Something most wonderful happened in 30 AD., way back here. (Brother Amos points to the chart). Something very glorious! For heaven rejoiced exceedingly when the Messiah stepped into his ministry, for that was precisely why he came; that was the precise cause for which he was born! Church, it was not enough the man was born, though it was most essential that he was born; but the fact is that he was born for a specific purpose; he was born for an objective, a divine objective, one most important, and as such, pre-eminence lays in the divine objective of God for which he came. What a year then 30 AD was, when he stepped into the shoes

of his ministry, in order to redeem Adam's entire fallen race. Saints, if heaven rejoiced at his birth, you can only imagine the joy over the establishment of his ministry, when it was set in motion, for it signified that the plan of redemption was now in motion, in reality, as opposed to a mere promise, though infallible. The Move of redemption was now set in motion, activating the plan which had been spoken of by prophets upon prophets, right from the Book of Genesis! What a year 30 AD was! And yet, for the seriousness of the prophetic fulfillment which that year set in motion, there was no noise, no advertisements, and no commotion about it on earth, except a humble announcement at his birth to humble shepherds who watched their flocks by night, men whose testimony would not matter to the religious lords of Israel. His ministry started very quietly, and very humbly. He came to John humbly and quietly, and he was baptized simply and quietly also. Only John saw the Spirit come down on him, and

only John testified of him. And quietly, Jesus was led into the wilderness to be tempted of the devil for forty days and forty nights; and he came back afterwards without any open announcement, other than the testimony John the Baptist gave of him. He came back simply minding his business, carrying on the work for which he came, declaring: *“Repent ye, for the kingdom of heaven is at hand.”* He did not go and disturb the Pharisees and Sadducees, and neither did he go to the Gamaliels of those days, the great doctors of law, men who had the biggest Bible schools in Israel, so that they could recognize him. He did not say to them: *“Oh, this is 30 AD. Do you not know that in the plan of God, this is a pivotal year? It is the year in which the ministry of the Promised Messiah was set in motion.”* They would have told him: *“Give me the Scripture for it. You say 30 AD is a serious year: Then give me the Scripture that says that of 30 AD. Where is 30 AD written in all the law and the prophets?”* It did not happen that way because God's ways are very simple and very humble, and as such, His moves are always

very revelatory. It is left only to those that can hear what the Spirit is saying; those who can hear the still small voice; those who are being dealt with by the Spirit of God; for God does not leave His children in darkness of His works. Otherwise, you cannot know what God is doing; you cannot see what God is doing; and you cannot log on to it either! God moves in humility and simplicity, and He reveals Himself in humility and in simplicity. And unless God is dealing with you by His Spirit in a revelatory way, it is absolutely impossible to see the move of God, and as such, you will not see what He is doing in your day. Turn with me to the Book of Acts Chapter 13, where Apostle Paul lambasted the Jews. We will take it from verse 40, which states: **“Beware therefore, lest that come upon you, which is spoken of in the prophets.”** (And what exactly did the prophets say? Verse 41 lays it out, declaring): **“Behold, ye despisers, and wonder, and perish...”** (This is a prophecy of Prophet Habakkuk. I take that verse again): **“Behold, ye**

despisers, and wonder, and perish: FOR I WORK A WORK IN YOUR DAYS, a work which ye shall in no wise believe, though a man declare it unto you.” John the Baptist was the only ministry that testified openly of Jesus Christ, **“the Lamb of God”**, and there was no other open testimony. Yet, Jesus Christ was spoken of in the whole Bible; but they just did not see it. Only one ministry gave an open testimony of the promised Messiah, to let them know, *“The ministry of the Messiah has started this very Year 30 AD, for it is a glorious year.”* Did they believe? No! And when God set the ministry of Saint Paul in motion, **“The apostle”** to the Gentiles, **“a wise Masterbuilder,”** Paul knew exactly what God was doing in that day; because there were certain prophecies of Jesus Christ that were fulfilled in and through his own ministry, and the prophecy of Habakkuk was one of such prophecies: for through Saint Paul, a great work was set in motion, the work of Gentile salvation. Hence Apostle Paul

warned in verse 41, declaring: **“Behold, ye despisers”**, (ye unbelievers), **“and wonder, AND PERISH”**, (for it is their choice): **“for I work a work in your days,”** (which simply means that I will work a work in your days), **“a work which ye shall in no wise believe, though a man declare it unto you.”** I like the way Prophet Habakkuk himself put it. Habakkuk Chapter 1, verse 5 records: **“Behold ye among THE HEATHEN, and regard, and wonder marvellously: for I will work a work in your days, which ye will not believe, though it be told you.”** Although God was speaking here to the children of Israel who are in the Gentile kingdoms, nevertheless, it is also a prophecy to the Gentiles themselves, because of what God is going to do in their very midst, and on their behalf, which is the work of salvation, a work which God used Apostle Paul to set in motion. But the pathetic thing is that, despite this serious prophetic warning of the coming works of God among the Gentiles, people still do not believe anything! Hence, Saint Paul picked

