## PERILOUS TIMES ARE HERE!!! - PART 4

This message was preached by Brother Amos, on the morning of Saturday, May 3rd, 2014, at Bible Faith Tabernacle, Lagos, Nigeria. It is the final instalment to what has been a timely message, real food in due season. By the grace of God, Brother Amos was able to capture the spirit of the age, to help God's children to know exactly what is going on out there, and to help them to know just how to look at it.

I greet everyone in Jesus' Name. It is good to be together again, and we thank God for another opportunity we have to gather together around the Word of God. We want to continue our message this morning, titled, *PERILOUS*

*TIMES ARE HERE!!!* Can you turn with me to 2 Timothy Chapter 3, for our Bible text, which we will read from verse 1: ***"This know also, that in the last days PERILOUS TIMES SHALL COME. For men shall be lovers of their own selves, covetous, boasters, proud, blasphemers, disobedient to parents, unthankful, unholy, Without natural affection, trucebreakers, false accusers, incontinent, fierce, despisers of those that are good, Traitors, heady, highminded, lovers of pleasures more than lovers of God; Having a form of godliness, but denying the power thereof: from such turn away"***. I am trusting God

to bring my message to a close this morning.

Brothers and sisters, we ended our message on Thursday, considering an issue, for we asked ourselves a question. When we look at what is going on in the world, we see that the world is so corrupt, so full of evil and sheer wickedness, and there is no limit to the evil and wickedness, that man is perpetrating in the earth, for it is getting worse with each passing day. The world has changed, for it is no longer a safe, secure, decent, and sane society, as it is full of unimaginable evil, wickedness, immorality, and perversion of every sort, and it is also riddled with violence, chaos, and unrest, giving so much unease and insecurity. It is a horrible world we now live in, the worst since Adam and Eve got here. There is absolutely no extent to which man will not go in order to make money, as everything for them is about money, for **“mammon”**, **“filthy lucre”**, is their god, because they are earth bound creatures. No wonder, Brother Branham

preached a message, when he looked at this world, he called it **“Satan's Eden”**. Indeed it is Satan's Eden, because Satan is an angel of iniquity, and here he holds court. Everything about him is unrighteous, and that is the kind of environment he creates, because in such an environment, God has no say, and God has no hold or influence: he (Satan) reigns! And that is the kind of world he has been able to carve out for himself. We ended our message on Thursday by asking ourselves something: How come these things are happening? What is wrong with humanity? Why is the world so evil? Men have no conscience whatsoever, which is why they are completely devoid of any ounce of natural affection or brotherly consideration; no milk of kindness, and no gene of pity in them. Man has become extremely selfish and greedy, and is most uncaring, and very hateful of one another, and how they also hate the very thought of God! Why is humanity so perverse? Why are men so deceitful and wicked? Why is the leadership of the world so deceitful, so corrupt, and

so evil? All these attributes are satanic, being evil, and is foreign to God; alien to His being; alien to God's constitution: Because God is all righteousness, holiness, goodness, meekness, faith, love, virtue, kindness, mercy, gentleness, patience, longsuffering, and forbearance, for these are all attributes of God's eternal constitution, what God is. The world that we live in, however, is totally different. What is going on? Why is it like this? What brought the world to this junction? My wife was telling me yesterday night, that this week in England, a 15-year old boy killed a teacher in her 60s. What makes people do that? What makes a man beat his wife to death with an iron rod, smashing her head to pieces? What makes a man lock the whole house, and burn the whole house down to ashes, with himself in it, along with his wife and all his children? It happened in the United Kingdom sometime last year! What makes people do such things? Remember the case of last month, when terrorists, who were armed to the teeth, heavily armed

terrorists, Islamic militants, attacked the United Nation's base in the town of Bor, South Sudan, and killed over 48 people. We were on our way home on Thursday, when I received a text from Brother Niyi. He said, *"Brother Amos, you were just talking about this thing tonight. I want to inform that there has been another suicide bombing in Nyanya, Abuja"*. As we speak, about 90 people are dead, and over 66 people wounded. That happened on Thursday night, on our way home from the Church service. These are dastardly barbaric acts, and very wicked! Brothers and sisters, we also have ritual killings going on all over the place, and this is the cause of the inexplicable disappearance of a lot of people, for they have been kidnapped. Bible calls them men-stealers, people who kidnap the young and the old, as well as people who kidnap new born babies, male and female. They even go to the graveyards to exhume dead bodies, and take their parts for rituals. The sale of human parts for rituals, as well as ritual killings, are all on the rise in many dark

regions of the world. Look at what they discovered in Ibadan city recently. They discovered a village that was dedicated to killing human beings for sacrifices, and they had been doing it for a long time, until they caught a man with a sack full of human heads, and the dastardly trade was burst wide open! What is occasioning such barbaric and wicked acts? In some countries of the world, new born babies are stolen at birth, and in others, they are sold at birth, for the trade flourishes in some parts of the world. I used to know of a hospital in Lagos, and there are many like it, where pregnant women who are patients there, are never allowed to have a normal delivery at birth, except to have a cesarean operation. They cut every woman up, whether they are able to deliver safely or not, all in order to make more money, because it costs much more. In China, the sale of human organs has reached an alarming scale, and human organs are being harvested in living people in hospitals, without their consent and or knowledge! Deadly toxic

waste is shipped illegally every day to developing nations, and dumped, causing serious health hazards in those countries, as human beings have become beasts, people without care or consideration for mankind. In Kenya, polygamy has just been legalized, as they passed a law in parliament, legalizing polygamy in the country. I know why they are doing that, but pay attention. If the West are forcing homosexuality on them, then they would rather force polygamy upon themselves, knowing that the West also hates polygamy. That is their warped thinking! They are looking at it that the West always wants to have their way in everything, and that is the truth; for everything is always about what the West wants. When they say something is good it is good, and when they say it is bad it is bad. When the West (the Europeans) came with the Bible in the beginning, they met the Africans in polygamy, and they preached the message of the Bible to them, thereby eventually establishing a Christian culture in Africa, of one man one wife; and they

eradicated polygamy considerably; it was pushed back. Now the West have gone the other way round, having gone completely backwards, into heathenism: for like Cain, they have also walked away from the presence of God, parting ways with their Maker, and not wanting to have anything to do with God. And having embraced a liberal, atheistic spirit, the evil spirit of sodomy has now taken over their lives and societies, and now, they are also trying desperately to force the world to accept sodomy, which is homosexuality, for everything is about them! They lay upon the world what they want, for it is always about what the West wants! So when they want something, that is what is right, and that is what must be upheld, and anything else is bad; everything else is wrong, because they said so! Obviously, they are the ones who determine what is right and what is wrong, and not God! That is the stinking and horrible attitude of the white race today, as they have no respect or regard for other people, for they are a

conceited race! Brothers and sisters, now they want to force Africans to legalize sodomy, using financial assistance as leverage. They are offering Africans money in return for degeneration. My, oh my! The Kenyans therefore decided: *"We will not legalize sodomy just because the West want it. Since we did not force polygamy on the West, why are they forcing us to accept homosexuality, gays and lesbians? Why can they not also respect our culture? Rather than accept that, we will go back to the lifestyle which the West forced us to drop. They forced us to give up polygamy for monogamy (one man one wife), and now they want to force us to accept homosexuality. We will not do that! Rather than accept a lifestyle that we know is perverted, we would rather go back to polygamy"*. Now they have gone back to re-embrace polygamy, by legalizing it. Brothers and sisters, as a child of God, you are supposed to move forward, not backwards; for progress and not retrogression should be our watchword. The Church of God is moving

on, ever moving on, for it never retrogresses, but ever progresses; it always marches on. Therefore, the move in Kenya is a retrogression, because they did not have to go backwards to a lifestyle that God had already delivered them from, just to spite the white race! They simply needed to stand their ground and refuse homosexuality! Period! They can say no to the West, and maintain it! Yes, they can, for every country is sovereign! Moreover, polygamy has brought untold misery and chaos in the lives of people that practice it, on account of the rivalry, the evil envy and jealousy that plagues polygamous homes. The polygamous family is not the best family, for it is not the ideal, and God has delivered us from that. I know a lot of people in Africa came out from polygamous homes, for our grandfathers in the main were polygamous, and we all know the evil that plagues polygamous families. That is the truth! There is so much envy and jealousy, so much rivalry, and so much selfishness and wickedness that goes on within a polygamous

home, where they do evil things to one another, hindering one another's progress! Now they want to go back to that lifestyle. Why could they not simply have stood against homosexuality? Why adopt polygamy which has not profited the people who practice it? Good luck to them! Nevertheless, I have to say though, that faced with a choice, it is better to go into polygamy than to go into homosexuality. Yes, it is, for the Patriarchs, Abraham, Jacob, David, Solomon, and many men in the Old Testament, were all polygamists, for at least, polygamy is practiced with the opposite sex, rather than this utter perversion we have with homosexuals, where a man takes on another man, and a woman takes on another woman, which is totally contrary to nature, and is an abomination! Exactly! Moreover, the Gospel of Christ did not destroy a polygamous family, except that a polygamous man, once saved, could not aspire into the ministry. I say that on the full authority of 1 Timothy Chapter 3, verse 2, and Titus Chapter 1, verse 6, where it is infallibly

written that only a man with one wife can aspire into the ministry, evidencing by this very requirement that in that day, there were Polygamous Men among the Gentile converts into Christianity, as well as Divorcees! Yes! It was the Christian exemplary lifestyle that changed the course of things, and took polygamy away from the Gentiles, with the passage of time, in the societies where the Gospel penetrated, for as it is recorded in Ephesians Chapter 5, verse 23, ***"the HUSBAND"*** (singular), ***"is the head of the WIFE"*** (singular), as it is one man one wife! Precisely! Hence, in verse 33, Apostle Paul concludes that Chapter declaring: ***"Nevertheless let every one of you in particular so love HIS WIFE"*** (singular, not wives plural, but wife singular), ***"even as himself; and THE WIFE"*** (not wives), ***"see that SHE"*** (singular, not they, but she), ***"reverence HER HUSBAND"*** (singular), for under the New Covenant, it is one man one wife! Period! Consequently, let nobody think that I am preaching polygamy, or that I am

advocating for it, for I do not believe in it, and I am not advocating for it, as it is not the way of a true believer following the New Testament of our Lord Jesus Christ. However, if one had to choose the lesser of two evils, surely, polygamy is the lesser one, for it is definitely a lesser evil than homosexuality, which is utter perversion, being against nature, and one that is a ***"grievous sin"***, scripturally speaking, and an abomination to God! The irony of it is that on the other hand, the West prosecutes polygamists in their midst; they prosecute them for a marriage between consenting adults, whilst promoting and legalizing homosexuality and transgenderism, which is extremely worse, being lewd (base), and is most unnatural and perverse! You know that this world is upside down, for these people have brain damage! Yes, they do! My!

Church, we ask again: What has taken over humanity that they just have no sense? What is going on in the world? Why are men the way they are? You see a man, and he is a

trans-dresser. He is a man, but he wants to dress like a woman; and a woman wants to dress like a man. This perversion does not even stop there. Now men are turning themselves into women, and women are transforming themselves into men, changing their physical features and their very nature, constituting a new class of people designed by the devil called transgenders. What a sick and insane world! Now the world is bombarded with transgender people, and it is now very difficult, particularly in the West, to know who is genetically male or female. You meet a woman on the road, she looks very beautiful, but you do not know if she is truly a woman, or a transgender, particularly if the change has been done before puberty. Same goes for a man, for now you cannot tell who is a man, biologically. It is very difficult nowadays to know who really is a man, and who is a woman, because a lot of transgender people are changing their sex early, thereby leaving no trace of ever being what they really are genetically (biologically)! However, apart from transgender women, a lot of women

now either shave off the hair which God has given them for their glory and covering, or cut it low like a man's, and because they are also in t-shirts and trousers, you cannot tell whether they are men or women! It is a world of perversion, total perversion! And now in the United States, they are trying to make a law which would allow a transgender woman to use the same toilet with real women, and the transgender man to use the toilet with other men. This world is so sick, so full of iniquity, that it is near breaking point! Seeing all these strange and evil developments, we asked a series of questions last Thursday, and we ended our message. What makes people do these things? What is wrong with humanity? Why have they given themselves over to absolute Iniquity? What makes them love and glory in abominable things? And as I stated then, it is one thing to say, "*Well, I cannot do such a thing.*" But if the grace of God is not in your life, and you do not come under the umbrella of the revealed faith of Jesus Christ, that you may come under God's divine protection, an invincible protection, a protection

that cannot be breached, you are just talking, for the spirit of Satan is too strong for any mortal to resist. That is why, not everybody who is a homosexual, a gay or a lesbian, wants to be, for a lot are simply demon possessed, and therefore, cannot help themselves. Yes, I know that there are people who are also forced into it, like those young boys that were forced into it by Roman Catholic priests, having been abused over a long period of time by the priests, right from the time they were small, and whilst under the care of these perverts, these priests so-called, and who therefore grew up to be homosexuals. I say that simply because some are also forced into it, although it is still all by the inspiration of Lucifer. For example, in the United States' military and in the prisons, sometimes a group of homosexual men do get hold of straight men, and rape them, men raping men. And after a number of rape sessions, the guys who are raped become gay, for these evil conditions also abound. However, what we are talking about goes beyond that. What is happening in the main is that demons

are out there, and they are looking for bodies to possess, and once they possess a person, they instill in their hosts all sorts of evil and perverted desires, creating evil lifestyles in them. And I have to reiterate (repeat) this morning, that all the spirits are here; all the evil spirits through the ages of time, right from Genesis; every evil spirit that you can think of, is here right now! The spirits in Genesis which ruled the Canaanites, whom God warned the children of Israel not to follow their lifestyle, are here. We are speaking about the spirit of homosexuality and of bestiality, as that was the manner of life of the Canaanites. It was the same spirit we saw in Sodom and Gomorrah, from where we coined the word "**Sodomy**". All these spirits are now here, whether we talk about the spirit of Egypt and all her false gods, or of Rome, with all her brothels, are all here. As we speak today, and as I said earlier, there is a battle going on in Oklahoma, and the legislators in that State are saying, "*Not on our watch!*" Satanists raised thirty thousand dollars to build a statue to honour Lucifer, a

statue called Baphomet, and they want to put it on State ground. Even the spirit of Greece, a people who started the Olympics, (for it started in Olympus in Greece, which is where the name Olympics was coined), is also here, but now on a higher level, which is why sports has taken over the whole world, and everyone bows at the feet of sports, young and old, rich and poor, male and female, regardless of their religion! All they love is sports, sports of any and every description, and there is no end to the sports being invented, for they worship it. That is precisely why sportsmen are paid heavily, for they are the stars (heroes) of the people of the world: WWF wrestlers, heavy weight boxers, basketballers, formula 1 car racers, jockeys (horse riders), rugby players, golfers, tennis players, athletes, swimmers, etc. It is a world of sports, for the spirit of Olympus is here, as it continued on in the Roman Empire, and here it all ends. Man has indeed been given completely over to pleasure, all kinds of pleasure, entertainment of every description, sports, wining and dining.

