

The Scribe

"Every Scribe which is instructed unto the Kingdom of heaven is like unto a man that is an householder, which bringeth forth out of his treasure things new and old" - Matthew 13:52

Amos Olusegun Omoboriorwo

This message was preached by Brother Amos, on Tuesday 29th April, 2014, at Bible Faith Tabernacle, Lagos, Nigeria. The second instalment of a four part message, this is truly an expose of what Satan's mature seeds are doing in the earth today. It is a true eye opener. May God help us all to see and to understand.

I greet everyone in Jesus' name. May God bless our meeting tonight, and may God give grace to his people. Amen. We want to open our Bibles to 2 Timothy Chapter 3, as we take our message, and we will start with verse 1: "***This know also, that in the last days perilous times shall come.***" Brothers and sisters, this is exactly the title of my message: ***PERILOUS***

PERILOUS TIMES ARE HERE!!! -PART 2

TIMES ARE HERE!!! I am here to let you understand that the prophecy of Apostle Paul way back then, is hanging right over this very hour we are living in. You and I are the ones living in the hour of time he spoke about in this prophecy. Now we are in Perilous times!

Perilous times simply means dangerous times; very evil and scary times. The developments of things in the world today are very scary indeed. And like we saw on Sunday, brothers and sisters, in this prophecy, Saint Paul was looking at an era of time way past the first church age, way past the dark ages and the reformation. He was looking at an era of time when the original faith, which is the revealed faith of Jesus Christ of

the Bible, would have been restored, given back in accessibility to the general body of saints, a message we call the End Time Message, and the recipients of this message would fall away from it, thereby opening up the door to the era of time that is called "**Perilous Times**". And this restoring message was given through William Branham, the Elijah of Malachi Chapter 4, verse 6B, a Move of God which produced the Branham Movement, or the Message Movement. Unfortunately, the message people have gone into utter apostasy, because they rejected the true light that Brother Branham brought, holding to statements of the man, over and above the Word of God to which his message restored us. And that in itself has led the way for even traditional religion to fall away from their normal grounds of belief, and from the principles of truth that they had been holding unto for many centuries of time. And that is a very serious thing, because as I said, when the only hope of man, the true hope of man, is taken or decimated, then there is nothing else for man to look forward to, or to hope for: He simply has no

good future, for Satan then takes over. This is so, because the glorious future for man, our future, is laid out in the revealed plan of redemption, which the God of creation set in motion. Therefore, as we saw last Sunday, this prophecy of perilous times, ties in with the prophecy the Lord also gave through Saint Paul, in 2 Thessalonians Chapter 2, verse 3, concerning the rapture, which has been made contingent in part, upon the great "**falling away**", for both prophecies are hanging upon this very day, and are therefore one. As we stated last Sunday, it means in essence that the great falling away, which brings us into perilous times, ushers in the rapture, for it is the first condition precedent for the rapture event. That lets us see that we cannot begin to expect the return of Jesus, unless and except there is first a falling away, which in turn creates the perilous times, and we are now living in the hour of its fulfillment, for perilous times are here! Consequently, brothers and sisters, the first danger sign of "**perilous times**", is a spiritual sign, for it is strictly relational, being religious, and is the great falling away from the

restored truth, which is the original faith. The signs of the "**open rebellion**" we now see in the earth, is a direct consequence of the great falling away from "**The Faith**", and is an evident fruit of the falling away. Consequently, brothers and sisters, the first sign, the first danger sign of the perilous times, is spiritual, for it is the falling away from the restored faith of Jesus Christ of the Bible, the falling away from the true and original message of God's Holy Writ, the Bible. That is why, even in the breakdown of the evil attributes of the perilous times, the spiritual sign, being the first danger sign, and the most serious sign, was incorporated, for it was stated therein. Hence, 2 Timothy Chapter 3, verses 4-9, but beginning from verse 1, records: "***This know also, that in the last days PERILOUS TIMES SHALL COME. For men shall be... Traitors, heady, highminded, lovers of pleasures MORE THAN LOVERS OF GOD; HAVING A FORM OF GODLINESS, but denying the power thereof: from such turn away. For of this sort***", (referring to preachers in this evil hour of time), "***are***

they which creep into houses, and lead captive silly women laden with sins, led away with divers lusts, Ever learning, and never able to come to the knowledge of the truth. Now as Jannes and Jambres withstood Moses, so do these also resist the truth: men of corrupt minds, reprobate concerning the faith. But they shall proceed no further: for their folly shall be manifest unto all men, as theirs also was.”

Church, more time and attention has been paid to laying out the spiritual condition of the perilous times, because it is the main catalyst! Verses 4-9, gives us a religious people, church going people! Verse 4 opens up with three evil attributes which you can find in the religious world as well, “**Traitors, heady, highminded**”. We all know that Judas was a traitor, hell bent on destroying the innocent and righteous Messiah, and he succeeded. We also know that many church going people cannot be told anything about truth, for they are very heady and set like concrete in their ways, being deluded religious creatures. And in addition, today, the Christians so called, are very

highminded, being absolutely materialistic and very worldly, following Hollywood in their lifestyle, which is exactly why they are very lukewarm when it comes to things of the spirit! This makes us realise that we also need to be very careful, so that we are not caught by the spirit of the day, for that spirit is here, and it is very strong, being a most evil spirit, one that kills true spirituality. That is why verse 4 states in part: “... **lovers of pleasures**” (plural), “**MORE THAN lovers of God.**” This most certainly gives us a religious people, people that are religiously motivated. They talk about the Lord, holding to the belief that they love the Lord, but it is all talk, for in reality, in true spiritual reality, and as far as God is concerned, they love pleasures more than they actually love God, being a carnally motivated bunch of church going people. They can travel all over the globe in search of a beach, or a holiday resort offering unlimited pleasures and revelry (excessive drinking and promiscuity), like the one in Bali, which is an Island and province of Indonesia, or in similar places like Phuket, in Thailand, than to attend

Church meetings. It is also hard for you to get them to talk about the Lord, or about the things of the Lord, as all they are interested in talking about, is the house of one dead military general they went to see on a tour to the countryside. They are more interested in carnal things, clothes and watches and perfumes, and they can talk for 24 hours on carnal things, than on spiritual things, because they are more lovers of pleasures, and are given more to pleasures, than to God. That was why, in his days, Jesus Christ addressed the religious folks in Matthew Chapter 12, verses 33-34, declaring: “**Either make the tree good, and his fruit good; or else make the tree corrupt, and his fruit corrupt: FOR THE TREE IS KNOWN BY HIS FRUIT.** O generation of vipers, how can ye, being evil, speak good things? **FOR OUT OF THE ABUNDANCE OF THE HEART THE MOUTH SPEAKETH.**” Again in Luke Chapter 6, verse 45, it is also written: “**A good man out of the good treasure of his heart bringeth forth that which is good; and an evil man out of the evil treasure of his heart bringeth forth**

that which is evil: FOR OF THE ABUNDANCE OF THE HEART HIS MOUTH SPEAKETH." Exactly! You speak out of the treasure of exactly what is stored in your heart, for there is no getting away from this truth! Hence, it is further written in Proverbs Chapter 23, verse 7, concerning man: "**For as he thinketh IN his heart, SO IS HE...**" Because the heart of man is the control tower, and we are all motivated by the treasure in our hearts! Precisely!

This reminds me of the Word of the Lord written in Titus Chapter 1, verse 16, which declares: "**They profess that they know God; but in works they deny him, being abominable, and disobedient, and unto every good work reprobate.**" All they carry is an empty profession of faith. The bottom-line is that this age is a pleasure loving, fun seeking age, for it is one wholly given to pleasures, pleasures galore; pleasures unlimited; pleasures of all sorts: Wind surfing; scuba diving; binging (over drinking and overeating like pigs); partying; you name it! It is just a world of pleasures, and here they

are, (Brother Amos points to the chart), all naked flesh on beaches, spreading themselves on the sand like a cluster of lizards, sun tanning; shameless creatures! That is why we do not have any business as believers going to beaches, because all you will see is nothing but naked flesh; nude people, a shameless bunch of humanity; a people without any sense of decency or shame. We do not go to the beach, not because it is wrong to go to the beach, but simply because all you will see are men and women in utter nakedness. Hence, if you can find a same sex beach, sure, that is okay. But why would you want to go to the beach, particularly on a weekend, when all you are going to see is naked flesh? People strip naked, for nothing is sacred, grandpas and grandmas, with their sons and daughters, along with their grandchildren, both girls and boys, three generations of people, all displaying their naked bodies for each and every one on the beach to see and lust after! All of them are naked, except for a silly little inconsequential strip covering their private parts below, with all their buttocks out in the open, as

they stroll all over the place. Whether they have flabby flesh, or they are skinny, or even obese, they put everything out for the whole world to see, and then on Sunday, they go to church somewhere, in order to fulfil a religious service. Church, this is exactly why we do not believe in mixed swimming! As a sister, if you are going to swim, let it be that it is in a group of women by themselves, because you have some pools that cater for women only sessions. And as a brother, let it be at a time allowed for only men, if you do not have a private pool that you can use. But it is a disgrace for fathers and grandfathers, mothers and grandmothers, to strip naked before their children and grandchildren, boys and girls, with only a little flimsy swimming pant covering their manhood and womanhood. It is a disgrace! And on Sunday they go to church though, to listen to a ten minute sermon on nothing, for they are lovers of pleasures more than lovers of God. That is why they can travel miles to see one historical building, but they cannot spend one hour listening to a message, because it is too much! That is why Apostle Paul gave us the

danger sign, a religious danger sign of this end time, declaring in verse 5: "**HAVING A FORM**" (or a semblance) "**O F G O D L I N E S S , b u t d e n y i n g t h e p o w e r t h e r e o f : f r o m s u c h t u r n a w a y**". They deny and reject the sole authority of the Word to rule God's people in all matters of spirituality and life, when the Word of God is the absolute of a true believer, being the spiritual seed, the seed of life eternal which we have in Christ Jesus. And indeed, the Word of God must rule us, for it is the power of God unto salvation. But they deny the power or the authority and the rulership of truth. These are church going people, no doubt, for the Scriptures state concerning the preachers, from verse 6: "**F o r o f t h i s s o r t a r e t h e y w h i c h c r e e p i n t o h o u s e s , a n d l e a d c a p t i v e s i l l y w o m e n l a d e n w i t h s i n s , l e d a w a y w i t h d i v e r s l u s t s , E v e r l e a r n i n g , a n d n e v e r a b l e t o c o m e t o t h e k n o w l e d g e o f t h e t r u t h . N o w a s J a n n e s a n d J a m b r e s w i t h s t o o d M o s e s , s o d o t h e s e**" (preachers) "**a l s o R E S I S T T H E T R U T H : m e n o f c o r r u p t m i n d s , r e p r o b a t e c o n c e r n i n g t h e f a i t h . B u t t h e y s h a l l p r o c e e d n o**

f u r t h e r : f o r t h e i r f o l l y s h a l l b e m a n i f e s t u n t o a l l m e n , a s t h e i r s a l s o w a s", for they are nothing but apostate preachers, reprobates! Brothers and sisters, the showdown is coming, for as Brother Jackson stated, there is coming a "**S H O W D O W N A T S U N D O W N**". Saints, the first danger sign of perilous times is the falling away from the faith, for it makes people lose conviction. And once conviction is gone, there is no telling the degeneration that will follow. And it is a fact that today, the Bible has been totally relegated to the background, and rendered completely irrelevant, and its message thrown overboard. The Bible has now been reduced to being a historical and traditional book, one that no longer has any application or place on issues of faith, which is precisely why they preach whatever they like, and do just as they please, as if the Bible has no say or relevance in spiritual matters. It has been rendered completely useless, even though we know that the Word of God is not useless, but alive and active, being most powerful! The truth of the matter remains that the

