

# The Scribe

"Every Scribe which is instructed unto the Kingdom of heaven is like unto a man that is an householder, which bringeth forth out of his treasure things new and old" - Matthew 13:52

July 2008

Amos Segun Omoboriowo

## GENESIS: THE MIXING OF SEEDS

The following message was preached by Brother Amos, on Sunday 16th April, 2006, and is a continuation of the Genesis Series taken at Assembly of Faith, Calhoun, Georgia, U.S.A. This message was also condensed into one, for easy reading, and more nuggets emerged as God gave more grace to Brother Amos.

I greet each and every one of you. I just want to thank God for His goodness towards us. It is a beautiful day. It is a day in which we honour the resurrection of Jesus Christ, and a beautiful sunlight is shining out there this morning also. But more importantly, we thank God for the glorious light of Jesus Christ that shines into our hearts, giving us a revealed understanding of our

Saviour, and for His wonderful plan of salvation. Were it not for the Lord, we would not be in this way; we would all be lost. But His grace and mercy found us. And we thank God for this Easter. May God bless you all. This morning, before I go into my message, on behalf of my wife and myself, I want to thank you all sincerely for your support, for your kindness, and your hospitality. Our stay is always so warm, and we always enjoy it. It is like we should not go, you know, like we should just stay and keep enjoying the fellowship of the saints. And really, you know, it is very good to have God's precious people who love the Lord, who love truth, and who just love to live for God, come together. And then, having so much unity, with harmony, and

appreciation of one another. It is a wonderful feeling. And we want you to know we love you all, and we appreciate you. And back home, we are praying for you, as we know you do the same for us. Just like Brother Branham used to say, *One of these days, we will meet to part no more, and we can just sit by the river bank, and tell stories and stories of all that has gone on in our lives, and what we have been through; the experiences.* We will have a lot of testimonies to share. And like he used to say also, he said, *I would love to meet with these great men of God.* I would also love to meet with Daniel, and ask him how he did it? How did he feel in the Lion's den? And church, there is coming a day when we will meet to part no more. And brothers and sisters, the wonderful plan God has for us as the elect bride of Christ, is more than life can ever offer. So, let us just live for the Lord, and walk with him in the light of truth. If there is a time to live for God, it is now. The day is so far spent, and the night cometh when no man can work. And church, make hay while the sun still shines. The price of truth is going to change one of

these days, but now, truth is made free, and is available to as many as would desire to buy it. However, it will not cost you money, but it will cost you a sacrifice. It will cost you a heart of appreciation of that which God is offering, a true appreciation of truth, because it is more than gold; it is more than silver; it is more than the diamonds of this world; it is life eternal. It is the very life of the Almighty God, a life that has no beginning, and no end. And there is a glorious plan God has for us at this evening time. It may not yet appear so, but there is a wonderful, beautiful, ending to the story of the bride. And when we look in the mirror of God's Word, and we see God's love manifested towards us, that He can choose us, elect us out of this world, with billions of people in it, is just beyond our human comprehension. But here, He singled you out; there He singled me out; and He put us together as his bride, and prepared a glorious plan for us at this ending of time, that He would cause us to shine before the world, by His Spirit, in the light of His Word, and to bear a wonderful testimony of the

saving grace of Jesus Christ, and be a beauty to behold; something the world has never seen before; something the world would love to be a part of, if they could, but will not be able, then brothers and sisters, we must realize, we are highly privileged. It is a great privilege to be called into the bride. There is no level of sainthood; there is no class of sainthood; since the beginning of time when God placed man here, that is like the bride. That is the highest level of sainthood any man can attain unto. It is a great privilege. Let us not treat it lightly, and let us not take the things God has given us at this evening time for granted, as though it were common. It is not common! So we thank God this morning, for His grace and His goodness. The Lord bless you all. We love you all, and we appreciate you. And we covet your prayers as we go to Cecil in New Jersey, for a week of meetings, in Brother William Fletcher's church, before we go back home. We just look to God to help us along this way. But I know this: There is a wonderful plan for the bride. God is going to put the ministry together, and God is going to put the

bride together. And you will see God move in a way you have never seen before. God is unlimited. He is awesome. He is majestic in power. He will do that which He has purposed to do. Just stay with the Word. Just stay in line, and all will be well.

We want to continue in our study of Genesis this morning. But first, I want us to realize, whatever little nuggets of truth remain in the pages of this Bible, this is the day the Spirit of God is going to use the apostolic ministry to unveil it. He will not use a prophet, and He will not use an evangelist. I do not care where they come from, whether evangelists in Fairhope, Alabama, or evangelists in Jeffersonville, Indiana, or in Nigeria. There will not be one evangelist God will use, to give a revelation of truth that is buried in this Bible. And if anyone thinks or feels it is not so, then I now throw this challenge, for we are on the ground together: Let us see an evangelist do it! I challenge every evangelist in the entire movement! Let him unveil for us a hidden nugget of truth from the Bible! I throw the challenge, knowing that no man can do it, without the

inspiration of the Holy Spirit! And also knowing that God has an order for the projection of truth! And further, knowing that God will not by-pass His order, for God does not by-pass headship, headship He has set by Himself, in His infallible Word, for the universal bride of Jesus Christ. That is why in all the Bible, from Genesis to Revelation, only two categories of ministry, only two orders of ministry, were used to give us the entire Bible: Old Testament prophets, under the Old Testament, and New Testament apostles, under the New Testament. They gave us everything, except those things Christ gave in the days of his flesh. But do not also forget, Jesus is the Apostle of all apostles! You know that! And even the truths Jesus gave in the days of his flesh, was penned down for us strictly by apostles. Not one New Testament prophet wrote one verse of the New Testament Scriptures! That is an incontestable fact! Every verse of the New Testament was penned down for us strictly and solely by apostles! That is the absolute truth, from the book of Saint Matthew, to the book of Revelation. And saints,

this is the day God is re-establishing the Ephesian ministry, but first the apostles, for He is using the apostles to lead the way, on the authority of 1Corinthians chapter 12, verse 28. You must understand, if God is going to release an army of men in the five fold ministry, the order, or fold, the ones to hold a line on the Word of God, to keep truth pure, have to be on the ground first, because God is perfect in all His ways. Common sense will tell you that! The men that will hold a line on truth, to keep truth pure, that the ministry may speak with one voice, the men that will guard the truth, have to be on the ground first! And that order of ministry, is the apostolic ministry. I say that, not to make some men big, and make some small. It is stated so that you may follow the revealed plan and pattern of God in the Scriptures. And although Paul bore a lot of revelation, Peter also had something to give that was fresh; James had an input that was fresh; Jude had an input that was fresh, because God took Jude through time, to see angels that were bound in hell! Are you with me? Each of these apostles had something that made

them stand out! But nevertheless, what is important is that these men, who were apostles, were men with a vision, and with an understanding, and with an eagle eye, men that could sit and sift whatever was coming from the pulpit, to determine whether it was true, or whether it was false, and by so doing, kept truth pure, for the sake of the bride. They had an eagle eye; they had an understanding; and they had a spiritual filter in their soul, by the Spirit, to be able to keep truth pure, for the bride of Jesus Christ. It is the same thing today. I say all that to say this: I believe we have received so much from the Bible at this evening time. But whatever little nuggets of truth still remain in the Word of God, to brighten our pathway, for the sake of continuity (because we cannot know God enough, seeing we are still in this flesh), God will reveal it, as God will continue to reveal Himself to us, for the revelation of God is not static, but dynamic. Then it means this: The Bible, being the fountain of inexhaustible light, and the foundation for every true inspiration and true revelation, guarantees

that God will still speak to the bride from the pages of the Bible, for it is a living book, and little, little, nuggets of truth will continue to come out from it, till the revelation of the bride is complete. What is the purpose? It is to cross the "Ts", and dot the "Is", and bring the revelation of the bride to its fullness and completion. Absolutely! We will know to the measure God has ordained for the bride of Christ to know, for our spiritual dressing. All are given for the adornment of our soul. We will be washed with the washing of water by the Word, and our souls will be adorned with that beautiful garment, that fine linen, from the crown of our head, to the sole of our feet. And that pure garment is nothing other than the pure, wholesome, untainted, and undiluted, divine revelation of Jesus Christ, contained in the Scriptures. And when the bride is fully dressed, fully adorned, and she has been built up to statural perfection, her understanding having come to its completion, and the bride in her numerical make-up having come to its fullness, then God will tell His Son, "*It is time for you my Son. Go*

*and take your bride"* (Halleluyah!) "*Go for your bride.*" Brothers and sisters, he will then break that Seventh Seal, and slip to the earth in the Spirit. And here on earth will be seven men, Seven Thunders, anointed to give us a great prophetic revelation, and they will let us know the Seventh Seal has been broken, and Christ has left the mercy seat, and that he is here in the Spirit, to prepare us prophetically for the rapture. And those Seven Thunders are seven men! For as it is written in Revelation chapter 10, verses 3 & 4: "**Seven**" (plural) "**Thunders**" (plural) "**uttered**" (spoke forth; declared) "**their**" (plural pronoun) "**voices**" (Plural voices: messages), cannot be anything other than seven men, for angels do not preach! Men are God's provided way to carry messages to men! Hence the prophet declared in 1963, at the opening of the first Six Seals, *that there will be the voices of Seven Thunders to give the bride of Christ the revelation of the Seventh Seal at that time, and it will be right at the coming of Christ!* These are men bearing strictly a prophetic message, a message that is not

written! Precisely! And you must understand something: The closer we get to the coming of the Lord, the brighter the picture will be, and the clearer it will be, and the deeper our understanding of the truth of Christ will be, because God unfolds truth in levels. He unfolds truth in levels. And we will understand better today, than we did yesterday. Our understanding can only get better! It can only get richer! Why? Because we are drawing closer to the coming of the Lord! Then, things we did not know yesterday, we will know today. We have to know of a necessity, because it is to brighten our pathway, to prepare us for the coming of Jesus Christ! I will say this therefore: When those Seven Thunders hit the scene, they will be seven men strategically located around this earth, to deal with the bride Universal, in her Universal content. They will not be men from one nation; they will be men from different nations. But I will tell you this morning, There is not one Thunder that will be a prophet, or an evangelist, or a pastor, or a teacher. They will be strictly apostles! I do not say every apostle will be a Thunder! Can I hear

Amen? I did not say every apostle will be a Thunder! I said Thunders will come from the fold of apostles, and apostles alone! Period! And because of the skeptics, because of the opposition, let me just say this to seal this issue: Outside of the truths Jesus Christ gave in the days of his earthly ministry, there is not one revelation of truth in the New Testament, that came out of the ministry of any prophet, or evangelist, or pastor, or teacher. None! And if there was no other fold of ministry in that day, that gave truth, in the New Testament church, for the ministry to follow, other than apostles, do not tell me today, such deep prophetic insight the Seven Thunders will carry, of things that are not even written, will come from a lesser fold of ministry. It will not! If every written revelation of the New Testament came strictly by the order of apostle, unwritten revelation cannot come by a lesser fold of ministry! Exactly! I ask for the sake of emphasis: If deep prophetic insight of things that are not written are to be given, which order of ministry will present it, when things that are written, were given strictly

by the order of apostles in the New Testament?! Apostles! Which order of ministry will bring things that are unwritten? Apostles! We even have to ask: Which order of ministry even gave the prophetic book of the Bible we call the book of Revelation in the first place? Apostles! Therefore, you must understand, there is only one order of ministry that will produce the Thunders. You must understand that, for you must understand ministry headship! You must! You will not nullify headship, because God has an order for the projection of truth! Precisely! That is why I said, In the early church, it took apostles alone to give every Scripture of the New Testament. It took apostles alone to give every revelation of truth that make up the complete gospel of Jesus Christ, outside of those things Jesus Christ gave, in the days of his flesh. Then, we must ask, if that be so, and we know it is Scripturally so, Why will the unchanging God change the order, and now give a prophet, or an evangelist, such deep prophetic insight, insight into things which are unwritten, whilst apostles would have no

clue, and they would now have to take a cue, and be led into divine unwritten truths of the Thunders, by a lesser fold of ministry? Think about it! It does not make sense! That is why I tell you, **The Seven Thunders will be strictly apostles, but not every apostle will be a Thunder.** And as such, not one evangelist, or prophet, or pastor, or teacher, will be a Thunder. Not one! Because you are looking at divine revelation of things that are unwritten! For we would have moved from written to unwritten truths! We would have moved from written to unwritten revelation, because John saw the ministry of the Thunders, and he wanted to write their message, but he was told, **“Write it not!”** Their message therefore is unwritten! And when God was going to give this inspiration, this revelation... I do not know why I am going along this road, but may God have His way... When God was going to give this inspiration, this revelation, this wonderful experience which produced the book of Revelation, why did He not use a New Testament prophet? Why did He use an apostle to give this light? Why did He give this

experience to an apostle; the man who bore the Standard of truth in that day, as the lead apostle?! Why did He not use another order of ministry?! It is simply because God will not by-pass headship! God will never nullify ministry headship! There is an order God has set in His Word, for the unveiling of truth, in the New Testament! I do not care what they say at Faith Assembly! There is an order God uses to convey the revelation of truth! That is why today, with the death of the chief apostle, it will be apostles first! It will be apostles first! That is the way forward for the bride, with the passing away of Brother Jackson. Apostles first! Church, when the Seven Thunders hit the scene, (Oh my!), it will still be the apostolic ministry! Yes, the anointing now changes into a prophetic one. Let me tell you now, Anyone who tears down the truth of the apostolic headship of the Ephesian ministry, in order to project another fold of ministry, as God's ordained order for today, for bringing forth revelation, is anti-Christ. He is anti-Christ! And such a projection is contrary to what the chief apostle stood for! It is also contrary

to the revelation of the Scriptures! Therefore it is anti-Christ! Anti-Christ means anti-Word! And to be anti-Word is to be anti-Christ! To be anti-truth is to be anti-Christ! And saints, nobody needs give himself to such an influence! Nobody needs remain under such an influence! You can shake yourself from that contrary anointing, by repenting and walking in the light! You do not need to remain under such an influence! That is why God sent His truth to set people free! But there are people who do not want deliverance. They love bondage! They love servitude! Church, Cain did not care for God's deliverance, and his seeds will not care for God's deliverance either, because their life is programmed to follow the pattern and programme of their father, the programme the devil has set for them! Precisely! But every seed of God, his soul is programmed by the Spirit of God, to follow the programme of salvation of their Father, the programme God has also set for them. It is the two spirits in operation. We will now start our message. But I had to share all that to let you know, nuggets of truth will still be coming out

of the Word of God, and apostles alone are the ones the Lord will use to open them up, for the true bride of Christ. Period! And that is precisely why we want to see another nugget this blessed Easter morning. It is the Lord's doing. And to Him alone be all the glory.

