## THE PROSPERITY OF SERPENT SEEDS - PART 1

This message was preached by Brother Amos, on the evening of Monday, 13th October, 2014, and Tuesday evening, 14th October, 2014, at meetings held at Truth Assembly Church, Goa, India. The two sermons were put together to allow the message to have a better flow, and it is a very serious and timely message, of the true development of the things unfolding in this world, on a serious prophetic level.

Good evening saints. I greet everyone in the Name of Jesus Christ. It is good to be together again, and I crave your indulgence, as this evening, we will start with a little teaching service, a little breakdown of things we already know in the Scriptures, but things that we

still need to go over, in order to provide a solid foundation of truth for the message that I want to lay before you. Moreover, we want to take our brethren just newly coming in, along with us, so that everyone is established upon the truth of the Scriptures. I find it a very necessary foundation, for if we are to see where I am going with clarity, then we will have to see its beginning. It is very difficult to appreciate the ending of something without a good knowledge of its beginning. If not, your appreciation of the end will be very limited, because your understanding is limited. To really appreciate something in its ending part, you have to understand its beginning part, and the knowledge of both ends comes together to give you a

perfect understanding. You can see it in its beginning, and you can also see it at its end, with absolute clarity, and know precisely how things have been to where they have now gotten, for everything is just laid plain before you. However, I also want to point out that we will lay out this foundation in a nutshell, only sufficiently enough to establish the truth I want to present to you in this message, for we must know how to look at what is before us. And if there are any people around this globe that should know how to look at the world's developments, what is going on now around the globe, we should be the ones. For everything has been laid out bare for us from the pages of the written Word of God, by the Spirit of the Lord, as God has laid out everything, from the beginning to the very end. So the bride of Christ this evening are not in darkness as to what is going on in the earth. That is why, brothers and sisters, the light of Christ that we have is our confidence, and it is a super searchlight, illumining everything for us, for there is nothing hidden from the light of God. The powerful and all-encompassing revelation

of the Word of God we have today, relaxes our minds, as we know that everything is playing out, and will play out, precisely as it is written. For as the elect bride of Christ, we know exactly how everything is going to wind up at this end time, for we have the light of Jesus Christ.

So please bear with me tonight, as we go back to the Book of the beginning, which is the Book of Genesis, and we open up with Chapter 3, starting from verse 1, which records: ***“Now the serpent was more subtle than any beast of the field...”***

Brothers and sisters, that statement alone lets us know that the serpent creature of that day was not Satan, a spirit. It was another beast of the field which the Lord God had also created. That is the number one point. Yes, he was used by Satan; he was inspired by Satan, but yet, the serpent was not Satan. Yes, I also know that in other Scriptures, the word serpent has also been used in a way that the name takes on a different connotation, for in later Scriptures, it is sometimes also used to refer to Lucifer, the fallen angel, that spirit who inspired this serpent

creature in Genesis. Nevertheless, the fact remains that God was speaking in Genesis Chapter 3 to a living creature, a natural creature in that day, one who existed in the Garden of Eden, and one who was judged in the same Chapter of Genesis. For he was judged in verse 14, and was instantly transformed by this judgment into a wriggling snake, right there in God's divine presence, at that judgment bar, as it is written: ***“And the Lord God said unto THE SERPENT, Because thou hast done this, thou art cursed above all cattle, and above every beast of the field; UPON THY BELLY SHALT THOU GO, and dust shalt thou eat all the days of thy life.”*** This placed him instantly in the reptile family, for God transformed him into a new class or a new species of snake by this divine judgment, for he was transformed into the Boa, the prince of which is the Anaconda, and this judgment has absolutely nothing to do with Lucifer, the fallen angel, except that he lost his agent, having successfully used him. Period! That is a scriptural fact! We have a message in the Scribe titled, *THE*

**PRESENT DAY IDENTITY OF THE SERPENT**, which lays out this very truth. Consequently, it should be plain to one and all that the serpent was not Satan, for he was one of the natural creatures of God in the Garden of Eden. It should also be clear that he was not a snake in the beginning, for it was the judgment of God that turned him into one. Full stop! He was part and parcel of the animal creation; but he was at the head of the animal kingdom, being the highest form of animal life that God has ever created, just as verse 1 reveals: **“Now THE SERPENT was more subtil THAN ANY BEAST of the field which the Lord God had made.”** (This shows that he was not just an intelligent creature, over and above all beasts, he was also the highest form of animal life in that day, being the head of the entire animal kingdom. The proof of this truth also being expressed in verse 14, when at the judgment bar, God reversed his position, from one who was at the head of the animal kingdom, to one who is at the very bottom or base of the animal kingdom, by the declaration made by God. The Holy Bible records:

***“And the Lord God said unto the serpent, Because thou hast done this, THOU ART CURSED ABOVE ALL CATTLE, and above every beast of the field; UPON THY BELLY SHALT THOU GO”***, (for God had now reversed his position and role, and placed him in the dust of the earth from then on, to wriggle on his belly as a snake, in that lowest class of beasts, right there at the tail end of the hierarchy of the beasts); ***“and dust shalt thou eat all the days of thy life”***; (for it is in his new position in the dust where he lays, that he will get the food he eats. But before his fall from grace, before his judgment, verse 1B records): ***“And he said unto the woman”***, (for he could talk vocally and intelligibly, being an intelligent creature, one with a high reasoning power): ***“Yea, hath God said, Ye shall not eat of every tree of the garden? And the woman said unto the serpent, We may eat of the fruit of the trees of the garden: But of the fruit of the tree which is in the midst of the garden, God hath said, Ye shall not eat of it, neither shall ye touch it, lest ye die. And the serpent said unto the woman, Ye shall***

***not surely die: For God doth know that in the day ye eat thereof, then your eyes shall be opened, and ye shall be as gods, knowing good and evil.”*** (Can you not see the intelligent and reasoning ability he had in his beginning? That was how he was able to deceive Eve, a daughter of God! Eve testified of his deception, declaring in verse 13B: ***“... And the woman said, The serpent BEGUILED ME, and I did eat.”*** Saints, all this lets us know that without any shadow of doubt that the serpent in his beginning, that is before the judgment, was an upright creature, one who stood on two feet, and one who looked just like a man, and who also walked and talked like a man. He was Adam's servant, which was why God gave him the ability to walk and talk, until he lost his privileged position. He was placed at the head of the animal creation, being the closest to a man, much more than a chimpanzee is, being the *Missing Link* between man and the primates, which are the apes. He was the prototype of the prehistoric man, being exactly like him, one whom scientists call the Neanderthal man, who

once lived in the prehistoric era of dinosaurs, millions of years before, and whose remaining bones are being dug out every day by archaeologists. He was inspired by the devil to introduce sex strictly for pleasure to Eve, which in coded divine language was called **“the tree of the knowledge of GOOD AND EVIL.”** In other words, it was the law of DEATH, activated by sex for pleasure, rather than by sex strictly for procreation or reproduction, as is obtained even today in all animals, birds, and fishes, including insects, who only come together strictly for reproduction at their own mating season. Saints, the use of sex, strictly for the purpose of reproduction, was God's original way, for it was the right way, and in coded divine language, it was called **“the tree OF LIFE”**. In other words, it was the law of LIFE (reproduction), for it would have given eternal life at birth! And because the timing was right, for it was when the cycle of life was at work in the body of Eve, the serpent was able to sow his seed in Eve, getting to himself a son called Cain, for the seed of the serpent could mix with that of man, and Satan knew this, which

was why he used the serpent to get a son to himself vicariously or indirectly. Eve then later introduced the sex relationship to Adam, also strictly for pleasure, and she again conceived in the same womb, in a medical process called superfetation, bearing two seeds or two foetuses, in one pregnancy, belonging to two different men, the Serpent and Adam. Hence at the judgment bar in the Garden of Eden, the Lord declared concerning the two seeds in the womb of Eve in verse 15: **“And I will put enmity between THEE”**, (the serpent), **“and the WOMAN”**, (Eve, where there had been a carnal love relationship), **“and between THY seed”**, (the serpent seed, meaning that there would also be enmity between the seed of the serpent, Cain), **“and HER seed”**, (which is Abel, the natural seed of the woman by Adam); **“it shall bruise thy head, and thou shalt bruise his heel”**, (prophetically now referring to the serpent's spiritual seed to come, who is Judas, The Heel Bruiser, and Eve's spiritual seed to come, who is Jesus Christ, The Serpent Bruiser, who would also come through her natural seed. Now

watch what God said to Eve in verse 16): **“Unto the woman He said, I will greatly MULTIPLY thy sorrow and THY CONCEPTION”**, (because she had already conceived, and God now multiplied the conception she already had, for you cannot multiply nothing; you cannot multiply what is not there; you can only multiply something that is there); **“in sorrow thou shalt bring forth children”**, (who were already in her womb in that day, giving us the two natural seeds that God referred to in the preceding verse 15, the two seeds whom God said would have enmity for one another, thereby confirming the reality of the existence of the two seeds in that day, The seed of the Serpent, AND The seed of the Woman, giving us CAIN and ABEL; for there cannot be enmity between what does not exist). The scriptural proof that Cain was not of Adam, is not only the fact that he is not anywhere in the genealogy of Adam, which is laid out in Luke Chapter 3, verses 23-38, but also because the Scriptures declare plainly and categorically that he is a child of the devil, as recorded in 1 John Chapter 3, verse 12, which

states: **“Not as Cain, WHO WAS OF THAT WICKED ONE”** (SATAN; for he was a seed of Satan), **“and slew his brother”**, (because the enmity which God spoke of concerning the two seeds in the Garden was at work)! **“And wherefore slew he him? Because his own works were evil, and his brother's righteous.”** Brothers and sisters, no one can deny the fact that God spoke of THE SERPENT SEED in Genesis Chapter 3, and that He also decreed enmity between the two seeds, who are none other than Cain and Abel, half-brothers! For if the seed of the woman is not imaginary but real, then, you must also know that the seed of the serpent cannot be imaginary either, for God spoke of the two seeds in the same verse of Scripture. Therefore, whilst **Cain gives us the seed of the serpent**, Abel on the other hand, gives us the seed of the woman by Adam. Full stop! I can only take this issue to this measure, for we have a lot of material in the Scribe magazine, laying out the truth of the serpent and his seed, and it is free upon request, and it is also available for free

downloading on our website. Brothers and sisters, it is crucial that we are able to see the serpent in his original estate, and to also see what the devil has used him to set in motion, because at the end of the day, we are going to look at the finished product. But as I stated earlier, in order to be able to appreciate the finished product, we must first be able to see the genesis of it all. So having taken time to set forth this material background, which gives us a breakdown of Genesis Chapter 3, verse 15, I now want to start my message, which is what we have on the chart. I pray that God will help me, as we now launch straight into our message. Please come with me, as we take a close look at the two seeds in their real life manifestations outside the Garden of Eden, with the enmity also at play, just as God had decreed in the Garden.

Shall we turn our Bibles to Genesis Chapter 3, as we take the first main text to our message, which is verse 15, and it records: **“And I will put enmity between thee”** (who is the Serpent), **“and the woman”** (who is Eve), **“and between THY**

**SEED”**, (which is the seed of the serpent, or the serpent seed, who is CAIN), **“and her seed”**, (who is Abel); **“it shall bruise thy head, and thou shalt bruise his heel.”** Right here we see that God plainly spoke of the serpent seed. Let us take another text, our second main text for this message, which is the Book of Proverbs, Chapter 1, verse 32, and it declares: **“For the turning away of the simple shall slay them, and the prosperity of fools shall destroy them.”** Based on these two main Scriptures, brothers and sisters, I want to take a very serious message titled, *THE PROSPERITY OF SERPENT SEEDS*. Proverbs Chapter 1, verse 32, which we just read warns: **“For the turning away of the simple shall slay them...”** What is God saying? What exactly does God mean by that? He said: **“... the turning away of the simple shall slay them...”** In other words, the turning away of the simple is what is going to kill or destroy them. What does God mean by that? Turning away from what? It is the turning away from the words of divine instruction, the turning away from the words of wisdom, divine

wisdom, which is the revelation of life. Their turning away from revealed truth, which is the instruction of life eternal, is going to be their undoing, the undoing of the simple, because they are undiscerning. The word **“simple”** as used here, strictly represents people that lack discernment; people who lack understanding, spiritual understanding, being spiritually ignorant. They just have no understanding of anything divine. And as the elect bride seeds of Jesus Christ, we must have a measure of discernment; we must have divine understanding. And it is most crucial, very imperative, that we have spiritual understanding and discernment, for we cannot do without it, because the days are extremely evil. Moreover, the Spirit we have received, the Spirit of Christ we have, is the Spirit of discernment, spiritual discernment, and as such, He enables us to know right from wrong, good from bad, truth from error; what is acceptable from what is not acceptable. Saints, there has to be a measure of discernment in our lives, for it is what gives us spiritual understanding, and by it, we are guided in this life's

most perilous journey. That is what guides us in our journey through life, keeping us from the tide of evil, for it is what helps us to know right from wrong. By it, we are kept from the snares and wiles of the enemy of our soul, which is the devil. It is a sign of caution also, convicting, warning, and leading us, keeping us from deception. However, this does not imply that we will all have the Spirit Gift of Discernment, for that is another thing entirely; for not everybody IN the body of Christ will have that particular gift, even though everyone who is IN the body of Christ, through the Infilling of the Holy Ghost, and by which Infilling we are put into the true body of Christ, will have at least a Gift, a Spirit Gift, one of the nine Gifts of the Spirit, as God ordains. Having the Spirit Gift of Discernment enables the body to know precisely which spirit is operating in any given spirit manifestation, but that has nothing to do with the discernment we are speaking about today, a discernment which every saved child of God is supposed to have and will have. Every child of God is supposed to have a measure of discernment in

his or her life. It is an unction of the Spirit of God upon our lives, guiding our lives, giving us spiritual understanding, so that we are kept secure from the snares and wiles of the enemy, knowing his evil ways and deceptive workings. It is spiritual understanding that this type of discernment gives to ALL God's children. It is an unction of divine wisdom, that when you hear something, you can tell whether it is right or wrong. And when something does not make sense, you can also tell, because by spiritual discernment, the devil cannot pull a wool over your eyes! Consequently, when a person lacks discernment, even a fool is better than him, because there can be no helping him; there is absolutely nothing you can do to help such people! So the people that the Spirit of the Lord is speaking about here in this passage of Scripture, in Proverbs Chapter 1, verse 32, **“the simple”** people, gives us people who are devoid of spiritual understanding, being totally ignorant, just living a carnal carefree life, one which is just for the flesh, though they may be easy going, and though they