Bible no longer has any relevance on issues of faith in the world, for as it stands today, they preach and teach anything, however ridiculous and profane, and however much opposed to the Scriptures it may be, as it has been reduced to a historical and traditional book! A great number of Christians so-called, easily and readily proclaim: "*The Bible is the Word of God*". However, for them to go by what it says on all issues of faith, is a different kettle of fish altogether, for it has no real meaning to them, which is why they flagrantly disregard its divine provisions, and trample upon it with godless audacity, and with impunity (without punishment)! The truth is that the Bible no longer rules the churches; the Bible no longer rules the ministries; and the Bible no longer determines what people stand for, what they believe, and what they do not believe; and it no longer has any bearing on what they preach and teach. That is precisely why men preach and teach what they like today, and why they also do what they like, and nobody blinks an eyelid, because now, everything goes in the name of Christianity, however absurd and ridiculous and

abominable, because nobody believes the Bible to be the sole (exclusive) basis of belief anymore! As a matter of fact, particularly in the West, we have many ministers of the Gospel so-called, who do not believe in the virgin birth of Jesus Christ, and who question his death and resurrection, and they also further question the veracity (truthfulness) of the Holy Scriptures. There are also those who do not believe that Jesus Christ is the only way to God, the exclusive means of our salvation, for they believe that all religions lead to heaven, and yet, they remain as ministers of the Gospel! My, oh my! That is why moral perverts, fornicators, homosexuals, pedophiles, and all such sexual deviants, have invaded the pulpits as preachers, when in fact they need serious deliverance! Everyday, the Bible is being rewritten, depending on the religious leaning of its producers, whether it is to please the feminist movement, or the homosexuals! Now we have "***Chrislam***", an interfaith movement, which is nothing but the merging of Christianity and Islam, and this is gaining a lot of ground in the Western world, particularly in the

Netherlands, as well as in the United States of America. The Holy Scriptures have been rejected, for they believe in it only as a historical and traditional book, one that is applicable only in the Dark Ages, having no say in the affairs of modern men, on matters of faith, for the world has gone totally apostate and spiritually insane, and that is a big shame! What should have been the main focus, the prime focus, and the centerpiece of the lives of God's people, and of the church, and also of the ministry, to rule the ministry, to rule our lives, and to rule the church, no longer holds, for it has been relegated to the background, unfortunately! I repeat: The Bible has now been turned into a historical and traditional book, having no relevance when it comes to issues of faith, for now they only pay lip service to it. That is why its provisions have become of no consequence in the present day religious world, for the Holy Bible has been taken out completely! What apostasy; what a great falling away! It is the height of spiritual malady! And since they have rejected the Word of God, it is no wonder that the Lord also

sent them a strong spirit of delusion to believe a lie, that they might all be damned, as recorded in 2 Thessalonians Chapter 2, beginning from verse 9, which declares: "***Even him***"(the Antichrist), "***whose coming is after the working of Satan with all power and signs and lying wonders, And with all deceivableness of unrighteousness in them that perish; because they received not the love of the truth, that they might be saved***". (They think that they are saved, but they are totally deceived, for they are stark sinners, an unsaved bunch of church going people. Watch verse 11): "***And for this cause***" (or for this reason), "***God***" (Himself) "**shall send them STRONG DELUSION, that they should believe a lie:**" (to what purpose; to what objective)? "***THAT THEY ALL MIGHT BE DAMNED who believed not the truth, but had pleasure in unrighteousness***", (which is untruth; error; falsehood). That is God's objective for sending them the delusion, a strong one at that! Because they turned their ears away from the truth of God, and turned it unto fables; because they rejected the Message of

the Hour, the Gospel Truth of Jesus of the Bible, God has also removed His hands from them, and He has given them, not just a delusion, but a great one, a strong one, and there is not enough dynamite to shake them out of this delusion! And there is no man that has enough anointing or message in his mouth to make the difference! The difference will only be made in the lives of God's elect seeds. Period! This delusion will make them believe an obvious lie, a plain lie, perfectly and wholeheartedly, and hence the reason THE RELIGIOUS WORLD IS UNDER A STRONG SPIRIT OF DELUSION! And as a result, if you preach anything contrary to what they believe, and however scripturally true it may be, they will look at you, and will even be crying for you, and yet, they are the ones that are the objects of pity; it is only that they do not know it! They will not see where you are coming from, and they will certainly not see what you are saying. The more you unravel the truth and open up the Scriptures, the more senseless you sound to them, and the more they will look at you like you are from a mental institution, an

asylum, because they are under a strong spirit of delusion! It is like speaking sense to a mad man: the person has gone insane, and you are trying to speak spiritual sense to him. The mad man will look at you, because he thinks that you are the one that is in a sad state. But who is really in a sad state? What an acute state of spiritual amnesia! That is delusion for you, for they can never get out of it! As they have rejected God and His Word, so also the Lord has rejected them, and has given them over to a reprobate mind, to believe utter stupidness! Brothers and sisters, this is precisely what has come upon the Christian religious world, and it is what has brought in the incredible darkness that has completely engulfed the whole of Christendom. As it stands tonight, the entire Christian religious world lies in darkness, gross darkness, for as Prophet Isaiah declared: "***For, behold, the darkness SHALL cover the earth, AND GROSS DARKNESS THE PEOPLE.***" They have totally lost the compass of life; they have lost their way! That is why, brothers and sisters, they can tell you that they believe that the Bible is the Word of

God, but that is only as far as it goes. For despite them saying that, the truth remains that they have laid the Bible on the shelf a long time ago, and they carry on as if the Bible has no application in the life of a believer, for they preach and teach contrary to its direct provisions, and they also walk contrary to its direct provisions, and that is a big shame! I now need to move on.

As elect bride saints, we thank God for our portion, for we can see the light, the beautiful light of the written Word, and we know the central place the Bible occupies in the life of a child of God. If the Bible does not occupy the central place in your life, it simply means that God does not occupy the central place in your life. Period! It is that simple, for that is precisely the implication; it is what it means in essence. Do not forget that God is a Spirit, an Omnipresent and an Invisible Spirit, and as such, nobody sees Him physically in order to be able to lay hold on Him and say, "*Here you are! I will hold on to your garment, so that I can serve you*". What you do to His Word, is precisely what you do to Him. And the place that the

Word holds in your life, is exactly the place God also holds in your life, for God is revealed in His Word. Full stop! So, that is a serious issue! It just lets you see that Christendom has fallen away completely from the Holy Word of God, irreversibly, and the apostasy can only increase, as this is precisely what has led to the "**open rebellion**" that we see all around us today in the earth, in all humanity. That is why Brother Jackson declared that the "**falling away**" is "**open rebellion**". Saints, they had to fall away from the restored faith first, before traditional Christendom also lost even those basic fundamental Christian principles of faith that guarded their lives, and ruled their organizations. And with the falling away from the true faith, the original faith, the door was flung wide open to the "**open rebellion**" that we now see in the human society, for it is the direct fruit of the rejection of the Word of Truth. And the first indicator that open rebellion is here, the first sign of open rebellion itself, is expressed in the degeneration in societal values and attitudes. Hence we are now seeing a

society that has a complete breakdown; not a small one, but a total breakdown of morality, and of all traits of godliness, one which expresses no fear or reverence for God, and one which is vehemently opposed to God, because humanity has been reduced today to objects lower than animals. Humanity has lost all sensibility, and hence, sense is no longer common, but is now a great rarity. Let me tell you tonight, sense is now very scarce; it is a very scarce commodity, because until you come to the knowledge of your Maker, you are senseless, for what gives sanity and sensibility to man is God! Take away the God factor, and man is lower than a beast! Let me show you tonight a scary sign of the "**perilous times**". With the "**falling away**" from "**the faith**", which is the first danger sign of the perilous times, now the first danger sign of "**open rebellion**" itself, which the falling away gives birth to, is the complete breakdown of human values, both spiritual as well as moral, for it ushers in total godlessness and lawlessness! Brothers and sisters, you will agree with

me, that in the world today, there is no fear of God; the fear of God no longer exists. Righteousness is now condemned as evil, and evil as well as an abominable lifestyle is now considered good and commendable, and is not to be condemned, but commended. The society of modern man as it stands today, have lost all sensibility. They think that they are wise, but they are fools of the highest grade, just as it is written in the Book of Romans Chapter 1, verses 21-22: "**Because that, when they knew God, they glorified Him not as God, neither were thankful; but became vain in their imaginations, and their foolish heart was darkened.** PROFESSING THEMSELVES TO BE WISE, THEY BECAME FOOLS", FIRST CLASS FOOLS! This generation of people really think that they are smart, all because of technology. They are so smart, and they have all the scientific and technological knowledge above every other age, but look at the most horrible state of the world! We are living with demon possessed evil creatures, who are creating nothing but great havoc and mayhem on human

society! Yet they say, "**Let us educate them. It is education that the people need**". How very stupid people have become! Education will not make a difference, for you cannot educate a spirit, an evil spirit! You are looking at the operation of demons! It is God that the world needs, but unfortunately, the world has crossed a line! Consequently, there is no coming back for this generation; there is no return to the original status quo of the world, but a certain and fearful expectation of judgment, divine judgment! Saints, when any human society loses focus on God, and takes God out of their affairs; when a home, any home, takes God out of their affairs; when a family, any family, takes God out of their affairs; when a couple, any couple, takes God out of their lives; and when a man, any man, takes God out of his life, you have nothing, and will have nothing, except Satan, Satan in his raw form, which is absolute evil! Period! Because the presence of God in a society is the restraining force against the tide of evil, for it is what gives stability to man! Therefore, when God removes His

hand, Satan immediately takes over, for there can be no vacuum, as a society either has God or the devil, and God is He that gives sanity to man! Take away the God factor, and insanity sets in! When you throw out God, hell comes in, for Satan's mayhem is all you will have! So, I am making a point tonight, and that is that the societal breakdown which is occasioned by the great falling away, is not a partial one, but a total one, an absolute one. To say that the breakdown we are now experiencing is great, is even making it light, for there is no adjective or words to describe the degeneration that we are seeing today, being unparalleled in all human history. Tonight, on this earth, we have a complete breakdown of morals! The conviction of even moral values which humanity upheld for many centuries of time since Adam and Eve were placed here, no longer holds! No, they were not all believers in those days, but nevertheless, humanity, regardless of the society, still held to certain moral virtues, all which have been completely and flagrantly thrown out of the window, for it no longer exists! You know that! There is nothing called

morals anymore, because the morality of man has become absolutely perverted, for it is totally warped, and is a solid and incontrovertible evidence of generational insanity! That is why they now talk of rights, however senseless, and however demonic! People can do what they like, for they have the right, even though it is as warped as warped can be. But the incredible thing is that this same warped and demonic right is also being enforced on the rest of the sane elements of the society, because the human society has been completely taken over by Satan! And if you speak against it, they look at you as if to say, "*Where are you from? Are you from mars? How can you say that? You need to get out of here!*" Why? Because the human society has lost all sensibility and all morality! There is no morality guiding the human society anymore. And please do not say that there is morality in Africa! If it exists in Africa, then, why are our leaders the way they are? Why are they so corrupt and so extremely greedy and insatiable? Why do they continue in this modern age to bind the people to abject poverty and misery, and to gross

underdevelopment, when Africa holds the natural and mineral resources of the world? It is simply because our leaders in Africa have no conscience! They have what the Bible calls seared consciences, seared hearts! Because there should be a prick of conscience, a moral check, which should prevent them from doing things that would throw their people into absolute poverty and misery! Just how can one man carry away the budget funds for a whole ministry department or government parastatal, and plunge the people into total chaos, with old people dying right on the queue, waiting in vain for the payment of their pensions, all of which he has stolen, if it is not that these men have no prick of conscience?! Now tell me that they have morals, otherwise, I will ask you to tell that to Curtis, my dead dog! What makes people so heartless? What makes evil and wicked people sleep peacefully, when they have brought nothing but total anarchy and chaos to the lives of others? My! This is really "**Satan's Eden**"!

