

The Scribe

"Every Scribe which is instructed into the Kingdom of heaven is like unto a man that is an householder, which bringeth forth out of his treasure things new and old" - Matthew 13:52

Amos Olusegun Omoboriowo

June 2022

GOD SENT VESSELS OF TRUTH,
VESSELS OF CLAY
- IN DEFENCE OF WILLIAM BRANHAM,
IN OPPOSITION TO BELIEVETHESIGN.COM
- PART 9

This message was originally preached by Brother Amos, on the morning of Sunday, 5th December 2021, at Bible Faith Tabernacle, Lagos, Nigeria. It is the ninth segment of this wonderful Scribe series, which was created when Part 8 was broken into two. This is so, because there is so much that can be presented about God's Ending Plan of Salvation, particularly because God has been quietly, and continually revealing His Truths to His chosen elects. It is our sincere prayer that God's predestinated children out there in Apostate Christendom, will be able to see the Truth.

Saints, I greet every one of you in the name of the Lord. May God richly bless our meeting, as

we continue our message, titled, *God Sent Vessels Of Truth, Vessels Of Clay – In Defence Of William Branham, In Opposition To BelieveTheSign.Com*. In the last segment of this Scribe, we stopped with the consideration of the First Major Problem encountered, with regards to the Message of Brother William Branham, the Elijah-Prophet to this Seventh Age of Christendom, which is the application of the prophetic "**Fan**" recorded in Matthew 3:12. We now want to delve straight into another main problem regarding his Message and Ministry, and may the Lord help us in presenting this Truth.

Problem Number Two: The Second Major Problem with the Message of Brother Branham, is

with the "Mixed Multitude", those who followed, and those who continue to follow his Message. They are a big put-off, and a great stumbling, bringing great reproach, because of their gross Idolatry, for they are nothing but IDOLATERS, chronic IDOLATERS, and BIBLE HATERS! Some of them have made Brother William Branham Jesus Christ, they make him the Lord. Some even baptize in his name in certain parts of the World, such as in Canada, in India, and in the Republic of Congo, etcetera. The Branham Movement make the Prophet's every statement *Thus saith the Lord*, and hence, they make it equal to the Holy Bible, although in most cases, they lift his words over and above the Holy Bible, which they make their Absolute, and that is downright Idolatry! Yet, in our case, and in total contrast, our Absolute is nothing other than the True Inspired Word of God, which is The Holy Bible, because The Holy Scriptures is God-Breathed, and hence, THE ABSOLUTE OF EVERY TRUE BELIEVER! However, as far as the Mainstream Branham

Movement are concerned, whatever he says, is *Thus saith the Lord*, and that is nothing but a blatant lie of the devil, and is gross Idolatry! To think that by his Message, we were brought back to THE HOLY BIBLE! Most of them do not even preach from the Holy Bible, they preach from his Sermon books, quoting and ever quoting the man, rendering the Holy Bible completely useless, by their Idolatrous use of the Brother Branham's sermons! They believe and also erroneously teach that No man, except a Prophet, can interpret the Holy Bible, meaning, it takes only William Branham to interpret the Holy Bible, and as such, the Holy Bible is a totally closed Book to them, outside of what the Prophet was inspired to unveil or teach! To think that the Highest Order of Ministry we have, established under the New Testament, and the Exclusive Class of Ministry used for the Giving Forth of, or Writing the New Testament Scriptures, as well as for the Unveiling of the Holy Scriptures in the New Testament Dispensation, are The Apostles, Original Seed Apostles! That is just how Idolatrous these people

are! It is no wonder that when Brother Branham passed away, in December 1965, every year, and for a good number of years thereafter, Message Followers gathered at his graveside, waiting and expecting him to rise from the dead, in a personal resurrection, because as far as they were concerned, he left a lot of unfinished business! An airplane was also left waiting for many years, to carry him around on his expected special resurrection, in fulfilment of his "*Tent Vision*", a Ministry potential that he never realised! The Idolatry of the Branham Movement simply has no end! Even today as we speak, a fact you can get on YouTube, at the Branham Tabernacle in Jeffersonville, Indiana, they use the pre-recorded audio voice of Brother Branham, to marry live couples, to join live couples in holy matrimony, a dead man's voice is being used to marry and bless live couples! That is the height of lunacy! It is insane, totally spiritually insane! That is what Joseph Branham is doing over there at the Branham Tabernacle, and what utter Idolatry! What sheer madness! In quite a number of Assemblies in the

Movement around the globe, ALL they do is to play tapes, and listen to the audio sermons of the Prophet in their Church services, totally overturning Ephesians Chapter 4, verses 11-13, rendering the place of the live Ministry of the New Testament, completely useless, and totally killing the Spirit of Divine Inspiration, the Inspired preaching and teaching of the Word of God! Some of the men in the Movement even use the quotes of the Prophet to justify Polygamy, and to justify baseless and unscriptural Divorce; they use the quotes of the Prophet to justify their unfaithfulness to their wives! This is quite apart from the fact that the conduct of these men, is most unbecoming, for their character is terrible, with no love for anyone, and neither do they have any iota of respect for anyone not following the Message! Furthermore, a lot of men have arisen in the Movement, giving themselves grandeur, incredible leaderships, teaching truckloads of garbage! This reminds me of the late Joseph Coleman of New York, the preacher of the Nonsensical

Teaching of “**Seven Thunders, Seven Virtues**”, who gave us a most ludicrous (or ridiculous) interpretation of “**The Seven Thunders**” in Bible prophecy, in Revelation Chapter 10, verses 3-4, and the extremely wild followership he created, giving himself off as something! It also reminds me of the so-called Prophet, a prophetic impersonator, the late Neal Frisby of the big Pyramid Temple, the Capstone Cathedral, in Phoenix, Arizona, with his so-called “**Scrolls**”, and his totally absurd teaching that we need to pass through the Inner Veil, the Veiled Room inside his Temple, in Arizona, in order to be ready for the Rapture! My, oh, my! Brethren, please note that you can watch the Ministries of these two men on YouTube. Neal Frisby was so prophetically anointed, so prophetically inspired, and so prophetically led, so much so that he gave his Entire Ministry Assets said to be worth over \$20 Million to one Robert Brooks, an American NFL player (footballer), a man he had just met a few months before he passed away, and a man who was not

even following him, nor was he following the Message of Elijah! After the death of Neal Frisby, Robert Brooks shut down the Capstone Temple, and also tore down Neal Frisby's family mansion that was adjacent to the Cathedral! The Temple was recently transformed into *The Pyramid Sports Complex*, where volleyball, basketball, badminton, etcetera, are being played! Does this not remind you of the demise of Oral Roberts' Medical and Research Center (Complex), in Tulsa, Oklahoma, a massive facility which he begged the world on television, for money to build, claiming that the Lord said He would call him home, if he did not raise the funds for it, \$8 million in total, within twelve months?! Of course, that facility never worked, and the facility had to be sold off to pay debts! My, my, my! Whatever is not of God, will eventually come to naught! For another example, we will look to South Africa, where there is also one Message preacher called Edgar Roscoe, a so-called Apostle, a man they call the “**Token Bearer**”, and a man given to preaching a whole load of spiritual rubbish, wild incredible

ideas! Brother Branham gave a personal prediction relating to 1977, in which he declared that the world would end by 1977, and the world is yet to end as we speak this very day in December 2021! And although this prediction, which we shall still deal with later on in this Scribe series, was not given as *Thus saith the Lord*, nevertheless, the material fact remains that this prediction failed woefully! However, in a most carnal, and utterly absurd message Edgar Roscoe took recently, titled, ***Fascinating 1977***, and dated, October 23rd, 2021, a video message you can get on YouTube, the man sought to spin the narrative over that failed prediction of 1977! He turned it into something extremely positive, something wonderful, and a prediction that ought to be celebrated, for according to him, it was A Fascinating 1977! I will have to say this: Hell is waiting for a lot of men! Brothers and sisters, at the end of that long meaningless message, of total spiritual junk, in closing the service, one of his Ministers prayed to God in the name of Edgar Roscoe! You can get it on

YouTube, except it has been taken down! The video is well over two hours, so just keep skipping through it to get to the message, because they sang a long time before this incredibly insane message, titled, ***Fascinating 1977***, was delivered. Now tell me just why the Religious World should not call the Branham Movement A Cult, on account of ALL these downright Idolatrous things, because they are doing exactly what cults do, which is to worship a man, a mortal man, a sinner by birth, being controlled by everything he says, however ridiculous and irrational his bidding may be! On YouTube many years back, I listened to the testimony of Billy Paul Branham, where he declared that his Pastor is Brother Branham, a dead man, still the pastor of the living! Lord have mercy! What an Idolatrous people, a bunch of chronic Unbelievers! You can give the Message Followers as much Bible as you want, however rich and deep, and however plain and crystal-clear its presentation may be, they will simply trash it, and instead, they will take the quotes of the Prophet, however nonsensical, and

however unscriptural that quote may be, for how they love the ***“Fan”***, which gives us nothing but the ***“wind of doctrine”!*** Oh, the wisdom of God, how most excellent are His ways! Indeed, the Lord God knows exactly what Tares need, for they will never submit to the Truth of the Word of God, and hence, He used the same mouth to feed them the lying vanities they love, knowing that they would never be able to shake themselves out of it, to follow the Light, the True Light, Jesus Christ the Light of the World! God fed them with what would take them out of ***“The Way”*** OF LIFE, because God knows exactly what they need! The mouth of Elijah that the Lord God uses to feed His Elect Bride Seeds, ***Wheat***, is what He also uses to feed ***Tares!*** As Eagles, God's Eagles, we do not eat Tare Food, and likewise, Tares do not eat our Food, they do not touch Eagle Food, which is the Fresh Carcase of the Word of God, The Holy Scriptures! Therefore, when we run into the ***Fan*** in the Message, counter-statements that lead away from the Holy Scriptures, we simply leave them for Tares, as that is strictly for them; it is their food; it is not

for us; it is not our food, for we feed solely on the Holy Bible, and hence, we take only what solidly and perfectly aligns with the Holy Scriptures, the Meat of the Word! Full stop! We do not care who says what, and neither do we care for the greatness of his anointing, the bottom-line is, IF it does not jive or dovetail with The Holy Scriptures, we just do not touch it! Period! We certainly do not care whose quote it is, and I say this with great respect, whether it is that of William Branham, or that of any other man of God for that matter, IF it does not align with the inspired and infallible record of the Canonical Scriptures, we simply lay it squarely on the shelf! Particularly as we ALL know that God did not send William Branham, Elijah, to give us another Bible, or even to take the Holy Bible away from us, but he was only to Restore us to this same Holy Bible from which we derailed, the Only Foundation of True Faith there is, and will ever be! And as we speak today, the Branham Movement are still carrying the quotes of the Prophet ALL over creation, fighting each other with quotes and

counter-quotes, creating untold confusion in the Movement, total Babel, and great havoc to innocent souls! IF Brother Branham said it to them, it must be God, regardless of how Anti-Bible it may be! To think that in his sermon dated March 18th, 1962, titled, *The Spoken Word Is The Original Seed*, paragraph 260, Brother Branham warned in very clear and most emphatic terms: **“Now, ALL these things I've said, IF THEY DON'T JIVE WITH THE BIBLE, OR DOVETAIL WITH GOD'S WORD, THEY'RE WRONG, ALL THIS PICTURE.”** Absolutely! The pathetic fact, however, is that these unbelievers who are following his Message, the ***“mixed multitude”***, do not care for this serious admonition of Life, for regardless, they still lift his statements above the Holy Bible! Again, in the following year, precisely on December 16th, 1963, in his message, titled, *We Have Seen His Star And Have Come To Worship Him*, paragraphs 178-180, the Prophet gave a similar warning: ***“... Brother, sister, let me tell you, there is a genuine, True***

Christian Light shining tonight, It's Jesus Christ, the same yesterday, today and forever. Cut Loose from Everything!” (From Everything Contrary to The Word)! **“AND HE”** (JESUS CHRIST) **“IS THE WORD. HE'S ALWAYS THE WORD. God's Word is Perfectly RIGHT. It's of No private interpretation. You say, “It means this.” It means just what It says. The Bible said, “It's of No private interpretation.” If It says... “black is black, and white is white,” That's Just What It Is.”** (Now listen to what Brother Branham said about The Holy Bible, THE WORD OF GOD): **“IT'S THE ULTIMATE. IT'S THE ABSOLUTE. And every man that's born of the Spirit of God is tied to That”** (ABSOLUTE), **“No matter”** (what), **“nothing will separate him from It. HE'S TIED TO THAT WORD, BECAUSE IT'S CHRIST. CHRIST IS THE WORD. AND CHRIST CANNOT LIE ABOUT HIS WORD, FOR HE IS THE WORD. You said, “Well, I know He said That, but!” There ain't no “but” and nothing about It. He just said It was that way, AND THAT'S WHAT IT IS. And He cannot change**

It. He can't. He's unchangeable. He said, "Heavens and earth will pass away, but My Words shall never pass away, never fail." Amen! Because the Word of God is Infallible, and Immutable, and Sovereign, FOR THE WORD OF GOD IS GOD'S ABSOLUTE! However, Tares following the Message of Elijah cannot accept this absolute fact, and neither will they submit to the Truth of God, for they just cannot bear The Word of God, which is precisely why they were fed with the prophetic "***Fan***", as chronic Idolaters, Haters of The Holy Scriptures! This is the problem we are facing even today, for we are facing a highly Idolatrous class of people following the Message of Elijah, people who are bringing great reproach to the Message and the Name of the Prophet, and who, as such, are looked upon as a Cult!