may even be religious, being church going folks. Therefore, we must understand that what makes them **“simple”** in this Bible context, has nothing to do with being easy going, for it is not about being easy going! Yet, they are called **“simple”!** Let me say this, church, and please pay close attention. On one hand, it is good to have a simple mind, living simple lives, for the Lord also commends and implores such attitudes in many passages of the Holy Bible. That is true, for God wants us to be a simple people, in the sense that we are teachable, for we do not pretend to know too much, and are, as such, open to the voice of the Spirit of truth. So, in this regard, being simple is actually being humble, having an open mind to the Word of God. It means that you are like a little child, one that is teachable and leadable. Psalm 19, verse 7 states: **“The Law of the Lord is perfect, converting the soul: the testimony of the Lord is sure, making wise THE SIMPLE.”** It is also written in Psalm 119, verse 130: **“The entrance of thy words giveth light; it giveth understanding unto THE SIMPLE.”** Again

it is written in Psalm 116, verse 6: **“The Lord preserveth THE SIMPLE: I was brought low, and He helped me.”** I have laid these Scriptures out, for we must also know that there is positive simplicity, a virtue which the Holy Bible also acknowledges and commends to us all. God expects us to be a simple people, living simple lives. Are you with me? So there is a positive side to being simple. We are expected to walk in humility, not living a complex life, until we are bogged down to this world. I say that because there is always a balance to everything. Nevertheless, there is another simplicity that is negative, like somebody so naive, someone who has no clue to anything, and hence, he believes everything. You can be innocently naive though, and there is nothing wrong with that. To be naive is to be inexperienced in a simple, innocent way. However, brothers and sisters, when it comes to the point that you are so naive, until you cannot even tell right from wrong, sense from senselessness, it makes you a simpleton, and that is simply to lack intelligence, which means that you are just downright stupid or

dumb, and that is not good! You cannot afford to be a moron, spiritually speaking! You cannot afford to be so naive until you believe every stupid and senseless projection of men, for you should have some measure of spiritual sense, which is spiritual understanding! Come on! When a man is laying before the **“simple”** a load of rubbish, even if it is presented falsely in the name of the Lord, they believe it gullibly, for they have no understanding of anything! And that is the kind of simplicity the Master is speaking against, for such simple people are people that have an acute lack of understanding; they lack any ounce of discernment! And then when truth is also flashing forth before them, which is the Word of life eternal, or a wise counsel is being laid before them, they see nothing; but they simply walk away from it, with a happy mind. And that is going to be the person's undoing! Look at what the Lord says in Proverbs Chapter 7, verses 6-7: **“For at the window of my house I looked through my casement, And beheld among THE SIMPLE ONES, I discerned among the**

**youths, a young man VOID OF UNDERSTANDING.** You do not want to be that simple! And because he was void of understanding; because he had no spiritual discernment whatsoever, in verse 10, it is written: **“A WOMAN with the attire of an harlot, and subtil of heart”**, who, according to Revelation Chapter 17, verse 4, **“was arrayed in purple and scarlet colour”**, met him and seduced him, leading him to the slaughter! Read the entire Proverbs Chapter 7, for it is very instructive, and it speaks of that woman, the Great Whore of Revelation Chapter 17, which is the Roman Catholic Church! Inevitably, this simple young man was destroyed, for he perished, simply because he was a simple one! That is why the Lord declared in the Book of Proverbs Chapter 1, verse 32: **“For the turning away of the simple SHALL SLAY THEM...”** Because that is what is going to be their ruin: Their turning away from wise instructions, instructions of life, is what will be their death! However, brothers and sisters, this is not even where I am going, for the second clause of this verse is what I want to lay before

you as my focal thought, and it adds: **“and the prosperity of fools SHALL DESTROY THEM.”** That is where I am going! That is the thought which my message devolves upon, for indeed, the prosperity of fools is what will kill them! Do not forget that we are speaking today on **THE PROSPERITY OF SERPENT SEEDS**. The Bible says that the prosperity of fools shall destroy them, because they are fools to start with! And as it is written in Psalm 53, verse 1: **“THE FOOL hath said in his heart, There is no God. CORRUPT are they, and have done ABOMINABLE INIQUITY: there is none that doeth good.”** Saints of the living God, when a man, any man, cannot relate to his Creator, his Maker, he is worse than a physical fool; he is worse than a natural moron, though prosperous, and however prosperous he may be. For as it is written: **“For the turning away of the simple shall slay them, and the prosperity of fools shall destroy them.”** Church, when a fool is prosperous, how can you tell him that he is a fool? Just look at his life; look at his house; look at

his business; look at his properties, his empire, and his fleet of cars, with his private Jet; look at everything that he has, for everything that he touches just turns to gold, for he is simply prosperous! So, just how can you make him realise that he is a fool, a first class one at that? When anything and everything he lays his hands upon blossoms; when he is a business mogul, highly prosperous, and world famous, wining and dining with the high class people in the society, meeting with Presidents and Heads of States of Nations! Come on! You cannot tell him anything about God, for he believes that he is a god of sorts, a diva, with all his accomplishments! He believes that he does not need God, and that God is for people who are failures, or for poor people. He cannot see the need to humble himself and accept the plan of God's salvation, for he feels he does not need saving, for to him, it is a message for fools, more like a message of consolation for the poor! He is a simple one, a first class fool, which is precisely why he will not see the need to come down and humble himself to receive the

instructions of life, being absolutely earthly minded, and devoid of anything of God. Hence it is written that **“... the prosperity of fools SHALL DESTROY THEM.”** However, that is only on one level, a carnal level. For on another level which we saw a few days ago, which is a spiritual level, we also saw that when a man in the ministry is out of the way of truth, but God is moving in his ministry in the miraculous, and the explosion of God's power in his ministry gives him a big ministry and a big name around the world; and in every meeting or crusade he holds, hundreds of thousands flock to hear him, you cannot tell him that God is not with him; for as it is written: **“... the prosperity of fools shall destroy them.”** He will believe unshakably that God is with him, and as such, he will not humble himself to truth! Why not? Because the prosperity of his ministry shall destroy him, for he will not submit to truth, that he might be truly saved! Just how are you going to make him understand that God is not with him, when he is looking at how the same God is blessing his ministry with miracles? His prosperity is his downfall,

because it becomes his delusion, even though he is expected to know that God magnifies His Word above all His Name; for the Word of God should be the standard of judging anything and everything, and not miracles, and definitely not the crowd! But as far as he is concerned, his thinking is this: *“Look at how my ministry is prospering. Can you not see the prosperity of my ministry? Look at all the building structures we have been able to put on the ground for the work of God. Anywhere and everywhere I go, they flock to hear me by the tens of thousands! And you, how many are flocking to you? You can hardly get ten people to come and listen to you, and you even have nothing to show for your ministry, staying in a little rented shack after many years of ministry, all because you have no ministry support! But just look at me, I pack out the stadiums! We even have to turn people away, because there is no place to put them in the meetings, and God is working miraculous things for the people under my ministry, and you still want me to believe that God is not happy with my ministry? What if He will be happy*

*with it, what more shall He do!”* That is how prosperous they are! And that is exactly why the Bible declares: **“The prosperity of fools shall destroy them.”** They are fools, spiritual fools: only that they do not know it, for Matthew Chapter 7, verses 21-27 is staring them right in the face! Exactly!

This lets you know, brothers and sisters, that there is a right way to assess something, and there is a wrong way. It also makes you think seriously: What is true prosperity? That is the bottom line! What is true prosperity? Who is truly prosperous? Who is really a rich person? Who is truly rich? Who is truly prosperous? Is it that man that has a fleet of exotic cars, and many Jet planes waiting on his hangar, that anywhere he wants to go, he simply hops into his chopper (helicopter), right from the top of his condominium, as he flies from place to place? Is that a prosperous person? For the purpose of illustration, let us call him Mr. X. Saints, with all that Mr. X has, what if God calls for his life tonight: What does he really have? Let me remind you of the case of the rich fool Jesus spoke

about in the Gospel of Saint Luke Chapter 12, verses 16-21: ***“And he spake a parable unto them, saying, The ground of a certain RICH MAN brought forth plentifully: And he thought within himself, saying, What shall I do, because I have no room where to bestow my fruits? And he said, This will I do: I will pull down my barns, and build greater; and there will I bestow all my fruits and my goods. And I will say to my soul, Soul, thou hast much goods laid up for many years; take thine ease, eat, drink, and be merry. But God said unto him, THOU FOOL, this night thy soul shall be required of thee: then whose shall those things be, which thou hast provided? So is he that layeth up treasure for himself, and is NOT RICH TOWARD GOD.”*** That is why I asked, if God calls for the life of Mr. X tonight, what does he have? That would be the end of all that he has! He is certainly not going to appear before God and say: *“I was the greatest friend to the President of my country, and I built the richest computer corporations in the world, that is Microsoft and Apple from scratch!”* That is

meaningless to God! God does not care for the conglomerates of Microsoft or Apple, no more than he cares for cow dung! Come on! God created ALL THINGS! For as it is written: ***“The earth is the Lord's, and THE FULNESS THEREOF; the world, and they that dwell therein.”*** Ability is divine! So tell me, when a rich man dies, what does he have? What does he really have? He leaves all his prosperity behind, and in God's presence, as well as in God's record, there is not one single trace or account of all that prosperity; for it is absolutely earthly! They are mundane things, temporal things, and as such, they will be left far behind on earth! Yes! That is precisely why Psalm 49, verses 16-19 warns: ***“Be not thou afraid when one is made rich, when the glory of his house is increased; For when he dieth he shall carry nothing away: HIS GLORY SHALL NOT DESCEND AFTER HIM.”*** (That is serious food for thought! The Lord assures us unequivocally (clearly), that man's earthly glory, however great it may be, shall not descend after him to the other side. The Lord adds in verse 18):

***“Though while he lived he blessed his soul: and men will praise thee, when thou doest well to thyself.”*** (And that is true! However, the Lord concludes in verse 19): ***“He shall go to the generation of his fathers; THEY SHALL NEVER SEE LIGHT”*** OF LIFE. Thus saith the Lord God in His infallible Word! Brothers and sisters, all men's earthly glory and carnal accomplishments however great they may be, outside of the true knowledge and worship of God the Creator, is nothing but a waste of time, and a vexation of the spirit, for it is all vanity! It will all be left behind, and each man will stand before God as nothing, for indeed, they are a big nothing! The big names they have; the who-is-who that they know; the closeness they have to the Queen, and to the Prime Minister; their wining and dining with Ban Ki-moon, the Secretary of the United Nations, one on one, their earthly credentials, is all left far behind. There is no record of all that in heaven. So tell me, are they really prosperous men? Who is a prosperous man? Who is truly prosperous? Do not forget the serious warning Jesus gave in the parable

of the rich fool, for the Master declared that “... **he that layeth up treasure for himself, and IS NOT RICH TOWARD GOD**”, IS A BIG FOOL! Yes, he is! The pathetic thing about it is that he does not know that he is a fool, a big one at that: Because all he sees and considers is his enormous ability to make money! He is a wealthy man though, but it is only in material terms, which is ephemeral (short-lived)! On the other hand, when you look at a brother or a sister in this way of revealed faith, he can barely afford two square meals a day, and neither can he afford the money to change his shoes, which is old and worn; very old, and very worn. Even the shirt he has is not new; he has had it for a long time. He has just been washing it, ironing it, and putting it on, and with the effect of wear and tear, although it was a blue shirt when it was newly purchased, it is now almost white all around the collar, as the shirt itself has faded, although clean. And when people out there look at the poor brother, they will say: “Oh, what a wretched person!” But, No, he is not wretched at all, IF indeed his soul is adorned with the treasures, the wealth of

heaven! He is not poor but rich, IF he is rich in things of divine value, things of eternal value! He is very rich, IF his soul is richly decked with the revelation of life which Jesus Christ gives! He has true riches, if he is rich towards God! Now I show you a prosperous person! Now you see a truly rich person, because that person is laying up treasures where moths cannot eat, and where robbers cannot steal, and where hackers cannot break into; he is buying stocks that can never crash! He is laying up dividends that can never ever depreciate or be swindled, or hacked into! Eternal treasures are waiting for him up there in heaven, at the Judgment Seat of Christ, when we will have our eternal reward. That is why Jesus implored us in Matthew Chapter 6, verses 19-21, saying: “**Lay not up for yourselves treasures upon earth, where moth and rust doth corrupt, and where thieves break through and steal: But lay up for yourselves treasures in heaven, where neither moth nor rust doth corrupt, and where thieves do not break through nor steal: For where your treasure is,**

**there will your heart be also.**” The Lord added in verse 24: “**No man can serve two masters: for either he will hate the one, and love the other; or else he will hold to the one, and despise the other. YE CANNOT SERVE GOD AND MAMMON.**” This therefore requires a choice! But I encourage you, brothers and sisters, please keep sowing into the kingdom of God for eternal dividends; keep sowing into things of the Spirit, because it is when we get to the other side that you will see how prosperous you really are. Everything has its payday, and we can all see that this world is finished, and is now passing away. The Word of the Lord therefore implores us in Galatians Chapter 6, verses 7-10: “**Be not deceived; God is not mocked: for whatsoever a man soweth, that shall he also reap. For he that soweth to his flesh shall of the flesh reap corruption; but he that soweth to the Spirit shall of the Spirit reap life everlasting. And let us not be weary in well doing: for in due season we shall reap, if we faint not. As we have therefore opportunity, let us do good unto all men,**

