

# The Scribe

"Every Scribe which is instructed into the Kingdom of heaven is like unto a man that is an householder, which bringeth forth out of his treasure things new and old" - Matthew 13:52

Amos Olusegun Omoboriowo

February 2015

## GOD AND RACES - PART 3

The following message was preached by Brother Amos, on Sunday 23rd November, 2014, the succeeding Sunday after our Convention, at Bible Faith Tabernacle, Lagos, Nigeria. This is the final instalment, and wraps up the plan that God has for the races, in an exact and complete cycle, bringing us right to eternity. And what a time to look forward to!

Good morning church. I want to thank Almighty God for a successful Convention. It just gets better with every Convention, and it looks like brethren are really getting the hang of it; and we are just trusting God to help us to be able to handle it to the very "T", for it takes a lot of hard work and dedication. I thank God for the

good weather which He supplied to us, and for the travelling mercies He gave to all His children who came, together with the security of the Convention ground. God is very faithful and true, and we thank Him for the wonderful way that He ministered to our needs, and has helped us to be able to hold yet another one. I give Him all the praise. Amen. I also want to appreciate the sacrifice of the saints, and the immense labour they put into everything. Brothers and sisters, you worked so hard, and that goes for all departments, male and female, young and old. We truly appreciate your labour of love over God's weary pilgrims, who came to dine and fellowship around the Word of God. I just

want to thank each and every one. May the God of harvest bless you richly. I am grateful to God for also making it possible for us to be able to push out eight new Scribes at the Convention, along with that of *The Input Of Ham*. God be praised for making everything possible, and for what He is doing in our midst, for the body of Christ universal. It is our humble prayer that God will perfect everything concerning His people, and that He may have His way in our lives. Shall we bow our heads in prayer. (Brother Amos prayed).

This morning by the grace of God, we want to continue and also conclude the message, **GOD AND RACES**, that we started at the Convention, because I still have a few things to lay out, in order to present a whole and complete picture. There are some things I wanted to show the church at the Convention, but I was not able to do so, and now that we are continuing, I will now be able to show you these things, and bring the message to a conclusion. So this morning, I have something on the board, which is a second chart

bearing some photos. The first photo is of quadruplets (four babies), on the left, and it relates to the type of conception which Eve had in the Garden of Eden, through the intimate relationship she had with the Serpent and with Adam, which produced two seeds named Cain and Abel, in one pregnancy, which type of conception is called "*Superfetation*" or "*Superfecundation*", in medical terms. The second photo on the right, which shows a black family with a white baby, relates to "*Mutation*", a genetic law by which Noah also gave birth to his three sons, Shem, Ham, and Japheth, three sons who had three different and distinct skin colours. To the right of the family, is the photo of the mutant baby herself. The two photos portray Superfetation and Mutation, and they are modern day occurrences. By them, God is portraying in modern day reality, the things that went on way back there in Genesis, thereby confirming His Word. God is simply awesome, letting these things take place at this end time. Coming back to pick up the story of the quadruplets, these four

children who were born through one pregnancy, (Brother Amos points to the chart), are four one year olds, all born of the same woman, in a biological term called superfetation or superfecundation. Superfetation is when the fertilization of eggs by different men takes place, through the sex relationship, and as a result, different seeds are conceived in the same pregnancy for the different men. I have the news here, and I am going to read it to you. This happened in Tamper Bay, Florida. In this particular photo of the four baby boys, all who are one year old, when you look at them, you can clearly see that they are four different races of children. Yet they were born of the same mother, and all came out of the same pregnancy. Look at this baby, the first on the left. (Brother Amos refers to the chart). He looks South American, like a Brazilian or so; the second one is certainly Chinese; the third baby is obviously Caucasian, for he is white; and of course you can see that the fourth baby is Hamitic, for he is black. Now hear what the World News Daily Report says: "**The case of four 1-year**

**old brothers from Florida, who were born from the same pregnancy but of four different colors, continues to mystify the scientists who have been studying the boys. The sons of single mother Sheila Wilkinson, appear to have taken all the traits of only one race each, and they all have a different skin color. Although this kind of phenomenon has been observed in the past with twins on some very rare occasions, it is the first case of multicolored quadruplets ever known to have existed. The 23-year old mother got pregnant during the 2012 Spring break while partying in Louisiana. She admits she had multiple sexual partners over a short time period, and that she is not certain who the father of her children is. The boys were born on December 7<sup>th</sup> at the Tampa General Hospital, instantly attracting a lot of attention from the world's media, and also from the scientific community. They are named Jason, Timothy, Anthony and William. The geneticians who have**

**studied the boys' case, believe that they could be the offspring of four different fathers, a phenomenon called heteropatal superfecundation. Fraternal (dizygotic) twins are the result of hyperovulation, which means the release of multiple eggs in a single cycle. Superfecundation describes a situation where the eggs are fertilized by sperm from separate incidences of sexual intercourse. In a case where a woman has sex with different partners, the twins could have different fathers."**

Brothers and sisters, this is the first time they have had quadruplets of this kind. And I have to say this morning, that this is the end time; this is where it all ends. What is God therefore doing by this? God is confirming what happened in the Garden of Eden: Because in the Garden of Eden, exactly the same thing happened, except that it was Eve having the intimate relationship with the Serpent and Adam, thereby producing Cain and Abel. It is the same occurrence. It gives us a case of superfetation, which is

when we have the fertilization of a second ovum, after conception has already begun, resulting in two fetuses of different fathers in the uterus at the same time. In other words, a woman who has already conceived by a man, sleeps with another man within the same period of time, say a few days apart, and conceives again by that same person, creating two fetuses in the same pregnancy, is what gives us superfetation. But the case at hand gives us four children, all having four fathers from different races, all whom the woman slept with. She does not even know the fathers of these children, but she slept with men from different races. It is God at the evening time just confirming what went on in the Garden, a reality which people find so mysterious and incredible to accept as true; but yet, it is the absolute truth. And if today, this could happen, a woman having four children by four different fathers in one pregnancy, why is it so hard to believe that two men could have produced the two seeds in the womb of Eve in the Garden of Eden, when God spoke of the two seeds right there at the judgment

bar in Genesis Chapter 3? Which is easier to believe, the Bible case of two fathers responsible for two boys in the same womb, or that of four fathers responsible for four boys in the same womb? Think about it! For here we now have four fathers! Saints, let me give you another case which happened some years back. As a matter of fact, they were actually three cases, all on the Maury Povich Show in the United States. I will read to you the first case that happened. It was by a woman whose name is Regina, a Caucasian; she is white, but she went out with a black guy. She was the first mother on that show to find out that her two children had two different fathers. Let me read it: ***"It takes a lot to shock Maury Povich. But the talk show host admitted that even he couldn't believe it when a woman came on the show to prove her ex-boyfriend was the father of her twins - only to find that he was the father of just one of them. Speaking about the revelation, which was aired live on his show, he admitted he did not even think this was possible... He said: 'The show has***

***very dramatic and very edgy themes which I think are played out in American society. The most unusual dramatic DNA theme was when the woman came on the show and had different fathers to her twins.' Regina contacted the Maury show to try to prove that her ex-boyfriend Eric was responsible for her twins. When Povich read out the DNA results and announced that Eric was the father of just one of her twins, he had to explain to a visibly shocked audience that this was not beyond the realms of possibility. When it happened a second time on the show in 2008, to 19-year-old Alejandrina and her ex-boyfriend Jose, he was armed with the facts."*** The second case involved a 19 year old lady, Alejandrina, who also came on the show. Listen to the report of what Maury said: ***"I want to explain about this situation. It's happened before on this show with fraternal twins. Less than one per cent of fraternal twins are from different fathers, to be accurate 0.001 per cent of the time and this***

***is one of those less than one per cent.' This occurrence is so uncommon that only a few cases have been documented in medical records. In rare instances when twins are conceived by different fathers, it's called heteropatal superfecundation, which occurs when two or more of a woman's eggs are fertilized by different men within the same ovulation period. Before the results were read out, Alejandrina promised that she had not slept with anyone else while she was with Jose and broke down in tears when the truth came out. He said his ex was a 'party girl' and said the test results proved she was a 'whore'. Jose said he would take responsibility for the one child while Povich told Alejandrina that they would do another paternity test if she was able to find the father of her second child."*** Of the two children, Jayla and Julius, Jayla looked Mexican, and the father is Mexican; whilst Julius looks black, and the father is black; but unfortunately, she does not know which black man she

had the relationship with, for all these people just sleep around. It was the DNA results that proved her unfaithfulness, for she denied knowing any other man. Let me give you the third example. Listen to the report as it continues: ***"In May 2009, Mia Washington from Texas also gave birth to twins with different fathers. She and her fiancé ordered a paternity test when they noticed the twins had very different features. She then admitted to having an affair."*** Brothers and sisters, the DNA test proved everything in the three cases of Regina, Alejandrina, and Mia Washington. Saints, this is just God confirming the truth of Genesis at this evening time.

Let us now consider the case of the black couple we have on the right side of the second chart, a couple based in Woolwich, England, who gave birth to a white, blue eyed blonde baby girl. They are actually Nigerians. (Brother Amos points to the chart). The man's name is Ben, and his wife's name is Angela, and they already had two children, a boy and a girl,

before this latest addition. But look at what they now gave birth to! Listen to what the report says: ***"Blue-eyed blonde Nmachi, whose name means "Beauty of God" in the Nigerian couple's homeland, has baffled genetics experts because neither Ben nor wife Angela have ANY mixed-race family history. Pale genes skipping generations before cropping up again could have explained the baby's appearance. Ben also stressed: "My wife is true to me. Even if she hadn't been, the baby still wouldn't look like that. "We both just sat there after the birth staring at her for ages not saying anything." Doctors at Queen Mary's Hospital in Sidcup where Angela, from nearby Woolwich, gave birth have told the parents Nmachi is definitely no albino. Ben, who came to Britain with his wife five years ago and works for South Eastern Trains, said: "She doesn't look like an albino child anyway not like the ones I've seen back in Nigeria or in books. She just looks like a healthy WHITE BABY." "But we don't know of***

***any white ancestry. We wondered if it was a genetic twist."*** (Yes, it was! It is called Mutation! He went on): ***"But even then, what is with the long curly blonde hair?" Professor Bryan Sykes, head of Human Genetics at Oxford University and Britain's leading expert, yesterday called the birth "extraordinary". He said: "In mixed race humans, the lighter variant of skin tone may come out in a child and this can sometimes be startlingly different to the skin of the parents. "This might be the case where there is a lot of genetic mixing, as in Afro-Caribbean populations. But in Nigeria there is little mixing." Prof Sykes said BOTH parents would have needed "some form of white ancestry" for a pale version of their genes to be passed on. But he added: "The hair is extremely unusual. Even many blonde children don't have blonde hair like this at birth." The expert said s o m e u n k n o w n MUTATION was the most likely explanation. He admitted: "The rules of genetics are complex and we still don't***

