THE FAN, AND THE ENDING MINISTRY - PART 2

This message was originally preached by Brother Amos in three parts, the last two parts preached on consecutive service days, of Sunday 7th August, and Tuesday 9th August, 2016, at Bible Faith Tabernacle, Lagos, Nigeria, have been merged together to make one part. It is a beautiful expose, of exactly where we are in time, and how to truly and completely follow the Lord's leadership, by following the lead ministry that God has put in place. Only the true Bride seeds will actually follow.

Please open with me to Matthew Chapter 3, and we will take verses 11-12: ***"I indeed baptize you with water unto repentance: but he that cometh after me is mightier***

than I, whose shoes I am not worthy to bear: he shall baptize you with the Holy Ghost, and with fire: Whose FAN is in his hand", (meaning that the FAN is in the hand of Jesus Christ), ***"and he will thoroughly purge his floor, and gather his wheat into the garner; but he will burn up The Chaff with unquenchable fire."*** Brothers and sisters, we want to continue the message we started this morning, titled, ***THE FAN, AND THE ENDING MINISTRY***, and may God help me this evening. God inspired John the Baptist in that day to give a prophetic utterance concerning Jesus Christ, as written here by Saint Matthew, as well as by Saint Luke, and he spoke about the ***"FAN"***. And although John the Baptist, no

doubt, did not understand how this FAN would be applied or fulfilled, he knew exactly what he saw, and he relayed what he saw, because it was a revelation to him. Do not forget that he was Elijah the prophet of God, the forerunner of the first advent of Jesus Christ, the Messiah. I do not know the pictorial way he saw Jesus use the FAN, but nonetheless, and no doubt, he saw him with the FAN in a prophetic vision; and he most probably also heard an audible voice, stating precisely what Jesus would do with the FAN that he held in his hand. That was why he could talk about the FAN in the hand of Jesus Christ, and he could also speak of precisely what he would use it for, which is to thoroughly purge his floor, at the time of the harvest of souls, which brings us straight to the end time, this Laodicean Church Age. We have established the fact, that just as Jesus Christ is not here physically to baptise anyone with the Holy Ghost, in fulfilment of verse 11, he is also not here physically to use the FAN for the separation of seeds, in fulfilment of verse 12, for he is accomplishing both works through his intercessory ministry. And

by the grace of God, we have established the ministry wherein the FAN was set in motion, the man in whose ministry the FAN had major application, and it was in the ministry of William Branham, the Elijah-Star messenger to this Laodicean Age. The proof of this, is that he was not only used to accomplish the **“COME OUT...”** PROPHECY, in Revelation Chapter 18, verse 4, the great calling out of God's predestinated seeds from spiritual Babylon, which brought about THE GREAT SEPARATION IN CHRISTENDOM, the great divide, God's First Major Move of the Separation of seeds, but in addition, by the evident fruit of his ministry, the prophetic **“FAN”** was also activated in his ministry, for God built the FAN into his Message, to blow **“the chaff”** away from the ground of truth, which is the exclusive ground of Eternal Life. However, following his passing away in December 1965, God anointed Raymond Jackson, the end time Chief Apostle, or **“The Apostle”**, (for the two terms mean the same thing), a man whose ministry gave us the

beginning office, of the end time apostolic fold of the Ephesian Fivefold Ministry, which is the office of Saint Paul, and he bore the Continuing Light of Jesus Christ, for the Bride Universal. In the morning session, we ended our message by asking: Did the **“FAN”** also work in his ministry? Was the FAN in his message? Did it apply to his ministry? In conclusion, I declared that the FAN also worked in his ministry, but that it was in a very small, very minimal measure. With this thought we closed, and by the grace of God, we want to pick it up from there, and show you a few examples of the FAN in his message, to substantiate our claim, and vindicate the truth on this matter.

However, before we take a look at some of Brother Jackson's Dual statements, or Counter projections, which constitute the FAN, I first want to touch on a material issue that John the Baptist spoke of, with regards to the application of the FAN, which is the issue of **“The CHAFF”**. Saints, I am taking this route, because we must see the seriousness of the work of separation, and the fundamental need to have

total separation of seeds, at the end of the day. The reason is simply this: The true and original Church of God that was born on the Day of Pentecost, started pure, absolutely pure, made up solely of God's predestined children, without any tare or chaff in their midst. And it is also most certain, that the true original Church of God at this harvest time, one that is to be taken in the rapture, and married to Jesus Christ in heaven, will also end up with absolutely no chaff or tare in their midst. This is a fundamental truth, as no farmer in his right mind will harvest a crop, different from what he sowed. And if men, **"being evil"** or carnal, will do no such thing, neither will God, who is the chief **"husbandman"** (the chief farmer), harvest or accept a crop, that is different from what He sowed on the Day of Pentecost. That is a fact, and it is common sense, even though sense is no longer common! The truth remains, that whatever crop was sown at Pentecost, is precisely the very crop that will be harvested at the end time, as that is exactly what will be reproduced. Period! Therefore, it is imperative, being a fundamental need, that there be total (complete) separation between wheat and chaff

(tares), in this Final Dispensation of Christendom, also particularly because, it is impossible for the Bride to attain the required standard of the perfect image of Jesus Christ, with tares still in their midst. Hence, Jesus Christ revealed, that only after the total separation of seeds has been accomplished, and ALL tares have been removed, will the Bride of Christ shine forth. This truth is recorded in Matthew Chapter 13, verse 41, taken together with verse 43, as we must skip verse 42, in order to continue the thought laid out in verse 41, because the judgment stated in verse 42, is suspended until after the White Throne Judgment. Therefore, verse 41, linked with verse 43, clearly states: **"The Son of man shall send forth his angels, and they shall gather out of his kingdom ALL things that offend, and them which do iniquity... THEN"** (and only THEN), **"SHALL THE RIGHTEOUS SHINE FORTH as the sun in the kingdom of their Father. Who hath ears to hear, let him hear"**. From this, we should all be able to see the fundamental truth, that tares have to be completely removed, for it is a fundamental need, and they will ALL be removed, every last one of them that

are still existing side by side with the elect Bride, in the camp of revealed Truth. The Denominational world are not thinking about these things, and also they have no clue to these things, for they do not even realise that there is to be a separation, and that that separation has been accomplished to a very great extent, in fulfilment of God's promise to the Second Age ministry, as recorded in Matthew Chapter 13, verse 30. But by the grace of God, we see the crucial place of the **"FAN"** in Christ's hand, for it is the Lord's principal vehicle of separation **within** the Branham Movement, which gives us the camp of the True Bride, following the Great Separation. And when we consider **"the chaff"** that are following the Message, and the application of the wind, which the **"FAN"** will also create to blow them away, the Lord spoke of it ahead in the prophecy of the Old Testament, as recorded in Psalm 1, but for a background, and in order to enjoy that Psalm, we will take it from verse 1: **"Blessed is the man that walketh not in the counsel of the ungodly, nor standeth in the way of sinners"** (unbelievers), **"nor sitteth in the seat of the scornful"**. (Brothers and sisters, how we are

being scorned today, on account of our firm and unwavering stand for the truth of the Holy Scriptures; we are being scorned for what we believe, as scripturally plain as it is; they make jest of this move, despite its serious vindication by the Holy Bible. They are doing that because they are a scornful people. But it is written): ***“Blessed is the man that walketh not in the counsel of the ungodly, nor standeth in the way of sinners, nor sitteth in the seat of the scornful. But his delight is in the law of the Lord; and in His law doth he meditate day and night. And he shall be like a tree planted by the Rivers of WATER, that bringeth forth his fruit in his season; his leaf also shall not wither; and whatsoever he doeth shall prosper”***. (The application of the provision of this verse of Scripture in our lives, is why, although there is serious spiritual famine in the land today, famine from hearing the Word of Truth, famine that has ravaged the entire religious world, but in our case, we are feasting sumptuously upon the rich and deep revelation of life, laid out on the Master's table, in an over abundant supply. By the grace of God, we have logged on to the current ***“Wheresoever***

the CARCASE IS...”. Therefore, our revelation has not stopped, and until we go in the rapture, the revelation of the Bride of Christ will not stop, for ***“THE EAGLE IS STILL FLYING.”*** We are even still going to move from feasting on written revelation, to unwritten truths, eating fresh manna that is falling directly from the throne of God in heaven, in the prophetic hour of the Seven Thunders. Now pay attention to verses 4-5, for it is prophetic, and that is precisely where we are going, and it guarantees: ***“The ungodly are not so”***, (they are not like the righteous): ***“but are like THE CHAFF WHICH THE WIND DRIVETH AWAY”***. Now I ask: What wind drives the chaff away? What wind blows them away? It is the winds of doctrine! And in the Branham Movement, we also have a peculiar Wind to blow away The Chaff, one that is engineered by the Spirit of the Master, for it is strictly a prophetic FAN, applied in the Message of the prophet. As the chosen primary (principal) vessel, in whose ministry the prophetic ***“FAN”*** of Jesus Christ operates or works, the Lord had to build the ***“FAN”*** into his message, in order to drive ***“the chaff”*** away by its powerful wind.

Chaff is chaff, and all the chaff following the Message are bound to be blown away, and will be blown away, for they are nothing but tares, serpent seeds, ungodly people, seeds of Lucifer, who are totally devoid of any ounce of revealed truth! That is why Psalm 1, verse 4, declares: ***“THE UNGODLY... are like THE CHAFF which the wind driveth away”***. Hear the conclusion of the matter in verse 5: ***“Therefore the ungodly SHALL not stand in the judgment”***, (when it is being applied), ***“nor sinners in the congregation of the righteous”***. In other words, tares, who are nothing but unbelievers, an ungodly class of people, shall not stand or abide in the congregation of the righteous children of God. Full stop! What a prophetic verse of Scripture! We are coming back to pick up this verse much later, and I am referring specifically to verse 5. Psalm 1 ends in verse 6, declaring with an assurance, and with absolute certainty: ***“For the Lord knoweth the way of the righteous: BUT THE WAY OF THE UNGODLY SHALL PERISH”***. Yes, for they are all following lying vanities, and will all end up in the Lake of Fire, every last one of them, for that is precisely

where they are bound! Brothers and sisters, I reiterate (repeat): If the seed started pure, you must know that the seed is also ending pure. That is a fact! For if the Church of Jesus Christ started pure, with only pure seeds of God, it is definitely going to end up with only pure seeds of God. And the Lord is going to accomplish this great feat of separation, strictly according to His written Word, regardless of what anyone thinks to the contrary, for God is obligated only to His Word, as He is bound only by His Word. That is why He designed the plan, the Plan of Redemption, a great and an elaborate plan, one which he also inspired men through the ages to write, and put together, giving us God's Blueprint, God's Holy Writ, the Holy Bible, the Absolute of every true believer. Consequently, when you want to consider the issue of the separation of the two vines, wheat and tares, you must stay with the Holy Scriptures, because the revelation of God concerning this crucial subject matter, has been totally laid out in the Holy Word of God. And as the Book of Prophet Isaiah says in Chapter 8, verse 20: **"To the law and to the testimony: if they speak not according to this word, IT IS BECAUSE**

THERE IS NO LIGHT IN THEM". Period!

Now coming back to consider the application of the FAN in the ministry of Raymond Jackson, having seen its major application in the ministry of Brother Branham, I must continue to warn you, that the **"FAN"** operated only in a very limited measure in his ministry. I will now give you a few examples, to buttress this assertion. The first example of where Brother Jackson spoke in duality, making counter statements, making dual projections, that we want to see, is concerning the Ministry Commission of John, recorded in Revelation Chapter 10, verse 11, which provides: ***"And he said unto me" (John), "THOU MUST PROPHECY AGAIN before many peoples, and nations, and tongues, and kings"***. In his message in the Contender Magazine of 1977, titled, *Chronology Of Revelation*, Brother Jackson declared: ***"When we have been eating the same old denominational food year after year till our system has grown used to it, and then we are caught up into a***

different realm and fed something by revelation, it may have an upsetting effect on our spiritual digestive system. But we just keep on eating till our system get used to this new type of food". (Now pay attention to what he says concerning the Commission of John): ***"I do not believe John will be resurrected to fulfil Verse 11, where it was said that he must prophesy before many peoples, nations, tongues and kings. I believe that same Spirit that was on John will be on SOMEONE"*** (singular), ***"living here at the end of this age, who will see and understand what John received but was not permitted to write"***. The chief apostle clearly tied the commission of the ministry to one man, living here in this Last Age, who will similarly receive the anointing of God that was invested in the John of the Early Church, and he taught this in 1977. But many years later, specifically in October 1995, he declared that this commission will be fulfilled by a plural number of men, for he pluralised the ministry that is to fulfil Revelation Chapter 10, verse 11. We find this

counter projection laid out in the Contender titled, *The Bride's Anointing*, Part 3, where Brother Jackson now said: ***"What I am saying now has no connection with the thunders. The thunders are for the entire bride church. It has to be related to something connected with the coming of Christ for his church"***. (Now listen to what he says, for he takes us straight to the Commission of John): ***"But this thing of prophesying before many peoples, nations, and such like, to me, that is how God through the church will deal with certain INDIVIDUALS"***, (plural men) ***"out there, because God is definitely going to leave a testimony with some people that are still here"***. Saints of God, right here, the chief apostle pluralised the ministry that is to fulfil this prophetic commission. This gives us nothing but Dual statements, counter projections on the same issue of the Bible, and it amounts to nothing but a FAN. Come on! He took the prophetic commission which John received in 96 AD., and tied it to one man, for its fulfilment, only later to

take the same subject, and apply it to several men. I have to say: Both projections cannot be right; for you cannot take a truth to the North, and the same truth to the South, and for both projections to be true! That is utterly impossible! One statement has to be right, whilst the other statement is wrong. The Ministry Commission of Revelation Chapter 10, verse 11, is either fulfilled by one man, or it is fulfilled by a plural number of men: It cannot be both interpretations! The material question, therefore, is this: What does the Scriptures say? In other words: What is the true Scriptural position on this matter? That is the issue we have to determine, because the Word of God is the exclusive foundation of faith, true faith, the exclusive (sole) basis for any true revelation. Exactly! I am not going to break down the true position on Revelation Chapter 10, verse 11, just yet, as I only want to prove to you that the ***"FAN"*** also worked in a little measure in his ministry, for there are dual projections of truth in the Continuity Message that he bore. Period! I will

give you another example, and move on, for as it is written: ***"Out of the mouths of two or three witnesses shall the truth be established."*** Speaking about the application of the term, ***"In the beginning"***, as recorded in the Gospel of Saint John Chapter 1, verse 1, Brother Jackson stated in his message of March 1979, titled, *Oneness Of God*, Part 1: ***"IN THE BEGINNING." Let us direct our thinking back to the verse we read from John 1:1, "In the beginning was the WORD." First we want to consider the word, "BEGINNING". This is not referring to the beginning of A MAN, nor is it referring to the beginning of creation. It is speaking of a time BEFORE CREATION when ELOHIM (God) was thinking and planning. Why do I say that? Simply because it is attached to another word, which is "W-O-R-D", and that was before the WORD was made flesh, as we find in the 14th verse that it was. (To you Hebrew and Greek scholars, I will just say I know nothing about either one, but I do know that when you begin to express a thought, it is***

becoming a word. Anything that I am saying right now had to be a thought first. Our thoughts are arranged in our mind and then they can be spoken as words. Otherwise, we would just stand here and let our mouth rattle.) Remember now, God Himself had no beginning, but there was a time when He began to counsel with Himself, (THINK AND PLAN), as you find in the First Chapter of Ephesians. At that time, His thoughts, which later became creative words, were with Him. God is a master designer. Before He ever set His plan of creation in motion, He planned every detail of all His creative work throughout the ages to come. That is why we read in the Bible that Jesus Christ was the Lamb slain from the foundation of the world. As God planned that which He would do naturally, His foreknowledge allowed Him to know that if He created man giving him a will to make choices, he would sin and need to be redeemed. That is where the slain lamb came into His thoughts even before He began to create. On

the other hand, if He created man and gave him no choice, he would be like a robot. There would be no honour, respect, glory or worship attributed to God by man, if that man could only do what he was programmed to do. You must keep in mind the fact that until He created something that could worship Him, He was not God. He was sovereign Spirit, omnipresent, omnipotent and omniscient, meaning He was present everywhere, all powerful and his intellectual abilities were unlimited; but as long as He was not God, there was nothing to bow down and worship Him. The very word G-O-D means object of worship, so in order to be God, He had to create something that could worship Him, but He did not start a haphazard creation. He planned every detail and left no loose ends and he made no secret of the fact that He did. The Bible declares it from Genesis through Revelation. That is how we know that in the eternal age, only those who have worshipped God from a free choice will be

present. All who have rejected Him will have been cast into the lake of fire. Now you may say, That doesn't seem fair. Yes, it is, for you must remember that every one of those who will have been destroyed, had their chance to worship and serve God and rejected it." (Moving further down, Brother Jackson stated): "Now, in the beginning when God began to think of His great plan for the ages, His thoughts were His words. Then, after the whole plan was fixed in His great mind, He began to express those words and they were creative words. "The Word was with God and the Word WAS God." God and His Word are one. We are not yet talking about the Word that became flesh, for the flesh (Jesus) that was the Word expressed and made manifest two thousand years ago, came into time, and we are still dealing with the Word that was the thoughts of God before time began. The word, B-E-G-I-N-N-I-N-G, in John 1:1 is NOT RELATED TO TIME", (being truly a timeless expression). Now come with me to see the projection he made in

another message brought out in the Contender Magazine, of April 4th, 2004, titled, *God Is One*, Part 1, where Brother Jackson stated: ***“I am going to read this verse from the King James translation of the Bible. St. John 1:1: “In the beginning was the Word.” Keep in mind, as we look at that English word, “W-o-r-d”... Alright, so in the beginning was the Word. But I will ask you this: At what time was the beginning referring to in that verse? Are we going back fifty billion years ago before the planet was made? NO! THIS IS GOING BACK TO THE BEGINNING OF THE ERA WHEN GOD WAS GOING TO BRING MAN ON THE SCENE ON THIS PLANET. This verse does not reach back beyond the prehistoric world.”*** This is a counter projection, for in the first quote we took, he clearly declared: ***“This is not referring to the beginning of a MAN, nor is it referring to the beginning of creation. It is speaking of a time BEFORE CREATION when ELOHIM (God) was thinking and planning”.*** So, you have to see that

one quote is right, and the other one is wrong. But which one is right, and which one is wrong? I have to ask this question, because we must not forget, that ***“In the beginning”*** which John Chapter 1, verse 1, quoted, and which brings us straight to Genesis Chapter 1, verse 1, is not only a timeless expression, but it is also what takes in all other periods, including the Pre-Historic world, buried between verses 1 and 2, of Genesis Chapter 1, and Brother Jackson was the one the Lord used to open up the truth of the Prehistoric World! Consequently, both statements cannot be right! So, I ask again: Which quote is right, and which one is wrong? I am not going to lay out the truth on this matter, because it is not necessary, for I am only showing you the FAN. However, the truth is: If you do not have respect for ***“The Scripture OF TRUTH”***, you will not know what is right, and you will not know what is wrong. Because sometimes, what you think is wrong may even be what is right, particularly if you do not look at things through the eyes of divine revelation,

anchoring solidly upon the Holy Scriptures. Therefore, whatever you hear or see, and whatever you read, you must take it through the funnel of the Holy Bible. You have to, because anything else amounts to building one's salvation, one's eternal destiny, one's faith, ***“upon the sand”***, and not ***“upon a Rock”***, THE SOLID ROCK! (Matt. 7:24-27). Again, the Book of Romans Chapter 3, verse 3, asks: ***“For what if some did not believe? shall their unbelief make the faith of God without effect?”*** (In other words, shall their unbelief of the Word of God, make the Word of God null and void; does it make it of none effect?) Verse 4 declares categorically and unambiguously: ***“God forbid: yea, LET GOD BE TRUE, BUT EVERY MAN A LIAR; as it is written, That thou”*** (God) ***“mightest be justified in thy sayings”***, (in ALL thy sayings), ***“and mightest overcome when thou art judged”*** (or challenged, concerning thy Word). Consequently, you just have to take everything through the funnel of the Holy Scriptures, and stay with the Word, because to go outside of the Word of

Truth, the Word of God, is death. That is what brought death in the Garden of Eden: If only Eve had stayed within the confines of God's Word, and not believed the lie of the serpent! So, yes, brothers and sisters, the "**FAN**" also applied in a very small measure in the ministry of Brother Jackson. And as a result, we applied the FAN to his ministry as well, right here on our chart, even though it is a very small one. (Brother Amos points to the chart). There are other counter-quotes that I can still bring from his message, to show you the FAN on some other issues of the Word, but I will not bother to do so, for my point has been established already. But as I must continue to emphasise, the FAN in its application to his ministry was very minimal, because that man spoke with a great level of clarity on issues of truth, to let us know exactly where truth lay. Yes, there were times he went into things that was not yet God's ordained time for it to be opened up, and he spoke on it as a man, in the best way that he could look at it, as the standard bearer of that hour. And later, the Spirit of God would come and straighten

him out on it, and he would come and lay out the truth on it for us scripturally. Brothers and sisters, that is a different kettle of fish, for that does not constitute a FAN, and I am also going to deal with such issues, in order to do justice to this message. However, the truth remains that, majorly, in the main, his message was very clear, very deep, and very rich, having very little FAN in it, for he was used to open up the fountain of truth to us, on an astounding level. In comparison, the message of Brother Branham, although it was also very deep and very rich, nevertheless, it was loaded with the "**FAN**", for there is hardly any Bible issue on which he did not make a dual projection, or a counter statement. That is so, because the FAN worked majorly in his ministry, as he was the principal vessel of the Lord for the application of the FAN, as well as for its operation. When we even consider *The Seven Seals* message that he took in March 1963, I must warn you that there is a lot of FAN being applied in that Sermon book, and if you are not careful how you read it, you will simply kill

yourself with it. Yet, there are lots of rich truths, deep truths, in that message book, beautiful projections, wonderful divine insights, IF you know how to read it. But if you do not read it by the Holy Ghost, you have enough of the FAN in it with which to kill yourself, because his message is loaded with the FAN! Why is this so? It is simply because the FAN in its application, and in its operation, is tied Majorly to his ministry, he being the primary (principal) vessel Jesus Christ used, to create the Great Separation in Christendom, as well as in the Branham Movement, where the "**FAN**" is working, in order to remove "**the chaff**" in the Bride Camp, bringing division between the wheat and the tares! Consequently, by the time we come to Brother Jackson's ministry, who bore the Continuing Light of Jesus Christ of the Bible for the Bride Universal, although the FAN still has application, it is now very minimal, as its major application had already been served. Church, and because the FAN had such an effective application, and a most powerful operation, in the message

of William Branham, is precisely why the Branham Movement could not follow Raymond Jackson, in the Continuing Light of the Word of God that he bore, for the True Bride of Christ. Furthermore, by the Continuing Light he bore, God used Brother Jackson to create a great divide **within** the Message Movement, seriously thinning down the followership of the True Bride, as only a remnant of people in the Movement followed his Continuing Message of the Word.

