

# The Scribe

"Every Scribe which is instructed into the Kingdom of heaven is like unto a man that is an householder, which bringeth forth out of his treasure things new and old" - Matthew 13:52

Amos Olusegun Omoboriowo

July 2014

## GOD IN THE LAODICEAN AGE - THE YEAR 2005 (KNOWING THE OBJECTIVE OF GOD) -PART 4

The following message was preached by Brother Amos, on Thursday 2nd October, 2014, at Bible Faith Tabernacle, Lagos, Nigeria. The fourth in a series of four messages, this is ultimately a long and loud cry to the children of God, the bride, who have an ear to hear, and a heart to receive, and to truly know what God is doing, and the objective of God in the things that He is doing. May God give His people a hearing ear.

I greet everyone in the name of the Lord. God bless you all. We want to move on with our message titled, *GOD IN THE LAODICEAN AGE - THE YEAR 2005*, subtitled: *KNOWING THE OBJECTIVE OF GOD*, and bring it to a

close this evening, by the grace of God.

Brothers and sisters, out of the Charismatic Renewal Movement came a Move in the early seventies, a Move that is an offshoot of the Charismatic Renewal, and which produced what I call the Charismatic-Evangelical Movement. This Move, the Charismatic-Evangelical Movement, is what now gave birth to the present day class of preachers we have around the globe, the **Lone Ranger Ministries**, like Benny Hinn, Billy Burke, Mike Murdock, Rod Parsley, J.D. Jakes, Kenneth Copeland, Fred Price, Creflo Dollar, Joyce Meyer, Paula White, Eddie Long, David Oyedepo, Chris Oyakhilome, etc. All

these preachers give us the modern day ministries out there in the Pentecostal-Evangelical world, ministries born out of the Charismatic-Evangelical Move of the seventies. (Brother Amos points to the chart). We have already x-rayed these kinds of ministries in the earlier series of this message. They are offshoots of the Charismatic Movement. And because the Charismatic Movement itself is a deluding move, used to bind the Pentecostals with the Orthodox Churches, (although it was also used to give Oil to the foolish virgins in their midst), its offshoots had to be worse in spiritual constitution, particularly in regards to their attitude towards the Word of God, and true spirituality. That is precisely why, today, a lot of them carry just a material gospel, a prosperity gospel, preaching nothing but money, being money mongers, and they are as worldly as worldly can be, living an extremely lavish lifestyle. They will even make Hollywood blush! Yes! The astounding fact about them is that they are not ashamed or afraid of their downright worldliness

and extravagance, for they have boldness and godless audacity to go with it, that you can see that they are men totally devoid of conscience! That is why, in order to build an empire for themselves on this earth, they can make merchandise of the gospel, and bleed the people for money, shamelessly on the telecast, without any prick of conscience, for they have been given seared hearts! Now it is a rat race to see who can acquire the most Jet planes, and who can build the most fantastic, modern, and well equipped university! They have nothing for the souls of men, but they know how to appeal to the carnal religious sentiments of people, giving sweet talks that mean nothing, spiritually, just so they can get them to empty out their bank accounts! The Spirit of God picked the characters we now see today, in 2 Peter Chapter 2, verses 1-3, when Apostle Peter declared prophetically: ***“But there were false prophets also among the people, even as There shall be FALSE TEACHERS AMONG YOU, who privily shall bring in damnable heresies, even denying***

***the Lord that bought them”***, (by their rejection of his truth, and by their godless lifestyles), ***“and bring upon themselves swift destruction. And many shall follow their pernicious ways; by reason of whom the way of truth shall be evil spoken of. And through covetousness shall they with feigned words make merchandise of you: whose judgment now of a long time lingereth not, and their damnation slumbereth not.”*** Verses 15-19, goes on to say concerning these false preachers: ***“Which have forsaken the right way, and are gone astray, following the way of Balaam the son of Bosor, who loved the wages of unrighteousness; But was rebuked for his iniquity: the dumb ass speaking with man's voice forbad the madness of the prophet. These are wells without water, clouds that are carried with a tempest; to whom the mist of darkness is reserved for ever. For when they speak great swelling words of vanity, they allure through the lusts of the flesh, through***

***much wantonness, those that were clean escaped from them who live in error. While they promise them liberty, they themselves are the servants of corruption: for of whom a man is overcome, of the same is he brought in bondage.***” They have gone off the tangent of life a million miles away, and there is no coming back for them. Not even an atomic bomb can shake them out of it! Little wonder then, that they are not bothered by the godless, utterly unholy and rotten dressing of their women, who look more like prostitutes than church going people; with all their long splits and flaunted breasts that are on sale, and whose physical looks totally nullify every law of righteousness and holiness! In the Pentecostal-Charismatic world, there is nothing but a raw display of flesh, for they have broken down every law of righteousness, and have opened up the door of hell! Are you therefore surprised that a lot of these preachers themselves are homosexuals, moral perverts, not to talk of the members of their congregations? Little wonder then, that these

preachers are not bothered by the opulent lives they live; the flashy and very expensive cars they drive, the Rolls Royces, Bentleys, Porsches, Lamborghinis; the swank homes they live in, and the estates which they acquire in the name of the Lord; the expensive Rolex watches and diamond rings they adorn, which costs a fortune; the flamboyant clothes they wear, for they love the glitz, and the showiness! Yet, in 1 John Chapter 2, verses 15-17, the beloved apostle warned: ***“Love not the world, neither the things that are in the world. If any man love the world, the love of the Father is not in him. For ALL that is in the world, the lust of the flesh, and the lust of the eyes, and the pride of life, IS NOT OF THE FATHER, but is of the world. And the world passeth away, and the lust thereof: but he that doeth the will of God abideth for ever.”*** That is why, brothers and sisters, they are carrying not an ounce of truth. Some of the men though, out there in the Charismatic-Evangelical Movement, like John Hagee and Reinhard Bonnke, preach

a moderately “balanced” gospel, for not all of them preach money. They see a Scripture here, and a truth there, which they mingle with their carnal ideas, but at least they are preaching something that has **some** measure of truth, even though it still falls short of the true divine revelation that is acceptable to God, for deception comes in folds, being expressed on different levels. Exactly! Hence I have to say: That is why none of these men are preparing anybody for the return of Christ, for there is not one of them that has a message for the bride of Jesus Christ, for they are all leading nowhere! They are not faithful to the truth. Yet, they have the audacity to condemn William Branham, the prophet of God to this age, a faithful messenger of truth. John Hagee, for instance, wants us to believe that William Branham usurped authority, by stepping into the teaching ministry, rather than simply remaining a prophet, to heal their sick and raise their dead, as if God is an entertainer; when as a matter of scriptural fact, the Elijah of Malachi Chapter 4, verse 6B, had

to restore our hearts back to the faith of the apostolic founding fathers, which is the true Bible faith! And that was precisely what William Branham was used of God to accomplish, for I am a follower of his message, and a recipient of the truths of the Bible he brought! Which is precisely why, and by the grace of God, I am now able to stand on my own two feet on Bible issues, before the whole wide world, upholding the standard of truth! And when you touch God's dignitary, you will pay a price. Look at it. I have already shared this with the church, but because it is material to my message, I will talk about it again. Wikipedia has this fact laid out on its web page concerning John Hagee, and it states: **"Hagee claimed in March 2008, 'I've learned that some have accused me of referring to the Catholic Church as the 'great whore,' of Revelation. This is a serious misinterpretation of my words. When I refer to the 'great whore', I am referring to the apostate church, namely those Christians who embrace the false cult system of Jew-hatred and antisemitism." Donohue rejected Hagee's**

**explanation as disingenuous: "Anti-Catholic Protestants have long labeled the Catholic Church 'The Great Whore', and no amount of spin can change that reality. No one who knows anything about the term would suggest otherwise." Furthermore, Hagee did identify [the Great Whore of] Babylon as Rome in his book From Daniel to Doomsday (1999), in a way that it became inherent to the Roman Empire and the Roman Catholic Church: "The evidence would point to Rome ... It was Rome where Nero wrapped Christians in oily rags and hung them on lampposts, setting them ablaze to light his gardens. It was Rome that orchestrated the Crusades where Jews were slaughtered ... It was Rome that orchestrated the Inquisitions throughout the known world where "heretics" were burned at the stake or pulled in half on torture racks because they were not Roman Catholic." (pp. 10-11) Hagee further responded to the charge in a videotaped statement**

**and press release, categorically denying that he was anti-Catholic, on the grounds that his church runs a "social services center" that serves a largely Catholic constituency, that he supported a convent personally, that he had often denounced Martin Luther, not just the Catholic Church, for antisemitism, and that he did not interpret the "Whore of Babylon" as a reference to the Catholic Church.**

**On May 12, 2008, Hagee issued a letter of apology to William Donohue, the president of the Catholic League, expressing regret for "any comments that Catholics have found hurtful." He apologized for condemning Catholics for what he viewed was their persecution of Jews, and outright stated that he did not believe that, and many other previously held views, any longer. He also said that the "great whore" comments were taken out of context and were not directed at the Catholic Church. He went on to explain that his comments about the**

**Catholic Church were made “in my zeal to oppose anti-Semitism and bigotry in all its ugly forms. I have often emphasized the darkest chapters in the history of Catholic and Protestant relations with the Jews.” Bill Donohue told Fox News, “I’m absolutely delighted... I haven’t seen such a quick turnaround in the 15 years that I have been president of the Catholic League ... The tone of Hagee’s letter is sincere. He wants reconciliation and he has achieved it.” “Indeed, the Catholic League welcomes his apology,” Donohue wrote in a press release. “What Hagee has done takes courage and quite frankly I never expected him to demonstrate such sensitivity to our concerns. But he has done just that. Now Catholics, along with Jews, can work with Pastor Hagee in making interfaith relations stronger than ever. Whatever problems we had before are now history.”** What a big shame that a preacher of his stature would deny a plain truth of the infallible and unchanging Word of God!