Brothers and sisters, the material question at this time, however, is this: Are you going to judge and condemn Brother Branham, using ALL these men are doing with his sermons, his quotes, now that the man is gone,

particularly when he did not teach them to do that?! Some years before he passed away, a meeting was arranged for him in Canada. The meeting had hardly begun, when certain men were passing out medallions, on which was written, *William Branham Is Lord*. They also had fliers, which they placed on people's windscreens. When the Prophet got to know about it, he was most heartbroken, and he cancelled ALL the meetings there, and went back home a broken man! In his message dated June 11th, 1961, titled, *Revelation, Chapter Five*, No. 1, paragraphs 23-28, the Prophet testified: "***If there's anything that has been in my heart to do, was to hear those Words of our Lord Jesus at the end of this journey, to say, "It was well done, My good and faithful servant."*** And many times I have said... ***if anything I always wanted to be, and desires of my heart to be, was a true servant to Jesus Christ, MY LORD AND SAVIOUR. I want my testimony to be clean, clear-cut, that I stood, IN ALL MY MISTAKES, I yet loved Him with ALL my heart.***

And I do that this morning with ALL my heart. And, because of that, it forces me to say I am leaving the Ministry, is because that there is something arose up amongst the people that's caused me to do it, that is, that I have been taken from my bracket of a "Minister" or "Brother", and BEING CALLED JESUS CHRIST... and that would brand me as an Antichrist. AND I'LL MEET GOD AS A QUITTER BEFORE I WOULD MEET HIM AS AN ANTICHRIST, TO TAKE AWAY FROM HIM. I heard of it a few years ago, and I thought it was a joke. And I met a couple brethren, (which I don't see neither one of them in the meeting this morning), two or three of them, one time in a fishing trip, and they approached me by the subject of saying, "Brother Branham, aren't you the Anointed Messiah, The Christ?" And I put my arms around the neck of both brethren, or, ALL of them, and I said, "Brethren, as much as I have tried to be a true servant of Christ, I would not that you would say such a thing as that. AND IF IT WOULD EVER BE SAID OF ME, THEN I WILL

LEAVE THE FIELD WITH A CLEAR CONSCIENCE, and you who do that will be responsible for every soul that I would have saved during that time; see, for taking me from the Field. And I thought that ended it. And I heard it a few more times. But it wasn't so. And the other day in Canada, a brother showed me a little ticket of a thing he's packed in his pocket, said "**William Branham is our Lord, Baptizing in the name of William Branham. And a little...**" (brother), "**a precious...**" (brother). "**If it had been an enemy, if it had been my enemy, I would have knowed it was a joke. But a precious, darling brother come up to confess his sins and his wrongs, and say his faith in me as being Jesus Christ.**" What a thing to believe and spread! This terrible and evil development, which was created by people who were close to Brother Branham, made him quit the Evangelistic Field. In his sermon stated above, the Prophet spoke about the bruised serpent, for in a vision he saw a serpent, which he shot in the middle, giving it what appeared like a fatal wound, but the snake

wiggled away into the bush, and Brother Branham said he hoped that it would die. In that day, the Prophet tore down that demonic projection, a gravely erroneous Antichrist belief, earnestly warning them, "*I am just your brother, I am not the Lord Jesus Christ!*" And these totally deceived Message followers actually felt Brother Branham was the Christ, the Lord Jesus, because of the stupendous supernatural Ministry of the Prophet they witnessed, live, the mindboggling miracles, a supernatural Ministry Jeremy Bergen, and his Flipped BelieveTheSign.Com, are doing ALL they possibly can today, to deny and blight, making out like it was False, A Fraud! Church, after this message was delivered in June 1961, that evil spirit seemed to have died, but it had only just quieted down, because right after the death of Brother Branham, this Antichrist spirit immediately raised up its ugly head again, and this time, they were even saying that he had to rise from the dead, because he left too many things unfinished! Brother Jackson testified that that was the very response the late Peary Green, the Founding

Pastor of Tucson Tabernacle in Arizona, gave him, when he questioned him on this Idolatrous expectation! My! As I stated earlier, vigils were held at his graveside at a particular time every year, for many years, when he was expected to rise from the dead, in a special resurrection! To the Branham Movement, everything is about Brother Branham, and hence, for them, everything goes in the name of William Branham, as IF the Plan of Salvation is ALL about him, when we ALL know that everything does not even go in the Name of Jesus Christ, far less the name of William Branham! (Matt. 7:21-23). So, brethren, this spirit of Idolatry, the deifying and worship of a mortal, and the lifting up of his every statement as The Word of God, by the "***mixed multitude***" who follow his Bible Restoring Message, making everything about the Prophet, is one of the major problems encountered, with regards to the Message and the Ministry of Brother Branham, because that is exactly how Religious Cults behave! Nevertheless, you must know that you cannot use

any of these evil doings to judge Brother Branham, as extremely terrible as they are, because he is not responsible for what these men are doing! May I even remind you that it was the very same thing that happened, right under the Ministry of Moses, when he called the children of Israel out from Egypt! They had hardly come out of Egypt, when they forced Aaron to make a golden calf for them, which they worshipped as the God who brought them out of the land of bondage, whilst Moses went up the Mountain to meet with God, to get the Law of God! So, are you going to condemn Moses because of the news of this development, IF you had lived in that day?! Do you even know what the Egyptians would say about the followers of Moses? They would say: *"I thought they said they condemn idolatry; I thought they said they left us because we are idolaters, and they are the ones serving the One True God. Now look at what they are doing in the wilderness! They are doing the same thing we are doing. It is even one of our gods they built for themselves!"* So, are you going to blame Moses for that?! Are you

going to use the Idolatrous worship of the golden calf to condemn Moses?! But it happened right under the Ministry of Moses, and it was done by his followers, people who supposedly followed his Message and his Ministry! When serpents started biting and killing the people following Moses, in divine judgment, God then asked Moses to put up a brazen serpent, and anyone who looked upon it, lived. (Num. 21:4-9). However, when Moses died, the children of Israel began to worship that same brazen serpent! What are you now going to do? Are you going to use the Idolatrous worship of the brazen serpent, by the children of Israel, to judge and condemn the Ministry of Moses, and to blight his Message from God, just as Rod and Jeremy Bergen, and the Unbelieving believethesign.com, are doing to William Branham?! It is the same situation, and we are looking at the same Calling Out Message, with the same Called-Out Assembly, the **Ecclesia** of God, for one was a natural deliverance from Egypt, whilst the other is a spiritual deliverance from Babylon! Please come with me to 2 Kings Chapter 18, and we

will take it right from verse 1: ***"Now it came to pass in the third year of Hoshea son of Elah king of Israel, that Hezekiah the son of Ahaz king of Judah began to reign. Twenty and five years old was he when he began to reign; and he reigned twenty and nine years in Jerusalem. His mother's name also was Abi, the daughter of Zachariah. And he did that which was right in the sight of the Lord, according to all that David his father did."*** (Now look at verse 4, as that is what we want to see): ***"He"*** (Hezekiah) ***"removed the high places, and brake the images, and cut down the groves"*** (of Idolatry), ***"and brake in pieces The Brasen Serpent that MOSES had made: FOR UNTO THOSE DAYS THE CHILDREN OF ISRAEL DID BURN INCENSE TO IT: and he"*** (Hezekiah) ***"called it Nehushtan"***, (Meaning, it is just a thing)! He broke it, because it is not God, but only a thing! The central issue is that the children of Israel worshipped it, and also arrogated it to Moses! They worshipped it, and claimed that Moses gave it to them, that it was Moses who

made the brazen serpent for them, which was very true, however, Moses did not give it to them for any idolatrous use! So, what are you going to do? Are you going to blame Moses for this Idolatrous act of the children of Israel?! Are you now going to vilify Moses, and brand him A False prophet, because of what his followers did after Moses was dead, with the brazen serpent he made for them under God's direction, just as Rod and Jeremy Bergen are doing to William Branham?! My, my, my! May God have mercy on these miserable souls! And just as it was stated in a quote we considered a few minutes ago, Brother Branham clearly warned the Movement, over and over again, saying words to this very effect: ***“Whatever I say that does not dovetail with the Holy Scriptures, the Word of God, please set it aside, because THE HOLY BIBLE IS THE ABSOLUTE, AND IT IS MY ABSOLUTE!”*** The material question is: Was worship the reason Moses gave the brazen serpent to the children of Israel in the wilderness? Was it given to them for worship? So, what are you going to do? Are

you going to blame Moses for the most idolatrous attitude of the children of Israel, and crucify Moses because of what his disciples did with the brazen serpent?! Think about it this morning! Equally, you also cannot blame Brother Branham, and neither can you judge or condemn Brother Branham, based on what his followers are doing with his Message and his Ministry, now that he is dead! You have to judge a man by his Message! And let me even warn that without a true divine revelation from God, one that is deeply Bible based, you most certainly cannot rightly censor the Message of William Branham, the Elijah-Star Messenger to this Last Age, because you will only be judging what is too wonderful for you to grasp! It will be exactly like the Pharisees and the Scribes, who were judging the Teachings of Jesus Christ, with their canary bird brains, branding it ***“HERESY”***, using their puerile (juvenile) understanding of the Law and the Prophets to judge Christ, exactly as the Flipped believethesign.com are doing today! And exactly

what does a canary bird know about spiritual things?! Most especially as William Branham, of ALL Men, of ALL God Sent Vessels OF TRUTH, had a most Unusual Ministry, both in terms of his Teaching Ministry, as well as in terms of his Major Separating Ministry! I say this with critical reference to Revelation Chapter 18, verse 4; Malachi Chapter 4, verse 6B; and Matthew Chapter 3, verse 12! You cannot censor that man without the use of Original Apostolic spectacles, otherwise, you will only undo yourself, because censoring him demands a deep divine understanding of God's Ending Plan of Gentile Redemption, which the ***“Every Scribe”*** bear! You do not have to believe it, although I pray you do, because when you cross over to the other side, you will find out! Nevertheless, the fact remains that you need to be dealt with by the Spirit of God, in order to know just how to relate to what you are seeing in the Message Movement, otherwise, you will blaspheme, committing the unpardonable sin. It is as Jesus Christ warned in Matthew Chapter 12, verses 31-32, saying:

“Wherefore I say unto you, ALL manner of sin and blasphemy shall be forgiven unto men: but the Blasphemy AGAINST THE HOLY GHOST”, (which is calling or ascribing to the Devil, something the Holy Ghost is actually doing, in this Grace Age), ***“SHALL NOT BE FORGIVEN UNTO MEN. And whosoever speaketh a word against the Son of man, it shall be forgiven him: but whosoever speaketh AGAINST THE HOLY GHOST”,*** (branding what the Holy Ghost is doing in this Dispensation of Grace, as False, or Contrary), ***“IT SHALL NOT BE FORGIVEN HIM, NEITHER IN THIS WORLD, NEITHER IN THE WORLD TO COME.”*** Think seriously about that! For IF God could tell His Prophet to bake cake with human faeces, and to eat it for a certain period of time, right in the presence of the children of Israel, in order to serve His divine purpose, you are at liberty to brand it Demonic, and seal your Eternal Damnation! Call the Spirit who inspired Prophet Ezekiel to do so, A False Spirit! Ezekiel begged the Lord, and God allowed him to use cow dung instead!

And Ezekiel the Prophet of Almighty God baked cake with animal dung, ate it, and washed it down with H₂O, Water! Now demonise Prophet Ezekiel, brand him A False Prophet, and a demon-inspired and demon-led Prophet, because you know God above ALL men! These hypocrites and stark unbelievers, who call themselves believethesign.com, men and women who are nothing but Flipped professed believers, the opposite Flip, and the negative Flip of the experience of Saul of Tarsus! We must realise that this experience of Prophet Ezekiel is serious! Brothers and sisters, God has had yielded vessels, and may God also help us to be yielded vessels! May we be found faithful, just as the song says:

In the Warfare that is raging,
For the Truth and for the Right,
When the conflict fierce is raging,
With the powers of the night;
God needs workers brave and true;
May He, then, depend on you!

