## THE PROSPERITY OF SERPENT SEEDS - PART 3

This message, the final segment of a most wonderful three part treat, was preached by Brother Amos, on the evening of Thursday, 16th October, 2014, at meetings held at Truth Assembly Church, Goa, India. What an eye opener, as God uses Brother Amos to dust the revelatory corridors of heaven, and deeply x-ray the world we live in, to move us to draw closer to God. We are truly at the end. It is time to "Look Up and Live", as we prepare to leave this world.

It is good to see you all this evening, and may God bless you. Just pray for me tonight that God will help me, as I endeavour to bring this message to a close, so that we can start something else tomorrow. I pray that God

will help me to present it in a way that will be plain and clear to everyone, that it may give true understanding to God's children, and encouragement to their hearts, and that it will also help us to appreciate the grace of God upon our lives, and also put the desire in our hearts to live in a very close relationship with Him, for time is at its very end. Amen.

We have been speaking about **THE PROSPERITY OF SERPENT SEEDS**. It is written in Proverbs Chapter 1, verse 32: **"For the turning away of the simple shall slay them, and the prosperity of fools shall destroy them."** Yesterday night, we brought our message to a close by concluding the picture of the first civilization that

was established upon this planet, at the beginning of this world, this second world, coming out of the flood, as revealed in Genesis Chapters 10-11, in the days of Shem, Ham, and Japheth, the three sons of Noah. We saw that the leadership of Ham was what produced that civilization. And although the Hamitic race had great intellectual knowledge, and great earthly accomplishments, nevertheless, it was dark, for with it, the knowledge and the worship of the One True God of Creation was taken away, and Idolatry was established on the earth, and it has flourished on the earth since that time till the present. As is the manner of all civilizations, there was no way God would allow it to carry on, for in the end, Satan's move having reached God's terminating point, the Lord judged that civilization, destroying Babylon and everything it stood for, as God sunk it, and the Medo-Persian Beast Empire was then established upon the earth. This was followed by the Grecian Empire, which in turn was succeeded by the fourth and last Beast Empire, which is the Roman Beast Empire, under the Caesars. All these Empires are world

empires, giving us Satan's civilizations on earth, and all which were geared towards the establishment of Satan's ultimate goal at this end time; for right here in the days of the ten toes or the ten horns of Europe, is where his seed is brought to fruition or maturity. So here we come to the very end of it all. Saints, although the last Beast Empire gives us the two legs of iron, for that is where it started, but time having moved on, and the Old Roman Empire having lost its great power, deteriorated, and started to break up over time. Brothers and sisters, the breakup of the Roman Empire into ten distinct nations, ten distinct kingdoms, smaller kingdoms, is what is scripturally called the "**ten Horns**" of Daniel Chapter 7, and or the **ten "Toes"** of Daniel Chapter 2, and that is none other than the European Union. The European Union gives us at this end time, the reconstituted geographical areas or kingdoms which make up the Old Roman Empire. In other words, the European Union is the restored geographical entity at this end time. They are the ten "**TOES**" of the hour glass image of Daniel

Chapter 2, which also corresponds to the ten "**HORNS**" of Daniel Chapter 7. Consequently, brothers and sisters, this is precisely where we are in time. (Brother Amos points to the chart). Time has passed from the hour of the head of gold to the hour of the ten toes, and as such, we are now living in the days of the ten toes, or in the days of the ten horns of Europe, which are in the days of the European Union. It is a reality nobody can deny or change. For just as the Lord prophesied through Daniel, here the ten horns stand before us today, a prophetic reality. The prophetic role of the European Union at this end time is what wraps up what Jesus referred to in the Gospel of Saint Luke Chapter 21, verse 24, as "**the TIMES of the Gentiles**". However, I want you all to know that "**the TIMES of the Gentiles**", is not the same as what Apostle Paul called "**the FULLNESS of the Gentiles**", in Romans Chapter 11, verse 25. This issue, however, will be dealt with separately, for those who do not know the difference, and who are interested in knowing the difference, for it is another matter on its own. But as we tried to show yesterday,

brothers and sisters, IN all the time that God has allotted to the Gentiles, which prophetically gives us a period of time that Jesus referred to in Luke Chapter 21, verse 24, as **“the times of the Gentiles”**, AND of all the four beast empires, this last one, which is now in the days of its ten toes, is the crudest of them all. In another message which we will start tomorrow, God helping me, I want to show you that this earth has never been populated with the element of humanity you now see today. It is the most degenerate of them all, and the vilest in quality; it is the most decadent ever! I am speaking of the class of humanity we have today, the human beings that populate and walk this earth. They are the basest quality of human beings that have ever walked in shoe leather; the lowest class of human beings that have ever been produced on this planet. We want to take a look at that when we finish this message, and it is titled, *PERILOUS TIMES ARE HERE*. Saints of God, when we consider the Roman Beast Empire, which is the ten horns or the European Union, it gives us nothing but the global leadership of the Japhetic race, which is the white

race. We all know that the leaders of the Roman Beast Empire are neither the Shemitic nor the Hamitic races of people, but strictly Japhetic. The ten horns of Europe, having fought with one another for many centuries of time, trying in vain to establish another Empire, and failing consistently, then raced to conquer other lands, and the Colonialism Drive started, and they started conquering the world, fulfilling their Imperialistic ambition. It was the Europeans that also discovered America, and they are the founding race, and the predominant race that made up that huge continent in its beginning, and they still do, for as it stands today, the white race make up the racial majority of the United States, with 77.7% of the total population. America fought for, and also won her Independence from Great Britain, and on 4th July, 1776, the Declaration of Independence was made, and the United States of America was born, as an independent nation. With this Imperialistic ambition, the British came to West Africa, the Middle East, and India. The French also came to Africa, conquering parts of North Africa and West Africa. The Dutch also

came to Africa, South Africa, to be specific, apart from other territories around the world. At the Berlin Conference of 1884, Africa was carved up, and divided between the Europeans, to stop further war amongst themselves over Africa. The Spaniards made their way to South America, after Christopher Columbus had discovered it in 1492. King Ferdinand and Queen Isabella of Spain, who were the sponsors of the expedition which Christopher Columbus made to South America, petitioned the Bishop of Rome, Pope Alexander VI (Rodrigo Borgia), a man who happened to be a Spanish Pope at that time, to give them the entire continent, which they promised to acquire and control in his name, and for the Roman Catholic Church, and he did in 1493, by a Papal Bull. This guaranteed that the whole of South America would be Spanish, and hence, Spanish speaking, as well as being Roman Catholics, and that is precisely how it has remained to this day: Spanish speaking and Roman Catholic! The Portuguese also came to some parts of Africa, and certain parts of India, for they settled in Goa as well,

making Goa a Portuguese colony. However, India was colonised by the British, which is why India is part of the British Commonwealth. This is just a little insight to show the Imperialistic drive that the Europeans made to conquer the world, for it is a notorious fact that they are the leaders of the world, in the 20th and 21st Centuries. This was the state of things around the world until 1948, when, with the restoration of the prophetic "**Fig tree**", which is the Nation of Israel, whose restoration also opened up the door of Independence for "**ALL the trees**" as well, according to the Scriptures, and in fulfilment of the Scriptures, (Luke 21:29), the Imperialistic drive came to a close, as the various colonies now began to demand Independence. It was time for the ten horns to go back home, in order to Unite together as one, for their end time role. This brought about the creation of one Common European Market, called the European Economic Community, (the EEC), and One Europe, the EU, which is the European Union. Their squabbling and fighting days with one another was over, and the Roman Beast Empire was restored, and now has full

authority and power over all member nations, and now lays laws which bind member States, whether they like it or not. Now she has grown to 28 member states. Saints, the European Union gives us the ten major horns, or the ten toes, in prophetic reality before us today. This confirms, brothers and sisters, that the leaders of the world today, at this end time, are the white race, the lineage of Japheth. They not only conquered the Shemitic race of people, right from the time of the Grecian Empire, under Alexander the Great, they also conquered the Hamitic race of people as well, for they conquered the whole prophetic world. Are you with me? So the leadership of the Roman Beast Empire, gives nothing other than the leadership of the Japhetic race, which is the white race. They have established the very last civilization on this planet ever, for the present day civilization existing in the world today, is that which the white race has established, and that civilization has affected the whole wide world, none excluded; for Every nation, including the Islamic Nations in the Middle East, ALL look to the West, and ALL want the development

which the Western Japhetic nations have. That is a notorious and indisputable fact!

Church, the whole world have become little clones of the West, in virtually everything, for they follow the West, and look to the West in everything, and for everything; for it is an incontrovertible fact that they are the leaders of the whole world! The advancement the whole world enjoy today, whether it is in terms of educational, social, political, and economical advancement, came from the Western world. They introduced and exported democracy to the world, until strong monarchical kingdoms, as well as tyrannical kingdoms, are now holding elections! Whatever knowledge and technology China and Japan have today, they have gotten and learnt from the West! The lineage of Japheth gave the world the Computer, which revolutionised the world's way of doing things, thereby ushering in the present modern day Computer Age. And with the Satellites they have put in space, we have Global Internet connectivity, twenty four hours a day, seven days a week, and this affects and controls

everything that man does mechanically, for it is now a mechanical world. Moreover, the Japhetic race invented the Jet Plane, drastically and permanently changing the way we travel around the world, making the whole world one that is readily and easily accessible. What about Space explorations to the Moon, and now it is to Mars, having invented Space shuttles, travelling much faster than the speed of sound. Brothers and sisters, the white race gave the world the Telephone, and now it is our handheld devices called Mobile phones, Android phones, which you can use to do almost everything, from operating your television; to opening your garage door; to accessing your bank account, and transferring money globally; you name it! The Japhetic race gave the world the Television, and now it is cable satellite Television. They also gave the world the Radio; the Washing machine; Electricity; the Automobile (Cars); the Domestic Fridge; Gas Cookers and Micro-wave ovens; and the list goes on, all gargets of modern convenience, which modern man prides themselves in. However,

brothers and sisters, when you consider this current civilization, one which the lineage of Japheth have given the world, you must know with scriptural certainty, that this is precisely where it ends for man, for this current modern civilization, is the last civilization ever to be established upon Planet Earth, and as such, this is where it all ends for man. Man is now writing his last chapter of human history, and is now about to write his last paragraph, ordained in the 70th Week of Daniel, which is just ahead of us. Brethren, we are now looking at the last civilization which God has allowed the devil to establish on this earth. And when you consider this civilization and its leadership, church, you have to agree with me tonight, that the Japhetic race, the white race, are the major vessels that Satan is using today on this planet, to accomplish his purpose. Because for anything to have a universal application; for something to affect the whole world, you need the leadership of the world to push it, just as Satan used the leadership of the lineage of Ham way back then in Genesis Chapter 11, to set in motion the building of the CITY and

the tower of Babel! Hence the Lord testified to His angels in verse 6, that “... ***the people is ONE***”. What brought about that oneness? The Hamitic leadership! Somebody had to be the arrow head of that decision in that day, and that was the leader, Nimrod. For as it is expressly and explicitly written in Genesis Chapter 10, verses 8-10: “***And Cush begat NIMROD: he began to be a MIGHTY ONE IN THE EARTH... And the beginning of his kingdom was BABEL***”. Brothers and sisters, idolatry could not have spread all over Babylon, and neither could it have spread from Babylon to all the other nations around the globe, if it was not something pushed by the leadership established in the earth in that day. Exactly! Satan, the prince of this world, works principally through human leadership. And the leadership of the earth at the beginning of this second world was the Hamitic race. Nimrod was the first world class leader, according to the testimony of the Scriptures, and we know that the testimony of the Holy Scriptures is infallible, regardless of what modern day unbelieving historians and

theologians write or express to the contrary. He began to be a mighty man in the earth. That is a world leader, the very first of his kind, and a prototype of the Antichrist to come in this last Beast Empire, for he laid the foundation for him. The leadership of Ham was what the devil used to establish idolatry, and the whole world went into idolatry, worshipping many gods and goddesses, all sorts of god and goddesses, one for each season and festival, and one for every need: Jupiter, the Roman king of the gods, and the god of the sky and weather, whom the Greeks called Zeus; Bacchus, the Roman god of wine; Mars, the Roman god of war; Venus, the Roman goddess of love, sex, and beauty; Isis, the Egyptian goddess of life and magic; Diana, the Roman goddess of the moon and hunting, whom the Greeks called Artemis; Attalu, the goddess of the land of the dead; Saturn, the Roman god of wealth and agriculture; Apollo, the Roman god of music, arts, and knowledge; Nemesis, the goddess of retribution, etc. Brothers and sisters, it was the leadership of Ham that Satan used to actualise this agenda, for he wanted and still wants

worship. Consequently, you must understand, that if the devil is to accomplish his end time move, which is his final move, a move where all his many other moves come to its end fruition and conclusion of purpose, he earnestly and seriously needs the leadership. The leadership had to be his key instrument, and it is his key instrument, and has always been his key instrument, in getting the world to go his way, for as it is written in John Chapter 14, verse 30, Satan is **“the prince of this world”**, this evil world! In 2 Corinthians Chapter 4, verse 4, he is also referred to as **“the god of this world”**. That should enable you see without any iota of doubt, the crucial role which the Japhetic leadership plays at this end time, in the scheme of things, around the world, in influencing the world to go precisely as Lucifer wants, being the last Gentile World Beast Empire, which is the European Union. That is why I said in closing yesterday, that the Japhetic race today, although they do not realise it, and they do not even think of it, are precisely in the very shoe of the Hamitic race at Babel, as the principal vessels Satan is using in establishing and

accomplishing his end time plan. They do not know that, and neither will they believe that, and I do not expect them to. I am only setting before you, God's children, elect bride saints, the serious reality we are facing right now in the earth, in the light of the written and infallible Scriptures. After all, they are not following God in any revelation of His Word, and so, it is not possible for them to see or accept these things, as scripturally true as they are, for the Word of God holds no value or meaning to them. They even feel that the Bible is a medieval book that needs to be thrown away, and they wonder why we are still following it, for as they say today, its provisions have no place in these modern times, in this 21st Century. Hence the reason they are now persecuting Christians. But just as we stated of Ham, in comparison with his other two brothers, that he inherited more of the serpentine traits than his brothers in that day, as orchestrated by the devil, you must also realise that it is not possible for the Japhetic race to be the major vessels and vehicle of Satan, if not that they have a nature that is more susceptible to the

leadership of Satan, above all other races. Absolutely! Come on! That is why I said that the Serpentine nature is more inbred in the Japhetic race today, than in any other race upon this planet, and we will see that. That is precisely why they are being used to establish Satan's objective more than any other race on this planet today, and they are going full speed with it, all in absolute ignorance that they are vessels in the hands of Lucifer, although they will not care even if they knew, (for they care not for God and His Word), and I will prove it to you tonight by the Holy Scriptures. Because we are going to see where everything is winding up prophetically! For whatever God started there in Genesis, which is the Seed Chapter, is winding up right here at the end in its maturity, in the Ending Chapter, which is the Book of Revelation. We must realise that whatever Satan started way back then, also has to have an end time objective, which is his end objective, and as such, it is also winding up right here at the end, in its maturity! It has to, because this is the age and hour of the fruition of everything, both of God and of the devil, for **IT IS HARVEST TIME FOR**

**BOTH SEEDS: THE SEEDS OF GOD, AND THE SERPENT SEEDS!** Absolutely! As the bride of Christ, we should know how to look at things, using the spectacles of the Spirit, and the binoculars of divine revelation. This final civilisation that we are now living in, was established strictly by the Japhetic race, and they are the ones that have influenced the world on every level of human endeavour, whatever endeavour we want to consider. I do not care whether it is South America, the Caribbean, Africa, the Middle East, or East Asia, the White race are the ones that influence the whole wide world, and established the civilisation we now live in, for it is one which they conceived: Politically, economically, socially, militarily, and spiritually. They are the ones that are forcing their mode of government called democracy upon the world, regardless of whether in a given society, it will work or not; because not every society can function by democracy. Some function better by a monarchical form of government they have been used to, and things have worked! But the Japhetic race does not want that. They want everybody to be

democratic by all means, and it is by force. And by their overlordship, they have removed leaders, thus opening up a can of worms, they having opened up hell in some nations! That is precisely what happened in Iraq, when they deposed Saddam Hussein by military force, lying deliberately to the whole world that he had nuclear weapons, weapons of mass destruction, when they knew for a fact that he did not have any such weapons! When they did that, a sleeping giant of a demon was woken up, and Iraq has never been the same, but a hell hole; and neither will they be able to solve the Iraqi problem! And today in Iraq, human life has become meaningless and worthless, for human life no longer has any value in Iraq as we speak tonight, as it is being wasted every day in markets, open streets, and mosques, by Islamic suicide bombers! Life has totally lost value, on account of the senseless and dastardly suicide bombing, every day killing and maiming of lives by the dozens, and the literal destruction of the place! But when Saddam Hussein was there, he chained that spirit! I do not believe in his

leadership, but the fact remains that some things work in some places. You cannot impose your way of life on other people, for you are not God, and no nation is allowed by God to play God. That is why America is presented in prophecy as speaking like a dragon, for she seeks to control everything in the world, and tell the world how to run their own personal affairs. Even God has not imposed His worship on men, but has given us human volition, a freewill, the right to choose for ourselves! Men have voted against God by choice, but still, God has not forced us, for He has left us with our choice, knowing that iniquity will have an end, for there is a set day to judge it, and wipe it out completely. So, the Japhetic race went to Iraq, and opened up hell. And everywhere they have gone, the story has been the same. Now they do not know what to do in Iraq; and out of frustration, particularly from losing many of their soldiers every day, not in military combat, but through the operations of suicide bombers, they have now removed themselves from Iraq, after opening up hell there. They failed to checkmate that spirit, for they cannot stop it, and yet, their pride will

not allow them to admit that they failed woefully in Iraq! To think that the servant of God to this age, Raymond Jackson, the chief apostle, wrote a letter to President George Bush Jnr, and warned him not to go to that war with Iraq, but they do not listen to the voice of God's true servants. Do they care for the true ministry? They do not even recognise it, let alone listen to it! They just classify us as religious fanatics, simply because we choose to believe the Holy Bible, which is the Word of God, the Book that the founding fathers of the United States of America, like George Washington, used as the sole foundation of their faith, and as the basis for the establishment of America. America started out as a Christian nation, founded upon Christian principles, a defender of the faith and liberty of Christians! They started every deliberation in the House of Congress with prayers, but now, prayers and the Ten Commandments have been removed from ALL public institutions, and not a word can be said in a classroom about God, or of His Son, our Lord Jesus Christ, or about the Bible! Now they are defenders of the liberty of every demon,

and Christians have become the outcasts, and in their unbelieving view, *"Impossible people"*. Every demon from hell has rights which their law now protects and enforces firmly, but the **CHRISTIANS NOW HAVE NO RIGHT**. And to think that that country was established by God to ensure the rights and liberty of THE CHRISTIAN FAITH, as countless Christians ran away from the tyranny of the Church of Rome to the New World, which was then a place of refuge for believers! For instance, it was from the shores of Holland that the Pilgrim Fathers boarded ships bound for America, where they made a new beginning, thereby becoming the founding nucleus of that Nation! America started out as a Christian nation, and not a Muslim nation, and neither was it a nation for every faith under the sun! But now, Christian bakers must bake wedding cakes for moral perverts! Today, in the United States of America during Christmas, you are not even allowed to say **"Merry Christmas"**; but it is now **"Happy Holidays."** However, during the celebration of Ramadan, they will not ask the Muslims to stop saying

**“Ramadan Kareem”**, or **“Ramadan Mubarak”**, which simply means **“Noble Ramadan”**, or **“Blessed Ramadan”**, respectively, for fear of Islamic terrorism, which invokes suicide bombings! In Europe today, Christians have been turned into guinea pigs, just to pacify the Muslims living in their domain! When you consider it deeply, it is God the Creator that they hate! Full stop! That is why you must understand, that it does not matter how many shuttles the Japhetic race can send all over creation, and neither does it matter about the ability they have to land probes on Mars and on flying comets, for all these accomplishments, as great as they are, are meaningless to God; for they are carnal, and hence temporal! This is exactly why the present civilization is certainly going under, and is on its way out, for it is not of God, and it is directly opposed to God! That is also why the Japhetic world today, whether we consider Europe or America, uplift and uphold any and everything that is opposed to God and His Word, and demonise everything of God! However, they cannot touch Islam, because they are afraid of the reprisals they will face from Islamic fundamentalists, for they

do not turn the other cheek like Christians do! They simply resort to mass demonstrations, riots, terrorism, and suicide bombings! That is the religion that they are afraid of, for fear of their lives, for they have no fear of the God of the Christians, whose name is Jehovah, the God of Creation, for He is longsuffering, having appointed a day when He will judge all things by Jesus Christ! Christians have always been the world's underdogs, and that is precisely what we now see today in the earth, for we are taught by Jesus Christ to shun ALL forms of violence and public disorder, which is why we do not physically attack or assault people on ANY account, and neither do we join ANY demonstrations or riots, for our response to **p e r s e c u t i o n** and oppression is strictly and absolutely a peaceful one, which is simply to turn the other cheek!