**ESPECIALLY UNTO THEM WHO ARE OF THE HOUSEHOLD OF FAITH.**

Hebrews Chapter 6, verse 10 also adds: ***“For God is not unrighteous to forget your work and labour of love, which ye have shewed toward His name, in that ye have ministered to the saints, and do minister.”*** Church, it is just a few more days to go; a few more days to labour and wait, and the Master will come, and our coronation hour then arrives. And when it is our coronation day, the day when we come before the Judgment Seat of Jesus Christ our Master to receive our reward, up there in heaven, when we go up at the rapture, then you will see who is truly rich; you will see who is truly prosperous. Saints, that brother whom a lot of people look down upon, (and I am speaking generally now to encourage brethren facing adversities); a brother whom even brethren sometimes hardly greet, because he amounts to nothing in an earthly way, for he has nothing, being very poor, on the other side, he may be set over Nations in the Millennium. Now he is occupying a very different position in the

Millennium, for a whole thousand years! But on this side, he has nothing, and he can hardly change his sandals. That is precisely why we do not relate to people based on whether they have money or not, whether they are rich or poor. Our relationship with one another has absolutely nothing to do with that! When we see the love of Christ in your heart for the Word of God, how we love you, because that is what we price the most! It is what we hold most precious! That is precisely why the love of the truth of Jesus Christ is the divine binding cord for the elect seeds of God. Hence Apostle John declared in 1 John Chapter 5, verses 1-2: ***“Whosoever believeth that Jesus is the Christ is born of God: and every one that loveth him that begat loveth him also that is begotten of him. By this we know that we love the children of God, WHEN WE LOVE GOD, AND KEEP HIS COMMANDMENTS.”*** Did you hear that? Church, Saint Paul declared that our love for one another is determined by our love for God and His Word, because it is absolutely impossible not to love someone who loves God

and His Word, which we love the most! Exactly! I am simply making a point, for I am trying to show you the real prosperity, true prosperity; for true prosperity is spiritual prosperity, one which is of the soul, because it is one that is eternal, having eternal value. Do not forget the message of comfort Jesus Christ gave to one of the church ages in their tribulation and extreme poverty. He said to the Smyrnaean Church in the Book of Revelation Chapter 2, verse 9: ***“I know thy works, and tribulation, and poverty, (BUT THOU ART RICH)...”*** Brothers and sisters, God sees your poverty; he sees your lack and your struggles; he knows that you have nothing of this world's goods that can make you anything; he knows that things are hard for you. Nonetheless, the Master says, ***“But thou art rich!”*** We are speaking of true riches, and that is what we are seriously concerned about; that is all we care for in this mortal life. We are all out for true enduring riches. Let me also encourage your hearts with the testimony of the Word of God recorded in the Book of Hebrews, which speaks

concerning poor saints just like you, saints who made it into God's Hall of Fame, just as verses 24-38 recounts: ***"By faith Moses, when he was come to years, refused to be called the son of Pharaoh's daughter; Choosing rather to suffer affliction with the people of God, than to enjoy THE PLEASURES OF SIN FOR A SEASON; Esteeming the reproach of Christ greater riches than the treasures in Egypt: for he had respect unto the recompence of the reward. By faith he forsook Egypt, not fearing the wrath of the king: for he endured, as seeing Him who is invisible. Through faith he kept the passover, and the sprinkling of blood, lest he that destroyed the firstborn should touch them. By faith they passed through the Red sea as by dry land: which the Egyptians assaying to do were drowned. By faith the walls of Jericho fell down, after they were compassed about seven days. By faith the harlot Rahab perished not with them that believed not, when she had received the spies with peace. And what shall I more say? for the time would fail me to***

***tell of Gedeon, and of Barak, and of Samson, and of Jephthae; of David also, and Samuel, and of the prophets: Who through faith subdued kingdoms, wrought righteousness, obtained promises, stopped the mouths of lions, Quenched the violence of fire, escaped the edge of the sword, out of weakness were made strong, waxed valiant in fight, turned to flight the armies of the aliens. Women received their dead raised to life again: and others were tortured, not accepting deliverance; that they might obtain a better resurrection: And others had trial of cruel mockings and scourgings, yea, moreover of bonds and imprisonment: They were stoned, they were sawn asunder, were tempted, were slain with the sword: they wandered about in sheepskins and goatskins; being destitute, afflicted, tormented; (OF WHOM THE WORLD WAS NOT WORTHY:) they wandered in deserts, and in mountains, and in dens and caves of the earth."*** But they are the

true heroes of faith, God's chosen elites! They are the elect seeds of the Lord that were expressed in true humbleness on the earth! I show you the truly prosperous people of the earth! Yes! They were ALL rich towards God, every last one of them! Halleluiah!

Church, the Holy Bible reveals in Proverbs Chapter 1, verse 32, that ***"... the turning away of the simple shall slay them, and THE PROSPERITY OF FOOLS SHALL DESTROY THEM."*** This is so, because carnal people look at things from a carnal perspective. They do not know where true riches lie; where their prosperity lies; and what would give them true prosperity. They do not know anything about true prosperity. And that is what the ministry of the bride of Christ will lay before the bride saints, in order to make them understand true riches, true prosperity, and make them get themselves bejeweled (adorned) with the rich ornaments of heaven, divine riches which are sublime (invaluable and supreme), for they are eternal. By adorning our

souls with spiritual treasures, we are made truly and extremely rich, for we are made rich where it matters, being eternal, for we are possessing riches that will endure through all eternity. On the other hand, the prosperity of fools will destroy them, because they think that everything is cool and good, and that everything is wonderful, for they have amassed enormous wealth, and they can afford the good things of life, all which are ephemeral (transient; temporal), because they are carnal or earthly! So the real question is: How do you look at things? How do you look at prosperity? How do you consider riches? What do you consider as riches? That is the bottom line! Because how you look at riches and prosperity will determine your attitude to life, this fading life, for as it written in Hebrews Chapter 13, verse 14: ***“For here have we no continuing”*** (or abiding) ***“city, but we seek one to come.”*** That is an absolute fact! We are therefore pilgrims and strangers here on the earth, for we are citizens of heaven above, citizens of the New Jerusalem, the heavenly Jerusalem, and hence, we

are quietly and earnestly making our way back home. That is precisely why we are a spiritually minded people, whilst the people of the world are a carnally minded people, which means that they are earthly minded people. As Apostle Paul stated in the Book of Romans Chapter 8, verses 5-9: ***“For they that are after the flesh do mind the things of the flesh; but they that are after the Spirit the things of the Spirit. For to be carnally minded is death; but to be spiritually minded is life and peace. Because the carnal mind is enmity against God: FOR IT IS NOT SUBJECT TO THE LAW OF GOD, neither indeed can be. So then they that are in the flesh cannot please God. But ye are not IN the flesh, but IN the Spirit, IF SO BE THAT THE SPIRIT OF GOD DWELL IN YOU. Now if any man have not the Spirit of Christ, he is none of his.*”** And because we are in the Spirit, is precisely why we look at life differently, being spiritually minded. So when we look at Proverbs Chapter 1, verse 32, which speaks of the prosperity of fools, yes, it is a scriptural fact that a person can be a fool, a very

big fool, and be greatly prosperous, exceedingly prosperous and famous. God is simply acknowledging: *“Although you are prosperous, you are just a fool, and your prosperity is going to be the means of your destruction; it will be the means of your damnation; which is why you do not yet know that you are a fool.”* Saints, we do not want to be in that shoe. That is why we have taken this verse of Scripture, and joined it with that of the serpent seed, recorded in Genesis Chapter 3, verse 15, to give us the message we are taking tonight, titled, *THE PROSPERITY OF SERPENT SEEDS*. Saints, it is a notorious fact that as we speak tonight, the world is filled with serpent seeds galore, seeds whose roots stem from the conception recorded in the Garden of Eden, a conception which God shrouded in mystery. Now today, at this end time, the two streams of humanity are once again expressed in the earth: The seeds of the serpent, and the seeds of God. But the seeds of the serpent abound much more in the earth, and they are very prosperous, extremely prosperous. As a matter of

fact, they are the ones that are the most prosperous, earthly speaking! Therefore, stepping up our message a little notch higher, I want you to know undoubtedly tonight, that it is the prosperity of serpent seeds that will be the means of their destruction, for they are stupendously (astonishingly and incredibly) prosperous. The very prosperity which serpent seeds have today, the things that they make boast of, the things they pride themselves in, the things that make them feel so big and so great, is exactly what will be the means of their damnation and destruction, because they are nothing! They are absolutely nothing before Jehovah God! Please come with me to Genesis Chapter 4, and we will take it from verse 16, which simply records: **“And Cain went out from the presence of the LORD, and dwelt in the land of Nod, on the east of Eden.”** May I say this: May we never go out from the presence of the Lord! That is my sincere and honest prayer for each and every one of you tonight. You may leave this building tonight, and most certainly, you will leave this building tonight,

except you are part of this household; but although you leave this building, may you never leave the presence of the Lord. I say that because when a person leaves the presence of God, that is it, for he is finished! He may do this and that, and he may accomplish this and that, but at the end of the day, all that is nothing, and it avails nothing, for he is nothing to start with! When a man cuts himself off from the source of his existence, the only source of his existence, and the source of his life sustenance, which is God Almighty the Creator, he becomes a first class fool, a spiritual vagabond, and as it is written: **“For the turning away of the simple shall slay them, and THE PROSPERITY OF FOOLS SHALL DESTROY THEM”**. We cannot afford to part ways with our Maker, for we did not make ourselves, and as such, we owe our Creator, the Lord God Almighty, our life, our very existence! Therefore, we must live for Him, worshipping Him with our whole heart and life, for He is Everything to us, and we are nothing! Only a fool parts ways with His Creator! Only a fool goes

out of His presence unperturbed! Only a fool denies and defies the laws of God, natural and or spiritual! Only a fool perverts and destroys the ways of God! And only a fool denies and defies the knowledge of God! For as it is infallibly written in Psalm 53, verse 1: **“THE FOOL hath said in his heart”**, (and is evidenced by his actions and or words, that) **“There is no God. Corrupt are they, and have done ABOMINABLE INIQUITY...”** Brothers and sisters, when a man leaves the presence of the Lord, he becomes a spiritual outlaw, a vagabond, and a first class fool! Genesis Chapter 4, verse 16 records: **“And Cain went out from the presence of the Lord, and dwelt in the land of NOD, on the east of Eden.”** The land of Nod or Noddywood, just like Hollywood in Los Angeles, California, which is the cesspool of the world, (the corrupters of the world), or Bollywood in India, or Nollywood in Nigeria, was an area which Cain, the seed of the serpent, developed and built up as his main base, for that was where he settled. And there, he started to raise up daughters whom Satan his

vicarious father used to seduce and defile the genetic purity of the sons of God, through mixed marriages, sons of God which gives us the lineage of Seth, the appointed seed of Adam, following the wicked killing of Abel. Brothers and sisters, the way of dressing of **“the daughters of men”**; the way of dressing of the Cainite daughters in Noddywood in that day, was something else! It is very similar to the naked flesh being shamelessly paraded on the streets of this modern world, for the women of today are nothing but plain prostitutes, for it is nothing but a show of breasts, thighs, and what-have-you! Their shameless and most seductive way of dressing and walking in that day, caused a lot of sexual promiscuity, for the spirit of lust was cast on men on a wholesale scale, until even the sons of God could not have enough of them, but as it is written, **“they took them WIVES of all which they chose.”** Genesis Chapter 6, which gives us a climax of the evil activities of the serpent seed daughters in the land of Nod, records in verses 1-2: **“And it came to pass,**

**when MEN”** (who are serpent seeds), **“began to multiply on the face of the earth, and daughters were born unto them, That the SONS OF GOD”** (who are Adam's seeds), **“saw the daughters of men that they were fair; AND THEY TOOK THEM WIVES OF ALL WHICH THEY CHOSE.”** Saints, immorality and sexual promiscuity was spread by the daughters born to the serpent seeds in Noddywood, the land of Nod. Coming back to Genesis Chapter 4, verse 16 which states: **“And Cain went out from the presence of the Lord, and dwelt in the land of Nod, on the east of Eden. And Cain knew his wife; and she conceived, and bare ENOCH...”** Before the lineage of the sons of God could produce an Enoch, Satan produced his own Enoch first, for he always runs ahead of God, producing his counterfeit. That is all he knows to do! How many see it? Verse 17 continued: **“and he builded a city, and called the name of the city, after the name of his son, Enoch.”** Please note that he did not build a town; and it was not a village that he built: he built a city. Let us

hold it there, because we are not going to rush this message. He built a city. Who built a city? Cain, the seed of the serpent, along with his lineage! This gives us the first city builders ever on planet earth.