Remember the great leader of the Grecian Empire, the conqueror of the world, Alexander the Great? He died at the young age of 33, a drunk! Church, I ask: Is the greatest crowd puller today not football (soccer)? Football packs the crowds around the entire globe, as it is their religion, and the stadium is their temple; that is where they come to worship, which is why soccer players are adored and paid crazy sums of money, some of them earning millions of dollars per month. The same obtains with American football, the biggest game in the United States, and one that can cause the entire nation to literally pause, particularly when it is the super bowl! And in that event, images of Baphomet and the illuminati are often displayed subtly but openly before the whole nation, as they bow at the feet of Lucifer. It is incredible the attraction the football pulls around the world. I am showing you the spirit of this age! Hence stadiums are packed out, but they will not go to church, for they do not care for God, or for anything else! And in England, when they get under the anointing of

football, the spirit of blasphemy takes over their lives, and they begin to sing: *“Swing low, sweet chariot, coming for to carry me home...”* It is blasphemy to say that the chariot of God should come to carry them home like Elijah, just because they are watching football, and their flesh is thrilled by it! But that is their religion anyway. No wonder, once in a while, God sends an earthquake to the stadium, and it collapses, and hundreds die, or an angel shakes the building, and it suddenly caves in! Sometimes it is an avalanche He sends, when they have gone to ski on the mountain slopes in deep snow, for they are nothing but a fun seeking, pleasure loving, and God hating crop of humanity! However, saints, there is something that now pulls the crowds in the West, and that is magicians. Church, how they love magicians and psychic mediums! They love witches, sorcerers, necromancers, mediums who help them speak to the dead, palm readers, and star gazers. They go after these agents of the devil, but they will not seek after God. There is a master magician in America that

they throng to watch his shows, an illusionist named David Copperfield, and a man that has been made mega rich by his performances. *Forbes* magazine described him as the most commercially successful magician in history. Now we have another magician rising up in the United Kingdom called Dynamo, who also pulls the crowds. Why is this so? It is because everything dark and demonic, everything that is of the devil, is precisely what the world loves! Projections of Lucifer, sorcerers, ugly and hideous looking aliens, werewolves, vampires, witches, teleporters (jumpers), mind readers, and such, are all projections which they accept and love, for they relate to these things, deep down in their souls, even though it is all of the devil; however, if you project God, they will tear you to shreds for that! And let me warn you seriously, as saints who are watching for the return of our Bridegroom, the Lord Jesus Christ, not only is it wrong for you to watch all these worldly and morally corrupting Hollywood and Nollywood movies, most particularly, you cannot

watch horror movies, otherwise, you will be leaving yourself open to demons, for they come where they are projected and glorified. Do not open your door to the forces of darkness, enabling them to come into your home and enter your life! Brothers and sisters, look at it today, magicians, witches, sorcerers, psychic mediums, and all those classes of people that delve into the dark world, look how they are praised, and how they are loved, and how they are adored! They are given accolades and laurels! Listen to what *Wikipedia* says concerning David Copperfield: ***“Copperfield's television specials have won 21 Emmy Awards of a total 38 nominations. Best known for his combination of storytelling and illusion, Copperfield's career of over 40 years has earned him 11 Guinness World Records, a star on the Hollywood Walk of Fame, a knighthood by the French government, and he has been named a Living Legend by the US Library of Congress. Copperfield has so far sold 40 million tickets and grossed over \$4 billion, which is more***

**than any other solo entertainer in history”.**

Think about it! But where is the award for the messengers of the Almighty God? There is no laurel for the preachers of the true Gospel of God! Why is this so? It is simply because this world is not our own, for we are not of this world! Simple! Pay attention, and open your ears, for every spirit is here for the last satanic onslaught, which is a total takeover of humanity, so that the society of man may reflect nothing but Lucifer, in every evil attribute that he is, one that is totally opposed to God. The only demons that are not here, are the ones that are still bound in hell, and there is a time set for them to be opened up and let loose on humanity, right there in the middle of the Last Week of Daniel, as revealed in the Book of Revelation Chapter 9, under the fifth trumpet. Brothers and sisters, all the spirits responsible for the total breakdown of our human society, and the spirits that are responsible for the degeneration of our human race, are all here, which is why man today has become a species that is lower than hogs and dogs, a species that is lower than

animals! Just look at how they behave, for there is no morality or shame anymore, and neither do they have any sense, as everything for them is about money and personal gain, which is why the world has been plunged into utter chaos! The society of man, and humanity itself, is in total decadence, for the calibre of human beings that we have today are a different breed of human beings, being a degenerate class of human beings. They are not the kind of breed we had back then, even when mankind did not believe in God, for there was still a measure of moral standards that ruled human societies, basic standards which no longer exist. Everything is absolutely corrupt and evil, for devils have touched and taken over every aspect of our human society: Politics, religion, family, social (sports and entertainment), economics, and finally, education. Education has changed; education has fallen; education has gone to the dogs, as colleges and schools of learning have become the breeding ground for all sorts of evil spirits, for everything goes in the schools of today,

from violent and immoral lifestyles, to cloning human parts, playing God in their laboratories! And what are they even teaching them now in the schools anyway, when Christian religious and moral instructions that used to be the basis of the establishment of these institutions no longer exists? Now they have opened up hell to them by teaching them sex education, thereby encouraging promiscuity among underage children. No wonder the world is facing a deluge of pregnant teenagers with unwanted babies, enlarging the coasts of abortion beyond our imagination! And to top it all, they are now also teaching them homosexuality and transgenderism, leading them down the pathway to hell! That is your education, a breeding ground for every fallen spirit, ensuring that there is no future for this generation of students! Satan has taken over everything, which is why these education policy makers are demon inspired and demon possessed entities, who make nothing but policies from hell! That is exactly why education is of the devil! Brothers and sisters,

when I say that, I hope you understand what I mean. I say that, not to condemn education per se, I say that to mean that Satan has taken over education, which is why students have no manners; no respect for teachers; for they are very rude and obnoxious; they do not know how to dress or behave; and neither do they have any regard for fellow students, who they bully every day on various levels, including cyber bullying, thereby causing many students to commit suicide. Moreover, still speaking about education in our present world, the teachers of today do not want to teach, but leave the learning to the students, and all they do is to load them with assignments, requiring them to do personal research of the things that they should be teaching, but for which they will not impart to them, as they have no love or care for the students! These are not teachers, I mean they are not like the teachers of old, real teachers! Can you imagine female teachers, so-called ladies, women who are supposed to be teaching elementary pupils (primary school pupils), teachers who are expected to be good examples of morality

and of decent dressing to children, come to school dressed in very flimsy skimpy (short) gowns, which reveal everything, or with a silly top that shows all their breasts; they come to school dressed like prostitutes to teach kindergarten children! It is the same shameless way they dress to teach secondary (high) school children: They come to a mixed class dressed seductively and provocatively, and they wonder why some students rape their teachers! These present bunch of teachers also run away with, and have sexual relationships with their young students, who do not know any better. That is your educational system of today, one which is a direct road to ignorance, senselessness, and lawlessness, a breeding nest for vagabonds! What a dirty world this is, the lowest this planet has ever seen, and will ever see, for the seeds of the serpent have come to maturity. Why would education not fall when Satan holds court in it? That is why this generation cannot calculate  $4 \times 4$  without the aid of a calculator, for they are breeding an educationally

half-baked society of people, ones without a future! Why would a teacher not know how to dress? Come on! And if she does not have morals, what morality can she impart to students, when she herself is warped minded and downright rotten inside?

This reminds me of something. By the grace of God, my wife and I have been privileged to visit the Philippines a number of times in the ministry. I want to let you know that when my wife and Sister Kim go out in Cavite, they stand out like a sore thumb! Why is this so? It is because in the Philippines, everybody dresses in shorts and t-shirts, both young and old, male and female, grandpa and grandma; for they have learnt the trade from the Americans, and are doing a better job at being inappropriately dressed, as a standard (normal) way of life. They all dress in shorts and t-shirts, everyone, young and old, male and female, grandpa and grandma. It is simply incredible! The women all keep staring at my wife and Sister Kim, as if they are from Mars, because all of them are in shorts and t-shirts, whilst my wife and

Sister Kim are covered up, with their flowing skirts reaching their ankles! What a contrast! What is going on? It is a degenerate world we now live in. Brothers and sisters, consider this. It is now customary around this globe for women to wear tights, as well as to wear mere underclothing-garments, as their main outer wear, what is really a half-slip; that is what they now wear as their standard clothing; things they should wear strictly in their closets, or under their dresses, as they are undergarments. Tights are supposed to be worn under long skirts, or under flowing gowns in wintertime, because of the cold. It is so flimsy, for it is like a veil which you can see through, and as such, it shows every contour of a woman's body, including all her cellulite. But that is exactly what women now wear as bottoms, with one small stupid blouse or t-shirt on top, allowing every fold and contour of their buttocks, thighs, and legs to be shown in public, as they walk shamelessly on the streets, for they are nasty creatures! It used to be very thick cotton leggings that they wore, but as time has moved on,

it getting more and more "sheer", and clear, and clingy. Even women with big body features wear that trash, and they look like sausage meat stuffed into cellophane, trying to breakout from all sides! It is such a disgusting sight, and all these decadent attitudes show that womanhood has been thrown to the dogs! Years ago, you could tell the prostitutes in the society, because they were the ones who had their wares on display for the men, and they stood in front of the brothels, waiting and looking for customers, showing the world their breasts. But today, men do not need to visit brothels in order to see prostitutes: Prostitutes are everywhere, displaying their wares! The Churches of today are also filled with prostitutes, which is why all of them come to church with their wares on display, looking for the next customer! Everything they do has to have a sexual innuendo! Everything! They cannot sell toothpaste or socks, without the breasts of a woman being displayed. Tell me, what has toothpaste or socks got to do with a woman's breasts? What has the two

lumps on a woman's chest got to do with toothpaste or socks? Everything has to have a seductive presentation! There is no longer a movie or television programme that is clean, whether it is for children or for adults, as everything is very immoral, if it is not violent! They are constantly bombarding the world with pictures of immorality, thereby creating a society of moral perverts! It is a filthy world, one full of prostitutes! That is precisely why pornography is now a global epidemic, for it has taken over everywhere, particularly as the devil has moved his base to the Internet, a global outreach, and via the Internet, pornography has exploded all over the world, taking over the lives of men! You cannot even open your Yahoo email box without seeing images of a woman with her breasts flashing on the side, asking: "*Unzip my bra*". And if you are foolish enough to click on it, a dirty picture will pop out, and the devil will fire you with the arrow of lust, which you may never get out of! Sometimes it is the bare buttocks of a lady that is flashing. Yet, all you want to do is to simply check your emails. At other times,

you are merely surfing the Internet, looking for particular materials, but suddenly here comes a dirty picture. The most annoying thing is that there is no way for you to remove these dirty, and perverse rude intrusions. It is the devil's way of bombarding the world with the spirit of lust, thereby bringing moral depravity to humanity. That is why he anoints his children with computer knowledge to put those pictures out there, and they pop out everywhere on the Internet, spreading the spirit of lust! By these dirty pop-ups, the spirit of pornography is what the devil is spreading amongst men, for it is more addictive than cocaine! And may I say this, that untold millions have been taken captive by this demon, including Church going people, as well as preachers, for they are given over to pornography, whether they watch it on the Internet via their Computer screens, or on their laptops, or on their tablets, or on their android phones, or whether they buy pornographic magazines, as their hearts have been turned into a junkyard for the devil's trash! That is also why a lot

of men are given to this dirty spirit of masturbation, getting sexual gratification through self-stimulation. Why do men do this to themselves, if they are not sick? What a world of gross immorality and perversion! Every avenue possible is what the devil is using today to attack the souls of men. Brothers and sisters, in these perilous times, it takes the grace of God for God's people to walk this straight and narrow way, for the world is full of serpent seeds, who are being seriously inspired to choke out morality and spirituality in humanity, and hence the reason, demonic oppression is very serious, and it is most overpowering! This world is ripe for judgment, for we are in the hour of harvest, and the seeds of Lucifer have come into maturity. You have to see it! But it also lets you see that we need Jesus Christ in our lives more than ever, otherwise we cannot make it, for he is the Rock of our salvation, and only by him can we overcome, because he overcame for us. That is precisely why we must stay firmly in the light of the Holy Scriptures, for it is the revealed faith of Jesus Christ that overcomes the world!