This evidently shows him out as nothing but an apostate preacher! Incredible people! The man recanted, even though vividly and notoriously, the Church of Rome still remains as it has ever been: A Truth trampling, Bible hating, creed peddling, relic carrying, ceremony mongering, “mass” celebrating, apostate and idolatrous system of religion, which is scripturally and undeniably **“BABYLON THE GREAT, THE MOTHER OF HARLOTS AND ABOMINATIONS OF THE EARTH”**, the most deceptive religious organization Satan has ever invented! It is a system that is intrinsically and chronically idolatrous, irredeemably apostate, and most sacrilegious, though sanctimonious in its outward appeal, and our Lord and Saviour Jesus Christ exposed her in his prophetic revelation, recorded in the Book of Revelation Chapters 17 and 18! Let me warn you now: If you open your mouth wide to condemn the truth of God, the day shall come that you will be very sorry, for God will show you out, and shame you up, for as John Huss of

Bohemia often stated, **“TRUTH CONQUERS ALL”!**

Again, Kenneth Copeland, the leader of the Pentecostal Word of Faith, and founder of Kenneth Copeland Ministries, held a Ministers' Conference on 21st February, 2014, of leading Pentecostal-Charismatic preachers in Texas, and it was all about Unity with the Roman Catholic Church! Tony Palmer, an Anglican Episcopal Bishop, and a member of the Roman Catholic Ecumenical Delegation for Christian Unity and Reconciliation, who had held a private meeting a month earlier with his longtime friend, Pope Francis, came to the Ministers' Conference with the video recording he held on his i-Phone, of the message which the Pontiff sent to Kenneth Copeland and the Conference, urging that the Catholics and Charismatics unite. The Pope of Rome is earnestly pleading for reconciliation among all faiths! He is calling for another tower of babel. Before the video was played to the live audience, Tony Palmer proclaimed: **“The**

**Catholic and Charismatic Renewal IS THE HOPE OF THE CHURCH**", and the ministers applauded him! He continued, saying: ***"When my wife saw that she could be Catholic, and Charismatic, and Evangelical, and Pentecostal, and it was absolutely accepted in the Catholic Church, she said that she would like to reconnect her roots with the Catholic culture. So she did."*** Then he declared bluntly to a cheering crowd: **"Brothers and sisters, LUTHER'S PROTEST IS OVER. IS YOURS?"** My, oh my! Did you hear what he said? He said that Martin Luther's protest of the Roman Catholic Church is over, and he is asking the crowd whether theirs is also over! You will not believe what Kenneth Copeland said in return. He said: **"HEAVEN IS THRILLED OVER THIS...You know what is so thrilling to me? When we went into the ministry 47 years ago, this was impossible."** The man is extremely excited by an unholy unity with the great harlot of the Bible! Brothers and sisters, these men are sound asleep with the spirit of strong delusion, and the grey horse rider is riding feverishly and

furiously, which is why the ecumenical spirit is now stronger than it has ever been, and like a great tsunami, it is storming and swallowing everywhere! My! The video message was then played, and please listen carefully to what Pope Francis said. I will only quote him in material parts: ***"Two rules: Love God above all, and love the other (neighbour), because he is your brother and sister. With these two rules we can go ahead. I am here with my brother, my Bishop Brother, Tony Palmer. We've been friends for years. He told me about your Conference, about your meeting. And it's my pleasure to greet you. A greeting both joyful and nostalgic (yearning). Joyful because it gives me joy that you have come together to worship Jesus Christ the only Lord. And to pray to the Father and to receive the Holy Spirit. This brings me joy because we can see that God is working all over the world... We are kind of...permit me to say, Separated. Separated because, it's sin that has separated us, all our***

***s i n s .*** **The misunderstandings throughout history. It has been a long road of sins that we all shared in. Who is to blame? WE ALL SHARE THE BLAME. We have all sinned. There is only one blameless, the Lord. I AM NOSTALGIC (YEARNING), THAT THIS SEPARATION COMES TO AN END AND GIVES US COMMUNION. I am nostalgic (yearning), of that embrace that the Holy Scripture speaks of when Joseph's brothers began to starve from hunger, they went to Egypt, to buy, so that they could eat... We have lot of cultural riches, and religious riches. And we have diverse traditions. But we have to encounter one another as brothers. We must cry together like Joseph did. These tears will unite us. The tears of love. I am speaking to you as a brother. I speak to you in a simple way. With joy and nostalgia (yearning). Let us allow our nostalgia (yearning) to grow, because this will propel us to find each other, TO EMBRACE ONE**

***ANOTHER. And together to worship Jesus Christ as the only Lord of History. I thank you profoundly for listening to me. I thank you profoundly for allowing me to speak the language of the heart. And I also ask you a favor. Please pray for me, because I need your prayers. And I will pray for you, I will do it, but I need your prayers. And let us pray to the Lord that HE UNITES US ALL. Come on, we are brothers. Let's give each other a spiritual hug and let God complete the work that he has begun. And this is a miracle; THE MIRACLE OF UNITY HAS BEGUN. A famous Italian author named Manzoni, once wrote in his novel, of a simple man amongst the people, who once said this, "I've never seen God begin a miracle without Him finishing it well." He will complete this miracle of unity. I ask you to bless me, and I bless you. From brother to brother, I embrace you. Thank you.*** The Pope received a standing ovation for this unholy plea for false unity! Kenneth Copeland led the whole congregation in prayers for the Pope, and they prayed in tongues, and

blessed the Bishop of Rome! Kenneth Copeland turned to face the platform, allowing Tony Palmer to face the entire congregation of ministers, and they thanked and blessed the Pope in a video message to the Pontiff, recorded on Palmer's i-Phone. Palmer now invited Kenneth Copeland to the Vatican, and Kenneth Copeland's response was: ***"I WILL. I'M AVAILABLE."*** It is all on YouTube! The present Pope is pushing the Unity drive with gusto, (vigorously and enthusiastically), using the prayer Jesus Christ offered for True Unity, in John Chapter 17, verses 21-23, to foster Satan's agenda of false Unity. And it is interesting to note that he is pushing for Unity, Not just with the Christian world, but also with all other faiths, Muslims, Buddhists, and what have you, all geared towards the imminent reign of the Anti-Christ! On the 24th June, 2014, Kenneth Copeland, James Robison, an American televangelist, the founder and President of the Christian relief organization called Life Outreach International, along with his wife, Betty Robison, both co-hosts of *Life Today* television

programme, Rev. Geoff Tunnicliff, CEO of the World Evangelical Alliance, Rev. John and Carol Arnott, co-founders of Partners for Harvest Ministries, in Toronto, Canada, and two other leaders from the World Evangelical Alliance, were led by Bishop Tony Palmer to meet Pope Francis in the Vatican, and they had a three hour session with him, including a private luncheon with the Roman Pontiff, with photo-ups! James Robison said: ***"This meeting was a miracle... This is something God has done. God wants his arms around the world. And he wants Christians to put his arms around the world by working together."*** In a written statement James Robison stated that he believes ***"the prayers of earnest Christians helped lead to the choice of Pope Francis."*** He described the Pope as ***"a humble man... filled with such love for the poor, downtrodden..."*** He also televised the video on his daily TV show. Tony Palmer died about a month after this meeting with the Pope. He passed away on 20th July, 2014,

from injuries sustained in a motorcycle crash. Saints of God, on one of the Pontiff's flights to Rome from Rio de Janeiro, the Bishop of Rome laid out his conviction about the necessity of the Charismatic Movement, in these precise words: ***"I'll tell you something about the Charismatic Movement ... at the end of the '70s and in the '80s, I wasn't a big fan. I used to say they confused the holy liturgy with a school of samba. I was converted when I got to know them better and saw the good they do. IN THIS MOMENT OF THE LIFE OF THE CHURCH, THE MOVEMENTS ARE NECESSARY. They're a grace of the Spirit, and in general, they do much good for the church. The Charismatic Renewal Movement isn't just about winning back a few Pentecostals, BUT IT SERVES THE CHURCH and its renewal."*** Even the Pope can see what the Charismatic Renewal serves, although the Church of Rome sees it only as a powerful and an effective means of joining or reconciling the Pentecostals and the Evangelicals with the Great Harlot and her Daughters,

for in that way, Rome comes out on top! But we know that it is much more than that: The Charismatic Renewal was a binding Move of God, binding all the bundles ordained for burning together, on their way to the Lake! That is why today, ninety nine percent of Christendom have forgotten the purpose which the Reformation served, and they have torn every accomplishment it served to shreds, because they have thrown away the utmost relevance and the absolute application of the Scriptures! That is why these apostate Pentecostal-Evangelical-Charismatic preachers, like Rick Warren, an American evangelical preacher, the founder and senior pastor of Saddleback Church in Lake Forest, a megachurch, is writing books and screaming as loud as he possibly can on recorded video, declaring concerning the Catholic Church: ***"We have far more in common than what divides us!"*** Concerning the adoration of Mary which Catholics do, he said: ***"Sometimes Protestants think that Catholics worship Mary like she's another god.***

***But that's not exactly Catholic doctrine."*** And in reference to praying through saints, he declared: ***"When you understand what they mean by what they're saying, there's a whole lot more commonality."*** He added: ***"Now there's still real differences, no doubt about that. But the most important thing is IF YOU LOVE JESUS, WE'RE ON THE SAME TEAM."*** What utter spiritual garbage! This is the Serpent speaking! May I say this to each and every one: The children of the Church of Rome have all come home, every last one of them! Mama Rome has all her daughters back. As the prophet to this age declared: ***IT IS UNITING TIME!*** For harvest time is Uniting time for all seeds! Satan's kingdom is Uniting, just as the bride of Christ is also Uniting, the bride being pulled together BY the light, and Uniting IN the light of Jesus Christ of the Holy Bible! Church, I show you ***"Mystery, Babylon the Great, the Mother of harlots and abominations of the earth."*** Only God's elect seeds will escape her net! I also show you the

Charismatic Movement, and the precise purpose it served. It is not one for the elect bride, which was why we left it out, when we were taking our message titled, *GOD IN THE LAODICEAN AGE – THE YEAR 2005*. Because it is a dead end! It is leading nowhere good, and it has produced the lone ranger class of ministers, who are now bombarding the world today with their Prosperity gospel, and an apostate bunch of church goers, who have no more love for the Word of God, than a dog has for heaven!

Saints, the Charismatic Renewal of 1960, is the Move that produced most of the present day Pentecostal-Evangelical ministries. I say that only because some of the men on the ground out there today, like Morris Cerullo, have been around for much longer, for they started their ministries before the Charismatic Movement was set in motion. As a matter of fact, his ministry was birthed in the Assemblies of God where he was ordained in the early 50s, and he was used in the Healing Revival which God used William Branham to spearhead, and his ministry also featured often in the Voice of Healing

magazine in those days. But he did not stand for the truth, and he ended up preaching the Prosperity gospel, a material gospel, and he sees money any and everywhere he reads in the Bible, and he is always pulling for money. What a shame! He tries to make himself a prophet, but he is only a carnal impersonator, without any revelation of truth. He is still alive, brothers and sisters, but the glory has departed. And just like the rest of them, he is only doing his own thing, with no thought of God's revealed plot, for the end time bride of Christ. Brothers and sisters, God charted His own plot for the elect bride of this last age, and it is all laid out in the written Word of God, if only people will listen to the Voice of the Spirit of God to this Laodicean age, with a humble and an open heart, for God makes His truth plain. All we have shared in this part of the message, only confirms, without any iota of doubt, that the revealed plot we laid out for this Laodicean church age, as shown on our chart, (Brother Amos points to the chart), and which opens up with the Pentecostal Movement of 1906, followed by God's Move for

the bride in 1946, succeeded by God's Move in 1966, moving forward to this very day and hour of John in 2005, in this fourth and final Move, is nothing but the Gospel truth! As bride elect saints, we cannot take the Charismatic route, for it is a total dead end; it is certainly leading nowhere but back to the church of Rome, and as such, it has nothing to do with the bride. The Charismatic Renewal of 1960 did not add anything to move the bride on! Nothing! Brothers and sisters, all these men are affecting the religious world in one way or the other, but they are all outside the loop of God; and you cannot tell them that. The Charismatic Renewal is outside the loop; it is out of the loop of God! It is like a detour, being a strong deluding move of God, a move used to bind tares together, and even though it was also used to give Oil to the foolish virgins, in order to preserve their lives within these organized systems, it was a move that aided the great ecumenical push, by the outbreak of tongues it carried within the various systems of religion, to help

bind the Pentecostals with the Denominations! But as I pointed out repeatedly, the Move of God for this age, although it started in 1906, the Move of God for the bride, however, did not start until 1946, God working through William Branham. And because we were all scattered in Christendom, God had to use the Message of Elijah to call us out of all man-made systems of religion, that we may be established solidly upon the unchanging and immovable rock of the Word of God, which is the Holy Bible, in preparation for the rapture, for all other ground is sinking sand! Now, we should all be able to see precisely what the Year 1906 served, and why we have to move from there to 1946, and not take the route of the Charismatic (Glossolalia), Movement, which was an offshoot of the Pentecostal Movement, for we should now see the objective of God for everything. Knowing this will keep us from the snares and the carnal overtures of the Spirit of the Anti-Christ, which is now bombarding the whole of Christendom today, in a terrible way, with unrelenting vigor. Only the predestinated seeds of God will escape the net he is

casting all over the world, for as it is written, he will take over as the head of the World church, uniting all religions under him! Open your eyes! The spiritual grounds upon which the 95 Thesis of Martin Luther rests, and which grounds caused the outbreak of the Reformation, still remains as it was way back there in 1517, for nothing has changed, not in the least, except that things have gotten worse!