We want to take this morning, a message titled, **The Mixing Of Seeds.** Genesis chapter 6 is our text for this message. I know we have skipped chapter 5, but there is a reason for it. We will still take a look at chapter 5 shortly though. I pray God will help me this morning. I look to Him for grace, for without Him, I can do nothing. Just pray for me please. In Genesis chapter 6, one thing is established, one thing is settled: You have two streams of humanity: The line of Cain, which we call the Cainites, and the line of Seth, which we call the Sethites. One goes back to the Serpent, and hence to the devil; and the other goes back to Adam, and hence to God. One lineage are seeds of Satan, whom he got for himself vicariously through the Serpent, whilst the other lineage are strictly Sons of God, begotten through

Adam. Therefore, God had to identify these two distinct streams of humanity. And for Scriptural identification in the beginning, God used the term "**men**", to identify the Cainites, sons of the Serpent, because they were mere mortals, carnal creatures, earth bound class of humanity. But for the Adamic lineage which runs through Seth, God used the term "**the Sons of God.**" So, in Genesis chapter 6, we see two different and very distinct groups of humanity: The Sethite line, which is the line of the Sons of God, and the Cainite line, which is the line of the sons of the Serpent, the line of the devil, for it was the devil's introduction into humanity. He did it by getting seeds unto himself, using the Serpent creature to produce them. Church, I will continue to emphasize this: You must understand, the devil has a definite plan; an agenda. Having fallen in his own era, when it came to our era, he came against God's plan of creation, because his objective is to be like God, and as such, he also wants to sit on the sides of the mount of the congregation, to take over God's kingdom, as Isaiah chapter 14 verse 13

reveals. But how was he going to do it? He needed to get a seed for himself, a seed he would use to propagate his agenda, seeing he could not create a seed for himself, for only God is creator. God is the only creator there is, and there will ever be, in the whole universe! Therefore, he used the Serpent creature, an upright creature, whose seed, or whose germ of life, could mingle with that of man. He knew that, because he knows the law of genetics. He has been in the world, long before us. And he was able to use the Serpent creature to sow his seed into Eve, and got a seed for himself through the Serpent. That has been well laid out in our earlier message titled, *Genesis: The Eden of Man*, which is available free, upon request. So, the Serpent carried the seed of the devil, vicariously, as he was inspired by him! But that was not only the first move. It was only Satan's beginning move. Now, he had gotten a seed for himself called Cain. But now we want to see his second move. Eve had borne his seed, alongside the seed of Adam, making her the mother of all living, for she mothered both children. God judged her

conception right there in the garden of Eden, and spoke enmity between the two seeds. And God casted Adam and Eve out of paradise, which is called the garden, a figurative word for God's divine presence. Coming out of the garden setting, but still in Eden, time had evolved for God to show who was who, and to separate the two seeds. But how was God going to separate the two seeds, seeds who have the same mother? Remember, these two seeds were half brothers, and therefore were bonded together by that natural tie! Are you with me? They had the same mama! But God had to separate the two seeds, nonetheless! The question is: How was God to separate them? And God had to separate them, because you must not forget, the seed of the Serpent, which is the vicarious seed of the devil, will not inherit with the seeds of God, the Sons of God. Exactly! So, God had to separate the seeds! But how did God separate the seeds? That brings us straight to Genesis chapter 4. God simply required them to bring their offering, their sacrifice: *"Come and approach, and let me*

*show who is who."* It was and still is God's way of manifesting seeds, and separating His own seeds from the false. Are you with me? At the hour of worship, when God asked them to approach unto Him, the showdown came. Remember, the Bible says Cain brought an offering unto the Lord. Now, he had to know he was required to do that! So, there had to be a time when sacrifice had to be offered unto God, a time a commandment was given to come before the Lord! But it took a seed that was a seed of God, a seed with a perfect soul, or one with a pure soul quality, one having only the imputation of death in his bloodstream, but with no evil attributes in him, that could hear from God, and receive a perfect revelation, in order to approach acceptably unto God. The other seed, being a contrary seed, only had the commandment, without a revelation to know precisely what he was supposed to offer unto God, as the perfect and required way of approach! All he could have, and all he had, was the commandment to offer sacrifice, a commandment or the knowledge of which he must have received

from Abel, and it must have been confirmed to him by his mother and step father (Adam). Why do I say that? It is simply because, only a person that can receive a revelation from God, can have that commandment, because the commandment also comes by revelation! Only he that can hear from God can receive that commandment, because that commandment would also come by revelation! Abel had it, but Abel communicated that revelation to his brother, his half brother, Cain, that the hour of worship had come. Are you with me? So, Cain had that revelation only by a commandment. He did not have it by revelation! But Abel had a revelation of what that commandment pertained unto. And you can have truth carnally as well. You can have truth as in having understanding by the letter. But you can also understand truth by spiritual revelation which the Spirit of God gives. Please, pray for revelation, because it makes all the difference. For until something is a revelation to you, there is nothing you have that you have as yet. You have nothing, until it is a

revelation to your soul. You may have it for forty years, and support it for forty years, and preach it for forty years, as long as it is not a revelation to you, you do not have it yet. Church, so we come to the hour God was going to separate seeds, breaking the barrier of family. I say that because both seeds had the same mama, and mama would tell both sons, *"Love one another. You are brothers."* Eve would call Abel, *"That is your brother, Cain. Do not fight."* But enmity between the seeds had been spoken, not by man, but by God! Church, separation had to come by the means of truth, for God's Word is the separator! Truth is what God uses to bring separation, always. Always! Church, here, Cain ran ahead of Abel, a man who had the revelation. But Cain did not know the way of approach to God! He did not know it was by blood! Genesis chapter 3 verse 21 cannot be nullified! It is a truth God has established, for in Genesis chapter 3 verse 21, God had foreshadowed Christ. But Cain ran ahead, and made his sacrifice! What was the devil's objective? The devil's objective was to use Cain to derail Abel,

thinking if Cain ran ahead of Abel, and offered his carnal sacrifice, and was able to convince and preach Abel out of his revelation, Adam's race would again derail, but now outside the garden! But Abel, because what he bore, he bore by the dealership of the Spirit of God, because it was a revelation in his soul, he knew what he had, he stood for that truth, with his whole life, and God vindicated his sacrifice in a marvelous way, although he later died for his revelation! But God's requirement of sacrifice in that day, and the subsequent rejection of Cain's offering, ignited the enmity, and broke the family tie! It brought the separation. Cain, a tare-type character, was angry, envious, and jealous! Yet, he had the opportunity to do like his brother afterwards, that he may be accepted. But the last thing a seed of the Serpent will do, is to humble himself to the rulership of truth, and repent. They are too proud for that, too set in their ways, too intellectual, being downright carnal, to accept and submit to the truth of God. Exactly!

Church, in brief, God

nullified the devil's move to derail Abel, outside the garden. Abel stood! That is why apostle John stated by the Spirit, that, ***"the works of Cain were evil!"*** He said his works were evil! So, what were his works? Then you must see the unbelief he had! He tried to derail his own brother, but Abel knew where truth lay, and he stood! And when the devil realized, *"Oh my, I have failed to derail the Sons of God"*, he decided to kill Abel. But God gave Adam another seed, in the place of Abel, and his name is Seth. Therefore, from that time, the line of Seth was identified by just one sentence in their lifestyle; they were identified by just one verse. Verse 26 of Genesis chapter 4: ***"Then began men to call upon the name of the Lord."*** Richard Gan said it means that men began to call upon the name of the Lord in profanity. But that is absolute nonsense! If you cannot see the revelation in that name calling, and see that that was standing for something to set the line of Seth apart from the line of Cain, then how would you recognize that the line of Seth ever served God? Exactly! Because in Genesis chapter 4, all we find is the

genealogy and lifestyle of Cain! In Genesis chapter 5, we have the genealogy of Seth. But in the genealogy of Seth, there is no reference to what they did, or as to whether they served God or not! Only their age and births are given to us! But in the genealogy of Cain, we are given to know their lifestyle, and how their father, their progenitor, walked away from the presence of the Lord! Should there not also be something in the Scriptures, to give us a clue, to the kind of people the Sethites were? Yet, we have enough words in the Scriptures, to identify the seeds of the Serpent, the Cainites, by their lifestyle! Why will we not know anything about the Sethites in their lifestyle, in that early period of time? Precisely! And yet, so much is said about the other line. Brothers and sisters, I am not wishing for something, because that lifestyle is already given to us in just one simple verse of Scripture: ***“Then began men to call upon the name of the Lord.”*** And it was not in profanity! It was in a revelation! And we will see why it is so this morning. This verse was written, simply to identify the fact

that the lineage of Seth were humble, God loving people, a people who just lived for God. Full stop! Why? Because in Genesis chapter 5, all we see is the birth and age of the lineage of Adam! We see their lineage being born, and their ages being given us, but nothing is stated about what they did, and how they lived. Nothing! That is silent. I ask: Why would the Scriptures be silent concerning the testimony of God's own seeds, when we have so much information concerning the false seeds in chapter 4?! How would we even know there was a difference in the two streams, if there was nothing to show us how they lived for their God?! Verse 26 of Genesis chapter 4, was not one where they called upon the name of the Lord in profanity, but in a revelation! Otherwise, that would have been a useless verse for God to slot therein, as it would have served no purpose, seeing that ungodliness, and obviously, profanity, was already going on in the earth in the Cainite line, in chapter 4! Exactly! You have to see that! And when we even consider the revelation the prophet to this age bore, on this

verse, and that of the chief apostle of this end time, they both synchronized in their revelation, for they both taught that verse 26, which declares, ***“And to Seth, to him also there was born a son; and he called his name Enos: THEN BEGAN MEN TO CALL UPON THE NAME OF THE LORD”***, reveals that the lineage of Seth were devoted to the worship of God! This was their revelation on this verse, and I say Amen to it as well, because it is the absolute truth! The only problem is that they did not tell us why this name calling was one of worship, since from the days of Adam, Adam being a Son of God, would no doubt have been calling upon the name of the Lord as well! Absolutely! Abel at that hour of worship, must have also called upon the name of the Lord! Precisely! So, the question remains, Why was it stated here in the days of Enos that then men began to call upon the name of the Lord? That is the question! The united revelation of Brother Branham and Brother Jackson, that this verse was written in order to let us see the obvious difference between the Sethite line and the Cainite line, is most

correct, but nonetheless, it does not tell us all the story, for there is more to the matter! Exactly! However, it was not possible for them to tell us the whole story, for they would have had to unveil the nugget of truth the Lord has only just given to us, in order to see the complete picture of this verse, by the grace of God. That is why we are taking the message titled, *Genesis: The Mixing Of Seeds*. I am laying a background, a foundation for my message this morning! Please bear with me, and pay attention. We are talking about **The Mixing Of Seeds**.

When the devil realized he could not derail Abel in his revelation, and Cain failed in the test of God, the Bible says, Cain walked away from the presence of the Lord. And that really showed how much eternal life meant to Cain! That was how much he appreciated the Spirit of God! That was how much he valued truth! Church of the living God, please, do not listen to people who say that Cain went to the land of Nod, and that the Cainites started serving God. That is absolute nonsense! And I challenge any man to go to Genesis

chapter 4, and bring the service of God out of it, from the lineage of Cain! All we see is nothing but worldliness, wickedness, violence, murder, polygamy, adultery, manslaughter (Are you with me?), and worldly intelligence! And we know, A fountain does not bring forth sweet and bitter water. Exactly! I said, A fountain does not bring forth sweet and bitter water! Apostle James confirmed that in his epistle! You either make a tree good, and its fruits good, or a tree bad, and its fruits bad. Precisely! Are you with me? A tree cannot be good, and its fruits bad. Impossible! For a tree is known by its fruits! So, why will God not give a witness concerning His own tree? Are you with me? Are you listening to me? Why would we have so many witnesses concerning the tree of the devil (the wild tree), and then have no witnesses concerning the tree of God (the good tree)? The tree here means his lineage! (Are you with me?). The good tree stands for God's seeds; God's offsprings; the lineage of Seth. Why would we not have the testimony, that shows the Sethites are truly the seeds of God? That

testimony is in one verse: Genesis chapter 4 verse 26: ***“Then began men to call upon the name of the Lord.”*** It is a simple verse, but it stands out! It is written clearly to distinguish the line of Seth, from the line of Cain. Whilst the line of Cain were worldly people, doing all sorts of evil, as we see their lineage in projection, manifesting all kinds of evil attributes, the line of Seth, on the other hand, were a humble people, whose lives centered around the worship of their God. Full stop! But when the devil saw he could not derail Abel in that hour of worship, and God appointed Adam another seed, he had to move to his second plan, or Plan B. And what was the Plan B of the devil? That is what we want to see this morning, for that is the essence of this message on Genesis chapter 6. But when Cain walked away from the presence of the Lord, he took a wife, which was none other than his half sister, as there was no other lady he could take, other than his half sister. Do not forget, Adam also gave birth to sons and daughters. So, his wife did not jump down from the moon, and neither did he marry a spirit. He married

a human being like himself. He married a female. In that day, there was only one way he could get a wife, because his dad had been transformed into a reptile. And church, he did not marry a snake! He gave birth to sons and daughters! He in fact gave birth to men who were city builders, and great worldly musicians! Genesis chapter 4 tells us that! So, he had to have a lady, a female! It came from only one group, for there was only one group on the ground, out of which he could get a wife. It came strictly from the lineage of Adam, knowing this was at the beginning of man. So he took his half sister, he himself being a son of Eve. And through her, he was able to reproduce after his own kind. But this is where I am going: In that beginning, the devil knew, leave these two lines alone, (the line of Seth, and the line of Cain), let each one be reproducing, saints, this world would have been filled with two very different, and very distinct, opposite groups of humanity! One group would be strictly Cainites, who are seeds of the devil, and the other line would be strictly Sethites, seeds of God. We would have had two very different and

separate (or distinct) streams of humanity walking side by side on this planet. One class would have lived for God, and served God, and the other class would have lived for the devil, and worshipped the devil. But those two lines would not have mixed, and would have stood a mile apart, in every way! Absolutely! They would have looked like day and night! We would definitely have had two distinct groups of humanity, like parallel lines. But that was not enough for the devil! Do not forget his objective: ***"I will be like God; I will sit in the sides of the mount of the congregation..."*** He wants to take over God's creation! So, he moved to set Plan B in motion. What did he do? We want to look at it.