Brothers and sisters, the last civilisation into which we have all been born, and which we are living in, is exactly where man's civilisation ends. There will not be another civilisation anywhere on this planet again. Never! This is the last civilisation of man, for

the Roman Beast Empire, is the very last kingdom that man will ever establish on God's green earth, according to God's written plot, which is why God is coming to wipe it out, because it is not of God, but of Satan. Every civilization, every last one of them has been designed against God, even though God has worked IN and THROUGH them. The next kingdom that is coming after this one, the Millennial kingdom, is God's Kingdom, and it is founded upon true righteousness, goodness, equity, (which is fairness), justice, peace, humility, and simplicity, and is filled with the knowledge of God from coast to coast! Everything will function like clock work, for it is the utopia that man is looking for! Nothing will go out of sync in the Millennium, for it is a divine kingdom, and a holy one at that. It is not of the devil, and definitely not of man: It is of God, for it is God's kingdom on this earth! All we have been seeing are men's kingdoms, men's civilizations, led, inspired, and ruled by Satan. Now God's kingdom is coming! Brothers and sisters, it is a fact, that in the days of the ten toes, the major instruments of Lucifer, is the Japhetic race. That is

why they are invested more with the serpentine nature than any other race; and you will see this, if only you can look at things in the right way, because it is not what you see physically that counts, but what you can see with the third eye, which is the eye of revealed faith. How do you look at what you see? It is to see something in the right perspective, looking at things by the eye of the Spirit, not with the eye of the flesh. That is why I said, when God sent Prophet Amos to Bethel, and he stood on that mount, and looked down upon that city, he did not see beauty; he did not see civilisation; he did not see spectacular architecture, or scientific breakthroughs, or technological advancement; he did not see lovely roads, nice houses and beautiful cars. Are you with me? He saw iniquity, downright iniquity! So he opened his mouth and proclaimed: *"The same God that you serve will destroy you!"* They could not relate to that, and they looked at him like a mad man, because they looked at things carnally, living a life of Riley, which is a life of total enjoyment. They did not see the spirit behind it all, and the iniquity that they were drinking with bowls.

There is always a spirit behind everything, for we live in a spirit controlled world: Something is either controlled by God or controlled by Satan. The race of Japheth are in the very shoe of Ham tonight, even though they cannot see that. And that is why when you look at it, where in that era of time gone by, the Hamitic race were the custodians of earthly wisdom, science, mathematics, geography, oceanography, for there is no race that has travelled this globe like the race of Ham, and that is precisely why there is no continent on this planet that you do not have them, for they preceded the Japheth and Shemitic races on every continent on this earth! There are no people that have travelled by sea like the race of Ham, and they are the most diverse of all races. Their knowledge of engineering, as expressed in that monstrosity that God Himself had to come and stop, lets us know that they were great structural engineers, mechanical engineers, construction wizards, great architects; and their knowledge of medicine and the sciences was something else! But the Lord destroyed that civilization, nonetheless, simply because it was not

of God! Their prosperity, as great as it was, certainly came to an end! Therefore, just take that thought, and magnify it today, and look at what the race of Japheth has accomplished! Look at the advancement of Japheth in Arts and Science; their great advancement in Technology and Medicine. Their mathematical knowledge is so great, that they are able to compute or calculate the distance between here and Neptune, and know how many light years it takes to get there. That is why they know just how long it will take their space shuttle to get to Mars, travelling almost one and a half years, at a speed faster than that of light! They can calculate it exactly, and know to the very second when it is supposed to touch down, and it does! They can map out its journey through space, and also monitor its progress, right on computer screens in their office complexes, with mathematical precision! Rocket science has become as easy as pie! You and I do not understand these things, for we are a simple minded and uneducated people, in the main, because we are God's people! Is that not what Apostle Paul said in 1

Corinthians Chapter 1? Absolutely! In verses 26-31, he declared: ***“For ye see your calling, brethren, how that not many wise men after the flesh, not many mighty, not many noble, are called: But God hath chosen the foolish things of the world to confound the wise; and God hath chosen the weak things of the world to confound the things which are mighty; And base things of the world, and things which are despised, hath God chosen, yea, and things which are not, to bring to nought things that are: That no flesh should glory in His presence. But of Him are ye in Christ Jesus, who of God is made unto us wisdom, and righteousness, and sanctification, and redemption: That, according as it is written, He that glorieth, let him glory in the Lord.”*** It is you and me in our humble and simple lives, as God's elect children, that love God and His Word, and are the ones that will hear His Word, and stand for His Word. But these proud people, these great achievers of the world, they know too much about Maths and Science for them to believe in a Bible that they cannot

deductively (logically) prove; because they believe only in deductive reasoning, logical reasoning! And God's ways defy human logic, for He is a supernatural and invisible God! That is why the just must live by faith, because if you take the ways of God through the funnel of human logic, it will fail man's test every time, because it defies every law of man! It is simply because He is God, an invisible omnipotent Spirit, and as God, He can overturn and override any and every law, in order to accomplish His purpose, because He is unlimited! Blessed be His name! Amen! So when we consider the advancement in science and technology that we have today, you have to agree with me, that the race of Japheth have accomplished something. And what a feat they have accomplished in the field of science, medicine, engineering, architecture, and arts! There is hardly nothing these bird brains cannot do. I do not say that to be rude; but I say that in comparison with the fountain and the source of all true wisdom, knowledge, and understanding, which is God. For God is the greatest Mathematician; the greatest Architect; the

greatest Designer; the greatest Botanist and Agriculturist; the greatest Physicist; the greatest Doctor; the greatest Artist, you name it! He is the greatest Scientist and Engineer, who laid ALL the laws of mathematics, physics, chemistry, and biology that rules this great and gigantic universe. He made ALL the natural and scientific laws in the universe, of which knowledge fallen man only has but an infinitesimal and insignificant fraction! As such, human beings with all their knowledge, are nothing but canary brains! Yes, they are just birdbrains, in relation to God! Nevertheless, just look at the technology of Japheth! Look at this picture for a while. (Brother Amos points to the chart). This picture gives us a little window into the advanced world of today; it is an advanced city in projection. You can take it, and apply it to any of the cities we have in the advanced countries of the world. They no longer build small humble structures: They all want to touch the sky! Why do they want to go up so high? Why that high: 104 floors; 110 floors; 163 floors? Why do they want to go so high into the sky? The Burj Khalifa in Dubai, in United Arab

Emirates, which is the tallest skyscraper in the world, has 163 floors. The Twin Towers, the new World Trade Centre, when complete, will be 110 stories each. And do you know that all those buildings move? They have to be built to move so that they do not snap. They give it some amount of flexibility, so it moves, literally. I was working in one at a point in time, as an In-house Lawyer, when one day, I suddenly felt the building moving. I said to myself: "Am I dreaming?" Then I realised, "Wow, this building moves!" You do not want to be in one when it is coming down. Brothers and sisters, I am making a point. They are going further and further into the skies. But why are they going into the skies? It is in order to build a name, and what a rat race it has now become! If the tallest building is in New York, just for an instance, then another nation wants a taller one, so that they can say, "We have the tallest building!" It is just for a name! Can you see the same spirit that worked in Genesis Chapter 11? Remember that that was at the beginning of our world, the second world, for we are now at the end of it. And whatever was started way

back then, has to come to its head, right here at this end time! They said back then as recorded in verse 4: **"... Let us build us a city AND A TOWER, WHOSE TOP MAY REACH UNTO HEAVEN; AND LET US MAKE US A NAME..."** That carnal self-glorifying objective of man has not changed a dime, for it is still the same motivation that fallen man has today in Year 2014! The cost of it, and the cost of the maintenance of it, is something else! But what makes men want to do that, when we know that that is not of God? For God's ways are simple and humble, and He teaches His people the same principles of humility and simplicity! Hence we are implored in the Holy Bible not to mind high things, but to condescend to lowly things. Are you with me? God in His Word encourages us to mind the lowly things, and not condescend to high things; for we are not to be high minded: Because our God, as extremely great and majestic and awesome as He is, He is a simple and humble God! Think about it! Our God is a humble God. His ways are humble and simple. His ways are so simple, that you do not need to climb a mountain in

order to see Him or to follow Him. The only thing is, do you have a revelation from Him? For as plain and as simple as His ways are, if your eyes are not opened to see it, you do not have a greater mountain. And that is precisely why people struggle with truth, breaking their heads trying to understand it, because it is not given to them. Yet our children can say to them: "Sit down sir. If you do not mind, I will teach you." Think about it tonight, for revelation makes the difference! But the truth is, the ways of God are very simple and plain, for He works in humility. But man is forever running a rat race to see who can make the greatest name, by reaching farthest into the sky! That is why most cities today are adorned with skyscrapers, for a city today is not considered a modern city without them!

Brothers and sisters, just look at this city. (Brother Amos points to the chart). Look at this last civilisation, for I am using this modern city with its skyscrapers to show you the handiwork of the lineage of Japheth. I use it to depict or to show the advancement of the lineage of Japheth; it is to show their civilization, for they gave the world the

modern city shoreline filled with skyscrapers. You have to agree with me tonight, that in terms of structure and complexity, it outclasses the two civilisations we saw in Genesis. That is true! The road construction is not the same as in all other civilizations before this. Now they have flyovers everywhere, and even mega flyovers. For flyovers do not exist only because there is a ditch or a swamp that they need to cross, they build flyovers on dry land as well, in order to ease traffic. So it does not matter whether an area is swampy, waterlogged or dry, for there does not have to be any of these things in order to build flyovers. They are built in cities to ease city traffic, for they are the artificial bridges of men. And some flyovers are more complex than others, that sometimes, you wonder at the engineering, for it is simply a wow factor! You would get lost driving, if you do not know how to read the signs. The complexity of human beings! They also have super highways or freeways, roads running with six to eight lanes in just one direction, for fast and easy movement between states! My! All these infrastructures are being

done with a purpose and the objective of creating the most complex and advanced city in the world, and all that is about making a name, and attracting the world for money! Even the Middle Eastern nations have gotten caught up in this rat race. That is why they want to build it better than the West. Everybody is trying to beat the Japhetic race! Everybody wants to beat the West: China is fighting to beat the West; Saudi Arabia, Dubai, Qatar; they are all competing to beat the Western world, which is Japheth! What a rat race! That is why the prince of Dubai said on CNN one day, that nobody remembers number two, except number one. As such, whatever they do, they do it to be number one. That is why they try to make it bigger and better than that of the lineage of Japheth, and more grandiose, which is excessive largeness. They have become too ostentatious, (too loud for the sake of impressionism); too showy because of this carnal drive, the crave to be number one, which is why they go overboard with everything, on account of their oil money, until they are making solid gold mobile phones! That is the

effect of the influence of the lineage of Japheth upon the world, and that is their legacy! It is obvious with all that we see around us in the earth today, things which testify to the ingenuity of the Japhetic race, that there is no engineering feat that they cannot do, for they build tunnels under water. Look at the Euro tunnel that connects London with France and other European nations. That tunnel is right under water! How did they do it? Do not ask me. It is an engineering feat! But they do it nonetheless. Just consider the mega structures that Japheth have put in place all over the globe. It is simply mind boggling! Brothers and sisters, I am trying to show you the civilisation of the lineage of Japheth. When you look at all the things that they are developing today, technology wise, they are great; not to talk of the complex mega structures that they have put up around the globe, which are simply amazing. Man is now going to space. Those two objects are satellites, communication satellites. (Brother Amos points to the chart). Do you know that so many of these satellites are up there in the sky, far away from human view, circling

the globe? Recently, they caught up with an asteroid. The Japhetic race had been running and chasing that asteroid for ten years; and now they have caught up with it. I think it is in the month of November that they are going to land on that asteroid. They had been following it since! Man caught up with an asteroid! Brothers and sisters, I show you the racial geniuses, and the technological wizards that we have in this earth today: The race of Japheth! They are able to send satellites that circle the globe, and also those that are going round our solar system for years, sending pictures back, giving us the knowledge of planets we would never have known even exists, let alone know their constitution. The data, the volume of data that the satellites are gathering and are sending back every day to planet earth, which men behind computer screens are decoding, in order to give us the knowledge of what is out there, in a frontier that is much bigger than man, is incredible! Yet, the ocean is still there. That is one frontier they have not tried to make advancement into, like they have done to the skies. It seems as if they are afraid of the ocean, because of its

immense pressure, and the depth. So they are limited in that exploratory respect. Yet, it is not really because they cannot explore it if they set their minds to it; but it is all about money; it is about economic viability: For the possibility of living on another planet looks more plausible and more viable than living under the ocean! As such, they are not investing in ocean exploration as much as they are in space exploration, for it is all about economics; it is all about money! I am just making a point. Japheth now goes to the moon like they go to the supermarket: *"Oh, there is a part that needs to be changed on the space station on the moon... Okay, you go"*, and off they go! They are doing that to maintain the station that they have built on the moon! Sometimes nations cooperate with them. India just performed a feat of recent, for they were able to send a probe to Mars for the very first time, and it was at a fraction, (one-tenth), of the cost that the West expends on such ventures, and they succeeded on their first trial, in what the race of Japheth did only after many trials! Think about it! Their shuttle went straight to Mars, and arrived right on

time! Brothers and sisters, those things are mind boggling! But the fact remains that that is the influence of the Japhetic race! That is exactly why I said that in the whole world, everybody wants to be like Japheth, for all nations are trying to emulate Japheth, and outrun Japheth, and prove: *"Oh Japheth, we too can do it!"* Why is it so? It is so, because the white race are the undisputed leaders of the world, whether the world wants to accept it or not, and that is a fact, even though it is all on an earthly level! That is why around the world today, when problems arise, everybody cries to the West. The whole world needs the help of the West to solve it. Ebola is ravaging West Africa, but they are crying to the West for solution. It took the West to build Arabia. It was not the Arabians that built it; it was the West! Yes, they paid the race of Japheth to build it, but it was still the West that built it up for them! Japan was an agrarian (agricultural) society before the war, for they were mainly into agriculture. After the Second World War, all that changed. They copied what the West had, and before you knew it, they were advanced in it. It just proves the fact that the

modern day civilisation we have is that of the lineage of Japheth, for it was established by the race of Japheth, pure and simple! That is why, yes, various regions of the world are now coming up in development, but who are they patterning it after, and who are they trying to outdo? It is the West! And where did they get the knowledge that they even have to do what they are now doing around the world? They learnt it from the West: Either they sent their children there for studies, and brought the acquired knowledge back home with them, or they invited the West to come and help them with it, doing a deal. The bottom-line is that the great earthly knowledge they have today, by which they are able to do all they are doing, they got from the West. That is a fact! And that is why everywhere on this planet, whether a white person is dressed scantily; whether they are dressed like prostitutes or not, nobody cares. Once a white skin appears, everybody bows. But let a seed of Ham come; let him be very well dressed and very presentable, they will walk through him if possible, or push him out of the way, and say, "*What are*

*you doing there? You should be out of the way.*" But let a white person in shorts and a skimpy t-shirt come in, with his backpack, they greet him: "*Good afternoon sir.*" They do not see you a black person, because you are obviously invisible, for you are nothing to them; but they see the white person. They will not greet you, but they will greet him, because he is a white man, the leaders of the world, this world. Yes! You cannot deny these things, for of a truth, today, they are the leaders of the world. Let me ask you: Who make up the G8 countries, the eight most industrialized countries in the world? The lineage of Japheth! The G8 countries are Canada, the United States of America, Germany, France, Italy, Russia, the United Kingdom, and Japan. Japan is the only nation that is not Japhetic among the G8, for Japan is not part of the white race! You have got to see it! Church, I am just trying to show you the civilisation of Japheth. And coming to the area of sea exploration, brothers and sisters, with the aid of technology, men now have gadgets attached with powerful searchlights and cameras, equipment they send into the deep sea.