Chorus:

May the Lord ... depend on you?
Loyalty... is but His due...
Say, O Spirit, brave and true...
That He may depend on you.

Saints, I have a reason for saying that I would love to meet Ezekiel the Prophet, because what a completely yielded vessel he was in the hands of His Maker! If God comes to you and tells you to do something similar, would you not see the devil?! Would you not see an evil spirit?! God has had Vessels, yielded Vessels OF TRUTH, yielded Vessels Of Clay! When the Angel of the Lord came to Joseph in a dream, and informed him: *“The baby in the womb of your wife is a holy child, so do not put her away”*, he believed and agreed, he did not doubt, not even once, neither did he think it was a ridiculous dream, and yet, it was a development that had never been before, for No woman had ever conceived by the Holy Ghost, definitely not before that day, and not after! Indeed, God has had Vessels! May God help us to walk with Him by Faith! Brothers and sisters, it is very easy to

read these things, but just put yourself in their shoes for a minute! I am saying ALL that to make a most valid point. God is at liberty to use whatever means He chooses to clean house, to rid His kingdom of Tares, in perfect fulfilment of His Unfailing Word of Promise for this End Time of Harvest! Knowing that **“a mixed multitude”** would also follow the Message of Brother Branham at the Calling Out, just as **“a mixed multitude”** followed Moses at his Calling Out, the Lord decided to use the operation of the **Fan**, as a means of sorting out the **Tare** Element within the Movement, whose evil activities, would also further PUT OFF Apostate Christendom, from ever venturing to follow the Message that was sent exclusively to get the Elect Bride! This is quite apart from the crucial fact that carnal Carriers of the End Time Message were needed, as they would be effective Carriers of the Message, to bombard the whole World with the Message of Elijah, putting the World on Notice of this Promised Message, till the Elect **“Children”** of God, on whose account the Bible Restoring Message was

sent in the first place, come of age! Then the carnal Old Carriers of the Message, would be completely set aside, as the Elect **“Children”** of God, who have come of age, now take over the Carriage of this Message of Truth, bearing it in its perfect divine scriptural content, just as God did in **“the Church in the wilderness”!** (Num. 14:26-33). And as you can ALL clearly see, the great reproach Tares have brought to the Message, and to the Ministry and Name of Brother William Branham, is also serving as a great means of Deterring Apostate Christendom from accepting the Bible Restoring Message he bore! The Lord knew that the evil activities of **Tares**, who abound much more in the Movement than **Wheat**, is precisely what the carnal minds out there will use to judge William Branham, and his Message, and by this very means, they would also be staved off, or fenced out! So, let me say this to Christendom, the Religious World, and I speak Typologically: IF you can see the Apostate **“mixed multitude”** who followed Moses, surely you can also see Joshua and Caleb, whom the Holy Bible

says had “a different Spirit”, and hence, had a perfect, solid, and infallible Bible stand, within the followership of the Message of the same Moses, just as we also have the same class of True Believers today, within the followership of the Message of Brother Branham, our Moses?! (See Numbers Chapter 14, verses 6-9, and verses 24 & 30). Why can you not see the Joshuas and Calebs of today, True Bible Believers, in the Message of Elijah, by their perfect and untouchable Bible stand, even though they are mere Remnants, a Remnant people, A **“Little Flock”**, compared to the **“mixed multitude”**, the teeming masses of people following the End Time Message?! Why is it only the **“mixed multitude”** in the Message you see, and you cannot also see those of us, who, by the grace of God, are following the same Message of Elijah, with a Scripture-Perfect Divine Understanding?! You should also be able to see the present-day camp of Joshua and Caleb, standing for the Truth that God sent our **“Moses”**, our deliverer from Babylon, having the true revelation of

his Message and Ministry, a camp who equally stand out as Joshua and Caleb did! That is why I say, you cannot use the Movement to judge the Prophet; you most certainly cannot use the **“mixed multitude”** to judge Brother Branham, no more than you can do that to Moses, particularly because their Evil and Idolatrous activities do not make the Message of Brother Branham False, No more than it made the Message of Moses False, and we ALL know that it did not! Therefore, if you are going to rightfully judge Brother Branham and his Message, use believers like us, Bible believers like ourselves, who stand for nothing but the Word of God, based on what the Spirit of Christ used William Branham to accomplish in our lives! After ALL, **Tares** have never truly believed the Truth, and cannot truly believe, neither are they subject to the Truth, because like Cain, they are self-willed worshippers, **c a r n a l m i n d e d** worshippers, who only have a religious spirit, and they depend more on their carnal intellectual ability, than depend on God's divine revelation, which they just cannot

comprehend or possess! However, they are also needed as a means of trying **“the children of Light”**, until **Inspection Time** Comes, For TOTAL SEPARATION to be accomplished in the Bride Camp, around the Globe! (Matt. 22:10-14). It is God who decided, *“I will use the same mouth of My Elijah-Star Messenger, to also feed the Tares, who dare to follow the Bible Restoring Message of the Elect Bride. I will use his mouth to feed them falsehood, which is what they like, and is Nothing but the “Wind of Doctrine”*. Hence, God built the **Fan** into the Message! That is why of ALL men God has used through Time, there is No Man that had a Ministry like William Brahman, because the **Fan** of Matthew 3:12, operated majorly in his Ministry! That is the reason William Branham is the most misunderstood man, on this side of the Dark Ages, FOR HIS FOLLOWERS MISUNDERSTAND HIM, AND THE RELIGIOUS WORLD LIKEWISE MISUNDERSTAND HIM, **BECAUSE OF THE FAN, AND PARTICULARLY ON ACCOUNT OF THE EVIL ACTIVITIES OF THE**

T A R E S I N T H E MOVEMENT! This is the very reason I warned that you cannot censor A Bible Promised Teaching Ministry, most especially at this End Time of Harvest, without a divine revelation, without a deep understanding of the Holy Scriptures, especially of the Ending Plan of Redemption, which God alone gives! This is Holy Bible Terrain; it is Bible Land!

Throughout these meetings, brothers and sisters, you will notice, just as Jesus Christ promised us in John Chapter 10, verse 9, we have been going **“in and out”** of the Holy Scriptures, Opening up The Holy Bible from Genesis to Revelation, finding extremely lush (rich) and green **“pasture”**, Laying out God's Ending Plan of Redemption, as it relates to Brother William Branham, the End Time Elijah-Star Messenger to this Seventh Age of Christendom. We are using Nothing but the Holy Word of God, supported by the Evident Fruits of his Ministry accomplishments! It is because we know exactly where we stand on every issue of Truth, and

ALL in the Light of the Holy Bible, enabled by the sheer grace and mercy of God! That is precise the reason we are not stumbled by the activities of the so many **Tares** within the Message Movement, who are seeds of disobedience, and of stumbling, bringing utter reproach to the Bible Restoring Message of Elijah! This is quite apart from the crucial fact that they are also the means of our testing for faithfulness to the Revealed Truth, because as **“children of Light”**, we must be proved, and we are being proved in part by the **Tares!** Their utter disregard for the Word of God, is the reason these **Tare** preachers in the Message, can say without any prick of conscience: **“Brother Branham says a man can rightly divorce his wife, and marry another woman, IF she cuts her hair. It is the woman who cannot marry another man, but the man, being a type of Christ, can have many wives.”** And hence, these men not only divorce their wives on grounds that are scripturally untenable and frivolous, but they also go into polygamy, justifying it with the quotes (statements) of the Prophet

to this Age! They say these things, and use these quotes pervertedly, **Firstly**, because they do not understand the prophetic **“FAN”**, and **Secondly**, because they are twisted minded Unbelievers, who have No atom of care for the Holy Scriptures! What do **Tares** know or even care about the **Fan**, or about God's True Word?! The **Fan** is exactly what **Tares** need, and how Tares are using it effectively too, to fend themselves away from the Holy Bible, and equally, to fend off Apostate Christendom from coming near the Bible Restoring Message of Elijah! You have to know how to look at something! *“Oh, Brother Amos, you are only using it as an excuse for Brother Branham.”* I am not using anything as an excuse, because I am only showing you the true application of the prophetic **FAN** of Matthew 3:12, in the Ministry of the Star-Messenger to this Laodicean Age, and its effect on the **“mixed multitude”** following his Message! The only point is, Can you read this Divine Sheet Music?! Can you truly hear and appreciate the beautiful symphony of Truth?! That is the main

issue, for it is ALL about revelation, particularly as the Gospel Truth has been laid out bare before you in this Scribe series, ALL by the sheer grace and mercy of God! So, let me ask Rod and Jeremy Bergen, and ALL their collaborators: Exactly what is your level of understanding of the Word of God, that gave you the audacity to judge and demonise the Great Elijah-Prophet of God?! I ask, because you have absolutely No idea about spiritual things, making empty noise via your negative, demon-inspired website that is Leading Nowhere! You just do not get it, because your pride, your ego, and your carnal ambition, have seriously blinded you to this absolute fact, one that is beautifully couched in a Legal Latin maxim, which says: **Nemo dat quod non habet**, simply meaning, **You cannot give what you do Not have!** You just cannot undertake the Defence of The Holy Bible, The Word of God, without a call from God to do so, that is, without the authority of God, and without His divine enablement, for it requires a great depth of divine understanding! Your total lack of these divine

requirements is the very reason you are exposing your utter ignorance of the Holy Scriptures to the World, by your arrogant and wilful intrusion into the supernatural things of God, showing that you have practically No Inking to the things you are talking so proudly about, the things you are judging Brother Branham! You are just like the Sadducees, stark unbelievers, who did not even believe in the resurrection, and neither did they believe in Angels, nor did they believe in spirits, and yet, they claimed they believed the Law and the Prophets, who were ALL dealt with by spirits, Angels, and who bore the hope of the resurrection in their inspired writings! Then they came to Jesus Christ, seeking to ensnare him with their question about the resurrection, thinking they absolutely had something, but really having No clue! The Lord openly rebuked them, saying in Matthew Chapter 22, verse 29: “... **YE DO ERR, not knowing the Scriptures, NOR THE POWER OF GOD.**” Brothers and sisters, you must equally know the ways of our God, “**except ye be reprobates**”, and

you will know it, IF you are not destitute of the Spirit of Truth! Therefore, let me sound the warning again, and please hear me loud and clear: You cannot use the evil activities of the “**Mixed Multitude**” in the Branham Movement, to judge the Message and the Ministry of William Branham, because Brother Branham stands squarely in the very same shoes as Moses, the Great Prophet of God, and Israel's Deliverer, a man who was equally followed by “**a Mixed Multitude**”, in that “**Church in the wilderness**”, during their journey to the Promised Land, just like we are equally still on our journey home today, our home in Heaven! What is more, William Branham preached a message that is applicable strictly to his Message Followers, titled, **One In A Million**, showing that of about Two Million or so that followed the Message of Moses from Egypt, only Two, Joshua and Caleb, made it through to the Promised Land, out of the Old Crowd, and so shall it be with the followership of his Message! After all, in 1 Corinthians Chapter 10, verses 1-4, Apostle Paul

stated that the experience of “**the Church in the wilderness**”, was a Type of the reality we face under the New Testament, right here at this End Time! Speaking specifically of the application of the experience in the wilderness under the Ministry of Moses, in its application to this End Time, he warned in 1 Corinthians Chapter 10, verse 11: “**Now ALL these things happened unto them for ensamples: and they are written for our admonition, UPON WHOM THE ENDS OF THE WORLD ARE COME.**” Therefore, let me reiterate this crucial point: No man can use the evil activities of the “**Mixed Multitude**” who are following the Ministry of William Branham, to judge the Message and the Ministry of William Branham, the Deliverer from Babylon, because Brother Branham stands precisely in the very same shoes as Moses, the Deliverer from Egypt! Let it be understood, therefore, the evil activities of the Tares following the Message of Elijah, is what creates a great stumbling, and is one of the key reasons the Religious

World run away from the Bible Restoring Message of Brother William Branham! That is that!