Brothers and sisters, we all expected the chief apostle to be on the ground till the rapture, however, God ordained otherwise. In this Seventh and Final Church Age, the Lord decided to take the same route He took in the First Church Age, when He anointed Apostle John as the **“candlestick”** of the Ephesian Church, in order to carry on the baton of Truth, being a Continuing Lead Apostolic ministry, thereby bringing Climax and Closure to the written Word of God, following the death of Apostle Paul. Do not forget that Saint Paul was not the man who brought the written revelation of Jesus to its climax and closure; but it

was Saint John, **“the disciple whom Jesus loved”**, for he was the man who wrote the very last Book of the Bible, which is the Book of Revelation. At this end of time in Laodicea, God simply took the same ministry route He took in the First Church Age, the Ephesian Age; for with the death of Raymond Jackson, the Paul of this end time, the Lord also gave us the Lead Apostolic Ministry of John, a ministry equally ordained for Climax and Closure. This brings us to Revelation Chapter 10, verse 11, and I have to say categorically, that this prophetic verse, gives us nothing other than a repeat ministry, the repeat ministry of John. End of story! So, you do not need to break your head over that, for it is plain. But in order to carry everybody along, and I am speaking of our new members, as well as our visiting brethren, we will give a little breakdown of that prophetic passage. Revelation Chapter 10, beginning from verse 8, records: **“And the voice which I heard from heaven spake unto me again, and said, Go and take the little book”**, (which is the Scroll of redemption), **“which is open in the hand of the angel which standeth upon the sea and upon the earth. And I went unto**

the angel, and said unto him, Give me the little book. And he said unto me, Take it, and eat it up; and it shall make thy belly bitter, but it shall be in thy mouth sweet as honey. And I TOOK the little book out of the angel's hand, AND ATE IT UP; and it was in MY MOUTH sweet as honey: and as soon as I had eaten it, MY BELLY was bitter”. Brothers and sisters, the material question is this: How many people ate the scroll? Come on! If you are going to pluralise verse 11, which follows this verse, you had better also pluralise the eating of the scroll, for whoever eats the scroll, is the person that will prophesy. Period! The Book of Ezekiel Chapter 3, verses 1-4, which gives us a similar experience, confirms this truth! God called out to John from heaven, instructing him: **“Go and take the scroll from the hand of the angel.”** And he came to the angel, who told him, **“Take it and Eat it up.”** And he took the scroll and ate it up. In verse 11, John now records: **“And he”** (the Angel of the Covenant), **“said unto me, Thou must prophesy AGAIN”**, (and the word “again” means a second time), **“before many peoples, and nations, and tongues, and kings”**, (giving John a global

prophetic ministry commission). The issue now is this: For us to know who will prophesy again, we must ask, who prophesied the first time? Exactly! And how many men prophesied the first time? It was exclusively John, for only John prophesied, carrying the prophetic revelation of Jesus Christ to the Bride of Christ, in the First Age of Christendom! And it is by the prophetic Spirit that he received, that the prophetic Book of Revelation was produced, the only Book of prophecy in the Entire New Testament, and the greatest prophetic Book of all, as it carries the greatest prophecy in the Entire Bible! He made seven copies of it, and give it to the pastors of the Seven Churches in Asia Minor, our modern-day Turkey, Churches which set a type of the Seven Gentile Church Ages. And around 100 AD., which was about three years later, he passed away, without fulfilling the global commission which verse 11 gave him, for he never left Asia Minor. Think about it! Consequently, verse 11, has been hanging for fulfilment since 96 AD., and that gives us nothing but the return of the Spirit of John, an anointing which the chief apostle said will come upon **“someone**

living here”, at this end time. Saints of God, this verse of Scripture, therefore, gives us the promise of John, a ministry ordained for this very hour of time, for as it is written: **JOHN MUST PROPHECY AGAIN**. This place precisely, is where his ministry is placed or activated, following the death of the chief apostle. (Brother Amos points to the chart). That is so, because he is the successor lead apostolic ministry to that of Raymond Jackson, the end time Paul. Brothers and sisters, now at this very junction, we have to ask ourselves a very crucial question this evening, and it is this: Can we also apply the prophetic **“FAN”** to John's ministry? Does the FAN apply to the ministry of the end time John? That is the main issue we want to see today, for it is the main focus of this message! In fact, it is the very reason I am taking this message, to begin with. Now, I am at the highlight of my message, and as such, I ask you to just bear with me, and have an open heart, and pay close attention. I pray that God will help me in dealing with this matter, to do justice to it, and you judge it by the eyes of faith. I will start by appreciating the testimonies that went forth this evening, testimonies given by Sister Joy

Omooba, and Brother Jerry Ovoh, concerning the marvellous nuggets of truth we have received from the Lord in the light, through this ministry, and the immense appreciation they have for it, and what it is doing in their lives. Saints, that means much more to me, than the carnal testimony of these men who are receiving the gift of Jet Planes. I pray that the Lord will help me watch faithfully over the precious souls of God's elect children, for as it is written: **“Moreover it is required in stewards, that a man be found faithful”**. (1 Cor. 4:2). Church of the living God, coming to consider the issue of the FAN, in relation to the Continuing Message of the Bible that we currently have, one thing you cannot deny tonight, when you look at what God is doing presently, in the unveiling of His Word, is that TRUTH HAS NEVER BEEN AS CLEAR; Truth has never been made so plain. The presentation of truth has never been so clear! It is not what a man is doing, and it is not what a man can do: It is what only the Spirit of Jesus Christ can do, and is doing, through a man, because it is beyond a man, indeed any man. Open your eyes and see something, for the Lord is doing something! You have

to agree with me this evening, when you take the Scribe Magazine, and you take your Bible, there is clarity, absolute clarity, in the presentation of truth. Now listen to me, saints. We have to have Unity, and Unity starts with the ministry of ONE MAN, the man God uses to set Scriptural Unity in motion. And what exactly is Unity? It does not really need interpretation. Unity simply means oneness, and when you have oneness, you cannot bring the FAN to that! Unity means oneness of revelation, oneness of projection; and where there is No Duality of projection, No Counter teachings, there can be no FAN! Where there is Unity, where there is oneness of understanding, it is an evidence of the inexistence of the FAN, because we will not have oneness of understanding, IF the FAN is in operation! And as it stands today, there is no issue of truth that the Scribe deals with, that you can study, and say that you are confused, or that there is inconsistency of projection. Yet, the incontestable truth is that, as long as the FAN is in operation, we will be arguing over issues of truth, because the FAN creates conflict of faith! Yes, we will! Therefore, I challenge you, you take the

Scribe on any issue, and tell me we are fighting on truth: We are not fighting! We know that the Seven Thunders will be seven apostles; we also know that the Thunders are not coming until the Seventh Seal is broken; and furthermore, we know that when the Seventh Seal is broken, salvation is over for Gentiles, and nobody can be saved anymore. Are you listening to me? We know the Last Week of Daniel is a Week of seven full years of 360 days each, and we are not arguing over it. We know that the Third Pull that started with Brother Branham's ministry, is divine revelation, the divine unveiling of the Word, and that it is continuous, as it is continuing with the apostles, and ends in the seven thunders. When it comes to the Eating of the Scroll, we know that only one man, John, will eat the entire scroll. We know where the White Throne judgment will be set, and we know the exact calibre of people that will stand before the White Throne Judgment. We are not fighting over that! We know that the Man That Was Caught Up was not Apostle Paul, but it was Apostle John. If there is a FAN in this message, then there should be confusion, for we should be using the Scribes to fight one another! So, tell

me just one message of the Scribe that we are fighting one another with. There Are NONE! Every message of the Scribe, and every issue, is very clear, and scripturally settled! Every message of the Scribe speaks with clarity, scriptural clarity, and depth, and you do not have enough Bible to nullify it! I am waiting for the man that will do that! So, where is the FAN? The FAN brings conflict of understanding, and as such, I ask, what are we fighting one another over? On the other hand, it is men who are adding their **"little leaven"** into the Continuity Message, that are causing confusion and division, and not the Message of the Scribe, for this Message has no FAN! We are not fighting over anything! Come on! We are not fighting over the Latter Rain and its application; we are not fighting over Joel's Army: We know who they are. We are not fighting over the Headship of the ministry: We know it is made up of plural apostles. And we also know where we are in time, in the establishment of the Original Ephesian ministry, that we are still at the junction where God is to put the apostles together, because we are still at the Foundation Level. We also believe in a lead apostolic ministry, for we know that

we cannot have a vacuum in the leadership of the Bride, apart from the salient fact, that we cannot have two or more apostles, without one of them being the lead. We are not fighting over all that! So where is the FAN? **The FAN affects everybody, as it is a medium of creating conflict!** The FAN creates conflict, winds of conflict! Do you understand? It brings conflict within, and we are all affected by its effect. But in this third move, there is no issue of truth that the Scribe handles, that when you finish with it, that you are confused, for there is perfect clarity, and no ambiguity in the truths of the Bible that are presented in the Scribe. You can test it! That is solid proof that the FAN is not operating here in the message of John! (Brother Amos points to the chart). The FAN has stopped its operation, for it has ceased having application, and I am going to prove it to you scripturally. The FAN has ceased its operation, because it does not apply to the ministry of John. Church, we are on holy ground. We do not run when it comes to truth, for that is our land. We are now on our land, for Bible Land is the land of ***"The Elect Lady"***, the True Bride of Jesus Christ! So, when you

come on the terrain of the Bible, you have come on our land, for we are the owners of the soil. Halleluia! We are the owners of the land, for it is our terrain, our Father's Land. You will be the one to pack and go as an unbeliever, for this is our land, and you are now on our turf! Welcome to our land, the land of the Bride!

Saints, I am making a categorical statement, and it is that the ***"FAN"*** of Matthew Chapter 3, verse 12, has no application to the ministry of John, and as such, the FAN does not work in his Continuing Message. I can hear somebody say: *"Brother Amos, now I got you! You made a statement, a projection, in one of your messages in the Scribe, titled, The Day of The Lord, and it amounts to a dual statement, a counter projection."* Let me inform you, when the Lord was inspiring me to present that message, *The Day Of The Lord*, in the Scribe, brothers and sisters, I knew exactly what I had already laid out in another Scribe message, titled, *The Seven Seals*, and we all have that message. On page 32, column 2, of *The Seven Seals*, I declared: ***"And when the Seventh Seal is broken, Jesus Christ must, and will, leave the***

throne. He must leave the throne!" Church, we all know that the sixth seal is already broken, for it was broken in 1963. There is only one seal that remains to be opened on the scroll that is in the hand of Christ, up there in heaven, and that is the seventh seal. And when the seventh and final seal is broken, Jesus is coming for his Bride. So, right now, only one seal is keeping Christ on that throne, which is his Father's throne, as he continues his intercessory work, till the Bride attain perfection. Now to the quote or statement in question, the statement some might look upon as a counter-statement, laid out in the Scribe on *The Day Of The Lord*, from page 22, column 3, I was giving a chronology of the events on the Day of the Lord, and I said: ***"Therefore, the true scriptural order is this. Christ breaks the sixth seal, and this breaking took place at this end time, back in 1963, and in the future hour of the prophetic application of that seal, Jesus WILL leave the "throne" of God in heaven, and mount on his horse"***. Now you challenge: *"Brother Amos, but you said when the seventh seal is broken, Jesus leaves the throne, for he must leave the throne. Now you are also saying*

that at the application of the sixth seal, which is on the Day of the Lord, he is going to leave the throne, a throne he already left before that hour, at the breaking of the seventh seal! That is confusion! That is a dual statement!" Saints, as it is written in 1 Corinthians Chapter 14, verse 20: **"Brethren, be not children in understanding: howbeit in malice be ye children, but in understanding be men"**. My! I also ask: Where is the contradiction? What is the contradiction in the two statements? You reply: *"We all know that the sixth seal has been broken, but its application is reserved for the Day of the Lord. So how is Jesus going to leave the throne at the application of the sixth seal, on the Day of the Lord, when he would have already left it, after the breaking of the seventh seal, almost seven years before the Day of the Lord, never to return to it anymore?"* That is your own problem! I left that statement exactly as it is, on purpose, without rewording it, for tares following this Move to have something with which to kill themselves, thinking they have something against this ministry! I could have reworded it, for it occurred to me that someone would make it a counter-

statement; but on second thoughts, I left it as it is, for I know it will serve a purpose. I say that to let you know that I am aware of that statement. When the Lord was inspiring me to present that message, I was moved to leave it the way it is. So, now you think you see a dual statement, a FAN, but in actual fact, it is not; there is no duality in the two statements. *"Brother Amos, now you are trying to cover your tracks; you are trying to play smart."* I am not covering any tracks, and I am not trying to play smart either, for this is not a game!

Brothers and sisters, in my message on *The Day Of The Lord*, when I say that Christ leaves the throne, at the application of the sixth seal, the material question is, What do I mean by that? It simply means that he leaves heaven for the earth, AS HE HAS NOT LEFT HEAVEN PRIOR TO THAT TIME, for the earth, in spite of the opening of the seventh seal! For at the opening of the seventh seal, he only slips to the earth in the spirit, and not in his physical body of flesh, because his physical presence remains in heaven, which is why he is characterised by Michael the archangel, in Revelation Chapter 10, verses 1-2! Consequently,

when I told you that at the application of the sixth seal, he will leave the throne, that refers to his leaving heaven, and two scriptural prophetic issues buttress this fact. In the first instance, after the breaking of the seventh seal, and the seven thunders prepare us prophetically for the rapture, when the rapture moment actually arrives, Christ, who has been in heaven all this while, will descend from heaven to meet us half-way in the sky, showing that he remains in heaven, till we are to be raptured! Secondly, when we are raptured, he takes us with him to heaven, and we are married to him, up there in heaven, for that is where we will crown him, as the Book of Daniel Chapter 7, verse 13, reveals, which refers to us prophetically as **"the clouds of heaven"**, the witnesses of heaven, **"cloud of witnesses"**. Then on the Day of the Lord, we are leaving heaven with him on white horses, vindicating the truth that since he rose from the dead and ascended up to heaven, he does not leave heaven until the hour of the rapture, as well as on the Day of the Lord. And at the time of rapture, he merely descends into the clouds of heaven, for he does not come to the earth, and neither will the world see

him, as he meets us up there in the air! Therefore, it is on the Day of the Lord, that he actually departs from heaven for the earth, and when I said he leaves the throne, that is merely figurative, for it speaks of his leaving heaven. Period! There is no dual statement in that! That is why I quoted the words of Saint Paul, recorded in 1 Corinthians Chapter 14, verse 40, imploring that in understanding, we should not be children, but adults; because we should be able to see what a person means, rather than just holding to mere words, or to the mere letter used! Therefore, you should always ask yourself: What does something mean? IF you take that statement to be a counter-projection, and hence, a FAN, suit yourself; it is you taking it as a counter-statement! There is no counter-statement in that! But I know some men will see it as a dual statement, and hence, I was moved to leave it there like that; otherwise, I would have reworded it, and used the word heaven, because I was fully aware of the effects of it; but I simply left it like that, as I felt moved to do so. Now, fight with that! Somebody definitely needs it as something to stumble on, and I left it on purpose to act as a stone of offence, because it is not everybody

following this Move, that is following it with a pure heart. There are people looking for just what to use to destroy what the Lord is doing, and God also has to give them what they need, in order to take them out. And Church, just in case you still think I am only playing smart, as you are not convinced that I left the word **“throne”** there on purpose, listen to this, for it settles this issue. Coming back to that quote or statement, in that very Scribe, *The Day Of The Lord*, I said: ***“Therefore, the true scriptural order is this. Christ breaks the sixth seal, and this breaking took place at this end time, back in 1963, and in the future hour of the prophetic application of that seal, Jesus will leave the “throne” of God in heaven, and mount on his horse”***. Please note that I put the “throne” in speech marks, for I put it in parenthesis, clearly indicating that it is used strictly in a figurative way, or in a figurative sense; that that word is used to mean something else, which is that Christ will leave his abode in heaven! Come on! Check your own Scribe copy! I know that we have not yet printed it; but some of you have downloaded it, and read it, and you have even written me to

appreciate that Scribe message, because it is online. So, check your downloaded copy, or check online! I left the speech marks there for those that have eyes to see. Unbelievers will not see it; it is the elect Bride that will see it, for they are highly revealed. May I also say, if everything has to be broken down for you, and everything has to be explained to you to the “T”, before you see something, please know that God is not dealing with you; because there is an understanding God gives to ALL His elect Bride seeds! John Chapter 6, verse 45, says so! This issue is something that some, no doubt, will use to kill themselves, for it gives them that supposed ammunition. So, if you are looking for the FAN in John's ministry, you will get your fan. How many understand what I mean by that? You will get your fan, because that is precisely what some men are looking for, and it simply shows that their minds are not even right; they are defiled, as something else has taken over their minds. When you are following a man in the light, and all you are looking for, is what to use to destroy his ministry; you are only looking for loopholes, and you are not reading in order to establish yourself in the scriptural light of Jesus

Christ; you are not reading to know the truth, you are reading to look for loopholes, it shows that the devil has taken over your heart, and twisted it! That is why it is defiled; and sure, you will see the FAN where there is none! Please come with me to consider another issue which carnal minded people will use, for they will take it as a FAN. We have a message in the Scribe, titled, *The Seven Thunders In Relation To The Fivefold Ministry*. On page 3, column 2, I was speaking about the Scroll of Redemption, and I said: **“It bears the names of the redeemed of the Lord, Not all through time, but in this grace age. It takes in the bride of Jesus Christ, the Jewish saints, and the tribulation saints. The tribulation saints takes in the Gentile foolish virgins”**. Brothers and sisters, that message was preached in 2005, and in it, I limited the names on the Scroll of Redemption to the saints in the Grace Age, both Jews and Gentiles. Then in our Scribe, titled, *The Book Of Life*, Part 1, speaking about the names listed on this Scroll, on page 40, column 3, I now stated: **“Nevertheless, in the Scroll of Redemption, we also have the names of all the redeemed of the Lord, ALL those who come into eternal life by**

faith in the Word of God for redemption, whether it is under the Old Testament, or whether it is under the New Testament, plus the names of the Sheep Nation people, as recorded in Matthew Chapter 25...” Continuing on to page 41, column 1, concerning the inclusion of the names of the Sheep Nation people, I re-affirmed my position, by stating: **“Now I ask you: Where do you suppose that their names are written? Their names have to be on the Scroll which is vested in Jesus Christ by God the Father! As we pointed out earlier, because the Scroll is the Title Deed, it spells out the specifics of what is owned! Therefore, and just as I also told you much earlier, the Scroll contains the names of all the Pre-flood as well as the Old Testament saints, right up to the thief on the Cross, with the names of all the Bride saints, together with those Tribulation saints, both Jews and Gentiles, for they are all in the Scroll of Redemption, including the Millennial mortal subjects, people who make up the sheep nation”**. I ask you: Is that a FAN? Or are you going to make that a FAN? Of course, it is not a FAN! Why

is it not a FAN, someone might ask? It is because it is not a dual statement or a counter-statement, but strictly one that amounts to what I often call a **“revelation upgrade”**! This is because, the second statement does not nullify or take away the names, and the time period covered by the Scroll, in the first projection; but rather, the second projection or statement, only goes beyond the names and the time period covered in the first projection. Period! I repeat: The second statement only gives you an expansion of the names and of the period covered by the Scroll of Redemption, and hence, it is strictly an enlargement of the names written therein; it only widens the Dispensations of the time which the Scroll covers in its name compilation, without denying or taking away the names and period covered in the first projection! That is strictly a **“Revelation upgrade”**, and it was preached many years after the first projection! What is a **“revelation upgrade”**? To illustrate this truth, please come with me to a Bible scenario that portrays a revelation upgrade, for it is one of God's revelation footprints, and is laid out in the Book of Acts Chapter 19, verse 1-7: **“And it**

came to pass, that, while Apollos was at Corinth, Paul having passed through the upper coasts came to Ephesus: and finding certain disciples, He said unto them, Have ye received the Holy Ghost since ye believed? And they said unto him, We have not so much as heard whether there be any Holy Ghost. And he said unto them, Unto what then were ye baptized? And they said, Unto John's baptism. Then said Paul, John verily baptized with the baptism of repentance, saying unto the people, that they should believe on him which should come after him, that is, on Christ Jesus. When they heard this, they were baptized in the name of the Lord Jesus. And when Paul had laid his hands upon them, the Holy Ghost came on them; and they spake with tongues, and prophesied. And all the men were about twelve".