(1 John 5:4). It is Jesus we need, and it is Jesus we must look up to, for the world and its leadership is totally and irredeemably sick. Brothers and sisters, listen to a very sad comment which a UK Judge made on the issue of morality, Christian morality. In the Daily Mail Newspaper of Thursday, 31st October, 2013, Sir James Munby declared: ***“Courts should not give Christianity more weight than other religions, a Senior Judge has said. Sir James Munby, President of the Family Division, said Britain was a 'multicultural community of many faiths' and that judges must take an 'essentially neutral view of religious beliefs' and not 'weigh one religion against another’***. (That is sad! And to think that No Judge in any Muslim Nation would ever utter such a statement, as they would give weight to their Islamic faith. This lets you see that another spirit has completely taken over the Western society! What a great pity! Something serious and major has happened to the Japhetic race! Open your eyes! The report continued): ***“In a speech in London, he***

**said JUDGES 'HAPPILY' NO LONGER HAD A ROLE IN ENFORCING MORALITY, unlike in the past when they routinely condemned homosexuality, adultery, and promoted Victorian social attitudes. 'ONCE UPON A TIME, THE PERCEIVED FUNCTION OF THE JUDGES WAS TO PROMOTE VIRTUE AND DISCOURAGE VICE AND IMMORALITY,' HE SAID. 'I DOUBT ONE WOULD NOW HEAR THAT FROM THE JUDICIAL BENCH. 'Today, surely, the judicial task is to assess matters by the standards of reasonable men and women in 2013 not by the standards of their parents in 1970.' Sir James said that Victorian Judges promoted 'virtue and morality' while discouraging 'vice and immorality' with a 'very narrow view of sexual morality'. He cited laws banning gay sex and abortion and rulings that condemned women for adultery. He added that the influence of Christian churches in the courts had also disappeared in recent years. He said: 'Happily for us, the days are past when the**

**business of Judges was the enforcement of morals or religious beliefs.' He said that MODERN-DAY JUDGES HAD RIGHTLY ABANDONED ANY CLAIM TO BE 'GUARDIANS OF PUBLIC MORALITY', JUST AS CHRISTIAN CLERICS NO LONGER CLAIMED TO SPEAK AS THE 'DEFINING VOICES OF MORALITY AND OF THE LAW OF MARRIAGE AND THE FAMILY'. Sir James said the last few years had seen the 'disappearance, in an increasingly secular and pluralistic society, of what until comparatively recently was in large measure a commonly accepted package of moral, ethical and religious values'". Saints of God, if the court of the land is no longer interested in what is virtuous and morally upright, what future has the society? And what kind of society will that produce? You have to see that the society of man is finished, and that there is no redemption for it; it has no future. This world is certainly on its way out, and all that remains for it is nothing but divine**

judgment. Humanity has become so base, so vile, and so bad, that we have to ask ourselves this question: When we see humanity degenerate like this, where is God going to find the people of the sheep nations, a morally clean class of people with which to repopulate the world in the Millennium? Exactly! In a world ruled by gays and lesbians and transgenders, a world where evil has become righteousness and righteousness has become evil, a world where you cannot say a word against iniquity, or you will be shot down, because iniquity is the law of the land, for sin holds court, where are you going to find the people of the sheep nations? I ask that because, in order to establish the sheep nation people of Matthew Chapter 25, God needs a clean moral element of humanity from the various nations, with whom He will repopulate the race of man in the Millennium, and over whom Christ and his Bride will reign for one thousand years! I thank God for the inspiration he gave to Brother Jackson, the chief apostle of this end time, on

this very subject. You must understand this morning, that it takes God to preserve to Himself such a clean moral element of people in an age like this, an age where humanity is so base, and so perverse, and where everything has been thrown to the hogs! It is an age where true parenthood no longer exists, as parents do not even know what parenthood is about, as everything is allowed; everything is okay, as they have no sense, and their hands have been forced to accept the spirit of the day. So where are you going to get the sheep nations, a clean moral element of people? That is why God Himself will have to preserve to Himself the Sheep nation people, for it will take the Spirit of God moving and working upon the lives of the elected element of the sheep nations, in order to keep them from the tide of evil! Because nothing can keep anyone from the tide of evil, but the grace of God! So it will still be the Spirit of God working upon and in the lives of the sheep nation element of humanity, to make them that. It is not that they are

filled with the Spirit; it is that the Spirit of God, an Omnipotent, Omnipresent Spirit, will work in their lives, and will move in their lives, to keep them on that narrow path of morality, to give them some sense, moral sense! For even in Sodom and Gomorrah, not everyone was perverse in that day! If everybody was perverse, we would not have had Lot, and we would certainly not have had the daughters of Lot who lived clean, for they were virgins, according to the record of Genesis Chapter 19, verse 8, and neither would they have followed the evening light message which their dad bore in that day, for their salvation! Hence, I do not care how broken down a society is, you will still have an element of people that are morally clean, though in a serious minority, and even though such people do not necessarily live for God. But it is God that molds their lives in the way that they live, in order to preserve unto Himself such an element of people that He can use after the execution of the Day of the Lord, for the Day of the Lord is God's judgment against ungodly mankind.

It means in essence that shortly, the humanity we see today, we will see them no more, for we are at the end, and man is now writing the very last chapter of human history. Moreover, we all know that there is no society that has given itself to evil that has ever continued; otherwise, I will ask, where is Egypt, the old Egypt under the Pharaohs? What of Assyria of those days? Where is the Rome of yesteryears? Where is ancient Greece? Where is ancient Babylon? On and on we can go. Brothers and sisters, there is no society that gives itself to evil that can last, or that can subsist. God always brings them down, and they become mere history, and so will the present civilization be, for it is intrinsically (inherently) evil! Things are so horrible in the world in which we now live, it really takes God to preserve to Himself a clean moral element of human beings. Full stop!

Church, when we look at all these things, all these pictures, (Brother Amos points to the chart), pictures of a degenerate human society, they give

us precisely what is going on out there in the earth, and they are all being done through the operations of demons, for they are demon inspired. Your only place of safety is in Jesus Christ. Please, I beg you this morning, make sure that you are under the umbrella of truth, for you do not know what spirit can come, for a lot is going on out there. These evil spirits are not going to knock on the door, and say, *"Please, can I come in?"* It is Jesus that knocks gently and lightly on the door of your heart, lovingly wooing your heart. Satan on the other hand does not knock, but bangs on your door till he tears it down, or he simply barges in uninvited, for he is coming to take possession violently! You must understand that God does not possess His children: He simply fills His children, and there is a difference in that, for there is a difference between being filled and being possessed. Possession is violent; possession takes away the freewill or the volition of the one that is possessed, for it is against the will of the host. That is why we do not talk of being possessed by the Spirit of

God, but of the infilling of the Holy Spirit, which means in essence that you cannot be filled by the Spirit of God without your will: You must want Him, and you must also have invited the Spirit of the Lord into your life, or you will not be filled. Period! The Lord does not fill anyone, unless you first believe and accept the Lord Jesus Christ as your personal Lord and Saviour, and you also desire and request for Him to come in. Then He comes in and fills you, for it is with the exercise of your freewill that He comes into you, and hence, it is not possession, but an infilling. That is why we do not say that we are possessed, but that we are filled with the Spirit! But if you are possessed, it is negative, for it shows that you have been taken over by an evil spirit without your will, for Satan does that, whether people like it or not. He comes in and takes over, regardless of whether he is wanted or not, and that is why we call it demon possession. Satan just possesses peoples' lives. And that is why, brothers and sisters, a person can be walking on the road, and a demon will just

possess him; or he may be in his car when that demon takes him over; or he may be eating at a table, or sleeping in bed, when that demon falls upon him, possessing him. As I said much earlier, it is not many people that were seduced into becoming homosexuals, and as such, we must know that the deluge of homosexuals and transgender people that we have today, is due to nothing but the fact that demons have been unleashed on humanity. Are you with me? Otherwise, why would a grown up man suddenly decide: *"I do not like being a man again; I want to become a woman?"* Yes, he may have been battling with this thought for years, but the point is, what prompts it in the first place? Exactly! What makes a boy want to become a girl? It is demon possession! Then before you know it, he sees a doctor, and asks, *"What can I do?"* They begin to inject him with hormones, and before you know it, he begins to develop breasts just like a woman, and his male hormones are suppressed as well, and on and on the story goes. They use lasers on him to

take away all his hairs and its follicles, and his transformation is on its way. You are looking at the operation of demons, pure and simple, and that is the truth! I do not say these things this morning to scare anyone; I say it because it is the truth! You need to come under the umbrella of truth, and not play with the truth that the Lord has given us at this evening time: Because merely having truth in your hands does not keep you. It reminds me of the case of all these old religious women, who put Bibles under their pillows when they go to bed, thinking it secures them. The truth is that the Bible under your pillow does not secure you, for the devil does not care for the Bible you have under your pillow. It is the Bible revelation that is burning in your heart that scares him! Consequently, if that Bible is not burning in your soul as a divine revelation, you are only wasting your time putting Bibles under your pillow, for it is not supposed to be under your pillow; it is supposed to be in your heart! You can even decide to remove your pillow, and make the Bible your literal

pillow instead; but as long as you are a stranger to the revelation of that Bible, you have no connection with the Bible. That is the truth! You need the revelation of the Scriptures in your heart. That is why it is not enough to follow this way: You must also make sure that your soul is anchored in the Word of life, because that is your security in times like these. That is why we sing this song. (Brother Amos sings):

*In times like these you need a Savior*

*In times like these you need an anchor;*

*Be very sure, be very sure*

*Your anchor holds and grips the Solid Rock!*

*Chorus:*

*This Rock is Jesus, Yes, He's the One;*

*This Rock is Jesus, the only One!*

*Be very sure, be very sure*

*Your anchor holds and grips the Solid Rock!*

Brothers and sisters, please make sure that your anchor holds, for the Lord is our only security in times like these, and He is the one that keeps us when we cannot even see the operations of Satan, for perilous times are here.

There has never been a time as degenerate, never a time as violent and wicked, never a time as vile and immoral, never a time as evil and God hating. The violence for which God wiped the world away with a flood as recorded in Genesis, is nothing compared with the violence of today. That is the truth! The violence and wickedness recorded in Genesis Chapter 6, for which God wiped away the world in Noah's day, is child's play, compared with the incredible and unimaginable violence and wickedness that is going on in the world today at this end time. Never has there been an age of evil inventions that has the capacity to wipe away the whole of humanity ten times over, as this age, with all their nuclear, biological, chemical, and atomic weapons, weapons of mass destruction! Think about it! The proliferation of nuclear and biological weapons, and the horrible attitude of a lot of leaders of the world, is what made the Atomic Scientists move the hand of the Doomsday Clock to three minutes to midnight! These are perfect signs that we are

now living in perilous times. Saints, do you know that these evil people are planning on eliminating about six and a half billion people or more, because they feel that the world is overpopulated, and that the human population cannot be sustained with the dwindling world's resources, and so, billions have to be snuffed out one way or the other, through covert (secret) means, whether by disguised global vaccinations, or by the use of viruses which they have invented in labs, etc. That is part of their Agenda 21 Sustainable Development nonsense! What is even incredible is that this global genocide is written in black and white on slabs of granite stones of about twenty-foot tall, which people visit every day in Elbert County, Georgia, USA, called the *Georgia Guidestones*. The monument consists of five upright slabs of stone, topped with a capstone, looking just like Stonehenge in Wiltshire, England, and it announces nothing but doomsday, listing out precisely ten guidelines in eight modern languages, which is their ten commandments, with

the first guideline or first commandment stating: ***“MAINTAIN HUMANITY UNDER 500,000,000”****in perpetual balance with nature”*, which is to maintain a global population of under five hundred million consistently. So what are they going to do with the remaining six and a half billion plus that are left? You know the answer: It is the ***“Sustainable Development”*** plan of the United Nations, Agenda 21! Come Lord Jesus! It is later than you think! My! What utterly wicked and horrible leaders now rule the world, from the United Nations to the European Union! And with this thought, we conclude the second danger sign of the perilous times, one which is expressed in the total breakdown of morality, and the absolute degeneration of the human society, creating a world totally opposed to God, for it is a world without God, one which gives us ***“OPEN REBELLION”***. Therefore, brothers and sisters, you all have to see that demons have taken over humanity, bringing perversion in every sphere of man's society, which is why we

can see their footprints everywhere. And to those who are still not satisfied, for you just cannot see the operations of demons in the picture, then I will ask you to consider the various births that people are having today, for it should tell you something. There is no doubt that Satan is playing with the genes of men, and it is producing serious side effects in offspring around the globe. For instance, today, we have a lot of cases of conjoined children, more than ever before, for in times past, it was rare; but today, they abound in the earth. I am talking of babies who are joined together right from the womb, either at the head, or at the shoulder, or at the chest, or at the buttocks, or at the hips. Sometimes these conjoined twins share the same organs, which makes operating on them very difficult and life threatening; although some of them do have separate organs. Again we have people who are born with inexplicable deformities, and others are born with strange bodies (growths) attached to their bodies, living on them. There are cases of men