Now, let us come back to my chart, in order to wrap up, having filled in the gap we left out of this message originally, because it is an inconsequential one for the bride. But I later realized that it was necessary to lay it out, nonetheless, so we can appreciate all that has gone on, and also to help us to relate to everything, knowing our left from our right. Moreover, it further vindicates the plot that has been laid out, for nothing offends it; it remains the same, being God's absolute truth. You must have a true God given understanding of what a move is supposed to accomplish; otherwise, you may be lost in the crowd, for God does not do something for nothing. If he

does something, there is a divine objective He wants to accomplish by it. So, if you follow a move, and the objective for why God is doing it is not realized in your life, you may end up a loser. You must open your eyes to understand, because I want us to learn from the pitfalls of others; learn from the mistakes of these Pentecostal people, for we should be able to consider how they have now wound up: In the laps of Mama Rome! With all the Spirit manifestations they had, they had no r e v e l a t i o n a l understanding of truth, for they had no regard for the Word, having pushed it aside, and hence, they had no true understanding of the objective of God for their move. That is why they did not see that we had not yet come back full circle, to the original church we see in the Book of Acts, and that is also why they could not see the plot God charted in the Scriptures, to get the bride in shape in this last age, in perfect readiness for the rapture, at the return of Christ in the air. In turn, this is why they did not move on with God in the light, when the pure light of Christ, which the end time

Elijah bore came! They would have understood that, and they would have followed the scriptural plot, if only they had a heart of love for the Word of God. For through Elijah, the evening light of Zechariah Chapter 14, verse 7, was shone over the earth, dispelling the thick clouds of creeds and dogma which the religious world harboured, and by it, the fountain of the pure truth of Jesus Christ was opened up for the eagles of God, the elect bride seeds, for ***“the washing of water by the Word”***, in order that she might eventually be presented unto Christ as ***“A GLORIOUS CHURCH, not having spot, or wrinkle, or any such thing; but that it should be HOLY AND WITHOUT BLEMISH.”*** (Eph. 5:26-27). This will be accomplished, God using the Ephesian Fivefold ministry which the ministry of Elijah gave birth to, beginning with the end time apostolic fold of ministry, the head of the Ephesian ministry, and which fold of ministry, gives us our end time guardians and fathers of faith, out of which we have had the chief apostle, and now John! Hence the reason our light is getting brighter by each passing

day, for we have an unparalleled light of the Scriptures of truth! But consider this: On the other hand, when we look at the present day ministries, these lone ranger ministries, including all these Denominational preachers, they no longer care for the Bible, for it has no appeal for them! They have thrown away the Bible today, and reduced it to being just an historical Book, one that has no relevance whatsoever on issues of faith! They behave as if the Bible does not exist! That is a notorious fact, for to them, it might as well have not been written! They no longer care or consider what the Scriptures say, for the Bible has been thrown out of churches! It is totally negated, and reduced to history! It no longer has any binding power over them, and that is precisely why the whole of Christendom today is in a state of unparalleled apostasy, where all tables are full of vomit and uncleanness, and there is no place clean! Yet, it is written in Ephesians Chapter 4, verses 11-13, that the Fivefold ministry will bring the universal bride to the **UNITY** of the faith of Christ,

and **PERFECTION**, by the washing of water by the Word! Church, nowhere here, (Brother Amos points to the chart), in the Denominational or Organizational religious world, can you apply the Fivefold ministry of Ephesians Chapter 4, because these original Ephesian men do not carry creeds, dogma, or carnal traditions of men, but the absolute truth of the Scriptures, for under their ministry, the fountain of life, which is the fountain of truth, is flowing, on account of the apostolic revelational Input! Ephesians Chapter 4, therefore, is the ministry logistics of how God gets the bride in that glorious state, in perfect readiness for the return of Christ. And it is a ministry which the Message of Elijah of Malachi Chapter 4, verse 6B produces, in its divine scriptural order! Are you listening to me? You cannot apply this divine logistics to the carnal religious world. All you need to do is simply look at the incredible state of Gentile Christendom as it operates today, where all the foul spirits imaginable are on the prowl, and men are doing despicable and

abominable things in the name of Christ, under satanic anointing, for it is obvious that they are demon possessed! Exactly! Moreover, They are now in a FALSE UNITY, an unholy alliance that is outright against the Word of God, being Satan's union! This just drives home the truth, that all it takes is a little compromise of the truth; just a little one, like Eve did in the Garden, and the devil takes over completely: Because nothing but a firm and faithful uncompromising stand, can stem the deluge of the devil, and checkmate the spirit of the Anti-Christ! But give him just a little chance, by a little compromising of the Word, and you are gone! However, continuing on with our consideration of the plot, I have to ask you: How can a universal body of saints attain Unity and Perfection, without being led by the ministries of men that see Eye to Eye? Exactly! But then, just how can a universal body of ministry see eye to eye, IF God does not raise a voice that towers higher than every other voice, giving Continuity of divine scriptural revelation, clarity, and direction to the body of ministry? It will be absolutely impossible, for

every man will peddle his own thing, and do his own thing, creating nothing but confusion, and where there is confusion, you have the devil, and every evil work! The wisdom of God expressed in the Book of Revelation Chapter 1, verse 1, where the prophetic revelation of Jesus Christ ordained for his plural servants, was sent to only one servant, Saint John, who was the Lord's "**Candlestick**" in that day, on the authority of Revelation Chapter 2, verse 5, for and on behalf of all the other servants, proves this point! And when we even consider the Old Testament writings, the mind of the Spirit regarding this issue remains the same, for the Spirit of God and His ways remain the same! Hence it is written in the Book of Ecclesiastes Chapter 12, verse 11: "**The words of the wise are as goads, and as nails fastened by the masters of assemblies, which are given from ONE SHEPHERD.**" The Bible is not saying anything different here, than the bold claim made by Apostle Paul, in 1 Corinthians Chapter 3, verse 10! That is why, brothers and sisters, you have to stay with The

**Plot**, for there is nowhere else to go for the realization of God's will for the end time bride; otherwise, we will be blown away! It means in absolute scriptural reality, that we have to come back to the Plot of God for Laodicea, and this brings us straight to the Book of Revelation, and it brings us to the very Chapter, which forms the foundation for this message series: *GOD IN THE LAODICEAN AGE – THE YEAR 2005*. May the Lord bless you church. I appreciate your patience. Revelation Chapter 3, verse 14, taken together with verse 22, reads: "**And unto THE ANGEL of the church of the Laodiceans write...**" "**He that hath an ear, let him hear what THE SPIRIT SAITH unto the churches**" (plural; churches general). Brothers and sisters, this passage of prophetic Scripture, where Jesus is talking and dealing with the Laodicean bride saints, begins with the ministry of the star messenger to this age, William Branham, the "**seventh angel**" of Revelation Chapter 10, verse 7. It brings us

straight to Year 1946, for that is precisely the year where God's Move to get a bride begins, following the accomplishments of the Pentecostal Movement God set in motion in 1906. But because every age has outlived its star messenger, and also because Jesus is ever present with his bride by his Spirit, and further, because his revelation is inherently progressive, the admonition of Jesus Christ to Laodicea ends with hearing, Not the angel to Laodicea, but hearing what the **"SPIRIT"** of Jesus Christ is saying to Laodicea, as the Lord wraps up his plan of Gentile salvation. For the Spirit is still speaking!

The material question now is this: Through whom is the Voice of the Spirit of Christ being expressed to the body of saints in Laodicea, in the final analysis? Brothers and sisters, the very way Jesus conveyed his prophetic revelation to the first age, the Ephesian age, after the passing away of Apostle Paul, the star messenger to that age, as clearly recorded in the Book of Revelation Chapter 1, verse 1, is the very same way he closes it out for us Gentiles, in this seventh

and final age. For as he conveyed the Voice of the Spirit in that day through Apostle John, for the body of ministry, now in this closing hour of Gentile time, he is also conveying the Voice of the Spirit, through the end time Apostle John. Please come with me to Revelation Chapter 10, verses 8-11, as we take the passage of Scripture with which we will end this message series: ***"And the voice which I heard from heaven spake unto me again, and said, Go and take the little book which is open in the hand of the angel which standeth upon the sea and upon the earth. And I went unto the angel, and said unto him, Give me the little book. And he said unto me, Take it, and eat it up; and it shall make thy belly bitter, but it shall be in thy mouth sweet as honey. And I took the little book out of the angel's hand, AND ATE IT UP; and it was in my mouth sweet as honey: and as soon as I had eaten it, my belly was bitter. And he said unto me, Thou must prophesy AGAIN before many peoples, and nations, and tongues, and kings."*** This passage of Scripture

is an express promise of the return of the Spirit of John, for John the beloved apostle did not fulfil it before he passed away. We all know that Thus saith the Lord cannot fail. Saints, this ministry promise, which gives us an end time John, brings us directly to Year 2005, for that is the precise year the ministry of John was set in motion. We are talking about the global ministry of the man who eats the Scroll, for I must ask you: What are you going to do with the man that eats the entire Scroll of redemption? This prophetic text is very key, very pivotal, because it is showing that this is where the plan of redemption is wrapped up; this is where Gentile redemption is brought to its climax and closure, a glorious closure. It is also showing that the completeness of the revelation of Jesus Christ, for the redemption of the universal bride, is in John, for he is given the entire Scroll of redemption to eat. What a most crucial prophetic projection our Lord Jesus is making right here in this text! Saints, it undeniably shows, that this is where the promise God made to Abraham, in

Genesis Chapter 12, verse 3B, of universal salvation, has its complete realization, for here, in the Move of God through John, it is fully accomplished. Think about it tonight! So, my point is this: If Jesus, who is the Messenger of the Covenant, gives John the entire Scroll of redemption to eat, (and in this passage of Scripture, we can plainly see that he does), then, common sense will tell you, that the end time John, bears the completion of the Voice of the Spirit to Laodicea, a Voice which takes in all that the Lord Jesus has given through time, from the pages of God's Holy Writ, which is the Holy Bible. Period! How many see the point? I repeat: If John eats the Scroll of redemption, and we know that in this prophetic passage he certainly does, for Jesus gives him the Scroll, then, common sense should let you know that the Voice of the Spirit of Jesus Christ to Laodicea, ends with the voice of John, for the Voice of the Spirit which started through the star messenger to Laodicea, the "seventh angel," is carried on through the ministry of John, to its logical conclusion, because John eats the entire Scroll

of redemption, a Scroll setting forth the entire plan of Gentile salvation! That is common sense, even though we know today, that sense is no longer common! That is precisely why, in his prophetic revelation on the Isle of Patmos, coming to Chapter 10, a Chapter which sets forth the closing Moves of God for the Gentiles in this Laodicean age, Jesus Christ lays out the two crucial ministries he is using in this age to carry his voice, the "angel" to the age, in verse 7, the one he uses to begin his dealing with the end time bride, and John, in verses 8-11, the one he uses to close out his dealing with the Gentile bride, still in this last age, before He moves thereafter to deal with the Jews, in Chapter 11. Fight that! Dispute it as much as you may, the truth remains the truth, for you will not get away from the man that eats the Scroll! And that is precisely why, in the days of John, the true and complete Ephesian ministry will be established, for the true ministry is always born in the truth. Moreover, as I usually say, UNITY IS HERE, for Unity is already on, **True Bible Unity**, and not the **Popish**