Now we have a situation that amounts to a revelation upgrade, for here we see the **updating** of some brethren's revelation. Certain disciples of Apollos who followed John the Baptist had been baptised with the baptism of John, which is strictly for repentance, showing that their hearts

had now been set right, and prepared to receive the coming Messiah. This was because, in the hour of John the Baptist, baptism for the remission of sins could not yet be had, because the perfect sacrifice had not yet been offered, to remit our sins, which is to take away our sins. Consequently, all they could have, was only a baptism which showed that their hearts had been set right to receive the Promised Messiah; that is the baptism they could have under John's ministry, being a baptism **"with water U N T O REPENTANCE"**. (Matt. 3:11). He had to do that as the forerunner of the Messiah, in order to get their hearts ready, and to cause his subjects to look forward to Jesus Christ. However, the fact is, the Messiah had come and gone, and had paid the perfect sacrifice, allowing those who believed to receive water baptism for the remission of their sins. Therefore, **these disciples of Apollos needed their revelation to be upgraded**, for the scenario gives us a revelation upgrade. Please note, that Apostle Paul did not condemn, or deny, or take away, the truth of the baptism they had had, because what they had

was true, in the hour that they had it, for that was the measure of truth that was available in the hour of John. But now, the full price for sin had been paid; it was important that they be re-baptised in the name of the Lord Jesus Christ, in order to have their sins washed away, for it is for the total removal of sin; and by this act, their revelational understanding on the truth of water baptism was upgraded or updated! This does not constitute a FAN in any way. However, taking what John the Baptist taught on water baptism, and also taking what Saint Paul also taught on water baptism, I F both projections had been made (established) by Apostle Paul himself, at different times during the currency of his ministry, it would have amounted to making a dual statement, or a counter-projection; but he did not do such a thing. Coming back to the teaching of John the Baptist on water baptism, he could not have covered a revelation that God had not given in his hour of time, a revelation that only came later. Therefore, in the days of Apostle Paul, the disciples of John the Baptist only needed an update, a revelational update, or an upgrade. Period! Consequently, the fact that I took the names on the Scroll of

Redemption, and tied it to the Grace Age, and years later, I expanded the names therein, including the period covered, amounts to a revelation upgrade, because I can see clearer and deeper now, than I did yesterday, as revelation comes in folds, being inherently progressive, not static (stationary). It is not a FAN, but it is an upgrade of revelation! And please note as I stated earlier, that that is my terminology, for it is my way of explaining the truth of God, of how God deals with His children in the light, because we receive truth in measures. These are unwritten principles which the Spirit of the Lord uses to guide us in our understanding of truth; they help us know just how to look at truth, and we can see God's application of these principles through time, simply because the revelation of God does not come in one solid block, but it comes in folds. This reminds me of the scribes in Matthew Chapter 13, verse 52. When we produced the Scribe message titled, *THE THREE SCRIBES*, we laid out the three successive scribes; but I did not yet see their successive householder status, as I only saw one householder, William Branham. So, what are you going to do? Are

you now going to take my message in the recent Scribe, titled, *THE HOUSEHOLDER*, and make the revelation upgrade that is laid out in it a FAN? Come on! You do not know what a FAN is, if you do that!

Moreover, when I made the first projection concerning the names on the Scroll of Redemption, I took it like that to align myself with the revelation of the chief apostle, because that is how he preached it, and that was the level of understanding that we had at that time. So, I was only standing with Brother Jackson in the light he bore for us, from the pages of God's Holy Word. But brothers and sisters, I can see clearer and better now, as the Lord has shed more light on that subject; because, as I must continue to emphasise, the revelation of the Word of God comes in folds, as it is progressively given, which is why it is written in Romans Chapter 1, verse 17: "***For therein***" (in the Word of God, in the Gospel of Christ), "***is the righteousness of God revealed FROM FAITH TO FAITH***", (which is from revelation to revelation): "***as it is written, The Just shall live BY FAITH***". By the grace of God, I can see better today than I saw

back then, concerning the Scroll of Redemption, amongst many other Bible issues, as the light of the Bride only gets brighter. (Prov. 4:18). That message on *The Book Of Life* is ready, and we are going to put it on the Internet in a few days time, by the grace of God. My position in 2005, in the hour that I took *The Seven Thunders In Relation To The Fivefold Ministry*, was to stay faithfully with what God had given to us through the chief apostle, and to the extent that it had been given to us, until God lifts us higher. Such a stand only makes common sense, for if God has not dealt with me on something, common sense tells me to stay with what we have been given from the Scriptures, by the last standard bearer, that I might be a faithful servant. And even with regard to my earlier projection on this issue, the fact remains that in the Continuity Movement, we had UNITY; we still had "***unity of the faith***" on this subject, in the universal body, as there was no confusion in that day on this subject, and neither is there any confusion today! How many understand what I am saying? Even in that projection, we still had unity! Therefore, you cannot say it is a FAN, because we are not being

blown; but rather, we are believing the same thing, and we understand that that was the measure or the fold of revelation God gave to us, at that point in time. Halleluiah! You just cannot make it a FAN! But as I said before, as long as people are looking for something with which to knock, tear down, and rubbish the ministry of truth, they will get something, however ridiculous it may be, on account of their defiled hearts. Church, coming back to the issue of divine principles that guide the Bride in her understanding of truth, unwritten principles which the Spirit of the Lord uses to help us have a perfect understanding of how to look at issues of truth, apart from the truth of a **“Revelation upgrade”**, we also have something that I often call a **“Boxed revelation”**. What is a **“Boxed revelation”**? It is a Concealed revelation, and it gives us a truth that remains buried or veiled, for it is boxed (hidden), regardless of the fact that it has been preached by the ministry of truth. Such issues or topics of truth, become boxed or concealed revelations. And what exactly do we mean by that? I will explain. When we talk about a boxed or concealed revelation, it is a truth that a man goes into

ahead of its divine time, being a standard bearer, or a lead ministry; but despite his preaching on it, the truth of that Scripture remains veiled or boxed; it remains concealed, nonetheless, as nobody will have the correct interpretation of that Scripture as yet. He will teach or preach it in the best possible way that his human mind can conceive, but the truth of that Scripture remains boxed (concealed or veiled). However, it is important to point out, that in projecting it, the whole body of saints will say Amen to it, for there will still be unity within the body, even in that projection, because as the standard bearer, nobody has a better interpretation of it as at that time, and hence, nobody truly knows that the interpretation is wrong! Therefore, nobody can come and correct him, because nobody has a better understanding than the man carrying the standard, the man carrying the revelation of the blueprint of the Word of God. How many understand what I am saying? Nobody has a better understanding of truth than the man carrying the standard, because in his hand is the blueprint of God! This means in essence, that nobody is blown or tossed into the air by that projection or

interpretation, because it simply does not amount to a FAN, which blows, and which creates confusion! What then is it? It is a boxed revelation! But you ask: *“Brother Amos, how can this be?”* It is based on the scriptural fact, that until the time comes for God to open up a truth, a nugget of truth, he does not judge the man whom He has anointed to carry His Word, if he goes into it, ahead of God's foreordained time for its revelation. Hence, it is written in the Book of Acts Chapter 17, verse 30, where Apostle Paul warns the Gentiles against idolatry, declaring from verse 29: **“Forasmuch then as we are the offspring of God, we ought not to think that the Godhead is like unto gold, or silver, or stone, graven by art and man's device. And the times of this ignorance GOD WINKED AT”**, (for God does not judge it); **“but now commandeth all men every where to repent”**, (because the true light has now come, and is shining gloriously for all to see, leaving everyone without any excuse, for not walking in the true light)! Now God will not wink at it, but He will judge it, and judge it severely, only because the days of ignorance has passed! That is why, God will not

judge His servant for projecting a truth in a particular way, IF it is not yet time for God to unveil it, for it is in the times of ignorance of that truth, an ignorance that is occasioned by the fact that God has not yet shed His light on it. Therefore, God cannot judge any man with a light He has not yet given, for He cannot expect you to have what He has not yet given you! Period! It is when the true light comes, then you are judged by that light, for it becomes a standard; and if you turn it down, it is at the expense of your soul, for the days of ignorance are past. That is the truth! Prior to 1963, Brother Branham preached a message on *The Seven Seals* of Revelation Chapter 6, and he laid it out the way Joseph Smith taught it, for as far as he could see in that day, that was the best interpretation that could be applied to that prophetic passage of Scripture. Joseph Smith was the founder of Mormonism, and the Church of the Latter Day Saints. The point is, although the angel of the Lord was manifestly present in Brother Branham's ministry, ministering the anointing and performing astounding miracles, for God was with him, nevertheless, the Lord did not stop him from preaching on it, and not once did the Lord rebuke him at any time. Why not? Because those were the days of ignorance! However, coming to March 1963, the year divinely ordained for the breaking of the Seals in heaven, by our Lord Jesus Christ, the Lord sent down a constellation of seven angels to William Branham, to unlock, or open up, the boxed revelation of the Seals, and we were given the revelation of the First Six Seals! When the true light came, it was totally opposite, and absolutely contrary to Brother Branham's earlier teachings on this subject, for it was one million miles apart! So, I ask you: Are you going to call that a FAN? That is not a FAN, but a **"boxed revelation"**! And the solid proof of it, is that there is nobody in the Entire Branham Movement, who is having any recourse to the prophet's first teaching on that subject, and furthermore, nobody is confused in that respect! Consequently, we must understand, as children of light, that when a standard bearer takes a truth that is boxed, even in his projection, there is still unity of understanding within the body of God's elect children. And when the true light is later shed on the subject, it becomes a case of a boxed revelation that has now been opened up, and as such, we all simply lay the old projection aside, and hold to the true light, and there is no one who has come into the true light, that will now make anything of the old projection, so as to make it a FAN, for it causes no confusion, and it blows no one, because it is simply not a FAN! It is on this same principle of truth, that a **"revelation upgrade"** does not give you a FAN either! Brothers and sisters, and please listen closely: For something to be a FAN, it has to be an incorrect teaching projected later in time, one that comes after a correct projection has first been made; it has to follow an earlier position that is right. Catch that! For a teaching or a projection to constitute a FAN, the false or wrong projection must come later in time, for it must come after the true projection has already been established or made! How many see my point? If a true projection comes after a wrong projection, that cannot be a FAN, but it is a case of boxed revelation that has now been opened up! Do not forget that in this message, we are dealing strictly with ministries that carry the standard or the plumb-line of truth. Therefore, you

cannot apply the FAN to every man in the ministry, who is following a lead ministry, and who may present something in a wrong way, only because he is ignorant of the truth that has been established by God's standard bearer; the FAN only applies in the message of the end time Dispensational messengers of Elijah and Paul, although it was majorly applied in the ministry of Elijah. Consequently, it is not something we can take to every ministry following the Message, even though men can also preach things that constitute a FAN, that is, they can carry the FAN that is in the message, and use it; which is what the majority of the preachers in the Branham Movement are doing, as they continue to fight one another with the quotes of William Branham's messages. Saints, you have to understand these things, for as the Bride of Jesus Christ, we must know how to look at truth, and know how God deals with us, and further know just how to look at what is going on out there, because **THE SPIRIT OF TRUTH IS HERE**. Therefore, you must know the principles guiding the construction of truth, and you must also know what constitutes a FAN. These are things

tares do not understand, and neither do they care, and indeed, they are not supposed to understand these things, as God does not give what is holy to dogs, and neither does He cast His pearls before swine. You must just understand, brothers and sisters, that there are some things men go into, ahead of the divinely appointed hour. It is not as if God opens up heaven, and says, *"My servant, in February 2017, I will open this particular Scripture, but before that time comes, in December 2016, I will give you this revelation."* That is not how God works, even though He can work like that at particular points in time, IF He so desires, and for specific reasons, just as He informed the prophet ahead of time, concerning the opening of the seals, prior to 1963. But generally speaking, the Lord simply comes in His own time, and opens up His truth to His servant, without any prior notice, for He is sovereign. He does not tell him: *"Tomorrow is the day I am going to open up such and such a Scripture."* Are you listening to me? The fact remains, brothers and sisters, and it is the bottom-line, that when we consider cases of a **"boxed revelation"**, or that which gives us a **"revelation upgrade"**, we ALL stand

together as one, on that same revelatory plane, till God moves us further or higher, and as such, we are at rest, and we are one, for there is absolute unity. That united revelatory stand, is precisely what we have in this third and final move of God for the Bride, under the ministry of John, and that is why we say categorically, and without fear, that in this Continuing Message of Jesus Christ of the Bible, there is no FAN. The FAN has no application to the ministry of John, and by the grace of God, I will prove it by the Holy Bible.

Brothers and sisters, coming back to consider the application of the FAN, with regards to the ministry of John, our brother in Owerri, Brother Hope, is saying essentially this: ***"It took Brother Jackson to show the FAN in the ministry of Brother Branham. It took Brother Amos to show the FAN in the ministry of Brother Jackson. So, it will take another man"***, (obviously referring to himself), ***"to show the FAN in the ministry of John"***. Now I have to ask: Do you really know the implication of the FAN? Do you know what it means if there is a FAN in the message of John? Listen to me Church, and I will first say this: If all you see in the Continuity Light

is the FAN, you see nothing! Because I will tell you now, Brother Jackson did not just see the FAN, he was the one God used to open up Matthew Chapter 3, verse 12, which we knew absolutely nothing about. We read it over, and we just went on as if it meant nothing! That is the truth! So, brothers and sisters, listen very closely, because I am now at the highlight of my message. The issue is this, Brother Jackson did not just see the FAN, for if all he saw was the FAN, then he saw nothing; and if all he brought was the FAN, he brought nothing! I say that because, merely recognising the FAN does not establish people in the truth! Come on! You say you see the FAN, but what of the truth? You see the FAN, but where is the truth? Moreover, and as our brother, Brother Ifeanyi Nzekwe, once said, Brother Jackson did not bring out the FAN in the message of Brother Branham, until Brother Branham had passed away, and that is the truth! Saints, for Brother Jackson to be crying about the FAN in the ministry of the Star messenger to this Age, whilst Brother Branham was still on ground, would amount to knocking the Message of a current standard bearer; for by showing the FAN, he would be x-raying his

message, and no man can do that! Brother Jackson could not do that, and he did not do that! Similarly, when Brother Jackson was on ground, I did not speak about any FAN in his message, for that would be taking away from his ministry as the standard bearer! Moreover, I honestly did not see any FAN in his message, whilst he was with us, for I was on "cloud nine", with the explosive revelation of the Holy Scriptures that he brought. In such a spiritual state of ecstasy or euphoria, and whilst feeding sumptuously under his ministry on the **Fresh "Carcase"**, it was impossible for me to be looking for the FAN in his message; for ALL I saw was the fountain of revealed truth that was flowing endlessly from his ministry, by the Spirit of Christ. I was feasting continuously on Fresh "**Manna**", so, just how could I see any FAN in his ministry in that day? Come on! I did not see the FAN, I saw only Truth: I saw the Continuing Message of Jesus Christ! And as a result, I stood firmly, openly, unreservedly, and unashamedly, with that faithful man, in the light of truth that he bore, for the universal body of Jesus Christ! Period! May I add, that it was the grace of God that enabled me to do that,

which was how I was also able to stand in defence, not only of his Message, but also of his person, showing to the world by the Holy Scriptures, and by the evident fruit of his ministry, his precise ministry position, that he was the chief apostle to this age, the Paul of the end time! But the bottom-line is, that Brother Jackson did not only see the FAN, he was used to open up the Holy Bible, and lay out the truth, not only with regards to the fundamental Doctrines of the Bride Church, but also with respect to the Mysteries of the kingdom, and the deep Prophetic pictures buried in the Scriptures. Therefore, identifying the FAN does not give anyone any ounce of truth. That is why I say, that if all you see is the FAN, you see nothing, because you are not helping anybody listening to you, to grow in the light of Jesus Christ of the Bible! Hence, Brother Jackson not only saw the FAN, he also brought the truth, opening up the Scriptures, establishing us firmly upon the immutable rock of the Word of God! It took Brother Jackson, under Christ, to let us know what the golden image of King Nebuchadnezzar was, by the Scriptures, and he opened this truth for us, right in the days of Brother

Branham, when he preached it at the Branham Tabernacle, and Brother Branham came, and put his seal of approval on that message, for the golden image was that of Daniel himself. When I was reading the Contender where he brought out this truth, I was hitting the roof! In Daniel Chapter 2, King Nebuchadnezzar had a dream that terrified him, a dream he did not understand. He asked all his men, all his magicians, all his counsellors, and all the sorcerers and astrologers in the land, *"Come and tell me my dream, and its interpretation."* They said, *"No, you tell us your dream, and we will give you the interpretation."* He replied them, saying: *"If you cannot tell me my dream, I know that you will interpret it anyway you like; it would be easy for you to deceive me. But in order to let me know that you have the true interpretation, you will also tell me what I have dreamt, and I will believe your interpretation as well."* They instantly disagreed with him, saying: *"No human being can tell you your dream. You will have to first tell us your dream, then we can give you the interpretation."* King Nebuchadnezzar then warned them, saying: *"If you do not tell me my*

dream, I will kill all of you, because you want to deceive me!" The Lord God made that dream grip his heart, because God was going to use it. He was so mad, that he issued an instant decree of death: *"Every wise man, sorcerer, astrologer, and magician in the land of Babylon, slaughter them all!"* When they got hold of Daniel, for they were looking for all of them to kill, on asking why there was such an urgent verdict of death, the officer in charge told him the reason, and Daniel went straight to the king, and begged him: *"Please, do not kill anyone as yet, but give me just a few days, and I will give you your dream and its interpretation."* The king stayed the execution order, and Daniel called his three friends and prayer partners, Shadrach, Meshach, and Abed-nego, and asked them to pray and seek God's face with him, for the revelation. But remember, Daniel is a prophet of God. When they fasted and prayed, heaven heard, and heaven came down. Here came the angel of the Lord in a night vision, and the same dream that God gave the king, God also gave Daniel. Halleluia! Daniel then went to the king, and told him, *"Now I will tell you your dream, for the God of*

heaven has revealed it to me." The king himself could not believe it, for no doubt, he must have been sceptical, as such a thing had never happened before. Thank God for Brother Jackson! When Daniel said, *"O king, you saw an image."* The king said, *"Yes!"* Because that was the first clue that he saw what the king saw. Daniel continued: *"You saw an image, whose height was such and such, and he was exceedingly terrible in appearance."* The king replied, *"That is true! Go on!"* Daniel continued: *"The head was of fine gold." Nebuchadnezzar said: "Yes, it is true!" Daniel continued: "His breast and chest was of silver; his thigh and his belly of brass, and his feet of iron..."* Brothers and sisters, by the time Daniel began to add detail upon detail, and he now jumped into the breakdown of its prophetic application, starting with Nebuchadnezzar's kingdom, as the head of gold, the king had left his seat, tugging at the apparel of Daniel, urging him to continue, and not to stop. Church, by the time Daniel had finished the graphic, insightful, and perfect prophetic interpretation of the dream, King Nebuchadnezzar was on the floor, totally mesmerised, perplexed,

and he worshipped Daniel! Verses 46-47 records: **“Then the king Nebuchadnezzar fell upon his face, and WORSHIPPED DANIEL, and commanded that they should offer an oblation and sweet odours UNTO HIM. The king answered unto Daniel, and said, Of a truth it is, that your God is a God of gods, and a Lord of kings, and a revealer of secrets, seeing thou couldst reveal this secret”**. Brothers and sisters, that man fell and worshipped Daniel, and instantly, he commissioned a golden statue to be built in the image of Daniel, for worship, Nebuchadnezzar being a pagan king. That was why in the next Chapter of Daniel, Chapter 3, everybody except Daniel, was asked to bow to that image, including Daniel's fellow brethren and prayer group, the three Hebrew children, Shadrach, Meshach, and Abed-nego! And not only was Daniel not asked or required to worship that image, but in addition, he was not mentioned at all in the entire Chapter 3, where the idolatrous worship was enforced and observed, simply because it was his image! Perfect revelation! Halleluia! Church, Brother Jackson did not just see the FAN, but in the days of

Elijah, he brought a light, a marvellous light; he brought truth, which shows us that God had already invested something, a grace, in his life, as the successor standard bearer to the ministry of Elijah, for those who have eyes to see. And when Brother Jackson was here, I also did not see the FAN; I saw truth, and right there at Faith Assembly, in the presence of the chief apostle, and on his very pulpit, God gave me a truth, and I laid out this truth within a message I took in that day, opening up the truth of **THE MAN THAT WAS CAUGHT UP**, identifying him as John, for the Lord gave me something! **More importantly, I preached that message in such a way to back up and vindicate his successor Lead ministry, to that of Brother Branham!** Halleluia! I did not see the FAN, I saw truth, and under Christ, I brought in something, and that is part of the reason why Brother Jackson knew, *“That is the next anchor man. This man will write the last Chapter of the Book of Acts”*. Halleluia!

