PERILOUS TIMES ARE HERE!!! -PART 3

The following message was preached by Brother Amos, on Thursday, 1st May, 2014, at Bible Faith Tabernacle, Lagos, Nigeria. This third instalment of a four part message, is a warning and a wake up call to all of God's children, who have an ear to hear. Let us be in constant prayer to stand in the light, as the world plunges in gross darkness.

Let us open our Bibles to 2 Timothy Chapter 3, as we continue our message this evening. We will take it from verse 1: ***"This know also, that in the last days perilous times shall come"***. Brothers and sisters, for the past two services, we have been looking at this subject, **PERILOUS TIMES ARE HERE!!!** We pray that the

good Lord will help us to do justice to this message, for it is a serious and crucial one.

We can all see without any shadow of doubt, that we are living in the perilous times that the Scriptures have warned us about, for dangerous and extremely evil times are here. Last service, which was on Tuesday, we stopped at a point in our consideration of the second danger sign that perilous times give to us, which is nothing but the complete breakdown of societal values, moral values, good virtues, human godly traits, all of which is totally opposed to God. What we see today is a total degeneration of humanity, and as such, righteousness is completely removed from the world, for it has been decimated

by the operation of the devil, both in the religious realm, as well as in the political realm, for the leaders of the world have lost their way, even on morality. We were looking at the evident fruits of this breakdown, and we stopped with the consideration of people that are given to strange, unusual, inhuman, and very demonic sexual appetites. In this regard, we considered something called "*objectophilia*", or "*objectum-sexuals*". This gives us people who are erotically aroused by mere objects, lifeless objects. Some of them even go as far as marrying such objects. It reminds me of a similar thing that is going on in Japan on a huge scale today, where a lot of men are marrying virtual women, computer generated images, which are cartoon figures, only because they do not want to carry the responsibility which a natural (human) wife will thrust upon them, for they would then have to take on the responsibility of family life. Yet, these same selfish solitary characters were given birth to, not by virtual women, but by live parents, who labored tirelessly and painfully over them, to give them a good

start in life, a responsibility which they, in turn, do not want to bear, for they are very selfish and irresponsible creatures. It is the spirit of selfishness and irresponsibility that rules their lives. Hence, they choose to live solitary lives with virtual wives, an incredible and demonic development in the modern world. May I inform you that a great percentage of young Japanese men have become sexless in desire, which means that they have no sexual desire whatsoever, and as such, they are not dating nor marrying women, as they have completely lost their appetite for women, as well as for the intimate relationship which marriage offers. Hence, the Japanese men, the Otaku, love "*Manga*" and "*Nene*", which are female Nintendo computer generated characters. Some years back, a young man got married to Nene, in the presence of about 40 well-wishers, and with thousands also watching the marriage online. The latest craze in Japan, however, one which is burning with a raging inferno from hell, is the unnatural desire and love for dolls. I call them Japanese Dolls, one of

which we have on our chart. Church, as it stands today, the Japanese have created super realistic sex dolls, and its new silicone-based skin looks and feels exactly like a human being. These dolls, which are called "*Dutch wives*", weighing about 63 pounds, have an internal bone structure that can be contorted (posed) in any variety of positions that men desire. The men can also choose the doll's bust size, her stature, her look, her hair and skin colour, and to top it all, they also have lifelike female genitals! It costs anything from \$1,000 to \$5,000, and once purchased, it is simply delivered to their door, with the type of clothing that they have chosen, and it is selling like hot cakes. Male dolls are also available and on sale for women desiring the same, and they are built in the same way, and to the same specification as the female doll, all to satisfy an inhuman and demonic appetite. It is incredible and totally satanic! Satan is certainly at work, big time, and he is seriously working on this age, as he knows that this is where it all ends for him, for his time is running out. Something is going on, saints; something inherently (by nature) demonic, is going on, for

something has totally taken over humanity, all sectors of humanity! You had better open your eyes, and wake up, and stop living in a fool's paradise, for something has come upon the world, an extremely evil thing. You have to see that now we are in perilous times, for here the devil has taken the forbidden fruit on an unprecedented scale; he has taken it to a whole new level entirely, one that is unsurpassed all through time, for his seeds have come into maturity. I will show you something this relates to, as it also bears on the provisions of the Bible, with regards to divine judgment. But first, let me finish this issue of demonic unnatural erotic desires. And all these things are telling us that it is time for us to go, for we are at the end, and as such, we must get ourselves ready for the soon return of Jesus Christ our coming Bridegroom, for the stage is now being set. We have to get ourselves ready, for we have "a rapture to catch." This world is certainly not our home, for as it is written, we are **"strangers and pilgrims on the earth"**.

Look at a recent case of a woman who divorced her husband and married a

dog. Can you believe that? Amanda Rodgers, a 47 year old British woman, divorced her husband to marry her dog, in an incredible ceremony attended by 200 guests in Croatia, just about two months ago, which was in March 2014. My! This world is sick! And no doubt, she will be having her sexual desires satisfied by the dog, an animal, as that is why she married it in the first place, because she has a most warped demonic appetite. This is insane! This is what is called bestiality, for bestiality is having sexual relationships with animals. Saints, I want you to know that a lot of bestiality is going on in the world today, for that evil spirit is here in full force, and as such, we can only expect an outbreak of its influence. That is the truth! Bestiality is now back in the world, even in Africa as well, for it is a global pandemic, particularly in the Western world, where a lot of women are now given to loving desires for dogs, which they sleep with and pamper, just as a natural husband. Bestiality cases abound around the globe, especially on the Internet, as it is all over the news, where, for instance, many young men are having sex with pregnant cows, and young girls are having sex with dogs. In the Book of

Leviticus Chapter 18, the Lord sternly warned the children of Israel on their way to the Promised Land, saying from verse 22: **"Thou shalt not lie with mankind, as with womankind"**, (referring to homosexuality): **"IT IS ABOMINATION."** (Now listen to verse 23): **"Neither shalt thou lie with any beast to defile thyself therewith: neither shall any woman stand before a beast to lie down thereto,** (referring to bestiality): **"IT IS CONFUSION"**. (For why would a human being, one who is made in God's own image, go to an animal for sexual gratification, if he or she is not grossly sick in the mind? That is utterly disgusting and sickening! It is demonic! Hence God warned): **"Defile not ye yourselves in any of these things: for in all these the nations are defiled which I cast out before you: AND THE LAND IS DEFILED"**, (evidencing that such unnatural and evil acts are not only abominable, but they also defile the land; they defile that nation or society, making it an abominable land, nation, or society, one begging for divine judgment): **"THEREFORE I DO VISIT THE INIQUITY THEREOF UPON IT, and the land itself vomiteth**

out her inhabitants. Ye shall therefore keep my statutes and my judgments, and shall not commit any of these abominations; neither any of your own nation, nor any stranger that sojourneth among you: (For all these abominations have the men of the land done, which were before you, and the land is defiled;) That the land spue not you out also, when ye defile it, as it spued out the nations that were before you. For whosoever shall commit any of these abominations, even the souls that commit them shall be cut off from among their people. Therefore shall ye keep mine ordinance, that ye commit not any one of these abominable customs, which were committed before you, and that ye defile not yourselves therein: I am the Lord your God". Again in the Book of Leviticus, it is also written in Chapter 20, verses 15-16: **"And if a man lie with a beast, he shall surely be put to death: and ye shall slay the beast. And if a woman approach unto any beast, and lie down thereto, thou shalt kill the woman, and the beast: they shall surely be put to death; their blood shall be upon**

them." Exodus Chapter 22, verse 19, also says the same thing, for it pronounces the same judgment, and it is for societal sanity, for anything else is total confusion! Brothers and sisters, in Arizona alone, just as in Texas and Florida, there are many cases of bestiality with various animals, ranging from dogs, to horses, to goats, to sheep, as well as pigs. Around 2013, Christopher Lynn Jackson, a 47 year old man, was arrested in his house by the Maricopa County Sheriff's Office, for bestiality. The detectives recovered videos that clearly showed (proved) that Jackson and two women were **"performing various sex acts with a male German Shepherd"**. The detectives also arrested Josephine Erikson, a 61 year old woman, who was one of the women seen in the dog-sex video, orally copulating and engaging in intercourse with the dog, Jackson's dog. The sum of a \$30,000 Bond was set in this bestiality case, which I am laying out, to prove to you that these bestiality cases are real cases, and not imaginary things. I want to drive home the terrible reality of the times we are facing, for bestiality is as real and as active in this hour as homosexuality.

However, because it is illegal in a number of countries like Germany for instance, it looks as if the lifestyle of bestiality is isolated or limited, or almost none existent. Yet in the same Germany, just as it obtains in Denmark where bestiality is absolutely legal, they have **"Bestiality Brothels"**, apart from the fact that the bestiality people also have big active websites, which cater to this large group of people around the globe, for pornographic movies involving bestiality abound online, big time! In Denmark, there are legal animal brothels, where their owners actually openly advertise that they offer sex with animals, and even state the fees that they charge. In South America, in the Northern coast of Columbia, for instance, they have a culture which promotes the practice of bestiality, particularly among pubescent boys (boys just attaining the age at which their sex glands have become active, although it is not yet mature), who usually have sex with donkeys, as "practice" to develop their sexual prowess, before the time for them to marry and have sex with their wives. All this is in a deeply Catholic region, as they rightly do not allow sex before marriage. The

Canaanites did just the same thing, for bestiality was their way of life, and God therefore had to use the Israelites to wipe them out. There has also been a number of cases of bestiality in South Africa, as sometime last year (2013), there was a case of a woman who was found guilty of having sex with two dogs in Pretoria. And three years earlier, an Mpumalanga man was shot to death after resisting police arrest, when they found him having sex with a pig. It goes on every day in Asia, for it is now a global lifestyle, even though it is yet to come fully out of the closet like the homosexuals and transgenders have, for people are minding the rights of animals. I will remind you of the case of a lady in India, who married a dog as part of her religious ritual, for there is nothing in the Hindu religion which forbids bestiality, just as Islamic countries are lenient on cases of bestiality, as long as the animal is not harmed. That is precisely why various diseases are breaking out in humanity, for they are crossing a line. Moreover, they are contracting serious diseases from these animals, like rabies, which is present in the saliva of cats, dogs, and horses, and things also go very wrong sometimes. There is the

famous case in the United States, called the **"Enumclaw Horse Sex Case"**, where in 2005, a 45 year old man, an aerospace engineer for Boeing, died after having received anal sex from an Arabian Stallion. The large penis of the horse perforated his colon, and he died hours later. The trial and the great publicity that the case generated, forced the State of Washington to outlaw sex with animals, early the following year. In Canada, a 30 year old man, Anthony Volgmann, who was a volunteer with the Canadian Society for the Prevention of Cruelty to Animals, pleaded guilty to charges of bestiality and corrupting morals, after he was found performing sexual acts with dogs under his care, during his time as a dog walker, between January and September, 2013. He even posted pictures of his perverse and disgusting sex acts on the Internet! In December 2011, the Canterbury Crown Court in England, handed down a 16 month jail sentence to a 45 year old woman, Tracy Woolridge, who had sex with a dog and with a child under 13 years, while her boyfriend, Gary Underhill, filmed the act. There is a case I read online, and I want to read it to you, for it happened in Kenya. It

states: **"A 35-year-old Kenyan man has been sentenced to 14 years in prison for raping a cow. Jackson Karuga is said to have allegedly engaged in the act with his neighbor's cow. Issuing the ruling in a court in the central part of Kenya, Principal Magistrate Wendy Micheni Kagendo said the evidence adduced by five witnesses, including a veterinary officer, was direct and concrete. The cow's owner, Ann Wanjiru, told the court that on the day she had gone to milk her cow at 5:00, when she saw a pair of trousers at the shed's entrance. She later saw Karuga busy in the act, though he did not see her. Wanjiru said she left the scene and went to alert neighbors who caught Karuga with his pants down. In mitigation, Karuga said his bachelorhood forced him to commit the offence. He added that he was living under stress since his father passed away last year, and that he could not afford to marry. Karuga further claimed that he was providing school fees for his siblings, and taking care of his ailing mother. However, the magistrate dismissed his mitigation, saying that the fact that**

he was not married did not mean he would have married the cow, and that it was not reason enough for him to resort to bestiality. She condemned the act, saying bestiality cases ARE RAMPANT” (COMMON) “in the region and a deterrent is needed. The magistrate further said the cases of bestiality are a sign of MORAL DECAY in the society, and the sentence would serve as deterrent to others with similar plans”. A few years ago, in Lagos, we also had the case of a lady whose name I cannot remember, who was filmed trying feverishly and desperately to have sex with a dog, and her acts were plastered all over a particular news magazine. May I say that many new (current) cases of bestiality, abounds all over the United States, where about 18 States are yet to outlaw bestiality, particularly as this website called, animalabusersspotlight.com, is bringing these evil developments to light, by posting these cases, together with the photographs of the offenders, online, to shame these characters for their abuse of animals. As a matter of fact, back in 2008, a couple was arrested in Oklahoma, in a massive bestiality case in the history

of such behavior, charged with crimes against nature! 54 year old Diane Sue Whalen, and 55 year old Donald Roy Seigfried, were accused of training dogs to have sex with Diane Whalen and other women, and she was busted by her own son, who found a whopping 150 video tapes of his mother performing sex acts with the dogs, including a mixed breed and Labrador, Lucky and Buddy, and a blue heeler named Merlin, owned by Siegfried. Siegfried was accused of filming the events. Like I said earlier, I have laid out these cases, to let you know of a certainty, that bestiality is going on around us all over this globe as we speak, for it is rife (common), and certainly not isolated! So we ask: What is responsible for this sordid (repulsive) demonic desire, and why is it on the rise? What is happening to our human society? It is simply because we are in perilous times, for this is where it all ends. That is why!