Where they cannot go, mechanical things with cameras are let down there with strong iron cords, to let us see a depth no man can see or live in. Do you know what: A lot of these volcanoes are quite active right under the ocean! When I watched a documentary on the deep sea for the first time, I was amazed! There are living creatures way down there, creatures that have never come up, that have never seen the daylight up here, and that cannot live up here. God gave them the ability, the capacity, to live deep down, in the utter darkness of the deep, a region where the sunlight cannot reach or penetrate, and where the pressure of the ocean current will pulverise man into nothingness! Yet, these ocean creatures thrive well in it, for they have the way they see and move in that dark and dense floor; where the volcano is burning way under there, constantly spewing out its highly acidic and extremely hot ash. And yet, there are creatures that exist and thrive in that extreme condition, and some of them even feed on the volcanic ash, for even in that temperature, bugs and bacteria exist. My! Brothers and sisters, as acidic as it

is, and as hot and deadly as it is, God made some creatures able to inhabit the depth where man cannot dare go; yet, creatures of God are there, creatures made by God to survive in that harsh and most inhospitable environment. But the point is this: All those creatures, would have never been known to us, but for the exploration of Japheth. They are the ones that let us even know what is in our own backyards, the environment we live in: Every little leaf, every animal, every little bug, every insect around the globe, they are the ones that continue to study them in order to teach us about them! When you look at the airplane, what an engineering feat it is; what a breakthrough! Thank God for the Jet plane! Can you imagine if I had to come here on a banana boat? I do not know if I would make the journey. And there are people who did in those early years! But a lot of people were sea sick, and many people died during the voyage. I will be honest with you, I would be seriously sea sick! But with the airplane, it is just a number of hours, and you are there. And if you look at Daniel Chapter 12, verse 4, what did God promise

concerning the end time? The Lord said that **“Knowledge shall be increased.”** You have to agree with me tonight, that knowledge has indeed increased. The Lord also said: **“Many shall run TO AND FRO...”** Is that a reality now? Yes, it is an absolute and astonishing reality! The means of it being the airplane. They are right here in India in the morning, and in the afternoon they are in Tokyo, Japan, holding a meeting, and yet, they return here the following morning, all on account of air travel, an invention of the Japhetic race! Brothers and sisters, what an accomplishment we see here at the end t i m e ! W h a t a n advancement! Look at technology, look how advanced the world has become. One little gadget in your hand, a mobile phone, and with it, just at a press of buttons, you can communicate with somebody in Canada from right here in Goa, whether by texting, emailing, phoning, or skypeing. What a wonderful communication gadget it is indeed! The Japhetic race h a v e t a k e n communications onto a level the world has never ever seen. Why? It is because this is precisely

where it all ends, and as such, knowledge has increased astronomically, just as God promised in His infallible Word, that at **“... the end: many shall run to and fro, AND KNOWLEDGE SHALL BE INCREASED”!** This is where the civilisation of man ends, literally and permanently, and as such, this is where man comes to his most advanced state, whatever possible that he can accomplish, fleshly-wise, in his judged state. Because whatever was started in Genesis, will be brought into completion right here at this end time, for it is the ending move of Satan. Brothers and sisters, there is no denying tonight that there is great advancement in the earth, and the principal race that has been used to accomplish these exploits is the Japhetic race. That is a fact!

Nevertheless, the truth remains that this is solely man's civilization, one which is motivated and controlled by the devil, and is ruled by an insatiable lust for power, money, fame, and women, and it is also filled with greed, selfishness, corruption, inequality and injustice, wars, brute force and violence, racism, tribalism,

wickedness, immorality and profanity, which is godlessness, lies and deception, and evil of every description, however despicable, because it is the devil's civilization. God's own kingdom on the other hand, operates on an entirely different level, being most righteous, just, equitable, and peaceful, for it is ruled exclusively by holy and divine principles and attributes. That is why the civilization we see today, with all its accomplishments, does not hold anything concerning God. Their intellectual knowledge, as mind boggling as it is, is all temporal, because it is carnal; it is worldly, and can only serve an earthly purpose, one which is transient. There is not one jot of the knowledge of God in it, for it is opposed to God, which is why with all the knowledge that they have today, they deny the very existence of their Maker. And this lets you see the temporal and transient nature of ALL man's achievements! It all ends here, and has no bearing on God. That is why it is written in 1 Corinthians Chapter 1, verses 22-25: **"For the Jews require A SIGN",** (a supernatural signs): **"and the Greeks",** (who are the

Gentiles), **"seek after WISDOM",** (earthly wisdom): **"But WE"** (preachers, people who are the saved), **"PREACH CHRIST CRUCIFIED, unto the Jews a stumblingblock, and unto the Greeks foolishness; But unto them which are called, both Jews and Greeks, Christ the power of God, and the wisdom of God. Because the foolishness of God is wiser than men; and the weakness of God is stronger than men."**

Saints, I am painting for you a picture of the last civilization. (Brother Amos points to the chart). I am painting for you the civilization which the ten horns of Europe have established on earth today, one that is very complex, for there is no simplicity and humility about it. And that is also precisely why human life expectancy has gone down big time; because there is too much stress that goes with their modernization; their civilization; much more stress than the people can handle! The simplicity of life has been removed! Life is now on a fast lane, and everything takes its toll on man, and they are committing suicide every day, for the suicide rate has never been as high as it is

today, particularly among the youth, all out of frustration. Saints, people have got to pay this bill and that bill: Electricity; domestic or cooking gas; water; rent, and or mortgage; phone; television licence; council tax; road tax; television licence; congestion charge; toll gate; cable fee; credit card bill, this bill and that bill. The bills abound! Yet, on top of all that, people have to feed, clothe, fuel their cars, and also maintain it, as well as also provide for their family, pay school fees and medical bills, ALL of which are choking the people, leading many to commit suicide. Whereas in those days, the good old days, days of yore, life was very simple: You did not have any electricity bill that would kill you, for the moonlight did its job, freely, and that oil lamp did the rest. Anybody could afford it, rich and poor! Are you with me? Life was simple. But today, life is complex, very complex, and all is on a fast lane, and we are killing ourselves to pay the bills for all that life has to offer. Simplicity of life and contentment has been taken away, and the fleshly and flashy things of this world is what is being flung in the eyes of people every day on television, and in

advertisements and films. This is what is catching the eyes and the minds of humanity, and that is why people are turning more and more to crime, becoming Internet hackers, hooligans and bandits, armed robbers, fraudsters, stealing and committing fraud of every description, and on every level possible, whether Internet fraud, Bank fraud, Government fraud, Credit card fraud, Identity theft fraud, cheating people out of their hard earned money, all because they want the good things of life! Brothers and sisters, it is the glitz of the world they are looking for, which is why everyone is now looking for the fast and easy road to attain success and fame, and make good easy money, and that is through sports and entertainment. Everyone now wants to sing, engage in a sport, or be an entertainer, either on television, or on a film set, or on the Internet, to become instant celebrities! Patience and hard work has been thrown out of the window, for everything is on a fast lane, with the get rich quick mentality that now rules the world! That is why the human lifespan is also running out fast too! Sodomy, which is homosexuality, is now the

order of the day, spreading as an unstoppable plague, a deluge from hell, ushering in an explosion of venereal diseases. Sex slavery and pimping is booming uncontrollably around the world, and child trafficking has become endemic (a disease). Violence and crime has exploded throughout the world, particularly in urban cities, with drug and gang related crimes spiralling out of control, and with police brutality and high handedness a common phenomenon, which has become a cancer, for every demon has been let loose on the earth! This is what the Japhetic race has given the world, for it is all without God; this is the fruit of the civilization of Japheth, with all their advancements in science and technology: They have given the world a godless and most profane civilization, a world without God!

Truly, civilization is of the devil, because it is Satan's establishment, Satan's order, Satan's government on this earth, for the world order is the devil's order. However, as I said before, God works through it, for God still has a purpose to serve in it; after all, He is the Creator and Owner of the

planet. But the god of this evil age is Satan, and as such, it is his own civilisation. And because it is his own civilisation, a society where he reigns, the knowledge of God is shut out of it. That is why God has to move sovereignly by His Spirit, working within the civilisation of man, to deal with His Children, in order to give them an understanding of truth, a revelation of Himself, that will keep them from the tide of evil, so that they can walk this **“strait”** and **“narrow”** WAY, keeping themselves unspotted from this wicked evil world, because they can see the end of everything. And it is a fact that the end of this civilisation is at hand, only they do not know it. They are racing to the very end! It is like when you are watching a movie, and there is an assassin waiting inside somebody's home. He has already killed the man's wife and children, and he is just waiting in the living room for the man to come back home. The man leaves his place of work, enters into his car, and heads straight for home, speeding down the road as fast as he can, in order to be with his family. Although it is just a movie, the people watching the movie cannot

help but say: "No, do not go home!" But he cannot hear all those remarks, because it is just a movie! The fact is that the man is racing to death, not knowing that death is waiting for him. If only he knew what awaits him at home, he would not be so hasty to get home. And the world is running fast tonight, running full throttle (full speed) to the very end, and they cannot see it. How you wish they could only see, so that they can slow down; but just as in a movie, they cannot hear you, for it takes a divine revelation to hear, and as such, they will not slow down. Consequently, they are racing to their imminent death, waiting just down the road, simply because they cannot see anything, spiritually speaking. It is you saints that can see! Brothers and sisters, you will agree with me tonight, that the civilisation of the lineage of Japheth outclasses every other civilisation before it, speaking strictly on a carnal earthly level. It is the most prosperous and extremely impressive, being the most advanced. It is also highly materialistic, and as a matter of fact, it is the most materialistic age ever, since God put Adam and Eve here on Planet Earth! It is an age which, according to the Holy

Scriptures, says of themselves: "***I AM RICH, AND INCREASED WITH GOODS, AND HAVE NEED OF NOTHING.***" (Rev. 3:17). That is because of the incredible amount of material possessions they have in this age, such as the world has never seen, for no age has ever been so materially prosperous! It is the most intellectual and the most carnally appealing of all civilisations, appealing to fleshly minded people, because all they see and can relate to are the good things of life; the modern conveniences of life; things that catch the eye, and keep the souls of men earth bound, chasing the American dream, as they say, never looking up for divine things. They are totally lost in a material world! Every convenience of life imaginable is what they care about, until they have gone stupid with it! If it were possible; if they could do it, man would cross his legs, fold his arms, and say to his android phone: "*My mobile, feed me; put my food in my mouth*", because they have gone so lazy and silly with it, until they do not want to do anything anymore; they want the phone to do everything! Human beings now live on their mobile phones, and that is why a

lot of road accidents are happening every day, for they are texting and skypping as they are walking on the streets of London, or New York, or Beijing, or Tokyo, or another city, and they do not see the person or car coming. And when they are in a restaurant, they may be in a group sitting at a table, but they do not converse anymore. Humanity are losing the act of conversation. Instead of talking at the table, everyone has his or her head buried inside their phone, texting, reading emails, or Skypping or on WhatsApp. Friends and family members who are supposed to be talking are not, because everybody is living inside his phone! Do not get caught up in that nonsense! You can use it, but do not abuse its use, and do not let it rule your life, for the mobile phone is only a means of communication. Do not let it be your god, until you cannot sleep without it being on! You should be able to switch that nonsense off, take some rest, and also pray to God, and wait on God! Let people not get you: People are not supposed to get you 24/7! So you should be able to switch it off, in order to have time to rest, and also to have time with your Maker! Do not live in it! It is

a world of gadgets, and that is what a lot of people are living for, forgetting the very essence of life. Do not forget that we are talking about *THE PROSPERITY OF SERPENT SEEDS!* They really think that they are having a swell time, (a great time); but they do not know that they have been seriously hoodwinked (deceived) and cheated by the devil! They really think that they are seriously **truly** prosperous in this civilization, in this age; but they are highly deceived, for it is written in Proverbs Chapter 1, verse 32: ***“For the turning away of the simple shall slay them, and THE PROSPERITY OF FOOLS SHALL DESTROY THEM.”*** Because they do not consider the way of their Creator, whose way is life eternal! Hence it is written in 2 Corinthians Chapter 4, verses 3-4: ***“But if our Gospel be hid, it is hid to THEM THAT ARE LOST: In whom the god of this world”,*** (which is Satan), ***“hath blinded the minds of them which believe not, lest the light of the glorious Gospel of Christ, who is the image of God, should shine unto them.”*** That is why they really think that they are truly prosperous when they are not! They really think that their civilization is

a success story, but how deceived they are, and how deluded they really are, for it is serious delusion that has come upon them to make them believe that! Of course, on a carnal earthly level, it is great. However, in the Book of Revelation Chapter 3, verse 17, it is written concerning this last age, this seventh and final age, called the Laodicean church age, the age which closes out the Gentile dispensation of grace: ***“Because thou sayest, I am rich, and increased with goods, and have need of nothing; AND KNOWEST NOT that thou art wretched, and miserable, and poor, and blind, and naked.”*** Of all ages in the entire Gentile dispensation of grace, beginning from the early church, it is the most spiritually bankrupt! Absolutely! This is the testimony of the Lord, who is ***“the faithful Witness”!*** No age is as POOR, as W R E T C H E D , as MISERABLE, as BLIND, and as totally NAKED as this age, for with ALL her advancement, it is an age of acute spiritual amnesia! Yes! The masses of people are suffering from serious a n d m a l i g n a n t (uncontrollable and incurable) dementia! It means in effect, that there is no civilization as low

down rotten, and as morally bankrupt as this one, for it is the most degenerate! That is what you have to see as bride saints, and not just see the glitz and the glamour, for all that is carnal! That is why, I have to ask you tonight, brothers and sisters, how do you look at the world around you? How do you look at it? Do you love it because of the technological, scientific, economic, and material things it offers, the glitz of the world? Brothers and sisters, when death calls, as it must surely call on the door of ALL mortals, what then is the value of all these earthly things that are being highly sought after today? What will we do with them as bride saints, when we enter the rapture? Satan is using the abundant material things which this civilization has to offer, to take away eternal life from men, leading them in their billions to the Lake of Fire, which he knows is his own certain end! He is using this civilization to make men trade away eternal salvation for a few material things; they are trading away an endless and most glorious eternity for a few short years of carnal enjoyment! My! Eternal salvation is being exchanged with the momentary ***“pleasures of sin”!*** The fact remains, that

whatsoever man has accomplished today, and however lofty and great it may be, it is still earthly, and as such, it is ALL vain, being strictly transient or temporary: It does not give eternal riches! As I often say, when we go in the rapture, we do not need android phones, Skype; WhatsApp; satellite dishes; SUV cars, or nothing! You of yourself will have within you in the resurrection, all the abilities of these material gadgets, on a level that is humanly impossible to attain right now, as a supernatural being! You do not need space shuttles to travel to Mars! You and I are not going to spend the one and a half years just travelling to Mars, that their shuttles are taking now! Mars is just a thought away, and we are there, because we are like angels! You take off, and one minute you are in Neptune, or on another galaxy entirely! And you do not need a special spacesuit to keep your body from the hostile climatic conditions on Neptune: Because you are at home anywhere and everywhere, in God's great universe! Glory be to God in the highest, and may His name be praised forever and ever, Amen!

In the present day civilization established by

the children of Japheth, nothing is safe anymore, for life is now full of insecurity, and life has been reduced to nothingness. Look at what is going on in Syria; look at the leadership of Syria who are using chemical weapons against their own people. Bashar al-Assad, the President of Syria does not care whether the whole nation is devastated and wiped out, as long as he remains in power; that is all that matters to him. My! Brothers and sisters, those are leaders from hell! We are speaking about global insecurity in a so-called civilized world, for Syria is in unrest tonight; Libya is in unrest tonight; Hong Kong is in unrest tonight. You know that! Egypt is in unrest tonight; Sudan is in unrest tonight; Iraq is in unrest tonight; Ukraine is in unrest tonight; thanks to Russia. Nigeria is facing Islamic terrorists tonight, and so is Kenya; thanks to Boko Haram and Al-Shabaab, respectively. Are you listening to me? The whole world is in turmoil! The whole world is embroiled in violence, from India to Nigeria, to the cities of Europe, to the United States, with their senseless killings in the schools of learning, in restaurants, and in malls, and with

flagrant and unbridled police brutality, particularly towards black people, all out of racial hatred; right down to South America with its failed States controlled by gangs and drug lords! You know that is a fact! The hordes of hell called gangs and drug barons are there on different levels! They are the city controllers, and it is a global phenomenon, and what an evil phenomenon! The other day, a lady was gang raped right inside a bus in Mumbai! And the more education they have, is the more satanic they get; the more education they are given, is the more devilish they become in character, because education is not it! Education is not the solution, because you cannot educate a spirit, and men are controlled by spirits, whether they realise it or not! How do you educate a spirit? Come on! It is not more education that is needed: It is God Almighty, the God of Creation, who is revealed in Jesus Christ that is desperately needed! It takes the Spirit of God in any human society to tame the spirit of Satan, and his host of demons! Man's education cannot give man any deliverance or reprieve from the operations of

demons, except God! Man's education does not give, and cannot give you ANY revelation of God, for it is opposed to God! Which is why it is written that by wisdom or by education, men do not know God, as is recorded in the Book of 1 Corinthians Chapter 1, verse 21: ***“For after that in the wisdom of God the world by wisdom knew not God, it pleased God by the foolishness of preaching to save them that believe.”*** Education only gives man temporal knowledge, for it is ephemeral, (transient or short lived). That is why I do not care about how much education you have, and what degree or certificate you have acquired: If you do not have the certificate of God, your life is a waste, a complete waste! So with all the aspirations you have of wanting to become a lawyer, or a doctor, or an engineer, first make sure that you get yourself acquainted with your Maker, through His Son Jesus Christ. First make sure of that, or you are an earthly waste! Because the Lord can call for your soul tonight or tomorrow night, and that will be the end of all your education and dreams. Just make sure that your soul is heaven bound, bound for eternity.

