"Every Scribe which is instructed unto the Kingdom of heaven is like unto a man that is an householder, which bringeth forth out of his treasure things new and old" - Matthew 13:52

WHY CONTINUITY? - PART 5

The following message was preached by Brother Amos on Sunday, 28th September, 2008, at Assembly of Faith, Calhoun, Georgia, U.S.A.; and as explained in Part 4, was divided into two parts, for easy reading of the Scribe, and to give Brother Amos the scope to expand on what he preached, to give the bride, a better understanding of God's plan of salvation. This message has been a most fantastic journey into the mind of God.

May the Lord bless each and every one of you. Brothers and sisters, Apostle Paul encouraged us to get ourselves established in the Word; to let it richly dwell in us, that we may be deeply rooted and firmly grounded in the faith, because it is God's will for us. It is like when

a person passes away, particularly someone that has a lot of means; maybe he has left behind a whole lot of money and estate, and then all his children will gather together, to find out, "What has he left for me?" It is a will, the man's will. And the Word of God is God's will for us too. It is the Word of our inheritance. The inheritance of God's children is in the light. Therefore, as God's people, a covenant people, we should be interested in knowing what the will of God is for us, because this is our inheritance. And brothers and sisters, God has a glorious inheritance for us, and it is good to explore it all, and to really know the length, breadth and height of this divine will, this Word of inheritance, because, brothers and sisters, our portion is an extremely goodly one. And

we have a lot to give thanks for: the privilege we have to be called the sons and daughters of God. It is a great privilege to be called into this way, that we may have the honour, the great honour and privilege to walk with the Lord, whilst the whole world is groping in gross darkness, lost, and without any hope or direction; living just for the flesh, without a revelation of anything. It is the grace of God, that we are what we are. But we really thank God and appreciate Him, for His immense love and mercy towards us who believe. But it just means we have to dig deep in the Word of God, for we really have to get ourselves established in God's Word. And we must also realise there is just no way we can do this, without following continuity, for God did not design this revealed way for every man to find his own way through by himself! No! He always has a vessel to show the way; a man to turn on the light under Christ, at each and every step of the way. It is therefore my prayer that God will help His people to understand these things, and also create a thirst in our hearts, and a hunger in our souls for Him, and for His Word; and that He will help us to have a closer

walk with Him, and be prepared for Christ's glorious coming. We will continue our message: *Why Continuity?*

Saints of God, I want to back up a little, and remind you that this final age, the Laodicean church age, opened up with the ministry of William Seymour, an African American; the man who spear-headed the Pentecostal Movement, a move of God which produced the Shuck on the bride tree, which Christ referred to as *"the ear"*, in Saint Mark's Gospel, chapter 4, verse 28. And through this move, God restored the gifts of the Spirit. He was as such a messenger to this seventh age, even though a minor messenger. But also remember, his ministry was an extension of the Reformation Movement, because it was still restorative! It was God using William Seymour to restore the gifts of the Spirit back in accessibility to His kingdom! He was therefore the man who bore the Oil message (i.e. the message of the infilling of the Holy Ghost)! Do not forget that. Furthermore, his ministry move was a pointer to what the Lord would do at the very closing of the age. For as God started the final age

with a minor messenger, so will He close it with a minor messenger. And as God opened this age with a black man, so will he close it with a black man. All is related. There is consistency to the ways of God, for He has a set pattern, and a set plan. We will bring this out much later, strictly from a Scriptural standpoint. Nevertheless, the seventh church age did not start with William Branham's ministry. God started this seventh and final age with the ministry of William Seymour, a minor messenger; and so will He also close the age with a minor messenger. We must not also forget, even though the ministry dealing of God in this age started with William Seymour, however, the ministry dealing of God for the bride of Christ (or to get the pure seed bride), started strictly with William Branham, for he bore the pollination message! I repeat: God's move for the elect bride of Christ in this Laodicean church age, did not start with William Seymour, it started with William Branham. Please note the distinction, for here, prophecies of the Scriptures come into play. You have to see that, for the Shuck must first be formed,

before the tassel can be formed, to pollinate seeds, sticking out as silky thread-like filaments, from the shuck! Precisely!

Hence, right after the Second World War, William Branham stepped on the religious scene in 1946, as God anointed him, and commissioned him to take a healing gift around the whole wide world, a move which ignited the Healing and Deliverance Movement that struck the earth in those days, when God began to raise up men with healing and deliverance ministries, evangelists who criss-crossed the globe, burning it with the message of healing and deliverance, men like Oral Roberts, Billy Graham, Tommy Osborne, Morris Cerullo etc. The man who spear-headed everything was the prophet to this age, William Branham, the star messenger to this age! The Christian religious world loved his stupefying healing and prophetic gifts, but failed to see the divine objective of his Word based ministry! They did not realise that he was not sent merely to entertain the people with the open and unparalleled miraculous ministry he had, but that he was the end time Elijah, a man who had the commission to call out all God's predestinated seeds,

from all religious organisations on earth, bearing the germ of the life of the original seed! Exactly! He was like John the Baptist, a man who also called out a remnant of elect people of God, from the various Jewish organised religious systems of his day, to follow the light of Christ! Remember, the church is "**Ecclesia**", which means, **A called-out body of believers!** The church of the living God is always a called-out body of people from the various religious systems of the day, even as God called out Israel from Egypt, to become the "**Ecclesia**", or what the Bible called "**the church in the wilderness**", thereby setting a perfect type of what the true church of God would always be: A called out body of saints! Therefore, as Elijah and star messenger to Laodicea, he cried out, taking up the prophetic utterance of Christ in Revelation chapter 18, verse 4: "**... COME OUT of her**" (i.e. come out of spiritual Babylon, which is the entire world of organised systems of religion, controlled by Mama Rome, the woman of leaven, which is the Roman Catholic Church), "**My people**" (God is now calling out His elect people from Babylon, for He is now making up His pure seeds at this end time), "**that ye be not partakers of her**

sins, and that ye receive not of her plagues" (for God is going to judge her seriously). "**For her sins have reached unto heaven, and God hath remembered her iniquities!**" Verse 2 declares thus concerning this woman of leaven, the great harlot, Mystery Babylon: "**... Babylon the great is fallen, is fallen**" (for she is a fallen church, a woman who is irredeemably fallen, for she is incredibly corrupt, being grossly apostate), "**AND IS BECOME THE HABITATION OF DEVILS, AND THE HOLD OF EVERY FOUL SPIRIT, AND A CAGE OF EVERY UNCLEAN AND HATEFUL BIRD!**" I ask you: Through whom is the Lord making this call-out from spiritual Babylon? Remember, Babylon is a religious organisation, into which the original church was taken and brought to her demise or death; it is the church of Rome. But also note that Babylon has expanded her borders to cover all religious organised systems of man, around the entire globe. So, the question remains: Who is the Lord using to make this call-out? It is a great call-out first made through the star messenger to this Laodicean church age, the seventh star in the hands of Christ, as recorded in the book of Revelation chapter 1. Then the 144,000 Jewish

Everlasting Gospel preachers, will pick it up from the middle of the 70th Week of Daniel, to cause the tribulation saints (the Gentile foolish virgins) to get out of the entire world of organised religion, so they do not join the image of the beast, nor take the mark of the beast! Whichever way you look at it, it is a divine, literal call-out this verse gives us in both instances, for two cannot walk together unless they agree! And there is no agreement between truth and error; or between light and darkness; or between the Word of God and the creeds of the church of Rome! As such, we must realise, that it is for the sake of the elect bride seeds of the end time, the pure elect seeds of God, is this call-out first made! Absolutely! It is Christ by his Spirit in his star messenger, calling out his elect seeds! And every eagle of God still remaining in a chicken pen, will hear this voice and come out to follow the true light of Christ which is now shining, even as it is written in the prophecy of Zechariah, chapter 14, verse 7, a prophet who was looking at a specific hour within the One prophetic Day of salvation, which is the grace age: "... **At evening time**" (i.e. in the Laodicean church age) **"IT SHALL BE LIGHT!"** Amen! And there is

light today: Pure light! Clear light! Absolute truth! And whom did the Lord use to dispel all the cloud of creeds and dogma that beclouded the beginning of this seventh age, at the turn of the last century, when it was a dismal or cloudy period? It was William Branham, the seventh star in the hands of Christ, the star messenger to this age! But like I stated earlier, the religious world did not understand his ministry, and they thought he went into error, by going into teaching! Lord have mercy! That man had to bear the true light! And that man bore the true light for the bride of Christ! That is why we know our Bible, and that is precisely why we know what we know today! Exactly! He is not the only vessel the Lord used to give us all we know though, but his ministry move, is the beginning move of God today in Laodicea, to catch the bride! That is an undeniable fact, if you know your Bible, for somebody had to bear the pollination message! And it could not be any one other than the star messenger to this age! Precisely! In 1946, William Branham was given a commission to carry a message around this world. Are you listening to me? And what was he called to do by that message? He was to call out a people from the denominations of this world,

to bear the truth of Christ, out of which the Lord will make up His bride. As earlier stated, do not forget, John the Baptist was similarly sent to call out a people from the religious organisations of his day, the various denominations of that hour, the Pharisee sect, the Sadducee sect, the Essenes, the Herodians etc., so that an elect remnant of the Jewish society may follow Christ. Come with me to the Scriptures, for this is a Bible issue.

Malachi chapter 4 comes into prime focus once again, even as it did in the earthly days of Christ. We will take it from verse 5: **"Behold, I will send you Elijah the prophet"** (God is referring to the Spirit of God that was upon Elijah. The Lord said He would send it back to earth. When?) **"Before the coming of THE GREAT A-N-D DREADFUL DAY of the Lord."** That clearly gives us two dispensations of time. It gives us two clear days, or two comings of Elijah's anointing. The Lord promised to send it to usher in two different days: The great day, and The dreadful day. The great day refers strictly to Christ's first coming, whilst the dreadful day refers strictly to Christ's second coming. Common sense will tell us, therefore, no one man can forerun both

advents! So in this verse, we have two advents: The first coming (i.e. the great day), and the second coming (i.e. the dreadful day), both advents which would be forerun by Elijah. Hence, verse 5 gives us the two periods of time, when we will have Elijah on earth. But verse 6 is where we have what the two Elijahs will accomplish, for it gives us **t h e i r m i n i s t r y** accomplishment. Verse 6 states: **“And he”** (the first Elijah, John the Baptist) **“shall turn the HEART of the fathers”** (the Judaistic religious fathers) **“TO THE CHILDREN”** (i.e. he shall turn their heart to the faith of the apostles, the religious children in the days of John, men who later grew to become the apostolic founding fathers of the faith of Christ). Please note that John the Baptist fulfilled this very portion of verse 6, as confirmed by the Angel of the Lord in the Gospel of Saint Luke chapter 1, verse 17. Period! So here we see John the Baptist in his ministry accomplishment, as he foreran the first coming of Christ. But Prophet Malachi went further in this verse, for he stated: **“And the heart”** (i.e. Elijah shall also turn the heart) **“of the children”** (the end time children of faith, which takes in you and me) **“TO THEIR FATHERS”** (i.e.

He shall turn the heart of the end time elect seeds of God back to the faith of our apostolic fathers, men who were the religious children in John's day, to enable us have the original pure seed faith at the end time), **“lest I come and smite the earth with a curse”** (i.e. before I come and smite the earth with judgment on the day of the Lord!). In other words, the message of Elijah of this end time, the Elijah of verse 6B, is precisely how God gets us impregnated with the pure original faith seed the early church apostles bore, in order to reproduce the original pure seed church at this very end! Why? Because he bears the pollen grain! Wake up! Remember, No tassel, no seed! Exactly! It is through the message of Elijah of today, that the pure seed church will be reproduced, by the germ of the original life of Christ he bears for the bride church! You have to see it, for this is Bible! It is a perfect revelation, for everything in the Word of God harmonises! Amen! If, according to this Scripture, he is to turn our hearts back to the faith of the apostles, the founding fathers of our faith, then he had to bear the original truths the early apostles bore, in order to accomplish this! Precisely! He had to bear in his message, a pure

undiluted revelation of the Bible, which is the message of Christ, which the early church gave to us! Precisely! It had to be so, because it is God's infallible and unchanging law of reproduction that **“every seed brings forth after its kind!”** And to get that pure seed church, you definitely need the undiluted pure seed Word, having all the ingredients of truth that went into the original seed the early church bore, they being the original! This has to be so in every way, whether in terms of ministry, revelation-faith, gifts of the Spirit, supernatural display of God's power in signs and wonders, or in terms of the Christ-like character the church will bear! Exactly! But only the pure unadulterated seed of the Word of God can produce such a church! And I tell you now unashamedly: Of all men God raised up at this end time in the ministry, from Billy Graham to Oral Roberts, to Morris Cerullo, to Tommy Osborne, only one man took all the original doctrines of the early church, which the Lord used the reformers to restore, gathered them all up as one message of the Bible, and added other truths of the Bible to it, and gave it to the bride, as a complete message of the Bible she is to stand for, in order to be ready and acceptable to the Lord at