**understand what happens in many cases.** “***She's beautiful and I love her. Her colour doesn't matter. She's a miracle baby. “But still, what on earth happened here?” Her husband told how their son Chisom, four, was even more confused than them by his new sister. Ben said: “Our other daughter Dumebi is only two so she's too young to understand. “But our boy keeps coming to look at his sister and then sits down looking puzzled. “WE'RE A BLACK FAMILY. SUDDENLY HE HAS A WHITE SISTER.” Ben continued: “Of course, we are baffled too and want to know what's happened. But we understand life is very strange.”*** This is exactly what happened to Noah way back there in Genesis at the birth of Japheth, Ham, and Shem, in their order of births, for God today, is obviously confirming the truth of what went on in the Seed Chapter, the Book of Genesis, the Book of the Beginning of everything: The beginning of creation and of Man. God be praised! He is awesome! Yes, He is! Brothers and

sisters, I just spoke about blondes at the Convention. Something struck me yesterday when I was preparing for this message, as I was meditating on the fact that we have this present day case of superfetation bearing witness to what happened in the Garden of Eden, by which Eve gave birth to Cain and Abel. Something suddenly told me, ***“Go on the internet, and you will find a case of Mutation.”*** It took me some time before I got it, for I kept searching, using the Google search engine, and eventually, there it was, and it was amazingly, a Nigerian couple. Saints, is it not something that at this evening time, in this last move, God is confirming what went on way back there in the days of Noah in Genesis? This is simply amazing! That is why when you come to the Book of Acts, Chapter 17, verse 26, it plainly declares that God ***“hath made of ONE BLOOD all nations of men for to dwell on all the face of the earth...”*** That one blood is the blood of Noah, and the logistics God used to bring this about is called Mutation. Mutation or genetic alteration occurs when a Mutagen, which is a

dominant and powerful agent of physical change in the DNA code, brings about a change in the structure of the DNA gene, thereby creating a new form of species, which can be genetically inherited by offspring. By this genetic mutation, Noah gave birth to three children with three different and distinct colours. Church, now at this end time, here is a black family producing children with two different colours, Hamitic and Japhetic. Do you also know what is striking? What is striking is that the couple are Hamitic Nigerians. In the beginning God used Noah to ignite mutation, and Noah is Shemitic. Are you with me? Noah is from the Shemitic race. It took a Shemitic man to produce the three races which the Lord used to start variety in God's human flower garden. And at this evening time... when God is wrapping up His plan of universal salvation, He decided, ***“Let me use a black man”***, one from the Hamitic race to produce a white girl. The Lord used original Nigerians on both sides, husband and wife, that is, a Nigerian couple having no white gene in them at all, no white

ancestry in their whole family, to show Mutation in this last junction of time, which is *THE HOUR OF GOLD*, which gives us the days of *THE INPUT OF HAM*. At the very closing of it all, in the days of the Input of Ham, God used a Nigerian Hamitic guy to give us the evidence of mutation. That tells me something! It is very striking that it is a Nigerian Hamitic couple that God has used to produce the evidence of mutation today, in order to vindicate how God used Noah to set mutation in motion way back then. That is wonderful! That is something astounding! To me, it is God testifying of something! I do not know how you look at it; but I see God vindicating His Word. That is why as believers, we believe in evolution, but not as Charles Darwin has presented it; but to a measure, we believe in evolution, for we believe in evolution strictly by Mutation, a law which God alone controls. Period! We do not believe as Darwin taught that we all evolved from one cyst, or that we evolved from apes. That is absolute nonsense, for it does not make sense! Why are we not also evolving

into something else?! It is just that they hate God! It is the Creator that they do not want! Period! But the truth is that God started with just one pair, a male and a female, and through the law of reproduction, and with the passage of time, and also with the application of the dynamics of the law of mutation, God brought a variety of species, an incredible and marvelous variety, astounding variety that is most beautiful and totally captivating. We are completely mesmerized by the magnificence and rich splendor of God's creation, for the world is filled with such enormous, extremely complex, and mind boggling variety, proving undoubtedly that God is the God of variety, and Mutation is His key tool for accomplishing this. That is that.

Coming back to our original text in Genesis Chapter 1, verses 11-12, it is written: ***“And God said, Let the earth bring forth grass, the herb yielding seed, and the fruit tree yielding fruit after his kind, whose seed is in itself, upon the earth: and it was so. And the earth brought forth grass, and herb yielding***

***seed after his kind, and the tree yielding fruit, whose seed was in itself, after his kind: and God saw that it was good.”*** In verse 28, it is further written: ***“And God blessed them, and God said unto them, Be fruitful, and multiply, and replenish the earth...”*** Brothers and sisters, as we saw at the Convention, Genesis Chapter 1, verses 11-12, gives us nothing but God's immutable (unchanging), and infallible law of reproduction, one that governs ALL reproduction, including that of man, for the Commission for procreation in verse 28, is ruled by the law of the reproduction of seeds in verses 11-12. This law governs all reproduction, whether in the natural or in the spiritual. It is an unchanging and infallible law that EVERY SEED BRINGS FORTH AFTER HIS OWN KIND. However, the devil came on the scene, and today, what do we have? We have mixed marriages galore, interracial marriages galore, for it is now a world where the devil is trying to brew down the racial originality of human seeds, so that at the end of the day, the world will just become

one big racial cesspool, a cesspool of a totally mixed bunch of humanity, without any racial or cultural identity. That is the objective of Satan! He wants a world where everything is totally mixed up; a world without race, one without originality of the human species, and that in itself is simply demonic! Brothers and sisters, God decreed: Let every seed bring forth after his kind. And for this specific purpose of reproduction, God made them male and female, FOR TO EVERY MALE KIND THAT GOD MADE, THERE IS ALSO A FEMALE. Do you know that in Genesis Chapter 6, when God was going to destroy the world in Noah's day, He brought all the various species, all the various kinds of animals and birds to Noah? Let us go to Genesis Chapter 6, beginning from verse 17, where the Lord commands: ***“And, behold, I, even I, do bring a flood of waters upon the earth, to destroy all flesh, wherein is the breath of life, from under heaven; and every thing that is in the earth shall die. But with thee will I establish my covenant; and thou shalt***

***come into the ark, thou, and thy sons, and thy wife, and thy sons' wives with thee.”*** Now watch verse 19: ***“And of EVERY LIVING THING of all flesh, two of every sort”, (two of EVERY SPECIES) “shalt thou bring into the ark, to keep them alive with thee; they shall be MALE AND FEMALE”***, (preserved for the sake of reproduction of the species. Watch the specifics of verse 20): ***“Of fowls”*** (or birds) ***“after their kind”***, (after their various species), ***“and of cattle”*** (or of animals), ***“after their kind, of every creeping thing of the earth after his kind, TWO OF EVERY SORT”***, (TWO OF EVERY SPECIES, meaning MALE AND FEMALE), ***“shall come unto thee, to keep them alive”***, for the purpose of reproduction of each and every species! This Scripture therefore drives home the truth that there are different species of fowls, and each specie had to be preserved, MALE AND FEMALE, for the reproduction of the species! But let us ask ourselves, how did the various species of each creature all come about? How did they all get here?

Each specie came by just one original pair God created, one male and one female, which God created in the beginning, as recorded in Genesis Chapter 1, verses 20-22: ***“And God said, Let the waters bring forth abundantly the moving creature that hath life, and fowl that may fly above the earth in the open firmament of heaven. And GOD CREATED great whales, AND every living creature that moveth, which the waters brought forth abundantly, after their kind”*** (or species), ***“AND EVERY WINGED FOWL after his kind”*** (or species): ***“and God saw that it was good.”*** (Now here comes their commission in verse 22): ***“And God blessed them, saying, Be fruitful, and multiply, and fill the waters in the seas, and let fowl multiply in the earth.”*** Out of the original pair of each specie, God reproduced many more of them, after their kind! Now, in order to have all these creatures repopulate their very kind, following the destruction of the world by water that was to come, God commissioned Noah to bring of every living

creature, two of every type, meaning male and female of every specie, for the reproduction of the species. And Noah did not have to go all over creation looking for the various species of birds and the various species of animals! There was a God-given uncton or instinct in all elect birds and elect animals of every kind, of every specie, that when the time came for them to enter into the ark, for judgment was shortly to fall, and before the door of salvation was shut, here came the birds, two of every sort of birds, by the workings of the doctrine of predestination, election, and they flew straight into the ark, giving Noah a squeak of thanks at the entrance! Even the duck came, male and female, elected ducks; they entered the ark and were saved. Here also came two of every animal specie, male and female, each pair walking together into the ark, some nodding, whilst others made a sound gesture to Noah at the entrance, as a way of saying thank you, as they went into safety, receiving the salvation of God which human beings rejected! Brothers and sisters,

election picked two of every sort! They all entered the ark to be preserved. Coming back to our central thought, I now ask: Why did God preserve Two, the male and female of every specie of every living creature? It was simply in order to preserve every specie for self-reproduction, the reproduction of original like seeds, for God does not crossbreed! Why was the male and female of all species of birds saved? Why was it also the male and female of all species of animals that were saved? It was because God does not crossbreed, and as such, He needs the original male and female of all the species to reproduce themselves! It is the devil that crossbreeds! And you must see the devil's objective, as the bride of Christ, one living in this last age, for the true light of the Word of Christ is now shining, and it is absolutely imperative that we walk in the light, as children of light! Darkness, palpable spiritual darkness has taken over the world! That is why, brothers and sisters, when you look at the world as it stands today, it is obvious that if time tarries,

there will come a day when distinct races of people will no longer exist! And that is a fact! Do you know that in America alone, multi-racial families, mixed racial people, make up a whopping nine million in population? Are you listening to me? The report by Moni Basu of CNN, in September 27th, 2012, titled: Census, states that more people identify as mixed race. Her report states: ***“Before 2000, you had to pick one: White, black, Asian, American Indian, Alaska Native or some other race. But now you can tick multiple boxes on the U.S. Census Bureau's race category. The 2010 census provided the first glimpse of trends in multirace reporting since it was the second time such an option was available. And what it shows is that people who say they are a mix of races grew by a larger percentage than people who reported a single race, according to the data released Thursday. People who reported a background of mixed race grew by 32% to 9 million between 2000 and 2010. In comparison, single-race population***

**increased 9.2%. In all, the U.S. population increased by 9.7% since 2000. Many multiple-race groups increased by 50% or more. But that does not necessarily mean there are many more children of interracial couples.**" What a sad state of things! Likewise in Britain, a research study report in 2011, also records that there are two million mixed race people in Britain, "outnumbering those who class themselves as black, and much bigger than the largest single non-white grouping those of Indian origin." Think about it! A lot of African and Asian men and women are marrying whites in order to get good jobs, better housing, and acceptability in the British society, whilst some Asian women are marrying white men in order to get away from being treated as door mats by their fellow Asian men! But it is still wrong, for we must also ask: What about the will of God for creation? Coming to France, a report which was also posted on the Internet concerning the multi-racial state of France states: **"Although censuses on ethnicity are forbidden in France, the ethnic origin**

**of newborn babies in France can be derived indirectly from national medical data on the prevalence of sickle cell disease which is mostly peculiar to non-Europeans. The results are shocking: In 2007, 28.45% of all newborn babies have at least one parent originating from Africa (incl. North Africa), Middle East, India or the Caribbean... Note that immigrants from other world regions like East Asians or Latinos are not even included in these percentages, so the actual percentage of non-White newborns in France is even higher. This looks bad."** And I quite agree with that ending remark! Saints of the living God, I repeat: If time tarries, there will come a day when distinct races of people will no longer exist, for Satan would have crossbred and totally mixed up everything! Think about it, and tell me that it is okay for two believers to enter into a mixed marriage, for it is not scripturally okay! We have considered the mixed race population in just three countries of the world. What about the rest of the world? We have not touched Brazil, and the rest

of the Latin American countries, together with the Caribbean (the West Indies), where it is a cesspool of races! During the last meeting at the Convention, we touched on a serious fact that the devil is hell bent on creating multi-racial people, through mixed marriages, because he knows that if he can only mess up the distinct original races of people, God's original human race seeds, their mixed up children, being hybrids, will lose the God essence, and as such, they will not be able to hear from God or relate to Him, but serve only the devil! He is also using the infallible and unchanging law of the reproduction of seeds to accomplish his evil plan, knowing that if a mixed race person gives birth, she can only give birth to a mixed race seed, for the offspring will never be an original, but ever mixed breed! And the more they are interbred, the farther and farther they get from their Creator! For in that way, they will only be an earth-bound, carnal, element of humanity, though they may be successful in their earthly fields of endeavours, and be **"men of renown"**! The important thing is that they

will have nothing of God in them, and as a result, they can only serve the devil's will! That is Satan's objective, and you must see that! Every predestinated son and daughter of God must understand this fact; and they must know undoubtedly that it is not God's will for the races to be messed up. *"Oh Brother Amos, but we are one in Christ."* We have already settled that scripturally, for redemption does not affect the issue of the reproduction of God's human seeds! I repeat: The plan of redemption does not affect, touch, or alter God's law of the reproduction of seeds: That every seed should bring forth after his kind, and for which reason He made them male and female! The law of redemption, the move of redemption, does not change that! The move of redemption only redeems and regenerates, bringing back to an acceptable state, God's human flower garden, His fallen human family, made up of all the races of people in His garden. For inspite of the salvation moves of God, Genesis Chapter 1, verses 11-12, stands UNTOUCHED! As a matter

of fact, salvation was set in motion or established, because of the reproduction commission in Genesis Chapter 1, verse 28, taken together with verses 11-12, for it gives us the redemption of all elect seeds produced, for there is perfect harmony in God, and there is perfect harmony in His Word! Halleluiah!