Genesis chapter 6, from verse 1: ***"And it came to pass, when men"*** (Plural). ***"And it came to pass..."*** (Time had elapsed) ***"when men"*** (Plural. I take it again:) ***"when men"*** (That is the Cainite line; carnal men; earthly men) ***"began to multiply on the face of the earth, and DAUGHTERS WERE BORN UNTO THEM."*** What did the devil do? He

went into big time population explosion! I want to remind you of Genesis chapter 4, verses 16-19: ***"And Cain went out from the presence of the Lord, and dwelt in the land of Nod, on the east of Eden. And Cain knew his wife; and she conceived, and bare Enoch: and he builded a city, and called the name of the city, after the name of his son, Enoch. And unto Enoch was born Irad: and Irad begat Mehujael: and Mehujael begat Methusael: and Methusael begat Lamech. And Lamech took unto him two wives..."*** What was going on here? Population explosion! You cannot build a city without the population to inhabit it! Lamech had two wives, and both wives were producing all they could, and as much as they could! Read between the lines, and transpose this to the general Cainite society! Exactly! This is precisely what was described in Genesis chapter 6 verse 1, concerning the Cainite line! ***"And it came to pass, when MEN"*** (the Cainite men) ***"began to MULTIPLY on the face of the earth, and daughters were born***

**unto them**", everywhere, populationwise! What was the devil's objective in motivating this mass reproduction of Cainites? I have to ask that, for you must realize he had an objective! And the objective is this: He would brew up these Cainites sufficiently, and then make his onslaught! Exactly! He had to brew up his children first, a people he would use to accomplish his objective, his second plan! Absolutely! Rearing them therefore came first! It did! And that is precisely what verse 1 gives to us! And church, the population explosion that occurred in the Cainite line was more of an explosion of daughters (the female population), than of sons (the male population)! The devil had a definite objective. This is the devil's Plan B we are opening up this morning. And that is why the devil hates this book of Genesis, because it unmasks him, for it reveals his beginning, his entrance, and this therefore enables us to use the mirror of the Word of God, to trace him in our day. Verse 1: **"And It came to pass, when men"** (Plural. That is the Cainite line) **"began to multiply on the face of**

**the earth, AND DAUGHTERS..."** (And daughters. Not sons, but daughters) **"WERE BORN UNTO THEM,..."** Unto who? Unto **"men"**! Who were these men? The Cainites! You say, *"Brother Amos, that is just an assumption!"* Please follow me. Let us go to verse 2: **"That the Sons of God saw the daughters of men."** Then I ask, Who were the men that gave birth to daughters in verse 1, and who were the Sons of God in verse 2, who saw those daughters? You have to answer that, for they are not the same men! It is God's terminology employed to distinguish the two streams of humanity, the two streams of people we have on this planet: The line of Adam, and the line of the Serpent; or what we call the line of Seth, and the line of Cain. Verse 2: **"That the SONS OF GOD saw the DAUGHTERS OF MEN..."** Here we see the Sons of God, and the daughters of men. **"The Sons of God saw the daughters of men that they were fair."** Take note that this verse does not say that the Sons of God saw the daughters of the Sons of God. No! it plainly declares that the Sons of God saw

daughters who were born to men, or daughters born to carnal earthly men! This terminology or expression simply gives us the two classes of people produced on earth in the beginning, coming out of the garden of Eden! I repeat: This gives us the two streams of humanity. The Bible did not say, *"The Sons of God saw that the daughters of the Sons of God were fair."* It said, **"The Sons of God saw the daughters of men that they were fair."** Therefore, the men who had daughters in verse 1, are distinguished from the Sons of God. Precisely! Because it was not the Sons of God who gave birth to these daughters! Yet, the Sons of God also had their own daughters, but they were not spoken of in this place! We see the daughters of the Sons of God in chapter 5! The Sons of God also had sons and daughters! See chapter 5! So the men in verse 1 of chapter 6, are different from the Sons of God in verse 2. Exactly! Chapter 6 verses 1 & 2, gives us the two streams of humanity: The Cainite line, referred to as men, being mere mortals, earth bound carnal creatures, with nothing of God in them, and the Sethites,

who were spiritual, for they are the Sons of God. Why did God use the terminology, "Sons of God" to project the Sethites lineage? It is to let us see the relationship this lineage has with Himself. Absolutely! And that precisely is the lineage of the prophetic seed of the Woman, the lineage of Jesus Christ, the Son of God! St. Luke chapter 3, traced his lineage, from verses 23-38, starting and ending with: ***"And Jesus himself began to be about thirty years of age, being (as was supposed) the son of Joseph, which was the son of Heli... Which was the son of Enos, which was the son of Seth, which was the Son of Adam, WHICH WAS THE S-O-N OF GOD."*** And remember, Moses is not responsible for this language. He got it by divine revelation, because he was not there that day, to witness Genesis chapter 6 scenario! And it was not a hand-me-down tradition either. He got it by divine revelation on the mountain, in divine presence, when he stood there for forty days and forty nights, without eating or drinking, as God took him through time. So, there is a definite

distinction between the men that began to repopulate, having more of daughters, in verses 1 and 2, and the Sons of God. Moreover, I must add, that the Sons of God here, are not angels. Oh my! They are not! You are looking strictly at the human family of God, for this was an event just coming out of the garden of the Eden of man! Angels are spirits! It is most carnal and highly ridiculous, to suggest that angels were having sexual relationships with human beings in chapter 6! You must realize that angels cannot marry, nor can they be given in marriage! Thus saith the Lord in Matthew chapter 22, verses 28-30! Angels are spirits, and as such, they cannot have carnal knowledge of women! They cannot! And in the resurrection, we ourselves shall be like angels! There will be no more marriage, or giving birth for us, in the resurrection. Period! That just settles it. The Sons of God here are not angels. The "Sons of God" is a title, and is a figurative expression, for it is God's way of speaking about the Sethite line. Full stop! ***"And It came to pass... That the Sons of God saw the daughters of***

***men that they were fair;"*** Watch: ***"AND THEY TOOK THEM WIVES OF ALL WHICH THEY CHOSE."*** Church, this was Plan B of the devil, after failing to derail Abel from the plan of salvation, from the plan of redemption, in a shadow, at the hour of worship. He went to Plan B. What was that plan? Come with me again to Genesis chapter 4 verse 16: ***"And Cain went out from the presence of the Lord, and dwelt in the land of Nod, on the east of Eden. And Cain knew his wife; and she conceived..."*** Hold it there. When you go back to chapter 6, it tells us, ***"And It came to pass, when men began to multiply..."*** Take that back again to chapter 4, what does that give you? The Cainites began to multiply! They went on a massive reproduction programme! They went into mass reproduction, because the devil inspired them to do that! Brothers and sisters, it was birth, after birth, after birth! They went on a rampage with it! It was like they went berserk with reproduction! They could not have it enough. They wanted as many as they could get, to cover

the earth, because the devil was going to use the Cainite seeds to make an attack on the line of the Sons of God. The devil was not content to leave the two streams of humanity the way they were, one extremely carnal, living for the flesh, whilst the other was extremely spiritual, living for God. He wanted to be like God, and as such, he wanted to take over God's kingdom. The only way he could do it, was that he had to take a strike at the line of the Sons of God, using the Cainite women to brew down their pure genetic quality, the pure genetic quality of their soul. And by so doing, the line of the Sons of God would fall, and become his servants, and they would live for him, instead of living for their God. Exactly! He knew the only way he could take control over the Sethite lineage, and therefore cause them to live contrary lives, thereby serving him (the devil), was to bring down their pure seed genetic state! Do not forget, the Sethite line only had death imputed into their bloodstream. Period! And as such, they would live for so long, and then die; but they had no evil attributes in them at all!

They did not have hate, murder, immorality, violence etc., injected into their genetic make-up, being pure seeds of Adam, who was himself a pure seed of God, being a Son of God! Precisely! So, the devil could not leave the two lines of people as they were. He had to do something! What did he do? He inspired Cain! When Cain walked away from God's divine presence, that was to say, *"Away with you, God!"* He did not have to say it! His actions showed it! He would not repent, and give God acceptable sacrifice, because it is not possible for a Cainite to truly and meaningfully serve God! It is only a Son of God or a daughter of God that will serve God! So the devil inspired Cain to go on a massive reproduction programme, and he began to reproduce. But watch. The devil knows the law of genetics. And it is not strange that the seeds of the Serpent today, also know so much about DNA, till they are playing with it in their laboratories! They are even selecting the sex to be born! They are selecting the sex they want to bear! They can look at the chromosomes;

they can look at the DNA, the genetic structure of a person's cell, and knock off the genes they do not want, and pick the particular gene that is going to give them a girl, and implant that in the womb of the woman, and out comes the daughter they are looking for! You know they are doing it today. Sometimes, these children are being produced as mere spare parts for another child! Lord have mercy! And seeing man is able to do that today, I ask you, Where did they get that knowledge from? It is not from God! I say that because they are trying to play God today, by taking away the sovereign will of God to determine and choose sex for man, for God appoints seeds! Absolutely! That is why, as a child of God, whatever God gives us, son or daughter, we bless God for it! If it is a daughter, praise God for that daughter! And if it is a son, thank God for the son! God is sovereign! He alone is the author of life! And if man understands the law of genetics to such a high level today, why would the devil not know that law? He is the one teaching his children that law today, and the

serpent seeds are using it recklessly, and in utter disregard for the sovereignty of God! Exactly!

In Genesis chapter 6, the devil tampered with that law. And if man today, in the medical profession, by their knowledge of science, can tamper with that law, and can give man designer babies, special babies, model babies, in cases where for instance, a couple want a child that is like the basket ball champ, Michael Jordan. Then you must realize precisely, what the devil was doing back then in Genesis chapter 6. If you want a son like Michael Jordan, or you want him to look like a particular movie star or the other, they can give it to you today. They will clone him! All it takes is money! But it is of the devil! They are trying to play God, and by so doing, they implicitly deny the existence of God. And no such child born will have the Spirit of God, for such will not be a son or daughter of God. I guarantee you that, even though the human society no longer care for God or for His feelings! Church, the devil knows all about the law of genetics, and in Genesis chapter 6, he

played with the DNA. I said he played with the genes of men! And in the line of Cain, what came forth? They were producing more daughters than male children! And when these daughters were coming forth, oh my, the devil sure touched their physical design! He sure did! He did! He touched them genetically, to produce exactly the kind of daughters he wanted. He played with their genes! Church, here they came, looking beautiful and highly seductive! Remember this, as the Cainites multiplied, more daughters were being born than sons. The devil was in charge of that, not God. Church, that created a problem in the Cainite line. These daughters had to now look to the Sethite line to get a husband! They had a male shortage! The law of God, ensuring that to every male, there was a female, was touched. That was the original law, because God gave everything male and female! It is God's law of balance. It ensures reproduction in a balanced proportion of sex. But something happened. That law was touched, for the devil had to take a strike at the Sons of God, after both lineages had

walked as two parallel streams on earth for some time. Then, here came these daughters of men, the Cainite daughters, with their high heel shoes. Are you with me? Here they came with high heel shoes, and hot pants. They had also used cosmetology to improve or enhance their appeal! With layers of paint (makeup), on their faces, to hide blemishes on their skin, red lipstick, false eyelashes, long nails (coloured red), eyeshadow etc., they were taking the Sethites with one look of their eyes. More deadly, was the use of their bodies! They flaunted their breasts! They were on open display, Hollywood style! But this was happening in the land of Nod! Are you listening to me? This was taking place in the land of Nod! This was the Noddywood of that hour! He was brewing them there in the Hollywood of that day, brewing up a people that do not blush, for they are a people that have no shame; no remorse, no sense of decency, no morals, no ethics, and no prick of conscience! The more they expose of themselves, the better they think it is: "Well, I

have to sell what I got. If you've got it, flaunt it!" What did they have? Flesh! Raw flesh! Here they strutted on the street, with splits in front, splits at the sides, long splits at the back, showing their thighs. Are you listening to me? Oh my! Well, they knew how to show you enough, so you imagine the rest as a man. Is that not what is happening today? In that day, as is today, they simply bared out their breasts! And with their highly provocative look, in the evening, they came to the fence, the borderline, to seduce the Sethites: "Oh, how are you today?... I have not seen you for two days. Did you travel?" They were in the face of the Sethites! And they were twisting and wriggling like snakes, as they walked, simply to seduce; to allure the Sethite men! And because the sensual appeal was too much, because their body exposure was too overpowering, the resistance of the Sethite line began to crumble, as their sense of morality and holiness was raped! And when the Sons of God went home, they could not sleep. I said they could not sleep! Why? The picture they were bombarded with was coming back. Are you

listening? The image of the raw flesh they saw, hung there in their head! It would not go away! Here they were battling to sleep. They started to lust for these Cainite daughters. These Cainites just would not get out of their mind! It was the devil's way of harassing them seductively, to tear down their resistance! Satan used the weapon of seduction. He used his daughters as a bait to break down the moral resistance of the Sons of God. Church, these Cainite daughters knew what they were doing, obviously. And before I go on, let me say this: As a daughter of God, you will dress as a saint; a decent daughter of God. You will dress decent. That is why church (And I pray you will love me after this, but I will say it anyhow, because it is the truth); that is why I believe as a daughter of God, there is a law of holiness that will rule your life. How you present yourself physically is important. You will not wear a blouse that will even show the cleavages of your breast, let alone to bare it out like a prostitute! I said, You will not wear a blouse that will even show the cleavages of your breast. You will not! You

will cover up, because it will be alluring to men! And there is no man that sits in here this morning, with water flowing through his veins. It is blood! Red blood! And do not tell me, "Well, I am filled with the Spirit, so..." So, what?! Brother, you are not immune from the temptation of the devil! That is the truth! And as saints, we must dress as daughters of God. That is why we do not believe in our sisters wearing splits, or short skimpy skirts! We do not! Because I will simply ask you, Why do you wear splits? So we can see your underwear? So we can see your body? What is the point? It is not decent! It is not right! There is a law of holiness you cannot trample as a child of God. Christianity does not end with mere profession: "I love the Lord." That is a lie! If you truly love the Lord, you will know how to dress! It will not be because a brother is forcing you to! It is because the Spirit of God in your life is a Spirit of jealousy, because our God is a jealous God! He will watch over you with jealousy! He will put you under conviction! But sometimes, we just do not know something is wrong. And that is why, somebody

has to say it. I do not like saying things like this, but somebody has got to say it. You are my sisters, and I love you, and I thank God for you. But brothers and sisters, the Spirit of God that watches over your life, watches over it with jealousy. We must know how to present ourselves, as true believers. We must! Because splits and short skimpy revealing skirts and blouses, are not allowed in this sanctified way. Brother Branham stood against it! Brother Jackson stood against it! And we will stand against it! I listened to Brother Jackson one day in a sermon. He said, "*We (my wife and I) we were walking down in an Airport, we were traveling.*" He said, "*Here came a lady, she wore a long skirt.*" Brother Jackson and his wife were impressed by the lady's dressing. However, as she walked past them, they realized her skirt, though long, had a long split at the back, and what a disappointment that was! What a shame! A real lady will wear her skirt long and free! And true saints of God will wear their skirts long and free! It will not be tight, and neither will it be a short one. Because when the skirts are short, you

can not even sit without people seeing through into you. Are you listening to me? Because when you sit down, your skirt will go up. So you have got to make it long. I am not telling you how long. Every child of God should have some common sense! You have to make it long enough that when you sit, and your skirt draws up because of your sitting position, and it folds together, we will not see your thighs or panties. I sat at a U.S. Airport, one day, waiting for my flight with my wife. I had to move myself away from where I sat! Why? Because of the woman sitting right in front of me! All her thighs were out, and I could see her underwear! You could not look in front of you without seeing it! And brother, I do not condemn the woman. She does not know any better! They are ruled by the spirit of the world! Satan uses such shameless and filthy characters like that to harass and embarrass the Sons of God! They are instruments of the devil! And today, the whole society has been filled with characters like that, particularly with this so-called hipster trousers they wear in the western world. It is from the pit of hell! They cannot bend

down without you seeing part of their buttocks! Even their panties show! It is a shameless world, where womanhood has been thrown to the dogs! You can hardly find a lady, a decent lady out there! Young and old wear it! Even grandmas do the same. This is hell! And that is why I say, daughters of God should know what is right from what is wrong! Exactly! This is not a game! This is not a play house! And this is not entertainment either! This is about life eternal! It is about pleasing our God! If you want to walk with the Lord, you will walk in the way of holiness. I am not talking of manufactured holiness, and neither am I talking of extremities! I am talking of truth, and this is truth! And saints, I know, to the people of the world, a society that have become brainless, a people that have lost every ounce of sense that is called common, I will be seen as a fanatic, just because I am standing for decency and holiness! But saints of God, you must realize, if God is going to judge this godless and perverse generation of people, and if God judged the Cainite line for what they did back then, then you cannot afford to do the same. You

cannot! If you do, God will judge you as well, for the standard of God is one. He has no double standards. You should know that!

