THE FOUR BLOOD MOONS AND THE SHEMITAH CYCLE

- PART 2

(Special Edition)

This message was preached by Brother Amos, on Sunday 20th September, 2015, at Bible Faith Tabernacle, Lagos, Nigeria. The second instalment of this three part message, this is a most wonderful and timely explanation of the erroneous projections of the world, with regards to the Four Blood Moons and The Shemitah Cycle, which has taken the world by storm. We are, however, most thankful to God, who is continually showing us the LIGHT of a thing, and opening our eyes to His absolute truth. May God bless the reading of His Word. Amen!

Good morning church. Last Sunday, we started a message which we want to continue this morning, titled, **THE FOUR BLOOD MOONS AND THE**

SHEMITAH CYCLE. It will not be possible for me to finish this morning, but hopefully I will finish on Tuesday, and I pray that God will help me to finish before I travel. I covet your prayers. Shall we take our text again from Joel Chapter 2, verse 31: **"The sun shall be turned into darkness, and the moon into blood, before the great and the terrible day of the Lord come."** May God bless the reading of His Word. Amen. Brothers and sisters, this is the passage of Scripture that the projection of the four blood moons have been based upon in the main. As we were sharing last Sunday, there is so much controversy going on around the globe concerning this issue, so much debate, so much heat, so many write-ups on the

Internet, and so many video projections on YouTube, WhatsApp, and what have you. It is being circulated all around the globe, for there is a lot of hype being made concerning these issues. On our chart, we have the "apostles" of the four blood moons, and the "apostle" of the Shemitah. Like I said last Sunday, Pastor Mark Biltz is the one that started the projection of the four blood moons, and Pastor John Hagee ran with it. John Hagee has written a book on it titled, *Four Blood Moons: Something is About to Change*, which has sold over seven hundred thousand copies, for it is a New York Times and USA Today Bestseller. If you look on Amazon, you can confirm the price of it, and it just lets you see how much money the man is making out of it, for he has made several millions of dollars on this lone teaching, which is being sold on Amazon for \$7.49. He also has *Four Blood Moons Companion Study Guide and Journal*, which is going for \$9.99; *Four Blood Moons DVD*, which sells at \$14.99, and *Four Blood Moons Soundtrack*, which goes for \$10.49. This lets you see that there is a great demand for this teaching,

and the good public response he has received from the sale of the book, has motivated him to produce a film also on *The Four Blood Moons*.

This morning, all we want to do is find out the truth. Where does the truth lie? It is a fact, as recorded in Genesis Chapter 1, that God has set the celestial bodies, the sun and the moon, as well as the stars, as signs, heavenly signs, just as it is written in verse 14: **"And God said, Let there be lights in the firmament of the heaven to divide the day from the night; AND LET THEM BE FOR SIGNS, and for seasons, and for days, and years."** This is so, because whatever God will do on earth, He first declares it in the heavens, being His first canvas, and because the natural sets a type of the spiritual, God being a God of types and shadows. Hence it is written in Psalm 19, verses 1-4: **"The heavens declare the glory of God; and the firmament sheweth His handywork. Day unto day uttereth speech, and night unto night sheweth knowledge. There is no speech nor language, where their voice is not**

heard. Their line is gone out through all the earth, and their words to the end of the world. In them", (meaning that in the firmament of heaven), **"hath He set a tabernacle"** (or a place), **"for the sun."** So we know that nature is God's first sign post. Brothers and sisters, last Sunday, we were able to lay a foundation for the message we are now taking concerning the four blood moons, and we also introduced the Shemitah teaching, which is being postulated by Rabbi Jonathan Cahn, a Jew, and a preacher, who belongs to the Messianic Jews. The Messianic Jews are Jews who have been converted to the Christian faith, and who, as such, accept the Messianic place of Jesus Christ, although they refer to him by his Hebrew name, which is Yeshua. However, the Messianic Jews still continue to observe Jewish customs, rituals, and religious ceremonies prescribed by Moses under the law, including that of circumcision, for they mix the message of grace with that of the law. This lets you see that what the Messianic Jews have and hold to, is not the original faith, but a carnal

conception of the Message of Christ, for you cannot mix the law with grace. But nevertheless, Jonathan Cahn projects Jesus Christ as Lord and Saviour, for they believe in his atoning sacrifice, being a Messianic Jew. Brothers and sisters, since he began to project this thing about the Shemitah Cycle, particularly through the book he wrote, titled, *The Harbinger*, the Americans have been greatly stirred by it. Last Sunday, we laid out the meaning of the Shemitah, as recorded in the Book of Leviticus Chapter 25, and it is nothing other than a cycle of sevens; for it gives us the seventh year cycle of rest, which constitutes the Sabbath or the Shemitah, for the land of Israel. The Lord allowed the children of Israel to work the land for six years, and the seventh year constitutes the Shabbat or Sabbath for the land. Consequently, every seventh year is a Shemitah or Sabbath, a year of rest for the land. The Lord also gave the children of Israel seven Shemitahs or seven Sabbaths, seven sevens, which come to forty nine years. This seventh Shemitah therefore constitutes a Super Shemitah, or a Super

Sabbath, and it precedes the Year of Jubilee, which is fifty years. Saints of God, the Shemitah gives us a cycle of seven years, because a Shemitah comes every seven years, which is the Sabbath for the land, or the rest for the land, for it is what God ordained for the rest, Not for the people, but for the land. The Jews had already been given their own Sabbath, which is the seventh day rest for man, and which falls on Saturday, the last day of the week. That is the Sabbath or Shabbath for man under the law. But the Sabbath for the land, which is the Shemitah, comes every seven years, and is reserved just for the land, and not for man. The question now is this: What is the implication of the Shemitah which Rabbi Cahn is postulating today? In other words: Does the Shemitah really have application for us Gentiles? That is the issue we want to consider in this message. We know infallibly that the Shabbat or Shemitah was given for the land to rest, for that is the number one point. It was given in order to allow the land to lie fallow for a whole year, totally undisturbed, that it may regain its nutrients, and so that it can keep producing

for the children of Israel, even though the greed of man did not allow the land to rest, for they disregarded the Shemitah law. That is the first point to note. The second point is that the Shemitah signified a release or Jubilee, for every Jew who was a slave had to go free. And the third point is that the Shemitah also signified a blessing, for it conferred blessings upon the children of Israel, as it brought about the wiping out, or the cancellation of all debts. However, we must not also forget, that according to the Torah, the blessings that devolved upon the observance of the Shemitah, was strictly conditional, for it also carried a curse, IF not observed. In other words, and this is the fourth point, the Shemitah also carried a curse, which is divine judgment. Leviticus Chapter 25, beginning from verse 17, just for a background, records: ***“Ye shall not therefore oppress one another; but thou shalt fear thy God: for I am the Lord your God. Wherefore ye shall do my statutes, and keep my judgments, and do them; and ye shall dwell in the land in safety. And the land shall yield her fruit, and ye shall eat your***

fill, and dwell therein in safety." But you have to read between the lines, because this blessing is based upon the condition that they observed the law! How many see the point? There is no point just reading and claiming the blessings which the Shemitah conferred, without also seeing that underneath these blessings lay a curse, IF they failed to honour the Word of God concerning the Shemitah! For this truth, let us move to Deuteronomy Chapter 28, and we will take it from verse 1: **"And it shall come to pass, if thou shalt hearken diligently unto the voice of the Lord thy God, to observe and to do ALL His commandments",** (which includes the Shemitah law), **"which I command thee this day, that the Lord thy God will set thee on high above all nations of the earth: And all these blessings shall come on thee, and overtake thee, IF",** (a conditional, IF) **"thou shalt hearken unto the voice of the Lord thy God."** Verse 3: **"Blessed shalt thou be in the city, and blessed shalt thou be in the field. Blessed shall be the fruit of thy body, and the fruit of thy**

ground, and the fruit of thy cattle, the increase of thy kine, and the flocks of thy sheep. Blessed shall be thy basket and thy store. Blessed shalt thou be when thou comest in, and blessed shalt thou be when thou goest out." On and on the blessings go. Now let us skip to verse 15, which lays out the curses: **"BUT it shall come to pass, IF THOU WILT NOT HEARKEN unto the voice of the Lord thy God, to observe to do ALL His commandments and His statutes which I command thee this day; THAT ALL THESE CURSES SHALL COME UPON THEE, AND OVERTAKE THEE: Cursed shalt thou be in the city, and cursed shalt thou be in the field. Cursed shall be thy basket and thy store. Cursed shall be the fruit of thy body, and the fruit of thy land, the increase of thy kine, and the flocks of thy sheep. Cursed shalt thou be when thou comest in, and cursed shalt thou be when thou goest out. The Lord shall send upon thee cursing, vexation, and rebuke, in all that thou settest thine hand unto for to do, until thou be destroyed, and until thou perish quickly;**

because of the wickedness of thy doings, whereby thou hast forsaken me." On and on the curses also go! So we see blessings on one hand, and curses on the other hand, ALL depended on the attitude that they bore towards the Word of God! That is why I said that there is no point just looking at the blessings of the Shemitah, and not also seeing the curses of the Shemitah, for we have to read between the lines, for curses and judgments are inferred as well, which is why curses are stipulated in Deuteronomy Chapter 28, from verse 15! Therefore, the blessedness of the Shemitah can only be obtained in the true observance of the law of the Shemitah. Period! Consequently, brothers and sisters, we can plainly see that the Shemitah has serious implications. It is rest for the land; a release for the people; and it is also a blessing to the children of Israel; but also, if it is not observed, it invites nothing but divine judgment, for it invites requisite curses, and that is the absolute truth! The question we now want to answer this morning is this: Can we apply the Shemitah to the

Gentiles? That is the fundamental question! Can we apply the Shemitah to a lone Gentile Country, which is the United States of America? These are the material questions that the teaching of the Shemitah poses, for this is where the controversies lie, and it is precisely what we want to lay out strictly in the light of truth, that is, scripturally, the Lord being our helper.

Church, before we consider the application or the in-application of *THE SHEMITAH*, we first want to consider the application or the in-application of *THE FOUR BLOOD MOONS*, the Tetrad. In considering the four blood moons, we know according to the record of Genesis, that the Lord created the sun and the moon, not just for determining days and nights, seasons and years, but also, it is ordained for signs, divine signs. Do not forget that in its application to the seasons, the seasons also give us the determination of different Jewish festivals, for the sun and moon affects their calendar as well. The Jewish calendar does not follow the Ecclesiastical or the Julian calendar we use today; it follows the Lunar calendar, because the

times or the seasons for the nation of Israel, is determined by the Torah, and in the Torah, God set the beginning of the year for the children of Israel, by the phases of the moon. The seasons of Israel, and their yearly cycle, is determined by the moon phases. Brothers and sisters, we must remember that when God led the children of Israel out of Egypt, it was in the month of Nissan, which gives us the month of April. However, Nissan starts from March to April, as the Jewish months, which are different to ours, fall in-between two of our months, and is the reason Nissan falls between March and April. And that is the beginning of the year for Israel, spiritually speaking. Of course they have two yearly beginnings, just as we Gentiles also have two yearly beginnings, two yearly cycles. The beginning of the year for us is January; but the month of September is also when our "School Year Calendar" begins; and even Banks, as well as other Business and Financial Institutions, all have their "Fiscal Year". Is that right? Yes! So also in the land of Israel, they have two yearly beginnings, one which is religious, and the

other which is civil. Their religious calendar starts in the month of "**Nissan**", which is March to April, and their civil calendar, which starts in the month of "**Tishri**", and is September to October. That is the truth! However, I do not want you to be bogged down by these things, but to only see these things strictly from a revelational perspective. The issue is this: The beginning of the year for the nation of Israel, and the month of all months for Israel, a beginning which the Lord instituted for them, when they were coming out of the land of Egypt, is the month Nissan. That is the month God used to set the Passover in motion! And on the tenth day of that month, they were to take a lamb of a certain age, and tie it up until the middle of that month, precisely on the 14th day of that month, all setting a perfect type. Is that right? Yes! It is written in the Book of Exodus Chapter 12, verses 1-6: "**And the Lord spake unto Moses and Aaron in the land of Egypt, saying, This month**" (which is Nissan, in April; the Passover month), "**shall be unto you the beginning of months: IT SHALL BE THE FIRST**