But this eternal objective of life, is precisely what that devil does not want men to see. Hence he creates this civilization which takes the minds of people away from their Maker, and focuses it on a material world, and they are motivated to join that rat race. Now because they can do this and that, all on an earthly carnal level, they think that they are great and wonderful; that they do not need God. For they are sending satellites all over creation, and they can use their mobile phones to check their bank accounts, and transfer funds electronically and easily, right from their bedroom. As such, everything looks so wonderful to them, and it will look wonderful to you too, if that is all you see; if you look at it carnally; if you are unmindful of the evil reality that is all around you in the earth. And that is what I am trying to get you to see. You cannot look at things carnally! For all these advancements are the things that the devil is using today, to take the hearts of men from even thinking about heaven, and by it they have forgotten all about their Creator! Yes, they are highly intellectual, for knowledge has exploded at this end time. However, the real issue is,

what does the devil add to their package of intellectual and material boom? It comes with unknown diseases of all sorts, for they are springing forth newly every day, new species of diseases and bugs, bugs defying antibiotics. It comes with total insecurity, with ISIS, Boko Haram; Taliban; Al Shabaab; Hezbollah; Islamic terrorists and suicide bombers; drug wars and gang rampage, creating mayhem and hell on earth. It comes with homosexuality and transgenderism, which is demon possession, bringing about nothing but an absolute breakdown of morality, and of the human society, starting with the breakdown of the family structure, thereby creating a sick and insane society, a world that has run riot! No wonder today, suicide has now become their best friend, both young and old, rich and poor, soldiers and civilians, after many medical sessions where anti-depressants have failed to make a difference, for suicide is the inevitable result of a hopeless world, a world without God! No, he will not point your eyes to these things, but only to the fun side of life, things which he uses to make them forget that they have a

Creator who deserves some attention in their lives! Satan uses the "gift" of civilization to take away the eyes of men from their Maker, who has a greater plan for them, that it may be focused solely on a material world, making them earth bound! That is why, brothers and sisters, the Book of Proverbs Chapter 1, which is one of the two main Bible passages for this message, aptly declares in verse 32: ***"For the turning away of the simple shall slay them, and THE PROSPERITY OF FOOLS SHALL DESTROY THEM."*** That is to let you know that you cannot tell people who are swimming in the material things of this world, people who are rich and famous, people who feel very comfortable and happy with themselves, that they need God, for they are poor, wretched, and miserable. They will simply tell you: *"God? I do not need God. I am myself a god."* And it is a fact that they are playing God today, and that is exactly why they are making designer babies, and are also cloning babies just for spare parts! Women are also not only redesigning their physical bodies through medical cosmetic surgery, giving themselves

breast implants, facial implants, buttocks etc., they are also choosing the sex of their children, and the doctors from hell are also creating designer babies for them, through the knowledge of the DNA gene. Let me warn you now as bride saints. If you are looking for a child, (and I speak to people who are seeking to have children); we have many brethren likewise in Lagos who are looking to God for children. And God knows that I pray my heart out for all these precious brethren; but God is sovereign. So if you are looking for a child, I pray that God will put a smile on your face, and bless you with the fruit of the womb. However, church, you cannot get a child at just any cost! You did not hear what I said. You cannot have a child at all cost: You will be doing that at the detriment of your walk with God! Because there must come a point, when as a child of God, you have to say: *"I have prayed, and I have also tried my possible best, medically speaking; for I have done what is **reasonable** for me to do medically, as your daughter. I cannot do anything more than I have done, for I have to draw a line right here. I will look to you alone. Father, have*

*your way. Thy will be done."* There has got to come a time when you have tried all you can do, and also know that there is a line you cannot afford to cross. Why am I saying that? I do not know if there is anybody in that shoe in this local assembly, although we have brethren in that shoe around the globe, and as such, since we are on it, I might as well emphasize it. Sometimes, brethren are counselled by medical doctors to take the IVF procedure. They take the seed of the man, and the egg of the woman, and fuse them together in the laboratory, before planting it in the womb of the woman, or in the womb of a surrogate mother. Now listen to me very carefully. I did not intend going into this, but may God have His way. Listen to me saints. Most of the doctors that perform these procedures are not believers, and are certainly not godly either, as everything for them is about money. I did not say that about every doctor: I said most of the doctors that do these things are not godly people, but are motivated by money: They are Satan's people, for they are earthly minded people. That is why we have many cases around this globe, where these doctors play

with the seeds of men. There is a case in the United Kingdom where one doctor from hell promised all his patients that he would give them children. He took the seeds (sperm) of many men, with the eggs of their wives, with a promise of performing IVF; but the doctor was actually using his own sperm to fertilize the eggs, and as a result, dozens of women, almost about a hundred women, who gave birth through his IVF procedure, were carrying his seeds, and every last one of them gave birth to his baby, thinking that it was the seed of their husbands! Whatever sperm or germ of life he was given, he simply threw them away, and used his own for all the women, being a tool in the hand of the devil! That all goes with the civilization of the Japhetic race as well, for it comes with everything that goes with it, being a total package; and we must consider it, just as we had to consider the negative side of the civilization which the lineage of Ham established way back then! All these evils are happening today because people are playing God! They are so medically advanced, until men and women are now re-designing their physical

bodies, trying to look like what they are really not, giving themselves a new physique, and a new sex, an artificial one that is still going to rot in the grave at the end! It is only a mortal body after all, one which is subject to age with time, and eventually die, and decay! But what are they doing with the DNA gene today? They are playing God! Tonight, you will agree with me that the Japhetic race are playing God! That is why they take away the sovereignty of God, and choose the sex people now give birth to, saying implicitly that God no longer has the right or the prerogative to appoint seeds, as He appointed Seth to Eve, as is recorded in Genesis Chapter 4, verse 25: ***“And Adam knew his wife again; and she bare a son, and called his name Seth: For GOD, said she, HATH APPOINTED ME ANOTHER SEED instead of Abel, whom Cain slew.”*** But today, it is man appointing seed, and this should let you see the finger of Lucifer. And if I may ask: When you take away God's sovereignty in the choice of a baby's sex, what kind of child do you think you are going to have? Just think seriously about that for a moment, for

you must know assuredly that you are not going to have a son or daughter of God! Of course not! I am not saying that that child cannot be a fine son or daughter: I am saying that you are not going to have a son or daughter of God. Period! Now they are creating designer babies, as long as you can pay the medical bill. They will simply ask you: *“What kind of baby do you want? Do you want him to be a basketballer or a footballer?”* They will go and get the gene of a good basketball player, or a good footballer, and in the laboratory, they create something that has all those attributes fused together, plant it in the woman's womb, and in a matter of months, out comes your designer baby! Now they are even making babies just for spare parts! The Japhetic race is playing God! They have cloned a sheep named *“Dolly”* in Scotland; they cloned a cat named CC (*CopyCat*) in Texas; they have cloned a cow named *“Daisy”* in Connecticut; they have cloned a dog named *“Snuppy”* in Seoul, South Korea; they have cloned a horse named *“Prometea”* in Cremona, Italy; they have cloned a mouse named *“Cumulina”*

in Hawaii, which is part of the United State of America, ALL quite apart from the mass cloning of various animals, and for various purposes that is going on every day in the Japhetic world! Now they are also cloning this and that around the world, following the footprints of the children of Japheth! They see it as scientific breakthroughs, and they make justifications for it, on the grounds that it is of beneficial use to man. And now they are trying desperately to clone man. Is that right? Yes! But what is all that set to accomplish? It is Satan's desire that by doing so, the God factor as Creator, becomes a myth to the world, for if men can do it, why then should creation be attributable to a divine being? That is the point they are trying to establish under Lucifer! And that should let you see that this is purely a demonic act; it is an act of demonology through and through! Brothers and sisters, I say all that just to say this: This is nothing but Satan's civilisation! You must understand that! The civilisation we are living in is not of God. The proof is that it is a civilisation that does not carry ANY knowledge of God, for they

do not want to hear ANYTHING about God; but rather, they do everything to nullify the supremacy of God, and to disprove the very fact that God exists, or that He created this world! They will listen to and follow men of renown, great bird brains like Charles Darwin and Stephen Hawking, and their nonsensical postulations, speaking about things too wonderful for them to understand! That is why they are being motivated earnestly and seriously, just as the serpent was motivated, to produce their own creation by cloning, just to disprove that there is God, an evil and extremely sinister motive which they cover up with nice logical scientific reasons, just as the serpent deceived Eve with his warped logical deductive reasoning in Genesis! There is a lot I can say on this issue, but that will not be necessary, for my point is sufficiently made. Brothers and sisters, tonight, it is certain that the advanced knowledge and worldly accomplishments of the lineage of Japheth, is precisely what is going to kill them. We are looking at *THE PROSPERITY OF SERPENT SEEDS*. Indeed, and as it is written, it is the prosperity of fools that shall destroy them!

Apostle Paul declared in Romans Chapter 1, verses 21-22: ***“Because that, when they knew God, they glorified Him not as God, neither were thankful; but became vain in their imaginations, and their foolish heart was darkened. Professing themselves to be wise, THEY BECAME FOOLS.”*** And as the Holy Bible also says Psalm 14, verse 1, it is a fool, A BIG FOOL, that says ***“in his heart”*** that ***“there is no God”***; and a bigger fool he is, when he voices out his foolishness, however successful and prosperous he may be!

Church, it is the prosperity of fools that will certainly be the cause of their destruction. For what they consider great; what they consider success; what they think make them prosperous, are the mere vanities of life. They look at their advanced cities with all their skyscrapers, complex flyovers, super highways, and well paved roads; they consider food that is in abundance, with great and abundant restaurants; they think of their lovely homes, with their well mowed lawns; and their beautiful cars;

they consider their economic boom; and the fact that they have great brains, great intellectuals, world think-tanks; Nobel Laureates; masters in their fields of endeavour; professors of science and engineering; business moguls; world class architects; construction wizards; computer geeks; together with their great educational system; good healthcare system; their transport system; their booming stock market, and their complex financial system; and their super stardom, on and on the list goes, and they falsely believe that they are great. Saints of God, ALL these things that men count as measures of success and prosperity, are absolutely worthless to God, for they are vain; they are mere vanities of life! For all these things, as good as they are in earthly terms, as beneficial as they are to man in most cases, unfortunately, do not answer the problem of SIN and its imminent judgment. That is the main issue! The truth is that God is coming to judge SIN, and as such, He will judge ALL those who have refused the provision of the Lord for

redemption through His Son, Jesus Christ. Another truth is that we were all born in sin and conceived in iniquity, and as it is written, ***the soul that sinneth, it shall die;*** for God has appointed a day in which to judge sin through Jesus Christ, for iniquity will certainly have an end! Therefore, everything is about eternity, our eternal destiny! Consequently, true success; true prosperity, is one which has an eternal value. And until you are spiritually successful or spiritually prosperous, all you have, and all you will pride yourself in, are nothing but mere vanities of life! Otherwise, I will ask you now: Where is old Imperial Rome, with her seemingly invincible army? Where are the hanging gardens of Babylon? Where are the civilizations of Egypt, Assyria, Medo-Persia, and Greece? Where are all their great cities and their world accomplishments? God destroyed them all, leaving their remnants buried in the earth for modern day archaeologist to unearth for us, that we may see and learn from their ruins! Where is that great city, Pompeii? God sent molten

volcanic lava to burn out that godless and morally decadent city! The same fate awaits this generation, for this civilization is the worst, and it has no comparison in Iniquity! However prosperous a people may be, when INIQUITY becomes a thing of joy and celebration; when extremely SINFUL and abominable conducts become a cause for world celebration and applause, you must know that that society is on its way out, for it is finished, and her judgment is most certainly at the doors! It is written in Isaiah Chapter 5, verses 20-21: ***“Woe unto them that call evil good, and good evil; that put darkness for light, and light for darkness; that put bitter for sweet, and sweet for bitter! Woe unto them that are wise in their own eyes, and prudent in their own sight!”*** What an extremely evil civilization this is! **THERE IS SO MUCH EVIL GOING ON TODAY, that I am vexed in my bones to my spirit:** So much societal violence and crime; so much Islamic terrorism and suicide bombings; so much murder and rape; so much homosexuality and sexual

perversion of every sort, with pornography and immorality of every description, giving us a sexually promiscuous and most profane world; so much revelry, (self-indulgence; moral debauchery), and drunkenness; so much global insecurity of life and property; so much hatred, racism, and injustice; so much greed and selfishness; so much hatred of the very notion of God; and yet, for all these, they say that they are prosperous! It is because they have brain damage, otherwise, they should see the utter degenerate state of things around the world, a so-called civilized world, which is crying out to the heavens! Just tell me exactly what is civil about this present world, when it has no ounce of moral value or standard, but rather, it is a civilization that upholds INIQUITY and ABOMINABLE SEXUAL RELATIONSHIPS, backed by the full force of the law! All I see is a morally corrupt, totally bankrupt, and degenerate class of people! But out there, they see prosperity galore! Prophet Amos did not see prosperity in Bethel: HE

SAW INIQUITY AND A COMING JUDGMENT! Yes! He saw the city for what it truly was, exactly as God saw it, and he pronounced divine judgment on it! And God sent an earthquake to judge that city in the days of Uzziah, the king of Judah, just as Amos had prophesied in Chapter 1, verse 1! Saints, what do you see out there in the Western world, the Japhetic world? How do you look at what you see out there? What spectacles or glasses are you using to see? Is it a fleshly one or a spiritual one? How do you look at what you see? You see good business and job opportunities, (economic opportunities), lovely cities, nice homes by the beach, and lovely cars; but can you also see the spirit behind it all? Can you see the evil of it, the iniquity that it holds, which is begging for the wrath of God; or is it just the glamour and the carnal things of life that you see? Because sin tonight has been made appealing; sin tonight has been made very glamorous, and everybody is aspiring to have a piece of that glamour. But the civilization that we see is totally anti-

God, totally opposed to God, because it is established not to carry God's purpose, but to carry Satan's purpose, that through it, Satan will finally realise his desire that he has been working to accomplish, from way back then in Genesis. Church, I am making a serious point. It is one thing to see all the glitz and glamour, the carnal beauty and opportunities of work which the advanced nations of Japheth has established. But can you also see in that beautiful place, something that you need to run away from, for you do not need a beautiful cemetery? Can you also see the oncoming storm of God? Can you see the hand of divine judgment hanging over the civilization? Can you afford to look at the world with only a carnal eye at this end of time? This reminds me of the case of Lot, and his choice of Sodom and Gomorrah. The time came for Abraham to separate from Lot who had followed him, after the Lord had called him out, just as time also came at this evening time, for the wise virgins to be separated from the foolish virgins. Therefore, as is recorded in the Book

of Genesis Chapter 13, Abraham, a type of the wise virgins, (who is the elect bride of Christ), spoke to Lot, a type of the Gentile foolish virgins, asking for separation, as the Scriptures recounts in verses 5-13: ***“And Lot also, which went with Abram, had flocks, and herds, and tents. And the land was not able to bear them, that they might dwell together: for their substance was great, so that they could not dwell together. And there was a strife between the herdmen of Abram's cattle and the herdmen of Lot's cattle: and the Canaanite and the Perizzite dwelled then in the land. And Abram said unto Lot, Let there be no strife, I pray thee, between me and thee, and between my herdmen and thy herdmen; for we be brethren. Is not the whole land before thee? SEPARATE THYSELF, I PRAY THEE, FROM ME: if thou wilt take the left hand, then I will go to the right; or if thou depart to the right hand, then I will go to the left.”*** (Now watch). ***“And Lot lifted up his eyes, and beheld all***

***the plain of Jordan, that IT WAS WELL WATERED EVERY WHERE, before the Lord destroyed Sodom and Gomorrah, even as the garden of the Lord, like the land of Egypt, as thou comest unto Zoar. Then Lot chose him all the plain of Jordan; and Lot journeyed east: and they separated themselves the one from the other. Abram dwelled in the land of Canaan, and Lot dwelled in the cities of the plain, and pitched his tent toward Sodom. But the men of Sodom were wicked and sinners before the Lord EXCEEDINGLY.”*** Look closely at this scenario, for it is very instructive, and indeed, two cannot walk together unless they agree. In that day, Abraham allowed Lot to choose first. Oh, my! Why did Abraham not choose first? That was a man of faith, a father of faith! It is simply because he knew that if God gives you something, you do not need to fight for it. And there is nothing you fight for that is God given! Nothing! And if God has given you something, you can cross your legs, fold your arms, and rest in God's perfect

will, because He will surely bring it to pass, for He is the Lord! He knew that the land was not given to Lot, but to himself, for he was the man with the promise of God. Therefore, Abraham asked Lot to choose first, for as it is written: ***“The just shall live by faith”!*** I can preach a message on that, you know. He said, ***“You choose!”*** Abraham did not say: ***“Oh, let me choose first, before he chooses the best part.”*** No! A spiritual man does not fight on carnal things. Are you listening to me? I am not talking about truth. If you nullify truth, we have to set it right. But when it comes to natural things, a spiritual man does not fight for it. And I always beg men in the ministry also: ***“Do not fight for ministry; do not fight for anything”;*** because whatever you fight for is not God given. You just be humble, and stay with the truth, and you will see God magnify Himself. ***For IF God will use you, He will use you,*** but in His own time, for He forgets nothing in His plan. He called Elisha whilst he was ploughing his field. He called Amos whilst he was taking care of his flock. He also called Moses whilst he was tending the

flock of Jethro, his father-in-law. Brothers and sisters, Abraham was a revealed man; a man who had the mind of the Spirit, and as such, he was not afraid, because he knew that the plan of God, and the promise of God, cannot fail, but it is right on course, and is ever immovably on course. So he therefore allowed Lot to have first choice. That is not a man that was afraid! Church, that is a man that was highly revealed! He told Lot, *"You choose first. Wherever you choose, I will go the other way."* You would expect that as the elder person, he should have chosen first, because Lot was just his nephew. Are you listening to me? He should have chosen first, because the land was given to him. To cut a long story short, the Bible says that Lot lifted up his eyes, and saw a lovely city, plus the fact that ***"it was well watered EVERYWHERE,"*** for it was very prosperous, and he said: *"I will take Sodom and its environs."* Abraham said, *"Are you okay with that?"* He said, *"I am okay."* And that was where Lot went to settle, for he went for glitz and glamour; he went for

carnal earthly prosperity, the material things of life; the good things of the flesh which the city of Sodom would provide for him, because he did not see the other side, the dark side of Sodom. For as it is also written, this was ***"before the Lord destroyed Sodom and Gomorrah"***, and as such, he did not see the handwriting on the wall! He saw their advancement, but not their iniquity; and he certainly did not see their impending judgment! How do you look at what you see out there? Verse 13 declares: ***"But the men of Sodom were WICKED and SINNERS before the Lord EXCEEDINGLY."*** And when the cup of the Sodomites were full, AT THE EVENING TIME, God sent two angels to wipe out Sodom and Gomorrah, raining fire and brimstone upon it, and the Lord destroyed them all, and that was the end of the prosperity of Sodom and Gomorrah! It is written: ***"For the turning away of the simple shall slay them, and THE PROSPERITY OF FOOLS SHALL DESTROY THEM."*** Brothers and sisters, when the fire came, Lot had to run for dear life,

and in Sodom, he lost everything! The angels of the Lord told him to run to the Mountain, but Lot still wanted to go to another small city called Zoar. You will find that in Genesis Chapter 19. He begged the angels, saying: *"The Mountain is too far. Look at that small city. It is only a small one. Surely you will let me go there and live. Please allow me to run to that city."* He loved the civilization of man, and he could not see that here, in this world of sin, we have no abiding city, but we are seeking a city to come, one whose maker and builder is God, a city with twelve foundations! I feel religious tonight! So the angels of the Lord agreed to his request, and Lot ran to the city of Zoar. But do you know at the end of the day, that fire still got to Zoar and destroyed it, and Lot still had to run away from Zoar to the Mountain! Because there is no refuge in the city, ANY city of man! The refuge is in the revelation of Jesus Christ, the Rock of our salvation! You need to come to this Mountain, the Mountain of God! You need to come to Mount Moriah, where Jesus Christ is being revealed, for in Christ

Jesus, we find an Eternal refuge for our souls! You need to come to the Rock of revealed Truth! That is the only place of safety, for fire and brimstone has also been reserved as the divine judgment for this modern day civilization, this modern day Sodom and Gomorrah! Let me finish the testimony concerning Lot.