Saints, everything just has to be put in proper scriptural perspective, for as I said before, there is no Scripture on salvation that anyone can use to nullify Genesis Chapter 1, verses 11-12, taken together with verse 28! For inspite of salvation, you must still consider the kind of human family that God wants and that He is getting to Himself, through the natural birth, for it is this same family, not another, but this very family of people that the Lord is redeeming back to Himself. Period! So much for the teaching that justifies mixed marriages on carnal unrevelated grounds, carrying the mere letter of the Word! Brothers and sisters, you should not expect the world to listen to you on this issue, or any other scriptural matter. You

are the ones that must ***"prove what is that GOOD, and ACCEPTABLE, and PERFECT, will of God."*** The people of the world are not going to change for anybody, for they look at everything strictly from a carnal earthly perspective; and it is all about their fleshly desires and comfort; it is all about what they want! They do not listen to God, they listen to Satan, for as Brother Branham stated of this evil world, it is ***"Satan's Eden"***! The racial meltdown is precisely where the devil is moving the world into, for it nullifies God's will, God's desire for human creation. You cannot stop the tide, particularly as pure hatred, pure racism, pure unjustified hatred which the whites have for the blacks and Asians, is forcing the latter group of people to enter into mixed marriages, in particular with the whites, as a counter move, a survival move, and for social standing. That is why today, the world is a racial disaster. Just look at it on our first original chart. (Brother Amos points to the chart). Just look at the picture once again. Here is Mo Farah, the British long distance runner who has

won gold in the Olympics a number of times. He is Somalian, but he married a Yemeni wife, and look at their children; look how strange looking the little one sitting on her mum is. I do not say that in an insulting way; but I am saying it to make a point, for I cannot tell you what she looks like. She certainly does not look like papa, and neither does she look like mama. She could even pass for somebody from the Orient. And here is this man: He is a Caucasian man married to a Chinese lady. Their children can pass for Japanese. Here is a black man married to a blonde haired white lady, the hair most white ladies want to have. That hair type and white skin is exactly what God gave that Nigerian couple who experienced mutation. Look at their mixed race children. Look at this Oriental guy married to a Caucasian, and look at their three children. Brothers and sisters, it is the devil's objective to mingle everything up, because he knows that by that, God is thrown out of the picture. For I must reiterate or repeat for the sake of rubbing in the truth: There is no hybrid creature

that can reproduce the original. And the more the hybridizing gets, the farther away from the original they get, the farther away from God they also become. It is a choice. But I am under a divine obligation to lay out the truth before God's people, even if the opposition will call for my head because of it. The truth of the Word of God must be told, for somebody out there will listen. And even if nobody listens, let it be said that I lifted up my voice against it; that God has a witness on the earth who spoke against it! It is the least that I can do as **“an unprofitable servant”**, whose duty as a watchman requires faithfulness, just as it is written in the Book of Ezekiel Chapter 33, verses 1-9: **“Again the word of the Lord came unto me, saying, Son of man, speak to the children of thy people, and say unto them, When I bring the sword upon a land, if the people of the land take a man of their coasts, and set him for their watchman”** (in the physical, which man is at liberty to do): **“If when he seeth the sword come upon the land, he blow the trumpet, and warn the**

**people; Then whosoever heareth the sound of the trumpet, and taketh not warning; if the sword come, and take him away, his blood shall be upon his own head. He heard the sound of the trumpet, and took not warning; his blood shall be upon him. But he that taketh warning shall deliver his soul. But if the watchman see the sword come, and blow not the trumpet, and the people be not warned; if the sword come, and take any person from among them, he is taken away in his iniquity; but his blood will I require at the watchman's hand. So thou, O son of man, I HAVE SET THEE A WATCHMAN”** (in the spiritual, for only God can establish a spiritual watchman), **“unto the house of Israel; therefore thou shalt hear the word at my mouth, and warn them from me. When I say unto the wicked, O wicked man, thou shalt surely die; if thou dost not speak to warn the wicked from his way, that wicked man shall die in his iniquity; but his blood will I require at thine hand. Nevertheless, if thou warn the wicked of**

***his way to turn from it; if he do not turn from his way, he shall die in his iniquity; but thou hast delivered thy soul.***

Saints, I wish to re-emphasise: Mixed marriages tear down God's objective for human creation, for His human family. What is so hard to understand in that? That is easy to understand! Why can church going people not see the truth of this matter, when it is as plain as plain can be? How are you going to succeed using Colossians Chapter 3, verse 11, to nullify Genesis Chapter 1, verses 11, 12, and 28? What these folks do not realise is that they are helping the devil to take out the diversified and distinct races of men in God's ***"flower garden."*** We must know that we cannot follow the pathway Satan has mapped out to mess up racial originality, and not reap the fruits of it. That is also a major reason why today, millions of humanity are in a sad condition which the United Nations call ***"Statelessness."*** Brother Johnson called my attention to something going on, something being discussed on the Aljazeera Television Network. He

said: *"Brother Amos, you need to tune into this. Who are the people that are being called Stateless people?"* They are people in a position of Statelessness; people without any National claim, for they lack a Nationality. The international definition of a stateless person under Article 1 of the 1954 Convention is: ***"A person who is not considered as a national by any State under the operation of its law."*** You may wonder and ask: Who does not have a nationality? And as incredible as that may sound, I want to let you know that there are millions of people trapped in this terrible condition of Statelessness, and they make up at least 10 million people worldwide! That number covers the population of Norway and Denmark combined! It is that much! And you do not know just how bad it is until you are caught in it! People do not even realise that such a thing exists; but it does, and it exists in as many as 75 countries: China, Belgium, Algeria, Jordan, Canada, on and on! I know that there are various conditions that cause Statelessness, but I will tell you now that one of

the main conditions or causes is interracial marriages. Let me give you a true life scenario. For instance, here is a Jordanian woman who was interviewed on Aljazeera yesterday. She is a woman married to a Caucasian, a white person. She is Jordanian, and living in Jordan. As a result, you would expect that her children would or should be Jordanian. Unfortunately for them, the Jordanian law does not recognize children of interracial marriages, and that makes their children totally stateless. In other words, they have no nationality, and as such, they are not Jordanians, even though they were born in Jordan, and are living in Jordan! Even some Muslim Nations recognize the evil of mixed marriages, and as such, they refuse to recognize the seeds of such marriages! I will spell out the terrible effects of Statelessness. For the past ten years, the United Nations have been trying, lobbying, canvassing, and making legislations, to change the state of things around the world, because of the Statelessness of millions of people. I know that interracial marriages is

not the only reason for people being in a state of Statelessness, but it is one of the main reasons, and as interracial marriages is the main focus of this message, that is the only cause that I will bother to touch upon today, with regards to Statelessness. Brothers and sisters, there are many nations, that when you marry, particularly if you are a woman, the country does not recognize your child as being a citizen on many counts, particularly on account of mixed marriages. There is a Chinese woman married to a foreigner, a white man, but the point is that her child has no nationality. That is what is known as statelessness! And it is a serious problem not to have a nationality. But what are the effects of Statelessness? It means that such a child is not a citizen of any country. And let me now tell you the effects of that. It means that she cannot get an identity card for her child that is born, for an Identity card comes with the nationality. So if she cannot get an Identity card, then her child, even if he grows to be twenty years, sixty years, eighty years, he cannot

open a bank account; he cannot board a plane: Because he cannot board a plane without an International Passport! He cannot enroll in a University, because he needs proof of nationality. So really, he is existing in a country as a person that is non-existent! There is nothing he can do without an Identity card! And over ten million people are in this terrible state. Brothers and sisters, this is Satan's world! So the United Nations is fighting tooth and nail to eradicate Statelessness by the Year 2024. It has entered into a ten year campaign, urging nations to consider people in the plight of Statelessness, people who exist as if they do not exist anywhere in the world. And a great percentage of such people is caused by mixed marriages. Think about it! Thank God for the light! Thank God that I see the light!

Come with me to explore Acts Chapter 15, a passage we saw during the Convention. In this scenario, some legalistic Jews were trying to force the Gentiles to observe the law, purportedly carrying a

message from Peter, and it was an outright lie. Apostle Paul stood against those people. But because the contention was great, he was led by the Spirit to go to Jerusalem, to the elders over there, to compare notes, and to find out what their stand was concerning the matter, that by the Jewish apostles' declaration of one faith with the Gentile ministry, the matter may be resolved permanently. So this brings us to the meeting the elders had on the matter, and we will take it from verse 12: ***“Then all the multitude kept silence, and gave audience to Barnabas and Paul, declaring what miracles and wonders God had wrought among the Gentiles by them. And after they had held their peace, James answered, saying, Men and brethren, hearken unto me: Simeon hath declared how God at the first did visit the Gentiles, to take out of them a people for his name.”*** (God visited the Gentiles to do what? To take out a people from among the Gentiles for His name's sake; to bear the revelation of His salvation, as God's people from among the Gentiles. Verses 15-17

now adds): ***“And to this agree the words of the prophets; as it is written, After this I will return, and will build again the tabernacle of David, which is fallen down; and I will build again the ruins thereof, and I will set it up: That the residue of men might seek after the Lord, and all the Gentiles”***, (all Gentile Nations), ***“upon whom my name is called...”***, (quoting Prophet Amos). Why is this so? It is because God has an elect remnant people among the Gentile nations, whom God has ordained to bear the revelation of His own name, making up His redeemed children from all these nations, as part of the bride of Christ, the first and highest category in God's human family. The Gentiles are all races and nations of people outside of the Jews, for it takes in the nations of the world, the universe. Therefore, God has ordained that from all the races, He will have offspring who will be brought back to Himself through the process of redemption. Church, two things stand out from this passage of Scripture: It lets us see, and that is also expressed on our chart,

that Jesus Christ of Nazareth is a bridge, the bridge between the natural human races of people Adam produced, God working through Noah, (Brother Amos points to the chart), for God used the posterity of Adam, the man called Noah, to carry out the commission of reproduction of God's human family, a fallen race of people. Now, through the cross of Calvary, which is the bridge, the elect natural children of God are now being brought back through the process of redemption, for Jesus is the bridge. All God's elect human seeds among the various races and nations of people, making up Adam's lost race, a universal race, are gotten back to God through Jesus Christ. For through the first Adam, who is the head of the natural human family of God, all the elect natural seeds of God are naturally born, that is, through the natural birth, God using Noah. However, now through the second Adam, which is Jesus Christ, who is the head of the new creation, and who is the bridge, we have the new birth, an experience which brings us into a state of acceptability before God, from all nations of this

earth. So Christ is the means of getting God's children from the various nations of this world in a spiritual shape of acceptability. Redemption therefore does not change our nationality: It only transforms our inner man. Yes, we say that we are citizens of heaven above, but at the moment, that is applicable strictly to our souls, because it is our souls that are being redeemed today. It is at the rapture that we will have the redemption of our literal physical bodies, when at the last trump the dead rise, and we the living are changed, as Apostle Paul declared in Romans Chapter 8, verse 23, taken with 1 Corinthians Chapter 15, verse 51-57! Hence, it is also written in 2 Corinthians Chapter 4, verse 16, that ***“though our outward man perish”*** (or decay), ***“yet the inward man”*** (which is redeemed now), ***“is renewed day by day”!*** That is why we are aging every day in our physical bodies, for it is yet to be redeemed, although the price has been paid for its redemption; but our inner man is being renewed every day, by the power of the life of the indwelling Spirit of God, because it

has been redeemed! I am simply saying that God is not seeking to change our nationalities or racial descent, for redemption does not affect that; for although we are being redeemed, our soul is what is being saved right now, and yet, as human beings, we have a physical body, which comes out of a certain nationality and a particular race! Our individual flesh comes out of a particular Gentile nation, for God made a distinction between Jews and Gentiles, IN CONSTITUTING THE BRIDE, which is why she is a Gentile bride, although she also has an element of Jews within her, who made up her beginning nucleus! Otherwise I will have to ask anyone who wants to argue with me on this: What makes you Gentile? It is not your soul; it is strictly your flesh; it is where your flesh comes from on this planet that determines that! So brothers and sisters, Jesus is the means of getting the Lord's elect children, people who were born through the law of natural reproduction, back to God, a creation which God used the first Adam to set in motion, which is why he is the head of the old creation.

That is why on the chart, I represent Jesus as the bridge. He is that bridge, because he is the one carrying the bridge in my chart. That is why I said redemption does not change our race or nationality. Redemption does not change or affect the law of reproduction; REDEMPTION ONLY MAKES THE CHILDREN REPRODUCED BY THAT LAW ACCEPTABLE. You are not getting my point. Redemption does not change the race or the nationality of seeds born; redemption only makes the seeds born acceptable! Period! So Jesus Christ is that bridge that crosses us over into the area of acceptability before God, from the various nations and races of people on earth. It cannot be plainer! That is why Acts Chapter 15 tells us that God is getting seeds to Himself out of the Gentile nations, a people to bear His name, fulfilling the promise the Lord made to Abraham, in Genesis Chapter 12, that in him, through his seed, which is Jesus Christ, **“ALL FAMILIES of the earth”**, (which gives us ALL NATIONS of the earth), SHALL **“be blessed.”** That is redemptive!