My brother, you may think in your heart, and you may also say to your assembly in self-defence, or in self-justification: *“It is not how*

long you have been in the Message that determines what you do in the ministry. You do not have to be a Methuselah in the Continuity Move of God, in order to have something. Look at Saint Paul: He came much later in time, after Apostles Peter, James, and John, had long been established. So, the fact that I just came into the Message, that I am new in the Message, is not the determinant of anything.” Yes, my brother, that is very true! However, the main point is this: Apostle Paul, who came much later in time brought something, something no other man had, for he carried the revelational blueprint of God's plan of Gentile salvation; he came with something! Yes, Saint Paul came newly into the Message of Christ, but he was loaded, loaded with divine revelation! Consequently, and as is recorded in Galatians Chapter 2, the apostles in Jerusalem gave him ***“the right hands of fellowship”***, recognising his crucial ministry position for the Gentiles, as ***“The Apostle”*** of the uncircumcision, who are the Gentiles! But Brother Hope, what have you

brought, in order to claim anything? What did you come with? Nothing! You brought absolutely nothing! Humility is divine, and hence, golden. I challenge you to bring out all those revelations you claim the Lord has given you for the universal Bride: Bring them out! I throw that challenge, because as it is written, the truth of God is not for the closet, but is to be sounded from the roof top to the general body of saints! (Matt. 10:27). My brother, the Lord has given you nothing: You are only deceived, and you are also deceiving those poor folks in Owerri! I love my brother, and I love the brethren in Owerri, but this is not a game; this is about the souls of men, and it is too late in the day to play games with the Word of Life! You will pay a serious price if you do! We cannot afford to play games with the souls of God's precious people, for whom Christ died, as that amounts to utter wickedness! And what makes the situation very sad, is the way the folks are taking it in Owerri. They were rejoicing as he was tearing down my ministry, and was making jest of it, strutting arrogantly in the Church, with his hand in his

pocket. Our brother, Brother Ogemdi Obiaka, a member of Bible Faith Tabernacle, who was visiting Owerri at that material time, for a marriage ceremony, was in that Sunday service, when they were carrying on. He gave me his witness concerning this sad development, and I will be reading his written testimony to you as well. He even spoke to Brother Hope on phone to register his protest, telling him: *"Brother, you cannot be making jest, and speaking rudely about the ministry of Brother Amos like this. That is rude!"* Saints, I do not take that personally, for it is nothing to me, as all that is happening on account of truth, for it is truth in conflict; but it is sad, nonetheless, that people following the ministry of truth will be making jest of that ministry. I pray that God will not count it against them, for they are just ignorant people. However, I have a serious warning that I will be giving in another message, after this one. For it has become crucial that I warn you against wilful unbelief; because it is better for you not to come and identify with this truth at all, than to come and

identify with this truth, and testify of this truth, and then you later do despite to the Spirit of grace. May God help you, is all I can say. Just remain in the opposition, and throw your stones, all your stones; but do not come and join yourself to truth, for you will fare better being out of it. However, if you come to this truth, you had better be very careful. It is a very solemn warning that I have to give, for we are not here playing games. Now, Brother Hope is the one seeing the FAN in this message. He is the FAN Identifier. Brothers and sisters, as I said earlier, if all I saw was the FAN in Brother Jackson's ministry, I saw nothing, and I am of no benefit to the body of saints; I am of no benefit to the Bride. But by the grace of God, I saw something in that man's ministry, something that God did not let anybody else see, even though many men followed his message around the globe. But the fact remains that I saw something, for I saw the precise office that he occupied within the Ephesian Ministry, a position that no man knew he occupied. That was why Brother Jackson said openly: ***"It took Brother***

Amos to show who I am". Another time, he also said, **"It took a black man from Africa to defend me".** So, it was not the FAN that I saw, but truth; I saw something, and that let that humble man know, *"That is the next man"*; and he told his own people, pointing them forward, personally, individually, apart from collectively. I say he spoke to them individually, because of two testimonies that were given. On January 16, 2005, when James Allen and Bud Thompson were laying out their very evil, wicked, and hypocritical judgment of my book, titled, *He That Is To Come*, using the statements of conviction that I had made, that Brother Jackson will be here until the rapture, a thought projection that they had also firmly believed, and for which they had also earlier crucified Corina Glass, James Allen said that when he informed a brother, (who I know to be Steve Yahraus), that they were going to judge my book, he said the brother asked him: **"How are you going to do it, because Brother Jackson said that there is a great calling upon his life".** That lets us know

undoubtedly, that Brother Jackson personally spoke to Steve Yahraus about my ministry! Again, just before the burial service of Brother Jackson started on the morning of Wednesday, December 8th, 2004, I came early into the Church hall, and I saw James Allen and Bud Thompson standing on the platform, and the casket of Brother Jackson also laid directly in front of the podium. I walked over to them, and we exchanged pleasantries (greetings). They told me that they would like me to preach the following day, at the Thursday midweek service, adding, **"We want you to know that Brother Jackson told us some things about you"**, (which is about my ministry). But they did not tell me what he told them though, for they kept it from me; because they were playing their silly little games, thinking that if they did not tell me, it would not be accomplished, particularly since Brother Jackson had now passed away, forgetting that God is God, and that His will is sovereign! As it is written: *"No man can receive anything, except it is given to him from above"*. Nevertheless, the

information they gave me, confirms my claim, that the chief apostle pointed them forward, for he pointed them to the successive lead ministry, speaking to them personally, concerning my ministry. But because of unbridled ambition, they wilfully rejected the counsel that the chief apostle gave them in that day, and if I may ask: Where are they now? Do not even forget, that about seven months earlier, precisely in April 2004, Brother Jackson had made an open pronouncement at the Spring Convention, concerning my ministry, declaring to me before the entire congregation, and an international audience at that: **"You've done as good a job, as Luke ever did. There's no doubt, you will write the last Chapter of the Book of Acts, as the Bride gets ready to leave this world. God bless you. God bless you brother"**. The previous year, on arrival with my wife and in Louisville, Kentucky, for the 2003 Fall Convention, we were driven by Steve Yahraus from the airport directly to Faith Assembly, where he collected his wife, and from there he drove us to meet Brother Jackson.

He was waiting for us at a Restaurant, along with Deva Govender, and his wife. At the table as we all sat, Brother Jackson suddenly said: **“Brother Amos, I am going to give you a new name. I will call you Dr Luke”**. He said this on account of the first two books I had written on him, titled, *When God Lifts Up A Standard*, and *Does Raymond Jackson Believe The Message*. I was pleasantly surprised, when during that Convention, he again introduced me as **“Dr Luke”**, twice from the platform, as I took over the pulpit to preach. Coming back to the following year of April 2004, at the closing of the Spring Convention, precisely at the closing of the Sunday evening service, James Allen asked me to dismiss the Congregation, and that if I had anything to say, I could say it. I closed the service in prayer, and as I was walking away from the pulpit, Brother Jackson said these words to me from his seat, right there on the platform, in the presence of everybody: **“Brother Amos, I want you to know we are so glad to have you. It is a privilege to know you. I thank God our paths**

crossed”. Those words shook me to my depths, for I felt that I was the privileged one to have met him! This plainly and inarguably confirms, that Brother Jackson saw something that God invested in me, in His own sovereign love and mercy, most unworthy as I am. And I have no doubt whatsoever, that he had received a personal dealing of God, before making the open pronouncement about my writing the last Chapter of the Book of Acts, for that is a serious issue of the Bible, one that cannot be taken lightly, knowing the weightiness of it, he being the chief apostle of this end time! Speaking about his appreciation of the writing gift with which the Lord has blessed me, after I had taken a message during that 2004 April Convention, Brother Jackson suddenly came into the fellowship hall, where my wife and myself were sitting relaxing, and he greeted us and gave me a big hug, saying: **“The way you present truth is very good. Brother Amos, I want you to know I have read books; I have read the Ante-Nicene Fathers: If only they had a man like**

you”. Finally, at the end of the next Convention, which is the Fall Convention of September 2004, Brother Jackson had asked me to preach at the midweek service on Thursday, September 30, 2004. This was the last message I took at Faith Assembly before he passed away, titled, *The Foundation Of The Fivefold Ministry*, Part 1, and that video message can be found on our website. Right after that service, Brother Jackson asked my wife and myself to stand at the back of the Church, so that the brethren could greet us as they exited the hall, and we did. Brother Jackson then came and stood with us, standing in-between us. He turned to me and said: **“I have seen the blacks excel in sports, and in all entertainment. But in this way”**, (this revealed way), **“they are just not there. It is good to see God use a black man like this”**. When we got back to the room, and I told my wife what Brother Jackson said to me, she told me that he had told her the very same thing. And what could I say, but to God be the glory, for it is all His doing. And I will confess to you unashamedly, and with deep gratitude in my heart

to God Almighty, for His immense goodness and love towards an unworthy me, that it is wonderful in my eyes! Yes, it is! I say all that to show that the chief apostle saw something, a grace that God in His sovereign and infinite love and mercy, has invested in my life, for the Lord gave me something to bring to the table in that day, for God's people, and that became a pointer for Brother Jackson, of something to come. This also made him, in turn, point forward.

Remember, we are speaking about *THE FAN, AND THE ENDING MINISTRY*. Now Brother Hope is making a serious claim, one that touches upon the prophetic Word of God, recorded in Matthew Chapter 3, verse 12, concerning the "**FAN**". He said: "**It took Brother Jackson to show the FAN in the ministry of Brother Branham. It took Brother Amos to show the FAN in the ministry of Brother Jackson. So, it will take another man to show the FAN in the ministry of John**", because he is now the one who sees the imaginary FAN. Therefore, I have to say, having

touched a prophetic Scripture, which is not for any private interpretation, one spoken by the Spirit of God through John the Baptist, the Elijah and Forerunner of Jesus Christ, a verse dealing with a most crucial and important prophetic issue, now you have come to the deep waters! Does the prophetic FAN really apply in the ministry of the end time John? Does it truly apply to the successor lead ministry of the chief apostle? Come with me to the Book of Revelation Chapter 10, to consider this ministry, and we will take verses 8-11 again, as verse 7 gives us the star messenger to this age. Saints, I like the way the ministry of John is positioned in this Chapter, right after that of the star messenger to this age. But we also have to graft the ministry of the end time Paul, in-between verses 7 and 8, and only the Bride knows that. In-between verse 7 and verse 8, there is the ministry of the end time Paul, even though it is not written, as it is in-between the lines. Verse 7: "**But in the days of the voice of the seventh angel**", (William Branham, the star messenger to Laodicea, the Elijah of

today), "**when he shall begin to sound**", (when his message is being published around the earth), "**the mystery**" (singular mystery) "**of God**", (which is the grafting in of the Gentiles into the body of Christ with the Jews, as revealed in the Book of Ephesians Chapter 3, a revelation God gave to Saint Paul), "**should be finished**" (completed), "**as He**" (God) "**hath declared to His servants the prophets.**" Here again, we see the ministry God used to call out His Bride elects, the principal ministry carrying the application and the operation of the prophetic "**FAN**". And as we have shown, the FAN only had a minimal application in the ministry of the end time Paul, the man who followed his ministry. That leaves us with the ministry of John, in our consideration of the FAN, and this now leads us to take verses 8-10, for it gives us something, and it records: "**And the voice which I heard from heaven spake unto me again, and said, Go and take the little book which is open in the hand of the angel which standeth upon the sea and upon the earth. And I went unto**

the angel, and said unto him, Give me the little book. And he said unto me, Take it, and eat it up; and it shall make thy belly bitter, but it shall be in thy mouth sweet as honey. And I took the little book out of the angel's hand, and ate it up; and it was in my mouth sweet as honey: and as soon as I had eaten it, my belly was bitter". And as we all know, this "***little book***" is the scroll of redemption, and it was eaten by one man, for he ate everything; he ate the entire scroll of redemption. The Angel of the Covenant gave it to him, under God's command, and he ate the entire scroll of redemption. This plainly shows us prophetically, that in the ministry of John, the Entire plan of Gentile redemption comes to completion. Brothers and sisters, as I often say, the very fact that John ate the entire scroll of redemption, lets us know that the plan of Gentile salvation that God set in motion through Apostle Paul, it is in the days of the end time John that it ends. Yes, looking on our chart, the prophetic experience of eating the Scroll, was one which John had way back here in 96 AD., in the

prophetic encounter he had on the Isle of Patmos. (Brother Amos points to the chart). But in that day, John only ate the scroll in the prophetic vision, standing right in our day, in the spirit. I say that because this encounter happened in 96 AD., and in that day, there was no temple in Jerusalem, for it had long been destroyed, way back here in 70 AD.; and Jerusalem had also been sacked (emptied of its people), and the children of Israel had been scattered to the four winds, and the nation of Israel had ceased to exist. So, way back here, from the end of 70 AD., there was no more temple. Brother Paul passed away in 66 AD., and thirty years later, precisely in 96 AD., John had an encounter on the Isle of Patmos, where he was shown the temple in Jerusalem, a temple that did not exist in that day, and a temple that has not even been built as we speak this evening, for it is still non-existent! In the same prophetic encounter, brothers and sisters, he was given the scroll of redemption to eat, a Scroll that in Chapter 5, had seven seals on it. However, when he ate this scroll in Chapter 10, it had no seals

whatsoever on it, for it was now an Open Scroll, a Fully Open Scroll. Yet, we all know that the seals were not broken until 1963, and even then, only the first six seals were broken in that day, leaving the seventh and final seal on that scroll intact, as we speak, to be broken in this our day, in this final hour of Gentile time. Consequently, since the scroll John ate in the vision was an open scroll, having no seal on it, common sense will let you know, therefore, that John was transported in a spiritual vision to our very day, for he not only witnessed the breaking of the First Six Seals in 1963, but he was also transported past Brother Branham's day, to see the breaking of the seventh and final seal. It only means in essence, that the experience of the eating of the scroll which John had in that day, is prophetic, and it speaks of the reality of the eating of the scroll which the end time John will have, for John the beloved apostle, only stood in the shoes of the end time John. Therefore, we are certain, that it is in the hour of the end time John, that the seventh seal will be broken in reality, making the scroll

a fully open scroll. That lets you see, that when Jesus Christ breaks the seventh seal in heaven, the **“mighty angel”** comes down with the fully open scroll, and gives it to John for his total consumption. Are you listening to me? It is prophetic symbolism! But it lets you see that Saint John was taken from there in 96 AD., through time, and brought right here to the hour of John, to witness a prophetic reality of the eating of the scroll, an eating which he also experienced in a vision. Are you listening to me? What am I trying to say in all that? It is that Jesus Christ is trying to show us something by the prophetic projection of the eating of the scroll of redemption, and please pay attention. When the Gospel started for the Gentiles, God used Apostle Paul to set it in motion. When he left the scene, God took Saint John, and placed him in his shoe, as Brother Branham testified to in *The Seven Church Ages*, and as the Scriptures vindicate, because he was the **“candlestick”** of the Ephesian Church, the Lead Ministry in 96 AD. The Book of Revelation Chapter 1, verse 1, added to Chapter

2, verse 5, confirms his lead position in that day! And because he was that **“candlestick”**, was the reason, when Jesus came with his prophetic revelation meant for his plural servants, he did not send it to them directly, but he sent it to only One Man, and through that One Man, every other servant of Christ received it in that day, and that principal servant was Apostle John. (Rev. 1:1). And if you did not want to receive it from John, then you did not have it. Period! So, what does that show us? It vindicates the truth that he was the **“candlestick”** of Jesus Christ in that day! And what does that further prove to us? It proves to us one thing, and now pay close attention, for we are dealing with **THE FAN, AND THE ENDING MINISTRY**. It lets us see, that after Apostle Paul, there was a John, a lead apostle, in the First Church Age, the man who brought the revelation of Jesus Christ to its very Climax, by the astounding prophetic revelation he received from Jesus Christ in 96 AD., and he was also the man who wrote the Last Chapter of the Book of the Bible. And after Saint John, no man

can add even a dot to the inspired writings of the Holy Bible, for the Lord Jesus used John to bring the written record of the Word of God to its Climax and Closure. I repeat: Apostle John was used to bring the written record of God's Word to its Climax, and to its Closure; and after John, you cannot add a jot to the Holy Bible, and not find yourself in the Lake of Fire! (Rev. 22:18). That lets us see undoubtedly and inarguably, that the ministry of John, is a ministry of Climax to the written revelation of Jesus Christ, and is also a ministry of Closure to the Entire written record of the Holy Scriptures. Therefore, brothers and sisters, one thing is scripturally settled and incontrovertible: **John stands as a man who holds the ministry of Completion, of Climax, and of Closure.** Absolutely! Saints, we are going to likewise apply these fundamental truths to the end time John, because he is the man who bears the repeat ministry of John, and that is precisely why there can be no FAN in the ministry of the end time John, IF you have any ounce of spiritual understanding. But as I

stated earlier, I agree with you, that there are things (stones) which carnal minds will not know how to relate to, things that will stumble them, because when people do not have a pure heart, they will see what is not there, what does not exist in spiritual reality, only because they do not know how to look at things. That is why I have been saying, that there has never been an age where truth has had the depth that it now has, and the clarity that it has, and the simplicity of presentation, like now, and I am going to show you exactly why. However, one thing has been established thus far, and that is this: John as a man with a lead ministry in the First Church Age, was used of the Lord to set the absolute standard, for he was the man who held the ministry of Climax and Closure. Is that right? Yes! What is a Climax? It is something beyond which you cannot go, for you cannot go higher than it, as it is the roof! That is the apogee; that is the ceiling! He was used to complete the inspired written record, and his prophetic Book was A PROPHETIC CLIMAX, and hence, the writing of the inspired Word of God

ceased with his Book. Church, now our brother is saying that the FAN applies to the ministry of John, and that it takes another man, obviously referring to himself, to see the FAN, because he is The Fan Identifier. So, we now have to ask: Just how do you have another man after John, when John holds the Gentile ministry of Climax and Closure? Think about it! Where do you put such a man in the revealed Plot of God? I ask that question, simply because the man that came after John was Polycarp, and then, the Church started going down; it started going under. Look at it! (Brother Amos points to the chart). Brothers and sisters, John held the ministry of Climax and Completion, and with his death, the baton of Truth was passed to Polycarp, who was his disciple. Saint Irenaeus, who later became the Star messenger to the Second Church Age, was in turn, a disciple of Polycarp. The material point is that after John left the scene, the revelation of Jesus Christ started going down. It was going steadily downward, until the hour of Saint Columba in the Fourth Church Age, which brought

the Church to the Dark Ages, where the Church died, until God activated the fire of the Reformation, to start building truth back up, little by little! This also confirms, that when you come to Apostle John, his ministry gives us the revelatory ceiling; the Revelatory Roof! That is why on our chart, I drew a roof from John, to William Branham. (Brother Amos points to the chart). When you come to Saint John, the beloved disciple, you come to the Ceiling; you come to the Climax; you come to Completion, and you come to Closure: You do not go any further or any higher. Because the only thing after Saint John in the First Age, was a downward plunge, just as it was with the ministry of Polycarp, who succeeded John! So, if you want to follow another ministry after John, yes, then we will bury you, spiritually speaking, because you have charted your own course, which is a downward course, for with Polycarp, the Church began its downward course, right through to the Dark Ages, where she eventually died! I am showing you the Bible blueprint, for we are not playing Checkers! Brothers

and sisters, I am at the highlight of my message, because this is precisely why I am taking this message. You can play with a rattle snake, thinking you are playing with something lovely, but it will kill you, if you are not careful. Brothers and sisters, so when you come to the ministry of John, you must understand that his revelation of Jesus Christ is the Ceiling; that was the Ceiling for that hour, it was the Ceiling for the First Church Age. After John, the man who took over the baton of truth after him, as a minor messenger, was of a lesser standard, and with a lesser revelation, and he was not even an apostle, for John was the last of the original apostles! That is the truth! The prophetic revelation of Jesus Christ concealed in the parable of the wheat and tares, where Jesus spoke that the tares were sown ***“WHILE men slept”***, inarguably gives us John, for he was the last apostolic guard, the last of those ***“men”*** who slept! And who were the men who slept? They were the original guardians of our faith, the guardians of the true faith of Jesus Christ, which gives us none other than the original apostles;

the apostles of the Early Church. They were the men who ***“slept”***, and Saint John was the very last apostolic guard to sleep, the last of the original apostolic guards, men who were the midwives of the Church, and the custodians of the true revelation of Jesus Christ, and as a result of his death, the enemy was now able to sow tares. This lets you see very clearly, that the ministries that came after John, were all inferior, and have been inferior. So, if after Apostle John, the last original lead apostolic guard, you have another man, you know that that can only be a Modern-day Polycarp; it can only give you the ministry of Polycarp. And when an assembly has Polycarp, you should all know that that assembly is certainly going under, for it is going down! Let me tell you loud and clear: The Early Church went down, because it had to be sown; but the end time Bride Church of Jesus Christ is not going down; the True Church of God is not going down a second time, but she is going up, right up into heaven, into God's very presence! Thus saith the Word of God! It went down

in that day, in the First Age of Christendom, in order that it might die, and that it may reproduce a glorious and bumper harvest at this end time, and as such, it is scripturally certain, that the Bride Church of this final hour of time, is ordained exclusively for glory. We are not going down, but we are going up! (Brother Amos bursts out singing:)

I'm going higher, yes, I am
I'm going higher someday
I'm going higher, yes, I am
Going to Jesus to stay
I'm going above the shadows
Into the presence of God
Into the presence of Jesus
I'm going higher someday.