**Alliance!** It is other people that will be brought into it! But make no mistake about it, Unity is here, for around this earth, there is a nucleus of people that believe the same thing, and are preaching the same thing, because they are standing for the same truths of Jesus Christ. No, they are not quoting one another verbatim; but they are using their own words, and their own examples, in their own language; and their projection is one, for the revelation of the Bible is the same! Unity is here. It is here! Yes, there are still a lot of elect bride saints to come into it, but that does not take away from the fact that Unity has started, because that is the basis on which Perfection will be achieved: No Unity No perfection! As long as we are fighting each other on what truth means, there is no way we are going to have perfection! Consequently, when you understand that the ultimate objective of Almighty God in Christendom, in this last age, is to get a bride for His Son, in the perfect glorious shape recorded in Ephesians, and you also know scripturally, that the

only way the bride will come to that perfect stature is through the Ephesian Fivefold ministry, a ministry which Elijah's message begets in its final analysis, beginning with apostles of the end time, then, you must understand that you cannot follow any other route, other than to follow this timeline, the timeline we have laid out on our chart. You have got to follow this Plot! The Move which branched off to produce the Charismatic Movement, along with its offshoot, becomes irrelevant to the bride of Jesus Christ, for it is totally off beat, being completely devoid of any ounce of divine revelation. Like I stated earlier, when a move lacks divine revelation, every product it begets can only get worse. That is why today, the things the Pentecostals are doing, and the way their ministers are carrying on, has even the Roman Catholics opening up their mouths with disbelief, being totally shocked at their scandalous manner of life, when they are supposed to be men of God! Exactly! We must not be surprised though, because, not only has it been prophesied in the Scriptures that they will do these things, but we must

also know that whatever is produced by untruth, has to get worse in untruth, for like begets like! As the saying goes: *Like mother like daughter!* Brothers and sisters, in this last age, and for the bride of Christ, Jesus started with the Voice of the angel in Revelation Chapter 3, verse 14, who is also the angel in Revelation Chapter 10, verse 7, and ends the age with the Voice of the Spirit, working first through the chief apostle, the first ministry fruit of Elijah's ministry, and now finally, through John, in Revelation Chapter 10, verse 11, the man who will carry on to the ministry of the two Jewish prophets in Revelation Chapter 11, and the rapture will come. This is the Bible Plot! I want to remind you, that our message is about what happened in Year 2005. But I had to go back in time, in this last age, to let you see just how we got to 2005, beginning with God's Move in 1906, for which a foundation was laid in 1901, in Topeka Kansas. This part of the series, however, is to show you precisely what has taken place in the earth, outside of God's Move for the bride of Jesus Christ, and just to

fill in a gap, in order to help our understanding of the dealing of God in this Laodicean church age. So, when you go out there, and you are talking of this Move, in order to show people something, but they also want to point you to other Moves of God, saying, "*Oh, look at Katherine Kuhlman, God also used her*", you will know exactly where that slots in, in God's revealed plan. Now do you understand? We are not denying that God also did some things out there. There are things that happened out there, and there are things that are still happening out there; but the truth is that they are all out of the loop of God, totally, completely, and as such, they are leading nowhere! Brothers and sisters, what a surprise is waiting for them at the end of the road, when none of them will hear the trump! Think about that! The three steps into the rapture, they do not understand, but they are expecting to go in the rapture. If they do not know the first step, which is the "**shout**", it is not the second step they will understand, which is "**the voice of the archangel**".

If they cannot accept the first step for total lack of understanding, it is not the second one that they will understand, let alone accept. If they cannot see the first one, it is not the second one they will see. And if they cannot see the second one, just how can they see the third one, which is the **“trump”**? How on earth are they going to hear the trump? (Brother Amos points to the chart. The three steps are placed on the chart, and are listed in the red circles: 1, 2, and 3). Church, everything of God flows in Continuity, unhindered and unbroken Continuity, for God is a God of Continuity of divine purpose, and His Consistency is absolute, for our God is Sovereign. Therefore, you must follow the light. I have laid the truth before you today, and there is nothing mysterious in all that I have laid out, for I am showing you the Bible truth. No matter the spirit manifestations in your life, once truth is lacking, you are deceived: Either the devil deceived you, because you are under a false anointing, or God Himself deceived you, IF the anointing that is making you speak in tongues is of God. It is called a delusion.

You should understand that, because when the Comforter comes, the Spirit of truth, it is written, that he will guide you into ALL TRUTH. This is particularly so, because he is supposed to guide you in your way back to God, if you are of God! And the way to the invisible God is through the scriptural revelation of Jesus Christ our Lord and Saviour. Hence, there is only one exclusive way that leads to eternal Glory, only one way that leads back to God, and it is strictly the way of revealed faith. There is no other way, brothers and sisters. Every other way leads to hell, but only one way leads to heaven, and that is the way of revealed faith. Period! Brothers and sisters, the gap we have now filled in, not only vindicates what we already have, and lets us know with certainty, that what we are holding onto, is God's absolute truth, it also puts more confidence in our hearts, and it helps us to know how to relate to people out there, when we meet people who want to tell us about this move and that move, without understanding anything themselves, for we can see God's objective for

everything.

When we consider the Pentecostal Movement, it is a very serious junction of time, and it is a great junction of time in this last age. It is the beginning junction of time when God opened up the windows of heaven to restore the gifts of the Spirit. And so, it is a landmark. But like I said, a lot of people enjoyed the blessings, but they did not really have the revelation of what God was doing in that day; they did not see the divine objective for that Move. So a people like that were bound to miss out, and a lot of people missed out; and a lot of people are missing out tonight. So look at it, brothers and sister. That Movement which started in 1906, had spread practically all over the globe by 1908, igniting revivals here and there, as the world was torched by this fire. It is impossible to talk about all the various revivals that broke out during this period, but they are all still part of that same Pentecostal Revival Fire, which broke out in Azusa Street, California, for it affected the whole world. For instance, there was a revival in Canada,

and they have a name for it. There was another which broke out in Scandinavia, in Norway, which was pioneered by Thomas Ball Barratt, a British born man, who was in his hotel room, many miles away in New York, when he received the Holy Ghost baptism, at the same time when the fire at Azusa was burning with full force in California, and he took that experience back to Norway. The revival in Norway attracted the attention of Lewi Pethrus from Sweden, and Jonathan Paul from Germany, and through these men, their countries were torched with the Pentecostal fire. Alexander Boddy of England, also travelled to investigate the revival in Norway. What he saw convinced him, and he invited Thomas Barratt to come to Northern England for meetings. When Barratt came in September, 1907, for two weeks of meetings in England, 30 hungry souls received the Baptism by fire, and were speaking in tongues, and the revival broke out in Sunderland, thereby setting England on fire with the Pentecostal power, a move which soon spread to Wales, giving us the Welsh Revival. The Welsh Revival is what in

turn ignited the Scottish Revival. Alexander Boddy thus became the pioneer of the Pentecostal Movement in Great Britain, and it was here at the Sunderland revival that Smith Wigglesworth received the baptism of the Holy Spirit, and he became a great Pentecostal preacher, with an unusual healing ministry. Smith Wigglesworth took the revival to New Zealand in 1922, and New Zealand was set on fire! Brothers and sisters, whatever name it was called, whether the Norwegian Revival, or the Sunderland Revival, or the New Zealand Revival, it was all still part of that Pentecostal Movement, for the Move is one, and it spread over the world! They were all part of the Pentecostal Move of God! However, I want us to come back to the Sunderland Revival of 1907. I am doing this because I want you to know how to look at something; and you must know how to look at something, in the light of the Scriptures. It is only by the grace of God that we are able to see what we see though, as it is God that gives spiritual understanding and insight, for we are nothing in

ourselves. The revival in Sunderland attracted an uneducated plumber by the name of Smith Wigglesworth. He was born in Menston, Yorkshire, England, on 8th June, 1859, to a poor family, and he died on 12th March, 1947, one year after the angel of the Lord met Brother Branham in a cave, and gave him his commission. Smith Wigglesworth did a lot of menial jobs, before he eventually became a plumber. But when he married his wife, Polly, she taught him how to read the Bible, because he could not read and write, hence, the Bible therefore became the first Book he could read, and that was the only Book he wanted in his home. When he came to the meetings in Sunderland, they laid hands on him, and the power of God came upon him, and he began to speak in tongues. This was what eventually led him to start a ministry, and he became a very successful preacher, with the gift of healing, a gift he took all over Britain, to the United States, and New Zealand. He had an unusual means of expressing his gift, but it

was effective. For instance, if someone on the prayer line complained of stomach trouble, he would give the person a serious punch in the stomach, sometimes knocking them to the ground, but that person was healed! If it was headache, he would knock you on the head, but the pain went. This made some people afraid of him, and sometimes, instead of saying they had stomach trouble, they would simply say that they were not feeling fine, so that he did not punch them! But in his admission, the punch was not directed at the suppliants, but at the devil, who was oppressing them. The fact is that his method worked, even though we know that we are not fighting flesh and blood. Smith Wigglesworth also had a prophetic unction upon him, a prophetic gift, and that is precisely what I want to zero in on. Let me point out that at this junction of time, many people referred to him as a prophet, but in reality, he was not; he was an evangelist. He only had the gift of prophecy to a measure, along with that of healing, and Brother Branham also spoke about him. The issue is this. He went for a Christian