After Lot went his way at the separation, God spoke to Abraham, declaring: *“Look North, look South, look East, and look West, Everything is yours!”* So what does Lot have? Nothing! Oh, my! This God, His ways are just wonderful! There is peace in knowing that God is in control, and that all is well. Saints, I referred you to Lot and his choice of Sodom to make a point. Lot saw a beautiful city, but he did not see iniquity. He saw a beautiful and prosperous city, but he did not see wickedness. He saw a beautiful and very lovely city, carnally speaking, but unfortunately, he did not see the handwriting of God on the wall. He certainly did not see the judgment of God that was coming! And really, Sodom and Gomorrah should have

been called SIN CITY; for it was a glamorous den of INIQUITY, where moral perversity ran riot unhindered, for they were free to roam the streets of Sodom in search of new faces in town! The bottom-line, brothers and sisters, is that the choice of Sodom and Gomorrah did not pay Lot. That is a fact! Not only was he grieved everyday by their godless way of life, their iniquitous lifestyle, but also, at the end of the day, he lost everything he owned, including his wife, who was turned into a pillar of salt, as a perpetual memorial. By her statue of salt, God warned succinctly or clearly: IF you are going to walk with God; IF you are going to follow the Calling Out Message at the Evening Time, YOU MUST FOLLOW IT ALL THE WAY, WITHOUT REJECTING ANY OUNCE OF TRUTH! Period! Otherwise, the Lord will similarly make you a spiritual salt statue! Please let us walk with God by faith. Church, we must be able to look at things by the eye of the Spirit. Do not look at things carnally; do not look at fleshly beauty or fleshly prosperity; do not look at fleshly appeal; do not judge things by the carnal benefits and fleshly

enjoyments it offers, for all that will pass away. **JUDGE THINGS BY ITS SPIRITUAL VALUE; weigh things on the scale of its spiritual benefits,** for everything fleshly will pass away; but that which is spiritual endures forever. The glory of this world is passing away, brothers and sisters, apart from the fact that this world is very fragile, for anything can happen at any time, and your world becomes irreparable. Hence it is written, that he that doeth the will of the Father, abideth forever. Amen. The Lord is coming soon, and He will shake this world like never before, for the kingdom of man is coming to a perpetual close. God is going to wipe it all out, and that is where our message is eventually going to end. But church, you should have an eye to see things from the right perspective. Look at this last civilisation, is it not mind boggling? (Brother Amos points to the chart). Look at those lovely streets and grand well lit highways. Are you listening to me? The sights of the land are so beautiful and eye catching, that you will take so many photo shots, until your album is full, and you will still not have

captured everything, for there is much to see in SIN CITY! I am not saying that you cannot live in a city now. Please! Do not take things into extremes. I am only making a point that, whether you live in a city, or you live in a boony town or village, it is your walk with God in the light of His Son Jesus Christ that matters. Just make sure that you look at things in the right way. And wherever you live, just make sure that you are living for the Lord, and that you are walking with Him in the light of the Scriptures of truth. But you cannot look at the well-watered prosperous land as Lot did, or you will miss the road of life! You have to look at it exactly how God looks at it, because in this last civilisation, I tell you tonight, every evil imaginable is here in its matured state; every evil both imaginable and unimaginable! It is a civilisation that is built on nothing but gross immorality, from the leaders to the street sweepers. Is that right? Yes! The present day leadership of the lineage of Japheth has gone cancerous; the leaders of world leaders are now most perverse. Proverbs

Chapter 16, verse 12 declares: ***“It is an abomination to kings to commit WICKEDNESS: for the throne is established by righteousness.”*** Again it is written in Proverbs Chapter 17, verse 7: ***“Excellent speech becometh not a fool: much less do LYING LIPS A PRINCE.”*** When grossly immoral principles become the bedrock of a nation's justice system, and when the motivators of iniquity is the leadership of a people, you must know that that nation is finished, and that there is nothing left for it but certain impending (imminent) judgment! It is also written in the Book of Proverbs Chapter 14, v e r s e 3 4 : ***“RIGHTEOUSNESS exalteth a nation: but SIN is a reproach to ANY PEOPLE.”*** Immorality now rules the human society, from the leaders to the people. There is no longer anything called chastity. They do not know what chastity is, because it is a world filled with immorality, from the leaders to the people, and from adults to little boys and girls, as young as 7 and 8 years, who cannot yet wipe their backsides after using the toilet. It has to be so,

because the lineage of Japheth teach children, primary (elementary) school children, sex education, helping Satan to spread his evil message of sexual promiscuity at such a tender age! Today in the Japhetic world, prostitutes are now called sex workers. My, oh my! Now they make sin very appealing, for iniquity is given lovely titles. No, they no longer want them to be called the prostitutes that they are, but sex workers. But they are prostitutes, for that is the name of that Sin: Prostitution! There is no shame anymore! That is the society of man, one which the race of Japheth has created by his civilization. Now they also have their union, called the Sex Workers' Union, which gives them a voice in a shameless Japhetic world. Hence, they can question the government and take it to court, for now they have the same rights and privileges as sex traders! My! But why would they not be proud of their trade, when they live in a world full of homosexuals, gays, lesbians, and transgenders? They can boast that at least they are committing their relationships with the

opposite sex, and not with the same sex! The marriage ordinance of God has been re-written, and ABOMINATIONS HAVE BECOME THE WORLD OF JAPHETH! Think about it! I am showing you the civilization of the ten horns! Brothers and sisters, this last civilisation has outclassed any and every civilisation before it in iniquity. Look at the gays and lesbians, these moral perverts. Do you know what they now call themselves? They have coined a lovely title for themselves. Every moral pervert on this earth belong to a community called the LGBT community. What is the "L" for? Lesbians! "G" is for Gays! "B" is for Bisexuals! "T" is for T r a n s g e n d e r o r Transsexuals, a man medically turned into a woman, or a woman medically turned into a man. Let me tell you this: When God made man, He made us with straight flat chests, that we can stand upright and be macho looking. That is a man. Women have that feminine quality. And that is why God gave them long hair, a delicate walk, and a tender look. That is feminism. But when a man leaves his

macho nature and takes on female attributes and mannerisms, he becomes what the Bible calls "*effeminate*". In 1 Corinthians Chapter 6, verses 9-11, God warns: "**Know ye not that THE UNRIGHTEOUS SHALL NOT INHERIT THE KINGDOM OF GOD? Be not deceived: neither fornicators, nor idolaters, nor adulterers, nor EFFEMINATE**", (which gives us trans-dressers, cross-dressers, l a d y - b o y s , m e n transgender, etc.), "**nor abusers of themselves with mankind**", (which gives us homosexuals, gays and lesbians), "**Nor thieves, nor covetous, nor drunkards, nor revilers, nor extortioners, shall inherit the kingdom of God.**" Full stop! However, I need to point out that God can save people given to these iniquitous ways, if only they would humble themselves in repentance, and accept Jesus Christ as their personal Lord and Saviour. Which is why our message is not against the sinner, but against SIN, for the next verse clearly says: "**And such were some of you: BUT YE ARE WASHED, B U T Y E A R E**

***SANCTIFIED, but ye are justified in the name of the Lord Jesus, and by the Spirit of our God.***"

This proves that Christ died for all sinners, whatever the sin may be, and all it takes is repentance and the acceptance of Jesus Christ as one's personal Lord and Saviour. Brothers and sisters, effeminate people are men who look like women, dress like women, and who also try to talk and walk like women, and today, we must include transgender men in this category. They are men who learn to do all the mannerisms of women. And today, in this civilization of the lineage of Japheth, they have taken effeminacy to another level. For now, many go to doctors from hell to inject them with hormones and steroids, for their sex change, and they are having their sex changed! Men, as well as boys, are being medically turned into women and girls, respectively, and now they have breasts and buttocks just like women, either through hormone injection, or plastic surgery! Women are also changing themselves into men, so much so that if you look at them, you would have to

say, “*Wow, what a handsome man*”, for they actually look handsome; but that so-called man is a woman! Some even go so far as to body build, by pumping iron in the gym, and also by using steroids, to make them look macho. And when you look at them, they look like a gorilla let loose from the zoo. And she is supposed to be a woman, who has now made herself a man. It is a disgrace, and it is utter perversion! It is an abomination! Brothers and sisters, all these moral perverts have put themselves together in a community, which they proudly call the LGBT community, a community of every spirit from hell! And truly, this is their kingdom, which is precisely why they have a voice that is higher and weightier than our voice, for their voice is law. They can do anything they want to do, because this is their civilisation! Here is their own city, the end time city of Nod, the end time Noddywood, which is Hollywood. You and I are the strangers here, for like Abraham, we are pilgrims! Brothers and sisters, the leadership of the Western world like Barak Obama of the United States, and

David Cameron of the United Kingdom; the leadership of the race of Japheth, has become so p e r v e r s e , s o dishonourable, so low-down rotten, that they are the ones championing the cause of the gays, l e s b i a n s , a n d transgenders, around the globe! Leaders that should show their nation the way of righteousness, that they may maintain a just and morally sane and upright society, took on the fight for the cause of homosexuals! Is it not ironic, though extremely sad and most shameful, that the Prime Minister of Great Britain, a country that once colonised the world, and who helped to bring Christianity to the world, and who also passed laws in their colonial Nations in Africa and around the world, criminalizing homosexual relationships, on account of their moral and religious beliefs, are now the very ones promoting it, having lost ALL religious and moral values? And to think that now, on the other hand, it is the Africans that they came to Civilize and Christianize back then, that are the ones that are now standing for the fear of the Almighty God, and are also the ones

legislating against Sodomy? Whilst the Hamitic race are now standing firmly against SIN, the Japhetic race are now standing firmly and forcefully for INIQUITY! My! When the leaders of great nations such as America and Britain, along with those of the other European nations, have lost all sense of morality and righteousness, all sense of right and wrong, it shows that these nations, as great, and as advanced, and as prosperous as they are, are completely finished, for it shows that something has gone totally wrong with their mentality! Satan blew it out with a shot gun! That is the only explanation I have for leaders of the leading advanced countries of the world to openly and globally push for homosexuality and transgenderism, as a legal right! It is brain damage that causes that! They have become totally demon possessed! I do not care for their nonsensical “Political Correctness”, for it only promotes downright stupidity! You can call my stand hate preaching, homophobia, or anything you like, but I will tell you now that you are

chronically sick, and mentally insane; for YOU ARE LEGALIZING WHAT GOD ALMIGHTY CALLS **“GRIEVOUS” INIQUITY!**

That is precisely why suicide is growing at an alarming rate in the West, for it has hit the roof, particularly amongst transgender people, a bitter reality which the Japhetic leaders of the world are shielding from the general public, so that these demonic acts can continue to flourish unabated. And indeed, transgenderism has to lead to suicide, for it is absolutely against nature, and it has no place in a decent and sane society, for a man will ever remain a man, just as a woman will ever remain a woman, regardless of their sex change! This plainly proves that these leaders are tools in the hands of Lucifer! Even gays confessed that they have never had a leader like Obama; they have never had it this good! Never has a president taken on their course like Obama! Saints, there is no President, Prime Minister, or Head of State of any nation, that has done so much to bring degeneration to humanity like Barack Obama, and his partner in

the United Kingdom, David Cameron. Psalm 9, verse 17 clearly warns: **“The wicked shall be turned into hell, AND ALL THE NATIONS THAT FORGET GOD.”** Church, tonight, as the Japhetic nations are trying to help the African countries that are struggling, by giving them financial aid, whether through the World Bank, the United Nations, the European Union, or through the World Health Organisation, they are now attaching a condition to it, and that is that these countries **MUST** legalize the homosexual lifestyle. In other words, or in effect, **They are offering Money in return for Moral Degeneration!** Lord have mercy! No, it is not the Hamitic race that is forcing and bullying the world into accepting abominable and **I N I Q U I T O U S BEHAVIOUR**, but the lineage of Japheth, the white race: Americans and Europeans! Now tell me, what has homosexuality got to do with financial assistance? What has LGBT got to do with economic help, if not that they are sick? These leaders of America and Europe are spiritually insane! They definitely

have brain damage! What a sick people! Abraham Lincoln would not do that! George Washington would not even think of it, let alone do that, for these were righteous leaders, leaders who abhorred Iniquity! America has never had a worse president than Barak Hussein Obama, a moral pervert and a degenerate thinking man! Lord have mercy! **AMERICA, YOUR DAYS ARE NUMBERED, FOR YOUR JUDGMENT IS AT THE DOOR!!!** Something is fixing to happen, for the bubble is about to burst; but not until the last prophetic piece of the puzzle is put in place, and that is the election of Hilary Clinton as President of the United States of America! Then the Third and Final American Conflict will explode, because **GOD WILL TOUCH YOU WHERE IT HURTS, AND BRING YOU TO YOUR KNEES, AND YOUR MONEY, YOUR ENTIRE ECONOMY, WHICH IS YOUR STRENGTH, WILL TOTALLY COLLAPSE!** **Then the bubble will burst, for the Third American Conflict will ignite, as God brings you to judgment!** You have never seen anything like it, for it is coming. And it is right at

your doorstep, **FOR YOU HAVE SPAT IN THE FACE OF THE GOD OF CREATION!** It is one thing seeing a lovely society, lovely civilisation, and earthly advancement; but you have to see SIN; because this civilisation is SIN-FULL! It is full almost to the brim, that it may run over with SIN, that it may be divinely judged, and judged it shall! Now, what next for the *Ten "Toes"?*

Yesterday, I showed you precisely what the lineage of Ham was used by Satan to accomplish in his plan, in that civilization. Now you have to see that at this end time, it is now the lineage of Japheth that Satan is using as his principal vessels, for it is an obvious and notorious fact; and anyone that has eyes to see can clearly see, for it is as plain as day. This also confirms the point I made earlier, for it is the absolute truth, that the serpentine traits have been infused more into the DNA of the Japhetic race, over and above any other race on this planet today, being Satan's principal vessels. It is because we are at harvest time, and everything is now at its head again, ready for harvest, and Lucifer has to use a race, and it is the leadership that counts in

this regard! Let me show you scripturally, what Satan is now using the lineage of Japheth to accomplish today in his plan, quite apart from the moral degeneration that they are helping him to establish in the earth. We have already seen a total moral collapse of this lineage, as his principal vessels at this end time, which is the necessary foundation or stage for what is now to come. I repeat: Out of the three main races of people that was produced by the three sons of Noah, Shem, Ham, and Japheth, none has the serpentine nature today like the race of Japheth, for we can see that the serpentine nature in them has come full bloom! Why do you think that the present civilization is totally anti-God? Why do you think that the Europeans find it taboo to speak about God and His Word, even in passing? Why do you think that they have thrown the Holy Bible which they stood for, for many centuries of time, away, as they now hate it? Why do you think that they do not want to hear anything about God the Creator? That is why you have to understand that the society of Japheth as it stands today, was not established to accommodate God, for we

are in the days of the ten toes, toes of earthen clay mixed with iron, depicting man in his total degeneration! Please get that straight! You did not hear me? The Japhetic civilisation that we see today was not put in place to accommodate God. Rather, it was put in place specifically to accomplish the purpose of Lucifer, pure and simple! For this last Beast Empire, which gives us the European Union, is Satan's final Empire, Satan's final move! That is why it chokes out anything and everything Christian; that is why it chokes out righteous principles and calls it archaic and barbaric; that is why it chokes out anything and everything that speaks of God; and it chokes out anything and everything that speaks of the Holy Bible, and it was designed to do just that! Can you not see just how they hate Christians, and are not only persecuting them, but are also systematically pushing them out of existence by their unrighteous and unjust laws? To call sin by its name is now hate preaching, and it is a crime! To call homosexuality a sin, is homophobia! They want to make Christians extinct, and I will prove it to you by the Word of God! How they

hate the Holy Bible, which was the backbone of the establishment of the ten national horns at their very beginning! Let me warn you on the full authority of the Scriptures: The Ten Toes were not put together for the purpose of God, but strictly for the purpose of Lucifer, and his purpose they will serve with all that is within them! Wake up! And let me tell you, he is coming: LUCIFER IS COMING, for the stage has now been set for him in Europe, and all around the prophetic earth! Open your eyes, and wake up, for something serious is going on; something most sinister and satanic; for what William Branham prophetically called **"THE SQUEEZE"** IS COMING! They can deny the Bible for all they want; but they are fulfilling it to the letter, nonetheless! They are fulfilling every verse of the Scriptures that they do not believe is the Word of God, for the same Holy Scriptures has declared from long ago, that they will do exactly what they are now doing! Come with me to God's Holy Writ, which is the Holy Bible, the Holy Scriptures. We will begin our spiritual journey from the Seed Chapter, which is the Book of Genesis, and take it through time, right up to this last civilization, as

revealed in what I call the Ending Chapter, or the Maturity Chapter of the Bible, which is the Book of Revelation, the last Book of the Bible. At the Judgment bar in the Garden of Eden, the Lord pronounced a divine judgment in Genesis Chapter 3, declaring from verse 14: ***"And the Lord God said unto the serpent, Because thou hast done this, thou art cursed above all cattle, and above every beast of the field; upon thy belly shalt thou go, and dust shalt thou eat all the days of thy life."*** Now pay attention to the next verse, for that is where I am going. In verse 15, God declared: ***"And I will put enmity between thee"***, (the serpent), ***"and the woman"***, (Eve), ***"and between THY SEED"***, (the seed of the serpent), ***"and HER SEED"***, (the seed of the woman); ***"IT shall BRUISE THY HEAD"***, (meaning that the prophetic spiritual seed of the woman, referring to Jesus Christ, shall bruise the HEAD of the prophetic spiritual seed of the serpent, referring to the Anti-Christ), ***"and thou shalt BRUISE HIS HEEL"***: (meaning that the prophetic spiritual seed of the serpent, which is Judas Iscariot, shall bruise the HEEL of the prophetic

spiritual seed of the woman, our Lord Jesus Christ), thus giving us The Final Conflict IN PROPHECY. However, it is needful to point out that this prophetic utterance that God gave in that day, is being fulfilled in reverse. What I mean by that is this. The bruising of the heel of the seed of the woman comes first, before the bruising of the head of the seed of the serpent. Since the serpent was subsequently and immediately deformed and transformed into a new species of snake, which is the Boa, a Constrictor, the prince of which is the Anaconda, common sense will tell you, therefore, that the serpent had to already have had a natural seed in reality in that day, through whom his spiritual seed would eventually come, and indeed, he had a seed which was already sown into the womb of Eve, whose name was Cain, the serpent seed. The woman also had her natural seed through Adam her husband, whose name was Abel, right in the same pregnancy, by the means of superfetation. And just as God pronounced in His judgment in the garden, ***"Enmity"*** developed between the two seeds, for Cain hated and also killed

Abel, on account of the divine acceptance of Abel's revealed sacrifice, which had the required atoning blood in it. God had to appoint Eve another heir in the place of Abel, who was named Seth, thereby giving us the lineage of the sons of God, through which Jesus the Messiah would eventually come, and through which he came. As we have shown at the beginning of this message, the daughters of the lineage of the seed of the serpent, which is the Cainite lineage, Satan's vicarious children, intermarried with the lineage of the sons of God. And by this move or act, Satan not only fouled up the pure genetic soul state of the Sethite lineage, who are the sons of God, he also made sure that there were no more pure seeds of God on the earth, for everything was now fully mixed in the days of Noah. He knew that by their fallen nature, evil genes having been bred into them, and evil genes being dominant, that the sons of God would serve him. And that was exactly what happened, for in the days of Noah, the mixed marriages had come to its point of maturity or head, and hence, its terminating point, and God drew the curtain on it, and

wiped the slate clean with the flood, saving just eight souls: Noah, his wife, and their three sons, Shem, Ham, and Japheth, along with their three wives. God gave the commission to Noah and his three sons to repopulate and replenish the earth. All men now had the serpentine traits bred into their DNA gene, but in varying degrees. This also meant in essence that from that point on, only God knew who His seeds are, and who the seeds of the serpent are, for both seeds remain in the earth, but are now unidentifiable to men, unlike in the period before the flood. However, as Jesus Christ later revealed in the Gospel of Saint John, it is the attitude men show towards the Word of God that shows precisely whether they are of God or of the devil. Consequently, serpent seeds are now known by their hatred for the Word of God; their hatred for revealed truth, as Jesus plainly and categorically stated in John Chapter 8, verses 37-47: "**I know that ye are Abraham's seed**" (in the flesh, for they also came out of Abraham's loins. But also remember that Abraham was an idol worshipper before God called him, and he was called out that he may be

used to brew up a race of people, the Jews, through whom Christ would come, Satan having bred down the pure genetic nature of the sons of God, fouling up everything. Therefore, God called Abraham out of idolatry, and this confirms the truth that all men had now acquired the serpentine nature, although it was in varying degrees. We will take verse 37 again): "**I know that ye are Abraham's seed; but ye seek to kill me, because my word hath no place in you. I speak that which I have seen with MY FATHER: and ye do that which ye have seen with YOUR FATHER**", (showing plainly that all men do not come from the same source, and hence, not all are the children of God, for some are definitely also the children of Satan, serpent seeds. This gives us the two seeds: Serpent seeds, and the seeds of God. Verse 39): "**They answered and said unto him, Abraham is our father. Jesus saith unto them, If ye were Abraham's children, ye would do the works of Abraham**", (for Abraham was not only a man of faith, being a follower of God and His revelation, he is also the father of faith, for he is the father of all faithful.