Consequently, you cannot use interracial marriages between believers, to take out the distinct nations and races of people God wants to have and which He has planted on the earth; you cannot make them disappear by mixing them up! Yes, through Jesus Christ, we have been made into one body, which is the universal nation of the bride. But do not forget that this mystical body is made up of elect seeds of God from all races and nations, including seeds from Saudi Arabia and Turkey, areas of the world which today are extreme Moslems, and who will not open their doors to embrace Christianity. Saudi Arabia was where Saint Paul was based for a few years, as God dealt with him in the light of Jesus Christ. Many of the early church saints went to Arabia, for that area was touched by the Christian faith in the beginning. Turkey was the first Christian outpost. Brothers and sisters, the seven churches of Asia Minor were all in modern day Turkey, but today it is Islam to the core. They do not want any Christians in their country; and they do not even want you to come in with your Bibles. Church,

you must understand that a lot of these Islamic countries have already supplied their predestinated quota of their race into the bride in the first church age. So that lets you know that at this end time, there will be no bride group coming out of Turkey or Saudi Arabia, because they have given themselves over to another spirit! Exactly! But out of these same nations, God has already garnered to Himself an element of saints in ages gone by, ever before the Islamic spirit rose up to take over anywhere, because God promised Abraham that through him shall all the nations of the earth be blessed. And if all the nations of the earth should be blessed, and it is a redemptive blessing, you are not going to mess up all those distinct national seeds through mixed marriages, until there are no distinct nations and races of people of God. Wake up! You must therefore see that interracial marriage is contrary to the mind of the Spirit of God, for as I have been stressing: **You must see God's objective for natural Creation, God's natural human creation.**

I know though, that some will say to me: "*Brother*

*Amos, you are harping so much on the fact that we should not have interracial marriages. But what about Boaz and Ruth? You have left out their case.*" Then I ask you, What about Boaz and Ruth? Then let us now handle the case of Boaz and Ruth, as laid out in the Book of Ruth, for as eagles of God, we must know how to look at something. Yes, Ruth was a Moabitess, first married to Mahlon, one of the two sons of Elimelech and Naomi, and when Mahlon died in the land of Moab, she came with Naomi to settle in the land of Israel, and married Boaz. But the point is: How do we look at it? How do we take this particular interracial marriage? Saints, it is important to understand that she came to Israel under the unction or the leadership of God, for she came in by spiritual admission, which was why she declared firmly and categorically to Naomi in Chapter 1, as it is written in verses 16-18: "***And Ruth said, Intreat me not to leave thee, or to return from following after thee: for whither thou goest, I will go; and where thou lodgest, I will lodge***"; (Listen to her firm and

unshakable resolve): "***THY PEOPLE SHALL BE MY PEOPLE, and THY GOD MY GOD: Where thou diest, will I die, and there will I be buried: the Lord do so to me, and more also, if ought but death part thee and me. When she saw that she was stedfastly minded to go with her, then she left speaking unto her.***" This was someone whom God had dealt with deep down in her heart, someone who had seen something in the race of Naomi, and in her heart, she had thrown away all the gods of her fathers, the gods of the Moabites, and wholeheartedly accepted Jehovah, the God of Israel, together with His people, the children of Israel. No doubt she had heard a lot concerning Elohim and His relationship with the nation of Israel from her dead husband, Mahlon, and his family, and had resolved to serve only the God of Israel, and be identified completely with the children of Israel in everything, becoming one of them. Therefore, she came into the nation of Israel by spiritual adoption. That is the first issue or point! Ruth was spiritually

adopted into the nation of Israel, and God was in it, for God initiated it, for it was the Lord's engineering. We will see precisely what purpose this adoption served, for it has a divine objective. Secondly, you must also understand that that was an exception, and as such, you cannot go by that exception. As a matter of fact, we cannot go by exceptions, any exception, for only God can make exceptions to His Word, for His divine purpose. I repeat: You cannot go by an exception, but by God's Word which binds God's entire people! Consequently, you cannot use an exception to nullify God's general law, for the general law of God is what binds everyone! And although God's law applies generally, yet, God is sovereign if He makes an exception, for He is the Creator, and also the Author of Salvation! Therefore, we cannot go by exceptions, but by God's general rule, for we are not God! For instance, we all know that a man in the ministry is not supposed to marry a harlot, for the sake of his image in the ministry, and because of the examples he should show to the body of saints

he has been set over. But in the Book of Hosea Chapter 1, the Lord asked Prophet Hosea to take a prostitute, a proper harlot, for a wife, as written in verses 1-3: ***“The word of the Lord that came unto Hosea, the son of Beer, in the days of Uzziah, Jotham, Ahaz, and Hezekiah, kings of Judah, and in the days of Jeroboam the son of Joash, king of Israel. The beginning of the word of the Lord by Hosea. And the Lord said to Hosea, Go, take unto thee a wife of whoredoms and children of whoredoms”***, (and the Lord revealed why Hosea was to do this, declaring): ***“FOR THE LAND HATH COMMITTED GREAT WHOREDOM, departing from the Lord. So he went and took Gomer the daughter of Diblaim; which conceived, and bare him a son.”*** The marriage of Hosea to Gomer, was therefore going to act as an allegory or a type, and God used it as a real life drama, not only to typify the spiritual reality which the nation of Israel faced in that day, in their relationship with God, but also to speak to the nation of Israel. Brothers and sisters, that was God

using an extreme means to speak to the children of Israel who were in an extreme state of idolatry in that day, and God has the sovereign right to use any means necessary to speak to His people, in order to restore them back to the way of life. But no man in the ministry can say that because Hosea married a harlot, he too can do likewise; for if he does, his ministry will certainly collapse! It must! Therefore, we must realise that the case of Hosea was an exception, when it comes to the type of woman that a man in the ministry can marry. As such, we are bound by the general law God has provided in His Word, concerning the marriage of men in the ministry, and not by that of Hosea, for that is an exception which no man can hold as a basis for marrying a harlot! It ever remains God's exception, not ours! We must therefore know how to look at truth! Furthermore, Moses, on his way to the Promised Land, married an Ethiopian woman, just as Christ is taking on a Gentile bride, for it set a perfect type. So also, Joseph, a son of prosperity, and a type of our Joseph, (Jesus

Christ the Son of Prosperity, the Son of David in the Millennium), having been rejected by his fellow brethren, was sold into slavery and jailed in Egypt, and eventually, at his exaltation, he took on a Gentile wife, Asenath, just as Christ did, for he set a perfect type of Jesus Christ in his marital state. Furthermore, the two sons of the marriage he had with his Hamitic wife, produced Ephraim and Manasseh, two sons who were adopted as part of the twelve tribes, for they were joined to the Shemitic race, just as Ham was also joined to the name of Abram, making him Abra-HAM, and just as Ham will once more come to Shem at this end time, at the hour of the Jewish Connection, giving us the prophetic reality of Abra-HAM, the father of many nations, which is the universal nation of the bride, one universal nation! All these are divine typologies God set under the Old Testament, for our God is a God of types and shadows, and we must understand the ways of God, and furthermore, He is at complete liberty to set whatever type He deems necessary! As children of light, we have to look at the

general law of God in marital matters, and follow God's general rule, and not exceptions. Period! As I stated earlier, Ruth was adopted by God into the nation of Israel by her mixed marriage to Boaz, in order to typify something very fundamental, for the Lord was going to use Ruth's marriage to Boaz, to set a perfect type of a spiritual reality we will face under the New Testament, and it is very crucial that we understand this truth! In 1960, William Branham preached a beautiful message titled, *THE KINSMAN REDEEMER*, opening up and laying out the deep and serious typological significance, and the application of the marriage Boaz had with Ruth. Boaz had to stand as "*Kinsman*" REDEEMER for Ruth, as recorded in Chapter 4, perfectly typing the similar role Jesus played in the life of the Gentile elect bride, being our Kinsman redeemer, for he is also taking to himself a Gentile bride, and not a Jewish bride. Yes! In the Book of Ruth Chapter 4, beginning from verse 1, the Bible records: "*Then went Boaz up to the gate, and sat him down there: and, behold, the KINSMAN of*

*whom Boaz spake came by; unto whom he said, Ho, such a one! turn aside, sit down here. And he turned aside, and sat down. And he took ten men of the elders of the city, and said, Sit ye down here. And they sat down. And he said unto the KINSMAN, Naomi, that is come again out of the country of Moab, selleth a parcel of land, which was our brother Elimelech's: And I thought to advertise thee, saying, Buy it before the inhabitants, and before the elders of my people. If thou wilt redeem it, redeem it: but if thou wilt not redeem it, then tell me, that I may know: for there is none to redeem it beside thee; and I AM AFTER THEE." (This makes Boaz also a near KINSMAN.) "*And he said, I will redeem it. Then said Boaz, What day thou buyest the field of the hand of Naomi, thou must buy it also of Ruth the Moabitess, the wife of the dead, to raise up the name of the dead upon his inheritance. And the KINSMAN said, I cannot redeem it for myself, lest I m a r m i n e o w n inheritance: redeem thou my right to thyself; for I**

**cannot redeem it. Now this was the manner in former time in Israel concerning redeeming and concerning changing, for to confirm all things; a man plucked off his shoe, and gave it to his neighbour: and this was a testimony in Israel. Therefore the KINSMAN said unto Boaz, Buy it for thee. So he drew off his shoe. And Boaz said unto the elders, and unto all the people, Ye are witnesses this day, that I have bought all that was Elimelech's, and all that was Chilion's and Mahlon's, of the hand of Naomi. Moreover Ruth the Moabitess, the wife of Mahlon, have I purchased to be my wife, to raise up the name of the dead upon his inheritance, that the name of the dead be not cut off from among his brethren, and from the gate of his place: ye are witnesses this day. And all the people that were in the gate, and the elders, said, We are witnesses. The Lord make the woman that is come into thine house like Rachel and like Leah, which two did build the house of Israel: and do thou worthily in Ephratah, and**

**be famous in Bethlehem: And let thy house be like the house of Pharez, whom Tamar bare unto Judah, of the seed which the Lord shall give thee of this young woman. SO BOAZ TOOK RUTH", (BY AN ACT OF REDEMPTION AS NEAR KINSMAN), "AND SHE WAS HIS WIFE: and when he went in unto her, the Lord gave her conception, and she bare a son. And the women said unto Naomi, Blessed be the Lord, which hath not left thee this day without a kinsman, that his name may be famous in Israel. And he shall be unto thee a restorer of thy life, and a nourisher of thine old age: for thy daughter in law, which loveth thee, which is better to thee than seven sons, hath born him. And Naomi took the child, and laid it in her bosom, and became nurse unto it. And the women her neighbours gave it a name, saying, There is a son born to Naomi; and they called his name Obed: he is the father of Jesse, the father of David", (out of which lineage the Messiah later came). Saints, just as Boaz went through the process**

of redeeming Ruth, a Moabite, being a "**near kinsman**", so also did Jesus Christ go through the process of redeeming the Gentile bride, being also our near kinsman, just as the Book of Hebrews Chapter 2, verses 14-17 records: "**Forasmuch then as the children are partakers of flesh and blood, he also himself likewise took part of the same; that through death he might destroy him that had the power of death, that is, the devil; And deliver them who were all their lifetime subject to bondage. For verily he took not on him the nature of angels; but he took on him the seed of Abraham. Wherefore in all things it behoved him to be made like unto his brethren, that he might be a merciful and faithful high priest in things pertaining to God, to make reconciliation for the sins of the people.**" Jesus Christ is our Kinsman redeemer, for he paid the price for the redemption of the entire Gentile world, when he died on the cross of Calvary. Hence it is written in the Book of Revelation Chapter 5, verses 1-10:

***“And I saw in the right hand of him that sat on the throne a book written within and on the backside, sealed with seven seals”,*** (which is the book or the scroll of redemption). ***“And I saw a strong angel proclaiming with a loud voice, Who is worthy to open the book”*** (of redemption), ***“and to loose the seals thereof? And no man in heaven, nor in earth, neither under the earth, was able to open the book”*** (of redemption), ***“neither to look thereon. And I wept much, because no man was found worthy to open and to read the book, neither to look thereon. And one of the elders saith unto me, Weep not: behold, the Lion of the tribe of Juda, the Root of David, hath prevailed to open the book”*** (of redemption), ***“and to loose the seven seals thereof. And I beheld, and, lo, in the midst of the throne and of the four beasts, and in the midst of the elders, stood a Lamb”,*** (which is Jesus Christ), ***“as it had been slain, having seven horns and seven eyes, which are the seven Spirits of God sent forth into all the earth. And he***