And here came these daughters of Cain. Church, that is a spirit we must get away from! I say it in love, because you are all my sisters! I do not say it to judge anybody. But I say it to let you see the snares of the enemy, and the plan of the devil in the beginning. And we do not want to get caught in that web. The Bible implores us in Hebrews chapter 12 verse 14: ***“Follow peace with all men, and holiness, without which no man shall see the Lord.”*** This revealed way is a holy way. It is a way of righteousness. We must worship God in the beauty of holiness, says the Word of God. It is not just a confession, it is a life. And it is not what you say: Your life will speak of who you are! Your life will show, for you are a light, a written epistle of God! Your fruits will tell people who you are. I say that because you do not have a letter written on your forehead, declaring, *“Daughter of God... Son of God.”* Sister, when they look at you, even your physical appearance will tell the

world who you are! Yes! And that is why as believers, we do not wear leather jackets and pants (i.e. trousers). We leave that for the devil's crowd who follow hard rock music, for it was designed strictly for them! Exactly! Church, here were these daughters of Cain. They are exactly like these modern day painted Jezebels we see all over the place; these modern day prostitutes, which the whole of society has now been made of. Oh my! That was why God inspired Brother Branham to preach a message titled, *Souls That Are In Prison*. In a spiritual experience, God took him to hell, and when he came out of that experience, he made serious declarations concerning the paints and lipsticks women wear on their faces, *“This is thus Saith the Lord; there is no daughter of God that will be wearing that stuff, because it comes from the pit of hell. Paints and lipsticks come from hell!”* Go and read Brother Branham's message, *Souls That Are In Prison!* He saw women coming up an escalator (i.e. a lift), in a department store one day. It was at J.C. Penny's store in Tucson Arizona. They wore greenish blue

eye shadow, and had red lipstick on. Seeing the women coming, the vision of hell he had when he was 14 years of age, suddenly broke forth before him again, seeing the very women he had seen in that vision, and he began to hear the horrible grunts and agonizing cries of the souls in hell. This vision emotionally disturbed the prophet, and on the 10th of November, 1963, he took the message I referred to. My precious sisters, you must understand, if you truly want to walk with the Lord, and be acceptable, you will do away with all these false eye-lashes; false fingernails; even keeping your own long nails, which are like claws; rouge (i.e. cheek colouring); you will not wear paints or polish on your finger nails, nor will you wear it on your toe nails; neither will you wear eye shadow or lipsticks, for all these things come from the pit of hell, and are products of Jezebel and for Jezebels. Thus saith the Lord! You have been called unto a separated life unto God, as bride saints, a sanctified people. We are called to be vessels of honour, and not of dishonor. We are the righteous seeds of God, and not of the Cainite

lineage. The Cainite daughters came, dressed very alluringly; highly provocatively. And before you knew it, the Sons of God were being seduced, and fornication started. And church, it began to grow, until it reached such a scale, that they began to take wives as they chose! That is wholesome immorality! That did not happen overnight! You have to see a gradual breakdown of something! But it later overtook and overwhelmed the Sethites! What does that show you? They began to have concubines! It went beyond fornication! They could not have enough of the Cainite women! They went berserk! Their sense of morality and holiness was completely broken down! They had many wives as they chose, concubines! Every law of righteousness was trampled down! The law of holiness was completely overturned! And what caused it was the seductive way the Cainite daughters presented their bodies! And church, the objective of the devil was this: *"If I can use my daughters"* (the Cainite line), *"to present themselves seductively enough, to tear down the resistance of the Sons of*

*God, they will go into fornication, and eventually, they will go into mixed marriages. And by coming together, I will infuse into the Sethite genetic line, the evil genetic traits the Cainites have."* You know in a conjugal union, two flesh are made one in their offspring, because the child will take some genetic traits from the father, and some from the mother. However, we must realize, it is the dominant gene that will determine the character of that child. And the evil gene is dominant. I said the evil gene is very dominant! Look at our society today, and consider the children being born. Keeping these children on the right path is a war! It is a war getting and keeping them to live right, because of strong societal evil influence! There is something in the children of today: They do not listen! In olden times, how children feared parents! It is not the same today! You know it is not the same! There is something about the human gene today. It is getting worse and worse! It takes the grace of God. Let us therefore look to God. He alone can help us. He alone can make the difference. I do not say that

to any particular child. I am talking of what is going on in our society today, in the world generally. It is a reality. In those days, years gone by, there was a measure of morality. It is no more! And you cannot even question them. They will look at you like you are dumb, or from outer space! They think they know everything; and they know nothing! It is when their world caves in, and sometimes it is too late for them, then they realize, *"Oh, my! What have I done with my life?"* Then they look to God to pick up the pieces. Saints, back there, the devil had an objective. I do not say these things this morning to put you off. I say it because it is the truth, and somebody has to say it. I say it in love. May God help us to be faithful, for we are seeking a kingdom to come. This is not entertainment, and neither is it a game. It is not! If all we want is only the revelation of mysteries, we will not be fit for the world to come; the kingdom to come. It is a kingdom of saintly people. I therefore must ask: What about sermons on conduct? You do not want that part? How about sermons showing you your responsibility in your physical presentation, as

you walk with God? You do not want that addressed? *“Tell me about revelation; tell me about mysteries; but do not tell me how to dress, and do not tell me how to live my life...”* That is the attitude of some people! And if God will not tell you that, you will not walk with God! You do not have to believe it. It is the truth anyway.

And the Sons of God began to fall. They went raving mad with fleshly desire! The Bible says: ***“They saw that the daughters of men that they were fair.”*** That is by the use of cosmetology and seduction! That is why we do not touch those things as children of God. The use of cosmetics and seductive dressing, like those you see on the Hollywood Red Carpet, did the job for Satan. They dress like “queens”, queens of seduction! The Sons of God began to fall. Immorality started in Adam's lineage to such an extent, until marriage became nothing! Brothers and sisters, they were living in sin! They were having concubines as they chose! One man could have ten concubines, if that was what he wanted; it was okay! The Sons of God fell. What was the

devil's objective? *“Let me take those Cainite evil genetic attributes expressed in Genesis chapter 4; let me use their daughters to marry the Sons of God; let them reproduce, and their children will have more of the dominant evil traits of the Cainites, than the good traits of the Sethites.”* It was very simple! For instance, take a glass of clean water, three quarters full. Then take another glass, filled with only one quarter of dirty water. Add dirty water to the clean water. What are you going to have? Purity? You know you will not! The glass of clean water will become unclean! And even if you add another full glass of clean water, you still will not take away the dirty look! It will still look dirty! And you would need a lot of clean water, to erase the little dirty water you added. Exactly! Why? Because evil is dominant! And the more bad water you add to it, the more populated, or the dirtier, that water is going to be. But take another glass of dirty water, three quarters full. Add one quarter of clean water to it. Your clean water will not make a difference! Yet, when you added one quarter of dirty water to a glass of clean

water, the dirty water made a difference! What does this show? It shows the evil gene is dominant! Evil is dominant! That is why the society of man in Genesis chapter 6, was in the shape it was in. By virtue of the mixed marriages, the children born were imbibing more of the evil dominant Serpentine genes of the Cainites, than the good righteous genes of the Sethites. Genetic imbalance started, and God protested that union! It produced giants, men of renown! Yet, all these men of renown have no record with God. Not one of them is remembered in the Scriptures! Think about it! Not one of them has his record, or even his name, written in the Scriptures! These men of renown, were a product of the mixed marriages between the Sethite line, and the Cainite line. Church, let me say this as I move on. If you want to marry, please be patient, and please look to God for a life partner. Let God lead you, and be patient. If you cannot be patient, you cannot walk with God, and you surely do not want His leadership, because it will not happen when you want it, and how you want it. It is not on your terms; it is

strictly on His terms. If you want Him to give to you a spouse, then you wait on Him. I say that because the Bible warns: ***“Be not unequally yoked together with unbelievers.”*** It may kill your faith! Church, it will not take away your salvation, if you truly have it, but it would surely affect your walk with God, and it could make your life miserable, if you go into an unequal yoking in marriage. It will take away peace in your life. It will take away joy, and church, you will live a life of compromise and sadness; it will give you unnecessary heartache. The Sons of God ought to have known better! They ought to have stayed away from the border! But the devil got them. Mixed marriages started. They began to intermarry, until nobody could talk about it anymore. Because everybody does it! And when everybody does something, and the whole society embraces it, even to speak against it looks stupid! They will say, *“What are you talking about? Are you from outer space? What is wrong with it? Everybody does it!”* Yes, the fact that everybody does it, does not make it right. Exactly!

And let me speak to our young brothers and sisters. God has blessed you. It is a joy having you here, walking this way. You do not know the grace God has bestowed on you; you do not know the extent of His goodness, when the Lord brought you into an atmosphere like this. Out there in the world, there is a lot of evil! They do not know what they are messing with! Church, this present world is Satan's Eden! The devil has taken it completely over! Jesus Christ is what gives life a meaning, and a way of escape from this evil and corrupt world. He is our way out of this degenerate society of man. Blessed are you when your parents teach you the way of righteousness. The young people of today think they know everything, and they do not know anything! No wonder their life is a misery, and a wreck! You precious young brothers and sisters, you do not have to go down that ugly way. Here, you are under the protection of God, in the light. There is a wisdom guiding your lives, which is not out there, keeping you from the snares of the enemy. The mixed marriages went on and on. It did not start from the very beginning.

Church, there were two distinct and parallel lines in the beginning, one going up, and the other going down, so-to-say. They were two parallel lines, until mixed marriages started. And by it, the devil was seriously transferring the Cainites' evil, serpentine, genetic traits, into the line of the Sons of God. By mixed marriages, their children had more of the serpentine nature, than of a godly nature, because evil is dominant, unless God by His grace, lifts up a standard. By this development; by the infusion of the serpentine evil traits into the Sethite line, Satan was systematically brewing down the pure genetic soul state of the Sons of God, the Adamic lineage, which runs through Seth, until immorality, drunkenness, moral debauchery, violence, filled the earth, in that day. AND CHURCH, THEY WERE ALL GUILTY! Look at the result of the mixed marriages, for Genesis chapter 6 gives us a climax of the evil that went on back there. Genesis chapter 6, from verse 5: ***“And God saw that the wickedness of man was great in the earth, and that every imagination of***

***the thoughts of his heart was only evil continually. And it repented the Lord that He had made man on the earth, and it grieved him at His heart. And the Lord said, I will destroy man whom I have created from the face of the earth; both man, and beast, and the creeping thing, and the fowls of the air; for it repenteth me that I have made them. But Noah found grace in the eyes of the Lord”*** (i.e. unmerited favour). ***“The earth also was corrupt before God, and the earth was filled with violence. And God looked upon the earth, and behold, it was corrupt; FOR ALL FLESH HAD CORRUPTED HIS WAY UPON THE EARTH. And God said unto Noah, The end of all flesh is come before me; for the earth is filled with violence through them; and, behold, I will destroy them with the earth”*** (verses 5-7, and verses 11-13). And God destroyed the world, and wiped the slate clean, starting afresh with Noah and his sons. Saints of God, what happened to the Sons of God back there, should sound a warning to you. Take instruction. Be wise! Be on

your guard church. Let truth motivate your life. You will be the better for it. I appreciate your patience. But right here, God's law of separation had been trampled, and the compromise produced an evil society. God had to put a stop to it, and start afresh.

But one thing is certain, in Noah's day, the whole society of God's people had been fouled up. The lineage of Seth was completely defiled. There was no longer any pure Sethite. We therefore have to ask a material question: Was Noah a pure Sethite? He was not, even though he was a Son of God! And when we ask, “Was Noah a pure Sethite?” It simply means, Did he have a pure genetic nature that was devoid of any serpentine trait? He did not! The loins or the seeds of Noah protest against his purity! I said his loins or his seeds, what came forth from him, showed he was not pure. Exactly! His loins protest against the purity of Noah's nature! He was not pure! He had that serpentine trait infused in him. And you cannot put the blame on just the wife! When the mixed marriages started,

wherever it started, by the time it got to Noah, all those evil serpentine traits were fused in Noah. Everything had come to a head; it had come to its completion, and God was going to start afresh. Precisely! I said the serpentine nature had mingled, and everything had fused in Noah, and God started afresh. That was why in Genesis chapter 9, Noah the prophet of God made wine, and drank to a drunken unconscious and naked state! Exactly! This clearly shows his manner of life! It shows his true life as a man! Only a wicked man would attribute such evil serpentine traits only to Mrs. Noah! And we must ask, Where did Noah get such evil genes from? If Noah was genetically pure, before the flood, where did he get this evil trait from?! And how could he as the prophet of God have carried on such a lifestyle after the flood, if he had not been given to that before the flood, seeing that such acts was what caused God to destroy the old world in his day! Exactly! It clearly shows he was not genetically pure, although he was a Sethite! Moreover, how come he could not father a

daughter, and was in fact, the only one in that lineage in that day that did not bare a daughter? That lets us know, God touched his loins! And why would God do that? Because everything that went on, came to its climax or head in his day, and in Noah, everything came to its climax, and hence, to its close! Precisely! That is why today, all of humanity go back to Noah, seed and nonseed, but all of humanity do not go back to Adam! We all go back to Noah! Thus saith the Word of God! (Acts 17:26). And that is why from Noah's day, as his seeds began to give birth, repopulating the earth, and the gospel came, Christ could now say, that we should preach the gospel to ***"whosoever believeth"***, because we no longer know who is seed! We no longer know who is who! Only God knows, for the seeds are mixed! The two lineages have merged into one, and that merging came to its fullness in Noah! You have to see that! Nobody knows anymore who is a seed of the Serpent, and who is a seed of God, because everything was fused in Noah, and God started afresh with Noah! And we all share the blood of Noah, regardless of who

