THE SUN AND THE GOSPEL MOVEMENT

The following message was preached by Brother Amos, on Sunday 19th July, 2015, at Bible Faith Tabernacle, Lagos, Nigeria. This is a message that is solely for the Bride, as only the Bride will see the absolute beauty in the journey God has taken with the Gospel, to ensure its impact on the entire globe. What a beautiful revelation!

May the Lord bless you all. It is always a joy to be together, and it is a great privilege to be called to serve the Lord in the light of Truth, which is the light of Jesus Christ His Son. Can you turn with me to the Book of Acts Chapter 1, which gives us the account of the manifestation of Jesus Christ to his disciples, after his resurrection, before he ascended up into heaven, and it

reads from verse 4: ***“And, being assembled together with them, commanded them that they should not depart from Jerusalem, but wait for the promise of the Father, which, saith He, ye have heard of me. For John truly baptized with water; but ye shall be baptized with the Holy Ghost not many days hence. When they therefore were come together, they asked of him, saying, Lord, wilt thou at this time restore again the kingdom to Israel? And he said unto them, It is not for you to know the times or the seasons, which the Father hath put in His own power. But ye shall receive power, after that the Holy Ghost is come upon you: and ye shall be witnesses unto me***

BOTH IN JERUSALEM, AND IN ALL JUDAEA, AND IN SAMARIA, AND UNTO THE UTTERMOST PART OF THE EARTH."

Amen. Right here we have the course that the preaching of the Gospel would take, the precise way the Gospel would follow, clearly mapped out by the Lord, beginning FROM the city of Jerusalem, then into Judaea, which takes in the other areas of Judah, like Bethlehem, THEN into Samaria, BEFORE the Gospel finally comes to the uttermost part of the earth, taking in the entire Gentile world. We will take one more text, and that is Zechariah Chapter 14, beginning from verse 6, for a background: ***"And it shall come to pass in that day, that the light shall not be clear, nor dark: But it shall be one day which shall be known to the Lord, not day, nor night: but it shall come to pass, that AT EVENING TIME IT SHALL BE LIGHT."*** Here in the Book of Zechariah, we see a promise, that at the evening time, "it shall be light." This prophecy gives us nothing but perfect light, for it speaks of the Pure Gospel Light, the True Light of Jesus Christ, shining at the evening time. It is the Original Faith, the

old time Original Gospel of Jesus Christ that the original apostles carried, for they are the men that brought the true message of Jesus Christ to us. Consequently, you cannot truly follow Jesus Christ, outside of the revelation of the apostles, for they are the inspired writers and the custodians of the true faith of Jesus Christ, and the midwives of the Church. Therefore, the evening light message that Zechariah promised us, is a reproduction of the original light of Jesus that the apostles carried in the First Church Age, that the end time Elect Bride may know who Jesus is, in a true divine revelation of his Word. And I am happy to announce to you this morning, that the True Light now shineth, Jesus Christ the Light of the world. The true light of Jesus Christ of the Bible, the true light that the original apostles of the early Church carried, is now shining brightly, for Bible days are back, as we are now back in the days of the apostles. Consequently, everything has to be judged by the Scriptures. Everything has to be literally judged by the Word of God, for that is the litmus test, the test of all tests! There is absolutely

nothing that happens without coming under the censorship of the Word of God, for everything has to be judged by the Scriptures. Every matter must be brought to the Bible, and every decision must be brought to the Holy Writ of God, the Holy Bible, for everything must pass through the filter of the Word of God, as it is The Absolute of the true believer, and the basis of true and acceptable faith. And let me tell you this morning, this Holy Bible is MY ABSOLUTE! And may I add, that it is my only friend, for I have no other friend, but Jesus Christ that is revealed in the Holy Scriptures! Brothers and sisters, we want to determine something, because in the beginning, something broke forth, and that is the true Gospel light, a light from which the true Church derailed, and at this evening time, we are being restored to that same light, that very light. So, this morning, we want to consider something that is material to the progression of this light, because the truth of God is never stationary, but progressive, ever progressive. Truth is ever marching on, and please move on with the light; for if you do not move

on with the light, darkness will envelope you: I do not need to tell you that it is a very horrible spiritual hour we now live in, for **PERILOUS TIMES ARE HERE!** The truth remains, brothers and sisters, that we have a promise of perfect light at the evening time, and it is a fulfilled promise. We are looking at the Gospel light that Zechariah promised. So we ask ourselves this question: How does God change a dismal spiritual condition into one that is absolute light? In other words, how does God Almighty dispel a dismal spiritual condition, so that the true light can shine through? These are some of the issues we are going to lay out today, by the grace of God, as we are also going to consider exactly how this prophecy was fulfilled. However, we first want to delve straight into our message for today, which is our focal subject. Shall we bow our heads in prayer. (Brother Amos prayed).

This morning, we want to take a message we have on our chart, titled, **THE SUN AND THE GOSPEL MOVEMENT.** Why are we taking this message? Because it is important that

we, as the Elect Bride of Christ, a people following Jesus Christ in a true divine revelation of the Holy Scriptures, have a perfect understanding of how God has moved in the earth, the very course that He has taken, in establishing the plan of universal redemption, and the precise course that he has also taken at this end time, in concluding the plan of universal redemption. We must know precisely where God is, the region of the Earth God is working from. That is why it is written: "When the Comforter comes, the Spirit of the Word, the Spirit of Truth, HE WILL GUIDE YOU INTO ALL TRUTH, AND HE WILL SHOW YOU THINGS TO COME." It is to give us a divine revelation of what the Lord is doing in the earth, because we are his, and because we have the mind of the Spirit of Christ. And as his True Bride, we are certainly not ignorant of what our Lord and Saviour is doing on the earth by his Spirit, in our day, just as we also know what he has done in times past, for we know just how he has moved in the earth, what he has accomplished, and what he is also doing now, the balance of things that he will still do, and

precisely how He will accomplish it, in order to bring to completion, this great plan of universal redemption, for he is our Bridegroom. This is absolutely so, because the followership of Jesus Christ does not allow for ignorance, and I say that on the full authority of John Chapter 8, verse 12, where it is emphatically written: **"Then spake Jesus again unto them, saying, I am the light of the world: HE THAT FOLLOWETH ME SHALL NOT WALK IN DARKNESS, BUT SHALL HAVE THE LIGHT OF LIFE."** Hence, today, we are taking a close look at **THE SUN AND THE GOSPEL MOVEMENT.** When I was speaking with Brother Chris Mamah, our brother who is based in New Jersey, he was appreciating **"the Present Truth"**; he was considering the Continuity Movement, and he said that he had often wondered where and how the Gospel would go back to Israel, with the death in the West, of William Branham, the man who was God's prophet to this age. This discussion ignited something in my heart, and I decided to take a message dealing with this very topic, **The Sun And The Gospel Movement.**

Brothers and sisters, when we consider the Movement of the Gospel, the path that it has taken, it actually follows the Movement of the Sun. That is how God ordained it; that is how the Lord God fashioned it, and there is a reason for it; for there is a divine objective to everything God does, as our God is a God of purpose. The Gospel Light in its journey through the earth, has taken the course of the Sun, for it is precisely that same way the Lord God has moved, in the carriage of the Message of Life, which we have in Jesus the Christ. To begin with, we all know that God is a God of types and shadows, who types spiritual realities using natural realities, and as such, the natural light of the SUN, sets a type, a perfect type, of the spiritual Light of the SON of God; the natural Sunlight typifies the spiritual Sonlight we have in the world, the Light of the SON of God. Come on! Natural light typifies spiritual light! The natural S-U-N light types and reflects the S-O-N light of God, Jesus the Christ in his divine revelation. And to prove this point scripturally, and because the opposition will certainly say, "Brother Amos, that is

just your words: The Gospel has nothing to do with the Sun", let us look at the prophecy of Malachi, and see if that is true or not. Please come with me to Prophet Malachi, as he speaks concerning the Millennium in Chapter 4, from verse 1: "**For, behold, the day cometh**", (which is the Day of the Lord), "**that shall burn as an oven; and all the proud, yea, and all that do wickedly, shall be stubble**", (because God will burn them out): "**and the day that cometh shall burn them up, saith the Lord of hosts, that it shall leave them neither root nor branch.**" This gives us the Day of the Lord, one which ushers in the Millennium. And continuing with the thought of the Millennium, verse 2 now declares: "**But unto you**" (who are the children of Israel) "**that fear my name shall the SUN of righteousness arise with healing in his wings**", (personal, singular, pronoun, his wings); "**and ye shall go forth, and grow up as calves of the stall**", in the Millennium. Because in that day, the Nation of Israel will become the pride of all nations. That is why he said they will grow up as calves of the stall, meaning that

they will be the pride of nations! This is so, because in the Millennium, Israel will become the capital nation of the world, by virtue of the fact that Jerusalem will be the capital city of the world, and that is exactly when Israel grows up as calves of the stall. You can take that prophecy to the Books of Prophets Isaiah and Micah, for they say the same thing concerning the elevation of the nation of Israel. However, it is Malachi Chapter 4, verse 2A, that I am interested in, and it plainly declares: "**But unto you that fear my name shall the SUN OF RIGHTEOUSNESS arise with healing in his wings...**" Now, please note that this verse does not speak of S-O-N, but of S-U-N. Yet, in this prophecy, God is using the S-U-N to speak of His S-O-N, Jesus Christ. Right here is a prophecy of Jesus Christ the Son of righteousness, but yet, in speaking of him, God speaks of him using the natural Sunlight, projecting how Israel will be clothed with the glory and the righteousness of the Almighty God, which is in Christ Jesus. We all know that the natural Sun cannot give righteousness to any man or woman, for as it is

written, righteousness is of God, for God is our righteousness, even as Jeremiah Chapter 33, verse 16, records: ***"In those days shall Judah be saved, and Jerusalem shall dwell safely: and this is the name wherewith she shall be called, The LORD OUR RIGHTEOUSNESS."*** And we all know that the righteousness of God is IN Christ Jesus, just as the Book of Romans Chapter 10, verse 4, declares: ***"For Christ is the end of the law for righteousness to every one that believeth."*** Why is this so? 1 Corinthians Chapter 1, verses 30-31, states: ***"But of Him are ye in CHRIST JESUS, WHO OF GOD IS MADE UNTO US WISDOM, AND RIGHTEOUSNESS, and sanctification, and redemption: That, according as it is written, He that glorieth, let him glory in the Lord."*** Consequently, Jesus Christ is the true righteousness of God to man, for he is our righteousness. Therefore, if the Nation of Israel is to be clothed with the righteousness of Almighty God which is IN Christ Jesus, then that SUN recorded in Malachi

Chapter 4, verse 2A, actually speaks of Jesus the Christ, for in prophetic typology, God used the S-U-N to signify His S-O-N. Consequently, ***"the SUN of righteousness"***, who will bring healing in his wings, for he will ***"arise with healing in his wings"***, is speaking exclusively of Jesus Christ the Son of righteousness, who will arise with healing in his wings in the Millennium, for the Nation of Israel, and lift them up as the pride of all nations. Period! So, brothers and sisters, this settles the typological application of the SUN to the SON of God, for the Sunlight typifies the Sonlight of God. And that is precisely why in the carriage of the Gospel light of Christ, its course perfectly follows the Movement of the Sun, because God fashioned it to follow the Movement of the Sun. We are going to see it this morning, because this is what my message is about. But I pray that God will help me to present it in a way that will be clear to each and every one, and that it will be a blessing to you all. Please pray for me.

Brothers and sisters, it is a scriptural fact, that in the

Movement of the Gospel light, God chose to follow the Movement of the Sun. Why is this so? Just as I stated earlier, it is simply because God is a God of types and shadows, and as such, He sets forth spiritual realities in natural realities, making the natural as types of the spiritual. Secondly, God follows His patterns, which are His record, because he is perfect in all His ways, and this in turn, gives consistency, as well as certainty, for we can lay our lives on it, knowing that it cannot fail, for God cannot fail. You are not hearing me! God does not break His record, for He does not break His Word. It is man that breaks his record, and it is man that breaks his word: God does not break His record, because God has consistent and unchanging patterns, being most perfect in all His ways. There is absolute harmony and consistency in our God, for He is the God of ALL Creation, and that is why we can put total dependence upon Him. So, if you can recognise God in His consistent patterns, you cannot fail to locate Him every time. The real point is, do you have this understanding, this divine understanding? Do you

have a true revelation of God? Can you see God in His patterns? Can you recognise His footprints? It is just the same with numbers: God works in certain numbers, for He has His own numbers by which He works. He works in threes, in fives, in sevens, in twelves, in forties, as well as in fifties. Three is the number of perfection, and by the moves of Justification, Sanctification, and the Baptism of the Holy Spirit, our salvation is made perfect, for God is perfect in three. Are you listening to me? Brothers and sisters, God works in threes, and this gives us the three office works, or the three office moves of Almighty God: God the Father, in Creation, (which is God **ABOVE US**); then, God IN His Son, in Redemption, (which is God **WITH US**); and then, God, who is the Holy Spirit, in Regeneration, (which is God **IN US**), giving us the three office works of God. For greater emphasis, One is the number of Unity, for God is one; Three is the number of perfection; Five is the number of grace; Six is the number of man; Seven is the number of completion, for God is complete in seven, which is

why we have the “Seven Spirits” of God; Twelve is the number of Israel; Forty is the number of temptation; and Fifty is the number of Jubilee, on and on it goes. I am stating these facts just to show you that God has His ways, for He has His set numbers, and He works in set numbers. Furthermore, the Lord has His established patterns, and He is consistent in His patterns, and these footprints can be seen in all His works, for He uses these things to lay out His plan, and to deal with man, if only we can recognise God's footprint. He most definitely works in consistent and unchanging ways, and as such, revealed minds can easily determine God's workings, God's ways; for it is all a matter of divine understanding, because He never breaks His patterns. In essence, it means that before the Lord does anything, He first sets it in nature, whether on earth, or in the heavens, for nature is God's first canvas, to convey His sovereign mind; nature first reflects what God is about to do, for God is a God of types and shadows. Hence, it is written in Psalm 19, verses 1-4: **“The heavens declare the glory of God;**

and the firmament S H E W E T H H I S H A N D Y W O R K . Day unto day uttereth speech, and night unto night sheweth knowledge. There is no speech nor language, where their voice is not heard. Their line is gone out through all the earth, and their words to the end of the world. In them hath he set a tabernacle for the sun.” This is absolutely so, because God uses nature to reflect His sovereign will, for they are guided by the same law of God: For the spiritual laws that God set over creation, follow natural laws, for the law of God is one, the Lord being a God of types and shadows. That is precisely why in Genesis Chapter 1, it is written in verse 14: **“And God said”** (on the fourth re-creative day, the fourth regenerative day), **“Let there be lights in the firmament of the heaven to divide the day from the night”**, (which gives us the first objective for the celestial lights, which is to give light, as well as to separate the day from the night); **“and let them be FOR SIGNS...”** Here we have the second objective of God, and that is that the lights in the firmament of heaven, the celestial lights, are for

SIGNS. Now, who is setting the signs, using the celestial lights? It is God! The celestial lights constitute natural signs for man, signs of God conveyed in nature, for nature is God's artistic canvas! But that is not where the picture ends, for not only are the celestial lights set to be signs, verse 14 adds other objectives, stating: **“and for seasons, and for days, and years.”** So, coming back to consider the issue or the objective of signs, I ask: What are the signs for? These signs, natural signs, convey divine messages, for they tell us something, and they indicate something, being divine signposts of God. God uses them to convey messages to His children, if only you can read what Jesus calls **“THE SIGNS OF THE TIMES.”** Please pay close attention, for the Scriptures convey a very deep truth to us about celestial lights, and it is a truth we must see. We are told that the lights in the firmament of heaven, the celestial lights, have been set in place, not only to give light and to separate the day from the night, but also for SIGNS, and for seasons, as well as for determining days and

years. In other words, they determine the various seasons, giving us weather signs, and in the world, we have four main seasons: Spring, Summer, Autumn, and Winter. Brothers and sisters, it simply means that if only we can read them right, the celestial lights convey signs. If we can read the handwriting of God expressed in nature, we will be able to read its spiritual application as well, for the natural types the spiritual. That was why Jesus rebuked the Pharisees and Sadducees in Matthew Chapter 16, as verses 1-3 records: **“The Pharisees also with the Sadducees came, and tempting desired him that he would shew them a sign from heaven. He answered and said unto them, When it is evening, ye say, It will be fair weather: for the sky is red. And in the morning, it will be foul weather to day: for the sky is red and lowring. O ye hypocrites, ye can discern the face of the sky; BUT CAN YE NOT DISCERN THE SIGNS OF THE TIMES?”** Yet, the truth is that the signs of the sky declare the spiritual reality on earth, being a perfect type; but unfortunately, they could not decode the signs of the

times, for only the spiritual can do that! And it is not for nothing today, that even nature shows us exactly where we are in time, for the climate, the weather, and the seasons, have become most erratic (most unpredictable): For we are not just at the end, we are at the very end of the end, for this is where it all ends for man; which is why the earth is going through birth pains, longing for deliverance! Continuing with the celestial lights recorded in Genesis Chapter 1, from verse 15, the Bible states: **“And let them be for lights in the firmament of the heaven to give light upon the earth: and it was so. And God made two great lights; THE GREATER LIGHT”, (WHICH IS THE SUN), “TO RULE THE DAY, and the Lesser Light”, (which is the moon), “to rule the Night: He made the stars also. And God set them in the firmament of the heaven to give light upon the earth, And to rule over the day and over the night, and to divide the light from the darkness: and God saw that it was good.”** Saints, the night foreshadows the day, and hence, it goes ahead of the day, for it precedes the day; which is precisely why a

day is determined in Genesis from its night season, or from its night period. This is the very reason verse 19 adds: **“And the evening”**, (which is the night part, or the night period, or the night season), **“AND the morning”**, (which is the day part, or the day period, or the day season, both periods now added together), **“WERE THE FOURTH DAY.”** The night precedes the day, and that is exactly how the reckoning or the counting of the day runs through Genesis Chapter 1, because God counts the day from its night period, for it comes first. Since the night foreshadows the day, it has to be reckoned first, having the moon over it, to give light at night, or in the night season, which night period is referred to in verse 19, as **“the evening”**. All through Genesis Chapter 1, that is how days are recorded, and that is exactly how Israel reckons days to this very hour. That is why, for their Sabbath, which is on Saturday, they start it from the Evening of Friday, from 6pm, and end it at the beginning of the Evening of Saturday, at 6pm, because their day starts with the night season, just as God

set it in Genesis. Sunday is the first day of the Week for them, just as the Bible lays it out, and all the people go to work on Sunday in Israel, being the first day of the Week. However, to us Christians; to us Gentile believers, Sunday speaks of the resurrection of Jesus Christ, because it was on that day that he rose from the dead. Moreover, it was on Sunday, the first day of the Week, that the Holy Ghost came, and the Church was born on the Day of Pentecost, giving us a new day, and a new beginning. Therefore, as Gentile believers, we worship, not on Saturday, but on Sunday, the first day of the Week, in honour of the resurrection, and on account of the birth of the Church, for it was on that day that the Spirit of life was given. Halleluiah! We became one again with God; heaven and earth became one again, for it was when heaven and earth married. I am only letting you know that Israel, till this day, still observes and reckons time according to the Biblical record. And in the night season, when the moon is shining, it is telling us that the Sun is coming. Halleluiah! Do not forget that the moon itself has no

light of its own, but is a reflector of the light of the Sun, and it tells us that the Sun is coming, for it is somewhere. So, no Sunlight no Moonlight, because the moon is only a reflector. But when the moon is shining in the night, it is telling us that the day is coming, that the day is going to break. And when the day breaks, here comes the light of the day, and that is the S-U-N of life, natural life. Remember we are speaking about *The Sun And The Gospel Movement*.

Church, I am making a point, a scriptural point, and that is this: The Almighty God set the Sun in place for SIGNS, even though it is also established for seasons, as well as for determining days, months, and years. However, brothers and sisters, we are looking at it in this message, strictly from the viewpoint of it being a sign, for God uses the SUN for signs, because it sets a type, a perfect type, of the SON of God, and it is this aspect that concerns us in this message. The S-U-N of life, natural life, the Sunlight, is a type of the S-O-N light of God, the divine Sonlight, Jesus Christ, **“the light of the**

world.” It is written in John Chapter 8, verse 12: **“Then spake Jesus again unto them, saying, I AM THE LIGHT OF THE WORLD: he that followeth me shall not walk in darkness, but shall have the light of life”** (ETERNAL). This absolute and infallible truth of Jesus Christ, is precisely why in Malachi Chapter 4, verse 2, Jesus Christ is referred to as, **“The SUN of righteousness”**, who in the Millennium, will **“arise with healing in his wings”**, for the Nation of Israel. It is so, because the Sun sets a perfect type of the SON of God, who is also the Light of the world, but on a spiritual level, just as the SUN is the Light of the world, on a natural level. And saints, there is only one Sun in the whole Earth, just as there is only one Jesus the Christ in the entire Earth. Halleluiah! Therefore, if you take away the light of the Sun, the moon will lose its light, and the Earth will be plunged into total darkness. Likewise, if you take away the Light of the Son of God, Jesus Christ in his divine revelation, total spiritual darkness will also cover the Earth! The Sun therefore is a sign, a sign of the Son of God, because the S-U-N is a type of the S-O-N of God.

Look at our Solar system: In our entire Solar system, there is only one SUN. And brothers and sisters, it is by the light of the Sun that the whole earth is illumined (lighted). Even the moon that we see in the night has no light of its own, for it is a mere reflector of the light of the Sun. So on this Planet Earth, there is only one source of true light to lighten the entire world, and that is the Sun. Church, in the same vein, in this world, there is only one **“begotten”** SON of God, Jesus the Christ, who is the only source of light, the exclusive spiritual light of the world. Outside of the Light of Jesus Christ, there is no light! He is the only Light, the Only True Light; he is the exclusive Light, for there is no Light but that of Jesus Christ. That is why the Gospel of Saint John Chapter 14, verse 6, lets us know undoubtedly, that **HE IS THE WAY**, the only way, the exclusive way to the Almighty God; **HE IS THE TRUTH**, the exclusive truth of God; and **HE IS THE LIFE**, the very life of God, for the life of God was invested in him, and as such, no man goes to the Father, except he comes through Jesus Christ. Period! Consequently, **ONLY JESUS CAN SAVE,**

FOR HE IS THE ONLY WAY! Every other way leads to death; every other way leads to eternal damnation! Only Jesus Christ in his divine scriptural revelation, leads to Life Eternal; only the Light of Jesus leads to Life Everlasting; because there is only one Sunlight in the world, just as there is also only one Light of the Son of God in the world. So the S-U-N of this planet is a type of the S-O-N of God. And as the Sunlight illumines the whole earth, likewise Jesus Christ is the exclusive Light of the world, spiritually speaking. So therefore, because the Sun is a type of the Son of God, in referring to the righteousness that the Jews will have through Jesus Christ the Son of God, in the Millennium, the Almighty God inspired Prophet Malachi to adopt the term, **“the SUN of righteousness...”** But you all know, and I also know, that the literal Sun has no righteousness to give any man, because there is no spiritual virtue any man can tap from the Sun, as it can only affect the physical body; it cannot touch the soul of any man. And when it comes to the soul of man, there is only one light that can positively impact the

soul, and that is Jesus Christ in his true divine scriptural revelation. Therefore, it is the light of Jesus that can positively impact the souls of men. And when the light of Jesus enters the heart of a man, it dispels every dark cloud of unbelief that is hanging in that soul. And as it is written: *"You will know the truth, and the truth of Jesus will set your soul free"*, free from all the creeds, the dogma, the carnal ceremonies, and the traditions of men, that cloak the souls of men in darkness, making them hell bound! Hence the reason God used the literal Sun in Malachi, to speak of His Son, the True Light of the world. That confirms the truth, that the Sun of this planet is a natural TYPE, for it is also symbolic of Jesus Christ the light of God. Brothers and sisters, I am making a point, for I want to establish the fact that the Gospel in its Movement, follows the Movement of the Sun. That as the Sun moves, so also does the Gospel move, following the same path of the Sun, because the Sunlight is a perfect representation of the Light of God, as God is a God of types and shadows, a God of patterns. He has precise

patterns for how He works, patterns for how He moves, patterns which constitute His footprints, just as He has His precise numerology. Therefore, you cannot afford to be ignorant of how God moves, and how God works, because when you understand the patterns of God, it is very easy for you with this understanding, to trace the footprints of God. You will be able to trace God's footprints, that you may locate God, because God has footprints. Brothers and sisters, His footprints leave patterns in the earth, and by the eyes of revelation, you can see the patterns of God, and you can follow God in His patterns. Saints, the unrevealed will say to you, *"What is wrong with you? What are you doing? And why are you going that way?"*, simply because he does not see what you see; for these things are spiritually discerned. Brothers and sisters, as it is written, the natural man does not receive the things of the Spirit of God, because they are spiritually discerned. That is why we share spiritual things only with spiritual people. Moreover, I believe with all my heart, that we as the body of God's people, we

as the Church, must also keep spiritual things spiritual. In other words, whatever we do in a spiritual way, must be done spiritually, otherwise, it will avail nothing. Whoever has an ear, let him hear this morning. If you are going to walk with this God, you will learn to keep spiritual things spiritual. And if you are truly spiritually minded, you will understand my language this morning, because spiritual things must be kept spiritual. If spiritual things are not kept spiritual, as far as God is concerned, you are just playing Ludo; you are playing a game of Snakes and Ladders, because spiritual things must be kept spiritual. Let the spiritual hold that with their left hands, for all spiritual things must be kept spiritual. I am making a point, and that is that God has precise patterns of how He works, and how He moves. And in all His movements, He leaves a pattern in the earth which only the spiritual can see, for they are His footprints, all which help us to locate God. And may I tell you, that it is possible, absolutely possible, to trace the footprints of God in the earth, because our God leaves footprints!