Verse 40): **“But now ye seek to kill me, A MAN THAT HATH TOLD YOU THE TRUTH, which I have heard of God: this did not Abraham. Ye do the deeds of your father. Then said they to him, We be not born of fornication; we have one Father, even God. Jesus said unto them, IF GOD WERE YOUR FATHER, YE WOULD LOVE ME: for I proceeded forth and came from God; neither came I of myself, but He sent me. Why do ye not understand my speech? even because YE CANNOT HEAR”** (OR BEAR) **“MY WORD.”** (Now listen to the next verse, for therein he spells out in absolute plain terms, who their father is precisely, spiritually speaking. Jesus Christ declared in verse 44): **“Ye are of your father THE DEVIL, and the lusts of YOUR FATHER ye will do. He was A MURDERER from the beginning, and ABODE NOT IN THE TRUTH, because THERE IS NO TRUTH IN HIM. When he speaketh a lie, he speaketh of his own: for he is a liar, and the father of it. And because I tell you the truth, ye believe me not. Which of you convinceth me of sin? And if I say the truth, why do ye not believe**

**me?”** (Now here is the seal of identification. Verse 47): **“HE THAT IS OF GOD HEARETH GOD’S WORDS: YE THEREFORE HEAR THEM NOT, BECAUSE YE ARE NOT OF GOD.”** Period! Then who were they? They were nothing but the seeds of the serpent, religious devils just like Cain! Exactly!

The passage of Scripture we just read confirms the truth that all seeds are now intertwined, which is why out of the same loins of Abraham came the two seeds: Serpent seeds, who are the seeds of Lucifer, and God's seeds. We must then ask: How come both seeds are intertwined? How come a man can give birth to a son of God and also give birth to a proper seed of Satan? When and where did it start? You have to come back to Genesis Chapter 6, and see that the mixed marriages came to a head in Noah, which is precisely why Noah was not a pure Sethite, for he also had serpentine traits in his genetic makeup, traits which he transferred to all his three sons, none excluded. However, it is scripturally settled, as we laid out in the last meeting, that of Shem, Ham, and

Japheth, Ham had more serpentine attributes in his DNA gene, above that of his brothers in that day. Which was why Satan was able to use the lineage of Ham to set in motion and also accomplish his evil plan, which was to introduce idolatry, thereby bringing in polytheism, knocking off Monotheism. And Nimrod was his key vessel, his principal seed in that day. Genesis Chapter 10, verse 6 declares: **“And the sons of Ham; Cush...”** Verse 8-10 now records: **“And Cush begat NIMROD: he began to be A MIGHTY ONE IN THE EARTH. He was a mighty hunter before the Lord: wherefore it is said, Even as Nimrod the mighty hunter before the Lord. And THE BEGINNING OF HIS KINGDOM WAS BABEL, and Erech, and Accad, and Calneh, in the land of Shinar.”** Brothers and sisters, now here we have the first world class leader, the first world class leader ever to rise on this planet, Nimrod, the grandson of Ham. He was the brain behind the building of the CITY and the tower of Babel recorded in Chapter 11, and he also established the first civilization at the beginning of this second world, being

the man who established the kingdom of Babylon, a kingdom which King Nebuchadnezzar much later brought to the height of its power, glory, and splendour. Now, please pay close attention. At the beginning of this world, our world, the second world, Satan raised up Nimrod, all under God's permission, as a world class leader, a man who made himself, not just a political cum military leader, for he was much more than that; but he was also the religious leader of the people. His leadership position was the very first of its kind, since the Lord put Adam and Eve on the planet. Church, at the beginning of this second world, and in the first civilization, Nimrod was both a Political AND Religious head, A KING-PRIEST, for he held both portfolios; both positions were fused in his office, a crucial position which Satan established in that first civilization. Please note this fact very well, for he was used to set a type of an office reality, which is ordained to be re-established in the days of man's last civilization. He was setting a perfect type, for he foreshadowed, not only **the Office** of SATAN'S SPIRITUAL HEIR apparent

to come, a prophet-priest office, but he also foreshadowed SATAN'S SUPER POLITICAL PRINCE, who is to come, thereby giving us a KING-PRIEST, (or a king-prophet), right here at this end time, and in this last civilization, scripturally called The **"Antichrist"**, The **"Man of Sin"**, or The **"Son of Perdition"**. When time rolled on to the hour of the fourth and last Beast Empire, which gives us the Roman Beast Empire; when time rolled on to the hour of its two solid legs of iron, the two spiritual seeds were born, Jesus Christ and Judas Iscariot, in partial fulfilment of the prophetic Word of God in Genesis Chapter 3, verse 15. Now, the hour came for the fulfilment of the prophecy concerning the **"Heel" Bruiser**, for the bruising of the heel of the seed of the woman comes first. Judas, the first prophetic spiritual seed of the serpent, out of pure hatred, a hatred which had no basis whatsoever, sold out Jesus Christ to be crucified for thirty pieces of silver, even though like Abel, Jesus was also without fault. However, what Judas did to him, only amounts to merely bruising his heel, because on the

third day, he rose up triumphant over the grave, death, and hell, leading captivity captive! Halleluia! Jesus the Christ is therefore now alive, and he lives for evermore, and he has the keys of death and of hell; and the good news is that he is also coming back. Now pay attention. Saints, the second part of that prophecy God gave in the Garden, which concerns the serpent **"HEAD" bruiser**, is hanging right over this generation. The Roman Beast Empire at the height of its glory and power, was ruled by the Caesars, who were referred to as Emperors and Divinities. The Roman world was essentially pagan, worshipping all sorts of gods and deities, which the world had received, beginning from the days of Nimrod. And when the Roman Catholic Church was born, she infused pagan traditions and ceremonies with the Christian faith, and would not be corrected. Over time, an established leadership was established over her, with the office of the Bishop of Rome, the Pope, with his office in the Vatican City, which is the Papal seat to date. Over the centuries of time, as the

influence of the church increased, so did the authority and power of the Popes, until the Pontiff of Rome became so powerful, that eventually, he took over the seat of the Caesars, as the ruler of the Roman Beast Empire. An Empire that had once been ruled for many centuries of time by Emperors, was now being ruled by the Bishop of Rome. This made the kings of Europe subject to the authority and control of the Pope; for in him, just as it was in Nimrod, the political AND the religious offices were now fused, for it was invested in the Papal office. Therefore, the Pope not only became the religious leader or head of the Roman Empire, he was also the political leader or head as well, the head of what was now referred to as the Holy Roman Empire. Consequently, his seat of office in the Vatican City, became the headquarters of the Holy Roman Empire. And as it stands today, the Pope is still the head of the Vatican City, which is a State within a State, or a City within a City. With the outbreak of the Reformation in the 1500s, beginning with the days of Martin Luther, the power and hold of the Pope was broken over the kings of

Europe, and Napoleon Bonaparte of France banished the Pope, wounding his leadership head. However, one thing had been established: The office or the seat of the Bishop of Rome, the Papacy, was now established, as a political power house over the prophetic world, though it now suffered a temporary blow, on account of the sword of the Spirit with which the Reformation struck it. And although it was wounded in its head, or in its world leadership position, nevertheless, it was only a temporary wounding, because it would be healed, and the power of that office would be restored, and that is the very office the super prince of Satan will take over and function in, ruling over the entire prophetic earth, which gives us the European Union, in the 70th Week of Daniel, which is just ahead of us. This is THE SEAT of the Anti-Christ to come, for in that office is invested both political and religious powers, over the whole prophetic earth, which is precisely what Satan wants! This therefore makes every Pope AN antichrist, including the present one, but not THE

antichrist, for **The Antichrist** is yet to come. However, his office, the office of The Antichrist, has been established, and that is that of the Papacy. In other words, for this is the effect: The office of the **“head”** of the spiritual seed of the serpent, which Jesus Christ, being the seed of the woman, is to **“bruise”**, has now been established. Do not forget that the seed of the woman has already had his heel bruised on the cross of Calvary, when he was slain, and he rose triumphant on the third day. This brings us to the final conflict we shall also consider, for everything has its end, its definite and permanent end, and this gives us the grand finale. It simply means that now at this end time, we are first going to have the manifestation of the spiritual serpent seed **“head”** on the earth, which is none other than The **“Antichrist”** to come, the Bishop of Rome of that hour, the **“Man of Sin”**; then the spiritual seed of the woman will later also come from heaven, and **“bruise”** the **“head”** of the seed of the serpent, in this final conflict. For whatever started in Genesis is ending in Revelation. Whatever started in natural

Babylon in the days of Nimrod, is carried through to spiritual Babylon, which is Rome, in the days of the Man of Sin, the Anti-Christ to come, the Pope of Rome, for Rome is where the journey ends. Brothers and sisters, we are looking at the two super seeds in final combat, spoken of way back then in the Garden of Eden: The super seed of Satan through the serpent, and the Super Seed of God through the woman, which gives us the Anti-Christ and Jesus Christ, respectively. This fact confirms the truth, that indeed, Satan removed his seat of power from Babylon, where it was first established, and moved it to Rome, which is spiritual Babylon, for in the final hours of the Roman Beast Empire, which gives us the ten toes of Europe, everything which the devil started way back in Genesis, is brought to its full fruition and end purpose. The Papal seat is now restored, loved, and respected all over the globe, and everywhere the Bishop of Rome goes, he is received with the “red carpet” treatment, and with full honours, as a head of state, the head of state of the Vatican, which they call the Holy See! Moreover,

the ten horns of Europe, who are the ten toes, are now together as one, making up the European Union, with their Euro Currency, their Schengen Visa, free European Movement within their borders, with their European Constitution, and with a European Parliament, having full legislative power over the 28 member National States, and with their rotational Presidency. All that remains is for them to ask the Bishop of Rome to come and take over the seat of the Caesars that he had once occupied, in the dark ages, and the Last prophetic Week of time starts, for ALL the pieces of the puzzle are now in place, barring the formation of a European Military Strike Force, the European Army, which they will certainly set up shortly, for the European Union will go its own way, parting company with the United States of America for good! Now come with me to the Scriptures. We will go to the Maturity Chapter of the Bible, which is the Book of Revelation. May I say that without the writing of this prophetic Book, we would have been totally blind to the prophetic realities of this end time, for it holds the complete

picture of the end, and as such, it is a most crucial Book, just as the Book of Genesis gives us the beginning of everything!

In Revelation Chapter 17, starting from verse 1, it is written: ***“And there came one of the seven angels which had the seven vials, and talked with me, saying unto me, Come hither; I will shew unto thee the judgment of the GREAT WHORE that sitteth upon many waters.”*** (Going to verse 18, we are told that this woman is “that great city, which reigneth”, or that has control and power, “over the kings of the earth”, and that is precisely the Vatican City, the SEAT OF THE PAPACY. This lets us know that this woman, this great spiritual harlot, is none other than the Roman Catholic Church, headed or ruled by the Bishop of Rome. Period! Verse 2): ***“With whom the kings of the earth have committed fornication”***, (spiritual fornication, spiritual idolatry, just as they did with Nimrod's physical idolatrous systems of worship), ***“and the inhabitants of the earth have been made drunk with the wine of her fornication”***, (which is her

false doctrines. Verse 3): ***“So he carried me away in the spirit into the wilderness: and I saw a woman sit upon a scarlet coloured beast, full of names of blasphemy, having seven heads and TEN HORNS”***. (which gives us the ten horns of Europe. Verse 4): ***“And the woman was arrayed in purple and scarlet colour”***, (which are royal colours, papal colours, evidence that she deals with royalty, and also considers herself royal, a queen), ***“and decked with gold and precious stones and pearls, having a golden cup in her hand full of abominations and filthiness of her fornication.”*** (Now pay attention to the next verse, for in it she is given her true prophetic spiritual titles. Verse 5): ***“And upon her forehead was a name written, MYSTERY, BABYLON THE GREAT, THE MOTHER OF HARLOTS AND ABOMINATIONS OF THE EARTH.”*** Brothers and sisters, what started in Natural Babylon is ending up in Spiritual Babylon. What started in the city of Babel, is ending up in the Vatican City in Rome. And what the devil started with the Hamitic race, he is

ending with the Japhetic race. How many can see the point? For what he used the leadership of the lineage of Ham to accomplish at the beginning of this world, in that first civilization, he is now using the leadership of the lineage of Japheth to finish off, at the end of this same world, in this last civilization. It cannot be made plainer, for the picture is as clear as day! Come on! The end of a thing gives you nothing but the fullness of that thing, for it speaks of maturity! And if the serpentine nature was more in that day in the Hamitic race, which was just a beginning, what about today at the end of harvest time, when the Japhetic race are his principal vessels? You have to see that the serpentine nature has to be more in the Japhetic race, which is precisely why they have thrown away ALL attributes of morality and religion, and have taken on another spirit, which is completely Anti-God, and Atheistic! But on the other hand, it is now the Hamitic race that is standing firmly for morality and the Holy Bible, which the lineage of Japheth brought to them way back in the days of Imperialism, when the ten

horns were Colonizing the world! You have to see that something has gone wrong with that race at this end time, and the answer is right here in God's prophetic Word, if we will only let the Spirit of God deal with us in a divine revelation of His Word! Come on! This is Bible land; Bible territory! Just as the prophetic earth received the rulership of Nimrod, a mighty one in the earth in the Babylonian days, so also will the prophetic earth also receive the rulership of the Man of Sin, the Anti-Christ, when he comes, in these Roman days, for they are already subject to his papal office in Europe as we speak! He has already been addressing the European Union Parliament, and he has been received with great love, respect, and reverence, which the European leaders all have for that office! I am showing you ***“Babylon the Great”!*** She is great, not in terms of moral and spiritual virtues, for she has none of that, for even verse 6 lets us know that she is nothing but a blood thirsty demonic religious organisation, one which Satan invented to deceive the masses of people, just as it is written: ***“And I saw the woman***

**drunken with the blood of the saints, and with the blood of the martyrs of Jesus: and when I saw her, I wondered with great admiration.**" That is the great harlot for you, and may I warn you that she has not changed one dime! Do not be fooled by a baby kissing and poor loving Pope Francis. All that is a mere smokescreen, for in the Dark Ages, and according to the Martyrology of Rome, she has killed 68 million saints, a great percentage of whom were Bible believing Christians, particularly during the various Inquisitions that were set up in Europe, and that evil onslaught against the people of God is coming again! Thus saith the Lord in His Word, for the Beast of Rome, the 666 Man, is coming! It is not a new world order that is coming, however much the people of the world are shouting and pushing for it: It is the old world order that will be re-established, and that is the European Union under the direct leadership of the Pontiff of Rome! Revelation Chapter 13, verses 1-9, says that! In 96 AD., Saint John, looking prophetically at the rise of the Roman Beast Empire at the end time, records in

verse 1: **"And I stood upon the sand of the sea, and saw a beast rise up out of the sea, having seven heads and TEN HORNS, and upon his horns ten crowns, and upon his heads the name of blasphemy..."** This is not a New World Order, but an Old Order RESTORED; one that existed in the Dark Ages, which is the Ten Horned Beast, and which gives us nothing but the restored Roman Empire in its end time geographical entity, called the European Union! And we are saying that the Church of Rome has not changed in her hatred of true Bible believers, people who are true Christians, for she is still going to unleash the flood of hell against them, in Satan's last onslaught! Yes! She is only biding her time right now, waiting for the right moment! Hence, verses 6-8 plainly declares: **"And he" (the Beast, the Anti-Christ, the Pope of that hour, the head of the European Union), "opened his mouth in blasphemy against God, to blaspheme His name, and His tabernacle, and them that dwell in heaven. And it was given unto him to make WAR WITH THE SAINTS, and to overcome them",**

(which is to kill them): **"and power was given him over all kindreds, and tongues, and nations"**, (within the prophetic world, and not within the entire globe; for he will definitely have no control over the kings of the East, the Orientals, who will later come against him at the Battle of Armageddon). **"And all that dwell upon the earth"**, (which is the prophetic earth, all the areas under the influence and or control of the Pope of Rome), **"shall worship him, whose names are not written in the book of life of the Lamb slain from the foundation of the world."** Can you see that? Can you see what is coming? In verse 15, it is also written that people will be forced to **"worship the image of the beast"** OR **"BE KILLED"**! Church, I ask: What is the Image of the beast? It is the World Council of Churches! (WCC)! And who is the king of the World Council of Churches? It is Lucifer! It is in the Middle of the Last Week that they will be married to him, as Satan is driven down, and he incarnates the Pope, who is the head of the European Union. Then the Pope becomes the king of The World Church, for the

Image of the Beast is his bride, and he will declare himself God, and demand worship, instituting the 666 Mark, right there in the Middle of the week! Then the Image will begin to speak! That was what Nimrod typified: A KING-PRIEST! Are you listening to me, for Satan is counterfeiting the ministry position of Jesus Christ, the Son of God, who is also a King-Priest! Now the whole prophetic earth WILL “worship” the Man of sin, which in turn amounts to the worship of Satan, **“the dragon”**, who incarnated him, and who gave his power and authority unto him, as Satan's super prince! Hence in that day, the Anti-Christ is more than a man: He is Satan in a body of flesh, in the fullness of his satanic power and virtue, just as it was God in Christ in His fullness, when He incarnated Jesus at the Jordan River! That is why the Holy Bible says in Revelation Chapter 13, verse 4: **“And they worshipped THE DRAGON”** (LUCIFER), **“which gave power unto the beast: and they worshipped the beast, saying, Who is like unto the beast? who is able to make war with HIM?”** The Holy Scripture says in

verse 18, that he that has wisdom, let him count the number of the beast, for it is the number of A MAN, and his number is 666, which is the numeric breakdown of the title of the Pope of Rome, the Antichrist to come, **“VICARIUS FILII DEI”**, a Roman title meaning, **“INSTEAD OF THE SON OF GOD.”** In Roman numerals, there are no “A's”, “R's”, “S's”, and “U” stands for “V”, for there are no “U's”. The breakdown of this title is as follows:

V I C A R I U S  
5 +1+100 +0 + 0+ 1+5+0+  
F I L I I D E I  
0+1+50 +1+1+500 + 0 + 1  
= 666.