we are, whether seeds of God or not! That should tell you something! That should open your eyes to something! You should see this truth! That is precisely why the gospel is preached to ***"whosoever"***. The ***"whosoever"*** are the elects, people who are the true seeds of God, but known only to God! And as such, it should be clear to every predestinated seed of God elected as bride, that the serpent trait crossed over the flood into the new world, through Noah! And that was why, Abraham could give birth to two sons, Ishmael and Isaac, and one was of God, and the other was of the devil! And Isaac could also give birth to two sons, Esau and Jacob, and one was of God, and the other was of the devil! Precisely! Yet they came out from the same loins! That started in Noah! You have to see it! It was by the fusing of the two seeds in Noah that the Serpent seed was able to cross over the flood! It was through Noah! You cannot blame only Mrs. Noah! Noah would have been a fool to have waited five hundred years before taking a wife, only for him to take someone who was vile, and unbecoming of a child of God, he being an

elect of God, and one with the kind of good soul quality he had. For his soul quality was better than all his peers, and God knew He could use him. So the Serpent seed crossed over the flood through Noah, because the two seeds were fused in Noah. The mixing of seeds had come to a head or completion in Noah, and God therefore started afresh. God called a halt, and started afresh with the three sons of Noah. That is why the book of Acts chapter 17 tells us that ***"God hath made of the blood of ONE MAN all races, all nations, all tribes of people."*** That lets us see, everything was fused in Noah! Everything came to a head in his day! And hence, we all go back to Noah, but we all do not go back to Adam. But when the mixed marriages started, wherever it may have started, saints, God began to touch the number of daughters born to the Sethites, because there was no point for God to maintain a balance, and for the Sons of God to be going into immorality, having Cainite concubines, and leaving the daughters of God without a husband. So, God began to touch the

number of daughters born to the Sethite line, until in Noah's time, Noah had no daughters born to him! It was God's way of saying, "Since you want the Cainite daughters, you can have them. Since that is the way you want to go, now have your fill! I will not leave my daughters stranded (i.e. unmarried), because you are going after the Cainite women!" Brothers and sisters, that also brought pressure on the Sethite men, for it left the Sethite men in want of women. And where did they get them? From the Cainite lineage! They took the Cainite daughters to satisfy their fleshly desires; their lusts.

However, the question we now want to answer (and it is a question we have never been able to answer through time), is this: Where precisely did the mixed marriages start? In whose day did the mixed marriages start? That is what we now want to find out, for that is the focus of this message, because God has shed His light on it, in His sovereign will and mercy. In the Contender message titled, *Record Of Genesis, Part 24 of From The Beginning To The End* series, of April 1993, page 5, column 4, the chief

apostle declared: ***"I have said this in other messages, I do not know at what time there began to be the overall mixing of the two lines. It is not necessary to know that, in order to have a true revelation of WHAT happened. Certainly we would agree that it was not a complete merging all at once. It was a gradual process. However, in the early days of Enoch's life, (who was the seventh from Adam) He was aware of something terrible going on in the world. No doubt he spent much time in prayer because of it; so God just lifted him up out of the mixed up mess."*** Then on page 6, column 1, he also stated: ***"It does not matter what generation the first mixing of the two seed lines first began to take place. I DO NOT KNOW; AND NEITHER DOES ANYONE ELSE; but it did happen; and God was ready for it because He looked ahead. He is never caught napping. You must realize, if Satan makes a move, God knows exactly how to move centuries ahead, and block his approach, lest he get the upper hand. When God***

***permits him to make a move, God always knows what his objective is. Then in return, He knows exactly how to block it, and allow it to only reach a certain point. When all of these began to take place God knew exactly what Satan was after: yet He allowed it to happen; because out of it all He (God) would eventually have a family that had come through every adverse condition the devil could devise, and be completely pure. To Satan I can hear God say, You intend to pollute every gene, mix it up until the hour will be when man is nothing but an animal. Well go ahead; but your plan has its limitations."*** Yes, it is true, we do not need to know where the mixing started, in order to have a true revelation of what happened. And it is also true, nobody knew it in the days of Brother Jackson. But knowing it will brighten the picture, and will also help us to answer questions we could not answer in times past. I say that because knowing precisely where it started, has been a mystery through time; and yet, there had to be a beginning period!

Therefore, the question of when it started remains an issue! And for every Bible question, there is a Bible answer! When we consider the seriousness of what the devil did back then, and the most damaging effect it had on God's people, knowing precisely where it all started, will remove a veil, and open up this issue, on a level we never saw before, as we behold the entire scenario in plain view. That is exactly what the Lord has done for us today. And as such, I believe, by the grace of God, we can answer that question today, for the Lord has given me the revelation of it. It is all in the Scriptures of truth.

Saints of God, you must understand, when we come to Genesis chapter 6, what we see there is only a climax. It is not the beginning of the mixed marriages, but a climax of it, as God brings it to a close, having reached its head! Therefore, chapters 4 & 5 must be read along with chapter 6, for they go together! Whilst chapter 5 gives us the genealogy of Adam's lineage, the Sons of God, it is chapter 4 that gives us the lineage of Cain, as he began his massive reproduction

programme, and daughters were born unto them, after receiving the mark! It is sometime during the births recorded in chapters 4 and 5, that the mixed marriages started, coming to a climax in chapter 6. Therefore, these chapters go together. Chapter 6 is therefore a climax of what had been going on, through the line of Cain, which is revealed in chapter 4, and also through the line of Seth, which is revealed in chapter 5. In chapter 6, everything ends, as everything comes to a head, and God decides to judge it, in the days of Noah. That is what chapter 6 gives us! But the issue is this: Precisely in whose day did this mixed marriages start, in the lineage of Adam? That is what we want to determine. We will therefore first take a run down of the lineage of Adam, till we come to Noah. Genesis chapter 5 verse 1: ***"This is the book of the generations of Adam. In the day that God created man..."*** (Watch, I like this:) ***"IN THE LIKENESS OF GOD MADE HE HIM."*** This is the line of the Sons of God. ***"Male and female created He them..."*** So, that lets us know, to every male, there

was a female. That was how it started out! It gave a balance in the birth of the two sexes. ***"... and blessed them, and called their name Adam, in the day when they were created. And Adam lived an hundred and thirty years, and begat a son"*** (watch) ***"in his own likeness, after his"*** (personal, singular, pronoun) ***"image."*** Praise God! That made his male seed, another Son of God, and that made his female seed, a Daughter of God! This gives us Adam's lineage, Adam who himself was created in God's own image, and after God's likeness! This is the line of the Sons of God. Church, going further down, we are told in this chapter, that the Sons of God lived a specific number of years, and they each took a wife. ***"Oh Brother Amos, that is not what it said. It said, And he begat!"*** That is what it also means, as that is what it implies! Why do I say that? Although the Bible says each begat a son at a specific age, but remember this, the very day a man took a wife in those days, that same night, he met with his wife in a conjugal union, for that night, he consummated his marriage in that intimate act. Are you with me? Nine months

later, within a year, he got his child. Remember, the devil had not yet tampered with births! Are you with me? The devil had not yet entered the picture of tampering with births! So a man, the day he married, that same day he knew his wife, and nine months later, here came a baby. It is still within a year! It is only Adam that is excluded from this type of analysis, because he had been given his wife in the garden setting, long before he gave birth to Seth. Moreover, Adam had first given birth to Abel, long before Cain killed Abel, and before God gave Seth in the place of Abel. And as such, when we consider the record of the births in Genesis chapter 5, all we have to work with is the age of Adam, when he gave birth to Seth! But that was not when he married his wife in the garden! We have to note that! Therefore, it is only Adam, whose marriage date we cannot determine. Exactly! But for the rest of Adam's lineage, the date of the birth of their first son, also tells us the period they took a wife. Absolutely! The Bible record on them is clear. Therefore, in Scriptural reality, our analysis of the births, in determining precisely when the Sons of

God married, has to start, and can only start, with Seth, and not with Adam. Seth therefore, becomes our main beginning point. That should be clear. And we do not have to go technical on that and split hairs, instead of following a revelation. Moreover, we are trying to consider when mixed marriages started. As such, I will look at the age these men begat a son, rather from their marriage standpoint, in order to get precisely where mixed marriages started. This, no doubt, was also why Brother Jackson looked at it from the same standpoint, although he took it from Adam, instead of from Seth. I hope you understand. Just follow me with an open mind, and look to God for understanding. We have two charts we will use. The first chart was drawn by Brother Jackson, on Adam's lineage, up to Noah. And although some people feel the chart is technical, I do not think so at all. I think it makes things plain, for it draws a picture for us. So, let us look at the marriage chart, because it tells us a story.

At one hundred and thirty years, Adam begat Seth. Adam was the first Son of God, the beginning of

God's human family. He was the first man, the first Adam. The Bible also tells us his entire lifespan: He lived nine hundred and thirty years, according to verse 5. He fell short of one day. So, he did not live out a day, because a day, in Genesis chapter 2, verses 16 & 17, was a thousand years. Verse 3: ***“And Adam lived an hundred and thirty years”*** (130), ***“and begat a son in his own likeness, after his image; and called his name Seth.”*** Verse 6: ***“And Seth lived an hundred and five years”*** (105), ***“and begat Enos.”*** At one hundred and five years, he took a wife, because nine months down the road, all within a year, he got a child. And back then, you had to have a wife to have a child. I am not talking of today. I am talking of then. So, he was 105 years when he got a wife. And here our chart really starts, because we have the record of when Seth had his first son. Hence our chart really starts with Seth, even as earlier stated. And all the days of his life were nine hundred and twelve years, according to verse 8. Let us now look at Enos. Verse 9: ***“And Enos lived ninety years”*** (90), ***“and***

**begat Cainan.**" When? At ninety years! We are seeing the record of their marriages! He was fifteen years short of his dad's age when he took a wife. Why? It is telling us something, for something is going on! Let us move on. But all the days of his life was nine hundred and five years, according to verse 11. Verse 12: **"And Cainan lived seventy years"** (70), **"and begat Mahalaleel."** Let me say this: We are seeing something happening here. Adam's son, Seth, was 105 years old when he took a wife; Enos was 90 years old when he took a wife, fifteen years shorter than the age of his dad, when he took a wife. And Cainan was 70 years old when he took a wife, twenty years shorter than his dad's age, when he took a wife. Church, his age at the time of marriage, was thirty five years shorter than when Seth married! What was going on? Yet, Cainan lived a total of 910 years, according to verse 14! Church, look at the next one. Let us look at Mahalaleel. Verse 15: **"And Mahalaleel lived sixty and five years"** (65), **"and begat Jared."** Church, the whole life of Mahalaleel was 895 years,

according to verse 17. But watch. At sixty five years of age, he took a wife, five years short of his dad's age when he took a wife. Why was the age of marriage dropping, when they had longevity of life?! What was going on?! It tells me a story! Only one thing could have been going on: Mixed marriage was going on, and it was becoming difficult to get a good wife! It had to be that! And it was that! Some of you single brothers in here, let me ask you: How come you do not yet have a wife? I do not say that to embarrass you. How come? There are so many ladies out there, but you are not looking for just any lady out there; you are looking for a daughter of God that will bless your soul! Yes! One with whom you can walk with your God, and live a peaceable life to glorify God. That is why you are waiting, and some of you have been waiting for years! It goes the other way round also. The reverse is true: Some of the daughters of God here are also looking for a spouse. But look at these people in this chapter of Genesis. Mahalaleel was sixty five years when he took a wife. What was going on? Why could they not wait in a day when

there was longevity of life?! This was an era when there was longevity of life! What was the rush about?! It tells me something! Mixed marriages were going on, and the pure genetic nature of the Sons of God was being brewed down! And church, it was getting increasingly difficult to get a good wife. So, we are told, Mahalaleel gave birth to Jared. Let us consider the case of Jared. Verse 18: **"And Jared lived an hundred sixty and two years"** (162), **"and begat Enoch."** Why the great jump in age before marriage? Jared had to wait a whole one hundred and sixty two years! He waited way past Seth's age at marriage! What was happening? What was going on? That tells me Jared found it difficult to get someone that was worthy of a Son of God, and he did not mind the wait, and he waited a hundred and sixty two years. But when he got that lady, (oh my!), he sure ran to the altar! Yet, he lived a total of 962 years, according to verse 20! But he gave birth to a son, a very popular son, a man we all appreciate, for the grace of God upon his life, Enoch. Let us look at him. Enoch is the only man in

the entire chapter that the Bible records the testimony of his life. Verse 21: **“And Enoch lived sixty and five years”** (65), **“and begat Methuselah.”** Church, Methuselah was born when Enoch was sixty five years. That was the same age at which his grandfather married! Why? Why did he marry at such a young age? I believe Enoch, as soon as he got a lady he knew was good, took her. He could not afford to waste time, for he saw the evil going on, and he protested it! But his father had to wait so long to get a wife! Why? Mixed marriages were going on, and the nature of the line of the Sons of God were slowly and quietly, but steadily, being bastardized by the infusion of serpentine traits, occasioned by the mixed marriages. He was only sixty five years old when he took a wife! Something definitely was going on! Oh no, church, this genealogy, the marital chart we find in chapter 5, does not speak plainly to let us know where something happened. But when you chart it out, and you consider it, you have to realize, something was going on! That is for certain! And because we

already have a knowledge of God bringing something to a close in chapter 6, when everything came to a head, a climax, then we know, the mixed marriages were already going on somewhere back here, in Genesis chapter 5. Halleluyah! That is what was making them, to quickly take a wife, the best they could find, before the whole thing was fouled up completely! S o m e t h i n g h a d developed! The mixed marriages had started! Are you with me? It is like you know everything is going to be fouled up, and you decide, *“I better get the best I can, now I still have the chance.”* So, that forced them to take a wife on time. And the truth is this: There is no way the mixed marriages would be going on, and God would still be keeping the balance of the female population to the male. Why? Because if He did not touch that law, the daughters of God would be left without a husband, as the Sons of God were going to marry the daughters of the Cainites! Precisely! So, God had to touch the number of daughters now being born to the Sethites. And from that time, the law that ensured that to every male

there was a female, was suspended. And church, till this very day, it is no longer a male and a female birth! You know it is not! That is why some of us, all our children are boys, and we are looking to God for a girl! And some of us, all our children are girls, and we are also looking to God for a boy! Are you with me? And sometimes, some of us do not have at all, and we are looking to God for one! Why? Things have changed! Yes, there are instances where a man can have a male and a female; but in the main, it is never in a balanced proportion! You can have three boys and two girls, or four boys and one girl, or the other way round. But brothers and sisters, hardly will you find where a family has a boy, and then a girl, a boy, and then a girl, in a balanced proportion! That law has been touched! I say all that to say this: Church, their marital history, the marital record of Genesis chapter 5, is telling us a story! Look at Enoch. Something motivated him as well, to quickly take a wife, like his grandfather, Mahalaleel. Saints, look at what the Bible says from Genesis chapter 5 verse 21. We will take it again: **“And Enoch**