this prophecy up, and he warned them, saying in effect: ***This Scripture is hanging right over you. Do not let it fulfill in your life, because you will PERISH if it does.*** In other words, he was pleading with them to open their eyes to see something, by the manifest fruits the work was bearing, that they may not perish! The same pathetic attitude is what you see out there in the Movement today. God works a work; God moves in the Gentile world, for and on behalf of the end time elect bride saints, and the people cannot see it. But what do they do? They condemn and ridicule it; yet, it is the work God is working in their own very day, to open up the way of eternal glory to them! My! 2005: What a year! Brothers and sisters, that was the year the ministry of the man that will eventually **“eat”** the scroll of redemption was set in motion, the ministry that will also be used to begin the ministry of the seven thunders, and one who will also make the Jewish Connection, just before we go in the rapture. And more immediately, that is the man through whose

ministry light the Unity of the faith AND Perfection has been set in motion, for in his move, all the ministry pieces will be brought together, just as the chief apostle stated in his message, so that the bride can shine before this most degenerate and perverted world. Please do not forget that returning the Gospel back to the Jews necessitates the removal of all Gentile impurities from the Gospel, so that we can return the Gospel in absolute purity to them, and with a greater glory, and with a much greater magnitude of truth, than how it came. That is why in this move, there is no error that will be entertained, for every tradition of men will be stamped out by the power of truth, because the Gospel must be washed free of all Gentile impurities, and returned, not in the same measure in which we received it; but returned in a greater measure, and with a greater glory, much more powerful, with much more depth, having much more revelatory intensity. Consequently, it is the ministry God is using to give true direction and divine focus to the

universal body of saints, and also to Move the bride forward in the light, in these final days of Gentile time, as God brings the work of Gentile salvation to a close, **"A Work"** He started through Apostle Paul. This precise work is now to be completed through the end time Apostle John. Saints, like I said before, talking of the promised ministries of the Bible, nowhere in the Scriptures did the Spirit expressly state the year in which they will be ignited, except that we have a promise of them. That is the truth! It is so, because this walk is strictly a faith walk; for as it is written, ***"the just shall live by faith."*** You should therefore be able to see the scriptural fruits of something, if there is any love of truth in your heart. After all, everything can be censored by the Scriptures. Yes, it can, for the Holy Bible is the exclusive foundation of truth, and the test or determiner of the works of God!

As I close, let me remind you that ***"the voice of the ARCHANGEL"***, is sounding first through John. The Archangel Michael comes down with the open scroll, characterizing Jesus

the Christ, with a rainbow around his head, with one leg on the sea, and one leg on the prophetic earth, giving us *The Angel's Feet placing*, the revelation of which we have on our website and in the Scribe. Then, he will give that scroll of redemption to John. When he gives that scroll to John, John eats it up, and that sets in motion the prophetic phase of John's ministry. And subsequently, it also sets in motion that of the seven thunders as well, once the angel of Christ cries with a loud voice. The voice of the archangel will now be carried on through the seven thunders. What is the voice of the archangel? It is the unwritten prophetic revelation of Jesus Christ necessary to prepare the bride prophetically for the RAPTURE EVENT. It is an unwritten prophetic message instructing her strictly and prophetically for the rapture. Think about it! Once the Jewish Connection is made, as John steps into the prophetic phase of his ministry, just before the Last Week of Daniel starts, we will then enter into the last Week of Daniel. Two modern day Jews, Moses