***came and took the book out of the right hand of him that sat upon the throne. And when he had taken the book”*** (of redemption), ***“the four beasts and four and twenty elders fell down before the Lamb, having every one of them harps, and golden vials full of odours, which are the prayers of saints. And they sung a new song, saying, Thou art worthy to take the book”*** (of redemption), ***“and to open the seals thereof”: FOR THOU WAST SLAIN, AND HAST REDEEMED US TO GOD BY THY BLOOD out of EVERY kindred, AND tongue, AND people, AND nation; And hast made us unto our God kings and priests: and we shall reign on the earth”*** (in the Millennium). Right here in this prophetic setting, we see God's distinct and diverse HUMAN ***“FLOWER GARDEN”***, rejoicing for the price of redemption which Jesus Christ, our Kinsman redeemer, our Boaz, paid on our behalf! Therefore, it is important that we realise that the interracial marriage between Boaz and Ruth was an exception, for God inspired it in order to establish in the days of

shadows, a perfect type of what He will also accomplish through Jesus Christ in the dispensation of grace, who would also take on a Gentile bride, a universal body of people. And as Boaz was a type of Christ, so also was Ruth a type of the Gentile bride. Are you listening to me? That was setting a type, a perfect type. Therefore, Ruth came into the commonwealth of Israel the way she did, all under the inspiration of God, just as the Gentiles have now been admitted through Christ into the commonwealth of Israel, as expressed succinctly or clearly in the Book of Ephesians Chapter 2, verses 11-19: ***“Wherefore remember, that ye being in time past Gentiles in the flesh, who are called Uncircumcision by that which is called the Circumcision in the flesh made by hands; That at that time ye were without Christ, being aliens from the COMMONWEALTH OF ISRAEL, and strangers from the covenants of promise, having no hope, and without God in the world: BUT NOW IN CHRIST JESUS YE WHO SOMETIMES WERE FAR***

**OFF ARE MADE NIGH BY THE BLOOD OF CHRIST. For he is our peace, who hath made both** (Jews and Gentiles) **“ONE, and hath broken down the middle wall of partition between us; Having abolished in his flesh the enmity, even the law of c o m m a n d m e n t s contained in ordinances; for to make in himself of twain one new man, so making peace; And that he might reconcile both unto God in one body by the cross, having slain the enmity thereby: And came and preached peace to you which were afar off, and to them that were nigh. For through him we both have access by one Spirit unto the Father. Now therefore ye are no more strangers and foreigners, but fellowcitizens with the saints, and of the household of God.”** And because Christ is our bridge, is precisely the reason Boaz was used to typify Jesus our Kinsman redeemer, for Boaz was the man who redeemed a Gentile lady, Ruth, thereby making her part of the commonwealth of the nation of Israel. A further proof that this union was inspired by God, is the fact

that the genealogy of Jesus Christ is traced through this holy union! Boaz gave birth to Obed, and Obed gave birth to Jesse, and Jesse gave birth to David, the lineage through whom the Messiah came, as it is written in the Gospel of Saint Luke Chapter 4, verses 23, 31, and 32: **“And Jesus himself began to be about thirty years of age, being (as was supposed) the son of Joseph, which was the son of Heli,” “... Which was the son of Melea, which was the son of Menan, which was the son of Mattatha, which was the son of Nathan, which was the son of DAVID, Which was the son of JESSE, which was the son of OBED, which was the son of BOOZ”**, (the Greek word for Boaz), **“which was the son of Salmon, which was the son of Naasson”**, tracing it all the way back to **“Adam, which was the Son of God”**, as recorded in verse 38. Brothers and sisters, we must therefore understand, that the marriage between Boaz and Ruth was designed by God, for it sets a type, a perfect type, for it was God foreshadowing something, for God was in it; God was

the one responsible for setting up this exception. Consequently, I must warn you that you cannot use Ruth's case to justify interracial marriages, this case being an exception. And we must know that God has the right to make an exception to His Word, being sovereign. But as I stated earlier, we do not go by exceptions, but by the law God has laid out to guide us in our marital choice. And regarding this matter, there are two main principles or laws that rule our choice of spouse: That which is stated in 2 Corinthians Chapter 6, verses 14-15, against UNEQUAL YOKING, and that which is also stated in Genesis Chapter 1, verses 28, 11, and 12, which is the L A W O F T H E R E P R O D U C T I O N O F S E E D S, which decrees that every seed must bring forth after his own kind. These two rules of faith remain inviolate. And as we are now at the end, the brethren who are single must be very careful to give heed to these principles in their choices of a spouse, for the devil can mess up your life if you do not let God guide you in this serious endeavor. And as I warned throughout the

Convention, although this issue does not take away your salvation, nevertheless, it is an issue that still bears upon God's plan of universal salvation, and the redemption of the elect seeds of God out of every nation, every race and colour, around this globe, the redemption of God's human flower garden, and you must also see that. Therefore, we do not believe in mixed marriages, not even if the couples are both believers, for we can clearly see God's objective for creation, God's human creation. This, however, will now lead me to touch on another material case, which is that of Timothy, for it vindicates what I have been laying out earlier, that we cannot take any truth into extremes. Come with me to the Word of God.

In Acts Chapter 16, where Apostle Luke sets forth the city where Saint Paul first met Timothy, it is written from verse 1: ***“Then came he”*** (Paul) ***“to Derbe and Lystra: and, behold, a certain disciple was there, named TIMOTHEUS, the son of a certain woman, which was a JEWESS, and believed; but his father***

***was a GREEK: Which was well reported of by the brethren that were at Lystra and Iconium. Him would Paul have to go forth with him; and took and circumcised him because of the Jews which were in those quarters: for THEY KNEW ALL THAT HIS FATHER WAS A GREEK.”*** Brothers and sisters, Timothy was a mixed race product, for his mother was a Jew, but his father was a Greek. Yet, Timothy was an apostle, raised up under Saint Paul. We see here that his being a mixed race did not take away his salvation, and neither did it stop his elective position within the body of ministry, because mixed marriages do not take away people's salvation! How many see my point? We cannot go into extremes on truth. However, as I also stated earlier, NOW that you believe, AND you can also see God's objective for creation, God's objective for His human flower garden, neither can you go by the mixed marriage of Timothy's parents to make your choice, for that would be willful unbelief. You can take it from me that as a child of God, you will pay a price if you do; for it can

cause you serious pain and misery, and time is too short for that! Moreover, it can also take you out of this way of life completely, for that possibility is also there. Therefore be wise. Furthermore, Timothy was not responsible for the marital choice of his parents, and it shows that God can save a person that is a product of mixed marriages; but we cannot use that case to justify mixed marriages, if you see my point, for we must go by God's perfect will. Saints, as I said during the Convention, this subject is not one that has been tackled in this way before. Brother Branham and Brother Jackson only made firm statements of truth concerning it, based upon the Scriptures. They did not take it as a message in itself, in order to lay out the truth for God's children. Even Saint Paul did not tackle it in his writings; and neither did Saint Peter tackle it, for although there were people with mixed marriages around the globe even then, however, it was not something that was prevalent as we now have it, and it is this prevailing development which is now forcing us to consider it in its true light,

strictly on the basis of the Scriptures. God has helped us to handle the bull by the horns, and put things in their proper scriptural perspective for those who have an ear to hear, and we pray that it helps God's children around the globe to know exactly how to look at this issue, strictly from a Bible perspective, knowing the will of God for the races and nations of people on the earth. Yes, I also know, brothers and sisters, that no matter how much plain truth is made, there are people who just cannot be positively affected by the truth, for they are set in their ways, and you are not going to change them any time soon. However, the fact remains that those who are sincerely seeking for the truth, will also know precisely where the truth lays in this matter. That is what is important, for we are not seeking to convert the world, but to help God's people see the light, particularly on deep and complex issues such as this. Saints, in order to give comfort to God's people around the globe, I must emphasize a crucial point, and for this I ask: If Timothy himself was a product of an interracial marriage between a Jewish woman

and a Greek man, are you going to condemn somebody else, and say that person cannot be saved? Of course you cannot! Timothy was even an apostle! And that is why I said that the issue we are dealing with does not take away anybody's salvation, if they will only believe. That is all God requires for salvation: It is to look and live! If only people can look by the eye of faith, they will be saved, regardless of who they are in the flesh: Because all of us were born in sin, and shaped in iniquity, and we all came to the world speaking lies! That is a fact! So we must know how to look at things, and look at it in the right perspective, for salvation is open to one and all. Hence the message of salvation is that you come as you are, and God will save you. Only believe! Period! However, we are not going to say that because God saved us from sin, we are going to justify sin, if you see my point, for I say that relation to mixed marriages.

Brothers and sisters, let everyone of us know undoubtedly, that God does not want us as believers to enter into interracial

marriages. But as I also stated, there is no truth we can take into extremes, because God makes exceptions in certain cases to serve His own purpose, for he is God, and we must let Him be God. However, as the elect bride of Jesus Christ, we know what is right, for we see the light; we know His mind; we know His perfect will, and we will follow His perfect light. Period! That is our sincere resolve, the Lord being our helper. We simply want to walk humbly and fervently and faithfully before the living God, for He is our life, our everything! Church, the truth remains that interracial marriages is what is killing the world today, making them what they are, being hybrid products. That is why you have a great population of people today, who are nothing but just carnal earthly minded people. Somebody may ask though: *“Brother Amos, you are harping on about mixed marriage: But what about your wife? You did not marry a Nigerian. You married a foreigner?”* I will now come to myself. The point is this: My wife is black, just like any of you Africans. And if you were

not told that she is from abroad, when she is walking on the streets of Lagos, there is nothing about her that will make the people wonder: *"Where did she come from?"* She blends in, because she does not have a foreign complexion or physical feature, and neither is her hair-type any different. That is the truth! The fact of the matter is that her Caribbean parental lineage is African. She is black, Afro-Caribbean, for her forefathers came from Africa. So who knows whether my wife even came from Nigeria? Who knows whether her forefathers were taken away from the slave port in Badagry, Lagos, which is why the Lord has grafted her into the bride of Nigeria? I do not know! But this I will tell you, and that is that my marriage to her was by the leadership of God; because God showed her to me in a dream or vision, and He also led me to her in a very wonderful way, which is a wonderful testimony in itself. When I look at her very closely, I have to believe that she came from my Hamitic West African sub-racial stock, for we are alike, genetically speaking. We

all know that the blacks in the West Indies came from Africa, for the majority of the slaves came from West Africa: From Senegal, to Guinea, to Sierra Leone, to Liberia, to Cote-D'Ivoire, down to Ghana, Togo, Benin, and Nigeria, even though some were also taken from other areas like Angola, Mozambique, and Madagascar, amongst other nations. But the majority of slaves came from the West African sub-region. So brothers and sisters, we are still from the same racial block. We form a sub-race within the black race: The West African sub-race. Are you with me? There is not much difference in our physical outlook. That is why Jason and Mark, our two sons, do not look any different to the Nigerian folks everywhere. My wife and I are racially and genetically the same. It is just like the case of a Nigerian brother or sister wanting to marry an African-American, or vice-versa. Or let me put it this way: Can a brother or a sister from Nigeria marry an African-American? Or can an African-American marry a Nigerian? Sure! Because I will ask you this: Who are the African-Americans? They are the

offspring and the descendants of the Africans who were forcibly taken away as slaves, to the various plantations over there in America, people who were majorly from West Africa! Consequently, we are of the same genetic chip; we are of the same racial stock, West Africans. So, there is nothing that forbids an African-American from marrying a West African, or a West African from marrying an African-American. However, you will have a problem, and I will tell you what the problem is. The problem is not about racial acceptability, or racial compatibility; the problem is that you are going to have social problems, big time, one that can destroy your marriage, if you do not have the means to cope with it. I am saying in effect that it is not enough that you are racially compatible, for there is another serious issue you will have to consider, and that is a social issue. What do I mean by social issue? It is simply this. In the United States, they can easily run to the Mall, and buy a dress cheaply. Ice cream is also readily available for mere cents, and they have ice