Therefore, we are not left in darkness, and we are not left to guess, for there is no guesswork in spirituality. It is either God is dealing with you, or He is not. Period! There is no guesswork in spirituality, because to guess is to be a gambler. And may I warn you this morning: Every gambler must lose! Every gambler in the way of life must lose! Out there, sometimes gamblers win, although most of the time they lose; but like cocaine addicts, they keep on gambling nonetheless. However, in the way of revealed faith, there is no room for gambling. Therefore, every gambler must lose, and every gambler will lose! It is not what I say, because I am just a man; I am just a sinner saved by grace; it is what the revelation of the Almighty God says: Because He does not leave His children in darkness, that they begin to guess, and they begin to gamble their way through this pathway of life. Because when you are guessing, it shows you do not know, for certainty has been withheld from you, because God is just not dealing with you. So in spiritual reality, and as far as God is concerned, you are just a gambler, a spiritual gambler, and as it

is firmly written: ***"BUT WITHOUT FAITH"***, (WHICH IS DIVINE REVELATION), ***"IT IS IMPOSSIBLE TO PLEASE HIM"*** (WHO IS GOD). Revelation does not allow for ignorance or uncertainty, that you will now be guessing your way through in your walk with God, which is gambling! You are either being dealt with by God or not! End of story! Therefore, may I warn you, that you cannot accidentally fall into the light, for it takes the leadership of God to come into the true light of God, which is why every gambler must lose, as there is a revelation that leads God's children. There is an understanding the seeds of God carry, both male and female, young and old, ministry and laity. The members of the body of Christ are motivated and guided by the revelation of the Spirit of God, for according to Romans Chapter 8, verse 14, only as many as are led by the Spirit of God, are the children of God. Period! And if you are not being led by the Spirit of Christ, you are definitely not a child of God. Thus saith the Word of God! God leads His children, but He leads them strictly by His Word. So

every leadership of God can be censored by the Scriptures, in case you fall into the leadership of the devil. So that we are not ensnared by the spirit of the Antichrist, God gave His light, the light of His Word, so that God's leadership can be judged by His Word, and we can know exactly when God is dealing. This is absolutely determinable, because the leadership of Elohim is strictly in the Light, for it does not offend the Holy Scriptures; because God is bound by His Word, which He magnifies above all His name, the Lord God Almighty being, as it is written in Isaiah Chapter 65, verse 16, ***"The God OF TRUTH."*** There is a revelation that every child of God bears, a revelation that we carry, and by which God leads us, which is the light of Jesus Christ, the revelation of Jesus Christ of the Holy Bible; for it does not come out of the blue: It comes strictly from the pages of God's Holy Bible. It means in essence, that the true light of Jesus Christ is absolutely Word based. And by divine revelation, we can see the Lord's patterns, the footprints of God. Brothers and sisters, every predestinated seed of God looks for the

footprints of God, because he recognises God's patterns; and precisely where God steps, there he also steps. When he does not see the footprints of God, he stands and waits, for he can do no other; this being a way we have never walked before, and as such, we know not the way! God alone knows the way, for He alone designed this way! Therefore, unless we follow God in His light, we are bound to fail, and we are bound to fall, for we will certainly go astray, because we cannot walk this way on our own! It is that plain! Brothers and sisters, there is no guesswork in spirituality, as God gives certainty to His elect children. It is on account of this truth that Brother Branham preached a message titled, *BEING CERTAIN OF GOD*. There is certainty God gives to all His seeds. This gives confidence to the children of God, because we know our Maker; we understand His ways, and we understand His patterns, and we can see His footprints. And when we look all around, and it looks like there is no divine footprint, we stay exactly where we are; for with the last pattern or footprint of God we will stay, until God

moves us on. It may take one year; it may take five years; and it may even take ten years; for us, time does not matter, except to be in the perfect will of God at ALL times. Therein lies our security and prosperity! We know that unless God shows us His pattern, that we may know which way to go, we can do absolutely nothing, for this is a way we have never walked before! We have to follow God, or we must fail. I plead with you this morning: Open your ears, and open your hearts, because the Spirit of the Lord is speaking to you. Open your hearts, and censor what I say this morning by the Holy Scriptures. If what I share today is not the Scriptures, then you have a good, solid, and compelling reason to reject it. But if I come to you by the Holy Scriptures, now tell me on what basis you will reject it. For if I come to you with Scripture, and you reject the Message of Truth, you are only wronging your soul. Do you know what the Scripture says in Proverbs Chapter 21? It says in verse 16: ***"The man that wandereth out of the way of understanding SHALL REMAIN IN THE CONGREGATION OF THE DEAD."*** The Bible

also says: *"Wisdom lifteth up her voice, she cries in the streets, saying, Come and follow me, you children of men. Let me show you the way of life, that you may have understanding and divine favour."* Wisdom ended her plea with a warning: ***"IF YOU WRONG ME, YOU WRONG YOUR OWN SOUL!"*** Proverbs Chapter 8 says so! So I beg you this morning, please, open your hearts, and judge me by the Scriptures. That is a fair challenge, because everything must be censored by ***"The Scripture of TRUTH"***. So, I am making a point, brothers and sisters: God has footprints, and every seed of God can see God's footprints, for his patterns are His footprints. And when you have a divine understanding of the ways of God, it brings joy, peace, and confidence into your heart, because you can locate God, knowing that God is unchangeably consistent, being perfect in all His ways. Therefore, knowing that God is perfect in all His ways, just look for His footprints; look for His patterns, and stay with it, and you will locate God, for our God is not dead. And when you walk in that revealed pattern, you cannot fall or fail. I show

you this morning the secret of life: **FOR THE SECRET OF LIFE IS TO STAY WITH THE DIVINELY REVEALED TRUTHS OF THE SCRIPTURES.** That is the secret of life! Amen.

Church, all the planets in our Entire Solar system revolve around this one Sun, and this confirms that the Sun is the main source of the light of this planet of ours, particularly because the stars are too far away to lighten our pathway in the dark, if the Sun fails to give its light. Brothers and sisters, it is God using the Sun as a type, a perfect type, and as followers of the message of William Branham, we know that the natural types the spiritual. For even the spiritual birth follows the natural birth, because whatever God will do in the spirit, He sets it first in the natural; which is why everything is governed by one law. For instance, the law of reproduction is one: The law of natural reproduction, is the same law which applies in spiritual reproduction, for every seed brings forth after its kind, whether it is natural seed or spiritual seed; because the whole world is controlled and ordered by only one divine law, for God is one. God is

not two, and God is definitely not three; but He is one, the Lord God Almighty. As such, there is absolute order, harmony, and consistency in God, IN ALL HIS WAYS, for He is a perfect God, with perfect ways. It is simply a question of whether you understand His ways or not. Period! The real question is: Do you understand His ways; His patterns? Can you see Him in His characterisation? Can you see His footprints? That is what is important! It is either you have a revelational understanding of the workings of God or not! The truth remains, nonetheless, that the natural types the spiritual, and is why the Sun sets a perfect type of the Son of God. And because the S-U-N of this world, is a type of the S-O-N of God, that is the reason, in the carriage of the Gospel of Jesus Christ our Saviour, God designed the route or the course of the Gospel, to follow the Movement of the Sun. And this typology is so perfect, the Sun is such a perfect representation of the S-O-N of the Almighty God, that in the prophecy of Prophet Malachi, God did not even change the title He used in referring to His Son; but He simply called

him, "***The SUN of righteousness***", for indeed, THE SUN IS A SIGN OF THE SON OF GOD! Who can deny or fight that? Consequently, as the Sun moves, so moves the Gospel of the Son of God, following the Sun in its precise course. Therefore, this morning, the Lord helping us, we want to trace the Movement of the Gospel, by tracing the Movement of the Sun, in order to find precisely where we are in prophetic time, within God's plan of salvation. Brothers and sisters, we are looking at the regional Movement of the Sun, its Movement through the earth, for that is the objective of this message! We want to determine precisely, the geographical location where the Gospel Sun (the Gospel Light) is, at this very junction of time, the exact location God is working from, in the Earth, the particular region of the Earth that He is moving from, where Jesus Christ the SON of God is being revealed. We can do this, because the course or the pathway of the Gospel Sun, follows precisely the path of the Natural Sun. Church, in the Book of Acts Chapter 1, which is one of our two main Bible texts for this

message, a text we saw earlier, the Bible says in verses 6-8: ***“When they therefore were come together, they asked of him, saying, Lord, wilt thou at this time restore again the kingdom to Israel? And he said unto them, It is not for you to know the times or the seasons, which the Father hath put in His own power. But ye shall receive power, after that the Holy Ghost is come upon you: and ye shall be witnesses unto me BOTH in Jerusalem, and in all Judaea, AND in Samaria, AND unto the uttermost part of the earth.”*** Hold it right there! Church, right here is the Middle East; (Brother Amos points to the chart), because right here you have the Nation of Israel, and Jerusalem is right there. Brothers and sisters, this is where you have Syria, Lebanon, Jordan, and all the Arabian countries, the Arabian Peninsula. (Brother Amos points to the chart). Iran is over there, and Iraq is also over there; but right here is where we have Israel, just right down here, this tiny piece of land in the Middle East. Now, back in that day, after his resurrection, Jesus instructed them specifically as to how the

Gospel Sun was to move, the precise path that it was to take. And the Gospel in its carriage, in its movement, had to start right there in the Middle East, and it was to start precisely IN the city of ***“Jerusalem”***, before moving into ***“ALL Judaea”***, which gives us the entire southern region, the geographical area of the two southern tribes of the Nation of Israel, called Judah and Benjamin. Following that, it was then to move to ***“Samaria”***, taking in the rest of the land of Israel, which gives us the geographical area of the ten northern tribes; AFTER which it could now go ***“unto the uttermost part of the earth”***, taking in the whole Gentile world, for the whole world is now covered in the last phase. Therefore, we have three phases into which the world was mapped out, for the carriage of the Gospel in its beginning: Jerusalem and Judaea, THEN Samaria, covering the whole Nation of Israel, and THEN the Gentile world. In true essence, speaking racially, we can also simply divide it into two main phases or two regions: Israel AND the entire Gentile world. The Gospel of Saint Luke Chapter 24, verse 47,

confirms this division, stating: ***“And that repentance and remission of sins should be preached in his name among ALL nations, BEGINNING AT JERUSALEM”***, (representing the whole of the Nation of Israel). And that is precisely how the Gospel moved in its carriage! And today, at this end of time, in considering the Movement of the Gospel Sun, the Gospel Light, we have an advantage. Do you know what the advantage is? We have the advantage of time, for we can look back, knowing exactly how the Gospel Sun has moved through time, in the earth; we certainly have the advantage of history. Therefore, this historical fact takes out all arguments, because we can all look back and see precisely how God moved around the nations of the earth, in establishing the Gospel Message, and these are facts that no one can question, except the totally ignorant. Church, we certainly have the hindsight (understanding) of history, one which is notorious, for it is generally known. That is the beauty of the time we are living in, for it is the advantage which the very

end of time gives us! But in the day when Jesus spoke these words, even the saints who heard this charted course, could not tell how the Gospel would move away from Samaria, and where it would go from Samaria, in the Gentile world. How many see my point? They heard the message, they heard the instructions, but they did not have the blueprint of how the Gospel Light would move to the uttermost part of the earth! That is the point! To begin with, the man who would carry the Gospel of Christ to the Gentiles, the man who would bear the Masterplan or the Blueprint of Gentile redemption, was still a fervent Pharisee in that day, for he did not yet have any clue that the Master was going to deal with him, and turn his life around, in order to enable him to carry the Gospel of Life. This had to be the case, because men have always been God's vehicle for the carriage or Movement of the Gospel, and Romans Chapter 10, verses 13-15 confirms that! As a matter of fact, in that day, the day Jesus Christ gave the instructions concerning the direction of the Gospel, the persecution of the Christians by Saul of

Tarsus had not yet arisen, let alone his conversion! Yet, the Master declared: Let the Gospel Movement start in Jerusalem, and then let it flow into Judea in the south, and then let it spread to cover Samaria in the north, thereby covering the whole of the land of Israel, before it goes to the other parts of the world, giving us the Gentile world. Consequently, brothers and sisters, when we consider the starting point of the Gospel Sun, one thing is certain, and that is this: The Middle East is precisely where everything started, because Jerusalem, Judaea, and Samaria, which gives us the whole Nation of Israel, is right there in the Middle East. And Church, when we consider the light of the natural Sun, when we consider the Movement of the Sun, we all know that the Sun breaks forth in the morning in the East. (Brother Amos points to the chart). The Sun starts or rises in the East in the morning, for that is the region where it has its beginning. I ask, brothers and sisters, where exactly did the Gospel Light also start? It started right there in the Middle East, for that is where the S-O-N Light of God broke out: The Gospel

Sun broke out in the East, giving us the dawning of the Light of the Son of God!

Look at Acts Chapter 2, for it tells us exactly when the Church was born, beginning from verse 1: ***“And when the DAY OF PENTECOST was fully come, they were all with one accord in one place. And suddenly there came a sound FROM HEAVEN as of a rushing mighty wind, and it filled all the house where they were sitting. And there appeared unto them CLOVEN TONGUES LIKE AS OF FIRE, and it sat upon each of them. And they were all filled with the Holy Ghost, and began to speak with other tongues, as the Spirit gave them utterance.”*** The Holy Ghost ***“Fire”*** of the S-O-N of God broke out! Church, right here on the Day of Pentecost, was when the Fire of the Holy Ghost fell, for in that day, the Fire of the SON of God broke forth directly from heaven, and the Spirit of Eternal Life was given! This supernatural move of the Spirit of the resurrected Christ, the Outpouring of the Holy Spirit, was what produced the birth of the Church, and this event took place

precisely on Sunday, the first day of the week! Are you listening to me? The Day of Pentecost was when there was a supernatural SUN burst, and the Spirit of Life was given! Saints, it was also on a Sunday, the very first day of the Week, when Jesus Christ also rose from the dead, fifty days to the Day of Pentecost! Therefore, brothers and sisters, the Day of Pentecost speaks of a New Day, and of a New Beginning. It was the rising of the SON of God into the lives of God's elect children, filling them with the Spirit! This was when the SON of God, **"the Day Star"**, broke forth into the hearts of God's elect seeds, giving them a divine encounter, a divine experience, one which changed their lives for good! As I said earlier, Jesus Christ the SON of God also rose on Sunday, and it happened precisely at THE RISING OF THE SUN! At the rising of the SUN, was when the SON of God broke out from prison, breaking the shackles of death, hell, and the grave! Saint Mark Chapter 16, records from verse 1: **"And when the sabbath was past"**, (referring to Saturday), **"Mary Magdalene, and Mary the**

mother of James, and Salome, had bought sweet spices, that they might come and anoint him", (on that blessed Sunday morning). Note verse 2: ***"And very early in the morning the first day of the Week, they came unto the sepulchre AT THE RISING OF THE SUN."*** (Did you hear that? It was at the rising of the SUN, that they came to view and prepare the body of the SON of God)! Now pay attention to verses 3-6: ***"And they said among themselves, Who shall roll us away the stone from the door of the sepulchre? And when they looked, they saw that the stone was rolled away"*** (already): ***"for it was very great. And entering into the sepulchre, they saw a young man sitting on the right side, clothed in a long white garment; and they were affrighted"***, (for he was an angel). ***"And he saith unto them, Be not affrighted: Ye seek Jesus of Nazareth, which was crucified: HE IS RISEN"***, (right there at the time of the rising of the SUN); ***"he is not here: behold the place where they laid him."*** Saints, Jesus Christ was risen, RIGHT AT THE HOUR OF THE RISING OF

THE SUN! Even the time the sisters got to the grave, was early in the morning, ***"at the rising of the SUN"***, and Jesus had already risen! Consequently, we should all see that it was precisely at the rising of the S-U-N light of the earth, that the S-O-N light of God also arose! For just as the SUN of the earth arose, so likewise did the SON of God arise! Furthermore, I want you to also realise, that it was also at the rising of the SUN, that the Spirit of the SON of God also broke out on the Day of Pentecost, in the lives of God's children, giving us a New Day, a very New Beginning! That is why as the Gentile Bride of Christ, we honour the resurrection, by worshipping on Sunday, because it was on a Sunday that Jesus rose, and broke the hold of the grave, of death, and of hell. The hold of death, the hold of hell, and the hold of the grave, was totally broken, and that was on a Sunday, the first day of the Week, for he rose triumphant on that day, at the rising of the SUN! It was also the same day that the Spirit of Life came, giving birth to the Church, and as such, Sunday speaks of a New Beginning, the dawn of a New Day, the breaking forth

of the S-O-N of the Almighty God! Therefore, brothers and sisters, when you look at it closely, with the eyes of the Spirit of God, we should all be able to see, that right there in the East, right there in the Middle East, the Sonlight of the Almighty God broke out on the Day of Pentecost, just as the Sun was also coming up, for it was also precisely at the rising of the SUN! On that blessed Sunday morning, just as the S-U-N was rising in the Eastern sky, the S-O-N of God also broke out from heaven, filling the souls of God's elect children with the power of Eternal Life, right there in the Middle East. Halleluiah! And scoffers immediately began to say, "*These people are drunk.*" Look at Acts Chapter 2, for Apostle Peter got up in rebuttal, declaring from verse 15: "***For these are not drunken, as ye suppose, SEEING IT IS BUT THE THIRD HOUR OF THE DAY. But this is that which was spoken by the prophet Joel; And it shall come to pass in the last days, saith God, I will pour out of my Spirit upon all flesh: and your sons and your daughters shall prophesy, and your young men shall see***

visions, and your old men shall dream dreams: And on my servants and on my handmaidens I will pour out in those days of my Spirit; and they shall prophesy." Brothers and sisters, it was in the morning when this divine encounter took place, for it was at the rising of the SUN! What was going on is that, as the S-U-N of God was breaking forth from heaven, the S-O-N of God was also breaking forth from heaven. You are not hearing me. Oh, my! I said, as the S-U-N of the planet broke out on that glorious morning from heaven, the S-O-N of God also broke out from heaven, because the Sun is a type, a perfect type of the SON of God, for the natural light of the world types the spiritual light of the world, which is Jesus Christ. And before you argue against that, I will simply remind you that the Pentecost experience happened, as it is written, at about "***the third hour OF THE DAY***", and not at the "*third watch*" of the evening, and neither was it at the "*third hour of the evening*"; but it was at about the third hour of the day, and the third hour of the day gives us precisely 8am-9am in the morning, a time when the Sun had just

stepped out like a new born baby! Halleluiah! I say this, firstly because the Sun rises in the morning from around 6:45am. Secondly, we must all realise, that the outpouring of the Spirit had already taken place, before the third hour of the day actually struck. I say that simply because it takes some time for that supernatural display, to generate enough attraction from the masses who were passing by, creating the spiritual commotion which saw three thousand souls being added to the Lord on that very day; and all that development, was what actually brought time to "***the third hour of the day***", for it gives us the precise hour of time when Apostle Peter addressed the crowd! The third hour of the day was precisely when Saint Peter addressed the crowd; but the outpouring and the commotion it caused, had gone on before the third hour had struck, and when Peter now gave his inaugural sermon! You should be able to see that! Church, thirdly, and most importantly, the hours of the day are divided from 6am to 6pm, giving us a total of twelve hours. The first hour gives us 6am to 7am; the second hour gives us 7am

to 8am; and the third hour gives us 8am to 9am, right up till we come to the twelfth hour, which gives us 5pm to 6pm. The other twelve hours, or the next twelve hours after that, which makes up the twenty-four hours in one day, gives us the evening hours, which are divided in the same way, for they are hourly, starting from 6pm to 6am. Consequently, we have to see that the Holy Spirit fell at the rising of the SUN, for that was when the Spirit of Christ was released upon the saints, and when the Church was born; and all that happened right there in the East, the Middle East! Right there in the Middle East was where the natural SUN light broke out, and it was followed by the supernatural Light of the SON of God, which also broke out from heaven into the upper room. And now begins the journey of the Gospel Light, in relation to the Sun Light, and hence our message: *THE SUN AND THE GOSPEL MOVEMENT*. Please come with me, and open your hearts, for we are on holy ground.

Right there in the Middle East, is where the Gospel Light of the Son of God started, for that is where it

broke forth on the Day of Pentecost. We all know that the Sun rises in the East in the morning, and sets in the West in the evening; it rises in the East in the morning, and sets in the West in the evening time. There we have the rising Sun, as well as the setting Sun. (Brother Amos points to the chart). And when the Sun sets, it slips behind the horizon, and darkness takes over the earth; but the following morning, it rises again in the East, speaking of another day, for a new day dawns. According to the instructions of Jesus Christ, and in fulfilment of the instruction of Jesus Christ, the Gospel Sun broke out in the Middle East on the Day of Pentecost, right there in Jerusalem, and it broke out, precisely at the rising of the Sun, for here is where it all started. I am showing you the beginning point of the Movement of the Gospel, for here in Jerusalem, the Gospel Light was set in motion. And when it was set in motion, precisely at the rising of the Sun, it started right here in Jerusalem, the city in which God put His name, and the city that will be the capital city of this planet in the Millennium; and then it moved into Judaea, covering the

southern part of Israel, before it now moved to Samaria, covering the northern part of the Nation of Israel. Do not forget, Church, that the Nation of Israel was broken into two, Judah and Israel, from the days of Rehoboam, the son of Solomon, and that the capital of Judah was Jerusalem, whilst the capital of Israel was Samaria. The Master's course projection recorded in Acts Chapter 1, lets us realise that the Gospel had to start precisely in the land of Israel, covering the entire land of Israel, which gives us Judah and Samaria, before it moved out of Israel, on its journey to the various nations of the world, going around the globe, lighting up the Entire Gentile world with its light. And as it moved out of the Nation of Israel, because Israel is located geographically in the Middle East, therefore, the Gospel Light had to first shine upon the region surrounding Israel, which gives us the Middle East region, for that was where the S-O-N Light of God was in that day, at the beginning of its journey, following the course of the Sun, ever before it moved out of the Middle East, travelling West. The breaking forth of

the Gospel Light of the SON of God, was what we see expressed at the outpouring of the Spirit of God which took place on the Day of Pentecost, under the ministry of the apostles, right there in the Middle East, where it all started. It was no longer the Law Era, but it was now the Dispensation of Grace. However, and just as I also said earlier, in that day, although they knew that the Gospel light would breakout from Jerusalem and Judaea, then to Samaria, before it goes to the uttermost part of the earth, thereby affecting the Gentile world, nobody knew precisely how that Gospel Sun would move into the Gentile world, and how it would also move around the Gentile world; none of them had a clue to that! But today, however, we have an advantage, for we can look back to see precisely how the Gospel moved, because we have the record of the Word of God, and of Church History, to that effect. Therefore, we can most certainly trace the Movement of the Gospel Sun, because we can look back through time, using the record of the written Word, and of Church History. The Gospel Light of the Son of God was ignited

on the Day of Pentecost, and the Gospel revival started in Jerusalem, for the New Day dawned, precisely at the rising of the Sun. And when the Church was born, the Gospel Light began to shine marvellously, for it shone with great power and majesty, for it was the rising of the spiritual SUN of God. The glory of the resurrected Son of God was revealed in Jerusalem, as the apostles began to carry the light, and the Lord began to move in wonderful ways, performing great miracles, signs and wonders, thereby confirming the Gospel of His Son, for things began to happen in the open miraculous. Brothers and sisters, with Jerusalem and Judaea ignited, Christ then led Philip, that mighty evangelist of the original order, to Samaria. He carried the Gospel Light there, and turned the city upside down, and inside out, as the Gospel Sun broke forth in Samaria, until even a sorcerer, Simon the sorcerer, came and received water baptism. Then seeing the anointing fall under the ministry of the apostles, he foolishly thought he could make money out of the move of God, for he was simply

mesmerized by the power of God that the original ministry carried! The main issue is this: Revival broke out in Samaria, even as Jesus had instructed, and with this fulfilled, the whole land of Israel had been affected by the Light of the risen Son of God, right there in the Middle East. This having been accomplished, the Gospel Sun was now destined to move into **“the uttermost part of the earth”**, but beginning with the surrounding regions making up the Middle East, for it was in that very region of the earth that the Sun broke out. The Gospel Light shone on Syria, for from Damascus to Antioch, the light of the Gospel burned seriously, and Antioch became the first Christian outpost. The spread of the Light of the Son of God was so great in Syria, that it invoked the wrath of a young and very zealous Pharisee, Saul of Tarsus, who then went to Jerusalem, seeking authority from the Jewish Sanhedrin Council in Jerusalem, to bind the believers, the people following **“The Way which they call HERESY”**, and bring them in chains to Jerusalem, that they may be thrown in prison. The

Gospel Light was burning all over the Middle East, but the Gentiles were ordained to receive the Gospel in pre-eminence. For this purpose, the Lord first led Apostle Peter to the household of Cornelius in Caesarea, as recorded in Acts Chapter 10, in order to use his key to open the door of eternal life to the Gentiles. And with the persecution of the Christians, following the stoning to death of Stephen, the Jewish saints scattered abroad, going all over Lebanon, Syria, and Arabia etc., for in that day, the whole of Arabia was torched by the light of the SON of God! Do not forget that when the Gospel Sun broke out in that First Age of Christendom, Apostle Thomas went all the way to India? Church History lets us know that Saint Thomas was beheaded in India, for he went all the way there in that First Century of time, where he was martyred. But Church, please note that the details of the Moving of the Gospel from nation to nation is not our focus, and it is not even necessary for this message either. What is important to know, is that as the Sun broke out in the East in the morning, the Gospel Sun, which is the True Light of

the Son of God, also broke out in the East in that day, right there in the Middle East, and it started moving West, after having covered the Middle East. It is its regional coverage around the world that we really want to focus upon in the main, for that is the main thrust of this message. We must also not forget, that the Sun in its Movement does not rush as it moves on its course, but it takes time to positively impact the various regions of the world, where its light reaches, in its current and progressive stage of rotation, as it slowly moves to the West, on its journey back to the East. This simply means that the Sun does not shine on the entire earth, ALL at the same time, but it only shines on regions at a time, in its progressive rotational course; and so likewise is it with the Light of the Gospel. For like the SUN, the Gospel Light of the SON of God is not disseminated from every region of the earth ALL at the same time, but God works from a certain or a specific region or area of the world at a time, and from this very region or area, the Gospel Light is disseminated to all the other parts of the globe, thereby affecting the entire

globe. Hence, when God started working in the Middle East, at the rising of the Gospel Light of the SON of God, from the Middle East, the Gospel Light was disseminated to the world; and as the SUN moved Westward, the Gospel also moved Westward. In order to move the Gospel Sun from the Middle East to the West, God anointed a man called Saul of Tarsus, changed his name to Paul, and gave him the Blueprint of Gentile redemption, as ***“THE APOSTLE of the Gentiles”***. He carried the Light to the upper coast of Ephesus, as recorded in Acts Chapter 19, and from Ephesus, the whole of Asia Minor (modern day Turkey), was set on fire with the Gospel Light, just as verse 10 confirms: ***“And this continued by the space of two years; so that ALL they which dwelt in Asia heard the Word of the Lord Jesus, both Jews and Greeks.”*** Furthermore, it is written in verse 20: ***“So mightily grew the Word of God AND PREVAILED”!*** The Gospel Sun had now come to the Gentiles, and it is an indisputable fact, that the Gospel Light of the Son of God was now moving West, following the

Movement of the Sun, bringing us to the gateway into Europe, which is Asia Minor, Turkey, from there it went into Cyprus, Greece, Macedonia, etc. The whole of Turkey was Christianized in that First Age of Christendom. And as the Gospel Sun was moving, the Lord was working mightily with **“special miracles”**, great signs and wonders, through Saint Paul's ministry, confirming the Truth. Remember what the Book of James says concerning the burning power of the risen Sun, in Chapter 1, verse 11: **“For the SUN is no sooner risen with A BURNING HEAT, but it withereth the grass, and the flower thereof falleth, and the grace of the fashion of it perisheth”**, because of the intensity of the Sun's outburst! And indeed, the Gospel outbreak came with enormous power, and with the open demonstration of the Spirit, shining brilliantly in the Gentile world, and this was just the beginning of God's dealing with the Gentiles, as God now began to slowly shut out Israel. On the full authority of 1 Corinthians Chapter 3, verses 10-11, Apostle Paul laid out the absolute, infallible, and unchanging

“Foundation” of the Truths of Jesus Christ, that the faith of the Gentiles will be established upon, as **“a wise masterbuilder”**, the Chief Apostle of the Gentiles, the man to whom Jesus Christ had committed the Blueprint of universal salvation. This made him, as it is written in Acts Chapter 13, verse 47, **“A LIGHT OF THE GENTILES, that thou”** (Saint Paul), **“shouldest be for salvation unto the ends of the earth”**, which is to the end of the ages. This is so, because His message constitutes the Absolute Standard of the True Message of the SON of God, for ALL Ages, including this Last Church Age! He was the Star Messenger to the First Church Age, the Ephesian Church Age, the Age that set the Standard which this Age must and will conform to. However, in 66 AD., he passed away, the Gospel having been firmly planted in the Gentile world.

