

# The Scribe

"Every Scribe which is instructed unto the Kingdom of heaven is like unto a man that is an householder, which bringeth forth out of his treasure things new and old" - Matthew 13:52

Amos Olusegun Omoboriowo

September 2015

## THE DAY OF THE LORD

This message was preached by Brother Amos, on Sunday 22nd January, 2012, at Bible Faith Tabernacle, Lagos, Nigeria. However hard the facts and the content of this message, it is nonetheless, a most heartwarming message for the Bride, who is on the Amen side of this judgment. It should give comfort to our weary souls, that the end is indeed near.

May the Lord bless each and every one of you. Brothers and sisters, I thank the Lord for His grace upon our lives, the election we have of Him in Christ Jesus, according to His foreknowledge, before the foundation of the world. I am so grateful to God for the light of Jesus Christ His Son, that He most graciously opened our

eyes to the deep and rich things of the Lord which the angel told Daniel, "**is noted in THE SCRIPTURE OF TRUTH**". Let me tell you this morning, brothers and sisters, it pays to serve Jesus; it pays to stay with the Word of Life. The entire human existence depends on the Word of God, even though they do not know that; but they will find out one of these days. After all, everything God made, He made by His Word, and everything is certainly sustained by His Word of Majesty. Therefore, when people play with the Word of God, they play with their very lives; they play with their eternal destiny.

I am so grateful to God this morning, that He opened my eyes to see this revealed way,

and that He also gave me the grace to follow this marvelous light of life. I want to say, that of all men, we are most blessed. Church, it is either this Bible is the Word of God, or it is not the Word of God. But we know without any iota of doubt that the Holy Bible, the inspired Scriptures, is the Infallible and Immutable Written Word of the Living God, the God of all creation. Anyone that now tells me that it is not the Word of God, came too late. It is like telling me that God does not exist. I will not bother myself with you, because I can see the extent of your downright stupidity, and the height of your insanity. God has vindicated the Holy Bible on a phenomenal level, and to an incredible extent, and to a mind boggling measure, supernaturally, as well as prophetically, that you cannot tell me anything else! The temple in Jerusalem came down in 69-70 AD., just as Jesus Christ said it would, and there is a mosque in its place today as we speak, right there on the temple ground, and the children of Israel were scattered to the four winds, just as Jesus had also predicted that they would. However, the Word of God also promised the

regathering of the children of Israel at the end time, and now as we speak, that is a fulfilled reality, for in 1948, the Nation of Israel was restored, sitting right there on her land in the Middle East, with an elite army, and a prosperous economy, and it is now a nation to be reckoned with in the world. Think about it! Then in this last Church Age, this Laodicean Church Age, God raised up a prophet, Elijah and Star Messenger, and God released an astounding anointing upon him, and a grace, and that little statured man carried an unparalleled open miraculous anointing, on this side of the Dark Ages! Cancer meant nothing to him, and neither could that demon stand before him when he stood to pray. He called people back from the dead, and death gave up the souls it took, and they came back to life, all by the Spirit of Jesus Christ. In his ministry, God wrought incredible and perplexing miracles, for in his ministry, God supplied brand new eyes to sockets that never had any, and squirrels were spoken into existence, just as a short leg grew out to match the other one, under a miraculous touch, and demons who dared to

challenge him fell flat, bowing right at his feet, as he demonstrated the resurrected Christ before the whole wide world! The fact that you had only half a leg did not matter; the fact that you had no eyeballs in your eye sockets did not matter either, because God supplied whatever was lacking right there on the spot, fresh! And all that was done to this intent, and for this purpose: That we may know undoubtedly that the Holy Bible is the Word of God, and that God Almighty means exactly what He says in His Word, for it cannot fail. Therefore in that day, William Branham often quoted a particular passage of Scripture when ministering to the needs of the people in discernment, when he was praying for the sick on the prayer line, and that is Hebrews Chapter 4, verses 12-13, which declares: ***“For the Word of God is QUICK, and POWERFUL, and SHARPER than any two edged sword, PIERCING even to the dividing asunder of soul and spirit, and of the joints and marrow, and is A DISCERNER of the thoughts and intents of the heart. Neither is there any creature that is not manifest in his sight: but***

**all things are naked and opened unto the eyes of him with whom we have to do.**” Yes! That is the absolute power of the Word of God of all Creation, Jesus Christ, the Word of God! Brothers and sisters, by the operation of that Spirit of the Word of God, he would say: *“Sister, you are not from here, you are from Germany. You came in here yesterday, but you are not here for yourself. You are here because of your sister. She had a car accident twenty years ago, and was paralyzed. Her name is so-and-so, and she lives in France. Sister, your telephone number is such and such. Thus saith the Lord, your sister is healed.”* Brothers and sisters, people were just fainting for the incredible things they beheld, live, things which only God can do. Yet, all that was done to this intent, and for this purpose: That we may know that God means His Word. I will therefore say this to one and all: If people out there will not believe the Bible as the Word of God, and as the Absolute of true believers, brothers and sisters, on your part, you just stay with it, sincerely with all your heart, and you will see the glory of God. And by the grace of God,

we will stay with it, because we know and believe with all our hearts that the Holy Bible is the Word of God. Thank God for sending the prophet, and for the wonderful way He used him openly to demonstrate His power, in vindication of the Holy Scriptures! That is why I said that all these unbelievers who are questioning and blighting the Bible, denying that it is the Word of God, came too late. They should have come before the prophet! All those astounding miracles, those wonderful miracles, the mind boggling things that were done, things which only God can do, show without any iota of doubt, that the Holy Bible is true, and is ALL TRUTH! Yet, brothers and sisters, as fantastic as the display of God was in that day, that was just **the First Pull** of his ministry. Then God lifted him higher, for there was **the Second Pull** of his ministry, a second phase, when he could discern the thoughts in the hearts of men, just as Jesus did in the days of his earthly ministry. However, he was told ahead of time, that there was still one more pull to come for him, which is **the Third pull**, the highest and greatest phase of his

ministry. And may I say that both of the two pulls put together, were nothing compared with the Third Pull. So here came the Third Pull, the crowning glory of the prophet's ministry. And what is the Third Pull? It is the unveiling of the Word! I want to also remind you, that whilst the First Pull was represented in a prophetic vision to the prophet by tiny bitty birds, and the Second Pull was also represented to him by little bigger birds, on the other hand, the Third Pull was represented by Angels, showing us the incredible magnitude of the Third Pull! And when the hour came for the Third Pull to be activated, in March 1963, God sent down a constellation of seven angels, which included Archangel Michael, and they came with the revelation of the First Six Seals of Revelation Chapter 6, opening up very deep and complex prophetic things of Jesus Christ, things which had been hidden for about one thousand nine hundred years! Think about it! And we know by the certainty which the Scriptures give, that Archangel Michael is coming back with the revelation of the Seventh

Seal, when Jesus breaks it, in an hour that is just right ahead of us, as the revelatory icing on the cake of the elect Bride of Christ, when it is her time to be taken up to heaven! You cannot tell me the Bible is not the Word of God: You came too late! The wonderful and most thrilling thing about it, is that the Third Pull is still on, for the Third Pull did not end with Brother Branham, even though it started with him. God simply carried on the Third Pull, in a very humble and quiet way, through the apostolic ministry, for revelation did not stop with Brother Branham! Saints, I love this Word! Love the Word of God, my brethren, for it is your life! Shall we bow our heads in prayer. (Brother Amos prayed).

In taking *THE PURE SEED DOCTRINES*, we have now been on the Doctrine of *The Second Coming Of Jesus Christ* for sometime, and the Lord helping us, we want to bring that Doctrine to a close this morning. Shall we turn our Bibles to 1 Thessalonians Chapter 5, and we will start from verse 1: ***“But of the TIMES and the SEASONS, brethren, ye have no need that I write unto you.”*** What

seasons was he talking about? Is it about the rapture? No, definitely not! And you cannot argue with that, because Saint Paul now went further to explain himself, letting us know exactly what seasons he was referring to, and as such, we do not need anybody to interpret it for us, because it is plain. Verse 1: ***“But of the times and the seasons, brethren, ye have no need that I write unto you. For yourselves know perfectly”*** (clearly) ***“that the day of the Lord so cometh as a thief in the night”***. So we know that he is talking specifically about the Day of the Lord. Verse 3: ***“For when they shall say, Peace and safety; then sudden destruction cometh upon them, as travail upon a woman with child; and they shall not escape. But ye, brethren, are not in darkness, that that day should overtake you as a thief”***. In other words, it is not a day that Bride saints need to worry about, because we are not on the receiving end of this destruction. We are in the know, for we are on ***“The Amen”*** side. But the people of the World, all these unbelieving people, it will overtake them

suddenly, for it shall come upon them as a thief in the night, and they shall not escape the divine judgment that will be unleashed upon the whole world. It simply means that it will come suddenly, so it is going to overtake them unawares. The elect Bride seeds of God are spared this awful judgment of destruction, and as such, it will not overtake us, for as Apostle Paul states in verse 5: ***“Ye are all the children of light, and the children of the day: we are not of the night, nor of darkness”***. He is speaking of the condition of our hearts, because the revelation of Jesus Christ is burning in our hearts, to give us the knowledge of our God, illumining our souls, making us children of light, and of the day, for our souls are not cloaked in darkness of unbelief, but are filled with the light of life which Jesus Christ gives. Hence he concludes this thought in verse 9, declaring to the saints: ***“For God hath not appointed us to wrath”***(which the Day of the Lord brings), ***“but to obtain salvation by our Lord Jesus Christ”***. Amen! We are not appointed unto wrath, and that is precisely the reason

why that day of wrath, one of total destruction, is not going to overtake us, because we are precluded from that day's wrath. Hence, the reason we are appointed **"to obtain salvation"**, by going in the rapture, to return on the Day of the Lord, as Joel's Divine Army of the Lord, to inflict the judgment of God upon an unbelieving and most wicked world. This good news for the Bride of Jesus Christ, is precisely why Saint Paul now states in verse 11: **"Wherefore comfort yourselves together, and edify one another, even as also ye do."** So, brothers and sisters, we have a divine scriptural basis for comforting ourselves with this Word. Why? For as it is written, **"God hath not appointed us to wrath, but to obtain salvation by our Lord Jesus Christ"**! In essence, it means that we should comfort one another because we are going in the rapture! And because we are going in the rapture, which is the mystical coming of the Lord Jesus Christ, brothers and sisters, the Day of the Lord will not overtake us, because we are not appointed unto wrath, but to obtain salvation. Full

stop! Brothers and sisters, as we have clearly seen in these few days of meetings, the return of Jesus Christ is in two phases, and those two phases make up his second coming, regardless of what theologians say, just as the first resurrection is in three phases, all three phases making up the first resurrection. The infallible and unchanging truth, is that there is a mystical coming, or a mystical return, when he first returns in the air for his Bride, in order to take her up to heaven, and get married to her, and prepare her for the physical return to earth, when we will reign and rule over the entire planet, having him as King of kings and Lord of lords. Consequently, it is up there in heaven that we are going to crown him King of kings and Lord of lords, for he literally descends to establish the Millennium, as **"King of kings, and Lord of lords"**! This, therefore, also gives us a physical return, a time when he comes with his bride, who in that day is now his wife, in order to reign and rule over this planet, for a thousand solid years. Church, the day of his physical return, the day

Jesus Christ returns physically to the earth, is what is known as the Day of the Lord. I repeat: The physical return of Jesus from heaven with the saints, in order to establish the Millennium, is what is called the Day of the Lord. It is a day of God's wrath, because it is a day when God will violently take over this planet, in order to establish a righteous government upon it, and He will give it to His Son Jesus Christ, and to the saints of all ages, to reign and rule over. Consequently, brothers and sisters, 1 Thessalonians Chapter 5, verses 1-3, gives us the Day of the Lord, for verse 2 clearly declares: **"For yourselves know perfectly that THE DAY OF THE LORD so cometh as a thief in the night"**, to an unbelieving world. This leads me to consider **THE DAY OF THE LORD**, and that is the title of my message today. It is a message on its own, and it is a day which the second physical return of Jesus Christ ushers in, as it relates strictly to the second physical coming of the Lord. It is a day of utter wrath and total destruction and desolation, because his physical return is with

absolute wrath, a very great one!