with hands like trees, and legs like trees, and with all sorts of things growing out all over their bodies, enveloping their bodies like parasites, making them look very grotesque! Some are even born with horns on their heads! Where do they get these things from? It is simply devils creating a mess in humanity, playing with the genes and the anatomy of men, giving people strange illnesses, strange medical conditions and unnatural bodies! That is precisely why we also now have a lot of people with a condition known as Tourette's syndrome. It is described as ***“a neurological condition (affecting the brain and nervous system), characterized by a combination of involuntary noises and movements called tics”***, which the sufferer makes. ***“Tics”*** can be sounds like tics, grunting, or shouting out words, and it can also be physical movements like jerking the head, flicking the arm involuntarily (uncontrollably). It makes them do and say bizarre things like someone insane, and yet, they are perfectly sane, for they are

not insane, except that they cannot help themselves. Saints, you have to see demons behind this condition, taking over their bodies. However, this is different to Down syndrome, a genetic disorder caused by the presence of chromosome 21, which Wikipedia says, ***“is typically associated with physical growth delays, characteristic facial features, and mild to moderate intellectual disability. The average IQ of a young adult with Down syndrome is 50, equivalent to the mental age of an 8- or 9-year-old child, but this varies widely”***. Yet, medical scientists state that the parents of the sufferers of Down syndrome are usually genetically normal, as the cause of the syndrome is no one's fault! So, what causes the anomaly? Who injects chromosome 21 into a baby in the womb, when it cannot be attributed to any of the parents? Come on! Doctors can explain it anyway they want, the truth is that devils are playing with humanity, just as his children are doing in the labs today, playing with the DNA Code of all living

things, producing monsters! If fallen men are toying with the genes of plants, the genes of animals, as well as with the genes of human beings, how much more Lucifer their father, and the hosts of fallen angels? Saints, you have to see Satan meddling with the genes of men, creating all these abnormalities! It is a perfect sign of a world that has been taken over by fallen spirits, demons, for the devil knows that his time is short! That is why he is doing all that he can to mess the whole of creation, bringing untold misery and pain to humanity, which is precisely why we warn that perilous times are here, and you had better wake up, for the times are extremely evil! Everything around us is very evil and mind boggling!

Saints, now we want to consider the third and final danger sign of the perilous times, and bring our message to a close. Brothers and sisters, THE THIRD AND FINAL DANGER SIGN of perilous times is expressed through God's own divine judgments, for the perilous

times also holds for us dangerous judgments of God upon ungodly mankind. I repeat myself: The perilous times also holds for humanity dangerous judgments of Almighty God, and this is our third and final danger sign of the perilous times. There is a prophecy bearing on this issue, as recorded in the Gospel of Saint Luke Chapter 21, beginning from verse 25, which declares: ***“And there shall be signs in THE SUN, and in the moon, and in the stars...”*** These are unusual developments. You know the world, working through the United Nations, is making a lot of noise about global warming and climate change, and they attribute everything to man's activities, warning seriously that man is causing the change, and they are coercing the nations of the world, particularly the Western Nations, to adopt laws on climate change. The absolute truth is that the United Nations is only using it as a smokescreen to force the One World Government upon the world, through Agenda

21's so-called Sustainable Development. However, as followers of the Continuing light of Jesus Christ, we know that the One World Government agenda will never hold, as it is certainly doomed to fail, for it is Satan's decoy. Raymond Jackson, the chief apostle to this age, cried much about this evil move, letting the bride know that it is a serious decoy, for the Word of God must and will prevail. Consequently, it will not be a One World Government, but a Super European Union Government. And speaking about global warming and climate change, church, the truth is that global warming and climate change is not caused majorly by human activity. Yes, man has something to do with it, like the over exploitation of the earth for example, but it is much more than the activities of man, for climate change and global warming is beyond man! They do not know that in the Book of Isaiah, as well as in the Book of Revelation, the God of All Creation has promised to increase the heat of the sun seven times more, before the era of man is all

over. You already know as children of light, that global warming is nothing but God's divine judgment! Consequently, we know as believers that global warming goes beyond the activity of man. It does! And there is absolutely nothing man can do to reverse the trend, regardless of whatever laws they put in place, for they will not be able to reverse the course of global warming and climate change, however much they try! Concerning the 70th Week of Daniel, it is written in the Book of Prophet Isaiah Chapter 30, verse 26: ***“Moreover the light of the moon SHALL BE AS the light of the sun”***, (because its intensity is multiplied tremendously, showing in turn, that something has been turned on in the sun, as the moon is only a mere reflector of the light of the sun), ***“and the light of THE SUN shall BE SEVENFOLD, as the light of seven days”***, (when?) ***“in the day that the Lord bindeth up the breach of his people”*** (Israel, when God brings revival to them in the 70th Week of Daniel), ***“and healeth the stroke of their wound”***. That is why

the light of the moon is tremendously increased! This truth is also confirmed under the fourth vial, as recorded in the Book of Revelation Chapter 16, from verse 8: ***“And the fourth angel”***, (working in the middle of the Last Week), ***“poured out his vial upon THE SUN; and power was given unto him to SCORCH MEN WITH FIRE”***, (on account of its sevenfold intensity, as the planet receives each passing day, the sunlight energy of seven days put together. What is the result? Verse 9): ***“AND MEN WERE SCORCHED WITH GREAT HEAT, and blasphemed the name of God, which hath power over these plagues: and they repented not to give him glory”***. Think about it, for only God controls these things! Now we see global warming! Consequently, if the world thinks it has seen heat or global warming, wait till the 70th Week of Daniel! That is why it is nonsensical for men to think that they can save the planet; they are protecting the planet, as if they are the Owners and the Makers of the planet in the first place! All the cries we hear today are about global warming

and climate change, for they want to save the planet, rather than cry to the God of Creation for their grievous sin in total humble repentance, as Nineveh did, for God is what they need! He is what the world needs! There is no planet that they are going to save, for the judgment of God is what is causing global warming, and it is also God that is causing climate and weather to change and become erratic (unpredictable), as judgment upon the earth! I am sick of hearing these pack of unbelieving climate change activists, crying: *“The Glaciers are melting, and the Polar Ice Caps are shrinking”*, as if they are the ones responsible for the glaciers and the ice caps being there in the first place! They do not want it to melt, and they are crying that it is melting. But the melting of the glaciers and the ice caps are not caused by man, and neither are they reversible by man, for global warming is by God, and it is serving a dual (double) purpose of God. **FIRSTLY**: It is divine judgment upon the earth, because humanity has become a most evil,

wicked, arrogant, rebellious, and God hating crop of people. Therefore, as we move in time into the Last Week of Daniel, the sun's intensity can only continue to increase consistently, that by the Middle of the 70th Week, a sevenfold acceleration of global warming is ignited! Thus saith the Lord in the Book of Revelation Chapter 16, verse 8-9! We just read it: ***“And the fourth angel poured out his vial upon the sun; AND POWER WAS GIVEN UNTO HIM TO SCORCH MEN WITH FIRE. And men were scorched with great heat, and blasphemed the name of God, which hath power over these plagues: and they repented not to give him glory”***. Yet for all that, they will still not repent, because they are serpent seeds! This is one purpose of global warming. **SECONDLY**: The Lord is also using global warming created by the heat of the sun, to slowly melt the Glacier Mountains and the Polar ice caps in the arctic region, which have stood for millions of years since the judgment of the Pre-Historic world, when God

wiped away the Dinosaurs with Ice. We all know that all that is nothing but frozen solid water, and God needs it to completely melt into water, because by the end of the Millennium, and as we enter into the Eternal Age, and as it is written, there will be no more sea or oceans on this planet any longer, all through eternity. It is recorded in the Book of Revelation Chapter 21, verse 1: ***“And I saw a new heaven and a new earth”*** (in eternity): ***“for the first heaven and the first earth were passed away; and there was NO MORE SEA”***. What then happens to the seas and the oceans of the world, the great body of water that covers more than half of the earth's surface? This great body of water is taken up to act as a buffer against the sun, topping up the ozone layer, to give the earth a perfect climate in eternity! In the Last Week of Daniel, God will use the sun to drain the seas to a measure, and then in the Millennium, the Lord Jesus will speak, and the great body of water will be lifted up steadily and consistently, that by the time the Millennium is over, there will be no more sea or ocean on this planet ever

again, except for rivers, lakes, and ponds, to support aquatic life (fishes and all other water creatures), as God reclaims the earth for His children to live in all through eternity. Hence, concerning the Millennial reign of Jesus Christ, it is written in the Book of Prophet Isaiah Chapter 2, verse 3: ***“And many people shall go and say, Come ye, and let us go up to the mountain of the Lord”*** (in Jerusalem), ***“to the house of the God of Jacob; and He will teach us of His ways, and we will walk in His paths”***. (Now listen): ***“for out of Zion shall go forth THE LAW, and THE WORD of the Lord from Jerusalem”***. For as the Master speaks regenerative words, the oceans begin to lift, and weather is restored, as that era of time is also referred to as The Age of “Regeneration” of the planet, as recorded in Matthew Chapter 19, verse 28: ***“And Jesus said unto them, Verily I say unto you, That ye which have followed me, in THE REGENERATION”*** (ERA FOR THE PLANET, which is the Millennium), ***“when***

***the Son of man shall sit in the throne of his glory, ye also shall sit upon twelve thrones, judging the twelve tribes of Israel”***. Therefore, God is the one in charge of global warming and climate change, not man, and He is using it as His judgment rod, although global warming is also serving another purpose, one which is not immediate, as it relates to eternity, when there will be no more seas. But today, in 2014, and continuing on to the 70th Week of Daniel, global warming and climate change will continue unabated, regardless of the measures men take, for it is nothing but divine judgment upon an ungodly atheistic bunch of humanity. And may I say that the judgment has only just begun, which is why there is nobody or group of people on this planet that can stop global warming and climate change, however scientifically and technologically minded they may be. Brothers and sisters, coming back to the prophetic utterance the Lord Jesus gave in Luke Chapter 21, we are saying that they are danger signs of the perilous times we are

now living in, the third danger sign, which gives us the judgments of God upon the earth. Consequently, we must realise that these are not signs by men, for men are not the ones bringing these signs about, but they are, however, signs which the Lord is giving in evil times such as these. Luke Chapter 21, verse 25A declares: **“And there shall be SIGNS in the SUN, and in the MOON, and in the STARS...”** And what will these particular celestial signs cause or create on earth? Verse 25B records: **“and upon the earth distress of nations, WITH PERPLEXITY; the sea and the waves roaring.”** We will take this verse nice and slow. Verse 25B speaks of perplexity. I ask: What is perplexity? It is when you do not even know what to do in the face of a horrible development or developments, for you are dumbfounded. In fact, you even lose all hope, for you are simply demoralized, being bewildered (baffled). The situation simply leaves you totally helpless, for you have no solution, and you see no solution. That is

perplexity! And tonight, the world is in utter perplexity! The world leaders are running up and down, burning the candle all through the night, trying to resolve the conflicts and issues breaking out all over this globe: Of political insecurity, national and regional, as well as global; of economic insecurity; as well as social and religious insecurity that is plunging the whole globe into darkness; climate change, dangerous developments that are only getting worse by each passing day, for they have no solution!

The world leaders are overwhelmed and perplexed about the condition of the world. And to think that this is just the beginning, the tip of the iceberg, for the world has seen nothing yet! Just how can they go down the road of liberalism, atheism, and moral debauchery, and think that it will not have consequences from God Almighty, whether they believe He exists or not? As if their unbelief makes a difference to God the Creator! Think about it tonight! Verse 25B: **“... and upon the earth DISTRESS OF NATIONS,**

**WITH PERPLEXITY; the sea and the WAVES ROARING”**; giving us tsunamis and floods all over the world, creating nothing but death, destruction, mayhem, and havoc, as the economic pressure continues to pile up, and the economy of the world is seriously being sapped, systematically and consistently! And although human activities can also affect climate and weather to an extent, nevertheless, only God is responsible for the forces of nature, for God is the one using the forces of nature to judge humanity; only God is responsible for the forces of nature, like earthquakes, tsunamis, floods, hurricanes and tornadoes, avalanches, blizzards, mudslides and landslides, volcanic eruptions etc. Verse 26 confirms this truth, having the desired effect on humanity, and it states: **“MEN'S HEARTS FAILING THEM for fear, and for looking after those things which are coming on the earth”**. This is why people just go into their rooms and commit suicide. And in all human history, the suicide rate we have today

surpasses all other ages and eras of man put together! Over one million people die every year by suicide around the world, according to the official report of the World Health Organization in 2012. Other people on the other hand simply die on the spot, for their hearts simply fail them, as the news is too much for them to bear; news of the horrible developments in the earth, and it is called a heart attack! Yet others, on hearing such news, simply lose their minds, becoming insane, filling the already overpopulated mental institutions, for they cannot take the pressure! And yet again, there are others who simply develop a stroke, and are paralyzed, for they are simply perplexed and overwhelmed, just as the verse says: ***“Men's hearts failing them FOR FEAR, and for looking after those things which are coming on the earth”***. Why? Because they are strange, very strange and horrible developments, heart wrenching developments! This gives us evil and most horrible developments on earth, creating reports and

encounters that are heart wrenching, that upon hearing the news, men simply die of a heart attack, or they simply go insane, losing their minds, or are suddenly struck by a stroke, for the news is too much for them to bear! And if it is a horrible encounter they have had out there, fear takes over their lives, and they become home bound, afraid to go out, and afraid to open their doors, living in constant trepidation (fear). Matthew Chapter 24 ties right in with this judgment, just as it is written in verse 7: ***“For nation shall rise against nation, and kingdom against kingdom”***, (giving us a constant global development, and not just another nation there once in a while, but one that affects global security, thus creating global unrest. It is as it is today: There is war in Ukraine; there is war in Syria; there is war in Darfur, a region of Sudan; and the Jihadists are waging a global war, upsetting the security of the entire world in dastardly ways. Now listen to the next clause, for that is where I am going, and it states): ***“and there shall***