Shortly before Saint Paul passed away in 66 AD., the Spirit of the Lord had moved Saint John, the beloved disciple, to relocate to Ephesus, and he was already based in Ephesus, when Apostle Paul passed away. And

with his death, the Baton or the Torch of the Truth of the Gospel Sun, passed into the hands of Apostle John, and he became the successor Standard bearer, the Lead Apostle, and the **“Candlestick”** of the SON of God in that day, in that First Age of Christendom. I make that declaration on the full authority of the Word of God, Revelation Chapter 1, verse 1, and Revelation Chapter 2, verse 5, to be exact! This is absolutely so, because although the Lord God has a great array of men preaching the Gospel of His Son, nevertheless, He always has a principal vessel that He uses to carry the Standard of Truth, AS A LEAD MINISTRY, and by whose revelational light, the Gospel of the SON of God is moved forward. For we must still ask: Just how does the Gospel Light move forward, in order to move the Church forward? We are talking about Fresh Truths of the Master; Christ's Fresh **“Manna”**, which gives us God's progressive Light; Continuity revelation. Exactly! IF THE GOSPEL SUN IS TO MOVE FORWARD, THE LORD HAS TO HAVE A CHOSEN VESSEL OF CLAY, A TRUE WITNESS, ONE

BEARING GOD'S TRUE LIGHT! Brothers and sisters, this is a crucial and most fundamental issue which Gentile Christendom do not consider, simply because they have no clue to anything; which is why they do not see these things, and neither do they consider them. They only see their pet quotes, the Scriptures that appeal to them, such as John 3:16, and John 5:24, the fact that you need to believe in Jesus Christ in order to be saved, for that is all they see, even though it is very true. They do not realise that there is much more to following Jesus Christ, than simply believing in a number of saving Scriptures: For the Lord has a revealed Plan of Salvation, a divine Blueprint of Universal Redemption! Church, they just cannot *SEE THE BIGGER PICTURE!* They have no clue to all the logistics of God's dealing, of God's moves, and of exactly how God works in the earth, for such issues have no meaning or application to them, as far as their very limited understanding goes! The truth remains, brothers and sisters, that we cannot speak about **THE SUN AND THE GOSPEL**

MOVEMENT, without speaking of the divine logistics of how that is accomplished by God! Come on! HOW DOES THE GOSPEL MOVE, FOLLOWING THE COURSE OF THE SUN? How does it go from one region to another region on the earth? You have to see God using key men, principal vessels of clay, to accomplish this! So, just remember, when Apostle Paul passed away in 66 AD., the Baton of Truth, or the Plumb-line of Truth, was not laid on the shelf for every man to do his own thing; but this Blueprint was committed to the hands of Apostle John, the disciple "*whom Jesus loved*". And that was why in 96 AD., Jesus Christ sent his angel to Saint John, to give him his prophetic revelation, for and on behalf of all other servants of the Lord, and Saint John carried that prophetic Light of Jesus Christ, for the entire body of ministry. May I add, that that prophetic light was as absolutely Fresh, and extremely Rich, as Rich as Rich can be, for it was simply Super! That is why the Book of Revelation opens up declaring in Chapter 1, verse 1: "**THE REVELATION OF JESUS CHRIST, which God gave**

unto him, to shew unto his servants things which must shortly come to pass; and he sent and signified it by his angel UNTO HIS SERVANT JOHN", so that through John, all the other servants of Jesus Christ can hear it, and in turn, lay it before the elect children of God. Church, regardless of what any man thinks or says to the contrary, this Scripture solidly confirms the fact, that Jesus had a Lead Ministry on ground in that day, and the Lord was dealing revelatorily with the body of ministry, moving them forward in the Light, through the ministry of one man, APOSTLE JOHN. No, they were not each receiving their personal revelations, even though it took a personal revelation of God upon their lives, for them to see the extremely deep and complex prophetic truths that John bore in that day, for the entire body of ministry; they were carrying the same Light John received from the Master! Now fight that! This also lets you see that John also possessed the Complete Light that Apostle Paul carried in his day, for the Gentile Bride, and he carried that Light ON with apostolic fervour and alertness, for he added

more Light to it, thereby moving the Church forward, in the Light of the SON of God, in that day. Absolutely! That is why in John Chapter 9, verse 5, Jesus declared: ***“As long as I am in the world, I AM THE LIGHT OF THE WORLD.”*** Then in Matthew Chapter 5, knowing that he would be crucified, leaving the Gospel Light for the apostles to carry, Jesus now declared concerning the apostles in verse 14: ***“YE ARE THE LIGHT OF THE WORLD...”*** Apostle Paul carried that Light for the Gentiles, and when he passed away, the Baton or the Torch of Truth, passed to John the beloved apostle, making him the present tense ***“Candlestick”*** expressed by Jesus Christ in 96 AD., for the Gentile Bride, as recorded in Revelation Chapter 2, verse 5, for he was the Lead Ministry of Jesus Christ in that day, in the Ephesian Age! However, before Saint John passed away, he had a disciple by the name of Polycarp, and it is all there in Church History, for the book of *The Ante-Nicene Fathers*, gives it to us. Apostle John was the one who ordained Polycarp as the bishop of Smyrna, and Polycarp was the bishop

(pastor) who received the prophetic letter Jesus Christ wrote in 96 AD., to the Church in Smyrna, a town located in Modern day Turkey, old Asia Minor, and that was precisely where all the Seven Churches Jesus addressed in 96 AD., were all established. The Gospel was on its way to the West, following the course of the Sun, and therefore, the Baton was going to change hands. In the carriage of the Gospel Sun, the Gospel Light, the Baton of Truth was going to pass from the Jews, who are of the Shemitic race, and who gave the world the Holy Bible, into the hands of the Europeans, who are of the Japhetic race. Consequently, the Lord anointed Saint Irenaeus, a man born of Greek parents based in Smyrna, in Asia Minor, and who was himself a disciple of Saint Polycarp of Smyrna. Later in life, Irenaeus moved to Lyon, Southern France, and he became the second bishop of Lyon. This disciple of Polycarp was anointed by the Lord Jesus Christ, and he received the Baton of Truth, becoming the Star Messenger to the Second Church Age, carrying the Standard for the Smyrnaean Church Age. From the hands of

Irenaeus, the Baton of the Gospel of Jesus Christ passed into the hands of Saint Martin, another European born in Hungary, the Star Messenger to the Third Church Age, the Pergamean Church Age. From Saint Martin, the Baton passed into the hands of Saint Columba of Ireland, but who was based in Scotland, and he became the Star Messenger to the Fourth Church Age, the Thyatirean Church Age. The Baton of Truth later passed from him to Martin Luther of Germany, the father of the Reformation, and he became the Star Messenger to the Fifth Church Age, carrying the Standard of Truth for the Sardisean Church Age. Brothers and sisters, the Gospel Light of the SON of God was shining mightily from Western Europe. Now from Germany, and with the Reformation fire burning all over Europe, the Baton of the Gospel crossed the North Sea into Great Britain, which is the United Kingdom, and God anointed John Wesley of England, and he became the Star Messenger to the Sixth Church Age, the Philadelphian Church Age. May I add, that with the Gospel Sun

shining in the region of the West, from West Europe, missionaries were sent all over the globe.

Church, no one can dispute the fact that the Lord was working directly from West Europe, for the Gospel Light was planted right there in the West; the Gospel of the Son of God was affecting the world directly from West Europe, for the White race, the Europeans, carried the Light for the whole world. Brothers and sisters, Britain, France, Spain, Portugal, and the Dutch, all covered Africa, just as they also went to the Far East, in their bid to establish a colonial empire. And as they came for colonial conquest, and also for raw materials, saints, the good thing is that they also came with the Gospel, as missionaries followed them, although these missionaries came with their watered down version of the Gospel. But thank God for that watered down version! I say that because it had some elements of truth to it, which God used to make a start with us, delivering us from idolatry, and turning us to Jehovah God, the only true living God, through the saving knowledge of Jesus Christ

His Son. That is what the Lord used to bring us out of spiritual darkness, worshipping all sorts of devils! Praise God! Saints, please note that the Gospel Sun, which is the Light of the SON of God, stayed a very long time in that region of the earth, and I am speaking of Europe, enabling the West to positively impact the whole world with the Gospel Message. And we all know that the SUN stays longer in certain regions of the world than in others, giving them longer days than nights. That is a fact! The truth is, once the Sun breaks out in the East in the morning, it is making a slow journey to the West; because the Sun that breaks out in the East in the morning, sets in the West in the evening. That is the truth, and it is a notorious fact, that is, it is a fact which everybody knows, and hence, it needs no proving! The Sun rises in the East in the morning, every morning, and sets in the West in the evening, every evening. That is what we have tried to project on our chart, because wherever you are located or based in the earth, it is on your Eastern side that the Sun rises in the morning time, and it is on your Western

side that it sets in the evening time. Is that right? Absolutely! Wherever you are located or positioned on this earth, the Sun always breaks in the East, and sets in the West, for it is the same around the globe, because we are dealing with a global issue, just as the Gospel of Christ is a global issue, for God promised Abraham in Genesis Chapter 12, verse 3: ***“And I will bless them that bless thee, and curse him that curseth thee: A N D I N T H E E”*** (ABRAHAM), ***“SHALL ALL FAMILIES OF THE EARTH BE BLESSED.”*** And when Apostle Paul applied this blessing to redemption, in the Book of Galatians Chapter 3, verses 13-14, you cannot take it anywhere else, for that divine interpretation, that divine revelation of Genesis Chapter 12, verse 3, holds inviolate! This is a global issue, which is why no region or race can personalise the Gospel, and it is also most certain that no region or race has monopoly over the Gospel of Life, no more than any region or race can lay claim or monopoly over the Sun and its movement, for no region or race can! Come on! That is why Apostle Paul declared plainly and

categorically in Romans Chapter 3, verses 29-30: **“IS HE THE GOD OF THE JEWS ONLY? IS HE NOT ALSO OF THE GENTILES? YES, OF THE GENTILES ALSO: Seeing it is one God, which shall justify the circumcision by faith”,** (who are the Jews), **“and uncircumcision through faith”,** (who are the Gentiles, made up of the various races of the world, and which gives us in the main, the Hamitic and the Japhetic races: Blacks and Whites)! Halleluiah! The indisputable and notorious fact remains, that the Sun rises in the East in the morning, and sets in the West in the evening, and this course is irreversible, because the Earth rotates or spins on its axis towards the East, and so, it will always move Westward, in its constant and unending rotation back to the East. We are making a point, a serious point, for we are saying that the Movement of the Gospel Light, follows the Movement of the Sunlight, and we want to trace the journey or the course which the Light of the Son of God took, the Great Gospel Sun that broke out on the Day of Pentecost in the East, as it made its way around the

globe. It is this Gospel course (pathway) that we want to trace, the Lord being our helper. For as the Natural Sun makes its course around the earth, so does the Gospel Sun follow suit, following the course of the Natural Sun. And at the breaking of the Light of the Son of God, on the Day of Pentecost, the whole of Israel, North Africa, Lebanon, Syria, Arabia, and Turkey, was Christianised in that day, because the Gospel moved with power, for it was borne by a New Anointing. That is why I said, when it broke in the East, that light shone all the way to India. That is why in the First Age of Christendom, one of the early apostles was in India. How many see the point? Because that was at its breaking, for the breaking of the Gospel SUN in the East, took this message all the way to India. That was how far this Gospel moved at the breaking of the S-O-N Light of the Almighty God! Brothers and sisters, once it broke out in the East, how does it move? The Sun moves in a precise, constant, and consistent course to the West, a movement that is perfectly ordered. The Sun has its course, and it is precise, constant, and

continuous, because it is ordered. So once the S-O-N Light of God, the Gospel Sun of the resurrected Christ, broke out in power from glory on the Day of Pentecost, giving eternal life to God's people, just as the Sun breaks out in the natural in the morning, the journey of the S-O-N Light of God in this earth, synchronized with the journey of the S-U-N light of this world, and the S-O-N Light began to follow the course of the S-U-N light. And as we have shown, after having covered the land of Israel, the whole of Syria, Lebanon, North Africa, moving into Arabia, and Turkey, going all the way to India, for the Gospel Sun shone gloriously around the world, directly from the Middle East, then it started moving West. And in our consideration of the vessels God used to carry this Gospel light, vessels of clay responsible for the Movement of the Gospel Sun, we left out the Minor Messengers like John Calvin, and John Knox, only because we do not need these details in order to trace the course which the Gospel Sun took. We simply zeroed in on the Star Messengers, from Saint Irenaeus, the second Star,

the man who was the Star Messenger to the Second Church Age, to John Wesley of England, who was the Sixth Star, the Star Messenger to the Sixth Church Age, all who were Europeans. This proves undoubtedly, that the Gospel Sun, the Light of the SON of God, was now directly in the region of West Europe. Brothers and sisters, the Gospel Sun had moved out of the Middle East, and it was now firmly in the West. And as I stated earlier, Directly from this region of the earth, Western Europe, the Gospel Light was disseminated around the world. I repeat: Jesus Christ the Son of God, working by his Spirit from West Europe, evangelised the whole world, for many Centuries of time. Missionaries upon missionaries were sent directly from West Europe, to the Jungles of Africa and Asia, for a period of time which gives us precisely five long Church Ages, beginning from the Second Church Age, right up to the Sixth Church Age! That is a notorious fact! No one can deny that from Europe, the Gospel Light shone around the world for many Centuries of time, so much so, that the Gospel became

identified as ***"The White man's religion"***, when it is absolutely not; because the Gospel came from the Jews in Israel, and is the Gospel of the SON of God, the God of ALL Creation! In Genesis Chapter 12, verse 3B, God promised Abraham universal salvation, because the blessing of ***"ALL families of the earth"*** that was promised, is redemptive! And as such, the Gospel is not about the Jews, even though ***"salvation is of the Jews"***, meaning that its message comes from them, because it starts with them, and neither is it about the White race; but it is strictly about the salvation of elect seeds of God, from the various nations of the earth! However, in accomplishing this universal plan of redemption, the fact remains that the Gospel Sun follows the course of the Movement of the Sun. Period!

And when we consider the great length of time the Gospel stayed in Europe, for West Europe was God's base for the evangelising of the world for many Centuries of time, it shows that the racial carriage of the Word of Life, the Word of God, was not one that

was established overnight, for it took time. Do not forget that the Jews, who are Shemites, gave the world the only two true religions, Judaism and Christianity, and that they also gave the world the Entire Bible, both Old and New Testaments, for no Gentile wrote a verse of Scripture: They were all written by the Jews, the Shemites! And only after the New Testament, the Gospel of Life, had been fully written, and the world had been greatly and positively affected by the Gospel Sun that broke forth in the Middle East, in the First Age of Christendom, at the dawning of Christianity, did the Gospel Baton change hands; for it was now handed over by the Jews to the Europeans, the White race, who are from the lineage of Japheth, God having dealt with the Jews for many Centuries of time. And likewise, for five long Church Ages, the Gospel Baton remained in the hands of the White race, and specifically, the West Europeans, and from West Europe, the Gospel Light was disseminated to the whole world, the Lord working directly from Western Europe. Who can deny these things, for they

are undeniable facts! So, here we are in West Europe, at the extreme end of the old world, the world as it was before America was discovered by Christopher Columbus in 1492, just before the outbreak of the Reformation in Germany in 1517, in the days of Martin Luther, the Star Messenger to the Fifth Church Age. So, coming to the Sixth Church Age, the Baton of the Gospel Sun passed over the North Sea into the United Kingdom, which is still in the West of the old world, and John Wesley was anointed, and he received the Baton of the Gospel of Christ, as the Star Messenger to the Sixth Church Age, the Philadelphian Church Age. The Gospel Sun was still in West Europe, but now, it had moved to the extreme part of Western Europe. Church, the United Kingdom takes in Ireland, England, Wales, and Scotland, for together they give us the United Kingdom or Great Britain. So here we are in the United Kingdom, where the Gospel light had shone for decades of time, the Lord adding more light to the truths the Reformation fire ignited. And although the Movement of the SUN to

the West continues, but brothers and sisters, further West now lies the continent of America, which is separated from Europe by over four thousand miles of the Atlantic Ocean. America therefore brings us to the very end of the West, and since the Natural SUN continues on its Westward journey, on its way back to the East, the Gospel SUN also followed the same trail, bringing us to America. Halleluia! Are you listening to me? So, brothers and sisters, the Gospel Light of the SON of God, that had travelled from the East, here, and covered all these areas, these regions, as far away as India, had now come to this point, right here in the United States of America. (Brother Amos points to the chart). This lets us see that the journey of the Gospel Sun has been slow, taking many Centuries of time, but it has slowly moved on, nonetheless. And Church, may I remind you that once that Gospel Sun moved out of the Middle East, it never returned, because the Natural Sun does not go back on its course. That is one fundamental truth you must understand about the Movement of the Sun: It does not go back on itself, or on its course! In other

words, it does not move in reverse, but only ever forward, on its journey back to the East. It certainly never backtracks, because it has a precise and continuous course, and there is absolute consistency in its movement, for it is predictable in its onward journey; as it just never backtracks! It never goes back on itself, as it is in a constant and continuous forward motion on its way to the West, where it sets, and from where it goes back to the East, for another Sunrise. And until it reaches the extreme end of the West, the very end of the West, the Sun just keeps moving West. Brothers and sisters, when you leave the East, and you come to the very end of the West, there is nowhere else to go; you are certainly coming back to the East, for you will have made a full circle, and this gives you a new beginning, a new day, for you will then start your journey all over again. It is just like the Sun, when it has gone full circle, having passed the West, it resurrects in the East the next morning, showing that it is the breaking of a New Day, a New Beginning, thereby setting a perfect type of Life, Death, and

Resurrection. Yes! Brothers and sisters, so here we are right here, in the United States. (Brother Amos points to the chart). For just as the Natural Sun crosses the Atlantic Ocean moving West, so too did the Gospel Sun move across the Atlantic Ocean to the continent of America. In fact, it moved extreme West, for in 1906, brothers and sisters, God took the Gospel Light that had been burning in Europe for many Centuries of time, and brought it straight to Azusa Street, California, and the Fire of the Pentecostal Movement was ignited, wherein God restored the Gifts of the Holy Spirit, the Lord concluding the Reformation Movement. I say that because the Pentecostal Movement is an extension of the Reformation, for it was God still restoring what was lost. And through that Movement, the Doctrines of the Oneness of God, as well as Water Baptism by immersion in the name of the Lord Jesus Christ, were also restored. God was now moving in the earth directly from the United States of America, just as He had moved in the earth, directly from West Europe, and as He had also moved in the earth, directly from

the Middle East, at the breaking of the Gentile Dispensation of Grace; the Gospel Age! The Oil Message of the Gospel of God began spreading around the nations of the earth, directly from the Continent of America, creating a great attraction to the United States, the Lord using William Seymour, a black man, an African-American, to spearhead that Movement. May I add, and please pay close attention, that that Move, of God using a black man to carry the Gospel Light, as a Minor Messenger to this Last Age, the Laodicean Age, was an indicator sign, showing undoubtedly that the racial carriage of the Gospel Light was going to change. And on account of this fundamental truth, on account of the fact that the ministry of William Seymour is a divine indicator move, is why we have zeroed in on his ministry, even though he was a Minor Messenger. Brothers and sisters, as the Natural SUN shines all over the United States of America at the evening time, so also, the Light of the SON of God began to shine all over that country, and it flooded the soul of William Branham, an

American, of the race of Japheth. Saints, the Lord picked William Branham, right there in the United States, and anointed him as the Seventh Star. He carried the Baton of the Gospel Message in its purity, free from creeds and dogma, for the Bride of Christ universal, as the Star Messenger to the Seventh and Final Church Age, the Laodicean Church Age. It was now time for the prophecy of God recorded in the Book of Zechariah Chapter 14, verses 6-7, to go into effect, just as it is written: ***“And it shall come to pass in that day”*** (of salvation, that one dispensational day of salvation, time having moved to the beginning of the Seventh and Final Church Age, coming to 1901), ***“that the light shall not be CLEAR, nor DARK”***, (being a dismal and unclear spiritual environment, a hazy condition created by the light of the Reformation, mixed with the thick clouds of creeds, dogma, and carnal traditions of the religious world, the Reformation light not being strong enough to clear the dark clouds, to let the Pure SON Light shine through): ***“But it shall be one day”*** (of salvation) ***“which shall***

be known to the Lord, not DAY, nor NIGHT", (the Lord restating the dismal and hazy spiritual condition present at the beginning of the Laodicean Church Age. And on account of this condition, you cannot call it day, and yet you cannot call it night either, for it is just dismal): ***"BUT IT SHALL COME TO PASS, THAT AT EVENING TIME IT SHALL BE LIGHT."*** Brothers and sisters, the application of this prophetic verse of Scripture, one which is an infallible promise of God, is what the religious world have no clue about, which is why they do not understand the reason the ministry of William Branham changed, from a man preaching simple Gospel messages, and who was being used to heal the sick, raise the dead, and discern the secret thoughts in the hearts of men, to a man who started teaching, unveiling the True Word of God, as Elijah-Star Messenger of Jesus Christ to this Final Age. They do not understand why he turned from a prophetic ministry, to that of a teaching ministry, unveiling the Pure Word of God. But the promise of Zechariah had to be fulfilled, and as such, he had to dispel the dismal or

hazy spiritual condition that was hanging over this Age, using nothing but the Pure Light of the SON of God, so that the glorious Gospel SUN of Jesus Christ that broke forth in the Middle East on the Day of Pentecost, could once again shine through, giving us Perfect Light, even as it is written: ***"But it shall come to pass, that AT EVENING TIME IT SHALL BE LIGHT"***. Saints, it took William Branham, under Jesus Christ, and by the Spirit of Christ, to dispel this great hazy cloud that was covering the Light of the SON of God at this evening time, using the True Message of the Bible he carried, being the Final Star Messenger.