Halleluia! Brothers and sisters, what we must understand, is that the ministry of the John of the end time, gives us a revelational Ceiling, a revelational Climax. Listen to this, and catch it. The revelation plane, or the revelation level, where Apostle John stopped in 96 AD., and which constitutes the Ceiling in that Ephesian Age, becomes the Foundation for the ministry of the Star messenger to this Laodicean Age; the Ceiling of John the beloved apostle, is the Foundation of William Branham. Catch that! Do not forget, that as the Gentile Elijah of Malachi Chapter 4, verse

6B, he restored us back to the Faith of the Early Church Apostles, relaying their foundation of faith for us, which is The Exclusive and The Original Foundation of the True Church of Jesus Christ. Consequently, the revelational Roof of the Ephesian Age, is what constitutes the Foundation of Elijah's Message. That is precisely why on our chart, I drew a ceiling (a roof), that goes directly from Saint John to William Branham; but whilst it is the Ceiling for John in that day, today, it is the Foundation for Brother Branham's ministry. (Brother Amos points to the chart). Glory to God! I repeat: What constitutes the revelatory roof for the ministry of Saint John, is now the revelatory foundation for the ministry of William Branham, and it was right there that the Third Pull started. Oh, my! The Roof of John is the Foundation of William Branham, and this being the scriptural revelatory position, it simply means that by the prophet's ministry, we are lifted higher in our understanding of the truth, than what the saints had under Apostle John, because he brought Further Light, revelation-wise! Consequently, and in turn, it simply shows that with the ministry of Raymond Jackson, the end

time Paul, we climbed even higher; and then with the end time John, we have come to the highest revelatory point ever, for it gives us the revelatory Climax, and off we go in the rapture! Halleluiah! Saints, there will be no Polycarp ministry to bring us down, because we are going up; we are ordained for glory, for this is the day ordained for the translation of the Bride of Jesus Christ. Therefore, you cannot bring the FAN to the ministry of John, or you will shatter God's revelatory plan! That is absolutely so, more particularly because, we are not going to have **"Unity of THE FAITH"**, as long as we are fighting one another on what John says and means, all because of the confusion that the FAN generates! You will not have unity of divine revelation in the ministry, as long as there is the FAN! As long as the application of the FAN is also tied to the ministry of John, a ministry of Climax, Completion, and Closure, there can be no True Unity, because the FAN creates nothing but conflict of Faith! Period! Brothers and sisters, because the prophetic **"FAN"** has its ending application in the ministry of the chief apostle, God therefore used Brother Jackson to fortify the Foundation of Truth that

produced the ministry of Unity, for the move of his successor lead ministry, would actually be a Unity Move. Church of the living God, indeed, there has to be a UNITY MOVE, A ministry where Unity is set in motion IN ACTUALITY, and not just potentially, and that gives us the ministry of John, the man who eats the entire scroll of redemption! And it is in this Move of John that we now have Unity, for Unity of scriptural revelation is HERE! And in comparison, just look at where all the men who sat on the platform of Raymond Jackson are today: They are scattered to the four winds, peddling all sorts, and tearing down the very truths of the Holy Bible, which the Lord used the chief apostle to establish! They have even thrown away the apostolic headship, which Raymond Jackson laboured tirelessly to establish before them, for they now flatly deny the ministry headship of apostles; they deny the head of the Ephesian Fivefold Ministry! Men like Russell Davis of Fairhope, Alabama, are now preaching absolute spiritual junk! On August 31st, 2014, at Faith Assembly of Montgomery, Illinois, he took a message titled, *It's Cleaving Time*, and in Part 3 of this particular message, he laid

this deceiving and nonsensical teaching before the congregation, presenting it as the main focus, the highlight of his message, stating carnally: **"... Whenever you humble yourself before the Lord, and you are kneeling down there before Him, He doesn't care if you are an Apostle, a Prophet, a Pastor, YOU ARE JUST A SERVANT OF GOD!"** (It is obvious that Russell Davis has never read Numbers Chapter 12, verses 5-8, or even Jeremiah Chapter 15, verse 1, otherwise, he would not be making such carnal statements. He continued, vibrantly sowing unbelief into the hearts of the congregation, declaring): **"Men and people get all caught up with Apostles and Prophets, Evangelists, Pastors and Teachers, IDENTIFYING CALLINGS, IDENTIFYING THIS AND THAT. God's not going to raise up another man to be head over the rest, because we are all the servants of God, and we operate according to His will, and speak His Word as He lays it upon our heart; we have to be dealt with in that measure, and we have to make the vow before God"**. (And just like that, unexpectedly, and without a lead ministry, a

standard bearer, according to Mr Davis, unity of revelation will suddenly come to a universal body of people, even though he also says that every man is to preach his own thing, which is nothing but a recipe for confusion, a recipe for absolute disunity! My! Russell Davis continued his message of gross unbelief, saying): **"He doesn't want... I'll say it as humbly as I know how to say it. In the end it doesn't matter, what you feel like your calling is... because God wants to get us all together, and He has a way of doing it. He lifted up Brother Branham's ministry, He lifted up Brother Jackson's ministry, but He's not issuing out horses today. We find them outside the door"**. (The congregation laughed. My!) **"And if any minister wants to ride a horse before the body of people, that's what they look like"**, (pointing to something which was obviously ridiculous looking, and the congregation laughed; he also laughed). **"Because God isn't giving out horses for ministers to ride on; we have to find ourselves invested shoulder to shoulder with one another, seeking the Lord... because God wants to**

have a humble Bride brought before Jesus Christ... She", (referring to Rebecca), **"jumped up off her Carmel, and she went running back there to the back, and she put on all her Jewels, because she wanted to be presented to him"** (who is Isaac). **"And you know what else she did? She put a veil over her face. Know what that veil over her face means to me? It means... God don't care, we don't come to you, I don't come to you as Apostle Russell Davis, I don't come to you as Pastor Russell Davis, I don't come to you in anything like that. I'm just a servant of God, and I come to you in the name of the Lord, that He has something wonderful to do for your life, and wonderful to invest in you... The Veil, it takes all that who we are out of it. She wasn't nobody, I'm nobody, I'm a Gentile... I'm a sinner saved by grace"**. My, oh my! What an apostate message! And if I may ask him: To begin with, after William Branham, the Elijah-Star Messenger to this Last Age, why did God give Raymond Jackson the **"horse" OF TRUTH** that he rode, IF He will not give another man the same **revelational power-horse** to ride, following the death

of Raymond Jackson, when the Bride of Christ is still here, and when the plan of Gentile redemption is not yet over? Answer me! So, after Raymond Jackson, there will be no standard bearer? The man is denying something serious: Russell Davis is blatantly denying the Ending Lead Ministry, and what a ministry to deny! Let me show you this spirit, for the spirit motivating this horrible attitude has been here for a long time. By this evil spirit, the Jewish religious leaders used Moses to deny Jesus Christ. Now at this end time, here comes that evil spirit again, and the Gentile religious leaders used Jesus Christ to deny Elijah, William Branham; the Branham Movement leaders, in turn, used William Branham to deny the Chief Apostle, Raymond Jackson; the Jackson Movement leaders, are now also using Raymond Jackson to deny the Ending Ministry of John. It is the same spirit, and the very same attitude all the time, but THE TRUTH JUST KEEPS MARCHING ON regardless, getting evermore brighter, because the unbelief of man does not hinder God; it can only hinder the unbeliever! Brothers and sisters, consider carefully

what this man is doing. Russell Davis is tearing down God's objective for the Ephesian Fivefold Ministry! Apart from the terrible fact, that he is bluntly denying a lead apostolic ministry for this present and most crucial hour of time, speaking as if we need to have another white horse dream, in order to have a standard bearing ministry, he is also saying that we will not know who an apostle, or a prophet, or an evangelist, or a pastor, or even a teacher is. Lord have mercy! What an apostate sermon! So, what is the need for the Lord Jesus establishing the various folds of ministry to begin with, if we are not to identify who is who? It is infallibly written in the Book of Ephesians Chapter 4, verse 8: ***"Wherefore He" (God) "saith, When he" (Jesus) "ascended up on high, he" (Jesus) "led captivity captive, and GAVE GIFTS unto men"***. Verse 11 now plainly lays out the precise gifts, declaring: ***"And he GAVE some, Apostles; and some, Prophets; and some, Evangelists; and some, Pastors and Teachers"***, giving us Five Different and Distinct Ministry GIFTS OF JESUS CHRIST! So, just how are we not going to know who is given what? Come on! It is like saying concerning the

Nine Gifts of the Spirit, that the saints invested with the Gifts will just minister to us in Spirit Gifts; but that we will not know who has the Gift of Tongues, or the Gift of the Interpretation of Tongues, or the Gift of Prophecy, or of the Gifts of Healing, etc.! As Brother Branham rightly put it, this is a serious and malignant (incurable) case of ***"SPIRITUAL AMNESIA!"*** These men are denying something in a very smart way, using the appeal of carnal humility; they are denying the Word of our God concerning the Ephesian Fivefold Ministry, particularly its leadership! They are denying leadership, for that is precisely what they do not want! These men are tearing down the truth of God! They are trying to create a vacuum in the leadership of the Bride of Jesus Christ! It takes an Antichrist to talk like that, wilfully overturning the faith of the people, because to be Anti-Word is to be Antichrist! For just how is anyone going to make it, without the apostolic leadership which Jesus Christ our Lord has set in motion for the Elect Bride? Brothers and sisters, I have to say of this man, just as Brother Jackson once declared of the Pope: ***"THE SERPENT IS TALKING!"*** It was Charles Spurgeon

who once said: **“Now, mark this: By this shall you know whether you are a child of God, or not; By the respect that you have to your Father’s Word. If you have small respect for that Word, the evidences of a bastard are upon you”**.

Let us ask Russell Davis, how come we know who Paul is, that he is not only an apostle, but that he is **“The APOSTLE”** of the Entire Gentile race? (Rom. 11:13). How come we know that Peter is also an apostle, and in fact, that he received **“The Apostleship”** of the Entire Jewish race? (Gal. 2:7-8). How come we know that Agabus, Judas, and Silas, are **“PROPHETS”**? (Acts 11: 27-28; Acts 15:32). How come we know **“Philip THE EVANGELIST”**? (Acts 21:8). How are they now going to become **“abracadabra”**? How is God at this end time, going to reproduce the Original Ephesian Fivefold Ministry, just as at the very beginning, and we will not know who is who? **“How are the mighty fallen”!** These chronic unbelievers and haters of the Word of God, who received the truth of the Word of Life from the chief apostle, and will not walk in the light! Who goes to be ministered to in a hospital, but does not know

who the doctors are, or who the nurses are, or who auxiliary nurses are, (the ones who changes the bed sheets, and mops the hospital floors, cleans the toilets, etc). My! You would have to have brain damage not to know that!

Brothers and sisters, these men have been stripped, totally divested! These men who thought they had the potentials to be apostles in the days of Raymond Jackson, have now thrown away their scriptural vision. Some of them are now even teaching that there are no more apostles after Brother Jackson, because the plague of unbelief has blighted them severely. That is why they are now only waiting for the **“seven thunders”**, when ALL the thunders will be called strictly from the apostolic fold of ministry, as they will all be apostolic thunders! My, oh my! But they are now just waiting for the thunders, without the apostles being on ground. Are you listening to me? So, how are you going to move from here to the thunders, without apostolic leadership, is what I do not understand. That is too wonderful for me, but that is what they want, for it is headship they hate! It is certain that these people are just not interested in what God says in His Word;

as a pack of unbelievers, they are not interested in the true programme of God, otherwise, they will know that the establishment of apostles comes first, because **APOSTLES MAKE UP THE HEAD OF THE EPHESIAN MINISTRY!** Hence, it is written in 1 Corinthians Chapter 12, verses 27-28: **“Now ye are the body of Christ, and members in particular. And God hath set some in the church, FIRST APOSTLES, secondarily prophets...”** Now deny that! In May 2004, in the Contender Magazine titled, *The Great Mystery*, Part 1, of the series *From The Beginning To The End*, Part 113, speaking about the establishment order of the Ephesian Fivefold Ministry, on page 5, columns 4-5, the chief apostle stated plainly and categorically: **“First was JOHN the Baptist; then JESUS; then what was the next order? THE APOSTLES! It was not the EVANGELISTS that started it. You everyone know that. It was the APOSTLES that started it. You everyone know that. It was the apostles that wrote the Scriptures of the New Testament. All these other ministries fell right in line BEHIND THEM. I say to you: THAT IS EXACTLY THE ORDER OF OUR DAY”**. (Men are

obviously stone deaf, which is why they cannot hear him, even though they sat right under him, listening to these precious jewels of truth live, for many years! As Jesus rightly stated in Matthew Chapter 13, verses 13-15: *"They seeing see not; and hearing they hear not, neither do they understand. And in them is fulfilled the prophecy of Esaias, which saith, By hearing ye shall hear, and shall not understand; and seeing ye shall see, and shall not perceive: For this people's heart is waxed gross, and their ears are dull of hearing, and their eyes they have closed; lest at any time they should see with their eyes, and hear with their ears, and should understand with their heart, and should be converted, and I should heal them"*! Brother Jackson concluded, warning): ***"For thirty-eight years, it has been every man for himself. For thirty-eight years, innocent souls have suffered because of that."*** (And as we speak today in 2016, innocent souls are still suffering because of it). Brothers and sisters, it just lets you see that indeed, God used Brother Jackson to fortify the foundation of truth, that is going to project "a ministry", an original

ministry, through whom true unity will start, and that is the ministry of John, a ministry the Jackson Movement are vehemently denying and ridiculing today. It only shows conclusively that they do not believe the man, for they are truly a pack of unbelievers! In his message in the Contender Magazine of September 5, 2004, titled, *The Body Of Christ, Part 5, Brother Jackson spoke of his successor Lead Ministry, for those who have ears to hear, clearly declaring: "I will have to say this morning, God will not start"* (UNITY) ***"with the voice of MEN. He will start with the VOICE OF ONE MAN that will lift up The Truth, strong enough, loud enough, that those men will know, God is in it... And that is what I'm saying this morning. IF THERE IS TO BE UNITY, there has got to be the VOICE OF ONE MAN, who all the other men will GET ALIGNED WITH... Always remember, brothers and sisters, the birth of anything, you get the head first... The head's got to be set in motion first! That head don't have to be one man. But it Starts with ONE MAN. And as that ONE MAN SPEAKS, other components of the head,***

join with it. And then, when the body begins to see that the head is taking shape, then the people can begin to say, As for me and my house, we're going to go that way. So, this morning, brothers and sisters, it's not the big I and little you. It's not Doctor Do-little. But it's A BROTHER that God has known", (a lead apostolic ministry, a brother known to God): ***"I have to say today, God's going to put His head in shape. The head's got to speak, Jesse... The body of Christ cannot be a nucleus of people running here and there with their ideas. Well, I don't like to hear him preach. HE IS TOO ROUGH! Let's follow Jesus..."*** I wonder where this Brother Jesse is standing today, the man that the chief apostle called in that day, whilst giving this message. Saints, this is the scriptural blueprint for revelatory unity, as taught by the chief apostle, for he let us know with absolute certainty and clarity, that ***"Unity of The Faith"*** starts with one specific ministry, and that is none other than that of John, for that is the ministry the Holy Bible gives to us. Period! Again, in the Contender of November 2004, titled, *The Great Mystery, Part 5, Page 7, Column 5,*

Raymond Jackson proclaimed prophetically: ***"I am simply saying to you, There is SOMETHING coming up the road, and I believe God is absolutely going to anoint His servants"***, (ALL God's true servants), ***"wherever they are around the earth, to be ready for it."*** (What exactly are they going to be ready for? Now listen to this): ***"Out of the shadows, God is going to set A MINISTRY OUT FRONT"***, (A LEAD APOSTOLIC MINISTRY), ***"that is going to stand true to his call, his purpose, and to the revelation of truth THAT HAS BEEN RESTORED"***, putting the Entire Message in its proper scriptural perspective! May I say, that you will not get true, divine, scriptural unity, outside of this revealed blueprint, regardless of what Modern-day ***"Jannes and Jambres"*** say! Speaking precisely of the Third Ministry Move of God, in his message in the Contender, titled, *The Great Mystery*, Part 2, page 3, columns 3-4, Raymond Jackson proclaimed categorically: ***"(The message)"*** (of Elijah) ***"began to be sounded to this age, and a short time later God took the physical man from us, but He did not take THE VOICE, because that pertains to the things that***

had been spoken", (things making up his voice, as the seventh angel of Revelation Chapter 10, verse 7. And as it is written therein, in the days of the sounding of the voice of the seventh angel, ***"the mystery of God SHOULD be finished"***). ***"Should": The word should is a progressive word, that does not mean instantly: it means progressively. It literally means all that the man brought, has to be understood by the elect people that WILL be the Bride of Christ in the end time. They have to see clearly what it all points to. Also within that time frame"*** (of Laodicea), ***"GOD will raise up A MINISTRY, which will be THE THIRD PHASE of what He is starting to do, in restoring the Bride to originality. That is the part, I have to say, that the overall Movement does not want anyone else to do or even have any part in. You can say that God sent a prophet, but then if God was to say He was going to raise up other men, you deny that fact and refuse to listen to anyone else. THAT IS TO YOUR OWN HURT"***. The ministry which the chief apostle pointed to in all these messages, is the ministry divinely ordained to obtain unity, and hence, it is a ministry move

designed by God for setting true scriptural unity in motion. Full stop! And when I think of the incredible unbelieving and most hostile attitude of the Japhetic world in particular, to this crucial move of God, men in the Jackson Movement, who sat right under Raymond Jackson for many years, I cannot but remember what the Scripture says in Matthew Chapter 21, verses 42-43: ***"Jesus saith unto them, Did ye never read in the Scriptures, The stone which the builders rejected, the same is become the head of the corner: this is the Lord's doing, and it is marvellous in our eyes? Therefore say I unto you, The kingdom of God shall be taken from you, and given to a nation bringing forth the fruits thereof"***. The point is this, brothers and sister, IF unity is going to come through one particular ministry, and we all know it is, common sense will let you know, therefore, that that ministry cannot have the FAN! Church, if the Ephesian ministry take out winds of Doctrine, and establish the saints solidly in ***"The FAITH"***, so that they cannot be ***"tossed to and fro"***, just how can the man who sets this unity in motion, bring the FAN that will toss the men? That

does not make any sense! Then you obviously do not know anything about the FAN, for you can talk about things you do not understand, things too wonderful for you to grasp! Yes, you can speak of things you do not understand, and unfortunately, many people are doing that! I just showed you a man in Alabama who is doing exactly that! Consequently, the application and the operation of the FAN, cannot be applied to John's Lead Ministry, because it is where true unity starts, being the ministry of absolute truth, pure truth, a ministry through which God sets "**Unity of THE FAITH**" in motion, being the ministry of Conclusion! May I add, as I stated earlier, that for this Ministry OF UNITY, we cannot go anywhere, other than what the Holy Bible gives to us, which is the ministry of the end time John! Fight that! That is why, brothers and sisters, there had to come a time, when the application of the FAN in Matthew Chapter 3, verse 12, had to cease, for whatever has a beginning also has an end. The FAN started in the ministry of William Branham, and its application continued in a little measure in the ministry of Raymond Jackson, serving God's

purpose. But when we come to that of John, which is God's third and final move for the Bride, (and we all know that three is perfection), the application and the operation of the FAN has ceased! That is why the Fan in Matthew Chapter 3, verse 12, is pre-eminently, and predominantly, ordained for the ministry of Brother Branham, and as we speak, even in 2016, the FAN is still working seriously in his message, which is why the Branham Movement are still fighting themselves with the quotes of that man! When Brother Alvin Suggs was here, he also used the FAN in the message of Brother Jackson, to fight the continuing ministry of John, because it had a little measure of the FAN. But you cannot bring that thought to the current move of God, for there is no message of truth presented in the Scribe Magazine that we are fighting over, as there are no counter-statements or dual projections, as they just do not exist! This is proof, solid and incontrovertible proof, that the FAN is not applicable to the ministry of John, which is precisely why we are not being blown by the FAN in the Scribe, for it is not there! Otherwise, I will ask you: When are we

going to stabilize revelation-wise? When will there be "**unity of the faith**" in the ministry of the Bride? UNITY HAS TO START SOMEWHERE, and you are not the determinant of that, but God is! So, let us read the Book of Ephesians again, because people are not looking at the Scriptures. Ephesians Chapter 4, from verse 11: "**And he**" (Jesus) "**gave some, apostles; and some, prophets; and some, evangelists; and some, pastors and teachers**"; (for what purpose?) "**For the perfecting of the saints**", (which gives us spiritual maturity; that we now become Mature Christians, spiritually), "**for the work of the ministry, for the edifying**" (building up) "**of the body of Christ: TILL WE ALL COME IN THE UNITY OF THE FAITH**" (around the globe), "**and of the knowledge of the Son of God, unto a perfect man, unto the measure of the stature of the fullness of Christ: That we henceforth be no more children, TOSSED TO AND FRO, and carried about with every wind of doctrine...**" So, I ask: If the FAN is working in John's ministry, when are we going to stop being tossed, when the Ephesian ministry is supposed to stop the tossing? They are

supposed to stop being tossed **“to and fro”**, for their ministry is divinely ordained to checkmate winds of doctrine, which the FAN creates! That is why Brother Jackson warned explicitly: **“If there is to be unity, THERE HAS GOT TO BE THE VOICE OF ONE MAN, who all the other men will get aligned with”**, one man sounding with scriptural clarity and depth, because scriptural unity starts with him. This lets us know that in his hour of time, the FAN has been suspended permanently, and taken out, in its application to the subsequent lead apostolic ministry, as it has served God's purpose at this harvest time, in the two preceding lead ministries, which is that of Elijah and the Chief Apostle! Full stop! It is the Original Ephesian Fivefold Ministry, and not the Thunders, that is scripturally ordained for obtaining **“Unity of the Faith”**, UNITY “in the knowledge of the Son of God”, the perfect man Jesus, even though the Thunders will not take away from this unity, but will maintain it, bringing it to its climax, because they are seven apostolic thunders. The point is this, brothers and sisters, these men in the Original Fivefold Ministry, are gifts of Jesus

Christ to the entire body, sent to bring spiritual sanity, stability, peace, and perfect unity, to the universal body, so that we are no longer “tossed” IN ANYWAY, but that we are firmly established, and immovably settled, as the FAN's operation is completely taken out!