Brothers and sisters, let us now consider a very big sign of the end of time, which the Scriptures give to us in Luke Chapter 17, verses 28-30, concerning the **“Days of Lot”**. This dangerous perilous hour gives us the re-introduction

of the perverse spirit of Sodom and Gomorrah, which is homosexuality (gays and lesbians), along with all other kindred spirits like Bi-sexuals and Transgenders (LGBT community). The only difference is that now, it is on an unprecedented scale, and with an unprecedented dimension, for not only is it a global epidemic, but it is now absolutely legal, and must not be condemned or spoken against, for it constitutes a hate crime (homophobia), to speak against it, or to speak negatively about it. By legalizing homosexuality, and also criminalizing speaking against it, man has taken homosexuality to a level which no human society has ever done, despite all the evils that went on in humanity all through time, for it is in this age and in this age alone, and in this very day and hour, that the provisions of God's Holy Bible relating to homosexuality has been criminalized. It is written in the Book of Leviticus Chapter 18, verse 22: **“Thou shalt not lie with mankind, as with womankind: it is abomination”**. Again in Leviticus Chapter 20, the Bible also records in verse

13: **"If a man also lie with mankind, as he lieth with a woman, both of them have COMMITTED AN ABOMINATION: they shall surely be put to death; their blood shall be upon them"**. In the Book of Genesis, Elohim spoke to Abraham in Chapter 18, and revealed the reason for his intended destruction of Sodom and Gomorrah, as verse 20 records: **"And the Lord said, Because the cry of Sodom and Gomorrah IS GREAT, and because their sin is VERY G R I E V O U S "**. Consequently, in Genesis Chapter 19, verses 24-28, the Bible records: **"Then the Lord rained upon Sodom and upon Gomorrah brimstone and fire from the Lord out of heaven; And He overthrew those cities, and all the plain, and all the inhabitants of the cities, and that which grew upon the ground. But his wife looked back from behind him, and she became a pillar of salt. And Abraham gat up early in the morning to the place where he stood before the Lord: And he looked toward Sodom and Gomorrah, and toward all the land of the plain, and beheld, and lo,**

the smoke of the country went up as the smoke of a furnace". But now, we are back in the Days of Sodom and Gomorrah, and one which is exceedingly more iniquitous and much more grievous, than the one which the Lord judged way back then in Genesis, for we live in a world given over to this **"grievous" SIN**, for which God wiped out the Canaanites, as well as Sodom and Gomorrah. Today, young people, as well as adults, 50 years old, 60 years old, 70 years old, even 80 years old, both male and female, great and small, rich and poor, white, black, brown and yellow, are openly rejoicing in gross Iniquity, and are celebrating homosexuality, backed by the full force of the unrighteous laws of man. Now, they not only have civil marriages, they are also married in churches, blessed by one pastor or preacher from hell, followed by a lavish and well attended wedding reception, which is beamed around the world, live on Television, as the world rejoices with them on their marriage! What a slap in the face of God! What utter Iniquity! What a low down perverted and rotten society, a society which outclasses Sodom and

Gomorrah in Iniquity! This is nothing but absolute degeneration! Everything now must be LGBT Compliant, for everything the Western Government does, must be taken through the funnel of LGBT! The whole of the Western world have been overrun by this deluge from hell! They have certainly been able to do what no other age has done, for they have outclassed all other ages in Iniquity. I give them that! But how come Sodom and Gomorrah appear like saints, when compared with this present generation of degenerates? I will show you exactly why. Just bear with me for a while. However, let me say this to these moral perverts. You say proudly and openly: **"Gay marriage is our right"**, and truly it is your right. But I also want you to know that Almighty God, the Creator of this universe, is going to judge this world in a big way. For if He does not judge this most grievous Iniquity which you are proud of and relishing in, then, He is bound to raise up the people of Sodom and Gomorrah and apologise to them, for they were much better than you in this evil! And church, do not think that because the African Nations are

criminalizing homosexuality, that homosexuals are not here. Do not ever think that, for they are here. Gays and lesbians abound all over this world in every nation, and in every society of man, and they are certainly here in Nigeria! You have a lot of gays and lesbians in Africa, but the society is not allowing them to come out, because Africa in the main, is still a God fearing Continent, even though it is only on a nominal level, a religious level. But Africans believe in God, and they go to church, unlike the Europeans, who have imbibed a liberal anti-God atheistic attitude. Thank God that Africans still believe in God, and in the salvation of God which we have in Christ Jesus, for which reason they go to church! So in Africa, homosexuals are in the closet, but they abound in the closet nonetheless, and we must know that. Therefore, I have to say, thank God that in spite of the horrible governments we have in Africa, our leaders still have some sense to know that homosexuality is an abomination, and are not allowing it, even though the Western leaders are trying to force their hands. The Western governments,

led by Barack Obama and David Cameron, are the ones leading the gay marriage movement. Leaders of two of the greatest nations on earth, are the ones championing the cause of LGBT! My, oh my! Do you know what the Holy Scriptures say? ***“Righteousness exalteth a nation: but sin is a reproach to any people”***. (Prov. 14:34). It is also written: ***“WOE UNTO THEM THAT CALL EVIL GOOD, AND GOOD EVIL; that put darkness for light, and light for darkness; that put bitter for sweet, and sweet for bitter”!*** (Isaiah 5:20). I will remind this generation that Sodom and Gomorrah did not get away with the SIN of homosexuality, and neither did the Canaanites get away with it either, for they were also given to this Iniquity, as it was their way of life, but today, they are history! Now, these shameless perverts, these degenerates, have all the voice in the Western world, for they control and determine everything, and hence, in the West, you cannot say “boo” against homosexuals, or you will not only lose your job, they will also lock you up and fine you! Last month, on April 3rd, 2014, Brendan

Eich, the CEO of Mozilla Firefox, voluntarily stepped down, on account of the heat generated by his past donations to people that were against the gay movement in California, way back in 2008. In essence, it means that he has no right to support things of his own conviction. Yet they talk about equal rights, and freedom of expression. But where is his own freedom? In effect, the gays are simply telling the world: *“Freedom is to be gay, and to associate with gay causes.”* Hence, as it stands today, there is no freedom or any right for anyone who opposes or condemns homosexuality, and neither is there any right for the sensible man in a godly marriage (heterosexual marriage), to express his opinion for natural marriage, which is between a man and a woman. It is most appalling and unbelievable! The sane, moral, and righteous man, is now under severe intimidation and “terrorism” by homosexuals! Now the sane human society are being bombarded and oppressed by the insane hordes of hell called the LGBT community! That is why you can be punished for expressing your opinion

against gays and lesbians, for it is now against the law to say anything negative about homosexuals, as it has been criminalized. You certainly have no freedom, opinion, or right of speech, where LGBT is concerned! They simply want you to bow to this insane lifestyle! Brothers and sisters, when raw iniquity, gross abomination, becomes the lifestyle and the standard by which a people are ruled and judged, I do not need to tell you that that nation is finished! There is nothing left for it but divine judgment, one which they cannot get out of, but one of total extermination, a complete wiping out, which is why Jesus promised this generation, this Days of Lot, a holy fire on the Day of the Lord! Saints, it is mind boggling to see such a huge population of gays and lesbians in the world. You want to ask, where did they come from? It is unbelievable that such numbers of moral perverts exist all around us! It is as if, all of a sudden, hell was opened up, as gays, lesbians, bi-sexuals, and transgenders (transsexuals), are now everywhere, for they are breaking out on every side like the bubonic plague!

PERILOUS TIMES ARE

HERE!!! That is why they are drinking gross iniquity with bowls, and are proud of it, for they have no fear or reverence for God! Church, you must know with absolute scriptural certainty, that this is where it all ends, for there is no future for the present generation of people you see, for they are **d e g e n e r a t e s !** Consequently, as in the days of Sodom and Gomorrah, there is nothing left for it but judgment, and there is no getting out of it, regardless of their feelings, and irrespective of the fact that they do not believe in God and His Word! Right here is where it all ends, for iniquity has its end, a definite end! God will have to wipe the slate clean, for the very same thing He did to the Canaanites, and what He also did to Sodom and Gomorrah, He will do to this generation, for they are far worse, as they outclass all other generations in Iniquity, which is why fire is coming! That is why God reserved fire and brimstone for this generation! And now, old people as well as young people are gays; bishops are gays; pastors are gays; medical doctors are gays; engineers are gays; lawyers are gays; judges are gays; policemen

are gays; soldiers are gays; civil intelligence agents are gays; teachers are gays; professors are gays; students are gays; politicians are gays; entertainers are gays; sportsmen are gays. It is like the whole world is gay! What a world, and what an age! This is their world, Satan's world! On our chart, here we have one demon possessed minister marrying two lesbians, two moral perverts. (Brother Amos points to the chart). Beside them is another married lesbian couple dressed in white, with their heads touching each other. I do not know who is the male and who is the female between the two women, in this sinful relationship, although the one who is the male in such relationships usually cuts her hair on one side to look like a man, as we see here on the photo; I am referring to a lesbian relationship. Sometimes around the world, you see them carry placards saying: ***"I love her. We are never going away"***. In other words, ***"We gays and lesbians have come to stay."*** We know that, for this is your time, it is your day, which is why the Lord spoke way ahead of this your day! But I will say this to them though: Your stay here is

only for a short while, and you do not know just how short your time is, because the countdown is on, as *Perilous Times Are Here!!!* Saints, I have a reason for taking this message, because it is taking us somewhere. May God help me, because without Him, there is nothing anybody can do; for I am just a man. But I am taking this message somewhere, for these are perilous times, just as Apostle Paul said by the Holy Spirit that it would be. I am here to let you know without any shadow of doubt, that we are living right in it, for that hour is here with us; it is now upon us. These are the perilous times which Saint Paul spoke about, from way back then, and we are the ones facing the evil of it. Strange things are happening in this world!

So here you see all the gays. (Brother Amos points to the chart). They have their certificates to show for their celebrated open marriage. Look at the two gays in white suits kissing one another at their wedding. The couple beside them in dark suits are also kissing, holding out their certificates. This is not only disgusting, sickening,

and very nauseating, it is extremely abominable that this is happening in the open! You know these people are sick, for it is demon possession that makes people do these things, as it shows that they have reprobate minds. The world now celebrates and commends them, including church going folks, as utterly ridiculous and sickening as it is. The incredible thing is that a lot of Christian Churches and organizations also join gay marches and gay parades, because they think that it shows that they are liberal minded (open minded), and that they have love, for that is their understanding of love. But why wouldn't they, when there are a lot of preachers and priests who are gays, and a great host of Church goers who are also gays and lesbians? This just lets you see how conviction has totally left the religious world, for they have no conviction of anything, and hence, Satan has taken over their lives! Let us zero in on the three ladies wearing white wedding dresses at the bottom of the chart. Brothers and sisters, this is the world's first married lesbian threesome, for the three of them are lesbians,

and they all got married to each other. This is the world's first marriage of three lesbians joined together in marriage, and I expect many more to follow. Satan always has children whom he uses to open the way, and then the rest follow. That is why I said that this is an age where Satan has finally gotten his seeds, for they are now here in full bloom; but let me hold it there. So here are these married lesbian threesome: Doll, who is 30, Kitten, 27, and Brynn Young, 34, and they got married in August 2013. One of them, Kitten, is pregnant with child. The issue though is, how did she get pregnant when no woman is a carrier of seed, and she needs a man's seed? That lets you see that she got sperm from a donor somewhere, a donor they most probably do not know, for a lot of donors are anonymous, meaning that she may not know whose seed she is carrying! My! What a world of utter perversion! And church, today, men are privately selling their sperm for money as well, fathering countless children all over the globe, apart from the fact that there are also official sperm banks around

the world, for people like Kitten. Sperm selling is a modern day business that Satan has just opened up in this perilous times; it is a new business, selling sperm to sperm banks. Women go there and get sperm given by either a known or an anonymous donor, and then through IVF, it is planted into the womb of the buyer, or that of a surrogate mother. Kitten is expecting a daughter in July, and the three of them have decided that they each want a child, which means that they will have three children in total. One lawyer from hell drew the agreement for them, to be able to bind them all together, for it is all about money. Two of them were first joined together, before the third one was then joined to them in a tripartite marital agreement, the first of its kind in the world. These are evident fruits, solid footprints of the presence of Lucifer in humanity. Brothers and sisters, I show you the world's first lesbian threesome, and as I stated earlier, many more will definitely follow. And guess what? Now we are also having cases of divorce between married homosexuals, for two gay

couples went to court to fight for divorce the other day, an unprecedented spectacle of evil! All these evil developments are very scary; they are very scary indeed! When you consider the homosexual drive that has now taken over the world, the irony of everything is that none of these men can give birth to a baby, for they will need a woman's egg and a woman's body to carry the seed. There is no way they will ever have a child without a woman, and as such, they will end up adopting, and that is exactly what they are doing today, big time! But the question is, the children they are adopting, where do they come from? They do not come from homosexual couples: They come from a man having a relationship with a woman! And if their own parents were both men, they would never have been born to start with! May I also inform you that serious and grievous diseases are breaking out among the homosexuals, for that is the result of such a perverted and degenerate lifestyle! It has its price, and that is just one of them, just like the rate of suicide is very high amongst transgender

people, which statistics they are keeping away from the news, in order to encourage this perversion, for it is Satan's drive. It is sickening; very disgusting! Of course, frustration and misery has to take over their lives, because they are expecting what is impossible from their new sex, when they are not what they are turning themselves into, for a woman will always remain a woman, just like a man will ever remain a man, regardless of the medical transformation he may undergo to become another sex! That is a fact! It is also certain that if time was to tarry, and the homosexual lifestyle continues, man will breed themselves out of existence, because homosexuals cannot make babies: They cannot add to the population! Exactly! It is as plain as that, simply because it is absolutely impossible for a man to have a child with another man, just as it is also impossible for a woman to have a child by another woman. That is "impossicant", meaning that it is impossible and it cannot be! But why not, Brother Amos? It is simply because it is contrary to nature! That is why! Some

men have tried it by medical means, because I have read some documentaries on that. Some men have tried to see if they can have babies, but it did not work, for it cannot work for any man, except if the so-called man is actually a woman turned into a man, a transgender man, who still has all her female hormones and reproductive (organs) intact; except that! And that in itself only proves that only a woman can be pregnant, for that is the infallible and unchangeable law of nature which the God of Creation established in Genesis for all living beings. Full stop! Brothers and sisters, the degeneration of this world, the state of its spiritual and moral bankruptcy, if you do not open your eyes and let that register in your heart, and cause you to take a step back and look at the state of the world in the light of truth, to see exactly where we are in time, that you may run to the Cross of Jesus for shelter, you may be caught napping, because it is later than you think! The world is finished! God is going to do something that is going to stun this world! Now in schools in the West, they are indoctrinating the

children right from primary school by teaching them, not only sex education at their innocent age, but they are also bringing in homosexuals to teach them love for homosexuality, and it is now being made a part of their curriculum! For they are, without a shadow of doubt, grooming them young! Think about it! Already, books, magazines, films, and television programmes are dedicated to homosexuals, and even soaps (television dramas), are ensuring that they project homosexual relationships in their episodes. Homosexuals are adopting children big time. However, the big question is, when a gay or lesbian couple adopts a child, whether a girl or a boy, what do you think that that child will become? That is the issue, for he or she will certainly become like them, having been exposed to that lifestyle, and having been taught to love it! Think about it! This is a hell hole! This is a move to catch them young, for they are certainly getting them at a tender age! Such adopted children, who are showered with carnal love, will definitely end up being gay themselves, and in fact, they will become super

gays, for they will love it, seeing absolutely nothing wrong with it, but rather think that it is normal, and this will in fact make them wonder why people are kicking against it! It is called indoctrination! Brothers and sisters, you must understand that what is going on is beyond men, for Satan is the one behind it all! Satan is the one designing and masterminding everything, for it is a deluge from hell, speaking of the spirit behind it. And that is precisely why gays and lesbians, bisexuals and transgenders, people with depraved, lewd appetites, are taking over the world, because it is Lucifer, who is the prince of this world, the prince of darkness, inspiring it; and there is absolutely nothing anyone can do to reverse this trend, for only God can and will do something about it, and that is absolute destruction, as in the case of Sodom and Gomorrah! Period! No one can reverse the evil course of things, for these characters are the Judges in the courts of justice; they are the lawyers; they are the bankers; they are the engineers; they are the CEOs, and are business moguls; they are the

politicians; they are the legislators, the law makers - the senators; they are the police chiefs; they are the military brass; they are this, and they are that. So what can you do? This is their day, and this is their world! Apostle Paul saw their day, and he called it dangerous times, SinFUL Times! He saw the day when absolute (total) evil takes over the human society, as the dominant force, and as the law that rules and binds the land and the people, for the leadership of the world, particularly the world of the Japhetic race, has gone berserk, and you cannot tell them anything, because Japheth, tonight, is in the very shoe of Ham, back then in Genesis. And what a world they have now created!