May I give a warning, as it is needful that I deal with a crucial issue before we move on with our message, that contrary to what Richard Gan of Singapore teaches, ***"the evening time... LIGHT"*** in this prophetic verse, does not refer to the light of the moon at all, and it has no application whatsoever to the ***"Evening Star"***, which is the moon, because the moon does not give us True Light; it is the Sun that gives us the True Light, the moon being a mere reflector of

the light of the Sun; it only foreshadows the Sun. It is just like the Law Season or the Law Era, an Era that gave us the Night Season: The law did not give us the True Bread from heaven, and neither did it give us the True Light. It is the New Testament that gave us the True Bread from heaven, and it is also what gave us the True Light, which is Jesus Christ in his divine scriptural revelation. The Gospel of Saint John Chapter 6, verses 30-35, confirms this truth, for the Law was a mere shadow! Consequently, although in Genesis Chapter 1, verses 16-19, the moon has been made to give light in the night season, or in the night period, being the evening star, which means in essence, that the moon has been made to be the evening light, the evening in that sense standing strictly for the night period of the day, as opposed to the day period, which is ruled by the Sun; nevertheless, we must know that we cannot apply this thought of the moon light, to the prophecy of Zechariah, which speaks concerning the evening time. To begin with, Zechariah refers exclusively to the Pure Bible Light of Jesus Christ

that will shine forth at the Evening time OF THE GRACE AGE, which brings us straight to the Laodicean Church Age. Hence it says that in that same **“one day”** of salvation, referring to the day season or day period, at the evening time of that day season, the hazy, cloudy, and dismal spiritual condition shall be removed, and **“IT SHALL BE LIGHT”**, PURE LIGHT, ABSOLUTE LIGHT, with no hazy clouds covering it whatsoever! Brothers and sisters, IF we are to have nothing but absolute **“Light”** at the evening time, then we cannot take this prophecy of Zechariah Chapter 14, verse 7, to the moon light in Genesis Chapter 1, because the evening light of the moon, however bright it may be, is not the True Light, being a mere reflector, and as such, it cannot give us Pure Light! On the other hand, the **“evening time... LIGHT”** of Zechariah, refers to the FULL GOSPEL LIGHT that shone forth at the rising **“SUN”** in the morning, at the breaking of the New Day at Pentecost, in the Middle East; for it is this very same Original Light that is to be restored, at the evening time of the Grace Age in the West, where the

Sun will set, but ever before the Sun sets! Whilst Genesis Chapter 1, gives us the evening star, which is the moon, and which comes up only when the Sun is gone, and darkness takes over, for the moon rules the night season, on the other hand, Zechariah is looking strictly at the day season, the ending part of it, or the evening part of the day season, which is within the Dispensation of Grace, when God will bring the plan of salvation to a glorious closure, by bringing forth the Pure Gospel Light of the SON of God, the very same SONlight which broke forth at the SON RISE, on the Day of Pentecost! For it is this same Gospel SUN that is to shine forth in the West, at the evening time, the evening time now meaning the Last Church Age, in order to reproduce the same Original Pure Seed Church that was born on the Day of Pentecost, at the rising of the SON of God! In other words, the SUN that rises in the East in the morning, is the same SUN that shines in the West at the evening time, ever before it SETS! This is absolutely so, because THE SUN MUST ALSO SHINE IN THE WEST, BEFORE IT SETS; and it

will always shine first in the West, before it sets, and then it slips behind the horizon, allowing the moon to shine forth, as darkness takes over, whilst the Sun returns back to the East, where it resurrects the following morning! This is a daily fact, one which cannot be disputed; otherwise, it means that the West never enjoys the true light of the Sun, except at Sunset, which is vehemently denied, for it is most untrue! Just travel to the West, and in the evening time, you will see that the Sun still shines, very brilliantly, but without hurting the eyes as much as it does in the afternoon, and this is ever before it sets! Men just love to muddle up the true picture of the Word, and complicate issues, as simple as Prophet Zechariah has laid it out, just because they desire to be known for having the revelation of what they do not have. Just how can Richard Gan bring in 2 Peter Chapter 1, verse 19, to establish a falsehood? That Scripture states: **“We have also a more sure word of prophecy; whereunto ye do well that ye take heed, as unto a light that shineth IN A DARK PLACE”**, (speaking strictly of the dark condition

of unconverted Hearts, and not of the Age, but exclusively of the condition of the hearts of men), **“until the day dawn, and THE DAY STAR”**, (which is Jesus Christ in his divine life transforming power), **“arise in your hearts.”** Church, this text has nothing to do with the condition we find in the earth at the beginning of Laodicea, a period of time which Zechariah plainly declares in verse 7, that it is **“not day, NOR NIGHT”**, (meaning that you cannot call it “day”, and neither can you call it “night”; it is not “light”, and yet again, it is not “dark.” You are looking at an unclear spiritual condition, one that is simply very hazy and dismal, as that is the spiritual condition that the period gives us. And we must realise that it is hazy or dismal, only because the period of time referred to, has some measure of light, which God used the Reformation to restore, otherwise it would be simply Dark or Night! However, the period Zechariah referred to in the Grace Age has light, except that the light it has is not enough, in order to clear the thick clouds of creeds and dogma, that is still blocking the Perfect Light

of the Gospel of God from shining through! That is precisely why Prophet Zechariah says in verse 6, that **“the LIGHT shall not be clear, NOR DARK”**, because there is some light! And I must keep emphasizing that the period has some light, but it is an unclear light, as it is not enough; which is why it is NOT THE **“NIGHT” SEASON**, for it is NOT **“DARK”!** Furthermore, we must understand that this light has absolutely nothing to do with the state of the hearts of men, but it is speaking exclusively about the spiritual condition of the beginning of the Laodicean Church Age! Consequently, we cannot bring 2 Peter Chapter 1, verse 19, to the prophecy of Zechariah, because Apostle Peter is speaking solely about the conditions of the hearts of men, and not of the Age. Mr. Gan used Saint Peter's inspired statement, to show that Jesus is the Day Star, which is the SUN, in order to make Zechariah's evening light that of the moon, erroneously taking it to the thought projection in Genesis, which gives us the night light of the moon, the evening star, when as a matter of fact, the evening light of Zechariah, is the light of the Day Star, Jesus

Christ, shining at its utmost brilliance, at the evening period of the one day of salvation! The undeniable scriptural truth, is that the **“evening time”** of Zechariah, refers to the condition at the beginning of the evening period of the Grace Age; it speaks of the spiritual condition at the starting of the ending period of the Grace Age, which only brings us to the beginning of the Laodicean Church Age, the Seventh and Final Church Age. That was the condition of the religious world, right until the prophet to this Age stepped on the scene in 1946, and pushed back the clouds, allowing the Sunlight of God to shine through unhindered, and the Light of the Day Star burst forth, and became most glorious, for it is in this time period we can appreciate the beauty of the SUN the most! That is why Zechariah declared prophetically and infallibly, that **“it shall come to pass, that AT EVENING TIME IT SHALL BE LIGHT”**; ABSOLUTE LIGHT; BRILLIANT LIGHT! Period! That is nothing but the perfect light of the S-O-N of God! In his book titled, *OVERSEERSHIP*, under the subtitle, Turning The Corner, pages 25-26,

Richard Gan declared: ***“When Brother William Branham came, it was then a period of unclear light which was neither day nor night, a dismal day indeed! (Zechariah 14:6-7 types such a day.) Denominationalism held the reins on the saints.”*** (And it is the truth. However, Mr Gan went further, stating): ***“But then Brother Branham led the saints to turn the corner to receive the EVENING TIME MESSAGE. Yet the EVENING LIGHT (of the Evening Star) is not the FULL LIGHT OF THE SUN (Day Star or Morning Star).”*** (That is absolutely untrue! He is making a distinction between the Message of William Branham, and that of the Ephesian Ministry, when as a matter of Scriptural fact, their Message is ONE: For it gives us the Pure Message of the Bible which Brother Branham brought, and with his death, the same Message is still being carried on in its continuous revelation, by the apostolic ministry! Mr Gan then added another untruth, declaring): ***“The Sun had ALREADY SET and the whole scene was just gloomy and bleak by reason of the clouds of spiritual darkness***

hanging in the air. This is the age of Laodicea.” (Just how can he say that this gloomy period is the Laodicean Age, and at the same time, say that when the prophet stepped on the scene, the Sun had already set? Come on! This is confusion! If the Sun had already set, then, there would be no more time IN the Laodicean Age, for the Sun to shine! Moreover, if Brother Branham did not carry the Light of the Day Star, then, he did not restore us to the true apostolic light of the Holy Bible, and it amounts to gross untruth to say that! Richard Gan continued): ***“But the EVENING LIGHT lits the way out of spiritual death in denominationalism towards the PROMISED WORD OF GOD. We could see an antitype of how Moses led the children of Israel out of their bondage in the night after the nation of Egypt had gone through a period of dismay (Ex.12:29-42). There is another corner to turn. And many who have seen the EVENING LIGHT and have been following it have not yet turned the corner to receive the SUN RISE MINISTRY. The “Evening LIGHT” was***

sent before the “Sun RISE”, (making a false division, a false distinction, between the Message of the prophet, and that of the Ephesian Ministry, when the Message of the Ephesian Ministry, is a Continuing Message. He continued, saying): ***“(Compare the two types in Zechariah 14:6-7 and Malachi 4:2. Read 2 Peter 1:19.) The children of Israel who got out of Egypt in the night, after a period of dismay, turned the corner under Joshua's leadership and went into the PROMISED LAND, and conquered the first city when the sun rose up in the horizon (Josh.3; 6:15). In a certain war the sun even had to stand still till the battle was over (Josh.10). By this type, then, we see that in the BRIDE MOVE God has given us a JOSHUAIC LEADERSHIP 'Jehovah-Saviour' in the 5-Fold Ministry to lead us on to perfection. Compare Ephesians 4:11-16 with what Malachi said, “But unto you that fear My Name shall the Sun of righteousness arise with healing in his wings; and ye shall go forth, and grow up as calves of the stall” (Mal.4.2). Likewise in the***

writing of Peter's second epistle, he gave us an analogous exhortation: "We have a more sure word of prophecy; whereunto ye do well that ye take heed, as unto a light that shineth in a dark place, until the day dawn, and the day star (sun) arise in your hearts" (2 Pet.1:19). That's right. If we have heard the "midnight cry" the - "shout" - of the messenger who forerun the Second Advent of Christ, then like the wise virgins we should have enter into the wedding and feasting with Christ (cf. Matt.25:1-13). Amen! Let Christ THE WORD become a full revelation (as the sun shining forth) in our lives and spirits."

Church, you cannot make a distinction between the Message of Moses and that of Joshua, except that Joshua bore a Continuing Message, and hence, his ministry was a Continuing and a Concluding one; but their Message was one, despite the further light Joshua shed, and Joshua Chapter 1, verses 7-8, confirms this absolute truth! The light that led them out of the gross darkness in Egypt, was the same light that carried them through into the Promised Land; but

it only got brighter by the day! Yet, all that period of time gave us the Night Season, both that of Moses, as well as that of Joshua, for it was all under the Old Testament, a Dispensation which foreshadows the Day Season, which is the Grace Age! Brothers and sisters, there is a right way to set a type, and there is a wrong way to do it. Saints, please be certain, therefore, that we cannot take the prophecy of Zechariah to the night season referred to in Genesis, when we have the moon light, for in such a situation, and had that been the situation, salvation would have been over for the world, and we all know that it is not yet over, even as we speak! Moreover, None of us would even have been saved to begin with, if this were to be the case, if the sun had truly set! Furthermore, when we consider God's plan of salvation, we pass through the moon season or the night season FIRST, ever before we come into the day season. This is why the Law of Moses came before the Message of Grace, and that is precisely why Jesus Christ, in his prophetic revelation recorded in Revelation Chapter 12,

verse 1, portrays Israel in her Millennial glory, having "**the MOON under her feet**", the moon representing the Law, which foreshadows Grace, showing that she has already passed through the Law Season, before the Dispensation of Grace, and much ever before the Millennium, when she is now "**clothed with the SUN**"! As the Bride of Christ, people carrying an unparalleled divine revelation of Jesus Christ, Please note that we cannot go from the day season into the night season, for that is nothing but confusion and spiritual death; for even the Nation of Israel will not be returning to the Dispensation of the Moon; they will no longer be having the light of the Moon! God did not bring us out of utter darkness in the Dark Ages, by the Move of the Reformation, and after the positive effects of the Reformation, then return us back to the night season, for us to walk by the light of the moon. That is absolute nonsense, for we must rightly divide the Word of Truth!

Coming back to continue our initial thought, of the Gospel SUN having moved over to America, after

William Seymour had been used of God to carry the Oil Message, brothers and sisters, the Baton of the Gospel of Truth was handed over to William Branham, as the Elijah-Star Messenger to this Last Age, and God used him to call out a Bride element from the organised religious systems of the world, and also to restore truth back in accessibility to the end time elect Bride. Brothers and sisters, that man crisscrossed the whole of the United States and Canada, and he also went around the world a number of times. One fact remains indisputable, and that is that from the Continent of America, the Lord dealt with the whole world in that day. The deep revelation of the Gospel Light of Jesus Christ that he bore, particularly when he stepped into "**The Third Pull**" of his ministry, (the third and highest phase of his ministry), which is nothing but the unveiling of the Word of God, coming to 1963, at the opening of the Seals, created a great attraction for the seeds of God around the globe, motivating them to come to America, to sit under his ministry, feasting around the revealed Word. And when it was time for him to

be taken off the scene, the Baton of the Gospel Light of Jesus Christ was passed to the hands of a Minor Messenger, the chief apostle of this end time, who was a fruit of his ministry, and whose ministry is minor, only in comparison to the ministry of the Star messenger to this Age. I say that because the chief apostle's ministry is major, in relation to the end time Bride, being the principal office of the restored apostolic fold of ministry, which is the very office of Saint Paul, "**The Apostle**", and his name is Raymond Jackson. Saints, this gave us the Standard bearing ministry of another American, also of the Japhetic race, (the White race), thereby preserving America as the region of the earth from where God was still dealing with the universal Bride; for the Gospel SUN, the Light of the SON of God, was still in the West, the extreme West; but now it was shining like never before, and from here, the SUN returns back to the East. Church, for about thirty-nine years, that humble and faithful man carried the Gospel Light for the universal Body of Christ, on a level never before attained, and he was called

home on December 4, 2004. But the main question now is this: Where does the Gospel SUN go from here, and how does it return to the Middle East, from where it all started? That is the material question, and that is precisely what we want to see! That is exactly what this message is all about, for we want to see the course the Gospel Sun takes from America, on its journey back to Palestine! That is the crux of this message! It is the very reason we are taking this message in the first instance! Do not forget that we are dealing with **THE SUN AND THE GOSPEL MOVEMENT**. The question therefore, is this: How is the Gospel Sun going to move? How is the Gospel Light going to move back to the East? What route will it take, and how can we determine that? We have to know, seeing that the Gospel SUN must go back to the Middle East, in order to ignite a new beginning for the children of Israel, because God is going to give the Nation of Israel a new start, a second chance, to enable them to receive the same Gospel of Christ they rejected about two thousand years ago. The Book of Romans

Chapter 11, confirms this truth in verses 25-27, which clearly provides: ***“For I would not, brethren, that ye”*** (Gentile Elects) ***“should be ignorant of THIS MYSTERY, lest ye should be wise in your own conceits; that blindness in part is happened to Israel, until the fullness”*** (or until the full number) ***“of the Gentiles be come in”*** (into salvation). ***“AND SO ALL ISRAEL SHALL BE SAVED”*** (THEREAFTER): ***“as it is written, There shall come out of Sion the Deliverer, and shall turn away ungodliness from Jacob: For this is my covenant unto them, when I shall take away their sins.”*** Consequently, a new day is going to dawn for that nation, and salvation will revert back to Israel. And for this move of Jewish salvation, the Book of Revelation Chapter 7, ties right in with this, beginning from verse 2: ***“And I saw another angel ascending from the EAST...”*** Where is he approaching Jerusalem from? Where is he approaching Israel from? He is flying over the curvature of the earth to Israel, right there in the Middle East, but in his approach, he is coming

from the East; he is entering the land of Israel from the Eastern region. Why is this so? It is because it is the hour when a new day is going to dawn in the land of Israel, because the Gospel Light, the S-O-N Light of the Almighty God, has made its turn around the world, a full turn, and now it is time for the Gospel SUN to return, that it may break out afresh in Jerusalem, where it all started! And indeed, after the Natural SUN has made its full course around the various regions of the earth, it reappears in the East in the morning, for the breaking of a new day. God is igniting a new day for Israel, for it is the hour of her national revival, that she may receive the Message of Life, which is the Gospel of the SON of God. That is precisely why we now have the angel of time approaching the land of Israel from the East, with the ***“Seal”*** of God in his hand, which is the Anointing, for it speaks of the rising SUN, just as verses 2-4 states: ***“And I saw another angel ascending from the East, having THE SEAL of the living God: and he cried with a loud voice to the four angels, to whom it was given to hurt the***

earth and the sea, Saying, Hurt not the earth, neither the sea, nor the trees, till we have sealed the servants of our God in their foreheads. And I heard the number of them which were sealed: and there were sealed an hundred and forty and four thousand of all the tribes of the children of Israel.” Verses 5-8, gives us 12,000 servants from each of the twelve stated tribes of Israel, making a total of 144,000. Church, this Scripture, this prophetic Scripture, gives us a promise of a Great Revival, a New beginning, for the Nation of Israel, and it synchronises with the promise of God in Hosea Chapter 6, verse 2, amongst many other Scriptures. As such, there is most certainly going to come the dawning of a new day for that nation, as the Lord returns the Gospel Sun to them; the S-O-N Light of God is coming back to that nation, after it has made its full rounds around the globe. Halleluia! The main issue remains: When the Gospel Sun has made its full circle, where do we see the Light of the SON of God re-entering or approaching Israel from? It is specifically from the

East! The Gospel light of the SON of God is not brought to them from the West, but from the Eastern horizon, because the Movement of the Gospel follows the Movement of the Sun! And since the SUN rises in the East in the morning when a new day breaks, so also, the Gospel Sun has to rise for them from the East, for it is God following His infallible and unchanging pattern, as it is the dawning of a New day for the Nation of Israel: It is the hour of her Revival! Now, brothers and sisters, knowing that according to the written record of Revelation Chapter 7, verse 2, the angel with the Holy Ghost Anointing, (which is the Seal of God); the Angel of the Covenant, one with the Gospel Light; the angel who watches over the plan of redemption, being the angel of time, is taking the Light of the SON of God back to Israel, approaching that nation from the Eastern horizon, the material question therefore is this: What precise route did he take on leaving the West, for him to re-appear in the East? Which way did he take when he left the shores of America? That is the issue we want to consider, and we must

consider it, because this Final Trail or Final Leg of the Gospel SUN, holds a most crucial move of God, for the universal Bride. This Last Move of the Gospel Sun, carries something most crucial for the elect Bride of Christ, in these final hours of Gentile time, knowing that God cannot return to Israel, without first establishing the revelatory Unity and Perfection of the Gentile Bride, in full and perfect readiness for the rapture! So, we have to know what happens between here and there? What happens between this point and that point? What happens between now and then? We have to know! Consequently, the question remains: Where did the angel of the Covenant go from America, and which precise route did he take, on his journey back to Israel? We have to ask this, because the angel of time is not going to appear over the Eastern horizon of Israel, until the opening of the 70th Week of Daniel? Therefore, exactly where does he go before he re-appears in the Middle East, and what is the route he has taken? What precise course does the Gospel SUN take from America, on its way back to the Middle East? Brothers

and sisters, thank God that we have a definite promise of Jesus Christ our Lord, recorded in John Chapter 16, verse 12-15: ***"I have yet many things to say unto you, but ye cannot bear them now. Howbeit when He, the Spirit of Truth, is come, HE WILL GUIDE YOU INTO ALL TRUTH: for He shall not speak of Himself; but whatsoever He shall hear, that shall He speak: AND HE WILL SHEW YOU THINGS TO COME. He shall glorify me: for He shall receive of mine, and shall shew it unto you. All things that the Father hath are mine: therefore said I, that HE SHALL TAKE OF MINE, AND SHALL SHEW IT UNTO YOU"***, (whatsoever it is that the Lord is doing in the earth, for and on-behalf of your salvation). This Scripture gives us absolute proof, for it definitely shows, that the Holy Spirit will not leave us in darkness or in ignorance, as to what the Lord is doing in the earth, for us and on our behalf, and precisely how he is moving in the earth, for us and on our very behalf, in these most crucial, dangerous, and final hours of Gentile time. Hence it is also written in John Chapter 8, verse 12:

“Then spake Jesus again unto them, saying, I am the light of the world: he that followeth me SHALL NOT WALK IN DARKNESS, but shall have the light of life”, (enabling him to know the truth of the workings of the Spirit of the Lord, that he may possess the revelation of life, the light of life). That is why it is specifically written, that ***“the Comforter, who is the Spirit of Truth, WILL SHOW US THE THINGS OF CHRIST TO COME”***, in our day and hour of time, so that we are not side tracked! It really boils down to one main question, and it is this: Are you walking and talking with the Lord? Is the Lord Jesus dealing with you by his Spirit in the light? That is the issue, for whosoever truly follows the Lord Jesus, will definitely not walk in darkness or ignorance! ***“Because it is given unto you to know the mysteries of the kingdom of heaven”!*** (Matt. 13:11). It is also written: ***“... None of the wicked shall understand; BUT THE WISE SHALL UNDERSTAND.”*** (Dan. 12:10). Consequently, brothers and sisters, ignorance is definitely not an option, for it is not an excuse in any way. We just

cannot afford to be ignorant, for it only shows that God has passed us by.

Saints, we ask for the umpteenth time: Which way does the Gospel SUN take in getting back to the East? We must ask, because there is certainly no doubt that the Lord Jesus has moved out of the Continent of America. There is no doubt about that at all, for the Gospel SUN has left the shores of America. You should all be able to see that, for you do not need to be spiritual to see it, because it is as plain as day, being a notorious fact, one staring everyone in the face today. Church, our quest for the current course of the SUN, touches a fundamental issue concerning the impact or the effect of the SUN, and it is a point we must always remember. And it is that as the Sun moves, once it leaves a region, any particular region, then darkness takes over that region. Any region or area of the earth that the Sun leaves, is immediately plunged into darkness; and this fact sets a perfect type of the spiritual reality the world faces as we speak, and we are going to lay it out by the grace of God, for we have to see it. However,

the fact remains, that once the Sun leaves a region, any region, the next thing for that region is that darkness must take it over, and darkness takes it over. There is no other thing left for that region, but darkness! Church, that is a fact, a serious fact, one that is true in the natural, and one that is also true in the spiritual, for when the Gospel Sun also leaves a region, that region has nothing but spiritual darkness left for it. I repeat: Whenever the Gospel Light of the SON of God leaves any particular region of the earth, spiritual darkness always takes over. For instance, when the Gospel Light left the Jews, the Shemites, and it was handed over to the Japhetic race, the White race, the Europeans, spiritual darkness took over the Middle East, so much so, that in 570 AD., another spirit rose up in the same region, overtaking and engulfing the whole place, and it is the spirit of Islam. Even the Temple Mount was taken over by that Islamic spirit, and today in 2015, we have a Mosque standing right on the Temple Mount, the Al-Aqsa Mosque, also known as the Dome of the Rock, a living sign of the apostasy that

took over the Nation of Israel, and of the Middle East in general, an area of the world that was once Christianized, but is now 99% Islamic, all the way to North Africa! This happened because the Gospel SUN departed from that region, leaving darkness to take over. Again, when the Baton of the Gospel passed into America from Europe, Europe plunged into darkness, and as we speak this morning, the Europeans have become a God hating race of people. They have no time for Church, and neither do they have any faith in God, but they have totally imbibed a liberal and atheistic spirit, living just for the flesh. All there is to life for them, is about making money, and acquiring fame and material things, and about pursuing pleasures, sports and entertainment of all sorts, and of every description. They have obviously carved out a world for themselves, one that is totally without God, for God has been completely shut out of their lives, which is why every evil spirit imaginable, every demon from hell, every spirit of moral perversion, is roaming the streets of Europe with total freedom,

and legal security, for they do it with glee! The European leaders are bringing strong, able bodied, male, Muslim immigrants, by their hundreds of thousands, to interbreed with their white women, so as to breed the White race out of existence, in their multi-cultural push! This is utterly demonic, and is solid and irrefutable proof, that once the Gospel Sun leaves a region, darkness, incredible darkness, takes over. This just lets you see that God is no longer in Europe, for He most certainly has left Europe a long time ago, leaving another spirit to take over. The most pathetic spiritual state of the Continent of Europe today, is proof that God is no longer there; it is proof that the Gospel SUN has moved on, leaving Europe in utter spiritual darkness, one that is palpable, for you can touch it; you can even bag it, for it is that thick! Furthermore, when we also consider the present state of the Nation of America, and this takes in Canada, for they are joined together in Bible prophecy, what a very sad state of affairs we see! Church, there is no nation on this planet today, that characterises or

epitomises the spirit of Laodicea, of lukewarmness, sheer worldliness, absolute materialism, gross immorality, and utter perversion, grievous perversion, and yet, a people so full of pride and arrogance, like the Nation of America, even as Revelation Chapter 3, verse 17, declares: ***“Because thou sayest, I am RICH, and increased with GOODS, and have need of NOTHING; and knowest not that thou art WRETCHED, and MISERABLE, and POOR, and BLIND, and NAKED.”*** She is in a state of malignant or chronic amnesia, for she is sick through and through, and does not know it, and I am not joking! It is as Prophet Isaiah says of Israel in Chapter 1, verses 5-6: ***“... the whole head is sick, and the whole heart faint. From the sole of the foot even unto the head there is no soundness in it; but wounds, and bruises, and putrifying sores: they have not been closed, neither bound up, neither mollified with ointment.”*** This utterly sick and apostate spiritual condition of America, is precisely why men like Donald Parnell, in Dayton,

Ohio State of America, have risen up in the Branham Movement, claiming to have received all sorts of visions and visitations, from 2002 to 2008, making himself the successor of William Branham, preaching every twisted and perverted so-called revelation that there is on the planet today. Yes, I agree, the man has charisma, and he is also a smooth preacher. But he needs this charisma and smoothness in order to sell Satan's utter junk! He is peddling what he calls **"The Third Testament"**, and his assembly is called the Third Testament Assembly, when all we have are Two Testaments, Old and New. As far as he is concerned, we are already in the **"Eighth day"**, in a **"New beginning"**, and **"It's a New world"**, regardless of what is going on out there, for as he declared: **"THE EIGHTH DAY IS LIVING WITH US."** He even claims to be the one fulfilling the prophetic statement which Brother Branham made in the United States, that he would **"Ride this trail again"**, when it has been fulfilled, as Brother Branham travelled down that particular missionary trail another time, before

passing away in 1965. Brothers and sisters, Don Parnell out rightly denies the physical resurrection of Jesus Christ, the resurrection of Christ's physical body, and of its ascension into heaven, as he teaches that Christ's body turned into ashes in the grave. He denies a physical rapture, and he even teaches that the rapture has already taken place in February 1963, when the glory cloud appeared on Sunset Mountain in the United States. He denies a literal Millennium, for according to him, they are now living in it, for it is inside of them, making it a state of mind, something that is internalised; and that Jesus will not be returning physically to establish it, for it is already here. He denies the forthcoming Jewish Ministries of Moses and Elijah, and of the revival of the Jews, proclaiming that **"We are the Hebrew Bride."** Hence, he also denies that the 144,000 servants of God recorded in Revelation Chapter 7, are Jews, for he claims that the 144,000 are his followers. The man denies **v i r t u a l l y E v e r y Fundamental Doctrine of the Holy Bible**, right from the events in the Garden of

Eden, as recorded in Genesis, right up to the prophecies recorded in the Book of Revelation, for there is hardly any Bible Truth that he has not torn down, twisted, misapplied, and denied! Brothers and sisters, I do not care how many followers he is amassing around the globe in the Branham Movement, for he is obviously attracting a lot of men, I will certainly not be bothering myself with his teachings, for he cannot stumble even a new born baby! His incredibly warped and heretical teachings are too ridiculous, and are also too many, for it to stumble a seed of God, any seed of God, regardless of how smooth talking he may be, for the man is just a joke! What a character! Satan really has his men! And I do not care for all his nonsensical preaching, for it is all a load of rubbish! Saints, all this only adds to the darkness that has engulfed that country. Now tell me that God is in America! America is absolutely spiritually bankrupt, for God has left that continent! Make no mistakes about it: Her judgment is at the door, and that is **"Thus saith the Lord"** by Elijah the Prophet of God to this Last Age; it is

"Thus saith the Lord" by the vision of George Washington, and most importantly, it is also "Thus saith the Lord" by the infallible revelation of God in His written prophetic Word! Brothers and sisters, America is not just in darkness, it is in gross palpable darkness, for her darkness is as it once was in Egypt, when the children of Israel were moving out, just as it is written in Exodus Chapter 10, verses 21-22: **"And the Lord said unto Moses, Stretch out thine hand toward heaven, that there may be darkness over the land of Egypt, EVEN DARKNESS WHICH MAY BE FELT. And Moses stretched forth his hand toward heaven; and THERE WAS A THICK DARKNESS IN ALL THE LAND OF EGYPT THREE DAYS."** It was that thick, and it was that serious, that you could literally bag the darkness! History is repeating itself, for this is also a perfect description of the present state of the United States of America, although you cannot tell her that, for she is as proud as ever, as proud as a peacock! That is precisely why her judgment is at the door, for all she will have is divine judgment, and she will be severely

judged by the Almighty God; which is why all she will get at the coming election in 2016, is not someone to make her great again, but to borrow the term Brother Wilbur Jordan uses, it will be someone that will be **"a toilet flusher"**, and that will be none other than Hillary Clinton! I was just thinking sometime this year, for it suddenly struck me, that if the woman to rise in America, in fulfilment of the prophetic vision the Lord gave William Branham in 1933, is to be that powerful, that wicked, mean, and despotic (autocratic), as the vision portrays, then, really, she cannot be a Vice-President, but President, because Vice-Presidents are very limited in power. On July 16th, 1960, in his message titled, **FROM THAT TIME**, Brother Branham predicted: **"And remember, Thus saith the Lord, THERE WILL BE A WOMAN RULE BEFORE THE END TIME. SHE'LL EITHER BE PRESIDENT, VICE PRESIDENT, or it'll be the Catholic church as a woman. I've seen her: A great woman, the nation bowed to her. It'll be one before the end time. Thus saith the Lord. Write it down and find out, you**

young people. See if it happens. If it isn't, I'm a false prophet." Then on November 25th, 1960, in the message titled, **CONFERENCE**, the prophet also declared: **"It will come to pass before the end time comes that there will be A GREAT WOMAN stand up in the United States, because the United States is marked woman. Her number is thirteen, and she'll rise up, either be PRESIDENT, or (I put it in parentheses) perhaps the woman being beautiful and attractive will be the Catholic Church; BUT CRUEL AT HEART, AND SHE'LL LEAD THE NATION TO POLLUTION."** Adding to the prophetic picture of this woman, in his message titled, **THE SEVEN CHURCHAGES**, under the subtitle, **The Laodicean Church Age**, William Branham further stated: **"Then in the sixth vision there arose up in America a most beautiful, BUT CRUEL WOMAN. SHE HELD THE PEOPLE IN HER COMPLETE POWER. I believed that this was the rise of the Roman Catholic Church, though I knew it could possibly be a vision of some woman rising in**

great power in America due to a popular vote by women.” And make no mistake about it, brothers and sisters, America will certainly have Hillary Rodham Clinton as president, for she is that woman; she will be the **“toilet flusher”!** Why? Because America has spat in the face of God, thrown the Holy Bible and prayers out of Schools; thrown out the Ten Commandments; has removed Monuments that speak of God from public buildings; opened up hell to the world, by the Supreme Court's most perverted judgment on homosexuality, one that legalized same-sex marriage, and have overturned the definition of God's holy institution of marriage; they have adopted the rainbow colours of God's Covenant with Noah and his three sons, and with the whole earth, as the colour of all sexual deviants: lesbians, gays, bisexuals, and transgenders; draping the White House with the rainbow colours of moral perverts; taking away the rights of Christians, until they can be sacked for saying **“Merry Christmas”**; glorifying grievous sin, and encouraging all forms of moral degeneration, until

homosexuals have taken over the pulpits with godless audacity, and their women are parading themselves in nudity on the streets, with hot pants and meaningless tops, etc. And on top of it all, it has become a crime to speak against sin, for preachers no longer have the liberty to call sin by its name, thereby seeking to chain the Word of God! My, oh my! Tell me that God has not left America; tell me that the Gospel of the SON of God has not moved out from that Continent, on its way back to the Middle East, and I will tell you, it is because you are totally blind and completely deaf, spiritually speaking! The Light of the SON of God has moved on, leaving gross darkness to overtake that huge continent, which is why every spirit of evil from hell, is holding court in that country as we speak, roaming the streets even in broad daylight! Make no mistake about it, the Gospel Light of the SON of God, the Gospel SUN, has left the West completely, on its course back to the East! It has, and the horrible spiritual state of the West in total, is absolute proof, that God is no longer in the West, for He has moved away, following the course

of the SUN of the world. That is why they glory in their shame, honouring iniquity as if it is lofty and good. All they know to do today is to sleep with one another, take **“selfies”**, and to put their entire lives on Facebook for the whole world to see, for they have no shame, no morality, no privacy, and certainly no sense of decency, being a carnal, earth bound, bunch of humanity! The question is, what route has the Gospel SUN of God taken, on its way back to the Middle East? That is exactly what I want to show you this morning, by the grace of God, for we are on holy ground.