MONTH OF THE YEAR TO YOU. (This sets the month of Nissan as the month of all months for the children of Israel, for it is the first month of the year for them. The Lord continued): **“Speak ye unto all the congregation of Israel, saying, In the tenth day of this month they shall take to them every man A LAMB, according to the house of their fathers, a lamb for an house: And if the household be too little for the lamb, let him and his neighbour next unto his house take it according to the number of the souls; every man according to his eating shall make your count for the lamb. Your lamb shall be without blemish, a male of the first year: ye shall take it out from the sheep, or from the goats: And ye shall keep it up until the fourteenth day of the same month: and the whole assembly of the congregation of Israel shall kill it in the evening”**, (for the evening marks the beginning of another day, the fifteenth day, right at the expiration of the two weeks, setting a perfect type. Let us skip to verse 11): **“And thus shall ye eat it; with your loins girded, your shoes on your feet, and your staff**

in your hand; and ye shall eat it in haste: it is the Lord's PASSOVER. For I will pass through the land of Egypt this night, and will smite all the firstborn in the land of Egypt, both man and beast; and against all the gods of Egypt I will execute judgment: I am the Lord. And the blood shall be to you for a token upon the houses where ye are: and when I see the blood, I WILL PASS OVER YOU, and the plague shall not be upon you to destroy you, when I smite the land of Egypt. And this day shall be unto you for a memorial; and ye shall keep it a feast to the Lord throughout your generations; ye shall keep it a feast by an ordinance for ever.” Now pay attention to verse 15: **Seven days shall ye eat unleavened bread; even the first day ye shall put away leaven out of your houses: for whosoever eateth leavened bread from the first day until the seventh day, that soul shall be cut off from Israel. And in the first day there shall be an holy convocation, and in the seventh day there shall be an holy convocation to you; no manner of work shall be done in**

them, save that which every man must eat, that only may be done of you. And ye shall observe the feast of unleavened bread; for in this selfsame day have I brought your armies out of the land of Egypt: therefore shall ye observe this day in your generations by an ordinance for ever. In the first month, on the fourteenth day of the month at even, ye shall eat UNLEAVENED BREAD, until the one and twentieth day of the month at even”, (giving them the seven days of unleavened bread). Brothers and sisters, right here we see God establish the beginning of the year for the children of Israel, and their year was set in motion by the Passover, and the Feast of Unleavened Bread, and ALL the other religious feasts of the nation of Israel, took off from this very point, as laid out in Leviticus Chapter 23. This therefore sets forth the various seasons for the nation of Israel. But the point is this, brothers and sisters, the Passover season is related to the moon phase, for by the beginning of April, we have the new moon, which starts

out as a little crescent in the sky. However, by the time we come to the middle of April, which is two weeks into the month of April, we now have the full moon, and that is precisely when the Pascal lamb is slain, representing the crucifixion of the Messiah, right at the end of the full course of the law, at the full moon, for the law is represented by the moon. This is precisely why in the Book of Revelation Chapter 12, verse 1, the nation of Israel is portrayed in her Millennial glory in this prophecy, as a woman having **"THE MOON under her feet"**, signifying that she has already passed through the law era. I am simply showing you that the seasons and feasts of Israel are related to the moon phases, particularly the new moon. In the Book of 2 Chronicles Chapter 31, verses 2-3, it is written: ***"And Hezekiah appointed the courses of the priests and the Levites after their courses, every man according to his service, the priests and Levites for burnt offerings and for peace offerings, to minister, and to give thanks, and to praise in the gates of the tents of the Lord."*** (Now pay attention to verse 3): ***"He***

appointed also the king's portion of his substance for the burnt offerings, to wit, for the morning and evening burnt offerings, and the burnt offerings for the sabbaths, AND FOR THE NEW MOONS, and for the set feasts, as it is written in the law of the Lord." Did you hear that? There are burnt offerings and they are appointed for the Sabbaths and for the NEW MOON! That was why King David implored the children of Israel in Psalm 81, verses 3-4, saying: ***"Blow up the trumpet IN THE NEW MOON, in the time appointed, on our solemn feast day. For this was a statute for Israel, and a law of the God of Jacob."*** The observance of the moon phases under the law, was what made Apostle Paul warn the New Testament saints in Colossians Chapter 2, verses 16-17, declaring: ***"Let no man therefore judge you in meat, or in drink, or in respect of an holyday, or of THE NEW MOON, or of the sabbath days: Which are a shadow of things to come; but the body is of Christ."*** Saints, all these Scriptures confirm the truth that the seasons and the religious feasts of the

nation of Israel are done with the moon phases in application. In effect, it lets you see that the calendar of Israel, as orchestrated by God, is patterned after the phases of the moon. That is the first thing you must understand, for indeed, the calendar of Israel has to do with the phases of the moon, which is precisely the reason they follow the Lunar calendar. Period! Consequently, one-sixth of all eclipses occur either during Passover, or during Sukkot (the Feast of Tabernacles). It has to, because the Sukkot gives the Jews another phase of time, for it is another beginning, the beginning of their civil year. Are you listening to me?

I am making a very valid and material point, that because the calendar of time which God gave Israel is tied to the phases of the moon, therefore, you will have a good number of lunar eclipses at Passover in April, as well as at Sukkot in September. That is point number one. Do not forget that the eclipse of the moon is what is called the Blood Moon, and when we have four blood moons in a row, in a year cycle, it gives us a tetrad. The earth, in its rotation around the sun,

gets in-between the sun and the moon, in a perfect alignment with one another, totally blocking the rays of the sun, and casting its shadow over the moon. This is what causes the moon to look red or brown, because it is not getting the direct light of the sun, and this is what is called the Blood Moon. Now church, I have to say this morning, that that is certainly a natural occurrence. It is a natural phenomenon, and it is a common phenomenon. Are we therefore going to take that, and bring something spiritual out of it? Are we going to take this natural occurrence, and make something prophetic like a sign out of it? Can we take it as a sign? Is it really a sign, a prophetic sign? That is the issue we have to consider! Saints, the truth is that we get at least two lunar eclipses every year, and sometimes, we get as many as five, because they are common occurrences, just like the common solar eclipse, when the moon comes directly between the sun and the earth. The National Aeronautics and Space Administration (NASA), also lets us realize that there has been about sixty-two Tetrads from the First Century AD. In other words, there has been

sixty-two sets of four blood moons, from the 1st Century AD; sixty two Tetrads! Are you listening to me? That is a lot, even though it is not as common as lunar eclipses or blood moons, which are yearly occurrences! But the very fact that we have had sixty two Tetrads since the 1st Century AD, shows that they are not isolated or extremely rare events, but are common place events to a measure, even though they are not as common as mere lunar eclipses, which are blood moons. And although only one third of the earth can see these lunar eclipses, it is strange that Israel does not usually see the blood moon, for it is generally not seen from Israel. Saints of God, the issue is this: We have had sixty two tetrads, for NASA gives us the facts, and eight of these tetrads have coincided with Israeli feast days. As we have laid out on our chart, last year at Passover season, there was a blood moon, precisely on April 15th, 2014. At Sukkot, which is the Feast of Tabernacles, there was another blood moon, on October 8th, 2014. Again at Passover this year, there was a blood moon, exactly on April 4th, 2015; and they are now

expecting another blood moon at Sukkot, precisely on September 28th, 2015, giving us a Tetrad, which are four blood moons in a row. How are we now to take this Tetrad? Are we to attach more importance to them than to the others, simply because they fall on Jewish Feast days? And we know for a fact that there have been eight tetrads in the past, yet, two out of them had no significant events attached to their occurrence. Two tetrads out of eight tetrads have had no significant event happening that can be tied to them. So, why should this one, which falls between 2014 and 2015, mean anything special? How can we make something prophetically gigantic out of it, all of a sudden? What are we going to do with the rest of the tetrads, the other six tetrads? Moreover, when we even consider some of these tetrads, they have fallen outside the events tied to them, whether by months or a year! For instance, the birth of the nation of Israel is a prime example of an event linked to a tetrad. It was claimed that the birth of the nation occurred during the tetrad dated April 13th, 1949, but in actuality, Israel became a

nation eleven months earlier in May 1948, making the event incorrect. So how is it going to work? How can you apply the tetrad to such event? You cannot do that, because you cannot take something out of sync, simply because you want it to fit your projection. It will not work, and it just does not make sense!

Brothers and sisters, I have to say this morning, when you look at teachings of the four blood moons by Mark Biltz and John Hagee, it looks like a wonderful projection, because the Bible also speaks of the moon being turned into blood, which gives us a blood moon. Moreover, who is going to deny the fact that God uses the sun and the moon as signs? No Christian is going to knock that! But the real question is, what kind of sign is the blood moon which the lunar eclipse gives us? Are they true signs, prophetic signs? That is the issue! Brothers and sisters, there is a truth concerning this issue. But what is the truth of it, for the truth certainly lies somewhere? It does! And that is what we want to find out, strictly by the Scriptures of Truth; for as believers, Bible believers, we believe in signs, for

there truly are signs. However, the fact is that they have to be scriptural signs. I believe in signs; we all believe in signs, but not signs of any sort, and definitely not signs of every sort. It has got to be scriptural signs! Pay attention to what I now want to say. Brothers and sisters, as God's elect bride saints, we cannot go by moon phases. I repeat: As the bride of Jesus Christ, we cannot go by moon phases. We cannot look at the phases of the moon; we have to look at the prophecy of the Scriptures; for although we believe in signs, they have to be scriptural prophetic signs. Anything outside of that, will not be taken by us, particularly something that is a common occurrence, and is a natural occurrence, however beautiful and spectacular they may be to behold. That is why I said that the very fact that Israel follows the lunar calendar, and the beginning of her year is determined by the phases of the moon... how are you going to take that, and build a prophetic picture out of it? It cannot work! They are now using Joel Chapter 2, verse 31, which states that, ***“The sun shall be turned into darkness, and the***

moon INTO BLOOD, before the great and the terrible day of the Lord come”, to teach that God promised us a blood moon. It is true that the Scriptures project a blood moon, but the question is, what kind of blood moon is the Bible speaking about? That is the real issue! Is the blood moon in Joel Chapter 2, verse 31, related to the tetrad, the lunar eclipse? Is the lunar eclipse blood moon what God is speaking about here? That is the issue we need to clarify scripturally. And to this question, I will tell you categorically, that the blood moon which the lunar eclipse gives us, is not what the Bible is speaking about! It is absolutely not, because the lunar eclipse is a very common natural occurrence, which happens at least twice every year, on average! Come on! Remember that the Book of Joel does not speak about a Tetrad (four blood moons), but of an isolated prophetic event of the turning of ***“the moon into blood”!*** So if the moon turning red refers to the lunar eclipse, and church, there have been so many lunar eclipses (blood moons), over the many centuries of time within the Dispensation of Grace, just

how can we then make Joel's prophecy fit? For when we even consider tetrads, there has been a whopping number of them, sixty two to be exact, from the First Century of Christendom! Think about it! Like I said, earlier, we believe in signs, but it has got to be scriptural signs, because we go by the Scriptures! So, yes, it is true, the Lord put signs in the skies; but we must understand that the signs that He put in the skies, are signs that will have their basis in the Word of God; for when we look at such signs, we will be able to locate them in the Word, being vindicated by the Scriptures! Consequently, saints of God, when we speak of signs, God's signs, we have to look at them from the pages of the Bible: Because we are not told to chase after signs! Church, there are so many issues that this false teaching touches upon. The fact that certain things have happened; the fact that certain events have occurred during some Tetrads, some events which are good, and others which are bad, are we now going to make a doctrine out of it? Are we now going to make a doctrine out of lunar eclipses or tetrads,

when we all know that they are natural occurrences? Are we going to make a doctrine out of that, and say that because certain things occurred under this tetrad or that tetrad; that now there is a tetrad in 2014 to 2015, that God is going to do something, and that God is speaking to us? Brothers and sisters, the Lord God has been speaking to us since the beginning of the Dispensation of Grace; and more particularly today, He has been speaking to us in this last age! He has always been speaking to us from the pages of His Word, warning the world of the imminent return of Christ, and of the need for the people of the world to repent of their unbelief and their wicked ways, and return to the Word! Furthermore, the most evil and heart wrenching every day developments around the world, plainly show that we are at the end, and that God is calling man to repent! He has always been speaking to us! So, I ask again: What are we going to do? Are we going to take the four lunar blood moons, which is called the tetrad, and make something out of it all of a sudden? Then I have to ask: What makes the tetrad

of this year different from other tetrads? Exactly! It does not matter how many people jump on the bandwagon, and how many millions of dollars they make out of it. To begin with, the truth of the Word of God is not even something you make money out of! God does not give His revelation in order for men to make a kill out of it, monetarily speaking, for if, as it is written, we are not to give what is holy to dogs, how much more will God not give what is holy to greedy dogs! But look at the millions of dollars that they have made out of the projections of the four blood moons! My! It has become a sensational issue, hence the reason it is being projected on every news and social media! Brothers and sisters, there is a balance to everything, for as I stated earlier on, we believe in signs. And although we cannot reject signs, but neither can we believe all of the meaningless and unscriptural signs men are shoving down people's throats today! So, the question is: Is the Tetrad really a scriptural sign? That is the point! But because they have falsely used Joel Chapter 2, verse 31, to justify an untruth, let

us now go back there to break down that prophecy, in the light of truth.