his coming! Precisely! Only one man did that since the church fell! And this man is William Marrion Branham! Take it or leave it: Truth remains the truth, for there is always a vessel to carry the plan of God forward! God's plan of salvation moves on! It continues! And it is continuing even now! That is precisely why Brother Branham's ministry had to change, from one simply carrying a mere healing Gospel, with an explosion of the miraculous which drew crowds by their thousands, to a Word-based ministry, unveiling the absolute truth of God's Word which the early church apostles bore for the church of Pentecost, in order to pollinate the bride! Exactly! And that is why in 33 A.D., as recorded only by Saint Matthew, after Christ had traced the seven church ages in parable form in chapter 13, and the drag-net parable applicable in this seventh age, had served God's purpose, creating an unprecedented supernatural attraction, the men "**sat down**", for that move came to its end, having served God's purpose, and a people having been called out of the various systems of religion, to follow the end time message the chief launcher of that healing revival movement bore. Church, this is where God's move

progresses, but strictly for the end time bride, and strictly within the end time message following. Christ having laid out the seventh parable which is for this age, now declared in verse 52, starting from verse 51, giving us the reality of something God also does in this last age: "**Jesus saith unto them, Have ye understood all these things? They say unto him, Yea, Lord. Then said he unto them, Therefore EVERY scribe**" (speaking of more than one scribe) "**which is instructed**" (or tutored) "**unto the kingdom of heaven is like unto A MAN**" (One man) "**that is A N householder**" (singular), "**which bringeth forth out of his treasure**" (the Bible) "**things**" (revelations) "**new and old.**" That householder scribe can only be, and is none other than, Christ's principal vessel to this Laodicean age, William Branham, the star messenger to this seventh age, a man who is also Elijah of Malachi 4:6B! That is why his ministry had to change to a Word-bearing ministry, as he opened up the treasure of the Word of God, bringing out all the old truths the reformers had restored, which are the original doctrines of the early church, plus new nuggets of truth Christ opened up for him, like the original sin, the serpent seed, the image of

the beast, the seven church ages, the first six seals etc. Then the blind leaders of the blind, men speaking of things they obviously do not understand, men in the ministry like Kenneth E. Hagin, John Hagee, Roberts Liardon, began to accuse him of going into error by going into a teaching ministry. They do not know that the Spirit of Elijah is a **God identifying, TRUTH BEARING ministry**, just like Elijah of old, and like John the Baptist! He therefore had to bear the true original Word! God at this end time simply reached back to the old order of ministry, the Old Testament type prophets, to relay the foundation of faith that can reproduce the pure original end time bride seeds, at this harvest time! Exactly! Moreover, it was Elijah's ministry that laid the foundation for the ministry of the New Testament invested in Christ! Hence the Spirit of God spoke way back through Prophet Malachi, of the return of the Spirit of Elijah at the end time, to forerun Christ's second coming, just as God used Elijah's Spirit, to forerun Christ's first coming, when John the Baptist laid an infallible foundation for the projection of the Messiah's ministry in that day. In essence, from the view point of Malachi, it was John the Baptist's ministry which

consequently turned the heart of the Judaistic fathers to the faith of the apostles, a people invested with the first fold of the five fold ministry God invested in Christ for salvation! Exactly! And since the early church first had to lose that apostolic ministry before it could lose truth, then it will take God restoring back that apostolic order of ministry first, before the truth of the message can be put in proper Scriptural context, in order to bring unity and perfection, to the entire body of ministry, through the five fold ministry, and consequently to the universal body of saints. This is spiritual maturity, which is none other than the end time reproduction and manifestation of like-seeds, Christ produced on the day of Pentecost. But the ministry had to be reproduced first, and it had to be according to the divine order God laid out in the unchanging Word of God! Therefore, the Elijah of today had to relay the foundation of faith the early church apostles laid, for the reproduction of the end time pure seed apostles, the end time fathers of faith, for the maturing (or perfecting) of seeds, by the five fold ministry, through the message of truth he brought, a message we call the end time message. Hence it is written: **“And he”** (Elijah)

“shall turn... the HEART OF THE CHILDREN TO THEIR FATHERS, lest I come and smite the earth with a curse!” Brothers and sisters, I want to tell all who will care to listen, that that clause does not only give us Elijah, it also gives us the end time apostolic fathers, living fathers of faith, which Elijah's ministry first produces! That is the fold of ministry Elijah's ministry produces first! Wake up! The apostolic ministry is the first ministry produce of Elijah's ministry! That is Scripturally incontestable! And if you argue that Elijah will not produce live apostles, but will only turn our hearts to **the faith** of the early church apostles, then I say to you in return: BUT THE FAITH OF THE APOSTLES ALSO GIVES US APOSTLES AT THE END TIME! Absolutely! Ephesians chapter four gives us a five fold ministry at the end time, the beginning fold of which is apostles, who make up the head of the Ephesian five fold ministry! Exactly! Ephesians 4 gives us live apostles at this end time! It gives us end time fathers! And that being so, if you now consider Malachi chapter 4, verse 6B, it also gives us live apostles, and hence it declares: **“And he”** (Elijah) **“shall turn... the HEART OF THE CHILDREN TO THEIR FATHERS!”** That verse does

not only give us Elijah at the end time, it also gives us apostles of the end time, for as Malachi says, he will hand us over into the hands of apostles, for it is the apostles who will take the message and put it in its true Scriptural context for the bride of Christ! And without the leadership of apostles, you will never get out of the confusion that has plagued this message movement since the death of Brother Branham, for the prophet had a ministry for the two vines, in order to sort them out (i.e. in order to separate them)! And that is precisely why he spoke in duality, in order to accomplish just that! Exactly! So, whichever way you look at Malachi 4:6B fathers, it gives us end time fathers of faith! It does! If it does not, which is denied, then we have no Ephesian ministry at the end time! And if we have no Ephesian ministry at the end time, we can have no pure seed church at harvest time, for it will take the Ephesian ministry to build up the church into spiritual maturity, that it may attain the very image of the original Pentecost church, seeing that unity and perfection is strictly to be obtained by God, through the five fold ministry of apostles, prophets, evangelists, pastors and teachers, who all make up the Ephesian ministry! Thus

saith the Word of God in Ephesians chapter 4, verses 8-13: ***“Wherefore He”*** (God) ***“saith, When he”*** (Christ) ***“ascended up on high”*** (after his resurrection), ***“he”*** (Christ) ***“led captivity captive, and gave gifts”*** (ministry gifts) ***“unto men.”*** (We will skip to verse 11 to see the ministries and the order in which they were given): ***“And he”*** (Christ) ***“gave some, APOSTLES; and some, prophets; and some, evangelists; and some, pastors and teachers”*** (for what purpose?); ***“FOR THE PERFECTING OF THE SAINTS, for the work of the ministry”*** (of Christ), ***“for the edifying”*** (i.e. for the building up) ***“of the body of Christ”*** (a mystical universal body): ***“TILL WE ALL COME IN THE UNITY OF THE FAITH, and of the knowledge of the Son of God, unto a perfect man, unto the measure of the stature of the fulness of christ!”*** Yes! In the days of his flesh, Christ called apostles first! And when he also died and resurrected, he also gave some apostles first, as revealed here in the book of Ephesians! In the early church, which is the first church, the apostles were produced first! And as such, apostles come first in the reproduction of the ministry, on the full authority of the

Word of God! 1 Corinthians chapter 12, verse 28, likewise plainly declares: ***“And God hath set”*** (or established) ***“some in the church, F-I-R-S-T APOSTLES, Secondly prophets!”*** Wake up! The original bearers of the pure seed of the faith of Christ, and the original guardians of the original faith of the early church, have to be reproduced first, in order to hold a rein on the Word of God, to keep it completely free from leaven, for the maturing of seeds! You have to see that! For as long as seeds remain in an immature state, it would be impossible for the world to recognise the pure original seeds reproduced at the end time, pure original seeds the Lord is seeking to get at this harvest time, for which reason the early church was sown! Exactly! Immature people do immature things! That is why Christ declared way back in A.D. 33, that the principal scribe of the end time, the ***“householder”*** scribe, will produce or teach other scribes just like himself, all under Christ, for other scribes will be tutored to be just like him! That verse of Scripture, first gives us the Paul of the end time, the chief apostle, and then subsequently John, the lead apostle, two modern day apostles, before you

consider any other scribe. And please note, the scribes reproduced by the householder scribe, are strictly apostolic fathers of the end time! Exactly! Therefore, we have to see that the scribes in Matthew chapter 13, verse 52, synchronises with Malachi chapter 4, verse 6B fathers! Yes, it does! That simply and clearly shows us, the first ministry produce of Elijah's pollination message are apostles, whichever way we want to look at it; and the very first apostle his ministry gives us, is the Paul of today, the chief apostle's office, re-established at this end time! Precisely! That is the beginning office for the entire Gentile Ephesian ministry! Absolutely! And it was occupied by the man called Raymond M. Jackson, an American! Moreover, we must realise, if we are truly restored to the early church, it has to start with the BEGINNING OFFICE Christ set for our salvation, which is the office of Apostle Paul! It is God bringing back seed! Exactly! Everything has to follow the precise pattern set by God in the early church, as revealed in the Word of God, which is the Bible! **We have to follow the Ephesian Roadmap!** There is a set ministry pattern, or a set divine ministry order, in the Holy Bible! There is no other way! There will be no other

way! Only one way leads to life eternal: And it is the revealed way of the early church apostles in the Bible! And our Elijah having come and gone, brothers and sisters, the next move of God for the bride of this end time, therefore, has to be through apostles, if we would let the books of Malachi, Matthew, and Ephesians speak to us! Exactly! I tell you plainly: **These are the days of apostles!** The church is moving on! Yes, she is moving on! And every predestined seed of God has to move on with God! All eagles have to follow the continuity of God's move of salvation, for God is moving on! Truth is marching on!

Consider this: When Christ was here in the days of his flesh, the first move of God in that day, for the salvation of the Jewish nation, started not with his ministry, but with the ministry of Elijah, John the Baptist. God's move for the salvation of Israel, coming out of 400 years of silence, started with the Elijah of that day, John the Baptist. This move of God through Elijah was closely followed by the ministry of Jesus the Christ, and then by that of the Twelve Apostles. It was from **Elijah - Jesus - Twelve Apostles.** That was how the Lord moved in that day! We laid it out much earlier in this

message, and our chart portrays it. Brothers and sisters, that is precisely how God moved in that very day. Also, coming out of the long reformation period, which ended with William Seymour, in 1946 God anointed Elijah, William Branham, and his ministry move was God's first move for the bride of Christ of this last age. And this is harvest time! The next move should give us Jesus Christ! But remember, Jesus Christ cannot come back to earth to carry out any salvation move in his fleshly corporeal body! He has to do it by his Spirit invested in somebody on earth! He has to have a vessel he can work through by his Spirit! Hence, in the Gospel of Saint Luke chapter 17, verse 30, Christ gave a prophetic Word concerning the end time, a time when we would have Noah's spiritual setting, compounded with Sodom and Gomorrah's spiritual condition, a setting which is evidently upon us, for the days of homosexuals and lesbians are here, even on a much more dangerous level! He revealed from verse 26: **"And as it was in the days of Noe, so SHALL"** (Future tense, pointing to this end time) **"it be also in the DAYS OF THE SON OF MAN."** The Son of man is the title of Christ as the Prophet, the Prophet of all prophets, the Lamb of God. The Lord

called unto Prophet Ezekiel, **"Son of man..."** As such, Ezekiel is A SON of man, but Christ is THE SON of man. But here in the Gospel of Saint Luke, Christ is prophetically referring to this end time, a time when we have Noah's spiritual condition re-enacted on earth, as **"THE DAYS OF THE SON OF MAN!"** This implies that this end time, would be the hour of the projection of Christ's earthly ministry! But how can that be, when Christ is not here on earth? Moreover, when Christ comes back to the earth to establish the Millennium, he will no longer be the Son of Man. This is so, even though in reference to his second physical coming, he stated in Matthew chapter 24, verse 27 thus: **"For as the lightning cometh out of the east, and shineth even unto the west; so shall also the coming of the Son of man be."** That verse, which deals with his second physical return, is not saying he will come back as the Son of man, but since he himself is the Son of man, the Prophet, he could refer to his future coming in that way, which is merely to say that he, being the Son of man (i.e. the prophet), will be coming back! Period! But he certainly will not be coming back as the Son of man! He will not! In fulfilment of verse

27 of Matthew chapter 24, he will be coming back, strictly as King of kings, and Lord of lords, on the day of the Lord! Exactly! So we must still ask, How can this end time re-projection of the days of the Son of man, which Doctor Luke spoke about be? That is precisely what I want to show you. We will continue the prophecy from verse 27, chapter 17, of Saint Luke's Gospel: ***“They did eat, they drank, they married wives, they were given in marriage, until the day that Noe entered into the ark, and the flood came, and destroyed them all. Likewise also as it was in the days of Lot; they did eat, they drank, they bought, they sold, they planted, they builded; But the same day that Lot went out of Sodom it rained fire and brimstone from heaven, and destroyed them all.”*** (Now listen closely to verse 30): ***“Even thus shall it be IN THE DAY”*** (Or days: Which days?) ***“WHEN THE SON OF MAN IS REVEALED!”*** You are not looking at Christ coming back physically at this end time to re-enact his earthly prophetic ministry, a ministry he had when he first came as a Lamb! No! And neither are you looking at Christ's second physical return, for when he returns physically from the air, it is strictly as