Brothers and sisters, when it was about time for Raymond Jackson, the Paul of this end time, to leave the scene, it was during the 2004 Spring Convention he held at Faith Assembly, in Jeffersonville, Indiana, on Saturday April 24th, 2004, that he made an open pronouncement during the evening service; he made an open declaration about an African brother, not an African-American, but a brother from Africa, stating precisely: **“THERE IS NO DOUBT, YOU WILL WRITE THE LAST**

CHAPTER OF THE BOOK OF ACTS, AS THE BRIDE GETS READY TO LEAVE THIS WORLD. GOD BLESS YOU. GOD BLESS YOU BROTHER. Listen to me very carefully this morning, and put on your thinking caps, although I expect to be crucified for this. This open pronouncement which that great man of God made, amounts in essence to this, for this is precisely what it implies in its true breakdown, for those who have an ear to hear what the Spirit is saying to the Churches in this Last Age: *"The S-O-N Light of God is going back to the East where it all started, but it is going to pass through Africa: Because Africa is where the Lead Apostle, the Last Gentile Gospel Baton Holder, is based, and it is therefore in Africa, and from Africa, that the Last Chapter of the Book of Acts of the Holy Spirit IN the Apostles will be RE-ENACTED, and the Gospel Sun will move straight back to the Middle East from there, and the rapture of the Bride will take place."* By this public declaration, one which has a very serious fundamental and scriptural implication, brothers and sisters, that man set something in motion, under

the Spirit of Jesus Christ! It reminds me of what Moses did, when it was time for Joshua to take over, so that the children of Israel could be moved on into the Promised Land, for God does not change His ways, and we see history repeating itself before our very eyes. It is very interesting to note, that although the chief apostle had, no doubt, been divinely inspired ahead of that very service to make the pronouncement that he made on that blessed day, little did he realise that what he was about to do, would also be forerun, and hence, preceded, by a prophetic utterance, one which would vindicate the pronouncement he was just about to make, giving the Elect Bride, two infallible witnesses on that same night, of the course that the Gospel SUN was about to take. For as Brother Jackson stood on the podium to make his pronouncement, a message went forth in tongues by a sister, followed by another message in tongues by another sister, and then a third message in tongues followed by a brother, Kevin Crase, who then gave its interpretation, stating by the Holy Ghost: **"Yea my**

people, have I not declared unto thee, that THIS MESSAGE" (of the Pure and Original Gospel of Jesus Christ), **"that is being established"** (in its progressive light), **"it shall go, unto the ends of the earth, saith the Lord. Yea, I have sent THIS VESSEL, that he shall testify of the work, and that which is established many miles away"** (IN AFRICA): **"It is of my hand; yea, it is of my work, that I have brought it about. I have established it, and nothing shall come against it; for it shall stand, yea, through battle; through fire. Yea, my truth will go on, and it shall accomplish that which it was intended. And I say, IT IS MY MASTER PLAN. I say, it is I the living God, that have brought it to be. Yea, the political man have established his agenda, but it shall have no effect. For in the end, I shall prevail, and my Word shall be yea and amen, saith the Lord."** Do not forget that it is written, that the Comforter, the Spirit of Truth, will not only guide us into ALL TRUTH, He will also SHOW US THINGS TO COME, THE THINGS OF CHRIST. You can watch this prophetic utterance, as

well as the open declaration of Raymond Jackson, on the Home page of our website. Saints, on that blessed night, two witnesses were given by the inspiration of the Holy Spirit, laying out in clear terms, the direction of the GOSPEL SUN, at this end of time, following the ministry of the chief apostle. Saints, may I remind you, that the very simple and humble way the Spirit of Christ gave the first witness, on that blessed night in April 2004, by a prophetic utterance, was exactly how it also happened in the days of Apostle Paul, as recorded in Acts Chapter 13, when the Holy Ghost suddenly spoke through a vessel of clay, in verses 2-4, just as it is written: ***“As they ministered to the Lord, and fasted, the Holy Ghost said, SEPARATE ME BARNABAS AND SAUL FOR THE WORK WHEREUNTO I HAVE CALLED THEM. And when they had fasted and prayed, and laid their hands on them, they sent them away. So they, being sent forth BY THE HOLY GHOST”***, (through a prophetic utterance), ***“departed unto Seleucia; and from thence they sailed to Cyprus.”***

Brothers and sisters, the second witness given that same blessed night, was also by the inspiration of the Holy Ghost, working through the chief apostle to this age, and expressed through the chief apostle, just as it worked in the ministry of Moses, as recorded in Numbers Chapter 27, verses 12-23, where Moses was asked to lay his hands on Joshua, as his successor Lead Ministry, in the presence of the children of Israel. And because the revelation of God is one, for the Spirit of God is one, and also because God's plan of salvation is also one, prior to 2004, when the Star Messenger to this Age was still on ground, holding the Baton of the Gospel of Life, he likewise made three very material prophetic pronouncements, three key prophetic witnesses, which bear solidly upon the message we are taking today, ***THE SUN AND THE GOSPEL MOVEMENT***, and we want to pick up these witnesses as well, leaving no stones unturned. God gave William Branham a vision concerning ***“THE BREAD OF LIFE”***, and he wrote the vision in a tract he distributed during his early campaign years, titled, ***“I***

WAS NOT DISOBEDIENT TO THE HEAVENLY VISION”. The testimony of the vision goes thus, and please also listen closely to my breakdown of this material and very instructive vision: ***“It was in the month of March, 1945, one morning about 3:00 A.M., that our Lord Jesus Christ gave me a vision. This He has done many times and I most humbly praise Him for it. At the beginning of this vision, seemingly, I was walking North-East on a road when the Spirit turned me and pointed me toward the WEST”***, (in the direction of the SUN'S TRAIL, for that is the GOSPEL TRAIL: It moves West). ***“I was facing a great Mountain. It seemed to be the Mountain of the Lord! It had a towering, high church steeple on the top of it. I was then asked to GO WEST toward THE MOUNTAIN. I entered the Mountain through a door, and on the inside I was met by a woman who had on a garment that might have been snow white at one time. Now the garment was very soiled”***, (because she failed to follow Christ in his

progressive scriptural revelation). ***“She asked me if I was Bro. Billy Branham, and I replied, “I am.” She then introduced herself as Mrs. Methodist***, (an organised system of religion founded upon a move of God through John Wesley, the Sixth Star Messenger, showing that in the day of William Branham, the Gospel SUN had moved on greatly from the hour of John Wesley, when it was in West Europe). ***“I asked her why the spots on that lovely white garment. She replied, “I have been so busy.” I then said to her, “That’s right; you Methodists have so many organizations and societies in your church, you haven’t had much time for the Lord.” Then she said, “I was told that you were being sent to me. Maybe I should awaken my husband!” Then she disappeared***, (evidencing that all these religious organisations which she typed, have the opportunity to follow the Pure Gospel Light, which is ***“The PRESENT TRUTH”***, but they just would not. Now watch, for this is where I am going, and it is what I want you to see):

“Looking to my left, I saw a small heap of SMOOTH-BAKED BREAD. There were white fowls standing near it, but they would not eat much of it. Then the Lord said to me, “Do you know them?” I said “No.” Then He said, “THAT IS YOUR TABERNACLE, and THEY WON’T EAT THE BREAD OF LIFE ANYMORE. I am sending you this way.” Then I journeyed on WESTWARD, (still following the trail of the SUN). Brothers and sisters, this prophetic vision shows undoubtedly, that the Branham Movement, who were represented by the Branham Tabernacle, will not follow the GOSPEL SUN, as the SUN gives fresh energy, fresh light, as it moves steadily and consistently on its course. And their refusal to accept the Continuing Light of Jesus Christ, is precisely why they (the Branham Movement) have become spiritually dry and lifeless, for they have lost all steam and fervour for spirituality, whilst on the other hand, we are still on fire for the Lord, and for the things of the Spirit of God! That is because all that they have,

and all that they are holding to, is just the mere shell; for the life of the message the prophet brought has moved on, for it is gone, and as a result, there is no stimulation of revelation they can get anymore in the sermons of the prophet, except it is somebody newly coming into the message! The ***“Present Truth”*** is what holds the life of the message, and hence, it is what has the divine stimulation of revelation, a very strong one at that, and it can only get stronger, as we get nearer to the return of Christ! This is the power of the ***“smooth-baked bread”***! This interpretation cannot be disputed scripturally, because the ***“smooth-baked bread”***, speaks exclusively of Continuity Light, which gives us the Fresh ***“Carcass”*** of the Word, and it is the exclusive food of the true Eagles of God, the Elect Bride seeds of God, as that is what holds the power of Life. Furthermore, saints, please also note that the ***“smooth-baked bread”*** was not what Brother Branham baked, for ***he only saw it, looking to his “left”***, showing that it is what will come after his hour of time,

as the Light of the SON of God progresses, for God is still speaking to His elect seeds, from the pages of His Holy Bible.

Before we come back to address this fresh bread, I first need to show you something. Open your eyes! Remember that in the vision, the prophet was going North-East, but the Lord turned him around, leading him to go WEST. He faced the Mountain of the Lord, and he was asked **“to go WEST toward the Mountain”**, and when he entered it, he saw the smooth-baked bread, still facing WEST. Now I ask, since he saw the freshly baked bread on his left side, in what direction was that bread? What direction does the positioning of the bread point us to? Remember that it is a prophetic vision, with prophetic symbolism, carrying a prophetic revelation. So, I ask again: In what direction does the placing of the bread point us, knowing that the prophet was walking and facing WEST? I ask this, because the trail of the G O S P E L S U N ' s movement from the West, on its journey back to the

EAST, is buried in the placing of that bread! Wake up! You must realise that in this vision, as the Last Star Messenger, the prophet of God to this Last Age, the Lord was taking him through time in the Mountain of God, not only to see the Age immediately preceding his Age, which was why he saw ***“Mrs. Methodist”***, portraying the attitude of the organised religious world towards his message, for she represents the organised systems of religion; but it was also that he may be able to see the End of this Last Age, for the End is what was represented by the ***“smooth-baked bread”***, one which he also saw, just as he saw Mrs. Methodist! And before you argue with me on this, I will remind you now, that the attitude of the Branham ***“Tabernacle”*** towards the freshly baked bread he saw, gives us nothing but the End stand of the Branham Movement to ***“THE PRESENT TRUTH”***, WHICH IS THE CONTINUING AND CONCLUDING GOSPEL TRUTH OF JESUS CHRIST! Hence, God told the prophet in that vision: “They will not follow Jesus

Christ in his Continuous and Concluding revelation”! Argue with that! Inside the Mountain of God, Brother Branham saw only three things: Mrs. Methodist; the Smooth-baked Bread; and the ***“white fowls”***, who represent Brother Branham's Tabernacle. I do not care how you look at it, but the setting only conveys the prophetic reality of this Seventh and Final Age! Firstly, we are given the understanding of the stand of the Denominations to the GOSPEL LIGHT that the prophet bore, through Mrs. Methodist, who never came back to hear the prophet. And secondly, we are also given the understanding of the stand of the Branham Movement to the CONTINUING AND CONCLUDING GOSPEL LIGHT of Jesus Christ, in this Last Age, by their refusal to eat this freshly baked bread. That is the absolute and irrefutable truth! That was why the Lord declared plainly and categorically about the White Fowls: ***“That is your Tabernacle, and THEY WON'T EAT THE BREAD OF LIFE ANYMORE”!*** That is serious, and that

tells the whole story, and it seals this truth! That is *"Thus saith the Lord"*! And truly, they will not eat the Bread of Life anymore! That is why, brothers and sisters, the Branham Tabernacle has never moved on! And you do not have enough truth in your mouth to make them move on! No man does! All they are capable of doing is to eat and re-eat the same stale meal, year-in and year-out, when we all know that **"eagles"** do not sit down around stale meal; and definitely not one that is now five decades old! Yet, the Branham Tabernacle only represent the Branham Movement, because the prophet's Tabernacle and what it holds, speaks of the Branham Movement and what they hold. That is why as we speak this morning, the Branham Movement has never moved on in the light, for they not only rejected the Continuity Truth that Raymond Jackson, the chief apostle to this age, bore, but they also rejected **"The Present Truth"** of John, and they will not move on, because it is *"Thus saith the Lord"*: THEY WILL NOT EAT THE BREAD OF LIFE ANYMORE! No movement ever moved on, after the

death of its founder, except the Ephesian Church, and that is only because, until we come to seed, nothing will move on: For a branch will remain a branch, and a leaf will remain a leaf, just as a tassel will remain a tassel, and a shuck will also remain a shuck! Only Pure Seeds can move on, which was why the Ephesian Church moved on, and they were the only Church that ever moved on! We brought out this beautiful truth in 2005, in our book titled, *THE WAY OF EVERY LIGHTHOUSE*, showing that at the death of Brother Jackson, precisely why Faith Assembly will never move on. And as we speak today, they are in complete apostasy, for they have not moved on, but rather, they have degenerated into complete rottenness, and irredeemable spiritual bankruptcy! Coming back to the vision of Brother Branham concerning the freshly baked bread, remember it is **"smooth-baked bread"**, speaking of the Fresh **"Carcase"** of the Word of God, Fresh **"Manna"**. But the Lord revealed that the Branham Movement will not touch it ANYMORE, however rich the truth gets, and however beautifully it is presented. Now pay attention.

Brothers and sisters, the very fact that the bread was **"smooth-baked bread"**, shows undoubtedly that ALL erroneous and contrary projections, traditions, and carnal interpretations of men, have ALL been taken out, and that the bread is absolutely fresh, having no bits, odd bits in it whatsoever. The smoothness of the bread conveys nothing but a picture of a Perfect Message, showing that ALL the **"loose ends"** of the Message, have also been totally tied scripturally, and perfectly, thereby giving us faultless bread, **"smooth-baked"**! And indeed, by the time this Continuity Move is all done, there will be nothing but absolute truth in the Bread of the Bride ordained for the rapture. Absolutely! Brothers and sisters, one thing has been established with regards to this vision, and it is that, the Lord is giving us the End picture of the Branham Movement, and it is a very sad one. But it is the way they have chosen for themselves, for we all have a choice, being free moral agents. However, please note that this is not the end of the prophetic revelation buried

in this vision of the Bread of Life, for we still have to ask: In what direction will the Gospel SUN go, as it leaves America in the extreme West, on its way to the Middle East? I will also reply: That is precisely what the positioning of the **“smooth-baked bread”** hides! The fact that William Branham was walking WEST towards the Mountain, and on entering it, (still facing West, for his direction did not change), he saw the bread on his left, shows the direction of the source of the bread, and that is Southwards! It shows that on leaving the extreme West, which is America, the Light of the SON of God is moving Southward, and not Northward, on its journey towards the East. Why do I say that? It is because the GOSPEL SUN is to make its way through Africa, and as such, the trail of the SUN has to go South, which is the left of the prophet in the vision, as he faced West. You say, *“Brother Amos, that is just your assumption.”* Okay, now come with me.

On January 15th, 1963, Brother Branham took a message titled, **ACCEPTING GOD'S PROVIDED WAY AT THE**

END TIME. Saints, you have to see that this message title in itself is very interesting, and most instructive, for it shows precisely the very objective the Lord has for inspiring his prophet to give us that particular message, and it is to show us God's provided way at this end time; it is to show us precisely the course of the Gospel Light of the SON of God, so that we are not left in darkness as to how the Spirit of Jesus Christ will move in the earth, following His departure from America! Also note, that the very truth which the message title was designed to convey, was not conveyed to us, until the prophet was on the prayer line, waiting for the angel of the Lord to step on the scene, turning it into a divine service. And when the Spirit of the Lord came down into the meeting that day, by the descent of the angel of the Lord, the prophet declared on page 37, paragraphs 279-281: **“Now, in the Name of Jesus Christ, the Son of God, I take this audience under my control, but for the Holy Spirit, by the Holy Spirit, in the Name of Jesus Christ. I ask you, as believers, don't you move. Set still. And you believe that JESUS CHRIST is the same yesterday, today, and forever, THAT I'M HERE**

TO MAKE KNOWN HIS WORKS AND HIS WAYS!”

(Now watch what he says next): **“I been very reluctant on these things, the fifteen, sixteen years I been on the field.”** (He kept something the Lord had revealed to him for about fifteen, sixteen years prior, pondering on it, not knowing how to relay it to his people, knowing the racial bias of his people, the White race, a great bias we still see even today, with the utter brutality and senseless killings of innocent and unarmed African-Americans every day, by the American Police. And what was that thing that Brother Branham kept? Now in January 1963, he laid it out to whomsoever can take it, declaring plainly and categorically): **“BUT THERE'S AN HOUR COMING NOW WHEN SOMETHING IS FIXING TO TAKE PLACE. THE MESSAGE WILL GO TO ANOTHER NATION, ANOTHER PEOPLE”**, (which is ANOTHER RACE). And what race is that? It can give us nothing but the Hamitic race, which is the Black race, and it certainly gives us nothing but the Black race. Please do not take it to the Europeans, for they are not a different race of people to the prophet! He said that the GOSPEL **“MESSAGE WILL GO”** (IN ITS

CARRIAGE), **“TO ANOTHER NATION, ANOTHER PEOPLE”**, which gives us nothing but another race of people, and that cannot be none other than the Hamitic race, which is the Black race! Arguing against that will not make any sense whatsoever, because in the first instance, if you know anything about the Movement of the SUN, you will know that it does not go back on itself, for it does not move in reverse of its course! That is the first point! Secondly, and most importantly, when you consider the most pathetic spiritual state of Europe as we speak, you do not have to be told that there is nothing spiritually edifying for the Bride of Jesus Christ, that is coming out of that continent: Because there is no **“smooth-baked bread”**, FRESH **“Carcase”** of the Word, that is coming from anywhere in that entire continent! Come on! I will not be bothering myself to talk about Ewald Frank of Krefeld Germany, because the man is as empty of revealed truth as an empty carton of milk! And I say that humbly and with respect! He can carry an impressive title around the world as much as he wants to, claiming that he has been sent **“BY HIS COMMISSION”**; but without **“The Fresh kill OF**

THE WORD”, which Brother Branham said again and again, is the true food of the eagles of God, in his message titled, **THE ANOINTED ONES AT THE END TIME**, which he preached in July 1965, such statements are as meaningless to the Elect Bride, as the rock that is on Mars! I say that only because this man claims to be the one who is fulfilling this Brother Branham quote, concerning the racial change in the carriage of The PURE Gospel Message, and I find that a big joke, when the man does not know his left from his right in the revelation of the Holy Scriptures! I have his books and pamphlets! Yes, I agree that the man has the greatest followership, of all the men that are carrying the message of William Branham around the entire globe; but he is the emptiest of these men, tearing down almost every revelation of truth that even our children understand, showing that he is a man who is inspired by the spirit of the Antichrist, which is why he is so Anti-Word! Because to be Anti-Truth; to be Anti-Word is to be Antichrist! Let someone please show me just One Nugget of scriptural Truth that the Lord has opened up for us through that man, and I will apologise! In Chapter 10 of his book

titled, **THE REVELATION, A Book With 7 Seals?** on pages 59-67, Ewald Frank took the Entire Chapter 10 of the Book of Revelation, including verse 7, a verse which strictly relates to the ministry of William Branham, the **“Seventh Angel”** (Star Messenger) to this Laodicean Age, and applied it to the 70th Week of Daniel, long after the Bride is gone, because he sees this **“seventh angel”**, as one of the seven trumpet judgment angels! The man took the **“angel”** in Revelation Chapter 10, verse 7, and tied it to the **“seventh angel”** recorded in Revelation Chapter 11, verse 15, a prophetic verse which relates to the Day of the Lord! My, oh my! What a mess; what a revelatory mess! This man not only butchered up Chapter 10, but he butchered up the entire Book of Revelation! I have to say, Lord have mercy! I will not even bother to touch the utter mess he has made out of the issue of marriage and divorce. So, tell me that the Gospel SUN is shining from Germany, and I will simply reply that it is probably because you are living on Mars! You are in **“cuckoo land”**! Of course, if you have dollars, and you are White, you can acquire a lot of followers, because people are not interested in Truth! This is not a racial

issue though, for it is not about race; it is strictly about the Truth. Yet, it is a fact, that instead of using the yardstick of truth, people have racial bias, and hence, on spiritual matters, they use the colour of a man's skin as their basis, which is why they have much more respect for the White race, than they do for any other colour or race of people, regardless of the truth! So, yes, it is clear that race unfortunately comes into the picture. However, you also cannot deny the fact that God works through race; otherwise, how can you explain the fact that only the Jews, the Shemitic race, were used of God to write the Entire Holy Bible, if God does not work through race? Just how can you also explain the fact that for six long Church Ages, God has used the White race, the Japhetic race, to evangelise the whole world, if God does not work through race? Come on! And of all the three sons of Noah: Shem, Ham, and Japheth, who are the three main progenitors of the entire human race, only Ham has not borne his Input in a Major Way, in the carriage of the Gospel Light. Yet, he bore his Input at the building of the Ark of Noah, and he also bore his Input at the birth of Jesus Christ

our Saviour, for he gave gold to the SON of God in that day, as he was led by the angel of God to Palestine, along with the other two wise men, to worship the Messiah. And we all know scripturally, that *HAM IS IN THE COVENANT*. This truth is why God inspired me to write a book titled, *THE INPUT OF HAM*, for indeed, *THESE ARE THE DAYS OF THE INPUT OF HAM!* And there is no one in any part of this globe, on God's green earth, that can tear down the truth laid out in that book, using the Holy Scriptures. I am waiting for such a man, for we are not here playing games with the Message of Life! That is why I said earlier, that when God used William Seymour, an African-American, to carry the Gospel Light that gave us the Oil Message, a move whereby God restored the Gifts of the Spirit back to the Church, at the opening of this Last Church Age, it was an indicator move. It was a divine sign, that the racial carriage of the Gospel Light was going to change: For just as God started this Last Age with a black man, He will also end it using a black man; but it will now be a black man in Africa, which is the Tabernacle of Ham! That is precisely why the Star Messenger to this Age

made that public pronouncement, declaring: ***“But there's an hour coming now when something is fixing to take place. The message will go to another nation, ANOTHER PEOPLE”!*** And when he said that, brothers and sisters, the Comforter, the Spirit of the Word, was only posting us ahead, in order that we might know the racial change that was inevitably coming, with the carriage of the Baton of the GOSPEL LIGHT! It is to let us know precisely what path the Gospel SUN will take from America, in its final leg, on its way back to the Middle East!