Please open with me to Joel Chapter 2, and for a background, we will take it from verse 28: ***“And it shall come to pass afterward, that I will pour out my Spirit upon all flesh; and your sons and your daughters shall prophesy, your old men shall dream dreams, your young men shall see visions: And also upon the servants and upon the handmaids in those days will I pour out my Spirit”***, (speaking about the outpouring of the Holy Spirit at the end time. And please note that the end time started with the first church age, for it started with the 1st Century of Christendom). Verse 30: ***“And I will shew wonders in the heavens and in the earth, blood, and fire, and pillars of smoke.”*** (Now watch verse 31): ***“The sun shall be turned into darkness, and the MOON INTO BLOOD”***, (when?) ***“before the great and the terrible day of the Lord come.”*** Church, let me say this loud and clear. You cannot take verse 31, and make lunar eclipse blood moons out of it, because here, you are looking at a

supernatural event, a supernatural blood moon, not a natural phenomenon of the eclipse of the moon, which occurs as the moon revolves around the earth on its axis. How many see my point? In considering the prophecy in the Book of Joel, you cannot look at a natural phenomenon, which is an everyday thing! You cannot do that, because Prophet Joel is looking at a phenomenon that is supernatural in content. Yes, God can use natural things to create it, but it will still be a supernatural event. That is why it says that the sun shall be turned into darkness, which will be most contrary to the sun's natural every day manifestation! We do not know how God is going to accomplish that. However, even if God brings a thick cloud that totally wipes out the light of the sun, He will have fulfilled His Word, as long as the sun does not shine, the sun having shone every blessed day for only God knows how many centuries of time! And if God Himself just simply blanks out the sun, literally turning off its light, it is still divine, being a supernatural event. As long as the sun does not shine, which will be most contrary

to its every day manner, then, this prophecy is fulfilled. Period! Therefore, we must realise that the Book of Joel is not only speaking about the moon being turned blood red, but it is also speaking about the blanking out of the sun as well: ***“The sun shall be turned into darkness, AND the moon into blood, before the great and the terrible day of the LORD come.”*** Brothers and sisters, this very verse of Scripture absolutely gives us an end time prophetic event, one which is supernatural in its activation. We know that the end time began with the first church age, and is ending with us, for it gives us the last two thousand years of the Dispensation of Grace, the last two thousand years of man's occupation of the planet. Its end brings us to the ending period of human time, for it is the end of the sixth day, the sixth thousand year, for the seventh thousand year belongs to God: It is the Lord's Sabbath; the Millennium; the Shabbat for Planet Earth; the Shemitah for this planet. That is the reason in Acts Chapter 2, Apostle Peter could quote the same prophecy of Joel, including the promise of the moon turning to blood. The

Spirit came on the Day of Pentecost; the power of God came upon His people, and they were filled with the Holy Spirit, and they began to speak with tongues, as the Holy Ghost gave utterance. The Jewish folks who were passing by thought that they were drunk. Verse 14 records: ***“But Peter, standing up with the eleven, lifted up his voice, and said unto them, Ye men of Judaea, and all ye that dwell at Jerusalem, be this known unto you, and hearken to my words: For these are not drunken, as ye suppose, seeing it is but the third hour of the day”,*** (for it was just nine o'clock in the morning). ***“But this is that which was spoken by the prophet Joel”,*** (in Chapter 2); ***“And it shall come to pass in THE LAST DAYS, saith God, I will pour out of my Spirit upon all flesh: and your sons and your daughters shall prophesy, and your young men shall see visions, and your old men shall dream dreams: And on my servants and on my handmaidens I will pour out in those days of my Spirit; and they shall prophesy.”*** Look at verses 19-21: ***“And I will shew wonders in heaven above, and SIGNS in the***

earth beneath; blood, and fire, and vapour of smoke: The sun shall be turned into darkness, AND the moon into blood, before that great and notable day of the Lord come: And it shall come to pass, that whosoever shall call on the name of the Lord shall be saved.” Amen. Church, Apostle Peter went to Joel's prophecy, and took the passage that deals with the blood moon, along with the other signs, and laid it before the people, in order to give them an understanding of what was taking place in that day, that they may know that it was prophecy being fulfilled. But Church, was Peter saying in essence, and are we saying in essence, that every detail of the prophecy he quoted was fulfilled? No! You did not hear me. Was Saint Peter saying in essence, and are we also saying in essence, that every detail of the prophecy he quoted was fulfilled in that day? No, for not everything has been fulfilled! Why? Because the sun has not yet been turned into darkness, and neither has the moon been turned into blood as yet, and they are strictly supernaturally activated prophetic events! However, together, they

make up a body of prophetic events ordained for the end time, ***“the last days”***, events preceding the second physical return of Christ. Apostle Peter took it as a body of prophecy dealing with, and relating to the end time, the latter days; and we all know that the end time started with his day! So we are making a serious point here, and that is this: The application of Joel's prophecy by Saint Peter, to the supernatural event that took place on the Day of Pentecost, which is the outpouring of the Holy Spirit, takes the entire prophetic passage away from the realm of the natural! It takes it away from the realm of the natural into the realm of the supernatural, and consequently, he takes away the blood moon in Joel's prophecy from the lunar eclipses that are natural events! I repeat: The very fact that Saint Peter quoted that very prophecy and applied it to the happenings of his day, takes it away from the realm of natural occurrences which the lunar eclipses give us, and puts it into the realm of the supernatural, for each lunar blood moon is a natural occurrence! And

you will always have lunar eclipses or lunar blood moons, for they occur at least twice every year, as the earth and the moon continuously rotate on their axis around the sun. They will always certainly align at various times within a year, giving us lunar eclipses called blood moons! And more often than not, you will also usually find one thing or the other taking place on these lunar blood moons, for the world is full of events! The fact also remains that the blood moons Tetrads, are natural occurrences, which is why they have taken place as many as sixty two times from the 1st Century AD! That is a natural phenomenon generated by the rotation of the moon and the earth on their axis around the sun, for there are times that they will align; and they have been aligning time and time again, and they will continue to align. Joel's prophecy, on the other hand, deals with supernatural prophetic events, which is the reason Apostle Peter took the whole prophetic passage in Joel, because the whole prophetic passage has an end time application, starting from the 1st Century AD, although the

aspect of the **“blood, and fire, and vapour of smoke”**, are yet to be fulfilled; but nevertheless, it is all still apportioned for this end time. I repeat: The signs or the events stated by Saint Peter in Acts Chapter 2, and verses 19-20, relating to: **“... BLOOD, and FIRE, and VAPOUR OF SMOKE: The sun shall be turned into darkness, and the moon into blood, before that great and notable day of the Lord come”**, ARE YET TO BE FULFILLED. The portion of Joel which was fulfilled on the Day of Pentecost, is that which relates to the outpouring of the Holy Spirit; but they were spoken of in the same context of application to the end time. However, in verse 19, which states, **“And I will shew wonders in heaven above”**, I have to say that the Lord has been giving us such supernatural heavenly signs, and such signs can only come on grander scale, as we approach the return of Christ. For instance, on February 28th, 1963, at the opening of the Six Seals, when the constellation of seven mighty angels who had appeared to William Branham, the prophet to this age, left him, they

formed a cloud of glory in the sky, about 30 miles wide and 26 miles high, which was a sign, a supernatural heavenly sign, and was why the formation of the glory cloud mystified the people, including scientists, simply because it was not a natural occurrence, and was also why it made news in that day, for Life Magazine also picked up the story! I have a copy of that very magazine. Church, the moon turning into blood, according to the prophecy of Joel, which gives us a thought of the blood moon, is one which is strictly a supernatural event. It is not a natural event, and as such, you cannot tie it to the lunar eclipse, for it is not going to work! Of course, as long as people are not following Jesus Christ in a true divine revelation, the tetrad teaching will tickle them, for it gives them something to play with. And you will agree with me that these preachers have been crying out loud concerning it, for they have something out of which to make money, and get cheap publicity. All of a sudden, they have caught one fantastic so-called revelation, and the whole world just have to

follow them. That is not how God works!

Before we consider the Book of Revelation on this subject, let us first give a breakdown of Joel's prophecy in Chapter 2, starting from verse 28, for we need to give it its precise time application, and it records: ***"And it shall come to pass AFTERWARD"*** (in the last days), ***"that I will pour out my Spirit upon all flesh; and your sons and your daughters shall prophesy, your old men shall dream dreams, your young men shall see visions: And also upon the servants and upon the handmaids in those days will I pour out my Spirit."*** Saints, these two verses of Scripture, verses 28-29, are already fulfilled, even though they are continuing to have fulfilment in the lives of God's elect children, throughout the Dispensation of Grace, or Church Ages, for at this every end, we are even expecting the Latter Rain, ALL on account of this initial promise! As I stated earlier, the very fact that Apostle Peter applied this Scripture to his day, settles the question of its time application, as laid out in