Brothers and sisters, perilous times are here! Humanity has now been reduced to something

lower than beasts. Why do I say that? Church, an animal, a beast, is not a human being, and no animal was made in God's image either. This means that there is no animal with a soul, which is the seat of reason and God consciousness, and therefore, there is no animal that can go on its knees and pray to God, or talk to God, because no animal was made to worship God. All animals were made to do, is to serve the purpose of the Creator, and to look to man that God placed as its head. That is according to the record of Genesis, where God gave man dominion and control over all beasts, and over everything that creepeth and moveth upon the earth. Therefore, all animals were made as help to man, and they are to look to man, who is their head. They were made to serve God's purpose, and to look to Adam and Eve, whom God set over them in that day. Period! Church, the fact is that no animal has a soul, and no animal worships God. Do you know why? Because no animal was created in God's spiritual image! Of all physical living beings, it is only man that was created in God's

spiritual image, for he was invested with all those attributes which are of God, who is not flesh and blood, but an eternal and invisible Spirit. So when you talk of God's image, you are speaking about a spiritual image, and this gives us His divine attributes: Goodliness, meekness, faith, virtue, patience, humility, righteousness, peace, temperance, love, brotherly kindness, etc. All these attributes are divine, and God endowed man with them too, for we are created in God's image, whilst animals are not. Consequently, the only provided way for an animal to express itself is to fight; it is by expressing its beastly nature. Like I was telling the saints in Owerri, an animal will not fight another animal just for the fun of it. Animals fight for four main reasons, and other than that, an animal will do nothing. One: They fight to protect their territory. Secondly: They fight to protect their young. If you come near or come after their young, they are going to come after you, whether it is a bear, or an elephant; I do not care what animal it is, for they are very protective of their young. They hate anything that seems to threaten their young ones. Thirdly: They

fight and kill in order to eat, for it is to sustain themselves. That is why a lion, once it is full, will simply lie down and rest. Let a little deer jump right in front of him, he will do nothing to it, because he is full. Fourthly: They fight when they are in pain or when agitated. This lets us know that although animals are not made in God's image, nevertheless, they just do not fight anyhow. But the only provided way for an animal to maintain its territory, and to eat, and to also defend its young, as well as to express its pain or agitation, is to fight. They fight for these four main reasons. Take out these four things, and they will be as tame as anything, just lying around minding their business. When a python has eaten, it is just going to lie down. A rodent can be in front of it, and it will do nothing to it, because it has eaten, and his food can sustain him for several months. However, church, men should not be fighting with one another, except it is in military combat. Consequently, when human beings who are made in God's nature, who are supposed to know better, and who are supposed to exercise their sense of reasoning, lose all

sensibilities, then they are worse than animals who cannot reason! Church, perilous times are here, and as such, humanity has become something else! I pray to God that He Himself will preach to your hearts, because I cannot do justice to the things burning in my heart. Brothers and sisters, humanity tonight is in a pathetic state, a serious pathetic state. And please pay attention, because it is a serious message that I am projecting tonight. All morality is now gone from man, for man is now standing at his basest level ever. That is why, like I said earlier, our leaders have no conviction of anything, and as a result, when it comes to the coming forth election in this country, they will kill one another. And it is not because they want to help the Nigerian society: It is because they want to share and eat up the society! So, where has human conscience gone? Where is morality? It no longer exists, but is now like a tale of yesterday! An average businessman in Nigeria looks at another person as a potential prey. Once they hear that somebody just came into some money, they are immediately looking for ways of how to get it from him; not

legitimately, but by duping him. That is why people sell fake parts as genuine, for they have no conscience! They will sell a fake product at the price of the original, and they will smile and say to themselves; "*Oh, I made it today.*" But what exactly did they make today, when they are only injuring their souls? That is the modern society we now have: People without any prick of conscience! Brothers and sisters, you heard the case of one of our brothers, who went to buy kerosene so that he could prepare food for his family. But the kerosene he bought was adulterated, for it had been mixed with petrol in order to make quick money, and the thing combusted; it exploded in his face and caught fire. What if the brother had died on account of this incident? He is still in hospital as we speak. What if he had died? It is just the grace of God that made the difference, or he would have died! This shows that humanity has gone berserk! In Bali, an Island and province of Indonesia, do you know that every year, hundreds of European holiday makers die from drinking alcohol there? They go there to let loose; to enjoy their time before they come

back to another year of work. It is all wild partying, drinking, and sexual orgies, and this has become a big thing, for it is a favourite spot, particularly for European students. They engage in strip dancing, doing "wedgies" (a crazy prank of suddenly pulling someone's under wear tightly between their buttocks, in the presence of others), and what have you, and every year, many Europeans die from drinking. And do you know why? Because there, they are given fake alcohol to consume! A couple decided to host their wedding in Bali, so that they could enjoy themselves, and so, they travelled there for their wedding, with all their guests. Every last one of them died right there in Bali, including the wedding couple, all from drinking fake alcohol! Brothers and sisters, we have seen a case here in Lagos many years ago, where a person went to buy eye drops, but it was fake, and it was actually acid that was put in the bottle as eye drop. That is the Ibo spirit for you, where everything is about money! But I thank God for the elect seeds of God from the Ibo tribe, saints whom God will use as judgment rod against the unbridled

lust for money which drives the Ibo people to do anything. I say that because anything and everything goes for the Ibo people, as long as they can make money, for they care not how! God has a day that He has reserved to deal with that horrible spirit, and it is called the Day of the Lord, because everything is not about money! Money cannot determine everything, for money is not everything! Come on! It is this unbridled lust for money that drives these mega companies, these multi-national conglomerates, whether it is the banking industry, or the pharmaceutical industry, or the oil industry, where they declare billions of dollars in profit every year, huge profits that do not filter down to their workers, for only a handful of men, the executives, earn crazy money, leaving their workers to struggle! They do not care for humanity, or for the environment which they are over exploiting and polluting, and they will do anything just to make money, for it is all about money, as that is what drives them, and not the good of man! And if anyone dares to unearth their crooked unethical actions,

they will buy the law, or he will simply disappear, for money talks! Brothers and sisters, sense and morality is gone, and the society of man has been thrown to the hogs (swine; pigs), as humanity has reached a place where he has lost all sensibility, for there is a total breakdown of morality, and of every godly trait. Everything moral and godly has been stripped from man, and man has been reduced to nothing but mere beast, and that is scary. It is scary! Today's societal attitude is completely perverse, absolutely insane, totally ungodly, for all we see is a total breakdown of society, where immorality and perverseness is now the sweeping song of the day! There are many countries, particularly in South America, that are totally failed States; completely failed States; States that are ruled, not by the police or the military, but by criminal gangs and drug lords, and I do not need to mention their names. In these countries, even the police run from these gang and drug lords. Corruption has also made things worse in such places, as we are speaking about failed States, where gangs rule! These are perilous

times indeed! It was never like this in the '60s; it was never like this even in the '70s. In the '70s, the human society was still a little sane, as there was still a measure of morality, a line that the society of man would not cross. I can remember when I was a little boy growing up, and the mothers would be talking about a man and his overtures to another woman. I am speaking of the early '70s, and they would ask: "*My friend, this man that came to speak to you this afternoon; what does he want from you?*" If she replied: "Oh, he says he likes me", she would immediately warn her, saying: "*Do not go out with him, for he is a divorcee*". That was a stigma in that day, those good old days! But today, it means nothing; divorce means absolutely nothing, for the society of man has gone berserk! I do not even have language for it; I do not have the words to explain it, so I can make you see that the human society is completely gone. The whole world as it stands today; the societal attitudes we have, is giving us nothing but signs of a total breakdown of morality, for it gives us the signs of a world that has gone AWOL! Every ounce of godly traits

and morality have been stripped away from our human society, and it has reduced man to being lower than a beast. This most alarming development takes us right back to the record of Genesis, for something most evil and sinister is going on before our very eyes. **OPEN YOUR EYES!** Come with me to the Book of the Beginning, the Book of Genesis, which is the Seed Chapter of the Holy Bible. I have to take you back in time, if we are to fully appreciate the things being projected right before our eyes today. Remember we are taking a message titled, ***PERILOUS TIMES ARE HERE!!!***

In Genesis, you and I know that Satan sought to get a seed for himself, because he cannot create anything, as he is not the Creator, except to pervert what the Lord has created. He had no means of getting seed to himself, except through one entity in the Garden of Eden called "***the Serpent***". The Serpent in that day was an upright creature in physical stature, one who looked just like man, for he was the closest to man in the gradient of creation, as he was the head of the

primates (the apes), and in actual fact, he was the head of the entire animal kingdom, and one whose seed could mix with that of man, being the closest being to man in that day, within the entire ape family. Moreover, the devil being an angel, although fallen, knows the laws of genetics, and he knew he could use the Serpent, for he was the only one whose seed could mix with that of man. Therefore, he inspired and used the Serpent creature to have a sexual relationship with Eve for pleasure, an act which God referred to figuratively as having "***Eaten of the tree***"; because the sex act was "***The FRUIT***" of "***the tree of knowledge of good and evil***", and by this act, the devil was able to get seed to himself, a seed called Cain, vicariously (indirectly). And right here was precisely where the seed of genetic mixing was sown, for here it all started, and it produced a beast-man, Cain, a man who in genetic reality was half man half beast, as his father was the serpent, a beast creature, (although he was manlike looking), and his mother was Eve, the wife of Adam. Saints, the devil was going to take this genetic mixing to a

whole new level, particularly at the end time. However, in that day, the Lord God allowed the Serpent to sow his seed into Eve, in that genetic mixing or crossbreeding, one which caused the fall, so that Satan may get his own seed called Cain, because through the fall, God was going to manifest His attribute as Saviour (Redeemer), aside from other material divine reasons. And indeed, if there had been no fall, how would we have truly valued and appreciated the love of God? How would we know what redemption is, and that God is a redeemer, a healer, and a miracle worker? However, when Satan got Cain through the Serpent creature, it was not enough, for it was just the beginning. Now he could get many more seeds unto himself through Cain. And when we consider Cain, it is incontrovertible to say that he was an evil man to the core, which was why he totally rejected the revelation of God, and killed righteous Abel, his half-brother, thereby becoming the first human murderer, just like Lucifer, his father. And after he killed Abel, he also lied blatantly about it, without any prick of conscience,

and without any fear or reverence for God either, just like Lucifer, his father, whom Jesus later referred to in John Chapter 8, verse 44, as "**a murderer**" and "**a liar, and the father of it**"; (the father of lies; the originator of lies). After Cain killed Abel, the son of Adam, God gave Adam another seed called Seth, to replace Abel. As a result of these developments, in the earth in that day, we had Seth, the lineage of Adam, which gives us the lineage of the Sons of God, and we also had Cain, the lineage of the Serpent, which gives us the lineage of the wicked ones (serpent seeds), who are none other than the children of Lucifer. And this truth is precisely why Cain is not anywhere in the genealogy of Jesus Christ, and neither is he anywhere in the genealogy of the Sons of God, for he was not a son of God, but strictly and solely a son of the devil, begotten through the Serpent. Period! Hence, Apostle John declared by the infallible inspiration of the Holy Spirit, as recorded in 1 John Chapter 3, verse 12: "**Not as Cain, who was OF THAT WICKED ONE**"; which simply means that he was a seed or the son of that wicked one, who is Lucifer. Brothers and

sisters, with the birthing of Cain and Seth, the world began to be populated by two streams of humanity: The Sethite lineage, who are the Sons of God, and the Cainite lineage, who are the children of the devil. We see this truth in projection in Genesis Chapter 6, from verse 1, where the Bible records: "***And it came to pass, when MEN began to multiply on the face of the earth, and daughters were born unto them, That the SONS of God saw the daughters of MEN that they were fair; and they took them wives of all which they chose.***" Saints, the Sons of God here were not angels, but the Sethite lineage, for angels cannot have carnal knowledge of women. The lineage of Seth began to go into the daughters of the Cainite men, having mixed marriages, for mixed marriages started in that day, and it came to its head in Genesis Chapter 6. This lets you see that there were two streams of men in the earth in that day: "***Men***", as in carnal men, who were Cainites, and who had daughters, and "***the Sons of God***", the lineage of Adam; two streams of humanity, who were different and distinct from