Listen to me, church. Why is the devil getting the world into such an evil and most horrible chaotic state? It is because the world has to exemplify everything that he (Lucifer) is! Remember that according to the record of the Holy Scriptures, John Chapter 12, verse 31; John Chapter 14, verse 30; as well as John Chapter 16, verse 11, Lucifer is the **"PRINCE OF THIS WORLD"**. He is also

scripturally called the **"PRINCE OF THE DEVILS"**, for he is the prince of darkness, spiritual darkness, which is wickedness. Hence, in Ephesians Chapter 2, verse 2, he is referred to as: **"... the prince of the power of the air, THE SPIRIT THAT NOW WORKETH in the children of disobedience"**. It is his spirit that works in the children OF disobedience; not that they are merely disobedient, for we were all disobedient at one point in time or the other before grace came, but it is that they are **"the CHILDREN"** (or the seeds) **"OF DISOBEDIENCE"**, meaning that they are the seeds of the devil, the prince of this world! And since this world is his, which is why Jesus referred to him many times as **"the prince of this world"**, then, you have to see that the children OF the world have to take on the nature of their father, who is Lucifer, particularly at this maturity time, and hence the perilous times! Come on! Every evil and perverse attribute that Satan is, every vile (base), degenerate and wicked attribute of the devil, every violent, unclean, and

grossly immoral attribute, every abominable and grotesque (abnormal and hideous) attribute, every false, deceptive, and lying attribute, anything and everything that is contrary to God, to truth, and to peace, to righteousness and morality, are all to be expressed in the earth at this end time, for it gives us the fullness of Satan, thus creating the **"PERILOUS TIMES"**, the dangerous and scary times, which the Spirit of the Lord warned us about. It is the coming to maturity of the seeds of Lucifer, the maturing of serpent seeds, who abound much more in this world, for they are the children of the world; for Satan truly has his own seeds begotten through the serpent, and as it is written, **"they are OF THE WORLD"**. In direct contrast to the people OF the world, we also have those who are IN the world, but who are NOT OF the world. According to the infallible record of the Bible, our Lord Jesus Christ made a categorical declaration concerning his disciples, the original Jewish apostles, which confirms this truth, in John Chapter 17, verse 16, stating: **"THEY ARE NOT OF THE WORLD, even as I am**

NOT OF the world". That was why he prayed in the two preceding verses, stating in verses 14-15: ***"I have given them thy Word; and the world"***, (referring to the people of the world; people who are OF the world), ***"hath hated them, because they are NOT OF the world, even as I am NOT OF the world. I pray not that thou shouldst take them out of the world, but that thou shouldst keep them from The Evil"*** (ONE in the world, who is Lucifer). Halleluiah! This gives us none other than the elect children of the Almighty God who are IN the world, but who are not OF the world, FOR WE ARE OF GOD! Hence in 1 Peter Chapter 4, verse 14, Apostle Paul declared: ***"... the Spirit of glory and of God resteth upon you..."***, Because we are the children of the living God, the children of light. Exactly! I will remind you that the seeds which Lucifer got to himself in Genesis through Cain, his vicarious (indirect) seed, who was the seed of the serpent, and who settled in the land of Nod, was just the beginning, for the immorality, genetic mixing, murder, hate, perversion,

lies, violence, drunkenness, and godlessness they exemplified, is nothing compared with what we have today, for that was just the beginning, the sowing season. Now we are at harvest time, when all seeds come to maturity. And as you all know that Satan always runs ahead of God, which was why he had Cain, his seed, before God's Abel, and he also had Enoch, ever before God's Enoch, so also, his seeds also come to maturity, ever before God's seeds do, at this end time, which is the time of harvest. That is why tares are bundled first, before the wheat are gathered in readiness for the rapture! (Matt. 13:30, 41, 43). Consequently, the maturing of the seeds of Lucifer, which comes first, is what creates the dangerous and scary times, which is referred to in Bible prophecy as ***"perilous times"***, where every evil, violent, wicked, immoral, corrupt, and abominable attribute of Lucifer, which has ever been expressed on earth at one point in time or the other, are all apportioned for this hour of time, for it speaks of the maturing of the seeds of Satan, who bear the

fullness of Satan, and who are OF THE WORLD! But so also will the seeds of God also come to maturity, for this is harvest time, which is the hour of seeds, ALL seeds. And as I stated before, since it takes the Spirit of God to bring His seeds to maturity, and it also takes the spirit of Lucifer to bring his own seeds to maturity, therefore, this hour, which is harvest time, gives us the hour of spirits, for the spirits, ALL the spirits, both of God and of Satan, are here, in order to bring seeds to maturity! The seeds which God planted in the beginning all come to maturity at this end time, and the seeds that the devil planted also come to maturity, for it is the hour of the maturing of seeds. Therefore, by the time it is all said and done, ***the Bride of Christ Universal will also be a Full and Complete embodiment of the Spirit of Jesus Christ.*** That is why the angel promised that ***"the WISE"*** (virgins; the righteous seeds), are going to shine forth ***"as the brightness of the firmament"***, just as Jesus Christ also promised that the ***"righteous"*** shall ***"shine forth as the sun in the kingdom of their***

Father”! (Dan. 12:3; Matt. 13:43). And since Satan's seeds mature ahead of those of God, we have to understand that the serpent seeds will also be in a class all of their own, a full and complete embodiment of absolute evil, for they are Lucifer impersonated, on an unprecedented scale, and to an unparalleled dimension, for the harvest is a bumper harvest! Yes! Remember that at the hour of the harvest of seeds, and according to God's unchanging and infallible law of reproduction, **EVERY SEED BRINGS FORTH AFTER HIS OWN KIND!** Moreover, it is also written that we do not reap in the measure in which we sow, but in multiplied folds, which is a bumper fold, and hence, the reason the ending harvest is a bumper harvest of seeds! That is precisely why people are the way they are, and the reason they do exactly what they do, confounding and perplexing the right thinking members of society, for they are the mature seeds of Satan, and there is absolutely nothing anyone can do about it, for this is their hour: **THE PERILOUS TIMES!** That is why today, the earth is full of serpent seeds to overflowing! But

we thank God that this is where it all ends, and we even thank God that all this is happening, as sad and as horrible as it is, because it also shows that the return of the Lord is at the door! However, let me also point out, (for there is a balance to everything), that I am not implying that one person has all the attributes of Satan; I am saying that humanity as a whole have been invested with all his attributes, and as such, every evil attribute of Satan is vividly expressed on earth as we speak, in humanity. This means that in some societies, certain attributes of Satan stand stronger, whilst in other societies, it is other attributes of the devil that stand out there. But together, in the earth, we have a full embodiment and expression of Lucifer, just as the universal body of Christ as a whole unit, is what will be a complete embodiment of the Spirit of Christ, and not an individual! It is in Satan's super prince, the soon coming Antichrist, in whom all the attributes of Satan will be fully expressed, being Satan incarnate, just as the full attributes of God was fully expressed in Jesus the Christ, and both

seeds will then face off in the final conflict, on the Day of the Lord. Until then, the **“enmity”** which God spoke of, between the two seeds in the Garden of Eden, subsists and continues, and will only intensify, as we enter the final week of time, which is the Last Week of Daniel, Daniel's 70th Week. Hence the reason we have the current and intensifying **h a t r e d a n d o p e n** persecution of Christians all over the globe.

So when we look at this world, brothers and sisters, how perfect the prophetic utterance which Saint Paul gave in that day was! Most undeniably, Apostle Paul saw this age, and he saw this very hour of time, through the binoculars of the Spirit of God, and he must have shuddered over it. Hence he wrote to Saint Timothy: **“This know also”**, (because it is of an absolute certainty), **“that in the last days perilous times shall come. For MEN SHALL BE lovers of their own selves, covetous, boasters, proud, blasphemers, disobedient to parents, unthankful, unholy, Without natural affection, trucebreakers, false**

accusers, incontinent, fierce, despisers of those that are good, Traitors, heady, highminded, lovers of pleasures more than lovers of God; Having a form of godliness, but denying the power thereof: FROM SUCH TURN AWAY”.

Because all these are attributes of Satan exemplified by his children, and it gives us open rebellion in humanity. It gives us a society that is totally and irreparably broken down, both morally and spiritually, for they embody everything that is anti-God and anti-Truth, showing plainly that humanity has been completely taken over by the spirit of Lucifer, a fallen angel. Hence the reason holy and godly things offend them vehemently, for they are **“haters of God”**. On the other hand, everything that is evil, ugly, scary, and demonic, are the very things that appeal to them, and these are the things they love and project: Things like Harry Potter, and the Twilight Saga, and other horror films which are simply demonic! Whatever is good, morally clean, righteous and holy, only makes them mad, for Lucifer has now produced a

bunch of humanity without sense, a humanity completely devoid of sense, which is why making sense only maddens them, for they see sense as outrageous! It is a totally upside down world, a senseless world! Have you wondered why every good word or good term has now become politically incorrect? For instance, in America, it is politically incorrect to say, **“Merry Christmas”**; but the stupid term, **“Happy Holidays”**, has been employed in its place at Christmas: *Happy Holidays*. But what holiday is it? Is it one for the bull fight, or one for the dog race? Exactly! When did it suddenly become politically incorrect and offensive after many Centuries of use? And since when did any political government or class determine how believers greet themselves, if not one tending towards totalitarianism? So, why can we now not say Merry Christmas, when it is the Christians' celebration, and when we do not get offended when Muslims celebrate their own, and use their own Muslim terms? Moreover, the Muslims are not likewise asked to use another word or term, so as not to offend

the Christians or the people of other faiths! Exactly! These hypocrites! This should let you see precisely who is behind this move, and who the target really is! The Almighty God is the target, for by targeting the children of God, it is Elohim that is indirectly under attack, for that is how Satan operates, for he is God's antagonist (God's opposer; God's adversary)! You have to wake up and see that through the Western world, through the Japhetic race, the devil is deliberately and systematically trying to get rid of true Christianity by getting rid of true Christians, for they want a world without God, but one which glorifies Lucifer! Period! And by the time the devil is done with this generation, there is no sensible word or term that they will have, or that they will be using, for everything good and sensible will soon become politically incorrect and obsolete, except the stupid words and terms that the totalitarian governments of men have coined for man under Satan! As it is, the present generation of humanity are fast losing the art of communication, having been given over to burying their heads in their android

phones and tablets, playing stupid mindless games, listening to all sorts of stupid music, and watching all sorts of carnal and or demonic films, whilst the only communication they engage in is texting and chatting, using stupid acronyms (stupid abbreviations)! Very soon, humanity will be reduced to uttering only grunts, for they are losing their language skill as fast as lightning. That is precisely why you cannot speak of things that are sensible to this generation of people, for they have no sense whatsoever! That is also why a University graduate cannot construct a simple paragraph in English, making sense, with all his so-called education, for education has been totally watered down and rendered worthless, by governments taking over, and by the stupid curriculums being prescribed for students! Something bad happened to the senses of these so-called world leaders, for they are leading the world on a dangerous path, whilst deliberately deceiving the people that all is well, when in fact they know that all is not well! That is why they are secretly planning a

forceful takeover of the human society, in the event of a showdown, as they overtly (secretly) seek to establish their totalitarian so-called One World Government, having no thought of the will of the Master of the Universe to the contrary, and neither do they care! What a senseless evil world! Perilous times are here, and so, where will you get sense, when Satan holds court? Where will you get sense, when his children, people who call good bad and bad good, rule the world? Come on! Where will you get sense, when moral perversion and gross Iniquity has been legalized as the standard for human conduct, and righteous conduct has been criminalized? Where will you get sense, when it is now a crime to preach against SIN, in an hour when the just and righteous demands of God's Holy Bible, has been criminalized by the laws of men? Where will you get sense, when by their laws they are seeking to chain the Word of God which gives understanding to men, an evil objective which even the Church of Rome could not accomplish, inspite of the

bloodbath she instituted in the Dark Ages, wherein she butchered 68 million souls? Now we are back to the days of the **"WALDENSES"**, a period of time when the saints in France who were following Peter Waldo, and who were called the Waldenses, had to flee to the caves and to the mountains, to get away from the tyranny of the Roman Catholic Church, in order to worship God in the liberty of truth! They were hunted all over Europe, and massacred by the Church of Rome, and only a few of them escaped martyrdom. Now we are back to the days of the horrible and intense State sponsored persecution of Christians (the believers), who had to run underground in Rome, worshipping in the secrecy of the underground **"CATACOMBS"**, for all the spirits are here! Christianity started in the era of the Roman Beast Empire, and it also concludes today in the days of the same Roman Beast, which is the European Union! And now today, at this evening time, we have the resurrection of that evil spirit, one which unleashed untold hatred, and enormous and dastardly persecution against Christians, for we

are in perilous times! That is why Christians are being slaughtered every day, from North Korea to China, to Indonesia, to India, to Pakistan, to Iraq, to Iran, to Syria, to Turkey, to Nigeria, to Sudan etc., and the world keeps silent over it, doing absolutely nothing, for that evil spirit is back, and in full force! I will remind you that back in the Dark Ages, every barbaric means of torture and death was designed by the Church of Rome against true Christians, Bible believers, whom they referred to as **“heretics”**, which is why she is referred to in Bible prophecy recorded in Revelation Chapter 17, as **“BABYLON THE GREAT, THE MOTHER OF HARLOTS AND ABOMINATIONS OF THE EARTH”**. Notwithstanding the current spate of the persecution of Christians around the world, I have to say that the persecution of Christians has not even started yet, for this is only the beginning, and I say that in light of the prophetic Word of God. Hence Christian bakers must now bake for moral perverts, but not the other way round, although they will never ask Muslim bakers to bake for homosexuals. Even the

homosexuals will not dare go to a Muslim baker with their perverted request, for they know it will be taken as an affront, and an insult to their religion! Exactly! But Christians are being prosecuted, fined, and jailed, for uttering words that they say constitutes hate, whilst Muslim Extremists demonstrate openly in Europe, chanting (shouting) in the presence of British Police, **“UK go to Hell”**; **“British Police go to hell!”**, and holding placards bearing boldly written words, **“SHARIA FOR THE UNITED KINGDOM”**. Let me point out that the same demonstration takes place every day all over Europe: Belgium, Germany, Norway, Sweden, Denmark, etc. Another outrageous demonstration took place on the streets of London a few years ago, right outside the Danish Embassy, when the Muslims openly demonstrated, all chanting: **“Denmark, go to Hell”**; **“George Bush, go to Hell”**; **“U.S.A., go to Hell”**; **Nuke, Nuke Denmark”**; **We want Danish Blood”**. They also held placards, some which read: **“EUROPE, YOU WILL PAY, YOUR**