Acts Chapter 2, verses 16-18: ***"But this is that which was spoken by the prophet Joel; And it shall come to pass IN THE LAST DAYS, saith God, I will pour out of my Spirit upon all flesh: and your sons and your daughters shall prophesy, and your young men shall see visions, and your old men shall dream dreams: And on my servants and on my handmaidens I will pour out in those days of my Spirit; and they shall prophesy."*** Coming back to Joel Chapter 2, verse 30 declares: ***"And I will shew WONDERS in the heavens"***, (a promise which is being fulfilled at isolated prophetic junctions of time, culminating or climaxing in the majestic heavenly wonders directly tied to the second physical return of Christ), ***"and in the earth, blood, and fire, and pillars of smoke"***, (prophetic events which are yet to be fulfilled as we speak, for you are looking at the human holocaust which these signs will create on the earth). Now note verse 31: ***"The sun shall be turned into darkness, and the moon into blood,"*** (when?) ***"BEFORE the great and the terrible day of the Lord come."*** In other

words, the sun shall be turned into darkness, with its light being turned off, and the moon into blood, before the great Day of the Lord, which simply means that this event will take place, ***IMMEDIATELY PRECEDING*** the return of the Lord. Brothers and sisters, this very verse of Scripture is tied directly to the second physical coming of Jesus Christ, for it heralds it; its fulfilment is immediately prior to the return of Christ to take over the planet, on the Day of the Lord! You cannot apply this prophecy at any other point in time, for every prophecy has its specific time application! I am saying in effect, that verse 31 has a strict application to the every end of the end times, the very end of the last days! That is incontestable, more particularly because this prophetic event has already been laid out earlier by Prophet Joel, specifically in verse 10, and tied directly to Joel's Army, a heavenly army turned loose on the Day of the Lord, just as it is written in verses 10-11: ***"The earth shall quake before THEM; the heavens shall tremble: THE SUN AND THE MOON SHALL BE DARK, and the stars shall***

withdraw their shining: ***And the Lord shall utter his voice before his army***", (his heavenly army): ***"for his camp is very great: for he is strong that executeth his word: for the day of the Lord is great and very terrible; and who can abide it?"*** Brothers and sisters, this should let everyone of you see that in essence, verse 31 is saying precisely what verse 10 is saying, for they are predicting the same event, and it simply shows that by its application, the celestial lights are turned off. Full stop! As it is written: ***"... No prophecy of the Scripture is of any private interpretation!"*** Come on! For anyone to see this prophetic blood moon, he will have to wait until the end of the 70th Week of Daniel! You cannot apply the prophecy of the Scriptures whenever you like, and wherever you like! May I further warn you that this event is not only spoken of by Prophet Joel, but our Lord Jesus also recorded it in his prophetic revelation, as laid out in the Book of Revelation, for the Holy Bible gives us more than one passage of Scripture dealing with this prophetic subject matter of the moon turning into

blood! And as it is written, out of the mouths of two or more witnesses shall the truth be established. Now come with me to examine the Book of Revelation, for we are on holy ground. Look at what the Bible says under the Sixth Seal, which is recorded in Chapter 6, and which in its prophetic application, is the last seal; because the seventh seal, as we all know, fulfills before the sixth, as recorded in verse 12: ***"And I beheld when he had opened the sixth seal, and, lo, there was A GREAT EARTHQUAKE..."*** Prophet Isaiah also saw this earthquake, a mega earthquake that literally tilts the earth out of its axis, and throws the planet into convulsions, great convulsions, as it goes into gigantic uncontrollable fits; the planet begins to rock to and fro like a drunkard, and the rings of fire are ignited, and great tsunamis will break out, with volcanic eruptions and lava flowing everywhere, with gas tanks and gas pipes bursting, and nuclear installations combusting, and fossil fuel on fire, as the world is turned into a giant inferno, for it is the end! Saints, this is a great earthquake like never before! It is not a 9.2

earthquake, for a 9.2 earthquake is too small in comparison. Forget it! We take that verse again: ***"And I beheld when he had opened the sixth seal, and, lo, there was a great earthquake; and the sun became black as sackcloth of hair, AND"*** (IN ADDITION TO THESE M E G A CATASTROPHIES), ***"THE MOON BECAME AS BLOOD."*** Then, and only then, will the moon become as blood, and that is strictly on the Day of the Lord, which is at the very end of the last days! Now I show you the true blood moon in prophecy, not the natural lunar eclipse blood moon, but the prophetic blood moon! Because you must take Joel's prophecy pertaining to the sun and the moon together, and apply it where it fits in at the end time. It did not fit at the beginning of the last days, it fits at the very end of the last days! Why, you ask? **B e c a u s e i t i s a supernatural act of God,** and it brings nothing but an absolute judgment day for planet earth, and not a warning! The prophetic blood moon is not one that gives a warning, but one of absolute judgment, for the literal end of the planet comes, with the projection

of this blood moon, as the Lord comes to take over in the air! You have to see that! This is precisely what Joel Chapter 2, verse 31, is also saying, for the two prophecies are one, as they relate to the same event! This undoubtedly proves that the prophetic blood moon is not a natural phenomenon, but strictly a supernatural phenomenon, for it has nothing to do with tetrads, nothing to do with lunar eclipses, as the activation of the blood moon in prophecy, is God stepping literally on the scene! Yes! That is precisely why it is called a wonder, one of the "WONDERS" in the prophecy of Joel, as verse 30 states: "**And I will shew WONDERS IN THE HEAVENS and in the earth, blood, and fire, and pillars of smoke.**" This is the final heavenly wonder, the grand finale! Wake up! Let us take Revelation Chapter 6, verse 12, again: "**And I beheld when he had opened the sixth seal, and, lo, there was a great earthquake; and the sun became black as sackcloth of hair, AND THE MOON BECAME AS BLOOD**", (giving us the prophetic blood moon); "**AND**" (IN ADDITION TO THE SUPERNATURAL

BLOOD MOON), "**the stars of heaven fell unto the earth, even as a fig tree casteth her untimely figs, when she is shaken of a mighty wind.**" Brothers and sisters, what does this give us? It gives us meteors, falling stars! Meteors begin to fall, as dead giant stars are broken up and thrown down by the design of the Lord, God using them as rockets, and divine scud missiles! It gives us giant burning streaks of fire, balls of fire; giant rocks of fire raining down directly from space, coming down to burn, rock, and devastate this planet! Saints, they are giant fireballs, and just one of these fireballs, can take out half of Lagos when it comes. I am just making an example, because they are definitely not tiny little things that you can fend off. Forget it! Now you are looking at supernatural signs, for they are divine acts, being absolutely unnatural! God has designed them for destroying the planet and for wiping out humanity, in absolute judgment! That is exactly how and why meteors are coming, and it is nothing but absolute divine judgment! And it has a time application, which is scripturally called the Day

of the Lord! Your moon is not going to turn red before then, in fulfilment of Joel Chapter 2, verse 31, except that lunar eclipses will still continue, for according to the precise scientific calculation of NASA, an eclipse (blood moon) is expected on March 23rd, 2016, and another on September 16th, 2016, and then on February 11th, 2017, as well as on August 7th, 2017, all which are Penumbra, meaning that the alignment is not perfect. Then on January 31st, 2018, there will be a total eclipse, just as there will be further total eclipses on July 27th, 2018, as well as on January 21st, 2019, as the lunar timetable goes on and on, including the precise time of these eclipses, as well as from the regions of the world where they can be seen!

Let me therefore warn you, that the blood moon stated in the prophecy of Joel Chapter 2, verse 31, will not be fulfilled until the Day of the Lord, for all these Tetrads, are natural blood moons, even though they are impressive natural occurrences, for God's blood moon is nothing but **d i v i n e j u d g m e n t!** Therefore, on the authority of the Word, I tell you this

today: **This Blood Moon will come and go, AND NOT A HAIR WILL SHAKE**; not a wind will blow, on account of this Tetrad! We will enter October, and not one hair will fall, because it is a natural blood moon, which men are trying to capitalize upon, in order to make a name for themselves, and to acquire fast easy money. On the other hand, as bride saints, we are looking at the Word of God for a Divine Blood Moon, one which is nothing but a rod of judgment for this planet, as God turns off all the celestial lights! That is a scriptural sign, not the natural one people are making a hype about today. That is why I said that we believe in signs, but they must be scriptural ones. Now I show you a scriptural sign, one about the prophetic blood moon, and I also show you its precise place of application, for any idiot can cash in on the Tetrad event and say: *“See, Joel 2: 31 says that the moon will turn into blood, giving us the blood moon. This Scripture shows that the Tetrad is a warning from God, for God is speaking to us by it. It is a divine sign. Watch out, for something is about to change!”* And they are making millions of

dollars out of it, and the religious world are buying their books, because men do not want to die! Yet, the only place of safety is in the divine revelation of Jesus Christ! And instead of coming into the true divine revelation of Jesus Christ, they threw away the Scriptures, and are looking at natural blood moons. Do not look at lunar blood moons: Look in the Scriptures! We are not watching the moon; we are watching the Scriptures! Halleluiah! Because it is by the Scriptures that we know precisely when the moon will be turned blood red! Brothers and sisters, you cannot judge things by what is going on out there; you have to judge things by the Scriptures. You do not determine the Word of God by what goes on out there; you determine what goes on out there by the Word, for you must judge everything by the written Word. You must keep your eyes upon the Scriptures of Truth, for we are living in an apostate religious world; for these people have totally lost their way, and yet, they want to interpret divine things! They are once again discerning the face of the sky, rather than discerning the infallible Word of God! When you

take your eyes away from the Scriptures, you will believe anything! We are living in a world of gross unbelief of the Holy Bible, and as such, what can we expect them to peddle but lying vanities? What do you expect, when they have thrown away the rulership of the Word of God? They do not have any true love for the revelation of the Scriptures, and as such, God also allows the devil to give them little toys to play with, little vanities, sending them on a wild goose chase, and the world rejoices over the vain toys, like little undiscerning children, declaring with great enthusiasm: *“Oh, this is wonderful! The Four Blood Moons, what a wonderful insight! God is speaking to us through the Tetrad!”* That book is selling big time, for it is now a bestseller - *Four Blood Moons*: My foot! I needed to preach this before the big D-day, in order to warn the children of God about the grand deception that is going on right now, and also to help them to know precisely how to relate to these things, for we must know just how to look at **THE FOUR BLOOD MOONS**. Come back with me to finish off the Sixth Seal. Revelation Chapter

6, verses 12-17, declares: ***“And I beheld when he had opened the sixth seal, and, lo, there was a great earthquake; AND”*** (in addition), ***“the sun became black as sackcloth of hair, AND”*** (in addition), ***“the moon became as blood; AND”*** (in addition), ***“the stars of heaven fell unto the earth, even as a fig tree casteth her untimely figs, when she is shaken of a mighty wind. AND”*** (in addition), ***“the heaven departed as a scroll when it is rolled together; AND”*** (in further addition), ***“every mountain and island were moved out of their places. AND”*** (in final addition), ***“the kings of the earth, and the great men, and the rich men, and the chief captains, and the mighty men, and every bondman, and every free man, hid themselves in the dens and in the rocks of the mountains; And said to the mountains and rocks, Fall on us, and hide us from the face of him that sitteth on the throne, and from the wrath of the Lamb: FOR THE GREAT DAY OF HIS WRATH IS COME; and who shall be able to stand?”*** Church, this gives us nothing other than the Day of the Lord, for that is

when ALL these prophetic events, ALL these prophetic signs of divine judgment, will take place! It is God shaking everything, including the celestial bodies, and most crucially, He is shaking the earth! Halleluiah! Consequently, brothers and sisters, the Blood Moon we have in the Scriptures as an end time sign, is a definite sign of the end of the world! Period! IT IS THE HOUR OF THE SHAKING OF ALL THINGS! And did the Lord not promise to shake all things? He did, just as it is written in the Book of Hebrews Chapter 12, verses 25-29: ***“See that ye refuse not him that speaketh. For if they escaped not who refused him that spake on earth, much more shall not we escape, if we turn away from him that speaketh from heaven: Whose voice then shook the earth: but now he hath promised, saying, Yet once more I shake not the earth only, BUT ALSO HEAVEN. And this word, Yet once more, signifieth the removing of those things that are shaken, as of things that are made, that those things which cannot be shaken may remain. Wherefore we receiving a kingdom***

which cannot be moved, let us have grace, whereby we may serve God acceptably with reverence and godly fear: For our God is a consuming fire.” Amen! All shakable things must be shaken, so that only the things that cannot be shaken may abide. And what cannot be shaken? What abides forever? It is the Word of God that liveth and abideth forever! Yes! As such, when you stand firmly upon that solid rock, there is nothing in this whole world that can move you. Stay upon the solid rock of the revelation of Jesus Christ of the Bible, brothers and sisters, for it is your only fortress, particularly in evil times like these! Church, I show you the true application of the blood moon. You cannot take the turning of the moon into blood anywhere else, and create a blood moon phenomenon that is contrary to the Word of God. If you want to create a true blood moon phenomenon, then make it the blood moon pertaining to the Day of the Lord. But do not come and give me a lunar eclipse blood moon, however much of a Tetrad they may be. Do not give me that! Give me a scriptural sign, one which is

promised by the Word. Yes, God uses signs; I know that. However, the signs that He uses are supernatural signs, for even when the signs hang in the sky, it is still by supernatural means. The prophetic revelation that Jesus Christ gave in the Gospel of Saint Matthew Chapter 24, ties right in with this issue of the blood moon. Let us go there.