one another, for they were two parallel lines. One lineage was clean and righteous, with a goodly genetic constitution or makeup, and who worshipped God, for their lives radiated around the worship of their Maker, as they were the sons of God; whilst the other lineage were evil and unholy, and they did not care for God, because Cain, their progenitor, had parted ways with God, as recorded in Genesis Chapter 4, verse 16. Consequently, in the earth, we had two different and distinct streams of humanity, easily identifiable, one which was of God, and the other which was of Satan. And in the beginning, the children of the lineage of Seth had no evil genetic traits in their DNA code at all, except an imputation of death, which was injected into their bloodstream, when God pronounced the judgment of death on Adam and Eve in the Garden. Other than death that was imputed into their bloodstreams, they were genetically pure in the beginning, that is, before the mixed marriages started. But the devil was not content to have the picture remain as it was. Therefore, we must

understand, brothers and sisters, that the mixed marriages we just read about, between the Sethites and the Cainites, a development which Satan engineered, had an evil objective to it. Satan's objective was to use the mixed marriages to brew down the pure and clean genetic constitution of the Sethite lineage, using the Cainite daughters, so that they would eventually become disobedient and rebellious, on account of their defiled genetic state. For Satan knew that as long as he left the two streams of humanity alone, God's children would not serve or worship him, and so, it was not enough for him to just have his seeds; he wanted to take over the world, and make the world serve and worship him! That is his ambition, and so God also allowed him his second move, because there was no point in allowing him to make his first move of getting seeds to himself, and not allow him to make his second move, which was to bring about the genetic mixing of seeds, the Lord knowing that His will as God is sovereign, and would therefore prevail, being absolutely unstoppable. Furthermore, God the

Creator was going to use the fallen genetic condition of His children, a condition which Satan would cause right here, and which he actually caused, to express His glorious power of transformation, His awesome power of regeneration, for He is the Lord. Therefore, in order to accomplish this evil goal, the devil used the shameless, seductively dressed, and the alluring (enticing) behaviour of the Cainite daughters, to bombard the moral resistance of the Sethite lineage, until their will was worn down, and they began falling for the Cainite daughters, and mixed marriages started, a sad development which came to its head in Genesis Chapter 6. Church, the devil knows that the evil gene is dominant. And to portray this truth, I always ask you to take a glass of clean water, put it on one side; take another glass of dirty water, and put it on another side. Are you listening to me? Now take that glass of clean water, which is colourless, and add just one drop of iodine to it, and see what happens. It just colours everything, for the water immediately becomes dirty and murky, because the

dirty drop is potent. But now, take the other cup of dirty water, and add a drop of clean water to it, and you will see that it will make no difference, proving that evil is dominant! And the devil knows the law of genetics, for he has been here long before we got here, and moreover, he had been in charge of God's creation before his fall from grace. So the devil decided: *"If I can get the two lines to interbreed, through mixed marriages, it will transfer the evil genetic traits in the DNA of the Cainites, the beastly traits of the serpent seeds, into the DNA of the lineage of Seth, until everything is completely brewed down, and by their fallen genetic constitution, they will do my will, and humanity will have my evil nature."* It is a spiritual fact that the more people are bred together through inter-racial marriages or mixed marriages, the more of the "God essence" they will lose, and the farther removed from God their offspring will be, until they eventually become nothing but a carnal bunch of earth bound creatures, with nothing divine or of God in them! Exactly! And as I stated earlier, this genetic move was just the beginning, for genetic

engineering would be taken to a whole new level at the end time, and as such, we are now facing an evil and most diabolical move of serpent seeds in this last age, for the seeds of the evil one (the devil), have come to maturity. So, my point is this, that in that day, Satan inspired mixed marriages in order to cause mixed seeds. And it is this same evil objective of Satan that made him inspire the United Nations, and in turn, the European Union, to seriously pursue a multi-racial, multi-cultural agenda, which is to brew down the Japhetic race in Europe, as well as in America, under the guise of ending racial hatred (racism), for by this, the individual races of the West will simply cease to exist, thereby turning humanity into one giant multi-racial cesspool, which is absolutely demonic and satanic! And by this evil move, God is also being bred out of humanity, in essence. Consequently, Genesis Chapter 6 gives us, not the beginning of this development in that day, but the ending of it, for it was the hour the Lord decided to bring everything to a close, cutting everything short, and starting afresh, using Noah

and his three sons, and the second world began. However, the very fact that God's own children went the way of evil, in falling for this evil inter-racial marriages, the mixed marriages, was what grieved God's heart! He was not grieved because of the Cainites, for they could do no better, being serpent seeds to start with, people with a beastly nature; for their father, the serpent, was a beast, although he looked, and walked, and talked just like a man, being very close to man in physique, before his judgment deformed him! The Lord was grieved in Genesis Chapter 6, because of the activity of His own children, the Sons of God, which gives us the lineage of Adam begotten through Seth.

Brothers and sisters, with mixed marriages going on at an alarming rate, all sorts of evil genes were being introduced into the genetic code of the Sethites, until we get to Noah's day, even the sons of God could no longer hear from God, and the Lord had to wipe out that entire generation; but Noah found grace in the sight of God. After the flood, through Abraham, God began the process of

brewing back the genetic constitution of His people whom Satan had bred down, starting with the establishment of the children of Israel, the Jewish race, through whom the Messiah would come, and who would be used to bring about the regeneration of all God's elect children. I am simply showing you the result of the inter-racial marriages which the devil set in motion in that day, for with it he bred down the pure genetic attributes of the children of God, ensuring that all human beings partook of the evil genes of serpent seeds, in their genetic constitution. However, it is very important that we realise, that the seeds that Satan got for himself in that day, seeds which he bred in the land of Nod, and with which he took a swipe at the sons of God, was just the beginning, for everything has an end time goal, and an end time objective, a time when his seeds would come to maturity. And it has taken him a long time to get to this point, for I want to show you something very serious tonight. Satan has been desiring to have a special class of children, Satan's designer babies, humanity that will have no

ounce of God in them, not one ounce of godliness or righteousness, and not one ounce of goodness or morality either, that is, in their genetic constitution, as evil genes would have come to full maturity in humanity. This gives us a class of humanity that are nothing but perfect replicas, perfect characterizations of all that is evil and vile; people who embody all that is satanic and ungodly. It has taken him a long time to get them, but now, Satan has his designer children, and they are the ones roaming and ruling this earth today. It is not something that he acquired overnight; it is something that has taken him a long time to get. But I am here to announce to you that the world is now full of serpent seeds as we speak, evil seeds of Satan who have come to maturity. Come with me, and pay close attention, for *Perilous Times Are Here!!!* The serpent seeds are in two categories: THE RELIGIOUS ONES, and THE NON-RELIGIOUS ONES. The non-religious ones are subdivided into high and low classes of serpent seeds. The high class are the ones who are the shakers and rulers of this world, for they shape

and determine everything, from politics, to the economy, to education, to the military, to entertainment, to clothing, and to all social sectors of humanity, for they are the high class serpent seeds, and they determine how everything goes. On the other hand, the low class serpent seeds give us the mass of humanity produced or birthed on the earth, and they are running to their billions today, for they have taken over the planet. These are the two classes of non-religious seeds of the serpent. The religious serpent seeds on the other hand, are also subdivided into two categories or two classes: Christians and Non-Christians. Please note that the Non-Christian religious group of serpent seeds cover ALL other religions, with the exception of Judaism. However, it is the Christian religious group of serpent seeds that are "TARES", and only they can be referred to as tares, scripturally speaking. These tares are nothing but modern day Judases; modern day Balaams, whose only use of Jesus is to make a name, build an empire, or make a fortune(merchandise), "***thirty pieces of silver***".

Consequently, they are a perfect clone of "**Jannes and Jambres**", two men who resisted Moses in Egypt, on the absolute Truth of God which he bore for the children of Israel, and God will certainly similarly show them out, for as it is written in our main Bible text, 2 Timothy Chapter 3, verses 8-9, they are "**men of corrupt minds, REPROBATE CONCERNING THE FAITH. But they shall proceed no further: for their folly shall be manifest unto all men, as theirs also was.**" Church, tares are instruments in the hands of the devil, to bring nothing but shame and reproach to the name of the Lord, and to the cause of Christ. They bring nothing but mockery and shame (ridicule) to the Gospel, and to the course of Jesus Christ, and they do not care for it, because they were raised up by Satan to blight Christianity. Hence they are brought into this Christian way by conviction of sorts, for it is one which does not work deep down in their hearts, as to bring about genuine repentance in their soul. They only go through a form or a motion of repentance, one which men see, and take for conversion. But the

ultimate objective of the devil, is that having made these of his children accept the Christian faith, and they have had a period of time to walk in Christendom, and having been recognized by the society as such, the devil now uses them to bring utter reproach and shame to the cause of Christ. This they do, either by their outrageous, unchristian, and evil behaviour; their highly deplorable and iniquitous lifestyles; their merchandizing of the Gospel of Christ, living such flamboyant, showy, and extremely worldly lives, one which totally lacks the exampleship that a believer should and would have, which things they do without blinking an eyelid, for they have no remorse or shame; OR by their very false, warped, and demonic teachings. These are the evil activities of serpent seeds, people who have no prick of conscience whatsoever, for they are tares, children of the wicked one. Brothers and sisters, they do these evil things, because Satan controls their hearts, for they are his! Think about it, for you should be able to see something out there! That is why the devil allowed some of his

children to join Christianity in the first place, for it is why he brings them to "accept" Jesus Christ, and they are the ones whom Jesus referred to as "**them which do iniquity**", for Satan controls their souls, and he uses them to derail many from the way of life! I am showing you the secret of a "**tare**", for it is strictly a Christian religious spirit, and as such, you cannot apply it to non-Christians, and neither can you apply it to the people of other religions. I wish to point out however, that a tare does not necessarily know that he is a tare, but he is a child of the devil nonetheless, one designed to throw a spanner in the works of God's plan of redemption. Full stop! In Matthew Chapter 13, verses 38-39, Jesus declared: "... **but THE TARES are the children of the wicked one; The enemy that sowed them is the devil; the harvest is the end of the world**". This parable lets us see that tares definitely have a religious spirit, for they are sowed into Christendom, and are used by Satan to bring reproach to the name of the Lord, and to bankrupt Christianity, and that is exactly what they have done to Christianity as we

speak, for Christianity has now been thrown to the dogs! That is precisely why the men out there today are carrying a material gospel, an absolutely watered down gospel, a gospel of materialism and money, and there is nothing anyone can say to make a difference to them, for they just do not care, and they do not blush, for they are not ashamed, and neither are those following them concerned in the least about these evil deeds, for they are tares as well! They are serving the purpose of their father, Lucifer, who was the first being ever to preach a carnal gospel, a material gospel, one which he preached to Jesus Christ on the mount of temptation, and one which Jesus Christ rejected outright. In the Gospel of Saint Matthew Chapter 4, verses 8-10, it is written: ***"Again, the devil taketh him"*** (Jesus) ***"up into an exceeding high mountain, and sheweth him all the kingdoms of the world, and the glory of them"***, (with all its power, its fame, and money, its wealth); ***"And saith unto him, All these things will I give thee, if thou wilt fall down and worship me"***; (if thou wilt compromise the Word of