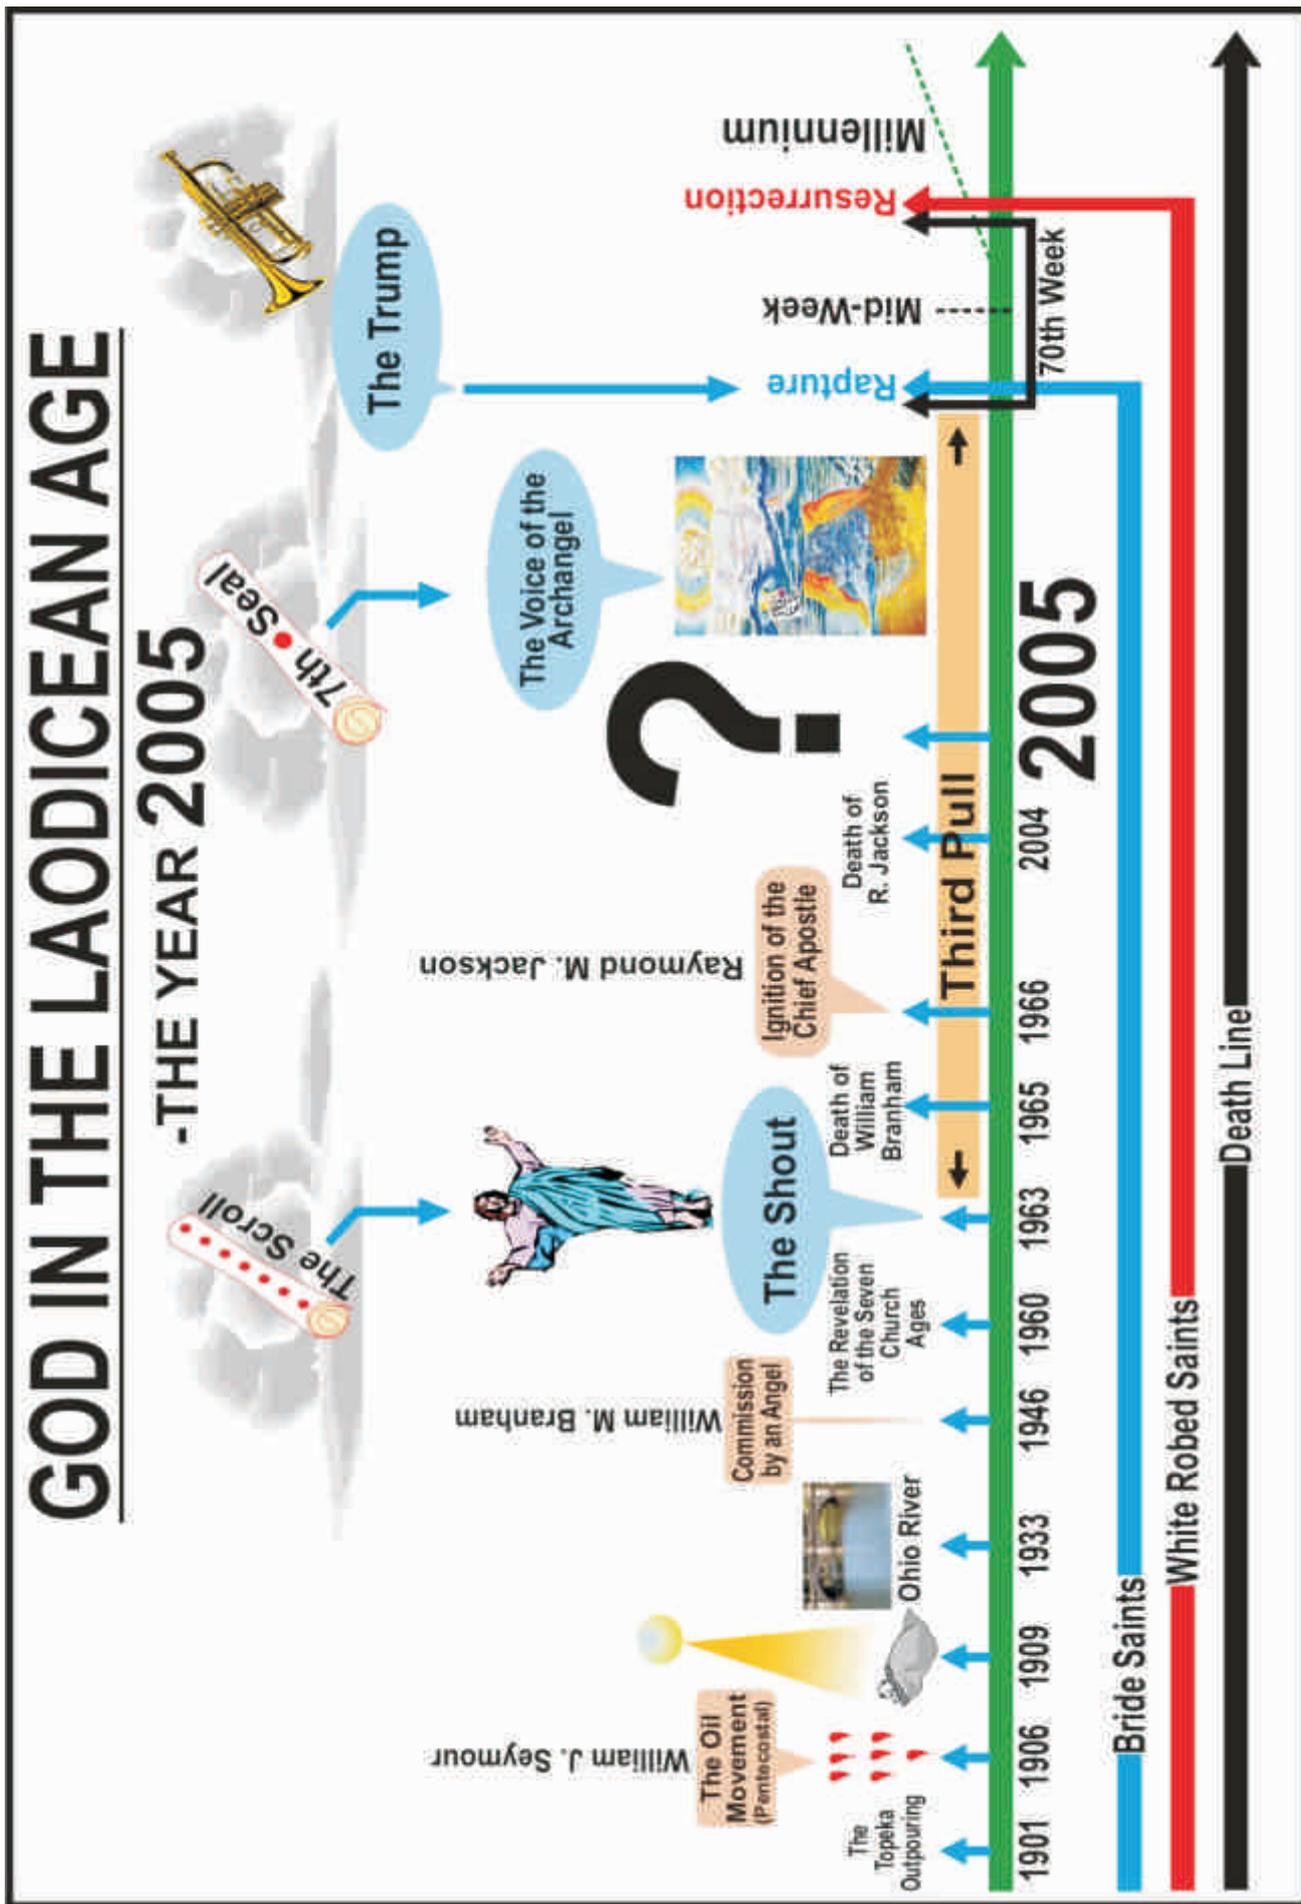

and Elijah, will also start their ministries right there, at the very beginning of that Week, with the Pope of Rome making a peace and economic pact with Israel and the ten horns of Europe. Right there is the period of time we will go in the rapture, at the opening of the Week. We already know brothers and sisters, that Moses and Elijah have only three and a half years to do the work of the redemption of Israel. In the middle of the Week, they will be killed by the Anti-Christ, and the Antichrist will take over Jerusalem, and make himself God, and demand worship, as he sits in the temple of God. He will institute a blood bath against the people of God, and set in motion the 666 Mark. At the end of that Week, we are coming down with Jesus Christ to establish the Millennium, after instituting the Day of the Lord. And there is a resurrection of the tribulation saints, just before the Millennium starts. The whole picture has been laid out. Saints, the entire plan of redemption, the ministry of the 144,000 Everlasting Gospel preachers of

Revelation Chapter 14, and the ministry of the two Jewish prophets of Revelation Chapter 11, from the beginning to the end, everything has all been laid out in the Word of God. How do we know all that? We know all that because this is the ending move! And at the ending of a thing, you can look back to see all that has been done right from the very beginning, all through time, because the ending story has every detail of what that thing encompasses, and what it has accomplished thus far. So, we are here in time, at the ending move, which is what gives us the privilege of time; because we have the added advantage of looking back, and seeing all that God has done through time, right from Genesis. We are therefore a privileged people. What a great privilege we have indeed! Very importantly,