Conference in South Africa, and that was where he met David duPlessis, one of the leading figures in the Pentecostal Movement, whose role we spoke about earlier. In December, 1936, when Smith Wigglesworth was ministering in South Africa, David duPlessis was his interpreter, and he also stayed at his home. Now, whilst David duPlessis was in the office, Wigglesworth received a prophetic message by an unction which came upon him. Initially, he struggled with what he saw and heard, not knowing how he was to deliver the message. Then he thought, "*How did the prophets of old do it?*" So, without saying good morning, he just barged into the office of David duPlessis, pulled him up, pinned him against the wall, and gave him a prophecy. It was a prophecy declaring that God was going to use David duPlessis in a wonderful way to spearhead a revival, the kind that the world has never seen before; that he would be a great instrument in that move. He also said that the fulfilment would come after he, Smith Wigglesworth, had passed

away. He told duPlessis that the people were not going to come to him: That he would take the revival, and bring it to the Denominations. So, that lets you see that David duPlessis was going to be one of the major instruments for the Charismatic Movement, which is really not a Movement, but a renewal of sorts. But we know that that was what the Lord used to bind the Pentecostals with the Denominations, for it is the binding of tares. The question tonight, and the reason why I am backing up in this message is this: How do we look at the prophecy of Smith Wigglesworth? Is it thus saith the Lord? Or was the prophecy given by a false spirit, particularly when we know that it was a deceptive move? Therefore, what spirit was behind that prophetic unction? Brothers and sisters, we should all be able to answer that question, for it was God, on the full authority of 2 Thessalonians Chapter 2, verses 11-12! God Himself said He would be the means of their delusion, and a strong one at that! So, we must all

understand that Smith Wigglesworth did not give that prophecy under a wrong spirit; it was by the Spirit of God, for God was setting the deluding Move in motion, for the binding of tares. It was God anointing reapers, tare bundlers! And if we look at it carefully, there has never been a move like it, where the whole religious world spoke in tongues, Pentecostal, Evangelical, and Denominational, what have you, giving us a sign of the end time! That was why the Charismatic leaders felt and taught that that was the Latter Rain. That was what they called it! But it was not the Latter Rain! The prophet to this age cried out in that day, that it was not the Latter Rain, but that it was the teaching rain, "*Moureh*"; for the Latter Rain, which he called "**THE REAL RAIN**", is yet to come! By the grace of God, we have laid out the truth of *THE LATTER RAIN*, and it is in the Scribe. I repeat, brothers and sisters, that the prophecy Smith Wigglesworth gave to David duPlessis in that day, points to the deluding move of God. And it was God moving by His Spirit, setting in motion the binding of the tares, in fulfilment of the parable of the wheat and

tares, where the Master declared: "... **and in the time of harvest I WILL SAY TO THE REAPERS, Gather ye together first the tares, and BIND THEM IN BUNDLES to burn them....**" So, it is God in charge of everything! That is why in 1960, the Charismatic revival began, and it was a blinding and a binding move! It did not carry any truth! It did not open anybody's eye to the Word of God! So, I will say it this way: **IN THAT MOVE, THE SPIRIT WAS SAYING NOTHING!** There was no voice to it! And there must be a voice to a sign! But there was no voice of truth it carried, but rather, they carried gross deception, preaching the so-called Third Person of the Trinity! And the voices that arose through the leadership of that Movement, men like David duPlessis, and people like Katherine Kuhlman, began to lift up healing, tongues and signs over and above the Word, and without any consideration or respect for the truth at all. Does God heal your body and make you speak in tongues so that you can trample upon His Word? No! But the Spirit said nothing in those

moves! They do not even care for Bible anyway! And now look at what they have done to the Bible. They are in a worse apostate state than the Jews under Judaism! Think about it! Please, do not follow sensations. That is off-beat; and that is why it is leading nowhere. Which is why they have ended up in the World Council of Churches, the Image of the Beast, and they are on their way to the lake of fire! The grey horse rider is on its way out, earnestly and powerfully plodding through Laodicea. The rider's name is death, and hell is following after him! It is riding out to the lake, with everything that does not have an ear to hear, including those in the Branham Movement! Brothers and sisters, what is the Spirit saying? When you come to Laodicea, what is material is what the Spirit is saying. Can I hear Amen? Yes! What is material is what the Spirit is saying! Anything that is contrary to that, you must run from it, regardless of who the vessel is, for that is the Spirit of the Anti-Christ seeking to take away your crown, because standing for

untruth will not lead to eternal glory, but rather, it will divest you! It most certainly will, for this is not a game!

Therefore, you must hear what the Spirit is saying, and the Voice of the Spirit, which is a still small Voice, is revelatory! That is why, when we consider the Laodicean age, (and this fact confirms the plot on our chart); when we consider this age, during the 1906 Pentecostal Movement, the Spirit said something, for that Move carried not only the restoration of the gifts of the Spirit, restoring the power side back to the church, it also carried two major fundamental Doctrines of the New Testament, which is Water Baptism by immersion in the name of Jesus Christ, and the Oneness of God! So, the Spirit was saying something, because that move carried divine revelation. But the Spirit was not saying anything in the Charismatic Movement, and neither is it saying anything through its offshoot, to this very day! But with the Move of God in 1946 through William Branham, the fountain of truth was opened up to the bride, for the Spirit began to

say a lot of things, which lifted the bride like never before, in her understanding of the Word! So here, (Brother Amos points to the chart), the Spirit was saying something. And here, the focus of the Lord changed from dealing with the general religious world, to focusing pre-eminently on the elect bride. Out came the revelation of the Seven Church Ages, The Seven Seals, The Seventy Weeks of Daniel, The Original Sin, The Serpent Seed, The Image of the Beast, etc.! And in 1966, when God anointed Raymond Jackson, the chief apostle, the first fruit of Elijah's ministry, following the death of Brother Branham in December 1965, the Spirit continued to speak! The Spirit was still speaking, for the fountain was enlarged, and the Bible revelation of Jesus Christ began to flow with great pressure, lifting the bride to a much greater height than she had attained previously. We are tracing the Move of the Spirit, not by manifestations or sensations, but strictly by the Voice of the Spirit, for God moves by His Voice, being *The walking Voice*, a

Voice carrying the revelation of life, so that you can live and not die! Church, here came Raymond Jackson, and the flow of the water of the Word intensified, for that man was used by God to "dust" the Bible, from the Book of Genesis, to the Book of Revelation, bringing out nuggets and nuggets of truth: The Pre-Historic World; The Two Trees in the midst of the Garden of Eden, which are The Two Laws of Eden; The Fan in Christ's Hand; The Woman of Mystery of Revelation Chapter 12; The Seven Trumpets; The Seven Vials; and The Three Woes, etc.! William Branham even spoke of this next move, for he said that after him, there will come somebody that will **"take the message ON"**; somebody that will move on with the Voice of the Spirit! But more than Brother Branham's testimony, the testimony of the Word of God supersedes his testimony. What are you going to do with what the Spirit is saying? The Spirit is still speaking, for the Lord is still revealing himself from the pages of the Scriptures, because his bride is still here. So, the

Spirit is still speaking, and He will continue to speak, until the bride goes home. And even when the bride goes home, the Spirit will still continue to speak, but He is now going to be speaking to the Jews, through the two Jewish prophets, Moses and Elijah. So, what are you going to do with the Voice of the Spirit at this final junction of Gentile time? Silence the Spirit of the Lord? You cannot! What are you going to do with the man who eats the entire Scroll of redemption, and whose ministry was set in motion here, in 2005? For with the passing away of the chief apostle in December 2004, God anointed the lead apostle John in 2005, and through him, the Spirit is speaking! And what a light we now carry! It is so great that not even the Jackson Movement can see the tail light of the bride, for we have climbed much higher than they can ever imagine! And the light keeps getting brighter, for here we have the Continuing, and Climaxing, and Concluding light, of the Spirit of Christ! However, here came the Branham Movement, saying: *"Oh, there is no chief apostle. You are also just making yourself the eighth messenger."* This

bunch of hypocrites! Haters of the Scriptures of life! Who is making himself the eighth star messenger? Who is preaching an eighth star messenger, for we certainly are not? However, knowing that Apostle Paul was the first star messenger to the Ephesian age, and that he passed away in 66 AD., I now ask you: What are you going to do with the ministry of John in 96 AD., FOR HE CARRIED ON THE VOICE OF THE SPIRIT OF CHRIST TO THAT AGE? Will you now call him the second star messenger, in order to deny his lead ministry role after Saint Paul? I think not, for the truth remains that our Lord Jesus Christ sent his spirit angel to John, on the Isle of Patmos, to enable him to carry the prophetic revelation of Jesus Christ to that same age, which is the first age! So, if God could raise up another man in the first church age, after the first star messenger died, why will you say that He cannot raise up another man today, after the seventh star messenger died, when God remains the same? If He could raise up a voice after the first star

messenger, why are you denying Him the right to raise up another voice, after the death of the seventh star messenger? Which is the greatest of all the star messengers? It is Saint Paul, the first one! I say that on the authority of the message and the confession of Brother Branham himself, which he made in the *Seven Church Ages*, where God gave him the yardstick by which to identify the seven star messengers to the seven church ages, saying that the star messenger to each age, was the closest man in the ministry to the ministry of the Apostle Paul, who was the original star messenger, and hence, the star messenger who set the standard! I also say that on the unquestionable and overriding authority of the Word of God, recorded in 1 Corinthians Chapter 3, verses 10-11, where it is written: ***"According to the grace of God which is given unto me, as a wise masterbuilder, I HAVE LAID THE FOUNDATION, and another buildeth thereon. But let every man take heed how he buildeth thereupon. For other foundation can no***

***man lay than that is laid, which is Jesus Christ.***

Brothers and sisters, the truth Saint Paul laid down here, holds for all ages, and it certainly holds for this last age. The issue therefore is this: Since Saint Paul's star ministry set a standard for the seventh star ministry, and yet, God still raised up another man after the first star ministry, to carry on the Voice of the Spirit, and that man did not become a star messenger because of it, why will you make the chief apostle or John the eighth star messenger, when we are not preaching or teaching an eighth star messenger? But the unchanging and undeniable truth is that the Spirit is still speaking, and will continue to speak, using vessels of clay, until we go in the rapture! That is a fact no one can deny or change! The scriptural proof of the climaxing and concluding revelational voice John carries in this junction of time, is that as the man who eats the Scroll, he not only carries the revelational balance of written truths, which lifts up the bride to an unprecedented height, he will also carry unwritten truths, after the seventh seal is broken, at the hour of the seven thunders,

showing us undoubtedly, that this is where the Voice of the Spirit to Laodicea literally comes to its close, for it is right here that we go in the rapture! That is why he eats the entire scroll of redemption! What is so difficult to understand in that? And how are you going to interpret it? I am grateful to God tonight for such a fantastic prophetic scenario laid out in Scripture, to anchor us today. It is a serious Bible text, very key, very pivotal: Because we are left in no doubt as to where it all ends for Gentiles, scripturally. For what the Lord started through the star messenger to this age, he is ending through John. We are left in no doubt, scripturally, where everything ends. I am only showing you the present junction of time, so that you may see precisely how we got to 2014, revelationally, for we got here by what God set in motion in 2005. What is the proof of it? It is the understanding of the truth of God's Word, which the Lord is using the ministry of John to give to God's children, which proves it. Simple! And let me say this tonight to the glory of God: It is incredible the things which God has

helped us to lay out for the bride in the Scribe. The fresh **"Carcase"**, which are the fresh nuggets of truth the Continuity message carries; the simplicity of the message; the clarity of it, which eliminates dual statements on issues of truth, and the depth of it; the confusion it has blown away for the bride camp, the questions of many centuries it answers, and the perfect understanding it carries; how it settles issues, and makes the Bible plain, giving a true direction and focus to the universal bride, bringing about a unity of understanding of the truth, in such a way that is making a people very cohesive around this globe, is proof; and as you must know, only God can do that! That is the proof that the Spirit is speaking through this move! Because the evidence of it is in the revelation of the Scriptures which the Move of John is carrying, and its impact upon the body of saints! And as it is written: ***"He that hath an ear, let him hear WHAT THE SPIRIT SAITH unto the churches."*** You have to hear what the Spirit is saying right now. It is not

about a man; it is about the revelation of Jesus Christ of the Holy Bible, for I show you the Plot of God! And that lets you see, brothers and sisters, that wherever you go, **The Plot** remains an infallible plot of truth, being a perfect scriptural plot. (Brother Amos points to the Plot chart on the back wall). And this message of *THE PLOT* in the Scribe, look how God is vindicating it left, right and center! You will never get away from it! It is a perfect revelation, and it is the doing of the Lord. Who can change it? *GOD IN THE LAODICEAN AGE: THE YEAR 2005. "He that hath an ear, let him HEAR WHAT THE SPIRIT SAITH UNTO THE CHURCHES" COLLECTIVELY, AROUND THE GLOBE!*