King of kings, and Lord of lords, riding on a white horse, according to Revelation chapter 19! No! For in that day, we are coming with him also on white horses! But here, you are looking strictly at the revelation or the projection or the characterisation of Christ's earthly prophetic ministry, by an earthly end time prophetic vessel! Precisely! Consequently, it would take A son of man (a prophet), to reveal The Son of man (Christ the Prophet of all prophets). Simply put: It would take an end time prophet, to express or characterise Christ's earthly prophetic ministry! I repeat: It would be Christ by his Spirit, in an end time prophet, revealing or re-enacting his earthly ministry once again! This prophetic verse certainly gives us a promise of the manifestation of the ministry of the Son of man at this end time. This is the very office the Elijah of the end time, Brother Branham, also characterised. He characterised Jesus the Christ in his earthly ministry or office! That is what verse 30 gives to us! And that is why verse 26 says what it says, for it clearly talks of the re-enactment of ***“the days”*** (plural days) ***“of the Son of man!”*** It says precisely: ***“And as it was in the DAYS OF NOE, so shall it be ALSO in***

the DAYS OF THE SON OF MAN!” It is a re-enactment of Christ's earthly prophetic ministry, in a Sodom and Gomorrah setting of the end time, looking at verse 30, which is, Thus saith the Lord in His Word! This was fulfilled through William Branham, the star messenger to this last age. The Almighty God designed this in His sovereign will, to allow us Gentiles living at the end time, to have a taste of what Christ's earthly ministry was like, knowing Christ never came to us Gentiles, in the days of his flesh! Exactly! Hence the reason William Branham had the kind of ministry he had. As a prophet characterising Christ's earthly ministry, he could discern the thoughts in the heart of men, see into people's lives (whether past, present, or future), raise the dead, cast out cancer, supply fresh eye balls into sockets which never had eye balls before, make cripples walk, cause the blind to see, make the deaf to hear, cause a short leg to grow out to meet up with the other leg, right on the platform, in open view, all by the Spirit of Christ, performing open (visible) exploits and marvels seen only in the earthly ministry of Jesus Christ. What was that? That was the Son of man, ***in a son of man***, revealing himself to the whole world at

this end of the grace age, giving us in this last church age, the days of the Son of man! And as such, from the view point of Luke chapter 17, verse 30, Brother Branham characterised Jesus the Christ. But from the standpoint of Malachi chapter 4, verse 6B, he characterised John the Baptist! In short, he characterised two major Biblical ministries at this end time: John the Baptist and Jesus the Christ, or Elijah and the Son of man! But please note, from the view point of Malachi, he did not characterise Jesus the Christ, but John the Baptist. And from the view point of Saint Luke, he did not characterise John the Baptist, but Jesus the Christ. Everything has to be put in its proper Scriptural context, rightly dividing the Word of truth! Saints of God, what does this show us in relation to the moves of God in this Laodicean church age? It is simply this: Since Brother Branham was used of God to characterise two major Biblical ministries at this end time, John the Baptist and Jesus the Christ, then the next move of God for Gentile salvation, according to the revealed plot or the roadmap God charted out in His Word (i.e. in the Bible), gives us apostles! I repeat: The next move of God after Elijah

gives us apostles, our end time fathers of faith, who are also referred to in Malachi! And the specific office within the apostolic fold which his ministry first produces, is the office of Apostle Paul, who is **"the apostle"**, or the chief apostle (it means the same thing), the STARTING OFFICE of the apostolic ministry, a principal father of the end time! God set this **continuing ministry** in motion in 1966 with Brother Jackson, following the passing away of the prophet in December 1965! Therefore, the plot of God's move for today, for the true bride in this last age, started with Elijah, followed by Apostle Paul of this age, the chief apostle, Raymond Jackson! How do we know that? It is the revelation a man bears under Christ, coupled with the testimony of God's principal voice on earth, that shows who he is, the same way we are able to locate and position each and every man, all through the seven church ages, spanning about two thousand years, a long period of time which make up the Gentile age of grace! Exactly! I am saying in essence, God moved on after William Branham, and you have to move on with God in His plan of salvation, if you want life eternal! Exactly! The moves of God in this seventh age synchronise

with the way He moved in the earthly days of Jesus Christ, as our chart shows, up to the end of the first church age, perfectly mirroring what he did back there: He moved today from **Elijah - Paul - John**. We are coming later to the move of John. However, the FIRST salvational MOVE of God through William Branham, gave us the **first junction** of time in this Laodicean church age; and the SECOND MOVE of God through Raymond Jackson, gave us the **second junction** of time in this same age, whilst the THIRD MOVE of God through the John of today, gives us the **third** and final **junction** of time in this last church age. But remember, our Elijah also characterised Jesus Christ's earthly ministry, for he characterised two major Biblical ministries at this end time. Do not forget that! And after Christ's ministry, you come to Apostles! After Christ, you come to Apostles! There is no other ministry we can go to, Scripturally! Wake up! And for us Gentiles, after Christ, we come specifically to Apostle Paul's ministry. Exactly! Hence the move of God today is **from Elijah** (W. M. Branham), **to the Chief Apostle** (R.M. Jackson), **to John** (End time lead apostle). Why? As I have been stating, in that day when Christ was here, God

started His salvation move with the ministry of John the Baptist, followed by Jesus Christ; then for us Gentiles, it was Apostle Paul's ministry which came next, for the twelve apostles were sent strictly to the Jews! But it still gave us the apostolic ministry nonetheless! Exactly! Hence when we move from Elijah's ministry today, we come straight to Apostle Paul's ministry! THAT IS THE EPHESIAN ROADMAP! That is the revealed plot of God! That is the way to the Ephesian pure seed church, for it is God bringing back pure seed, but everything in its due divine order! There is no other way, Scripturally speaking!

The things we have laid out so far lets us see that God today is taking the very road map He laid out for the establishment of the original early church Ephesian ministry, which produced the early church (the original pure seed church). And we have no choice but to follow God strictly in the light of His Word, for the establishment of the ministry, because the Lord has a Scripturally revealed way of how He is dealing with the bride, to move her on in the light, so as to get her in a proper shape for the rapture. You must understand everything does not end with the pollination

process! It is a most vital process, for it is the means of the conception of seed, and hence the means of seed reproduction in the Shuck! But once pollination has taken place, it also sets in motion other internal processes that will finally bring out the seed in reality, and in due order, for the reproduction of the ministry comes first. All the seeds are not reproduced in one day. But the original ministry being reproduced, leads consequently to the reproduction of all other seeds, and thence to seed maturity, thereby manifesting pure original seeds at this end time; the pure seeds God is seeking to get at this harvest time! That is when it will look **exactly** as the original pure seed church Christ produced on the day of Pentecost, if you understand anything at all about seed reproduction! I have to say, therefore, no man will attain true spiritual readiness for the rapture, except and unless he or she is following the Lord in the continuity of His revelation, through the ministry He has established to move the church forward, after the death of William Branham, for God surely moved on! God moved on! The move of God and the plan of salvation did not end with William Branham! It did not! And it has not ended!

Neither did the unveiling of the Word of God end with William Branham. It did not! For instance, he only opened up the book of Revelation which Christ wrote to the end time Gentile bride, to a measure! We cannot throw the rest into the dustbin, or treat it as though it is irrelevant! No man can take away or deny any jot of that serious prophetic writing and still make it into God's kingdom! It would be impossible! Christ must still open up other truths buried in this book and in other books of the Bible! Brothers and sisters, revelation continues, for the revelation of God all through time has been progressive and not static, and we cannot put a full stop to it because God sent Elijah! The revelation of God did not end with Elijah (John the Baptist) in that day, and neither does it end with Elijah of today (William Branham). It does not! Revelation does not stop until we go in the rapture! As such, you cannot tie the revelation of God and the plan of salvation to William Branham's ministry, for that would be the height of spiritual malady and idolatry! This plan of salvation is more than the prophet to this age! It goes beyond the prophet! It is therefore not about the prophet, even though he is in the plan of God, as the principal vessel God used to

accomplish the call out of God's elect seeds, and to bear the pollination message in this last age, being the seventh star! But revelation did not end with the **first star** messenger in the first church age, for God moved on in His light, further than what Apostle Paul bore! And revelation did not end with the **seventh star** messenger in this seventh age, for God also moved on in His light, further than what Prophet Branham bore! Exactly! God remains the same, for He does not change! God has always moved on, for the plan of salvation has not yet been fully accomplished! And as such, there is continuity! And you must follow continuity! Let me ask you sincerely: How can you limit revelation to William Branham's ministry, when he is gone and the bride of Christ is still here? How can you do that when his ministry was not used in isolation of the entire plan of God's salvation, but was used strictly to accomplish a part of God's plan, however big a part he was used to accomplish?! Think seriously of it! You cannot look at his ministry in isolation! You cannot! Yes, we can see his precise position within the overall plan of salvation; but you cannot tie that plan to him, as to limit God! You cannot do that! That would be utter

foolishness! For he only accomplished something in this great plan, a plan which spans all ages of human time! He only bore a portion of the Word of God (i.e. a portion of its revelation)! He did not bear the revelation of the entire Word ordained for the spiritual adornment of the bride! And the bride will be dressed in nothing but a pure revelation of the complete Word of God! We therefore have to follow continuity in order to get to that place of perfect readiness for the return of Christ in the rapture! And as such, knowing the plot of God in this last church age is most crucial, and that is what this message also gives to us, as we lay out the entire plan of salvation, which the Lord mapped out in His omniscient mind, before the foundation of the earth, as revealed in the Scriptures, right from the book of Genesis, to the book of Revelation. But you must know most assuredly that God moved on after William Branham! He did, regardless of how much the Movement deny it! However, we now have to move on, to show why Raymond Jackson is that man whom God used to move the church forward, following the death of Brother Branham; in order to give people a chance to see something in our day, so they may follow Christ in the

continuity of his divine revelation, which gave us the present truth, or the fresh carcass, for this junction of time, in this seventh age. I have already shown by the Scriptures, and clearly too, that the continuing move of God after the Elijah of today, gives us the Paul of today, the chief apostle. Now I want to flesh that with the facts of history we have in this our day; of the reality of God's dealing in the light, in this final church age, adding to it the testimony of Brother Branham, knowing that the Branham Movement, in the main, are not going to move on, regardless of what any man says. Only an elect remnant will, for every eagle of God will hear the call of the mama eagle, for "**Deep calls to deep!**" And do not forget, once the tassel has served its purpose, God also has to lay it on the shelf, for He is not looking for tassel, but for pure seeds! God did not sow the early church in order to reap tassels! He did not! He sowed the early church to reap many more pure seeds like the early church! But no tassel, no seed! Therefore, God accepts the tassel, and simply moves on, just as He accepted every blade, and as He also accepted every shuck, all necessary stages of seed reproduction! But at harvest time, the Lord only needs pure seeds, and will

accept only pure seeds, for all other developmental stages would have served their purpose, and at that time, every blade, every shuck, every tassel, and stem of that wheat tree, will be burnt up, the husbandman having received back pure seeds! Think on that! That is something the Branham Movement need to think seriously on, for you have got to see what the Lord is doing, in the light of His Word. ***He that hath an ear, let him hear.***

The prophet to this age clearly warned his followers who have an ear to hear, that there is most certainly continuity to his message, because the message is not about him, but about Jesus Christ, and the revelation of Christ moves on, till the plan of salvation is fully accomplished. Moreover, the message is one! The message of Christ is one, though he may use various vessels to carry portions of it, but the message of Christ is one! And as I have been saying, until it is all over, it is not yet over. Therefore, God must move and will continue to move, for the establishment of His divine plan of salvation, a plan which spans all ages of human time, being an extremely great and most

glorious and elaborate plan. In his sermon book titled, *Spirit of Truth*, page 6, paragraph 43, which he preached on 18th January, 1963 in the Church of All Nations, Phoenix, Arizona, Brother Branham plainly warned: ***"It may be my going-home time. It looks very much that way. If it is, THERE WILL RISE SOMEBODY AFTER ME, THAT'LL TAKE THE MESSAGE ON"*** (He will take the message further, for the message is strictly about Christ, and it comes in folds, being progressively given. He repeats it): ***"He'll be an odd person, BUT HE'LL RISE AFTER THIS AND TAKE THE MESSAGE ON."*** (Bringing continuity to the message of Jesus Christ which William Branham brought. Hence the prophet now warned us concerning the new revelation of truths he would bring): ***"AND YOU LISTEN TO IT."*** (i.e. Listen to his continuity message! Do not reject his message! Follow his ministry! He therefore warned): ***"AS LONG AS IT'S SCRIPTURE, STAY WITH IT!"*** (Stay with his continuity message! Do not reject it simply because Brother Branham did not touch the issue, or because he did not preach about it! Follow his continuity light, for the message of Christ moves on!

Revelation continues, for it is progressive!). Brother Branham passed away about three years later. This quote clearly gives us continuity to the message William Branham brought, for his message is the message of Jesus Christ of the Bible. And that message is progressively given. It started in Genesis, and ends in the book of Revelation; God using vessel after vessel, from one age to the next, and from one junction of time to the next, each bearing a portion of the Word! And since John wrote the last verse of the Bible in 96 A.D., bringing completion to God's written Word, and the church fell and went into Babylon, God has also been raising up men, using vessel after vessel to convey to us the true revelation of the written Word, and that revelation is not yet complete! Hence we have continuity to the revelation of the written Word of God!