Saints, this is what Jesus gave us as supernatural signs before he was crucified, and we will take Matthew Chapter 24, from verse 29, where it records: ***“Immediately...”*** (Right here the Lord is telling us of the specific time application concerning the prophetic signs he is about to give to us, leaving us in no doubt whatsoever as to its precise time application): ***“Immediately after the tribulation of those days”***, (which brings us, time-wise, to the very end of the 70th Week of Daniel), ***“shall the sun be darkened, and THE MOON shall not give her light...”*** (That is when the Moon turns red like blood. Church, when something turns red, what light can it give you? That blanks out its light, creating more like a

more like a crying moon, for it blanks out light, when the moon is supposed to reflect light. But when God turns off the light of the sun, and turns it black, what light has the moon to give? That is why it is called a blood moon in prophecy, because it is a moon of judgment! That is the reason Jesus says that it will not give her light, for it is so blood red, that it gives no illumination or light, being a supernatural phenomenon! Also note that all the celestial lights are involved on that day, and not just the moon, for we cannot remove the blood moon from the darkening of the sun, and the falling of the stars, and not be a first class deceiver! Verse 29: ***“IMMEDIATELY after the tribulation of those days shall the sun be darkened, AND the moon shall not give her light, AND the stars shall fall from heaven, AND the powers of the heavens shall be shaken: AND then shall appear the sign of the Son of man in heaven: AND then shall all the tribes of the earth mourn, AND they shall see the Son of man coming in the clouds of heaven with power and great glory.”*** Halleluia! I love verse 31: ***“And he”***

(Jesus) ***“shall send his angels with a great sound of a trumpet, and they shall gather together his elect from the four winds”***, (the four corners of heaven), ***“from one end OF HEAVEN to the other”***, (for the gathering is not on earth, but a gathering in heaven). This proves undoubtedly that we are already in heaven, prior to this event, for we are in heaven, prior to God's prophetic Blood Moon Display, and we are coming down to earth on the Day of the Lord with Jesus Christ! Brothers and sisters, there is going to be a divine military formation in the skies in that day, for it is Joel's Army in formation up there in the sky. We are coming down on white horses, to take over this planet! No, we are not coming the way we are right now. For now we are despised and unwanted; now we are weak; now we are hungry, and we suffer pain; now we are tormented by sicknesses, and many times, the devil also comes to torment us. But in that day, we are like sweet sixteen; nevermore to age; nevermore to grow; nothing bad or evil can ever happen to us again; nevermore to die; nevermore to fall sick, for

all those things have passed away for us. Halleluiah! For now we are ageless; we are timeless, and all through eternity, we are just like sweet sixteen in physical stature, in the prime of our youth. There is a Hollywood movie that projects something similar to that, where you see a man that is 300 years old, and he looks just like a young man of only twenty one years. And when they tell you his age, you say, "Wow!" That is a Hollywood movie, even though they will not be in the reality of what they are portraying, unless they repent and accept the Lord Jesus. Moreover, their projections are always on a carnal level. But the fact is that it is good to see these things in visual projection, and it further lets you see just what they are thinking. However, coming back to the prophecy Jesus gave in this passage of Scripture, and seeing that we, God's elects, are being gathered from one end of heaven to the other, the question therefore is this: When did we go up to heaven, for us to already be in heaven, on the day when the sun is darkened, and the moon loses its light, when the Lord is calling us from heaven for a gathering in

the skies, prior to our descent to the earth? When did we go up? Brothers and sisters, unfortunately, the Shemitah apostle cannot answer that. I am still coming to it, although not today. We will finish up this message on Tuesday, the Lord being our helper. Brothers and sisters, the point is, here again we find the moon in prophecy. And as we stated earlier, the time application Jesus is looking at for the projection of the Blood Moon, is not different from that which Prophet Joel pointed to, or from that which Apostle Peter laid out in Acts Chapter 2, verse 20, and neither is it different to what Jesus gave in his resurrection revelation, which is recorded in the Book of Revelation Chapter 6, under the Sixth Seal. Matthew Chapter 24, Joel chapter 2, Acts Chapter 2, and Revelation Chapter 6, all tie together to give us the prophetic sign of the Blood Moon, or the moon being turned into blood; and all these Scriptures synchronize perfectly in their time application, for every last one of them is pointing directly and exclusively to the Day of the Lord. Full stop! The Blood Moon teaching will not work

before that day, and no one can serve this inedible, carnal meal of *THE FOUR BLOOD MOONS*, to the bride of Jesus Christ. We have one more Scripture to consider on this issue.

We will take Ezekiel Chapter 32, starting from verse 7: "**And when I shall put thee out, I will cover the heaven, and make the stars thereof dark; I will cover the sun with a cloud...**" (So, God can use a thick cloud that He Himself sets in place, and say, "*Cover the sun; cover it for me, and the sun will be covered.*") In other words, God can make a cloth for the sun; and not just for the sun, He can also make a cover for heaven, for God the Creator can cover heaven. Yes, He can! And what is the cloth He makes for the sun? He uses the clouds, an extremely dark and impenetrable darkness, one that is so thick, that even if you put your hand in it, you cannot break through it. You know it is so dark sometimes, so thickly dark, that it actually looks palpable or touchable. It is a garment God wants to weave for the sun, and our God can do anything and everything! Our God, what a mighty God He is! He can do all

things, and there is none like Him! Amen! Verses 7-8: **“And when I shall put thee out, I will cover the heaven, and make the stars thereof dark; I will cover the sun with a cloud, and THE MOON shall not give her light”**, (thereby giving us the Blood Moon in essence. Now listen to what God says He will do to the entire earth): **“ALL the bright lights of heaven”**, (referred to in verse 7, and which specifically includes the Moon), **“will I MAKE DARK OVER THEE, and set darkness upon thy land,”** (referring to planet earth), **“saith the Lord God.”** Amen! Brothers and sisters, Prophet Isaiah also spoke about this event as well, for destruction is certainly coming upon this world, because men have forsaken God. As a matter of fact, they have spat in His face, and God is counting on His own children, to stand for that which makes spiritual sense, and for that which is true, for He is counting on us to make the difference. Let me say this, therefore, on the full authority of the Word of God, that I cannot see anything in *The Four Blood Moons*, which Pastors Mark Blitz and John Hagee, are making so

much noise about. Of course, as long as people are not following Jesus Christ in a true divine revelation of His Word, these are the sorts of things that they will imbibe, hook, line, and sinker. They have to, because it looks fantastic! Give them a “fantastic revelation”, however scripturally warped it may be, and they will jump at it, simply because it is fantastic. A carnal application of the Bible is enough to satisfy them, and they fall for what amounts to nothing, all because they have no revelation of anything! Now, everybody is looking at September 28th, 2015, including James Allen of Faith Assembly. In his message titled, *Signs of The Times*, he has been harping on about *The Four Blood Moons*, as if he has any revelation of anything, other than to continuously tear down all Bible truths which the chief apostle presented in his very presence. That is why today, they, at Faith Assembly, are not only **“Living in The Third Day”**, of Hosea Chapter 6, verse 2, a warped and most heretical teaching for that matter, James Allen has characteristically added to his list of heresies. In his

message titled, *The Gifts and Calling of God*, Part 5, page 1, he declared: **“I have said this before, but these preachers that are saying the temple can be built on the same ground as the mosque and the Dome of the Rock, ARE FAR OFF BASE. I cannot be in unity with anything like that, because the Word of God is not in unity with it.”** What a load of rubbish! So, let us ask “Apostle” Allen: Where exactly is the Millennial Temple, the third and final temple, to be built, if not on the same temple ground, where the Dome of the Rock is now sitting, which is the Mount of Moriah? Is it on Mount Tabor, or is it on the Egyptian Pyramid? Apostate preachers! Let me tell you now: Your judgment at Faith Assembly is coming, for all the evil that yourself and Bud Thompson have done to the ministry of Raymond Jackson! It is incredible that the children of Brother Jackson have allowed such gross evil to be done to the scripturally wholesome continuity message of their father, and also allowed a demonic takeover, in the usage of the Contender Magazine, the medium of truth which the Lord gave exclusively to the chief

apostle! My! Now a man who is chronically blind, who cannot even see an elementary truth, that the third temple will be built, on the very same temple ground upon which the first two temples, Solomon's temple, and Herod's temple, were built, despite the fact that he heard it laid out live, and scripturally, over and over again by Brother Jackson, now wants to show us the signs of the end times, the so-called four blood moons! Lord have mercy! An apostate preacher wants to show the way to the bride of Jesus Christ. What a joke! Saints, I want you to know that the Voice of God Recording has also joined the Blood Moons bandwagon, and they have a page on their website projecting the *Four Blood Moons*. My, oh my! They are still trying to play "guide" on present day events, when they have no clue to anything, and particularly, when the Lord has not laid that responsibility upon their shoulders, but rather, He has laid them on a shelf and moved on in His light, many decades ago! Saints of God, on September 28th, 2015, which is just a little over one week ahead of us, the Blood Moon will come

and go, and nothing will come out of it! We are on planet earth together, and I will text you wherever I am concerning the warning that I am now giving you, after it has come and gone. Because I am telling you today, that **That Blood Moon will come and go, and NOTHING WILL COME OUT OF IT!** I know that a lot of things are converging at this end time, because we live in a serious era of prophetic fulfillment, as loads and loads of prophecies are hanging right over this era of time; and this is where it all ends for us Gentiles, **FOR WE ARE AT THE END TIME!** Consequently, many terrible things, many acts of divine judgments are going on every day, on various levels, and they will continue in ever increasing intensity, because the world have totally forsaken God, the Creator! That is exactly why we have to be careful, so that we are not ensnared and led astray by false doctrines, for many strange teachings are going on around the globe today! Therefore, I will remind you of the words of Saint Peter, as recorded in 2 Peter Chapter 2, verses 1-3: ***"But there were false prophets also among the people, even as there***

shall be false teachers among you, who privily" (secretly) ***"shall bring in damnable heresies, even denying the Lord that bought them"***, (which is a spiritual denial, and not an outright denial of Jesus Christ, but a spiritual one, occasioned by the denial of the Word), ***"and bring upon themselves swift destruction. And many shall follow their pernicious ways"***, (extremely injurious but subtle ways); ***"by reason of whom the way of truth shall be evil spoken of. And through covetousness shall they with feigned words MAKE MERCHANDISE OF YOU: whose judgment now of a long time lingereth not, and their damnation slumbereth not."*** Brothers and sisters, if you go on the Internet, particularly on YouTube, the so-called prophets we now have in the land are limitless. Every idiot is now a prophet, prophesying absolute nonsense: *"God told me this... The angel of the Lord appeared to me, and he showed me this and that. He showed me that Obama is the Anti-Christ, and that the world is coming to a close on the Tetrad"*, and all such spiritual junk! By the

time they lay out exactly what they were shown in their so-called supernatural encounters, it tears the Scriptures to shreds. What do you do with folks like that? You will just look at them and pity them, for they are totally deceived, miserable creatures. A lot of their so-called revelations and divine leadership, is absolute stupidity, and honestly speaking, I have no time for fools! But we thank God for the grace in our lives, for it is the grace of God.