ANNIHILATION IS ON ITS WAY!!!” etc. But they were not arrested for hate, and not one single person was arrested either, in spite of the British law which forbids incitement to hate and murder, because obviously, theirs is not hate, but love! Cowards and hypocrites! Hotels that cater for the needs of Christians, are being shut down for their beliefs, for they must cater to homosexuals against the conviction of their faith, but they will never dare ask that hotels which cater only for Muslims do the same, for it is only Christians that have no rights, showing undoubtedly that they are people with double standards! They dare not ask that of Muslims, for they are in fear for their mortal lives, because they have no hope which only Jesus gives, that blessed hope of eternal life, which is precisely why they fear death, for death is only our friend to bring us to Christ! Hence, in the West, you cannot say a word about God or the Bible in the schools, but they teach the Koran and the five pillars of Islam though, all in order to appease the Muslims, because of Islamic terrorists, who are nothing but Jihadists, barbaric

radical Muslims who are fighting viciously to take over the world, in order to establish a global Islamic caliphate ruled by the Sharia, as demanded by the Koran, and who are creating nothing but death, chaos, and mayhem around the world! And it is a notorious fact that their terrorism has worked, for the West is now at their mercy, and at their beck and call, and hence the reason for these senseless appeasements! That lets you see that it is God using that religion as a scourge upon an apostate people who were once Christians, but who have now completely turned their backs on God, embracing atheism, for which reason they are now forced to serve another god, one which their forefathers did not know, which is Allah, a religion they now serve with fear and reverence. Yet, we know with absolute scriptural certainty, that at the end, it is not going to be a Muslim takeover of the world, however much they try, and however much it may look like they are succeeding, on account of their enormous and incredible birth-rate, and their massive migration to the West, and despite the

great spread of their well-organized and well-funded Islamic organizations and mosques, in Europe, as well as in the United States. It is going to end just as the Holy Scriptures declare, with the takeover of the “**Ten horns**” of Europe, which is the European Union, headed by the Pope, the Papacy, and then Jesus Christ will come from glory, with his holy angels, and wipe everything out, precisely on the Day of the Lord! Full stop! **Here is the conclusion of the whole matter!!!** And only the Nation of Israel knows just how to tame these Islamic Extremists (Jihadists), for they have been given by God, the means to deal with Radical Islam! Just wait for when God turns Israel loose in the field of battle, in an all-out war, at the hour of the Jewish Miraculous! But for now, these Islamic Terrorists are nothing but a scourge on the back of the Western world, for their hatred of God! Hence the reason we are now living in an hour when the white race are banning the direct provisions of the Word of God, the Holy Bible! But as Apostle Paul declared in 2 Timothy Chapter 2, verses 8-9: “**Remember that Jesus Christ of the seed**

of David was raised from the dead according to my Gospel: Wherein I suffer trouble, as an evil doer, even unto bonds; BUT THE WORD OF GOD IS NOT BOUND”. FOR THE WORD OF GOD CANNOT BE BOUND OR CHAINED! It is absolutely impossible, even though as preachers, we may be bound in chains or prisons! Welcome to the hour of unjust and unrighteous laws directed against God and His Word! Welcome to a return of the spirit of intense persecution of Christians, a people who will stand resolutely but peacefully for truth, and whose preachers will preach the truth of God raw, as it should be preached, that is, IN ITS PURITY, for it is meant to convict of SIN! Brothers and sisters, ***PERILOUS TIMES ARE HERE!!!*** They forget that it is written in the Book of Prophet Isaiah Chapter 10, verse 1: “**WOE UNTO THEM THAT DECREE UN R I G H T E O U S DECREES, and that write grievousness which they have prescribed**”. The Lord now asks in verse 3: “***And what will ye do in the day of visitation***” (judgment), “***and in the desolation which shall come from far? to whom***

will ye flee for help? and where will ye leave your glory?" They even forget that the authority of a true preacher, a true ***"man of God"***, does not come from any human government or human authority, but from God alone! And further, they do not realise or want to realise, that our authority to preach against sin cannot be taken away by their unjust and unrighteous so-called criminal laws of hate, for it is written: ***"Cry aloud, spare not, lift up thy voice like a trumpet, and SHEW MY PEOPLE THEIR TRANSGRESSION, AND THE HOUSE OF JACOB THEIR SINS"***. Consequently, we want the whole world to know assuredly that by the grace of God, ***WE WILL PREACH AGAINST SIN, AND CALL SIN BY ITS NAME!*** Call us any name you want: Islamophobics; homophobics; fanatics, etc. We care not for that, for we care not for those who can only kill the body, but afterwards, they have nothing else that they can do. We only fear Him (God), who not only can kill the body, but can also destroy the soul in hell! God is whom we will obey, when and where the laws of man

contradict the laws of God, for it is written in the Book of Acts Chapter 5, verses 27-29: ***"And when they had brought them, they set them before THE COUNCIL: and the high priest asked them, Saying, Did not we straitly command you that ye should not teach in this name? and, behold, ye have filled Jerusalem with your doctrine, and intend to bring this man's blood upon us. Then Peter and the other apostles answered and said, WE OUGHT TO OBEY GOD RATHER THAN MEN"***. Exactly! Halleluia! ***LET IT BE KNOWN THEREFORE, THAT WE WILL OBEY GOD RATHER THAN MEN!*** Period! You can jail us, fine us, persecute and kill us, and we will bear all these treatments without demonstrating or fighting back, and most certainly without violence, for we are a peaceful people who turn the other cheek; ***but we will not bow to Baal, nor to the golden image of the modern day Nebuchadnezzar!*** That is one thing we want you to know in no uncertain terms, for we are believers of Jesus Christ of the Holy Bible, a people who have

been bought with the precious blood of Jesus Christ our Lord and Saviour! Yes! Brothers and sisters, the truth is that these people do not care for God, for Truth, or for God's people, for like Cain, they are serpent seeds! That was why wicked Cain killed righteous Abel, for revealed truth made no sense to Cain, for it is a battle of the two spirits: Good and evil! Brothers and sisters, there is no era of time when the knowledge of God is being stamped out completely from humanity, than in this present era of time, this very junction of time within the Laodicean Church Age. That is why today, the Christians and the Jews are the target of human laws and acts of discrimination, whilst Muslims, Buddhists, and all other foreign religions, are enjoying a status of privilege in the West, particularly the Islamic religion, which is being appeased on every hand. Christians and Christian principles are very much loathed today, and as Cain killed righteous Abel, so are Christians being persecuted around the globe, with acts of genocide being instituted against them in Burma, North Korea, Syria,

Pakistan, Indonesia, Iraq, etc., whilst the Western world turns a totally blind eye, which is why it goes unreported, for it never makes headlines. It is simply never told, which is why the International Society for Human Rights in Frankfurt, Germany, records that 80 percent of all religious acts of discrimination are against Christians, thereby making Christians the most persecuted faith people on this globe today, statistically speaking! We all remember Orissa, a Northeastern State of India, where in 2008, in a series of riots against Christians, at least 500 Christians were hacked to death with machetes by Hindu radicals, and with thousands injured, and over 50,000 rendered homeless! An estimated 5,000 homes, together with 350 churches and schools were destroyed, not to talk of the constant and blatant decimation of Christians and churches in Northern Nigeria by Islamic radicals, where Boko Haram has killed over 3,000 Christians! The enmity which God spoke between the two seeds in Genesis Chapter 3, verse 15, is working seriously today, for it is now

coming to its climax, and it will come to its climax at the showdown on the Day of the Lord, and the Lord and His people will win, for they are bound to win, for as John Huss of Bohemia often stated: **“Truth Conquers ALL”!** In all this, it is Satan seeking to exterminate the true worshippers of God, as a means of eradicating the true knowledge of God Almighty. Period! What a God hating world! That is precisely why you cannot expect the people out there to have any sense, for it is not in the place of fools to have sense! In the first instance, where do you think sense comes from: Is it from the mass of the population of the world that are serpent seeds? Sense comes from Almighty God, for good sense is of God, and there is no sanity in man outside of God. Church, the devil has the world exactly the way he wants it. That is why tonight, his children do not care, which is why, everything is about money for them. They can strip naked and behave lower than a dog for it. Look at the present day celebrity singers. All they do is strip themselves naked on stage, and dress like lunatics! What an insane

world! Now tell me, what has nakedness, nasty, dirty, and open erotic display on stage got to do with singing, if not that the world has gone insane? I am speaking of utterly nasty creatures, degenerates, moral perverts like Jennifer Lopez, Rihanna Fenty, Miley Cyrus, Lady Gaga, and Beyoncé, demon possessed entities! Brothers and sisters, you have to see that demons have taken over the lives of these music stars, and they are highly anointed; not by God, but by the devil! That is why they are serious vessels in the hands of demons, to bring degeneration to the youths of the world today! Otherwise, if this were not so, please tell me, what has singing got to do with stripping and coming out naked on stage? What has obscene nudity got to do with music? The truth is that Lady Gaga and Miley Cyrus are the chiefs of musical pornography, because they are the nastiest on stage, and they also appear stark naked before the world on YouTube, without underwear or a bra, just to advertise their demon inspired music! I ask again: What has singing got to do with nudity, if they are not

vessels of Satan anointed to strip young girls of their ability to blush? These demon possessed artists realize that that is exactly what the world wants, because the world itself is demon possessed! Humanity have become insane, and as such, they are thirsting for such things; thirsting for naked flesh, as Satan takes the forbidden fruit on one level higher, to bring chronic moral insanity to humanity. So the more they expose their naked flesh, the more their fame increases, and the more crowds they pull, the more people rush to their shows to see their naked flesh! That is why people like Jennifer Lopez and Rihanna Fenty are given to showing it all to the whole world on catwalk. Are you listening to me? All they know is to show everything: They show their buttocks, live, and also show their breasts, live, all for the sake of publicity and money, because they have no self-dignity and self-esteem, being lower than dogs! Even Beyoncé recognizes that she has another spirit in her, one that possesses her, particularly when she is to come on stage, for she confessed to it on live television, a demon she

named herself: **“Sasha Fierce”**. That was even the title of her November 2008 album: **“I Am... Sasha Fierce”**. And truly, she is Sasha Fierce, if you have eyes to see this queen of the devil, one who calls herself a deva (a goddess): **“I AM A DIVA”!** These people are totally deranged, and they behave like it too, throwing away all morality and human dignity, particularly when they are on stage, for they are agents of Lucifer! But the world loves them, even though they carry on like lunatics on stage, and like dogs on heat, because they are of the world, and as our Lord Jesus remarked, the world loves its own! For these filthy and degenerate characters, everything is about fame and money! And as long as they can make money and fame, and acquire the world's goods, it is worth it, for after all, the world is at their beck and call! What a world! These people are Immoral Terrorists, Perverts, who are bringing wholesale moral pollution to the world on an unprecedented scale, for they are bringing moral decadence to the present day generation of young people. They are copied all over the world, for

they lead the way for the world, as profane role models, from North to South America, to Europe, to Africa, and to China, all the way to Japan! Even Miley Cyrus knows that she is creating a movement, for she called her singing project a **“Movement”**. And it is absolutely true that it is a movement, one which she is creating for the devil, and one which is to bring utter degeneration to the young generation of the human populace! Ride on Miley Cyrus with your **“movement”**, for this is your kingdom, although your days are numbered! However, in my Father's kingdom, only truth and righteousness reigns, for it has no room for perverts and degenerates, and neither is there any room for idolaters either, just as it is written in the Book of Revelation Chapter 22, verses 14-15: **“Blessed are they that do His commandments, that they may have right to the tree of life, and may enter in through the gates into the city”** (of God, which is the New Jerusalem, the Kingdom of *El Elyon*, the Most High God). **“For without are dogs, and sorcerers, and whoremongers, and**

murderers, and idolaters, and whosoever loveth and maketh a lie". Amen.

In the beginning in Genesis, Satan introduced idolatry in Babylon, and by this move, he introduced himself for worship, and Luciferism, which is Satan worship, started. But now today, not only is Lucifer worship or Satan worship rife in the world, the devil is seeking to take out the knowledge of God totally, and his last push for this will be in the last Week of Daniel, when he will institute a blood bath against all the God believing people that he can lay his hands upon. But today, Satanists are everywhere, and devil worship has now become the "In-thing", and a lot of people are also becoming gothics, even in the advanced nations of the earth. The world is controlled by big time powerful secret societies, from the Bohemian Grove, in California, and the Illuminati, to the Skull and Bones, to the Freemasons, to the Rosicrucians, to all the secret cults all over creation, for men are going into the darkness of Satan. Now witches are everywhere, for the initiation into Wicca (Pagan

Witchcraft) is taking place as we speak, for men are giving themselves over to the worship of the devil, and as a result, the witch coven (gathering of witches; a community of witches), is expanding everywhere, for they are being established around the globe. Loads of young men and women are joining the Ogboni cult in Nigeria. I want you to know that it is not a phenomenon happening in Africa and Asia alone, it is happening very much in the Western world, where a lot of young men and women are joining these evil things as well, like it is a fashion! Thanks to Harry Potter and other such movies! We are all aware that in the West, psychic mediums are being employed even by government agencies to help solve crimes, whilst the masses of people around the globe are delving into voodoo, dancing with the devil! And also thanks to films like the Twilight Saga, a love story about human vampires and werewolves, all geared for teenagers. The world is now idolizing these demonic fantasies, and accepting them as another part of the society. It is indeed a dark world, for the Gentile world has now

returned to the very state it was in, before the Gospel came! Can you imagine, Satanists are battling in Oklahoma, in the United States, to have Satan's statue, Baphomet, placed on Government grounds? Lucifer first used Charles Darwin to establish a most nonsensical and idiotic philosophy of Evolution, as the means of man's existence on earth, taking creation away from the Almighty God. Now he is using cloning on a serious level, a scale that is mind boggling and most troubling, all in order to disprove that we were created by a higher being, since even man himself is cloning life, for they are playing God! I know that you are all aware that cloning is going on, and it has been going on for many decades now, particularly the cloning of plants through genetic engineering, which gives us genetically modified plants. However, what many of you do not know, and I want you to know, brothers and sisters, is that not only are thousands of animals being cloned every day, in order to satisfy the appetite of man, but more particularly, that human-animal hybrids in their thousands, animals

having human parts, are being cloned around the globe as we speak, from the United States, to the United Kingdom, to Germany, to Austria, to Russia, to China, to Japan, all on the flimsy excuse that they are cloning for human parts, and in order to get cures for chronic and dangerous diseases, like cancer, Down Syndrome, as well as for military purposes! Lord have mercy! In the United Kingdom alone, about 150 human-animal hybrids called "**Chimeras**", have been created in laboratories, not to speak of the United States, Germany, Russia, China etc.! The Merriam-Webster's Dictionary defines Chimera as, "**a monster from Greek mythology that breathes fire and has a lion's head, a goat's body, and a snake's tail: something that exists only in the imagination and is not possible in reality**". In simple terms, Chimeras give us human-animal hybrids, monstrosities of creation, much like Frankenstein, bizarre beings, which serpent seeds have created! Back in 2009, Britain's Academy of Medical Sciences launched a study to look at

the use of animals containing human parts in scientific research, and their opening statement was: "**A mouse that can speak? A monkey with Down's Syndrome? Dogs with human hands or feet? British scientists want to know if such experiments are acceptable, or if they go too far in the name of medical research**". What a shocking statement! Yet, before this time, that is, in 2008, the law permitting the creation of human-animal embryos for experimentation, had already been passed in Britain! And as far back as in the early 60's, human-animal genetic hybridizing had already been going on secretly in labs, for Satan had been taking cloning to another level entirely, and as a result, an incredible array of human-animal monsters have been created in total secrecy! On our chart, we have an example of one such monster creation, a pig with a human face, an imperfect human face. Just look at it! (Brother Amos points to the chart). This is absolutely demonic and horrifying, and it is sad that anyone would do this? They justify the making of these human-

animal genetic hybrids, on the need for medical breakthroughs, and on account of the shortage of human parts, in order to help sick people, particularly those suffering from debilitating (weakening; limiting)) diseases like Cancer, Parkinsons, and Alzheimers etc. But in the final analysis, it is all about how much money the Pharmaceutical Industry, which is a gigantic entity, a mega billion dollar Industry, can make, and so, the cloning race continues, for none of the countries involved wants to be left behind, for as I said, it is all about money! Yet, we all know that man, any sane man, anyone with the fear of God, should and would have to draw a line for himself, one that he cannot and will not cross when it comes to terminal illnesses, because we do not live forever in this fallen body, and as such, when it is time to go, we will go. But that attitude or notion does not apply to serpent seeds, as ethical and religious inclinations have no basis for the seeds of the serpent! Now they have produced a monster in the laboratory, a pig with a human head! My! Strange and troubling

things are happening in the earth! Church, we have also seen cloned, a half man half frog, men mixing the seeds of a man with that of a frog, and all sorts of heart wrenching horrible creatures that these devilish scientists have let out of the bag, to test the mood of the public! These people are not human beings but demons! What a generation of demon possessed entities! Brothers and sisters, they have created glow-in-the-dark monkeys, monkeys which glow in the dark, using the DNA genes of creatures that glow in the dark, mixed with that of monkey genes, to produce monkeys that glow in the dark. They have created glow-in-the-dark rats, as well as glow-in-the-dark rabbits, you name it, all on account of the "little" knowledge which they have of the DNA Code! It is all on YouTube! They have produced monkeys with gills that can live in water. That is also why today, through Pre-Implantation Genetic Diagnoses Technology (PGD), they are determining a baby's sex, their colour of hair, their colour of eyes, their skin-tone, offering people designer babies, etc.,