As I pointed out earlier in the course of this message, the entire Bible did not come in one day, and it did not come by one man; and neither is the revelation of it going to come in one day, nor is it going to come by any one man! Each vessel God anoints to carry His revelation, does so only to a measure! Some carry a big

measure, and some carry a small measure, but truth is truth, and none can be rejected! Every written revelation piece has its divine slot! We are even going to enter an hour when God will convey to the bride the revelation of things which are not written! For instance, the seven thunders are coming with nothing but unwritten truths of Christ, after we would have appropriated or eaten the balance of written revelation, according to the book of Revelation chapter 10, verses 1-4! Exactly! The fact of continuity has been well laid out in this message, by the grace of God, and it should be clear to the seeds of God. No one man had it all, and no one man will have it all, until we get to the hour of completion, at the hour of the rapture, for there is an hour when the revelation of the bride, will be brought to its completion, just as we are about to be raptured! We are going to touch on this hour before we close this message. And until that hour comes, revelation continues! Consider this: Brother Branham did not touch the Seven Trumpets and the Seven Vials of the book of Revelation, amongst many other truths he left untouched. I ask you: What are you going to do with these precious truths if you do not follow continuity? And please

do not tell me we do not need to know it, or that it is for the Jews! In the first place, it was not written to the Jews, but to the Gentile bride! Secondly I ask you: Why was it written to the Gentile bride and not to the Jews, if we are not to be motivated by the truths conveyed therein? Exactly! Hence Brother Branham declared in his sermon titled, *The Seven Church Ages*, page 105, paragraph 3, and listen closely: **“Now let this be known: Scripture does not play with Words. WHATEVER IS IN THE RECORD IS THERE FOR THE ANOINTED EYES TO SEE. It is there for a purpose!”** Yes sir! I believe that statement with all my heart, for it is an absolute truth! Brothers and sisters, Brother Branham bore the message of Christ only to a measure, for he bore only a portion of that message, even though a great portion. But there is more still to come, for there are other portions and other vessels to carry it for the end time bride! Hence in paragraph 44, the prophet continued, in his sermon titled, *The Spirit of Truth*, but we will back up a little into paragraph 43: **“But he'll rise after this and take the Message on. And you listen to it. As long as its Scripture, stay with it.”** (He continued): **“IF IT ISN'T”** (Then he broke off that

sentence, for he did not finish that thought, and went straight into something else very revealing! He declared): **“THERE IS COMING ANOTHER PORTION NOW!”** I ask: What portion? Another portion of the Word ordained for the next standard bearer! He spoke here precisely of the next portion of truth, his successive anchor man would bear, an office his ministry produces, which is the office of the chief apostle and principal father of the end time, Raymond Jackson! For Malachi 4:6B Elijah produces Ephesians 4:11-12 ministry, starting first with the apostolic fold, which begins with the very office of the Paul of the end time! That is precisely why he declared in 1960, when he preached his message titled, *The Seven Church Ages*, on page 172: **“Now let us stand like Joshua and Caleb. Our promised land is coming in sight even as theirs did.”** (Why did he say that? Because we are yet to get there! The bride is still here!). **“Now Joshua means ‘Jehova-Saviour’, and HE REPRESENTS THE ENDTIME LEADER”** (Singular) **“THAT WILL COME”** (Future tense) **“TO THE CHURCH EVEN AS PAUL CAME AS THE ORIGINAL LEADER. Caleb represents those that**

stayed true with Joshua.” This is a quote which clearly gives us the re-establishment of Paul's ministry at the end time, a ministry Elijah's ministry first produces, and to whom he turns the bride over to, as Prophet Malachi said he would! Exactly! Remember, Brother Branham's ministry does not type Joshua, but types Moses' ministry, being a fellow deliverer. Exactly! And Joshua's ministry is an offshoot of Moses' ministry. As such, the prophet himself declared in his message on Ephesians, which is laid out in his sermon book titled, *Hebrews*, that **Joshua types Ephesians!** It does! And although Joshua types the five fold ministry-head God set over the bride, which is the Ephesian ministry, do not forget, in relation to the plural body of ministry on the ground, in the wilderness (a ministry of Priests and Levites), Joshua also types the plural apostolic head of the Ephesian ministry! Because Joshua was also the head ministry in that day! But do not also forget, he was in fact the lead ministry! And as the lead ministry God set over all the other men in the ministry in that day, **HE ALSO TYPES PAUL!** Exactly! This is the very context in which the prophet spoke in this quote buried in the Seven Church Ages,

because he was looking precisely at the **continuing office of Paul**, the apostolic ministry which takes over from his Elijah office, even as Joshua took over and continued right from where Moses left off, in the salvation of Israel in that day from Egypt! And God told Joshua in chapter 1, verse 5, **“There shall not ANY MAN”** (in the ministry) **“be able to stand before thee all the days of thy life: AS I WAS WITH MOSES”** (Not in any lesser measure, but in the very same measure), **“SO I WILL BE WITH THEE: I will not fail thee, nor forsake thee.”** Why? Because God keeps watch over His plan of salvation like a hawk! That should let us know that this is not about Moses or about Joshua, but is strictly about the plan of the salvation of Israel from Egyptian bondage and into the Promised Land! Exactly! God must jealously guard His plan of salvation, regardless of the vessel He uses, and regardless of the size of his ministry! Exactly! You have to see that! Wake up somebody! You cannot personalize God's move! Hence the Joshua of today (the Joshua of the end time), talking strictly in terms of the lead ministry, is the chief apostle, Apostle Paul of this end time. That is the person the prophet talked about

here! That is why he added: **“Caleb represents those that stayed true with Joshua.”** Any sane mind should see that! If you cannot see it, pray to God, for I certainly cannot help you! But I now ask: What does this give us? It plainly and unquestionably gives us the continuing ministry God sets on earth for the bride of Christ, right after the ministry of William Branham! Yes! It gives us precisely Paul's office, re-established at this end time. And this consequently gives us **CONTINUITY OF DIVINE REVELATION!** Amen! Saints of God, we are going to take time to deal sufficiently with God's dealing in this Laodicean age, as this is the age that affects us, being the age in which we have existence, and is as such, a most crucial age to us. What happens today, and our attitude to God's move, and towards the revelation He gives, determines our eternal destiny. Therefore, please pay attention, if you love your soul.

Then in the month of March, 1963, whilst preaching on the Seven Seals, he waited right till the last day, when he was preaching on the Seventh Seal, to make an open and most profound prophetic declaration to the bride of Christ. It is on page 567, paragraph 4 of the old Seals

book (page 512, paragraphs 326-328 of the new Seals book). He proclaimed on the 24th of March: ***"It may be time, it may be the hour now, THAT THIS GREAT P-E-R-S-O-N"*** (Singular person, not a spirit) ***"THAT WE'RE EXPECTING TO RISE ON THE SCENE MAY RISE ON THE SCENE."*** (Rise in the camp of the bride, as a take-over ministry; a continuing ministry) ***"Maybe this ministry, that I have tried to take people back to the Word, HAS LAID A FOUNDATION"*** (Yes he did! Malachi 4:6B Elijah laid the foundation for the projection of the end time Apostolic Ministry, which is the end time fathers of the faith of Christ, the head of the Ephesian five fold ministry! This is God bringing back the original ministry seed! Hence he truly laid a foundation for the office of the chief apostle, who is the one to come, the man who would be the successive standard bearer! Exactly! The prophet now declared): ***"AND IF IT HAS"*** (i.e. That being so; if that is true), ***"I'll be leaving you, for good."*** (And he left us for good about two and a half years later, because he truly laid a foundation for the office of the chief apostle, the principal father of the end time, whom he turns us over unto, according to Malachi! Hence he now declared): ***"THERE***

WON'T BE TWO OF US HERE AT THE SAME TIME!" Because we cannot have two standard bearers on the ground at the same time! Two captains do not live in the same boat! One vessel bearing the torch of truth has to go before God can anoint another one to take his place, in order to move the bride on! Exactly! Brother Branham continued: ***"See? If it is, he'll increase; I'll decrease."*** Why did he say that? Firstly, he was looking at Christ in his next principal vessel, and Jesus Christ must always have pre-eminence! Secondly, it is because pre-eminence must always be given to the successive standard bearing ministries, in order to move God's people forward in God's plan of salvation! Otherwise, the people will use the last ministry to bog down the current move of God! Therefore, pre-eminence will always lay in God's present-tense move, so that the people of God can move on! Hence God told Joshua: ***"There shall not ANY MAN be able to stand before thee all the days of thy life: AS I WAS WITH MOSES, SO I WILL BE WITH THEE...!"*** Otherwise, the people will look down on Joshua, using the bigness of Moses' ministry to hinder the progress of Israel's salvation move under Joshua!

Precisely! This should be plain to one and all. Brother Branham concluded: ***"I don't know."*** (What exactly did he not know? He did not know the material details of the successive move to come after his ministry move!) ***"But I have been privileged, by God"*** (being God's prophet for the hour) ***"to look AND see what it was unfold"*** (prophetically) ***"to that much."*** (The much he was given to see by the Spirit of God. Then he sealed it): ***"NOW THAT IS THE TRUTH!"*** It is thus saith the Lord! Brothers and sisters, the one to come here is none other, and can be none other, than the chief apostle, the Paul of this end time. Only a mentally deranged person, spiritually speaking, would say this quote applies to Brother Branham himself, but he was not speaking of himself! He did not lay a foundation for himself, but for the apostolic ministry, which is his first ministry produce! And neither does it speak of the coming of the Spirit of Christ, because Brother Branham did not do all he accomplished in his own strength without the Spirit! The Spirit of God was not absent in his ministry for us to now be expecting the Holy Spirit to rise on the scene after his death! A mortal cannot hand over to a spirit! That would be the height of

spiritual insanity to think so! The quote speaks strictly of the successor ministry Christ will use by his Spirit to move the church forward in the plan of salvation! It gives us the continuing ministry of Christ, through **The Apostle** of today. You have to stay with the Ephesian roadmap! Follow the road to the church in Ephesus! That is the only blueprint for the church of the living God! There is no other way! That is God's masterplan! He knew his ministry was in its last days! Hence he said he would be leaving us for good in the month of March, 1963: And he did! So, he could not have been laying a foundation for himself! He died in December 1965, about two and a half years after giving us this warning! Hence, again in December 1963, he repeated this expectation, in his message titled, *Look Away To Jesus*, page 7, paragraph 50: ***"Now we are closer than it seems to be. I don't know when, but it's real, real close. I MAY BE BUILDING A PLATFORM FOR SOMEBODY ELSE TO STEP ON."*** (He did!). ***"I may be taken before that time."*** When we even consider the serious and most instructive prayer he offered at the close of the Seven Seals message in March 1963, we have to realise God dropped a lot of witnesses through the

prophet, of the continuing ministry, and consequently, of the continuity message. He did! The prophet earnestly prayed, on page 573, paragraph 3 of the old Seals book (page 518, paragraph 373 of the new Seals book): ***"Then, Lord, I pray that You'll help me. I'm beginning to fade away, Lord. I know my days can't be too many more, and I pray that You'll help me. Let me be true, Lord, and honest and sincere that I might be able to bear the Message as far as it's ordained for me to bear. And when it comes to the time that I must lay down, when I get down to the river and the waves begin to come in, oh God, MAY I BE ABLE TO HAND THIS OLD SWORD OVER TO SOMEBODY ELSE THAT'LL BE HONEST WITH IT, LORD, AND WILL P-A-C-K THE TRUTH. Grant it, Lord. Until then, help me to be strong and healthy and courageous."*** And let me tell you now: Of all men that followed Brother Branham, and of all men that walked in shoe leather after Brother Branham passed away, there is no man on this planet that bore the depth of revelation, and the expanse of the unveiling of the Scriptures, like Raymond Jackson! No one else did! The glory is God's, but

Brothers and sisters, that man packed the revelation of the Bible, opening it up, from the seed chapter in Genesis, to the book of Revelation, making the Bible become, an open book for us! God be praised! If this is not the Paul of today, I ask, What will this Paul do? Heal the sick? False anointed ones in Matthew chapter 24, verse 24 have that in great measure in order to deceive! The **greatest vindication** any man can have is the vindication of the Word of God! After all, John the Baptist and Prophet Isaiah did not do any miracle or wonder, but they bore the revelation of God for their day, and we can see their footprints in God's great plan of salvation, as major pieces in God's giant puzzle! Exactly! Brother Jackson was the man whom Christ used to tie up the loose ends of Brother Branham's message, and also to explain the unusual ministry he had (in view of the duality that ran through all his messages, which gave us counter-quotes to every statement he made on issues of truth). He was the one the Lord also used to put the message of Elijah in its true Scriptural perspective, giving us its Scriptural balance, for we did not truly understand this deep message God sent through the prophet,

particularly as God designed it as a giant spiritual maze, for the elimination of all non-seeds. And let me tell you now: Without the light he shed under Christ, no man in the Movement would have a true and balanced understanding of the Godhead! That is a fact! You would have to read his Contender messages, to truly understand the Godhead, or be influenced by someone who has! That man had a message for the bride! He carried a Bible message that stood out and was clear! He was the only man that could pack a continuing message, and he was the only one that packed a continuing message, following the death of Brother Branham! And his message was very distinct, and most clear, bearing a true revelation of the Word of God, which set him way above every other vessel on God's green earth! God used him to open up the seed chapter, for he went into the book of Genesis, and opened up the truth of the Pre-Historic World, or The Testing And Fall Of Satan; The Two Trees or The Two Laws of Eden; the Seven Days of Creation; moving up to, The Seventieth Week of Daniel; The Seven Parables of Matthew Chapter 13; The Woman of Mystery of Revelation chapter 12; The