Church, I reiterate or reaffirm for the sake of emphasizing a fundamental truth: You must see the objective of God for this Move, or you will lose out. And why will you let that happen, having come this far, and having come so close to the rapture? You must know with absolute scriptural certainty, that God is using this Move to take away confusion from His children around the globe, which is precisely

why the application of the "**FAN**" of Matthew Chapter 3, verse 12, has been eliminated from the Continuity Message. For every creed and dogma, every tradition of man, and carnal conceptions of the Word, every idea of men, must be totally eliminated, for they constitute "**LEAVEN**"; they are "**WIND OF DOCTRINE**", and they not only create confusion, they also divest, being "**DEATH IN THE POT.**" Therefore, every man following this message owes a responsibility to God, and to the people he has been called to serve, to stay with truth, and to never peddle erroneous teachings, for this is not a game, for it is about eternal life. You cannot afford to yield yourself to the spirit of the Anti-Christ, and become an instrument of divestment under Satan, because of unscriptural teachings, for the truth has been made plain. **This is the season of UNITY.** That is the scriptural objective for the men God is raising up in this last move. And a lot of light of the Word has been shed across our pathway at this evening time, as never before, for we are basking in the pool of unparalleled

light. There has never been a time that shines so bright, never has there been a day like this day. Consequently, it does not make any sense for men to stand on their pulpits, and be teaching things that are Anti-Scripture, things that our children already know, things that have already been laid out and made plain in the Scribe or in the Contender, for that is to be an Anti-Christ. It is too late in the day for that! If you do that, then, no matter how much you say you are standing for truth, it shows you do not really believe anything, and that you are certainly not seeing the objective of God, because this is not a game! Let me tell you tonight: There are men around this globe; they are teaching a little this, and a little that, things that are unscriptural, and hence, are untruths; things that are so basic, so elementary, and have been plainly laid out in the Scribe. Then ask me: On what basis do men do such things, when their own church members know the truth? Why would men set over the people not know? Then, it is either these men do not care, being agents of

Lucifer, or they are being irresponsible! It is either of the two: A Nonchalant attitude, or sheer irresponsibility. But a true shepherd cares! Only hirelings do not care! This is where the children of God must be very discerning, because Satan also has his men following this Move. For as I said earlier, total separation has not yet been accomplished, even though separation is on. But there is coming a move of God down the road, to initiate total separation of seeds in this following, for the bride started pure, and she will also end pure. It is in the hands of God, but it is coming. I can hear the rustle in the mulberry trees. This is a solemn warning, for only God knows what is in the hearts of men, the secret agendas and unbridled ambition they hold in their hearts with a smile on their faces, and with an empty declaration of their love for truth. You must know that God is looking for faithful men. Period! Brothers and sisters, Unity is not just a sermon. It is more than just a sermon. Yes, it is part of our message, and we will preach it, and keep preaching it, till Unity is completely accomplished in the entire body, being God's

perfect will for the end time bride. It is the focus of our message. However, it is more than a sermon: It is a vision, a God inspired vision, which every son and daughter of God must and will have, particularly the men in the ministry. For this is where the motivation for Unity comes! For without Unity of faith, there cannot be perfection of seeds! Just how can we grow into maturity, which is perfection, when we are fighting one another on issues of truth? How can confusion accomplish perfection, when there is no unity? You know it is absolutely impossible! May I say therefore, that every man who has understanding, every man who understands this divine objective of God for the men in the ministry, will position himself squarely to accomplish that, because Unity of faith takes a conscious effort: A self determination not to be in the way of revealed truth, and not to divest the body of saints and derail them, just for any personal or selfish motivation, whatsoever it may be! Unity and perfection is the objective of the Spirit for this last Move. You must hear what the Spirit is

saying, because the Spirit of God that is speaking, is Not in confusion, but is speaking IN the clarity and simplicity of truth. In other words, there is perfect harmony and consistency in truth, creating Unity of divine scriptural revelation. This is what the Spirit is doing right now, and it is what the Spirit is also seeking to accomplish on a global scale, in relation to the complete or entire universal body of saints, because Unity of faith is the necessary foundation stone for perfection. And we want perfection to be accomplished in the bride, so that we can get out of this evil demon infested world! We need to get out from the world of ISIS, Boko Haram, Al Shabaab, Al Qaeda, Hamas, Hezbollah, and the Taliban! We cannot wait for the Lord to come, so we can leave this godless world of Bashar al-Assad, a man who is using biological weapons on his own people, and has wrecked that beautiful country of Syria; for he will rather destroy the whole of his country, than to step down for the good of his people! This is not the world God created! We

want to get out of this evil, demon possessed world, taken over by gays and lesbians, and the hordes from hell called LGBT, moral perverts of all sorts! We want to get out of this world! You must know the objective for this Move, or you will pay a price. It is Unity and Perfection. It is not a game! It is not about how many church members pat you on the back, telling you how wonderful you are! It is about the Unity of divine revelation. It is about the Unity of faith, each man having that vision, and each man allowing that vision to be the determiner of all he says and does, because it takes a conscious effort, borne out of a divine inspiration, a divine vision. I am speaking of a humble heart that says: I must align myself with the truth, that God may have His way in the lives of His people, who have suffered in confusion for so long in the Branham Movement, where they fight themselves with quotes, and have no love or respect for the written Word of God. I speak sincerely to you today; but I speak as your brother, for I am only your brother. However, I am under a divine obligation to tell you the truth. If only you can see the handwriting on

the wall, and know that time is running out. It is later than you think. I beg you tonight. You owe yourself a responsibility, a duty, to hear what the Spirit is saying. Do not let the divine objective be lost on you. You may say, "Thank God I am not a preacher." Good for you! But remember, the same obligation devolves upon you. What do you do with truth? Do you even have it, or are you just following your pastor? Can you see the picture? Do you have what the Spirit is saying as a revelation in your soul? And is it motivating your life, making you stand against all untruths? Is it also making you live the Word? What you do with truth is between you and God, because the Spirit is speaking. Once you miss the objective, you miss everything. And how can you see something and walk contrary to it? That is why every man in the ministry is under an obligation to make Unity his watchword. For then, men will be careful, and not say just anything they like, or present just anything they like to God's people, because it will only create confusion and division! But Brother Amos, "We are

*expecting other men to come with their revelation, for you are not the only one God is using. You are not the only apostle."* Good! Fight with Revelation Chapter 1, verse 1! Argue with Revelation Chapter 10, verses 8-11! Explain away Ecclesiastes Chapter 12, verse 11! And who says it is only Brother Amos? Why are men so impatient, that they are desperate for immediate recognition as a bigwig? Why are they so desperate for immediate recognition as apostles? The truth is: When God was going to open the door of revelatory accessibility to the last Book of the Bible, the greatest prophetic Book ever, church, He did not give the key to everybody: He gave it to only one man, and we all had to follow that one man, William Branham, in the light of the Scriptures he bore! And when God was going to wrap up the account of the written record of the Bible, he used only one man to give it to the entire body of ministry, and every man who was of God in that day had to receive the truth from his lips. And if God could do that then, and

God remains the same, for He does not change, He will do the same today. What makes the difference, and what should concern you, is the Truth! Truth should be your main desire! And as long as truth is being made plain before you, and the **fresh "CARCASE"** of the Word is still being served, what is your problem? What do you want? The unhindered accessibility to the Voice of the Spirit of Truth is what should be your main concern! And that is what should be the determiner! The determiner should be the Voice of Truth! **The determiner is the Voice of Truth, FOR THAT IS THE VOICE OF THE SPIRIT!** We did not follow Brother Branham because of his miracles. There are those who did; but we are not following his message because of his miracles. We did not even come to his ministry when he was alive, and as such, none of us here saw his miracles. We have only read about it. Nevertheless, we are following him solely because of the truth of the Word of God he bears! *"But Brother Amos, if our God is using other men to bear the truth, what are you going to say about it? We believe that there are going to be*

*other men."* Yeah! I have heard that stated over and over again by various men who say they are following this Move, and I have also seen where a good number of them have wound up! For envy and jealousy, coupled with inordinate ambition and pride, the lack of true humility, is what will be the death of many men in the ministry! None of us can help that, for who can stop the ambition of men? That is what derailed the man in Maiduguri, the city where Boko Haram is now causing great havoc in the northern part of Nigeria, for he thinks he is an apostle, and that we must all recognize him as one! That is why they willfully forget where the stream of divine revelation of the Lord is flowing, because they want the same recognition; for there is a precise source for the Continuity light of Jesus Christ. And this is not a COMPETITION! When you get yourself in a terrible mode like that, you are bound to stumble somewhere down the road, and make a shipwreck of your ministry, regardless of any ability you think you have, for God is not playing a game of Hide and Seek! This is not Peek-a-boo! Hear me loud and clear:

No, I am not the only one God is using, and neither am I the only one God will use. Furthermore, I have never preached or ever insinuated that I am the only one, for I stand firmly for a plurality of men in the ministry, being a Fivefold ministry. I have also shared my pulpit freely and happily with the men following the Continuity light of the Bible, giving opportunity to other men, for I do not believe in a one man show! I have even openly recognized the apostolic potentials in some men. Brothers and sisters, I have stood openly and firmly and consistently against a one man show! However, I will be bold enough to tell you now, that preaching a good message once in a while, is not the same as carrying the light of Jesus Christ for the universal body of saints, bringing a constant and continuous supply of **FRESH "CARCASE"** for the universal bride of Christ to feed upon. That is a fact! Only God can occasion that, and it only shows that the Lord has committed something to somebody singular! Period! He has committed the Plumb-line of His Word to a specific

vessel of clay, and we must see that. For as I stated earlier, we must not forget where the Continuity light is coming from, for pre-eminence still lays in the voice the Lord is using to carry the light of the Word of God for the body of saints! God will not let anything detract from that, for God does not defeat His own purpose, and you must see the divine objective of God for this hour! So, it is really not about other men, even though it is also not about one man, but about Jesus Christ in his divine scriptural revelation. However, the issue is that you cannot use any other man in the ministry to detract from the current **“Candlestick”** of the Lord, or to detract from what the Lord is seeking to accomplish for His people, for you should be able to see what God is doing, and the purpose it is serving, in furtherance of God's plan of Gentile salvation, particularly in this last junction of time, for God is not interested in your personal secret ambition for global recognition! And let me warn whoever has an ear to hear, for some people just cannot seem to get something, that walking with God in this perilous time, takes faith, patience,

humility, and total sincerity of heart, for God has His appointed time for the establishment of the original Ephesian ministry, particularly the apostolic head, for no man can force it, and no man can hasten it. You just have to be patient, and not be hasty like James Allen, who, asked me with arrogant impudence: **“How long we gonna wait: FIVE YEARS?”**, when I warned them to be patient and to wait for God to establish apostles first, before judging something that is beyond them. But it is now ten years since we have been waiting for God to put together the apostolic head of the ministry, and it is yet to happen! What can any man do, if God does not move? Therefore, I will say this to the men squealing behind the pulpit, saying that there are other men, which is not denied: When you eventually meet those other men, in the final analysis, (or at the end of the day), all it will give you is nothing but confusion, for you do not seem to understand what the day is saying! You obviously do not know God's ways or His objective, for right now, it is still **“the voice of ONE MAN”** which the chief

apostle spoke openly about in a number of messages, which is still making its way around the globe, in order to awaken and establish God's predestinated original bride ministry! In his message titled *The Body of Christ, Part 5*, delivered on the 5th of September, 2004, Raymond Jackson stated categorically: **“I will have to say this morning, God will not start with the voice of MEN. He will start with the voice of ONE MAN that will lift up THE TRUTH, STRONG ENOUGH, LOUD ENOUGH, THAT THOSE MEN”**, (PLURAL ELECT MEN), **“WILL KNOW GOD IS IN IT... And that is what I'm saying this morning. If there is to be unity, THERE HAS GOT TO BE THE VOICE OF ONE MAN, who all the other men will GET ALIGNED WITH...”** Church, we are still at that junction of time of One Man lifting up the Truth, until God puts the apostolic head together by His Spirit, strictly in the light of the Present Truth! Period! Personal ambitions and warped perceptions of men, have nothing to do with this!