Brothers and sisters, it is therefore an incontrovertible scriptural fact, that the lineage of serpent seeds were the first city builders on this planet. Think about it! Remember that we are talking about *The Prosperity of Serpent Seeds*. And we are saying that the very first city that was built on planet earth, was built by serpent seeds! You can only imagine the technology that went into it; the construction and engineering ability they had in that day, which made it possible, way back then in Genesis! These were Cain's lineage, and see just how prosperous they became, giving the world its very first civilization! Do not forget that prior to this time, the Lord had invested in their progenitor, the serpent, a great endowment of agricultural knowledge, the ability to work the land, and play with plants, and make crops blossom with his touch, as Adam's servant-gardener,

before he was stripped and transformed into a snake, becoming the species of snakes called the Boa family, the chief of which is the Anaconda, at the Judgment bar in Genesis Chapter 3! Hence, it is written concerning Adam in Genesis Chapter 3, verse 23: ***“Therefore the Lord God sent him forth from the garden of Eden, TILL THE GROUND from whence he was taken”, as punishment*** for his disobedience, only because he had lost the serpent, who had efficiently and successfully worked the land for him prior to this time! Absolutely! The agricultural knowledge which the serpent had in his DNA, was therefore passed on to Cain, his seed, and this in turned was passed on to Cain's offspring, making the serpent seeds, a people who were highly intelligent, just as their progenitor, the serpent, who was a great sophist, very prosperous! We are giving a complete breakdown of Genesis Chapter 4, verse 17, which records that Cain built a city, the first city on this planet ever. We all know that there cannot be a city without city planning, the layout of streets, and other

related matters, for it takes great architectural and construction ability to design and construct a whole city, however small it may be. Do you know what goes into designing a city? It is not a hut we are looking at, but a whole city which Cain built from scratch! This proves undoubtedly, that since God put Adam and Eve here, the first civilization that was established on this planet was by serpent seeds. The first city builders were not the sons of God through Seth, but the Cainite lineage, the serpent seeds. This just lets you see how great in human terms, (earthly terms), the serpent seeds are, having great brains, great intellect, and with great abilities in natural human endeavours, bringing about great earthly accomplishments; but with absolutely nothing divine; nothing of God in them. I am not saying or implying that God's children cannot go into construction or architecture, for we cannot take things into extremes. I am simply showing you the carnal abilities and prosperity of serpent seeds! Full stop! And it was the prophet to this age whom the Lord first used to

open up the picture in Genesis Chapter 4, for the end time bride. The truth remains that the first city builders on this planet were the Cainite people, the serpent seeds. Consequently, it was the serpent seeds that established the first civilization on this planet, and you should all be able to see that most clearly, for it is very plain. There is no ambiguity or uncertainty about that, for the testimony of the infallible Word of God on this matter is as plain as day. So, the fact that they were city builders, and knowing that to construct a city takes a lot of things: Architectural designs; structural designs; engineering designs, for it demands computing the building projects with mathematical precision; quantity surveying, all sorts of things, lets us know without any iota of doubt that they were highly intellectual and successful people, earthly or carnally speaking. I do not have a clue to how much cement you must mix with sand in order to be able to build a house; what kind of steel to use to hold a two-story building. I do not know what the chemical properties of iron are. Yet,

the kind of structure that is to be put up, coupled with the kind of soil texture that the structure is to be built on, all determine the quality of the iron that will be used, because they are not all the same, and there are people with this knowledge. So you must read between the lines, and see a people that have big brains, smart Alexis, prosperous people, who made Industries boom in that day. Continuing on with our breakdown of Genesis Chapter 4, the Bible records in verse 18: ***“And Cain knew his wife”***, (who was his half-sister); ***“and she conceived, and bare Enoch: and he builded a city, and called the name of the city, after the name of his son, Enoch.”*** Ask yourself a question this evening: Why did Cain name this city after his own son? Cain was the builder of the city. He did not build it alone; he used his lineage to accomplish this feat, which gives us the lineage of the serpent seeds. But why did he build the city and not call it by his own name? Saints, it is a fact that men love to get glory to themselves; men love glory. That is why they can get musicians to sing praises of them, and all

sorts. And truly, if the price is right, they will sing praises of you in an album. But the point is this, church: If a man can build a whole city, and call it by the name of his son, that just shows how great the man himself is! If the city could be called by the name of his own son, that just lets you see how great the man himself is, for it is all about ego, the ego of Cain! He realized that it was better for him to call that city by the name of his own son, other than by his own name, because it would give more honour and prestige to him, for having the economic power, the capacity to build a whole city for his son! For people would then think, what if he was to build one for himself, how much more glorious would it be! That is how men think, and on account of his ego, he named the city after Enoch. It just creates the wow factor, for people would say: *“Wow, what a great man! So this city belongs to his son? I wonder what his own city would be like!”* Are you listening to me? It is like going to Arabia, and meeting people who love to do things on a spectacular and outlandish scale, and they show you the house of one of the princes of the

king. And when they open the spectacular golden gate, you wonder: *“Wow!”* You would then be wondering and imagining: *“What of the palace of the king himself?”* It is all for ego. Cain did it to glorify his name and image. It is just to add more glory to his name and his lineage in the world's estimation. It is a glory seeking move, pure and simple. And as the people of God, we do not seek for personal glory; we seek only for the honour and the glory of the Master, Jesus the Christ. That is why we are all brothers and sisters, and we are to relate to one another with mutual love and respect, because we are one; we are all brethren. There is only one great one in our midst, and that is Jesus the Christ. He is the only great one. All of us are nothing, beginning from the pulpit to the last person. The ways of God are humble. The children of God are humble people, living simple lives. They do not mind the high things; they mind the low things, because they walk in humility.

Consider these things, saints of God, for I am painting a picture, because we are looking at *THE*

*PROSPERITY OF SERPENT SEEDS.* I am making a point, that Cain called the city he built by the name of his own son, Enoch. But remember that this Enoch did not walk with God. He may have called him Enoch as much as he wanted, which name means “Dedicated”, but this Enoch did not walk with God, and he was certainly not dedicated to God, but to an earthly carnal existence without God. So he was not raptured or translated; he was “**found**”, because he went nowhere! It was only Adam's Enoch that was “**Not found**”, because as it is written, “**God had translated him**”, that he may cheat death; just as some of you listening to me today will also cheat death, for you are ordained for translation, as the bride of Jesus Christ, at the Master's mystical return. Amen! Brothers and sisters, this particular Enoch was earthbound, so he was found, for God did not translate him. I hope you understand what I mean by that. Verse 18: “**And unto Enoch was born Irad: and Irad begat Mehujael: and Mehujael begat Methusael: and Methusael begat Lamech.**” Again we see a

running ahead of God here, in the use of crucial names that God was also going to use for His own lineage, names like Lamech. Now watch verse 19: “**And Lamech**” (of the lineage of serpent seeds), “**took unto him TWO WIVES.**” What is that? Polygamy! Are you with me? Let me remind you that Cain's father, the serpent, Adam's servant, was the one that introduced illicit relationships into this world, for he introduced fornication to Eve; he fornicated with Eve, and the relationship produced Cain, for it was a relationship that took place when the cycle of life was at work in Eve. Brothers and sisters, that evil gene which Satan sowed in the serpent, was not only passed onto his offspring, it was now multiplied in his offspring. How many see the point? Cain's father, the serpent, introduced the illicit relationship to Eve, and his gene passed to Cain; Cain passed it on to his children, and the gene was multiplying. And if the condition is right, evil genes, which are inherently dominant, can only get stronger. You are not hearing me. Evil genes are very strong, very dominant.

And if the condition is right, they can only get stronger. Now with Lamech, what do we have? We have polygamy! It means in reality that through the lineage of serpent seeds, polygamy was also introduced to the earth, contrary to the will of God, added to the sin of fornication. Do not also forget that wholesale fornication was also going on in that day, for the Cainite daughters, who were serpent seeds, were seducing the lineage of Seth, who were sons of God! Verse 19: “**And Lamech took unto him two wives: the name of the one was Adah, and the name of the other Zillah.**” The name Adah means “*pleasure*”, the pleasure of this world; and Zillah means “*to hide*”. Hide from what? Hide from the presence of God! Combining the names of his two wives together, it simply means that Lamech was married to Pleasure and Hide. This lets you see that even his wives' names characterized his lifestyle, his whole life's existence; for there was absolutely nothing about the Creator in his life. He was a man given to wholesale pleasure, the enjoyment of

the world, and a man that had taken himself completely away from the presence of the Almighty God, being a spiritual fugitive and vagabond in the earth. Even his marriage conveys this revelation! No wonder he was a polygamist, for he was married to pleasure! No wonder the serpent seeds at this end time are also given to enjoyment galore, and unlimited pleasure! That is the first love of serpent seeds today, for they are also married to "Pleasure and Hide"! We are coming to it. Pleasure and Zillah; Adah and Zillah, and Zillah means "to hide", for they were a people hiding from God. It signifies the fact that Lamech was married and wholly given to pleasure, and as such, God was banished, hence Zillah! That lets you see a man whose life was strictly carnal, sensual, earthly, with nothing of God in his life; yet a prosperous man, who could accumulate wives. Remember that his lineage had stopped walking with God from the day Cain, their progenitor, walked away from the presence of God, and settled in Noddywood. That was the end of Cain's walk

with God. Whereas before then, he had a religious spirit; but now, even the toga (the covering) of religion he had thrown away, and had become completely earthly minded, not caring for his Maker. I said the toga of religion, that religious spirit, that religious covering that he initially had, he removed and threw it away, and walked away from the presence of God, nevermore to serve God. Everything was now solely a material thing for him, for it was now a matter of earthly accomplishments, becoming great, but without God. That was where he ceased calling upon God, and he went to start Noddywood, moving into the second phase in Satan's plan, which was to strike at the genetic purity of the lineage of the sons of God, the Sethites, by bringing about mixed marriages, between them and his daughters. And because Cain, the seed of the serpent, had parted ways with his Creator, he was now totally earth bound, extremely earthly minded. But he was going to be great, and make it big time, as if to prove to God that he does not need Him, and as if to say that without

God, he can still be something great! This was the tower he built in his mind, for it was his set objective. Therefore, he set out to establish the first civilization the planet would ever have, and he accomplished this, starting with the building of the city of Enoch, the first city. Church, I am only showing you tonight, the first civilization established on this planet, which gives us *THE PROSPERITY OF SERPENT SEEDS*. Brothers and sisters, as elect bride seeds of God, you should be able to know how to look at things, and also know what the day is saying; because things are happening around us; something is unfolding quietly in the earth. Open your eyes! Verse 20: "**And Adah**", (Lamech's first wife) "**bare Jabal**". All these Jabals, men who are "giants", men of renown, but who have no record with Elohim, the God of Israel. Let us go on: "**And Adah bare Jabal: he was the father of such as dwell in tents, and of such as have cattle.**" Brothers and sisters, this verse gives us nothing other than nomads, nomadic type people. It is conveying to us the

understanding that they were also nomads. So his lineage produced the first nomads, like the Arabian and Syrian Bedouins we have in the Middle East, who are desert dwellers. These Bedouins have now discovered oil (fossil fuel) in their land, and as such, things have changed. But originally, Bedouins lived in tents, and moved from place to place, never settling down anywhere, for they were nomadic type people. And God did not desire or plan that man would have no abiding place, living a nomadic life. Are you with me? For the bounds of the habitation of humanity and their nationhood had all been predetermined by God, before the foundation of the world. But not these nomads: They had no abiding place! They went up and down the whole place, living a nomadic life, and that is not God's will. Our equivalent today of this nomadic lifestyle, are our modern day gypsies (Roma people), originating from India. I am just showing you something, for everything about them just seems to oppose God and His will. Verse 21: ***“And his brother's name was Jubal: he was the father***

***of all such as HANDLE the harp and organ.”*** You are looking at musical maestros, men having great dexterity with instruments. When they handle the guitar or the keyboard, (the piano), they are something else. It gives you men like the Jimi Hendrix's of this world, who can even strum the guitar right from behind their backs! Brothers and sisters, they are musical wizards! Look at how the Bible worded it, for it is beautifully couched (worded): ***“...such as HANDLE the harp and organ.”*** That gives us dexterity! You have some people, they are so dexterous in playing the piano. I have seen it even in church, where they will play piano, mesmerizing the church. Sometimes, they would turn their back to the keyboard, and still continue playing the piano, and never miss a tune. I have seen it! They can do it from the front, and they can also back the piano, and still play Beethoven! Music maestros! Music wizards! Men who can even use their teeth to play instruments, for they are that good, that dexterous; and they can play anything! You just have to look at

them and marvel, and wonder: *“How are they able to do this?”* The Word of God is giving us the picture of great musicians of the world, world class musicians: Jimi Hendrix; Elvis Presley; Michael Jackson; Elton John; Lady Gaga, Kanye West: Carnal creatures of the earth; earthbound characters, people renowned, and very successful, but with absolutely nothing of God in their lives. This reminds me of this rock star, Mick Jagger, along with Keith Richards of the Rolling Stones. Brothers and sisters, all this rock music comes straight from the pit of hell, and it does not make any sense! It is the devil's music, and it is strictly for Satanists, which is why it glorifies Satan in its lyrics, as well as in its extremely loud and violent sound, for it is the music of lunatics! Just see how it affects the people; what it makes them do! With their studded leather jackets, they all jump up and down, screaming, clothes stripped, shaking their heads wildly, stupidly doped up and heavily drunk, carrying on just like people that have gone insane, for they are truly spiritually deranged! They

act like that because they are possessed by demons that are being called out from the pit of hell by that hellish music! Brothers and sisters, they change the atmosphere into something else!

The same goes for this black music called Hi-hop. It is music for mentally deranged people! And the demonic effect they have had on the African American youths, is something else! It has made them lose all their sense and attributes of decency, self-respect, and dignity, for they dress and look like hell! They do not care to have a good presentation of themselves, for they have no self-esteem, dressing, walking, and talking like lunatics! That hi-hop music culture has turned them into wearing stuff that makes them look like trash, with their ridiculously baggy pants (saggy trousers), slipping down to the ground, revealing their underwear, trousers worn with bulky trainers, folding over and sweeping the ground, and with an array of big chains hanging down their necks, and with tattoos all over their arms, necks, and faces, and with

their caps turned backwards, or with a scarf on their heads; they are nothing but fallen angels from the pit of hell! Come on! These people have brain damage! But these hip-hop stars are making mega bucks, just like the rock stars, and are acclaimed by the world. And that is all they care about: Money and fame, for with it comes all the carnal good things of life. Verse 21 **“... Jubal: he was the father of all such as handle the harp and organ.”** As I pointed out earlier, that is musical dexterity which musical maestros have. These are the people that teach music, all sorts of music, and music instruments, for they are masters. They are the organizers of rock concerts that pack the cities. Look at the days of the Rolling stones and the Beatles; the days of Elvis Presley. Parks were packed in with hundreds of thousands of people! People did not go home for the duration of these concerts, and they were falling under “anointing”, fainting just to see these stars on stage! Brothers and sisters, I am showing you the lineage of the

serpent, the Cainite line, the serpent seeds, and the kind of world they created in that day, because we are taking a journey through time, beginning with the first civilization ever established on this planet, and we are bringing it right up to this end time. Look at verse 22: **“And Zillah”,** (Lamech's second wife), **“she also bare Tubalcain...”** Look at what the Bible says of this Tubalcain: **“... an instructor of EVERY artificer in brass and iron.”** Hold it there! When the Bible calls him **“an instructor of every artificer”,** (which is an instructor in every cunning or crafty works, involving, or) **“in brass and iron”,** that lets you see an engineer par excellence, a man who can teach other people to become first class engineers. How many see the point? You are looking at master engineers who can establish schools of Engineering, and produce world class engineers, for they work with brass and iron! Please note that this is the testimony of God in His Word, and it was given to Moses by divine inspiration, because Moses was not there in that

day, when Tubalcain was here! That was what Moses was doing up there on the mountain, when he went before God for forty days and forty nights! What do you think he was doing? Sleeping? No, sorry! God was conveying the revelation of the mysteries in the garden to him, amongst other revelations! The fact that the Word of God records that Tubalcain was “... ***an INSTRUCTOR of every artificer in brass and iron***”, lets us know that he was a man that could do all manner of work with brass and iron, however difficult and tricky the work may be, whether it requires bending steel, using it for whatever kind of construction that was needed. He could do anything, for you are looking at intellectual wizards. And they still abound in the earth today as we speak, for these are the sorts who design Jet Planes and Space shuttles, complex bridges and sky scrapers, for they are engineering wizards! But unfortunately, they have nothing of God in them! And as smart as they are, for they are men who can design anything for you, yet, they are totally devoid of the knowledge of God,

being aliens to God! However, if a moon rocket has a problem, whether it is an engineering or an electrical problem or another, you will see them work it out, for they know just how to fix it, as they are highly intelligent characters! And from right here on earth, they will fix the problem on a space shuttle that is on Mars! Of course I have already brought it to our day in application, because I just want you to relate to something back there, for the spiritual condition of the people is the same! Great brains, bright minds, wizards in human earthly endeavours, the world's think tanks, but with no God! Serpent seeds! Saints, I am showing you the genesis of something; because it is easy to read it in two or three minutes and be done with it, without taking in the seriousness of the revelation contained in the Seed Chapter of the Word of God, for it sets the platform for this end time. Of course it does! Do not forget that we are speaking of ***THE PROSPERITY OF SERPENT SEEDS***. Verse 22: “***And Zillah, she also bare Tubalcain, an instructor of every artificer in brass and***