Everlasting Gospel; The Seven Trumpets; The Seven Vials; The Three Woes; The Age of Regeneration; The New Jerusalem etc., opening up fresh nuggets upon nuggets of truth, whilst unveiling the prophetic picture of the Bible for us, from the book of Genesis, to the book of Revelation, helping us to see Christ in plain Bible view! Exactly! Brothers and sisters, Raymond Jackson packed the truth for 39 solid years without ceasing, and with great ease! God be praised, for no man can do so without God being in him! Read the Contender magazine which bore his continuing message, censor it with your Bible, and you will see an unparalleled grace of God in his life, in this last age! That is the truth, and it does not call for jealousy or envy, but for gratitude to God, for giving us such a vessel! And through him, an army of men in the ministry were raised up around the globe, to stand for the continuity truth of the Word of God. It is God carrying on His plan of Gentile salvation. And I will say this to the glory of God, for it is God's doing, and it is marvellous in my eyes: What I know today by God's grace, I know because I followed the message of Brother Branham, and the continuity light Raymond Jackson bore

under Christ. Yes, that is the truth! That is precisely why I know my Bible, and the Movement in the main remain as blind as bats to the inspired Scriptures! Praise God! Amen! That is why the gap between those of us following continuity, and the Branham Movement is phenomenal! The difference in our understanding of the Scriptures is incredibly great! And it is getting wider by each passing day, because the revelation of God is continuous, being progressively given! And it is continuing, even as we speak! But one thing is certain: The revelation he bore, shows who he is! There can be no debate about that. It is settled. By the revelation of the Bible he bore, Raymond Jackson stood out, way above all the men that were raised up in the Branham Movement, from Joseph Coleman, to Neal Frisby, to Ewald Frank, to Richard Gan, to Ben Howard etc., all these men who carried and still carry nothing but a confused and confusing message! Only Raymond Jackson, did not add to the confusion in the Movement, but rather, he was used of God to straighten people out, leading them out of confusion, to stand upon the solid rock of the Word of God! Praise God! Amen! Even Ben Howard of Georgia, USA,

had this to say of Brother Jackson, in his message titled, *Having The Right Slant On The Gospel*, page 5, paragraph 3: “... **So was it in this message, until after the prophet William Branham's death. THEN GOD RAISED UP RAYMOND JACKSON of Jeffersonville, Indiana and he began to point us in the right direction concerning this matter; for we thank God. Now that God has taken him home, we continue in this same direction.**” Oh my! Again in his message titled, *How God Has Led Me*, he shared a dream he had, and in it, he made the following admission, on pages 15-16: “**One night as I lay in bed thinking about what God had been doing in the closing out of this age, about brother Branham's place in this last church age and his death in the auto accident; and what we were to do from here to the Rapture, I fell into a deep sleep and had a dream. Just as quickly as I had fallen asleep, I was wide awake. I felt the dream was of God, seeing how I was thinking about leadership concerning where to go from here.**

In the dream, I was walking toward what appeared to be a pasture of rolling hills

of very green grass. It seemed to me as though I was walking on an old wagon trail or road, it seemed to be a well traveled wagon road that crossed a little creek. As I got to the ford (place to cross), I noticed a root protruding out of the bank of the road. It was about an inch in diameter and probably a foot long. It seemed that many people had tried to pull the root out of the bank, because there was a hole around the root about 3 inches in diameter. Many would pull or tug (which would be a typical thing to do). I walked up to it and tried to pull it out, but I couldn't. In the dream, I crossed the creek and walked up the hill until I got to the top, then I stopped to see the beautiful rolling hills. Then I noticed someone, a man, coming toward me. As he got closer I saw that it was brother Raymond Jackson. So I just waited for him there. As he approached me, there was no greeting; neither from him, nor myself. He walked right up to me, reached in his pocket and pulled out “TWO TWENTY DOLLAR BILLS”, and gave them to me without saying a word. Then he continued his journey and walked over the hill, and I never saw him

again. I looked at the two twenty dollar bills, and for the first time in my life, I noticed the picture that was on a twenty dollar bill. It was the picture of Andrew Jackson. Then I folded the two twenty dollar bills and put them in my wallet. I turned and walked down the hill, across the creek and the root that was in the bank caught my attention. Again, I walked over to the root, and took hold of it. All of a sudden, it came in my mind on how to get the root out of the bank. It was like a revelation, something in my spirit seemed to say, “Push the root in, twist it to the right, then pull on it, twisting it to the left, then twist it back to the right while pulling on it. It was like a combination to a safe, so I did exactly as it was told to me to do, and the root came out of the bank.

Upon waking out of my sleep, I thought on what I had just dreamed, and what might be the meaning there of. THIS DREAM WAS SHOWING ME THAT “ONE OF THE TWENTY DOLLAR BILLS” WAS BROTHER BRANHAM'S MESSAGE AND THE OTHER “TWENTY DOLLAR BILL” WAS BROTHER JACKSON'S

MESSAGE, HIM HAVING THE RIGHT SLANT ON BROTHER BRANHAM'S MESSAGE, AND ALSO BRINGING THE TRUTH OF GOD'S WORD FARTHER ON; OPENING A DOOR, SO THAT THE SHEEP COULD GO THROUGH TO GREATER REVELATION.

Just like Peter, on the day of Pentecost, used the keys to open the door to greater revelation, thus making a way for Paul's message. Now that I had received both of these messages (the two twenty dollar bills), I was able to go on ahead and do what was ordained for me to do. Pulling the root out, that has been pulled on by so many over the years, thus having a clear picture concerning God's work here at the end time.

My thinking is this: I WOULD NOT HAVE KNOWN MANY OF THE THINGS I KNOW, IF IT WOULD HAVE NOT BEEN FOR THE 7 MESSAGES; WHICH INCLUDES, THE PREHISTORIC AGE, TESTING AND FALL OF SATAN, SEVENTY WEEK OF DANIEL AND THE KINGDOM OF HEAVEN AGE THAT GOD LET BROTHER JACKSON BRING TO THE CHURCH AFTER HIS MEETING BROTHER BRANHAM IN A

DREAM. In the dream, brother Branham came to him and said, "I want you to speak for me." Brother Jackson had 7 titles to 7 messages written on a piece of paper and said to brother Branham, "I will if I can speak on these Brother Branham." Brother Branham looked at it and said, "Perfect." The two twenty dollar bills (that brother Jackson gave to me) represents what God showed brother Branham, plus what God has given brother Jackson; with both messages, we are equipped to take this message on to the next level. What an admission! And what a dream! And it is very true that with the continuity light Brother Jackson bore, we are ready for God to take us to the next level; but I ask, What next level is it? Is it a level we can obtain by ourselves without recourse to the divine plot God has charted in His Word, to move the bride on to the next level? Can we attain the next level without the next ministry move of God through John? Does the next level not bring us to another junction of time, when God makes another move? Has God ever moved His people on without a vessel to bear the light? Secondly, and more importantly, seeing as

Ben Howard had the audacity to talk glowingly of Raymond Jackson's standard bearing ministry, following that of the prophet, I now have to ask: Why then did he, (Ben Howard), not follow Brother Jackson in his revelation?! Why did he not stand with him in the light, if he truly believed Brother Jackson had the right slant on the message, and that he led us further in the truth, in the confusion that engulfed the Movement, which the prophet's passing away brought?! Why did he stand against Brother Jackson in the Philippines on issues of truth so plain and so clear, till he was able to derail men like Rudy Villagonza?! What a hypocrite! Lord have mercy! But I must admit, the testimony he bore of Brother Jackson is very true, nonetheless, although it is a testimony God will also judge him by, for with his mouth, and with his pen, he has openly admitted to something! Exactly! These hypocrites! Nevertheless, this testimony leaves us with an admission by a man in the ministry, who is still jetting around the globe, amassing followers all over creation, with a very warp and incredible version of the message! Just to buttress my statement on his perverted understanding of the Word of God, I will give you just one of

his teachings. In his book titled, *The [Interpreted] Book Of Revelation*, page 161-162, he declared: "Now, we get to the place where the revelation of the seven thunders is shown to be the revelation of the seven seals." (Did you hear that? He continued): "THE THUNDERS ARE THE SEVEN SPIRITUAL ANGELS THAT WORKED WITH CHRIST THROUGHOUT THE SEVEN CHURCH AGES. So the mystery about the seven thunders is not who they are, that's very clear. The mystery is what they said when they uttered their spiritual voices through the earthly voice of the seventh church age messenger; and now we know it relates to the seven church ages that we have come through, and was cleared up by the seven thunders. THE MIGHTY VOICE OF CHRIST AND THE VOICES OF THE SEVEN ASSISTING ANGELS MAKES CLEAR THE BOOK OF REVELATION BY REVEALING THE SEVEN SEALS. That's why the ministry of Ephesians 4:11 is brought into divine order, as Christ is here to back up the Word that is spoken by the live ministry. This will also bring into fulfilment 1

Corinthians 1:10, all speaking the same thing, but JOHN WAS TOLD NOT TO WRITE WHAT WAS SAID, BUT THANK GOD IT'S REVEALED BY THE OPENING OF THE SEVEN SEALS." What an absolute load of rubbish! How carnal people can be with their so-called revelation! What a muddling up of prophecy! Yet the prophet himself stated thus, very clearly of the seven thunders, when he preached on the seventh seal in 1963, although hearing they hear not: "Now, what this great secret is that lays beneath THIS SEAL, I DO NOT KNOW. I DON'T KNOW IT. I couldn't make it out. I couldn't tell it, just what it said." (But he linked the seventh seal with the seven thunders! He did not link the seven thunders with the seven seals (plural), He linked it strictly with the seventh seal (singular), because the revelation of the other six seals had already been given, and hence known to us all! Hence he plainly revealed concerning the seventh seal): "BUT I KNOW THAT IT WAS THEM SEVEN THUNDERS uttering themselves RIGHT CLOSE TOGETHER, just banging seven different times, and it unfolded into something else that I seen. Then when I seen that, I looked for the

interpretation that flew across there, and I COULDN'T MAKE IT OUT. That's exactly right. See? THE HOUR ISN'T QUITE YET FOR IT, but it's moving into that cycle, see. It's coming up close. So the thing for you to do is REMEMBER THAT I SPEAK TO YOU IN THE NAME OF THE LORD; BE PREPARED, for you don't know what time something can happen... I'm only telling you what I seen and what has been told me, and you do whatever you want to. I don't know who's going to... what is going to take place. I do not know. I JUST KNOW THAT THOSE SEVEN THUNDERS HOLDS THAT MYSTERY, THAT HEAVEN WAS QUIETED." I.e. the seven thunders hold the mystery of the seventh seal of Revelation chapter 8, verse 1, making it a future event! Therefore, only the seven future thunders will carry the revelation of the seventh seal, after Christ breaks that remaining seal! Exactly! The seven star messengers to the seven church ages have nothing to do with the seven thunders! That is as plain as plain can be! But just look at what he is peddling around the globe? However, having given you the testimony of Ben Howard concerning the chief apostle, I will now give

you a much better attestation, the testimony of the faithful servant of God to this age.

Talking of the true divine attestation, Brother Branham laid out before the saints, in some of his key messages like, *Sirs Is This The Time*, and also in *The Seven Seals*, the dream of Brother Jackson on *The Rock of Revealed Truth: A prophetic dream which reveals the opening up of the rock of divine revelation, giving accessibility to the bride, to the deep things of the Spirit of God never seen before, all pointing to the opening of the Seals in 1963, the revelation of which came through the prophet, and the subsequent scattering of the Movement, for lack of revelation, following the passing away of the prophet. In that dream, he was one of the very few who stood by the rock of truth and watched, even as the prophet warned in the dream. And he was the only one in that dream that knew the prophet would go west, and would also later be taken away! The prophet confirmed all the facts of this dream, in the presence of his son, Billy Paul. The dream goes thus, as Brother Jackson related it himself:*

THE ROCK OF REVEALED TRUTH DREAM

“In February of 1961, after the church ages were preached in December of 1960, I saw myself in this dream walking over rolling countryside. I knew that I was going to a certain point, where, when I arrived, I would find the place very congested, with many people that had gathered there from every direction. This was all in my mind as I was walking. Then after a period of time I began to notice that from every angle, I could see people approaching, coming from the north, south, east, and west. I could see myself still walking, constantly moving closer to a certain place where I knew that we would all gather. Finally, I saw myself as I came up over this last little knoll, in a rolling countryside, and looking down through a long valley in front of me, I saw a little figure standing by a rock, protruding out of the ground. As I saw the little figure standing there, I immediately knew who the man was. By this time the whole landscape was covered with a great throng of people, converging into a great circle, around that little man, there in the valley. As we all began to get closer,

the circle became very congested. People were rubbing elbows with each other, but kept on crowding, moving in closer until we were within just a few feet of the man. Then, I hear myself, in the dream yell out, really loud, saying, LISTEN TO WHAT HE SAYS, FOR HE WILL NOT ALWAYS BE HERE! (Now he never told this, that night, when he referred to the dream, in the message, *Sirs, Is This The Time.*) I kept on walking until the whole circle was really pressed in tight around him. Then, I spoke the second time, and said, LISTEN TO WHAT HE SAYS, FOR HE WILL NOT ALWAYS BE WITH US. (Now you will notice that the two statements are different.) The first was, HE WILL NOT ALWAYS BE HERE, and the second was, HE WILL NOT ALWAYS BE WITH US.