***be FAMINES”***, (acute food shortage; hunger and starvation, one caused by crop failure which God is using to ravage a great part of the world, which is why people are now emigrating from the poor regions of the world to the West like never before, running away from poverty. And even in the West, because the various economies are now so bad, food lines are now reappearing as they did in wartime, when the people queued up to collect food, and they now cannot make ends meet. So they are lining up at food banks to get food. Charities are overstretched with people needing food, and all this is in the western world. Also many schools in the United Kingdom are now having to spend their budgets on providing breakfasts for poor children, and this is on the increase); ***“and PESTILENCES”***, (which is pandemics; plagues, like Ebola, SARS, MERS). May I say that many more plagues or pestilences are still to come, many of which the medical world will have no name and medicine for, as their antibiotics will not be able to help a dog! Right now, there are diseases or

bacteria that are becoming antibiotic resistant as we speak, for man's wonder drugs have begun to fail. Old diseases are also making their comeback, as judgment upon an apostate world, and many are dying every blessed day around the world from the effect of these plagues. What other judgment rod does verse 7 give us after pestilences? "... **and EARTHQUAKES**", (which today is killing an untold number of people, causing great damage and destruction, wrecking businesses. Yet, many more are coming for this world, for "The Big One" is even coming. So, verse 7 gives us earthquakes) "**IN DIVERS PLACES**", (from California to Japan). So, who can control all these things, and who can deploy them, but God? And to think that the world has seen nothing of God's judgment yet! Serious judgments are coming for this evil and wicked world, and they are certain to fall. It is coming, and hence verse 28 warns emphatically: "**All these are the beginning OF SORROWS**", for man is going to pay seriously for their utter impudence to

God, which is why terrible things are coming upon this perverse generation. That is the reason the world is reeling in pain today, with poverty, and diseases, and floods, and earthquakes, and tornadoes, and wars, causing untold misery, havoc, destruction, and death to humanity. Man is only reaping the fruits of what he sowed, for everything has its price, and certainly, rebellion against the God of Creation has a serious price, regardless of whether people believe in God or not! Let us go back to pick up the judgments of God stated in Luke Chapter 21, starting from verse 25: "**And there shall be signs in the sun, and in the moon, and in the stars; and upon the earth distress of nations, with perplexity; the sea and the waves roaring**". Verse 26 records: "**MEN'S HEARTS FAILING THEM FOR FEAR, and for looking after those things which are coming on the earth: for the powers of heaven shall be shaken**". These are perilous times. Verse 27, on the other hand, gives us the physical return of

Jesus Christ on the Day of the Lord, when he comes to establish the Millennium, and as such, we will skip that verse, and continue on in verse 28, as the thought of divine judgment projected in verse 26, is carried on in verse 28. Saints of God, verse 26, speaking about men's heart failing them for fear of the horrible developments on the earth, is the stepping stone to the verse with which we will end this message, and it takes us straight to verse 28, which records: "**And when these things begin to come to pass, THEN LOOK UP, AND LIFT UP YOUR HEADS; FOR YOUR REDEMPTION DRAWETH NIGH**". It is on this positive note that we will close this message, because there is a positive note to the ending of the perilous times for the Bride of Jesus Christ, for our own portion is a goodly one. In the midst of the horrible things, in the midst of the evil that is going on, in a world that is hopeless, utterly perverse and degenerate, still, our portion is a wonderful one. Brothers and sisters, this is where we will close the testimony of this message,

for it will be the last phase of my message. But before we consider this closing thought, I still want to say a few things concerning the danger sign expressed through the divine judgments of God, the third danger sign of the perilous times.

As I said before, when we talk about the signs of the sun, the moon, and the stars, particularly of **“the sea and the waves ROARING”**, which Luke Chapter 21, verse 25 gives to us, regardless of the evil activities of men, it is only God that is in charge of all such things, and only God can utilize all such things, being forces of nature, which only God controls. Consequently, we have to see that it is God using these forces of nature to “plead” with humanity, to make them realise that it is His hands, and that they need to repent from their evil ways. Saints, let me give you a rundown of what God is doing today in judgment, and then I will also go into the News media to lay out some of the things that are happening today. What do we see in the world today in certain parts of the world

like the United States of America? Tornadoes! I will read to you certain disasters that happened in America, for they are still reeling under the effects of them. The world is systematically being judged constantly and consistently with volcanic eruptions, earthquakes, mudslides and landslides, tsunamis and floods, tornadoes, hurricanes and storms, avalanches, diseases, drought, forest fire outbreaks, global warming and its negative effect, etc. Church, all these things are forces of nature that bring serious judgment on humanity every day around the globe today, for it has a global outreach, and God is the one in charge of it all; not to speak of other disasters which God allows the devils to bring about. What kind of disasters are those? What are the disasters that God allows to come about through the operation of devils? They are many, like ship disasters; ship wrecks. Ships are always capsizing now. The *Costa Concordia* cruise ship capsized and sank around Tuscany, Italy, two years ago, killing 33 people on board. Look at

the ferry that just capsized in South Korea with 476 people on board, and the number of souls that perished, killing over 300 people. Aircraft disasters are happening everyday, killing people by their hundreds; road mishaps (car and bus accidents, as well as motorcycle and bike accidents), are constantly bringing death and carnage to humanity, for they are common events around the world today, killing more people many times over than airplane crashes. Last year alone, in 2013, about 1.25 million people perished by road accidents! A loaded bus has just plunged into a ravine, and about eighty people on board perished! In December last year, a double decker bus flipped and fell 100 feet down the dangerous Andean mountain ravine in Peru, killing 16 people, and injuring 58. A week later, another bus plunged 230 feet off a bridge into a ravine in Thailand, killing 29 people, after the driver fell asleep. Next we have train disasters! A train suddenly derails, and all the cars begin to tumble; and the train becomes the tomb of the people inside it,

and what a carnage it creates! It happens often in India, although it also happens around the globe. In February, 2002, a gas cylinder exploded in one of the carriages of an Egyptian train, and the fire that it created quickly engulfed the entire train, burning about 400 people to cinders, and many more were wounded. In December, 2004, in Sri Lanka, *The Queen of The Sea* train crashed, a crash which is considered to be the worst train disaster, killing over 1,700 people, and it was caused by the Indian Ocean Tsunami. The point is, brothers and sisters, these disasters are all operations of demons, but God allows it as judgment against humanity! By it God is saying, since you do not want Me the God of peace and security, you will have the devil to comfort you, and we know that the comfort of the devil is nothing but death and carnage, heartache, pain and sorrow! I am not saying that the poor souls involved in such disasters are evil above all other people; it is that God simply removes His hand of protection, and allows

the devil to do what he knows best to do, and that is nothing but disaster, death, misery and chaos! This reminds me of a dream which a Norwegian sister had at Faith Assembly, many years ago, precisely in July 1996, which relates to this matter, and I will relay it only in the material parts, and it goes thus:

***“In my dream we were in a church, the church in Bloomington, Indiana... A lot of people were gathered together. Then I started hearing some terrible noises. I heard someone screaming and making an awful sound outside the church building. Then I saw long tall necks, and long tongues that were licking and crawling around the building, and big wide-open mouths speaking horrible things. Outside the building they were screaming and carrying on like wild animals, and sounded like they were demon possessed. (I am glad I have never heard a screaming, and such a horrible sound before.) I could see how these slimy horrible long tongues found their way, and went in through the***

***mouth of the people standing around. (They were on the outside). I understood that evil spirits possessed these people... And all the rest of us got silent. We covered ourselves with carpets or blankets. We tried to hide ourselves. Only our eyes and ear were visible. Some laid down on the floor, and the terrible sound from the evil spirits around the building would not cease or stop.***

***Then a woman stood up and prophesied. She looked just like me. She had my white blouse on her, and my dark blue skirt. Her hair was gathered up behind. But I was sitting there under this blanket and was looking at her; so it could not be me. But in the dream I was thinking that she looked just like me. She said in the prophecy: A week ago I showed what these terrible evil spirits looked like, (I had this other dream exactly a week ago). Now, today I have showed you the sound of their voices. You have seen what they can do with the madness of their voices. Now I will***

**show you some other effects of their deeds, you will now see things that they do, what they can cause on other people's lives.**

**Then I became a witness to MANY DIVERSE ACCIDENTS AND DISASTERS. I saw people that I know very well from both the USA and Norway. I will not give any names. They were involved in great accidents, also car accidents. They survived, but the ones that were together with them, (rather not involved in the truth, but staying around) or people in the other (cars) that were involved in these accidents, looked like they were dead. I saw many people that had to be shorn loose from their cars, because they were jammed in them. I also saw other people I know, that were standing on the outside. They were only a witness to the diverse accidents. I cannot say with assurance that all the dead were the ones that stood outside the church, or did not belong to the church. But the thoughts in my dream sounded like that. I remember saying to myself, Thank God that**

**everything went well with him and her. Then I heard a warning. I don't know for real where it came from, or who it was that uttered the warning. But the voice spoke clear and distinct these words: USE WISDOM. NEVER CROSS THE BORDERLINE OF WHAT IS GOOD AND ACCEPTABLE IN THE SPIRIT. Don't think that you can do whatever you want to do, and still have God with you, if you cross over that borderline... Be careful (walk softly before the Lord). Pay close attention to all the warnings that are coming.**

**End of dream. I wake up at 8:00 am in the morning".**

Saints of God, we must know that all the horrible disasters and carnage that we have on the road of life, are operations of demons, blood thirsty demons, whose purpose is to bring death and destruction, and untold heartache and sorrow to humanity, that by it, peace, security, and joy, may be taken away from man! When men reject their Maker, He also hands them over to devils for

sport, as demons are also vessels God uses to judge man. Simple! On top of that, and as we have already laid out, we also have natural disasters which are occasioned by the forces of nature, like tornadoes, avalanches, volcanoes, earthquakes, mudslides, landslides, tsunamis, floods, hurricanes, storms, apart from the outbreak of diseases, drought, forest fire outbreaks, which burns out towns, and destroys businesses, and kills people. Only one being is in charge of these kinds of things, and that is Almighty God, the Creator of heaven and earth, and He has set His angels in charge of all these forces of nature, for they control everything, that it may serve God's divine purpose. Brothers and sisters, just yesterday, Friday morning, in Kabul, Afghanistan, there was a mudslide, and a whole hill was washed down, burying villages! People were working frantically, trying to save lives, digging people out of the mud. Church, they dug out over one hundred people alive from the mud, people buried under the mud, whilst about three hundred and

fifty souls perished, and with thousands still missing as we speak this morning. They estimate that the death toll would come to about two thousand five hundred people buried by the mudslide. Now church, who can control mudslides? Nobody, except God! We rarely heard of these things in times past, for they occurred only once or so in a century or centuries. And when we studied Geography, we only saw the diagrams of earthquakes and volcanic eruptions, for that was the closest we got to it. Diagrams were drawn to explain how they happen; but today, we see these things live, and they are every day occurrences, and not events that occur once in a blue moon. People even catch these disaster-creating forces of nature on their android phones! Think about it! What is going on? It is God judging ungodly mankind! Period! What of diseases, "**pestilences**", which we touched upon earlier? Let me use the AIDS pandemic (disease that is widespread geographically, for it is an

epidemic). We have seen it in Matthew Chapter 24, verse 7, that one of the judgment rods of God is a serious disease outbreak, when He allows the devil to release serious diseases on mankind? In the Book of Deuteronomy Chapter 7, verse 12, it is written: "**Wherefore it shall come to pass, if ye hearken to these judgments, and keep, and do them, that the Lord thy God shall keep unto thee the covenant and the mercy which He sware unto thy fathers**". Now watch what the Lord states in verse 15: "**And the Lord will take away from thee ALL SICKNESS, and will put none of the EVIL DISEASES of Egypt, which thou knowest, upon thee; but will lay them upon all them that hate thee**". Diseases came as a result of sin, and it is evidence of divine judgment, and hence, it is written of Jesus Christ our sin bearer, in 1 Peter Chapter 2, verses 24: "**Who his own self bare our sins in his own body on the tree, that we, being dead to sins, should live unto righteousness: BY WHOSE STRIPES YE**