taking away the sovereignty of God to determine the sex, for they are playing God! I do not need to tell you that such designer babies will have nothing of God in them, for none of them will be a son or daughter of God, however accomplished in earthly endeavours they may grow to become, for that is all they can be and will be, earth bound carnal creatures! Just look at what the medical profession is doing in the earth today with plastic surgery, cosmetic surgery. They are redesigning people's anatomies for silly, flimsy, empty and fleshly cosmetic reasons, for people want to have what they consider a nice figure, because they do not want to age! Now you can have new breasts, new lips, a new nose, a new face, new buttocks, new this and that; you can even have a new designer vagina, when there is nothing wrong with them medically to warrant such operations, for they are recreating what God created well, telling God implicitly that He does not know how to create, and that they are much better at the work than Him! My! What a world we live in! What a most horrible and

demonic world! Indeed, **PERILOUS TIMES ARE HERE!!!** In his reasoning contest with Eve in Genesis Chapter 3, the serpent made some serious claims, recorded from verse 4: ***"And the serpent said unto the woman, YE SHALL NOT SURELY DIE"***. That was his first claim, for he sold Eve a blatant lie, bluntly and directly controverting the Word of God, telling her that she would live forever, and not die, offering her immortality contrary to the Word of God, which in essence means that he was offering her immortality without God! And that is exactly what they are saying out there today! And what was the condition the serpent gave for obtaining this so-called immortality? It was on the condition that she ate the God forbidden ***"fruit"***, which was a figure of speech representing sex for pleasure with him (the serpent), and by which act Satan presided over a genetic mix, the very first human-animal hybrid, one which produced Cain, half man half beast, and this in turn produced the lineage of Cain, which gives us the lineage of serpent seeds! I say that because, although the serpent was an upright

creature in that day before his deforming judgment in Genesis Chapter 3, verse 14, one who stood and looked just like a man in physique, the fact remains, nonetheless, that he was a beast, a part and parcel of the animal kingdom, even though he was the head of the animal kingdom, a perfect type of pre-historic man, called the Neanderthals! Consequently, the sowing of his seed into Eve, gives us the first genetic mixing ever, one which God allowed, for by this move of the devil, the fall of God's children was occasioned, and that by this fall, God's attribute as Saviour and Redeemer was also expressed. God even allowed a further mixing of seeds, as revealed in Genesis Chapter 6, knowing that He would use it to show the mystery of His election, and His power of regeneration, for He is God, the Creator, which is precisely why we need the new birth. Now here comes that old dirty devil at this evening time, telling the world again the same blatant lie through his seeds, serpent seeds, that there is a way to live forever, a way in which we can attain immortality,

without going God's way, thereby directly controverting the Word of God! They are actually telling the world that we do not have to die, for we can live forever aside of God, and further, that even if we die, we can extend our lifespan to about 200 years or more! And what exactly is the means of attaining this? How will this so-called longevity of life and or immortality be accomplished? Brothers and sisters, it is through the very same means that the dirty devil used in the beginning, but now, he is taking it a notch higher! It is through what is now called **"TRANS-HUMANISM"**, a word coined from the word transcend. To transcend means to go beyond, and it simply means to go beyond man, biological man, limited biological man, and become a superior man! But how is this possible? This brings us to the second part of Satan's lie to Eve, speaking through the serpent, as recorded in verse 5, where the serpent declared: ***"For God doth know that in the day ye Eat thereof, then YOUR EYES SHALL BE OPENED"***, (speaking of enlightenment), ***"AND YE SHALL BE AS GODS,***

knowing good and evil". Here the devil was speaking of enlightenment, one which would be attained through the act of pleasurable sex, which in reality meant DNA genetic mixing or hybridizing, for that was what the serpent was offering, for he wanted to sow his seed in Eve, and he succeeded, an act which today translates to the DNA Genetic Hybrid Engineering that serpent seeds are carrying on in laboratories around the advanced world, on an unprecedented scale, desiring to create a new breed of human beings entirely, but now without the sex relationship! They want to remake themselves, making themselves better, stronger, to live longer, for they are most dissatisfied with how God has made them, what God has done, the short lifespan they have, and they are literally playing God! Furthermore, just as the serpent told Eve that she would become god, so are his children today also claiming that by the new man they are creating, the human-animal hybrids they are creating, they are god! I am showing you the return of that evil spirit, for as I have been warning, all the spirits are

here! Listen to what Richard Griffith Seed, an American Physicist, Entrepreneur, and a Human Cloning Researcher said calmly and resolutely, way back in 2008: **“WE ARE GOING TO BECOME GODS. PERIOD! If don't like it, get off! You don't have to contribute; you don't have to participate. But if you're gonna interfere with me, becoming God, you're going to have big trouble. There'll be warfare”**. That resolve is no less serious than that which Cain had when he resolved to kill Abel, for he meant it, and he carried it through without any prick of conscience, for he was a serpent seed. I am saying in essence, that fallen man is now seriously pushing the cloning enterprise, playing God, for they have declared that we are now entering the era of Transhumanism, an era when man is becoming more or less cyborgs (trans-human), and a time when it will become more and more difficult to remain as normal human beings.

Church, Transhumanists no longer want normal human beings, mere biological human beings,

because they say that we are too limited, we get weak easily, get sick, need to eat a lot of food, cannot see in the dark, etc. Transhumanists therefore seek to produce trans-humans on three main levels, or in three main ways. **FIRSTLY**: They are seeking to enhance human beings scientifically and technologically, that is, using science and technology, thereby creating a new version of themselves, an upgrade, they call it. This gives us men enhanced by machines (gadgets), added to human bodies, and wired to their nervous systems, making them stronger, more versatile and superior. For instance, through plastic surgery, they will be given bionic eyes, which is already being offered to people without eyes, but now it is in order to give them the vision which bats have at night; and also equip them with ultra sound abilities which bats, frogs, and dolphins have, and to also be aided with bionic suits, like the ones which the movie marvel character called Ironman, has, which will allow them to run faster, and to also perform tasks too difficult for humans to

do, just like the machines given to paraplegics (people suffering from paralysis), which enables them to run faster than a normal person, and is controlled by their brain. This is the current Military push in the United States, in Russia, in China, in Japan, as well as in other advanced nations, where they are desperately seeking to create a new class of soldiers, Superior Soldiers, and thus have a Superior Army. Untold billions of dollars are being pumped into this enterprise, for more money is being devoted to this programme than to space exploration, obviously because they realise that they are limited to planet earth, in reality. And really, where else is viable for them to live? That is why they are creating this new class of soldiers, to preserve what they think they have. Saints, in order to produce this breed of men or soldiers, it is apparent that they are also actually rewriting the DNA code of man, tampering with the genes of their soldiers, this class of superior soldiers, in order to make them eat less, and to run non stop for days, without getting tired, and

without a minute's sleep! You can only imagine using the same procedure for the police, or even for sports men, as well as in other endeavours of life, thereby increasing the competition in the world, one which will then make normal human beings also want to enhance themselves, in order to fit in and catch up. This is one agenda of transhumanism. **SECONDLY:** An alternative to this scientifically and technologically enhanced men, is to download a man's complete brain memory into a computer, and to install it into a versatile robot, one built exactly like man, and covered with silicone skin, to make it look exactly like man, one that can be controlled by the brain. This way, even if a man dies, the life of the man is carried on in the robotic body, which now carries his entire brain memory, to think and function precisely as he did. That is another avenue the Transhumanists are exploring: They want to extend and preserve the life of a man by downloading his brain into a computer, and installing it into a human-looking robot, as a means of carrying on the life of that man! My, oh my! An example of this robot is

displayed on the extreme right bottom corner of our chart. That is what we see projected in Hollywood movies like *Surrogates*; *Terminator*, etc. **THIRDLY:** On a much more clandestine level, Transhumanists are seeking desperately to clone man, a stronger man, literally, through the advanced genetic engineering capacity they have attained, using the DNA Code of very strong animals to accomplish this feat! They are seeking to produce another race of men called "**Avatar**". They are seeking to create their own people, designer people, one that they feel will be superior to God's creation! Lord have mercy! No wonder the Bible calls them in Romans Chapter 1, verse 30, "**Inventors of Evil Things**"! Saints, this enterprise is also being pushed by a Russian entrepreneur, Dmitry Itskov, the founder of 2045 Initiative, for he is earnestly seeking life extension and immortality without God, and he is pulling together geneticists from around the world to accomplish this, in a project he also called "**Avatar**"! That is his 2045 Initiative! You can Google it. Brothers and sisters, if this Russian is seriously

pushing for this, having set the dates when he intends accomplishing the various stages of his project, you know that the United States, Germany, United Kingdom, China, and the rest of them, will not be left behind in this evil enterprise! Brothers and sisters, with the great and unparalleled advancement we now have in science and technology, just as the Lord said it would be in Daniel Chapter 12, verse 4, coupled with the incredible and mind boggling level of cloning that is going on today in the earth, and further, knowing that the advanced nations are absolutely driven by the earnest desire to stay ahead of each other, for it is a power play, I want to believe that out there somewhere, fallen man has produced a monster man, a hybrid man, a monster creation, in total secrecy. That is my personal thinking, and not the Lord said, for you only need to look at the half man half frog baby, a baby with the head of a frog! Moreover, how would you know if they already have? Only God knows what monsters these demonic scientists have created in their labs! The kind of genetic engineering we are talking

about does not occur in just any place, except in high security, high tech lab facilities, probably buried underground, somewhere remote, and well camouflaged, and well cordoned off, for it is off limits! If they could create a half man half frog, a baby boy with the head of a frog, one which you can view on YouTube, do not tell me that these mad scientists have not progressed beyond that! For if in the beginning, Satan could manipulate the genes, what stops his children from doing the same at the end time, when knowledge has increased astronomically, and when Satan has taken over humanity, knowing that his end is at the door? Who knows what they have done with cloning? How late are we in time? Once again, the devil is seriously seeking to destroy God's beautiful human creation! Think about it! **PERILOUS TIME ARE HERE!!!** Horrible and terrible things are happening in the earth, for fallen man have gone completely haywire! Just look at the two strange looking creatures, a blue man and woman, two demonic looking creatures projected in the film called *Avatar*. (Brother Amos

points to the chart). It is only letting us know precisely what man is thinking, where men are going with their genetic engineering, for that is the kind of skin that these transhumanists are proposing for their superior creation, skin that can glow and also change colour! Many of these movies are produced based upon available scientific facts, scientific developments, and scientific leanings! There is another movie which was produced way back in 1978, to project this evil aspiration of cloning, titled, *The Boys From Brazil*. In that movie, Adolf Hitler was cloned, and his DNA Code was used to produce dozens of boys, who thought and acted exactly like Hitler. There are also similar films relating to Transhumanism, like *Elysium*; *The Matrix*, etc., all which show the direction of Satan in today's world, working through his seeds. Church, just as in Genesis, Satan is once again seeking to create a new class of beings through cloning, beings who are none humans, his own super beings, in defiance of God's promise of immortality! He has come again with a big lie of immortality without God!

Now listen to me carefully. Even if they produce a new breed of man, just how is he going to live forever, when man himself cannot live forever without God? Exactly! How can you give what you do not have? How can fallen man make something that is better than that of their Creator? **Now THE BIG LIE is once again being sold to man!** Just how can man upgrade himself? By the time man is able to download his brain thoughts into a computer, and transfer it into a robotic body or a new cloned being, just how can that amount to living forever, if that is not the height of insanity? And who controls all the computer systems, human systems which often crash, and which are hacked into every day? The truth is that by the time they download a person's memory into a computer, and plug it into a robot, that is no longer a human being but a machine! Even soldiers whose DNA genes and brains have been tampered with, no matter the bionic eyes and bionic suits they are given, would have been turned into nothing but machines, and they will never again be able to function effectively as normal human beings, for

they are no longer normal, and neither can they function without the machines! That is why the suicide rate amongst Western soldiers have reached an epidemic proportion, and the governments do not know what to do, when they are the cause of the evil, turning men into mere killing machines, bringing untold physiological, emotional, and mental misery and trauma to those men! What a world! What a totally perverted world! So what good is in all that? Moreover, however augmented they are with technology and genetic science, it is funny that they would rather believe a lie that promises them longevity of a mere 200 years, when in fact, Adam, Abel, and Methuselah, all lived almost 1000 years in comparison, before God cut down the longevity of life, on account of the corruption and the wickedness of man! Moreover, the same God has promised to restore longevity of life, which is why in the Millennium, we are going to have longevity of life restored back to mortal men, whilst the resurrected saints will have inherited eternal life, having

been transformed into superhuman beings, supernatural beings, becoming exactly like angels, by the glorified bodies they put on, one which is invested with mega divine power over all forces of nature, and over all natural laws! That is the infallible promise of the unfailing God of ALL Creation! Come on! That is the truth we brought out in our message titled, **WHY AM I HERE?** Why would anyone be stupid enough to believe the promise of immortality given by a fallen mortal creature? How can anyone be foolish enough to even want such a body, when it is nothing but a robot, a machine? And even if it is a cloned fleshly body, why will anyone buy that, when it is nothing but a Frankenstein body (a monster body), one which a mere earthquake or mudslide will bury, however strong it may be, for it has no power or control over the forces of nature?! Come on! They are once again buying the lie of the devil, for Satan has come with the big lie one last time! In the news, one which you can Google, there is a Russian man, Valery Spiridonov, who has volunteered himself for **"the world's first human**

head transplant", all because man will do anything and everything possible, however ridiculous, and however bizarre, just to carry on with this mortal life, when there is nothing to life, but the service of God! They want to take off his head surgically, and place it on another man's body, a donor, a person whose body is sound, but whose brain is dead! My! These are perilous times indeed! How late are we in time? What will it take for us to know that we need to run to the Cross of Jesus Christ for the security of our souls, for only in Jesus Christ is there safety and eternal life? For just as in Genesis Chapter 6, verse 5, they are all corrupt, and the wickedness of man has become great in the earth, and the imagination of his heart is now only continually evil, except that it is now much more evil, for it is on a grander and more unparalleled scale! Now they are playing God! **"Maranatha"**: Come Lord Jesus!