Now remember, brothers and sisters: I had that dream in February 1961, but I carried it in my bosom until October 1962. In the dream, as we all stood there, I noticed, laying on top of that big rock, a large pinch bar, like they use in rock quarries. I knew that the little man standing there was the only one who

knew how to use it. I noticed in the top layer of that rock, was a little hair line crevice, which let me know that there was a crack in the structure of that layer of the rock. And I noticed, in that top layer, large, engraved, words which read, **THE ROCK OF REVEALED TRUTH**, beautiful letters! Then, as everyone had stopped, and was standing there, he took that bar and drew back, and jabbed it into that little crevice, and lifted that whole shelf of rock. With that, he began to work it, till he slid the whole top layer of that rock all the way off, exposing fresh rock, that had never been exposed to sunlight nor weather. After he did that, he laid that pinch bar on the shelf of that rock, then he turned to look at the people, and said **STAND BY THIS**. Then he began to slowly move out of the circle, as the people crowded in to look. Something inside of me said **WATCH HIM**. Therefore, I just sort of turned side ways, so that out of the corner of my eye, I just watch his little profile, while noticing that he had began walking westward. As he continued walking westward, I could see him going over little summits, and then down in the

valleys, up and down, until I began to notice that each time he came up, his silhouette was getting smaller, and smaller. Then I noticed that the sun was going down in the west, casting its evening shadows back across the earth. As I stood there watching his little silhouette go over the horizon, there was a feeling came into me; I will never see him again. Then as I turned back to look at the rock for just a moment, I could see that everyone was very busy, looking at that fresh rock, but then they began lifting their heads from looking at the rock, and realizing that Bro. Branham was no longer there, they began to say, **WHERE DID BRO. BRANHAM GO? WHERE IS BRO. BRANHAM? WHERE IS BRO. BRANHAM!?** Becoming frantic as they asked the question. Suddenly, there was MASS CONFUSION, as they all began running in the MANY DIRECTIONS, and screaming, yelling, and crying. All you could hear was **OH, BRO BRANHAM! WHERE IS BRO. BRANHAM! OH, BRO. BRANHAM!** On, and on they went, running in every direction, calling his name in this frantic way. Even as I came out of the

dream, I could still hear them yelling, **Bro. Branham!** It was just like an echo, as I heard it over and over still. With all of that, it left only **A FEW** of us standing by the rock, and standing there together, looking toward the west, we had a great feeling of sadness, as we realized that he was gone, never to return anymore. Yet I could see us still standing by that rock.

I never told that dream until October 1962. Bro. Branham came to our church on prayer meeting night, when we were still over here in Clarksville at the old building. After he had finished preaching and the service was dismissed, people began to gather around him to talk and ask questions. I wanted to tell him this dream, but I did not know how to do it without being rude. Just then, someone pulled up in front of the church with someone sick in the car, and asked Bro. Branham to come out and pray for the person. He turned to me, and said, Bro. Jackson, let us go out there and pray. When we were finished praying, and the car had pulled away, I was standing there with Bro. Branham and Billy Paul. I said, Bro. Branham,

I have a dream that I would like to tell you. He responded by saying, let us go sit in the car. With Billy Paul as a witness, I sat right there in his station wagon and related that dream to him. When I finished, he said, Bro. Jackson; no one else knows this yet, but that is about to happen. We are planning to move west. That would mean he would no longer be here in this area. After that he said, Bro. Jackson, When this all comes to pass, STICK WITH THE WORD, (as he laid his Bible over on the dash), for they will go after everything, teaching everything.

Then in December 1962 he made reference to that dream in his message Sirs, is This the Time, just a few nights before they left, to move to Tucson, Arizona in the beginning of 1963. Then in March, of 1963, he came back and preached the seals, you know how long he lived after that. Now we no longer have him with us. Do you see why the dream had the two different statements in it? HE WILL NOT ALWAYS BE HERE, pertained to his moving away from this area, but HE WILL NOT ALWAYS BE WITH US, PERTAIN TO HIS DEATH.

We can see that most of the element of people that followed his ministry has gone and done just exactly as he said they would do. They have taught everything. Then they will say, now, Bro. Jackson, I think we ought to try and understand each other, and love one another, and let each man teach the message as he sees it. Brother! That might be the way you would interpret the message, but God will never accept it like that. God did not send that man to produce a church, and a ministry like that. He sent him to bring us a message, so that we could see and hear by the Holy Ghost a message of restored truth to God's word.

I will never forget, as he came back here and preached those seals, referring to this dream, and how it was being fulfilled even then, how conscious I was of the part of the dream that said, He will not always be with us. Now I am thoroughly convinced that the rock in that dream was the TRUE REVELATED WORD OF GOD, even though many of the people have gone after the man, rather than the word of God that the man brought to us. Nevertheless, I am grateful

to God that he gave me the privilege and opportunity to sit under that man's ministry. Furthermore, I want you who would read this message to know that I loyally stand behind this man's character, God's purpose in his life, his testimony, and the true Christian example that he set before us. I stand firmly upon the revelation that he brought, to place us back in the word of God, so that we might have our feet planted on that sure foundation, which is Jesus Christ, the true and living word. All of these things have worked together, to make me even more determined and firm, in standing for the word of God. My critics will come and go, but the word of God will stand the test through it all."

Then the Lord gave Brother Jackson another dream, posting him ahead in the ministry, particularly through the instruction the prophet passed to him, based on this dream. I will also let him tell it himself:

THE WHITE HORSE DREAM

"The next dream that I will tell, is one that many of you know about also, but I want it in this message, for I give it in defence of why I feel

that God has enabled us to teach some things that we have taught. It is the horse dream that I had in December 1964... I saw myself and my wife in the car, travelling down the highway. I was going somewhere to a meeting that I had never been before. Just then I saw a speck in the sky. My wife was driving, and I was sitting on the right side, relaxing. I kept watching that speck as it seemed to be moving toward me. As it got closer, I saw that it was a man on a horse. Can you imagine what you would feel like, if you saw a man riding a horse in the sky? You would probably feel like I did. You would wonder if you were really seeing what it looked like you were seeing. I thought, I must be crazy, so I turned my head. Then, after a little while, I thought, I will take another look. When I did, I saw that the horse was coming very fast, right toward us. I knew that it was coming right to a place where it would intersect us. I thought, I surely must be seeing things; then I said to my wife, Honey, pull off the road and stop. I want to watch this. There is a man on a horse in the sky. I wouldn't even look again until she got the car off the road and stopped. That

was my human reaction to such a thing. Then when she had pulled the car off and brought it to a stop, I turned to look again, and the horse was already on the ground, just a few feet in front of the car, a little further off of the road. I immediately recognized the rider. He was dressed like a government range rider. I have seen them in the west. The rider was none other than Bro. Branham. This magnificent white horse was standing at attention, much like a Calvary horse would. The rider just turned a half turn in the saddle and pointed his finger toward me, and said, YOU, GET READY, THERE IS A JOB FOR YOU TO DO. And again he raised his hand and pointed to me, and said, PREPARE YOURSELF FOR THE WORK WHEREIN YOU HAVE BEEN CALLED TO FULFILL. The third time he raised his hand and pointed to me, he said, IF YOU WILL BELIEVE THESE WORDS, A POWERFUL HORSE WILL BE GIVEN TO YOU TO CARRY YOU IN THE CALLING WHEREUNTO YOU HAVE BEEN CALLED. With that he touched the reins and that horse turned and took to the sky. I sat there in the car

and watched as he rode that horse right into the sun. After he was completely out of sight, I looked back and right in the same spot, stood another horse exactly like the first one, but it was smaller. **BROTHER! IT WAS SMALLER.**" (Just as the ministry of Joshua was smaller to the ministry of Moses, although it was major in the life of Israel! This is nothing but a take-over ministry, to move the bride of Christ forward, God knowing the passing away of Brother Branham was imminent! God was preparing the prophet's successor, for there can be no vacuum in the leadership of God's people! Brother Jackson continued): **"Therefore, I know that there is no way that Raymond Jackson can be bigger. When my critics say, he is just trying to outrun the prophet, you are wrong! My horse was smaller, BUT, BROTHER! I AM GOING TO RIDE THAT HORSE!** He was a little smaller, but I could tell that he was of the same breed as the one that Bro. Branham was on, and I knew that it had come from the same place, and had been trained, the same as the other one. I noticed that he was already saddled, and bridled, so I said to my wife, Honey, I am going to

try him out. At that, I went over to where the horse was standing at attention. I stepped up into the saddle, and immediately noticed that the stirrups were already adjusted for me! I just touched the reins and that little animal made a turn and headed to the sky. As I sat there in the saddle, I looked upon the head of that little animal, which was running with such ease, and said to myself, This animal runs with such ease, there seems to be no labour to his body. As I said these words, I realized that we were lifting higher, and seemed to be getting faster, and the thought came to me, There is no end to where this horse will take me if I but let him go, but he will do whatsoever I ask him. With that thought still fresh in my mind, I said to myself, But I am only trying him out, I must go back. I barely touched the reins to give the direction to the little animal, and he turned in the sky and brought me right back to the same spot where he started from. As I dismounted and got back in the car, the door slammed and I awoke from the dream. The dream was quite an unusual one. You just do not see men riding horses in the sky. For a long time, I treated it as

nothing. Time marched on until July of 1965 when I received a call from a place in North Carolina, asking me to come for a meeting, a place I had never been before. When I received the call, I immediately thought of the horse dream, and wondered if this could have anything to do with that? Could this be the beginning of the fulfilment of that dream? After praying about it, I later called the party, and said, the Lord willing, I will be there.

In the light of these developments, I felt that I wanted to talk to Bro. Branham about the dream, mainly because it was such an unusual one, and because it involved him. I phoned to ask permission for an interview with him, and arrangements were made for me to have the interview, on Sunday morning, August 1, 1965. On that certain Sunday morning, with my wife present, I told Bro. Branham the dream. When I had finished telling it to him, he looked at me and said these words, Bro. Jackson, something is about to happen, and when it does, you will have a work to do. I do not know what it is, he said, but this I do know, THE HORSE IS

THE POWER OF THE WORD. Then he picked up his Bible, and pointed to it, saying to me, "STICK WITH THE WORD". I said, "Bro. Branham, I will do my utmost to do that". Then he repeated himself, saying again, "Bro. Jackson, something is about to happen, I do not know what it is, but when it does, you will have a work to do, Bro. Jackson, STICK WITH THE WORD! I KNOW WHAT THAT HORSE IS, HE SAID, IT IS THE POWER OF THE WORD." (If you cannot see that this relates to the imminent death of the prophet, and the preparing of his successor standard bearer, I ask you: What exactly do you see? Brother Jackson continued): "After hearing him say that, I left the room, that morning, feeling confident in my heart, that when all of this began to take place, THE HORSE WOULD BE THE POWER OF THE WORD". I knew that the word, power, did not mean explosive, or forceful, it meant authority. In this case, it meant, the authority to handle the word of God. There was still a big question in my mind, as I left there that day. He had told me what the horse was, but he did not tell me what my job would be. You know, brothers and sisters; I

prayed and sought the Lord about that in the days that followed, for I knew that if I had a job to do, that encompassed the authority of the word, it would have to be a job that would line up with the scripture. It would have to fit within the age of grace that we are living in. Therefore, I began to search the scriptures, thinking to myself, to have any authority over the word, it would have to be something to do with the five fold ministry. I firmly believed, and had been preaching in my own ministry, that the true church of the living God, (the bride of the Lord Jesus Christ), would have to have, somewhere in her midst, that five fold ministries of apostles, prophets, evangelists, pastors and teachers, before she could ever be restored back to the image of the church that we read about in the book of Acts.

Now, I would like to say, to all of you who will read this article, I KNEW THAT THERE COULD NEVER BE A FIVE FOLD MINISTRY ON THE SCENE, UNTIL AFTER SOMETHING HAD HAPPENED TO GET THE CHURCH IN SHAPE FOR SUCH A MINISTRY. Something would have to

happen, that would restore back to the true church, the true word, that the early church was founded on. That would present an opportunity, and a platform, by which such a ministry could pick it up and have something to stand for, right on out to the very end. Over the weeks and months that followed, as I continued to seek the Lord about this, I received many invitations to come to various places for meetings. I accepted many of them as the Lord led me to do so, for my decision, in the face of much criticism, was to press on in the ministry that I had been called to."

The third and final dream of Brother Jackson I would like to now share, is one that relates to his calling as an apostle, which ties up with a subsequent material dream he also had. I will also let him tell it himself:

APOSTLE DREAM

"In this dream I saw myself going to the mailbox to get the mail. Returning to the house, I noticed in the mail a large envelope, something similar to one in which official documents are mailed. Coming into the house I was very excited wondering what was in the envelope.