Come with me to the Book of 2 Peter Chapter 3, and we will take it from verse 1, and it records: ***"This second epistle, beloved, I now write unto you; in both which I stir up your pure minds by way of remembrance: That ye may be mindful of the words which were spoken before by the holy prophets, and of the commandment of us the apostles of the Lord and Saviour: Knowing this first, that there shall come in the last days scoffers, walking after their own lusts, And saying, Where is the promise of his coming? for since the fathers fell asleep, all things continue as they were from the beginning of the creation."*** In other words, scoffers, unbelievers, are going to ask us in jest: ***"But Jesus said he will come back. So, where is he? He has not come. My great grandfather talked about it, and he died, and Jesus did not come. My grandfather did the same, for he talked about it, and he died, and Jesus did not come. My father also talked about his return, and he also died***

***without Jesus coming back. It is all a story for fools, because now I am an old man, and very soon, I am also going to die, and yet Jesus has not come back. The world has been continuing on, inspite of all the propaganda the Christians are spreading around the world for Centuries on end! So, where is his coming? Yak, yak, yak!"*** From verse 5, Saint Peter now begins to answer them, stating: ***"For this they willingly are ignorant of, that by the Word of God the heavens were of old, and the earth standing out of the water and in the water"***, (referring to the world in Noah's day): ***"Whereby the world that then was, being overflowed with water, perished"***, (for God sent a great deluge, a great flood, to wipe out the whole world in Noah's day). Verse 7 now warns: ***"But the heavens and the earth, which are now"***, (having first been judged by water, receiving its water baptism, and hence, its justification by water), ***"by the same Word are kept in store, RESERVED UNTO FIRE against the day of judgment and perdition of ungodly men."*** Now he gives us the reason for the

seeming delay, for it is really not a delay, although the unbelieving world look upon it as a delay, warning from verse 8: ***"But, beloved, be not ignorant of this one thing, that one day is with the Lord as a thousand years, and a thousand years as one day. The Lord is not slack concerning His promise, as some men count slackness; but is longsuffering to us-ward, not willing that any should perish, but that all should come to repentance."*** So God is bearing with all the evils we are seeing on the earth, looking on as if He can do nothing, for He is only being patient and longsuffering, not wanting any man to perish, but that all should come to repentance and be saved, for He knows the seriousness of the Judgment that is to be unleashed upon ungodly mankind. Watch verse 10: ***"But the Day of the Lord will come AS A THIEF IN THE NIGHT..."*** Apostle Peter used the very same expression which Apostle Paul used in his Epistle to the Thessalonians, showing us plainly that the two passages of Scripture are referring to the same prophetic event, and hence, they have the same

time application, for they both apply to the same season, which is the Day of the Lord, the day when Jesus returns physical from heaven, to take over the planet. I must warn that the event itself will not be a secret, but because it comes as a thief in the night, therefore, it is unexpected; it is sudden. I repeat: It is not that the event itself will be a secret one, for the Day of the Lord will not be a secret. It is that they are not expecting it, and so, it comes upon them suddenly, for it is totally unexpected, as they do not believe it will ever happen, and so it comes as a total surprise, and a great shock! Verse 10: ***“But the Day of the Lord will come as a thief in the night; in the which the heavens shall pass away with a great noise, and the elements shall melt with fervent heat, the earth also and the works that are therein shall be burned up”***, and all their works totally destroyed, leaving nothing untouched, as it is total destruction! The total destruction of the world is maintained, for verse 11 reiterates (re-states) it, declaring: ***“Seeing then that ALL THESE THINGS SHALL BE DISSOLVED,***

***what manner of persons ought ye to be”*** (as believers), ***“in all holy conversation”***(or holy conduct) ***“and godliness, Looking for and hasting unto the coming of the Day of God, wherein the heavens being on fire shall be dissolved, and the elements shall melt with fervent heat?”***This shows us that all the cities, towns, and villages of man, all their handiwork, all their homes, condominiums and businesses, with their untold Billions and Trillions, all their infrastructures and developments, in short, all their kingdoms with all its civilization, will be utterly and completely destroyed; totally wiped out, for the slate of the planet will be wiped clean, and a new dispensation, one that is most righteous and holy, will be established upon this planet. THIS IS THE DAY OF THE LORD! For just as God wiped out the whole world in Noah's day with water, starting afresh with Noah and his household, creating a new dispensation, so the Lord is also going to wipe out the world with fire, starting afresh with ***“THE SHEEP NATIONS”***! That is the end objective of the Day of the Lord, which is why verse 13

now provides: ***“Nevertheless we, according to his promise, look for NEW HEAVENS AND A NEW EARTH, WHEREIN DWELLETH RIGHTEOUSNESS.”*** That is the Millennial period, which gives us a thousand years of unbroken bliss on this planet. Halleluia! But what ushers in the Millennium Kingdom? It is called the Day of the Lord! Therefore, saints of God, seeing what is reserved as the end of this evil and abominable world, the Lord asks us from verse 11: ***“Seeing then that all these things shall be dissolved, what manner of persons ought ye to be in all holy conversation and godliness, Looking for and hasting unto the coming of the DAY OF GOD, wherein the heavens being on fire shall be dissolved, and the elements shall melt with fervent heat?”*** That is why I stated earlier that it pays to serve the Lord. However, brothers and sisters, please note that in this verse, the Day of the Lord is also called the Day of God. Did you see that? In verse 10, Saint Peter called it the Day of the Lord, but in verse 12, he now referred to the same day as the Day

of God! Consequently, whether we call it the Day of the Lord, or we call it the Day of God, we are speaking of the same prophetic event, and hence, we are speaking of the same season, for both terminologies apply to the same incident! It is the day when the rebellion of man against His Maker is brought to a close, for it is on that day that the **"OPEN REBELLION"** of man which we are now seeing today around the whole earth, is brought to an end! It is a day when God judges man for his absolute evil, and sheer wickedness, and stark unbelief! They will certainly be judged for rejecting the Message of Jesus Christ, and for their open rebellion against the God of ALL CREATION! Yes!

Church, Saint Peter is speaking in this prophetic passage of Scripture about the second physical coming of Jesus Christ, and not about his mystical coming, for as we pointed out earlier, there is also a mystical coming of the Lord for his Bride, a coming which precedes his physical return for the planet. 2 Peter Chapter 3, as well as 1 Thessalonians Chapter 5, verses 1-3, both

give us the physical second coming of Jesus Christ on the Day of the Lord, the hour of time when he comes with his Bride, to take over this planet, bringing this present world to an end, and establishing the Millennium. Therefore, we must know that the Day of the Lord gives us nothing but a violent overthrow of the world; a most violent overthrow of this ungodly humanity! They can call us doomsday preachers as much as they want, the truth remains that the Day of the Lord is coming, and there is absolutely nothing the world can do to stop it. Moreover, it does not matter that they do not believe the world will come to an end, for they do not have to believe it. It will happen just the same, just as the promise of God for the Nation of Israel was fulfilled, after almost two thousand years since she was scattered around the world, from way back in the days of General Titus, the Roman General! Brothers and sisters, if the Lord is to establish the Millennial Kingdom, which is a Theocracy, being a Divine Government, God's Government on earth, and the present class of humanity are God hating,

Bible hating, Christian hating, Jew hating, very crooked, most evil, extremely wicked, and utterly degenerate, totally rotten, and perverse bunch of humanity, common sense will tell you, therefore, that the Lord first has to judge this world, taking it over most violently, overthrowing humanity, for they are not going to hand it over to him, nice and easy! Come on! They are not going to say, *"Here is the planet, it is yours; please take it!"* They will not do that! As it stands today, only God knows the Trillions of Dollars that have been sunk by Western Governments, particularly the United States, in developing serious hi-tech weapons, arming themselves specifically against what they consider a possible alien invasion! That is why a lot of things are going on in the earth today in secret, things which the people of the world are totally ignorant of, as the governments of these advanced countries are preparing behind the scenes! So, with the growth in the absolute denial of God as the Creator of the Universe by the world's intelligentsia, scientists like Stephen

Hawking, and other miserable characters like him, and with the propagation of the nonsensical evolution theory of Charles Darwin in the West, please do not tell me that this pack of unbelieving, God hating world, will allow the Lord Jesus to take over the earth, without their active and most concerted resistance, for they will fight with all their might, however futile it may be! That is precisely why it is going to be an extremely violent overthrowing of humanity! And may I say, that you have never seen such a violent overthrow in your entire life, for it is simply unprecedented, since the overthrowing of the world by the flood! I was watching a documentary on the Second World War about two days ago, and just managed to see a little portion of it about Adolf Hitler, and how the Allied Forces, particularly America, did not want to bomb Berlin, because of the volume of the civilian population there. Britain, however, did not mind doing it, and so they bombed Hamburg. On the other hand, the Americans did not want to bomb Berlin, because they wanted to attack only strategic

installations, and spare the civilian population, for they had a moral law that was guiding them in that day, even in that war. But Adolf Hitler, the man they were fighting in Germany, had no such moral law! He was bombing both East and West Europe; he was bombing London; he was bombing everywhere to the ground, and the Americans were standing on moral law in the field of battle! My! May I say, that that was man's self-imposed moral law, for it was one that they gave themselves, and it was therefore foolish! If you do not let the revelation of God temper and stabilize you, you will follow man-made principles of morality that are foolish, and you will think that you are fulfilling something that is noble, not knowing that what man calls morality is outright foolishness to God! They had a maniac over there in Germany, who was overrunning everywhere, destroying everywhere, bombing everywhere, and the Americans said they had a moral law not to touch cities because of the civilian population. You know that Hitler would have gotten them, if they had not returned fire for fire! In fact, in that day, it demanded double fire for

his fire, because Hitler and the German military machines were powerful, ruthless, and relentless! The British on the other hand were smart, and they simply went and bombed Hamburg, whilst the Americans continued their principle of moral war against a man who was a perfect proto-type of the Anti-Christ, in his hatred of the Jews, and in his desire for world domination, for he was a mad despot (totalitarian)! That does not make sense, and Church, it did not work! They had so many casualties, and they were losing twenty percent of their forces in each advance they made, so much so, that they realized that they could not sustain that war, and further, that they were going to lose that battle for certain. Saints, it was just too costly for them, and eventually, they had no choice but to throw away their self-imposed moral law, and start bombing German cities, and eventually, they had to bomb Berlin, levelling it, because the Germans would not submit! Men had some moral principles way back in those days, even in the field of battle, and that is commendable, even though it was not

sensible, because you cannot fight war on morality! If you are going to fight a war, please make it an all-out war, and damn the casualties, or you are just wasting your time and resources: financial, material, and human resources! That is the way to do the job, and get it done! Nothing else is going to work, because it is not a game. If the Allied forces had simply flattened Iraq when they invaded it, there would have been no Islamic Insurgency rising up in Iraq after the invasion, throwing the whole world into chaos. Period! Brothers and sisters, when God turned Israel loose in battle, there was no morality clause attached to the battle to hinder them, such as the Lord saying: *“Well, just go and destroy the strategic areas, and make sure you do not touch the civilian population. Leave out the people, because I do not want human casualties.”* In a war, it is the people themselves that you want dead, for that is what will scare the daylight out of the enemy, and they will surrender! That is why the bombing of Hiroshima and Nagasaki stopped the war immediately, and hence, it stopped the

further loss of colossal lives around the world, much more than that which was lost in Hiroshima and Nagasaki, even though it was a great loss to the Oriental people! I know some will tell me: *“Brother Amos, what they did in Hiroshima and Nagasaki was horrible! That was horrible!”* But that was war! If they had not done that, if that war had not ended the way it did, much more people would have died around the globe, and the destruction and devastation would have been much more, for we would have had much more horror! When they were sent into war, God instructed the children of Israel: *“Wipe the enemy out, both civilian and military, male and female, young and old, including their cattle and dogs; everything is to go, and spare none!”* When the Lord was going to destroy Sodom and Gomorrah, and He sent His angels to do the job, He did not spare pregnant mothers and babies for morality sake, saying: *“Let us leave the hospitals out of it. Angels, just deal with men. Leave the poor women, leave the children, and leave the hospitals, particularly the maternity*

*ward.”* Did He do that? Of course not! I do not say this to be mean, and I do not say this to make God look mean either, for it is not about that. It is about the hour of the divine judgment of all wicked mankind, for everything we do has its price; it certainly has its payday! And when it is time to reap what you have sown, there is no mercy you will receive, for whoever sows the wind, must and will reap the whirlwind! Simple! It is thus saith the Lord in His Word! When I watched that documentary, I said to myself, you wait and see the Day of the Lord. They were talking of moral principles in a dire battle for freedom, when the man they were fighting was a maniac, who cared for nothing! And it is the same stupid way they are fighting against Islamic Jihadists today! Instead of going there to wipe out the place, obliterating it completely from the face of the map, they are dropping bombs on strategic targets, and they are also trying to go from house to house and street to street, fighting a guerilla-type warfare with suicide bombers and Islamic Jihadists, men who are fighting a religious war to establish an Islamic

Caliphate over the world, men who are hell bent on stripping the world of its freedom (liberty)! No wonder the West are losing the war! Let me tell you now: When God turns Israel loose in the field of battle, in the coming **HOUR OF THE JEWISH MIRACULOUS**, they are going to obliterate everything, and decimate the people! God is also not going to consider human morality on the Day of the Lord! That is why I said, if you do not have a divine revelation; if you do not allow the revelation of God to temper how you look at something, you will think it is something so good, so wonderful, following the morality of men. When the Day of the Lord comes, brothers and sisters, the issue of morality does not exist. Infact, the Lord is ushering in the Day of the Lord because of His own morality! The morality of God demands that He judges iniquity! You are not hearing me. I said: The morality of God demands that He judges iniquity, and make a good work of it, for Iniquity has a certain end! If He is going to judge iniquity, brothers and sisters, and it is men that perpetuate iniquity, you must see that

He is going to judge iniquitous men severely, for He will make a good riddance of them all, for He is not sparing one of them! They will all be decimated! Full stop!

Brothers and sisters, let us now look closely at **THE DAY OF THE LORD**. We have a lot of Scriptures we are going to touch and lay out, in order to do justice to this doctrine, and then we will move on to consider another doctrine. But coming back to the inspired writings of Saint Peter, in 2 Peter Chapter 3, just look at what the Lord said in verses 10-11: **“But the Day of the Lord will come as a thief in the night; in the which the heavens shall pass away with a great noise, and THE ELEMENTS SHALL MELT WITH FERVENT HEAT, the earth also and THE WORKS THAT ARE THEREIN SHALL BE BURNED UP. Seeing then that ALL THESE THINGS SHALL BE DISSOLVED...”** The Lord is going to set this planet on fire, even the heavens shall be on fire, as meteors are blasting out of heaven as if the whole of heaven is falling down! Brothers and sisters, all the works of man will be totally burnt out.