Saints of God, these are dangerous and scary times indeed, and everything is now made to glorify Satan, and to demonize the

Almighty God, and by all these means, Lucifer is getting the world into a place where there is no God, although the same people love and believe in Lucifer, whom they portray as good and one who broke the "tyranny" of God! My, oh my! That is why books and movies like Harry Potter and other dark projections sell like hot cakes, for they love dark and demonic things! And on account of the glorification of raw evil, many people have been led to join the occult (the dark world), and as I stated earlier, devil worship has now taken over the world, from the United States, to South America, to Europe, to Africa and Asia, and once again, witchcraft and sorcery is flourishing all over the globe today. Consequently, brothers and sisters, since Satan is really the god of this evil world, it was just a matter of time before he brought the world to an era of time, a junction of time, when the world would be full of all his attributes, having embedded himself in the human society. And he has worked upon the human society to a point where the world is now a complete embodiment of the spirit of Satan. There is no attribute

of Satan you do not find characterized in them, and there is no evil projection that he has made at any time in all human history, which is not manifested here, for all the spirits are here, all the demons, outside of those that are still bound in hell, and who will be released in the Middle of the 70th Week. Think about it this evening, for it is very serious food for thought! And do not think that your society is different, for there is no society, no nation, and certainly no continent on this planet, that is removed or excluded from this evil reality. The world is completely demon possessed on various levels, and altogether, Satan is fully expressed. Hence the reason the evil that is going on in this world today, what man is doing to man, out of a complete lack of care and conscience, being devoid of all natural feelings, is simply incredible, for man has descended lower than beasts, and he has shown himself that he can be a very wicked and evil being. It is a world of dog eat dog, for the principles of neighbourliness, the principles of the brotherhood of all men made in God's image,

principles which make us our brothers' keeper, no longer exists. That is why they destroy the environment, just to make money, without the least care for humanity, which is the stock in trade of these multinational Oil Conglomerates, for example! People no longer care for their fellow human beings, which is the reason why they sell fake medicines, when they know that the lives of fellow men depend on them, and that innocent people will die by it! And today, everything is fake, for everything has been faked, for it is all about filthy lucre! In the United Kingdom, they have a television programme called, *Fake Britain*, where they expose all fake products being sold to people in the U.K., and you will be amazed at the things men are doing to their fellow man, for everything is about money! Why do you think the pharmaceutical industry is making the world depend on vaccinations and medical drugs? Why do you think that they make viruses in labs and also let them get out? It is to create a demand for their drugs, by creating the outbreak of the disease,

for it is all about money! This should let you see that humanity has lost something, a divine virtue of brotherly consideration (care), kindness, and good conscience, good attributes which streamlined our relationship with one another in times past, creating a peaceful, sane, and considerate society, for all these are attributes opposed to the devil. Otherwise, I will ask you: Why do you think people peddle cocaine and similar hard drugs which have the power of destroying the lives of men, and of the society in general? What do you think make men become cocaine dealers, and they kill and maim and create untold mayhem and savage deaths, just to push narcotics, when they know the extreme devastating and evil effects it has on men, and on the society in general? It is simply because they do not care, as long as they make money, for everything for them is about money, for we now live in an extremely selfish and most wicked world! That is why they do not care less about how many lives they wreck and or maim, and neither does it bother them how many lives they take in their illicit

drug trade! I ask, brothers and sisters, who do you think is responsible for these things? It is the devil! I also ask: What kind of seeds are people who do these dastardly and most barbaric and inhuman things? Answer it yourself! What makes people have utter reckless disregard for human life and property, a total lack of value for human life, which makes them create mayhem (destruction) and death, and are proud of their handiwork? Such people show that they are true sons of their father the devil! Because there is a conscience that God puts in humanity, by which He guides men to have compassion on fellow human beings, which is what we call the natural law of neighbourliness, for we bear a natural duty of care. That is why under the law of Moses, God made the children of Israel responsible for their neighbour's ox. Whether you had disagreements with him or not, and whether you liked him or not, you were responsible to take care of his goat if it went astray, and you saw it. You could not say, "*Well, it is not mine, but it is my enemy's. Good for him! I will*

just let it stray, for I am not responsible for it, and neither was I the one who made it go astray." God says that you are obliged to go after his goat, and retrieve it for him, as it is written in the Book of Exodus Chapter 23, verses 4-5: "***If thou meet thine enemy's ox or his ass going astray, thou shalt surely bring it back to him again. If thou see the ass of him that hateth thee lying under his burden, and wouldest forbear to help him, thou shalt surely help with him***". And although, the Lord recognizes the friction that sometimes exists between neighbours, nevertheless, God still expects us to take care of our neighbour's things, for He wants us to know that we are our brothers' keeper, regardless of the relationship, for we bear a responsibility towards our fellow man, good and bad. It is the Lord wanting us to cultivate that godly nature of being gracious. Period! But today, that does not exist, and thanks to Lucifer, because he is the author of chaos. He cannot exist where there is order, love, peace and harmony. He cannot exist where there is discipline, morality, and

sanity, because all these attributes are contrary to his being; contrary to his very nature. Therefore, you should know that in the final analysis, the society he will breed on this earth, will be a society that is a perfect replica of himself, an expression of Lucifer himself in humanity, in all of his evil and vile attributes. And may I continue to remind you, brothers and sisters, that his children are now here in the prime of the devil's nature, which is why the world is filled with the full attributes of Satan, for Satan is now in full expression in the earth.

There are so many things we can talk about in a message like this, for there is no end to the evil and wickedness going on around the globe today, but if we do, we will never finish this message. However, before we move on, let us first take a look at Satan's soldiers, his foot soldiers, and then I will ask you a series of related questions. (Brother Amos points to the chart). Here we have suicide bombers, Islamic suicide bombers, Satan's foot soldiers; well-armed; fellow authors of chaos, men anointed to wreck and maim lives, for to these

radical and extreme Islamic Jihadists, life has no value whatsoever, in their quest for a global Islamic Caliphate, which they are fighting very hard to establish on the earth. Consequently, the more lives they maim; the more carnage they create in the human society, and the more dastardly and barbaric they get in their mode of operation, the happier they become, for they are children of Lucifer, Osama Bin Laden's children! And really, whether we call them Osama or Obama, the spirit is the same, for the spirit of Osama is expressed in this militant guy here, this Islamic Jihadist here, (Brother Amos points to the chart), and the spirit of Obama is also expressed in this militant gay movement here, for they both have their militancy. One is militant for the cause of homosexuality and transgenderism, which is the LGBT movement, as they openly intimidate and legally oppress and "terrorise" Christians, and all morally sane members of the Western society; whilst the other is militant for Islamizing the world by the use of raw terror, suicide bombing, and the

cutting off of the heads of so-called infidels with machetes, which is outright Islamic terrorism. But the fact remains that both are terrorists, regardless of any denials to the contrary: One constitutes Iniquitous (Immoral) terrorists, whilst the other constitutes Islamic terrorists. The truth also is that both are doing the bidding of their father of iniquity, who is Lucifer, for both are Satan's children. That is why we have the two champions of the LGBT community, Barack Obama and David Cameron, carrying the gay marriage cake. (Brother Amos points to the chart). And indeed, what an abomination, that the heads of two of the greatest nations on earth are the ones championing the cause of gross immorality! I want you to know that there is a pay day coming for them, for this planet certainly has its Maker, one who demands righteousness; for the world did not evolve by itself as Charles Darwin theorized, and as he would have us believe, but the world was created by God Almighty, as God Himself revealed in His Word, the Holy Bible, and as recorded in the Book of Genesis. God is waiting for them, just as He is

waiting for every man at the end of his life's journey, to give them their due reward. Brothers and sisters, let me show you something, for we must ask: What makes men do these things? What makes people hate their Maker? And what makes people suddenly begin to burn for the same sex? What makes a man burn for another man, and what makes a woman burn for another woman, bearing unnatural feelings? What also makes a woman see a dog, and begin to burn for the dog, so much so that she carries the dog into her bedroom to have a sexual relationship with it? What also makes a man look at a tiger, and decide, "*I want to look like a tiger*", and he goes to a plastic surgeon to become a tiger in physical appearance, through a series of operations? What makes people do such things? What makes them have tattoos, in so much that they cannot have enough of them, until every inch of their body is covered with tattoos, including their face? And if it was possible, they would have even tattooed their eyeballs as well, if only they could tattoo it! Some not only tattoo, but through medical surgery, they also give themselves

implants, which gives them literal horns on their heads, just in order to look like the devil, for they look hideous (horrific; terrifyingly ugly)! But church, what makes people do these things? What makes a human being fall in love with a doll or an object which has no life, like a statue? It is insane! Brothers and sisters, you can look at all these things and say, "*Not on my body! I cannot give myself to such depraved cravings!*" But let me tell you tonight, not everybody who is caught up in that spirit wants to be in it, for some of them are seeking deliverance as we speak, which is also why a good number of them are committing suicide every day. It is not everybody that is gay that wants to be gay, or that wants to remain gay. It is not everybody that is lesbian that wants to be lesbian, or that wants to remain lesbian. That is why I receive emails from strangers sometimes, from foreign lands, asking for counsel and prayers to get out of that evil perverted lifestyle. Someone wakes up one morning, and decides that he is going to tattoo himself, and before you know it, he wants more, and he just keeps going

back for more, for he never seems to have enough of it on his skin, until he ends up looking like a creature straight from the pit of hell! (Brother Amos points to the chart). He looks like nothing but a fallen angel! What makes people do those things? What makes an old man see an eight year old girl, and want that eight year old girl? What makes a man look at his daughter, and decides to have his daughter? And what makes a mother look at her own son, when her son is yet tender, and she makes him her lover, living incestuously? What makes people do those things? I ask because these things are happening tonight. I will remind you of the case of Josef Fritzl who kept his daughter, Elisabeth Fritzl, captive for 24 whole years in a little cellar in Austria. He repeatedly raped her, and had seven children by her. He was caught when he took one of the children to hospital, and this 76-year-old man was sentenced to life in prison in 2009. Another case followed in 2011, in the Austrian village of St. Peter Am Hart, Upper Austria, near the Bavarian border, where a man sexually imprisoned and abused his two daughters

for over a 40-year period! And incest is happening not just in the West; incest is also taking place right here in Africa, in the Middle East, in India, in Brazil, in Mexico, in the West Indies, as well as all over the world. In 2008, you read of the sensational court case which Gbenga Obasanjo, the first son of our former President, General Olusegun Obasanjo, brought against his wife, Mojisola. He asked for the dissolution of his seven year old marriage on the grounds that his own father, Olusegun Obasanjo, was sleeping with his wife, an act of incest, and further that the father of his wife, Otunba Alex Onabanjo, had also been sleeping with her! So here we have a case of incest by the lady's father, as well as by her father-in-law. My! What utter a b o m i n a t i o n ! Consequently, Gbenga asked for DNA tests to be carried out on the children, in order to determine their paternity, as he was not sure whose seeds they really are! So incest is going on around the world, and it is going on here too, particularly among these people who are in cults, like the Ogboni cult. They do things for money and

power, and all sorts are required by Satan to get them what they want: *"You want power, you want money? Sell your soul!"* Brothers and sisters, why do people commit all these abominable acts? I will tell you exactly why they do these things, but it is not everyone engaged in these evil acts that want to do them. I have to say that demon possession is not limited to people that play with the Ouija board, and with things relating to occultism and witchcraft, although this leaves them open to a demonic takeover of their lives. Please note that. As I explained to you in other messages, it only takes one night, when a person is lying quietly in bed, and all of a sudden, a demon just comes and possesses him, and he begins to burn with an unusual lust, an unnatural desire, and then he begins to fight the evil urge to no avail, as the evil desire takes hold of his life, completely changing his lifestyle in that regard. If the person is a church goer, he begins to pray, *"In the name of Jesus, I bind you, get behind me, Satan!"* However, it is still going nowhere, and that desire only begins to grow, as he is

tossing and turning in bed, battling with a very strange evil lust, thinking within himself: *"Oh, this is ridiculous! In the name of Jesus..."* Let me tell you this, it is a losing battle from that time on, as that evil affection becomes his lifestyle, for it rules his life from then on! Why? Because there is only one ground that the enemy cannot overcome or prevail against; only one ground and one ground alone, that Satan and all the hordes of hell cannot prevail against! Matthew Chapter 16 gives us the prevailing ground, a ground that is a No-No for Satan, no matter what he does, and no matter what he wants to do, and that ground is the ground of the revealed faith of Jesus Christ! It is the ground of the pure revelation of Jesus Christ of the Bible; just as it is written in verses 17-18: ***"And Jesus answered and said unto him, Blessed art thou, Simon Barjona: for flesh and blood hath not REVEALED IT unto thee, but my Father which is in heaven. And I say also unto thee, That thou art Peter, and UPON THIS ROCK"*** (OF REVEALED TRUTH) ***"I WILL BUILD MY CHURCH; AND THE***

GATES OF HELL SHALL NOT PREVAIL AGAINST IT

The ground of revealed faith is the invincible ground; the overcoming ground. That is the ground, the only ground, the exclusive ground that Satan and all the hordes from hell cannot prevail against, for it is the only ground that is way beyond their reach! Full stop! Church, right here in this passage of Scripture, our Lord Jesus shows clearly and undoubtedly, that any and every other ground is already overcome by the devil. Now, therefore, tell me, just how any man can overcome the spirit of the devil, without the standard of the true revelation of Jesus Christ of the Holy Scriptures? How are you going to fend off the enemy of our soul, when you have thrown away the Absolute Authority of a true believer, which is the Inspired Written Word of God? Come on! Here you are, are walking on the road, minding your own business, and then a demon sees you. However, he sees you only as a spare vessel that he can possess, for they are tormentors, being demons, and are always looking for vessels to possess. All he sees is an

empty and available vessel: Because that is precisely what men are to demons! Demons are fallen angels, fallen spirits, who have been stripped of all their divine glory and attributes of goodness, and have become tormentors, evil spirits, who also seek temples of flesh to abide in, just like God. When they see a human body, they want to embody it; they want to possess it, creating chaos and havoc in the life of their host, for Satan is only out for chaos, just as it is recorded in the Gospel of Saint John Chapter 10, verse 10: ***“The thief”, (meaning the devil), “cometh not, but for to STEAL, and to KILL, and to DESTROY: I am come that they might have life, and that they might have it more abundantly”***. These fallen spirits ***“steal”*** the health, the happiness, and the goodness of men, and most importantly, they steal eternal life away from men, by making men not see the way of life eternal, and if they see it, they cause them to derail from the way of eternal life, thereby taking eternal life away from them. And is that not what Jesus stated in the Parable of the Sower concerning the seeds that

fell by the wayside, that the birds of the air, (referring to demons), came and took away or stole the seed that was sown in their hearts, as recorded in Matthew Chapter 13, verse 4? Yes, that is exactly what the Lord said! In verse 19, Jesus plainly declared: ***“When any one heareth the word of the kingdom, and understandeth it not, then cometh the WICKED ONE, and catcheth away that which was sown in his heart. This is he which received seed by the way side”***. But what is stolen here? It is the seed of eternal life, for as it is written, the devil cometh not but for to ***“steal”***! Secondly, they are also set to ***“kill”***, physically and spiritually, as well as to ***“destroy”*** and maim the lives of men, mentally, e m o t i o n a l l y , psychologically, physically, and spiritually! They come into people's lives and cause serious havoc and torment. They are tormenting spirits, who are bent on torturing and distressing humanity, in order to make this world a hellhole! You must understand therefore, that it is not the spirits who are suffering the dementia, the pain and the agony, and all

the other trauma that is associated with any such possession, but their hosts, for their hosts (the vessels whom they have possessed), are the ones suffering the pain, because these demons derive pleasure in traumatising humanity. So, here the man is quietly walking down the road, minding his business, and a demon suddenly falls on him, deciding, *"Ah, let me use this vessel. I like the vessel, and I will use him."* It could also be a woman or a lady, or even a little girl walking down the road, and the devil would say, *"I like that vessel, and I will use her."* You do not see the spirits, and when they come into you, they do not come in with noise; they do not make a sound, for it is not with a bang. They come in quiet and easy. But sometimes, though, you can even hear a thud, a sound that lets you know that something has taken place. Sometimes they come in with a particular feeling and a thought, because sometimes, you know that something has just entered into you. Most times you do not know, even though there are times that you know, for they make a rude entrance into you that makes you

aware that you have just been possessed by an evil spirit. You know for certain that something has just entered into you, and when that happens, you begin to fight and to struggle with it, as a church going person; but it is a losing battle! For I have to ask, and please tell me, what will you use to dislodge the demon? Prayer? You want to pray Satan out? I will then ask, on what ground are you making that prayer? Exactly! Because to start with, the ground you are standing on is his territory! Now tell me on what ground are you going to dislodge the devil, when you are on his turf, on his own ground? You did not hear what Jesus said? He said that before you can dislodge a strong man from his domain, you need to bind him first, which shows that you have to be stronger, for he must have no hold over you! Jesus said it in Matthew Chapter 12, verse 29: ***"Or else how can one enter into a strong man's house, and spoil his goods, except he first bind the strong man? and then he will spoil his house"***. So how are you going to bind and dislodge him without the power, the prevailing power, the overcoming

authority of the pure and unadulterated revelation faith of Jesus Christ of the Holy Bible, which you have already denied, for you have denied the power thereof, having rejected its truth, accepting in its place, a watered down version? How can you do it? I will also remind you of what the Lord said concerning the return of the evil spirit in Luke Chapter 11, verses 24-26: ***"When the unclean spirit is gone out of a man, he walketh through dry places, seeking rest; and finding none, he saith, I will return unto my house whence I came out. And when he cometh, he findeth it swept and garnished. Then goeth he, and taketh to him seven other spirits more wicked than himself; and they enter in, and dwell there: and the last state of that man is worse than the first"***. This is so because they are always looking for living bodies to inhabit, for they are demons. He does not have to be playing with the Ouija board before these demons can have access back into his life! Therefore, it is not enough that a deliverance has been wrought in your life. The issue is that you need to come into the true

revelation of Jesus Christ of the Holy Scriptures; you need to come into truth, and let the truth of the Lord be your shield and your shelter, and truth is Christ, and Christ is life! Hence it is written in the Book of Psalm 91: **“He that dwelleth in the secret place”** (OF THE REVEALED FAITH) **“of the most High shall abide under the shadow of the Almighty. I will say of the Lord, He is my refuge and my fortress: my God; in Him will I trust. Surely He shall deliver thee from the snare of the fowler, and from the noisome pestilence. He shall cover thee with His feathers, and under His wings shalt thou trust: HIS TRUTH SHALL BE THY SHIELD AND BUCKLER. Thou shalt not be afraid for the terror by night; nor for the arrow that flieth by day; Nor for the pestilence that walketh in darkness; nor for the destruction that wasteth at noonday. A thousand shall fall at thy side, and ten thousand at thy right hand; but it shall not come nigh thee. Only with thine eyes shalt thou behold and see the reward of the wicked. Because thou hast made the Lord, which is my refuge, even the most**