Problem Number Three:

Brothers and sisters, the third major problem relating to the Ministry of Brother William Branham, and a very important issue when considering his Ministry, is that William Branham was just a Man, greatly and phenomenally used of God, but yet, still a man, nonetheless, and consequently, he had weaknesses! Although William Branham was A God Sent Vessel OF TRUTH, he was also A Vessel OF CLAY, and as such, he had weaknesses, his own human weaknesses, the same as every mortal does! May God help me this morning. I do not say this in order to knock the Prophet of God, I say it simply because it is a fact, as he most certainly had weaknesses! This is the third main issue we must bear in mind, when considering the Ministry of Brother Branham, IF we are to correctly and justly assess the man, an issue we must now consider. Look at it, a man named Bruce Hall, whilst speaking on YouTube from his living

room or so, under the title, *My Experience With The William Branham Movement*, testified that he sat at Faith Assembly under Brother Raymond Jackson for about Two years. He also talked about the 1933 experience, when Brother Branham was baptizing in the Ohio River, and the Angel of the Lord came down in a great shining swirling light, and made the declaration: *“As John the Baptist was sent to Forerun the First Coming of Christ, so you will take a Message that will Forerun his Second Coming.”* Brothers and sisters, as we ALL know, or should know, in recounting this experience, sometimes Brother Branham would say that about 500 people were there; sometimes he would even say that thousands of people were there. Bruce Hall said in his testimony that although he was not a witness of the Ministry of Brother Branham, nevertheless, he said that he spoke with a man, Curtis Hooper, who was there as a personal witness of the Prophet's Ministry, and he was one of the deacons of Brother Branham, and that that man told him: *“... **Bill**”,* (referring to Brother Branham), *“**was just a***

man, and he made mistakes. He said things that were wrong. He stumbled at times, but when ALL of that happened”, (referring to the Supernatural), *“**that was not Bill, that was the Lord.**”* Then Bruce Hall also spoke about another man, a preacher, whom he called, Gram Snellie, who was there as a witness, when the Prophet was baptizing in the Ohio River on that fateful day in June 1933. He said that Gram Snellie told him: *“... **Bill exaggerated the numbers so badly... There were No five thousand people there... Bruce, I was there that day... If we had a hundred people, we had a crowd.**”* In effect, he was saying that William Branham exaggerates, that he embellishes things! You can get this testimony on YouTube! Now, I ask you: What do you see in this man's testimony? It is simply that Brother Branham exaggerated! Period! I do not say this to knock him, but that was part of his own weakness as a man, as a mortal, for it is a fact that he exaggerated! We ALL have our own weaknesses; we ALL have our own shortcomings, but it does not take away from

the fact that William Branham, though a Great Prophet of God, with an Amazing and Outstanding Prophetic Ministry, had weaknesses! He most certainly did! There is No Prophet or Servant of God without their shortcomings! Noah was not a perfect man! Moses was not a perfect man! Samuel was not a perfect man! Elijah was not a perfect man! Elisha was not a perfect man! John the Baptist was not a perfect man! Apostle Peter was not a perfect man! Apostle Paul was not a perfect man! There is None that was perfect, because ALL are Vessels OF CLAY! That was also why the marriage of John Wesley, the Reformer, and the Star Messenger to the Sixth Church Age, was a wreck, because he was not a perfect man! There is No Man, there is No God Sent Vessel OF TRUTH, being A Vessel OF CLAY, who has no human weakness, as this is the plight of men, ALL Men, as we are mere mortals! Saints, we have to see that one of the weaknesses of Brother Branham, was exaggeration, embellishing things. I do not say this to knock him, because I have my own weaknesses, I say

it because it is a fact, and you should be able to relate to that! Let me give you another testimony confirming the fact that Brother Branham did exaggerate. In a video message delivered by Brother Jackson, on September 8th, 2002, titled, *In Defence of William Branham*, Part 1, which you can get on the website of Faith Assembly, Brother Jackson gave the testimony of a man, and the testimony goes as follows: **“There are characters ALL across America today, after Thirty-some years of his death, they're just playing Tapes, reading Messages to find fault, to criticize, and in condemning. BECAUSE THEY JUST GOT THAT OLD DENOMINATIONAL SPIRIT ON THEM. They want to try to condemn something or other that to them, it ain't perfect. It's not the way they think it ought to be. Had I not been privileged by the grace of God to know this man, got acquainted with him, and to see that he truly was a human being, mortal, just like I am, or anybody else. BUT THERE WAS AN ANOINTING IN HIS LIFE, AND WHENEVER GOD**

many contradictions found in these William Branham's sermons. Brother Branham seemingly gives different accounts as to what happened to the man after he was exposed. I have taken the time to look through each sermon in question, and that claim seems to be valid. I would greatly appreciate an explanation or answer of some sort. I'm confused, and depressed. I would like to know the truth. Now before I read what the critic has actually said, that's got him bothered, I'm asking you to turn with me in the Fifth Chapter of James..." (Skipping down a little, Brother Jackson said): "... We all have our human makeup. In our physical flesh, it's impossible to live and please everybody. Because some people look at things on the other part, of the part of the other person different." (Meaning that they look for the downside or negative in people). "I want the person that has written this to understand, I am not a Doctor of Divinity. I'm not perfect, and don't claim to be, but if I know

something, I'm not going to be afraid or stand back from saying so. I am not afraid to testify some things about this man, that this other character wants to criticize and find fault with. If that man was standing here in my face, I'd say to him: You didn't know the man! And the way you've gone at things, it's impossible for you to even know him. And I have my doubts you even know the Bible. It's one thing to read at the Bible, but it's really one thing to know really what did it say, and what did it not say. That's why there is so many religious beliefs today: I'm a Baptist! I'm a this! I'm a that! I'm something else! Yet, they get it all out of the same Book! This morning, brothers and sisters, after thirty-some years of Brother Branham's death, yes, I have heard a lot of Critical Blasphemous Remarks handed down by the grapevine, through the years, what well-known Preachers think about this man that we believe was A PROPHET of God. And I'll have to say, I KNOW WHO HE WAS. Thirteen years sitting under this Man's Ministry,

convinced me enough; I saw enough, I saw God, YET, I SAW A MAN. I saw a man that could have a headache, he would take an aspirin. And he didn't set back, let it not be known." (Meaning that Brother Branham did not hide this fact from people!)

The Chief Apostle continued: "I have to say this morning, having known him, got acquainted with him, knowing things that he said, how they were said, has helped me to better understand the man. BUT WHEN THAT MAN WOULD STAND UNDER THE ANOINTING, I don't know care how many critics there are, I SAW THINGS TAKE PLACE THAT CHANGED THE LIVES OF A LOT OF PEOPLE, BOTH PHYSICALLY AND SPIRITUALLY. I will say the things I heard him say, and the things I've heard and seen God used him for, CHANGED MY LIFE COMPLETELY." (Skipping further, Brother Jackson continued): "... Brothers and Sisters, I want you to take a look at this man that some of us older ones knew, and I hope that you'll listen to

me. I've been privileged to meet some old people through the years, that did not live in this area. They live scattered across the country, some in Canada, and different places. But I got acquainted with this man, and here is his picture", (Brother Jackson lifted up his photo, calling him), "Ernie Fandler. He was a man that had come from Switzerland. He came to the United States in a time of depression; life was hard in Europe. His whole story is very hard when he first came here. After the circumstances, God created for his benefit to be able to stay here, and work in different places. He had ups and downs, but it was in Canada that he saw a sign of Brother Branham's meeting; this was back in the 50's. He had never served the Lord, he had never felt the need. But when he went to the meeting, he saw something take place that literally changed his whole outlook of life. He saw something take place, he had to go back again. This is just his testimony. But the man has been down home, and he told me, "Brother Jackson", he said, "I had

a look back on the whole episode." The man" (Ernie Fandler) "is gone now. He said, "It was a miracle that I was ever permitted to see and meet Brother Branham. But in those years, it seem like God gave me many opportunities to meet him, to become acquainted with him." In one of the first episodes that he had in being with Brother Branham, Brother Branham came and got him. They were in a car, going out at a certain place. Brother Branham was driving. Now I am going to tell this slow. Brother Branham was setting there driving; they were talking. Directly, Brother Branham looked over at him, and said, What did the Lord speak to you? He said, Brother Jackson, It scared me. He said, I said "Nothing! Nothing!" Yes, He did, He told you something. In the name of Jesus Christ, tell me what He said. And he said, I was really scared. "Brother Branham, He said YOU EXAGGERATE." And Brother Branham looked at him, and says, "THAT IS TRUE BROTHER, PLEASE PRAY FOR ME."

He said, "THAT IS ONE OF MY WEAKNESSES." Now I am thankful brothers and sisters that at least the man was honest. But these guys don't know this, but that man became a very dear, great friend of Brother Branham. And through his testimony, he tells how God led him in different ways to get acquainted with him. So, this morning, I wanna say this: He was A TRUE PROPHET OF GOD. I'll go in my grave saying that. And I'll say this to any critic that wants to say so: I don't care how many things you want to bring up out of Messages, or things that look there is a discrepancy, that's because you did not know the man, that was his expression of his human nature, just the way he referred to things. I will say this, anything that he ever said to you from a vision, "Thus Saith the Lord", HE NEVER REPEATS THAT OUT OF LINE. How many understand that?" Because the Prophetic insight the Prophet bore into things, of the secrets in the lives of people, into their conditions, their problems, their names, where they

lived, what they came for, was simply astounding, and this just cannot be denied! Countless testimonies abound on YouTube, brothers and sisters, of the wonderful things the Spirit of Christ used that man to do in their individual lives, supernaturally, giving us the testimony of countless living witnesses, many who are still alive today! The most pertinent issue, however, is that Brother William Branham had weaknesses, he had shortcomings! We can also see from the last testimony we just considered that Brother Branham, even acknowledged that one of his shortcomings, is exaggerating, embellishing facts, obviously just to impress the people! Nevertheless, we are not going to kill the man for that, because we ALL have our weaknesses! Saints, God Sent Vessels OF TRUTH, being Vessels OF CLAY, A L L H A V E WEAKNESSES!

Brothers and sisters, continuing with the testimony Brother Jackson gave in that video message, he went further to share his own experience in this regard, of how Brother Branham embellishes

things. The Lord gave Brother Jackson some dreams, and he shared two of these dreams in the testimony he gave, dreams we are ALL conversant with. However, purely for the sake of an easy and smoother presentation, rather than having to transcribe them from the video message, we will simply take the dreams from the Contender Magazine, particularly as what he recounted is consistent, and then add what Brother Jackson experienced, and the reason he shared these dreams, ALL in relation to Brother Branham's shortcomings as a man. In the Contender dated September 1977, titled, *The Apostle's Office, Part 1*, speaking under the subtitle, *The Rock Of Revelation Dream*, the Chief Apostle stated: ***"In February of 1961, after The Church Ages was preached in December of 1960, I saw myself in this dream walking over rolling, countryside, I knew that I was going to a certain point, where, when I arrived, I would find the place very congested, with many people that had gathered there from every direction. That was***

ALL in my mind as I was walking. Then after a period of time I began to notice that from every angle, I could see people approaching, coming from the North, South, East, and West. I could see myself still walking, constantly moving closer to a certain place where I knew that we would ALL gather. Finally, I saw myself as I came up over this last little knoll, in a rolling countryside, and looking down through a long valley in front of me, I saw a little figure standing by A Rock, protruding out of the ground. As I saw the little figure standing there, I immediately knew who the man was. By this time the whole landscape was covered with a great throng of people, converging into a great circle around that little man, there in the valley. As we ALL began to get closer, the circle became very congested. People were rubbing elbows with each other, but kept on crowding, moving in closer until we were within just a few feet of the man. Then I heard myself in the dream yell out, real loud, saying, LISTEN TO WHAT HE

SAYS, FOR HE WILL NOT ALWAYS BE HERE! (Now he never told this that night, when he referred to the dream in the message, "Sirs, is This the Time".) I kept on walking until the whole circle was really pressed in tight around him. Then, I spoke the second time, and said, **LISTEN TO WHAT HE SAYS, FOR HE WILL NOT ALWAYS BE WITH US.** (Now you will notice that the two statements were different. The first, was, **HE WILL NOT ALWAYS BE HERE**, and the second was, **HE WILL NOT ALWAYS BE WITH US.** Now remember, Brothers and Sisters, I had that dream in February 1961, but I carried it in my bosom until October 1962. In the dream, as we ALL stood there, I noticed, laying on top of that big Rock a large pinch bar, like they use in rock quarries. I knew that the little man standing there was the Only One who knew how to use it. I noticed in the top layer of that Rock, was a little hair line crevice, which let me know that there was a crack in the structure of that layer of the Rock. And I noticed in that top

layer, large, engraved, words which read, **THE ROCK OF REVEALED TRUTH**, beautiful letters! Then, as everyone had stopped and was standing there, he took that bar and drew back, and jabbed it into that little crevice, and lifted that whole shelf of Rock. With that, he began to work it, till he slid the whole top layer of that Rock ALL the way off, **Exposing FRESH ROCK that had never been exposed to sunlight nor weather.** After he did that, he laid that pinch bar on the shelf of that Rock, then he turned to look at the people, and said, **"STAND BY THIS"**. Then he began to slowly move out of the circle, as the people crowded in to look. Something inside of me said, **"WATCH HIM."** Therefore, I just sort of turned sideways, so that out of the corner of my eye, I just watched his little profile, while noticing that he had began walking Westward. I could see him going over little summits, and then down in the valleys, up and down, until I began to notice that each time he came up, his silhouette was getting