Business moguls, Billionaires and Trillionaires, with all their gigantic and colossal business establishments, their empires, with all their works, will be totally burnt up to literal ashes! Do you know what that tells us? The gas pipes, the oil pipes, are going to be set on fire, for they are going to burst! The oil wells and the oil rigs, they are all also going on fire! Oh, my! The oil plants, the gas plants, the oil installations, the gas installations, the oil tanks, the gas tanks, petrol trucks (petrol tankers), the chemical installations and plants, all around this world, are all going to be combusted (ignited), every last one of them! Moreover, men's nuclear reactors and nuclear plants, all over the globe, which have been built for different purposes, whether for generating electricity, or for Nuclear weapons, weapons of mass destruction, will all be set on fire, for they will all be ignited, every last one of them! Remember that many advanced nations of the world like Germany, Japan, etc., use Nuclear Plants to generate electricity. They also have a nuclear plant in Cape Town, for instance, one that is

strictly for electricity. But on the Day of the Lord, all these things will combust, for they will all be ignited, and what great explosions these things will create around the world, and what an outbreak of fire the globe will have from just these things alone! It will be more devastating than atomic bombs, as God sets everything on fire! What a day! It is going to be a big combustion upon combustion around the globe, like time bombs! Explosions around the world; explosions on oil fields and gas fields; explosions from nuclear reactors and nuclear plants; explosions from oil tanks and petrol stations; and explosions from chemical plants around the globe! Atomic bombs and nuclear bombs are also exploding, for none of them will be left active for the Millennium! What is going on? It is the Day of the Lord, for it is the day of the total annihilation (wiping out) of humanity, for they are godless and evil; they are wicked, downright rotten, and arrogant! Brothers and sisters, as highly destructive and devastating as these explosions are, the astounding fact is that all these explosions are

nothing, when we consider something God sets in motion to trigger this whole thing, for something sets everything in motion. Come with me to the Book of Revelation Chapter 16, and we will take verses 17-21, which records: ***“And the seventh angel”*** (carrying the seventh vial, which holds the pure wrath of God), ***“poured out his vial into the air; and there came a great voice out of the temple of heaven, from the throne, saying, It is done. And there were voices, and thunders, and lightnings; AND THERE WAS A GREAT EARTHQUAKE, such as was not since men were upon the earth, so mighty an earthquake, and so great”***. Did you hear that? ***“... there was A GREAT EARTHQUAKE, SUCH AS WAS NOT SINCE MEN WERE UPON THE EARTH, SO MIGHTY AN EARTHQUAKE, AND SO GREAT.”*** Brothers and sisters, here is *“The Big One”* which the scientists themselves are saying is coming. Here it is! This is the trigger! This is what triggers the global upheaval. Let us continue. Verse 19: ***“And the great city”***(of Jerusalem) ***“was divided into three parts,***

***AND THE CITIES OF THE NATIONS FELL: and great Babylon came in remembrance before God, to give unto her the cup of the wine of the fierceness of his wrath. AND EVERY ISLAND FLED AWAY, AND THE MOUNTAINS WERE NOT FOUND. And there fell upon men a great hail out of heaven, every stone about the weight of a talent: and men blasphemed God because of the plague of the hail; for the plague thereof was exceeding great”***. That is why Prophet Isaiah, saw the earth reeling to and fro like a drunkard, as the earth is rudely jolted and tilted by the enormous and gigantic earthquake, causing it to sway, reeling it back and forth like a drunkard, and it shatters, and the skyscrapers begin to tumble like a stack of dominoes, and ALL the flyovers and bridges around this world collapse, and highways begin to give way, caving in, with cities disappearing into the belly of the earth in the quakes, just as Isaiah Chapter 24, verses 17-20, records: ***“Fear, and the pit, and the snare, are upon thee, O inhabitant of the earth. And it shall***

**come to pass, that he who fleeth from the noise of the fear shall fall into the pit; and he that cometh up out of the midst of the pit shall be taken in the snare: for the windows from on high are open, AND THE FOUNDATIONS OF THE EARTH DO SHAKE. THE EARTH IS UTTERLY BROKEN DOWN, THE EARTH IS CLEAN DISSOLVED, THE EARTH IS MOVED EXCEEDINGLY. THE EARTH SHALL REEL TO AND FRO LIKE A DRUNKARD, and shall be removed like a cottage; and the transgression thereof shall be heavy upon it; and it shall fall, and not rise again.**” What a global catastrophe! That is why gas pipes, oil pipes, oil fields, gas fields, oil and gas tanks, petrol stations or gas stations, chemical plants, nuclear installations, along with bomb factories and what have you, begin to ignite, setting the globe on serious fire! Please do not forget that the earthquake is so serious, that it not only triggers all other earthquakes, it also triggers tsunamis of unknown magnitudes, as well as volcanic eruptions all over the globe,

activating both active and dormant volcanoes, as the ashes spew out into the sky for miles, and pyroclastic lava flows with terrific speed, and with melting fervent heat, wiping out and burying towns and cities in minutes! Think about it! It is doomsday indeed, and it is coming, regardless of who believes it or not, for it is just a few years down the road! Revelation Chapter 6, ties right in with this earthquake prophecy, declaring in verse 12A: **“And I beheld when he had opened the sixth seal, and, lo, there was A GREAT EARTHQUAKE”**, giving us the witnesses of both the Old and New Testaments on this prophetic issue, for their revelation projection is one, for the Lord is one, and His revelation is one. That is why Prophet Malachi revealed in Chapter 4, verse 1: **“For, behold, the day cometh, THAT SHALL BURN AS AN OVEN; and all the proud, yea, and all that do wickedly, shall be stubble: and the day that cometh shall burn them up, saith the Lord of hosts, that it shall leave them neither root nor branch.”** That is the fire Apostle Peter also saw and stated in his prophetic record, declaring that all

the works of man will be burnt away with **“fervent heat”**, for they will all be **“dissolved”**! I have gone down this route, just to let you see that it is a gigantic earthquake that the Lord uses to set everything in motion, once the Master speaks from the clouds of heaven that the party should begin. This is **THE DAY OF THE LORD!** We now want to take our time and lay out the details of this great day, sufficiently to establish the truth.

In the Book of Isaiah Chapter 13, beginning from verse 6, the Bible declares: **“Howl ye; for the Day of the Lord is at hand; it shall come as A DESTRUCTION from the Almighty. Therefore shall all hands be faint, and every man's heart shall melt.”** Now let us see them demonstrate and riot on that day if they can. Are you with me? Let all these mobsters and gangsters, and all these hate groups like the Ku Klux Klan (KKK), take their weapons and fight. Let all these Islamic suicide bombers and Islamic fighters come and fight in that day, and all those who think that they are tough men, the Shiite Muslims, who during their festivals beat themselves,

drawing flesh and blood with strings that they have laced with blades at its end, one with which they whip and slash themselves on their backs, sides, and stomachs, in sheer self-mutilation, saying in essence to the on-looking public: "Can you do this? See me, see what I am doing to myself; I am a tough man"; let them all come and fight if they possibly can. I say that because in that day, there will be no tough guys! All men will be urinating in their pants, for it is the Day of the Lord, the Day of God's Wrath! Verse 7: **"Therefore shall all hands be faint, and every man's heart shall melt: And they shall be afraid: pangs and sorrows shall take hold of them; they shall be in pain as a woman that travaileth: they shall be amazed one at another; their faces shall be as flames."** They are in so much pain, until their faces turn red, like it is on fire. Why is this so? The next verse gives it to us. Verse 9: **"Behold, the day of the Lord cometh, CRUEL both with WRATH and FIERCE ANGER, to lay the land desolate: and He"**(God) **"shall destroy the sinners thereof out of it."** That is the objective, to

wipe out ungodly humanity, for it is God taking out the billions of people you see in the earth today, for they are nothing but serpent seeds! Saints, I want to emphasise the fact that the object of God's cruelty on that day is man himself. Can I hear Amen? Yes! The object of His cruelty on that day is man, for they have a serious case to answer before the Lord God Almighty on that great day. Hence He is coming with cruelty, and with great and fierce anger (wrath)! You can imagine when men are very livid and mad; you can imagine when such angry men are coming to do something against another person or persons in retaliation for their evil, you know just how cruel and vicious that will be. Now multiply that a trillion times over, and see just how much more God is coming with "cruelty", for the utter impudence and blasphemy mere mortals have thrown on Him, after all the evils and wickedness that they have committed unabatedly! Are you with me? Hence verse 9 states categorically: **"... the Lord cometh, cruel both with wrath and fierce anger, TO LAY THE LAND DESOLATE: AND HE SHALL DESTROY THE**

**SINNERS THEREOF OUT OF IT."** It is literally their end! Verse 10 continues, stating: **"For the stars of heaven and the constellations thereof shall not give their light: the sun shall be darkened in his going forth, and the moon shall not cause her light to shine. And I will punish the world for their evil, and the wicked for their iniquity; and I will cause the ARROGANCY OF THE PROUD TO CEASE, and will LAY LOW THE HAUGHTINESS OF THE TERRIBLE."** The Lord turns off the celestial lights on the Day of the Lord, plunging the earth in darkness, declaring in essence to fallen man: Your time is out! He wants to bring down the arrogance of men! Men really think they are something. Just because they have money, they think they are something; because they are business moguls, billionaires, they think that makes them God; because they have connections, they think they are something; or because they are presidents and prime ministers, rulers over nations, they think they are God, and they make themselves God; because they are scientists and physicists, they think they

are God, and are playing God; because they are celebrities, people with fame and fortune, they think they are something special; because they are military generals, they think they are more than men; and because of their racial colour, they really think that makes them superior; yet all is nothing but human arrogance! Prophet Isaiah warned that the day of the Lord is designed to take that out, for God wants to totally bring down the arrogance of men! Now the total desolation of the earth begins! The death toll will be so colossal and mind boggling, for it is unimaginable, for humanity is literally decimated from coast to coast, so much so, that the tiny remnants left alive on the planet, are as rare as a rare precious metal, and hence, verse 12 declares: **"I will make a man more precious than fine gold; even a man than the golden wedge of Ophir."** You think fine gold is very precious and very scarce? Wait till that day! Humanity will be scarcer and much more precious! That is the end of this second world and its inhabitants! Verse 13 concludes: **"Therefore I" (the Lord) "will shake the heavens, and the earth**

**shall remove out of her place, in the wrath of the Lord of hosts, and in the day of His fierce anger."** Church, what does this prophecy tell you? It is simply that God is going to wipe out humanity. Full stop! The dead will litter this planet from one side to the other side, heaps and heaps and heaps, as far as the human eye can see! The over seven billion population we have today, one which is growing tremendously as we speak, for human population is running away, brothers and sisters, 99.9% of them are for burning! There will be no one to bury them, because there is nobody to bury anybody, for only an incredibly infinitesimal few, an incredible remnant, will remain! There is no burial anyone will do! God Himself will do the burying, for the earthquakes and volcanic eruptions, with the landslides and other vehicles of death, will do the burying of the dead. Moreover, the giant inferno which God creates on this planet, burns out most of the people, turning them into ashes, just as we read in the prophecy of Malachi, who records that the wicked shall be burned up, leaving them neither root nor branch, just as it is

written: **"For, behold, the day cometh, that shall burn as AN OVEN; and all THE PROUD, yea, and all that do wickedly, shall be stubble: and the day that cometh shall burn them up, saith the Lord of hosts, that it shall leave them neither root nor branch."** The Millennium starts with a new surface of earth, a new topography of earth. Prophet Isaiah, over 700 B.C., looking through the eye of the Spirit of the Lord, saw the Day of the Lord, and he wrote a great deal on that day. It is a day when God is going to "plead" with men, using the serious things of divine judgment.