Consequently, brothers and sisters, **THE FOUR BLOOD MOONS**, as it is being taught and projected by Mark Blitz and Pastor John Hagee, has no application of Scriptures to it at all, for it has no true Biblical foundation, and as such, it is absolutely false. It is true, that the sun and the moon are used by God as signs, but whenever He uses them as signs, they have a supernatural touch to them. Consequently, these men are crying wolf where there is no wolf! They are just trying to carve a niche for themselves, seizing upon a fantastic natural occurrence of the Tetrads. That is precisely why their so-called revelation is no revelation

at all. And the irony of it is that John Hagee has made a lot of money out of it, and he will continue to do so, as the religious world have lost their way totally, having thrown away the compass of the Holy Scriptures. Hence, all he is trying to tell us is: *"Oh, God is trying to speak to us, for God has been using signs; for the sun and moon, the celestial bodies, are God's signposts, and the handbills of God."* Yes, God uses all these things to speak, for God appoints them as signs as well, according to Genesis Chapter 1, verse 14; but it is not in the way that he is projecting it: for whatever sign God makes out of the sun or moon, it will certainly have a supernatural content to it! It must have a supernatural content to it, because in such a case, it is being used as God's signpost, one which is out of the moon's ordinary or normal projection! Exactly! Church, listen to me. When the Son of God was crucified, what did the Bible say? There was darkness upon the earth for some hours, which should not have been the case at that time of the day, for it was contrary to the normal course of the workings of the sun! Darkness should

not have occurred in the day time! It defied the natural law God set in Genesis Chapter 1, declaring that the sun should rule the day! It defied the impact of the sun on its natural course of the day, being out of the ordinary, and as such, that was supernatural! It was God saying something, for it was certainly a sign, and the people got the message, just as it is written in the Gospel of Saint Luke Chapter 23, verses 44-48: ***"And it was about the sixth hour, and there was a darkness over all the earth until the ninth hour. And THE SUN WAS DARKENED, and the veil of the temple was rent in the midst. And when Jesus had cried with a loud voice, he said, Father, into thy hands I commend my spirit: and having said thus, he gave up the ghost. Now when the centurion saw what was done, he glorified God, saying, Certainly this was a righteous man. And all the people that came together to that sight, beholding the things which were done, smote their breasts, and returned."*** That was a sign, a divine sign, God using the temporary but supernatural withdrawal of

the sun, as a sign, thereby attesting to the wicked killing of the Son of God! So you could say in that day: *“Look at the sun; it has refused to give its light! Oh, my God! The Lord is telling us something about this man that was slain. This must truly be the Son of God!”* That was supernatural! That was a sign! God used the sun in this projection as a sign in that day, but it was still a supernatural event, not a natural one, for it made the sun work contrary to its every day course! That was not an everyday natural thing, for that was a super sign; that was a sign from God! Again as is revealed in the Book of Revelation, when the two Jewish Prophets are killed in the middle of the 70th Week of Daniel, under the fourth trumpet judgment angel, the Lord will give a similar sign, as recorded in Chapter 8, verse 12, which declares: ***“And the fourth angel sounded, and the third part of the sun was smitten, and the third part of the moon, and the third part of the stars; so as the third part of them was darkened, and the day shone not for a third part of it, and the night likewise.”*** That is a sign, a celestial sign! Moreover,

the Lord will also send another sign, a further sign, specifically a great earthquake, right after their resurrection, as recorded in Revelation Chapter 11, verses 11-13: ***“And after three days and an half the Spirit of life from God entered into them”*** (who are the two Jewish prophets), ***“and they stood upon their feet; and great fear fell upon them which saw them. And they heard a great voice from heaven saying unto them, Come up hither. And they ascended up to heaven in a cloud; and their enemies beheld them. And the same hour was there a great earthquake, and the tenth part of the city fell, and in the earthquake were slain of men seven thousand: and the remnant were affrighted, and gave glory to the God of heaven.”*** That is a sign, a divine judgment sign! This supernatural content, is precisely what we are looking at, when we say that God is using any of the celestial lights for a sign, for it must have a supernatural content to it, taking it out of its normal or periodical course! Exactly! Saints, I repeat: When you want to talk of a celestial sign, it has

got to be supernatural, and not lunar eclipses that are common occurrences, or even of Tetrads that are periodical occurrences. Come on! What is wrong with Christendom? I know exactly what is wrong with it: It is a complete lack of love for truth, which is also why the Lord allowed them to believe a lie. Therefore, let it be clear to one and all today, that The Blood Moon Tetrad of Year 2014 2015, has no Biblical application as a celestial sign. It does not qualify as a divine sign, on the sole and infallible authority of the Word of God. Brothers and sisters, I am just sick and tired of a lot of so-called prophetic projections being peddled around this globe. Now they are the prophets of God whom we must listen to, which is obviously why they are trying to show us what is coming, as if they have any clue to the revelation of life. And what do we get from the blood moon when it happens on the Sukkot? Yet, John Hagee, a man who is so blind that he cannot see the promise of the end time Elijah for us Gentiles, according to Malachi Chapter 4, verse 6B, is forever knocking the prophet to this age on the head, stating that William

Branham derailed in the ministry by going into teaching, when he should have remained a prophet. That is his warped assessment of Brother Branham's ministry! But the same man now wants to show the way to the bride of Christ, seeing something that we obviously do not see, or so he thinks! Church, on the authority of the Scriptures, **THE FOUR BLOOD MOONS** are absolutely nullified, cancelled, for it is an erroneous projection, being totally contrary to the Word of God, which is the Holy Bible. The Four Blood Moons have no scriptural foundation or application as an end time celestial sign, for the bride of Jesus Christ. Period! This now brings us to the consideration of the Shemitah, **THE SHEMITAH CYCLE**. Come with me.

Brethren, the preacher who started the Shemitah Cycle teaching is Rabbi Jonathan Cahn, a Messianic Jew based in the United States of America. And now, he is being projected everywhere as an end time prophet. If you watch Sid Roth's Television Programme called, *It's Supernatural!*, a

programme you can also view on YouTube, that is precisely what he calls him. Sid Roth enthusiastically thanks God for sending us a prophet at this end time, "to show us these exciting things", for he calls him one of the prophets of our day. Now Jonathan Cahn is a prophet! He was not a prophet before he brought the Shemitah teaching though, and neither was he known before he wrote his book titled, *The Harbinger*. He received a so-called revelation, and that made him an overnight prophet, and suddenly, an instant celebrity. Now we must listen to the prophet, and as such, we want to see exactly what the prophet has to say, for we must put his message through the litmus test of the Word of God. I say that to make a serious point, because it is obvious that they do not know what a prophet is. This Gentile Christendom is in a serious mess, because it is in total apostasy, and as such, they have no clue to anything. Church, his first book, *The Harbinger: The Ancient Mystery that holds the Secret of America's Future*, sold over two million copies, for it is a bestseller, and is selling like hotcakes. You can only imagine the

status of his bank account, with the sales of this book. Then he wrote another book which he published last year, titled, *The Mystery of the Shemitah: The 3,000-Year-Old Mystery That Holds the Secret of America's Future, the World's Future, and Your Future!* As a matter of fact, people are begging him to write a sequel to his books, for according to him, the Mystery of the Shemitah is getting bigger by the day, and so, he is going to write a sequel. Speaking about the Shemitah, brothers and sisters, there is a right way to look at something, and there is also a wrong way to look at it. Furthermore, there is a balance to everything, for I do not believe in going into extremes on any issue. During our last meeting, we laid out what the Shemitah is: It is the seventh year cycle of rest for the land of Israel, and a time of release. But as I usually say, I do not believe in taking any truth into extremes, for there is certainly a balance to everything. Therefore, we want to take a very close look at this Shemitah teaching. How do we look at it? And how can we apply it, if it is at all applicable? Is

there a truth to it? Is it something we need to understand, and is it something we need to imbibe? It is crucial as the bride of Christ to know these things. So God helping me, I want to strike a balance, because you cannot take any truth into extremes. Why am I saying this? It is simply because we already know that God Almighty, the God we serve, the God of Abraham, works in numbers. You cannot take that away from God. I do not care what Testament you are considering, whether it is the Old Testament, or the New Testament, one thing remains inviolate, one thing remains constant: God works in numbers, and there is no one that can change this fact of God, for there is a numerology of God. Therefore, there is a balance we need to strike, in considering the Shemitah, for we cannot take a truth into extremes: We will only shoot ourselves in the foot. I am emphasizing this truth only because the Lord God, our God, the God of Abraham, works in numbers, for He has His own numerology. There is a numerology of His workings, of His ways, how He does things, for the Lord has specific numbers,

through which He works and reveals Himself, and no true believer can deny this truth. However, it is one thing knowing the numerology of God, and it is another taking that knowledge into extremes, for you can stretch it and kill yourself with it. That then becomes a different kettle of fish, because there is a balance you must strike in everything, and true revelation helps us to maintain a scriptural balance. So yes, God works in numbers! For instance, THREE is the number of Perfection. That is why the message of salvation is complete in three: Justification, Sanctification, and Baptism (the Infilling) of the Holy Ghost. And as it is written: He is the same yesterday; He is the same today, and He is the same forever. Is that right? Yes! God is perfect in three, and hence, His office works are also three - Father, Son, and Holy Ghost; three office works of God; three moves of God. His first office work is as GOD ABOVE US, (the Father), **IN Creation**; then as GOD WITH US, (IN His Son), **In Redemption**; and finally, as GOD IN US, (the Holy Spirit), **In Regeneration**. God in His three office works; God in

His three moves: Father, Son, and Holy Ghost, for THREE is the number of perfection. Five is God's number as well, for in the numerology of God, FIVE is the number of grace. That is even why the name of Jesus is five letters, for it is the number of grace. SEVEN is completion, for God is complete in seven. TWELVE is the number of Israel; FORTY is the temptation of Jesus Christ; FORTY-NINE is the super Sabbath; and FIFTY is God's Jubilee. Let us now zero in on number seven, in order to strike a balance, because the Shemitah that is being expounded today by Jonathan Cahn, is dealing with number seven. Therefore, let us zero in on number seven in God's numerology, for it is God's number of completion, and indeed, God is complete in seven, which is why there are **“seven Spirits of God”** in prophetic projection in the Holy Bible.

Come with me to the Book of Revelation Chapter 1, and look at verse 4: **“John to the SEVEN CHURCHES which are in Asia...”** Here we see God addressing seven churches. Is that right? Yes, it is! **“John to the seven churches which are in**

Asia: Grace be unto you, and peace, from him which is, and which was, and which is to come; and from the SEVEN SPIRITS which are before his throne." So in verse 4, we see seven churches and seven Spirits. Is that right? Yes, it is! Let us move to verse 12: **"And I" (John) "turned to see the voice that spake with me. And being turned, I saw SEVEN GOLDEN CANDLESTICKS.**" Is that right? Yes, it is! So here we see another seven, seven golden candlesticks. Verse 16: **"And he" (the resurrected Jesus), "had in his right hand SEVEN STARS: and out of his mouth went a sharp twoedged sword: and his countenance was as the sun shineth in his strength."** This verse also gives us seven stars. Brothers and sisters, so here in Chapter 1, we see four lots of sevens: Seven churches, seven spirits, seven golden candlesticks, and seven stars. And when we go to Revelation Chapter 5, verse 1, we see another seven: **"And I saw in the right hand of him that sat on the throne a book written within and on the backside, sealed with SEVEN SEALS."** So here we see seven seals. In

Chapter 8, verse 2, we see two sets of sevens: **"And I saw the SEVEN ANGELS which stood before God; and to them were given SEVEN TRUMPETS."** So we see seven angels and seven trumpets. Is that right? Yes, it is! Finally, in Chapter 15, look at verse 1: **"And I saw another sign in heaven, great and marvellous, seven angels having the SEVEN LAST PLAGUES; for in them is filled up the wrath of God."** These seven last plagues are called seven vials in verse 7: **"And one of the four beasts gave unto the seven angels SEVEN GOLDEN VIALS full of the wrath of God, who liveth for ever and ever."** Brothers and sisters, so what do we see here? We see seven angels with seven vials. So, in all the Scriptures that we have just read in the Book of Revelation, we see various sevens: Seven churches, seven Spirits, seven golden candlesticks, seven stars, (who are seven angels), seven seals, seven trumpets, and we also see seven vials, which are seven lots of sevens. All these passages give us the sevens of God, for in God's numerology, seven is completion, for God is complete in seven.