God, which is the Word of Truth; if thou wilt compromise the worship of God). ***"Then saith Jesus unto him, Get thee hence, Satan: for it is written, Thou shalt worship the Lord thy God, and HIM ONLY shalt thou serve"***. So we see that Satan showed him all the kingdoms of the world, the fame and the power that it holds, the wealth and the luxury that it also holds, and laid all of it at the feet of Jesus, if only he would compromise the Word of life. He preached a material gospel to our Lord Jesus in that day, and Jesus rejected this prosperity gospel outright, and now, the children of Lucifer picked up the same material gospel at this end time, and they are doing a good job with it. And as I stated earlier, there is absolutely nothing you can say to them to make a difference, for they are the children of their father, and as such, the works of their father they will do, for they are tares! And you as a son and daughter of God, must remain a son and daughter of God, and exemplify your God! Yes! Tares, therefore, constitute one class of Satan's religious children. As we saw earlier, there is also a second class of

Satan's religious children, people who cannot be referred to as tares, for they are not Christians. These are people who have a belief system, for they believe in a god; but the truth is that they believe in anything and in everything, other than the living God of the Holy Bible, who is Elohim, the God of Israel, our Saviour, the Creator of the Universe, and who is the only true God there is and there will ever be. This will let you see that the multiplicity of religions we have on earth, is Satan's way of giving opportunity for his religiously inclined children to worship a god, other than The true God, ***"whose name is Jehovah"***, thereby giving them a false sense of religious attainment, a false sense of salvation, for they believe that they are going to heaven, when as a matter of fact, they are grossly deceived! For it is clearly written in John Chapter 14, verse 6: ***"Jesus saith unto him, I am THE Way, THE Truth, and THE Life: NO MAN COMETH UNTO THE FATHER"*** (GOD, ***"BUT BY ME."***) Jesus Christ the Crucified one is the only way, the exclusive means of man's redemption from sin and death. Hence, the

Old Testament pointed forward to him, and the New Testament revealed him, and also points back to him, for there is no other way to the only true God, Except through Jesus the Christ, who is the exclusive means of man's redemption back to God. This makes Judaism and true Christianity, the only two true religions, and all other religions were designed for serpent seeds, to satisfy their diverse religious inclinations.

Coming back to our central or main thought, brothers and sisters, we must realise that Satan has been working on humanity for a long time, in order to get man into the very shape he has now attained, because the devil has been seeking to get a special class of children, who will be at the apex of his genetic makeup. I call them Satan's designer children, or designer babies of Lucifer, and he now has them at last. Saints, as I stated before, these designer babies are the kind of humanity that do not have any ounce of righteousness, morality, or goodness in them. They are as vile as vile can be, and they are happy with it,

and they are also proud that they are exactly what they are: Terror! Righteousness is an abomination unto them, and goodness is also meaningless, for it is weakness to them, as virtue is not in their dictionary. They are simply unholy, through and through, for they are Satan's designer babies! Brothers and sisters, let me show you something tonight, because there is something about these men. Do not forget that in the beginning, for I must remind you, that even Cain worshipped God, although he only had a carnal knowledge of God, bearing just a religious spirit. Hence, he had no revelation to know that he had to come by blood, because God will not meet with anybody except under the blood, for without the shedding of blood, there is no forgiveness of sins. And although he did not bring rotten potatoes or rotten fruits, for he brought his best, unfortunately, his best was not good enough, because it was not in the light of truth. We all know that the revelation of God, and the standard of truth, is absolutely one. God needed him to come by blood, and as such, the

Lord told him implicitly (impliedly), in Genesis Chapter 4, verse 7: "Look at your brother, Abel, he came by blood. If you do likewise, will I not also accept you?" In other words, "Do like your brother, and come by blood." However, Cain stoutly (flatly) refused, even though God also gave him an animal to use for his sacrifice. We have laid out this truth in a message we have in the Scribe titled, *Sin Lieth At The Door*. The Lord stated in Genesis Chapter 4, verse 7B: "... **SIN**" (sacrificial lamb) "**lieth at the door. And unto thee shall be his desire, and thou shalt rule over him**". Brothers and sisters, Cain bluntly refused God's provision, because he was just a carnal self-willed worshipper of God. Nonetheless, you have to agree with me tonight, that Cain worshipped God in his day, even though it was in his own willful way, and even though he later walked away from the presence of the Lord, never to worship Him anymore. And this fact shows that eventually, all serpent seeds will be opposed to God, for that is the end of all non-seeds. Nevertheless, in his beginning, the truth is that he tried in his own way to worship God, which was

Satan's beginning of getting a seed unto himself. However, Cain's worship or walk with God was not going to last, and this also sets the stage for the reality we are facing today at this end time concerning all tares, all in the light of truth.

Church, please pay close attention. I pray I do not lose you, for some things are deep. Satan not only had to have a beginning of seeds, but he also had to have where he was going with his plan for his seeds, which is his end objective for seeds, and that is precisely what I want you to see, for we are coming to a maturing point. Let me remind you once more of the prophetic words Saint Paul gave concerning humanity at this end time, as written in 2 Timothy Chapter 3, from verse 1, where he declared: "**This know also, that in the last days PERILOUS TIMES SHALL COME**". (Now look at the extremely base (low) calibre of human beings the Spirit of God reveals that we will have on the planet, from verse 2): "**For MEN SHALL BE lovers of their own selves**", (very selfish and self-centred individuals, caring for no one but themselves, and who will do anything just for

their selfish ends), "**covetous**", (and can never have enough), "**boasters, PROUD, BLASPHEMERS, disobedient to parents**", (for they are horrible and evil children, children who are better never to have been born); "**UNTHANKFUL, UNHOLY, WITHOUT NATURAL AFFECTION**", (for they are very mean people, people possessing very evil and wicked attributes of Lucifer, and who are totally devoid of any goodness or morality); "**trucebreakers, false accusers,**" (two attributes which shows that they are a most dishonourable and base bunch of humanity); "**incontinent, FIERCE,**" (and who, as such, engage in dastardly and senseless riots and killings, and in all other acts of violence and public disorder); "**DESPISERS OF THOSE THAT ARE GOOD**". (for how they hate anything and everything godly and righteous); "**Traitors,**" (Judases), "**heady, highminded**", (always wanting the high and expensive and stately things of the world, for they have high tastes, and they will do anything to acquire it, even if they as women, have to turn themselves into a dog, or a piece of meat, and even if they as men, have to wreck lives in order to have it. But now Apostle Paul introduces the attributes of tares, who are Satan's religious children, clearly declaring that they are) "... **lovers of pleasures MORE THAN lovers of God; Having A FORM of godliness, but denying the power thereof**", (just as Cain denied and rejected the redeeming revelation of God). These are Satan's designer children! And to really appreciate the deepness of this long range prophetic utterance that the Spirit of the Lord gave through Saint Paul, we must ask, what is the nature of Lucifer himself? This will help us to see exactly the kind of offspring he is seeking to produce on this planet, on a global level, at this end time, for the devil has an end objective for seeds. We have to consider the attributes of Lucifer, because when we combine all the evil attributes laid out in 2 Timothy Chapter 3, we see nothing but Satan in human expression, or in human characterization; we see Lucifer as he is embedded in the human society! Wake up! Isaiah Chapter 14, verses 12-14

records: "***How art thou fallen from heaven, O Lucifer, son of the morning! how art thou cut down to the ground, which didst weaken the nations!*** ***For thou hast said in thine heart, I WILL ascend into heaven, I WILL exalt my throne above the stars of God: I WILL sit also upon the mountain of the congregation, in the sides of the north: I WILL ascend above the heights of the clouds; I WILL BE LIKE THE MOST HIGH***". Here we see Lucifer, and he is revealed as the most ambitious being ever to be created, for he wants to be like God who created him; he wants to make himself God! And is that not exactly what his children are also doing today with cloning, for they are playing God? Absolutely! Again in Ezekiel Chapter 28, verses 14-19, it is written: "***Thou art the anointed cherub that covereth***", (for he was in charge); "***AND I HAVE SET THEE SO: thou wast upon the holy mountain of God; thou hast walked up and down in the midst of the stones of fire. Thou wast perfect in thy ways from the day that thou wast created, till iniquity was found in thee. By the***

multitude of thy merchandise they have filled the midst of thee with violence, and thou hast sinned: therefore I will cast thee as profane out of the mountain of God: and I will destroy thee, O covering cherub, from the midst of the stones of fire. Thine heart was lifted up because of thy beauty, thou hast corrupted thy wisdom by reason of thy brightness: I will cast thee to the ground, I will lay thee before kings, that they may behold thee. Thou hast defiled thy sanctuaries by the multitude of thine iniquities, by the iniquity of thy traffick; therefore will I bring forth a fire from the midst of thee, it shall devour thee, and I will bring thee to ashes upon the earth in the sight of all them that behold thee. All they that know thee among the people shall be astonished at thee: thou shalt be a terror, and never shalt thou be any more". Here we also see Lucifer as a most disgruntled, most discontented, most ambitious, most proud, most arrogant, most rebellious, most treacherous, and the most

violent and wicked creature, an angel who created nothing but death and mayhem in the Prehistoric world, at the hour of the testing of angels. Our message titled, *Genesis: The Eden Of Angels*, lays out this truth concerning Lucifer, for it gives us a breakdown of this prophecy in Ezekiel relating to him. Furthermore, after he was cast down and stripped of his position and authority over all the angelic hosts of God, having led one third of the angels in evil rebellion against God, he now became an adversary (opposer) of God, and of all His works, and he has been reduced to being the prince of demons, and demons are nothing but fallen, stripped, evil, and wicked tormenting spirits. Lucifer therefore, epitomizes (embodies) anything and everything that is contrary to God, to Truth, and to all that is Holy, Righteous, and Virtuous (morally upright and good). In essence, he has become the prince of all vice (all evildoing), all immorality and perversion, both imaginable and unimaginable, and the author of chaos, raw chaos, which gives us mind boggling violence, and all wicked and dastardly acts,

for he is simply past feeling. In John Chapter 8, a text we read earlier, Jesus Christ also tells us that he is the father of lies (falsehood and deception), and of murder. Finally, he is also the accuser of the brethren, as recorded in Revelation Chapter 12, verse 10: ***"And I heard a loud voice saying in heaven, Now is come salvation, and strength, and the kingdom of our God, and the power of his Christ: for the accuser of our brethren is cast down, which accused them before our God day and night".*** Putting all these passages of the Bible together, we see nothing but an utterly godless character, one who is totally devoid of any ounce of truth, righteous, or moral goodness, for he is the prince of darkness, which is absolute and undiluted evil. Period! He is anti-everything that God is! And all these attributes he wants invested in, and also characterized by humanity, one which he rules supremely, for that is his end objective: **A WORLD WITHOUT GOD!** For a world without God is a world where he (Lucifer) is god; for in such a world, he

is IN, and God is OUT! Therefore, having this at the back of our minds, now come with me to consider the designer children of Satan, for as it stands today, his seeds have come to maturity, and for this you have to see demons at work in humanity, for it takes that evil spirit to bring maturity to serpent seeds. It brings us to the consideration of the second danger sign of the perilous times, and THE SECOND DANGER SIGN OF THE PERILOUS TIMES, is nothing but human degeneration and total societal breakdown, occasioned by humanity being taken over by devils, producing not only strange and scary developments, but also strange and scary human beings on this planet, in thoughts, in words, and in deeds, as well as in how they even look in their very appearance! For the Truth of God being totally taken out of the way, Satan now has a free and unrestrained rein over humanity, and now we see nothing but the operation of demons, for it is now a world completely taken over by demons, setting the stage for the reign of the Antichrist, and also for the return of Jesus

Christ, for his elect bride. Come with me to our chart.