Let us backpedal, for we want to see exactly how the Day of the Lord starts, how it opens up, having seen what the Day of the Lord is, and what its objective is, and what triggers explosions around the globe; what sets it in motion? For this understanding, we must proceed to the Gospel of Saint Matthew Chapter 24, and it provides, beginning from verse 29: **"Immediately after the tribulation of those days"**, (which brings us precisely to the very end of the 70th Week of Daniel),

**“shall the sun be darkened...”** (And if the sun is darkened, because its light is turned off somehow, then the next thing has to follow): **“and the moon shall not give her light”**, (because the moon does not have its own light to give, being a reflector of the light of the sun. So God turns off the light of the sun, and with this, the light of the moon also ceases automatically, turning the Planet Earth into darkness. But watch what Jesus lays out next: **“and the stars shall fall from heaven...”** Hold it there! The stars shall fall from heaven. What stars? We are going to lay this out when we come to the Book of Revelation, for it also covers this event. The last clause in verse 29 records: **“...and the powers of the heavens shall be shaken.”** What is causing all these heavenly disturbances? What is shaking the heavens? Brothers and sisters something is going on in the heavens, something great and phenomenal! The end result is that now, the planet is in total darkness! Pay close attention to the provisions of the next verse, verse 30, and see what follows this phenomenal global

darkness: **“And then shall appear THE SIGN of the Son of man in heaven: and then shall all the tribes of the earth mourn, and they shall see the Son of man coming in the clouds of heaven with power and great glory.”** Halleluiah! The King is coming! He is coming with mega, mega, divine power; spiritual power! Oh, my! Just his look alone can make Islands disappear! Yes, for it is still our God coming, veiled in the flesh of His Son, Jesus the Christ, the King of kings, and the Lord of lords! He is coming with **“a sharp twoedged sword”** in his mouth, which is the power of the Word, the power of the spoken Word, wherewith he shall smite the nations. He will say, **“Let that town disappear”**, and it will immediately disappear! He will speak, and it will be done, for he is the Lord: **“Let an earthquake swallow that city”**, and the earth will open up, and swallow it up, and that city will disappear, leaving no trace! **“Let all those soldiers corrupt as they stand on their feet”**, and brothers and sisters, they will all break out with corruption right there on their feet, dead! In his second physical return to

earth from heaven, Jesus is coming with great divine power and glory. And please do not forget, angels are also in his company, together with the saints of all ages, having the Bride of Christ in the preeminent position, having preeminent focus. We will see that when we get to the Book of Revelation. So what ushers in the Day of the Lord? What lets the world suddenly realise that that day has finally come, a day that they thought was merely the figment of the imagination of Bible Believers? God turns off the celestial lights! That is God's way of telling humanity, your time is up! It reminds me of the time when the children of Israel were coming out of Egypt, and God plunged the land in utter darkness, a darkness that was so palpable, that it could be touched! In that day, it is a phenomenon the world will not be able to explain; because the night before, CNN, BBC, as well as Fox News, and all other global news media, would have broadcasted that the following day would be very good weather. The weather forecast for the following day in Cape Town, Lagos, London,

Paris, Berlin, Moscow, New York, Los Angeles, New Delhi, Tokyo, etc., will be good! Then, all of a sudden, the Maker of the Universe turns off the light of the Sun, and the light of the moon is also turned off as a result. Please do not ask me how God will do it, because God can do anything, and He has a hundred and one million ways in which to do whatever He wants to do. The Lord can bring one giant asteroid or star to blank out the light of the Sun completely from the earth's view. He can also send an angel to block the light of the Sun, and the angel will simply throw a "blanket" over the Sun, and out goes its light. Consequently, the Sun will still be hanging up there, but its light has been snuffed out from reaching the earth, for it cannot pass through the thick blanket that the Lord has thrown over it! Do not forget that in the Millennium, as well as in the Eternal Age, we will still have the Sun. The point is that whatever way God does it, the light of the Sun is turned off from the planet, and as a result, the light of the moon also goes off. Oh, my! The earth is not plunged in darkness in one go. As the earth is rotating on its axis, the darkness is

engulfing her little by little, and the scientists and weather people will say, "*We do not understand this phenomenon. It is a strange development.*" One part of planet earth is already in darkness, and the darkness is moving on, slowly and continuously covering the planet, until the whole earth is covered in total darkness. The scientists will be crying: "*We do not understand this phenomenon. Half of the planet is in darkness, and the darkness continues to engulf the rest of the world! We do not have an answer or the solution!*" Church of the living God, what is this sign for? It is God wanting to put the whole wide world on open notice! They have scoffed at God's Word, claiming that He is slack concerning His promise of the return of His Son, and of the judgment of the earth by fire. We read that in the writings of Saint Peter! So, the Lord needs the darkness, in order to display something, for the sky becomes the canvas of God in that day, as He paints something in the sky for the world to see. It is like when people are in a movie theatre, talking and jesting, and all of a sudden, the lights are turned off, plunging the hall

into darkness, a notification to the starting of the movie, and all the talking stops, and all eyes are immediately turned to the stage, and fixed on the stage, to behold the motion picture that is now to begin. That is why verse 29 speaks first about the turning off of the celestial lights, which brings total darkness upon the entire planet, and then something is placed in the sky, a giant sign, as all eyes now turn to the sky, just as verse 30 declares: "**And then shall appear THE SIGN OF THE SON OF MAN IN HEAVEN...**" With the darkness cast over the planet, and before Jesus actually makes his appearance in the sky, there is first a sign! But please note, that the Lord first sends, not just **A** sign, but "**THE SIGN**", which is "**THE SIGN of the Son of Man**", the one who died on the Cross of Calvary! This therefore gives us the Cross on which he was crucified! Everyone knows and associates the Cross to one man and one man only, and that is Jesus Christ of Nazareth, the Son of God, the righteous one who paid the price of sin, when he was nailed to the Cross of Calvary, as "**the Son of Man**", the

Prophet-Lamb of God! Consequently, everyone will immediately realise what all this is about, because the Cross is the indisputable sign of Jesus Christ, the Son of Man! Therefore, I can see by the eye of faith, a giant Cross hanging in the sky as a super sign, the sign of the Son of man, a gigantic but most phenomenal and spectacular heavenly display. Let us say it is hanging a thousand miles long, and five hundred miles wide, dazzling like a trillion stars, shining in the sky gloriously, majestically, and powerfully, and is seen from coast to coast, and from continent to continent, and from nation to nation, with writing under it, an inscription, simply declaring: ***“THE KING IS COMING!!!”*** That puts the whole world on notice of what is going on in the heavens, and they will know immediately what is about to unfold. What a shock to all the scoffers! Remember it is written in the Book of Revelation Chapter 1, verse 7: ***“Behold, he”*** (Jesus) ***“cometh with clouds; AND EVERY EYE SHALL SEE HIM, and they also which pierced him”***, (who are the Jews): ***“and all***

***kindreds of the earth shall wail because of him. Even so, Amen.”*** Yes! It is his sign that is first displayed in the sky for the whole wide world to see, before the Lord makes his appearance. Everybody on earth in that day will know without any shadow of doubt, who is about to appear in the sky, for everybody knows that sign! It is God putting the world on notice, even as Matthew Chapter 24, verse 30 reveals: ***“And then shall appear THE SIGN of the Son of man in heaven: and then shall all the tribes of the earth mourn...”*** (Why are they mourning? They are mourning or sorrowful because they know exactly what that sign is, that it is the sign of Jesus Christ the Saviour of the world, the one they have denied and rejected all their lives! Now they see that what the Holy Bible states is absolutely true; but it is now too late to believe, and so they are in deep sorrow, feeling: *“What have we done to ourselves?”* Before they have time to wallow in self-pity, then he appears in the sky, as the Scriptures now states): ***“AND THEY SHALL SEE THE SON OF MAN COMING IN THE***

***CLOUDS OF HEAVEN WITH POWER AND GREAT GLORY.”*** Brothers and sisters, with the glorious and spectacular sign on display in the sky, putting the world on notice of his imminent appearing, I can see the armies of the world begin to gather together, as they muster all they have, all the hi-tech military weaponry they have amassed specifically for this war, as they have been expecting and preparing for what they thought would be an alien invasion! As the Anti-Christ is mustering the armies of the earth against the impending heavenly invasion, in heaven, Jesus Christ makes his appearance, as he is suspended in the sky, and the angels, with all the saints in heaven, are gathering together to him, ***FOR IT IS SHOWDOWN TIME!*** The armies of heaven are making their military formations in the sky, waiting for the order of Jesus Christ to turn them loose, for it is time to take over the planet. This is God's army, Joel's army! Remember we have a message in the Scribe, titled, *Joel's Army*, which lays out this battle, and here we see this heavenly

army put together. Halleluiah! Hence verse 31 records: ***“And he shall send his angels with a great sound of a trumpet, and they shall gather together his elect from the four winds, from one end OF HEAVEN TO THE OTHER”***, calling all the seeds of God in heaven to prepare for the final showdown with the seeds of the serpent! ***NOW IS THE FINAL CONFLICT BETWEEN THE SEED OF THE WOMAN, AND THE SEED OF THE SERPENT!*** What an hour! This brings us straight to the Book of Revelation, for it is tied to this prophetic event, and in Chapter 19, the Bible states from verse 11: ***“And I saw heaven opened, and behold a white horse; and he”***(Jesus) ***“that sat upon him was called Faithful and True, and in righteousness he doth judge and make war. His eyes were as a flame of fire, and on his head were many crowns; and he had a name written, that no man knew, but he himself. And he was clothed with a vesture dipped in blood: and his name is called The Word of God. And the ARMIES which were in heaven followed him upon white horses, clothed in fine***

***linen, white and clean. And out of his mouth goeth a sharp sword, that with it he should smite the nations: and he shall rule them with a rod of iron: and he treadeth the winepress of the fierceness and wrath of Almighty God. And he hath on his vesture and on his thigh a name written, King of kings, and Lord of lords. And I saw an angel standing in the sun; and he cried with a loud voice, saying to all the fowls that fly in the midst of heaven, Come and gather yourselves together unto the supper of the great God; That ye may eat the flesh of kings, and the flesh of captains, and the flesh of mighty men, and the flesh of horses, and of them that sit on them, and the flesh of all men, both free and bond, both small and great. AND I SAW THE BEAST”***,(who is the Anti-Christ, the prophetic seed of the serpent), ***“AND THE KINGS OF THE EARTH, AND THEIR ARMIES, GATHERED TOGETHER TO MAKE WAR AGAINST HIM THAT SAT ON THE HORSE, AND AGAINST HIS ARMY.”*** Revelation Chapter 17, ties right with

this, for it confirms this truth. Speaking from verse 12 about the Ten Horns, which gives us the European Union, in verse 14, it now records: ***“THESE”***(Ten horns, meaning the European Union), ***“SHALL MAKE WAR WITH THE LAMB, AND THE LAMB SHALL OVERCOME THEM: for he is Lord of lords, and King of kings: and they that are with him are called, and chosen, and faithful.”***Coming back to Revelation Chapter 19, verse 19, it declares: ***“And I saw the beast, and the kings of the earth, and their armies, gathered together to make war against him that sat on the horse, and against his army.”*** What utter impudence! That is why Psalm 2, beginning from verse 1, declares: ***“Why do the heathen rage, and the people imagine a vain thing? The kings of the earth set themselves, and the rulers take counsel together, against the Lord”*** (God Almighty), ***“and against His anointed”***,(Jesus Christ the King), ***“saying, Let us break their bands asunder, and cast away their cords from us.”*** (That is their foolish

thought! That is their foolhardy resolve! The Antichrist will seriously motivate them to fight to the death, saying to them: *"We must fight this invading foreign army. We will not allow them to take over our planet. We will fight for our lives, for our families, and for our freedom, the freedom to live our lives as we please, without any religious coercion and tyranny. This is our only planet; this is our home. Let us fight to defend the only place that is ours. Fight for the preservation of planet earth and our families. Fight to the death! Fight for freedom!"* However, what does the Bible say in the next verse? Verse 5): ***"He that sitteth in the heavens shall laugh: the Lord shall have them in derision. THEN SHALL HE SPEAK UNTO THEM IN HIS WRATH, and vex them in his sore displeasure"***! Now he speaks, sending forth the sword of the Spirit, as he sits on his white horse in the sky, and *"The Big One"* is ignited, the great gigantic earthquake, and the battle of *THE DAY OF THE LORD* begins. We know the end of the war, for Revelation Chapter 19, verses 20-21 gives it to us, as man will be

decimated, with all cyborgs (electromechanically enhanced men), and all machines will be liquefied, for the Antichrist is whipped black and blue, and taken. That is the prophetic picture which the Book of Isaiah Chapter 34 gives to us, as recorded in verses 1-4: ***"Come near, ye nations, to hear; and hearken, ye people: let the earth hear, and all that is therein; the world, and all things that come forth of it. For the indignation of the Lord is upon ALL NATIONS, and His fury upon ALL THEIR ARMIES: He hath utterly destroyed them, He hath delivered them to the slaughter. Their slain also shall be cast out, and their stink shall come up out of their carcasses, and the mountains shall be melted with their blood. And all the host of heaven shall be dissolved, and the heavens shall be rolled together as a scroll: and all their host shall fall down, as the leaf falleth off from the vine, and as a falling fig from the fig tree."***

However, come back with me to Revelation Chapter 16, which gives us the

seventh vial, which is the final vial of the wrath of God, recorded in verses 17-21: ***"And the seventh angel poured out his vial into the air; and there came a great voice out of the temple of heaven, from the throne, saying, It is done. And there were voices, and thunders, and lightnings"*** (all which signify the voice of God Almighty, showing that God spoke! And when He spoke): ***"and there was A GREAT EARTHQUAKE, SUCH AS WAS NOT SINCE MEN WERE UPON THE EARTH, so mighty an earthquake, and so great. And the great city was divided into three parts, and the cities of the nations fell: and great Babylon came in remembrance before God, to give unto her the cup of the wine of the fierceness of his wrath. And every island fled away, and the mountains were not found"***, (as God redesigns the topography and the tectonic plates of the earth. He redesigns not only the surface of the planet, but also the foundation alignment of the planet. Please note this fact). ***"And there fell upon men a great hail" (of meteors) "out of heaven, every stone***