***iron...***” This lets us see that there is no metal that man had discovered in his day, which he could not use to produce anything, however technical, and however difficult. Are you with me? That is what it means! Where did they get that knowledge, even though it was temporal, being earthly knowledge, one which was totally devoid of the knowledge of God? The serpent seeds were the music maestros of those days, the musicians of world acclaim, “***men of renown***”, super stars and celebrities they are called today, men who make the people marvel at their musical prowess or ability. They can also write or compose lyrics, music, and organize great concerts, for anything about music is their field. They were also the architects, construction and structural engineers, engineers of all sorts. The point is: Where did they get that knowledge? I have to ask because as great as their abilities were in that day, there was nothing of God in it, and there was nothing about God in their lives. With all their knowing; with all their great abilities and accomplishments, they knew no more of God than a dog knows of Mars!

And you know that no dog has been to Mars, and as such, no dog knows anything about Mars. The fact is, with all the intellectual advancement they were having in earthly accomplishments, becoming great business moguls and world acclaimed think-tanks, and Physicists like Stephen Hawking, so also, sexual promiscuity, seduction, polygamy, revelry in musical jamborees, murder, and what have you, was going on in their lineage. And nobody thought anything of all these evil in that lineage, for it was the norm for them, for after all, they were serpent seeds! They were meant to accomplish great things, and enjoy themselves whilst this world lasts, and then die, as is the manner of all men, without a thought of life hereafter. Verse 22B: **“... and the sister of Tubalcain was Naamah.”** Now watch verse 23: **“And Lamech said unto his wives, Adah and Zillah, Hear my voice; ye wives of Lamech, hearken unto my speech: for I have slain a man to my wounding, and a young man to my hurt.”** Lamech by his admission here,

committed manslaughter. No, he did not mean to kill the man; but nevertheless, Lamech made the declaration as if it was a coronation speech he was giving; like he was campaigning for election; like it was wonderful news he was giving. I want you to see something. He said: *“Oh, my wives, please come. I want to make a speech. Let me tell you today, and hear me well. I killed a man today, and it was my fault”*, like it was something wonderful! There was no remorse in his admission, no conviction of anything! Does that sad event require a speech? So if you, by accident, commit manslaughter with your car, for instance, are you going to get home and say, *“My family, come and hear my speech”*? Why would you do that? That just shows us that this guy had no conviction of anything; no care for the man he had just killed, and he definitely had no care for the family of that man! Where do these kinds of people, that have no conscience, no milk of kindness, come from? What makes a man so mean? You have to see that he has to come from another lineage, other than

God's lineage, because none of those attributes are of God! They are actually anti-God! It has got to come from Lucifer, because Lucifer is the king of chaos, and disorder, and evil. Every evil started with Lucifer, including the first lie ever told on this planet. So these are attributes that have been passed on to serpent seeds, for they are Satan's vicarious children, earth bound people; earthly minded people, people without a thought of heaven, for they have no hereafter with God. But how great and prosperous they can be in temporal terms, and strictly in earthly terms!

Verse 23: **“And Lamech said unto his wives, Adah and Zillah, Hear my voice; ye wives of Lamech, hearken unto my speech: for I have slain a man to my wounding, and a young man to my hurt.”** It looked like he was saying that he was the worse for it. But did he really believe that? Did he really believe that it was to his wounding and to his hurt? If he believed that, what about the next verse? The next verse just nullifies what he just said. So what he said here was just in

sarcasm; it was spoken nonchalantly. The man was making jest! The next verse just nullifies what he said here. So it lets us see that he was just being sarcastic, because the life he took, even though he did not mean to do so, did not make a difference to him, for he was not remorseful that an innocent life had been lost accidentally, and that he had brought untold grief to the members of the man's family! Why do I say that? Look at what he says next in verse 24: ***"If Cain shall be avenged sevenfold, truly Lamech seventy and sevenfold."*** Now where is his remorse? The man did not care! He was talking about himself that he would be avenged seventy fold more than Cain. He went straight to Cain's case, a man who exhibited a trait that is beyond human description, and used it to comfort himself, without any prick of conscience. Let us now go back to see Cain's evil character, and we will see how they truly are kindred spirits, being of the same lineage, chips of the old block. After all, Lamech was Cain's great great grandson! Cain killed Abel, his half-brother, in cold blood, callously, all out

of godless envy and jealousy. The Scriptures recount from verse 8: ***"And Cain talked with Abel his brother: and it came to pass, when they were in the field, that Cain rose up against Abel his brother, and slew him"***, (knowingly and premeditatedly, and hence wickedly). ***"And the Lord said unto Cain, Where is Abel thy brother? And he said, I KNOW NOT..."*** It is like when a person denies what he knows he has committed deliberately, but is still defiant about it, turning his eyes away from God, saying: *"I don't know."* He knew quite alright, for he had hacked his brother to death for nothing! And he did it all out of hate, baseless hate, just as the blacks in America are being shot every day by the American police with impunity, all because of their skin colour! You do not know what? Cain even had the audacity to ask God in the same verse: ***"Am I my brother's keeper?"*** Of course he is! We are our brother's keeper! The Lord now responded to him in verses 10-12: ***"And He"*** (God) ***"said, What hast thou done? the voice of thy brother's blood crieth unto me from the ground."***

***And now art thou cursed from the earth, which hath opened her mouth to receive thy brother's blood from thy hand; When thou tillest the ground, it shall not henceforth yield unto thee her strength; a fugitive and a vagabond shalt thou be in the earth."*** God turned him into a spiritual fugitive and vagabond, nevermore to enter the presence of God. Verse 13: ***"And Cain said unto the Lord, My punishment is greater than I can bear."*** Rather than being remorseful for his dastardly crime, he was telling God: *"This punishment is too much!"* Who was he to say that? How dare he open his mouth to utter such nonsense! What impudence this serpent seed had! Almighty God spoke in judgment, and he could open his dirty mouth to say it was too much! You know that he would have had to die that day, if not that God had to let Satan continue in his evil plan, because God would use it; otherwise he would have died right there and then. But if he did, that would have been the end of the seed of the serpent seed, Lucifer's vicarious seed.

And how would the prophecy of God concerning the serpent bruiser be fulfilled? Therefore, God had to let Lucifer continue in his plan, by overlooking the utter impudence of his seed. God needed Satan to carry on, the Lord knowing that He was one step ahead of everything Lucifer wanted to accomplish. And let me tell you tonight, God is always a step ahead of Satan and all his hosts, in ALL that he is allowed to do. God always allows him to a set measure, but it is only for a while, and also in order to accomplish certain objectives of God, which said objectives are sovereign, and as such, will always prevail, because God cannot be defeated in ANY of His counsels. Consequently, be assured, brothers and sisters, that the Lord's will for your life will also prevail, for our God does not fail, and He is most faithful. Whatsoever He has promised, that is exactly what He will do, for He is the Lord God Almighty. So Cain protested in verses 13-14: ***“And Cain said unto the LORD, My punishment is greater than I can bear. Behold, thou hast driven me out this day from the***

***face of the earth; and from thy face shall I be hid; and I shall be a fugitive and a vagabond in the earth; and it shall come to pass, that every one that findeth me shall slay me.”*** The guy is even complaining! No remorse! He just killed his brother in cold blood, a brother that did him no harm whatsoever; a brother that loved him, and who, no doubt, would have given him every support he needed at that time, that he may offer the right sacrifice; a brother, who, no doubt, must have appealed to him, saying: *“My brother, look at this offering sincerely, for it has to do with our parents' fall from grace. As such, on account of sin, it is a blood sacrifice that God demands. God showed it to me yesterday. I have the revelation of it. See, fire came down from heaven and consumed my sacrifice, showing plainly that I have the truth of this matter. My brother, do the same; COME BY BLOOD, and God will accept your sacrifice as well.”* But rather than appreciate the good and true counsel and plea of Abel, he developed hatred for his brother. And ask me, what did his brother do to him but love

him? He should have been happy! Even if he did not know the kind of offering God required, he should have been happy that at least he had a brother that carried the revelation of God to show him the right way. It did not call for jealousy; it did not call for envy; and it certainly did not call for hatred; it called for appreciation, that he had a brother that could do this for him. Saints, it is enough that you have a brother who can see, and who also has the ability to lay out the truth with scriptural precision for the edification of the body, by the enablement of God's grace. The man in Singapore should have been happy that he had a brother in Raymond Jackson, a man who could see what he could not see, and say, *“Oh my brother, I thought it was a true revelation I was carrying, but I can now see that I am wrong, having read the beautiful and most scriptural exposition you gave on this matter, as laid out in the Contender Magazine. I will stand with you in the light.”* But no, he did not, for he had to be the one carrying the light! He wanted to be it! Come on! He wanted to be the one! Pure ambition, and the

desire to also be recognized as something, would not let him follow the man God was using to carry the light of His Word for the universal body of saints in that day, the man who was the chief apostle! Hence he wrote in one of his books which I have at home, words which amount to this: *"There is a man that I am standing with. I receive his revelations, but he does not want to receive mine."* But is revelation a matter of reciprocity? Is it a matter of, if I receive your revelation, you should also receive mine, even if it is spiritual junk? Why would he not be happy that God raised up a man to show us the way? Why would he not be happy for that? Why must he be the one to show us the way? Thank God He sent a man to show us the way! Thank God for the chief apostle! Thank God for Raymond Jackson! And when I logged on to the ministry of Brother Jackson, I was glad, for in his Continuity Message I found a goldmine! Cain should have been happy that he had a brother who could see, and who could help him see the way of life! But instead, envy and jealousy, and hatred, which certainly had no basis, took

over his life! He had to be the one to see, otherwise, nobody else saw anything, for he was not going to accept anybody else! And if the lie he peddled as truth was not accepted by God, then, away with the truth! That was the horrible attitude of Cain! Moreover, the man who could see just had to die, all out of Cain's evil ambition and godless jealousy! He probably thought that it should have been him, because he came first in time, as if age and longevity of life has anything to do with truth, and also, as if it has anything to do with the sovereign choice of God! And on this account, he killed Abel without any prick of conscience! And now he has to face an eternity away from God, for the White Throne Judgment is awaiting him, after which he will be thrown into the Lake of Fire! My!

This reminds me of an encounter I had with a fellow ministering brother from Ghana, in April 2004. For the sake of this message, and out of respect, I will not mention his name. But he visited Faith Assembly at the Spring Convention in 2004 before Brother Jackson

passed away. Seeing that he was a fellow ministering brother from Africa in that Convention, himself, myself, and Deva Govender, I decided to say hello to him in his room at the fellowship hall, before service that Saturday, for comradery (comradeship), and also to make him feel welcome. He said to me in the presence of his church elder whom he came with, words which amount to this: ***"Brother Amos, there is a grace of God upon your life, and there is a grace of God upon my life."*** I was just looking at him, because I was waiting to see where he was going with all that sweet talk. Because men know how to sweet talk, and if you are not careful, they will kill you with it. I was just waiting for him to land, for what has that got to do with what the Lord was doing in the earth in that day for His people? So he said: ***"Brother Amos, God has something for you, and God also has something for me."*** He said: ***"Look, as I am here now, I am just coming from Krefeld, Germany, where I attended Ewald Frank's Ministers' Convention, and I made useful contacts."*** So he

had left Krefeld, Germany, Ewald Frank's Ministers' Convention, to come directly to Brother Jackson's Convention, fellowshiping with two men who do not agree on issues of truth. My! I simply looked at him and thought to myself: *"What a spiritual prostitute; a man who eats on every table, and is a friend to all."* He said he made useful contacts in Germany. In other words, he went there, and he met a lot of ministers from all over Europe, and he linked up with them, getting their contacts. I just said to myself: *"Good for you! I am not interested in any useful contacts!"* With his useful contacts, he can start trotting all over the globe, ministering from place to place. But ask me, with what would he be running the roads? Running the roads with nothing; running on empty! This was just about two hours or so before the evening service on that day. He now added: ***"You followed Brother Branham. You do not need to follow another white man, for God has something for you for the people."*** I looked quizzically at the man, for I could not believe what I was hearing: For who cares

whether it is another white man! I do not care for race or colour: I only care for truth! The white man, Raymond Jackson, that I was following, had exactly what my soul needed to be prepared for the return of my Saviour, Jesus Christ, and now a fellow African ministering brother was telling me not to follow another white man, as if the issue of life has to do with the race or the colour of a man's skin! My! Who cares whether he is Black, White, Brown, or Yellow! And in order to drive his point home, he chided me for my firm and unwavering stand for Brother Jackson on account of truth, saying: ***"Brother Amos, I will remind you of the words of Apostle Paul to the Corinthians. He rebuked them for following one man, saying: Some say I am of Paul; some say I am of Apollos. But Paul told them, Ye are carnal."*** Applying the rebuke of Paul, the brother added: ***"Some say I am of Richard Gan; some say I am of Ewald Frank; and some say I am of Raymond Jackson. Apostle Paul said ye are all carnal."*** What was he trying to do? He was trying to get me away from

making a firm stand for Brother Jackson's revelation! And honestly, I had heard that Scripture used so many times over and over again, all carnally, for it was without any understanding of the application of the truth of that rebuke, and I was sick to my stomach and tired of hearing the carnal use of 1 Corinthians Chapter 3, that I was forced to reply him, with just one serious question. So I replied the brother: ***"I will just ask you this: IF Apollos was not standing for the truth of Apostle Paul; if Apollos was not standing for the same truth which Apostle Paul laid down for the body of saints, would he have given that rebuke to the Corinthians?"*** Because they would have been required to make a stand, a firm stand, for as it is written in the Book of Amos Chapter 3, verse 3: ***Two cannot walk together unless they be agreed on the strict basis of the Word of God!*** Saint Paul could give that rebuke only because Apollos was standing for the same truth that the Lord had used him (Paul) to establish for the Gentile church! Moreover, Apollos was a fruit of Saint