May I add, in order to seal this issue relating to the prophetic pronouncement William Branham made, that whichever the Other ***“nation”*** is, and whosoever those Other ***“people”*** are, on the map of the world, one thing is definite: It is from that very region of the world, that the GOSPEL SUN will return back to Palestine, as revealed in Revelation Chapter 7; for the angel of time, the angel carrying ***“the SEAL of the living God”***, being the one ministering the Anointing, and the angel watching over the Gospel, will be leaving that very region, going straight to the Middle East, and he will approach

Israel, flying over the curvature of the earth, from the East. That is most certain! It definitely shows that that nation's regional location, is the course which the Gospel SUN is taking, on its way back from the WEST. You cannot take that quote of **"another nation, ANOTHER PEOPLE"** anywhere, other than to Africa, and neither can you argue against it! That is also precisely why in 1960, whilst preaching on *The Seven Church Ages*, Brother Branham gave us the Jewish Connection, a quote which is tied directly to the route of the Gospel Sun, after it leaves America, on its way to the Middle East. Saints, the open pronouncement the prophet made in that day, plainly shows the course that the Gospel SUN will take, which was why he declared enthusiastically on page 36, paragraph 5, giving us the third prophetic witness: **"Now, when is the Gospel returning to the Jews? When the day of the Gentiles is finished"**, (when Gentile salvation is completed). **"The Gospel is ready to go back to the Jews. Oh, if I could just tell you SOMETHING that is about to happen RIGHT IN THIS OUR DAY"**, (right in THIS LAODICEAN CHURCH AGE); **"THIS GREAT THING"** (Singular, which is THE MINISTRY

OF THE FINAL GENTILE G O S P E L B A T O N HOLDER), **"THAT IS ABOUT TO HAPPEN, WILL CARRY OVER TO REVELATION 11, AND PICK UP THOSE TWO WITNESSES, those two prophets, Moses and Elijah, turning the Gospel back to the Jews. We're ready for it. Everything is in order. AS THE JEWS BROUGHT THE MESSAGE TO THE GENTILES"**, (handing the Baton over specifically to the White race), **"EVEN SO THE GENTILES WILL TAKE IT RIGHT BACK TO THE JEWS, AND THE RAPTURE WILL COME!"**

The principal issue now is this: Who is this referring to? And in what region of the earth is he to be based? Which Gentile race does this concern? Which Gentile race will take the Gospel back? Is it the White race or the Black race? Brothers and sisters, I have to tell you plainly and categorically, that this prophetic quote cannot be taken away or separated from, the quote concerning **"another nation, ANOTHER PEOPLE"**, for they are both related to the same Final Gospel Move of God among the Gentiles, before the Light of the SON of God is returned to the Jews in the Middle East, where it all started, and that gives us Africa! These two prophetic quotes from the

prophet, also tie right in with the vision of the Bread of Life, the Fresh Bread, which Brother Branham often called **"the Fresh kill of the Word"**, because the bread was **"smooth-baked bread"**! This very important aspect of the smoothness of the bread, as I said earlier, shows that it is not only FRESH, but that it also has no odd bits in it whatsoever, being completely free of all creeds, dogma, carnal interpretations, and traditions of men. And according to the prophecy that the Holy Ghost used Raymond Jackson to give, at the Convention of Faith Assembly in September 2003, ALL **"the traditions of man's thinking"** will be completely torn down, by a **"strange"** move of God in the earth. This is to ensure that the Gospel Light that is returned to the Jews in the Middle East, at the hour of the Jewish Connection, is not only Totally Pure, but it is also richer, and much more glorious, than what we received from them, thereby fulfilling the promise of God in Haggai Chapter 2, verse 9, which declares: **"THE GLORY OF THIS LATTER HOUSE SHALL BE GREATER THAN OF THE FORMER, saith the Lord of hosts: and in this place will I give peace, saith the Lord of hosts."** Brothers and sisters, all three prophetic

witnesses William Branham gave, dovetails, for they all synchronise to give us the particular direction the Gospel SUN will take, following its exit or departure from America. And what is more, the Lord Jesus used Raymond Jackson, the Last White Gospel Baton Holder, to show us precisely the region where the Gospel SUN is going, in its final leg, right after his departure, leading to the rapture. He pointed openly, directly, and categorically to Africa, and his open testimony was also preceded by a prophetic utterance by the Holy Ghost to that very effect. So, I ask you: What are you going to do with Truth? For I must keep warning: **THESE ARE THE DAYS OF THE INPUT OF HAM!** And even if you still have a problem with the direction pronouncements which both Brother Branham and Brother Jackson made separately, despite the fact that they are Two Major Standard bearing ministries for the end time Bride, two men who carried the Baton of the Gospel Light successively, for the universal Bride, and who are the last vessels of Jesus Christ from the Japhetic race ever to carry the Baton of Truth, Why do you not just consider the fruits of something, so you can see something?

Exactly! You should be able to test the fruits of something, before you reject and condemn it; for it is written that by its fruits, something is known! If you think those open prophetic declarations do not mean what they say, then, just consider the incredible amount of the Light of the SON of God that is coming out of Africa today, at this very end of Gentile time! Come on! It is strange indeed, for it has never happened before, that God will use the Hamitic race to show the Gospel "Way" for the universal Bride of Christ! This is **"THE WORK... which is established many miles away"** (IN AFRICA), as spoken of, by the Holy Ghost at Faith Assembly, in April 2004; the work God declared in that prophecy, warning: **"It is of MY HAND; yea, it is of MY WORK, that I have brought it about... And I say, IT IS MY MASTER PLAN!"** Brothers and sisters, I challenge you to test it, because the Lord has given us untold Nuggets and Nuggets of Truth, the Fresh meal of the Word, things buried through time, within the pages of the Holy Bible, which the Spirit of Christ has opened up for us today, so much so, that we are battling to bring them out in the Scribe Magazine! Saints, let me tell you now:

We are not in want of messages to go into the Scribe: We are in want of time and money to produce them, for messages abound galore, opened up from the pages of God's Holy Writ, which is the Bible! That is proof, solid and irrefutable proof, that the GOSPEL SUN is now in Africa, and is shining brilliantly from Africa, to the entire world, to positively affect the universal Bride, before it leaves this shore, moving straight to Israel! That is precisely why there has never been a day like this day; and there has never been a time that shines so bright! I say that because we are certainly carrying an unparalleled Light of Jesus Christ, a magnitude of Light that is way above what any other vessel of clay has ever carried, from the very beginning of Christendom, as we have Everything that the Lord Jesus has given ALL through time, PLUS present tense Truths, ALL making up what Apostle Peter calls, **"THE PRESENT TRUTH!"** And it is nothing but the FULL Light of the **"DAY STAR"**, Jesus Christ, the S-O-N Light of God, shining forth with brilliance at this evening of the Grace Age, this ending time, fulfilling the prophetic promise God made through Prophet Zechariah, **"that at evening time IT SHALL**

BE LIGHT”! And what a Light we now have! What an incredible Light! God be praised on high! That is why The Truth is going forth today, in this Last Gentile move, with absolute clarity and depth, for Truth is presented in total simplicity, so much so, that anyone with a true love of Truth in his or her soul, can easily log on, and be established, as there is no ambiguity to the presentation of the Gospel Truth of Jesus Christ! Brothers and sisters, that is proof that the Light of the SON of God is now in Africa! That is solid and unquestionable proof, that the Gospel SUN is now **IN** Africa, and shining **FROM** the region of Africa! And as I stated earlier, the Natural SUN does not cover everywhere all at the same time. It covers the earth in its progressive Movement, and that is also precisely how the Gospel SUN works. God has always dealt with the people of the earth, from a region, a specific region, based upon the Movement of the SUN. He has dealt with us from the Middle East. He has dealt with us from West Europe. He has dealt with us from America, in the Extreme West. And now, He is dealing with us from Africa. What is difficult to see in that? And what is objectionable in that, IF the Truth of Jesus Christ is really what we want?

Can you change the programme of God? And will your unbelief hinder God? Saints, the Movement of the Gospel SUN has always followed the same pattern as the Natural SUN, for God does not change! And that is the beauty of our God, for it gives certainty and dependability, as there is absolute consistency in God. That is why the light of the Natural Sun does not reflect on every part of the earth all at the same time. It moves in a slow constant progression on its course, around the world. And as it is moving on its course, the regions of the earth on its path are lighted, and the rest are in darkness. Now the Spiritual SUN of God is in Africa, which is why there is Light, so much Light, absolute Light, in Africa. It is exclusively because the Pure Gospel Light of the SON of God is here. Are you listening to me? Now come with me, for you must see something, as there is no counsel against the truth. Do not forget that we are dealing with **THE SUN AND THE GOSPEL MOVEMENT.**

Brothers and sisters, when we take a close look at the map of the world, which we have on our chart, in considering the course or route the Gospel SUN will take on its journey back to the Middle East,

particularly since it is related to the course of the Natural SUN, for the Gospel Movement follows the Movement of the Sun, there are only Three main routes that we can consider. I say that because, although there are four routes we could consider, the fourth being through Japan and China, which is the China Route; there is no point even considering it, since that region of the earth have never opened themselves up to God, or to the Gospel. Exactly! For as we speak, not only are Christians being seriously persecuted and repressed in Communist China, but also, that region of the world has no belief system, being in the main, a most liberal minded, atheistic race of people! They do not even allow Buddhism, as false as that religion is, for they have no God belief of any sort, which is why they are repressing Tibet and their Dalai Lama, who now lives permanently in exile! That is a notorious fact, and as such we lay aside **The China Route.** There is no point even considering it, and as I said, this leaves us with only Three routes that we can consider on our chart, as the possible route that the Gospel SUN can take from America, on its way back to the Middle East. The First Route is what we have traced out in

red on our chart, which gives us a reverse route, the Sun going back from America through the Atlantic Ocean, to West Europe, and then back to Palestine. That is the first route to be considered, for that is the route that Ewald Frank would have us believe is the course the Gospel SUN has taken, following the death of Brother Branham, as he does not even see the place of the chief apostle, despite the enormous measure of Bible Light Raymond Jackson carried for the universal Bride, for about four decades, Thirty-Nine years to be exact, from the continent of America! Unfortunately for Ewald Frank, a fundamental law of the Sun, is that it never moves in reverse, for it does not go back on its course. It never does, as it follows a constant and consistent trail! Please do not go to the Book of Prophet Isaiah to knock this rule, otherwise, you will goof! In the days of Prophet Isaiah, King Hezekiah was **“sick unto death”**, and by the Word of the Lord through Isaiah, he was told to prepare his house, for he was certainly going to die. But on his bed, he turned his face to the wall, and prayed earnestly to God, and God asked Isaiah to turn right back, and to tell Hezekiah that he will not die, and that he will

go up unto the house of the Lord on the third day, for the Lord had added 15 extra years to his time. We find this recorded, not only in the Book of Isaiah Chapter 38, but also in 2 Kings Chapter 20, and we will first take the latter Book, that is, 2 Kings Chapter 20, beginning from verse 8, which provides: **“And Hezekiah said unto Isaiah, What shall be THE SIGN that the Lord will heal me, and that I shall go up into the house of the Lord the third day?”** (Hezekiah wanted a supernatural sign from God as confirmation, that he would truly be healed. In giving him a sign, God gave him a choice). **“And Isaiah said, This sign shalt thou have of the Lord, that the Lord will do the thing that He hath spoken: shall the shadow”** (of the Sun) **“go forward ten degrees, or go back ten degrees? And Hezekiah answered, It is a light thing for the shadow to go down ten degrees”**, (on its continuous downward course): **“nay, but let the shadow return backward ten degrees. And Isaiah the prophet cried unto the Lord: and He brought the shadow ten degrees backward, by which it had gone down in the dial of Ahaz.”** Now come with me to see how the Book of Isaiah records this very event, in Chapter 38, for it

brings clarity to it in verse 8: **“Behold, I will bring again the shadow of the degrees, which is gone down in the sun dial of Ahaz, ten degrees backward. So THE SUN returned ten degrees, by which degrees IT WAS GONE DOWN.”** Church, remember that it was Hezekiah that asked for a sign, a supernatural sign, and as such, we are not looking at a normal, ordinary, everyday course of events, but a one off supernatural event. Secondly, also remember that in that day, the Sun had already started going down, showing that the Sun had already Set, and hence, Isaiah records that the Sun **“WAS gone down”**, meaning that it was already going out, in order to pave way for the moon! Hezekiah did not want God to speed its downward movement, because he may still entertain doubts, as the downward course is the usual course of the Movement of the Sun, once it sets, at the end of its journey. Rather, he wanted the Sun to be reversed on its downward course by ten degrees, making it move backwards, an event that no doubt, takes only God to accomplish. What God did was to make the Sun reverse its downward course, just by ten degrees, a move which did not take the Sun away from the

Western region of the land of Israel in that day, for it had already Set! It was its going out, (its going down), that was reversed by ten degrees, and that was momentarily, for it was only a sign for Hezekiah! And once the Lord performed this sign, sufficiently for Hezekiah to be convinced of the promise of God, the Sun simply slipped behind the Western horizon, and it was gone, to re-appear in the East the following morning. So, how anyone will take this lone supernatural event, where the course of the Sun was reversed solely in its going down, one that was done for just a few minutes, and make it into the normal course of the Sun, when we all know that the Sun does not move in reverse, is what I cannot understand! But then, and as it is written, "Not all men have faith"; which is why they believe a lot of strange things in Christendom, being an apostate world! Inordinate ambition and sheer pride, is what makes men peddle all sorts, for as Brother Jackson often stated, "Gentiles are a foolish people!" Therefore, let everyone know assuredly, THE SUN DOES NOT MOVE IN REVERSE OF ITS COURSE; it definitely does not go back on itself. Consequently, the European route will not

work! Church, is it not even strange that today, the vomit of the heathens of Africa, like having tattoos, body piercings, and body modifications, and all those pagan things, have now been picked up by the Japhetic race, and made into Multi-Billion Dollar enterprises? Everywhere you go in the Western world, there are tattoo parlours/shops galore, for it is big time, as everyone is now tattooing! The vomit of Ham, the White race has lapped up, and made it into something to be desired, for they glamourized it. So I ask you: When the Japhetic race has given himself over to become God haters, and haters of all that God represents, and they are now squarely positioned to fight Jesus Christ at his physical coming, just where is the True Gospel Light shining from in that continent? Where is the Gospel SUN in Europe? You say the Sun went back there. So, then, where is the Light; where is its Light? Show me the Light, because wherever the Sun is, there is Light! For in Genesis Chapter 1, God gave it the power of Light, to give Light wherever it reaches, as verses 15-16, clearly and firmly states: **"And let them be for Lights in the firmament of the heaven TO GIVE LIGHT UPON THE EARTH: and it was so.**

And God made two great lights; THE GREATER LIGHT TO RULE THE DAY..." So where is the Light of the S-O-N of God in West Europe? As I said before, for us to even consider that the Gospel SUN went back on its course to Europe, which is utterly impossible and is even denied, YOU MUST SHOW ME JUST ONE NUGGET OF BIBLE TRUTH THAT HAS COME OUT OF WEST EUROPE, SINCE THE DEATH OF BROTHER BRANHAM! So, Church, on two counts; or for two solid and irrefutable reasons, the fact that in the course of the Movement of the Sun, it never goes back on itself; and secondly, the very fact that there is not one speck of Further Light, Fresh Bible Light, that has come out of that whole continent since Brother Branham passed away, proves that the European Route is totally out of the question, and as such, we cancel the European Route; for all these regions have given themselves over to Satan, and to his spirit of perversion, which is why they have become a race of God haters. Consequently, when we consider the first route portrayed on our chart in red, brothers and sisters, that route is definitely out, for it is cancelled. Therefore, we lay aside The European

Route, for it is an impossible route. Full stop!

The second route we will now consider, is the Arctic Route, which is the route we have portrayed in purple on our chart, going through the Arctic region of the world, right at the very top of the globe, passing through Greenland, and across the Arctic Ocean, on its way back to the Middle East. We want to consider whether the Gospel SUN went through the Arctic Route, passing through Russia, to get back to the East. (Brother Amos points to the chart). It is a possibility, and we want to take a look at it. But Church, let us look at this possibility seriously. Do you know why it is called the Arctic region of the world? It is the northernmost area of the earth, and it is also the freezer of the world, for it has long, cold winters, with short summers, summers which are even cool! Those mountains, those giant mountains of solid rocks of ice; water frozen into solid rock; great and high mountains of solid ice, have been there for unknown centuries of time, millions of years, for they have been there since the ice age, when God judged this planet with ice, wiping out the Pre-Historic world. Brothers and sisters, the very cold and freezer-like state of the Arctic region,

shows that the Natural SUN does not take that course. Can I hear Amen? Yes! The irrefutable evidence of the obvious state of the Arctic region of the earth, notoriously confirms the fact that the Sun does not follow that route on its course! That area does not see the Sun enough to make any difference to its viciously cold state! And if the S-U-N of the planet does not take that route, of course it has to be cold! That is why the Arctic region is a great expanse of frozen land, for it is an "Ice Land"! The truth is, today the world is crying, because the mountains of ice are thawing for the first time, and some warmth is now getting there, as the melting ice is creating the ocean to rise, and causing all sorts of things; all because there is global warming. It is not even because the Sun is really hitting that region; it is the effect of the heat of the Sun that is coming to it from other regions of the earth, on account of global warming, that is causing the mountains of ice to melt! Do not forget that the Gospel SUN follows the N a t u r a l S U N . Consequently, brothers and sisters, you must know that this route is out. Moreover, if we have to pass through Russia, all we have in Russia is the strong man of Russia, Vladimir

Putin, who does not want true Christianity anywhere around him, to defy his socialist-communist authority, which demands total allegiance, an idolatrous allegiance which true believers will never give; for our total allegiance is to God. There is no Gospel Light in Russia, for Russia is married to her vodka. I do not say that to belittle the Russians, but I say that on a light side, because it is the truth that they love vodka; it is their drink. The truth remains, brothers and sisters, that there is absolutely no Gospel Light in Russia, and I am speaking about the Light of the SON of God, and you all know that! All that the Communist Party of the Russian Federation will allow, is the Russian Orthodox Church, which is nothing but paganism, covered up with a Christian flavour, and it is no threat whatsoever to the Communist Party, which even backs it up, and finances it. Spiritually speaking, Russia lies in gross darkness as we speak, so much so, that her atheistic spirit is exactly what Satan will use at the end of the Millennium, to instigate a global rebellion against the camp of the saints, and of Jesus Christ in Jerusalem, which gives us the bloodless War of "**Gog and Magog**", recorded in the Book of

Revelation Chapter 20, verses 7-9! Moreover, we all know that wherever the Sun is, there is Light, for the Sun cannot give anything but Light. We cannot have the Sun shining in Nigeria, and on Nigeria, for instance, and for there to be darkness at the same time. It is impossible! The Sun of the earth has never lost its light; and it has been burning for millions and millions of years, and yet, it still continues to give light: Because it is nothing but Light, and so is Jesus Christ the Light of the world! Church, having considered the Arctic route, and seeing that we have no Gospel Light burning in Russia, we have to cancel the purple route, for it is no route. Therefore, we lay aside **The Arctic Route**, for it is not in the path of the Gospel SUN. That gives us only one more route, which is the Third route, and indeed, it is not only the final option, it is also the only viable option, and it is The ROUTE. I have to say it like that, because if we cannot go back through Europe, and we also cannot go through the Arctic region, then there is only one route left to take: That leaves us with nothing but the African route, for the Gospel Light of the SON of God must return to the Middle East! Apostle John already saw the particular entrance that the angel of

time, the angel of the Covenant, made into Israel, for as recorded in Revelation Chapter 7, he saw him ascending into Israel **“from the East”**, flying over the curvature of the earth, having **“the Seal of the living God”**. We have a message in the Scribe Magazine dealing with this particular angel, titled, *THE ANGEL OF TIME: WHO IS HE?* We are tracing his route, to determine precisely the pathway the angel who watches over the Gospel, and who directs its course, will take to get back to Israel with the Gospel Light, in order to usher in a new day, bringing revival to Israel, having left the shores of America with the Gospel Light and Seal. As I said before, the present apostate and incredible spiritual state of America, is proof that God has left America, with the passing away of the chief apostle of this end time. Brothers and sisters, the SUN must return to the East; and since it must and will return to the East from the West, there has to be a route for it, and there is definitely a route for it, a specific or particular route, one which constitutes The Route, the SUN's exclusive return route to the East, from America. Since there is only one other possibility, which is the only true possibility, therefore, it has

to be a route that we should all be able to see. I say that simply because the presence of the SUN, just like the presence of the SON of God, cannot be hidden: The Sun never hides its glory, so that everyone can see it, even from afar! Consequently, brothers and sisters, I do not care how you want to look at it; one thing is definite: In laying out the course or the route of the Gospel SUN to the Middle East, from America, you have to come through Africa. How many see the point? And I also do not care how far South you want to go, in laying out your route on your chart, what is important is that you come through Africa. However, the truth is, in drawing your route, there is no point coming too far down with it, until you cross South America, because there is nothing happening in South America, scripturally speaking, to cause any attraction to it, as the possible place from where the Gospel Light is shining, on its way back to Palestine. That is the truth! From the Northern part of South America, right down to the Southern part of South America, they are all Roman Catholics, in the main. They are all sold out to the Pope of Rome, and to the Roman Catholic system, because they were all colonised by the

Spanish. The Bishop of Rome of that day, Pope Alexander VI, who happened to be Spanish-born himself, gave Prince Ferdinand and Queen Isabella of Spain, the whole Continent, for the glory of the Church of Rome! The Portuguese later fought over this great concession, and a portion of that continent was allotted to them as well, and that is how the Portuguese took over Brazil, for instance. The concession the Pope gave to the Spanish, is why to this very day, the whole of South America speaks Spanish, in the main, because they were colonised by the Spanish. When Christopher Columbus was embarking on his expedition to America, the British would not fund his expedition, and this made him turn to Spain. Queen Isabella agreed to fund his expedition, and he discovered the new land. Brothers and sisters, Queen Isabella asked the Pope, *"Give me this whole continent of South America, and we will conquer it in the name of the Church of Rome, and make them all Roman Catholics."* The Pope gave her everything, and that is why, as we speak, the whole of South America are Spanish speaking, and also Roman Catholics, in the main. I keep adding *"in the main"*, because they are

not all Spanish speaking, and neither are they all Roman Catholics, because there are certainly other faiths there today, including the Pentecostal organization. Consequently, there is no Gospel SUN shining there, to attract the universal Bride to that region of the world, that they may log on to Christ in the Continuous flow of his divine scriptural revelation. It simply means, and it is the absolute truth, that once the angel of the Covenant departed from the coast of the United States, at that extreme West, he made a detour South, coming directly to Africa, with the Gospel Light of the SON of God, and may I announce to one and all, that the Gospel SUN is here; it is right here in Africa.

Brothers and sisters, when the Gospel Sun was moved away from America, at the time the Lord called the chief apostle, his Last Gentile **"Candlestick"** from the White race, home, God came straight to Africa, for the Gospel SUN moved directly to Africa, on its way back to the Middle East, and the Lord gave the Baton of the Gospel Light to John, the Lead Apostle of Revelation Chapter 10, verses 8-11. This gave us the African Route, which is the green route on our

chart, as that is the divine route to Palestine from America. That is the precise course that the Gospel Sun is taking to the Middle East, having left the shores of America. Therefore, we have to tick, and we have ticked, the African Route. And may I add: ***"He that hath an ear, let him hear what the Spirit saith unto the CHURCHES"***, for we must know what God is doing in the earth, in furtherance of His universal plan of salvation, particularly in its conclusion. The SON of God in his Gospel Light, moved to Africa. Consequently, you must know that Michael the archangel, the angel of the Covenant, is right here in Africa today in the spirit, that is, behind the scenes, watching over the progress of the Gospel Light of the SON of God, shining forth from Africa to the ends of the earth, shining to wherever the Elect Bride saints of God may be located on this globe. Our map is too small, and the nations are too condensed, to allow us to highlight some of the things relating to the Middle East; for we can hardly see the Nation of Israel on the map. (Brother Amos points to the chart). But we have

highlighted the Nation of Nigeria on the map of Africa, for the Spirit of the SON of God is here; **“the SUN of righteousness”** is right here in Africa, as we speak, on his way to the Middle East, because Africa is God's Last stop for the Gospel SUN, in the Gentile world. The Baton of Truth has now passed into the hands of the Hamitic race of the Gentiles, who in turn, **“will take it right back to the Jews”**, and as William Branham further declared, then **“the rapture WILL COME.”** Saints, what God is doing in Africa today; what God is doing in the Tabernacle of Ham today; the Great Light of the Gospel SUN that is shining IN this continent, and FROM this continent, is proof in itself, of precisely where the Gospel SUN is, and the course that it has taken, and we have **“Thus saith the Lord”** through Brother Branham, as well as the inspired prophetic testimony of Raymond Jackson, confirming this truth. And more than anything else, we have the witness of the Scriptures, which is the principal and overriding witness: It gives us the Lead Apostolic Ministry of the Hamitic John, who carries the Plumb-Line of the Gospel

Light in its Continuing AND Concluding Leg, and who will take the Plum or the Baton of the Gospel back to Israel, as recorded in Revelation Chapter 10, verses 8-11, right through to Revelation Chapter 11, verse 1. And having given you all these divine witnesses, I have to ask: What else do you need? Because the greatest vindication anyone can have, is the vindication of the Word of God! Moreover, and as I keep emphasising, brothers and sisters, the Fruit of what is happening in Africa today, is the open evidence of what God is doing, and it tells us precisely where the Light of the SON of God is. Because wherever the S-O-N Light of God is, there must be LIGHT THERE! I said there must be Light there, and there is Light in Africa! That is why in Africa today, Bible questions are being answered. Questions that all through time no man had any clue to, but today, in Africa, and by the grace of God, we have the answers. That is solid proof, for the Gospel Light testifies of itself, as it speaks for itself! The fact that we now know things Apostle Paul did not know in his day; the fact that we now know things Apostle

John did not know in his day; the fact that we now know things Brother Branham did not know in his hour of time; and the fact that we now know things Brother Jackson also did not know in the days of his ministry, and can easily and clearly answer from the pages of the Bible, is proof, solid and irrefutable proof, that God has turned the Gospel Light on here in Africa. It is open evidence that God has chosen the African Route, for the Gospel SUN is now shining mightily here! The Light of the SON of God is in AFRICA! And the very fact that the Gospel SUN is shining gloriously in Africa today, lets you know exactly where God is; it lets you know the precise region the Gospel SUN is! Halleluiah! And naturally speaking, Africa is a warm place, because it receives a lot of SUN, more than any other continent on this planet. If only we had responsive and responsible governments in Africa, we would have no problem with electricity, because we have enough S-U-N light in Africa, to generate sufficient Solar energy across Africa. The Western countries who use Solar, do not have our volume of Sunlight, and

yet, we who have an enormous volume of Sunlight, do not have Solar. May the Lord have mercy on our miserable, selfish, self-centred, greedy, and useless leaders! I say that just to make a point, for Africa enjoys an over abundant supply of Sunlight. That is a notorious fact! And that being true in the natural, should let you see that the Gospel Light of the SON of God, also has to move to Africa, before it can return to the Middle East. May God help me this morning. Brothers and sisters, there is only one course the Gospel Sun can take to the Middle East, and that is this African route, this green route on our chart. No wonder, when the angel with the **"Seal"** of the Gospel leaves Africa, it is very easy for him to enter Israel, just like that! How many see the point? It is so easy, because Africa is joined with the Middle East from Egypt, and you know Egypt is right there at the edge of Africa, and is part of Africa. How many are listening to me? So all he needs to do is leave Africa, moving across Egypt, and he will enter straight into Israel, approaching from the other side of Jordan, and the revival of the

Nation of Israel is ignited. As the eagles of God, the Bride of Jesus Christ, we have the mind of Christ, much enough to know the things of Christ, for we cannot be in darkness concerning what the Lord is doing in the earth on our behalf, particularly in these dangerous final hours of Gentile time. The Movement of the Gospel Sun is patterned after the Movement of the Natural Sun; and the proof of the present location of the Gospel Sun, is the powerful Light of the SON of God that it gives or emits! And in Africa, that Light is shining gloriously today for the very first time. Therefore, if anyone in any part of the globe is interested in having the Gospel Light of the SON of God, that he may become part of the Bride of Jesus Christ, he will have to look to the Tabernacle of Ham, for that is the region where Jesus Christ is dealing with the universal Bride. Take it or leave it, the Truth is the Truth! And all through time, God has never dealt with the whole world, by working or moving from the whole world, all at the same time: He has always dealt with the whole world, from a particular region of the earth. So you have to

understand this morning, brothers and sisters, that when considering the charted course, the divine route the Almighty God has sovereignly mapped out, for the Gospel Sun to go back to the land of Israel from America, that route is through Africa.