This reminds me of something Brother Jackson said concerning Canada. God led him to Canada, to a sizeable church of about two hundred people or so, if I remember the number correctly. He ministered to those people, and they had a wonderful time. After the service, some people came to him saying, *“Brother Jackson, we really enjoyed the message. But we want to ask you something: Are there no other men preaching this message?”* That lets you see that it was not enough for them to have had truth presented to them. The accessibility God gave them to the Continuing revelation Raymond Jackson bore in that day, was certainly not enough for them, for it was not about the truth, but about having other men. I find it most incredible, that God sent the chief apostle, the man who carried the revelatory Voice of the Spirit in that junction of time, right from 1966, following the death of Brother Branham, to them, and they still wanted other men. And what exactly did they expect these other men to give to them or do, that the Paul of today did not give or do? It plainly shows that they were not looking for truth, for that was the

man that could turn on the light for them, under Christ! History is always repeating itself, for the same holds true for this day; it holds true for this move. Saints of God, when we consider the attitude of these Canadian folks, and the attitude of some people who say they are following this Continuity Move, it is a fact that truth is not enough for them, and hence, no matter how much God will use a man to unveil His Word to them, they are never satisfied, for they just want something else, for they have idols in their hearts. The question these people asked the chief apostle in that day, lets you see that they were certainly looking for something more than just the truth. I say that because truth should be enough for you, as an elect bride seed of God, for therein lies your peace, your security, and more importantly, therein lies eternal life. You should be happy therefore, to log on to the fountain of divine revelation! So they asked: *“Are there no other men?”* Brother Jackson replied: *“There are other men, but by the time they come, they are coming with a bag load of confusion; and their wind will blow you to*

*smithereens.”* They did not mind the warning Brother Jackson gave. To cut a long story short, they were put in touch with other men in the Branham Movement, who then came to Canada for meetings, and by the time they were done, that sizeable church in Canada had broken into smithereens! They had their other men! Let me tell you tonight, it has never been the same with Canada since that day, and even till this day, as we speak, the situation in Canada has not changed! A united body of people, a lovely group, ceased to exist, because they had no understanding. Brothers and Sisters, God has to have A TRUE WITNESS in the earth, a witness of truth to carry the light on, bringing Unity of revelation, and a true Focus and Direction to the entire body of saints, in such a horrible, demonic, and apostate hour such as this. If you get away from that ministry rallying point for the body of Christ, on account of the standard of truth the man is bearing for the universal body, you will undo yourself. It is that simple, but the choice is yours, for the pressure

Joshua faced in his day, is now repeating itself. That is serious food for thought for the wise.

Therefore my brethren, I beg you tonight, for this is a serious message. It is for you to ponder upon, and sincerely pray: *"Lord help me."* I am speaking to each and every one of you. And if the cap fits, wear it. Do not be lost in the crowd. Do not be lost in this Move. I am talking about your own personal individual walk with God, and that true fellowship with the Lord, for it is strictly in the light of truth. I have to warn you because in this crowd, you can be attracted by things that do not really matter; because what is most important is the spiritual edification of your soul, in preparation for the rapture. It is all about making it into that glorious meeting in the sky, when mortality will be swallowed up by immortality, and corruption will be swallowed up by incorruption, a time when we shall all be changed eternally, into Christ's glorious physical image. However, you can make your priority every other thing that will not put you in the rapture. I say that because, some, instead of

allowing their souls to be dressed in readiness for the return of Christ, just want to do something in the church, as if that is what matters; and as if a firm and faithful stand for truth is not enough. In John Chapter 6, verses 28-29, Jesus answered a material question in this very regard: ***"Then said they unto him, What shall we do, that we might work the works of God? Jesus answered and said unto them, This is the work of God, that ye BELIEVE ON HIM WHOM HE HATH SENT."*** Period! Consequently, it simply means that there is no point running for God, if God wants you to just sit down, and have your soul prepared for the rapture. Exactly! Some brethren on the other hand, just want to sing, and they will "die" if they do not sing; others want a role during the Convention, and some are dying just to be in the ministry, even if they do not have what it takes, for they lack the ability to preach. But they want to preach anyhow; and they will only "kill" themselves, and those who are foolish enough to follow them! Others want to be big in the ministry, and as such, they seek global

recognition, quietly and subtly, as if God does not see their secret motivations. The unbridled ambition of some men is what is making them preach and teach things that can only derail and destroy them, along with those who are foolish enough to swallow their spiritual junk. Yet, they claim to be following the Continuity light of John; as if two can walk together without being agreed on the exclusive basis of the Word! In quite a number of countries around the globe, (for I have seen it over and over again): Let a man in the ministry be the vessel through whom the door into his country is opened up for the Continuity Message, and he makes himself the all-in-all in that country! He becomes the "apostle" to that country, and the "thunder", and God cannot do anything in that country except through him, as if any man can lock the hands of God. My! They forget that God is sovereign, and they allow pride and presumptuousness to take over their lives. What a haughty and carnal way to look at the spiritual things of the Lord!

Consider this: Saint Barnabas was the one who took Saint Paul to meet the apostles in Jerusalem, and yet, he had to later follow Saint Paul in the light of Christ he bore, as ***“THE Apostle”*** to the Gentiles! Think about it! Brother Ananias was the one who laid hands on Saint Paul to get his eyesight back, and also for him to receive the Holy Spirit, and yet, Saint Paul was the one to whom the standard of the truth of Jesus Christ was committed, for the salvation of the entire Gentile world, and not to Saint Ananias, who was a fellow ministering brother! Think about it! Aquila and Priscila were the ones, who expounded this way clearly to Apollos, and yet, Apollos became a mighty apostle thereafter, a waterer of the seeds which Apostle Paul planted, and Aquila and Priscilla had to submit to his apostolic headship! Shall I go on? Who will teach these men true humility? What these men fail to realize, is that God can even use them to open the door to their country, and to accomplish some other things in His plan; but if they are not humble and careful to submit to truth, and to the sovereign will of God, that

God may be God in their lives, they may still not make it into the kingdom! That is the issue, and it is a most serious one, for God uses everything! And as the Scriptures bear out, God using someone is not the same as God being in that person, for God uses a lot of men He later discards! That is a fact, for that is why we have carriers! Therefore, brothers and sisters, it is not about what you do in this assembly, or in any other assembly around the world; and it is not about what you do in the ministry, however profitable it may be or seem to be. The absolute truth of the matter is that, **your ambition must be tempered by REVELATION, and by the WILL OF GOD.** For it is certainly not about your ambition or desire, and neither is it what you think about yourself, or what people make you, for people can make you whatever they like! IT IS ABOUT HEARING HIM, for in hearing him is life eternal. Yes! I will remind you once more that in Saint Matthew Chapter 17, verses 4-5, it is written: ***“Then answered Peter, and said unto Jesus, Lord, it is good for us to***

***be here: if thou wilt, LET US MAKE here three tabernacles; one for thee, and one for Moses, and one for Elias. While he yet spake, behold, a bright cloud overshadowed them: and behold a voice out of the cloud, which said, This is my beloved Son, in whom I am well pleased; HEAR YE HIM.”***

That you may hear him, is precisely why there is a fountain that is opened up and flowing ceaselessly today, and the Master is asking you to simply come and be washed; but No, you want to busy yourself with other things happening around the truth, other things that have caught your attention. As I stated earlier, some are simply looking for fame and recognition in this Movement, and you cannot stop that. It is what makes them run the roads, rather than to sit down and teach their flock. Others, on the other hand, are looking for things that will put them in control, for they only want to be the big bosses, rather than hearing him. Yet, the paramount truth is that we need to have a definite individual encounter with

our Maker, that we may possess His reality, and have our lives totally transformed by it, in order to reflect his beauty, becoming a mirror of His Word, and a trophy of His saving grace! For as it is written in 2 Peter, Chapter 1, verse 19, the day must dawn, and the day star must arise in our hearts: ***“We have also a more sure word of prophecy; whereunto ye do well that ye TAKE HEED, as unto A LIGHT”***, (which is the present truth), ***“that shineth in a dark place”*** (of your heart), ***“until the day dawn”***, (speaking of a new beginning in our hearts, an inner experience which transforms the soul), ***“and the DAY STAR”*** (JESUS CHRIST) ***“arise in your heart.”*** Apostle Peter is saying precisely what Prophet Isaiah also laid out in Chapter 50, verse 10, about the dark inner spiritual condition of brethren who have embraced the Voice of the Spirit, which is sounding through God's current servant, but are still in need of an inner change! Prophet Isaiah counselled: ***JUST STAY WITH THE TRUTH! “TAKE HEED, AS UNTO A LIGHT”, AND GOD WILL MEET WITH YOU, FOR “THE REAL RAIN” IS***

***COMING!*** Brethren, please, this last Move of God is not about doing this and that, busying ourselves without a divine touch of God in our lives. It is about a life changing encounter with the Spirit of the Lord, an experience you need to have deep down in your soul, anchoring you within the veil. So, it is important that you log onto that, for without character, you are nothing. However, what will take you there, and what will give you the access, is this pure revelation of Jesus Christ of the Bible. Therefore, log onto it, and let the vision of the Master be your everything, and lay hold on the life Christ offers, for Jesus Christ is more than life to us. Align yourself with his vision. Let it be your heartbeat. Let us learn from the Pentecostals and the Charismatics, and it shall be well with our souls. Brothers and sisters, God moved wonderfully in 1906, and it affected the whole globe. What a testimony, and what a Move! Over 500 million strong Pentecostals have been born to date; over 500 million Pentecostal believers around the globe. What happened in 1906

has produced over 500 million Pentecostals, by organizations! It affected the globe, but unfortunately, they did not see the objective of God. And that is precisely why they did not follow God on, in His Continuous light, for they really did not hear what the Spirit was saying in that day. And today, they are not hearing what the Spirit is saying either, for they have lost their way. They are now all bundled together in the great Ecumenical Movement, God working through the Glossolalia or Tongue Movement, which has put every last organization which that move has ever produced, in the World Council of Churches, which is the Image of the Beast. Brethren, what does that show? It shows us, that APART from the foolish virgins in their midst, EVERY other member of their organization, whatever name they may bear, and in whatever part of this globe they may be located, are all marked, spiritually, waiting with certainty for the literal 666 Mark of the Beast, in the 70th Week of Daniel. May I also add this serious warning, for it is the truth

anyway: Every person following the Message of Elijah, in this closing out hour of Laodicea, who is not also standing firmly and sincerely for **“the PRESENT TRUTH”** of Jesus Christ of the Bible, which is THE STILL SMALL VOICE, the Present and Continuing Voice of the Spirit to Laodicea, will definitely wind up taking the Mark of the Beast, in the Last Week of Daniel, regardless of what they think now. For they obviously do not have the Spirit of God, which alone will enable a person not to take the Mark, for they are haters of God's Holy Written Word! They are all part of the great deluge bound for hell! And as it stands today, they will all be bundled together in a big Message bundle, all bundled together against **“the Present Truth.”** For everything and anything that is not of the truth in the entire Branham Movement, (which takes in the Jackson Movement, as well as the John Movement), will end up in this giant bundle, in readiness for burning in the lake of fire! As it is written in the Gospel of Matthew Chapter 15, verse 13: **“But he”** (Jesus) **“answered and said, EVERY PLANT,**

**which my heavenly Father hath not planted, SHALL BE ROOTED UP.”** That is a fact of God for this very day! Let me warn you, therefore, that what you do with the truth is your choice, for everyone has a choice. However, I pray people wake up before it is too late, and stand for the truth of Jesus Christ, that is now shining in this last Gentile Move, a Move which God set in motion in 2005, for the Spirit is still speaking, and our path is getting ever brighter.