Paul's ministry, having been established upon his truth as well, for Apostle Paul bore the seed of life for the salvation of us Gentiles! Hence in verses 6-8, Apostle Paul declared: ***"I have planted"***, (as the seed bearer, the seed planter), ***"Apollos watered"***, (being a waterer of the seed); ***"but God gave the increase. So then neither is he that planteth any thing, neither he that watereth; but God that giveth the increase. Now he that planteth and he that watereth ARE ONE"*** (IN THE FAITH; ONE IN REVELATION; ONE IN THE MINISTRY): ***"and every man shall receive his own reward according to his own labour."*** Consequently, brothers and sisters, there was no need in that day for division in the followership of the ministry, for they were one in the ministry, being united in the revelation of truth. But if Apollos was standing against the truth of Paul, they would have had to choose whom to follow! They would have! So, I asked this brother in that day: ***"IF Apollos was not standing for the same truth which Apostle Paul***

***laid down for the body of saints, would he have given that rebuke to the Corinthians?"*** Then he realized that he had no reply, for his back was against the wall. And because he did not want to admit he was wrong in his application of the Corinthian Scripture, and in order to save face in the presence of his church elder with whom he had attended the Convention, he said to me: ***"Brother Amos, we are saying the same thing."*** He said that because he had no reply! But we were not saying the same thing! He was confounded, because he did not expect me to come out the way I did, because they had been using the Corinthian rebuke carnally for decades! But because I had heard that junk used over and over again, till I got sick of it, I was going to tear down that nonsense that day! So when he threw it at me, I gave him an answer he did not expect, because nobody had asked him what I asked him that day, for he had never been confronted with it before. So he said: ***"Brother Amos, we are saying the same thing."*** I said: ***"No, we are not saying the same thing,***

***because you used the example that some say I am of Jackson, some say I am of Gan, and some say I am of Ewald Frank, and these three men do not believe the same thing, which gives us a scenario which does not fit the Corinthian picture."*** I realized that he had no comeback; he had no answer. And further, I could see that he was feeling ashamed, because it was like I was shaming him up before his own church member, and so, I decided to let him off the hook, because it was not my intention or desire to shame him up. I now told him that day, I said: ***"Incidentally, my brother, these are some of the things that I will be laying forth in my message this evening."*** That was when I preached the sermon titled, *LOCATING GOD: THE VISITATION OF GOD*. I did not know that God was going to do what He did that evening, because during the service, there was first a prophecy, before Brother Jackson came to introduce me, when he made the declaration concerning the writing of the Last Chapter of the Book of Acts. I did not expect that, and it caught me totally by surprise. Yet,

the declaration passed over my head in that day. The same bother was also called to testify. And when he was testifying, he went to the Book of 1 Corinthians Chapter 9, and he read the Scripture where Apostle Paul declared in verse 2: ***“If I be not an apostle unto others, yet doubtless I am to you: for the seal of mine apostleship are ye in the Lord.”*** Then he said concerning Brother Jackson, words which amount to this: ***“If the world will not accept our brother here for what God has made him; if they will not accept you as an apostle, to us, you are an apostle.”*** My mouth dropped! Because under two hours earlier, he had just “crucified” Brother Jackson in the room, asking me not to follow him; not to follow another white man! I could not believe my ears! Wow! Human beings! Only God knows what is in their hearts! Just as the prophecy stated that night, that ***“the political man has established his agenda; but it shall have no effect”***, saints, indeed, this brother is nothing but a religious politician. However, little did I realise that a lot of the men sitting on the platform of Brother

Jackson in that day, were also nothing but “politicians”, men with their own agenda! The death of the chief apostle, and the developments thereafter, is what the Lord used to reveal their true state of mind, for they are men with secret motives, men with agendas which they kept to themselves, knowing that with the chief apostle on ground, they could do nothing against him, and not commit spiritual suicide. But the Lord saw each and every one of them! And where are they now with their agenda? They have been blown to the four winds!

Brothers and sisters, I say all that to make a point, so that we can learn from the situation of Cain. He did not have to have a revelation. And it was not possible for him to have a revelation, because he was a seed of the serpent. But he had opportunity. His brother could receive revelation, and as such, he should have supported his brother. You are not hearing me. He should have supported his brother, and be happy saying: ***“Thank God I have a brother that can show me the way, so that I can walk acceptably before my***

***Creator, being truly reconciled with Him.”*** He did not have to kill his brother! He had no reason to be angry with his brother; he had no reason to be jealous of his brother; he had no reason to hate his brother; and he definitely had no reason whatsoever to kill him. All he needed was to appreciate God for the grace upon his brother, and simply walk in the light of his brother, a revelation which God had openly and plainly vindicated! But no, his brother had to die, for he was a callous and heartless creature, a seed of the serpent! That was why he had no character, for he was just a serpent seed! May I also warn you that there is no point having a head full of knowledge; if what you are learning does not impact your character, you are going nowhere with it, for God has no time for hypocrites! And let me tell you this, I am not interested in how much understanding of the truth you have up there in your head: I want to see a life in you, a divine life! I want to see Jesus formed in you, that Jesus can be characterized in your life, and that you express Jesus to the world, as a true light that shines in darkness. I

want to see that your lives testify of the saving grace of God, one most humble, and without guile or hypocrisy, for God expects us to be men and women of honour and integrity! That is what I am interested in! Because as it is written: Knowledge puffs up, but true love, "**charity**", is what truly edifies; for it is what builds up! We are not the children of Cain; we are God's children. We are not serpent seeds; we are children of the light! Halleluiah! We are sons and daughters of God! So we are different, and we have to be different! Brothers and sisters, Cain did not have to be the "apostle", if you understand what I mean by that. In other words, he did not have to be the bearer of the light, for it was enough that God had shown him the true light which his brother possessed. But today, every idiot wants to be an apostle, and is an "apostle". A man who does not even have a platform to be a pastor, is already dreaming that his ministry is that of an apostle. I will tell you this: You will learn to crawl before you can start to run. Moreover, the way up is down, for as Proverbs Chapter 18, verse 12

declares: "**Before destruction the heart of man is haughty**", (proud; arrogant), "**and before honour IS HUMILITY.**" Therefore, if a man cannot have a humble attitude, he will self-eliminate. Let me tell you, people had prophecies that I was an apostle, ever before the chief apostle passed away, but I shut them down! December 2004, was when Brother Jackson passed away. Yet, about six months to his demise, specifically in the month of May of the same year, which was one month right after Brother Jackson's open declaration about me, a brother had a vision; not a dream, but a vision, that there were two camps of brethren; two lines of brethren were formed, and that there were also two men in front of the two lines, one man in front of each group, heading each group. Then the standard was taken from the man who was holding it, and it was given to me. And when the standard was given to me, he was asked in the vision: "**Which of the two lines are you going to follow now?**" And in that vision he also replied: "**I will follow Brother Amos, as much as the standard is in his hand; we are**

**safe.**" He said when he said that, the two camps now joined together, and formed one line behind me. Brothers and sisters, I climbed the pulpit the following service, and tore that vision down! I appreciated it, but I tore it down! And if you think it is a lie, it is on tape, and the title of the message is, **KEEPING FOCUS**. This was in the month of May, 2004. I climbed the pulpit and tore that projection to shreds, and I told them plainly and categorically that: "**I AM NOT AN APOSTLE!**" Moreover, I warned the brethren: "**Before you push me into the gutter, in order for me to learn the lesson of humility which God is trying to teach these men, I will "fight" you.**" Furthermore, I told the church that I am not saying that the brother did not see the vision; I am not denying that he saw the vision, and neither am I saying that it was Satan that showed him the vision. Nevertheless, it was a projection that I had serious problems with. To say that I was given "**The Standard**", when there is only one standard, which is THE STANDARD, and when we also knew for a scriptural fact that Brother

Jackson was the standard bearer; and further, when we also knew that the man was doing an excellent job, was a thought projection I needed to crush immediately and effectively! Because I saw it as the enemy wanting to destroy my life! I could not have taken the meaning of the standard in any other way, and definitely not in a personal way, for how many interpretations of **“the standard”** is there?! The standard is the standard! However, in spite of my absolute, unambiguous, and sincere rejection of that vision, did the vision not come to pass? It came to pass! Did God not take away Brother Jackson? God took him away! Did God not have mercy on me and give me something with which to help His elect bride seeds move on in the light? He did! So that vision was fulfilled, despite my negative attitude towards it, for my firm stand against it did not nullify it, because it was a true vision from God! However, the point is this. Why did I tear down that visional projection from the pulpit on that day? It was simply because such desires and ambition was not in my heart! Simple!

And when you do not have any inordinate ambition in your heart, there is no brother or sister that can give you any prophecy, vision, or dream that can put it there. As it is written of men in Proverbs Chapter 23, verse 7: **“FOR AS HE THINKETH IN HIS HEART, SO IS HE: Eat and drink, saith he to thee; but his heart is not with thee.”** It is all about the heart! It is when your heart is not right that even before somebody dreams that he saw you as an apostle, you are already jumping and jubilating for it, because it is in your heart! That is the truth! I should have jumped at that vision and been happy, but I turned it down, because I had no ounce of ambition in my heart! I did not explain the vision in such a way that I could still hold onto it, for humility and sincerity is God! I could see precisely what that visionary projection meant, and I was not going to have it! I was very happy and most content to have Brother Jackson lead us until the rapture, which was why I wrote the book titled: *HE THAT IS TO COME*, wherein I declared categorically that he would lead us to the rapture, for I sincerely believed that he

would! I did not have to be the leader; I was just happy that we had a brother that had enough grace of God upon his life to show us the way back to our Maker, that we may receive life everlasting! Period! What else could I want? It did not have to be me! Why would I want to take his place? Why would I want to outrun him? Why would I want to outshine him? Why would I not be happy for how the Lord was using him for us? Brothers and sisters, when your heart is right, even Satan cannot sow evil in it! That is a fact! I remember one time, I think it was early in Year 2004, when I suddenly received a call from Brother Jackson. I was in the church office with Brother Chris at that time, and I made a sign to him to be quiet, and whispered to him that Brother Jackson was on the line. Brother Jackson greeted me, and I appreciated him for taking the time to call me despite his busy schedule and heavy workload. He started talking about the Tim McKay and Rolf Strommen issue, saying: **“Brother Amos, I don't know what these people want.”** I replied him, saying: **“Sir, it is obvious that truth is**

***not enough for these men; but they want something more. Otherwise, they would have been very happy and content for the wonderful way God is using you to unveil the truth to us.*** I realized by his rhetorical statement that he was sad about the development of things, occasioned by the activities of these men. And in order to put a smile on his face that day, I told him: ***“Sir, do you remember one time in his old age, when David went to war, and he was almost killed by the enemy. But a young soldier quickly came to his rescue, and he was told that he was no longer to go to war, for they could not afford for the light of Israel to be snuffed out.”*** Then I added: ***“Sir, you have fought so much for us. It is now time for you to sit back and relax, and let us do all the fighting for you from now on.”*** He laughed with joy, and he thanked me for my kind words, and I too was happy, because God enabled me to put a smile on the face of His servant. That man went to his grave with joy in his heart, knowing that somebody knew precisely who he was

within the body of ministry, in God's plan of salvation, having laboured conscientiously and tirelessly for decades; somebody who also genuinely appreciated him, and who was not ashamed to stand openly for him, in the light of truth. Brother Jackson was certainly glad, and he died a happy and fulfilled man in the ministry, for he knew that his time was up. I give God all the glory, for He engineered everything, and everything has been by His grace. Blessed be the Lord, the Rock of our salvation. Amen!