*lived sixty and five years” (65), “and begat Methuselah: And Enoch walked with God.”* (Did you hear that testimony of God's Word:) **“And Enoch walked with God after he begat Methuselah three hundred years, and begat sons and daughters: And all the days of Enoch were three hundred sixty and five years: AND ENOCH WALKED WITH GOD: AND HE WAS NOT; FOR GOD TOOK HIM.”** What caused him to do that? If we had to stop here, saints of God, the picture we would have, would be incomplete. But when we get to the epistle of St. Jude, that precious apostle, we see an additional picture that gives us a detailed insight into Enoch's life. Look at what apostle Jude wrote in verse 14. Yet, apostle Jude was not there to witness it. But by inspiration of the Holy Ghost, he went way back into Genesis, in a spiritual vision, by spiritual inspiration, and revealed: **“And Enoch also, the seventh from Adam...”** A brother once asked me, he said, Why do people say Enoch is the seventh from Adam, when he is not the seventh from Adam. But he is the seventh from

Adam! He is! He will be the sixth, if you do not count Adam himself. But the Bible says, **“seventh from Adam!”** So, Adam is number one! Adam is the first! You cannot omit Adam, who is the first Son of God! As such, **Enoch is the seventh from Adam.** You have to count from Adam! Is that clear now? I say that because some people have problems with it. And if you do not count Adam, then he would be number six. But the Bible tells us, it is **“from Adam”**. So Adam is number one, and that makes Enoch number seven! Completion! Look at the epistle of Jude, verse 14: **“And Enoch also, the seventh from Adam...”** Saints of God, just look at Enoch's precise position in this genealogy: He is the seventh! And seven is the number of completion. Three is the number of perfection. But seven is the number of completion. Halleluyah! Look at Enoch, he is the number of completion, and he sets a perfect type of the seventh church age, the age of perfection, an age which is also the age of completion. It is an age when God is also going to take a bride home in the rapture! In this very age, a bride will be

caught up! A bride will also not be found, because God will take her home in a translation! The bride of Christ is going up! Halleluyah! There is also a translation in this seventh and final church age. Our age, this Laodicean church age, is the age Enoch set a type of. Precisely! Look at what the prophecy of St. Jude says: **“And Enoch also, the seventh from Adam, prophesied of these, saying, Behold, the Lord cometh with ten thousands of his saints, to execute judgment upon all, and to convince all that are ungodly among them of all their ungodly deeds which they have ungodly committed, and of all their hard speeches which ungodly sinners have spoken against him.”** Church, watch. This is Enoch. He saw something going on, and he decided, **“No, I am not going to follow the crowd. I will not join the band wagon. I am going to walk with God. I am not going to allow this to hinder my relationship with my God. I will live a life separated unto God.”** And he protested it! Remember, the Bible says in Hebrews chapter 11 verse 5 that, **“By faith Enoch was**

**translated that he should not see death; and was not found, because God had translated him: FOR BEFORE HIS TRANSLATION HE HAD THIS TESTIMONY, THAT HE PLEASSED GOD."**

Why? He had faith, which is a revelation! And verse 6 declares: **"But without faith it is impossible to please Him."** That is, without revelation, you cannot please God! You will not know how! You can do your best, but your best is not good enough, if it is not in the light of truth! Exactly! Your best avails nothing! Church, Enoch, the seventh from Adam, at sixty five years of age, took a wife. His life was short, shorter than any of his progenitors. He only lived a total of three hundred and sixty five years, when God caught him up. And the Bible says, **"he walked with God."** He walked with God! In the genealogy record of Genesis chapter 5, it was so stated. Why? We must also ask: Why did he rush to take a wife? He saw the genetic imbalance going on by the mixed marriages! He saw the mixed marriages! He saw what was going on in his day, and he knew it was wrong, and he protested

against that thing! I said he protested the mixed marriages of his day! He protested it! How do I know that? Apostle Jude brought out his prophecy, to let the people know, **"God will judge this thing!... The Lord is going to judge it!"** Yet, it also sets a type of the seventh church age, and the judgment that shall also come after it. But nevertheless, he protested the evil goings in his day, which evil goings also set a type of the evil goings in this seventh church age, evil goings God will also judge; evil goings which we bride saints are also protesting, for it is an age when the bride saints of God will also experience the translation! Church, this is the seventh and final age. This is the age of completion, and it is the age of perfection. It is the age we will go in the rapture. That is for sure! We are the Enochs of today. Halleluyah!

But watch. Enoch prophesied against the evil developments in his day; he protested what was going on in that day. But I now have to ask: The fact that he protested it, does it mean the mixed marriages started in his

own day? That is what we want to find out this morning. The fact that he protested what was going on, was it in his day it started? That is what we want to find out. But before we come to it, let us look at his own seeds, so as to finish the marriage picture of the lineage of Seth, up till Noah. At sixty five years, Enoch took a wife, and produced a son named Methuselah. Church, Methuselah is a prophetic name. It means, **"After he is gone, it shall come."** What shall come? Judgment! The flood! In another Bible Dictionary interpretation, the name Methuselah, is said to mean **"the promised dart."** A dart is a weapon. It speaks of judgment! Are you with me? That means, Methuselah also means, a promised judgment, or a promised dart. God gave Enoch a son bearing a prophetic name, which revealed the mind of God, the distaste God had towards the ongoings, and the fact that God was going to judge it. He would not let it go on forever. And the name of Methuselah means, **"After he is gone, it shall come."** What shall come? Judgment! The flood! And that lets us know, the judgment of God could not fall, as long as

Methuselah was on the ground. He was a sign post! He was a prophetic yardstick! He was a time sign for the world universal! And church, the very year Methuselah died, that very year, the judgment fell! He even outlived Lamech, his own son. Why? He was a sign, God's sign to the world, of God's impending judgment! He died in the year of the flood. After he died, that very year, the flood came. But let us also look at Methuselah. Let us also see when he married. Verse 25: **“And Methuselah lived an hundred eighty and seven years”** (187), **“and begat Lamech.”** Church, what was going on? What happened to Methuselah that he waited that long, one hundred and eighty seven years, before he could get a wife? It shows, from that time, the ability to get a good wife genetically, was getting more and more difficult, until the years of searching for one was growing. Are you with me? Things started climbing up again! What does that tell us? The picture had been so fouled up, and getting a good seed for a wife was difficult; getting a seed-wife was so difficult, that it took persistence, waiting,

searching, praying: *“I can not take any of the ladies I am seeing. I have got to wait on God.”* Are you with me? Brothers and sisters, their marital record in Genesis chapter 5, lets us see something, because the age of marriage now began to take a climb. What was taking a plunge before, began to take a climb, agewise, and it was a consistent climb. Church, from this point on, the age at which this lineage married did not come down anymore. I know it was just five years difference between Lamech and Methuselah, but the marital age increased nonetheless! It was still over one hundred and eighty! Compare that with that of Enoch, or Mahalaleel, or Cainan, or Enos, or even Seth! The number of years was a lot more than all their forefathers! Why? Something negative was going on! What was happening? Mixed marriages! The record of the marriage of the children of Adam in Genesis chapter 5, surely tells a story. Something was going on, particularly when we consider the prophetic utterance of Enoch. What was going on so grieved his soul, it caused him to walk with

God. It moved him to a closer walk with God, for he decided, *“I do not want to be a part of this mess. I do not want to be caught in this rot.”* That caused him to walk with God. And God took him home in a rapture.

So, Methuselah was one hundred and eighty seven years (187), when he took a wife, because that was the year he begat a son, Lamech. However, the total number of his life was 969 years, according to verse 27. But let us look at Lamech. Verse 28: **“And Lamech lived an hundred eighty and two years”** (182), **“and begat a son.”** That lets us see, Lamech, at one hundred and eighty two years, took a wife. Why did he not do it at sixty-something, or even at seventy-something? Why did he wait that long? When you consider the prophecy of Enoch, you must realize, the condition must have been so bad, getting a good wife was so scarce, that these Sons of God had to literally wait on God, and look to God, and endeavour to get the best they could find, a woman they felt was compatible, and would be in the will of God. Are you with me? Sometimes, it requires

that much patience, in an evil, degenerate, and wicked world. If all you want is just to get a wife overnight, you can marry anything you want. But then you will pay the bill thereafter. After all, your marriage is only the beginning. You will have to face the harsh reality of an unequal yoking in marriage thereafter. Then all the teeth gnashing will start; all the heart-ache and sleepless nights. And then you will now come to the pastor: *"Pastor, it is my husband, he does not like me anymore..."* Too bad! But that is not the basis of the dissolution of marriage though! *"He does not give me money for food... He does not give me money for clothes..."* Too bad! That is not a basis for anything! You married for better, for worse! You should have looked to God before taking an unbeliever for a husband! It goes the other way round too, for a brother can take an unbeliever for a wife! It happens! Now, look at the age of Lamech. All his life, he lived to seven hundred and seventy seven years (777), according to verse 31. Seven is completion. Three sevens gives us Perfection and Completion. That means,

this was how far it was all going to go. God had decided He was going to make a move. That was how far God would let it go. No wonder, by the time the next seed came, God simply told him, *"Prepare an ark!"* 777 years, was Lamech's total lifespan. But, let us look at the last one. Verse 32: ***"And Noah was five hundred years old"*** (500 years. Oh my!): ***"and Noah begat Shem, Ham, and Japheth."*** Why did it take him so long? Five hundred long years of his life, he spent in waiting and searching for a wife! Why did he wait that long? What took him so long?! That tells me a story. The wickedness was so great; the immorality was so great; the whole society had been broken down, until Noah could hardly get a wife. But he was also a man that had a revelation, a man with the love and fear of God, and he made up his mind, *"I am not going to settle for just any lady that comes along, all in the name of marriage. I do not care how long it takes me, I will open my eyes, and I will wait, and look to God."* Church, shine your eyes! That means, Open your eyes! I say that because some of you are not even ten years old (I say that figuratively),

and you are already feeling miserable because you want to marry: *"I need a husband!... I need a wife!..."* But how old are you?! Some of you cannot even wipe your bottoms, and you want a wife! Rather, you should bless God for the light of Christ that is shining today and say, *"Lord, just get me ready. Help me to be married to you, Lord. Everything is coming to a close. Everything is wrapping up. Lord prepare me for the rapture. I want to be in the marriage up there in heaven."* That is the marriage that matters! Halleluyah! May God give you peace, and the grace to wait on Him. But church, five hundred years Noah waited before he got a wife! Why did he wait that long? There is only one reason: It was hard, very hard, to get someone that was worth marrying! And so he waited! Because he had made up his mind not to marry just for marrying sake! And I believe he got the best he could find, having waited that long! Precisely! And do not tell me he went to get a Serpent seed! He looked for the best he could find! For in that day, all flesh had been fouled up; all flesh had been corrupted in his day, and that man

got the best available! Genesis chapter 6, verse 12 confirms that! It declares: **“And God looked upon the earth, and, behold, it was corrupt; FOR ALL FLESH HAD CORRUPTED HIS WAY upon the earth!”** Did you hear that? All flesh had corrupted his way! What does that show you? All flesh was defiled! There was no pure Sethite! Therefore, Noah waited for the best lady he could find, in the lineage of Seth, even though the lineage had been mixed up! Exactly! Being a righteous man, a man who stood out to God in that day, he could not have done anything else, for he stood out in that generation! Moreover, you have no Scripture to say that his wife, Mrs. Noah, was a Serpent seed! I challenge any man to bring out the Scripture to back that up! No man has any Scripture, or even common-sense proof, to show that Noah's wife was a Cainite. There is no Bible for it! Noah, being a prophet of God, with the soul quality he had, would have been a fool, to take a Serpent seed, a Cainite, when his own lineage was there, and with all the prophecies of Enoch, and the prophetic judgment

name his own grandfather bore, being a living witness, a sign, even unto him! He would have been a fool, because the prophetic utterance of Enoch was not withheld from them! It was passed down to all of them, to let them know, **“You watch that man Methuselah. He is a sign!”** They knew that! So, why would he go and marry a Serpent seed, a Cainite, as Richard Gan wants us to believe? It is a wild and baseless assumption! And you will never get Richard Gan to drop that nonsense! The mere fact that that man could wait a whole five hundred years, lets me know he was a man that had a vision of who was marriageable for a Son of God, and he decided he would not take just anything in the name of marriage! And he did not mind waiting that long! Precisely! You have to see that! Let us not fool around with the Word of God! Saints, for half a millennium, that man waited! Then you want to tell me he took up a Serpent seed as his wife? That is absolute nonsense! Even the testimony of God condemns such a nonsensical thought, for in Genesis chapter 6, verse

9, God declared: **“These are the generations of Noah: NOAH WAS A JUST MAN AND PERFECT IN HIS GENERATIONS, AND NOAH WALKED WITH GOD!”** I have to ask Richard Gan, and let him answer me: What is it to be just and perfect before God in one's generation? And how does a man walk with God? You just have to realize, Noah being a just man, a man who walked in the fear of God, could not have picked a degenerate woman for a wife! Mixed marriages was why God was going to destroy the world in his day! Can you hear me?! Mixed marriages was the reason God destroyed the world in the days of Noah! And Noah would have heard of the protest of Enoch against the mixed marriages! What kind of vision would he have had, if he did that? How could a prophet of God pick a Jezebel like Ahab did? Think of it! Men are just desperate to show they have a revelation of something they have no clue about! And all they cause is nothing but confusion, and the destabilization of God's people! Noah, a man declared by God as a just and perfect man in that

day, a man who walked with God, having a true revelation of God's displeasure on the ongoings in that day, and seeking to please God, took the best woman he could get, a woman he was confident could be his wife, after having waited so long! Absolutely! Anything else is foolishness, for this is not a game! And do not forget, although they were fouled up, the lineage of the Sons of God still continued nonetheless, for it was carried on by the male seed! And these Sons also had daughters! They had daughters! Even Noah had sisters, daughters born to his parents! Verse 30 confirms that! Why then would he leave his lineage, as a man who walked in the fear of God, and was perfect in that generation, to take on a Cainite, when there were daughters in his own lineage, though fouled up! It just does not make any sense! It does not! I am not saying Mrs. Noah was pure. Neither was Noah himself pure! He himself was no longer a pure Sethite, because of his inherited genes, for everything had been fouled up in his day! Everything came to a head in his day! Remember,

when you are considering Noah's day, you are considering the climax of something! All flesh, the Bible says, had corrupted his way! And God was going to judge it in Noah's day! But Noah found grace before God, which is divine unmerited favour! Therefore, it was not conferred on him because he was a pure Sethite, free from all the evil attributes the Cainites were passing into the genetic constitution of the lineage of Seth, but because he still had a soul quality God knew He could use, that set him apart from all his peers, for he could hear from God, and he walked with God! But he himself was not free of serpentine attributes in his genetic make-up, for he was not a pure Sethite! If he was a pure Sethite, then his parents had to be pure, in order to produce pure seeds, free of the Cainite genetic attributes. Exactly! And if his parents were pure, then Noah's brothers and sisters also had to be pure! Lamech, who was Noah's father, also had sons and daughters (plural)! Genesis chapter 5 verse 30 confirms that! But I ask: How come all Noah's brothers and sisters perished in the flood?! How come none of them

listened to the message of Noah?! None of them entered the ark! Why? It is simply because they were not pure Sethites, and the evil genetic nature they inherited from the Cainites, through the mixed marriages, affected their ability to live right, and to hear from God! Hence they did not follow the message of Noah! And they therefore perished in the flood! They were judged with the rest of the world! That is absolute truth, for Noah had brothers and sisters! And if Noah's brothers and sisters perished in the flood, showing they were not pure genetically, then, Noah could not have been pure either, for they came from the same parents! They came from the same loins! And that also lets us know, even Noah's parents were not pure! Exactly! **For like begets like!** Moreover, as I earlier stated, if Noah was a pure Sethite, a man who was not touched by the evil genes of the Cainites, how come he did not father a daughter? He was the only one in that entire lineage without a daughter! Why? God touched his loins! That lets me know, everything had come to a complete head in Noah, for he had also inherited