This scary looking guy on the left, Dennis Avner, (Brother Amos points to the chart), obviously loves animals, for that is his thing; that is the demon in him, the one that possessed him. He loves tigers so much, that an evil spirit took over his mind, and he decided to make himself look exactly like a tiger, and he is called the "**Cat Man**". He underwent extensive surgery, and he had implants put in his cheeks and forehead to raise them up, and he also had whiskers of iron studs planted into his forehead, as well as into the area above his upper lips, where his moustache should have been. He also had his teeth made to resemble the fangs of a tiger, and had claws on his fingers as well, all in his demonic desire to look like his favourite cat, the tiger. It was an irreversible operation, and he made it into the *Guinness Book of Records*, as if there is any virtue or profit in that. What a sad case! However, the man died about a year and a half ago, at the age of 54, for he died precisely on the 5th of November, 2012, in absolute loneliness in his

garage, presumably from a suicide. It was a few days before anyone realised that he had even passed away, as he died a very lonely and miserable death. He loved the tiger, and he wanted to be a tiger, and he turned himself into one, with the use of plastic surgery. Brothers and sisters, there was just a spirit about him that, from a long time, even from when he was young, he used to believe that he had a tail, and he was always asking, "Where is my tail?" So when he grew up, he gave himself a tail, for he wore something with a long tail attached to it, just like that of a tiger. The man changed his entire composition and facial outlook to that of a tiger, along with tattoos all over his body. And what a grotesque look he gave himself, all because of a demonic urge within him to become a tiger. There are many photos of him on the Internet, but the thing is that he died a lonely and miserable death, and that is exactly what the devils want to do to humanity, which is to make a total wreck of men, for they are tormenting spirits. There was a time in his life that even the doctors from hell, those plastic surgeons who had been helping him to

accomplish his evil objective had to tell him, "No, this is too much. We cannot do any more operation for you, for it is enough." Now they could say it was too much, when they ought to have denied him the operation in the very first instance; but as we all know, in this world of today, everything is about money, for Satan's children do not care for anything called ethics or morality. As long as there is money in it, they will do it, however insane, demonic, and ridiculous it may be. Why do you think people strip as a vocation in a public bar? Why do you think people strip themselves naked on the Internet, using their webcams, right in their homes or offices, so that people can see them? It is all because of money, and for money. And because of money, they turn themselves to become lower than mere dogs. The truth is that to the children of Satan, morals and dignity mean absolutely nothing; human dignity and good self-esteem is useless, as long as they can make some dollars, or some pounds sterling, or some euro. That is how they think! You know that something is seriously wrong with them, for they

most certainly have very warped minds. The pathetic thing is that they do not know that they are warped, and you cannot tell them that either, for their minds are totally warped by the devil! Brothers and sisters, after the fall, God clothed Adam and Eve, but these ones do not want any clothing, and so, they strip themselves completely naked before a webcam, and carry on in lewd and erotic ways, as people watch them on the other side. In fact, the Internet audience is urging them to do more, and they are doing more lewd (more obscene) things, all because of what the Bible calls "***filthy lucre***", which is money! Why do you think people are dancing on tables? They call it table dancing and pole dancing. Women strip, leaving only a little pantie like a fig leaf to cover their genitals, leaving the backsides bare, leaving just a flimsy bra, one which covers nothing, and then they wriggle like snakes around a pole for money, or dance on a table; and other people watching put money in their bras and or in their underwear, as they perform, making a human being act lower than an ornery dog! I say that because a dog is just a

mere animal, which cannot reason, and which has no self-respect or any feelings of dignity, which a human being is supposed to have! Therefore, when a man gets to the stage when common sense, human dignity, self-esteem, and shame, no longer exists, then he is worse than a street dog! Period! Because there is something in man called a conscience; and there is also a conviction God puts in human beings, and this is the voice of God speaking to the heart of man. Saints, there is a sense the Lord gives to humanity, to be able to know what is right from what is wrong, to know what is decent from what is indecent, and what is humanly degrading! It is incredible what people do today for money; for they throw away all principles of righteousness and morality, all principles of decency and self-esteem, all human dignity, just because of filthy lucre! For them, everything is about money, but saints, everything is not about money, except the dirty devil has given you a perverted mind, a reprobate mind, as there should be a very marked difference between a man and an animal, a mere

beast! Come on! The truth is that the devil's crowd do not care, for their father is the author of immorality and obscenity! It is this demonic influence that makes people present themselves like hogs on the red carpet, showing off everything! They are so nasty and so shameless, so much so, that they will do anything to be splashed on the pages of news magazines on the red carpet! That is precisely why some of them do not wear under garments, except a completely see through veil of a dress that they think is gorgeous, which shows off everything! My! I am speaking of people like Jennifer Lopez, Rihanna Fenty, Kim Kardashian, and all such morally bankrupt creatures. When we look at these stage performers like Miley Cyrus, and the likes of Beyoncé, you have to agree with me that they are nothing but demon possessed characters, who are more deadly than the bubonic plague, in spreading the virus of immorality and obscenity amongst the young folks of today. On stage, they are simply utterly profane and insane! Moral degenerates! What is

responsible for that? It is plain demonology!

Brothers and sisters, let us come back to our chart for a few minutes, to consider in a measure the designer children Satan has now managed to acquire, for *Perilous Times Are Here!* And if you did not know that, please know that tonight. Thank God though, that this is where it all ends, for we are at the very end, and we do not have long to wait. There is no generation after this, after you, for this is the very last generation. Therefore, please open your eyes! This guy, (Brother Amos points to the chart), the cat man, has had many operations to get himself to this stage, to look like this, just like a tiger. It is the operation of demons expressed in his life, and spiritually speaking, it is called demon possession. Full stop! Church, even in the daytime, you cannot meet him on the road and not be afraid, not to talk of in the night time, for it is most inhuman. You know that the guy was totally insane, for insanity is the reason he would do that, although he never realised that he was! And let me tell you now, it is not everybody wearing a suit and tie that is sane, for there are different levels of

insanity. A lot of them in crisp suits and ties, with very slick shoes, and even with a Bible in their hands, are nothing but lunatics; they epitomize nothing but the height of spiritual insanity! That is why I said we see insanity on various levels. Now look at the man right under the catman, with various tattoos and rings all over his face. (Brother Amos points to the chart). For a lot of people around the world today, it is no longer just rings for the ears, which in itself is a mark of slavery and a sign of heathenism: But they now have rings lacing their ears, rings on their noses, tongues, you name it! This guy has rings and studs all over his face: rings on his ears, rings on his nose, rings on his cheeks, rings on his eyebrow, rings on his forehead, rings and studs on his lips, and rings all over his hair, you name it! Do you know that today, people pierce their tongues, and put rings on their tongues? I have seen a woman put so many rings on her tongue, so much so, that it literally affected her ability to speak, for she could not speak coherently any longer, simply because the rings were in the way of her making sounds! Do not ask me how they eat! How

would they not be poisoned to death, or have cancer and all such terrible things, from their acts of insanity? They put rings on their tongues, they put rings on their lips, they put rings all over their ears, they put rings all over their faces, they lace their noses with rings, and their eyebrows are also decorated with rings. What exactly do they want to look like? Come on! They definitely do not want to look decent or human! Of course not! They are not interested in looking human, and that is the point! They want to look anything other than decent human beings! That should let you see that they have been taken over by fallen spirits, fallen angels, demons, and it is called demon possession! That is the true diagnosis of their condition! Otherwise, we must ask: Why do they want to look like that, for they are hideous (ugly and terrifying looking)? Brothers and sisters, now look at the man right beside him on his immediate left. (Brother Amos points to the chart). He has tattooed his entire face, neck and chest. Yes, you would say, "Oh, Brother Amos, this tattooing is extreme"; but it starts somewhere, and a spirit takes over them!

What are they even looking for? What do they want? What is their problem? I am asking these designer babies of Lucifer: What do they want to look like? I know exactly what they want to look like, because I can see the spirit of their father motivating them. They want to look exactly like their father, who is Mr. Chaos! Simple! They want to look terrifying! They want to dress like hell; they want to look like hell; they want to walk like hell; and they want to talk like hell; and they live like hell as well, Lucifer's designer babies! Here they are! That is why today, saints, you see them wearing baggy saggy trousers, big like a sack, sweeping the floor, dangling below their bottom, exposing their underpants, making them look like a piece of trash! It is like when a little boy steps into his grandfather's trousers, and he does not have a belt with which to hold it up. He is simply lost in the trousers! And that is exactly how they come to the airport, and board an airplane, on an International flight! My, oh my! My wife and I were seating at the table in the eating area of an airport in the United States, a few weeks ago, when we saw

these two black guys. When they entered the eating arena, all eyes were literally on them, and I said to myself, "O God, here they come." I do not know what they were looking for, but they came to sit right beside us on the next table. My wife said, "*Darling, let us move.*" Brothers and sisters, with their saggy baggy trousers falling on the floor, and tattoos and chains dangling on their necks, with braided hair, and with beads at the ends of their braids, they not only looked like dumpsters, they also looked like a load of trouble! Brothers and sisters, they looked like hell's children, and they are truly hell's children! Everybody was looking at them, probably asking themselves: "*Where are these from?*" That is how the American society have become, for they have nothing called self-esteem, which is human self-dignity, for dignity, morality and decency, have been thrown to the dogs. You know when you have self-esteem, there is a way, even as believers, that you will never portray yourself, if you really have self-esteem. And you must know that self-esteem comes on different levels, because as a Christian,

your self-esteem must be higher than that of the people out there, for they are not ruled by the wisdom that is from above; because the wisdom that is from above is righteous; it is divine wisdom. That is why, as a sister, you cannot afford for another man to see your cleavage, (that is, the beginning of your breasts), let alone your actual breasts; that is because you have self-esteem as a Christian. When I can see your cleavage, I know it is because you do not have any self-esteem or Christian dignity, and moreover, you have a dirty spirit upon you. That is why you can appear like a piece of meat in an abattoir, for you are bait in the hands of Lucifer, leaving the men to imagine the rest! Yes, I see another candidate in Satan's hand, as a tool to create lust within the body of saints. Yes! I say that to stir your hearts, for we are our brothers' keeper. I cannot finish my message tonight, and I am not hurrying either, because it is a very important message. Brothers and sisters, come back with me to the guy with the tattoos all over his face and neck. (Brother Amos points to the chart). Church, the world

has now entered into the age of tattooing, for the tattoo kingdom has come. And the art of tattooing is only getting stronger and more serious, for now they have tattoos that glow, and people can also have tattoo implants, to give them a 3D image embossed on their skin, for it is lifted up on their skin. There is also another method called tattoo sculpting, where you cut your skin away, to make the various shapes in the skin, all engineered by the devil to redesign the good skin that God has made! And when the time comes for the 666 Mark of the Beast, humanity would have already been used to implants on various levels! Let me tell you tonight, saints, the tattoo industry is a Multi-Billion Dollar Industry. You did not hear what I just said. The world's tattoo industry, is now a Multi-Billion Dollar Industry! Who would ever have imagined that? It is that big, particularly in the West, for the Japhetic race (the white race), are the ones tattooing on an unprecedented scale. They are the ones that took what the poor natives in the jungles of Africa and the Amazon had back then, in the days of raw idolatry, which is devil worship, and

turned it into a Multi-Billion Dollar enterprise, influencing the whole world to now embrace tattoos! They took the vomit of the Hamitic race back then, back then in the days of heathenism, and are bombarding the world with it, until the whole world are now given to tattooing. Yes! Tattooing has become so big in Europe, that they are now trying to make laws to prevent places of employment from discriminating against people that have tattoos, because it is now commonplace. So the law has to change to accommodate them, because after all, it is an age of rights, and the people's rights must be guarded, regardless of the degeneration it brings to the human society, and to humanity in general. Therefore, they are now making laws to force people who still have morals at their places of employment, hiring places, not to reject or dismiss people with tattoos, for it is now common place; the people have now been given over to tattooing, whether white, black, yellow, and brown, rich and poor, educated and illiterate. So they tattoo their head, their face, their

neck, their arms and feet, their chest and belly, their backs, and their torso, and they even tattoo their tongue as well! Some ladies so-called even tattoo their breasts. Now who is supposed to see that? Everybody is supposed to see it, for that is why they put it on open display, for they have no morals or shame! Brothers and sisters, it is a sick, disgusting, and insane world! This world is sick through and through! You have to see the overpowering influence of fallen spirits, demons, who are operating in the daily lives and affairs of men, for the devil has embedded himself completely in the human society as never before! Something very serious is going on, for something is happening to man! Something has taken over humanity, making them degenerates! But how did the human society get to this point? How did they become like this, so perverse and so decadent, so base? The genesis is here, right here. (Brother Amos points to the chart). When God restored the original faith, the true faith, which is the truth of the Gospel of Jesus Christ of the Bible, and the Branham Movement rejected the

light, and took the words of a man above the Word of God, brothers and sisters, the great falling away started, for the organized religious world also crumbled completely. Nothing else could hold outside of that, and nothing else could hold after that, and it was just a matter of time before we saw the fruits of the apostasy, the horrible fruits of the great falling away.