Brothers and sisters, many decades ago when Brother Jackson went to Norway, to preach for the first time, he ministered to a group of people. But amongst the various ministers who cooperated to receive him in that meeting, only one man stood firmly for him. The rest contradicted what he preached, using the quotes of Brother Branham's sermons to stand against the revelation that Brother Jackson set before them by the Scriptures. Brother Jackson was disappointed by the development. However, one minister in

that day, Rolf Strommen, received Brother Jackson, and decided to stand for him, and that encouraged Brother Jackson. From that time, Brother Jackson would visit him in Norway, and then Brother Jackson would also bring him from Norway to the United States. Brother Jackson paid the bill for him to come, and also gave him the church van to use whenever he was in the States, fueled by Faith Assembly, and he would travel all over the States, visiting the various assemblies of the saints, all the way to Canada. The chief apostle did all this because he did not want to be the only man; because he was a humble man, and he believed in a fivefold ministry of men. I know the man personally, and so, I can speak authoritatively on him, all by the grace of God. So it is not a hand-me-down story that I will give concerning the chief apostle, for I am a witness of his ministry. I was there, and I was also privileged to sit under him, live, in his meetings, and also had personal sessions with him, one on one, over a few years, apart from the countless telephone conversations and letters

we exchanged! I followed his ministry for a total of thirteen years, from around January-February 1991 to 2004 December, the same number of years he also followed Brother Branham. Coming back to the issue of Rolf Strommen, Brother Strommen is a very nice and likeable brother; very jovial, and pleasant to be with. I tell you in all sincerity of heart, that he is a very nice brother. He went with Brother Jackson to Canada, to Russia, to the Philippines, to Mexico, and all over the globe, for Brother Jackson took him with him all over the world. Over time, his image had now been built up, for he had become a "biggie" in the ministry, within the followers of the Continuity light which Brother Jackson bore. In fact, when you spoke of Brother Jackson in that day, the next man people spoke about was Rolf Strommen, for his ministry stood out next to that of the chief apostle. Moreover, there was an undeniable grace of God upon the life of that brother, apart from the fact that he had a true gift of prophecy in those days. There was certainly a grace upon him, because I have been there, and have heard him

preach. That brother can open up the Scriptures in such a way that made you marvel. He had an unusual way of lifting certain Scriptures out of the Bible, and making it so plain, that it simply captivated your soul. I have cried like a baby hearing him preach! But there came a time when he went to Canada, and sisters began to give him dreams. The dreams began to come, suggesting that he should now stand on his own two feet, and be his own man, for he does not need to be led by another man. There was the case of a horse dream he was given, suggesting that he should now get on his own horse, and stuff like that, and the brother began to embrace dreams that were lifting up his flesh. Yet, I too was given dreams and visions which I tore down! You are not hearing me. I was given a vision, and I tore it down. Prior to that, I was given a prophecy by one sister: *"Thus saith the Lord, You are an apostle"*, and I told the sister, *"The spirit of the devil is speaking through you. Keep silent!"* Yes, I did that, because I never saw myself as an apostle! I never did, and I was not aspiring to be one! Why

would I look at the five folds of ministry, and go for the highest order? Come on! Why would I do that? Where would be my humility? So people began to give Rolf Strommen dreams and prophecies that were lifting up his flesh, and he fell for it. And that happens only because a man already has that desire within him, for it is all about ambition. As I stated earlier, if ambition is not there in your heart, there is nothing anybody can say or project that will make a difference. The fact is that he accepted these projections and was nurturing them. Then something happened unexpectedly, because God was going to bring everything out into the open. Saints, you must realise that none of us can run from God, and none of us can hide from Him either. The Lord will use circumstances to bring out what is held secretly in the hearts of men. So, something happened one day. Brother Jackson's wife suffered a medical condition that just changed everything for Brother Jackson, and as a result of this development, she became housebound. And because she followed

Brother Jackson all over creation, supporting him in the ministry, Brother Jackson decided: *"Now is my time to give support to my wife. She has been there for me all these many years. Now in her old age, and in this medical condition she is confined with, I have to be there for her."* In essence, it meant that his travelling days were over. When that happened, Rolf Strommen felt that Brother Jackson should have thrown in the towel, and handed over the baton to him. But on what basis? Because his wife was housebound, and Brother Jackson could not travel again? What about Apostle Paul, who when in prison, was still directing the affairs of the church? Come on! Why would any man think like that? That is not nice! So the man was thinking that Brother Jackson should hand over to him. That was where problems started, particularly with all the dreams he had been given! What Brother Strommen did not bargain for, was that although Brother Jackson could no longer travel around the globe as before, God would make it possible via another avenue, that His servant would still be

able to carry His light to the universal bride: He would still be able to speak to the universal bride directly from Jeffersonville! Then God inspired Jackie Marshall, (Brother Jackson's son-in-law, who is married to Sister Arlene), to put together the Internet platform for Brother Jackson, in the early days of the World Wide Web. That came out of the blues! And although Brother Jackson could no longer travel out from Jeffersonville, he could still address the universal bride right from his platform at Faith Assembly, live on the Internet! Rolf Strommen did not see that coming! Nobody saw it coming, for it was a master stroke, for God is always one step ahead! Brother Jackson then had to deal with the issue of tithes, having funded the trips of Rolf Strommen over the years, for he felt that the church in Verdal, Norway, was big enough to support his ministry, and there was need for the brethren over there to be paying their tithes! That put a dent in his ego, and he stopped coming to Faith Assembly for a while. Things were later compounded with the erroneous Jehu ministry

projections, a sad and a very divisive issue that Rolf Strommen was making, which was closely followed by the issue of Tim McKay, a man in the ministry who carried a harem of sisters with him everywhere he went to preach, and would not be corrected. Knowing all these developments, when the brother came in May 2004 with his vision of my bearing the standard, I had to tear it down, because I do not need to fall in the gutter, in order to learn the lesson of humility that God is seeking to teach other men. Why would I want to be the standard bearer? Are we going to kill Brother Jackson? That was how I saw it, and as such, I tore it down for my own spiritual sanity; because everything is not about the ministry, but about doing the will of God! Walking pleasing to one's Maker, strictly in the light of His revealed Word, is what really matters, for this is about eternal life! After all, if God will use you, He will use you. But He expects us to be humble, and to walk reverently before Him in the light. Brothers and sisters, I am just emphasizing the fact that we need to learn from Cain, and have a humble heart, and a

humble attitude, and appreciate our fellow brothers, for whatever grace of God has been bestowed upon them. I do not have to be the one used to do what is needful within the body, as long as God uses someone to supply that which is lacking, I should be happy about it. Let me also warn you now: There is none of us that is perfect. God is not using angels: God is using human beings, sinners saved by grace! Back home, there are people who knew me when I was just a little baby wetting the bed; people who knew me when I was born, and who watched over me, and also changed my nappy. However, I must ask: What has that got to do with the ministry? Nothing! But as far as some are concerned, because they know so much about your past life, God cannot be using you today in any way! Do you understand what I am trying to say? God is not using angels; He is using men who He picks from among the brethren! So the people He uses are not perfect people, but are people that have shortcomings, because they are human beings, sinners saved by grace!

However, it is very crucial to also point out though, that this does not take away the infallible and immutable requirement of God recorded in 1 Timothy Chapter 3, verse 7, for the men who desire to be in the ministry, as it is written: ***“Moreover he MUST have a good report of them which are without;”*** (how much more of those who are within the body); ***“lest he fall into reproach and snare of the devil.”*** I have to say this because there is a balance to everything, for we cannot use our imperfection to nullify the requirement of God for the men in the ministry. Nevertheless, and as I was saying, we are all sinners saved by grace, every last one of us, including those of us in the ministry. That simply means that from the crown of our heads to the soles of our feet, we are full of mistakes, for we are ALL mortals. Yes we err, and sometimes we misbehave, although it is with a pure heart, for it is with sincerity of heart, which makes us sincerely wrong; but we are wrong nevertheless! Brother Allen, I did something in one of the Conventions that I should never have done; and I did it in the open Convention!

Yet, God was speaking to me, trying to get me not to do it, but I was too set in my ways to listen. When I got up to do that thing, I stumbled the first time, and I caught my balance. Then I stumbled a second time, and I again caught myself. Saints, if I was sensitive enough to the voice of the Spirit that day, I should have known that I was not to go ahead with what I wanted to do, however well-meaning I may have been. That was God's way of telling me: ***“SIT DOWN!”*** It was God trying to tell me: ***“Do not do it; sit down my son!”*** But I was too set in my determination to do what I wanted to do, that I did not hear God at all, until I did it. And when I did it, I later realized that I should not have done it, for now I could see the negativity of it, the negative impact of it, and the fruits that later followed. I said to myself: ***“Oh my God, what have I done?”*** I will have to undo it, but it also has to be in another open Convention, for I must make right before God, and before His people, even though I did what I did out of a sincere heart. But it was wrong nonetheless, for the Lord did not want me to do it, and I should not have done it! Period! However,

the question is this: Why did that happen? It happened because I am not an angel, but a man; one full of mistakes! I am just like you, a sinner saved by grace. So if it is about mistakes, Brother Amos has a lot of that. If you are looking for mistakes, you will never follow the light: Because Peter had his mistakes; Paul had his; Noah had his; Moses had his; Abraham had his; and so did Isaac, Jacob, Joseph, David, Isaiah, Jonah, including Brother Branham, etc. I can go on naming them. Only Jesus was sinless! That is why he is our Master and Super model, and that is why we love him. Only Jesus is sinless, and there is none like him. Halleluiah!

Church, I have gone on a necessary digression, for we must also wash ourselves with the Word, and not only carry the revelation of mysteries and the deep things of God, forgetting to apply truth to our lives, that we may walk worthy before the Lord, for that is what is pleasing and acceptable to God. Now let us come back to the main focus of our message. We are speaking of *THE PROSPERITY OF*

*SERPENT SEEDS.* In Genesis Chapter 4, where Cain killed Abel, we see that he did not have to do it, because Abel did him no harm whatsoever, but rather, Abel ought to have been seen as a vessel of blessing, for he bore the true revelation of God. However, because Cain killed Abel senselessly and dastardly, out of sheer envy and jealousy, God pronounced the punishment we read earlier on him. And rather than show remorse for his horrible sin, incredibly, he complained that his punishment was too much, and also asked for God's divine protection, and God still helped him. Genesis Chapter 4, verses 14-15 records: ***“Behold, thou hast driven me out this day from the face of the earth; and from thy face shall I be hid; and I shall be a fugitive and a vagabond in the earth; and it shall come to pass, that every one that findeth me shall slay me. And the Lord said unto him, Therefore whosoever slayeth Cain, vengeance shall be taken on him sevenfold. And the Lord set A MARK upon Cain, lest any finding him should kill***

***him.”*** We have a message in the Scribe laying out the truth of the Mark of Cain. However, let us look at the end of the story; let us look at the end of the testimony of Cain's relationship with God. Verse 16: ***“And Cain went out from the presence of the LORD.”*** Brothers and sisters, when we look at Genesis Chapter 4, we see something in Cain's lineage, the lineage of serpent seeds. Cain himself was a man given totally to wickedness, having no ounce of righteousness in his life. He hated the truth, which is revealed truth, and you could not plead with him to stand for it, even if his own life depended upon it. He was a self-willed creature, one who offered God worship which was strictly out of his self-will, for he would not submit to the absolute rulership of the revealed Word. The truth, brothers and sisters, is that we either worship God strictly according to His revealed Word, which is His will, or not at all. Cain was a self-willed man, a self-willed worshipper, and as such, Abel could not make him stand for truth, however much he might have tried. When God also decided to come down,

pleading with Cain in verses 6-7 to come by blood, and having also sovereignly provided a lamb for him, Cain still would not give in to God! I said that God Himself came down and spoke to Cain, and God even provided an offering for him to use, but Cain, because of his wicked nature, being a seed of the serpent, would not submit to the rulership of the Word, even though the Lord pleaded with him, and also bore with him! That is not the nature of the Sons of God! And when I say the sons of God, it takes in the daughters of God as well. We may be in the wrong; we may err; we may initially hold to something that amounts to untruth; but when the true light flashes, as children of light, as sons and daughters of God, we bow to truth, and acknowledge that we are wrong, because we can see the light. We sincerely say: *"I am sorry, I was wrong. Now I see the light, for what has now been presented before me is the truth."* The Bible says that we can do nothing against the truth, but for the truth, for truth conquers all, being sovereign and infallible. Cain was a self-willed man, who would

never give God what God deserves and desires. That is why the Bible called his works **"Evil"**, because he hated the things of God. He wanted his own way, his own will, just like his father, Lucifer. The first produce of Satan, working through the Serpent, gave us Cain. He is a prototype, the first prototype of the Antichrist to come, for Cain was a man with a religious spirit, and only a religious spirit. He is that natural seed of the serpent through whom the spiritual seed of the serpent, **"the Man of sin"**, will eventually come. How he hated the truth of God! Not even God could make him follow the light! Think about it for a while tonight! And if you have true understanding; if you have a true knowledge of what your Creator is, what can He do to you that will make you part ways with Him? How can you part ways with your Maker, when it is by His very breath that you are living? Your ability to get up tomorrow morning rests in Him. If He says that there is no getting up for you tomorrow morning, you will not get up from your bed! How many people have gone to bed in the night, and in the morning when they woke up, they were

totally paralyzed, never again to move or even twitch a finger, and they become bedridden, and like mere vegetables. Glory and power belongs to God alone! The former Prime Minister of Israel, Ariel Sharon, was placed in a condition of a coma for years, because he divested Israel of a gain of God. Brothers and sisters, Cain is the seed of the serpent. Initially, he tried to walk with God; that was before he went from the presence of the Lord, for it was a mere attempt, an empty attempt, being self-willed, one completely devoid of the true revelation of life, which every serpent seed do not really care for. And this lets us know that Satan has two categories of children; two categories of serpent seeds: Those with a religious spirit, who go to church, and those who have no inkling whatsoever about God. But whatever the category, the spirit they possess and by which they are ruled, is the same, for they are carnal earthbound creatures. On the other hand, and by the grace of God, we are the seeds of righteousness. Saints, Everything evil was expressed in the lineage of the serpent seeds: Cold

murder; manslaughter; fornication; mass seduction; polygamy, revelry, you name it! And added to that, they built cities, and raised up a generation of world class builders; engineers; bankers; business moguls, (for we must also see business thriving in their world as well, for that is a basic everyday reality when we consider man's existence). They raised up world class scientists; architects; music stars; and everything looked wonderful in the land of Nod, for nobody considered the iniquitous things happening. All they saw and gloried in was their earthly achievements. And how their cities were booming; how they were enjoying life, or so they thought! They could say in that day: *"Sister X, have you been to the land of Nod, and seen the city of Enoch? It is a wow factor! If you see those buildings; if you see the roads; and the layout of the city, IT IS JUST beautiful! They look so lovely!"* Others would ask: *"Brother Y, where are you from? Where do you live? I suppose you are from the country side, from that village? Well, I live in the land of Nod; I live in the*

*city of Enoch, the beautiful city."* Are you with me? Everything looked so wonderful; everything was dazzling, just like in Las Vegas. Life in Noddywood was life on a fast lane; everything was booming; there was much business; everybody was happy; for it had a rollicking night life. Are you with me?

Brothers and sisters, I am just painting a picture for you tonight. We can read this in two minutes and be done; but you have to see what God has written between the lines, and what He will have us to see. It is important that we see these things, because all what went on in the land of Nod in that day, as recorded in Genesis, has a serious application at this end time, for here in Genesis a seed was sown, for here a seed was planted, and you must see it in its end application, for it must come to fruition. Moreover, it is already playing out before you and me, and as such, you had better wake up, and open your eyes to see something, for we are facing a reality of something, something which I want to lay before you in this message.