Brothers and sisters, I also ask you: What good is it that you are right here where the Spirit is speaking, if the Voice of the Spirit is lost on you? What excuse will you have for not making it in the rapture, having come this far and so close? **KNOWING THE OBJECTIVE OF GOD** is a must at this final junction of time. You must see the divine objective for this Move, if you are not to be overthrown. For a huge and terrible tornado is coming, and only those who are truly anchored in Jesus Christ, in a true divine revelation of the Word, will not be blown away, for they alone will abide. Therefore, live for

the Lord sincerely, and walk humbly and faithfully before your Maker, for God loves and rewards faithfulness and sincerity of heart. And remember that the way up is down. Please! To think that the Lord is yet to establish the original Ephesian Fivefold ministry, and men are already setting their eyes on being one of the **“Seven Thunders”**. They have shared the Thunder ministry among themselves, foolishly determining who will be a Thunder, and the nations they will come from. The men are not even considering the fact that they may not make it into **“GIDEON'S FINAL ARMY”**, and yet, they want to be Thunders! Instead of working humbly and faithfully with God in the light, keeping absolute Unity of faith in their local body, and diligently feeding and nurturing the flock God has set under their care, with the Continuity light of Jesus Christ, and praying earnestly that they may pass the test of God in His **“Quarry”**, they are busy concerning themselves about being a Thunder, giving silly suggestions to their congregation, of their

potential Thunder ministry! My! What can we do with men like these?! Who will tell them, and who will make them listen, that this is not a game? I will remind each and every one of an absolute truth of life, whether in the natural, or in the spiritual, and that is this: **As we make our bed, we will lie in it.** You had better watch how you make your bed, for the ball is in your court, and the axe is about to fall. May God help us all, for it is written in Revelation Chapter 22, verse 12: **“And, behold, I come quickly; and my reward is with me, to give every man according as his work shall be.”** Brothers and sisters, I show you

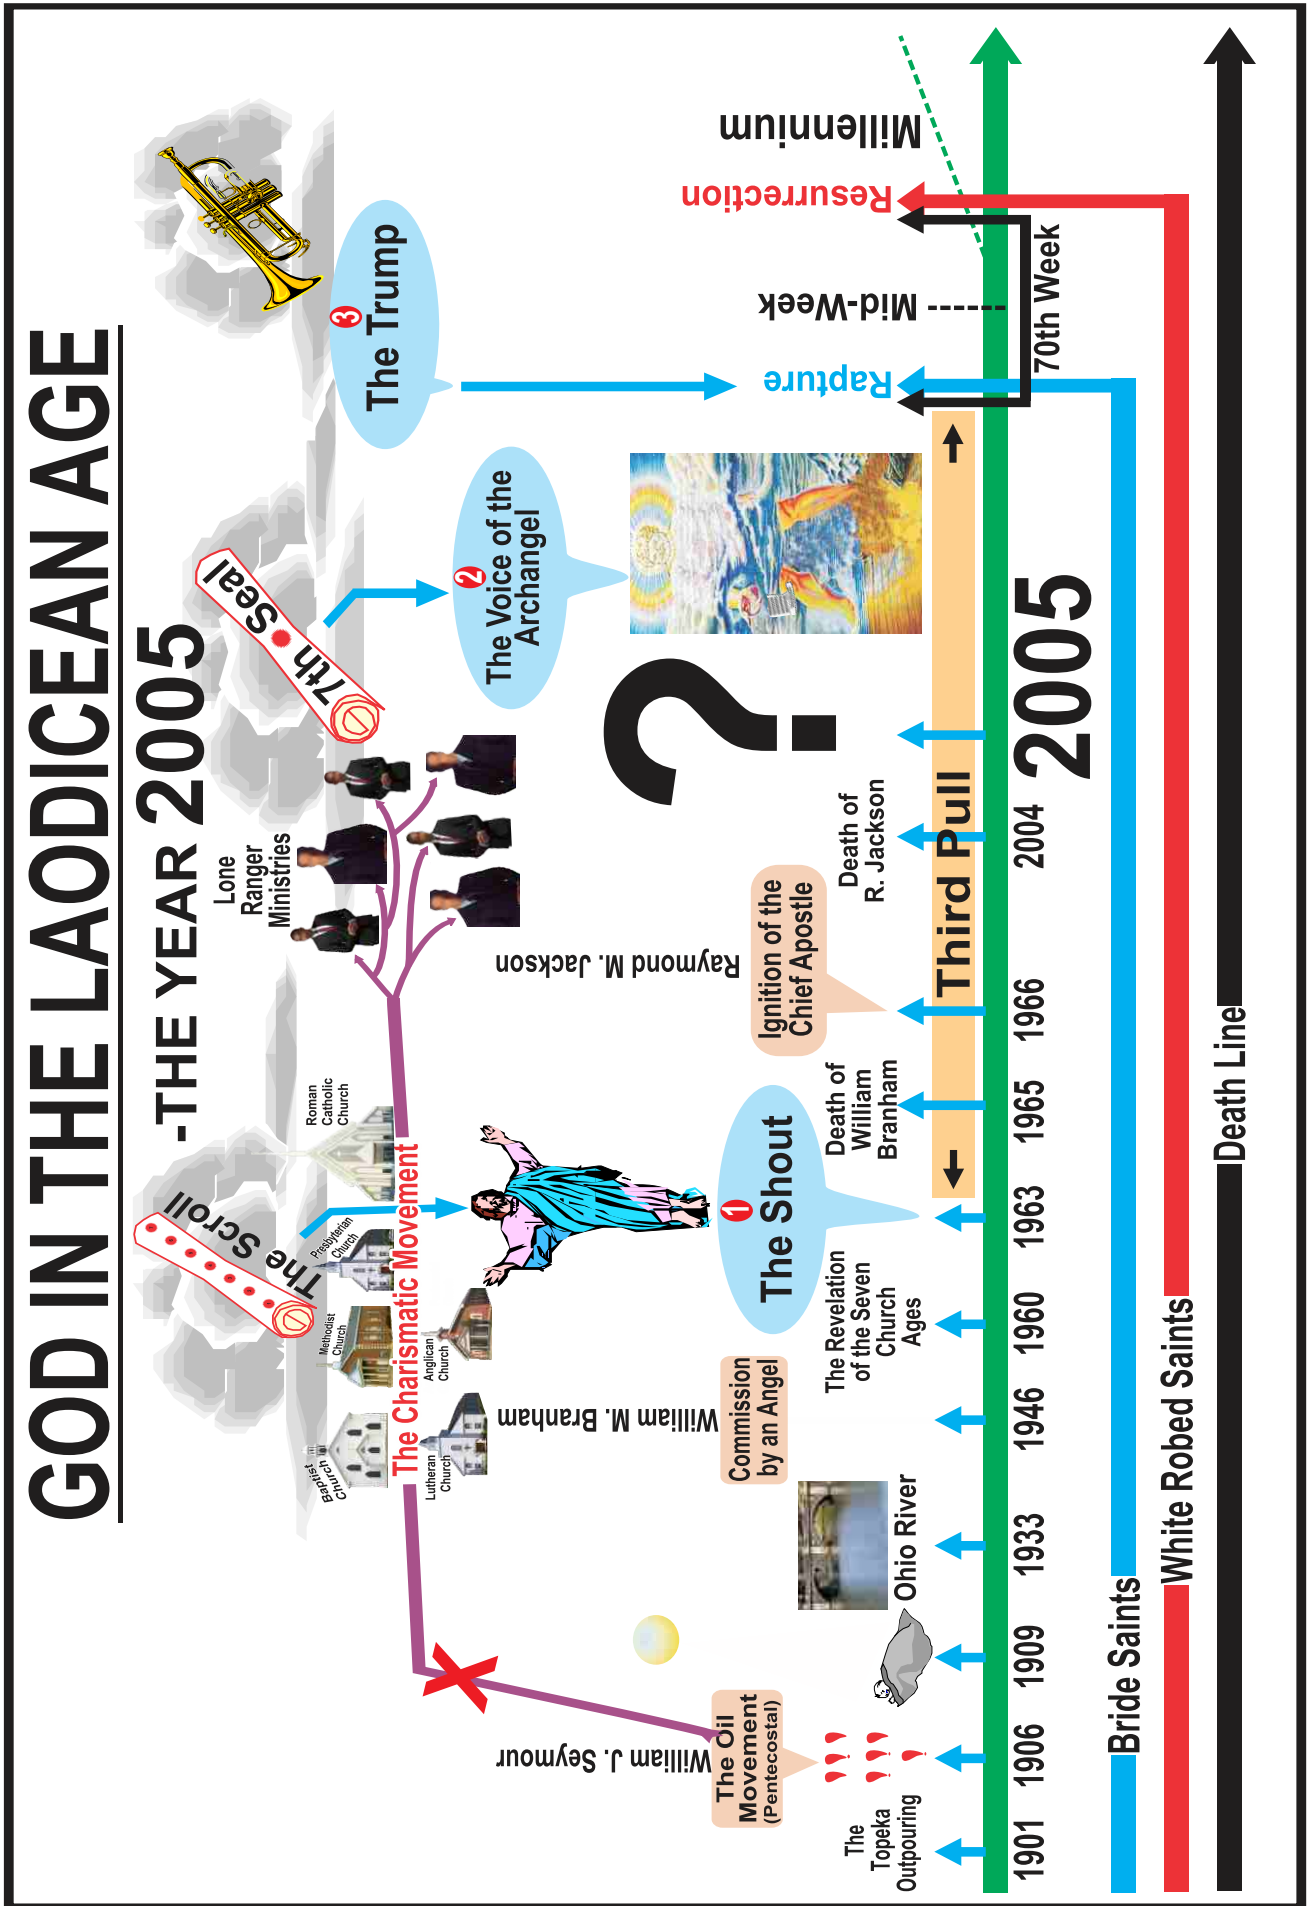

*GOD IN THE LAODICEAN AGE – THE YEAR 2005.* It is a divine Move for the attainment of true scriptural **U N I T Y            a n d            P E R F E C T I O N, of the Universal bride of Jesus Christ,** and it is this very Move that will take us in the rapture, for here is where it all ends for us Gentiles. Let us bow our heads in prayer.

Our heavenly Father, Lord, as a mortal, I have tried my best to lay out this truth to your people, with love in my heart, out of care and concern, for I am really nothing in myself: It is all by thy grace. And I pray that your children will see this light that is streaming, to show them the way of life,

that it may be well with their souls, and that they will follow Jesus Christ, hearing his voice, because the Spirit is still speaking. Speak in accents clear and still. Speak, Father, and make us listen. And let it be to the blessing and the redemption of our souls. Bless your people, both brothers and sisters. Let your hands of mercy rest upon thy people, and upon the church. Bless the ministry. In Jesus' name we pray. Amen.

The Lord bless you.

## DIRECTORY OF THE SCRIBE contd.