**about the weight of A TALENT**”, (which measuring unit gives us about 75 pounds or 35 kilograms): **“and men blasphemed God because of the plague of the hail; for the plague thereof was exceeding great.”** The world has never seen this kind of plague, and neither have they ever seen this kind of earthquake! Their Richter scales cannot configure the magnitude of this quake, as it is much more than a magnitude of 10! As we can see, it is not just an earthquake; it is The Earthquake, for it is a great and unequalled earthquake, since God placed Adam and Eve on this planet! Prophet Isaiah saw this gigantic quake as well. It is so great that it literally redesigns the topographical shape of planet earth, for the map of the earth in the Millennium will certainly show a different physical configuration! Think about it! Do not forget the earthquake that triggered the Indian Ocean tsunami of 2004: Well over Two Hundred and Thirty Thousand people perished in that incident, and many more were wounded, not to talk of the utter destruction, the scale and

cost of which was \$15 Billion, and with 1.7 Million people rendered homeless, one which in comparison to “the Big One”, is nothing but child's play; it is absolutely nothing, because at the end of the Day of the Lord, the entire population of the world is annihilated, and that is billions, leaving just a tiny bitty remnant, and the entire infrastructure of this earth will be obliterated! Come with me to the Sixth Seal recorded in Revelation Chapter 6. Although the Seventh Seal is the final Seal in the written record of the Word of God, in prophetic reality, the Seventh Seal will fulfill ever before the Sixth, because in prophetic application, the Sixth Seal is the last Seal. God juggled the chronological order of its writing, in order to hide the truth from the wise and prudent of this world, all these so-called Theologians, Doctors of Divinity, and Professors of Ignorance, and He uses divine revelation to put the true picture together for the elect Bride of this end time, the Lord working by His Spirit, through The Three Consecutive (successive) “READERS”, *The Three Scribes* that He has placed in the earth, for

her spiritual enlightenment. I am saying in essence, that prophetic scenes are shown and written, not necessarily in the order in which they will be fulfilled, and as such, we need a revelation by the Spirit of the Lord, to put the entire picture together perfectly, for in real essence, the last Seal is the Sixth Seal, because what God numbered as the sixth, is actually what happens last. Hence, the Sixth Seal ties in with the Seventh Trumpet, as well as with the Seventh Vial, for the three things give us the very end picture. Look at the Sixth Seal in Revelation Chapter 6, which begins from verse 12: **“And I beheld when he”** (Jesus) **“had opened the sixth seal, and, lo, there was A GREAT EARTHQUAKE; and the sun became black as sackcloth of hair, and the moon became as blood”**, (on the Day of the Lord, thus plunging the globe in total darkness, as the Lord Jesus gets up from His Father's Throne in heaven, and steps on his white horse, and ignites the great earthquake). Since we are on this issue, let me say this, and please pay close attention. Brothers

and sisters, this particular prophetic passage gives us a number of prophetic facts, a number of prophetic events; but we must understand that a prophecy does not necessarily supply all the prophetic details relating to a prophetic event. Consequently, in order to get the details, we will have to consider all other prophecies relating to the same subject matter, in order to get the full and entire picture. For instance, the record of the Sixth Seal does not give us any verse projection concerning the ***“THE SIGN of the Son of Man”***, one which will be displayed in the open sky, following the turning off of the celestial lights, and one which plunges the world in total darkness, even though it gives us global darkness as well. In its written chronology, the Sixth Seal simply gives us the breaking of that Seal, the great earthquake, and the turning off of the Sun and the moon, amongst other things, showing us undoubtedly, that the Sixth Seal is apportioned in its application, for the period of time, which is the Day of the Lord. Period! However, what we must realise is that the order of its account is

juggled, and as such, it will not fulfil in the order in which Saint John was shown, for it will not fulfil in the precise order in which he stated it right here, although the Seal will fulfil on the Day of the Lord. The absolute truth is that if there is such a gigantic earthquake, one which will trigger the shaking of the entire planet, making it to ***“reel to and fro like a drunkard”***, thereby redesigning and reshaping the landscape of the earth, an event which Prophet Isaiah also saw and recorded, as laid out in Chapter 24, verses 19-20, common sense will tell you, therefore, that in that monstrous global shaking, men cannot even prepare for war, let alone be able to amass their soldiers for that war! Come on! That gigantic earthquake will trigger grave and colossal global seismic and geological developments, neutralising the ability of man to mobilize their forces, and their forces will definitely be mobilized, for it is also written! IF ***“the Big One”***, the great earthquake, happens, just as it is written here, before the global darkness and the sign of the Son of man are

expressed, then, just how can men prepare for this war, if they are waken suddenly, unexpectedly, and unpreparedly, by such an unequalled magnitude earthquake, one that simply tears the earth to pieces?! Wake up! Moreover, it is the activation or the application of the Sixth Seal that we will have in that day, because the Sixth Seal has already been broken at this end time, as it was broken way back in 1963! Therefore, all eagles of God must see that the chronological order in which Apostle John was shown this event, and hence, the order in which he wrote it, is not necessarily the order of their fulfilment, even though that Seal is ordained for the Day of the Lord! You have to see that! Consequently, we will have to let other prophetic Scriptures have their precise slot, in ***d e t e r m i n i n g*** the chronological order of the fulfilment of events on that day! Period! Therefore, the true scriptural order is this. ***Christ breaks the Sixth Seal***, and this breaking took place at this end time, back in 1963, and in the future hour of the prophetic application of that Seal,

Jesus will leave the "throne" of God in heaven, and mount on his horse; but he will not make his appearance, until the darkness is first ignited, followed by the display of the visible Sign of the Son of man in the sky, in order to put humanity on notice, before heaven is rolled back as a scroll, allowing humanity to see Jesus on a white horse, as the heavenly armies fall into their military formations in the sky, allowing the Antichrist to also muster the kings of the earth to battle, against him that sitteth on the white horse. And with the battle set, God utters His voice in heaven, and Jesus simply sends the sword of the Spirit, and the Great Earthquake ignites, as the stars of heaven begin to fall in the shaking, and the rest is history! Amen! I had to lay this out on account of the opposition, because they usually think that they have something with which to tear down truth, when they have absolutely nothing! The fact remains, however, that I cannot afford for them to use the record of the Sixth Seal, to tear down the true order of prophetic fulfilment, thereby creating confusion for God's

children. Revelation Chapter 6, verse 12: ***"And I beheld when he had opened the sixth seal"***, (which was done in 1963, now meaning that when Jesus activates the fulfilment of that Seal in the future date), ***"and, lo, there was a great earthquake; and the sun became black as sackcloth of hair, and the moon became as blood."*** Now watch verse 13: ***"And the stars of heaven fell unto the earth, even as a fig tree casteth her untimely figs, when she is shaken of a mighty wind."*** Hold it right there! Which stars are these that are falling unto the earth? These are meteors, broken up giant bits of dead stars! Saints, I was watching a documentary a few weeks ago on the television channel called BBC knowledge, about the heavenly bodies. I have told the Church before, and I will say it again: There is one star that is the most watched of all stars by astronomers, and hence, it is the best known. There is one star, a cool red giant star, that all astronomers, and that all observatories around the globe, watch more than any other star,

and its name is **Mira**, and it has been known for about Four Centuries (400 years). However, of recent, one man was monitoring the stars in the observatory, when one of the satellites that is in orbit caught a photo of something; it caught a streak behind the Mira star. Please know that Mira is very much bigger than our Sun, many times over; and yet, in diameter, you can get many earths out of the Sun, for the Sun is much bigger in diameter than the earth. And to think that the Sun is not even one of the big stars! But let us leave that aside. Now they saw a long streak behind Mira, and they wondered, what is that? By the time they took a better look at it, they realized that Mira is dying, as it moves with terrific speed, a supersonic speed, leaving behind a gas trail, like a long tail, and yet, they never saw this tail before, in all the years they had been watching it. They now realized that the most watched giant star is dying, and this fact made them begin to fear for planet earth, for they began to think that our Sun will eventually die. Yes, it will die, because they are the ones that put it up there in the first place.

These unbelievers! I say that because the sun will be here, not only in the Millennium, but all through eternity, and as such, the thought of our sun dying is preposterous (ridiculous; nonsensical)! Nevertheless, this new knowledge about Mira, created a new wave of desperation among the scientists, particularly NASA, for they are most concerned about what they can do if the planet ceases to exist. As such, they are now trying desperately to see how they can get to the next frontier, a project to which the United States Government has committed colossal amount of money to, for it is their new mission: They are desperately seeking an alternative planet! Brothers and sisters, what they saw on Mira has now changed the dynamics of everything for them. Church, NASA states that if our Sun had a tail like that of Mira, in measurement, it would extend way beyond the edge of our solar system! That makes it 350 light-years away from earth! But it is dying, and at the end of the day, it is going to combust. And in the place of a dying star, out comes new planets. That is why I

said those things are very big. Our Sun is also a star, but it is a small one in comparison.

Saints, when I was thinking about dying Mira, a thought just struck me: On **THE DAY OF THE LORD**, what if God needs this dying star? Think about it! It is just a thought! I say that because God has His purpose for putting all these things up there, for the God of creation is perfect in all His ways, and He has a divine objective for everything that He creates, and we certainly have a prophetic promise of stars being rained down as a plague, upon planet earth! So if Mira is on its way out, who knows whether it will also come in handy on the Day of the Lord? Under the Sixth Seal, the Holy Bible declares: ***“And the stars of heaven FELL UNTO THE EARTH, even as a fig tree casteth her untimely figs, when she is shaken of a mighty wind.”*** That gives us nothing but an endless barrage of meteors and shooting stars on the earth! It is the power of the GOD of ALL CREATION that is shaking the heavens, causing the stars to fall upon the earth, like when a great wind is

literally shaking fig trees, causing them to cast their figs uncontrollably! Meteors upon meteors, dead stars are being broken up, and are being hailed from heaven directly onto the earth, each weighing about one **“talent”**, which is about 75 pounds or 35 kilograms, having more power than the atomic bomb which fell on Hiroshima, considering the incredible speed with which they are coming, and the great heavenly height from which they are coming! What a day, when God turns old dying stars into squad missiles and divine bombs! Let me inform you that just one meteor can be extremely very powerful, that it will be many times brighter than the Sun, and its explosive power will also be many times more deadly than that of **“Little Boy”**, the atomic bomb which destroyed Hiroshima, which was about 15 kiloton (about 16,000 tonnes of TNT); and it will also be much greater than **“Fat Man”**, the 20 kiloton nuclear bomb that destroyed Nagasaki. You can imagine something travelling at more than 50,000 miles per hour from space. It will simply obliterate

everywhere for hundreds of miles, particularly if it is a megaton explosion! This should let you know that explosions caused by outer space collisions with the earth, can cause much more damage than nuclear weapons, for they pack incredible tonnes of TNT (Nuclear weight). Look at what NASA did in 2007, towards the end of the presidency of George Bush, for it tells us something ominous is going on. All workers at NASA's Jet Propulsion Laboratory in Pasadena, including long standing scientists and engineers, were instructed to subject themselves to high security clearance, in order to continue working at this Laboratory, a clearance which involves investigating and collecting data on everything about their lives, both personal and impersonal, and many scientists had to refuse, and walked away from their jobs of many years, on account of this gross invasion of their privacy! This undoubtedly shows that there is something serious going on out there, something ominous going on up there in the heavens, that is seriously disturbing and troubling NASA, so

much so that they want absolute secrecy on it, for they do not want the public to know anything about it. That is why Trillions of Dollars are being pumped into space exploration, as they seriously scout for another planet, for they are desperately seeking to get away! Something serious is definitely going on out there in the heavens, because God is slowly positioning the heavenly bodies for their divine mission against planet earth! Yes! That is why today, more than ever before, NASA is seriously monitoring the asteroid belt in our Solar System, twenty four hours a day, seven days a week, For asteroids, (which are irregularly shaped rocks, and are minor planets), AND for meteors, that may endanger the planet. They do this religiously, as if they are the ones in charge of the planet, and as if they are the makers of the planet, and as if they can avert what is coming! Church, right under the Seventh Trumpet, what does Jesus tell us, as recorded in Revelation Chapter 16, verse 17: **“And there fell upon men a great hail out of heaven, EVERY STONE ABOUT THE WEIGHT OF A TALENT:**

***and men blasphemed God because of the plague of the hail; for the plague thereof was exceeding great.***” This is coming, and there is no NASA that can avoid or stop it, and neither is there any other frontier they are going to colonise, however much they prepare! God will take over the asteroid belt, and the stars, and use them just as it is written, for it is the hour of the recompense of humanity, for all their evil works, and for their utter wickedness! Jesus Christ will speak, taking authority over these **stars** and **asteroids**, as well as **comets**, and God will be hauling them down to earth, to judge a most perverse and wayward generation! Saints, there is a Department in the United States of America that is constantly monitoring asteroids, every second of the day, every minute, every hour, every day, every week, every month, every year. They monitor the asteroid belt 24/7; because they realize that any collision with the earth can be catastrophic. Church, I once watched a documentary which showed how they monitor the asteroid belt, and I simply marveled at the capacity the Lord has

endowed men with, at this evening time. Indeed, knowledge has increased! That is why they do not believe that there is a God, because of the astounding things that they can do, things which God gave man the ability for! Hence they think that they are God! Let me tell you this morning: It is God that gave them that knowledge, but they perverted it, and are using it against their Maker! But the issue is this: If the Almighty God made mere temporal knowledge to increase astronomically at this evening time, how much more will spiritual knowledge increase! Come on! Why would the End Time Message people not know and believe, that spiritual knowledge must also CONTINUOUSLY INCREASE astronomically, in order to match the continuing astronomical increase in worldly knowledge? For instance, the android mobile phones are getting better and smarter by the day, and these unbelieving Message people do not want the revelation of God to also increase in the same measure, which is on a spiritual plane, knowing that the natural types the spiritual! Come on! Since God increased temporal

knowledge, how on earth will He keep spiritual knowledge under the table? Exactly! That is why when the angel told Daniel in Chapter 12, verse 4, that **“knowledge shall be increased”** AT THE END TIME, it applies first to spiritual knowledge, for we must not forget, that **c o n c e r n i n g** the deep prophetic things which Daniel wanted to know and was denied, the angel also told him in verse 10, that **“the wise shall understand”**, showing plainly that as natural knowledge increases at the end time, so will spiritual knowledge, because the natural types or follows that spiritual. Period! Coming back to the issue of asteroids, there was one little asteroid that was to fall a while ago, and it actually fell. However, before it fell, they were able to track it in space, predicting precisely where it was going to fall, and the time it would fall, and it fell precisely where they said, and as they predicted, for it fell in one of these African countries, in a desert country. They came after it, searched the whole area for its broken bits, and picked parts of the pieces that fell to the earth, and they said with joy: *“These stones we now have are*