High, thy habitation; There shall no evil befall thee, neither shall any plague come nigh thy dwelling. For He shall give His angels charge over thee, to keep thee in all thy ways. They shall bear thee up in their hands, lest thou dash thy foot against a stone. Thou shalt tread upon the lion and adder: the young lion and the dragon shalt thou trample under feet. Because he hath set his love upon me, therefore will I deliver him: I will set him on high, because he hath known my name. He shall call upon me, and I will answer him: I will be with him in trouble; I will deliver him, and honour him. With long life will I satisfy him, and shew him my salvation”. When the demon goes round, and says, “All the people I am seeing, I do not like them. I will go back to where I came from.” When he comes back, he sees Jesus Christ the stronger man in you, burning in his divine revelation, and he has no choice but to stay away from you, because of the ground upon which you are standing! If Jesus is not in you to fill the vacuum, the demon will say, “Wow, they have cleaned it out. I cannot

live here alone. It is not good to live here alone, for it is too clean for me to live in alone.” He goes to call seven more demons worse than himself, and Jesus said that the state of the man will be worse than at the first. So I am showing you the operation of these spirits, these fallen spirits, these demons who are nothing but fallen angels, devils! They are the ones responsible for the inordinate affections being stirred up in men around the globe, for they possess men and ignite in them all manner of lusts; all manner of evil and unnatural affections; demonic affections, and it is not going to change or get better, but rather, it can only get worse, for we are at the end. Moreover, what the world do not realize tonight, is that Satan is still God's messenger, God's messenger of divine judgment against the children of disobedience. Let me prove it to you scripturally, for as elect bride saints, you must understand the operation of evil spirits expressed in the evil desires, the evil and strange lifestyles that we are seeing in the earth today all over the globe, for it is a global phenomenon.

Come with me to the written Word, for *PERILOUS TIMES ARE HERE!!!*

Church, in his Epistle to the Romans in 60 AD, Apostle Paul laid out the apostasy of the Gentile world in Chapter 1, for it tells us something very revealing; it tells us precisely why all these evil things are taking place today in the earth, just as it is written from verse 21: ***“Because that, when they knew God, they glorified Him not as God, neither were thankful; but became vain in their imaginations, and their foolish heart was darkened. Professing themselves to be wise, THEY BECAME FOOLS, And changed the glory of the uncorruptible God into an image made like to corruptible man, and to birds, and fourfooted beasts, and creeping things. Wherefore God also gave them up to uncleanness through the lusts of their own hearts, to dishonour their own bodies between themselves: Who changed the truth of God into a lie, and worshipped and served the creature more than the Creator, who is blessed for ever. Amen. For this cause God***

gave them up unto VILE AFFECTIONS: for even their women did change the natural use into that which is against nature”, (thereby becoming lesbians): ***“And likewise also the men, leaving the natural use of the woman, burned in their lust one toward another, (thereby becoming gays, homosexuals); men with men working that which is unseemly, and receiving in themselves that recompence of their error which was meet. And even as they did not like to retain God in their knowledge, God gave them over to A REPROBATE MIND, to do those things which are not convenient; Being filled with all unrighteousness, fornication, wickedness, covetousness, maliciousness; full of envy, murder, debate, deceit, malignity; whisperers, Backbiters, haters of God, spiteful, proud, boasters, inventors of evil things, disobedient to parents, Without understanding, covenant breakers, without natural affection, implacable, unmerciful: Who knowing the judgment of God, that***

they which commit such things are worthy of death, not only do the same, but have pleasure in them that do them”. Did you hear that? We will take Romans Chapter 1 again, beginning from verse 28, and please pay close attention: ***“And even as they did not like to retain God in their knowledge, God”*** (Himself) ***“gave them over to A REPROBATE MIND”.*** A reprobate mind simply means a perverted mind, one that is warped. Such a person simply becomes a senseless minded person, a mind from which all true sensibility has been totally stripped away, although as far as he is concerned, he is very wise, very smart, very sensible, for he can accomplish great earthly feats; but he is most stupid, only he does not know it. And you know that the hardest person to convince of being a fool is a fool. You did not hear what I said. The hardest person to convince of being a fool is a fool. That is why the Book of Proverbs Chapter 27, verse 22, says that you can beat a fool with a pestle in a mortar, but he will still remain a fool, because you cannot beat his foolishness out of him; you will only end up killing

him. Because a fool will ever remain a fool, just as it is written: ***“Though thou shouldest bray a fool in a mortar among wheat with a pestle, yet will not his foolishness depart from him”***. Consequently, when wisdom or sense has been taken from man, there is nothing to make him realize that he is a fool, and as such, he remains a fool in every way, utterly senseless, and does not know it. And that is precisely the spirit God has given humanity over to, for humanity have gone totally senseless. And is that not what God said in Romans Chapter 1, verse 22? The Lord said, ***“Professing themselves to be wise, they became fools...”*** Let us skip to verse 24, and it records: ***“Wherefore God also gave them up to uncleanness...”*** God gave them over; God removed His hands. When God gives up somebody, it simply means that God removes His restraining hand, and He says to the devil, *“Lucifer, you have another candidate in your laboratory. He is all yours now to work upon.”* That is what it means! You are not hearing me. When God gives up somebody unto uncleanness, God simply

removes His hands of constraint and grace from that person's life, and turns him over to the devil to deal with as he desires, working all manner of evil desires in that person. I will tell you tonight, that even morality which some profess to have, is strictly by the grace of God, for if God removes that grace, all their morality must collapse! Because they did not like to retain the knowledge of God, God also gave them up to uncleanness. Verses 26-28 reinforces the same truth, declaring: ***“For this cause God gave them up unto vile affections: for even their women did change the natural use into that which is against nature: And likewise also the men, leaving the natural use of the woman, burned in their lust one toward another; men with men working that which is unseemly, and receiving in themselves that recompence of their error which was meet. And even as they did not like to retain God in their knowledge, GOD GAVE THEM OVER TO A REPROBATE MIND, to do those things which are not convenient”***. This opens the door to Satan; it is an open ticket, an open

invitation to Satan, a divine permission, an express permission to take over that vessel, and to work all manner of evil and unnatural affections and lifestyle in that vessel. It is like when God says: *“Satan, you have another child for your baptism. Baptize him!”* That is how God gives over a person, a people, or a society to the devil, and this is the game changer in that society from thence. So, Satan says, *“Thank you Almighty God”*, and he goes and takes over that society, possessing it, so much so, that it is no longer human beings walking the streets, but demons. And that is precisely the state of the world today, for it is demons that are walking in the streets and not mere men, raw demons, expressed through men! Do not forget that Satan is still God's servant at the end of the day! I am only showing you the application of God giving over someone to a reprobate mind, or to vile affections and uncleanness! The devil comes and baptizes him with an anointing, an evil anointing, and his life is no longer the same. When the baptism takes place; when the anointing falls upon

him; when the possession takes place, he or she may be inside a bus or train, or in bed, or even at a bus stop or train station, when the baptism takes place suddenly, and the anointing comes upon him or her, as the evil spirit possesses the vessel, igniting a burning evil and overwhelming desire in him or her. That person will just see another man standing, and as a man, he just realizes he has an evil attraction for him: *"Oh, I like this man."* He starts to fight within himself, thinking, *"What is going on?"* Nobody knows that this is going on, for he is the only one that knows what is going on inside of him. It can also happen to a woman, and she will see another woman, and all of a sudden, she will start burning in desire for that woman. It operates the same way with bestiality. They may go home that day without actualizing the desire, for nothing may happen in reality. However, the truth is that that evil desire does not go away, for it is only the beginning of this evil lifestyle, be it homosexuality, bisexuality, transgenderism, bestiality, or objectophilia, as the sensation or lust can only increase, until he can no

longer refuse his passion. He yields to it, thinking that that is what he now loves deep down within him, as he justifies his evil feelings. When this is allowed to take place in a nation or society, you will suddenly see this demon breaking out on every hand, for it is breaking out like a plague everywhere, and you wonder how come this is happening so fast and so widely! It is demon possession! It is Satan's baptism; it is Satan anointing and possessing humanity! That is the troubling reality of the times we are now living in, for it is the sign of the Perilous Times! When this demon possession takes place, people begin to like and desire the things that they should hate and abhor; things that are evil and abominable, being inhuman or unnatural, for they are **"vile affections"**, the evidence of **"a reprobate mind"**. That is a perverted mind; a warped mind; a deranged (insane) mind! From that day, insanity becomes his life, it is only that he does not know it! Oh, he still likes cornflakes, and has it for breakfast, and he still goes to work, and is good at his job; and he is still the head

of the engineering department. Those things do not change, for that is not what changes about him. What changes about him is that he has now taken on a nature that is worse than that of an animal, for animals do not engage in unnatural desires or evil lifestyles. For instance, I have never seen a cat going after a toad. I said that I have never seen a cat wanting an intimate relationship with a toad! Come on! I have not seen any animal going after another kind of animal other than its own species, and neither have I ever seen a male horse go after a male cow for sex, and vice-versa. But today, man is fast losing taste for the opposite sex, for men no longer want women, and women no longer want men. Men want men, and women want women, apart for those who engage in both sexes, for they are bisexuals, and this is the order of the day. Moreover, it is a fact that men have even gone beyond that, for not only have they gone into bestiality, they are even tired of all natural sex, so much so that they have turned their sexual desires to inanimate (lifeless) objects, as Satan works all

manner of evil and incredible and unnatural desires in them. Satan said, *"I have to take this sex relationship to another level, an unparalleled level, for I am still not satisfied"*. Hence he possessed one lady, and she suddenly had an erotic attraction for a pole, or a statue, or an iron bridge! Right there, she begins to derive sensation from an inanimate object. As I stated earlier, that is why in Japan, for example, they are marrying cartoon characters, as well as synthetic lifelike dolls! Cartoon characters are what they are marrying, as well as dolls made to specification, male and female, because they do not want the responsibility of marriage! These computer generated cartoon characters can be talked to, and can also talk back: *"Oh, you have not greeted me today. I have missed you. How are you? How was your work? I love you."* It is just a cartoon image with a computerized response, and they marry that! Another man marries a synthetic doll, and makes love to a doll made out of silicone! This world is sick, for it has gone insane! I ask: What is responsible for that? What is responsible

for all these most unnatural and insane lifestyles? They are all acts of devils, acts of grievous SIN! They are acts of demon possession, pure and simple! That lets you see that Satan has slowly but quietly and steadily embedded himself in human society. The only thing that remains is for him to leave the heavens from where he operates, and come down in the middle of the 70th Week of Daniel, not by choice, for God drives him down literally, to join his foot soldier demons, along with all the other hosts of fallen angels, as he will be driven down by force. So when he is no longer directing and controlling humanity from the skies, he is now down here for a short while, that old evil warrior of hell, scripturally known as **"A p o l l y o n"** and **"Abaddon"**, what a world this will be! When he is thrown down here on earth, I wonder what the human society will be like in that day. Think about it! We have not even talked about the wicked and dastardly operation of gangs in the world, Hell's Angels and the sort, Chinese Triads, and the deadly gangs from Hispaniola. Look at cultism in schools, where young

people wielding machetes are hacking themselves to death, drawing blood. Children that are sent to school to learn and make something out of their lives, enter cults and carry machetes and guns. We have talked about sex traffickers, people who force little girls and ladies into sex slaves against their will! What is going on? It is plain demon possession! Saints, you have to see the operation of demons today, and I say that to make a serious point, for your only place of refuge in these perilous times; your only ark of safety, is in the pure revelation of Jesus Christ. True safety is not in Jesus par se (simply speaking Jesus), for everything will not go in the name of Jesus Christ, on the full authority of Matthew Chapter 7, verses 21-23! True security is not in Jesus simply speaking, because every church goer also "believes" in Jesus, and yet, most of the church goers in the earth are going straight to hell with their so-called beliefs. That is why I made the distinction that true safety is in the scriptural revelation of Jesus Christ, because Jesus is not here in his body of flesh for anybody to love him; he is

only here as he is revealed in his Word, and as such, safety is in Jesus Christ in his true divine scriptural revelation. Period! You go away from it, you have no place of safety. Somebody told me one day, he said, **“Brother Amos, I like the way you preach. A lot of all these big men also started well. You must be careful so that you do not fall”**. I said forget it, for my carefulness cannot keep me, as we cannot be careful enough not to fall! In this evil world, you do not have enough carefulness to sustain you! If God is not sustaining you, you are not sustained! Period! I told him, *“I will not be careful about falling, except to be careful to stand for revealed truth. That is all I need to be careful about. But about falling, forget it, for that is not my problem. My problem is to look to God to help me stay in the light, because in the light, forget about falling. Forget about that, because God upholds His people in the light, as God's truth is our shield and buckler; it is our wall of defense.”* Brothers and sisters, there is a shelter, a divine shelter, an invisible shelter, a divine security, an impregnable fortress that the truth of Jesus gives