smaller, and smaller. Then I noticed that the sun was going down in the West, casting its evening shadows back across the earth. As I stood there watching his little silhouette go over the horizon, there was a feeling came into me: I will never see him again. Then, as I turned back to look at the Rock for just a moment, I could see that everyone was busy looking at that Fresh Rock, but then they began lifting their heads from looking at the Rock, and realizing that Bro. William Branham was no longer there, they began to say, **WHERE DID BRO. BRANHAM GO, WHERE IS BRO. BRANHAM? WHERE IS BRO. BRANHAM?** Becoming frantic as they asked the question. Suddenly, there was **MASS CONFUSION**, as they ALL began running in the many directions, and screaming, yelling, and crying. All you could hear, was **OH, BRO. BRANHAM! WHERE IS BRO. BRANHAM? OH, BRO. BRANHAM!** On, and on they went, running in every direction, calling his name in this frantic way. Even as I came out

of the dream, I could still hear them yelling, Bro. William Branham! It was just like an echo, as I heard it over and over still. With all of that, it left only a few of us standing by the Rock, and standing there together, looking toward the West, we had a great feeling of sadness, as we realized that he was gone, never to return anymore. Yet I could see us still standing by the Rock. **DREAM RELATED TO BRO BRANHAM:** I never told that dream until October 1962. Bro. William Branham came to our Church on prayer meeting night, when we were still over here in Clarksville at the old building. After he had finished preaching and the service was dismissed, people began to gather around him to talk and ask questions. I wanted to tell him this dream, but I did not know how to do it without being rude. Just then, someone pulled up in front of the Church with someone sick in the car, and asked for Bro. William Branham to come out and pray for the person. He turned to me, and said, Bro. Jackson, let us go out

there and pray. When we were finished praying and the car had pulled away, I was standing there with Bro. William Branham and Billy Paul. I said, Bro. William Branham, I have a dream that I would like to tell you. He responded by saying, let us go sit in the car. With Billy Paul as a witness, I sat right there in his station wagon and related that dream to him. When I finished, he said, Bro. Jackson: No one else knows this yet, but that is about to happen. We are planning to move West. That would mean he would no longer be here in this area. After that he said, Bro. Jackson: when this ALL comes to pass, **STICK WITH THE WORD**, (as he laid his Bible over on the dash), for they will go after Everything, Teaching Everything." (Brother Jackson replied, "I will do my best"). "**Then in December, 1962, he made reference to that dream in his message of "Sirs, is This the Time," just a few nights before they left to move to Tucson, Arizona, in the beginning of 1963. Then in March of 1963, he came back and preached The Seals, you know how**

long he lived after that. Now we no longer have him with us. Do you see why the dream had the two different statements in it? **HE WILL NOT ALWAYS BE HERE**, pertained to his moving away from this area, but **HE WILL NOT ALWAYS BE WITH US**, pertained to his death. We can see that most of the element of people that followed his Ministry has gone and done just exactly as he said they would do. They have taught everything." Speaking about the promise he made to the Prophet in his car, Brother Jackson added in that video message: "**And I kept them words.**" Brothers and sisters, later on, when Brother Branham was relaying this dream to the Church, Brother Jackson said he was shocked to hear Brother Branham say that he, Brother Jackson, had had a dream of A Pyramid, when it was not A Pyramid at ALL, it was a Flat-Topped Rock, the Rock of Revealed Truth! The dream that he had relayed to the Prophet had absolutely Nothing to do with A Pyramid, and Brother Jackson never even mentioned anything remotely relating to A

Pyramid! However, could Brother Jackson correct this, for the Movement to believe him? Absolutely Not, because the Prophet said it, therefore, it is the Gospel Truth, particularly as the Prophet makes No Mistakes! That is their Stinking and Idolatrous attitude! The dream had now become A Pyramid Dream, and the Movement took it as such!

Brothers and sisters, Brother Jackson had another dream, A Horse Dream, which he also relayed to Brother Branham, a dream Brother Jackson spoke of in that same video message in Defence of the Prophet. However, for convenience, and because there was consistency in its recount, we will also take it from the same Contender, titled, *The Apostle's Office*, Part 1, under the subtitle, Prelude To Horse Dream: ***"The next dream that I will tell, is one that many of you know about also, but I want it in this message, for I give it in defence of why I feel that God has enabled us to teach some things that we have taught. It is the Horse Dream that I had in December 1964. On this***

particular night, I was awakened by a telephone call. It was Sister Wright calling, she said, Bro. Junie, (that is what they always called me), little Edith has just passed away, and she had requested that you preach her funeral. Brothers and Sisters, as I went back to bed, I said to my wife, Honey, this fulfills a dream that I had exactly seven years ago to the month." (Meaning that he had that dream in December 1957. Brother Jackson stated): ***"In December 1957, when my wife and I took our little children and went to Cuba, while we were on that trip, I saw myself in a dream one night, looking and seeing Bro. William Branham standing with Sister Wright on one side of him, and Sister Hattie Wright on the other side, and Bro. William Branham was praying for little Edith. He was lifting her up to God in prayer, and in the dream, I was watching this scene. As I continued to watch, I could see that Bro. William Branham was praying with such a great burden upon his soul, as he lifted her up to God. He was asking God to be***

gracious to this crippled girl, and heal her. Sister Wright, and Sister Hattie, were the two women of the house that had taken care of little Edith, and ministered to her needs through the years. Here they stood, one on each side of Bro. William Branham, with me watching, but then the scene changed. The next thing that I saw was a scene of me walking into a funeral parlour. I saw a casket sitting in one corner, and there was no one, except me, in there. I saw myself walk over to the casket; the lid was closed, but there was a little card laying on the lid of the casket, which read: Funeral services will be conducted at such and such a place, on such and such a date, by Rev. Raymond Jackson. Having had that dream in December 1957, seven years before it came to pass, naturally, Bro. William Branham still lived in this area at that time. I came back home from Cuba, and all through the following years, I thought that just cannot be, for Bro. William Branham's life has been very closely associated with the

George Wright family all through the years. If anything should happen to that crippled girl, he would fly around the world to come to her. But, do you know, Brothers and Sisters, the Lord did not take Sister Edith while Bro. William Branham still lived in this area. He waited until he had moved to Arizona, and was in a meeting, so that he was unable to come here for the funeral. Then Sister Edith got very bad off, and she died. That very day, as I went to the Swarens Funeral Home, up here at Ramsey, and walked in that place, it was just exactly like I had seen it in the dream while in Cuba, seven years to the month before it happened; not one detail different. THE HORSE DREAM: When I went back to bed that night, after receiving the call" (in that month of December 1964, requesting Brother Jackson to preach at the funeral of Little Edith), "I briefly discussed the dream with my wife, and then I fell asleep. That is when I had the HORSE DREAM. I saw myself and my wife in the car, traveling down the highway. I was going

somewhere to a meeting that I had never been before. Just then I saw a speck in the sky. My wife was driving, and I was sitting on the right side, relaxing. I kept watching that speck as it seemed to be moving toward me. As it got closer, I saw that it was A Man on A Horse. Can you imagine what you would feel like, if you saw a man riding a horse in the sky? You would probably feel like I did. You would wonder if you were really seeing what it looked like you were seeing. I thought, I must be crazy, so I turned my head. Then, after a little while, I thought, I will take another look. When I did, I saw that the horse was coming very fast, right toward us. I knew that it was coming right to a place where it would intersect us. I thought, I surely must be seeing things, then I said to my wife, "Honey, pull off the road and stop." I want to watch this. There is a man on a horse in the sky. I wouldn't even look again until she got the car off of the road and stopped. That was my human reaction to such a thing. Then when she had pulled the car off and

brought it to a stop, I turned to look again, and the horse was already on the ground just a few feet in front of the car, a little further off of the road. I immediately recognized the rider. He was dressed like a government range rider. I have seen them in the West. The rider was none other than Bro. William Branham. This magnificent White Horse was standing at attention, much like a Calvary horse would. The rider just turned a half turn in the saddle and pointed his finger toward me, and said, "YOU, GET READY, THERE IS A JOB FOR YOU TO DO," and again he raised his hand and pointed to me, and said, "PREPARE YOURSELF FOR THE WORK WHEREIN YOU HAVE BEEN CALLED TO FULFILL." The Third time he raised his hand and pointed to me, he said, "IF YOU WILL BELIEVE THESE WORDS, A POWERFUL HORSE WILL BE GIVEN TO YOU TO CARRY YOU IN THE CALLING WHEREUNTO YOU HAVE BEEN CALLED." With that he touched the reins and that horse turned and took to the sky. I sat there

in the car and watched as he rode that horse right into the sun. After he was completely out of sight, I looked back and right in the same spot, stood another horse, exactly like the first one, but it was smaller. BROTHER! IT WAS SMALLER! Therefore, I know that there is no way that Raymond Jackson can be bigger. When my critics say, he is just trying to outrun the Prophet, you are wrong! My horse was smaller, BUT BROTHER, I AM GOING TO RIDE THAT HORSE! He was a little smaller, but I could tell that he was of the same breed as the one that Bro. William Branham was on, and I knew that it had come from the same place, and had been trained the same as the other one. I noticed that he was already saddled, and bridled, so I said to my wife, "Honey, I am going to try him out." At that, I went over to where the horse was standing at attention. I stepped up into the saddle, and immediately noticed that the stirrups were already adjusted for me! I just touched the reins, and that little animal made a turn and headed for the

sky. As I sat there in the saddle, I looked upon the head of that little animal, which was running with such ease, and said to myself, "This animal runs with such ease, there seems to be no labour to his body." As I said these words, I realized that we were lifting higher, and seemed to be getting faster, and the thought came to me, "There is no end to where this horse will take me if I but let him go, but he will do whatsoever I ask him." With that thought still fresh in my mind, I said to myself, "But I am only trying him out, I must go back." I barely touched the reins to give the direction to the little animal, and he turned in the sky and brought me right back to the same spot where we started from. As I dismounted and got back in the car, the door slammed, and I awoke from the dream. The dream was quite an unusual one. You just do not see men riding horses in the sky. For a long time, I treated it as nothing. Time marched on until July of 1965", (which was exactly seven months later), "when I received a call from a

place in North Carolina, asking me to come for a meeting, a place I had never been before. When I received that call, I immediately thought of the horse dream, and wondered if this could have anything to do with that? Could this be the beginning of the fulfillment of that dream? After praying about it, I later called the party, and said, the Lord willing, I will be there. DREAM T O L D T O B R O B R A N H A M: In the light of these developments, I felt that I wanted to talk to Bro. William Branham about the dream, mainly because it was such an unusual one, and because it involved him. I phoned to ask permission for an interview with him, and arrangements were made for me to have the interview on Sunday morning, August 1, 1965. On that certain Sunday morning, with my wife present, I told Bro. William Branham the dream. When I had finished telling it to him, he looked at me and said these words: "Bro. Jackson, something is about to happen, and when it does, YOU WILL

HAVE A WORK TO DO. I do not know when it is, he said, but this I do know, THE HORSE IS THE POWER OF THE WORD. Then he picked up his Bible, and pointed to it, saying to me, **“STICK WITH THE WORD.”** I said, **“Bro. Branham, I will do my utmost to do that.”** Then he repeated himself, saying again, **“Bro. Jackson, something is about to happen, I do not know what it is, but when it does, you will have a work to do, BRO. JACKSON, STICK WITH THE WORD! I KNOW WHAT THAT HORSE IS, HE SAID, IT IS THE POWER OF THE WORD.”** After hearing him say that, I left the room that morning feeling confident in my heart, that when ALL of this began to take place, **THE HORSE WOULD BE THE POWER OF THE WORD. I knew that the word power did not mean explosive, or forceful, it meant AUTHORITY. IN THIS CASE, IT MEANT, THE AUTHORITY TO HANDLE THE WORD OF GOD.**

Before Brother Jackson and his wife, Sister Opal, left the Church that day, Brother Jackson testified

that Brother Branham prayed for both of them, and they walked out.