Consequently, and as I must keep emphasising, what we can have in the Continuing Message of the Lead Apostolic Ministry, which Raymond Jackson plainly and repeatedly declared would follow his own ministry, being the ministry where true revelatory unity is set in motion, is not the **“FAN”**. What we can have is what I showed earlier, which gives us cases of a **“Boxed revelation”**, or that of a **“Revelation upgrade”**. Period! IF you truly understand the Lord's objective for this third and final move, you have to see that these are the only things we can have in this ministry, which anyone may stumble on, and that would even be purely from a lack of revelatory understanding. And when we consider the two principles, **“boxed revelation”** and **“revelation upgrade”**, they are two spiritual principles that can be seen exemplified (demonstrated) in the

ministries of William Branham, as well as in that of Raymond Jackson, as no man is immune from the application of the two principles, for it has been applicable all through time. We talk about **“boxed revelation”** and **“revelation upgrade”**, because as the Bride of Christ, we have our own language; the Bride have her language, and so, these two terms are part of our language. For instance, if we talk about The Pull, **“The Three Pulls”**, the religious world cannot understand what we are talking about; but it is our language, and we know precisely what we are talking about, because we speak the revelation of Jesus Christ in a mystery. So, coming back to what we can find in this move, the traits of which we can also see through time, as they are applicable through time, is either a case of a **“boxed revelation”**, or that of a **“revelation upgrade”**, and we can even see this applied in the ministry of Saint Paul, way back then. And in order to show you that we are not beating the air, and neither are we chasing shadows, for we are on holy ground, now come with me to consider the Beginning Ministry of the Gentile Bride, in this regard, which is that of Apostle Paul. I am going down this road,

because you must just understand, that what we have in this Last Move, in this Ending Ministry of John, cannot be different from what we had in the Beginning Ministry of Apostle Paul, who set the standard, and that is the issue of a **“boxed revelation”**, or a **“revelation upgrade.”** And speaking of Saint Paul, can you truly say to him: *“Brother Paul, you are contradicting yourself; your message has revelatory inconsistencies. Surely that is the FAN in your ministry. The FAN is in your message!”* No, you cannot say that! Church, I say that to make a point, because I have no more FAN in my message, than Apostle Paul had in his, and you all know that Saint Paul did not have the FAN. Exactly! The FAN has a beginning application, and it has an ending application: It started in Brother Branham's ministry, and the last piece of the FAN was in Brother Jackson's Continuity message. That is why there is no man that spoke in duality like Brother Branham, because 99.9% of the application of the FAN, was in his ministry. So, it is not something you can stretch, until you stretch it to the hour of John, and then you take it to the Thunders to sort out. That will be an absolute

revelatory mess, a disaster, if you do that! Brothers and sisters, you will nullify the Original Ephesians Chapter 4 Ministry, and such a projection makes you a complete unbeliever, and an antichrist, for to be anti-Word is to be antichrist! If there is anything you see in this Continuing Message, it is nothing other than what we also have in the ministry of Apostle Paul, and if you call that the FAN, then Apostle Paul also had the FAN, because I am exactly in the same shoe with him! And when you go down that route, you are going to be in a big problem with the Word of God, for you will have a great problem with God's revealed programme of Gentile salvation. Now come with me. But first, let me ask you: IF you do not have a true revelation of God, and you do not know how to look at truth, particularly the FAN, what are you going to do with the Message of Apostle Paul? I ask that, because you have a lot of things or stones that will stumble you, if you do not humble yourself to let the Spirit of Truth deal with you, to help you to know how to look at some things. Let me show you what some may take as a FAN, and will take as a FAN, in the message of Apostle Paul, as carnal minded people. In 1 Corinthians

Chapter 7, Apostle Paul, writing in 59 AD., Implores from verse 27: **“Art thou bound unto a wife? Seek not to be loosed”**. (In other words, do not break it; do not break your marriage). **“Art thou loosed”** (or divorced) **“from a wife? seek not a wife.”** (Remember, you can be loosed from your marriage by death, which makes you a widower, because you have lost your wife. Are you with me? Or you can be loosed by legal dissolution, under the law, which makes you a divorcee). Verse 28: **“But and if thou marry, thou hast not sinned; and if a virgin marry, she hath not sinned. Nevertheless such shall have trouble in the flesh”**, (on account of the great burden of marriage, its responsibilities and cares): **“BUT I SPARE YOU”**. (In other words: I want to spare you all that burden; I want to spare you all that responsibility). May I warn you that in that day, God had not yet dealt with Saint Paul concerning TIME, and hence, he honestly thought that the time for the return of the Lord Jesus Christ, was very short. He expected the return of Jesus to be very close in that hour of time. Please do not forget that in that day, the Book of Revelation had not yet been given. The

bottom-line is that Apostle Paul sincerely believed that Jesus was soon to return in that day, for God had not yet straightened him out as to time. Therefore, believing that the coming of the Lord was very soon, even at the door, what did he say to the saints? Verses 29-35: **“But this I say, brethren, THE TIME IS SHORT: it remaineth, that both they that have wives be as though they had none; And they that weep, as though they wept not; and they that rejoice, as though they rejoiced not; and they that buy, as though they possessed not; And they that use this world, as not abusing it: for the fashion of this world passeth away. But I would have you without carefulness. He that is unmarried careth for the things that belong to the Lord, how he may please the Lord: But he that is married careth for the things that are of the world, how he may please his wife. There is difference also between a wife and a virgin. The unmarried woman careth for the things of the Lord, that she may be holy both in body and in spirit: but she that is married careth for the things of the world, how she may please her husband. And this I speak for your own**

profit; not that I may cast a snare upon you, but for that which is comely, and THAT YE MAY ATTEND UPON THE LORD WITHOUT DISTRACTION”. He even sealed it with his apostolic authority, declaring to single sisters in verse 40: **“But she is happier if she so abide, after my judgment: and I think also that I have the Spirit of God”**. So, is Saint Paul placing celibacy above marriage? No, he was not placing celibacy over marriage, although it looks like he did! It is the shortness of time that was the motivating factor for this counsel, and not because celibacy is set over marriage. However, considering how very short he believed time to be, he was weighing the cares of married sisters, against that of the unmarried, in their service of the Lord; for it was stated all on account of TIME, just as verse 26 also confirms: **“I suppose therefore that this is good for the present distress”**, (the presently short and crucial time). How many see the point? Saint Paul was not placing celibacy, being single, above marriage. And let me tell you tonight, if being single makes you more spiritual than married people, I will remind you now, that Moses, the man

that bore the greatest anointing, was a married man. Abraham, the father of faith, was a married man: He married Sarah, and he even went into his handmaiden, Hagar; and after the death of Sarah, he married Keturah. Yet, in James Chapter 2, verse 23, he was called **“THE FRIEND OF GOD”**, and he is **“the father of ALL them that believe”**, the father of all those who walk with God by faith. So, if celibacy makes you more spiritual, then where are you going to put Abraham? Where are you going to put Moses? Where are you going to put Noah? Where are you going to put Samuel? And where are you going to put Peter, the man with the keys to the kingdom of the Almighty God? Come on! All these anointed men were married, every last one of them! But Saint Paul **seemingly** promoted celibacy, and he **seemingly** encouraged celibacy, only because he thought that time was extremely short in that day, for he honestly believed that Jesus Christ was returning in that age! But with the passage of time, and also seeing the **conditions** and developments amongst the body of saints, he had to change his opinion, because God had now used the passage of time,

plus the conditions existing in the body of saints, to straighten him out. Consequently, the same Apostle Paul, years after 59 AD., now wrote to Timothy, as recorded in 1 Timothy Chapter 5, and we will take his admonition from verse 11: ***“But the younger widows refuse”***; (do not take them in, as part of the widows the Church is to be responsible for): ***“for when they have begun to wax wanton against Christ, they will marry; Having damnation, because they have cast off their first faith. And withal they learn to be idle, wandering about from house to house; and not only idle, but tattlers also and busybodies, speaking things which they ought not.”*** (Look at verse 14): ***“I WILL THEREFORE THAT THE YOUNGER WOMEN MARRY, bear children, guide the house, give none occasion to the adversary to speak reproachfully”***. That is not what he said in 1 Corinthians Chapter 7! He said, ***“But I would have you WITHOUT CAREFULNESS”*** (OF MARRIAGE: Meaning, I would have you unmarried; do not marry. Why?) ***“He that is unmarried careth for the things that belong to the Lord, how he may please the Lord”***. Now he

had changed his mind, because he had seen the effects of his initial counsel. He had seen how sisters who had taken his advice, and refused to marry, had become busybodies, because they had no homes to tend to, no children to nurse and care for, and they had no work to do. It was the passage of time and conditions that God used to straighten Saint Paul out on this issue. However, in that day, God did not say to him: ***“Why did you teach what you taught to the Corinthians?”*** Because God does not judge a man for what He has not given him; He does not judge him for a truth that he has not been given! God had not yet dealt with Paul as to TIME! Now I ask you: Are you going to call that a FAN? Are you now going to apply the FAN to the First Age? You are going to be in a big problem if you do! We all know that the FAN did not apply, and neither did it operate in the First Age, otherwise, and like I have been emphasising, the Church would not have gone far. In fact, it would have gone nowhere, for there would have been confusion from the very beginning! But rather, they gave us the only True Faith, and they constitute the Standard Church that we are being restored to,

which is incontrovertible evidence in itself, that the FAN did not apply in the days of Saints Peter and Paul. Full stop! As we also brought out earlier, when we come to this end time, to consider the ministry of William Branham, we also see that the principle of a ***“boxed revelation”*** was very much at work in his ministry, and it stands out, because it applied on a very good number of Bible issues, particularly on the revelation of *The Seven Seals*, which he preached prior to 1963, truths which were not opened up in his day, but truths which, nonetheless, he still talked about!

Furthermore, when we also consider the ministry of Raymond Jackson, the principles of a ***“boxed revelation”*** and a ***“revelation upgrade”***, also applied in his ministry as well. I will give you just one example of each, and we will move on. We must know just how to look at spiritual things, so as not to stumble on spiritual stones, stones of offence. The first issue we will touch upon, relates to the Doctrine of the Godhead, the One God Doctrine. In the beginning, Brother Jackson preached on the Godhead like Brother Branham, who in his day, was facing a religious world that was

Majorly Trinitarian. This made the prophet project the Godhead, the One God Doctrine, in a way that sometimes went into extremes, for he was trying to beat them back the other way. This truth, therefore, needed a little adjustment, a little tilting back to the other side, to meet the middle of the road: Not this extreme, and not that extreme, but striking a scriptural balance. However, in the beginning of his ministry, Brother Jackson took the Godhead, exactly as Brother Branham took it, and as the Branham Movement still take it, taking it into extremes, making Jesus the Son of Mary, God Almighty, when he was only God incarnate, until God straightened him out. Then he had to strike a balance on the issue, a scriptural balance. And when he did, some people began to knock him on the head, accusing him of contradictions and inconsistency in his Continuity Message, when in fact, the Lord had only straightened him out on truth, giving him the perfect scripturally position on the issue! This was a revelation upgrade, and the truth remains, that what he preached before this time on the Godhead, were preached in **“times of this IGNORANCE”** of the

perfect truth, which, as it is written, **“God winked at”!** (Acts 17:30). And although some may hold his change of stand as the **“FAN”**, it is not a FAN at all, but a revelation upgrade! Listen to me, saints. We must realise, that although the Lord had used the prophet to bring us out of Trinitarianism, the Three Gods Doctrine, which is most warped and idolatrous, the fact remains, that the presentation of the Godhead in his message, still bordered majorly on extreme Oneness, which denied the Sonship of Jesus Christ, simply because he was facing a religious world that was Majorly Trinitarian! Consequently, the Doctrine of the Godhead needed to be straightened out, striking a perfect scriptural balance, and that is precisely what the Lord used the chief apostle to accomplish, which is why it cannot be called a FAN! Come with me, and pay attention. In his message dated October 24, 1980, titled: *Why The Virgin Birth*, Brother Jackson stated: **“From the standpoint of the flesh, God who is Spirit was the Father of Jesus, because Mary conceived by the word of God, instead of by a physical union with Joseph. But the life that**

was in that human flesh, was the life of God; therefore, Jesus was not the 2nd person of a trinity; HE WAS GOD, in the only human form that Elohim (God) had ever dwelt in. He was completely human from the standpoint of flesh, but He did not have imputed death in Him, because He was begotten by the Spirit which is God. Then we can say that He was completely God, from the standpoint of the life that was in Him. That is why the apostle Paul wrote, in Colossians 2:9-10, “For in Him (JESUS) dwelleth all the fulness of the Godhead bodily. And ye are complete in Him, which is the head of all principality and power.” That is also why Jesus Himself, said to Phillip, when Phillip said, Lord, show us the Father, “Have I been so long time with you, and yet hast thou not known me, Phillip? HE THAT HATH SEEN ME HATH SEEN THE FATHER: and how sayest thou then, Show us the Father?” (John 14:8-9). Even that 10th verse in the 14th chapter of John should be enough to show people that the Father, and the Son ARE NOT TWO SEPARATE DISTINCT PERSONS. Listen.

“Believest thou not that I am the Father, and the Father in me? The words that I speak unto you I speak not of myself: (Notice now) but the FATHER THAT DWELLETH IN ME, He doeth the works.” Now tell me, Where did Jesus say the Father was? That is right; He said the Father was dwelling in Him. Did that mean that God was not omnipresent when Jesus was on earth? Absolutely not, but dwelling in Jesus was a full representation of the omnipresent God. He was man, BUT HE WAS ALSO GOD, and I do not mean to be repetitious, but I want to say this one more time; If the Holy Ghost is a person: then Jesus was not the Son of God, speaking from a genetic standpoint, for it was the Holy Ghost that came upon Mary. (Luke 1:35 & Matt. 1:20) Now read Matt. 1:23. “Behold, a virgin shall be with child, and shall bring forth a son, and they shall call His name Emmanuel, which being interpreted is, GOD WITH US.” That takes you right back to Isaiah 7:14. Isaiah prophesied it, and the angel of the Lord explained the prophecy to Joseph in a dream. Yes. It was the Holy

Ghost that did something in the womb of Mary, that caused her to bear a Son that would be called, the Son of God”. That is an extreme projection, and it is precisely the very way the majority of the message preachers present the Godhead, up till this day, even though it is absolutely anti-Word! 1 John Chapter 2, confirms that it is Antichrist, because it denies the Son of GOD! In verses 21-24, Saint John declared emphatically: ***“I have not written unto you because ye know not the truth, but because ye know it, and that no lie is of the truth. Who is a liar but he that denieth that Jesus is THE CHRIST?”*** (The anointed one of God, the Holy One who came in the flesh, and was anointed by God his Father). ***“He is antichrist, that denieth THE FATHER and THE SON”;*** (because God truly has a Son, whom He gave to the world, to pay the price of sin, by his death on the cross of Calvary! Now listen): ***“WHOSOEVER DENIETH THE SON, the same hath not the Father: (but) he that acknowledgeth the SON hath the Father ALSO. Let that therefore abide in you, which ye have heard from the beginning. If that which ye have heard from the beginning shall remain***

in you, ye also shall continue in THE SON, and in THE FATHER”. This is the true picture, and it is perfect, being absolutely scripturally balanced, for it gives us only ONE GOD, the Creator and Sustainer of the Universe, and it also gives us His Son, Jesus the Christ, the one who died for our sins on the cross of Calvary.

Now compare that extreme teaching which Brother Jackson gave back then, to what he later taught on the Godhead, as laid out in the Contender of April 1995, titled, *From (1906) Azusa Street Till Now*, Part 3, page 7, column 2, where he declared with scriptural clarity: ***“When the Gospel was preached according to what we read in the Book of Acts, it was preached without any Trinity slant to the Godhead, because all those men knew there was only ONE GOD; and that He is a sovereign Spirit. I want to say once again to anyone who comes in contact with this message, You will never find anywhere in the Book of Acts, that those apostles had ever even thought of such a thing as a Trinity in connection with the God they served. First of all, they were all Jews; and***

no true Jew ever believed their God to be anything other than a sovereign SPIRIT. They know there is only one God. They know He is a SPIRIT; and they never think of Him as a person. Those who accepted Jesus the Christ for what He was, also accepted the fact that this God they believed in, also became incarnate in this man Jesus, and they understood that Jesus was begotten of Him. GOD, the CREATOR, created a cell of life in a young VIRGIN woman; and that woman gave birth to that little baby knowing that the ARCH ANGEL GABRIEL had already told Joseph, the man she was engaged to, that he should not be suspicious of Mary, because that which is conceived in her is of the HOLY GHOST; and that she would bring forth a son, and that they were to call his name JESUS: for He shall save His people from their sins. (Matthew 1:23, says, "Behold, a virgin shall be with child, and shall bring forth a son, and they shall call his name Emmanuel, which being interpreted is, God with us." He was not "GOD WITH US" when he was a little child growing up; but when Jesus was baptised by

John the Baptist at thirty years of age and the SPIRIT (which is God the Father) descended from heaven and became incarnate in Him, from that moment on, GOD was with us to fulfill that prophecy. His abode was in His Son; and let me assure you, That is the only flesh this Father God has ever dwelt in permanently. The Father (SPIRIT) and His Son (A flesh and blood man) became inseparable from that moment on. That did not make the SON (JESUS) GOD; but the SPIRIT which is GOD has been IN HIM ever since then. Jesus is not God; but God is IN Him. That should not be hard to understand. That did not do away with the identity of either one. Jesus remained to be the SON of GOD; and that sovereign SPIRIT that took up residence in His body of flesh remained to be the same God every true Jew had always worshiped. Well Bro. Jackson: Which one do we pray to? You should pray exactly as Jesus instructed His disciples to pray when He was preparing to leave them. Look in the 16th chapter of John, verse 23, and that should answer your questions about which one to pray to. You may

worship Jesus the Christ; and you may give thanks to Him and express your love to Him and for Him, because of what He did at Calvary for you; but when you pray to God for any reason, your prayer should be directed to the FATHER, in the name of JESUS Name". That is a very clear, balanced, and most perfect picture of the Word of God concerning the Godhead. Therefore, you can clearly see that the Lord straightened Brother Jackson out on this truth, and from this time forward, he never projected any contrary teaching on the Godhead as in times past, for you to speak of inconsistencies, and that is precisely why it cannot be taken as the FAN. This gives us nothing but a revelation upgrade, for he was used to set the record straight, striking a scriptural balance! And the bottom-line, one which proves that it is not the FAN, is that no one truly following his continuity message, is fighting over the true revelation of the Godhead, for he did not confuse us in the least on the Godhead! We all know that the Jehovah of the Old Testament, is **IN** Jesus Christ of the New Testament, for God Almighty incarnated His Son, Jesus Christ, at the

Jordan River, thereby empowering him to do the work of redemption. Period! But in the Branham Movement, still today, they are fighting one another even on the Godhead, and on practically almost every issue of the Word, and it is the quotes of the prophet that they are using, because the FAN has done its work, and yet it is still working, for the prophet had quite an unusual ministry, for no man ever preached like William Branham. In contrast, the application of the FAN was extremely minimal in the ministry of Brother Jackson, and as such, you cannot, in any way, compare Raymond Jackson to Brother Branham in this regard, for no man ever preached like Brother Branham; because he was the only man that spoke in duality, on virtually every aspect of truth, including that of THE SEVENTH SEAL! And I will tell you this tonight, that on the other hand, Raymond Jackson spoke with a great level of clarity, and he gave clarity to his followers, for his message was very clear in the main, because it had very little Fan in it, and I thank God for his life, for his ministry, and for his message. I never heard a clearer voice since I came into Christendom, and that is because he was an

apostle, ***“the apostle”*** of this end time! Coming back to give you an example of a ***“boxed revelation”*** at work in the message of Brother Jackson, we see this expressed in the subject of the Martyrdom of the Saints. Prior to when God opened up the truth concerning the various groups of God's martyrs, when we consider the innumerable crowd, ***“a great multitude”***, recorded in Revelation Chapter 7, verses 9-17, the chief apostle presented them to be ***“the foolish virgins”***. We can see this teaching expressed in his message, as laid out in the Contender, titled, *The Woman Of Mystery*, Part 4, May 1991, which is Part 40, of the series *From The Beginning To The End*, where he stated: ***“Nevertheless, there will be a great multitude of people in that hour that will love God so much, that a million dollars in a bank account could not persuade them to renounce their faith in Him. You would not think so by what you see out here in the world today; but when you go to Revelation 7:9-17, and pay attention to what the angel told John about that GREAT MULTITUDE standing there before the throne of God arrayed in white robes, you find that***

they have washed their robes, and made them white in the blood of the Lamb. Let me read verses 13-14, and you will get the answer. “And one of the elders answered, saying unto me, What are these which are arrayed in white robes? and whence came they? And I said unto him, Sir, thou knowest. (In other words, I do not know, but you do.) And he said to me, These are they which came out of great tribulation, and have washed their robes, and made them white in the blood of the Lamb”. The best security bond in the world will not be worth two cents to those left here on earth to face that dark hour of great tribulation. Those who have believed in God, but just never get around to a full surrender to Him, will suddenly be faced with total commitment to God or damnation, when that beast rule goes into effect. Some will see for a fact, that to live for God and serve Him, or die for Him if need be, is more important than anything else in this world”. (Moving further down to where he brought in the Tribulation and Persecution by the great red dragon, he continued): ***“That is Gentile foolish virgin people that have***

played around too long before they woke up to the fact of what is going on in the world. They will not be damned along with the ungodly; but they will have to go through the great tribulation and seal their testimony with their own blood, so to speak; for they will be slain for believing in God and refusing to accept the mark of the beast". However, when the Lord later opened up the truth to him, and he could now see the various martyrs of God, as they are revealed in their different prophetic slots, as recorded in the prophetic Book of Revelation, he realised that the innumerable crowd recorded in Revelation Chapter 7, verses 7-19, are not foolish virgins, because we do not have foolish virgins until we come to the opening of the Laodicean Church Age, when the Oil Movement was ignited, God giving accessibility to Oil! Therefore, in his message titled, *The Last 100 Years-Plus*, Part 4, delivered in April 2003, Brother Jackson now declared: ***"In (Rev. 6:9) you can read this, "And when he had opened the Fifth Seal, I saw under the altar the souls of them that were slain for (What?) the word of God, and for the testimony***

which they held". Nothing is said about the blood of the Lamb (Jesus Christ), ***but when you read this account in Revelation 7, you find that they have a different testimony. The question was asked, (to John, Rev 7:13) "And one of the elders answered, saying unto me, What are these which are (already) arrayed in white robes? and whence came they? Notice, (Rev 7:14) "And I said unto him, Sir, thou knowest. And he said to me, These are they which came out of great tribulation, (Not THE great tribulation of the last half of the week,) and have washed their robes, and made them white in the blood of the Lamb". I pray you everyone see the difference. They were standing before the throne, already clothed. They had something already, that did not have to be given at that time. That tells me, that this is not only saints that fall into the same category of the foolish virgins of Matthew 25, that have died through this Christian Era of time by natural death, BUT ALSO SOME THAT HAVE BEEN KILLED, LIKE IN RUSSIA, CHINA, AND OTHER PLACES AS WELL. Do not tell me all of them had to be martyred in order to***

stand there like that, because I have a surprise for you after a while. The tribulation here, speaks of great tribulation they have come out of throughout all times, from the beginning of Christianity right on through. The only exception is, THOSE SLAUGHTERED IN THE GREAT TRIBULATION OF THE LAST HALF OF THE 70TH WEEK OF DANIEL, ARE SEEN STANDING ON A SEA OF GLASS, in the 15th Chapter of Revelation". What a light this brought to the universal Bride, and what an understanding! This is nothing but a revelation upgrade, because before now, we saw things only to a measure! And as a matter of fact, in that message, the chief apostle even stated: ***"No doubt there are yet many details to be revealed of this end time picture; but meanwhile, we are to live for God and wait patiently until the time comes for Him to reveal the rest to us"***. Unfortunately, brothers and sisters, the revelation upgrade on the innumerable crowd of Revelation Chapter 7, whom he had earlier called the foolish virgins, became one of the things Tim McKay of Bloomington, Indiana, used to knock Brother Jackson on the

head, falsely accusing him of contradictions and inconsistencies in his message, when the man was absolutely consistent! And all that was said, just because Tim McKay could not take the scriptural correction the chief apostle had given to him. And if I may ask: Where is he now? Gone with the **“wind”**! As I keep emphasising, a revelation upgrade and a boxed revelation, are facts of God's dealing with His children in the light, because the revelation of God comes in folds, being inherently progressive, and hence, continuous, and as such, we must all understand these things, if we are not to stumble. These are the things, and not the FAN, that also obtain in this move.