Now look at how the world is today. Just look at what it has now become! Some people tattoo with rings on their noses like the snout of a pig! David Beckham the football star, Dwayne Johnson (alias The Rock), and all these so-called celebrities are sporting tattoos, and they are seriously motivating their fans and the world to tattoo, for they think it makes them look cool, macho, and trendy, when in fact it brings humanity back to the woods in the days of raw heathenism! It is written in the Book of Leviticus Chapter 19, verse 28: "***Ye shall not make any cuttings in your flesh for the dead, NOR PRINT ANY MARKS UPON YOU: I am the Lord***". We are expected to live in the fear of our Creator, for He loves

us, and He has given us His Word to keep us from the snares and pitfalls of the enemy of our souls, who is the devil! Christianity took this pagan lifestyle from us Gentiles, but now, paganism has returned big time! Hence today, they do all sorts to their bodies, forgetting that the human body is supposed to be sacred, and as such, marks should not be drawn on it, for it is meant to be the temple of God. Sometimes they draw fallen angels on their chests and necks, and they show it, for they are proud to be associated with fallen angels, which shows in itself that there is just something deep down in them that identifies with Lucifer. Absolutely! They draw snakes, strange birds and animals, and all sorts of things on their bodies. Let me warn the saints tonight, you cannot tattoo yourselves, not even to make a red dot, or a black dot, or even a white dot! It is written: Thou shall not mark your body! Thou shall not put a mark upon your body like the heathen, for the Lord God hates it, and you will not do that as a saint of God, as your body is the temple of the Holy Spirit of God. And let me go one step further: If you do have a tattoo, you had better go

and remove it. *"But, Brother Amos, it is painful!"* It was painful when you got it! You were not smiling when they were doing it, were you? No! You were actually wimping, but you endured the torture! Yes! Brothers and sisters, the world we now live in has been given over to the spirit of tattooing. My wife and I were waiting to board an International plane at the airport in India one day, and here came this white guy. He painted both his arms completely black; he tattooed his entire arms black, and everyone could not help but look at him, for he was quite a sight! And to think that the Gospel came to the jungles of Africa, Asia, the Amazon, including Central America, where the Mayans lived, areas of the world that was in gross spiritual darkness, and it delivered us from this pagan and evil lifestyle of body piercings, tribal cuttings, and tattooing. People born in Africa usually had tribal marks, and many still do as we speak, although the practice is fading, and parents also had tattoos done, not only on themselves, but also on their children. But the Gospel came to deliver us from all that, until at this end

time, when today, that spirit has suddenly been revived, and the white race picked it up as the leaders of the world, and the whole world is now returning to that heathenish lifestyle, for everybody is following the Japhetic race in this degeneration, as the whole world is now tattooing. Professionals are tattooing; educationists are tattooing; politicians are tattooing; sportsmen and entertainers are tattooing; students are tattooing; everybody is now tattooing, old and young, male and female, white, black, brown, and yellow, you name it! It is a new world fashion, and as the saying goes, more is better. As such, the craze and crave for tattoos is catching fire around the globe, and there is no nation on this planet that has been left out of this burning inferno. Let me just hurry along for a few more minutes, and we will close to continue on Thursday. I was telling the church in Owerri; I said, look at this world. In the beginning, man was naked, but it was in innocence, until man disobeyed God. Then he made a fig leaf for himself, because he realized or recognized that he was naked. However, God took away the fig leaf that man

had made for himself, and God Himself clothed man properly, giving both of them "**coats of skins**". And since that time, clothing has been on. But today, Satan has told his children: "*You need to go back to the beginning, for that is how it should be. You need to be as free as nature*". And here came the naturists and the nudist colonies. If you have never come across them, it is hard to imagine what I am talking about. The nudists do not wear any clothing. They go around totally naked, with no clothes on, whether they are in the field, in front of their houses, in their backyards, on bicycles, or in their homes; whether they are in the front of their grandchildren, or their daughters, or sons-in-law, brothers and sisters, they are stark naked, exactly as when they were born into this world. It does not matter whether they are young or old, or whether they are parents or grandparents, male or female, all they do is to go naked! It is all because Satan tells them, "*You need to go back to the beginning, to Mother Nature*". But that was at the beginning, when there was purity of heart and mind, a time when

there was no lust whatsoever, either by thoughts, words, or deeds, for man was in absolute innocence, for evil had not yet come into the picture! That cannot be reversed, for what has been done cannot be undone! And even if man had not fallen, the time would have come that God would have clothed man. But as I usually point out, the Lord did not start with clothing, but with nudity, in order to put man in a place of testing, and that his nudity may also be a sign that gives us the clue to what really went on in the garden! You are not hearing me tonight. In the beginning, God did not clothe them before the fall, that the nudity which they had in their innocence may form a clue to help us decode the original sin, the precise sin that took place in the garden, because that is the key, for by it we were to recognize something! Brothers and sisters, God is perfect in everything He does or allows. In that day, if Adam and Eve had only come together according to God's perfect will, that is, have sex strictly for the sake of procreation, and not just for pleasure, in order to serve God's divine purpose in the light of truth,

the union would have produced a baby just like Jesus, for they would have first had a son, followed by a daughter, giving birth in equal (balanced) proportion, for to every male, there is a female. That son would have been just like baby Jesus, because he would have been born without sin, and with an eternal life attribute in him right at birth. That is the truth, for that was what it meant in that day to eat of the tree of life! Therefore, however long things progressed, time would have evolved to a point where God would have clothed Adam's family, for human dignity, for it is not man that will teach the Almighty God what is right to do. God knows precisely what is right and needful, for He is the fountain of all wisdom, knowledge and understanding! But look at it today. The Japhetic world in particular have formed so many nudist colonies all over this globe, and it is incredible that that is being done in this day and hour, especially with all the advancements in science and technology, and despite their modern way of living! Hence, there are nudist colonies, from Europe to the United States of America, and they also

have their yearly carnival, their yearly convention, and from around the nations of this world, nudists go over to attend these nudist conventions. Brothers and sisters, it can be on a big Island, but as they are checking in, they are removing everything, and everywhere, all you see are nude people as far as you can see, men and women, young and old, male and female, grandpas and grandmas, daughters and mothers, everybody stark naked! You will see them running up and down the beach, playing football, or volleyball, or table tennis, or swimming, or even gardening, as well as when they are in the house, or in the kitchen, cooking meals, all stark naked! Clothing is totally off for all things and at all times, for that is what the Nudist colony is about: Absolute nudity, total nudity! Nudist colonies! In the evening, they even go to the party, all stark naked, to dance, for they have a Musician-DJ providing the music! And, oh my, even he himself is nude, and a nudist. Church, in Europe, particularly in the United Kingdom, realizing that there is a little shortfall of nudists, they have now started recruiting young people, sending

them into universities to preach the gospel of nudity. I watched one such documentary in London. This guy who was being groomed to take over from the leader of the nudist colony in England, went with a lady who was also a nudist convert, to the tube station (underground railway station). On arrival in front of the station, they brought out their handbills, and the young lady simply removed her top and bra, leaving her breasts hanging out in the open, and she started distributing the handbills, inviting people to a nudist party. It was an incredible sight! Of course, as is to be expected, people were coming to her to collect the handbill, because men were seeing her breasts. A policeman had to come and tell her to put her clothes back on! Eventually she did, after an initial refusal, recounting that the policeman did not also ask her nudist colleague to put on his top as well. But they had no problem with the guy, because he is a man, not even realizing that women are also tempted by the naked flesh of men! It is as if the men's toplessness does not entice women. Brothers and sisters, this is the world we now live in, for

devils have taken over humanity, and warped their way of thinking! You do not even know what is going on out there, not to the full extent of what is going on out there, because God shields His people. However, the things that are going on out there are beyond comprehension.

Saints, in some countries, if you are not careful, particularly in the United States of America for instance, if you do not know what "*Hooters*" is, and all you see is a restaurant, and you walk into one, you will be walking into a den of iniquity. Because in Hooters, the waiters are attractive young ladies, called "*Hooter Girls*", who serve the customers, (usually men), all purposefully dressed seductively, as the standard and the brand for that particular chain of restaurant, with the hottest of hot pants, and very skimpy tops, revealing all their naked flesh for men to gawk at, for it is designed to tempt men, and to keep them coming. That is the attraction at Hooters, which is a Billion Dollar restaurant chain, having over 460 locations in about 44 States of the United States of America, as well as in 24

other countries around the world, including the United Kingdom! Please do not think that I have been to one, for I have never been there. However, I have heard a lot of stuff, and have also researched a lot of stuff, so I know exactly what the devil has out there, in order to warn the children of God, and by so doing, keep the body of saints on the straight and narrow way. Just like the Lingerie restaurant in Portugal, where customers are entertained with striptease artists, lap dancers, table dancers, just as they have it in many other restaurants in the West, where pole dancing is very common. Moreover, you can also walk into a restaurant, and you are then walking into a den of plain nudists, or into a restaurant for homosexuals and that class of people, called the LGBT community, for these types of restaurants now abound in the West. It simply means that you just have to know what kind of restaurant it is that you are going into, or you can step into a den of iniquity, and you know that you will have to run out! As I stated earlier, and as we all know, that is how these ladies make their money, for it is what they do for a living. They strip themselves for

money, and what a sad story, when ladies are no more ladies, for they have lost all sense of dignity and self-esteem, all sense of respectability which real ladies have. However, the truth is that you do not even need to have nudist colonies to see nude people, for today, all the beaches are crowded with naked flesh, from all over this globe. All you need to do is just go to a beach, and you will see them, all naked flesh, and in all colours, sizes, and shapes, as you do not need to go to Hooters or Lingerie to see one, for they are worse on the open beach! And the beach is precisely what Japheth is looking for all over creation, environmentally clean beaches! They do not care where it is; but as long as there is a beach somewhere on this planet, they will go there to let off steam, and throw off everything, for the world has gone totally insane! Brothers and sisters, nudity is everywhere, for they lie naked on beaches, although as I also stated much earlier, they will not admit or classify themselves as naked, just because of a stupid useless piece of cloth around a little portion of their breasts, which covers nothing, and a

flimsy stupid string pantie called a thong, that only covers a tiny front, which is the genitals of a woman, leaving her entire buttocks out in the open! It is an insane world! In 1963, in his message titled, *The Indictment*, paragraph 343, the prophet to this age declared: "... ***Remember, A PERSON THAT TAKES OFF THEIR CLOTHES ARE CRAZY. See? How about a woman? Legion***" (the Gadarenes demonic) "***was crazy; he stripped his clothes off of him. God took His power and made him put his clothes on. He was clothed, in his right mind, setting down at the feet of Jesus. [Mark 5:1-19], [Luke 8:22-39]***". That is absolutely right! What a world of insanity, a world filled with fallen angels! You all know though, that with YouTube, you do not need to go anywhere to see naked flesh, however raw and filthy the fleshly presentation may be, because everything the devil has is now on the Internet, and it is right on your android phones, on your tablets, and your computer systems! Pornography is now a serious problem globally, even for the authorities of the Advanced Nations of the world, as they are

battling to see how it can be curtailed, particularly on account of the evil influence it is having on teenagers and young people in general, who go to bed late in the night watching pornography. You know that they have lost the battle, as the problem of pornography can only increase, not decrease, for they have renounced God. So, just tell me: How can they win the battle, when they have turned their backs on God and followed the path of atheism, in a world where there is global accessibility to the Internet on all devices of communication? Loads of magazines and countless films carry this dirty and most debasing act, for that is one genre that people have given themselves over to. Saints, this dirty and filthy spirit has set the world on fire, and it has also enslaved a great population of Christians so-called, and only God knows how many preachers have been taken over by this demon! I say that only because many preachers are given to watching pornography in secret, because the spirit of lust has taken over their lives, even as married men! That is precisely why you need the revelation of the Word of Jesus Christ, and the in-

filling of the Holy Spirit, in order to live an overcoming life in this most horrible and oppressive age, for Satan is everywhere, waging a relentless and ferocious war against the souls of men! Shall we come to incest? Church, if there is any time in human history when incest is rife (common), it is in this day, this very age, whether it is committed by a father against his daughter, or against his grand-daughter, or it is committed against his step-daughter. The alarming truth is that incest is going on around the globe big time, particularly in the Indian-Pakistan axis, as well as in the South American-West Indian axis, and in the Middle East. There is no way I can project everything on a chart, for it is just not possible. Moreover, how do you project incest on a chart? Yet, incest has increased around the globe, for it is also a global problem. There was a case recently where one 80 year old man defiled his 10 year old grand-daughter. There was also another case where a European father defiled every daughter that his wife gave birth to, for incest is now an epidemic that is breaking out around the world as we speak.