cubes galore, anywhere and everywhere they go; ice cubes are readily available everywhere, even in petrol stations. But in Nigeria, as is the case in the whole of Africa and Asian countries, ice cubes are not readily available. Yet, it is hot over here, very hot; and unfortunately, we do not have constant electricity, and that is a general picture across many African nations. This simply means that you need to have money in order to buy and sustain a big electric generator to turn on air conditioners to cool the house from morning till evening. Diesel is very expensive in this country, and that is precisely what the big generators that can carry such air conditioners require, for they run on diesel, and they guzzle diesel! It is like burning literal cash, and as such, you will need a lot of money to make your foreign spouse, and their visiting family, comfortable! And that is the truth! As such, if you do not have the financial means or capacity, you are going to have social problems. Because what she can have over there in the United States, readily,

easily and cheaply, by the time you spend all your money, you will still not be able to afford the basic things that she needs, and that she can afford over there so easily and cheaply, and as a result, life will be very difficult for her, which will bring tremendous pressure on your marriage! I will therefore warn you, that if you cannot take care of a foreign lady economically, do not even think about it, for it is not like a West African believer marrying another West African believer, who is used to the harsh conditions of life in Africa, for we all live in similar conditions. It is good to fancy a brother or a sister, but your relationship will also face daily pressures, pressures that will not let off, for they are sustained, because the social conditions in Africa is not changing anytime soon! Your love will only go so far, and the pressures of life will set in. Exactly! And the pressure is serious! Because over there, she does not need to think about electricity or running water. Over here, it is a big deal, for our power supply is most erratic, and is hardly there! Life will be extremely frustrating for

her! That is the truth! The things that they take for granted in the West, takes a lot of money to provide over here. It is having lots of money here in Africa, to provide things that are basic over there in the West, and you will kill yourself trying to provide it. If you are a young man, you will develop grey hair overnight, when the pressure sets in, and starts barraging your marriage, because she can only take so much pressure and hardship; she can only take so much of the frustrating conditions before she packs her bags to go back home! I am not exaggerating the situation. I am telling you the stark reality of the social problem you will face, for at the end of the day, the choice is yours! But do not tell me that you will take an African-American sister that comes from a society where the lawns are well mowed, well-watered, and everything in the neighborhood looks pristine and nice, then you want to bring her to a one room apartment somewhere in Shomolu, where she will be fanning herself all through the night on account of the heat! Your marriage will only last

two days, and she will tell you: *"I love you, but I cannot live here... I cannot take this."* That is the truth! And what are you going to give her to eat: Eba and draw soup? I think not! *"But Brother Amos, I think that when she marries me, she will learn to cook and eat my food."* You stay there! When Africans travel to the West, even if it is for one week, they do not even want to eat the food of the people over there. Just one week abroad, and they are already looking for where they can get rice or gari, because they want their *"swallow"*! If we are used to our food at our age, then why do you expect someone else to adapt to our food at their own age! It is a lie, for it does not work like that! You are fooling yourself! We are looking at two worlds that are quite apart: Where they come from; where they were born; where they grew up; what they are used to; the lifestyle that they have, cannot be given to them unless you have money! Period! So, please hear me loud and clear. I am not saying that your marriage cannot work, but God will have to provide you with the financial means, for you must have the financial

capacity, or your marriage will crack and crash! You have to have the financial means, or it will not work! That is a fact, for everybody is not Sister Joyce whom God specially built up, as my wife, to face this hard life, as my wife, and I am proud to say that! And I say it to the glory of God! I brought her to Shomolu, where Brother Victor used to live. A heat conditioner was what I had in way of accommodation in those days, living in an apartment (flat) that had a concrete roof! Brothers and sisters, the heat of the day, particularly in the afternoon, was bad enough. Still, at about 8 o'clock in the evening, the sweating continued, for the natural heat was turned on from the concrete roof, which absorbed heat in the day, and released it into the flat in the evening! It was extremely hot until around 2 am in the dead of night! In those horrible days, I would look at her, and she would be sweating like a Christmas Turkey baking inside an oven! I would say to myself: *"Oh, is this the life I promised this lady?"* I would get up, and many times, I would take her all the way to Ebute-Metta at about 9-10pm, just for a

refreshing cold drink; just for a bottle of Coca-Cola or Fanta; because there was nowhere around us with electricity in those days, and nowhere with cold drinks either, and neither were there ice cubes anywhere. We would drive all the way down to Ebute-Metta, where there was one Ibo guy who had a small provision shop with a small generator, and he always had cold drinks. Sometimes when the heat was too much, we just entered the car and drove in the night along Third Mainland Bridge, just to get some breeze, before coming back to face that *"Heat Conditioner"*. Those were the days! And in those days, I would just be praying: *"Lord have mercy on my soul, and help me. I am going to kill this woman if life continues like this. Is this the life I promised her? Lord help me."* That is the truth! It is just the grace of God that made the difference. I had no washing machine or drier. Right under the scorching sun she would be washing clothes by hand, sweating like no man's business, until the hairdresser beside us here, the same hairdresser who is still over there now, would shake her

head and say to me: *"Wow, this woman is a different woman. Even our own Nigerian people, people who were born and bred here, but who went abroad, cannot do this when they visit. They find it very difficult to live here again."* And she can wash and iron all of you put together, if you were clothes! Even my laundryman bows! If you think it is a lie, when you come to my house, I will call my laundryman, and let him give you his own testimony. That is the truth! Mr. Chima; some of you old soldiers remember the guy, Chima, a nice guy who sold electrical parts in those days, on the ground floor of our building, would often say to me: *"This your wife is a different caliber of person. She is something else."* Those were neighbours all around us saying that! Brothers and sisters, God built her for this ministry. If it was not for this ministry, if it were not for God, even this marriage would not work, for I am not a rich man! It is not that people do not face hardships all over the globe: It is that when you are from the West, where they have everything, life here in Africa is a very different kettle of fish; and it

will put tremendous pressure on your marriage. That is the point! If it was not for God's grace, even this marriage would not have worked, because I do not have money. So with this marriage, it is God in it, for God had to prepare my wife and build her, in order to be able to withstand the most challenging and frustrating environment she would face! The Lord even spoke of the burden and the stress she endured, in a prophecy at Faith Assembly, in the days of Brother Jackson, and a similar prophecy was also given to her in Norway. It is God's doing, and I give Him all the praise. But I speak to you as one who knows exactly what he is talking about, for I am in that very shoe.

Therefore, I will say to those of you having lofty marital ideas: It is good to want to marry a foreigner from the Western world; but you had better have money, or it better be God! God better be in it, or it will not last, except you yourself want to relocate to the United States of America. That is why Brother Jackson used to tell people that they would have social problems marrying a

foreigner. There was one time a white American sister wanted to marry a Mexican, and Brother Jackson was asked if it was okay. Brother Jackson said: *"Well, I cannot tell them not to marry; however, she is going to have social problems, because she is already used to having washing machines and driers over here."* And then they began to say that Brother Jackson was a racist. But of a truth, where she was coming from, she was already used to using a washing machine to wash clothes; but now, she would have to wash by hand, and in the sun, when she is even used to washing dirty kitchen plates in a machine! She simply stacks all the dirty plates in the machine, presses a button, and the dishwasher does the job for her, which she now has to do all by hand after every meal! Think about it! It will not work, and that is the truth! I am only letting you see the real situation of things, because it is one thing seeing the American sisters, or the American sisters seeing the Nigerian brothers during our Conventions, and having lofty ideas, thinking: *"Oh, they are on fire... I want to*

*come and live in Nigeria.”* Come! Because the Convention does not convey the reality of everyday life! So come and live in Nigeria! I am showing you the facts of life! That is why I said that not everybody is going to be like Sister Joyce. Forget it! It is the hand of God that sustained my marriage, for it is a different kettle of fish, as I do not have money. When I married her, I could not even afford a ring. I was crying, because I could not afford to buy a ring. I was in tears, and I said, *“Darling, not even a ring could I buy for my own marriage. I could not even afford to give you a ring.”* We just bought a play ring that is not worth more than 2 dollars. She said to me: *“Darling, I did not marry you for money. If I wanted money, I would not have come this way. I just love you, and I love what you stand for. So that is why I am here.”* And when we went to the Registry to get married, we did not have a reception for guests thereafter, for I was as poor as a church mouse. I had nothing! It was literally: **“To your tents, O Israel!”** Because I had not the money! Together in those days, we would enter the

commercial buses called *“Molue”*, and she could see the tarmac from inside the *“Molue”*, because the floor of the bus was cracked! That is the truth! And sometimes when we needed to buy things at Tejuosho Market, we would enter the commercial *“danfo”* bus together, because I did not have a car. And you know in Nigeria, they hop in; so, I made sure that she entered in first, and then I would sit beside her, so that incoming passengers could bash me as they hopped in, rather than her. I tell you the truth! And when we married, and we had Jason, brothers and sisters, I would carry Jason on my chest, and we would enter the *“danfo”* bus together, either to the market, or to visit my parents in Ebute-Metta. Not everybody can take that from you. May God bless my wife. She stood with me when I had nothing! That is why whatever I have is hers! And if you are jealous of that, I do not care for that! Brothers and sisters, the road has been rough for both of us. I remember many times, I had not a dime, even to sustain them over there in the United Kingdom. A number of

times, my wife had been taken to court to be thrown out of their accommodation, because of the constant rent arrears, due to my having nothing! The last time she was given a summons, she was told that the next time, she would be thrown out of the accommodation. But the mercy of God made the difference! It has been a rough road, a rough journey, but God has been good to us. Consequently, if anybody can counsel you on this matter, I certainly can! So when I tell you about social problems, I know exactly what I am talking about. If you want to go down this road, you had better have the financial means. There are some brothers in our midst that I will not worry about, if they choose to go down this road, for they will be able to take care of any foreign wife, for they are financially able. Otherwise, God better be in it. Period! Because Nigeria is not an easy place to live in. The conditions are frustrating, very frustrating! That is a fact, for nothing works in this country! It defies all logic; it all defies reasoning! And if we who are Nigerians have problems and are struggling, and are

finding things very frustrating, because of the lack of constant light, good roads, pipe borne water, etc., how much more a foreigner from the West. You have to have money to enjoy Nigeria. We ourselves are groaning in it, for it can be a very frustrating country; because nothing works in this country. Nigeria is a different kettle of fish. No wonder God looked: *“Which country in the tabernacle of Ham can I go to for my last Gentile move? Which country defies logic, and has such a bad image, that the religious world will never think I can work from there? Let me go to Nigeria.”* And God came to Nigeria for His third and final move for the end time bride, a country that defies logic! That is why, brothers and sisters, you cannot tell people that God is working for the bride of Christ from Nigeria. I am not saying that to belittle my country, for in spite of our sad economic and social state, I am proud to be a Nigerian, and there is no better place for me than Nigeria, where there is total liberty to worship God in the light of the Word, without Government censorship! And God is here! Yes!

Moreover, the best place for anyone is where God wants you to be. Brethren, I say all that for a fact, for I am painting a serious social and economic picture for you. It is one thing to be in love: That is good. It is good to be in love, but it is not enough. You will have social problems marrying a Westerner, even if you move over there to the West, because there are certain things that they do over there in the United States, certain things that males are expected to do, like mowing the grass and keeping the hedges, and such stuff, which we know nothing of here. So you will be clashing on different levels, because you are coming from an entirely different culture. So her expectation will be different from your expectation, on a cultural level, and as such, you will have clashes. I am not saying that a West African brother or sister cannot marry an African-American, and neither am I saying that an African-American cannot marry a West African. Are you with me? But you must be financially equipped for it, or have the SKILL or QUALIFICATION that can make the difference, that is,

one that will enable you to get a good job that can pay the bills. I have taken much time to lay out these things, because we have single marriageable brethren in different countries who are seeking to marry, and they are looking to marry foreigners, having no choice; for there are no believing brethren in their countries. We want to help all God's people to know how to look at things in the right way, so that the devil does not ensnare them. For as long as the genetic stock is compatible, I have nothing against such marriage proposals, except that you must also consider where both of you will live, and the requirements of your marriage. Period! I want to move on and bring this message to a close. I just have one or two more things to brush upon, and I am done.