Brothers and sisters, when we consider the application of the prophetic **“FAN”**, and God's promise of total separation of seeds at this evening time, what Brother Hope is not even considering, is the absolute scriptural fact, that the FAN cannot do all the work of separation, and further, that it is not the only vehicle of separation, for we have other Mechanisms of Separation, and as such, the FAN, as effective as it is, is limited in scope, even with regards to the Elect Bride of Christ. People just

talk about things they do not understand! Please do not go into something that is too wonderful for you: You will only show your folly! Of course, you will thrill those who do not know their left from their right, being carnal minded people. Therefore, when we talk of the FAN, you must understand, that although it has its application, its beginning application, the FAN cannot go on forever, and as such, it must have its ending application, because with the FAN, God has a divine objective. It is a key separating factor within the Branham Movement, for it is God's Movement at this end time, ordained to get a Bride for His Son, Jesus Christ, **“in the time of harvest”**, which is in this Last Age of Christendom. However, the truth remains, that the FAN is not designed to take everything out, and as such, its workings and application is limited. I repeat: The FAN is not designed to take out everything, but it is designed to create a great, serious, and effective separation, within the Movement designed of God to get a Bride. It is a serious, powerful, and most effective separating factor, and you will agree with me that as we speak today, the FAN in the

prophet's message, is still being used to effect separation, for people are still being blown by it, which is why they are still fighting one another in the Movement with quotes and counter-quotes of the prophet. Nevertheless, the truth also remains, that the FAN does not take everything out! That is God's absolute truth, for it is the Gospel truth! Now come with me to Matthew Chapter 13. It is obvious that the religious world does not have a clue concerning separation, as they do not even realise that there is to be separation to begin with, let alone know how it is being accomplished, or that it is being accomplished as we speak, because they are not following Jesus Christ in any true divine revelation of the Word. They just “love” the Lord, “live” for the lord, “live” holy, “live” good, or so they think, and as far as they are concerned, that is where it all ends. They really think that that is how they are going to make it into the rapture; but they are as blind as bats to the scriptural revelation of Jesus Christ; they are totally blind to the revealed programme of the Almighty God, how He is accomplishing this great plan of universal salvation, and the end time

separation of the two vines, the wheat and the tares. Please open with me to Matthew Chapter 13, where Jesus Christ was interpreting the parable of the wheat and tares, and we will take it from verse 37: ***“He answered and said unto them, He that soweth the good seed is the Son of man”,*** (Jesus the Christ); ***“The field is the world; the good seed are the children of the kingdom”,*** (for they are the wheat); ***“but the tares are the children of the wicked one”,*** (*Lucifer; Satan*); ***“The enemy that sowed them is the devil; THE HARVEST is the end of the world”.*** (And we are now living precisely at the end of the world. That is why we are in the days of Sodom and Gomorrah, and the world is filled with all kinds of moral perverts. The seeds of the wicked one have come to full maturity). We will take verse 29 again: ***“The enemy that sowed them is the devil; the harvest is the end of the world; and the reapers are the angels. As therefore the tares are gathered and burned in the fire; so shall it be in the end of this world”.*** (We know that the burning of tares in the Lake of Fire, is reserved till after the White Throne Judgment; but the thought of their end had to be

inserted in the written record, so that we may know exactly where all tares are ending up. Now pay attention to the next verse, for it holds a very material truth we need to consider). Verse 41: ***“The Son of man”*** (Jesus Christ), ***“SHALL SEND FORTH HIS ANGELS, and THEY shall gather out of his kingdom”,*** (which is the Bride Church), ***“ALL things that offend, AND them which do iniquity”*** (unbelief). Right here we see a truth, a very serious truth: That ALL preachers and believers of untruth; ALL preachers, ALL teachers, ALL writers, and ALL believers of falsehood, believers of erroneous unscriptural things, in the Movement of the Bride, must and will be uprooted! This Scripture gives us another crucial divine mechanism of God, for taking out the tares from the camp of the Bride, and here we see the operation, not of the FAN, but we see the operation of ANGELS, holy angels of God, powerful spirits. They operate by creating conditions and situations that are needed to take the tares out, for they are non-seeds. That is why I said, not everything or every tare, is going to go just by the operation of the FAN. For some tares, particularly the smart ones, it is going to take God to

create the conditions and situations that will cause them to go, conditions that will take them out, whether they like it or not, for it will be totally beyond their control, and that is exactly what the angels do, for it is their work! God is going to arrange situations of life: It could be conditions in the Church; it could be conditions out there, but the point is, God has a hundred and one million ways to take out non-seeds. This gives us a silent working of the Spirit of the Almighty God, ministering rejection to as many as are not ordained for eternal life, because they are non-seeds. That is why when we read Psalm 1, at the start of this service, I informed you that we are still coming back to pick up a thought projection in it. Speaking concerning the winds of doctrine, one which the FAN also creates, Psalm 1, verse 4, declares: ***“The ungodly”,*** (meaning the tares), ***“are not so”;*** (they are not like the righteous ones): ***“but are like the CHAFF which the WIND driveth away”.*** The chaff are taken out, or blown off, by the wind. But now look at the next verse, for it goes beyond the operation of the FAN. Verse 5 prophetically provides: ***“Therefore the ungodly SHALL not stand in THE JUDGMENT”*** (o f

separation by the Word, when God turns on the heat, the full heat of the Word, which tares definitely cannot take, as God moves in to take them out, working additionally through the operation of unseen angels, which Matthew Chapter 13, verse 41, gives to us). ALL unbelievers eventually will quit following truth, because the conditions will create the separation; it will force that to happen, for they will definitely not stand the judgment of the Word, AND the operation of angels! They may follow truth and stay with it for quite some time, but they have a final day when they have to be detached, broken off, just like a dead twig. Let us take Psalm 1, verse 5, again: **“Therefore the ungodly shall not stand in the judgment, nor sinners in the congregation of the righteous”**. (In other words: Unbelievers of the Word of God, shall not abide in the congregation of the saints). God will take them out of the congregation of the Bride; they will not abide in the assembly of God's people forever; because they were not there in the beginning, and they will not be there at the very end. This is because the Church started pure, with only pure seeds of God, and it will also end up

pure. When the Church was born in Jerusalem, on the Day of Pentecost, the Bible records in the Book of Acts Chapter 2, verse 47, but beginning from verse 46: **“And they”, (the saints, the believers), “continuing daily with one accord in the temple, and breaking bread from house to house, did eat their meat with gladness and singleness of heart, Praising God, and having favour with all the people. And the Lord added to the Church daily SUCH AS SHOULD BE SAVED”**; (those ordained for eternal life; God's elect seeds). Again, when the Gospel came to the Gentiles, it is written in Acts Chapter 13, verse 48: **“And when the Gentiles heard this, they were glad, and glorified the word of the Lord: and as many as were ordained to eternal life BELIEVED”**. By this we can clearly see, that the Church started with only pure wheat seeds of God, and it will end up with only pure wheat seeds of God, at this harvest time, for God is separating seeds. The major move of separation has already been accomplished in Christendom, but separation is not yet complete. However, talking

of the separating process, the Denominational world have no clue about it; but we have the clue, because God's mercy has reached out to us, in a true and rich divine revelation of the Holy Scriptures. We are not following hand-me-down traditions of men, but we are strictly following the scriptural revelation of Jesus Christ, and that is what makes the difference. But we are making a point, and the point is this: When you are talking about the separation of the wheat from the tares, or of the expunging of the tares, there are various mechanisms that God set in motion within the followership of Truth, that is in the Movement of Truth. Through Brother Branham, the FAN was set in motion, for the FAN has its place; but the FAN alone cannot do the entire work of separation, even though it is a major and a most effective tool. Therefore, brothers and sisters, the balance of the work of taking the tares out of the midst of the Bride, will take the use of the offence of truth, and if that still does not take them out, then it will take the operation of angels. That is the final divine sorting out mechanism; because it will take that for the balance of tares to be uprooted

completely, every last remaining one, so that the Bride of Christ can THEN **“SHINE FORTH AS THE SUN”**, even as Jesus Christ promised in Matthew Chapter 13, verses 41 & 43: ***“The Son of man shall send forth his angels, and they shall gather out of his kingdom ALL things that offend, AND them which do iniquity... THEN shall the righteous SHINE FORTH as the sun in the kingdom of their Father. Who hath ears to hear, let him hear”***. And just how do we shine forth for the world to see? It takes the accomplishing of Unity of The Faith, AND Perfection, in the Universal Bride, for this to happen, after ALL ***“Achan”*** seeds (serpent seeds) are totally removed from our midst. That lets you see, brothers and sisters, that as long as tares are in the midst of God's people, they are nothing but a clog in the wheels of progress, and we cannot shine forth, and hence, God will have to take them ALL out, for only God knows who they are, and He will do just that, and wonderfully too, for He is the Lord. So, we must all realise, that the FAN does not do everything, for we also have the operation of angels, and that is ***“rightly dividing THE WORD OF TRUTH”***. So, we come back to the main issue,

and that is that the FAN in the hand of Jesus Christ, has a beginning application point, and an ending application point. But can we truly apply it to the ministry of John? That is the focal thought projection of this message, one which we are considering, and one with which we will close.

Saints, with all that we have laid out so far, scripturally speaking, somebody has got to wake up, and realise, that there is no FAN in this Move! Moreover, by the time you think it will take another man to straighten out the Continuing and Concluding Message of Jesus Christ, and rid it of the FAN, you are writing Revelation Chapter 23! And if it is concerning Revelation Chapter 10 that your FAN is applicable to, then you have now just added your own verse, Verse 12, because there is no Scribe message that is creating division. Not one! There is no scribe message that does not handle a truth, doing justice to it, bringing a united understanding. Even if it is something God has concealed, being a boxed revelation, one that He has not yet opened up, we are still one in our belief; there is still unity, and we will have unity, even in our

ignorance, until God opens it up! By the grace of God, and as it stands today, we have unity of revelation around the globe, and that is why on our chart, we attached Unity to John. (Brother Amos points to the chart). However, IF, although it is denied, but IF the FAN was still in operation in the ministry of John, we would never have had this ***“Unity of The Faith”***, and we would have needed another man to show the FAN, and bring absolute revelatory clarity to the body of ministry, because there must of divine necessity, be a Lead Ministry of UNITY! And I will have to ask: Which Scripture are we going to use, that gives us such a man? Revelation 10:12? Brother Hope is telling his people that God has given him a lot of revelations, and that he is keeping it till the appointed time. Well, I do not keep my revelation: I share it; I share mine! When God gives me one, I cannot wait for the Church doors to open, so that I can share mine, because everything He gives me, I give to God's people! There is nothing I keep; I share everything, so you can also have what the Lord has given me for you; because it is for you that the Lord gives it to me. But our brother is keeping his own,

storing it; and he said it is for the universal Bride. And exactly how he will get to the Universal Bride, is what I do not understand. For if he did not preach on this pulpit, he would not even know any Bride saints to begin with. Just how will he affect the Universal Bride from Owerri, particularly with his load of trash, is what baffles me. We are on the ground together. Saints, we do not hide the truths of the kingdom from the children of the kingdom: We share it with them, and it is even on the Internet. You do not need to sign in to get our materials. Anybody can get it, for it is freely available. That is how confident we are of what God has helped us to put out there, for the elect Bride seeds around the globe. My photo is even there, so if you see me on the street, if it is a gun you want to carry, you can use it, if that is how you feel. I say that because we are not ashamed of what we believe and preach! It is the grace of God, and it is the true revelation of Jesus Christ, for God in His mercy has entrusted me with the Gospel of His Son, in this closing hour of time. That is why I said, yes, the FAN operated in a small measure in Brother Jackson's ministry, but there it also stopped. That

is why God is helping us to produce the message in its Continuity, in a way that is very clear and succinct (to the point), and is very simple to understand, if you love the Holy Scriptures, and it is even free. You are not going to have another ministry after John, for the Gentile Bride, who is going to point out the errors of John, point out the Duality or FAN in the message of John. You are not even looking anymore into the mirror of the Word of God, if you entertain such thoughts, for I will have to ask you: Where does the FAN end? It has to end in somebody's ministry; it has to end somewhere! And if you think that there is another Gentile lead ministry after John, I ask you: Where are you getting that ministry projection from? Where does that ministry come from? Is it the ministry of Revelation Chapter 10, **Verse 12**? I say that because in my Bible, I do not see another person after John, and moreover, that very Chapter ends with verse 11, and that is the Chapter that deals with the Bride. Once you come to Chapter 11, apart from the opening verse, the entire Chapter relates exclusively to the ministry of the Nation of Israel. In essence, it simply means that you are re-

writing the Bible; you are creating your own Bible, and your own ministry! In order to effectively wrap up my message, bringing it to a close, let me take you back to pick up something we laid out earlier, as a necessary stepping stone to something very crucial and fundamental, something that people are just not getting, and which we have to get. Come with me to the Holy Scriptures. Revelation Chapter 10, verses 8-11, records: ***“And the voice which I heard from heaven spake unto me again, and said, Go and take the little book which is open in the hand of the angel which standeth upon the sea and upon the earth. And I went unto the angel, and said unto him, Give me the little book. And he said unto me, Take it, and eat it UP; and it shall make thy belly bitter, but it shall be in thy mouth sweet as honey. And I took the little book out of the angel's hand, and ATE IT UP; and it was in my mouth sweet as honey: and as soon as I had eaten it, my belly was bitter”***. Watch, for this gives us the specific commission of the ministry of John. Verse 11: ***“And he”*** (the angel of the Covenant), ***“said unto ME”*** (John), ***“Thou must prophesy AGAIN”***, (a

second time, thereby giving us a promise of the return of the Spirit or the Anointing of John), **“before many peoples”** (many races), **“and nations”** (many nations), **“and tongues”** (many tribes), **“and kings”** (around this globe, a commission which gives John a global ministry outreach). Church, this prophetic verse, one which gives us the precise commission of John, lets us know that the end time John, is simply to repeat what John the beloved apostle did way back then, in 96 AD., strictly being a **r e p e a t m i n i s t r y** commission. Therefore, you have to see that the John of this end time, is occupying a ministry position that is the same with the position which John of the Early Church occupied. As such, he is to the end time Bride, what John was to the First Church Age Bride: A M I N I S T R Y O F COMPLETION. For in 96 AD., he was used to bring Climax and Closure to the written revelation of Jesus Christ, and also Completion to the inspired written record of the Word of God, because he brought the last Book of the Holy Bible. It is therefore scripturally settled, that the ministry of John is the ministry of Completion, and hence, it brings Climax and

Closure. It is for this very crucial reason that Jesus gives John the entire scroll of redemption to eat, showing plainly that this is where it all ends! It cannot be simpler and plainer, and you do not need to break your head in order to understand that, if you have any respect for the Word of God, for the symbolic representation of the prophecy of Jesus Christ expressed in this passage of Scripture, has been made easy to understand. When Prophet Ezekiel similarly ate a scroll, based upon the scroll that he ate, God told him to go and prophesy for Him, to the whole house of Israel, and he went to prophesy what had been given to him to eat. And if John eats the entire scroll of redemption, that lets you see that the complete revelation of Jesus Christ is invested in John. What is difficult to understand in that? We put out a message in the Scribe on this prophetic issue, titled: **THE EATING OF THE SCROLL.** Go and read it; it is for free! One thing stands firm: The Truths of the Bible which William Branham bore, plus the Continuing Truths of the Bible which Raymond Jackson also bore, form the foundation of the ministry of John, a man who is now bearing **“THE PRESENT TRUTH”**,

conveying new nuggets of truths of the Bible, lifting us up to an unparalleled revelatory plateau. Why is this so? It is simply because the revelation of Jesus Christ which John bears, is what brings the revelation of the Bride to its Climax, being the man to whom the Lord gives the entire scroll, bearing the Complete and Entire revelatory picture of God's plan of universal salvation. That is precisely why it is in the hour of John that we are going in the rapture.

Please pay attention, for this is the issue I want to lay out, and also use to bring my message to a close. Church, in Revelation Chapter 10, verse 11, we have the return of the Spirit of John, expressed first in its salvational message fold, before its prophetic message fold, bringing the message of redemption to its absolute Climax, Completion, and Closure. However, the picture does not end there, for people are forgetting that there is a Jewish Connection to be made. Do not also forget that it is the later translators of the Bible to modern day language, that broke the writings of the Bible into Chapters and verses, for easy reading and quick reference. In the beginning, the Book of Revelation was one long scroll, and as

such, everything joined together, to make up A Book of the Bible. Therefore, brothers and sisters, Chapter 10, verse 11, simply flowed into Chapter 11, verse 1, without a break in Chapter. So, you must read Chapter 10, verse 11, together with Chapter 11, verse 1, because they go together, as they ALL make up the commission of John. That is why these verses of Scripture have nothing to do with the two witnesses, the two Jewish prophets, Moses and Elijah, because Moses and Elijah do not come into the prophetic picture of God as yet, until we come to verse 3. Therefore, Revelation Chapter 11, verse 1, added to the commission of John, states: **“And there was given ME”** (John), **“a reed like unto a rod”**, (which is a plumb-line, a standard): **“and the angel stood, saying, Rise”** (John), **“and measure the temple of God”** (in Jerusalem), **“and the altar”** (of God in Jerusalem), **“and them that worship therein”**. What is that? It is God restoring true worship back to Israel, in a deep symbolic prophetic projection. Oh, my! In 96 AD., when John saw this, there was no temple, for way back in 70 AD., the temple had been destroyed by the Roman army, under General Titus.