Tearing the front open I pulled the contents out and I could see that it was a minister's license and the thought came to me, why am I getting a minister's license? I have only held a minister's license once in my entire life and that was with the Methodist church, yet here I am being presented, a minister's license. WHO ARE THEY FROM? (It was all so real in the dream.) As I looked at the minister's license, I could see they were drawn up different than that which would be drawn up by some denomination, and furthermore I realized this, many people once they read this, will never believe what I am saying, simply because they have never been led in this manner, therefore there would be no basis for them to recognize it. Nevertheless, as I feel these dreams are true I tell them as my testimony in how God has led and directed me. I never ask God to do these things. As I looked upon the minister's license I notice there was a blocked area and immediately my eyes fell upon a word printed in the very top of the license, (which was like a certificate). As I looked upon the word, I could see that i had been printed by

Bro. Branham's own hand; actually he had burned it in there with an engraving object, much like men engrave saddles with. At the top of the certificate or minister's license was the word APOSTLE written in large bold letters. Underneath that in the area of writing where you read on any normal minister's license, it read, Raymond M. Jackson being called of God is hereby ordained to preach the gospel according to, and in there in all that writing was written out, with an ink pen, in his own personal handwriting, with those different scriptures to back up my purpose in preaching the gospel of the Lord Jesus Christ. At the bottom of the license certificate where normally the president of the association or organization or the bishop or elder of a particular denomination would sign his name, the signature read, WILLIAM MARRION BRANHAM. Furthermore, I noticed up in the right-hand corner, where the date is placed to show when the license came in force, the date was August 1, 1965. That, brothers and sisters, was actually the day I related the dream to him about the horse! In his office that day he had told

me what the horse signified, but not the work I was yet to do. Now here a little over a year later it all comes back in another dream, and there are the date and his signature, then this dream would show, scripturally, the work I was to do.

Awakening from the dream my heart was made to rejoice over this one thing, now I knew scripturally where I stood, what my calling was to fulfil; and I knew if I would remain loyal to God, and not listen to man, it is true, I would receive much ridicule, much opposition, and many, no doubt, would seek to destroy my influence, as they would attempt to mar the image of my person; yet I knew if I would remain faithful to God, He would see to it that this ministry to which He had called me would serve his purpose. I believe it to be a Biblical ministry, and furthermore, I believe it is truly, spiritually, in line with the written Word of God. I realized if it is scripture, then as a minister of God I had a right to study the message which was brought to the age. I have that right from God to explain to people why there is so much confusion and contradiction among

the people at large, over what this Prophet, Church Age Messenger taught to this age. At the same time I have no right to make myself above and beyond anything of any other minister. YET I KNOW SOMEWHERE, GOD IS GOING TO HAVE SOMEONE" (Singular) "WHO WILL HAVE ENOUGH OF GOD IN HIS LIFE, ENOUGH BOLDNESS, ENOUGH DETERMINATION TO STAND FOR THE TRUE ENTIRE" (Complete) "WORD OF GOD. NO, HE WILL NOT STAND IN DEFENSE OF MEN'S FLESH, BUT HE WILL STAND IN DEFENSE OF THE RESURRECTED CHRIST AND THE TRUE REVEALED WORD OF GOD!

You may ask, how will we recognize an apostle in our day? I will just say, be true to God and he will reveal his end time ministry to you. As for signs and wonders, this all lays in the plan of God. It is his business to do whatever He wants to. Remember this, an APOSTLE'S ministry cannot be determined by signs. First of all you had a number of apostles in the scripture who never mentioned one word

about a miracle or sign they performed. You would never be able to take the Bible, especially the book of Acts and prove, because of many signs and miracles, that a man was an apostle. On the contrary, signs and miracles were even in the lives of the deacons, Acts chapters 7 and 8. Therefore signs are not the basis to say a man is an apostle. AN APOSTLE HOLDS A LINE ON THE REVELATION OF THE WORD, PROTECTING IT AGAINST ERROR. Therefore, when you hear some man say he is an apostle simply because he has great faith or because of signs which Mark 16:17 says follow the believer, if you will examine his ministry closely you will probably find that is all he majors in. Certainly there is nothing wrong with great faith in God, although that isn't the qualification for the office of an apostle. UNTIL THAT MAN HAS A REVELATION ON THE WORD OF GOD, AND THE AUTHORITY BY GOD TO ABSOLUTELY APPLY IT TO THE SITUATION AT LARGE (THROUGH THAT REVELATION), THEN HE WILL HAVE TO FILL

SOME OTHER OFFICE: IT ISN'T THAT OF AN APOSTLE. I REPEAT, NO ONE FILLS THE OFFICE OF AN APOSTLE UNLESS HE ABSOLUTELY HAS AN AUTHORITY FROM GOD TO HANDLE THAT WORD. You recall the dream concerning the horse which I told Bro. Branham and he interpreted the horse as being the **POWER OF THE WORD. THE POWER OF THE WORD IS THE AUTHORITY TO USE IT.**

Brothers and sisters: I have not told these dreams to exalt my flesh, for I know how vain a thing like that would be. I have told them, so that, all who read this article, may have an equal opportunity, to judge for themselves, whether they believe that God has led my life, and my ministry, over these past years, or not. As I said before, the apostle Paul presented his testimony in defence of his actions, therefore, I believe it is proper for me to do likewise. I cannot help what my critics may say. I must do what God has laid on my heart to do, and preach and teach, what he has showed me in these years since Bro. Branham passed away. I feel that I must tell this next dream

right here, for it will help you to understand why I preached these particular messages, when I did.

In March, after Bro. Branham had passed away in December, I saw myself in a dream where Bro. Branham came walking up to me, out in a field where I was walking. As he approached me, he said, Bro. Jackson: I want you to go speak for me. I said no, and he said, Why? At that, I said, They will not believe me. Now, in this dream, he never did say that they would believe me, he just said, again, Bro. Jackson: I want you to go speak for me, and again, I said, No, I will not. He came right back with, Why? I said, They will not listen to me. Then he spoke again, this time, his voice was very firm. He said, BRO. JACKSON: I WANT YOU TO GO SPEAK FOR ME. When he spoke is such a firm voice, then I saw myself take a pen and a little pad out of my pocket. Upon this pad, I wrote seven things. As I looked back upon the dream, I knew that it was seven titles, to seven certain types of messages. I wrote them on there, and handed it to him, and said, If I can speak on that, then, I will go, but, if not, then I will not

He took the paper, looked at it, then read it, and said, PERFECT. At that time, a smile came across his face, and he turned, and walked away. I started to follow, and that is when I awoke." Thereafter the Lord began to deal with Raymond Jackson in divine revelation, opening up the deep things of the Word of God to him, starting with the Pre-historic World in Genesis, unveiling the Testing and Fall of Satan, The Two Laws or Two Trees in the Garden of Eden, right through to the book of Revelation. He was used of the Lord to add an outstanding measure of truths to the truths we received from the prophet, thereby lifting the message of Christ to a much greater and more glorious revelatory height. The rest is history! But let me say this: I do not need any of these dreams, or the interpretation of the prophet to this age, to see Brother Jackson's place. His precise position is marvellously vindicated by the explosion of the unmatched depth of revelation of the Bible he packed, for and on behalf of the end time bride, to move her forward in the truth of God, for 39 solid years, since 1966! And only Paul can carry such an incredible but true measure of light! No other man could step in the shoes of this man, and

neither did any man have a Word-based ministry like he had, under Christ, with the passing away of William Branham in December 1965. But the fact that these prophetic dreams came, and the prophet-star messenger to this age also interpreted it the way he did, preparing Brother Jackson for the spiritual hand-over, coupled with the fulfilment of these dreams and instructions, make Brother Jackson's position in the ministry, the more unquestionable. Yes, it does, for one standard bearer goes, another comes! Moses left, and Joshua came. Elijah left, and Elisha came. Paul left, and John came; each man bearing a portion of the mind of God! Raymond Jackson was undoubtedly the man the Lord anointed to carry on the continuity truth, following the death of the prophet. He was the one to come, as the prophet announced in the Seals message in March 1963. The fruits of his ministry clearly show his office. He was the starting ministry of the Apostolic fold of the Ephesian ministry God reproduced at this end time, **the principal father** of the end time, in fulfilment of Malachi 4:6B, the **first ministry fruit** of Elijah's ministry. That made him the **second scribe** of Matthew chapter 13, verse 52. Like I

said, he bore the standard of truth for 39 solid years, from 1966 to December 2004, when the Lord called him home. Nevertheless, the bride of Christ is still here, and the salvation move of God therefore continues, according to the revealed eternal plan of the Almighty God. We therefore have to move on with Christ, by following the continuity light of God for this current hour of time, for God's salvation plan is not yet over. Remember, at harvest time, God is seeking to get back the exact seed He sowed during the planting season! Do not forget that. That will give Him today, the exact original ministry, and the exact original church He sowed! **Every seed bringing forth after its kind** is God's infallible and unchanging law of reproduction! The early church seed has to be kept in absolute focus, otherwise we will lose true focus and derail, for that original seed, is precisely what the harvest crop will give us! Stay with the early church seed! With the move of God through the chief apostle being done, God moved on, as time now evolved to this current hour.

This invariably now brings us to the THIRD JUNCTION OF TIME, which is the final junction of time in this seventh age, when we have

the **Third and final Move** of God for the bride of Christ, in this Laodicean church age, following the passing away of the Paul of this end time. And without any iota of Scriptural doubt, saints of God, I announce to you that the next anchor man, the take-over standard bearer, **the current** lead ministry for the bride universal, is none other than the modern day Apostle John. Here (i.e. through his lead ministry), the salvation move of God for the Gentiles comes to a close, being the very last move, a move where the dealing of God with the Gentiles literally ends. Do not forget, we had a beginning ministry, a ministry which bore the standard of the message of salvation in Jesus Christ for us Gentiles, and that ministry was Apostle Paul's ministry. But in that standard bearing age, Apostle John was also used to bring the message of Christ to its climax for us Gentiles, in 96 A.D., thereby wrapping up the record of the written Word of God in that day, after which the church fell, in order to reproduce many more at this harvest time. Today, John will also be used to wrap up the revelation of the written record of God's Word for us as well, and also bring the revelation of Christ to its climax in the thunders, in this seventh and final age! That

has to be so, because **whatever has a beginning, must also have an end!** God's salvation move for the Gentiles must have its terminating point! Exactly! IF THERE IS A BEGINNING MINISTRY, THERE ALSO HAS TO BE A CLOSING OR ENDING MINISTRY! Please wake up! The roadmap of the Word of God gives everything to us, and God ends everything in John's ministry move. I say again: In this Laodicean church age, we are now living in the hour of John, a very short period of time which closes out the Gentile age of grace. My precious brothers and sisters, I want to show you this present-tense move of God, a salvation move which started way back in the mind of God in eternity, but which started being expressed in Genesis. It is all about Jesus Christ, the Word of God. And what a journey it has been! Please pay close attention.

Firstly, going back to the original Ephesian ministry plot, which God mapped out in the first church age, as clearly revealed in the Holy Bible, the move of God for us Gentiles, after the passing away of Apostle Paul, the chief apostle of that day, gave us the **continuing AND completing** move of God, through John the beloved apostle, the man who took

over from Paul, as the last **"candlestick"** of the first church age, the last original apostolic guard. And as I have repeatedly stated, he was the vessel the Lord used to bring the record of the inspired written Word of God to its very climax and completion! And his ministry experience, or the account of his phenomenal prophetic encounter on the Isle of Patmos in 96 A.D., was what the Lord also used to bring the dealing of God with the ministry in the first church age to its grand climax, foreshadowing the hour of the seven thunders of Revelation chapter 10, which is just ahead in this age! And after God called him home, the early church fell, for the devil was then able to take over the church, and subsequently lead her into Babylon. We have laid that out sufficiently in this message, and it should be clear to every elect seed of God. And since our Paul of today, Raymond Jackson, has gone, the continuing ministry can only be the apostolic office of John, a take-over ministry from Paul! He is the man currently carrying the torch of Christ's continuity light, to move the bride on, taking the bride of Christ to the next level, in the plan of salvation. But we must also realise he will also be the completion ministry,

because everything written and ordained to be fulfilled by God at this end time, in the life of the bride, which is a Gentile bride, will be accomplished or realised in this very move, for it is certainly the last move of God the Gentiles will ever have, Scripturally speaking. In this very move, God's salvation plan for the universal bride will be completely wrapped up. I repeat: For us Gentiles, here in this current move of God through the lead apostolic ministry of John, is where it all ends. We will lay it out by the Scriptures of truth. That makes the John of today, the **third scribe** of Matthew chapter 13, verse 52, and a **principal father** of the end time, following the chief apostle, in the light of Malachi's writings, being the **second ministry fruit** of Elijah's ministry! Do not forget, even as we saw in the early original pure seed church, seed reproduction has a precise divine Scriptural order, for it starts first with the production of the original ministry, **AND IN ITS DIVINE MINISTRY ORDER**, before the reproduction of the original body: The establishment of the ministry comes first! Why is it so? It is because the birth of anything gives you first the head, whether spiritual or natural! Absolutely! In essence, I am showing you today, in this

seventh and final age, that God took the very same route He took way back in the first church age, in the establishment of the Ephesian five fold ministry, a ministry He will use to build up the universal body of Christ. Precisely! Hence today, the move of God is from ELIJAH (Our John the Baptist, a man who also characterised Jesus Christ's earthly ministry) - APOSTLE PAUL - APOSTLE JOHN. God started this seventh age with Elijah the prophet, and He is ending it with John the apostle. God is most consistent in all His ways! Amen! You can lay your life on Him. You can be certain of God, because He never changes. He is always the same. There is nothing as constant as God in His moves, and in His revelation. His ways remain the same, and as such, He does not leave room for doubt or guess-work; He does not allow for gambling, for **the just shall live by faith** (i.e. the just shall live by revelation). Brothers and sisters, you can be certain of God, for there can be no other way, other than God's revealed way. Period! But please note, for I repeat, also, with the John of this end time, everything will come to its completion, climax, and ultimately, to its close. And when that happens, Jesus