**WERE HEALED**". This confirms the truth that diseases came as a result of sin, for it speaks of divine judgment, a judgment which Jesus bore for us. And as we speak this morning, the AIDS pandemic continues to kill millions every year. The fact that God keeps you does not take away from what is going on out there, for millions of people die every year from AIDS! There has now been an outbreak of Ebola, and Ebola is a pandemic. It simply means that we can only expect a lot of people to die, for 142 people have already died as a result of this outbreak! Ebola is coined after the river from where it all started, River Ebola, in the Republic of Congo, the Democratic Republic of Congo. But do not ask me how it started in Congo, as these insane scientists also create biological weapons (viruses), in their laboratories, and test them in nations of the world that are poor. However, the issue is, whether it is a manmade disease, or by God, it is God in everything, for the Lord uses everything. And as I said before, when we

come to diseases, the world has seen nothing yet. I say that because of how God works in divine judgment against the God hating societies of men, letting me know that strange and new diseases are coming, they are coming, diseases unheard of before, for the devil and his children are bringing them. But as I also stated earlier, old diseases that the world thought they had eradicated (gotten rid of), are now making a strong come back, and the world is being warned of this terrible development by medical experts. We are speaking of diseases like the plague (bubonic plague); scarlet fever; tuberculosis; leprosy; rickets; syphilis; and gout. Furthermore, old peoples' diseases, like fibroids, dementia (Alzheimer's); cancer etc., now affect young people. You have to see that this is something serious, for it confirms the incontestable fact that perilous times (dangerous times; evil times) are here! Brothers and sisters, just a few days ago, on Mount Everest, there was an avalanche, and it killed thirteen people out of a party of fifty to sixty; three

people are still missing, and another six were injured. There was also an earthquake that struck South Mexico just a short while ago, 7.2 magnitude on the Richter scale. We are all aware of the current great mishap, the Malaysia Airliner which disappeared without a trace, with its 239 passengers, made up of fourteen nationalities, 155 of whom were Chinese, all who have apparently perished! In Sheffield, about two weeks ago, there was a sad fire incident, and five souls perished, making up three generations: a grandmother, her daughter, and three grandchildren. Three generations were wiped out in that fire outbreak. That is why when I saw that particular news story, I forwarded it to Brother Bola, as a way of appreciating the mercy of God in his home, because a similar thing happened there, but the result was different, for God makes the difference! There was a serious fire outbreak in his house, whilst himself, his wife, Sister Joy, and his sister-in-law, Sister Evelyn, had all gone to work, and it burned down

the entire parlour (the living room) and dining room, including the wall photos, the air conditioners, the chairs, the tables, the television set, carpets, and all. But despite the serious burning which consumed the table upon which the Bible laid, the Bible itself was preserved unscathed! What a mighty God we serve! God kept His people, and God kept His Word, the Holy Bible, for truth can be sustained right inside fire, just as the three Hebrew children were sustained by the God of truth! What a difference grace makes! We thank God for His grace. I am not saying this to gloat, and neither am I saying that to mock or make jest, for it is indeed a very horrible thing that happened to the three generations of people that were wiped out in the fire outbreak in Sheffield. It is horrible and sad, and our hearts go out to the families of those people. But the bottom-line is this, for we have to ask ourselves: Why are all these things happening? I am showing you the operation of demons, for they are responsible for such disasters, and they are happening as a result

of God's judgment, for they are evidence of God's displeasure with humanity, even though that does not suggest that the people concerned were bad people; Not at all! However, the devils who are responsible for such horrible deeds do not care for the goodness of people, for as long as you are not under the umbrella of God, you are fair game for them! Exactly! We all remember the Indian Ocean earthquake and the tsunami that struck the coasts of Asia in December 2004, killing over 230,000 souls, injuring over 500,000 people, and with thousands more missing! And to think that all these things are happening everyday! Earthquakes, floods, and landslides are happening every day, constantly creating death and havoc, for many lives are wrecked forever, after their homes and businesses have been totally destroyed, and their family members dead. Tornadoes are tearing down the towns of the United States of America, and still, men will not sit down and ponder, *"Why is this happening? Maybe we need to get right with God"*.

No, they will not! There was a flood that hit Afghanistan last month, and more than one hundred people were killed by the flood. Now, God topped it with a mudslide on Friday morning, even though Afghanistan is still reeling from the effects of the flood that killed over a hundred people. In Saudi Arabia, there is an outbreak of a respiratory syndrome called MERS, just like the Asian SARS that broke out in China many years ago, where hundreds were killed in 2002 to 2003. Now, in the United Arab Emirates, 102 people have died since 2012 when it was discovered. It is called MERS Middle East Respiratory Syndrome Coronal virus, or MERSCO. Brothers and sisters, it has become a big problem right now in Arabia as we speak. Sister Chika who deals with all my tickets for travel, asked me, seeing that I had accumulated a fair amount of air miles, whether I wanted to go and spend it in Dubai. My reply was a big *"No!"* It is not because of MERS; but it is just that I am not interested in going to Dubai in general, and moreover, I have no

business there. I do not care for their lovely buildings and good roads. If you do not have regard for my God, I do not have regard for you either. Dubai has no attraction for me, because they have no respect for my God and His Word. I am not saying that you cannot travel to Dubai, particularly if you have something to do over there, for I am not saying these things just to keep you from going there. I am just telling you that even if there was no MERS breakout over there, I am not interested in Dubai, and that is a personal choice. Simple! It is not a place I want to go, because they do not want you to come to them with your Bible, and I am not interested in going anywhere that I cannot take my Lord, and so, they can keep their place. Period!

Brothers and sisters, there was a mudslide in Washington recently, and the United States has not yet come out of the terrible and destructive effect of it, and a number of people were also killed by it. And now, Oklahoma which used to be a tornado

chasing city, is now experiencing earthquakes almost everyday. Let me read something to you, for it is something that should trouble not only Americans, but any right minded person, and make them think. I got it from Yahoo News, and it reads in material parts: ***“Oklahoma has suddenly become earthquake country, and no one knows why... It was an earthquake one of the more than 150 quakes measured at magnitudes of 2.5 or higher on the Richter scale that have hit Oklahoma in the last month alone. While most of the quakes have been small compared to the tremors that regularly rock California and other earthquake-prone states, the recent burst of seismic activity has made Oklahoma one of the shakiest states in the country, according to the U.S. Geological Survey. And that's weird in a state better known for its wild springtime weather and where most people, until recently, had never even felt an earthquake, much less considered how to react to one.***

***Oklahoma is still rebuilding from two of the strongest tornadoes ever recorded, which swept a deadly path through the central part of the state last May. Storms are such a way of life here that people are raised from an early age to cast a wary eye toward the sky... But earthquakes? Not so much at least not until recently... “A few years ago, people would have said you're crazy to talk about earthquakes,” said David Ball, emergency manager for Logan County and the city of Guthrie, a small town just north of Oklahoma City that has been the epicenter for much of the state's recent seismic shifts. “They are so regular now that it's like, 'Did we just have an earthquake or is that the wind blowing’?” Two weeks ago, on Apr. 10, 16 earthquakes hit Oklahoma in a single day, including a magnitude - 4 . 1 earthquake centered near Guthrie. Dozens of aftershocks have continued to rattle the state since then, including two***

***magnitude - 4 . 0 earthquakes last weekend. One struck Edmond, a suburb of Oklahoma City, raising concerns that the quakes could be inching closer to more populated areas of the state. Scientists are still at a loss to explain exactly what is causing the ground to shake with such frequency and what appears to be a growing intensity a major concern for a state where few buildings have been constructed to withstand even minor earthquakes. Some question whether the earthquakes have been triggered by oil and gas drilling. Others wonder whether the shaking of the earth is a divine providence foreshadowing the apocalyptic end of the world as prophesized in the Bible. But scientists say they just have no idea. “It's very mysterious what's going on,” said G. Randy Keller, director of the Oklahoma Geological Survey, which tracks and studies seismic activity in the state. “We are trying to figure it out, but right now, we just***

don't know, and it's concerning to us."... Until a few years ago, people here had only heard rumors about earthquakes in Oklahoma passed down through generations though there wasn't much to say. Even those who were alive barely remember a magnitude-5.5 quake in 1952 near Oklahoma City that left behind cracks in the state Capitol building. Until a few years ago, it was the biggest recorded earthquake to ever hit the state, but it was rarely, if ever, discussed. But the state's awareness of quakes has changed within the past five years as seismic activity has dramatically ramped up. According to the OGS, there have been 40 times more earthquakes since 2009 than in the previous 30 years many centered near a series of old fault lines that run north to south in Central Oklahoma. In 2011, a m a g n i t u d e - 5 . 6 earthquake struck near Prague, about an hour east of Oklahoma City, causing parts of a state highway to buckle and

significant damage to homes near the epicenter. Since then, activity has only continued to increase, with the state setting new records each year for seismic activity.

Just four months into 2014, Oklahoma has already set a new record for earthquakes. So far this year, according to the OGS there have been more than 140 earthquakes registering at a magnitude of 3.0 or above, compared to 109 for the entire year of 2013. In 2012, there were just 40 earthquakes that registered at a magnitude of 3.0 or above. The sudden jump in activity has attracted interest from geologists across the country even from California who have descended on Oklahoma to try and understand what's causing the earthquakes.

One source of suspicion and debate has centered on the state's booming natural gas industry, which has increased its production using a technique known as fracturing or fracking. The process uses large

amounts of water to coax gas from underground rock formations, and some scientists have speculated the disposal of that wastewater in deep-injection wells near the fault lines could be triggering earthquakes... "We're just not sure", Keller said. "Geoscientists are a lot like MDs. We have fancy tools and graduate educations, but the patient is very complicated. ... We don't just know if what is happening is natural or if it's caused by man. There's evidence on both sides. And we don't know why it's happening now. It's all very disquieting, and everybody wants to figure this out. But it needs more study."...

At the same time, the OGS has increased its number of seismic activity monitors around the state from seven to 30 with several positioned near Guthrie, in hopes of learning more about why the ground is shaking so much. This being the Bible Belt, there are people who have wondered if Oklahoma's earthquakes aren't some

**sign of the end times as prophesized in the Book of Revelations. It's an idea that first made the rounds in 2011 after the Prague earthquake when televangelist Pat Robertson pointed to the quakes and urged people "to get right with the Lord". And the theory has been revived again with the latest surge in quakes though no one wanted to be quoted by name admitting they've entertained the idea that the ground shaking could be a sign of God's wrath upon a sinful people".**

Let me share another news article with you involving Oklahoma, a recent one, although it deals more with Arkansas, and it reads: ***"Tornadoes does widespread damage in central southern U.S, killing eleven in Arkansas, one in Oklahoma"***. Saints, the last time I checked the news, the death toll had risen to eighteen, and I have not checked today, to find out the present figure. But the last time I checked it when I started this message, it was eighteen

souls that perished in that tornado onslaught. Brothers and sisters, in the town of Mayflower, if you see the devastation it wrought, it was simply phenomenal. The destruction that the tornado caused, and the pathway that it carved out for itself, as it went to communities and pulverized all in its way! My! It is incredible, the kind of devastation and destruction that that thing creates! Many homes were obliterated (knocked out; wrecked) totally, and people came out, and all they could do on seeing the incredible damage was just cry. Here they were yesterday with a lovely home, one which had taken them all their lives to build or acquire, and overnight, they have suddenly become homeless, losing everything to the tornado! Many businesses were leveled! You can imagine that your business is booming today, and things are going very fine, and all of a sudden, in just one night, everything is turned to debris, and your entire business is gone, and you wake up having nothing! Where do you start? What

do you do? I tried to capture the devastation on camera, and then I realized it was too much. Brothers and sisters, whole communities were wiped out. On a street, which had two rows of houses on both sides of it, all the houses were obliterated! It is serious! That tornado took heavy duty trucks (trailers), and flipped them completely over, turned them on their heads, and blew others into the sky like a piece of paper. Tornadoes, what a monstrous force! Brothers and sisters, a tornadoes can be coming this way, and they can suddenly shift, twirling (turning) completely away, as they are twisters. And yet again, it can go back on itself, as if it has a mind of its own, because there is an angel of the Lord guiding it, which is why you cannot predict its movements. Brothers and sisters, it can destroy everything in its path, and yet, it can go around one house, avoiding it completely, whilst at the same time, taking down every other house around it. Everything will be flattened totally, with just one house in the middle left standing. Church, I am not

saying these things gleefully, or to rejoice, but to show you the destructive power of tornadoes, and the fact that these natural forces are controlled by angels, for angels are behind them all! I am saying this to show you that we live in an hour where God is pleading with man through natural disasters, using forces of nature that no man has any control over. That is the truth! You have read it in the Bible where God sent hailstones on people. During this storm in America, somebody held some of the hailstones that fell in the palm of his hand. You do not want them to fall on your head, for they are solid ice, and they are as heavy as cricket balls! That is what God rained down from heaven in judgment in some Bible passages. Some hailstones are bigger than tennis balls, and sometimes, God makes them much bigger, for they can be as big as cement blocks! You know that you can take a spoon of water and throw it at me, and it will not hurt me at all, for it is infinitesimal (small, and insignificant). However, that same spoon of water, put in the freezer,

and allow it to turn into ice; now take that same cube of solid ice, and you can do damage to my eyes and face with it, for it is as solid as a rock! Yet, the measure of water that makes an ice cube is so small; but when it becomes ice, it is a different kettle of fish. Now you can imagine when it is this solid ice, one which is as big as a tennis ball, falling down from heaven. It may kill you if it falls on your head, and it will certainly damage your car, because of its solidity, weight, and the speed and height from where it drops from the sky. This is what the Bible calls hailstones. We do not experience these things here in Africa, thank God! We have enough poverty, disease, famine, and useless governments to contend with. So God decided, "*No, I will not give them hailstones on top of all their travails*". Because we already have hail stones of leaders, leaders who are hailstones of poverty and backwardness! So God said, "*That is enough*". Brethren, tornadoes take out anything in their path, for they are serious twisters! They uproot and fell giant trees like they are

mere twigs! Think about it! I am just showing you the destructive power of tornadoes, and this is what America faces everyday. And to think that she has not seen anything yet, for her day of reckoning is coming, and it is at the door, for it is very close. Tornadoes and blizzards are forces of nature that the Americans contend with every day. Yet, in days of yore (days of old), it was never this bad, and it was not this frequent, and neither was it this destructive. Now we are facing a sad and gloomy reality of forces of nature that no one can cope with, and it is a global onslaught, all on account of man's iniquitous ways. And the truth is that there is absolutely nothing anyone can do to reverse the evil course of things, for the Holy Scriptures must be fulfilled, for God's Word cannot fail. Let me tell you therefore, that outside of God, nothing is safe, and outside God, anything can happen, and your life will change forever, irreparably! Brothers and sisters, let God be your confidence; make Him your confidence! There is nothing that is certain in

this whole wide world, except God's eternal plan of redemption which we have in Jesus Christ our Lord and Saviour. That is the only thing that is certain in this ever shifting world, because in an instant, anything unforeseen can happen, and your world is changed forever, for LIFE IS FRAIL, VERY FRAIL. Therefore, I implore you: More than your carnal ambitions to be this and that, and to have this and that, you had better make the Lord God your main goal. Yes! You had better make Him your first "course", and your first choice, because there is nothing to this world, for it is vain and very frail, very transient, and as I said, anything can happen at any time, for this world is not ours. Perilous times are here! Run to the Cross of Jesus Christ, for he is the only rock of safety! We are living in the hour of divine natural judgment, as God is pleading with man through the use of natural disasters which only He controls, all indicating that perilous times are here. Perilous times are here, and make no mistake about that, for there is no doubt about it, except you

want to fool yourself in a most dangerous time as this. The choice is yours, for you are a free moral agent. I say that only because some people are like ostriches: They bury their heads in the sand, thinking all is okay, and that we just want to cause panic, for they never want to admit reality, just because it is not a palatable one. They always want to believe that everything will be okay, and that things are not as bad as it is being presented. That is why I said that the choice is yours. I can only warn you. Period!