Now come with me to consider a material Scripture; you just have to see this truth, for we are on holy ground. *THE SUN AND THE GOSPEL MOVEMENT*, is a beautiful truth that cannot be denied, scripturally speaking, as it is God's Truth, one that lays out the regional Movement of the Gospel Sun, and its racial carriage. Brothers and sisters, it is either that people are forgetting, or they are just not getting, that there is a great divine glory that the Gospel Sun carries, a divine glory that follows the True Light of God; that wherever the Gospel SUN is stationed or located, God's glory must be expressed in that region, spiritually speaking. This is so, most especially now that the Gospel Sun is on its very Last Leg in the Gentile world, a leg which carries an ending divine glory, and I say that on the full authority of Ecclesiastes Chapter 7,

verse 8, which clearly declares: **"BETTER IS THE END OF A THING than the beginning thereof."** For even in its spiritual application, **"better is the end of a thing"** INDEED! It is the Truth, whether we want to consider the marvellous unveiling of the Word of God at this evening time, the Great Explosion of Light we are enjoying, or we want to consider the open miraculous display of the Spirit of God, the miraculous working of the Holy Ghost power that will follow the Gospel Sun: For on all counts, the end of the Gospel will be most spectacular! And on account of the ending glory that follows the Gospel Sun, is the reason the scriptural Light of Jesus Christ is shining with such unparalleled intensity in Africa; and only God can do this, and as such, you should see God in something! That is precisely why in the Holy Bible, God gave us a definite promise, one which devolves directly upon the message we are taking today, recorded in the Book of Prophet Malachi Chapter 1, verse 11, and it plainly states: **"For from the rising of the SUN even unto the going down of**

the same MY NAME SHALL BE GREAT AMONG THE GENTILES; and in every place incense shall be offered unto my name, and a PURE offering: for my name shall be great among THE HEATHEN, saith the Lord of hosts." Church, I ask: What "Sun" do you think the Lord is referring to in this verse? You are looking at the Gospel Sun, Jesus Christ the Light of the world; for the Lord God is using the Natural Sun to speak of the Spiritual SUN, which is Jesus Christ in his divine scriptural revelation. Yes, the verse can be applied in a general way, to mean that God's Name will be greatly honoured in all ages among the Gentiles. But you must not forget, that in the day Prophet Malachi gave this prophecy, we Gentiles were still worshipping all sorts of idols and creeping things, for we were without God in the world, and as such, this Scripture could not yet apply. This lets us see without any doubt, that this Scripture is a prophetic one, and like Malachi Chapter 4, verse 2, it also speaks of the Grace Age, the Gentile Dispensation of Grace, which started on the Day of Pentecost, at the

Rising of the S-O-N Light of God, and which ends at this **"Evening Time"**, in this Laodicean Church Age, at the Going Down of the S-O-N Light of God, which is precisely at SUNSET. This prophecy therefore relates to the same **"Sun of righteousness"**, which Chapter 4, verse 2, also speaks about, for the term or the word **"Sun"**, can be used interchangeably to mean the **"Son"** of God. Consequently, in this passage of Scripture, that is, Malachi Chapter 1, verse 11, we are given an infallible Word of promise, of a great divine glory of God, one that is to accompany the Movement of the Gospel SUN: **"For FROM the rising of the SUN even UNTO the going down of the same, MY NAME SHALL BE GREAT AMONG THE GENTILES..."** This divine glory being an infallible truth, for it always follows the Gospel Sun, in considering the present location of **"the SUN of righteousness"**, which is the Light of the SON of God, the Gospel SUN, all you need to do, is simply look for a glorious move of God in the earth, outside of the West, expressed in the deep and extremely rich unveiling of the Truths of

Jesus Christ, contained in the Holy Scriptures, thereby making the Bible absolutely plain. Look for the region where the deep things of Jesus Christ, things which have been buried through time in the Word of God, are being unveiled for the universal Bride: The region where we have such an explosion of divine scriptural revelation, where Nuggets and Nuggets of Bible Truths are being opened up, that is precisely where the True Light of the SON of God is! That is the very region where the Gospel SUN is! It is that simple! If you will be sincere and honest with yourself, you cannot take it away from Africa, for that glory of God is here, the glory of the revelation of the Word of God, which is why Truth is being made plain. And when we even consider the supernatural move of God, expressed in unusual signs and wonders, giving us the open visible miraculous, IF that is what you are looking for to determine something, all I will ask is that you just wait a little while longer: For you have never witnessed such a power display; you have never witnessed such an outpouring of the Spirit of God, as you will see God do in this our day, a power

move which will break out directly from the continent of Africa, to the various nations where the Bride saints are located around this globe. For if the Gospel Sun that burst forth on the Day of Pentecost in Jerusalem, came with such great supernatural glory and power; and when it passed to the Gentile Nation of Ephesus, there was also a mighty and a glorious open moving of the Spirit of God in special miracles; and furthermore, when the Gospel Sun also crossed into America, God moved in powerful and astounding ways, to confirm His Word: How much more will God move today, in mind boggling and incredible ways for the Bride, especially in Africa, when the Gospel Sun is on its very Last Leg, in the Gentile world, on its way back to the Middle East! Just think about it! However, I must warn that I am not preaching this message in order to establish a doctrine; but rather, it is simply to show what God is doing in the earth today, and the precise region from where He is doing it. And IF you are truly a believer, you certainly cannot think that God is not doing anything in the earth today, for the universal

Bride, other than sitting down, eating and re-eating the same old stale meal! Certainly He must be doing something in the earth, in furtherance of His Great Plan of universal salvation, particularly since the Bride of Christ is still here! That is the point, and this message is simply showing that! Full stop! You just have to see the Gospel course, for there is no doubt, that the Lord Jesus is now revealing himself from Africa, to his universal Bride, in the power of his revelation, and it is the ending glory! Brothers and sisters, I must keep emphasizing, that the *i n f a l l i b l e* and unquestionable evidence of where the Sun is, on its journey back to the Middle East from America, is that wherever it is located, there is absolute Light in that region; because all that the SUN gives is LIGHT! And indeed, wherever the SON of God is, in his divine scriptural revelation, there is absolute Light; because all that the SON of God gives is LIGHT; for as it is written: *"HE IS THE LIGHT OF THE WORLD"*! Light just cannot be hidden, for as Jesus infallibly declared in Matthew Chapter 5, verses 14-15: *"... A CITY"* (and A NATION) *"that is*

set on an hill", (in order to give Light to the world), **"CANNOT BE HID.** ***Neither do men light a candle, and put it under a bushel, but on a candlestick; and it giveth light unto ALL that are in the house***" (of God, which is the Universal Bride Church). Therefore, there can be no arguments as to the current region where the SONLIGHT of God is shining from, for all you need to do is to look, and consider the region that is having the Pure Light of the Word of God, and you can tell precisely where the Gospel SUN is; except you are totally blind! And even if you are completely blind, you should still be able to feel the heat of the SUN, for the SON of God has divine heat; and that is what creates the stimulation of revelation that burns in the souls of God's predestinated children! It is that simple and plain, as John Chapter 1, verse 19 reveals: The SON of God is ***"THE TRUE LIGHT, which lighteth Every man that cometh into the world."*** Why do you think Jesus Christ stated prophetically and emphatically, in Matthew Chapter 24, verse 28: ***"For wheresoever the carcass is, THERE WILL THE***

EAGLES BE GATHERED TOGETHER"? It is because, ALL true eagles of God feed on nothing other than the Fresh kill of the Word, the Fresh ***"Carcass"*** of Truth; God's Fresh ***"Manna"*** from above! Consequently, there is absolutely nothing the devil or any man can do, to shield the SONLIGHT of God away from the Elect Bride saints, the true Eagles of God, wherever they may be stationed around the globe, for they are people who have received, and are being propelled, by the Anointing of ***"A FLYING EAGLE"***. They log on only to revealed truth! In addition, whichever ***"Candlestick"*** Jesus Christ is currently using, with the departure of the Gospel Sun from America, will have the total revelation of ALL Ages, **plus** Present Tense Light, the ***"Smooth-Baked Bread"*** of the Master, served in the Mountain of God! And may I say, that Nobody has the understanding of the Old Truths, like the Last Gentile Gospel Baton Holder! He understands the Message of Christ like no other man on this planet, **being the Ministry of Continuity AND of Completion**; and hence,

also being the Ministry of the Jewish Connector, through whose ministry, the Pure Gospel Light of the SON of God, goes directly back to the East, and passes back into the hands of the Jews, specifically to Moses and Elijah, in the region where it all started! This cannot be made any plainer, for the evidence of the Sun's location, is in the great Light that it gives. End of story! Come with me to the Scriptures, for I want you to see something, for the Word of God is a fountain of inexhaustible revelation. I want to show you something.

Open with me to the Book of Numbers Chapter 2, beginning from verse 1: ***"And the Lord spake unto Moses and unto Aaron, saying, Every man of the children of Israel shall pitch by his own standard, with the ensign of their father's house: far off about the tabernacle of the congregation shall they pitch."*** Here we are now in the wilderness journey with the children of Israel, a period of time they constituted ***"THE CHURCH in the wilderness"***, as expressed in Acts Chapter 7, verse 38, setting a

perfect type of the True Church of Jesus Christ of the New testament. The Lord God Almighty brought them out of Egyptian bondage with a mighty hand, and here we see them in the wilderness, on their way to the Promised Land, having come out of Africa. As they are encamped in the wilderness, God instructed Moses and Aaron, exactly how the children of Israel in their twelve tribes were to camp. May I say, that Moses did not tell them, "Okay now, you twelve tribes, divide yourselves and camp as you desire." He did not do that! God told them to encamp, and God also determined precisely where each tribe encamped, giving the exact position they were to take, as they encamped around the Tabernacle of Witness, in the wilderness. God held the sovereign choice of their precise place of encampment around the Tabernacle of Witness; for God alone, not Moses, and definitely not Aaron, held this choice, as God did not delegate this authority to them. God reserved to Himself the exclusive right of determining precisely where each tribe settled, or encamped, around the Tabernacle of Witness, and

the next verses we are now going to read confirms this fact. So, please hold this truth in your minds. Watch verse 3: "**And on the EAST side**", (which gives us the side of the breaking of the Sun, the East side) "**TOWARD THE RISING OF THE SUN shall they of the standard of the camp of JUDAH pitch throughout their armies: and Nahshon the son of Amminadad shall be captain of the children of Judah.**" Amen! Now watch, Church. God told Israel in their twelve tribes, to encamp around the Tabernacle of the congregation of Israel, the Tabernacle of Witness. But God determined precisely where each and every tribe was to be positioned around the Tabernacle. And He told them, "*On the Eastern side of the Tabernacle of Witness, JUDAH shall encamp, right there at the place of the rising of the Sun.*" Oh, my! Why was this done? Because the S-O-N of God, Jesus the Christ, will come from the tribe of Judah, and because his Light will also break forth from Jerusalem, in Judah, on the Day of Pentecost, at the rising of the Gospel SUNLIGHT of God! Come

on! Saints, the standard of Judah goes ahead; it goes first. And at the very entrance of the Tabernacle of Witness, Moses and Aaron and his sons were positioned, guarding the gate, because there, headship sits, for headship mans the gate. Oh, my! I can take a message on that topic: *Headship Mans The Gate!* But that is not where I am going. So you see, Judah was positioned right here in the East, (Brother Amos points to the chart), followed by the tribe of Issachar, and then that of Zebulun, as verses 5-7 reveal. But now come with me to verse 18, and it declares: "**On the WEST side shall be the standard of the camp of EPHRAIM according to their armies: and the captain of the sons of Ephraim shall be Elishama the son of Ammihud.**" Verse 20: "**And by him shall be the tribe of MANASSEH**", (also on the West side): "**and the captain of the children of Manasseh shall be Gamaliel the son of Pedahzur.**" Hold it there, brothers and sisters. We know one thing: The East side is at the Rising of the SUN, and the West side is at the Setting of the SUN. The East gives us the rising of the Sun, and the

West gives us the setting of the Sun, the position of both tribes giving us the Sunrise and the Sunset locations. Church, Ephraim and Manasseh were placed right there on the Western side, under their standard. (Brother Amos points to the chart). Someone might ask: "What has that got to do with anything, Brother Amos?" I also asked myself this question: Why did God specify that Ephraim and Manasseh must encamp West? We have to ask, why this divine resolve about location in the encampment, because we all know that God does not do something for nothing, for He is a God of purpose! So, why was Judah to camp on the East, and Ephraim was to camp on the West? It is simply because our God is a God of types and shadows, and by this divine move, the Lord was foreshadowing a spiritual reality we will have in the Dispensation of Grace, for God does not do something for nothing! In his prophetic revelation concerning the New Jerusalem, recorded in the Book of Revelation Chapter 21, Jesus Christ brought out the precise typological application,

which the positioning of the twelve tribes in the wilderness has, three tribes in each of the four regions, East, North, South, and West, as recorded in verses 12-13: "**And**" (the New Jerusalem) "**had a wall great and high, and had TWELVE GATES, and at the gates twelve angels, and names written thereon, which are the names of the Twelve Tribes of the children of Israel**", (whose specific names are listed in the wilderness, as recorded in Numbers Chapter 2): "**On the EAST three gates; on the NORTH three gates; on the SOUTH three gates; and on the WEST three gates.**" Verse 21A, also adds: "**And the twelve gates were twelve pearls; every several gate was of ONE PEARL: and the street of the city was pure gold, as it were transparent glass**"; (the street of gold speaks of the tested and pure revealed faith, that the saints who make up this city walk in). Brothers and sisters, in spelling out the four sides, or the four directions bearing the twelve gates, I want you to note that Jesus Christ also started with the Eastern region, and ended precisely

with the Western region, the two regions we are considering in this message, laid out in Numbers Chapter 2. Please note this fact, for God who is perfect in all His ways, is an unchanging God. And as Raymond Jackson brought it out, the positioning of the twelve tribes in the four regions or directions, shows that the entrance or access into this celestial city had already been established under the Law, and that it will be from ALL regions of the earth, and for ALL peoples (races) in the various regions of the earth, precisely as God had established it in the types and shadows expressed in the wilderness, under the Old Testament. That is the first point! And may I say, that this divine prophetic testimony of Jesus Christ, recorded in the Book of Revelation, reveals and confirms God's divine objective, for the encampment of the twelve tribes in the four regions, around the Tabernacle of the congregation. It does! But that is not all the objective God has for the encampment we see in the wilderness: For we must still consider in particular, the reason Judah and Ephraim were to camp

specifically at the Rising and the Setting of the SUN, respectively. Why did Jehovah ordain that Ephraim and Manasseh should encamp on the Western side of the Tabernacle of Witness in the wilderness, knowing scripturally, that Jehovah reserved that prerogative to Himself? Just consider it seriously, for the instruction of God on the encampment was very specific. Furthermore, God laid out what the location of these two tribes portrayed implicitly (indirectly), when He said very explicitly (directly): Judah was to encamp specifically at the East side, "toward the RISING OF THE SUN".

Now pay attention. Since God took the very thought of the Rising of the Sun, and tied it to Judah's position in the East, depicting (showing) that the entrance into the New Jerusalem starts in the Eastern region, as confirmed in the Book of Revelation, now reading between the lines in Numbers Chapter 2, made me also take the unwritten thought of God concerning the Setting of the Sun, and apply it to the West, in which Ephraim and Manasseh encamped, for it

shows that likewise, the entrance into the New Jerusalem is concluded in the Western region. That is why, in naming the four sides of the New Jerusalem, Jesus Christ ended with the Western side, showing that indeed, the West is the region of completion and conclusion; for what God starts in the region of the East, is concluded in the region of the West. Catch it! Consequently, that Ephraim and Manasseh might camp at the position of the setting Sun, was undoubtedly the reason God asked that they camped West, as it is the region of conclusion and completion! The East carries the rising Sun, which is the starting region, and the West carries the setting Sun, which is the ending region. Yes! Therefore, we all have to realise that the precise encampment instructions for Judah and Ephraim, had to do with the Rising and the Setting of the Sun, for it had to do with the beginning and the end of the plan of universal salvation. Glory be to God! I feel religious this morning! Brothers and sisters, now come with me to the Scriptures, and you will understand why I have

lifted up the encampment location of Judah and Ephraim, along with Manasseh, for it bears heavily upon our message, *THE SUN AND THE GOSPEL MOVEMENT.* We have seen the prophetic importance, the prophetic application, which the encampment of the Twelve Tribes gives us in the Dispensation of Grace. But now I want to further show you the prophetic importance, the application, which the specific encampment of Judah and Ephraim also have, in the Dispensation of Grace. Come with me to the Seed Chapter, which is the Book of Genesis, and we will take a look at Chapter 41, verse 45: ***“And Pharaoh called Joseph's name Zaphnathpaaneah; and he gave him to wife Asenath the daughter of Potipherah priest of On. And Joseph went out over all the land of Egypt.”*** Do not forget, that Joseph was rejected by his brothers, just as Jesus Christ was also rejected by his brethren. And as Joseph went to prison, Jesus Christ also went to prison; for it is written in 1 Peter Chapter 3, verse 19, that ***“he went and preached unto the spirits***

in prison.” Joseph was released from prison, and was elevated to the position of Prime Minister, under Pharaoh, the king of Egypt, and everybody bowed to Joseph; just as Jesus Christ was also released from prison, and was exalted to the right hand of God in heaven, that is, he was seated on the Throne of God in heaven, bearing God's authority, and at the name of Jesus, every knee bows. Furthermore, everything Joseph touched prospered, being a son of prosperity, just as everything Jesus touches prospers, for he is God's Son of prosperity. Lastly, just as Joseph was given a Gentile bride to marry, an Egyptian, so likewise, Jesus Christ has also been given a Gentile Bride, a Bride he is yet to marry, but whom he is coming back for, at the time of rapture, giving us a perfect type. Saints, these facts set Joseph as a perfect type of Jesus Christ, our Bridegroom. But now pay close attention, for the issue is this: Joseph married a Gentile bride whom Pharaoh gave him, Asenath, who was an African lady, an Egyptian, right here in Africa, and at the hour when God had set

a plan in motion to feed the world directly FROM AFRICA. I repeat: Joseph married a wife from Africa, in an hour when Africa was divinely made the bread basket of the world; for it is written in Genesis Chapter 41, verse 57, that in that day, **ALL roads led to Egypt IN AFRICA.** God made Africa a place of feeding for the world, when an acute natural famine ravaged the whole earth in the days of Joseph, forcing the world to come over to Egypt for bread; just as Jesus Christ is also coming back to take a Gentile Bride, similarly in an hour of acute famine, one that is now ravaging the whole earth, for it is raging. But please note that the famine of the end time, is not for bread, nor is it a thirst for water, but it is of hearing the True Word of God! We are looking strictly at spiritual famine, one that is very dire, for it is serious, and one that is consuming the entire religious world as we speak, as recorded in the Book of Prophet Amos Chapter 8, verses 11-12: **“Behold, the days come, saith the Lord God, that I will send a famine in the land, not a famine of bread, nor a thirst for water, but of hearing THE WORDS OF THE LORD:**

And they shall wander from sea to sea, and from the north even to the east, they shall run to and fro to seek the word of the Lord, and shall not find it.” This is the famine that is raging today! And may I also add, that at the time of this serious and most deadly spiritual famine, Africa is once again feeding the world, although it is on a spiritual plane, for Africa has become the bread basket of the universal Bride, and it is all God's doing! However, continuing our thought concerning Joseph and his marriage to an African lady, please move with me to the next verse, Genesis Chapter 41, verse 50: **“And unto Joseph were born two sons before the years of famine came, which Asenath the daughter of Potipherah priest of On bare unto him. And Joseph called the name of the firstborn MANASSEH: For God, said he, hath made me forget all my toil, and all my father's house.”** Manasseh therefore speaks of comfort and reward, and we must hold this fact, for it is instructive. Therefore, being rewarded and comforted, Joseph forgot his father's house at that material time, because

they did not want him anyway. At first, his brothers wanted to kill him, but they ended up selling him into slavery, and with all he went through in slavery in a strange land, including imprisonment for an offence he did not commit, he forgot his father's house, now taking solace and comfort in the prosperity God gave him in Egypt. That is the testimony of God in the Holy Bible! That lets you see that this was his state of mind; but God is faithful, and that is what is important. Because many times, we can write everything off, but God does not forget: He will still come and perform His wonder in our lives, because God is a Covenant keeping God. He is a faithful God, and there is none like Him! Even many times, when we no longer care about something, He does! Do not worry, He will bring everything to pass; His plan for you as an individual, and His plan for the Bride collective: Everything will surely be brought to pass, for God does not fail, and He cannot fail. But He makes things beautiful in His time. Only believe! For even when you do not want something anymore, because you simply lost

hope and the desire for it, He will still bring it at the appointed time, and say, *"My son, my daughter, here it is; here is what I promised you."* So, Joseph had forgotten about his father's house, for the Lord had rewarded and comforted him. Nevertheless, God had a plan, one which would not fail, and one which did not fail. That is that about Manasseh. Verse 52: ***"And the name of the second called he EPHRAIM: For God hath caused me to be fruitful in the land of my affliction."*** Ephraim therefore represents and means fruitfulness, for E p h r a i m i s FRUITFULNESS. Please hold this thought of Ephraim, as well as that of Manasseh, for everything has its divine purpose, and hence, its divine application. Brothers and sisters, so here we have two children born to Joseph in Egypt, Manasseh his firstborn, and Ephraim his second born; two boys who were half African, half Jewish, for they were African Jews in actuality. In other words, Ephraim and Manasseh were mixed race children, and it was all in the plan of God, and we all know that God is sovereign. With Joseph's

experience, God was setting a perfect type of a reality of something, a reality of what Jesus His Son will also experience, because God is the God of types and shadows, and He has the right to set any type and shadow that He wants, because He is the Lord, and He is Sovereign. However, the fact remains that Ephraim and Manasseh have African ancestry, for they were Half Jewish and Half African.

Now come with me to Genesis Chapter 48. In this Chapter, Jacob was about to pass away in Egypt, for he was now old and blind, and news got to Joseph: *"Your father is sick, and he might pass away."* So he came with his two sons to see Jacob, and we will pick up the story from Genesis Chapter 48, where Jacob declared in verse 5: ***"And now thy two sons, E P H R A I M A N D M A N A S S E H, which were born unto thee in the land of Egypt"*** (in Africa), ***"before I came unto thee into Egypt, ARE MINE; as Reuben and Simeon, THEY SHALL BE MINE."*** Saints, this was a sage of Old speaking right here; a prophet of God was speaking here by divine inspiration, an inspiration

that has been vindicated already, and is therefore unquestionable, as it was not something done carnally. So there is no argument about the source of the inspiration, and its infallibility, for it was absolutely God inspired. We will take verse 52 again: **“And now thy two sons, E P H R A I M and MANASSEH, which were born unto thee in the land of Egypt before I came unto thee into Egypt, ARE MINE; as Reuben and Simeon, THEY SHALL BE MINE.”** In other words, they are assimilated as an integral part and parcel of the Nation of Israel, to make up part of the tribes of the Nation of Israel. Look at verse 6, and consider the difference in the divine pronouncement: **“And thy issue, which thou begetteth after them”,** (and Joseph definitely later had other children), **“SHALL BE THINE, and shall be called after the name of their brethren in their inheritance”,** Jacob speaking by perfect divine inspiration. Church, those two boys with African ancestry, were assimilated right there into the twelve tribes of Israel. Elohim confirmed this divine inspiration in Psalm 60, verse 7, as well as in Psalm

108, verse 8, by declaring plainly and categorically in both Scriptures: **“Gilead is mine, and Manasseh IS MINE; Ephraim also is the strength of MINE HEAD; Judah is my lawgiver.”** Did you hear that? The Holy Spirit declared: Manasseh is God's own, and Ephraim is the strength of God's Headship! Yet, all that is having a prophetic typology! Now listen very carefully. Coming back to pick up the precise divine position that God allotted to Judah around the Tabernacle of Witness in the wilderness, He instructed Moses to position Judah, God's **“Lawgiver”,** squarely at the region of **“the Rising of the SUN”.** And indeed, Jesus Christ who gave us the New Covenant, is **“the Lion of the tribe of Judah”,** for he came out of Judah! Brothers and sisters, as I said before, this also implies that there is a place for the application of the Setting of the same Sun, because the Sun does not only rise, it also sets! That was precisely why God now positioned Ephraim and Manasseh in the region or side of **the Setting of the SUN!** So, since the Sun sets, for indeed it must set, I asked myself, who was camped at

the region of the Setting SUN? It was Ephraim and Manasseh! I feel religious this morning! It was Ephraim and Manasseh; and Benjamin was even joined to them on the Western side, as he also encamped under the Standard of EPHRAIM, and all that was setting a perfect type of the Church, which is the universal Bride, for it indicates that what starts with Judah, ends with Ephraim, for it ends with Africa. Glory to God! What God starts with the Jews, the Shemites, on the Day of Pentecost, at the Rising or at the Breaking of the Gospel SUN of God, **“the SUN of righteousness”,** ends at the evening time with the Africans, the Hamitic race, at the Setting of the Gospel SUN. For upon Africa, the Gospel SUN will eventually set, and the SUN will reappear in the Middle East, for the dawning of a new day, for the Nation of Israel! What starts with the rising of the Gospel Sun in the region of Judah, ends with the setting of the Gospel Sun in the region of Ephraim. Glory to God! Brothers and sisters, the encampment of JUDAH and EPHRAIM is an absolutely perfect type, and it is a divine projection orchestrated to show the