As a matter of fact, they give us seven sevens. The question therefore is this: Are we now going to make a doctrine out of the numerology that we see here? No! We simply have to take each projection of seven by itself, and consider its prophetic meaning and application. Period! And in order to buttress my point, in the Book of Revelation, we saw seven lots of seven, and the last seven, which is the seventh seven, gives us the seven vials. The question is: Are we now going to make the seven vials the super seven? We cannot, because it has no relation to that, for each seven stands on its own, even though they may be related in one way or the other, however remotely. Church, the truth remains that God in His numerology also works in sevens. This will cause me to say this, and please listen closely: It is one thing to know that God works in sevens, and it is quite a different thing to take that knowledge, and run the roads with it, projecting something more than just that fact, by making a doctrine out of it. It is one thing seeing God's pattern, but it is quite another thing to make a doctrine out of the pattern

we see. Think about that very deeply! Furthermore, it is one thing seeing God's pattern, but it is quite a different thing altogether, applying to it a doctrine that has no relevance to the pattern. That is why I said, we can see that God works in sevens, for seven is God's number of completion. However, if we take that thought or fact, and apply it to a doctrine that has no relevance to it, just because we see a pattern of seven, then we have goofed! It means in essence, that it is one thing to see a pattern, but what we do with that pattern is a different thing altogether, and what we do with it is what is material! Yes, it is! For instance, God has given man a weekly cycle, and the seventh day is Sabbath, a Sabbath law that He gave exclusively to the Jews, under the Law of Moses. This makes Saturday, the last day of the week, a day of Rest or Sabbath. And we all know that failure to observe the Sabbath under the law had serious consequences, economically, and otherwise. Yes, it did! Now, for the mere purpose of illustration, let us assume that among the Gentiles, a people who were not born under the law, and who do

not live under the law, have economic collapses every seventh day, which falls on the Sabbath. The question is this: Are we going to attribute such economic collapses to the Sabbath Law? That is the material issue! Can we truly apply the Sabbath to the Gentiles? That is the fundamental issue, and the absolute scriptural truth is that we cannot, however compelling the facts may be, simply because the law of Sabbath, which came by Moses, was not given to the Gentiles, but to the Jews, coming out of Egypt, and therefore, it has no application to the Gentiles! Consequently, we can attribute the collapse to our disobedience to God, and implore the people to repent, and return back to God, but we cannot say that they are having such judgments because of the Sabbath, for the Sabbath has no application to the Gentiles, and as such, the Sabbath is not an issue at all for us! It is the very same principle that applies when we consider the Shemitah, in relation to the Gentiles, for the Shemitah is the Sabbath, although it is for the land of Israel. It is! Come on!

So, brothers and sisters, we see a reality of

something in the Scriptures, and that is that God works in numbers. But the question we want to answer this morning, scripturally speaking, for this is the crux of the entire matter, is this: Can we really take the Shemitah, and apply it in the grace age to the Gentiles? That is the issue we want to consider. How we look at something is what makes a difference. I will be honest with you and admit, that Jonathan Cahn is a man that has done his research beautifully, for he has a lot of facts that you have to look at, a lot of facts to back up his projection concerning the Shemitah. He is a man who has certainly done a lot of research into the years and the facts of the various economic woes that have befallen the nation of America, for he knows his onions: He knows what he is talking about, when he talks about the economic facts of the United States, which he has related or tied to the Shemitah. The truth we want to find out as bride saints however, is this: Is the Shemitah truly applicable? That is what we want to find out! But if we talk about having the knowledge of facts, I will tell you this, the man has his

facts, and I will give him that; because you need to give Jack his jacket! And if you are going to say anything, at least know what you are talking about! So he knows what he is talking about, when speaking of the economic facts of America, in relation to its pattern of occurrences, and as such, if we call him the Professor of Shemitah, we will not be far from the truth. Brothers and sisters, we have this **SHEMITAH CYCLE** laid before us here. (Brother Amos points to the chart). The first economic woe in America took place in 1966, falling in the Shemitah Year. And in this Shemitah Year, there was a "Financial Crisis", and the Stock Market dropped by 20%. In the next Shemitah, which brings us to 1973, there was an Oil Shock Upheaval Market Drop by 30%. The next Shemitah cycle, which was seven years later, brings us to 1980, and a Hard Recession Began. At the next Shemitah Cycle in 1987, the Stock Market Crashed. We come to 1994, the next Shemitah Year, and it gives us the Bond Market Crash. Year 2001, also saw the Stock Market Crash, and this was 9/11, when the Twin Towers

came down by Muslim extremists. In the next Shemitah Year, 2008, there was another Stock Market Crash. Now they are giving us a Mega Crash Alert for 2015, which is the Year of the Super Shemitah, being the seventh Shemitah. Brothers and sisters, the question is this: Should we be worried? Should we be concerned about the Shemitah projection? Should the Shemitah Year mean anything to us, as bride saints? Does it really mean anything to us? That is the issue we need to consider, and we will consider it, the Lord being our helper. Brothers and sisters, I will say this, and please listen carefully: Does the fact that something is happening with great occurrence, or the fact that it is happening with a constancy, make it a scriptural pattern? That is the issue! How you look at something is what makes the difference! Does the fact that something has a common occurrence, now make it a scriptural projection? Do we look at occurrences out there, and use them as a basis of God's Word? That is something we have to consider, particularly because we cannot take away the fact that God

works in numbers. Let us look at it dispassionately. Church, nobody will refute the fact that all these economic woes happened in the Year of the Shemitah. However, the only problem is that in all these years of sevens, all the crashes are only taking place in America. That is one undeniable fact, for it has nothing to do with any other country, but America. Yes, you will tell me that whatever happens in America affects the whole world. I know that! But it is still an American thing, nonetheless, and it is all financial, for it is all about the Economic Market! And that is why it has a great appeal to the Americans, because they love the dollar! Anything that projects something for them that can help them know about their dollar, they love it! That is why the book is selling like hotcakes, because men are not interested in their walk with God; men are interested in their financial security! Consequently, because the Shemitah Cycle projection is economic in its essence, telling them something is going to happen to touch their economy, people want to give heed, because they want to know how to protect

their money! Come on! Yes, I know that the man is also calling on them to repent and return to God, for they have defiled the land with Iniquity, nevertheless, they are not concerned about that aspect, but about the various predictions of economic crashes that he has tied to the Shemitah Cycle, which helps them determine when things will go bad, so that they can avoid being burnt, economically! It is the appeal of economics that is causing the books to be an outright sellout, and not its call to repentance! Come on! That is the reason the United States Congress men and women, as well as all the politicians, are buying the book, big time! It is not the issue of God that is motivating them; it is the issue of the dollar! And let me tell you this, God knows exactly how to allow the devil to throw a carrot out there for those who do not have an eye for truth, and a heart of love for truth, and they will take that dangling carrot! That is the truth! Look at it; to start with, no man can use the Torah... And the Torah is the first five Books of the Bible, the Books of Moses: Genesis, Exodus, Leviticus, Numbers, and Deuteronomy, are referred

to as the Torah. Let me say this, and please hear me loud and clear this morning: Nobody can use the Torah as a prophetic yardstick for the nation of America. You did not hear what I said. I said that the Torah cannot be used as a prophetic yardstick or spreadsheet for the nation of American, or for any other nation for that matter, other than the nation of Israel! Such an application will amount to a blatant lie, being a blatant misapplication of the Word of God! I do not care how many economic crashes are happening in seven year cycles in the United States, the fact remains that you still cannot use the Torah as a yardstick for America! Jonathan Cahn is out of scriptural order, and I am going to prove it to you by the Holy Scriptures.

Church, you are faced with two options: It is either you take the stock market development, the constancy of their crashes in relation to the so-called Shemitah, or you take the Word of God. You have a choice! I say that because nobody is denying the facts; but to apply the Torah to it is a different kettle of fish! That is why I said: It is either you consider the projection of a man based

upon the constancy of the crashes of the stock market, or you consider the Scriptures. Which one do you want to take? It is your choice. Church, now listen to me, because we are going to look at this thing and x-ray it scripturally. I am not denying the fact that the man has facts that he is using to back up the seven year cycle of economic crashes. You are not hearing me. Jonathan Cahn is looking at a pattern, and nobody can deny a pattern, for they are facts. He has the right to present the pattern, and warn the people based upon the pattern he sees. That is acceptable. But for him to take the pattern, and apply the Torah to it, and make a doctrine out of it, and hang it on America, that is a different kettle of fish! How many see my point? I would be a fool to deny a pattern that is vindicated by events; but for any man to take that pattern, and make Bible out of it, is a different kettle of fish! And that is precisely what my warning devolves upon, for it is what my warning is about, because I am not knocking the pattern. The pattern is there, but the point is, what do you do with the pattern? Where do you go with the

pattern? Are you going to take that pattern, and make it the Word of God, and make it a prophetic yardstick for the body of Jesus Christ? Now answer that within your heart! I know that what I want to share in this message will not go down well with a lot of people, particularly in the United States, because they look at that man as a prophet, just because of his Shemitah teachings! Brothers and sisters, let us get one thing straight: Regardless of the coincidences or occurrences of the seven year cycle of economic developments in the USA, the Torah is not about the USA. The Torah was not given to America! When God gave the Torah, there was no USA! When God gave the Torah, America had not yet been founded; America had not yet been developed, for in that day, America was a giant wilderness that nobody knew existed! And when the Torah came, (and it came strictly and solely by Moses), it was not given to America, but exclusively to the children of Israel, coming out of Egyptian bondage, for they got it in the wilderness on their way to Palestine! Somebody made the same point to

Jonathan Cahn on Sid Roth's Television show, during question time, and he replied, saying words that amount to this: ***"No, you cannot say that, because the Bible says that the Word of God is given for OUR ADMONITION."*** In essence, he is using 1 Corinthians Chapter 10, verse 11, as his defense. So, because the Word of God is given for our admonition, are you now going to take the Torah, and apply an ordinance meant specifically for the nation of Israel, to the nation of America, a lone Gentile nation? I have to say that, because all his projections of Shemitah has nothing to do with Africa, or even Europe, for it is all about America! Come on! How are you going to take the Torah, and give it a prophetic application to a nation that was not even in existence when the Torah was given? The Torah was not even given to Gentiles, although we know that there are projections in it that are setting types and shadows. But even then; even in the application of its types and shadows, there are verses in the New Testament, that also bear upon these very types and shadows, vindicating its

application in the New Testament! You are not hearing me. The Torah conveys types and shadows of New Covenant realities. But even in the New Covenant, we also have Scriptures that point to these types and shadows, showing plainly that they are end fulfilments of the things the law set in types and shadows! Come on! Any type or shadow MUST have its place within the overall structure of the New Testament writings! This is absolutely so, because no type or shadow stands alone, for no type or shadow stands in isolation: **For there cannot be a type or a shadow of NOTHING!** Simple! The very fact that something is a type or a shadow, definitely shows that there is a reality of it somewhere in the New Testament, and as such, the New Testament reality will point you back to its type in the Old Testament; because the revelation of God is one, and also because God's plan of salvation is one! We see this plan of salvation established in the Old Testament, in the types and shadows of the Torah, and we also see it established in its reality, in the New Testament writings! However, when

you look at the Shemitah Law, or the *SHEMITAH CYCLE*, you cannot apply it anywhere in the New Testament. It has no basis in the New Covenant, and there is nowhere in the New Covenant where you would say, *"This verse relates to the Shemitah. Let us go back to consider the type laid out in the Torah."* You cannot, because the Shemitah is not a type of anything that is fulfilled anywhere in the Grace age! And although the Shemitah is a type, nevertheless, it is only a type of a reality we will find only in the Millennium, and not one which is established in the Gentile Dispensation of Grace; which is why you will not find ANY verse of Scripture in the entire New Testament, relating to the Torah's Shemitah! Wake up! The Shemitah, which is the seventh year Sabbath for the land of Israel, is a type for the rest that the planet will also have in the Millennium, for the Millennium is the Sabbath of the earth; it is the Lord's Shabbat. Consequently, the Shemitah types the seventh figurative year, which is a thousand years, which is the Millennial period, a time when this earth is liberated. How many see what I am

saying? The Shemitah in its prophetic application, or in its prophetic typology, gives us the Millennium. You most certainly cannot take the Shemitah that relates to the land of Israel, which gives rest to the land, and tie it to the economy of America. That is absolute nonsense! Because it does not relate to the economy of America! I do not care for the constancy of the occurrences of the economic crashes of seven years, which has taken place, or indeed, will take place in America. For as I stated earlier, you can say that every seven years, economic crashes occur, and it is on account of their rejection of the Lord, for America has turned its back on God, and needs to get back to God; but do not bring in the Shemitah. You can say that every seven years, it looks like God is judging America, as you see a pattern of economic judgment, but please, do not make it the Shemitah: **THE SHEMITAH HAS ABSOLUTELY NOTHING TO DO WITH AMERICA!** It is not the Shemitah at work! But then, why would he not make it the Shemitah? Because that gives him a "big revelation"; having the Bible base of the Shemitah, gives it the required

scriptural validation for the so-called mystery he is propounding, even though it is as false as false can be! And the religious people of America are running riot with his so-called mystery! Over two million copies of the book, *The Harbinger*, has been sold! And now, he has written *The Mystery Of The Shemitah*, and to think that that so-called mystery has absolutely nothing to do with the revelation of the elect bride of Jesus Christ! My! Brothers and sisters, the Shemitah is not a mystery for the universal bride, as it is a **"strange fire"**! But we must invite Prophet Cahn to break down this great mystery for us. And what does that mystery contain? In the main, it gives us facts about the economy of America, although he has also tied it to developments around the globe. Lord have mercy!