Saints of God, continuing the testimony Brother Jackson gave in that video message dated September 8th, 2002, titled, *In Defence of William Branham*, Part 1, just look at how Brother Branham relayed this Horse Dream. The Chief Apostle stated: **“... I don't like to keep repeating these things, brothers and sisters, but I have to, because I want to show you HOW THE MAN WOULD REPEAT THINGS. It don't make me feel bad, but it sure give a lot of critics a lot of ammunition. And I'll say this this morning to anybody that's on the hook-up: If you're a character that all you're looking for, is something or other to condemn somebody by, you'll find it; because that's all you're looking for. You're not looking for reality, you're looking for somebody that you think that you can tear his character, his Image, to pieces, and trample underfoot...”** (Still moving a little further down in that message, the Chief Apostle reiterated): **“... Now I want**

to show you something, after these many years, to show you how he” (Brother Branham), **“remembers to say things. This was the next Sunday morning, when he preached on, Knoweth It Not, August the 8th. He had just got through telling about the dream that the man by the name of Walker, had came and told him. Next morning, “Junior Jackson WHO DREAMED ABOUT THE PYRAMID.” I never dreamed about the Pyramid! That's just the way he said it. But I can't change it, because it is his words. But I know how I said it to him. Yes, he dreams about the Pyramid, you know. When I went out West. You remember that he called me a month or two before, that he had a dream that was burning, he had to tell me. I said Billy, there's about 20 standing out there, and he said, Junior Jackson down there said that he had to tell you that dream. I said send him in, just about five minutes. He brought his wife in, and he said for a witness. He said, I dream, Brother Branham, me and my wife were out riding, and I look**

back in the East, and I saw, look like a spot, like one of those Flying Saucers." I never said no such a thing! But can I change that? No, he said it!" Meaning that that is what the Branham Movement would say and accept as the truth of the matter! Saints, consider this testimony seriously, because when Brother Branham relayed the dream to the Church, he said that Brother Jackson had had a dream about A Flying Saucer! The Prophet called it A Flying Saucer, when it was actually A Horse Dream! Brother Branham then stated that the Flying Saucers were Investigative Judgment Angels. Brother Jackson said he did not know what to say! How could he tell the people he never had a dream of A Flying Saucer, when the Prophet told them that that was the dream, he, Brother Jackson, had relayed to him?! Brother Jackson said that he had never even seen a Flying Saucer in his life! Hence, in that video message, the Chief Apostle continued, saying: **"I hope you begin to see a picture of this man."** (The Prophet added): **"See, the world doesn't know what that is,**

you know. You know, we know what it is: We know it's Investigating Judgement Angels. You see, how that the Pentagon don't all about it, how it comes right down to the Intelligence. How they go like a Flash, and be gone, pull away from anything they got, see, and they don't realize what it is. Let them think whatever they want to. They call them Flying Saucers or whatever. They don't know." (However, the Chief Apostle declared): **"Now he said ALL of that, and that has nothing to do with my dream at all! He said, and I saw it coming, and I watched it, what it was, it was a man on a horse, and he was coming with lightning speed. I saw he was going to come down in front of me, and I stopped my car, jumped out, (when I didn't jump out at all), when I did, a horse was standing in the road. (No, he was just a little off the road), a great White Military Horse, walking in a prance. That's the word, of course, you know, it's walking in a prance."** (Fast forwarding a little, the testimony continued): **"... He said, just a minute, I**

looked around, and here came a horse smaller than that one, but the same breed, but smaller it stood. I walked around; he must have sent this one back for me. I got on. Junior had done a little riding too, he said, you know. How your saddle fits you? Brother Branham, the stirrup and everything? I thought, well, this fits me just right. I pulled upon the reins, walked to the sky, I pulled on the reins to stop him, turned him around, and went back. When I went back, I stopped the horse, got off, and talked to my wife, and the horse was gone. And he was worked up. (That's me). I never said anything like that at all, but that's went out ALL over the world. Every one of you in here could have believed this, if you wanted to, for if you did, you'd be gone. How many have heard this before? How many has ever heard this before, what I just read? You don't know how I felt, brothers and sisters. FOR ALMOST A YEAR AFTER THAT WENT OUT, THERE WERE PEOPLE LOOKING AT ME SIDEWAYS. Now, I have to bring in a testimony of

another man. He was supposed to have met him", (meaning, he was supposed to have met Brother Branham), "at a restaurant, shortly after this. I will not mention the man's name, because he's done gone, he is dead. But as they met in the restaurant, the man said, Brother Branham said to me, (meaning this man), "You heard about Brother Junior's dream, didn't you?" Yes. "Do you know what have you heard, what it really means?" No. "Well, you know his wife was driving the car? THAT SHOWS HE BELONGS TO A DENOMINATION. And then when he saw me in this dream, that's when he got out of the Denomination, and followed the Message A LITTLE WHILE. And the fact that he got on the horse, and rode it just a short distance, and he came back, shows that HE WILL ONLY STAY WITH THE MESSAGE JUST A SHORT TIME, AND WILL GO BACK TO THE DENOMINATION." That man came, and put a bunch of junk on my car out here. Now brothers and sisters, I'm saying this this morning to be

honest. I have no reason in this wide wide world, to misrepresent a point or a fact; but it lets me know, that For about almost Two Years, I LIVED A MISERABLE DREAM. Every where I would go, the reports, it made me feel so bad within. I got to the place, brothers and sisters, I said, Lord, Nobody wants to believe what I'm saying. I'm going to Quit" (the Ministry, Quit Preaching); "I'm just going to sit at home. I said, Lord, I can't take it any longer. And that's when, brothers and sisters, I had the dream. In my car, traveling west, and I travelled for days, and see my car overtook Brother Branham, on the same Highway. When I did begin to overtake this car, I thought, that's Brother Branham's car! I got up close enough, and I could see he was seeing me through the rear-view mirror, and he was waving at me, and I thought, good, I'll just sit, and be here, and just follow him. At that time, I had just about made up my mind: I'm going to stop preaching. I'm just going to sit down, FOLLOW HIM, just say what he said, say no

more. But after a while, he got the motion to me, "Go on, go on." As I tell this, do you think my critics are going to believe what I'm saying? Absolutely not! I'm a barefaced liar to them. But in my car, here, I'm just gripping the old steering wheel. No, it wouldn't look good for me to go past him like this on highway. But here I am sitting, just about say 50 yards behind him, and he's a motion all the time: Go Ahead!" (Meaning, Go on)! "But I'm just locking my feet, feeling like this, No! And directly, it just feels like a great big foot hit my foot onto the accelerator, and push it onto the floor. And my car goes into passing gear, and now, I'm on his bumper. Well, I got to go out onto the passing Lane", (the overtaking lane). "And I thought, Man, I look like a smart aleck, don't I? Well, here I'm getting up beside him, and I would turn my eyes, why, all this don't look good, oh Lord. And my car is just a racing. And I can see the expression on his face, he was yelling, Go on! Go on! Well, that made me begin to relax, but that foot didn't come off my

accelerator, until I got way in the front, and I moved back in the passing lane, and then it began to let up. When I looked through that rear-view mirror, I could still see him going like this", (motioning to Brother Jackson), "Go on, go on!" Now, brothers and sisters, and I'll say this to whoever the critics might be, that might read this: That's why, brothers and sisters, since 1967 and 68, I've done my best to Go On, AND TAKE THAT MAN'S MESSAGE, AND STUDIED IT IN THE LIGHT OF THE SCRIPTURES. And I'm thankful for every brother and sister that I've been able to help, and influence. And I'm thankful for the congregation that has assembled here this morning. Brothers and Sisters, when I got that critical letter like that, that poor man was confused, but he puts all of this other stuff at the bottom. I'm not done with this; we're going to finish it up tonight. I got other things I want to bring in, and show you. THE DIRTY DEVIL IS TRYING HIS BEST TO RAISE UP A BUNCH OF THESE CRITICS, TO JUST

A B S O L U T E L Y BLACKBALL BROTHER BRANHAM, MAKE HIM NOTHING. Now I have to say: ONLY A DEVIL CAN USE THAT KIND OF A MIND, TO SAY AND DO THE THINGS. If they didn't know the man, then they wouldn't know a Prophet from a Grasshopper. I say that with all honesty. There's never been a Prophet, but what did not have human faults. Oh, Brother Jackson, what about Moses? When the Lord in the beginning of the Rock, speak to the Rock. I'll tell you, but then when 40 years later came, the Lord spake to him again. He said, Speak to it, but Moses went out there, and said, Notice what he said: Come here you bunch of rebels. Now, did God tell him to call them Rebels? No, but the fact that Moses said come here, you bunch of rebels, that's the human side. And when he said that, then he hold up" (the rod), "and smote the rock twice, and what happened? God said, Moses, because you did not sanctify me before the people, you will not take the people over. And if you cannot see THE

HUMAN SIDE OF MEN like that, brothers and sisters, then I have to say, What are you looking for? So, may the Lord bless you this morning. We're going to do our best to finish this tonight. I want to give it A Just Testimony of DEFENCE OF THE MAN THAT I KNEW. If they want to count me as A False Prophet, let them help themselves. But I have to say: What I seen the man do, what I seen the man say, and the people I saw him a blessing to, it was a blessing to me. I FIND NOTHING TO CRITICIZE THE MAN ABOUT, even though others want to take what he was saying about me, and find fault. May the Lord bless you."

Saints, thank God that Brother Jackson did not quit the Ministry, for what A Continuing Message of The Holy Bible he bore, as the End Time PAUL, putting the Message of Elijah in its proper scriptural context with his Apostolic specs, for the Universal Bride of Jesus Christ, unveiling for us the prophetic Fan in Christ's hand, thus enabling us to see our way through the Message of Elijah, SCRIPTURALLY! I

say this as a Beneficiary, and also as a Fruit of his Chief Apostolic Teaching Ministry, and to God be the glory! Brothers and sisters, to think that the two dreams Brother Jackson had, the Dream of the Rock of Revealed Truth, and The Horse Dream, were interpreted in a different way to the Movement, which was totally different to how the Prophet had originally interpreted it privately to Brother Jackson! The first interpretation was given in the presence of Brother Billy Paul, and the second interpretation was given in the presence of Sister Opal Jackson! Only for Brother Branham to later interpret the Horse dream in a way that conveyed to the Branham Movement, the idea that Brother Jackson was going to go back to Denomination after a season, and also that his wife was the one leading him! Saints, that hurt that man! No wonder, in a question-and-answer session that Brother Branham held, someone asked a question about Brother Jackson, calling him a "**Black Bird**", and the Prophet had to rebuke that person, telling the person that Brother

Jackson is our brother! And it is a notorious fact that Brother Raymond Jackson, was definitely looked upon as an outcast in the Movement, right up to when he passed away in December 2004! The impressive fact about Brother Jackson, however, is that despite the great hurt he experienced, and the open hatred the Branham Movement had for him, he still stood firmly and faithfully for the Bible Restoring Message of Elijah! Moreover, he even produced Contenders in defence of that Great Prophet of God. One such example is the Contender dated 1982, titled, **Prophet For Our Generation!** Jeremy Bergen, you do not have a character like that! You have no character, which is precisely why you have the godless audacity, to seriously impugn the character of the Prophet of God to this Age! Saints, Brother Jackson was badly hurt, and yet, despite his hurt, he still stood gallantly for the Message of Brother Branham! May God bless Brother Jackson! What a man! What a great man of God! When I listened to that video message under reference, titled, *In Defence of William Branham*, Part 1,

saints, I was almost in tears, to know that despite ALL what Brother Jackson went through in the hands of the End Time Message followers, yet, he stood firmly and unwaveringly for the Message! The terrible things he experienced, what he suffered, is enough for most people to leave the Message, and start painting Brother Branham black and blue, taking things personally, nursing their hurt! To think that the Chief Apostle never gave Brother Branham a dream of a Flying Saucer, and neither did his Horse Dream have anything to do with Denomination, because the Horse Dream pertained strictly to Brother Raymond Jackson's Ministry, as the Successor Apostolic Householder Scribe, the Second Scribe, for the horse he rode, had to do with the authority he was invested with by God, to handle the Word of God, following the demise of the Prophet! Moreover, he could only have tried out that horse, which spoke of the potential that he had from God, particularly as the Prophet-Star Messenger was still on ground, riding his own horse! **For we can only have One Horse OF THE**

WORD, and One-Horse Rider OF THE WORD, at a Time! Brothers and sisters, I believe the negative interpretation Brother Branham later gave, was Brother Branham's own human way of looking at that dream, having earlier been inspired to give its true application privately to Brother Jackson, in the presence of Sister Opal Jackson! He was certainly not under the anointing 24/7, that is, 24 hours a day, seven days a week! This made him look at things carnally from a human standpoint, when the Spirit of the Lord was not present, although it was sincerely done, and taking this into account, he indeed made mistakes! He sure did! Church, I am not saying all this to tear down, or knock Brother Branham, I am saying this to let you see that he was just a man, and as a man, he was fallible, he certainly made mistakes, for he had his own weaknesses! You must be able to see the weaknesses of the Prophet, for he was not an Angel, a spirit Angel! In consequence, based on his personal interpretation of that dream, he could tell another man that Brother Jackson would go back to the Denomination, which

was most untrue, because Brother Jackson never went back to Denomination! He passed away on December 4th, 2004, still standing for the End Time Message! He stood gallantly and faithfully for the Truth of Elijah, letting the Universal Bride of Christ see the crucial Ministry position of William Branham, here at this End Time, ALL within God's Plan of Redemption! This just lets us see William Branham THE MAN, FOR INDEED, HE WAS JUST A MAN! He was mightily anointed, as God's Prophet to this Age, and yes, he was mightily used by God, but nevertheless, he was still a man, a sinner saved by grace! So, in this true scenario Brother Jackson relayed, we are faced with an issue of contradiction, an issue of inconsistency, and this discrepancy took place, simply because William Branham was a man, a Sinner saved by grace! He interpreted the horse dream one way to Brother Jackson, and then later on, he took the same dream, and presented it in a different way to another man! And because the Prophet said it, the Movement believed it, and Brother Jackson suffered

for it! You must see the humanity of Brother Branham, for just like any other mortal, he had his own human weaknesses! Now deny that!