Serpentine evil genes in his nature, and God was going to call a complete halt to the move of the devil, and start afresh, using Noah's three sons! In Noah, everything came to a head, and there was no point God letting him have a daughter, for God was going to wipe the slate clean, and start afresh, using his three sons! Precisely! In Noah, therefore, God ended the devil's mixing of genes, and in Noah, God also started afresh, using his three sons. Absolutely! Furthermore, as I also stated earlier, when we come to chapter 9, the drinking habit of Noah, tells us a story, for it lets us know that he had inherited a nature that led him to a life of drunkenness, until he could strip himself, and lie naked in his tent, in his drinking stupor! How come he expressed such a bad nature right after the flood, considering the judgment of God that came upon the world, judging such an unbecoming lifestyle? Noah's lifestyle right after the flood, confirms he was not a pure Sethite, though he was a Sethite, and one who bore the seed! We have to rightly divide the Word of truth, and not cause unnecessary confusion, in a bid to show

we have what we do not have! The ambition of men, and their desire to bear revelation, is what motivates men to make mountains out of mole hills. So I have to ask: How could Noah get a pure seed for a wife, when he himself was impure?! How could he, when everything had been fouled up?! But I believe he got the best in that generation that he could find, because that man sure waited on God for so long, and he waited in faith! Halleluyah! No wonder his name means Rest! The name of Noah means Rest! He was a man that knew how to rest in God! And all the days of his life was nine hundred and fifty years, according to the record of Genesis chapter 9, verse 29. None of them lived up to a full day! Everyone of them fell short of attaining unto a full day! No one did! Methuselah was the oldest of them all, yet, before the day was over, he too also passed away. Nobody lived to a thousand years! But in the Millennium, longevity of life will be restored. And if the children born in the Millennium to the mortal subjects would live right, they can live out the entire period. But the mortal subject who passes into

the Millennium, will live the entire one thousand years, including the number of years they would have attained, before they entered the Millennium. I said the sheep nations of Matthew chapter 25 parable, can live the entire one thousand years of Millennial period, on top of whatever age they would have attained unto, when the Millennium starts, because longevity of life is restored. Halleluyah!

However, the question we still come back to is this: Where did the mixed marriages start? In whose day in the lineage of the Sethites did it start? First of all, we know it was not in Adam's day, and it was neither in Seth's day. How do I know it was not in Seth's day? We already dealt with it. The Bible shows he was in the very image and likeness of Adam. Therefore, he was pure! There is a reason why God allowed Moses to include that declaration in the genealogy record. It is a marker. It is a marker! The fact that he was said to be in the very image and likeness of Adam, is to let us know he was pure! Period! He was unadulterated, and therefore had no Serpentine traits. And the

reason why the mixed marriages did not start in his day, was that Satan needed to brew up his daughters first! Praise the Lord! Brothers and sisters, if we look at their loins when they gave birth; if we look at the marital record of Genesis chapter 5, and we also consider the prophecy of Enoch, and the protest he made concerning the ongoings in that hour, which caused him to walk with God, it looks like the mixed marriages started in Enoch's day, but it did not! He was born into the mess! And he protested the mess he saw! So, it did not start in his day! You must understand that! He was born into a condition which already existed prior to his birth, a condition which preceded him! The condition preceded his birth! But when he came on the scene, God anointed him to prophesy against the ungodliness he was born into! That is why I said, yes, he protested the mixed marriages, but did it mean it started with him?! It did not! He was born at a time the mixing of seeds were already going on, and God used him to bear a prophetic witness against it. Therefore, it was before his era, the mixed

marriages started. Look at what Richard Gan says on page 8 of his book titled, *The Mark Of The Wicked Ones*: ***“The giants were a s a r e s u l t o f intermarriage of the two lines of people, the Sethites and the Cainites”*** (Now, listen to this), ***“which probably”*** (He was not sure) ***“which probably began round about the generation of Enoch. This can be determined by looking at the two genealogies of Cain and Seth.”*** It is true we can only determine this truth by looking at the two genealogies; but nonetheless, he was not able to determine it. I say that only as a statement of fact, not out of pride, for humility is of God, because the mixed marriages did not start in Enoch's generation, as he suggests. And as such, I say, No, it did not start with Enoch! It did not! Yes, Enoch prophesied about it; yes, the condition he was born into, so scared him, that he had to walk with God. But it did not start in his day! And that was why he had to quickly take a wife, because of what he met on the ground, for he realized, if he did not move quickly enough, he would not get a good wife! That itself

should tell us something! It should! Moreover, he was not the first one to quickly rush to take a wife. Are you with me? Even his grandfather, Mahalaleel, and his great grandfather, Cainan, also took a wife around the same age! So, what made them rush into marriage at such an early age? Mahalaleel rushed into marriage at sixty five years of age. Cainan did at seventy years of age! Halleluyah! So, what caused them to do that? Something was going on in their era of time! That confirms that something was going on before Enoch's day! Something was definitely going on in this lineage, in that era of time. But where precisely did it start? That is the question.

By the grace of God, saints of God, I believe with all my heart (and we will see something in the Bible this morning), **Mixed marriages started with Enos.** That is, it started in his days! **MIXED MARRIAGES STARTED PRECISELY IN THE DAYS OF ENOS.** I will tell you why, Scripturally. And it was not because he had a short lifespan before he took a wife, being ninety years when he had a son; although that in itself is a

pointer to something. It is much more than that. Please pay attention. The mixed marriages we see in Genesis, which came to a climax in chapter 6, started with Enos, and I will give you the three keys the Lord gave to me, which opens this truth up. Church, look at verse 26 of Genesis chapter 4: **“And to Seth, to him also there was born a Son; and he called his name Enos:”** You find that repeated in verse 6 of Genesis chapter 5: **“And Seth lived an hundred and five years, and begat Enos.”** Remember, long before this, Cain had walked away from the presence of the Lord, with a plan the devil had bred in his heart. Are you with me? Because he was going to be the instrument the devil would use to brew up daughters, whom he would use to make an attack at the line of the Sons of God. Seth gave birth to a son, and he called his name Enos. But church, we must now ask: What is the meaning of the name of Enos? Enos simply means *“mortal man”*. That stands for carnal man! Then I ask, Why would a Son of God, Seth, a spiritual man, give his own son a name which means, Mortal Man? Remember, Seth was

appointed in the place of Abel! I ask again: Why would Seth, a man born in the image and likeness of Adam, produce a Son of God, and call him a mortal man? That is prophetic! He gave Enos that name as a prophetic sign! That gives us an insight! He was given that name for the very same reason Enoch gave his own son the name Methuselah! He was a sign! His name gives us a sign of what would be going on in his day, for Enos means Mortal Man! That is carnal man! It was prophetic, just as Methuselah's name was! You have to see the prophetic anointing that was upon this lineage, right from Adam, a prophetic inspiration they possessed, which was expressed and revealed in the names they gave their sons in those days! Seth named his son Enos, meaning Mortal Man, a name also bearing prophetic revelation, and it carried on the pattern of the prophetic insight, and the prophetic anointing upon the lineage of Adam, in naming their offspring! Exactly! Adam first called his wife, “Woman”, revealing how she was formed, though he was put to sleep when it happened! And later, he renamed her

“Eve”, meaning that she bore all seeds, being the “mother of all living!” Seth, the son of Adam, means Compensation, and Seth truly was appointed in the place of Abel, whom Cain slew, making Seth to be in reality, a perfect compensation for the son (Abel) they lost! Jared named his son Enoch, which means Dedicated, and what a dedicated man he truly was, in his service and walk with God! Enoch likewise named his son Methuselah, and Methuselah means, After he is gone, it shall come! What shall come? Judgment! And indeed, God's judgment by flood came the very year Methuselah died, showing the depth of the prophetic insight the Adamic lineage bore, in naming their offspring, in those days! Precisely! It was a pattern no one can deny. Absolutely! And that is the first clue God left in the Scriptures, a key to unlock the revelation of the specific generation when mixed marriages started in Genesis. It started precisely in Enos' hour! It started that early! How do I know that? Church, Enos means Mortal Man! What a name for Seth to give his offspring! What a name to give a Son of God, if it was

not prophetic! But it was! Saints of God, you must understand that name was given prophetically, for it showed that the lineage of the Sons of God, a very different and most distinct lineage to that of the carnal, earthly men, called Cainites, would also degenerate in carnality, just as mere earthly mortals do! Absolutely! That was the first pointer, for it showed that the Sethite line would lose their status of separation, and degenerate! Exactly! They would become just like the Cainites, in the days of Enos, for the Cainites were mere mortals, being carnal, earthly minded people! Precisely! You have to see that! And what would bring about such degeneration? Mixed marriages! And in truth, the mixed marriages started in the days of Enos. And that lets us see, that the devil did not take a long time in executing his evil plan, as we formerly thought, in the days of the chief apostle. Once Cain walked out of God's divine presence, the devil was very busy, working at an alarming rate in multiplying daughters to the Cainite line, for an early onslaught! Precisely! That onslaught, wherein the daughters of Cain (the

daughters of men) dressed and presented themselves seductively, in order to break down the moral resistance of the Sons of God, started early, for it started precisely in the days of Enos. The prophetic name he bore is the first clue or key.

And in order to seal this revelation, we will move straight to Genesis chapter 6, to consider the testimony of God Himself, for it gives us the second key. Let us look closely at God's own testimony in chapter 6. From verses 1 - 3, it reads: ***“And it came to pass, when men began to multiply on the face of the earth, and daughters were born unto them, That the Sons of God saw the daughters of men that they were fair; and they took them wives of all which they chose. And the Lord said, My Spirit shall not always strive with man, for that he also is FLESH: yet his days shall be an hundred and twenty years.”*** That is, the lineage of the Sons of God are also flesh! They are also mortals! They are mortal men! Carnal! They are just men, mere mortals! And that is the prophetic name Seth gave his son, Enos: Mortal Man!

God, in Genesis chapter 6, no longer referred to them as Sons of God. No! God Himself now called them “man”! That is, mere mortals! Carnal men! Verse 3 declares that! ***“My Spirit shall not always strive with man!”*** Which man? The Sons of God! Why? ***“For that he ALSO”*** (just like the Cainites) ***“is flesh!”*** That is, he is also fleshly, or carnal! Let us look again at verse 2: ***“That the Sons of God saw the daughters of men...”*** Please note that the Lord still called them Sons of God in verse 2, giving a distinction in the two lines of people. But verse 3 is the key. In verse 3, what does He now call them? Sons of God? No! ***“And the Lord said, My Spirit shall not always strive,”*** ***“with Sons of God?”*** Of course not! He said, ***“with man!”*** Why? That is the state the Sons of God had fallen into! And God was now using the same terminology, “Man”, which He used for the Cainites, for His own seeds, thereby removing the distinction between the two seeds! Exactly! The two lineages now have a common reference! Why? They are just mere mortals after all! That is their fallen state! ***“...for that HE ALSO IS FLESH”***, after

all. See! Yet a Son of God, but he is just flesh! Carnal! I repeat: God was not talking here of the Cainites. No! Definitely not! Verse 3 has nothing to do with the Cainites! Verse 3 is speaking strictly about the Sons of God, the Sethite line, who had lost their genetic purity, their separation, and were acting as mere mortals, being no different from the Cainites! Exactly! And the name of Enos bears that prophetic implication: Mortal man; Fleshly. Verse 6: ***“And it repented the Lord that He had made man...”*** Now remember this, He was not talking of the Cainite line! He was not! The devil was responsible for that bunch! He was talking strictly of His own Sons, the Sethites! Here, God did not say it repented Him that He made the Sons of God. No! His terminology for them had changed! He said, ***“It repented the Lord that He had made man!.....”*** Why? It was because of what the Sons of God had degenerated into! That was why He was grieved! GOD WAS NOT GRIEVED BECAUSE OF THE CAINITES, for they, being the lineage of the devil, through the Serpent, could not have done otherwise! They could not

have behaved differently, as to live for God! Impossible! They were serpent seeds! They were! And that was why, the blatantly rude, and the godless audacious attitude Cain bore towards God, after he killed Abel, did not even grieve God, for he was only a serpent seed! Moreover, the enmity was at work! God simply ignored Cain, and even preserved him with a figurative mark! But here in Genesis chapter 6, verse 6, where it is written, ***“And it repented the Lord that He had made MAN on the earth, and it grieved Him at His heart”***, refers strictly to the lineage of Seth, the Sons of God line! Absolutely! That was why He was grieved! He was grieved on account of His own children! Precisely! And that was why He repented creating them! And hence verse 7 followed: ***“And the Lord said, I will destroy MAN whom I have created from the face of the earth; both man, and beast, and the creeping thing, and the fowls of the air; for it repenteth me that I have made them!”*** That is the Sethite line! They had degenerated, and had become mere mortals;

carnal or fleshly creatures, just as the Cainites! That was what the children of God degenerated into! They were no longer different! They lost their separation! Look at verses 11-13: ***“The earth also was corrupt before God, and the earth was filled with violence. And God looked upon the earth, and behold, it was corrupt; FOR ALL FLESH”*** (Sethite and Cainite) ***“HAD CORRUPTED HIS WAY UPON THE EARTH. And God said unto Noah, The end of ALL FLESH is come before me; for the earth is filled with violence through them; and, behold, I WILL DESTROY THEM WITH THE EARTH.”*** Where did this evil start? It was in the days of Enos! His name gives it out! And when we marry his prophetic name, which means “Mortal Man”, with the testimony of God in chapter 6, it dovetails, perfectly! Absolutely! The Sethite line, just like the Cainite line, had become fleshly, mere mortals! And this started in the days of Enos! But in Noah's days, this carnal development had reached its peak! The Sethite line had degenerated, and had become what? Just mere

mortals! Carnal! A fleshly people, who had lost their spiritual state of separation, and purity, and had taken on a carnal nature, through mixed marriages, and were no different anymore, from the Cainite line. And that was precisely why the judgment of God fell upon all of them. Genesis chapter 6, verses 3 & 6, gives us our second clue. For in these verses, we are looking at the Sethite line, as they degenerated through mixed marriages, and became mere mortals! And who gave us the first insight? Seth did, through the prophetic name he gave his son, Enos, which means, Mortal man! It lets us know precisely where the mixed marriages started in the Sethite line. It started in the days of Enos! Hence, verse 3 of chapter 6 declares: ***“And the Lord said, My Spirit shall not always strive with man, for that he also is flesh: yet his days shall be an hundred and twenty years.”*** Verses 5-7, and 11-13 also reads: ***“And God saw that the wickedness of man was great in the earth, and that every imagination of the thoughts of his heart was only evil continually. And it repented the Lord that***