we can also see today that Unity is on. And in this Move for Unity is precisely where the Original fivefold ministry will be established in its full capacity. Every apostle, every prophet, every evangelist, every pastor and teacher of the elect bride church, this is the move in which they will be established, and they will walk in Unity, because Unity has already started: UNITY IS HERE, FOR UNITY IS ON. God set it in motion in 2005. What a year! What Happened in 2005? It is the year where the last move for Gentile salvation was set in motion, for this is where it all ends for us Gentiles. As such, this is a Continuing, and a Climaxing, and a Concluding Move of God. Yet, it is ordained for a small portion of time which closes out this seventh and final church age, the Laodicean Church age. We

call it *THE HOUR OF GOLD*, because it is the hour of Ham's Input; it gives us the Days of *THE INPUT OF HAM*. In the Year 2005, God set the ministry of John in motion, and with it, we are going in the rapture, for it is Christ's very last Gentile Move! Here is where it all ends for us Gentiles. Year 2005, is therefore a pivotal year in the bride calendar, being a crucial year in God's revealed plan of universal redemption. *GOD IN THE LAODICEAN AGE - THE YEAR 2005*: It gives us the concluding move of God for Gentile salvation, for God ends everything through John, the man who eats the entire scroll of redemption. Let us bow our heads in prayer. (Brother Amos prayed).

The Lord bless you.