Brothers and sisters, let me now wrap up my message, but on a positive note. For in this world of sordid evil, something that gives me joy, and one thing that makes me happy, for it thrills my heart, and one thing that just moves me on, is knowing that God has a wonderful and most glorious plan for His children, right at this end time, right here in these perilous times. What a great comfort that is to God's children all over the globe, because when we look out there, and we see

nothing but evil on every hand, utter godlessness, selfishness, greediness, covetousness, wickedness, immorality, extreme moral perversion, raw violence, one that is senseless, dastardly, and barbaric, and the gross bastardization of the Christian faith, together with the open mockery and hatred of God and His people, coupled with God's ongoing judgments upon the earth with forces of nature, we have to ask ourselves a question: What is God doing for His people? Is God not doing anything for His elect people? That is the question! Because all we see around is evil and wickedness, and God's judgment on every hand! Certainly, God must have a programme for His own people who love Him, people who are called by His Name, and who are standing for His truth, who are the elect Bride of Jesus Christ. Here we see God's judgment. (Brother Amos points to the chart). It is causing desert encroachment in the earth, famine, and drought, and many people die each day around the world out of

starvation, apart from those who die every day from diseases. That looks like a patient of AIDS, or like one who has been seriously starved to near death at a starvation camp. (Brother Amos points to the left side of the chart). Below him is a little boy drinking dirty muddy water, all because he has no access to clean drinking water, or on account of severe drought. No wonder polio is making a comeback. In sharp contrast, just take a look at the lovely stately home with a red sports car in front of it, and the posh silver coloured Mercedes Benz right on top of that picture, the world of the rich and famous, whilst the rest of the world are living on the dung hill in abject poverty. A lot of people are living the life, living large, living just for the flesh, without a thought for their soul, or for their Maker. They are just living in their world, living in a fool's paradise, having no clue to what is going on all around them, or about what is coming upon the world, and are definitely unprepared for it, for they are happy and content with their lot, having no thought of God whatsoever. It was

exactly like that in the cities of Pompeii and Herculaneum, before judgment suddenly struck, and it was too late to do anything, and they all perished in the volcanic lavaflow that broke out from God. Above that are the beach lizards, sun tanning at the beach, enjoying a life of "Riley". Also take a look at this earthquake zone on the extreme right hand side of our chart, with buildings that have been badly damaged, standing precariously (dangerously). The whole area has been ravaged by earthquakes, causing great destruction and loss. Above it is the picture of two tornadoes, standing tall and majestic, a serious force of nature. Beside the earthquake site is the picture of an aircraft disaster, as it plunges to the earth, obviously shortly crashing and killing all its passengers. Under it is the picture of a cruise ship that has sunk, killing untold numbers of people. Beside that we have a picture of a flood, and people are trying to cross it, people who can also be swept away if they are not careful. All these natural disasters are

happening all around us, for it is occurring every day! It is a horrible world! Around the centre of the chart we have gays and lesbians, as well as people in the tattoo kingdom. We also have Jihadists who are dressed up in readiness for a suicide mission. Now they use children, as well as women, to commit their suicide bombings, which is an extremely dangerous trend, for they are raising up a new generation of suicide bombers, Islamic terrorists. Just look at all that is projected on the chart, a miniature survey of an upside down, perverted, and violent, God forsaken world, a world taken over completely by the devil! Remember, we have not even talked about the Refugee crises around the globe, displaced people living in refugee camps established in various regions of the world, people who had to run from their homes, and who also had to leave their businesses and jobs behind, in order to save their lives. The global economic crises is also here, staring us in the face, crippling many nations,

including the West. That is why the price of Oil continues to fall astronomically, collapsing the economy of Oil producing countries like Nigeria, causing more misery and economic hardship for the masses. We did not touch these issues, yet the world is reeling from economic collapse on various levels as we speak, quite apart from the global race towards a cashless society that we now face today, one that is relentless, and is overtaking all aspects of man's expenditure, and with Nano chip implants already being in use for various reasons in the West, one which will be taken over by the Anti-Christ, ushering in the 666 Mark. So, if evil is all we see on every hand and everywhere, and there is nowhere to go for safety and comfort, because the picture is the same around the earth, as it gives us a very grim and sad world, one that is on its way out, surely God's people who have a living hope, must have somewhere safe to go, a place of absolute rest, an unshakeable haven (sanctuary). It is the plan of this wonderful

haven of rest that we will close with.

Brothers and sisters, I am happy to know that in these perilous times, these evil and most dangerous times, these scary times, we have a place of refuge, a sure place of refuge and comfort for our souls. For as evil abounds, and is attaining maturity, it is heart gladdening to know that God also has a plan for the Bride, a great and glorious plan. So the question is: What is God doing for His people in such a time like this, within the plan of salvation? We have to ask because religion has utterly failed man, and the religious world have lost their way completely, having fallen away totally from **"the faith"**, into absolute apostasy. All that is left in the Churches is singing, and dancing, and building programmes, the acquisition of wealth and materialism, as they make great merchandise of the Gospel of our Lord Jesus Christ. Hence the reason they know no more of their Bible than when they started attending church, for they are strangers to the Bible, just as the Bible is strange to them as well,

and yet, they have been in church for the past forty to fifty years! They have no clue to anything, following a hand-me-down tradition that has no soul saving value, thinking that they are saved, when in fact they are not, for they are grossly deceived. So what is God doing in such a time like this, for surely, everything has not been left over to Satan? Surely, God also has His own plan for His own people, both the Jews and Gentile elects! The truth is that God may have removed His hands from the affairs of men on a general level, but the hand of God, nonetheless, is still upon His people, and that is what we must not lose sight of! Exactly! Brothers and sisters, come with me to Matthew Chapter 13, and we will take a few more Scriptures, and close. Matthew Chapter 13, beginning from verse 41, just for a background: **"The Son of man shall send forth his angels, and they shall gather out of his kingdom"** (church body), **"all things that offend, and them which do iniquity"**. (Then verse 43 follows immediately, for the judgment in the lake of

fire in verse 42 is suspended, till after the White Throne Judgment. We will take verse 41 again, and link it directly to verse 43, in order to get the complete thought, and it records): ***“The Son of man shall send forth his angels, and they shall gather out of his kingdom”*** (church body) ***“all things that offend, and them which do iniquity... THEN SHALL THE RIGHTEOUS SHINE FORTH AS THE SUN in the kingdom of their Father. Who hath ears to hear, let him hear”***. The Lord promised that the righteous will shine forth as the sun, once the separation of seeds is complete. This lets us know that there is going to be a last move of separation in this last lap, in this third and final move for the elect Bride, in order for perfection to be accomplished. It is not what any man will do; it is what the invisible Spirit of God will do; because the Church started pure, and she will also end up as pure seed, for anything and everything that is not meant to go, will be taken out of the way. Let me tell you this: I do not care how

much people say that they like this way, this way of the continuing revealed faith of the Bible, if they are not meant to walk this way, they are only here for a while: Because there is something coming down the road to take them out! It is not what any man can engineer; it is what Almighty God alone can and will do. Every non-seed that has followed this way thus far, will all be expunged by God, because the final objective is that God wants the righteous to shine forth as the sun in the kingdom of their Father, and the presence of non-seeds can only bring reproach and blights, for they are hindrances, stumbling blocks. Therefore, perfection entails the taking out of all negatives, THEN will the Bride of Christ shine forth with the brilliance of the light of the Son of God, and that is ordained for this very day, in these perilous times! Prophet Daniel also prophesied the same thing in Chapter 12. The angel of the Lord told him in verse 10, that ***“the wise shall understand”***, referring to the wise virgins, which is the elect Bride of Christ.

Now in verse 3, the angel declared: ***“And they that be wise SHALL SHINE AS THE BRIGHTNESS OF THE FIRMAMENT; and they that turn many to righteousness as the stars for ever and ever”***. Brothers and sisters, Daniel Chapter 12, verse 3, is saying precisely the same thing that Jesus also said in Matthew Chapter 13, verse 43. Is that right? Yes! They are saying the very same thing. That is why, writing concerning the super spiritual state which the end time Bride will attain in readiness for the rapture, as recorded in the Book of Ephesians Chapter 5, Apostle Paul declared in verses 25-27: ***“Husbands, love your wives, even as Christ also loved the church, and gave himself for it; That he”*** (Christ) ***“might sanctify and cleanse it with the washing of water by the Word, That he”*** (Christ) ***“might present it to himself A GLORIOUS CHURCH, not having spot, or wrinkle, or any such thing; but that it should be holy and without blemish”***. This is also why the prophet to this age wrote under divine

inspiration, as stated in *The Seven Church Ages*, that the Bride will be **“A SUPER CHURCH, A SUPER RACE”**. Now listen to me. Saints, in an age of **“gross darkness”** and total apostasy, a spiritually bankrupt age; in an age of undiluted wickedness and unimaginable evil and violence; an age where moral values and Christian virtues have been thrown to the hogs; in an age where moral perversion and degeneration is applauded, and righteousness is abhorred and rendered illegal by the unjust laws of men; in a period of time when the Almighty God, and His Word, and His people, are hated with a passion, is also the very age God has promised to showcase the beauty of the Bride before the world. It is called the law of contrast, for God is going to do it by the application of the law of contrast! I am saying in essence that these **“perilous times”**, is also the time God has ordained that there will be perfection in the universal body of Christ, in full preparation for the rapture. You are not hearing me. The perilous

times, a time of global **“open rebellion”**, a period of time when the human society has gone into decay, total moral decay, having first fallen away from the faith, is the very same period of time that God has also ordained for perfection, that by the law of contrast, the glorious beauty of redemption that God accomplishes in the lives of His children, may be openly expressed before the world, stupefying and mesmerizing the world, before she is taken in the rapture, for up she goes! Because the greater the darkness, the more palpable the darkness is, the more the brilliance and the glory of light, as it takes darkness to reveal the beauty of light! Therefore, the darker it is, the more brilliant the light shines! That is why during daytime, you cannot value the beauty of light. But let darkness come, then you will see and appreciate the beauty of light; and the darker it gets, the more brilliant the light shines, for it takes darkness to manifest the beauty of light. It is the law of contrast, and God needs it to show the difference.