Brothers and sisters, the first civilization that was established on this planet was not by the children of God; it was solely by the children of Satan, serpent seeds. And let me tell you now: **Every civilization on this planet has been established by Serpent seeds, Satan's children,** and we are now in the last civilization. We are coming to it. I make my point again tonight: The first civilization on this planet was by Serpent seeds. But how prosperous they were in that day, or so they thought! Life was in the fast lane. Everything was good; the stock market was booming; they rode lovely "cars" of their day, lovely wagon trains. You know in the days of yore, days of old, they used to pride themselves in the Arabian Camels and horses, for not all camels are the same. How many understand what I am trying to say? There are different classes of camels, and there are different breeds of horses, because some are stallions, costing a fortune, especially white stallions, whilst some are cheap. You know that. Stallions are for Arabian princes and Oil Sheiks to afford. The King of Arabia and the likes, can afford

stallions. You and I cannot afford a stallion. We will sell all our houses, cars, lands, and all, and still not be able to afford one. I am just saying that to make a point, for we must transpose what they had back then to the mode of transportation that we have today. But the point remains: It was the seeds of the serpent that had all the good things of life! In their city, everything boomed, for it was prosperity galore! They were the city builders and the city dwellers, and big musical concerts were staged every day. Church, if you look at things strictly from a carnal perspective, you would say: *"Oh my! That is where to live! Nod is the place to be. I want to go to Nod or to the city of Enoch. I will get a good job in the land of Nod. I will leave the village or town and make my way to the city of Enoch. There are loads of jobs on offer in the city of Enoch."* Are you with me? It was an attraction! The first civilization was not by God's children; the first civilization was by the seeds of the serpent. They thought in that day that they were very prosperous; but they knew next to nothing about true prosperity, for God was out of the picture

of their lives. However, we have to admit that if all we looked at in that day were the material things of life, we would say that they prospered tremendously, for it all looked wonderful, and life looked wonderful for them! How many see the point? The people looked great. And Satan has a way of making sin look very glamorous! He knows just how to make sin look attractive, giving it a touch of class! You see them on the Catwalk... They do not take somebody with an ugly face, or with crooked legs, but somebody with body appeal. Are you with me? It is just like the adverts, whether it is a car advert, or one for perfume, or even for toothpaste. By the time they bring out all these air brushed painted faced Jezebels, beautiful ladies with their breasts and thighs seductively displayed for the world to see, looking daintily, holding the toothpaste, or leaning on the car, or holding the perfume, dressed scantily so as to allure people into buying the products, the viewers are totally captivated and enticed, for they are throwing the evil spirit of lust on humanity with their

sexual appeal. Sin has been made to look very glamorous and appealing. It takes the grace of God, and a divine revelation, to keep the bride elects safe and on course, and also to realize that we cannot follow the trend of the day, for the spirit of Laodicea is extremely strong. Of course, you sisters will be told that you look old fashioned! But that is a good title for a daughter of God to bear. Is it not? And of course they will speak to you at your place of work: *"Oh, sister, what is wrong with just a little paint? Your face is a little dull. Just put some colour here a little to brighten your face."* My sister, your face is lovely as it is, for you are plain and beautiful! Are you listening to me? You do not need the devil's products on your face! Satan anoints his children to make sin look glamorous and appealing. Things that are sinful, things that people should run away from, are the very things that are made to look lovely and classy; they are made to look cool, being eye catching, for it has appeal. And how the world is falling for it! However, there is a wisdom that rules the bride of Jesus Christ. I know God cut me short in

my message today, because I hoped to have covered much more ground than I have covered. But then, you can never tell where inspiration will take you. I am happy though, for how inspiration took me tonight, brothers and sisters, because if I cannot relate to you on things that affect you personally, in your personal walk with the Lord, in order to help your spiritual sanity, and your spiritual prosperity, then what is the use of the message? We do not want to have a head just full of knowledge, without character. So the digression I made is also still part of my message, for it is a necessary digression to help us cultivate the right attitudes, for we want to walk pleasing to God. I do not think I need to create a message just on that, in these few days of meetings. So God simply inspired me to touch on things that have gone on in the Movement, that we may learn, even though it was not something that I planned to go into; but may God have His way. That is why my message is not written down verbatim, and it is not like I am reading it from a piece of paper. No! I just have a few points jotted

down with some Scriptures, more like a skeleton, and I rely entirely on the anointing of God to do the rest, and flesh it out. End of story! Once I have my thought projection, based on some Scriptures, my main message is inspirational, for the inspiration of God is what makes the difference. I do not speak for other ministers, simply because we are not inspired in the same way, and neither do we preach the same way. As a matter of spiritual fact, we are not expected to preach the same way, for the Lord is not making us clones of one another in the ministry; and neither are we expected to be catching one another's spirit. Consequently, everybody has his own style of preaching, what works for him, and that is fine, for what works for "A" may not work for "B", because we do not have the same temperament. Nevertheless, this is how it works for me. Period!

Brothers and sisters, I appreciate you all, and I thank you for your patience. But I have shown you tonight the first civilization on this earth, the first one ever. However,

before we close today, we will read just two verses of Scripture, for we also have to see the other seeds in the same era of time, who were the children of God, for we need to strike a balance. Let us now consider them, and close with their state. Please remember that after Cain killed Abel, the Lord appointed Adam another seed whose name was Seth, the man who carried on the lineage of the sons of God. Saints, the lineage of Seth, which gives us the lineage of the sons of God, were living very humble lives, quite removed, and most distinct, from that which was projected in the land of Nod, and in the city of Enoch. In Genesis Chapter 4, the Lord used only two verses of Scripture to convey the revelation of the truth of their HUMBLE and DEVOTED lifestyle, for they were a people with love and respect for their Maker, and whose lives centred around their Creator, just as verses 25-26 now records: ***"And Adam knew his wife again; and she bare a son, and called his name Seth: For God, said she, hath appointed me another seed instead of Abel, whom Cain slew.***

***And to Seth, to him also there was born a son; and he called his name Enos: THEN BEGAN MEN TO CALL UPON THE NAME OF THE LORD***" (IN REDEMPTION). What a direct contrast to the serpent seeds, who were living large! Now we see what was going on in Adam's lineage begotten through Seth. I love their testimony, for it is written in verse 26 that they were calling upon the Name of the Lord. I do not care what any other man says to the contrary concerning this verse of Scripture. When God inspired William Branham, the star messenger to this age, to open up and lay out the truth of this passage of Scripture, he not only brought out the first civilization, he also showed us that the posterity of Adam, a people begotten through Seth, which gives us the Sethite lineage, were the ones that were God worshippers, calling upon the name of the Lord, living their lives as pilgrims. We do not see them handling great musical instruments. That is not to say that our brethren cannot play musical instruments, for it is all part of worship. But we are not

like the people out there. They know how to play every instrument out there with mesmerizing prowess. Thank God for what we are able to do in the worship of our God! Halleluiah! So we are not fighting for recognition with them or by them. We are happy to make a joyful noise unto our God. Period! We will not have their ability, and we are not even going to try, for we do not have the same goals and aspirations. The fact remains that the lineage of the sons of God were not the city builders; they were not the construction engineers; architects of world acclaim; and neither were they the agricultural engineers; nor were they world class musicians. The Lord in describing their humble and simple lifestyle in the Bible, simply records that they were calling on the name of the Lord. And that was redemptive, because they were alarmed at the events that were going on in the earth in that day, developments of the mixed marriages between the sons of God and the daughters of serpent seeds; events which came to a head in Genesis Chapter 6, and which caused God to put a full

stop to everything in Noah's day, using the flood! The sons of God were alarmed by the terrible and unholy development of mixed marriages, and that made them begin to call upon the name of the Lord in desperation, praying: "*O Father, have mercy on us! O Lord, help us from the seductive onslaught of these Jezebels, the Cainite daughters, the serpent seeds! It is causing a lot of our brethren to enter into unholy marriages with them! Lord, help us!*" That lets us see that the testimony of the record of the Sethite lineage is even a humble one, for it is laid out in just two verses. It is because they lived simple, humble lives, one which radiated around the worship of God; compared with the long testimony of the lineage of the serpent seeds, who took almost the entire Chapter, for the chapter was devoted majorly to spelling out the details of their earthly lives, for they were carnally minded people! Look at all what God had to write concerning the Cainites, and it was all evil attributes in expression; all carnal worldly things that they did, all devoid of God, and totally ungodly. As I said

before, if you look at it with the eye of the flesh, a carnal eye, what a beautiful city, what a wonderful place you would call it. Are you with me? If you are not looking at things with the eye of faith, you would certainly call them a successful and prosperous people. It all depends on how you look at things, either with a carnal eye, or with the eye of faith, which is the eye of divine revelation. This reminds me of a Bible narrative. One day, God sent Amos to the city of Bethel. When that man was coming down that mountain, he did not see a beautiful city like Los Angeles, Chicago, New York, Hong Kong, Tokyo, Dubai, and Mumbai: He saw iniquity! Yes! Looking down from that spiritual standpoint, you cannot see any beauty but filth and perversion! You will only see the iniquity and the abomination of the place, because you will be looking at things with the eye of God, which is the eye of divine revelation! How do you look at what you see? How you look at something is what makes the difference. You can look at it carnally, and all you will see are the fleshly and the flashy things of this world,

things that are certainly going to perish, for they are mundane. On the other hand, you can also look at it with the eye of the Spirit, and see the iniquity that is going on in the same place, and the anger of the Lord that is piling up against the place. When Amos got to the top of the mountain, and looked down at the city of Bethel, he definitely did not see a beautiful city: He saw nothing but Iniquity! And he began to prophesy: *"The very God you worship will destroy you!"* Amaziah, the priest of Bethel, felt very much threatened in the ministry, and so he ran to King Jeroboam, saying: *"O King, you had better drive that man away from Bethel. He is a maniac! Nobody can stand his message. There is no good news in his mouth, but utter condemnation and judgment. You have to drive him away, O king, or you will not have any peace."* The king told them, *"Go and tell him to get out of this place, before I deal with him myself."* So Amaziah came to Amos, and told him: *"Amos, go away from Bethel. It is the King's place."* Amos had to tell him: *"I was not a prophet, and neither was I a son of a prophet. I was just following*

*sheep, and I am also a gatherer of sycamore fruits. But while I was quietly following my sheep, God called me to go and speak for Him, and He sent me to prophesy to you. Now you are telling me to run away."* For his impudence, he gave Amaziah a serious personal thus saith the Lord! Brothers and sisters, when you look at the lineage of Seth, they were humble people; they were not city builders, and they were not intellectual giants either. They were God's people. Are you with me? They were not computer wizards, or engineering masters, or business moguls, and neither were they sports stars, entertainment gurus, world musicians, or celebrities. They were not! They were just simple people, living simple lives, having their lives revolve around their Maker, for in serving their God, they found immense happiness and true joy, great joy; for they knew undoubtedly, that the service of God yields eternal dividends. Indeed it is a fact, that with all that a man may have, however much a billionaire he may be, IF he does not have God in his life, he has absolutely nothing. Hence

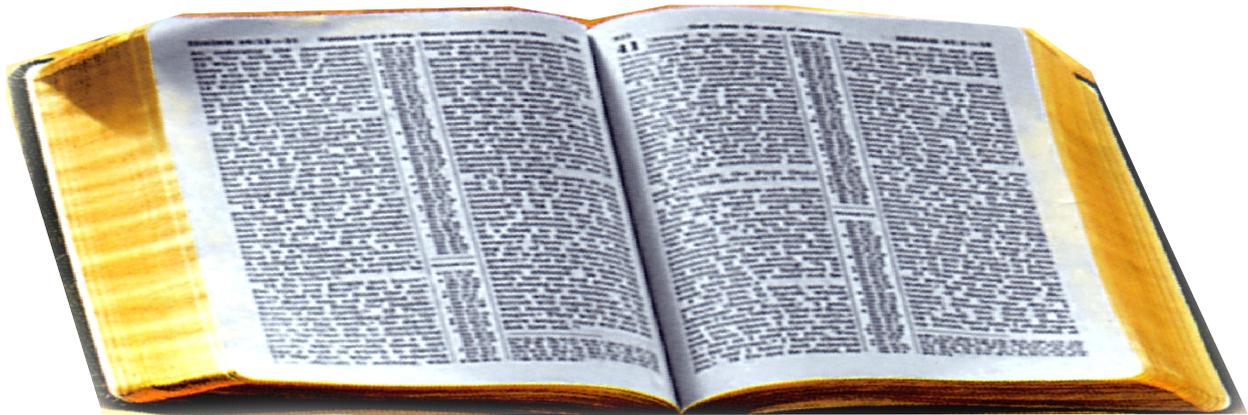

it is written, that the prosperity of fools shall destroy them.

Church, do you know what I pray for, every blessed day, when I pray for my children, Jason and Mark? It is that above anything and everything else, and more than anything else, that they would come personally to the saving knowledge of Jesus Christ our Lord, for the salvation of their souls, because the world is fast coming to a close. There is nothing here. If they go to

University, and come out with a First Class Degree, or even with a Masters' Degree, the truth is that the Master of Planet Earth is coming soon, and there is nothing in that degree that will be of any value when he comes! But the knowledge of God through Christ Jesus our Lord, is Life Everlasting, and that is ALL I desire for them, above any and every other thing. Anything else is all just for the belly, for it is merely to sustain this belly of ours. Consequently, my brethren, God and His

worship is what is most important to all sons and daughters of God, for in God our Creator is true success and eternal prosperity. Tonight, brothers and sisters, I show you the first civilization, **THE PROSPERITY OF SERPENT SEEDS**. This is not the end of the message; this is just the beginning of it. We will continue tomorrow by the grace of God. Let us bow our heads in prayer. (Brother Amos prayed).

The Lord bless you.

*For I was envious at the foolish, when I saw the prosperity of the wicked. For there are no bands in their death: but their strength is firm. They are not in trouble as other men; neither are they plagued like other men. Therefore pride compasseth them about as a chain; violence covereth them as a garment.*

*...When I thought to know this, it was too painful for me; Until I went into the sanctuary of God; then understood I their end. Surely thou didst set them in slippery places: thou castedst them down into destruction. How are they brought into desolation, as in a moment! They are utterly consumed with terrors. As a dream when one awaketh; so, O Lord, when thou awaketh, thou shalt despise their image.*

*Psalms 73:3-6, 16-20*