Brothers and sisters, coming back to the main thrust of our message, **GOD AND RACES**, we are saying that interracial marriages do not take away anyone's salvation; but that does not mean that it is the perfect will of God, for it is not! And as children of light, we do not want to go outside the perfect will of

God, particularly at this late hour, for the time is far spent. We certainly do not want to help the devil accomplish his evil objective of mixing up all seeds, for God puts a racial distinction in all races, in terms of creation, human creation, only because he wants different and distinct varieties of people in His human flower garden. And it is very important that we understand these things, as children of light. For why would you help Satan to accomplish his agenda of fouling up the races, when you know that God has a divine objective for natural creation, and a glorious objective for the races? Just consider this. When you look at the earth in the Millennium, which is somewhere here; (Brother Amos points to the chart), right here in this white section, a beautiful picture emerges of the various nations and races of people. The map of the world that is beside it, merely represents the earth in eternity, and I have blown it up to cover the earth, because in the eternal age, there will be no more seas. But right here in this white area is where you have the Millennium, because it is still in a time

frame, even though it is a thousand years. And what a small time it is, compared to eternity, which is ageless and timeless, when we are no longer in a time frame. Saints, after the Day of the Lord is executed, and just before the Millennium starts, God is going to glean from ALL nations, from the small mortal realm of remaining humanity, mortal subjects who will make up the third and lowest category of His human family. He is gleaning an elect people who will constitute the sheep nations, from the various nationalities He has predetermined to establish on this earth, and that He has established on this earth, using Noah and his three sons and their wives to produce. They will be given the Commission which Adam and Eve received, and which Noah and his three sons also received, which is to repopulate the various races and nations of people of the earth. So here in the Millennium, the races are back. Come on! Matthew Chapter 25, verse 31-34 states: ***“When the Son of man shall come in his glory, and all the holy***

***angels with him, then shall he sit upon the throne of his glory”*** (in the Millennium): ***“And before him shall be gathered ALL NATIONS: and he shall separate them one from another, as a shepherd divideth his sheep from the goats: And he shall set the sheep on his right hand, but the goats on the left. Then shall the King say unto them on his right hand”,*** (who are the sheep people from the various nations), ***“Come, ye blessed of my Father, inherit the kingdom”,*** (the Millennial Kingdom), ***“prepared for you from the foundation of the world.”*** Here you have an elect remnant people from each nation, sieved by the Lord before passing into the Millennium as mortal subjects, over whom Christ and his bride will reign, and who will also be used to repopulate their race and nationalities in the Millennium. Think about it! That is precisely why it is also written in prophecy, as recorded in the Book of Zechariah Chapter 14, starting from verse 9: ***“And the Lord shall be king over ALL the earth: in that day shall there be one Lord, and his name one.”***

That is in the Millennium! Continuing with the spiritual reality of the different races and nations of people that we will have in the Millennium, verses 16-19 now records: ***“And it shall come to pass, that every one that is left of ALL the nations which came against Jerusalem shall even go up from year to year to worship the King, the Lord of hosts, and to keep the feast of tabernacles.”*** (Now listen to this): ***“And it shall be, that whoso will not come up OF ALL THE FAMILIES OF THE EARTH unto Jerusalem to worship the King, the Lord of hosts, even upon them shall be no rain. And if the family of Egypt go not up, and come not, that have no rain; there shall be the plague, wherewith the Lord will smite the heathen that come not up to keep the feast of tabernacles. This shall be the punishment of Egypt”***, (for an example), ***“and the punishment of ALL NATIONS that come not up to keep the feast of tabernacles.”*** All nations and races of people on this planet will be required to send their national delegates to Jerusalem,

once every year, to worship and pay homage to the King of kings, and Lord of lords, for redeeming us out of every nation and race on the face of this earth! Come on! In the Book of Leviticus Chapter 23, verses 33-43, the prophetic reality of the various nations coming to Jerusalem to worship, which we see here in the Book of Zechariah, was typified by the children of Israel dwelling in booths, during the Feast of Tabernacles, representing the various national delegates! Brothers and sisters, this should let you see that one truth stands inviolate: ***IN THE MILLENNIUM, THE DIFFERENT RACES AND NATIONS OF MEN ARE BACK!*** And in the Millennium, not only will the nation of Israel be restored back as a sovereign nation, all of her twelve tribes will also be restored back to her, on the full authority of the Book of Revelation Chapter 12, verse 1, just as it is written: ***“And there appeared a great wonder in heaven; a WOMAN clothed with the SUN, and the MOON under her feet, and upon her head a crown of TWELVE STARS.”*** This is the nation of Israel in her Millennial

glory, clothed with the sun, which is the glory of God, making her the pride of all nations in that day, having passed through the law season, which is represented by the moon, and with a crown of twelve stars on her head, representing the twelve tribes. So, right there in the Millennium, she is fully restored back, as in the times of old, along with ALL other nations. Church, in the Millennium, the various nationalities are back! As I stated earlier, these nationalities is what gives us the sheep nations, which is nothing other than the third class of God's human family, people who will be used to repopulate God's “flower garden” in the Millennium, over whom Christ and his bride will reign. These mortal elements of people from the various nations of the earth, whom Christ referred to as ***“sheep nations”***, are preserved on the Day of the Lord, as God wipes out the whole of humanity for their utter ungodliness, and are allowed to enter into the Millennium, because God will cause them to ***“Be FRUITFUL, and MULTIPLY, and REPLENISH the earth”***, RE-producing the various

races and nationalities of people which God has established on earth through Noah, using Shem, Ham, and Japheth. Do not forget that we are coming back to rule and reign over this planet, from every nation, and every bride saint will rule over the nation out of which he or she came. As Nigerians, the Nigerian saints are coming back to rule over Nigeria, just as the Togolese saints will also rule over Togo in that day. Are you listening to me? When the German saints are coming, they are coming back to rule over the German people, and likewise the British, Argentinians, Indians, Americans, South Africans, etc., are also going to rule over their various nations out of which they came. Because on the Day of the Lord, which is immediately after the 70th Week of Daniel comes to a close, God is going to wipe out humanity, leaving only a tiny nucleus of people from the various nations, and establish the Millennium. As such, these mortal subjects, having first passed through the Judgment of nations, are needed to repopulate the human race in the

Millennium. And in that day, the Lord will give them the very commission that He gave Adam and Noah, to repopulate the earth, **“AFTER HIS KIND”!** Consequently, it should be clear to one and all, that the various races and nationalities of people are re-established in the Millennium, for in the Millennium, God gives back to Himself His **human “flower garden”**, His Millennial Flower Garden! Think about it! And as they come each year to Jerusalem, to observe the Feast of Tabernacles, I can see each of them in their national garbs, their national outfits, showing precisely where they are from: The Ethiopians will be in their national garb; I see the Ghanaians in their national attire; the Nigerians; the Somalians; the British; the French; the Mexican; the Japanese; the Chinese; the Filipinos, etc., all in their national apparel. Yes, I know that the national outfits which some nations have today are horrible, being INDECENT, and hence shameful, and demonic. However, in that day, every national garment will be decent, just as a lot of cultures will change, in

order to conform to a holy order, a righteous kingdom. That is the truth, for as it is written in Habakkuk Chapter 2, verse 14: **“For the earth shall be filled with the knowledge of the glory of the Lord, as the waters cover the sea.”** I am just laying out the facts for you, because there are lots of cultures that God is going to wipe out, just as there are some forms of national dressing that is morally and spiritually insane, and God will not let it pass into the Millennium! But the bottom-line is that from the **“sheep nations”** of people, God will repopulate for Himself the various nationalities of people, as every race and nation on this earth will be re-established, and they will send their delegates to Jerusalem, to worship the King of kings. That lets us see precisely what Satan is trying to achieve by the mixed marriage agenda he is accomplishing with gusto around the world today, mixing up and brewing down the races of humanity, messing up God's flower garden. It is all in order to nullify what God has ahead. And if time should tarry, that is precisely what he would have gotten, because as it

stands today, you can hardly find any person who is ready to listen to God on anything! God is totally out of the picture! The truth is, if we mix up all the races of people, then, just how can these prophecies fulfill? Think about it! If we mix everything up through interracial marriages, then racial lines will be blurred, for they would cease to exist! The racial divide is already fast disappearing, particularly in the Western world! It makes humanity nothing but a racial cesspool! That is demonic, and you must know it as that! That is why I said that redemption is one thing, and that God's plan of human creation is another; but that both objectives must stand: Because redemption does not nullify God's plan of creation! The seeds God intended to get when He gave Adam, and later Noah, their commission, He has gotten them. But now, He is redeeming them back to Himself from the various races and nationalities, for what redemption does, is to make all these elect people from the various races and nations on earth acceptable to God. So Scripture does not fight Scripture, for God is perfect

in all His ways. Consequently, when we remember that in the Millennium, God is going to get for Himself natural seeds from ALL nations, the sheep nations, through whom His commission of reproduction will be carried out in the Millennium, thereby re-establishing His flower garden in that dispensation of time, then, we must see the evil of mixed marriages. Saints, with the Millennium accomplished, we come to the White Throne Judgment, and then Eternity unfolds! Come with me, as we now explore Eternity.

Church, we will close our message with the consideration of Eternity, which I have represented on the chart with the map of the world. I have placed the map of the globe here on the extreme top right hand corner of the chart, just to depict Eternity. Please pay attention just for a few minutes. When we come to the eternal age, as laid out in Revelation Chapter 21, verse 24, but beginning from verse 22, the Bible records concerning the New Jerusalem: ***“And I saw no temple therein: for the Lord God***

***Almighty and the Lamb are the temple of it. And the city”*** (of the New Jerusalem), ***“had no need of the sun, neither of the moon, to shine in it: for the glory of God did lighten it, and the Lamb is the light thereof.”*** (But now watch verse 24): ***“And the NATIONS OF THEM which are saved shall walk in the light of it”***, (meaning that they will walk in the light of the city. In other words, they shall walk in the light of the bride, all through eternity): ***“and the kings of the earth do bring their glory and honour into it.”*** Now the point is simply this: Who are these? Who are the nations of them which are saved? They are none other than the ***“sheep nation”***, the Millennial subjects we saw earlier in Matthew Chapter 25. This shows undoubtedly that in the eternal age, we will still have distinct races and nations of people, who form the third class of God's human family, the third tier, or the third order of God's human family; for in God's numerology, three is the number of perfection, for God is perfect in three. THE FIRST CLASS or the first tier, and the greatest class of God's human family, is

the bride of Christ, who are made up of all races and nations of people on this planet. In the bride, all nations and races of people are represented, just as it is in the nations of the saved. THE SECOND CLASS of God's human family, gives us the Old Testament saints, plus the New Testament Tribulation saints, who are also made up of all races and nations of people. This is vindicated by the innumerable crowd of a universal people, expressed in the prophetic picture recorded in Revelation Chapter 7, which lays out the New Testament Tribulation saints in verses 9-17: ***"After this I beheld, and, lo, a great multitude, which no man could number, of ALL Nations, and kindreds, and people, and tongues, stood before the throne, and before the Lamb, clothed with white robes, and palms in their hands..."*** But THE THIRD CLASS, and the final order of God's human family, gives us the Millennial subjects, who are also made up of all races and nations of people, the ***"sheep nation"*** of Matthew Chapter 25, who are now referred to in the