*from the heavenly bodies.”* So they have securely kept it, and treasured it. Do not ask me what they are going to do with it? But of course we know that they are going to study it, for those rocks mean more to them than the God who made them, and what a great shame! This makes them think they can defend the planet against asteroids. The point is this: Man took it upon himself to guard the planet. They took the duty, the responsibility of guarding the planet, away from God and His angels, or so they think, and they put it upon themselves. So, they are going to defend Planet Earth from the attack of asteroids, in case any asteroid goes off course, and heads towards planet Earth. So they have devised all sorts of hi-tech computerized defense gadgets, hi-tech weapons they can use to blast up an asteroid, or make it deviate and go off course, that it may miss Planet Earth. Indeed, knowledge has increased at this evening time! Is that right? Yes! Just look at the feat of men! However, what they are not bargaining for, is that the God of creation, the one they have always denied and hated with a passion, is

the one solely in charge of the Universe, and hence, He is the one in sole charge of all these asteroids and stars, and that He has a day in which He intends to use them against fallen unbelieving mankind, a day called *THE DAY OF THE LORD!* They are certainly not bargaining for that! Let us therefore turn back and finish off the prophetic picture of the Sixth Seal, recorded in Revelation Chapter 6, beginning from verse 12, and it declares: “***And I beheld when he had opened the sixth seal, and, lo, there was a great earthquake; and the sun became black as sackcloth of hair, and the moon became as blood; And the stars of heaven fell unto the earth, even as a fig tree casteth her untimely figs, when she is shaken of a mighty wind. And the heaven departed as a scroll when it is rolled together; and every mountain and island were moved out of their places. And the kings of the earth, and the great men, and the rich men, and the chief captains, and the mighty men, and every bondman, and every free man, hid themselves in the dens and in the rocks of the***

***mountains; And said to the mountains and rocks, Fall on us, and hide us from the face of him that sitteth on the throne, and from the wrath of the Lamb: For the Great Day of His Wrath is come; AND WHO SHALL BE ABLE TO STAND?***” Absolutely no one! Brothers and sisters, God is going to shake the heavens. This lets us know that God can, and will borrow these asteroids, for only God knows precisely the reason they are there in the first place, why He created a belt for them in our Solar System. I say that because there is a particular trail of asteroids within our Solar System, an asteroid belt, innumerable number of asteroids which are also orbiting the Sun, moving on their own course, between the orbits of planets Mars and Jupiter, as they also revolve around the Sun. If any should get off course, and depending on its bigness, the planet is in danger, and so they monitor that belt. This just lets me know that God has a lot of ammunition that He is going to use, and He will say, “Asteroids, I need you”, and they will change course, and their

movement will also be tremendously accelerated, as they are heading straight for Planet Earth, with terrific speed, as balls of fire! One of them can obliterate a 200kilometre radius, depending on their size. That is a fact! Because to begin with, some of them are a hundred miles wide; and some are much more, whilst others are smaller. You can imagine if one lands in Lagos; there will be no Lagos after that, for that is the power of these things! And God put them there. Why? Because our God is great and mighty! We serve the living God! What a horrible day that is! What a day! No wonder, speaking about the Day of the Lord, Prophet Amos was inspired by the Spirit of the Lord to ask in Chapter 5, verses 18-20: “***Woe unto you that desire the Day of the Lord! TO WHAT END IS IT FOR YOU? the Day of the Lord is darkness, and not light. As if a man did flee from a lion, and a bear met him; or went into the house, and leaned his hand on the wall, and a serpent bit him***”, (for there is just no escape from it). “***Shall not the Day of the Lord be darkness, and not light? EVEN***

**VERY DARK**",(or very evil), **"AND NO BRIGHTNESS IN IT?"**

Prophet Zephaniah was also shown the vision of the Day of the Lord, and he warned earnestly in Chapter 1, verses 14-18: **"The great Day of the Lord is near, it is near, and hasteth greatly, even the voice of the Day of the Lord: the MIGHTY MAN shall cry there bitterly."**

That is when Military Generals will wail bitterly, for their courage and manly bravado will utterly melt away! That is the day when Oil moguls, Housing Estate Tycoons, CEO's of Blue Chip Corporate Giants, Big Malls and Giant Supermarket moguls, Computer Geeks, will sit down and cry bitterly! Why will they be crying? Because they will now realize that all their empires are nothing, absolutely nothing; they are vanity! And vanity plus vanity is equal to vanity! That is the truth! Please invest in the Lord Jesus, for it yields eternal dividends! Zephaniah continues: **"That day is a day of WRATH"**, (GOD'S WRATH), **"a day of trouble and distress, a day of wasteness and desolation, a day of**

**darkness and gloominess, a day of clouds and thick darkness, A day of the trumpet and alarm against the fenced cities, and against the high towers. And I will bring distress upon men, that they shall walk like blind men, because they have sinned against the Lord: and their blood shall be poured out as dust, and their flesh as the dung. Neither their silver nor their gold shall be able to deliver them in the Day of the Lord's wrath; but the whole land shall be devoured by the fire of His jealousy: FOR HE SHALL MAKE EVEN A SPEEDY RIDDANCE OF ALL THEM THAT DWELL IN THE LAND."**This is why Prophet Jeremiah cried out to God in Chapter 17, verse 16, declaring: **"As for me, I have not hastened from being a pastor to follow thee: NEITHER HAVE I DESIRED THE WOEFUL DAY; thou knowest: that which came out of my lips was right before thee."**He lived humbly and reverently before the Lord, strictly in the light of the Word of God, doing only those things expected of him by His Maker, as the shepherd of the children of God, the Nation of Israel,

for he feared for the Day of the Lord! Now come with me to the inspired writings of Prophet Isaiah, to consider the judgment of God upon ungodly people, an ungodly humanity, for we are not left in darkness as to why the Day of the Lord must surely come. Isaiah Chapter 24, verses 1-6 records: **"Behold, the Lord maketh the earth empty"** (of inhabitants; empty of humanity), **"and maketh it waste"**,(totally destroying and obliterating it), **"and turneth it upside down"**, (through mega earthquakes, and gigantic convulsions of the earth), **"and scattereth abroad the inhabitants thereof. And it shall be, as with the people, so with the priest"**, (for the judgment covers all unbelieving humanity, consequently taking in the ministry of priests in the various denominations, as well as all these preachers we have in the entire religious world, because they have deceived the people with all their carnal unbelieving messages); **"as with the servant, so with his master"**, (for there is no respecter of persons in that day, and neither is there any distinction of class in that day. There is simply no master and servant on that

day, for all alike, are appointed for destruction, and hence, the next clause adds): ***“as with the maid, so with her mistress; as with the buyer, so with the seller; as with the lender, so with the borrower; as with the taker of usury, so with the giver of usury to him”***, (giving us all these bankers, as well as stock traders, the wheelers and dealers, the business and finance gurus, with all their customers). ***“The land shall be utterly emptied, and utterly spoiled: for the Lord hath spoken this Word.”*** (Now the Lord begins to tell us why this horrific judgment will be executed. Verse 4): ***“The earth mourneth and fadeth away”***, (because it has been over exploited and destroyed, all out of man's insatiable greed and lust for gain), ***“the world languisheth and fadeth away, the haughty people of the earth do languish. The earth also is defiled under the inhabitants thereof; because they have transgressed the laws, changed the ordinance, broken the everlasting covenant”*** (of God. In other words, all these evil and horrible judgments will come upon them, because they spat on

God, and changed the ordinances; they transgressed the laws of God; they defiled and destroyed the earth, and plundered it, through insatiable greed and extreme selfishness. And on top of that, they are racing to go to another frontier, wasting untold billions on a senseless venture to Mars, so that they can continue their evil and abominable ways over there, and also defile and destroy that planet). ***“Therefore hath the curse”*** (of God's judgment on the Day of the Lord), ***“DEVoured THE EARTH, AND THEY THAT DWELL THEREIN ARE DESOLATE: THEREFORE THE INHABITANTS OF THE EARTH ARE BURNED, AND FEW MEN LEFT.”*** God makes the earth empty! Can you imagine the planet becomes a ghost planet? Brothers and sisters, everywhere around for miles on end, becomes like a ghost town, giving an eerie silence after the great storm, that you can walk for hundreds of miles, and not see one soul. And as you are going, it is utter complete devastation and death on every side, rubble upon rubble, with

heaps and heaps of dead humanity, all burnt out to ashes. That is why Prophet Isaiah says that men shall be as scarce as the gold of Ophir. If you understand that divine terminology, it simply means that mortal man will become a rare species on that day, because God wants to bring man to near extinction, wanting only an elect remnant of mortal people to remain. So it is not a complete extermination of humanity, for as we have been emphasizing, God reserves a very tiny remnant, thus creating human scarcity, or human rarity. Remember, in the days of Noah, when God wiped away the first world with water, in order to repopulate the earth, all He spared were just eight souls. And it is those eight souls that have produced the over seven billion population we now have in the earth today, all in about five thousand years! So today also, He is not going to spare a lot of people either, although we are not saying that He is going to spare only eight souls. We did not say that, and we cannot say that, because the picture is most clear. Concerning the Millennial

Kingdom that is coming, it is written in Matthew Chapter 25, verses 31-34, that the sheep of every nation, or the elect remnant of mortal people out of every nation, a people referred to therein as "**sheep**" of that nation, will be spared supernaturally by God on the Day of the Lord, and after the Judgment of Nations, they will pass as sheep subjects into the Millennium, to be used to repopulate the human race in the Millennium, over whom Christ and his Bride will reign. Consequently, it is certain that they will not be eight souls like in the days of Noah. Period! Let us skip to continue the projection in Isaiah Chapter 24, verses 16-21: "**From the uttermost part of the earth have we heard songs, even glory to the righteous. But I said, My leanness, my leanness, woe unto me! the treacherous dealers have dealt treacherously; yea, the treacherous dealers have dealt very treacherously. Fear, and the pit, and the snare, are upon thee, O inhabitant of the earth. And it shall come to pass, that he who fleeth from the noise of the fear shall fall into the pit; and he that**

**cometh up out of the midst of the pit shall be taken in the snare.**" (In other words, there is no escape): "**for the windows from on high are open**", (as God sends down asteroid upon asteroid, with shooting stars, a great deluge of fire, hailstones of fire! Watch): "**and the FOUNDATIONS of the earth do shake...**" (The tectonic plates of the earth begin to push and crush against one another, and they eventually shatter, by the enormous force and incredible pressure! The Bible adds in confirmation): "**The earth is utterly broken down, the earth is clean dissolved, the earth is moved EXCEEDINGLY.**" (Brothers and sisters, these are global mega earthquakes, so great and so terrible, earthquakes of unimaginable scales; earthquakes of unimaginable proportions, such as the world has never seen, that the earth is literally going through great convulsions, gigantic convulsions, as the tectonic plates are ripped apart and shattered, reshaped, and realigned around the globe, as mega volcanoes are also erupting, belching

enormous and gigantic pyroclastic lava, spewing everywhere. There is absolutely nowhere anyone can run to in this event, outside God sparing a remnant for His divine purpose! The horror story continues): "**THE EARTH SHALL REEL TO AND FRO LIKE A DRUNKARD, and shall be removed like a cottage; and the transgression**" (or the judgment) "**thereof shall be heavy upon it; and it shall fall, and not rise again. And it shall come to pass in that day, that the Lord shall punish the host of the high ones that are on high**", (which are the advanced nations of the world, the movers and shakers of the world), "**and the kings**", (presidents and prime ministers, great men, world leaders) "**of the earth upon the earth.**" And according to Prophet Malachi, they will all be burnt up, leaving them neither root nor branch! Saints, God turns the world upside down, using great earthquakes and volcanic eruptions, fearsome tsunamis and mega tidal waves, mixed with fire, and burning with the overflow of pyroclastic lava, for fire and water will mix and burn wonderfully, for it will combust like gas in that

day. Do not forget that asteroids are also coming, and on impacting the oceans, just as volcanic pyroclastic lava does, it can also boil it up, changing its chemical composition entirely, turning it into combustible liquid! That is a known scientific fact! On that day, skyscrapers will look like mere stacks of dominoes, tumbling down, for they will come crashing down like Lego (Toy) houses, smashing to pieces, and burning out into absolute rubble, in the giant global inferno! Brothers and sisters, it pays to serve Jesus! If you really know what is coming upon this earth, and just how close we are to these things, how late time is, you will live for God through our Lord Jesus. You will give God your heart; you will give Him your all, for you will know that He is your life, and that He is all that you have, and further, that He is all that you need, the only thing worth having, more than silver and gold. Church, when all this happens, everything is coming down. I do not care what it is; everything is coming down. All business concerns and companies, local, national, and multinational, are all coming down, for

everything must go, as it is the end of the world, this second world! Everything is coming down, when the foundations of the earth are shaken! What is happening? Everything of man is coming down, for everything shall be wiped away, for it is God wiping the slate clean, and starting afresh, starting anew! You can imagine God sending even a small tremor on a global scale, for just one whole minute: Everybody on earth will be afraid, and they will run out of their homes and offices into the streets; and that is just a little tremor! Now consider an earthquake of which magnitude the world has never seen, one that signifies the end of humanity! It is so great, and so terrible, it literally causes the foundations of the earth to shake and tremble rigorously and violently! Do you know what it is going to do to the oceans and the seas, and we all know that the world is surrounded by oceans and seas? You think you have seen a tsunami? You have not seen a real tsunami! You have seen a play tsunami! Because if the foundations of the earth are violently shaken, and a mega super earthquake ignites, what do you think that is going to

do? It is going to trigger tsunamis on scales you have never seen all over the globe! Halleluiaah! That is why this planet will rock, reeling to and fro like a drunkard, as God tilts the earth on its axis! Brothers and sisters, the earth is going to go through serious gigantic convulsions! I now ask you: What is happening to men? What is happening to all they have built on this planet? What is happening to all their establishments? What is happening to all they have made? What is happening to their homes? What is happening to their offices? What is happening to their businesses? What is happening to the government offices and infrastructure? What is happening to everything they have built on this planet? Brothers and sisters, it is all for the wind! Even their numerous satellites and space shuttle debris with which they have created enormous junk out there in space, all will be recalled and hurled back to the earth! That is why the Word of God urges us, imploring: Care not for this world's vain riches, for nothing of earth being material, will stand! All is coming to an end, a permanent and perpetual end! Therefore,

please build your hopes on things eternal, and hold to Christ's unchanging hand.