Brothers and sisters, when you do not experience something similar in the family, you have no clue to the evil that is raging out there. That is also why child molestation or pedophilia is on a high rise, and its scale surpasses that of incest, for it is a serious plague. People molest children of all ages all over the world today, particularly children who are not related to them, and it has reached a mind blowing proportion, particularly with child pornography which is also on the rise, and being projected through the Internet or YouTube. These degenerates; men who are chronically sick; demon possessed entities, are using little children, and even babies as small as a few months old, for pornography! Lord have mercy! Child molestation and child prostitution constitutes a big crime around the globe, and now we also have an advancement in this evil, for now, it is child-on-child rape, child-on-child molestation. Can you imagine little boys also molesting little girls and gang raping them? My! What a world! But what do we expect when child abuse is going on around the world on a big scale?

You are just shielded by the faith you are standing for, and I say that because even in Africa, child molestation and child trafficking is going on, on a big scale, for it is happening everywhere! And can you imagine that that miserable eighty year old man, would dare touch that little eight year old girl, and defile her, all because he thinks that there is purity he can get from her? What purity? It is simply satanic! We already know that the world is battling with prostitution, for it is a global problem today, one which is irreversible, inspite of the prevalence of AIDS, and other chronic and deadly venereal diseases, only because people do not care for their lives, as long as they can make some money! Hence they turn themselves into a piece of bread, having no self-value or self-dignity, making themselves lower than an ornery dog! What about ladies who are forced into the sex trade, forced sex slaves, ladies deceived with an offer of a job, only to end up in a small room, tortured and forced to have sex with dozens of men of all sorts, every single day, and who are bound in that room for years on end, for there is just no way of escape! There is a city in Mexico where ladies are abducted

every blessed day, and they disappear into the brothels that these pimps control, aided by a so-called church, never to be seen for years! It is blood congealing! Only God knows the unimaginable physical, emotional, and psychological torture that these sex slaves have to endure! But what about the crime of rape, particularly gang rape, a most wicked and dastardly act that can ruin a lady's life irreparably? Why would anyone rape a fellow human being, except a raw animal? When a group of men, whether young or old, join together to violently rape a woman, a lady, and particularly a girl, you know that there is hardly any way things can ever be the same with that victim, for it is too harrowing and too devastating a thing to do to another person: It is like slow death! That should let you see that these are not the actions of mere human beings; these are the actions of demons, as they are responsible for such evil and most wicked acts! They are the ones responsible for turning men and women into beasts, as they take over their mental state and warp it entirely, burning out all emotions of love and natural kindness from their hearts! Therefore, they become

demon possessed, evil, most wicked and vile creatures, **hordes of hell**, men who are nothing but **sons of darkness**; sons of anarchy! That is precisely why these rapists do not repent or relent, no matter the appeal, and no matter the government retribution! And although it is happening around the world, yet, the rape epidemic in India, as well as in South Africa, and now in Norway and Sweden, is reaching a most worrying proportion, although I must add that it is worse in the Islamic countries of the world, where abused girls and women cannot even talk about it, for fear of being stoned to death, for women are treated like objects! This world is a hell hole! My, oh my! What a horrible world; one that is totally rotten and incurably sick! Satan has definitely taken over humanity, and the hour in which he is to reign is very close at hand, for now we have the prelude to it! **PERILOUS TIMES ARE HERE INDEED!!!**

Sometime last year, I was reading an article where they were showing that certain nations of the world have now signed a law recognizing a third gender. As such, it is no longer a

matter of just male or female: There is now in this day, in this perilous times, in certain nations of the world, including India, a legally recognized third gender, which in essence is no gender, for it is neither male nor female. It is an indeterminable sex. Then I have to ask: What are they? Brothers and sisters, you have to see what the devil is doing right before your eyes, in this very hour of time, for I must warn whoever has ears to hear:

Perilous Times Are Here!!! Satan has taken over the world, and the present day governments are absolutely demon possessed, for they are insane, especially when you consider the laws and the things that they are perpetrating! Since the foundation of the world, there has been only two sexes, male and female. But now, Satan has begun to touch the humanity that is being produced, obviously playing with human genes, just as his children are also doing, and now, we have a class of people who are born without a specific sex, either because they have both genitalia in their bodies, or that they have one genital, whilst the other parts of their body gives them a different produce. For instance, a man who is

born with a penis, later grows to realise that he also has female hormones, which is causing him to have breasts like a woman etc. You have to see the operation of demons, for Satan is now in total control of the world, for everything evil and profane, everything horrible and demonic is now coming into maturity, for all the spirits are here! Do not forget that we are not yet dealing with transgender people, for they are people who reverse their gender. We are first dealing with a third gender, people who are neither male nor female, for they are intersex (like hermaphrodites). So, what exactly are they? They are indeterminate, a gender now called "X" gender, and that is precisely how they will put it on their International Passports, for they are now officially recognized in "**SATAN'S EDEN**"! The present world certainly has no future, but total annihilation (total destruction), for there is nothing of God out there anymore. And with what these leaders are doing, you know that there is no future for the human society! These are perilous times, which is why the governments of the world are legislating absolute evil, as a standard for the people

to live by, for the world is completely bankrupt! Now the devil has created a third gender. Wow! Ask them: "Are you male or female?" Their reply will be "*No, I am not male, and I am not female. I am no particular gender. And as such, I am X gender*". Brother Enoch sent something to me, and it is something that has been going on for some years, and it is now catching fire, because their number is growing. Do you know that around the world, there is a group of people that are called objectophiles, or objectum-sexuals. They are people who do not fall in love with human beings; they do not fall in love even with animals, as bad as that is, for it is bestiality; but however, they fall in love with objects, inanimate (lifeless) objects, objects that have no life, like a structure. It could be an iron structure, it could be a bridge, or it could be a statue somewhere, or a building, or even a concrete wall, an object that they have developed a sexual fetish for. Now, who will argue with me when I say that this is pure unadulterated demonology? That is precisely why the human society is also now seriously drifting away into asexuality (people who do

not have a real sex), and we have a lot of these strange groups of individuals in the advanced cities of the world, whose common love for objects has bound them together in the society of objectophiles! What a pathological (abnormal) feeling, even though warped minds will see it differently, for the world is totally deranged! We have dozens of people that have been taken over by this spirit around this world, particularly in the Western world, in the U.S.A, as well as in Europe. We have the case of one particular woman who just got married to the Eiffel Tower in Paris, France, a great iron structure, after having disengaged herself from her former marriage to a bridge. Her first marriage was to a bridge, and now she just got married to the Eiffel Tower, in front of cameras, and with one person to bless the marriage. She lifted up her trench coat, and straddled herself around the iron, as she was married to it. This world is sick! Come on! Brothers and sisters, listen to me. It is not just the fact that she loves the Eiffel Tower, a huge iron structure, it is the erotic sensation it gives to her that shows just how sick and perverted she is! It is

perversion enough for men to burn for other men, and for women to burn for other women, for homosexuality is an abominable act before God. It is also utter perversion to go with a beast, an animal, for sexual pleasure, and we are still coming to that. But to fall in love with a lifeless object, is the height of mental and erotic sickness! That a man or a lady would see the stick in my hand, and all of a sudden, he or she is falling in love with my stick, and he or she is dreaming about the stick, is the height of spiritual malady! A person like that is simply sick upstairs, for something has switched in his brain, as well as in his emotional make-up, and the culprit is none other than Lucifer, the enemy of the souls of men! The Yoruba people of Nigeria have a proverb that says, "A horrible thing that evokes a smile". Honestly, it is horrible, and it is incredible. And the people we are talking about are not little children: They are adults, mature adults! So what is going on? Satan is engineering something in the earth that should trouble the spiritually minded people of God. These facts are on the Internet, and you can Google them. A 35 year old man, Bill Rifka, shares his erotic desires with an

iBook, and this gives us things like laptops, etc. A 41 year old, Doro B, fell in love with a metal processing machine at work, which she can only kiss, and which she also caresses at work. But in order to do more, she sometimes takes a component or even a model of the machine at home, to satisfy her emotional feelings. Sandy K fell in love with the Twin Towers that was brought down on September 11, 2001, and she had the towers modelled for her in anodized aluminum, so that it does not rust, just like the original, and she bathes and cuddles them in her quest for erotic satisfaction. Sandy's attraction to things are so overpowering, that she confessed: "**When it comes to love, I am only attracted to objects. I couldn't imagine a love affair with a human being**". Joachim A. was emotionally tied to a Hammond organ for many years, and then later to a steam locomotive. In his words on the Internet, he said this: "**We are by no means just straightforward fetishists**", Joachim A. insists, and he immediately explains the difference: "**For some people, their car becomes a fetish**

which they use to put themselves in the limelight. For the objectum-sexual, on the other hand, the car itself and nothing else is the desired sexual partner, and all sexual fantasies and emotions are focused on it".

Now ask me this: What makes people do these things? It is the operation of demons! You have to see a society that is already demon possessed, for these fallen spirits have taken over human minds and emotions, making them burn for things that are mere objects, non-living things, which is absolute perversion, and the height of insanity! How will it be in the middle of the 70th Week, when all of hell is opened up? What will it be like? Because under the seven trumpets, hell is going to be opened up. How will this world be in that day,

if today, extremely strange and mind boggling things are already happening? Then I will have to make this prognosis (prediction), that many more unthinkable evils are still to come. That is why objectophiles are sexually and solely attracted to lifeless objects, and so, they marry them. And everyday they touch and cuddle them, a demonic wave of erotic sensation takes over their bodies. Brothers and sisters, I have to close here tonight, and we will continue on Thursday, by the grace of God. But please take note, that the strangest and most inhuman things are happening on the earth, because **Perilous**

Times Are Here!!!
Shall we bow our heads in prayer. (Brother Amos prayed).

O Lord our God, I pray tonight that something was

said that will stir the hearts of thy children, to make us realize that time is no longer in our hands, for time is running out for men, and something evil is going on. May you create a stirring in our hearts to live for you, and to walk with you. Bless every brother and every sister. Help your people, Father, to keep ourselves unspotted from this wicked, very evil world. There is a wisdom that rules your children. Let thy wisdom saturate our souls, let it rule our lives, let it rule our homes, that we may comport ourselves as is worthy of the Gospel of our Saviour Jesus Christ. I thank you, and I bless you. In Jesus' name we pray. Amen.

The Lord bless you.