Remember the last plague that struck Egypt in the days of Moses, before the children of Israel left for the Promised Land, was gross darkness, palpable darkness. But on the other hand, in Goshen, in the camp of God's people, there was light, absolute light. It is the same thing that will obtain today. Consequently, the continuing degeneration of the world, is precisely what is needed to showcase the beauty of the elect Bride of this end time, as then she will go up in the rapture. May I therefore say that you can only imagine just how holy and beautiful the Bride is going to be! She will stand out like a sore thumb in the midst of a wicked and perverse generation! Absolutely! She will stand out in absolute contrast to a totally bankrupt and degenerate class of humanity! For as the maturity of evil seeds gets more and more pronounced, as Satan continues to express himself in his seeds, so also will righteousness come to maturity, and will also be expressed in the seeds of God, who make up the Bride of Jesus

Christ, for this is harvest time, a time when all the seeds, both wheat and tares, come to full maturity! God will use the current evil, horrible, scary, and alarming scenario of perilous times, to showcase the Bride of Jesus Christ to the world, the Lord using the law of contrast, for this is where it all ends. That is why God sent **“a shout”** in this last age, as recorded in 1 Thessalonians Chapter 4, verses 16, and we all know that the shout has already gone forth into the world, and it is now slowly and quietly being brought to its climax and completion, through the current lead apostolic ministry voice. We are also waiting for **“the voice of the Archangel”**, which is none other than the voice of the Archangel Michael, sounding first through the end time John, and then through the thunders, in that hour of prophetic time, once the seventh seal is broken, following the full application of the **“shout”**. Brothers and sisters, I will ask you a serious question, and please think seriously about it. When we look at the degenerate, and extremely evil, and most

rebellious state of the world, one that is full of serpent seeds, a world of moral perverts and godless creatures of every description, a world where humanity have been turned into dogs and hogs, more like walking demons, and a world which God definitely has to judge, what kind of Spirit do you think God will send to the earth to combat this evil one? Think about it! I therefore ask you: When you look at the promise of God recorded in Revelation Chapter 10, verses 8-11, and you consider the Spirit of John, what kind of Spirit do you think it is supposed to be? Do not forget that all the spirits are here, all the evil spirits that have operated all through time: The spirits that ruled Cain and his lineage; the spirits that ruled the Egyptians; the spirits that ruled the Canaanites; the spirits that ruled Sodom and Gomorrah; the spirits that ruled Babylon; the spirits that ruled Medo-Persia; the spirits that ruled Greece; the spirits that ruled old Rome, with all her moral debauchery and absolute wickedness and tyranny, one which caused

God to send volcanic fire and pyroclastic ash flow to wipe out the cities of Pompeii and Herculaneum. All these evil spirits are here today, for everything is here! Many false apostles and deceitful workers are also here, a deluge of men peddling falsehood, having taken over the Branham Movement, as well as the whole of Christendom; grandmasters of deception, serious perverters of the faith, and blasphemers, just as Saint Paul warned in his day, as recorded in 2 Corinthians Chapter 11, verses 13-15: **“For such are false apostles, deceitful workers, transforming themselves into the apostles of Christ. And no marvel; for Satan himself is transformed into an angel of light. Therefore it is no great thing if his ministers also be transformed as the ministers of righteousness; whose end shall be according to their works”**. And what have these apostate and unbelieving preachers caused in Christendom? It is just as the Book of Prophet Isaiah states in Chapter 1, verses 5-6,

where the Lord declared concerning the Nation of Israel in that day: **“Why should ye be stricken any more? ye will revolt more and more: THE WHOLE HEAD IS SICK, and the whole heart faint. From the sole of the foot even unto the head there is no soundness in it; but wounds, and bruises, and putrifying sores: they have not been closed, neither bound up, neither mollified with ointment”**. That is also the true state of Christendom as we speak today! No wonder Prophet Isaiah also indicted the religious people of his day, declaring in Chapter 28, verse 8: **“FOR ALL TABLES ARE FULL OF VOMIT AND FILTHINESS, SO THAT THERE IS NO PLACE CLEAN”**. And is that not exactly the pathetic state of the religious world today, a fallen and apostate Church? It certainly is!

Therefore, I ask again, what kind of Spirit do you think God will release on earth, to lift up as a standard? What exactly are you expecting God to do today? To send a jellyfish; a soft spoken jellyfish, one carrying a

carnal (fleshly) message of appeal to men? In an unparalleled hour of unparalleled evil, an hour of perilous times when men are literally playing God, and are openly declaring that they are God, an hour when the preaching of the truth of the Word of God has been legally forbidden, what kind of Spirit do you think God will set in the earth to combat these satanic spirits; these demons? A soft spoken, very “gentle” Spirit? I think not! Do you think that it will be one that will say to the people: *“Please my brethren, do not do that, for I know that we are all children of God, for we are one, and God loves us. However, if you feel otherwise about what I just said, then, it is okay to do as you please, for God understands. At least He knows that in your heart, you love Him. We may see things differently, but we are all children of God, and we are all seeking the same kingdom, and may the Lord bless you”*. That is what the world wants to hear, you know. That is how they look at the ministry, as they do not see what the day is saying, and what the spirit of the age

demands! They forget that dangerous and evil times are here, for this prophetic Scripture has no true application to them! That was why the Lord inspired Raymond Jackson, to warn us of the third and final move of God for the elect Bride, in this last age. In his message laid out in the Contender Magazine, titled, *The Body Of Christ*, Part 5, a message he preached on September 5, 2004, he warned, and I am taking it directly from the audio tape: **“Always remember, brothers and sisters, the birth of anything, you get the HEAD FIRST... The head's got to be set in motion first! The head”** (apostolic) **“don't have to be one man, BUT IT STARTS WITH ONE MAN”**, (the lead apostle). **“And as that ONE MAN SPEAKS, other components of the head join with it. And then, when the body begins to see that the head is taking shape, then the people can begin to say, As for me and my house, we're going to go that way. So, this morning, brothers and sisters, it's not the big I and little you. It's not Doctor Do-**

***little. But IT'S A BROTHER THAT GOD HAS KNOWN***, (still talking about that one man, the lead apostolic ministry. Brother Jackson continued): ***"I have to say today, God's going to put His head in shape. The head's got to speak, Jesse... The body of Christ cannot be a nucleus of people running here and there with their ideas"***. (Because it has to be the voice or the message of one man, carrying the standard of the scriptural revelation of Jesus Christ for the entire body of ministry, for the sake of revelatory unity! Now listen to the warning he gave concerning the manner of the subsequent lead apostolic ministry; he continues): ***"WELL, I DON'T LIKE TO HEAR HIM PREACH. HE IS TOO ROUGH! Let's follow Jesus... My point is, brothers and sisters, God's got some men on the earth today; they are parts of that head. And that head is not choosed by the body. God choosed it. And when that head starts speaking, God depends"*** (expects) ***"that there is***

***now reaction from the body, Unity reactions"***. What was Brother Jackson saying here in essence? It is simply that it is the voice of truth people need to follow, because truth is what settles everything in this final evil hour of Gentile time, and not the manner of a man's delivery of a message, and neither is it the manner of a man's ministry! Period! Again in his message laid out in the Contender titled, *The Great Mystery*, Part 2, page 3, column 4, the chief apostle declared: ***"I say this morning, I do not want to sound foolish, but I have to say, When God BEGINS TO DEAL WITH A HUMAN BEING, to show some revelation of things, HE IS NOT GOING TO DO IT IN A WAY THAT THE OLD CROWD IS GOING TO RUN AND JUMP IN HIS LAP. They never have and they never will"***. (Think about that! Brother Jackson is simply saying that God will anoint him in such a way, that the old crowd will not like, and hence, they will not follow! But who loses? You must see exactly the kind of Spirit that is needed to combat the very evil and

strong spirit of Satan that is at work in this final hour of Gentile time, for ***PERILOUS TIMES ARE HERE!!!*** What then will God do in such an hour, at such a time like this? Perilous times are here, brethren, and it will not change or ease off, but only worsen, creating more evil, insecurity, and unrest. Brothers and sisters, things are not going to change, and they are certainly going to get worse: More unrest, more evil, more violence, more degeneration, and more Christian persecution. That is why you have to see that all the spirits are here. Look at what happened in the Garden of Eden, for there we see the beginning of an evil deed, how something evil started. We are talking about the fruit of the tree of knowledge, which was sex for pleasure; how Satan perverted the use of sex: for instead of it being used for reproduction, he introduced it to Eve through the serpent for mere pleasure, and it has never been the same with men since that day. That was at the planting season. Now just look at what the devil has done with sex

today; look at how far he has gone with this issue, at this harvest time, where everything is about sex and sexual innuendoes, whether in sports, entertainment, advertisement, religion, or even education, for schools are nothing but a cesspool of immorality and violence, where wholesale immorality, bullying, and violence is what holds court! Saints, everything that started in Genesis is here today! And as we speak this day, the class of human beings we have in the earth today are the worst class ever. They have not only outclassed Sodom and Gomorrah in iniquity (in homosexuality), they have also outclassed the Canaanites in bestiality, having graduated into "Objectophilia"! Somebody sees a piece of machinery, and derives a sensual attraction to it, so much so that it gives him or her erotic pleasure. It is the uncensored (raw) operations of demons! But you cannot tell them that though, for they will say, "What are you talking about? You are insane, and you need to go to jail for the crime of hate".

Brothers and sisters, perilous times are here! This evil can only go on, for it can only get worse, and as such, God also has to do something on account of His own children, to make the difference in our lives, in perilous times as these, for the plan of salvation is right on course, and it is unstoppable, and cannot fail. The Lord is going to cause truth to shine as never before, as He will vindicate it with unparalleled supernatural vindication, in order to confirm His Word, and also to show that He is God, for nothing can stop His truth, and certainly, nothing can stop the end time Bride, for she is ordained for glory. The church revealed in the Book of Acts is going to come forth, and with a greater glory, which is why that Book has no "Amen" written at its end, for there is still a Last Chapter of the Book of Acts to be "written" (re-enacted), for as it is written in the Book of Haggai Chapter 2, verse 9: "**THE GLORY OF THIS LATTER HOUSE**" (in Jerusalem, which also speaks of the true temple of God, the spiritual temple of God, which is the Universal Bride of Jesus

Christ), "**SHALL BE GREATER THAN OF THE FORMER, saith the Lord of hosts: and in this place will I give peace, saith the Lord of hosts**". Why? It is because it is the maturing of the seeds of the Lord! And as it is written in Ecclesiastes Chapter 7, verse 8: "**BETTER IS THE END OF A THING THAN THE BEGINNING THEREOF...**" Brothers and sisters, on one side is gross evil and degeneration; absolute iniquity; and on the other side is a masterpiece of goodness; absolute holiness; for the two seeds are being expressed on earth, in their absolute maturity, for this is harvest time, an hour of seeds. Therefore, all the spirits are here, in order to bring maturity to seeds, which is why it is a spirit age. But in order for the law of contrast to hold, the evil seeds of Satan had to first be brought to maturity ahead of the good seeds of God, and they are the ones who have created the perilous condition we now see. And the more I look at the world, the scarier it gets, for very scary sights are all I see. However, in all this, brothers and sisters, I have

to thank God for our portion, that in the midst of such gross religious apostasy, and total moral bankruptcy, right in the midst of the utter degeneration of humanity, election pulled us out, God's sheer election! What a great mystery election is! Saints, you know election is a great mystery! The election of God singled you out, and also singled me out. I often cannot help but ask God: Why me, and why you? What makes us better than the rest? Nothing, absolutely nothing, but just the grace of God! If not that, we would be following the same road, going after the same things, for we once did, being carnally minded. Then grace came, and made all the difference in our lives, and may God be glorified. Amen! Perilous times, therefore, is the time and hour divinely appointed for our glory, for as incredibly evil as it is, God needs it for the law of contrast between seeds and non-seeds, just as the Lord promised to put a difference between the Egyptians and Israel, as recorded in the Book of Exodus Chapter 11, verses 4-7: **“And Moses said,**

**Thus saith the Lord, About midnight will I go out into the midst of Egypt: And all the firstborn in the land of Egypt shall die, from the firstborn of Pharaoh that sitteth upon his throne, even unto the firstborn of the maidservant that is behind the mill; and all the firstborn of beasts. And there shall be a great cry throughout all the land of Egypt, such as there was none like it, nor shall be like it any more. But against any of the children of Israel shall not a dog move his tongue, against man or beast: that ye may know how that THE LORD D O T H P U T A DIFFERENCE BETWEEN THE EGYPTIANS AND ISRAEL”.** Church, there is coming a **“Showdown At Sundown”!** Hence the Lord allowed the devil to take over humanity, turning them into walking demons, as the film makers have depicted in World War Z, and other zombie horror movies, for after all, they are all his, as God's elect children are extremely few. Speaking about this open rebellion, it is written: **“... for that day” (of rapture) “shall not come,**

**EXCEPT THERE COME A FALLING AWAY FIRST”.** The Open rebellion is now before us. In Luke Chapter 21, a passage with which we will close this message, taking verses 25-26, and connecting it straight to verse 28, Jesus declared: **“And there shall be signs in the sun, and in the moon, and in the stars; and upon the earth distress of nations, with PERPLEXITY; the sea and the waves roaring; Men's hearts failing them for fear, and for looking after those things which are coming on the earth...”** Verse 28: **“And when these things begin to come to pass, THEN LOOK UP, AND LIFT UP YOUR HEADS; FOR YOUR REDEMPTION DRAWETH NIGH”.** IT IS OUR HOME GOING TIME! Perilous times gives us our home going time!

Church, I am here to warn you, that the hour which Apostle Paul saw, the period of time which the Spirit of God made him cry out loudly about in his writings, is right upon us. He spoke about **“perilous times”** way back then in the first church age, and I want each and everyone of

you to know that these **PERILOUS TIMES ARE HERE!!!** Just look out there, and you will see it as clear as day, for you are living right in it; it is the end of the world; the end of the ages. But do not be afraid, for God has a glorious end plan for the universal Bride of Jesus Christ, one that cannot fail, and one that is unstoppable. Know that God will use the absolute evil and gross iniquity that we see all around us, as a law of contrast, and as a means of showcasing the awesome majesty and great magnificence of the

true Bride of Jesus Christ. Do not forget that weeds, thorns, thistles, and tares, come to maturity, ever before the wheat seeds do. And regarding the maturing of wheat seeds, I want you all to know, that just as the prophet to this age often stated, and as the chief apostle also often stated, **"THE BEST IS YET TO COME"**. Just stay in the Continuing light of the Scriptures, and all will be well, for we have a most glorious future, even in such evil times like these. For even in perilous times, an unparalleled hour of

evil, we have a hope, a most blessed hope, one which is also unparalleled in glory. We will not leave this world in obscurity, for the Bride of Jesus Christ revealed in the Book of Acts, did not start in obscurity. However, we are leaving this world with a greater glory, the Lord using the law of contrast. I show you perilous times. Shall we bow our heads in prayer. (Brother Amos prayed).

The Lord bless you.