Beginning and the Ending Movement of the Spiritual SUN of God. It is to show us in exact terms, precise terms, the two regions of the Earth involved in the rising and the setting of the Light of the SON of God, for it will rise in the East on Judah, and set in the West on Ephraim! Consequently, the placing of Ephraim and Manasseh in the Western region of the Tabernacle of the congregation of Israel, is simply to let us know precisely where the **"SUN"** of God is going to set at this evening time, during the Dispensation of Grace. May I reiterate (repeat), however, that the Gospel Sun has not set yet; but it is surely going to set, and when it sets, it will be right here in Africa. Make no mistakes about that! I am still going to show you the implication and the application of the setting of the Gospel SUN. In fact, I will tell you now, that it is at the setting of the Gospel Sun, that we will make the Jewish Connection, and it will be made directly from Africa, the land of Ephraim, as the race of Ham will take the Gospel back to the Jews. And please listen to this. By the Jewish Connection, the Hamitic race is being re-connected with the Shemitic race, in

furtherance of the prophetic application of the name of Abra-HAM, seven letters, the number of completion, which name the Scriptures reveal in Genesis Chapter 17, verse 5, means: **"a father of MANY NATIONS."** It shows that our God is not just the God of the Jews, the Shemites, but as Apostle Paul declared, He is also the GOD "of the GENTILES", who are made up of Ham and Japheth! The Gospel Message started with the Shemites, in its racial carriage, and it was passed into the hands of the Japhetic race, and it is now ending with the Hamitic race, the people who will now take it back to Shem, in its racial carriage, God joining Ham back to Shem, giving us Abra-HAM, the father of all the faithful! This was why, Ephraim and Manasseh, two seeds who were born to Joseph, a Jew, by Asenath, an Egyptian, an African mother, were divinely incorporated into the Nation of Israel, as an inseparable part and parcel of the twelve tribes of Israel, further epitomising the prophetic meaning of Abra-HAM! And please note that in the Millennium, as well as in the Eternal

Age, Ephraim and Manasseh remain an integral and indivisible part and parcel of the original twelve tribes of Israel, for they are fully restored in the Millennium, thereby vindicating the eternal objective of what went on in the wilderness in that day. Moreover, the fact that in verse 22, little Benjamin was one of the tribes positioned under the Banner or Standard of Ephraim, tells us something! Halleluiah! It was a type, and by it, God was setting a perfect type, because Ephraim and Manasseh represent the Elect Gentiles, which gives us the Gentile Bride, the royal seeds of Abraham, a people assimilated into the commonwealth of Israel, through Jesus Christ, in fulfilment of the Word of promise God gave to Abraham, of universal salvation. Let me take you to the ending days of Jacob (Israel), in Egypt, at the time he was going to bless Ephraim and Manasseh. He said to Joseph, *"Bring those two boys."* Joseph looked at Manasseh, his firstborn; he moved him to his left hand, and he moved Ephraim to his right hand, being his second son, and walked towards his father, so that as they stood facing

Jacob to be blessed by him, which was a prophetic blessing, his right hand would fall upon Manasseh, and the left hand of Jacob would be placed upon Ephraim. But when the two boys were brought near to Jacob, even though he was now blind, he was spiritually very sharp and alert, for he was a prophet of God! His natural eyes could not see, but how clearly he could see with the third eye, which is the eye of faith! And if all you have is your natural eyes, and you do not have that third eye, you can see nothing, and no man can help you to see either. You just need the third eye, for it is the eye of revealed faith. So when the two boys were placed before Jacob, he simply crossed his hands, making the sign of the cross, thereby placing his right hand on Ephraim, and his left hand on Manasseh. He lifted Ephraim above Manasseh, by displaying a prophetic sign, one which would happen through Jesus Christ, right there on the Cross: For by the means of the Cross, the blessing that was to come upon the senior, the firstborn of God, the Jews, came on the junior one, the Gentiles, who came later in time to God. Look at what

that old sage said in that passage of Scripture, in Genesis Chapter 48, from verse 14: ***“And Israel stretched out his right hand, and laid it upon Ephraim's head, who was the younger, and his left hand upon Manasseh's head, guiding his hands wittingly; for Manasseh was the firstborn.”*** It shows that Israel did not have a choice but to cross his hands, so that by the crossing of his hands, the blessing of the senior could come upon the junior, for he did it with the full knowledge of what he was doing. Verse 15: ***“And he blessed Joseph, and said, God, before whom my fathers Abraham and Isaac did walk, the God which fed me all my life long unto this day, The Angel which redeemed me from all evil, bless the lads; and let my name be named on them, and the name of my fathers Abraham and Isaac; and let them grow into a multitude in the midst of the earth. And when Joseph saw that his father laid his right hand upon the head of EPHRAIM, it displeased him: and he held up his father's hand, to remove it from Ephraim's head unto MANASSEH'S head.***

And Joseph said unto his father, Not so, my father: for this is the firstborn; put thy right hand upon his head. And his father refused, and said, I know it, my son, I know it: he also shall become a people, and he also shall be great: but truly his younger brother shall be greater than he, and his seed shall become a multitude of nations.”

Now listen to this, because this is nothing but divine prophetic utterance. Verse 19B: ***“but truly his younger brother”*** (Ephraim), ***“shall be greater than he, and HIS SEED shall become a multitude of nations.”***

That is, the “seed” of Ephraim shall become a multitude of Nations. Let me tell you this today, there is nowhere you can take this verse, except to attach it to Jesus the Christ. You are not hearing me! Who is that singular seed of Ephraim, that will become a multitude of Nations? Remember this is the Spirit of Elohim talking about the seed of Ephraim, speaking through Israel (Jacob). Wake up! Brothers and sisters, you cannot apply this verse, except to Jesus the Christ! He is that promised seed of Ephraim. Come on! His seed can

only be Jesus the Christ, who will become a multitude of nations. This promise cannot be fulfilled, except through Jesus the Christ, because through Jesus the Christ, who is the prophetic seed of Ephraim, a multitude of Nations were produced, for they were brought to the Lord, which is precisely why 1 Peter Chapter 2, verses 9-10, declares: **“But ye are a chosen generation, a Royal Priesthood, AN HOLY NATION”** (of the Bride of Christ, a universal body made up of ALL Nations), **“a peculiar people; that ye should shew forth the praises of Him”** (who is God), **“who hath called you out of darkness into His marvellous light: Which in time past were not a people, but are now the people of God: which had not obtained mercy, but now have obtained mercy.”** Brothers and sisters, we are the royal seeds of Abraham, begotten through Jesus Christ! Yes!

Now I ask you: What does the prophetic pronouncement which Jacob made concerning Ephraim show you, scripturally speaking? It infallibly shows that

Ephraim represents the Gentile Bride, a universal body of saints; which was why Jacob had to give the blessing of the firstborn to him, thereby conferring the salvation blessing of Abraham upon him, as confirmed in Galatians Chapter 3, verse 13-14. Halleluiah! No wonder, in Psalm 60, verse 7, as well as in Psalm 108, verse 8, God declared concerning Ephraim: **“... Ephraim also is the strength of MINE HEAD.”** It is so, because the excellency of God's divine leadership power and glory, which is the strength of God's head, is invested in Jesus Christ, the seed of Ephraim; and through Jesus Christ, the Gentile Bride is also lifted up over and above the Jews, occupying the highest class of sainthood! Brothers and sisters, right here as recorded in Genesis Chapter 48, something serious was taking place. It shows that Ephraim stands in the place of the Gentile Bride, the multitude of the nations which make up the Bride, all who are begotten through Jesus Christ. That is what Jacob saw by the eyes of faith, and he said, **“Ephraim will be greater than Manasseh, and his seed shall become a**

multitude of nations.” That seed is most definitely Jesus Christ, because through Christ, the multitude of Gentile nations of the world are redeemed. But in addition, for it is a scriptural fact, we must not forget that Ephraim, on account of his African ancestry, also speaks of Africa. That is a crucial and most material issue, when we are considering the specific encampment position he occupied in the wilderness! That lets you see that when God now told Moses, **“Put Judah in the East, at the rising of the Sun, and Ephraim in the West”**, which was at the setting of the Sun, it was all setting a type, a perfect prophetic type, God knowing the end from the beginning! For He knew that what He starts in the land or region of Judah, will be completed in the land or region of Ephraim, in Africa; for what God starts in the land of Shem, will be brought to completion in the land of Ham. Halleluiah! That was why God told Moses, **“Make sure that Ephraim is camped in the West, bearing the Standard, at the position of the setting of the Sun!”** It is a prophetic type, and the Book of 1 Corinthians Chapter 10, verses 1-11,

tells us that the wilderness experience of the children of Israel, was a shadow, a type, of the New Testament Age realities. And truly, what starts in the East will end in the West, as time moves from East to West; for the Sun rises in the East in the morning, and sets in the West in the evening, to rise again in the East the following morning, having gone full circle. Now the Gospel SUN has left the West, and the thick spiritual darkness and utter disdain the Entire West have for God and His Word, shows that the Gospel Sun has ceased shining in the West, for it has moved on! But in Africa, the Sun is now shining; the Gospel Light of the SON of God is shining most brilliantly like never before! Africa now bears the Standard of the Gospel Sun; and it is directly from **hot** Africa, (speaking naturally as well as spiritually), that the **“SUN”** of God is going back to the East, for the African Route is the Lord's exclusive route, for the Movement of the Gospel SUN back to the Middle East. Glory to God! The Great Light of Jesus Christ of the Bible that is shining marvellously, and with absolute clarity and depth from Africa today, is solid and infallible proof, of

precisely where the Gospel Sun is, and is absolute proof of its divine course, for in every other land on this planet today, in these Days of Lot, there is a serious famine of hearing the Pure Word of Truth! Europe and the whole of the West is dead, and is given over completely to Sodomy, and to every spirit of perversion there is, for Europe lies in darkness as we speak; whilst on the other hand, the Sun is shining brilliantly here in Africa! And from Africa, we Gentiles will take the Gospel Sun right back to the Jews, and the rapture will come! Brothers and sisters, that is precisely why both tribes of Ephraim and Manasseh were positioned by God in the West, for they had to encamp in the West, in the place of the setting of the Sun; for the place of the setting Sun, is the place of completion. Now pay attention to this: Jehovah God inspired Joseph to name his first son Manasseh, knowing that indeed, the Hamitic race will give a rewarding and comforting service to Jesus Christ at this end of time, when he sees the Bride reproduced, seeing his rejection and hatred by the world, who had once been

enlightened! No one can deny this typology, even though we know that Manasseh can also be used to type the Gentile Bride, because he has Gentile ancestry. However, when we consider his particular Gentile ancestry, which is African, you have to agree with me that he certainly types the African Input into the kingdom of Jesus Christ! That was also why Jehovah God inspired Joseph to name his second son Ephraim, for in the plan of God, a plan buried in His sovereign omniscient mind, the Gospel of His Son, Jesus Christ, would be tremendously fruitful in the hands of the Gentiles, especially at the crucial point of completion, which is the end point, when it would be in the hands of the Hamitic race, who form part of Ephraim's ancestry! We are talking about **THE INPUT OF HAM!** It is the knowledge of this divine truth, that made William Branham declare openly in 1963, that there will be a racial change in the Carriage of the Gospel, speaking specifically of the African race, for he was looking with divine prophetic insight, into the subsequent Movement of the Gospel SUN, on its way back to the East! Hence he

declared: ***"I'M HERE TO MAKE KNOWN HIS WORKS AND HIS WAYS"***, (meaning God's works and ways; what God wants to do in this Last Age, and the precise course that He wants to follow, so that we are not left in darkness or in ignorance. Obviously on account of the racial prejudice which his people have for the Black race, a prejudice which was displayed when he visited South Africa, where they made him step out of the will of God, Brother Branham admitted): ***"I been very reluctant on these things, the fifteen, sixteen years I been on the field. But there's an hour coming now when something is fixing to take place. THE MESSAGE WILL GO TO ANOTHER NATION, ANOTHER PEOPLE."*** As we saw earlier, this gives us nothing other than the Movement of the Gospel Sun from the Continent of America, to the Continent of Africa, on its way back to the Middle East, where it all started, the Sun going full circle. That is why William Branham also spoke about the Jewish Connector from the Gentiles, declaring with great enthusiasm: ***"Oh, IF I***

could just tell you something that is about to happen right in this our day! THIS GREAT THING that is about to happen WILL CARRY OVER TO REVELATION 11", picking up the ministries of Moses and Elijah, ministries sent to "little" Benjamin! And the proof of it, is precisely why in Africa today, the ***"Sun"*** is shining gloriously, shining like never before, right here at this evening time. As it is written Luke Chapter 1, verse 78: ***"... The Dayspring from on high***, (who is the Lord Jesus Christ, the Lord from glory), ***"HATH VISITED US."*** It is the doing of the Lord, and it is marvellous in our eyes, and to God be the glory. Amen! The beautification of Truth started at this evening time with the ministry of Elijah, the Star Messenger to this Last Age, all under Jesus Christ, and it will also be crowned under Jesus Christ, working through the ministry of the Lead Apostle in Africa, the John of this Last Age, the man with the ministry of completion; which is why he is the man whom the Lord gives the Entire Scroll of redemption to eat. You cannot get away from this Truth, for Revelation Chapter 10,

verse 8-11, gives us completion. Absolutely!

Saints of God, remember, I said I was going to touch on the implication and the application of the setting of the Gospel Sun, for the Sun is going to set. We will now consider it, and close. I appreciate your patience. But as we speak this morning, and as I said earlier, you must understand that the Sun has not yet set, contrary to the false and most erroneous teaching of Richard Gan. For just how could the Sun have set many decades ago, at the death of William Branham, way back in December 1965, when even today in 2015, full restoration of all that was lost by the Bride of the First Church Age, the great attributes and divine investments she possessed at the rising of the SUN of God, including her original ministry, are yet to be restored to the end time Bride? What then is perfection? Is it not total restoration, bringing back to an original estate in every minute detail? Listen to me saints. Once the Sun sets, total darkness must take over! Please be assured, this Light of the S-O-N of God has not yet set; but it is going to set,

and I want to show you exactly when it will set, and what will happen when the Sun sets, for we are not walking in an unclear light. The devil is buffeting me seriously as I speak. I pray that God will help me. I cannot tell you what it is, but may God help me. It is just the enemy, but I am trusting God to help me, so I can finish my message. Please pray for me. Just look at the incredible volume of the continuing Light of the SON of God, that is still shining forth! It is proof, incontrovertible evidence, that the Gospel SUN has not yet SET, for once it sets, darkness must take over! Once the Sun sets, in a matter of minutes, the Sun must varnish, and darkness must take over, for the setting of the Sun shows it is over! That is the implication! When the Sun sets, it is saying in essence: *"I am out of this place, for I am done with this region!"* Whenever you see the Sun **Set**, it is simply telling that region: *"I am done, and I am now going out"*; and it will quietly slip behind the horizon, and darkness will engulf that region. Consequently, we must all understand that the Setting of the Sun is A PRELUDE TO DARKNESS. Note that!

The setting of the Sun is a prelude to darkness. Brothers and sisters, by the time the **"SUN"** sets on "Ephraim", and I am speaking figuratively now, for I am referring to Africa, redemption is over for the world. And knowing that the Gospel Sun is now here in Africa, you must know, therefore, that it is in Africa that the Gospel SUN will SET. When the Natural Sun Sets, it appears like a giant orange, a glowing giant ball, hanging in the sky. The Sun at that time has a bright rich orange colour; and sometimes it is rich red, like blood, and you feel like you want to touch it, for it is that attractive. Brothers and sisters, it is most beautiful to behold, but it is only available for about thirty minutes, and it goes down; it simply slips behind the horizon. And what takes over? Darkness! Church, listen to me now, for I ask: When will the Sun Set? When Jesus breaks the Seventh Seal in heaven, as seen in Revelation Chapter 8, verse 1, it immediately ignites the setting of the SUN. This shows or implies, that the elect Bride of Jesus Christ have been saved to sin no more; she has attained perfection, which is spiritual maturity in

her spiritual stature, and she is now in a full state of preparedness and readiness for the rapture: She has **"made herself READY"**! The Setting of the Sun shows that the **"One Day"** of the Dispensation of Grace for salvation, is over, leaving only a little balance of the few minutes in which it sets! But even in that little balance of time, no Gentile can ever be saved again, because salvation is over! Consequently, let every eagle of God know assuredly, that the little time of the Setting Sun, gives us the period of time prophetically known as **"about the space of HALF AN HOUR"**, (about Thirty Minutes), of **"silence in heaven"**, a period which the breaking of the Seventh Seal ignites, as recorded in Revelation Chapter 8, verse 1. And as a result, there is not one Gentile that can be saved at the Setting of the Gospel Sun, for the Setting Sun shows that salvation work is completely over for the Entire Gentile world, and the balance of time which the Setting Sun gives, is strictly to prepare the Bride prophetically for the rapture. Even the Jews who will be saved in the 70th Week of Daniel, would

have been fully interceded for, ever before the breaking of the Seventh Seal. And it is at the opening of the Setting Sun that Michael the Archangel comes down to earth with the fully open Scroll, and gives it to John to "Eat", thereby igniting his prophetic ministry, and off John goes to the Nation of Israel, for The Jewish Connection. Therefore, we should be able to see that the Setting of the Gospel SUN, is also the time Jesus Christ will anoint the Apostolic "**Seven Thunders**" of Revelation Chapter 10, verses 3-4, exclusively with a prophetic anointing, and turn them loose over the Bride, for that is the season of rapture. And this season or period of rapture, synchronises also with the time period that the angel swore to in verses 5-6, that "**there SHOULD be time NO LONGER.**" Let me therefore ask you: At the Setting of the Gospel SUN, what type of spiritual food will we be "eating" in that day, as the Bride of Jesus Christ? At the Setting SUN, we will be having nothing but unwritten prophetic revelations; absolutely fresh and extremely deep prophetic insights of things buried in the mind of Jesus

Christ, all relating to the rapture! Yes, at the Setting of the Sun, as I stated earlier, is when the Sun looks very beautiful, and is most attractive; and it is the time you can even look straight into it, looking directly into its light, and it will not hurt your eyes in the least, for it allows the world to appreciate its enormous beauty and glory! The great heat, which is the saving power, the life giving power that it carries, is totally gone! That is why its light has no saving virtue, no life giving virtue in that hour! Hence at Sunset, the Natural Sun is very gentle, and it simply glows with a cool richness, very serene, very peaceful looking, and very attractive, being extremely beautiful! It is just something else! All that sets a perfect type of the supernatural power display of the glory of the Almighty God, that will be displayed at the Setting of the Gospel Sun. It is a supernatural move which is also going to be at its greatest magnitude ever, stupefying and mesmerising the world, as they behold the resurrected Christ, working by his Spirit in the open miraculous, re-creating the acts of the apostles, but now on a much higher scale! The miraculous

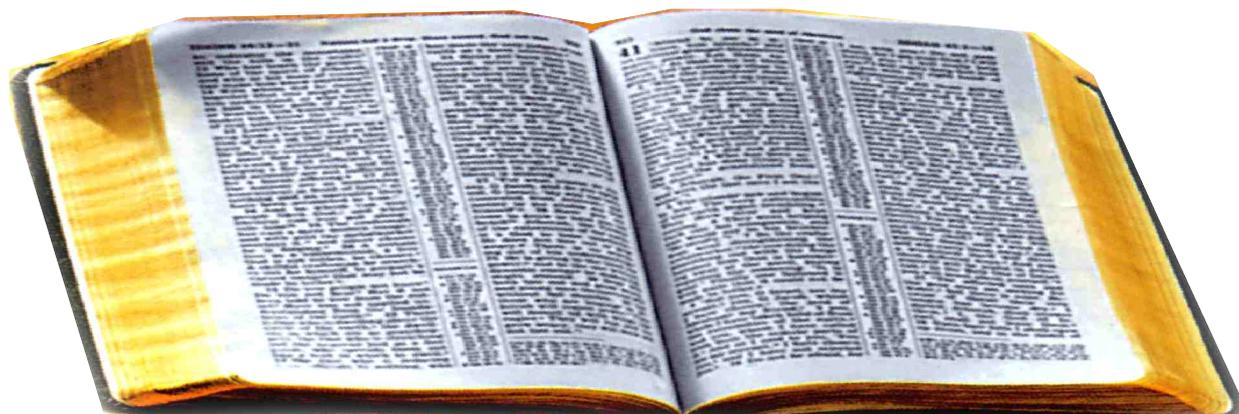

attraction that the Sunset will create, will make the world to see the awesome greatness of the S-O-N of God! However, and as I said before, please note that as wonderful and as glorious as it is in that short period of time, the Spiritual Sunset has absolutely no saving power! It is simply to reveal the "***Going Down***" GLORY of the Light of the S-O-N of God! It is to showcase the Bride, on her way out of this world, and in order to accomplish this great effect, God simply opens up the floodgates of heaven, and that is what makes "***The Latter Rain***" enter into its topmost gear, giving the greatest downpour ever recorded in human history! Brothers and sisters, what a beauty; what a glory; what a prophetic message; and what a power of the resurrected Christ, will be expressed in the earth, at the Setting of the Sun! This world will be totally stumped (perplexed; mesmerized)! That is why it is written in Malachi Chapter 1, verse 11: "**For from the RISING OF THE SUN even unto the GOING DOWN OF THE SAME my Name shall be great among the GENTILES... The HEATHEN, saith the Lord**"

of hosts.” The heathen world around us, with all their advancements in science and computer technology, having sent probes all over creation, and with all their mobile gadgets, will be forced to open their mouths, and they will not be able to close them, because God will confound and dumbfound them! What is going on? Church, it is the Setting Sun! And before the world blinks an eyelid, the Sun is out, as it slips behind the horizon. And you know what that means? We are gone! The Bride is gone! With the Setting of the Sun, we are going home! Halleluiah! And what takes over the entire Gentile world? Darkness, gross palpable spiritual darkness cloaks the world, and the Gospel SUN moves to

connect with “little” Benjamin, breaking out in the Nation of Israel! Brothers and sisters, that is why when God was setting a type of the Grace Age, setting a type of the Church of the New Testament Age, using **“the Church in the wilderness”**, He firmly told Moses, *“Make sure Judah sets at the Rising of the Sun, and that Ephraim sets at the Setting of the Sun.”* It is because Ephraim sets a prophetic type of the Gentile Bride, and in his regional prophetic typology in the Gentile world, he represents Africa. For in the course of the Gospel Sun, specifically in the final hours of the Gentile Bride, the **“SUN of righteousness”** will be in the region of Africa, as Jesus Christ is working and dealing with the universal

Bride, directly from the Tabernacle of Ham, which is Africa, for it is the region of conclusion and completion. In the Movement of the Natural Sun way back then in the wilderness, every blessed day, the SUN set right on top of the Camp of Ephraim, an African Jew, because it is in Africa that the Gospel Sun will similarly Set. And by the time it Sets, God says to the world, *“Good Night”*, and darkness takes over, as the world is turned over to the Antichrist, the Man of Sin. Please walk in the Light, whilst the **“Sun”** still shines. Let us bow our heads in prayer. (Brother Amos prayed).

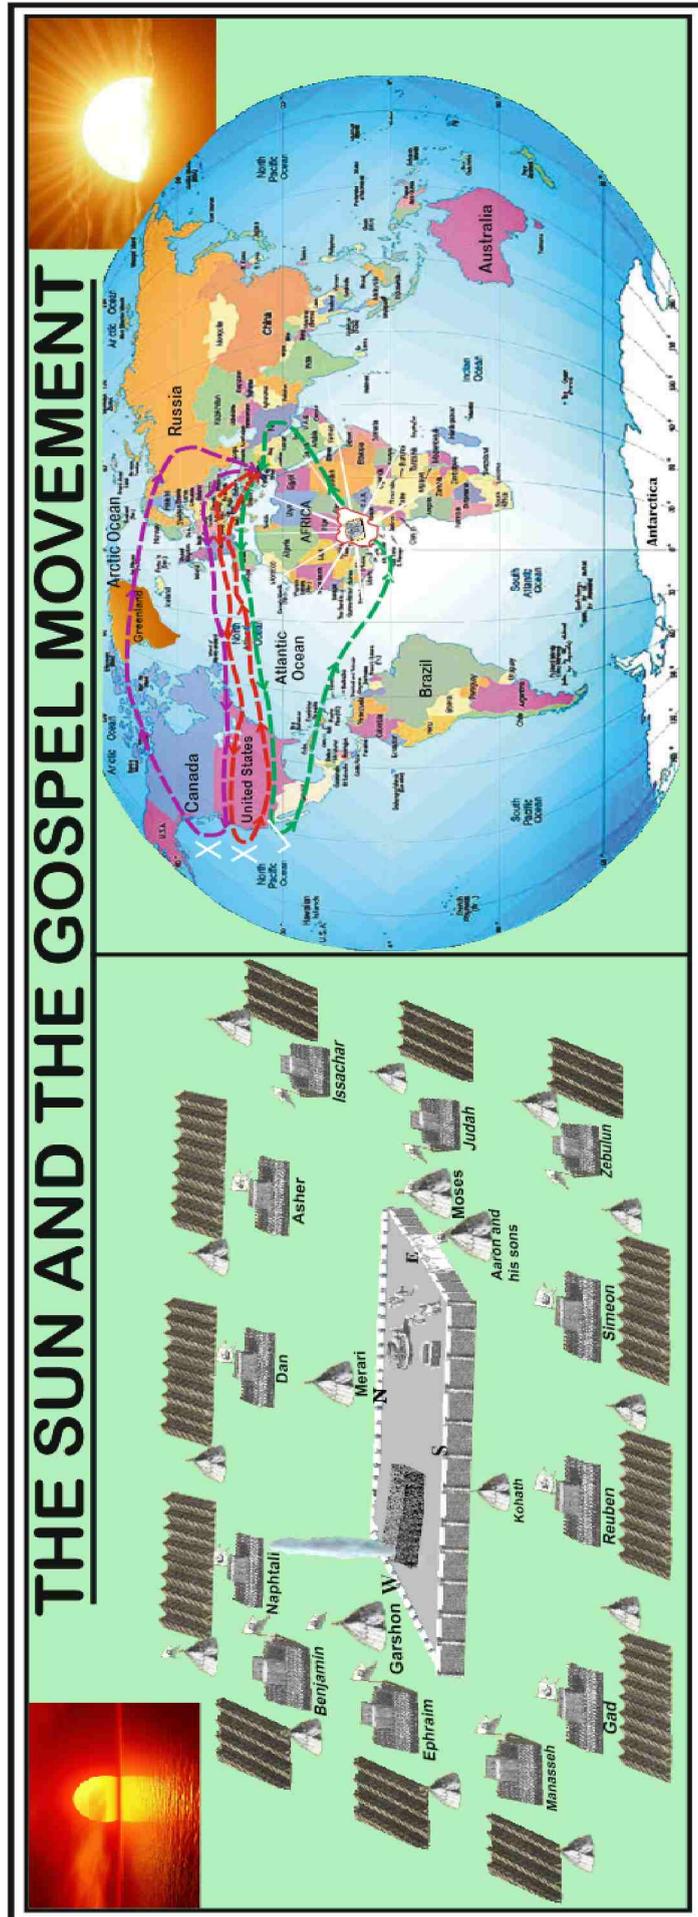

The Lord bless you.

*For from the rising of the sun even unto the going down of the same my name shall be great among the Gentiles; and in every place incense shall be offered unto my name, and a pure offering: for my name shall be great among the heathen, saith the LORD of hosts.
Mal. 1:11*