Brothers and sisters, in the Book of Jeremiah Chapter 25, God was speaking to the land of Israel through Jeremiah, beginning from verse 11: ***"And this whole land shall be a desolation, and an astonishment; and these nations shall serve the king of Babylon SEVENTY YEARS. And it***

shall come to pass, when seventy years are accomplished, that I will punish the king of Babylon, and that nation, saith the Lord, for their iniquity, and the land of the Chaldeans, and will make it perpetual desolations.” That is why I warn that you should not antagonize God's people. Even in their wrong, do not antagonize them, because in their wrong, God will judge them; but when He has finished with them, He is coming after you, for your antagonism of His people; because they are the apple of His eye! So when God is dealing with Israel, do not say: “*It serves you right! Good for you!*” Do not say that! Because God will come and give you your own “*good for you*”, and that is the truth! And why was God going to judge Israel in that day? Because they had desecrated His Shemitahs, for a whopping seventy Shemitahs they had not observed! Every seventh year was a Shemitah, and Israel refused to observe the Shemitah, and God allowed it to go on, until precisely seventy Shemitahs had not been observed. This gives us a total space of time of four hundred and ninety years

in which the Shemitah had not been kept. Can you imagine that! They could not slow down for even one year. They sowed and sowed, without giving the land any breathing space; no rest! So when they got to the count of seventy Shemitahs, four hundred and ninety years having expired, God said enough is enough. He told Jeremiah: “*I am driving the children of Israel out of the land, because as long as they are in the land, the land will never rest. The only way the land will rest is for me to drive them out of the land. Then the land will enjoy its Sabbaths (Shemitahs). And for as many Shemitahs that they have failed to observe, I will drive them away into a foreign land.*” The Book of 2 Chronicles Chapter 36, confirms this truth, for the Word of God declares from verse 14: “***Moreover all the chief of the priests, and the people, transgressed very much after all the abominations of the heathen; and polluted the house of the Lord which He had hallowed in Jerusalem. And the Lord God of their fathers sent to them by His messengers, rising up betimes, and sending; because He had***

compassion on His people, and on His dwelling place: But they mocked the messengers of God, and despised His words, and misused His prophets, until the wrath of the Lord arose against His people, till there was no remedy. Therefore He brought upon them the king of the Chaldees, who slew their young men with the sword in the house of their sanctuary, and had no compassion upon young man or maiden, old man, or him that stooped for age: He gave them all into his hand. And all the vessels of the house of God, great and small, and the treasures of the house of the Lord, and the treasures of the king, and of his princes; all these he brought to Babylon. And they burnt the house of God, and brake down the wall of Jerusalem, and burnt all the palaces thereof with fire, and destroyed all the goodly vessels thereof. And them that had escaped from the sword carried he” (Nebuchadnezzar) “away to Babylon; where they were servants to him and his sons until the reign of the kingdom of Persia.” (Why did God allow this great evil? Verse

21): **“To fulfil the word of the Lord by the mouth of Jeremiah, UNTIL THE LAND HAD ENJOYED HER SABBATHS: for as long as she lay desolate she kept sabbath, to fulfil threescore and ten years.”** This had to be done, because the Shemitah is not about the children of Israel; the Shemitah is about the land! How many see the point? Indeed, in the year of the Shemitah, there is liberty or release, for the Jewish slaves go free, and furthermore, there are also blessings conferred upon the people, particularly the poor ones. Nevertheless, the Shemitah is not about them, but it is about the land, and that is something Jonathan Cahn is not looking at, or a point that he does not want to look at. Yes, if followed, the Shemitah has its blessings, just like any other law of God has. It is not just the Shemitah that has blessings: All the laws of God have their blessings, if they are followed, and they also have their curses, if they are not followed. So God instructed Prophet Jeremiah to give the prophecy of seventy years captivity, but a false prophet contradicted the prophecy of Jeremiah,

giving them instead, two years in captivity. This made the Lord send Jeremiah back to them in Chapter 29, and from verse 8, the Bible records: **“For thus saith the Lord of hosts, the God of Israel; Let not your prophets and your diviners, that be in the midst of you, deceive you, neither hearken to your dreams which ye cause to be dreamed. For they prophesy falsely unto you in my name: I have not sent them, saith the Lord. For thus saith the Lord, That after SEVENTY YEARS be accomplished at Babylon I will visit you, and perform my good word toward you, in causing you to return to this place. For I know the thoughts that I think toward you, saith the Lord, thoughts of peace, and not of evil, to give you an expected end.”** And indeed they were carried away captive to Babylon for exactly seventy years. Hence in Babylon, Daniel, knowing that the days of their seventy years captivity was now coming to a close, began to seek the face of God, confessing his sins and that of his people, the children of Israel, and continually

reminding God of His promises, all which are recorded in Daniel Chapter 9, starting from verse 2. The point is this: Why were they sent captive for seventy whole years? It was because of their failure to observe seventy Shemitahs, and God wanted the land to have its Shemitah (Rest)! They failed to keep the Shemitah, and as such, they were judged, led away into Babylon as punishment for failing to observe the Shemitah, so that the land of Israel could have its REST, its Shemitah! How then can a man, a Jew for that matter, take the Shemitah law, and project it into a seven year cycle of the ongoing economic judgment of America? I am miffed! How a man can take the Shemitah, which was ordained for the land of Israel to rest, (and for which reason the judgment of God fell on the Israelites, pushing them out of the land for a whole seventy years, so that the Shemitahs which they denied the land could be observed), and apply it to the economic judgment of America, is utterly beyond me! Lord have mercy! Yet, who is going to deny the various financial crises that

Rabbi Cahn has laid out in his book? Of course we know that America is going to suffer a mega crash, for her days of judgment is here, for it has started for many years now! We know that already, because the signs are there, and I do not need a seven year cycle to know that America is under judgment, and that her major judgment is also coming! And what difference does the knowledge of a seven year cycle make? Will it keep them from the impending judgment of God? No! And why not? Because they have crossed a line, and it was not in Years 2014-2015 that they crossed that line, but it was in 1956, when they rejected the Restoring Message of Truth which the Lord God sent through the end time Elijah! That was the year when America crossed the line, for it is thus saith the Lord through William Branham, the prophet to this age, way back then in 1956! That was why later in 1963, in his message titled, *Is Your Life Worthy Of The Gospel*, in paragraph 49, the prophet declared: **“And, tonight, that's the reason this nation”** (America) **“stays. SHE IS DOOMED. THERE IS NO HOPE FOR IT, AT ALL.**

SHE'S CROSSED THE LINE BETWEEN JUDGMENT AND MERCY.” I will remind you that when the Lord told Samuel that He had rejected King Saul as king, Saul still reigned for many years after that, even though he was already a rejected king, and so is the case of the nation of America! The American Supreme Court's Iniquitous and Tyrannical decision for Gay Marriage across the entire States of America, is only part of the last signs of a nation that has been rejected, and a nation that is under divine judgment! That is the reason for the constant and continuing economic woes that that nation is facing today, for it is the **God of COMPLETION**, the God of sevens, showing us that her cup of iniquity is almost completely full, before her final judgment, for it is coming, and it is much more than just a mega economic collapse! And there is absolutely nothing Johnathan Cahn, or any other man can do, to reverse it, for it is also thus saith the Lord in the revelation of the Holy Scriptures!

So it is a serious issue we want to consider, and we

want to consider it scripturally. I have only opened up this message concerning *THE SHEMITAH CYCLE*, to a measure, for I have only been able to show you what the Shemitah really is, and the judgment which God brought upon the children of Israel, because of their refusal to observe the Shemitah. But now at this end time, a man has suddenly caught a so-called revelation, and lo and behold, it is *The Shemitah Mystery!* According to his own testimony, he went to ground zero, where the Twin Towers came down, and he received a revelation of the Shemitah right there on that ground: *“What day did the Twin Towers Crash happen? It was on 9/11. That was on the Shemitah! And seven years later, another thing happened, it was right on the Shemitah.”* He began to see Shemitah from then on, without considering the absolute truth, that the Shemitah has absolutely no application to the Gentiles, let alone a singular Gentile nation, called America! Now, everybody is watching the next seventh year Shemitah. Let me tell you this: You can watch as

many sevens as you want to, but if your soul is not robed with the true revelation of life which the Scriptures of Jesus gives, you are wasting your time! The truth is that for us to apply the Shemitah, we would have to be in the land of Israel, because The Shemitah is the law God gave IN the Torah, TO that Nation of Israel, FOR THE LAND OF ISRAEL. There is no other basis for its application, and I do not care how many seven year cycles of economic judgments America receives. I have also shown you seven lots of sevens of God, recorded in the Book of Revelation. Are you now going to make the Shemitah out of them? The Shemitah has no application to the various sevens of God, except that it also has a seventh year application, being also of sevens. How many understand what I mean? The Shemitah has no application to the other sevens of God in that wise, for the sevens simply show that God is complete in

seven. Hence, we will have to consider each projection of sevens in its individual application, and not muddle the picture, or misapply the Scriptures. But men always want to have a special revelation, for it gives them the popularity they would not have had otherwise, and hence, the devil gives them loads of it, for his coffers are full of strange, “*kukuru-kukuru*” revelations!

Saints, as I said before, I say again: We will not argue with the facts of the economic crashes that have happened in America, and the consistency of their happenings. Those are facts! No one in his right mind argues against hard facts! However, what you do with the facts, is quite another thing, and it is what you do with it that counts! Hence, it is the application of an ordinance of the Torah to these facts that have caused the man to goof, and what error he is peddling! We will see all these things, for we intend laying out the Scriptures on

this matter, in order to show the Truth of the gross In-application of **THE SHEMITAH CYCLE** to the Gentile world, strictly from a scriptural perspective, for we cannot bring The Shemitah to the grace age. Furthermore, you cannot apply something in part, for IF the Shemitah applies, which is not the case, then, the whole of the law concerning the Shemitah must automatically and unquestionably apply, including the cancellation of all debts in America, both corporate and individual, as well as the removal of the Americans from the land of America, as judgment, so that the land can also enjoy her Shemitahs! And by the time you go down that road, the devil has got you in a tight corner, for you have overturned an infallible prophecy of Jesus Christ, recorded in the Book of Revelation, for the Nation of America. Let us bow our heads in prayer. (Brother Amos prayed).

May the Lord bless you.

Shemithah Cycle

*The Pharisees also with the Sadducees came,
and tempting desired him that he would shew
them a sign from heaven.*

*He answered and said unto them, When it is
evening, ye say, It will be fair weather: for
the sky is red.*

*And in the morning, It will be foul weather
to day: for the sky is red and lowering. O ye
hypocrites, ye can discern the face of the sky;
but can ye not discern the signs of the times?*