***he had made man on the earth, and it grieved him at his heart. And the Lord said, I will destroy man whom I have created from the face of the earth; both man, and beast, and the creeping thing, and the fowls of the air; for it repenteth me that I have made them... The earth also was corrupt before God, and the earth was filled with violence. And God looked upon the earth, and, behold, it was corrupt; for all flesh had corrupted his way upon the earth. And God said unto Noah, The end of all flesh is come before me; for the earth is filled with violence through them; and, behold, I will destroy them with the earth.”***

So, when we look at verse 3 and verse 6, of Genesis chapter 6, when God Himself pronounced His own Sons as mortal men, with His heart grieved, please understand, He was not grieved for the Cainites. Cainites could not be anything different. Are you with me? God was not grieved because of the Cainites. He was not even grieved for their progenitor, Cain, with all his audacity, and impudence, and

insolence, and murder! He was not grieved for him, because at the end of the day, he was only a son of the Serpent, which was an instrument of the devil! Are you listening to me? So, God was not grieved for them. He was grieved for His own seeds. God looked at their constitution: They had become just mere mortals, carnal, with serpentine genetic traits bred in them. And a prophetic name already bore that degeneration, Enos. Seth gave that prophetic name, showing that in Enos' day, carnality or mixed marriages would start, which would affect their genetic purity, making them carnal! No wonder, God slotted an identity statement in the Scriptures, concerning Seth, to differentiate him from the low state the Sons of God would degenerate into, genetically, in the days of Enos, a man that would come after: ***“And Adam lived an hundred and thirty years, and begat a son in his own likeness, after his image; and called his name Seth.”*** (Genesis 5:3) Seth, an appointed seed, was in the very likeness and image of Adam. There is a reason for God slotting that in! It

was to let us know, *“Do not look at Seth at all, when considering the mixed marriages!”* When we are talking of the mixed marriages, the prophetic name of Seth's own son, Enos, gives us the key, the first key. Enos means mortal man; fleshly. And that is exactly God's terminology in chapter 6, in verses 3 and 6, when the mixed marriages had reached its peak, a terminology applicable strictly to the Sethite line. It grieved Him that He had made man. He no longer called them Sons of God. They were now men, just mortals, not different to the Cainites, ***“for that he also is flesh.”*** Are you with me? He is also flesh! That is comparative! God was comparing the Sethites with the Cainites! The difference in their genetic make-up, the difference in the two streams of humanity, had been removed! They were now all one: Fleshly! As such, in verse 3, God cut down the number of his years to 120 years! Church, the mixed marriages actually started in Enos' day. That is precisely where it started. His name bears the prophetic record of what the line of the Sons of God would degenerate into, just like mere mortals,

and where it all started, showing that at the end of the day, in their way of life, and in their genetic constitution, there would be no difference between them and the Cainites. Precisely! Enos did not give himself that name. He was given that name at birth, and it is prophetic. Ever before the Sethites did anything along this line, Enos' father, by inspiration, gave Enos that prophetic name. It means mortal man. And that is precisely what God spoke of in chapter 6. A lineage of people He called Sons of God in verse 2, in verse 3, in referring to the same people, they had now become just mere men: Fleshly! Carnal! The time of Enos, is precisely where the mixed marriages started. And by the time Enoch was born, he condemned all those ongoings! No wonder, each one of them began to take a wife as fast as they could. They could not take a wife early enough. Are you listening to me? No wonder, brothers and sisters, from the days of Enos, the age of marriage was coming down so fast, although Jared, the father of Enoch, lived 162 years before he took a wife. Right? Yes! But his forefathers, their ages

were getting smaller! So, just look at the loins of the Sethites: It shows you the genetic imbalance that was going on in the line of the Sons of God. It does! That caused Enoch to run fast to get a wife, as fast as he could, just as his own grandfather, Mahalaleel, did. But the fact still remains, that when you look at this record in Genesis chapter 5, you know that between Enos and Enoch, something was going on, because their loins speak of something! Yes, Jared lived a hundred and sixty two years before he took a wife, but that does not disturb the picture, that before him, the age of marriage was going down! Exactly! So, when Enoch was born, he was anointed and inspired to protest all that was going on. And that lets you see it could not have been in his day, because he met the condition on the ground, a condition he was not responsible for! But God anointed him to protest the condition! It was actually in Enos' day. How do we know that? I repeat: His name is the key, and the terminology God began to use concerning His own line of Sons, in Genesis chapter 6, also bears witness. He began to

classify even the Sons of God as just mere men. Add that to the name of Enos in Genesis chapter 5, and it gives you your keys. It opens up this truth. It shows, brothers and sisters, through the mixed marriages, carnality, would enter the line of the Sethites, in the days of Enos. And it progressed to such an extent, that when Enoch was born, he had to protest that thing! And God gave him a son, as a sign of God's impending judgment, because God has to allow something to climax before He judges it. So, Methuselah's name is a sign of impending judgment, and his name fulfilled in its prophetic application, even as it was intended, because the very year he died, the flood came, because that is what his name means prophetically: After he is gone, it shall come; judgment shall come. And if there was a name given, by the inspiration of God, to let us know precisely when the mixed marriages would be judged and brought to a close; if there was a name revealing the terminating point of the mixed marriages, and that name was Methuselah, for the flood came in the very year he died, there should also be a name given by

the same inspiration of God, to let us know exactly when the mixed marriages started, and it started in the days of Enos, for that is what his name reveals. For if we have a terminating point, by the revelation of the Scriptures, there should also be a beginning point, by the revelation of the Scriptures, for God is perfect in His revelation, being the Alpha and the Omega! Exactly! It gives us a balanced, complete, and perfect picture! Methuselah means, After he is gone, it shall come. What shall come? Judgment to put a stop to the mess created by the mixed marriages! And Enos also means, Mortal Man. In other words, in the days of Enos, God's children would degenerate, through the mixed marriages, and it would bring down their genetic quality, and they would become just like the carnal mortal beings, making up the Cainite line. It gives us perfect revelation. Their soul state was completely fouled up. Hence, in chapter 6, God was grieved that His own children could degenerate to that level, until their genetic difference had varnished, and God Himself had to now refer to

them as mere flesh! For they were just flesh at the end of the day! Just mere mortals! Their genetic difference had varnished! The two streams of humanity became fused as one.

Genesis chapter 6, verses 1-3: ***“And it came to pass, when men began to multiply on the face of the earth, and daughters were born unto them, That the Sons of God saw the daughters of men that they were fair; and they took them wives of all which they chose. And the Lord said, My Spirit shall not always strive with man, for that he also is flesh.”***

And as a result of this sad development, God took away longevity of life: ***“Yet his days shall be an hundred and twenty years.”*** From 800-900 years plus, life was reduced to a mere 120 years, because of the degeneration of the children of God! God could not allow man to live any longer than that, having such evil attributes bred into them, and today, life has even been further reduced to about 72 years! That is proof in itself, that the whole of the Sethite lineage had been fouled up, genetically! Exactly!

The mixed marriages also created genetic imbalance, resulting in the births of giants, and mighty men of old, men of renown, but with no record with God! Verse 4 reveals: **“There were giants in the earth in those days; and also after that, when the Sons of God came in unto the daughters of men, and they bare children to them, the same became MIGHTY MEN which were of old, MEN OF RENOWN.”** That just lets us see, that when people tamper with the genetic laws of God, in mixed marriages, it will also produce creatures that will be far away from God, though they may attain world acclaim! Exactly! And like Brother Jackson stated, the more people are inter-bred, the farther away from God they get in their make-up, for it violates the law of reproduction, which demands that everything should bring forth after its kind, and for which reason, God made everything, MALE and FEMALE! Therefore, everything should stay in its original! And when something is taken away from its original, it begins to lose that God-essence, an essence which God has instilled in originals.

Exactly! And as they inter-bred, the law of the Spirit of life behind original reproduction, is systematically watered down, and in the case of human beings, the result will produce nothing but complete strangers to God! And that is a fact that holds true, even till this day, whether you accept it or not. The result of the mixed marriages, also produced giants, by the genetic imbalance the union produced. These were mighty men of old, men of renown. Not only this, by bringing about the mixed marriages, the devil ensured the infusion of the evil Serpentine trait, into the pure genetic soul state the Sethites had, thereby defiling them genetically, as more and more evil genes were being passed into the Sethites, until the whole thing was completely fouled up, and God had to purge the whole thing, by bringing it to a close, with the flood. God had to start afresh with Noah, who himself was a product of a mixed marriage, and hence, he was not a pure Sethite, for according to the record of God in verse 12, **“.....ALL FLESH had corrupted his way upon the earth.”** And as such, **“.....The end of ALL FLESH is come**

**before me.....”**, says the Lord, in verse 13. But, according to verse 8, **“But Noah found GRACE”** (unmerited favour; undeserved mercy) **“in the eyes of the Lord.”** That settles that. But everywhere, violence, immorality, wickedness, filled the earth, and the Sons of God were equally guilty, for they were defiled, and had degenerated, through the mixed marriages.

The pathetic scenario painted above, created an alarming and most disturbing spiritual condition, which God had to judge. But when the mixed marriages started, creating immorality in the Adamic line, the unholy development caused the lineage of Seth to begin to call upon the name of the Lord, as they saw the beginning stage of the unwholesome development, and the effect it was having upon the lineage of Seth. Hence, it is written in Genesis chapter 4, verse 26: **“And to Seth, to him also there was born a son; and he called his name Enos: THEN BEGAN MEN TO CALL UPON THE NAME OF THE LORD.”** That is, in the days of Enos, men

began to call on the name of the Lord! You must therefore realize that this verse has no application to the Cainite men! It does not! It is a distinctive verse, for it was written for two main reasons. It was written, firstly to set the Sethite lineage apart from the Cainite lineage, for Cain and his lineage had parted ways with God! And secondly, (and this gives us our third and final clue to the revelation of when the mixed marriages started), it was written to show that when Enos was born, in his days, men began to call upon the name of the Lord! That was not in profanity as Richard Gan teaches! It was not in profanity! It was in a redemptive way! The Sethites, realizing the evil development occasioned by the mixed marriages, and the negative fruits it was bearing, caused them to call on God for mercy and divine intervention! It was a call for grace to overcome the temptation posed by the Cainite daughters! And that was why, it was not written that the *"Sons of God began to call upon the name of the Lord"*, but rather, **"Then began MEN to call upon the name of the Lord!"** The

Men here, is God's third clue. But in this very verse, it is the second clue that the Sethites would lose their separation, and would be like mortal men! And that was why Seth gave his son the name, Enos, which means mortal man! And here, in this verse, God's terminology concerning the Sethite line also changed, for the first time, into "men"! That is, mortals! Therefore, we must realize the name calling was more out of desperation, for God's intervention, to stop the evil development, and the adverse condition it was having on the Sethite lineage! They looked to God for help, to enable them to overcome the temptation they faced from the Cainite daughters, which caused a lot of them to fall! That is why we must realize, the name calling is redemptive; it is for deliverance! This revelation ties this verse with Genesis chapter 6 verse 3! The name given to Enos, meaning mortal man; the reference to the Sethites as "men" who began to call on the name of the Lord in the days of Enos, are two of the keys that help us to know precisely where the

mixed marriages started, particularly when we tie it with the third key in the Word of God, in Genesis chapter 6, verses 2, 3, & 6, where God referred to the Sethites as also "flesh"; "man"; and He was grieved in His heart, for the degenerate state of the Sethites, a people who had become just as carnal as the Cainites, in their genetic constitution! And where did it all start? It started in the days of Enos! No wonder, the strange development caused them to call upon the name of the Lord! And that was why Seth gave his son that prophetic name, of what his lineage would degenerate into! And that is precisely the picture we see in Genesis chapter 6, where God had to draw a curtain on the sad scenario that reached its climax, wiping the slate clean, and starting afresh with Noah, and his three sons! The distinction between the Sethite line and the Cainite line had disappeared, and they were all now called, "man"; "flesh". It all started in the days of Enos. But God brought it to a close, in the year Methuselah died, which was in the days of Noah. Today, by the grace of God, we not only see the

ending generation, we also see the beginning generation, where all the mess started. It was in the days of Enos, "*mortal man*".

And what did God do to save the situation? God simply wiped out that entire generation, for they were all fouled up! And He started afresh, using Noah and his three sons, Shem, Ham, and Japheth, together with their wives, to start repopulating the earth. Hence, apostle Luke reveals in the book of Acts, chapter 17, verse 26: **"And" (God) "hath made of ONE BLOOD all nations of men for to dwell on all the face of the earth, and hath determined the times before appointed, and the bounds of their habitation."** Why did God inspire that to be written? That we may know, everything came to a head in Noah's day, and hence, everything came to a head

in Noah, and God started afresh, using Noah to repopulate the entire earth! Therefore, all flesh, serpent seed or not, all go back to Noah! Precisely! For everything was fused in him! He was the end of that era, and the beginning of another. And the developments we see, of the infusion of Serpentine genes, into the Adamic lineage, a scenario which came to a climax in Genesis chapter 6, is precisely why we need to be born again! But God was also going to use the lineage of Shem, to start the process of brewing back a people, that would have a genetic make-up, that God could use, to bear the revelation of God, called the Torah. This would also set a type of what He would do, for the universal bride of Christ. The beginning seed of Shem, for the brewing back process of God, was Abraham, whom God called out of idolatry!

(Joshua 24:1-3). God used him, for the genetic quality of his soul, to brew up a nation of people, called the Israelites, whom God could reveal Himself unto, a people who would carry the revelation of His Word, called the Old Testament. And in order to preserve this gene, was why the Jews were not to marry strangers (i.e. any other race of people), for the promised seed would come out of this race. And that is why the law of the separation of seeds, which God later gave Moses for Israel, is most crucial, for the fruit of mixed marriages, is always the same: It leads to degeneration, in the offspring that is born. He that hath an ear, let him hear what the Spirit saith to the churches. Let us bow our heads in prayer. (Brother Amos prayed).

May the Lord bless you.