Saints of God, thus far, when we sincerely consider the Ministry of William Branham, apart from his exaggeration of things and events, we can ALL clearly see that he also had a lot of inconsistencies in relaying things, in recounting events, giving us many contradictions in his testimonies, many discrepancies. Please listen very carefully to what I now say, and how I say it, and may the Lord give you understanding, because we can also take this assessment to an extreme, and show that we ourselves lack understanding! Brother Branham had to have a lot of inconsistencies and contradictions in his testimonies, a lot of discrepancies. Do you know why this was so? That man held innumerable meetings; he was used by the Spirit of the Lord to perform innumerable healings, countless miracles; he was inspired to give innumerable prophecies, not only to the

World and to Christendom, but especially to individuals, private prophetic insights! His supernatural experiences were just too numerous, simply countless, and as such, it was utterly impossible as a mortal, for him to remember the details of everything! It would be most unreasonable to expect an accurate account of things every time, when that man did not have just a few supernatural dealings, and experiences, but he had innumerable ones! Rod Bergen said that if you are telling the truth, your story will always remain the same. That very ignorant man, however, has forgotten that we are looking at a man who had phenomenal supernatural experiences, with myriads and myriads of testimonies of supernatural events, and as such, being a man, and not a computer, his recounting of events had to be inconsistent and contradictory, on many accounts! Let me ask Rod Bergen: What is the number of miracles, and prophetic insights, discernments, you were used by the Spirit of God to give to people?! Of course, you would be able to recount it perfectly every

time, because it is simply zero! Exactly! Even in my smallness, my littleness, Ministry-wise, I forget things, and hence, my recounting and relaying of events, is sometimes simply wrong, untrue, incorrect, yet, it is done intentionally, it is done inadvertently, unknowingly, for it is done innocently! The fundamental fact remains, however, that my recounting of events is sometimes wrong! There are times when I think that a particular event happened this way, but it turns out it was not how it happened; I just forgot the true details, the true facts! With the passage of time, we forget facts, we forget true details! I am talking about contradictory testimonies, contradictory accounts, testimonial discrepancies! Just the other day, Brother Enoch, our brother following this Continuity Light, and a Pastor in Port Harcourt, Nigeria, sent me a video link of a marriage performed at the Branham Tabernacle, using the pre-recorded audio voice of Brother Branham, to join live, this present-day couple in holy matrimony. I told Brother Enoch something to this effect, as we spoke on the phone:

“Brother Enoch, my wife went to the Voice of God Recording, and someone told her that they marry folks using the audio tapes.” When I later spoke to my wife, and I relayed to her what I told Brother Enoch, she said: *“Darling, it was not the people at the Voice of God Recording that told us that. You were there with me! It was in Manitoba, Canada, a sister told us her experience about when she went to a wedding ceremony, and in the service, the couple were married using the pre-recorded audio voice of Brother Branham. They announced at the end of the vows, that Brother Branham would now bless the couple, and then they played the tape”.* Honestly speaking, I did not even remember any of it! I had to call Brother Enoch back, and I said, *“Brother Enoch, I am sorry. My account is wrong. I had forgotten it. This is what truly happened”*, and I set it right. Sometimes, when you, brethren, come to me and tell me, *“Brother Amos, you counselled me to do so-and-so the other day, and this is what happened as a result”*, I sometimes really do not even remember I counselled you on that,

because I counsel a lot of people! So, if in my littleness, I can forget and make these innocent mistakes in recounting events that are past, and recall it incorrectly, how much more a man that has had innumerable supernatural encounters?! How many can he fully remember?! Come on! Are you going to condemn and kill him for that?! Of course, there will be numerous inconsistencies, because he saw a lot, and he had a lot of supernatural encounters, a lot of visions, a lot of miracles, a lot of prophecies that he was used to give! He was not a computer, he was certainly not a machine! So, he said, *"We went to this meeting in so-and-so place"*, whereas the meeting he was referring to, was in another place entirely! Yet, another time, he would say they had the meeting in another place, because he had forgotten where it had been held! This could happen with anything, from names, dates, places, numbers, and or events, for we are looking at the facts of past events! Are you listening to me? And that is why the opposition, such as *believethesign.com*, can say, *"Well, in this particular*

message, William Branham said this event took place at this meeting, and that it happened this way, but in another message, he said that the same event took place in another meeting, and that it happened in another way. He is full of inconsistencies and contradictions, as many discrepancies abound in his account." It is so, because as humans, we forget facts, we forget the details of events over time, as no man is a computer! That being the case, with the innumerable meetings, with the myriads and myriads of supernatural experiences, the healings, the miracles, the visions, and ALL the prophecies, the discernments, there just had to be inconsistencies and contradictions in his account, as a mortal man, because we ALL forget facts with time! I just told you of the facts I got completely wrong recently, when I spoke to Brother Enoch! And moreover, I just stated earlier of how some of you come to me, and give me your testimonies, saying, *"Brother Amos, there was a time I had this problem, and you counselled me to do this, and I thank God for that counsel, because this and*

this was the result." And yet, I cannot even remember that occasion! I do not argue with you over it, just because I do not remember, because I know that you would not lie to me about me counselling you, IF I did not counsel you, particularly as you have nothing to gain by doing so! There are events I think happened in a particular place, and it did not happen there! Sometimes it is the date I get wrong, or even the parties involved, and sometimes, it is even the facts that I get completely wrong! We get the facts wrong, and so, we relay or recount them differently, because with time, we lose the memory of the details of such events! There most certainly will be contradictions and inconsistencies in Brother Branham's testimonies, many discrepancies! There had to be, for he was just a mortal man! And we are ALL guilty of this, every last one of us! That is why Apostle James, the brother of our Lord and Saviour Jesus Christ, said in the Epistle of James Chapter 3, verse 2: ***"For in many things we offend ALL. If any man offend not in word, THE SAME IS A PERFECT MAN..."*** And IF you are a

perfect man, with no mistakes, then, you should not be here, you should have been taken in a Rapture like Enoch! So, there are undoubtedly, a lot of inconsistencies and contradictions in the testimonies of Brother William Branham, which the Flipped *believethesign.com* have capitalised on, and used to create numerous pages, numerous articles, of falsehood against the Prophet, however, it is not deliberate, not that Jeremy Bergen will care for this fact! May I also say this, and you should appreciate this cogent (weighty) fact: It is unfortunate that Brother Branham lived in an Age of Information Technology, where everything is recorded to the "T"! Saints, when the New Testament Church was born on the Day of Pentecost, there were No recording machines in that day, and as such, when we consider the sermons of the Early Church Apostles, ALL we have in the Holy Bible, in the New Testament, is the inspired portion of their message. Consequently, only God knows what went into the sermons they preached in Every Local Assembly, on a daily basis!

And let me tell you this: IF ALL their individual messages, sermons, were recorded, we would see a lot of contradictions and inconsistencies in their sermons! It is standard, it is normal! For men not only make slips of tongue, but we also make innocent misstatements, innocent mistakes, wrong statements that are inadvertently or unintentionally made! It is the lot of fallen man to make such mistakes! Therefore, IF ALL the Early Church Apostles preached, and IF ALL they said was recorded, we would see a lot of inconsistencies, a lot of contradictions, a lot of discrepancies! For the portion of their sermons which God placed in The Holy Bible, is what was Inspired, God-Breathed! Nevertheless, in the messages they preached from Church to Church, from City to City, and from Nation to Nation, on a daily basis, although there were no recordings then, but IF we had to have the audio tapes of them, we would see a lot of inconsistencies and contradictions, a lot of discrepancies! Of ALL Men, of ALL God Sent Vessels OF TRUTH, Vessels OF CLAY, and according to the

ordination of God, Brother William Marrion Branham lived in an Age of Information Technology, where everything is taped, recorded, and so, it is easy for the opposition to go over everything he ever said and did, with a fine-tooth comb! Saints, IF everything Apostle Paul said and preached, was taped, we would most definitely find an awesome lot of contradictions and inconsistencies! And just as Jesus Christ, in John Chapter 8, verse 7, challenged the Religious Leaders of Israel in that day, I also challenge Rod and Jeremy Bergen, and the Unbelieving *believethesign.com*: **"He that is Without Sin among you, let him first cast a stone"** AT WILLIAM BRANHAM! You hypocrites! Finally, in relation to the human frailties (weaknesses) of the Prophet to this Age, we also see this expressed, when he pandered to the will of Mrs. Brumbach, his mother-in-law, the mother of his first wife, Sister Hope Brumbach, which caused him to initially refuse to go to the Pentecostals, when they gave him many invitations to come over to preach to them! And this

was just because Mrs. Brumbach sternly warned him not to take her daughter to those “**Holy Rollers**”. Brother Branham, in turn, shunned the Pentecostals, and he refused to honour their invitations! It was a mistake he greatly regretted, and as a result, Sister Hope was even taken away from him, during the flood that came thereafter, when she contracted a deadly virus, which she succumbed to. This act of disobedience occurred, and it was a compromise on his part, because Brother Branham, though powerfully anointed, and mightily used, was just a man!

Problem Number Four: Brothers and sisters, the fourth and final major problem we will now consider with regards to the Ministry of Brother William Branham, devolves squarely upon his Failed 1977 Prediction. We will close with this problem, and by the grace of God, we will continue in the afternoon session. In his message dated 1960, and titled, *The Seven Church Ages*, page 321, Brother Branham declared categorically: “**The Laodicean Age began**

around the turn of the Twentieth Century, perhaps 1906. How long will it last? As a servant of God who has had multitudes of visions, of which NONE has ever failed, LET ME PREDICT, (I DID NOT SAY PROPHECY, BUT PREDICT) THAT THIS AGE WILL END AROUND 1977.” However, brothers and sisters, this prediction failed woefully! The material issue is, how do we look at it? Saints, we must recognise the absolute fact that this prediction was not given or stated as, *Thus saith the Lord*. It was strictly a personal prediction, the prediction of a man, though strongly given, but the prediction of a man, nonetheless! That was why he warned: “... **Let me predict, (I did not say prophecy, BUT PREDICT)...**”, (Meaning, I ONLY PREDICT)! So, it is true, he gave it as someone bearing a Prophetic Ministry, with a great Anointing, however, we must not forget that in 1 Corinthians Chapter 7, verses 25-35, Apostle Paul also did the same thing, when he counselled young single sisters to remain unmarried, using his

Apostolic authority to seal it, a counsel he even later reversed! The fundamental issue is, does this personal prediction he gave, a failed prediction, overturn or nullify the Bible Restoring Message he bore?! Of course not! Especially as there is absolutely Nothing you can put in the place of the Calling Out, and Bible Restoring Message he bore for this Harvest Time, as the Star Messenger to Laodicea! Yet again, Brother Branham also prophesied that Los Angeles would go under. And he even told his first son, Billy Paul Branham, saying words to this very effect: “*You will not be an old man, when this place will go under, and fishes will be swimming right where you are standing.*” Church, you must know that it is not too late for Los Angeles to go under, for it will most certainly go under, because it is even sitting directly on what is geologically known as “**The Ring of Fire**”, apart from the fact that this prophecy of God will not fail, but it will most surely come to pass! Moreover, although the Prophet spoke as to time, saying that Billy Paul Branham would not be an old man,

when this would come to pass, and Billy Paul is now an old man, we must know that that time projection, is strictly of the man, and not what the Spirit of the Lord showed him. We cannot, however, use this fact to nullify this prophecy, and neither does it make the prophecy a lie! It was his own computation of its time of fulfilment, seeing the lateness of time, and also knowing the infallibility of the prophetic vision he had received! You have to know how to look at prophecy, otherwise, you will misjudge the prophecy of God! Therefore, you cannot use these two prophetic issues, the failed personal prediction of 1977, and the prophetic pronouncement about the sinking of Los Angeles, or any other similar issue, to deny or reject the Elijah Ministry of William Branham, neither can you use it to reject his Bible Restoring Message, nor can you use it to condemn William Branham! You cannot! You must know how to look at Truth! Please come with me to Genesis Chapter 15. I am now at the end of this segment of my message, so please bear with me for just a few minutes more. I thank you for your

patience. In Genesis Chapter 15, Abraham had brought sacrifices to God, and the Holy Scriptures records this from verse 11: ***“And when the fowls came down upon the carcasses, Abram drove them away. And when the sun was going down, a deep sleep fell upon Abram; and, lo, an horror of great darkness fell upon him.”*** (Now watch verse 13): ***“And He”*** (God) ***“said unto Abram, Know of a surety that thy seed shall be a stranger in a land that is not theirs, and shall serve them; and they shall afflict them F O U R H U N D R E D Y E A R S ; And also that nation, whom they shall serve, will I judge: and afterward shall they come out with great substance.”*** Please note that the Lord told Abraham in verse 13, the children of Israel would be afflicted for ***“Four Hundred Years.”*** However, the children of Israel were in bondage in Egypt for ***“F O U R H U N D R E D A N D T H I R T Y Y E A R S ”***, three whole decades over and above the stated prophetic time, the promised prophetic time! (Exodus 12:40-41). So, Rod and Jeremy Bergen, what are you going