So, right here in this modern day civilization, at the 70th Week of Daniel, right under the reign of the ten horns, which gives us the leadership of Japhetic Europe, Satan accomplishes his end objective, because the whole world of organised religion, (the entire World Church), is bonded together as One, in the World Council of Churches, as the bride of Satan, to worship Satan, bringing to pass the evil ambition of Lucifer, recorded in the Book of Isaiah Chapter 14,

from verse 12: **“How art thou fallen from heaven, O Lucifer, son of the morning! how art thou cut down to the ground, which didst weaken the nations!”** (Now see what the next verse says. Verse 13): **“For thou hast said in thine heart, I will ascend into heaven, I will exalt my throne above the stars”** (or angels) **“of God: I will sit ALSO upon the Mount Of THE CONGREGATION, in the sides of the north.”** (Exactly! Now from the Middle of the 70th Week of Daniel, he also sits and reigns from Jerusalem, which is Mount Zion, sitting on top of the mount of the congregation of Israel, sitting in the place where God has put His name, and now he demands worship. This is apart from the Image that has been erected unto him, which is the World Church Council, the entire World of Organised Religion, for it is apostate through and through! Verses 14-15): **“I will ascend above the heights of the clouds; I will be LIKE the most High. Yet thou shalt be brought down to hell, to the sides of the pit.”** Amen to Satan's end! Think about it seriously, for this current Japhetic

civilization, is precisely where everything ends. Brethren, we are at the end! That is why I said: Do not mind the nice mild mannered talking and gentle loving demeanour of the present Bishop of Rome, Pope Francis, a Jesuit priest, for Rome has not changed a dime, and can never and will never change! Just wait and see, for that Papal office has not changed the colour of its skin, but is only bidding its time, waiting for the appointed hour. Saints, do not be fooled in any way. However, look at what Revelation Chapter 17 also says, for we now want to zero in on the ten toes of Europe, the European Union, in their ending prophecy, as recorded in verses 12-14: **“And the ten horns”** (of Europe) **“which thou sawest are ten kings, which have received no kingdom”** (or Beast Empire of their own) **“as yet; but receive power”** (or authority) **“as kings one hour with the beast”**, (who is the Bishop of Rome, the Anti-Christ to come). **“These have one mind, and SHALL GIVE THEIR POWER”** (or authority) **“and strength”**, (the sovereign position they hold) **“UNTO THE BEAST.”** (Now just

consider the next verse, verse 14): **“These”** (European Nations) **“shall make war with the Lamb”**, (our Lord Jesus Christ), **“and the Lamb shall overcome them: for he is Lord of lords, and King of kings: and they that are with him are called, and chosen, and faithful.”** Now I ask: What will make the European Union see the visible coming King, Jesus Christ our Lord, and decide to fight him physically with all their military strength? Think about it! These are nations that for about 1800 years or so, have evangelised the world, spreading the Gospel of Christ, telling the world which they colonized that Jesus Christ is Lord, and that he is coming back. Now they are waging a serious war against that coming King! My, oh my!

Brothers and sisters, there are three main reasons why they will do that, and you have to agree with me. **FIRSTLY: They have become totally Anti-God!** For whereas in Babylon, people at least believed in gods, though idolatrous, in the days of the Roman Beast Ten Horns, they are total Atheists, with no god at all, which in itself is

Satan's deception, because he then becomes their sole god in spiritual essence! **SECONDLY: They are nothing other than pure serpent seeds**, for no seed of God will fight the return of the Lord; for when Jesus Christ is coming as **“the desire of ALL ages”**, it is our God coming, for he is still God incarnate! This lets you see without any iota of doubt, that the serpentine nature in the lineage of Japheth has reached maturity, and hence, there is absolutely nothing righteous or moral anymore in their DNA gene, for they are now exactly like Cain, being the end time produce of Lucifer! I am showing you the leadership of the Japhetic race! I will add though, that the whole of humanity who join them in that day against the coming King, ALL have kindred spirits, for they are ALL serpent seeds, white, black, brown, and yellow! Moreover, ALL of them would have already received Satan's branding of ALL of his children, with the 666 mark of the beast! And the seeds of God will refuse that mark, both Jews and Gentile, even if they have to die for it, showing that the two seeds are now reproduced in the earth, two different and distinct

classes of humanity, just as it was in the beginning! For just as Cain killed Abel for his righteous and revealed relationship with God, so will these serpent seeds also kill all righteous seeds of God that they can lay their hands upon in that day! THIRDLY: The great Scientific and Technological Military advancement they have, is what gives them the confidence, the bravado, that they can repel the Lord with their Military Technological Computerised Might! That is why the Book of Proverbs Chapter 14, verse 16 declares: ***“A wise man feareth, and departeth from evil: BUT THE FOOL RAGETH, AND IS CONFIDENT.”*** He is just being foolhardy! Hence it is also written in Proverbs Chapter 1, verse 32: ***“... The Prosperity of fools shall destroy them.”*** Remember that we are speaking tonight about ***THE PROSPERITY OF SERPENT SEEDS.*** Right here in Revelation Chapter 17, verse 14, we see the final conflict, as the seeds of the serpent, the ***“sons of DARKNESS”***, under the leadership of Satan's super prince, the Antichrist, who now scripturally becomes ***“the false prophet”***,

literally fight the seeds of God, the ***“Sons of LIGHT”***, under the leadership of God's Super prince, Jesus Christ our Lord. Hence in Revelation Chapter 19, we are given the same conflict, and in verse 19, we see the super prince of Lucifer, leading the kings of the earth into battle against the coming King; but he loses badly, for Satan is already a defeated foe! And here is the conclusion of the ***“Enmity”*** God spoke of in Genesis Chapter 3, verse 15, between the two seeds: The seed of the serpent, and the seed of the woman. This gives us the Antichrist AND Jesus Christ, the coming King. The bruising of the ***“head”*** of the spiritual seed of the serpent by the seed of the woman, is given to us in Revelation Chapter 19, which records from verse 19: ***“And I saw the BEAST”***, (which gives us the Antichrist, the seed of the serpent), ***“and the kings of the earth, and their armies, gathered together to make war against him”*** (Jesus Christ), ***“that sat on the horse, and against his army.”*** (This is on the Day of the Lord, when Jesus Christ makes his second physical return to earth, for the battle of Armageddon

has been fought and won by the European Union, just prior to this time. Verses 20-21): ***“And the beast”***, (which gives us the spirit of Lucifer embedded in the European Union), ***“was taken, and with him THE FALSE PROPHET”***, (who is the Antichrist), ***“that wrought miracles before him, with which he deceived them that had received the mark of the beast, and them that worshipped his image. These BOTH”***, (referring to their spirits), ***“were cast alive into a lake of fire burning with brimstone. AND THE REMNANT WERE SLAIN WITH THE SWORD OF HIM THAT SAT UPON THE HORSE, which sword proceeded out of his mouth: and all the fowls were filled with their flesh.”*** This is the conclusion of the matter for serpent seeds, for God will unleash a great fire upon this planet, with great earthquakes of unimaginable proportions, causing the whole planet to go into serious convulsions, that everything man has made is totally destroyed and wiped out, and the arrogance of man is laid low. The Day of the Lord is what it is called, when God sets this world literally on

fire, as He did in Sodom and Gomorrah, except that it is now on a colossal scale, being global! Indeed, the prosperity of serpent seeds is what will destroy them! But let me emphasize a crucial point. Saints, please note that it is not the Hamitic race that will lead the world to fight the coming King! IT IS THE JAPHETIC RACE THAT WILL DO THAT! And when you consider the hatred the European Union leaders of today have for God, for His Word, and for God's people who are Christians, and for the Jews, it is very easy to see why, in the Last Week of Daniel, they will literally try to resist and fend off the coming King! They will wage war against him, although it is a losing battle, and although it is one sided, for they are only joking! Church, this is precisely what the leadership of the lineage of Japheth, under the leadership of the Pope of Rome, will do! **God made men, BUT MEN HATE GOD,** and now, men will be fighting their Creator! My, oh my! This confirms that such people cannot possibly be God's children, by any figment of the imagination! Exactly! But who are they? What makes people hate God so much?

What is in a man's DNA that makes him hate his Maker, that he decides to fight His God, physically, as He comes in the air? Brothers and sisters, you have to see the seeds of the serpent, for the seed that was sown in the Garden of Eden by Lucifer has now come to full maturity, and it has yielded a bumper harvest of children for him, globally, running to their billions! I know that this is hard to take, but it is the absolute truth, regardless of who does not like it, and regardless of the feelings of people towards it, for truth is the truth! **WITH THE SCRIPTURES, I DEFY THE WHOLE WORLD!!!** Brethren, you have to see that such people have to come from another source other than God, for the children of God cannot hate or fight their Creator! Saints, the two seeds sown in the Garden of Eden, are carried through time, and it is here in this last age, and at this end time, that the two seeds come to maturity. The seeds of the serpent, like their father, are all bound for the Lake of Fire. In the last Week of Daniel, they will try to take out every knowledge of God, just as they are already doing, and furthermore, they will search out every

child of God that they can lay their hands on, and kill them. What the ten horns are creating now, is a totally atheistic, liberal, and materialistic world, a world without God; one without a Creator! And when the Almighty God is coming, they will say: *"We do not want you here! This is our own planet! You stay away, or we will fight you to death!"* And they will organise the armies of the earth in various strategic locations around the world, with all their heavy armoury pointing towards heaven, to fight a supernatural army, made up of the resurrected Christ, with the glorified bodied saints, and angels. They want to blast out their Maker with Hi-tech weapons! Can you imagine that? How stupid it is! How stupid man is! How do they think that they are going to win when they are not fighting a natural army? They are bound to lose! Church, I show you the end of the civilisation of man! **I show you *The Prosperity Of Serpent Seeds!*** When Jesus is coming with his bride on horses, he just speaks, and everything is over. He is the one that destroys the Man of Sin with the brightness of his coming, for the Antichrist will be smitten with the

double edged sword in his mouth. That is when he will crush the **“head”** of the seed of the serpent, the Antichrist. He chains Lucifer, and the angel of the Lord takes him straight down to hell, and says to him: *“You stay there for a thousand years!”* The Millennium is then established, and for a thousand years, brothers and sisters, this world knows true lasting peace, true righteousness, and true prosperity, from coast to coast, for it is with the knowledge of God. The Bible says, *“The knowledge of the Lord shall cover the earth, as the waters cover the seas.”* Saints, peace and righteousness will reign, because the people you see today, and the fallen angels behind them, will not be here. Also remember that in the first civilisation, (Brother Amos points to the chart), as I stated much earlier, Babylon had an image set up, which the whole world was forced to worship. Here again in this last civilisation, which the ten toes have established, (the restored Roman Empire), there is also an image that has been set up, a spiritual image, that was typed by the physical image of King

Nebuchadnezzar, for both are idolatrous. The image has not yet started speaking; it has not yet began to decree and bind people to join and bow. The image will do that for certain in the Last Week of Daniel, just as it is written in Revelation Chapter 13, verses 15-18: ***“And he had power to give life unto the image of the beast, THAT THE IMAGE OF THE BEAST SHOULD BOTH SPEAK, AND CAUSE THAT AS MANY AS WOULD NOT WORSHIP THE IMAGE OF THE BEAST SHOULD BE KILLED. And he”*** (the Anti-Christ) ***“causeth all, both small and great, rich and poor, free and bond, to receive A MARK in their right hand, or in their foreheads: And that no man might buy or sell, save he that had THE MARK, or THE NAME of the beast, or THE NUMBER of his name. Here is wisdom. Let him that hath understanding count the number of the beast: for it is the number of A MAN; and his number is Six hundred Threescore and Six”***, (666). Here is the last IMAGE, the IMAGE of Rome in prophecy, just as we had the IMAGE of Babylon; and here is also

the Mark of the Beast, for this is where everything ends, and the 666 Mark of Satan will be forced on humanity. It is Satan's branding of his entire children. I repeat: The 666 Mark is Satan's branding of his own children, ALL his children, thereby showing plainly and categorically, ALL who are belonging to him in this world. It is Lucifer's enumeration (counting) and branding of all his seeds. That is precisely why a child of God must never and will never take that Mark of the Beast, for it is Satan coming down to identify or determine AND brand his own children for eternity with himself, away from God! He has always wanted to get children, and now he has them, and he comes to number them, and also give them his own mark of identification as his, just as God also anoints or **“marks”** His own children who are in the world.

I appreciate your patience. But there are two things I still want to bring out, and then I will close my message. Brothers and sisters, when you consider this civilisation, the Japhetic civilization, it is a civilisation that is based on

total arrogance. God wants us to be a humble people, for whatever we become in this world, or whatever we attain in this world, we are still nothing, because all that is only on a fleshly level. Moreover, there is nothing we become or attain that we were not given by God. We could have been born morons or imbeciles. It is by the grace of God that we are what we are. That is why the Bible encourages us that whoever wants to boast, let him boast in the name of the Lord, for ALL glory belongs to God. He is the one who dishes out the natural abilities that we have, and as such, we have nothing to be proud of, except in the grace and mercy of God towards us. And that is the truth! Do you know that the world reached a point in its advancement or civilization, that it actually looked as if the world had overcome racism, but no, it did not! Now, racism has raised up its ugly head big time, around the globe. In the West, racism has grown big time, and it is more often than not directed against the down-trodden Hamitic race, the blacks, who are being treated like animals around the globe, being brutalized brazenly

and openly every day by the American police. But so also, the anti-Semitic spirit is also on the rise around the cities of the West, so much so that the Jews are being spat upon, ridiculed, and threatened, and even killed, and we are speaking of Europe! They do not want their synagogues in Germany, and they even killed some Jews on the streets of France. I am just making a point, for it is the truth! It is not stated to invoke hatred, for hatred is negative and spiritually destructive. However, you do not know how it feels until you are in the shoe. You only think you do! I face it at times myself, but I just overlook it, and do not let it bother me, because I know who I am in the Lord, for I am a child of the King, and I am proud to be one of them. Therefore, I care not for any discriminatory acts that I receive sometimes, because it is only for a while, and we will be gone. Before the war broke out in Ukraine, I was watching a BBC report on racist attacks in Ukraine right in a stadium, whilst people were watching a football match. These fascists' Ukrainian youths had planned ahead of the match to attack black people who were in their

country to see the match. As the match progressed, all of a sudden, and without any provocation, these Ukrainian youths rose up from different sides of the stadium and started attacking, beating, and throwing these Indians over the rail. It was horrible and incredible to watch! It made my blood boil! To think that in this day and hour, such dastardly Stone Age mentality is still going on in what is known or supposed to be a civilized world. Where do the Japhetic race get this raw hatred from? It just shows you that this civilization is not it, for Satan is the author of hate! There is no reason to hate anybody, particularly if they have not done anything wrong to you. You cannot just arrest and beat and maim people because of the dark colour of their skin! That is simply satanic, and it makes man worse than a beast! It shows that the human society is slowly but steadily imbibing every attribute of Satan, as Satan slowly embeds himself within this last civilization, which is his anyway. This civilization will have to have everything vile and evil, everything chaotic, for that is who and what Lucifer is: He is the author of chaos!

The hatred of God they openly display, and the wickedness that is carried on in this age will be so bad, so much so, that God will literally open up hell in the Middle of the 70th Week, and turn those demons loose on humanity, as partial judgment! It is now at the end that every evil spirit is now embedding himself in humanity, and is expressing himself through the men. That is why I have to say tonight, that the world we live in is a world that is full of every evil attribute you can imagine. And when I look at the lineage of Japhetic, I pity them, for they are in a very bad and pathetic state; but they cannot see it, and you cannot tell them, for how lofty they are in their eyes! After all, they are the leaders of the world! And that is why they have become so arrogant, which is why this white supremacy spirit has risen up around the globe, from America, to Canada, to Europe. Are you listening to me? It is all over this world! They feel that they are supreme, and we are the low race. And all for what reason? Just a fleshly civilisation; a civilisation they have established, one that is not of God; a civilisation that my God is

coming to wipe out, to establish a just and equitable one! God used water to wipe out the first civilisation before the flood, and in this last civilisation, it is fire that is coming for it! I am just trying to show you the spirit that is behind the present civilisation we are living in. We are not of this world, but we are living in this world. So it is good to know how to look at this world, because we are strangers and pilgrims here. This world is not our home, for it belongs to Satan and his hosts. So when I look at the arrogance of the Japhetic race, who control everything, rule everything, and determine everything, from world politics, to economy and finance, (monetary control), even to sports, and to the entertainment industry, and everything is tilted selfishly in their favour, for it is riddled with gross inequality and very selfish motivations and guidelines (rules), I simply shake my head with pity, for God did not make man to be that selfish, inconsiderate, and arrogant. They have one price for buying commodities from Africa, and they have another price for buying the same commodities from one

another, because they are very selfish, self-centred, and self-seeking! Yet, the Lord told Moses to warn the children of Israel, that **“Ye shall have ONE ORDINANCE, BOTH FOR THE STRANGER, AND FOR HIM THAT WAS BORN IN THE LAND.”** It is called equity, which is fairness! But there is nothing equitable or fair in their business dealings with the other races, particularly Africa! That is why China and the Asian axis are seeking to break the monopoly of the lineage of Japheth in every respect, and they surely will. And that is also precisely why Africa is now turning to China, because they do not tell them how to run their homes and what religion they must have in order to do business! Japheth must control everything, and unless things go their way, nothing is good, for IT IS ALL ABOUT THEM! Something is good only when they say it is good. And it is bad when they also say it is bad! That is the height of human arrogance! It is arrogance! How can the West keep telling everybody how to conduct their own affairs in their own home? How can they force Homosexuality on nations? How can they

also force democracy on people? Whether it is going to work for them or not, they do not care for that. And then they open up a can of worms, and run away, and they leave the people in the chaotic mess they have created, because they cannot solve the problem! But it was not given to them to solve in the first place, for they are not God, and should not be playing God, controlling the world! God never gave any nation or race of people the power or the authority to control other races of people! God alone reserves that authority to Himself, for everybody should be responsible to God. So, nations should be sovereign, and not be subject to the over-lordship of other nations. How many see the point I am making? But that just lets you see that this indeed is man's civilisation, and it is of the devil. However, I am very happy to know that it is the very last, for here it all ends!