Brothers and sisters, when we consider this mind boggling mega super earthquake to come, "*The Big One*", it is going to rock this earth from coast to coast. For the consideration of "the Big One", we are going to take a look at some things I have laid out on the chart, for I want to show you something. Let me first say this though. What these unbelieving educated scientific fools do not understand, people who deny God, and who preach Darwin's senseless Theory of Evolution, Darwin's warped Theory of Creation, is that all their scientific findings are only proving that God's Word, which is the Holy Bible, is absolutely and perfectly true! The more they deny the Holy Scriptures, is the more they help to confirm its writings by their scientific findings, for God catches the wise in their conceits. Look at it, for instance, Prophet Isaiah said that the earth was round, from way back then around 700 BC., when the world thought that it was actually flat, and the Roman Catholic Church, an organization which was

formed many centuries after the Advent of Christ, taught the world that the earth was stationary, and that it was the centre of the solar system, and that the sun orbited around the earth, rather than the reverse. That was why, in 1633 AD., the Roman Catholic Church forced Galileo Galilei to retract his statement, based upon his scientific findings that the earth is indeed round, having confirmed the earlier scientific findings of Nicolaus Copernicus. It was later that Galileo was proved right, and now the whole world knows undoubtedly that the earth is not flat nor stationary, but absolutely round, for it is a globe, exactly as God's servant had stated by the inspiration of God Almighty, the Creator of the Universe! If only they had believed the Word of God, for it has all the answers! Prophet Isaiah, speaking about God in Chapter 40, verse 22, declared: "***It is He***" (God) "***that sitteth upon THE CIRCLE OF THE EARTH,***" (for the earth is round, being a globe), "***and the inhabitants thereof are as grasshoppers; that stretcheth out the heavens as a curtain, and spreadeth them out as a***

***tent to dwell in.***" If only men would believe the Word of the only living God! In the same vein, brothers and sisters, from way back then, Prophet Isaiah also prophesied by the Spirit of God Almighty, as we saw in Chapter 24, verses 18-20: "***... The FOUNDATIONS of the earth DO SHAKE. The earth is utterly broken down, the earth is clean dissolved, the earth is moved exceedingly. The earth shall reel to and fro like a drunkard***", letting us know without any shadow of doubt, that a gigantic and an unparalleled earthquake is coming for this planet, breaking up the foundations of the earth, one that has not been experienced before, since God put Adam and Eve here! Please note that the Book of Isaiah spoke of plural foundations, foundations of the earth, at a time and in a day, when men had no scientific anything to determine precisely how the foundation of the earth really is, and what it is like! Now today that knowledge has increased in the earth, and the scientific ability of man has also grown astronomically, so much so, that the scientific world has given us the precise

layout, the exact foundational structures of the entire planet earth, and we can now see clearly the very plural foundations which the Book of Isaiah spoke about in that day, way back then, thus vindicating the Word of God! God be praised! It also shows that the Big One is most certainly coming, and by the revelation of the Holy Scriptures, we know exactly when that is going to happen, and it is called the Day of the Lord. That is why I usually say that scientific findings and scientific data, do not contradict or nullify the Word of God; they only confirm its truth, for they vindicate it! Come with me to take a look at the chart, for it gives us the entire tectonic (structural) layout of the foundations of the earth. (Brother Amos points to the chart). Here, at the centre of our chart, we have the various tectonic (structure) plates of the entire planet, for every region of the earth is established upon a plate, which is its precise foundation. The red jagged plate lines therefore gives us nothing but faults, the cracks of divisions in **The Tectonic Plates of the Earth**. I repeat: The red

tectonic plate lines give us faults in the foundation of the earth, for they give us the break-up of the earth's foundation, and as such, they constitute serious faults existing deep underground, embedded right in the foundation! In essence, the fault lines give us earthquake lines or earthquake zones, and as it is written, God wants to shake and break these up on the Day of the Lord. Think about it! Saints, this geological fault map, therefore lets us see the nations of the earth, and the various fault lines, fault lines which God built into the foundation of planet earth. I do not care whether it is Africa, the Middle East, Europe, South America, North America, the Far East Asia, including Australia, the red lines show you all the fault lines of the world; it shows us precisely where faults are in the foundation of the earth. This is the Australian plate; (Brother Amos points to the chart); the Philippine plate; the Eurasian plate, which is the European and Asian plate; the Indian plate; the Arabian plate; the African plate; the South American plate; the Caribbean plate; the Pacific plate; the North American plate; on and on

the tectonic plates go. And they are all fault lines, every last one of them. Brothers and sisters, God can do anything with these things, and they are in His hands, for we are nothing, absolutely nothing. Let us therefore fear the Lord, and worship the God of creation, for He is an awesome God. Saints, if all these fault lines are activated with a mega super earthquake, one which sets all of the faults active, it is goodnight to planet earth as we have always known it. You can see for yourself that all these faults are linked to one another, for the entire planet is linked together by fault lines which make up the foundations of the earth. All God needs to do is simply send the big one, and all the faults begin to quake enormously, triggering the redesigning of the plates, under such enormous pressure. Moreover, the scientists themselves said, *“Concerning the big one coming, it is not a matter of if it will come; it is a matter of when, for it is sure to come.”* It is not a question of whether a big earthquake is coming; they said it is a question of when! They say this

because of the seismic tests and geological surveys they have carried out around the world, which lets them know assuredly that the Big One is coming. We are only showing the Big One by the Scriptures, and also showing its precise time of application, its time of coming, for it has a precise time, according to the infallible and immutable Word of God. Brothers and sisters, scientists have checked the various plates of the earth, the tectonic plates of the earth, and with the technological advancement they have, seeing the various worrisome seismic operations and geological movements going on deep within the earth crust, they concluded, for they are convinced, that the giant one is coming. Saints, we really do not need scientists to tell us that, for we do not go by science; we go strictly by the Word of God, even though we do not discountenance proven scientific findings, as we are not fools. We do not discountenance proven scientific findings, because scientific findings do not nullify the Word of God, except to confirm it, even though scientists do not know this fact. Church, long

before science knew anything about tectonic plates, Prophet Isaiah saw it around 700 BC, and he spoke about the plural **“foundations”** of the earth! In 96 AD., John the beloved apostle was also shown this prophetic event by the resurrected Christ, and in Revelation Chapter 16, a passage we saw earlier, verses 18-19 reveals: **“And there were voices, and thunders, and lightnings”,** (as God spoke); **“and there was a great earthquake, such as was not since men were upon the earth, SO M I G H T Y A N EARTHQUAKE, AND SO GREAT. And the great city was divided into three parts, AND the cities of the nations fell.”** There is the Big One! Just look at the San Andreas Fault for example, a great fault line which lies along the west coast of the United States of America, and a fault line covering California. Wikipedia describes it for us, stating: **“The San Andreas Fault is a continental transform fault that extends roughly 800 miles (1,300 km) through California. It forms the tectonic boundary between the Pacific Plate and the North American Plate,**

**and its motion is right-lateral strike-slip (horizontal). The fault divides into three segments, each with different characteristics and a different degree of earthquake risk, the most significant being the southern segment, which passes within about 35 miles (56 km) of Los Angeles.”** And we all know that by the prophetic utterance of the prophet to this age, Los Angeles is going under, most certainly. However, the sheer scale, the staggering global scale, of the destruction that will take place on the Day of the Lord, is much bigger and greater than just Los Angeles going under, as the former is global. Nevertheless, the San Andreas Fault certainly adds to the picture of *“the Big One”* to come. Yet, as the scientists and geologists also let us know, the destructive power of San Andreas, is nothing compared with the Cascadia Subduction Zone, a great earthquake fault line, one which runs from Northern California, all the way to Canada, and this gives us the fault zone we have on the chart, where the Juan De Fuca tectonic plate, meets with the North

American tectonic plate. Saints, if a great earthquake happens there, it can trigger a tsunami, the kind we have never seen before, and please remember, that all that is within the Ring of Fire. What an ominous event awaits this world! We all know that the bubble will burst one of these days, and the truth is that it will not be long at all, for we are at the very end, as this is precisely where it all ends.

Therefore, brothers and sisters, science is only giving us today, the physical evidence of what is already written in the Word of God, thus confirming the truth with their technological findings, confirming the Word that was written way back then, at a time when men had absolutely no knowledge of the things we now have scientifically. Now just take a look at the indisputable physical evidence scientists give to us in their geological map of the tectonic plates of the earth. Church, you have to admit that God is simply great! They have helped to vindicate the very Word of God they reject as God's Word, for they are Atheists in the main, people who do

not believe there is God, and who therefore deny the Biblical account of creation! Yet, here they are today, plainly vindicating the Holy Scriptures! Brothers and sisters, look at the entire earth and its tectonic plates. This is Australia;(Brother Amos points to the chart); this is China; this is Japan around here; this is India; this is Europe; this is the Middle East; this is Africa; this is Iceland; this is North America; this is Mexico; this is South America. All the faults are joined, and they are all earthquake faults. When God sends the big one, everything begins to ignite. It is like God pressing a push button, saying: "Start!" It is like when you light the end of a fuse, and it begins to burn until it gets to the first dynamite, and it explodes, triggering the next, and then the next, and the next, until all the faults lines are triggered around this globe, and everything begins to come down like a stack of dominoes. What a day! That is why Isaiah said that the earth is going to reel to and fro like a drunkard, for the plural foundations of the earth will be shaking seriously. Do you know what is happening? Tidal waves that man has never

seen; tsunamis man has never seen, will be triggered, but now, it is turned into conk Sulphuric acid in its chemical composition, for it will burn seriously! My! Brothers and sisters, let me show you something. Over here is another chart: **The Tsunami Zones of the World.** The places marked all around it in red are tsunami zones. Are you with me? All these in red,(Brother Amos points to the chart),are tsunami zones, and you are not looking at small tsunamis. If a small earthquake gave birth to the Indian Ocean tsunami of 2004, one which killed over two hundred and thirty thousand people, and God sends a giant one that sets off all the earthquake faults of this earth, what is going to happen to the planet? Think about it! I am just showing you the physical scientific evidence of the Day of the Lord, although they do not know that it is, as the earth is already broken up and encased by faults. Watch church. Come with me to consider **The Ring of Fire.** The Ring of Fire is the most deadly area. All those small red dots...(Brother Amos points to the chart);all the area called the Ring of Fire,

is between North America and Asia. You know the world is round, so really, if this is North America, you will be looking for Japan to the left side of America, which is this side. (Brother Amos points to the chart). Because the world is round, it means that Japan is right here on the other side of America. That is why, if you want to fly from California to Japan, you will not fly all across the Atlantic Ocean, and all over Europe, right through China, in order to get to Japan. You will be a mad man to do that, because Japan is right on the other side of the United States. You simply fly across the Pacific Ocean that is on the western side of America, and instantly you are in Japan. Brothers and sisters, look at the ring of fire. Why do you think earthquakes are always happening in Chile, Peru, and in all those other places? It is because they are part of the Ring of Fire! Now, it is not the Word of God that calls it the Ring of Fire. It is man, scientific man, that has coined that terminology, seeing the layout of active and very volatile volcanoes and earthquakes in the world. Google has this to say concerning the Ring of Fire:

***“The area encircling the Pacific Ocean is called the “Ring of Fire,” because its edges mark a circle of high volcanic and seismic activity (earthquakes). Most of the active volcanoes on Earth are located on this circumference.”*** In short, the Ring of Fire gives us nothing, but a belt of volcanoes surrounding the Pacific Ocean. I am not the one that even made the pictures we have laid out on the chart. These are scientific images that we have laid out on our chart. Look at the Ring of Fire: It takes in South America, the whole of South America, coming to the Caribbean, Mexico, up to North America, Canada, going over to the Asian plates, Japan and the Philippines, all the way down to New Zealand. Think about it this morning! Brothers and sisters, in this chart, again we have the global projection of the volcanic regions of the world, **The Volcanoes of the World**. It gives us both active and dormant volcanoes, volcanoes God will need on that great day, to set the earth on serious fire, for all dormant volcanoes will all come alive! Look at the image on the top left hand corner of our chart. It gives

us **The Tectonic Plates, Earthquakes and Volcanoes of the world**. Just look at all of them, surrounding the various regions of the world, making the earth look just like a huge bomb waiting to explode. Look at all the active volcanoes and earthquakes. And Church, if you look very closely, you will also see the various plates of this world, and the seismic actions all around, for it still gives you the fault lines. Are you with me? This is not science fiction; but it is solid indisputable scientific proof; it gives us the very grave reality of the gigantic seismic and geological state of the earth! It is nothing but a scientific confirmation of the prophetic picture of the humongous natural disasters, which the Lord says is coming. And as it stands today, we are already seeing these natural disasters taking place constantly, around the nations of the earth, causing great destruction and death, from South America, to Afghanistan, to Bangladesh, to Japan. And as we speak, active volcanoes are belching and spewing out lava and smoke in many areas of the world, Hawaii being a good example! The Yellow stone

volcano in the United States, in the Yellowstone Mountain, is a Super Volcano, and is also as active as ever, which is why it is causing great attraction for tourists, who pour in daily to see the smoke coming out of the lakes and the mountain, not realizing the enormity of the danger that it poses to that country, and to the world. Brothers and sisters, when I consider all that, it lets me know that it will be one volcanic eruption after the other, as the volcanoes are belching out their venom, particularly super volcanoes, spewing out conk Sulphuric acid, extremely hot pyroclastic lava, moving at terrific speeds, turning waters into Sulphur and consuming fire! No man can escape! No, not with earthquakes overturning the earth, and volcanoes igniting, and asteroids and meteors, bombarding the entire earth all at the same time! You can only imagine the boomerang effect which all of these great upheavals will have! The earth is literally on fire, and now, oil and gas wells are on fire, with oil and gas pipes snapping and combusting, with the oil and gas refineries of the world on total fire! It is simply mind

boggling! Oh, my! What a world! I do not know how God will spare man in that day, which is why humanity will be a rare gem; but He is the Lord. It is not for me to think for God. The Lord God Almighty, who when a whole train crashes, and bodies are charred to bits and burnt out, can still spare a few souls in ways beyond human comprehension and explanation, for it is simply miraculous! That is the God we serve! And that is election at work! Consequently, how God will preserve a remnant of humanity, I do not know. It is too wonderful for me to conceive, and it is not even for me to think about. I know he preserved the three Hebrew children in the burning inferno which Nebuchadnezzar prepared for them. He is still the same, and He can do this on a global scale, for He is God. How a ten story building can collapse in our own day by an earthquake, and bury countless people, killing them, and about twelve days later, a baby was still found and brought out alive, is beyond what any man can do, for only God can do these things; only God can do such things. He does it through the operation of angels.

You all know that! And who decided that that baby should live, and who actually made the baby live? It is God's election! The papa, the mama, the brother, the sister, all perished, but that little baby survived the destruction, for she was spared. God sent an angel, and the angel created a little canopy over that baby, and supernaturally, that baby was fed, just as angels fed Elijah by the stream! What a mighty God we serve! God made man, and God can sustain and also preserve man through any situation, for He is the Lord! He made this universe out of nothing, and He made man from the dust, and with potash, calcium, carbon, and all these other elements. He made you, and as such, He can preserve and sustain you! **Only Believe!!!** It is written: ***"THE JUST SHALL LIVE BY FAITH"***! That is why we will serve Him, because He made us. And as King David said in the Psalms, *"He is our God, and we are the sheep of His pasture."* Consequently, we will serve him! We will give Him our lives; we will give Him our all, for He is our Everything! The bottom-line is that He is a God who knows how to spare those

elected to be spared; those who deserve to be spared, and they are none other than the sheep nation people. Yes, I know that a remnant of goat people will also be spared, but we need those ones to let you see the difference in the two categories of people who are spared, and why one passes into the Millennium, whilst the other will not pass into the Millennium, even though they are also spared by God, on the Day of the Lord, just as the **“Woman”** element of Revelation Chapter 12, will also be spared, along with the 144,000 Everlasting Gospel Preachers, who will all be on ground, right until Jesus comes on the Day of the Lord. Every other person on the planet, the billions of people we now see walking this earth, will all be dead, for they are nothing but fodder for burning, in that atomic inferno! I have made this chart, just to show you that even man's scientific findings and data, one which is scientifically proven and indisputable, being a reality before you, confirms **“that which is noted in THE SCRIPTURE OF TRUTH”!** Think about it! Just look at the chart, and see all the

tectonic plates, the various earthquake faults of the earth; the volcanoes of the world, and the Ring of Fire, as well as the tsunami regions or zones of the earth. Church, God has the planet exactly where He wants it to be. May God help us to be faithful, so that we may not be **“found naked.”**

Let me hasten up and bring my message to a close. Please follow me to consider another inspired testimony of God against the people of this earth, with regards to the Day of the Lord, which Isaiah also recorded in Chapter 2, beginning from verse 10: **“Enter into the rock, and hide thee in the dust, for fear of the Lord, and for the glory of His majesty. The lofty looks of man shall be humbled, and the haughtiness of men shall be bowed down, and the Lord alone shall be exalted in that day. For the Day of the Lord of hosts shall be upon every one that is proud and lofty, and upon every one that is lifted up; and he shall be brought low: And upon all the cedars of Lebanon, that are high and lifted up, and upon all the oaks of Bashan, And upon all the high**

**mountains,”** (which are all the great advanced nations of the earth), **“and upon all the hills that are lifted up, And upon every high tower, and upon every fenced wall, And upon all the ships of Tarshish,”** (which is Spain), **“and upon all pleasant pictures. And the loftiness of man shall be bowed down, and the haughtiness of men shall be made low: AND THE LORD ALONE SHALL BE EXALTED IN THAT DAY. And the idols He shall utterly abolish. And they shall go into the holes of the rocks, and into the caves of the earth, for fear of the Lord, and for the glory of His majesty, when He ariseth to shake terribly the earth. In that day a man shall cast his idols of silver, and his idols of gold, which they made each one for himself to worship, to the moles and to the bats.”**

Hold it right here for a minute. When you look at Asia, in India, for instance, and as well other regions of Asia like Tibet, they have various little gods; all sorts of gods. However, that is the day they will take all their little gods, and say to them: **“You are no god!”** What a day! They will cast them away, and smash

them against the wall, because there is nothing to them. Unfortunately, however, it is too late a realization. I make this application because **“idols of silver”** and **“idols of gold”** have dual application, for it not only applies to literal gods of silver and gold, gods which men place on a pedestal or altar and worship, it also refers to the god of **“Mammon”**, the god of money, a god which the whole world is given over to, for they love and worship mammon, money, which is also referred to as the god of silver and gold! How they love and worship money today, for that is their god, and they can do anything because of it. That is the day when ALL their businesses will fail, for it is a day when money fails permanently. Men who have piled up stocks and shares; men who have bought up all the diamonds, all the gold and silver coins in the world, as well as the bullion (solid gold), which can fill a large warehouse, for they are billionaires and trillionaires, that is the day when all solid minerals will lose their value, for they will now become more worthless than toilet paper, for they will have no value whatsoever! That is the day

when all currencies and all mediums of financial exchange fail, and all their stocks and shares will be useless and meaningless! The Day of the Lord is the day they will realize that all they have on this planet; all they have acquired and stocked up, are totally worthless, for it is all vanity upon vanity! On the Day of the Lord, money becomes completely and totally useless, and everything will be completely and cleanly burnt up! In the Millennium, God working through His Son, Jesus Christ the King of kings, and Lord of lords, will establish His own economy, and create His own currency, and as such, there is none that will pass over from this side of the Millennium, to the other side! Period! Church, on the Day of the Lord, everything of man becomes vanity upon vanity. That is why the Book of Isaiah says that they will take their gods of silver and gold, and throw them away! Your limousine becomes a useless car, and in that day men will spit on their swank houses. Why? Why will they throw away their gods of silver and gold, and desert their swank homes? The next verse gives it to us. Verse 21 declares: **“To go into the clefts of**

**the rocks, and into the tops of the ragged rocks,”** (leaving their condominiums), **“for fear of the LORD, and for the glory of His majesty, when He ariseth to shake terribly the earth.”** That is why the last verse, verse 22, warns: **“Cease ye from man, whose breath is in his nostrils: for wherein is he to be accounted of?”** What a day! We read what Prophet Isaiah declared in Chapter 13, verses 6-13: **“Howl ye; for the day of the Lord is at hand; it shall come as a destruction from the Almighty. Therefore shall all hands be faint, and every man's heart shall melt: And they shall be afraid: pangs and sorrows shall take hold of them; they shall be in pain as a woman that travaileth: they shall be amazed one at another; their faces shall be as flames. Behold, the day of the Lord cometh, CRUEL BOTH WITH WRATH AND FIERCE ANGER, to lay the land desolate: and He shall destroy the sinners thereof OUT OF IT. For the stars of heaven and the constellations thereof shall not give their light: the sun shall be darkened in his going**

**forth, and the moon shall not cause her light to shine. And I will punish the world for their evil, and the wicked for their iniquity; AND I WILL CAUSE THE ARROGANCY OF THE PROUD TO CEASE, AND WILL LAY LOW THE HAUGHTINESS OF THE TERRIBLE. I will make a man more precious than fine gold; even a man than the golden wedge of Ophir. Therefore I will shake the heavens, and the earth shall remove out of her place, in the wrath of the Lord of hosts, and in the day of his fierce anger.** Think about it this morning, for this is the Day of the Lord! What a day is coming! And church, it is just down the road; just a few years to go. I say that because, when we are gone in the rapture for the marriage in heaven, right at the opening of the 70th Week of Daniel, immediately after the 70th Week expires, we are coming with the Lord on white horses, to institute the Day of the Lord. Please do not forget that the Day of the Lord is designed to overthrow the people of the earth, so that we (the saints), can reign over this planet. God wants to give its rulership to us, as

a gift, for it is God's token of reward, saying: *"You have stood for me. When everybody discountenanced my Word, and were ashamed to stand for me, you stood; you stood for my Word; you stood for me. When everybody counted money as their god, you made my Word your all, and you made a great sacrifice for this way. You were despised; you were rejected; you were looked down upon; you were counted as nothing, and things were hard for you, for you had nothing, but you stood; you bore it all. For this; for the price you paid; for your labour of love for my Name sake, and for your sacrifice of faith, now I exalt you. Come and enter into the joy of your Father, and reign with my Son Jesus Christ for one thousand whole years."* Halleluia!

Church, I show you the second coming of Jesus Christ, and it is in phases, two phases, just like the first resurrection, which is in three phases. With regards to the second coming, there is first a mystical coming, when Jesus comes, not back to the earth, note that, but secretly descends down

from heaven to the sky, stopping midway in the sky, in order to whisk away his elect Bride to heaven, who will also join him up there in the sky, at the time of rapture, for the marriage that will take place in heaven. The world will not see him at this descent in the sky, for he does not come down to the earth. Then there is also a physical coming, when he comes down physically to the earth, with the Bride who is now his wife, and with all the Old Testament saints, including angels, in order to reign and rule over the entire earth in the Millennium. That day of his physical return, is ushered in by **THE DAY OF THE LORD**. Hence, under the Seventh Judgment Trumpet, recorded in Revelation Chapter 11, verses 15-19, it is written: **"And the seventh angel sounded; and there were great voices in heaven, saying, The kingdoms of this world are become the kingdoms of our Lord, and of His Christ; and He shall reign for ever and ever. And the four and twenty elders, which sat before God on their seats, fell upon their faces, and worshipped God, Saying, We give thee thanks, O Lord God**

**Almighty, which art, and wast, and art to come; because thou hast taken to thee thy great power, and hast reigned. And the nations were angry, and thy wrath is come, and the time of the dead, that they should be judged, and THAT THOU SHOULDEST GIVE REWARD UNTO THY SERVANTS THE**

**PROPHETS, AND TO THE SAINTS, AND THEM THAT FEAR THY NAME, SMALL AND GREAT; and shouldest destroy them which destroy the earth. And the temple of God was opened in heaven, and there was seen in His temple the ark of His Testament: and there were lightnings, and voices, and thunderings,**

**AND AN EARTHQUAKE, AND GREAT HAIL.**" This is *THE DAY OF THE LORD*, a day which ushers in the Kingdom of God, the Millennium Kingdom, and hence, it is the literal end of the world. Shall we bow our heads in prayer. (Brother Amos prayed).

The Lord bless you.

## DIRECTORY OF THE SCRIBE concluded

74. The Lead Thunder, And The Chronology Of Revelation 10 - Parts 1-3 (July 2014)
75. Revisiting Armageddon - Parts 1 & 2 (August 2014)
76. Why It Had To Be Fishers - Parts 1 - 3 (September 2014)
77. God In The Laodicean Age: The Year 2005 (*Knowing The Objective Of God*) - Parts 3 & 4 (Oct 2014)