Yet, in 96 AD., John was given a plumb-line, and was told to measure the temple, one that did not exist, and one that still does not exist as we speak in 2016, and in its place, is a mosque, the Dome of the rock! We all know that the temple will be rebuilt, and that the mosque is coming down. But the fact remains, that John is not going to come back from the grave to measure the temple, for the specific dimensions of that temple had already been conveyed through Prophet Ezekiel. So, it is a prophetic projection, for in that day, John was standing in the shoe of the end time John, the man who will carry out the instruction, for it forms part of his commission. It is symbolic or representative of the Jewish Connection; otherwise, we have to ask: Just how can John measure the people? And how do you measure the people that **“worship therein”** in the temple? Remember he was instructed, not only to measure **“the Temple”** and **“the Altar”**, but he is also to measure the worshippers, **“THEM that worship therein”**! So, how can you measure them, spiritually speaking, knowing that it has nothing to do with measuring the physical stature, or the physical height, of each

temple worshipper, and neither does it have anything to do with counting the number of worshippers! Come on! Brothers and sisters, it prophetically shows that the Lord is restoring true worship of God back to Israel, and this gives you nothing but a symbolic depiction of the Jewish Connection. It is a symbolic prophetic way of God reopening the door of salvation to the nation of Israel, a salvation they turned down, and from which they were shut out, whilst the Gentiles were brought in. In short, it is God re-opening the door of eternal life to the nation of Israel. Full stop! This Jewish Connection, wherein God leads John to Jerusalem, on the invitation he receives from Israel, to minister to an elect Jewish remnant, in a prepared meeting place, sets the stage for the Two Jewish Prophets, Moses and Elijah, to step on the scene. Are you listening to me? For by this Connection, the door of life is reopened to Israel, setting the stage for the Two Jewish Prophets to start their ministry, bringing revival to Israel, and the Bride goes in the rapture, right under the lead ministry of John. The rest is history, for after the Jewish Connection, and the two prophets step on the

scene, and we go up in the rapture, Moses and Elijah will also anoint the 144,000 Jewish Preachers, who in turn will preach the Everlasting Gospel, in the last 3½ years of the Tribulation period, just as we have it laid out on our chart. And where do we have the Bride in that hour of time? The Bride is up there in heaven, as Jesus takes us up to heaven at the very opening of that Week. Right here is where we are going up for the marriage. (Brother Amos points to the chart). So, I now ask: Where exactly are you going to slot another ministry after John, for the Gentile Bride? Which Scripture gives you such a warped thought, and what exactly will the man do? Come on! You forget that this Gospel that was given to us Gentiles, through the original apostles, came to us in its purity, for it came pure. So, I now ask: How is John going to carry to the Nation of Israel, a Message that has the FAN in it? Think about it! Church of the living God, you must know that when John is taking this Gospel back to Israel, he is not taking it with any FAN, for he is not only returning it pure, he is returning it in a much deeper and richer measure than we received it from the Jews! John is definitely not taking it back with the FAN, so they can

be **“tossed to and fro”**, blowing themselves with the FAN! It makes no sense! You have to see something! Come on! John is taking a pure Gospel back! On the full and unquestionable authority of Revelation Chapter 10, verses 8-11, added to Chapter 11, verse 1, I declare that John is not only taking back a Pure and Complete Gospel, one that has no FAN, he is taking back a Gospel that is much richer and much deeper, than what they passed to us in the First Age of Christendom! We are returning it with a much greater depth, and with a greater glory, than what they gave to us, just as it is written in Haggai Chapter 2, verse 9; and as it is also written in Ecclesiastes Chapter 7, verse 8, which clearly states: **“BETTER IS THE END OF A THING than the beginning thereof”**. And that is the only difference between what the Early Church had, and what we will return to them today. You will never make the FAN work in the ministry of Climax, Completion, and Closure! That was why in 1960, when he was preaching on *The Seven Church Ages*, Brother Branham proclaimed with great inner joy, speaking of the ministry of Climax and Closure: **“Oh, if I could only tell you**

this great thing; If the Lord would have permitted me to show it to you: This great thing that will CARRY OVER and CONNECT with the two Jewish prophets.” On page 36, paragraph 5, the prophet proclaimed: **“Now, when is the Gospel returning to the Jews? When the day of the Gentiles is finished. The Gospel is ready to go back to the Jews. Oh, if I could just tell you something that is about to happen RIGHT IN THIS OUR DAY! THIS GREAT THING that is about to happen WILL CARRY OVER TO REVELATION 11 and pick up those Two Witnesses, those two prophets, Moses, and Elijah, turning the Gospel back to the Jews. We're ready for it. Everything is in order. AS THE JEWS BROUGHT THE MESSAGE TO THE GENTILES, EVEN SO THE GENTILES WILL TAKE IT RIGHT BACK TO THE JEWS, AND THE RAPTURE WILL COME”!** That is precisely what Revelation Chapter 10, verses 8-11, added together with Chapter 11, verse 1, gives to us, and it is the Connecting Ministry of John. Full stop! How can you not see this? Just how can anyone truly following William Branham fail to see this? We are at the end time saints, and this is not a

game of Snakes and Ladders! God is not playing a game of Dominoes! The Gospel has to go back in absolute purity, and with an unparalleled depth, which is why God is first restoring the apostolic leadership of the Bride of Jesus Christ, and that is precisely why **BIBLE DAYS ARE BACK!** And who is taking the Gospel back to Israel? It is not Polycarp! Saint Polycarp was a lovely man, a very saintly man; but nevertheless, his ministry was inferior to that of the apostolic order, for his ministry marks the beginning of the going down of the Original Bride Church. His ministry marks the going under of the Church! Brothers and sisters, when you come to Revelation Chapter 10, verse 11, you must join it to Chapter 11, verse 1, because that is precisely and scripturally where the Gentile Lead ministry ends. I know we will have seven thunders on the scene in that day as well, but saints, when you talk of that lead ministry, that lead apostolic ministry, it is with the ministry of John that it all ends, because in verse 3, is where the two Jewish prophets start, even as the Bible provides: **“And I will give power unto my two witnesses”**, (Moses and Elijah), **“and they shall prophesy a**

thousand two hundred and threescore days, clothed in sackcloth”. Verse 4: **“These are the two olive trees, and the two candlesticks standing before the God of the earth”**. Now I ask: Where do you see another ministry to take over from John? Just how can anyone in his right spiritual mind, bring the FAN into this Ending Picture, a ministry which also gives us the Jewish Connection? Are we now taking the FAN to Israel? What a revelation! And when does the FAN stop, so that the Bride can have true Unity of revelation, that she can be perfected in full readiness for the rapture? And the Church folks in Owerri were jumping up and clapping, rejoicing for a derailing message; rejoicing over things that they are even supposed to know, for some things do not make sense, IF you truly see the eating of the scroll! It lets me know that people follow something, only because their pastor follows it. They have no revelation of anything, which is why they also follow their pastor in gross error. Because if you have a true revelation, as children of light, when your pastor goofs, you will know he has goofed, and you will stand for the truth of God, because God

did not tell you to follow a man to death, or to the slaughter! He did not ask you to follow a man to death, because every man will bear his own burdens! There is a divine revelation motivating the true elect Bride of Christ. That is the truth! So, we have to see the prophetic end picture which the Holy Bible gives to us, and we must stay with it, IF we desire life.

Brothers and sisters, look at Apostle Paul; in Acts Chapter 13, verses 40-41, he took the prophecy of Habakkuk Chapter 1, verse 5, and applied it to his ministry, because it was in his ministry that the **“work”** of universal salvation which God promised Abraham, was set in motion; it was in his ministry that that work began. Brothers and sisters, my point is this: Who would have known in that day, that what Apostle Paul started, the work of Gentile redemption that he was used of God to set in motion, would take the end time John to finish, before it is turned back to Israel? We too did not have the understanding of this truth, prior to this last move. Why? It is because that understanding was concealed from the saints of God, till the appointed hour of Completion! Yet, God allowed Brother

Branham to give a witness about the **“carry Over”** MINISTRY, which gives us the ministry of Completion, without naming the particular ministry for us. Again, in his message on January 15th, 1963, titled, *“Accepting God's Provided Way At The End Time”*, page 37, paragraphs 279-281, speaking about the Ending move of God, Brother Branham also proclaimed that the Gospel Message is going to go to **“another nation, ANOTHER PEOPLE”**, to show us that another race of people is going to carry the baton of the Gospel Light in its final leg. This basically speaks of the ministry of Completion, and yet again, the prophet did not nail it on the head, for us to know precisely that it is the ministry of John, so that it may be by divine revelation, and also because, the unveiling of God's Truth, has its divinely appointed season, and as such, the revelation of *THE INPUT OF HAM*, could not have come in that day, ahead of its time! Brother Branham saw it by the eyes of faith, and kept that detail to himself. Furthermore, in *The Seven Church Ages*, page 174, paragraph 2, Brother Branham also spoke clearly and categorically about **“the messenger IN the Latter Rain”**, which also gives us

the ministry of Climax and Completion. Think about all these witnesses, not to even mention the witnesses which the Chief Apostle to this age also gave, ALL which synchronise perfectly with the Scriptures, for they are solidly Bible based! Church, it was important that the Lord used the prophet to this age, to bear so much witness about the Ending ministry move of Gentile redemption, in order to put the elect Bride seeds of God on notice, so that they may look forward. Secondly, as the Star messenger to this last age, the man whose message forms a scaffold around the true revelation of Jesus Christ, being the principal messenger to Laodicea, every major move of God for the Bride, in this final hour of Gentile time, had to have a witness and a basis in his Message: The successive moves of God for the Bride, all had to be located in his message, for God does not leave His children in darkness, as to the things of Christ that are ahead for them, in their hour of time, even as Jesus promised in John Chapter 16, verses 13-14: **“Howbeit when he, the Spirit of truth, is come... HE WILL SHEW YOU THINGS TO COME. He shall glorify me: for he shall receive of mine, and**

shall shew it unto you”. Church, the ministry of John is one of Climax, Completion, and Closure, and as such, with the ministry of John, we are going in the rapture. No, we are not going down, but we are going up, for we do not have a Polycarp Ministry today, as the one we have is for eternal glorification of the Bride of Christ! Brothers and sisters, you must understand the plan of redemption. The beginning ministry dealing for the universal Bride, at this end time, as well as the end ministry, both had to have their roots in the Word of God, as God's promised ministries of the Holy Bible; because they are very key and crucial ministries, expressed at two very crucial junctions of time in this Seventh and Final Age. That is precisely why Revelation Chapter 10, gives us not only the star messenger to Laodicea, in verse 7, but it also gives us the end ministry, in verses 8-11; for with the first ministry, God starts with the Bride, and with the second ministry, God ends with the Bride, giving us the ministries of William Branham and John. Consequently, we are not left in any doubt, scripturally speaking, of where Jesus closes this plan of Gentile redemption, for God has made it plain.

That is why you must understand that the prophetic **"FAN"** cannot have any application in the ministry of John, and it does not have any application, and I say this for these four infallible reasons that we have laid out. **FIRSTLY:** It is impossible for the FAN to apply in John's ministry, because it is the ministry God has ordained to set **"Unity of THE FAITH"** in motion. **SECONDLY:** It is the ministry of Completion, Climax, and Closure. **THIRDLY:** The evident fruits of his message, which gives us the depth, the clarity, the simplicity, and the plainness with which truth is being expounded, without any ounce of ambiguity or complexity, and without counter projections, proves that the FAN is not in operation in his ministry. **FOURTHLY:** With his ministry, we will have the Jewish Connection, returning the Gospel back to the nation of Israel, a connection that cannot entertain even the slightest or tiniest amount of the FAN. Consequently, Church, when you look at John here, (Brother Amos points to the chart), you must understand that with John, we are going up, after he makes the Connection, right there at the Opening of the Last Week of Daniel, a Week of

time which starts with the pact the Man of Sin makes with Israel and with many other nations. And it is most certain that John is not carrying a Gospel riddled with the FAN to Israel, to toss them **"to and fro"**, because there is only 3½ years ordained for Israel, for her revival, and as such, they do not have the luxury of the time we have had in the Movement, to be battling with the FAN. Brother Jackson has passed away now for about 12 years, and we are still waiting on the Lord to establish His original ministry, whilst Brother Branham has passed away for much longer, almost 51 years to be exact. On the other hand, Israel has only 3½ years for their revival, and so, they cannot be battling with the FAN. Brothers and sisters, the move of salvation has to end somewhere, and with someone. But the real question is: Do you believe the testimony of the Bible? **DO YOU REALLY BELIEVE THE BIBLE?** You cannot tell me that you have respect for the Bible, or that you believe the Bible, when you reject the very ministry that God has promised in the same Bible, or when you nullify the truth concerning that ministry. When you do that, you do not believe the Bible! You are just wasting

your time, playing a silly losing game! Saints of God, when considering the prophetic **"FAN"** OF Matthew Chapter 3, verse 12, everything boils down to just one thing, and one thing only: Do you believe the Word of God concerning the ministry of Completion? Can you even see that it is the ministry of completion? That is the real issue! When we even consider the number of Gentiles that are ordained for salvation, it must end with someone somewhere! There has to be that last soul somewhere, the person that will complete **"the fullness of the Gentiles"**. It has been a long journey, brothers and sisters, but whatever has a beginning has an end. Salvation has a beginning and it also has an end, a precise end! Moses brought the law, and it worked, and worked, and worked, until the day of John the Baptist. The Bible says, *"The law was UNTIL JOHN."* Did you hear what I said? That is what the Bible says in Matthew Chapter 11, verse 13: **"For all the prophets and the law prophesied UNTIL JOHN"**. The law was until John. The law had taken a long time in its application, but now, in the hour when John stepped on the scene with Jesus Christ, the law was at its end: It was at its

closing point! It is because everything that has a beginning point, also has an ending point. And when God was going to start with the Gentiles, He started with Apostle Paul. And since Saint Paul, just see how long the journey has been. But the truth also remains, that the journey, however long it may have been, also has an end, a definite end, and that is precisely what the ministry of the end time John gives to us, as spoken of in the Book of Revelation Chapter 10. We are telling you, and showing you by the Holy Scriptures, the plan of redemption, and the lead ministry that God will use to bring Gentile redemption to its Climax, Completion, and Closure, as recorded in Revelation 10, verses 8-11, taken together with Revelation Chapter 11, verse 1; and then the hour of Israel follows, for it is set in motion thereafter. How plainer can it be?

In the First Church Age, the Ephesian Age, when it came to the revelation of Saint John, you could not climb higher, for it was the Ceiling, the Roof, the Climax, of the written truths of Jesus Christ, and even of the revelation of Jesus Christ that was given to the saints in that day. So also, when you come to this

Seventh and Final Church Age, the Laodicean Age, when it comes to the revelation of John, you cannot climb higher, for it is also the Ceiling, the Roof, the Climax, of the revelation of Jesus Christ, both written and unwritten, for he eats the entire scroll of redemption. That is why there has never been a day like this day, never a time that shines so bright, and never a light that shines as bright. That is the truth! Because it is the ministry of Completion; it is the ministry of Climax; and it is also the ministry of Closure for the Gentiles; which is why it is the Connecting Ministry, returning the Gospel back to Israel, and then off we go in the rapture. Revelation Chapter 19, verses 7-8, proclaims: ***“Let us be glad and rejoice, and give honour to him: for the marriage of the Lamb is come, and his wife hath MADE HERSELF READY. And to her was granted that she should be arrayed in fine linen, clean and white: for the fine linen is the righteousness of saints”***. Brothers and sisters, it is under the ministry of John that this prophetic verse of Scripture is accomplished (realised), for God is using the Move of John to get the Bride perfectly ready, using the Original Ephesian

Ministry. The Book of Ephesians Chapter 5, gives us the logistics in verses 25-27, imploring: ***“Husbands, love your wives, even as Christ also loved the church, and gave himself for it; That he”*** (Christ) ***“might sanctify and cleanse it with the washing of water by the Word, That he”*** (Christ) ***“might present it to himself A GLORIOUS CHURCH, not having spot, or wrinkle, or any such thing; but that it should be holy and without blemish”***. The Lord Jesus Christ is going to use the Original Ephesian Fivefold Ministry of this day, to achieve this great feat. And this will all be done or accomplished, under the Lead Apostolic Ministry of John, as the glorification of the Bride is settled in the mind of God, before the foundation of the world, even as John saw the Bride in heaven for the marriage. Therefore, there is a lead ministry that God has divinely and scripturally ordained for the rapture event, and that is one lead ministry to which you cannot apply the FAN, for IT IS THE ENDING MINISTRY. The question remains: Do you really believe the Ending picture of the Holy Scriptures? That is the truth! Do you believe the testimony of the Holy Bible? If you can truly

see the testimony of the Word of God, you have to stay with the Blueprint of the Word of God; you have to stay with God's revealed wrap-up plan. Brothers and sisters, by the grace of God, I have been able to give you an in-depth exposition of the prophetic "**FAN**", what it is, its application, its operation, its objective, that is, the purpose it serves. The chief apostle was used to show us the application and operation of the FAN, but it was only in its beginning application and operation. Today, by the grace of God, we have laid out before you its ending application and operation, and we have also shown you why, strictly in the light of the Holy Scriptures. Consequently, we now know precisely where the FAN ends, and

why it ends right there; why we cannot take it any further. Therefore, I will close my message with this statement: You cannot take the FAN, and apply it to the Ending Ministry of John. For as long as the FAN is working, we will never be ready for the rapture, because we will never have "**Unity of The Faith**", and in turn, we will never have **Perfection**, as perfection cannot be obtained in confusion. You just cannot take the prophetic "**FAN**" into an Ending Ministry, the Ministry of Completion, Climax, and of Closure, because it is where we are going to go up in the rapture, for the marriage. If you do that, you nullify the divine purpose (objective) of God for the Original Ephesian Ministry, and hence, you nullify the divine

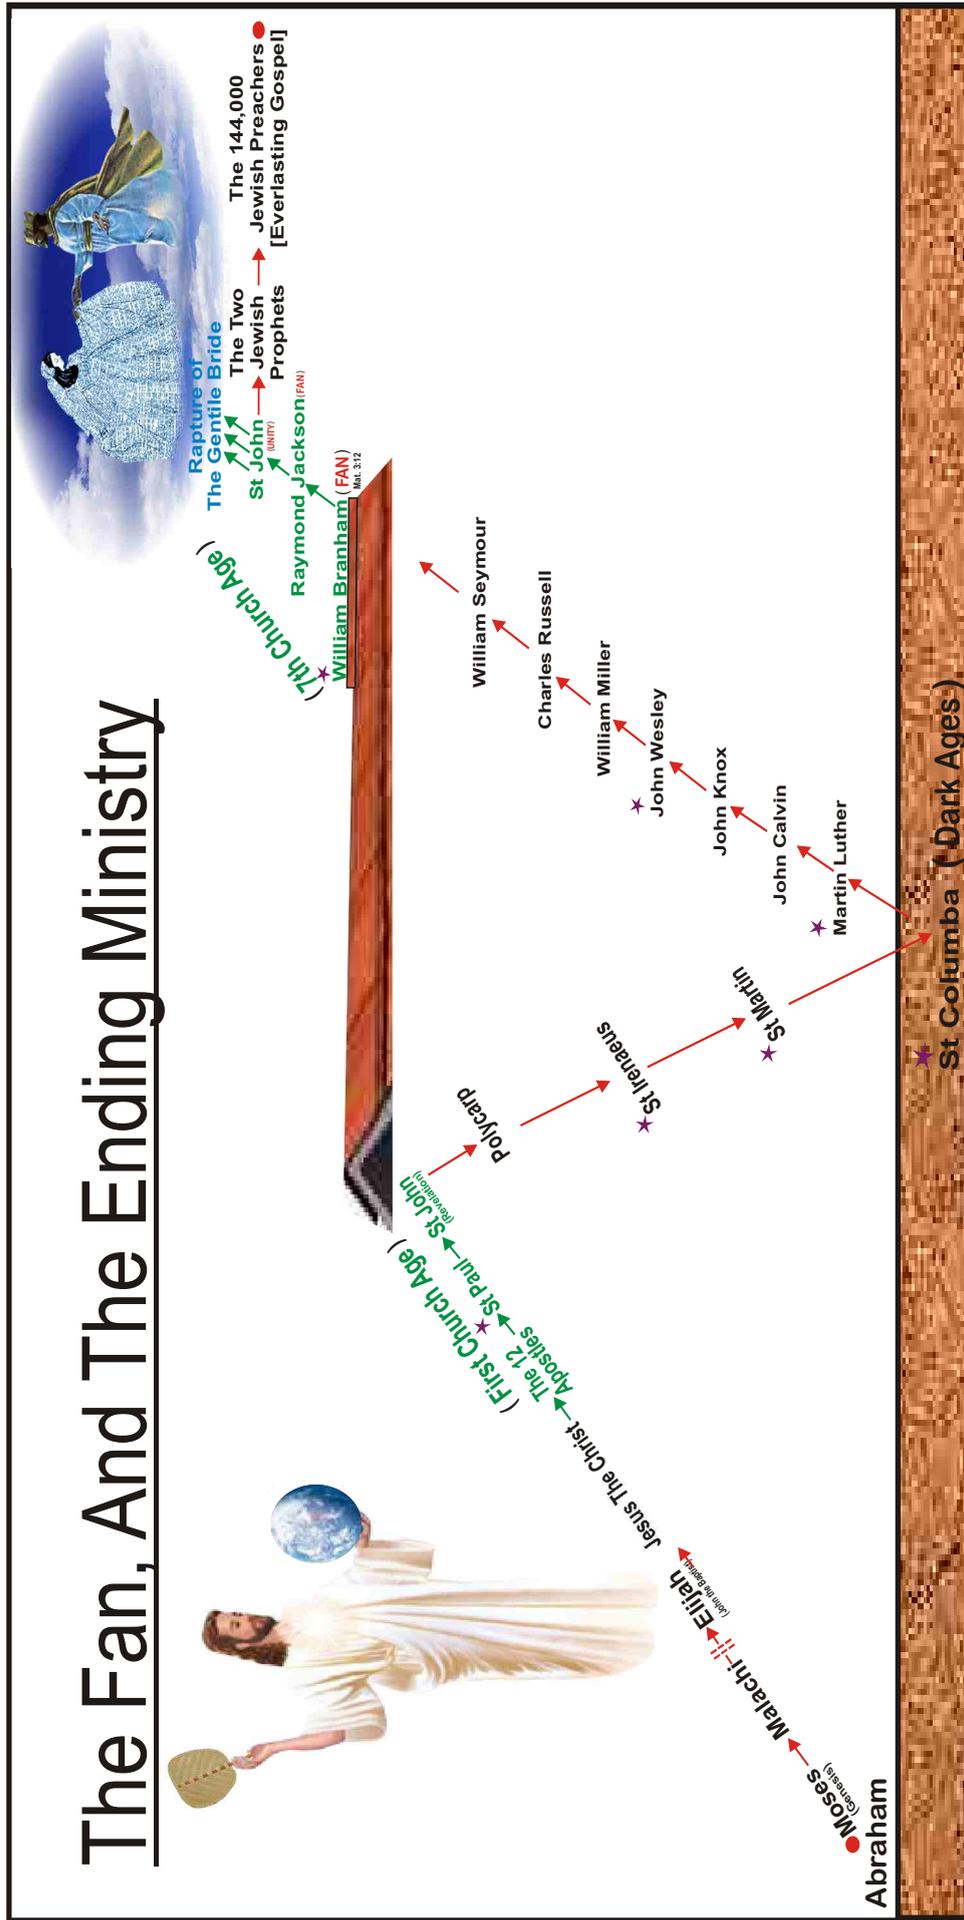

purpose (objective) of God for the Original Bride of Christ. It will only show that you do not even understand the Ephesian Ministry, nor do you have a clue to the revealed plot of God for this harvest time, with regards to the preparation of the Elect Bride of Jesus Christ, the "**Elect Lady**" predestinated for translation in this final hour of time. That is why I am telling you tonight, that the FAN is not working in the ministry of John, for his is the Ending Ministry. This is the truth of **THE FAN, AND THE ENDING MINISTRY**. Let us bow our heads in prayer. (Brother Amos prayed).

The Lord bless you.