Book of Revelation, as ***"the NATIONS of them which are saved"***, who walk in the light of the New Jerusalem, which is none other than the light of the universal bride of Jesus Christ, expressed in deep and complex prophetic imagery. Brothers and sisters, this undoubtedly means that in the Eternal age, ALL races and nationalities of people are preserved, just as in the Millennium, and as we also have it in this Dispensation of grace. Church, the races and nationalities of people which God established through Noah and his three sons are preserved all through time, and straight through into Eternity. Think about that! In the bride of Christ, the various racial ethnicities and nationalities remain, for God, through the law of natural reproduction, realizes the objective of the commission that He gave Adam and Eve, which commission was also carried on by Noah and his three sons, for God does not fail, being sovereign. He is God! What the Almighty God set out to achieve in Genesis, with respect to creation, is fully realised in Revelation. Yes, we have a lot of racial

prejudice on earth today, and it is getting worse with each passing day, but God knows all about it, and He will deal with it accordingly. Hence, Revelation Chapter 22, gives us a most beautiful ending to this picture, as expressed in verse 2, starting from verse 1: ***"And he shewed me a pure river of water of life, clear as crystal, proceeding out of the throne of God and of the Lamb."*** (Now pay attention to verse 2): ***"In the midst of the street of it, and on either side of the river, was there the tree of life, which bare twelve manner of fruits, and yielded her fruit every month: and the leaves of the tree were for the healing of THE NATIONS."*** This Scripture is not for now. It is strictly for Eternity. (Brother Amos points to the chart). This is on the eighth day. The leaves of the tree of life, the tree of Eternal life, is given to take away any and every form of racial prejudice, so that in eternity, it will not matter what race, colour, nation, or tribe you come from, for all that will be left on this side. And just as Noah had three sons, Shem, Ham, and Japheth, who had three different and

diverse skin colours, and yet they all loved one another, and respected one another equally, being sons of the same papa and mama, so will it be in eternity, even much more so! For back there in Genesis, according to the record of Chapter 11, race and colour meant nothing, for humanity was absolutely one, without any racial prejudice, which was why all races followed the leadership of Hamitic Nimrod, a world leader in that day! I say that just to let you see that all evil attributes of racial prejudice, which the devil later introduced, will be taken out completely and eternally, and no race will look down on any other race, and neither will any race be lifted up above any other race, for we are now in the perfect age, a perfect world! And in that perfect world, we are all one: **God's Human "Flower Garden"**, a redeemed universal body of God's original multi-racial, and multi-national, and multi-tribal people; God's human family, alongside God's angelic family. The various races of people God predetermined to have in Genesis, here they all are in eternity, all together

making up the entire city of the New Jerusalem; for here the Lord has all of them. All the children God wanted to have from all races and nations of this planet in Genesis, all are herein incorporated into the New Jerusalem. Hence Revelation Chapter 21, verse 3 proclaims: ***"And I heard a great voice out of heaven saying, Behold, the tabernacle of God is with MEN"***, (ALL MEN), ***"and He will dwell with THEM, and THEY shall be His PEOPLE, and God Himself shall be with THEM, and be THEIR God."*** This lets you see, that what God began in Genesis, is eventually taken through to Revelation, for we see it right here in Eternity, for what began in time, is brought through into timelessness, which is eternity. And if you can see that, then you must know in all honesty, that we should not be having Interracial Marriages, for it is written: ***"And God said, Let the earth bring forth... after his kind, WHOSE SEED IS IN ITSELF... and it was so... and God saw that it was good."*** And for this purpose, God made them male and female, for the reproduction of like seed.

Here in eternity are the children God sought to have when He gave Adam and Eve their Commission, way back there in Genesis; here they all stand, ALL incorporated into the New Jerusalem, God's glorious and Eternal human flower garden. (Brother Amos points to the chart). Yes, I know that in the eternal age, there will be no more seas and oceans, but nevertheless, there will still be bodies of water such as lakes, rivers, and ponds, for aquatic life. However, the current map of the world contains seas. Therefore, I have used a blown up map merely to represent the nations of the earth in eternity, for the various races and nations having evolved, stay, and they remain all through eternity. Right now, two-thirds of the earth's surface is under water. God will slowly reclaim all that throughout the Millennium, to give back the land to humanity in Eternity. Think about it! As such, the topography of the earth will be very different in that day to what it currently is. And since the topography of the planet will change, it means that in turn, the national boundaries will also be changed correlatively,

according to the will of God, the Father of our Saviour Jesus Christ. How many see that? The topography will change, but the national boundaries will also change, because there are no more seas, and no more oceans. For whatever boundaries are established in that day, one thing is certain, we will see each and every race and nation established on this planet for all eternity. Yes! But let me plead with you to make a firm and uncompromising stand for the truth of Jesus Christ, as we close, for it pays to stand for Jesus. We saw that according to Revelation Chapter 21, verses 24, ***“the nations of them which are saved”***, referring prophetically to the Millennial subjects, in the eternal age, will ***“bring their glory and honour”*** INTO the New Jerusalem, which is the bride. This lets us see that the bride is still the pre-eminent people in the eternal age. Brothers and sisters, what a privilege we have! Therefore I implore you: Do not sell this glorious and eternal future for anything else in the world, for nothing, absolutely nothing, can be compared with it. What a privilege it is

to be called as bride! Do not miss this opportunity my brethren! It is a golden one; it is a most glorious opportunity we have to make it as bride. And in eternity, brothers and sisters, the planet having been fully redeemed, no longer has any traces of sin; no more traces of evil; no more traces of death; no more traces of graves; no more traces of hell, or of Satan and his fallen angels; no more traces of sickness or diseases; no more traces of sadness, sorrow, or pain; no more traces of disappointment; not even an evil thought will ever exist in eternity. Nothing but absolute righteousness, pure holiness, perfect faith, divine goodness, and perfect love, (pure holy love, love unfeigned), is what will exist and be expressed on this planet, from coast to coast, and from continent to continent, in EVERY person that inhabits this planet, all through eternity, in whatever class within God's human family he may belong. Brothers and sisters, this is a fact for all eternity!

On the authority of 1 Corinthians Chapter 15, verse 28, once planet earth

is fully redeemed, and man is also fully redeemed, and everything is restored back to absolute perfectness, right after the White Throne Judgment, (which is the last redemptive act Christ Jesus performs, signifying that redemption is complete, for it is done and over with), Jesus turns the kingdom back to God, the Father, and God becomes ALL in ALL. Church, what do these facts tell us? It tells us that in Eternity, God now has to Himself, His own human family, from ALL races and nations of this earth, fully redeemed, planted on a fully redeemed, and perfectly restored planet. And with this accomplished, God can turn His attention to another planet for the establishment of life. Planet earth is where God began the introduction of life, for there is no life elsewhere; certainly not on Mars! This is God's laboratory, and on this planet life was first introduced, because here He starts. But in eternity, God is going to establish life on another planet, and eventually on other galaxies as well, and you already know that there are billions of galaxies in the universe. That lets you see

that in eternity, there is a lot of work to be done, for we will be like angels in that day. Like angels we will also be supporting God in His work of creation, in whatever capacity He delegates it to us, as He turns His attention to other planets. However, on planet earth in eternity, you will have a people that fill this earth, just as God commissioned Adam and Eve to do, who are the various peoples of the earth, giving us redeemed people from all the races and nations of the earth. And if you can see that, then, you must realise that there is no way you can take redemption, and use the redemption process to nullify an eternal objective of Almighty God for creation, the creation of the various different and distinct races and nations of people, which He sought to get from the very beginning, through Adam and Eve. Adam reproduced to a point, GIVING US ONLY ONE RACE OF PEOPLE, the yellow race; and God turned over the same commission to Noah, Shem, Ham, and Japheth, as recorded in Genesis Chapter 9. And according to Acts Chapter 17, verse 26, ALL RACES and

nations evolved through Noah, for Mutation started in Noah, giving us THREE DIFFERENT AND DISTINCT RACES OF PEOPLE, yellow, white, and black; three main races of people who were born by Noah. And through these three main races of people, the Lord eventually begat unto Himself what now gives us ALL races of people, constituting what William Branham called, G O D ' S H U M A N "FLOWER GARDEN." That is in the record of Genesis! But now, in the last Chapter, the last Book of the Bible, which is the Closing Chapter of the Holy Bible, a prophetic setting we considered earlier, in the Book of Revelation, Chapter 22, verses 1-2, it is also written: ***"And He" (God) "shewed me a pure river of water of life, clear as crystal, proceeding out of the throne of God and of the Lamb. In the midst of the street of it, and on either side of the river, was there the tree of life, which bare twelve manner of fruits, and yielded her fruit every month: and the leaves of the tree were for the HEALING OF THE NATIONS."*** Here in eternity those nations still

stand, nations which today fight and despise one another on account of colour and social status! This is absolute proof, and an incontestable scriptural proof, that the various nations which God sought to get before the foundations of the world, and which He got through the blood of Noah, are preserved and pulled through, all the way to eternity, for here they are standing in a perfect and harmonious relationship with one another, without the slightest iota of racial prejudice whatsoever, living with one another with perfect divine love! This should settle the matter for you, for you must know that God's human creation in their absolute variety was established, and it is out of this great variety that God gleans out an elect people for Himself from all the races and nations of the earth, all through the ages, including the Millennium, bringing them through to eternity, BY Jesus Christ, who is The Bridge. Here at the end of the second world, a world which started right after the flood, God using Noah and his three sons, the races and nations of people were established on earth. In the

Millennium, we still see the same races and nations right here on the planet. And now, when we cross over into the eternal age, the races, out of which came the various nations, are all still here, for the objective of God, being divine, is eternal. The various races and nations are still here in eternity, showing that they not only serve God's objective in the Millennium, but they are also serving an eternal objective, right here on Planet earth! That is the truth! Just how are you going to mix them all up? Brothers and sisters, what does this give us in Eternity? It is that God establishes on Planet Earth, a great variety of bugs and insects; a great variety of plants; a great variety of fish; a great variety of birds; a great variety of animals; and a great variety of human beings! When we even consider God's angelic family, they are not the same, for we have a variety of angels. Think about it! Some have wings and some do not have; some are Cherubims, whilst some are Seraphims, etc. Are you listening to me? Angels are not of the same order. I would have said that angels are not of the

same species, but we cannot use the term species when referring to angels. We can only use order or class, because species refers to a living thing that can interbreed or procreate, and angels cannot. God created each and every angel, for they cannot be born, and neither can they give birth, for they are divinely created spirit beings! So, brothers and sisters, God created them in different orders, because God is a God of variety. Period!

Consequently, in eternity, Satan being completely and permanently taken out of the picture, together with all fallen angels; sin being out of the picture totally, for not even a sinful or an evil thought can ever come into eternity; death and hell being totally out of the picture; sickness, sorrow, and pain being completely out of the picture, in a perfect eternity, on this planet, Planet Earth, God will have established a perfect and powerful race of super human beings, who make up His human family, (a redeemed family), CITIZENS OF PLANET EARTH. And as I stated earlier, it also gives us in every realm of all

living natural creations of God, whether plants, fishes, birds, or animals, a most stunning, most beautiful, most complex, most colourful, and most diversified variety of creatures that God has always wanted. **This is the picture of Eternity!** Saints, in that day, this having been accomplished, God says to Himself: *"It is all done. My power of creation, and my divine attributes, are all expressed in the stunning beauty and the complex diversity of the living creations that I have made. This is settled for all eternity. I can now move on from here."* God can now turn His attention to other planets, to establish the same thing He, God, accomplished on the earth, thus establishing in reality, and not just in potentiality, that He is the God of the Universe; for from other planets, and from other galaxies, He will eventually also be known and worshipped as God. Brothers and sisters, if you can see this objective, then you will surely understand that God has a divine and an eternal objective for the human races which He produced on earth through Noah. For whatever class or order of God's human

family you consider, each order is made up of people from all races and nations of people which God has produced on this planet, for out of all races and nationalities, they are constituted! Whether you look at the bride, who make up the first class; whether you look at the second class, who are the Old Testament saints, together with the New Testament Tribulation saints; or whether you look at the Millennial subjects, the sheep nations, they still give you variety of humanity. It is the God of variety expressing Himself in variety, in His own human family. Full stop!

Therefore, we must understand God's plan for the various races of people, for it has an eternal

objective attached to it. In eternity, right here on this planet, He will have a variety of races and nations of people that make up THE PEOPLE OF PLANET EARTH, God's redeemed family, side by side with God's angelic family, giving Him the worship that He deserves as God; worshipping Him in spirit and in absolute truth, all through eternity, in an unbroken, unhindered, and perfect intimate relationship with God. That being done, He knows that **THE EARTH PROJECT** is eternally accomplished, for it is fully realized, and is therefore settled eternally; the various races and nations of the people of the earth are eternally and harmoniously established, giving us **GOD'S ETERNAL HUMAN**

**"FLOWER GARDEN", CITIZENS OF PLANET EARTH.** Now He can turn His attention to another planet, in order to further His plan of creation, as the God of the Universe. This was why He decreed in Genesis: EVERY SEED MUST BRING FORTH AFTER HIS KIND, and for which reason He made them male and female, for like reproduction of seeds. We must see God's objective for creation, natural creation, for redemption does not change it: Redemption only beautifies it. I show you the truth: **GOD AND RACES.** Shall we bow our heads in prayer. (Brother Amos prayed).

The Lord bless you.

*And he shewed me a pure river of water of life, clear as crystal, proceeding out of the throne of God and of the Lamb.*

*In the midst of the street of it, and on either side of the river, was there the tree of life, which bare twelve manner of fruits, and yielded her fruit every month: and the leaves of the tree were for the healing of the nations.*

*Revelation 22:1-2*

## DIRECTORY OF THE SCRIBE contd.

22. The Walking Voice, Parts 1 & 2 (October 2007).
23. The Man That Was Caught Up, Parts 1 & 2 (December 2007).
24. Genesis: The Creation Of The Universe (January 2008).
25. Genesis: The Eden Of Angels (February 2008).
26. Genesis: The Eden Of Man (March 2008).