God's children, for in the light of Jesus Christ of the Bible, we are safe from all alarm. The salvation of God which we have in Jesus Christ is our wall of defense, our fortress. That is why in the Book of Revelation Chapter 21, it says that the New Jerusalem has **“a wall GREAT and HIGH”**, and that great and high wall is salvation! It is put together by the building blocks of the divine and infallible revelation of Jesus Christ, and that is what fortifies you. And in that fortress, no demon can make a difference! Let me tell you tonight, you have nothing in you to make you careful enough not to fall, because as a man, you will make mistakes; as a man, you will fall short here and there, for we bear a fallen nature, and as such, we are fallible! Therefore you cannot be careful enough, for you will always err! But if Jesus keeps you, if He that keepeth Israel, He who neither slumbers nor sleeps keeps you, all hell will be removed from you! A few nights ago, brothers and sisters, whilst I was sound asleep, I suddenly woke up, and then I tried going back to sleep. Suddenly I realized that somebody

was walking on my balcony. So I thought to myself, *“May be it is the plant rustling.”* But you and I know that there is a world of difference between the rustling of leaves and the sound of footsteps. So I raised myself up from the bed, and stayed still sufficiently enough to know that something was out there. Even the plants were as still as a pole, because there was no breeze at all. So I just smiled, and went back to bed, because the angel of the Lord is on guard! It is written in Psalm 121, verses 3-8: **“He will not suffer thy foot to be moved: He that keepeth thee will not slumber. Behold, He that keepeth Israel shall neither slumber nor sleep. The Lord is thy keeper: the Lord is thy shade upon thy right hand. The sun shall not smite thee by day, nor the moon by night. The Lord shall preserve thee from all evil: He shall preserve thy soul. The Lord shall preserve thy going out and thy coming in from this time forth, and even for evermore”**. Amen! Brothers and sisters, only God can keep a man, just as it is written in Psalm 127, verse 1: **“Except the Lord**

build the house, they labour in vain that build it: EXCEPT THE LORD KEEP THE CITY, THE WATCHMAN WAKETH BUT IN VAIN". Only God can keep a man! But if, by the grace of God, we can log on to the true revelation of Jesus Christ, our soul is anchored immovably, for as Jesus affirmed, "***...UPON THIS ROCK I will build my church; AND THE GATES OF HELL SHALL NOT PREVAIL AGAINST IT***". The gates of hell, however many, and however evil and powerful they may be, cannot prevail against it! If only you can get your soul established firmly upon the pure revelation of the Bible truths of Jesus Christ, your soul is secure. Unfortunately, that is the Book that the religious world have thrown away and turned into a historical traditional Book, a mere Book of history and tradition, one which, today, has no relevance to what they believe and stand for, and certainly one which has no relevance to what they teach, for its authority has been thrown overboard, bearing no influence whatsoever on issues of faith! However, the truth is that if you make it your foundation stone, even the

hosts of hell, when they see you from afar, will say, "*Ah, do not move near him; do not go near that one.*" Lucifer told God in Job Chapter 1, verses 10-11, "*How can I touch Job? Even the little pin that he owns, his children, and all that he has, have your hedge around them. So, just how can I touch him, except you remove your hedge*"? Do you know that even Job's broom, the broom he used to sweep the floor, had his name on it, and as such, even Satan could not touch his broom as to say, "*Let me remove his broom, so that his household would not have any broom with which to sweep their compound*". Even Job's broom was secure, for Job's name was attached to it! Think about it! Halleluiah! And that is the portion of the bride of Jesus Christ, because we are ordained for glory at this end time! I have a place where I am going, and a reason why I am taking this route. Brothers and sisters, bear with me and open your eyes and see something. When Apostle Paul spoke of perilous times, dangerous times, and he broke down the attributes of that hour, saints, we have to realise that it is an hour when Satan brings his

children into maturity, and they take over the world, for it is a global reality, a global development. The world then becomes an embodiment of Lucifer in all of his evil attributes. That is why tonight, the world is nothing but a world of evil, wickedness, violence, immorality, and chaos, totally corrupt and bankrupt, for it is an upside down world, and all they love is sports and entertainment, pleasure and material acquisition, money, fame, and power. This now brings me back to where I am going to close, in our consideration of perilous times, and we will close with the thought of Satan's foot soldiers, which I touched upon before: The Islamic suicide bombers. They look for a densely packed marketplace, or a very busy department store, or a densely populated bus terminal like the one in Nyanya, in Abuja, a very busy train station, the underground, where there are crowds, as the target of their evil and dastardly operation. That is where they go, and there they detonate their bomb, so that they can take along as many lives as possible, and cause as many casualties and carnage and chaos as

possible, maiming as many lives as much as they possibly can, falsely thinking that they are making it to heaven as martyrs, when they are on a certain road to the lake of fire! Church, they are going straight to hell for certain! And let me tell you tonight, a great portion of hell is waiting for them! Brothers and sisters, these grossly deceived characters are dancing to the tune of the devil, and are carrying out the commission of their father, Lucifer, the author of chaos and carnage! It is Lucifer taking over, and totally warping the hearts and minds of people, because Satan cannot allow order and peace in his society, for Satan's society will not be such. When you have order and peace, you are looking at a godly society, which is absolutely contrary to Satan. That is why he will make humanity go on doing exactly what they are doing today, and it can only get worse, and not better, for humanity will not change, as this is where it all ends! The irreparably broken down society of man only affords the devil the necessary ground he needs for the establishment of his super government, which is not the One World

Government, but The Super European State, the Restored Old Roman Empire, which is the European Union. The colossal death, mayhem, and gross insecurity, which the Islamic Jihadists are creating all over the globe, is all helping to maintain the perilous times, thereby creating one of the necessary platforms for the establishment of this Super European State, for the reign of the Anti-Christ.

Church, I will remind you of the 276 school girls who were just abducted last month in a Government Secondary School in Chibok, Borno State, in North-Eastern Nigeria, by Boko Haram Islamic Jihadist and terrorist group, and who also burnt down the school completely. Over 219 are still missing, and they have been carried across the border into various nations, as they will be sold as harem to Islamic militia men. These poor girls are forcefully going to be sold into marriage to demon possessed men, old men that probably have been eaten up by gonorrhoea, syphilis, and AIDS. Poor girls! Brothers and sisters, you can only imagine the pain and the

agony of their parents and loved ones, and the devastation that this evil event has wrought on their families, for many homes will never be the same again. What an evil and most wicked world! When the girls woke up on April 14th, 2014, little did they know that that would be their last day in that school, that something extremely evil was going to happen that night, going on to the 15th, which was the following day. Let me say this to all parents. (Brother Amos sings a chorus):

Have faith in God!

Have faith in God!

Have faith in God (For protection)

Have faith in God!

Do not worry about your children. As children of the light, just lift them up before the throne of mercy, and trust God to protect them, for some things are out of our power. Brothers and sisters, when the road will experience carnage, even if they were to travel on that day, God will make it impossible for them to travel, for He will create a condition that will preclude them from travelling. Brothers and sisters, when a bus is destined to crash,

and all the passengers are to be exited from this world, God will not allow your children to enter that bus, even if they have already bought a ticket, for the Lord will create a condition that will allow them to be left behind. A divine urgency will come upon them, making them rush back to the house to do something that they forgot to do, and which they have to do before they can travel. It is in the news that they will hear that that particular bus has crashed, and that everybody in it has died, for as it is written, only with our eyes shall we see and hear of such evil, for it shall not come near us. (Brother Amos bursts forth into singing):

Have faith in God!

Have faith in God!

Have faith in God (For protection)

Have faith in God!

There is none like the Lord God Almighty! Brothers and sisters, have faith in God. Let us always pray for our loved ones, and also remember that God keeps His own people, and that all is well with the people of the Lord. It is certainly well with the bride of Jesus Christ! Do you know what the Bible

says? It declares in Isaiah Chapter 3, verses 10-11: **“SAY YE TO THE RIGHTEOUS, THAT IT SHALL BE WELL WITH HIM: for they shall eat the fruit of their doings. Woe unto the wicked! it shall be ill with him: for the reward of his hands shall be given him”**. Halleluiah! Hold to the Word of God! It is also written in Psalm 91: **“A thousand shall fall at thy side, and ten thousand at thy right hand; but it shall not come nigh thee. Only with thine eyes shalt thou behold and see the reward of the wicked”**. Halleluiah! No harm, no evil shall befall you! The Bible also declares in Psalm 125: **“They that trust in the Lord shall be as Mount Zion, which cannot be removed, but abideth for ever. As the mountains are round about Jerusalem, so the Lord is round about His people from henceforth even for ever. For the rod of the wicked shall not rest upon the lot of the righteous; lest the righteous put forth their hands unto iniquity. Do good, O Lord, unto those that be good, and to them that are upright in their hearts. As for such as turn aside unto their**

crooked ways, the Lord shall lead them forth with the workers of iniquity: BUT PEACE SHALL BE UPON ISRAEL”. We serve a faithful God! Brothers and sisters, just pray for your loved ones, particularly your children; lift them up constantly before the throne of grace, and leave the rest to God, for the times are evil. He will take care of you and all yours, for He cannot fail, and He has never failed. Only walk with the Lord faithfully, humbly, and sincerely, in the light of His Word, and He will also show Himself faithful. Let me try to wrap up my message. I just want to take these foot soldiers of Satan and we will close, for they are nothing but emissaries from hell; they are ambassadors from hell. They are called Islamic suicide bombers and Islamic terrorists, Islamic Jihadists; but in spiritual reality, they are emissaries of hell, agents of chaos and carnage, whatever their name is, for I do not care what their name or their brigade is! Some are called Hamas in Gaza: That is one brigade. Some are called Taliban in Afghanistan: That is also one brigade. Are you with me? Some are called Boko Haram in Northern Nigeria: That is another

brigade. When you go to Sudan and Kenya, some are called Al-Shabaab: That is another brigade. In Lebanon we have some called Hezbollah, who make up another brigade. And in Syria, we have a brigade called ISIS, the prince of them all; and all these brigades came out of Al Qaeda, which is the mother of them all. But we do not care for what names they are called, for they are all foot soldiers of the devil sent directly from the pit of hell, to create death, chaos and carnage on the earth, for they are messengers and ambassadors of chaos! May I say that they are needed for this hour, being vital pieces! Otherwise I have to ask: How will global insecurity be accomplished if these Islamic Jihadists were not here to create such chaos on earth as we see? Come on! What do you think perilous times are? Dangerous times! That is why sometimes, people do not even know how to go out! They are afraid to go out, because they do not know if they will return alive! They do not know if the next person they are walking with on the road is a suicide bomber. That is the height of the insecurity and the daily uncertainty of life that has taken over

many regions of the world! The world is facing global insecurity as we speak, from Africa, to the Middle East, to Asia, to Europe, as well as to the United States, where people are being killed practically every day through gun violence by lone individuals, men whose minds have been taken over by the devil! Insecurity is now the terrible reality of our times! Church, I am showing you the heart wrenching prophetic application of the prophetic words of our Lord Jesus Christ, recorded in the Gospel of Saint Luke Chapter 21, which speaks of global insecurity at this end time! The suicide bombing in Nyanya caused such death and destruction, that human flesh was just lying everywhere, strewn all over the place, for people were literally blown to bits, unrecognizable! There were so many people that nobody could recognize, and as we speak, many people have not yet found their loved ones, because the victims who were bombed could not be identified. So they do not know whether it is them or not, because they were blown to bits beyond human recognition. This is the operation of the spirit of Satan, and the story is the

same in Iraq, Afghanistan, Syria, Libya, Sudan, Algeria, etc. I show you the activity of demons! What are all these evil developments showing us? They are traits, solid evidences, vital clues, being attributes of Satan, that we are now living in perilous times, for *PERILOUS TIMES ARE HERE!* I told you during the last service, that in Bali, they sell fake alcohol, and that many holiday makers from the West die there every year. I also related to you the case of a couple who decided to travel to Bali, along with all their guests, to have their marriage. They all died from consuming fake alcohol at the wedding. As long as people make money, they do not care whose life is maimed, and they certainly do not care whose life is snuffed out, for to them, it is all about money! They serve Satan's objective in creating chaos in the earth, bringing about what is called perilous times. The problem of Syria is staring us in the face, the evil that President Assad is doing to his people in Syria, using biological weapons against his own people, all in his bid to hold on to power. That lovely country has been totally

devastated, with cities turned to rubble! Why would a leader not step down, if it will bring peace to his country? Why should the ambition of one man mortgage the welfare of a whole nation? These are leaders that Satan has anointed to bring evil and insecurity to the world, and just look at the refugee crises that it has generated! These leaders are not much different from these Jihadists, (Brother Amos points to the chart), except that they do not carry bombs themselves. However, the effect of their evil is worse than that of the suicide bombers, who are limited in their area of operation and effect. I am showing you the evil of political leaders who are dictators. Let the country collapse; let the whole country wreck; let all the citizens perish; as long as they are in position, they do not care for anything! Such is the case with Assad of Syria, the lanky demon! That beautiful country has been destroyed, and its people displaced. It is finished, and yet, the man is still there, holding to power, for dictators do not care! Brothers and sisters, they are instruments of Satan, another class of leaders in Satan's army, under his

direct leadership, bringing distress to nations. We come to the chaos in Ukraine! Thanks to Vladimir Putin, and thanks also to the West, for their unnecessary meddling in that region, which ignited everything to start with! You know, Church, by the time President Putin finishes with Ukraine, there will be no Ukraine, unless the Lord stops him, for he will break that country up into little bits! And because of his Soviet military power, both in terms of military arsenal and everything, the West know that they cannot slog it out with Russia, and so, they cannot try the military option. Forget it! That is totally out of the question, and they know that. That is why they are using sanctions, and even with sanctions, there is a limit to which it can be used, because Europe is economically tied to Russia, and they will end up hurting themselves, if they are not careful, and they know this. Brothers and sisters, Putin is trying to bring back the old U.S.S.R. He wants to put it back together again. But you know, the pathetic thing is that they really think that they are wise, and yet, they are so foolish, because they do not know what the

day is saying! The truth is that the days of the Soviet Union are over, regardless of the advanced Communist Agenda, and regardless of their covert influence over the United Nations and its Agenda 21, seeking to establish a One World Government. Brothers and sisters, listen to me very carefully, for we are not following fables. It is going to be the Pope as head over the Ten Horns of Europe, The European Union: That is what will be the super power in the world, after the United States! They have already created a robust, Hi-Tech Elite European Army to support this, one that was created back in and around 2009, and one which will be expanded to cover the entire union. The next super power, and the final super power, after the United States of America caves in, (for her judgment is now at the door, and she is doomed to collapse), is going to be **The European SUPER STATE**, the Revived Old Roman Beast Empire, and Not a One World Government, nor the Soviet Union, and neither will it be China! That is the absolute truth, for as I always say, **EVERYTHING WILL GO THE BIBLE WAY!** Out there, they do not know

the Bible, and neither do they care, yet, everything is going to end up exactly as the Lord revealed in the inspired Scriptures of Truth. Just wait for the days of the activation of the War of Ezekiel Chapters 38 and 39, when God Himself takes Russia out, and then Europe will have their revenge on Russia, for they will not forget in a hurry what is going on right now; what Russia is doing to their interests. So just wait and see, for the leaders of the world do not have a clue to anything, for the very Bible they hate and condemn, has the roadmap to this end time, how everything will pan out. That is why we look at them with pity, for they are as blind as bats, having no real clue to anything, but thinking that they are very wonderful and knowledgeable. So Putin wants to bring back the old U.S.S.R. Look at how he is destabilizing and turning that country upside down,

and bringing chaos to the Ukraine. Brothers and sisters, these world leaders, these dictators, are just plunging the world into chaos, bringing insecurity to the earth; but it is serving the purpose of the devil, for he wants chaos, and God is also allowing it, for as it is written, **“the Scripture cannot be broken”**.

The world tonight is in a horrible state! Look at the horrible developments in Sudan, the War in Darfur, where genocide was carried out with godless impunity, with the West looking away completely. Sudan is still in turmoil as we speak. Look at even Egypt in its present state of unrest. Look at Syria; look at Afghanistan; look at Iraq; look at Ukraine; look at Libya. Brothers and sisters, what is wrong with humanity? Why is man in such a terrible state? Church, terrible things are

happening in the earth tonight. Open your eyes, for the world is in chaos, and the satanic rollercoaster ride has only just started. The world is in distress, great distress, one which is global, and it is not going to let off. The world is in a horrible shape tonight in every respect, and it is most SINFUL, and we all know that it has never been like this before. Why is this happening? Why is the world in such a horrible shape? Church, it is because these are perilous times, for **PERILOUS TIMES ARE HERE!!!** Make no mistake about it, saints of God. Apostle Paul spoke of it by the Spirit of the Lord, and we are now living in the dangerous times that was foretold in the Holy Bible. May God give His children peace, in the midst of the storm that is raging. Shall we bow our heads in prayer. (Brother Amos prayed).

The Lord bless you.