Now the Japhetic race want to control the Christian religion around the world, and determine what preachers can preach from the Bible, and what they cannot touch; they now want to determine what is acceptable to be preached,

and what is not acceptable, putting themselves over and above their Creator; and they have made laws to ensure this, which they call hate laws. Let me say this to the leadership of the Japhetic race: You want to gag preachers from condemning sodomy from the pulpits, and likewise through printed matter. Come and get us, because we refuse your ungodly and most unrighteous laws! It is written for ALL true preachers of the Gospel of God, in the Book of Prophet Isaiah Chapter 58, verse 1: **“Cry aloud, spare not, lift up thy voice like a trumpet, and SHEW MY PEOPLE THEIR TRANSGRESSION, and the house of Jacob THEIR SINS.”** It is also written in 2 Timothy Chapter 4, verses 1-4: **“I charge thee therefore before God, and the Lord Jesus Christ, who shall judge the quick and the dead at his appearing and his kingdom; PREACH THE WORD; BE INSTANT IN SEASON, OUT OF SEASON; REPROVE, REBUKE, EXHORT WITH ALL LONGSUFFERING AND DOCTRINE. For the time will come when they will not endure sound doctrine; but after their**

**own lusts shall they heap to themselves teachers, having itching ears; And they shall turn away their ears from the truth, and shall be turned unto fables.”** Herein lies our divine authority to preach against SIN! The sad and pathetic condition of the lineage of Japheth today, is similar to that of Israel in the days of Prophet Isaiah, just as the Lord stated in Chapter 30, verses 8-11: **“Now go, write it before them in a table, and note it in a book, that it may be for the time to come for ever and ever: That this is a rebellious people, lying children, children that will not hear the law of the Lord: Which say to the seers, SEE NOT; and to the prophets, PROPHECY NOT unto us right things, speak unto us smooth things, prophesy deceits: Get you out of the way, turn aside out of the path, CAUSE THE HOLY ONE OF ISRAEL TO CEASE FROM BEFORE US.”** Let it therefore be known to one and all in the lineage of Japheth, that the Lord being our helper, we will preach the written Word of God loud and clear from the roof tops, regardless of your iniquitous and godless laws! Put us in jail if you

must, but you will not silence our voice, for our authority to preach against Iniquity and Immorality does not come from you, but from God Almighty, who created ALL things! The church of Rome tried for many centuries all through the Dark Ages, to do what you are now seeking to do, and failed woefully! She killed 68 million martyrs, but the truth of God went on unabated, nonetheless, for as John Huss of Bohemia often stated: **“TRUTH CONQUERS ALL”!** This civilisation is certainly not of God; but thank God that this is the last one, for we can see *THE LANDMARK OF HIS COMING*. I hope we are able to put that message in the Scribe one of these days: *The Landmark of His Coming*. And that is why, brothers and sisters, they so much hate everything of God, and they are determined to make it very difficult for Christians to live a Christian life. They are doing this by their laws and governmental directives and policies, for everything is geared against the Christians! They do not want you to live like a Christian, for you convict them of their iniquitous lifestyle. They want you to love their perverted lifestyle

and say nothing against it, so that nothing convicts them of their wrong doing. And yet they say that there is freedom of expression. But that is a blatant lie! Freedom of expression no longer exists! When these moral perverts OPENLY ridicule the Bible and speak ill of it, do they do anything to them? No! But if you speak against homosexuality, all hell is let loose, and you are condemned as a criminal for preaching what they now term hate! Why then are they going against drug users, people who are using drugs out of a personal choice? Why are they arresting the prostitutes every day on the streets of the West, who are selling their wares to consenting adults? Yet, homosexuals are doing more damage to the home, to the family structure, to the nations, and to the entire humanity at large, by their iniquitous lifestyle, an abominable lifestyle which they are now spreading like the bubonic plague, and nothing is done against them, but for them! NOW IT IS UNLAWFUL TO PREACH AGAINST SIN. **JAPHETH SAYS SO!** Sin can no longer be called SIN. **JAPHETH SAYS SO!** Now, Christian bakers must

bake wedding cakes for homosexuals, or pay a bill. **JAPHETH SAYS SO!** That in itself shows you exactly who is behind this civilization, and it is not God, but it is Satan, absolutely! Are you listening to me? Brothers and sisters, at your place of work, they want you to hide your Christianity; they want you to believe like an unbeliever, live like an unbeliever, talk like an unbeliever, dress like an unbeliever, for your Christianity must be a hidden one at best! My, oh my! You are not to have any Christian opinions, and neither are you allowed to voice them! Yet, as hypocrites they talk about freedom of speech! Christian beliefs and rights no longer exist under the unjust laws of hate, which the Japhetic nations have now enacted and put in place! Brothers and sisters, there is just something in the Japhetic society that hates God, the true God! They want a world without God; one without a Creator! On the other hand though, they will not touch the Muslims, out of fear for their lives, as well as for the fear of losing their political office, in spite of all the evils that those ones are committing all over Europe:

Raping white girls on an epidemic scale; creating “No-go Zones” in many areas for non-Muslims and even the police; openly inciting hatred against the very nations in which they have found refuge in Europe; instituting the Sharia in their areas; assaulting the general public; engaging in honour killings, all open sores which the Japhetic leadership totally ignores, and also keeps from being published by the News media, on account of the palpable fear that has gripped their hearts, for they fear death! And indeed, they have every reason to fear, because they do not have the blessed hope which the redeemed of the Lord have, an eternal hope which only Jesus gives, for the Lord gives salvation, boldness, courage, wisdom, and strength to the children of God. Yes! That is why King David declared in Psalm 27, verses 1-6: **“The Lord is my light and my salvation; WHOM SHALL I FEAR? the Lord is the STRENGTH of my life; OF WHOM SHALL I BE AFRAID? When the wicked, even mine enemies and my foes, came upon me to eat up my flesh, they stumbled**

***and fell. Though an host should encamp against me, MY HEART SHALL NOT FEAR: though war should rise against me, in this will I be confident. One thing have I desired of the Lord, that will I seek after; that I may dwell in the house of the Lord all the days of my life, to behold the beauty of the Lord, and to enquire in His temple. For in the time of trouble He shall hide me in His pavilion: in the secret of His tabernacle shall He hide me; He shall set me up upon a rock. And now shall mine head be lifted up above mine enemies round about me: therefore will I offer in His tabernacle sacrifices of joy; I will sing, yea, I will sing praises unto the Lord.”*** Therefore, as stark unbelievers, and a people ruled by fear, and with double standards, being hypocrites, they allow Islamic studies in schools and colleges as appeasement, appeasing a religion that cannot be appeased; a religion that has an open political ambition to rule the whole world with the Sharia law, for they openly speak and seek to establish a global Islamic Caliphate, whatever the means! Yet,

we all know that God has awakened that extreme Islamic spirit, the Jihadist spirit, as a judgment rod against the arrogance and the iniquity of the lineage of Japheth; a people who evangelised the world for many centuries, but who have now completely abandoned the Christian faith, having gone totally liberal and atheistic, as they are now firmly anti-God! Yes! That is why, today, you and I are facing a mountain, in order to maintain our testimony! And indeed, this is where we will know true Christians, for true Christians are known when all the chips are down. We have all had it very nice and easy in this Laodicean age for a long time, unlike in the Dark Ages; but now, the price of truth has changed! Consequently, we must know that there is a serious price we must now pay for truth, for although truth is free, it is not cheap. It will definitely cost us something, IF we truly value the eternal salvation we have received. There is a price we must pay for it, although it is not money. It may cost us our jobs, our friends, our family, housing, business, or even our freedom, for it may send us to jail for refusing to bow to

iniquity and to the unrighteous laws of men! We may even be martyred for truth, for who says that the Lord cannot allow some of us to be martyred, just as the first age saints were martyred? Now is the hour of the trial of the saints, people with the genuine faith! But the Lord will undertake for His own, for He is faithful. He gives grace to His children. These are obvious signs that we are at the very end. If only the lineage of Japheth can see just how close they are to judgment! They do not know just how numbered their days are! Let me tell the Japhetic race now: The success, the prosperity, and the natural abilities you have, which has made you what you are today, was not given to you because you are white, or because you are a wonderful people above all the other peoples on this earth. It was given to you because God in His sovereign elective love and mercy chose to endow you with the abilities you have, for the benefit of humanity, because you stood for His Word, abilities for which you are now spitting in the face of the same God, forgetting that you are nothing in yourselves; for the Hamitic race was once

in your shoes! But where are they now? God stripped them of every natural ability that can make them rise again, for He certainly touched their DNA genes, that they may remain perpetually at the bottom of the ladder, as a sign, a perpetual sign, teaching us that it is the place of men to fear, honour, and serve their Maker! Likewise, God has also stripped the Japhetic race of every sense of right and wrong, that their leadership has become absolutely senseless, for their sense of judgment borders on insanity! Everything is about LGBT! And why would the European leaders want multiculturalism at all costs, and for which reason they have opened their borders to migrants, who are mainly Muslim men, and who are creating havoc in their societies? It is solid proof that God has taken something from the lineage of Japheth! For you must know that God hates the proud, and He has assigned a day when He will bring the arrogance of men down to the ground. That day is called the Day of the Lord, just as Prophet Isaiah declared in Chapter 13, verses 6-13: **“Howl ye; for THE DAY OF THE**

**LORD is at hand; it shall come as a DESTRUCTION from the Almighty. Therefore shall all hands be faint, and every man's heart shall melt: And they shall be afraid: pangs and sorrows shall take hold of them; they shall be in pain as a woman that travaileth: they shall be amazed one at another; their faces shall be as flames. Behold, the Day of the Lord cometh, CRUEL both with WRATH and FIERCE ANGER, to lay the land DESOLATE: and He SHALL DESTROY THE SINNERS thereof OUT OF IT. For the stars of heaven and the constellations thereof shall not give their light: the sun shall be darkened in his going forth, and the moon shall not cause her light to shine. And I will punish the world for their EVIL, and the WICKED for their INIQUITY;”** (and let the race of Japheth listen to this): **“AND I WILL CAUSE THE ARROGANCY OF THE PROUD TO CEASE, AND WILL LAY LOW THE HAUGHTINESS OF THE TERRIBLE. I will make a man more precious than fine gold; even a man than the golden wedge of Ophir. Therefore I will shake the heavens, and**

***the earth shall remove out of her place, in the wrath of the Lord of hosts, and in the day of his fierce anger.***” That is the end of man, with all his pomp and might! Here man's arrogance comes to its perpetual and permanent end! For never again will any person or class of persons ever arise, making himself or themselves something over God's heritage. The kingdom belongs to Jesus Christ and the elect seeds of God, all through human time. Period!

Brothers and sister, there are many Scriptures that I have to leave out. But I have to say tonight, God spoke to the king of Babylon: ***“MENE MENE TEKEL UPHARSIN: Your kingdom has been weighed, and you have been found wanting. And God has given your kingdom over to another.”*** Church of the living God, in the same vein, the kingdom of Rome, which gives us the ten toes, is found wanting tonight, and the spiritually minded people of God can similarly read the handwriting on the wall. But now it is, MENE MENE TEKEL UP THE BRIDE OF CHRIST: Your kingdom has been weighed on the balance, and it has been

found seriously wanting. But to which other kingdom is God now giving it? The Lord is not giving it to any other people, but solely to the people of the Lord, who have the bride of Christ as its principal class! Glory to God! It is time for the people of the Creator of the planet to take over the kingdom. Halleluia! And that was the dream God gave to Nebuchadnezzar, a Hamitic king. His dream revealed that it is the people of the Lord that will come and possess the kingdom, and that is our kingdom to come, the Millennial Kingdom! That is how the vision of the image is concluded in Daniel Chapter 2, for the entire image of the four beast empires was destroyed with the stone cut without hands, which is Jesus Christ, just as it is relayed on the chart! Daniel Chapter 2, verses 34-35 records: ***“Thou sawest till that A STONE WAS CUT OUT WITHOUT HANDS, which smote the image upon his feet that were of iron and clay,”*** (which is in the days of the European Union), ***“AND BRAKE THEM TO PIECES. Then was the iron, the clay, the brass, the silver, and the gold, broken to pieces together, and became like the chaff of the summer threshingfloors;***

***and the wind carried them away, that no place was found for them: and the stone that smote the image became a great mountain, AND FILLED THE WHOLE EARTH”***, (creating the Millennial Kingdom, a globally righteous and truly prosperous Kingdom)! May I say in comparison, brothers and sisters, that whilst God could speak to a Hamitic king, Nebuchadnezzar, and give him such wonderful revelation of the Ending prophetic time outlay, He cannot do so with the present leaders of the restored Roman Beast Empire, the European Union; He cannot do so with the Japhetic leaders of the world, for they are morally warped and bankrupt, and are nothing but God haters! That is why, of the four beast empires represented by the image dream of King Nebuchadnezzar, God Almighty referred to the Babylonian Empire as the most superior, for its ***“HEAD WAS OF FINE GOLD”***, and as it is written in Daniel Chapter 2, verse 39: ***“And after thee shall arise another kingdom, INFERIOR TO THEE...”*** On the other hand, and in direct contrast to the Babylonian Empire, the Roman Empire is the worst

and the basest of the four beast empires; and this is the infallible testimony of the Lord God in the Holy Scriptures, and it is absolutely incontestable. Think about it! That should let you see that the Japhetic leaders of today are a different class of people indeed, and they have successfully influenced the world into abominable evil, for they not only relish Iniquity, they also propagate gross Iniquity by legal coercion, for it is State sponsored! Saints, we saw Babylon at the beginning of this world, and now we see Babylon at the end of it, for the name remains, and the spirit of it, or the spirit behind it, also remains, for it is the same, as Satan's objective continues. For what he started in natural Babylon, in Genesis, he accomplishes in spiritual Babylon, in Revelation, in the days of the ten toes, which is the European Union. What he used the lineage of Ham to start, he uses the lineage of Japheth to complete, and what a race of people they have now become! Church, make no mistake about it: The mass of humanity we have today in the earth, are nothing but serpent seeds, and hence there is nothing of God in them. And let me warn you, they are the

lowest class of humanity ever, because every evil attribute imaginable has been bred into them. That is why when you look at the human societies of today, even the Dark Ages was much saner than now, because there was still some measure of morality, brotherly kindness, neighbourliness, regardless of the creeds and dogma that the church of Rome peddled, and in spite of the death toll she occasioned, for we are not talking about the Roman Catholic Church, but strictly about the human society! How many see the point, raise up your hand? With the death toll, there was still morality and spiritual principles which ruled people's lives in general, speaking not of the Church of Rome, but of the society of man, as dark as the Dark Ages was! The Dark Ages will make this world ashamed of their gross immorality, for at least, they had some measure of moral values! This age has absolutely none, not to speak of spiritual values! I repeat: The world now has a class of humanity that is the lowest class ever produced on this planet, both leaders and subjects. There has never been an era of people, or a class of humanity, that is as low as the quality of human beings

we now have today. They are the basest class! And that is why they do not blush, for they are not ashamed of anything, and neither do they care, for they have no conviction of any sort. They are simply a complete embodiment of Satan! Everything for them is about money, material possessions, fame, and entertainment, for it is all about enjoyment or pleasure! God does not feature in their world, for they are completely removed from God! That should let you truly know that there are serpent seeds; otherwise, we must ask: Where do these ones come from? Those attributes do not come from God! Where did they get it, when we know it is an infallible law, that like begets like, and every seed produces after his kind? How can sons of God be that way? The fact is that they are not sons of God; they are children of Lucifer begotten through the serpent; they are serpent seeds! But how highly intellectual and prosperous they can be! Yes! And how arrogant they also are; how extremely arrogant! However, their intellectualism and prosperity is also the means of their destruction, and their arrogance will also be brought down, for

their end is here, although they cannot see it. Hence it is written in the Book of Isaiah Chapter 24, verse 21: ***“And it shall come to pass in that day,”*** (speaking of the Day of the Lord), ***“that the Lord shall punish the host of the HIGH ONES that are on high, and the kings of the earth upon the earth.”*** For as we saw in Chapter 13, the Lord promised: ***“And I will cause the arrogance of the proud to cease, and will lay low the haughtiness of the terrible.”*** The same Jesus that they have rejected and that they hate, will bring the world to a literal close with fire, and that will be the end of the story, the end of their arrogance and utter impudence, the end of their prosperity. For as it is written in verse 6, the inhabitants of the earth are

burnt, but few men are left, as God gets rid of serpent seeds! Thank God the Lord is coming soon, for our day of redemption is very near!

Brothers and sisters, it is written: ***“For the turning away of the simple shall slay them, and THE PROSPERITY OF FOOLS SHALL DESTROY THEM.”*** Indeed, it is the prosperity of fools that shall destroy them. For on account of their earthly success and prosperity, on account of their technological and scientific advancement, they really think that they are something. That is why they do not consider God, but openly and flagrantly make jest of Him and of His Word, and daily persecute His children, spitting in the face of the Lord with godless audacity, for they

do not realise that they are such poor and wretched people. As it is written: ***“Professing themselves to be wise, they became fools.”*** They pride themselves in their temporal earthly accomplishments, which are nothing but mere vanities of life. The prosperity of serpent seeds is what you see in the world's present so-called advanced civilization, but believe me: Their days are numbered, and the hour of Christ and his Bride is coming soon, for it is at the doors. BUILD YOUR HOPES ON THINGS ETERNAL. I show you ***THE PROSPERITY OF SERPENT SEEDS.*** Let us bow our heads in prayer. (Brother Amos prayed).

The Lord bless you all.