to say to Abraham? Will you also call him A False Prophet, as you have done to William Branham?! What would you do, because Four Hundred Years is not the same thing as the Four Hundred and Thirty Years they actually spent in Egyptian bondage! So, I repeat, what would you do? Would you now knock the prophetic revelation of Abraham, saying that we need to adjust it? Will you call him an “incredible witness”, which is the very condemnation you gave to Brother Branham?! Again, in Exodus Chapter 3, the Holy Bible records from verse 7: ***“And the Lord said, I have surely seen the affliction of my people which are in Egypt, and have heard their cry by reason of their taskmasters; for I know their sorrows; And I am come down to deliver them out of the hand of the Egyptians, and to bring them up out of that land unto a good land and a large, unto a land flowing with milk and honey; unto the place of the Canaanites, and the Hittites, and the Amorites, and the Perizzites, and the Hivites, and the Jebusites.”*** Pay close

attention to verse 9: ***“Now therefore, behold, the cry of the children of Israel is come unto me: and I have also seen the oppression wherewith the Egyptians oppress them. Come now therefore, and I will send thee unto Pharaoh, that thou mayest bring forth my people the children of Israel out of Egypt.”*** Then in Exodus Chapter 33, beginning from verse 1, it is also written: ***“And the Lord said unto Moses, Depart, and go up hence, thou and the people which thou hast brought up out of the land of Egypt, unto the land which I swear unto Abraham, to Isaac, and to Jacob, saying, Unto thy seed will I give it. And I will send an Angel before thee; and I will drive out the Canaanite, the Amorite, and the Hittite, and the Perizzite, the Hivite, and the Jebusite: Unto a land flowing with milk and honey...”*** Brothers and sisters, just look at what the Lord God promised Moses here in Exodus Chapter 33, verse 1, a promise which Moses now wrote in the Torah to the children of Israel, plainly stating: ***“And the Lord said unto Moses, Depart, and go up hence,***

THOU and THE PEOPLE which thou hast brought up out of the land of Egypt, UNTO THE LAND which I swear unto Abraham, to Isaac, and to Jacob, saying, Unto thy seed will I give it.” And yet, Moses never made it to the Promised Land! So, let me ask Rod and Jeremy Bergen, and the Flipped BelieveTheSign.Com, exactly what are you going to do with this failed prophecy? Are you going to throw ALL the inspired writings of Moses into the dustbin, and make Moses A False Prophet on this account, the same way you have wickedly treated William Branham?! Are you going to tear this Chapter out of the Torah, and make it A Lie?! Tear the text of Exodus Chapter 33, verse 1 totally out of the Holy Bible, because as far as you are concerned, Moses got it wrong! Are you, therefore, going to reject and vilify ***“A Man sent from God, whose name was” MOSES, A God Sent Vessel OF TRUTH, A Vessel OF CLAY,*** because of Exodus 33:1?! Because Moses never made it to the Promised Land! Exactly what do you know about judging prophecies, with your puerile (childish), and

extremely carnal understanding of the Holy Scriptures?! In the Book of Deuteronomy Chapter 18, verses 20-22, Moses wrote: ***“But the Prophet, which shall presume to speak a word in my name, which I have not commanded him to speak, or that shall speak in the name of other gods, even that Prophet shall die. And if thou say in thine heart, How shall we know the word which the Lord hath not spoken? When a Prophet speaketh in the name of the Lord, if the thing follow not, nor come to pass, that is the thing which the Lord hath not spoken, but the Prophet hath spoken it presumptuously: thou shalt not be afraid of him.”*** So, I challenge Rod and Jeremy Bergen, and the Overtured BelieveTheSign.Com: Now go ahead and use the Bible yardstick Moses gave right here, to condemn Moses, and brand him A False Prophet, since he did not enter the Promised Land! Come on! Because ALL you do is to carry the mere ***“Letter”*** of the Word of Deuteronomy Chapter 18, verses 20-22, having No revelation of anything, and

by this very letter, even Moses would stand totally condemned by you as A False Prophet! Look at it, Deuteronomy Chapter 31, verse 1 provides: **“And Moses went and spake these words unto ALL Israel.”** (Watch exactly what Moses said in verse 2): **“And he said unto them, I am an hundred and twenty years old this day; I can no more go out and come in: also the Lord hath said unto me, THOU SHALT NOT GO OVER THIS JORDAN”** (to the Promised Land). So, Rod and Jeremy Bergen, and the Unbelieving BelieveTheSign.Com, on the day Moses made this declaration, because it is a matter of the spirit that is motivating and ruling you, and spirits do not die, with the kind of spirit that you have, IF you were there, no doubt, you would have stood up and said to Moses: **“How can you now tell us this, when earlier in Exodus, you informed us plainly and categorically that you will take us to the Promised Land?! Then you most definitely are A False Prophet, on the full authority of Deuteronomy Chapter 18, verses 20-22! Moreover, your prophetic revelation on this matter is**

contradictory, and as such, you must first recant and repent, otherwise, you are on your way to hell, because “Thus saith the Lord” never fails!” According to your own words, Jeremy Bergen, a prophecy of a True Prophet must be one hundred percent fulfilled, or he is A False Prophet! Under the page, titled, *Prophet*, you declared: **“The “One Mistake” rule of Deuteronomy 18. A True Prophet must be 100% accurate. There is absolutely no margin for error.”** So, go on, and condemn Moses with this rule: Brand him A False Prophet! Let me ask one more time: Exactly what do you know about the divine principles of judging prophecies, with your extremely shallow understanding of the Holy Scriptures?! What made you think you can judge Elijah the Prophet, when you do not even understand the elementary principles of the Revealed Faith of Jesus Christ?! My!

Listen very carefully, and learn, even though I know your ears are dull of hearing: A lot of God's promises, prophetic promises, are conditional,

without God stating that they are conditional. That is what this carnal Religious World do not understand! A lot of God's promises are conditional, even when God does not say so! That is also something you do not understand, for you do not know your left from their right! That was why the Angel of the Lord earnestly warned Brother Branham in a prophetic vision, saying about these Preachers: **“You can't teach Pentecostal babies, supernatural things. You'll cause carnal impersonations”!** Saints, this key divine principle, that a lot of the promises of God, personal promises, are conditional, even when God does not say anything to this effect, is precisely what we have laid out in our Scribe, titled, ***The Place of Prophecy, And Its Judgment.*** And what better demonstrates this spiritual principle, than the experience of Jonah the Prophet of God. In the Book of Jonah Chapter 1, God sent Jonah to prophesy against the city of Nineveh, and in Jonah Chapter 3, where he delivered this prophetic message, verse 4 clearly records: **“And Jonah began to enter into the city a day's journey,**

and he cried, and said, YET FORTY DAYS, AND NINEVEH SHALL BE OVERTHROWN” (DESTROYED). Jonah did not want to deliver this prophecy, which was why he ran away to Tarshish in the first place, and God had to send the wave to the ship he had boarded, and God also sent a prepared fish to swallow him, after he was thrown overboard, and it brought Jonah straight to the region of Nineveh! Having been brought to Nineveh, he gave the prophecy we just read in Jonah Chapter 3, verse 4, and Jonah went to sit somewhere outside the city, waiting for that D-day, doing the countdown. However, when the D-day came, the prophesied judgment of God did not fall. We will take our reading from Jonah Chapter 4, verse 1: ***“But it displeased Jonah exceedingly, and he was very angry.”*** Why was Jonah so angry?! It was because his testimony and his integrity was on the line! Nevertheless, God does not care for the testimony and the integrity of man, as the mercy of God overtook everything else! The prophetic pronouncement Jonah

made, even though it looked unconditional, and even though it did not say it was conditional, was indeed conditional, only God did not tell Jonah that it was! When the people heard it, they heard it like there was no condition attached, giving them an imminent and certain judgment, an unconditional judgment, and they repented seriously! For Jonah had given the prophecy without any conditions attached! So, Jeremy Bergen, if you want to go by the fact that Thus saith the Lord is to be one hundred percent fulfilled, what are you going to do with Prophet Jonah, because his prophecy utterly failed?! His prophesy, as serious and as categorical as it was, never fulfilled! That was what made Jonah angry, because as far as he knew, he was not carrying a conditional prophecy, and so, he expected it to be fulfilled! Jonah did not want to go in the first instance, and God just proved him right! Why did he not want to go in the first instance? It is just as verse 2 declares: ***“And he”*** (Jonah) ***“prayed unto the Lord, and said, I pray thee, O Lord, was not this my saying, when***

I was yet in my country? Therefore I fled before unto Tarshish: for I knew that thou art a gracious God, and merciful, slow to anger, and of great kindness, and repentest thee of the evil. Therefore now, O Lord, take, I beseech thee, my life from me; FOR IT IS BETTER FOR ME TO DIE THAN TO LIVE”, (AND BE CONSIDERED BY MEN, AND LOOKED UPON BY MEN, AS A FALSE PROPHET)! It is for the fact that men like Rod and Jeremy Bergen, and their Unbelieving BelieveTheSign.Com, would consider him A False Prophet, for according to them, True Prophecy has to be fulfilled one hundred percent, having no revelation of anything, just carrying the mere ***“letter”*** of the Word! What will they also do with Prophet Samuel, who prophesied that the kingship of Saul would not continue, and yet, the kingship of Saul still continued for a good number of years, right after this divine pronouncement of the discontinuance of his kingship was made, a divine pronouncement which was made as though that very ***“day”*** marked the

end of Saul's reign?! (1 Samuel 13:13-14; 1 Samuel 15:23,28,29). Why do they not use the same carnal and unrevelated yardstick they used to crucify the Prophetic Ministry of William Branham, to crucify and condemn Prophet Samuel?! After all, the revelation of God, and His Justice, His Judgement, is One! They wickedly crucified Brother Branham, the Great Elijah-Prophet of God, because they lack the understanding of what they are handling! They are forever the people who do not know their left from their right, censoring things that are far too wonderful for them to grasp! These Men who do not even know the full application of "John 3:16", but they want to deal with things of a deep and complex divine revelatory nature! How are they going to do it?! Rod and Jeremy Bergen, you will first know your A-B-C's, before you can teach people the Queen's English! The same applies to your 1-2-3's, which you should also know, before you can teach people Algebra! Brothers and sisters, Jonah desired to die, because he would be looked upon, and judged A False

Prophet! Why? Because of his failed prophecy! Saints of God, Jeremy Bergen and the Flipped BelieveTheSign.Com, even use the fact that William Branham did not see or know certain things in his life, to condemn him, as IF any Prophet of God is expected to know ALL things; as IF any Prophet is like God, who ALONE is the All-Knowing One! Let me tell you: Prophets know only the things God chooses to reveal to them, things which does not take away their humanity, the fact that they are mortals, limited men, and not God, who alone is Unlimited, and hence, Omniscient! They have this carnal reasoning that a True Prophet ought to know ALL things! Why do I say this? I say it because they use the little association this late cult leader, Jim Jones, had with Brother Branham, to condemn Brother Branham, as IF Brother Branham ought to have known what Jim Jones would later do, or what he was about, IF God chose not to reveal this fact to him! It is clearly ALL Nonsense! We can equally say that Moses ought to have seen what Korah, Dathan and Abiram, along with the Two

Hundred and Fifty "***princes of the assembly, famous in the congregation, men of renown***", would do to him! We can also say that Moses ought to have seen the "***evil report***", that ten of the twelve elders he chose and sent to spy on the land of Canaan, would bring back, and the divine judgment the children of Israel would incur, as a result! Moses should also have seen that he would stumble at the smiting of the rock, and miss the Promised land! Elijah should have known that Jezebel would seek to kill him, when he was slaughtering the Four Hundred and Fifty Prophets of Baal! Elisha should have equally known that the only child of the Shunammite woman was dead, and not ask if all was well with her and her son, when it was most certainly not! (2 Kings 4:25-26). Elisha should have also seen that he would die in his sickness! What a world of incredible unbelief, and utter ignorance of the true knowledge of God, and His ways! May I close with this grave statement: You cannot censor the Ministry of the man called William Branham, without a deep

understanding of the Word of God, most especially the Lord's **Ending Plan of Redemption!** For we are looking squarely at the **Elijah-Star Messenger** to this Laodicean Age, A God Sent Vessel OF TRUTH, A Vessel OF CLAY! Let us bow our heads in prayer. (Brother Amos prayed). The Lord bless you.