Christ will immediately come for his bride, without any further delay. But until then, the Lord will keep adding to the picture, and we must follow Him in the light. And in God's numerology, three is the number of perfection, and this third move is what the Lord will use to give us perfection in reality: for in this John move, the substantive plural apostolic head will be constituted, and the other four folds of the ministry will also be established, thereby completing the five fold ministry-head, Christ ordained for the universal bride body, and finally, through them (i.e. through the original five fold ministry of Ephesians, restored to the end time bride), **unity of the faith**, and **perfection**, will in turn be achieved, all in this last move, and then the seven thunders will appear on the scene for a few days, to prophetically instruct the bride for the rapture event, bearing unwritten revelation, and Christ will come for her, and the plan of salvation comes to its full realisation for us Gentiles, salvation-wise! Do not forget, the foolish virgins who are saved and who will pass into the last week of Daniel, would have already been saved on this side of the last week, before the seventh seal is broken! I say all that just to show you that the current move of God

is where it all ends for us Gentiles. But at the very close of this age, we are not going under as the early church did, but rather, we are going up, and it will be with a most glorious and most spectacular spiritual explosion! Halleluyah! That is why God gave us the eagle anointing in this age, the anointing of a FLYING EAGLE, to lift us up into God's very presence. Therefore, **“wheresoever the carcass is”**, there and only **“there will the eagles be gathered together.”** Amen! So, by the ministry establishment pattern the first church age set, we know we are now in the days of John.

Secondly, by the testimony of the written Word of God, I declare that we are certainly living in the days of John. And that is what I now want to show you by the Scriptures, after having shown you the established pattern of the moves of God in the first church age, in its end time application. Please come with me. Indeed it has been a very long journey, but we can now see the end of the tunnel, by the revelation of God's infallible roadmap, which is the Word of God. For whatever has a beginning must also have an end: Everything has its terminating point! But it is not

over, until it is all over, and we must as such move on with God in His great plan, knowing that salvation is strictly of God. And as long as the bride is still here, revelation continues. Brother Suggs, truly, revelation is progressively given, for it comes in folds, God slowly adding to the picture with each passing day. In one of our earliest trips to India, a brother came to me, and said, *“Brother Amos, do we have a promise of John in the Scriptures?”* I said, *“Not in express terms, but we can see him in the Scriptures, in an infallible and unchanging ministry pattern God established in the first church age, a ministry which forms the standard for this last age, for at harvest time, the seed or the crop must be exactly the same! But I will have to show it to you from the Word of God.”* At that time the Lord had not yet dealt with me on the express promise of John in the Bible. But I could see John in a Scriptural revelation, for I had been dealt with on that level, by the grace of God. All my books have John. I have even preached John, as Paul's successor, many times, right before the chief apostle, whilst I was at Faith Assembly. But I did not know we would have John today, for I just could not see past Brother Jackson's ministry! I

could not see past him, and as such, I expected him to be on the ground until the rapture! That is why I firmly stated in my book titled, *He That Is To Come*, that Brother Jackson would be on the ground until the rapture, even though I knew John took over from Paul, and also wrapped up the account of God's written record. I knew that! But I did not know God was also going to give us John! However, I want the saints of God to realise, even as I also clearly stated in the theme of that book, that that book was written strictly to identify by the Scriptures, the man who fulfilled the prophetic statement Brother Branham made in the Seals book, concerning the man to come after him, in order to enable the people of God, the world over, to follow the continuity light of Christ, which Raymond Jackson bore, for the universal bride of Christ, following the passing away of the prophet. Period! And truly, that revelation is Scripturally infallible, for the chief apostle of this end time, Brother Jackson, was the one who fulfilled it. That revelation is perfect! However, we must note that that prophetic statement of Brother Branham, had nothing to do with his successor's lifespan. The prophet's quote did not touch on it at all! But after I had successfully identified

the promised ministry, by the Word of God, I also went further to say that he would not die before the rapture. But that statement of his being on the ground till the rapture, had nothing to do with the quote of the prophet. It had nothing to do with the prophetic statement of Brother Branham! It was my expectation, for I honestly believed that the chief apostle would be used to finish the whole picture for us, for I did not see past his ministry, even though I could see the pattern of the early church ministry's succession. So I declared that Brother Jackson would not die before the rapture. But that was my honest expectation! And the Branham Movement went berserk, and started calling for my head because of that statement. They call me a false preacher because of it, and the present-day apostate ministry of Faith Assembly asked me to recant! But Apostle Peter also firmly stated that Apostle John would not die, and yet, John died! What are you going to do with Peter? Crucify him? Ask him to recant? Call him a false apostle? I think not! It is written in the Gospel of Saint John chapter 21, verses 20-23: ***“Then Peter, turning about, seeth the disciple whom Jesus loved***

following” (Who did he see? John!); ***“which also leaned on his breast at supper, and said, Lord, which is he that betrayeth thee? Peter seeing him saith to Jesus, Lord, and what shall this man do? Jesus saith unto him, If I will that he tarry till I come, what is that to thee? Follow thou me. THEN WENT THIS SAYING ABROAD AMONG THE BRETHREN!”*** (And who spread the saying? Apostle Peter! No other person was there except the three of them! And John is the one who wrote this Gospel between 85-90A.D., letting us know that that is not what Christ said in reality! And it was only Jesus Christ, Peter and John that were there! Therefore, it was Peter that spread the news), ***“THAT THAT DISCIPLE SHOULD NOT DIE: yet Jesus said not unto him, he shall not die; but, If I will that he tarry till I come, what is that to thee?”*** Saints of the living God, I did exactly what Apostle Peter, the chief apostle to the Jews, the man with the keys into the kingdom of God, did in that day, for we are precisely in the same shoes. We spread the same thing! Today we see a repeat of something. I therefore have to ask you most seriously: What are you going to do without revelation? Open your eyes

and be wise! Yet, the Lord did not divest Peter of his apostleship because of this, and neither were the keys of the kingdom taken away from him as a result. And we know that **The Standard of God is ONE!** Brothers and sisters, I dare to say, I am just as guilty as Apostle Peter! Yet, I do not say that to justify myself for making such a wrong statement; but I make it simply as a warning to God's elect seeds, for you should know how to relate to that statement, in the light of the Bible. But I ask, Why did Saint Peter spread such a message? He spread the message abroad that John will not die, simply because he misunderstood Christ's **statement concerning JOHN!** I also spread the message abroad that Brother Jackson will not die until the rapture, because of certain realities God used his office to accomplish in the first church age, which realities were yet to be accomplished, and which realities God sovereignly chose not to accomplish, that it may form His Ace for shaking the Jackson Movement; and more particularly because, I misunderstood a **dream Brother Jackson shared concerning HIMSELF!** But the truth is that the Lord did not even rebuke Peter, and neither did the first church

age ministry or saints rebuke him, or ask him to recant! Why? Because Christ spoke in a way Peter did not understand, and was not supposed to understand! Secondly, the statement Peter made concerning John, did not affect any revelation of truth by which we are saved! It did not take away any truth of God, and neither did it negatively affect any truth Christ gave them that day! That statement Peter made, although wrong, had to do strictly with the life of a man (John), and it had no bearing on the truth we are to stand for, in order to live acceptably before God! We do not live by the lifespan of any man, but by the Word of God! Precisely! It took the death of Brother Jackson for the scale to fall from my eyes, for after his death, I suddenly realised God was going full circle, as He had done in the first church age. By his death, God suddenly brought us to another junction of time in His plan, and now I could see we were in John's hour. I could see the whole plot. Everything just opened up for me! Coming back to our message, when the brother asked me if I had any Scripture, which gave us John as a Bible promise, I could only show John from a revelatory standpoint, looking strictly at the early church ministry

establishment pattern. So, I took him through the early church ministry establishment pattern, and to the three scribes of Matthew chapter 13, verse 52, in its end time application, taking him also through other verses of Scripture on the apostolic ministry-head, to establish the ministry of John of the end time. So I told him, when we look at the revelation of the Scriptures, concerning the establishment pattern of the original Ephesian five fold ministry at this end time, we can see John's lead ministry, the chief apostle of today having passed away. And when I laid these things before him, the brother was very happy. He is a brother standing with us now in the continuity light. He is a minister in the movement, Brother Peter Prasad. And not only him, but we also have precious brothers in India, who are standing firmly for continuity. They are burning India with the continuity message, men like Brother Daniel Komaravalli in Chiluvuru, Brother G.G. Purushotham in Guntur, Brother Paul Reddy in Pillutla, Brother Charles Vijaya in T.Narasapuram etc., lovely brothers! It is God's doing, and I give him all the glory. What I am saying in effect is that revelation is progressively given, and it

therefore gives us continuous light! And in the light of God's progressive revelation, we want to consider the promised ministry of the end time John.

In the book of Revelation, a prophetic book which conveys the revelation of Jesus Christ to the bride of the end time, a book given through John the beloved apostle way back in 96 A.D., in chapter 10, verse 7, we see the ministry of the seventh angel, or the seventh messenger (for that is simply what it means), the seventh star in the hand of Christ, according to chapter 1, verse 20, which is Christ's principal vessel sent to this seventh age, this Laodicean church age, William Branham. His ministry as the star messenger to this age is clearly expressed in verse 7. But when we come to verses 8-11, Jesus Christ also expressed the ministry of the John of today, way back in 96 A.D.! It is written: ***“And the voice which I heard from heaven”*** (the voice of God) ***“spake unto ME”*** (John) ***“AGAIN”*** (a second time), ***“and said, Go and take the little book”*** (it is actually a scroll) ***“which is open in the hand of the Angel which standeth upon the sea and upon the earth.”*** (This is Christ in Angelic form, the Angel of the Covenant,

having the rainbow upon his head, as revealed in verse 1). **“And I went unto the Angel, and said unto him, Give me the little book. And he said unto me, Take it, and eat it up; and it shall make thy belly bitter, but it shall be in thy mouth sweet as honey. And I took the little book out of the Angel's hand, and ate it up; and it was in my mouth sweet as honey: and as soon as I had eaten it, my belly was bitter. And he said unto ME”** (He said unto John), **“Thou must prophesy”** (Who must prophesy? John! The man who was asked to take the scroll, and the man who ate the scroll, is the man who was asked to prophesy, just as it also happened in Prophet Ezekiel's experience, in chapters 2 & 3 of his written record! How many times was John to prophesy?) **“AGAIN”** (Meaning a second time! Where?) **“before many peoples”** (before many races), **“and nations”** (before many nations), **“and tongues”** (before many tribes), **“and kings”** (before heads of states). It is Scripturally settled that no word of prophecy is of any private interpretation, for God is His own interpreter. And just as each Word of prophecy came by the inspiration of the Holy Ghost through an anointed vessel, so does its

interpretation come by the inspiration of the Holy Spirit through the vessel anointed of God to bear its revelation! Exactly! But a true revelation will open up that Word of prophecy, and perfectly flush with the Scriptures! Precisely! In this prophetic verse (i.e. in verse 11), John the beloved apostle was asked to prophesy again, giving us a **second time ministry of John, ON A GLOBAL SCALE!** This divine commission or divine instruction was given to John in a prophetic vision, God having taken him through time, in a spiritual projection, which placed him precisely at this end time, in the prophetic setting! Remember, the entire chapter 10 has application strictly at this end time, in this Laodicean church age, for what John saw was a prophetic scene! Exactly! Therefore, Apostle John of that first age could not have fulfilled this commission! Moreover, it is a commission that gives us the return of the Spirit of John, for he must carry a message to the entire globe! The scope of his ministry commission is world wide! And the ministry of the seven thunders had already been laid out prior to this commission, in verses 3-4, and as such, verse 11 commission is not about the thunders! Furthermore, John the beloved apostle did not

fulfil this commission, for after his release from the Isle of Patmos in A.D. 97, he went back to Asia Minor, in present day Turkey, gave the prophetic book of Revelation to the pastors of the seven local churches, and passed away around A.D.100! He never left Turkey! And as such, he did not fulfil this expressed commission, which has a global sphere! Exactly! Yet **John MUST prophesy AGAIN!** Thus saith the Lord! Therefore, God would have to anoint a vessel of clay at this end time, with the Spirit of John, enabling him to carry out this divine and infallible commission! Exactly! Remember, children of God: Thus saith the Lord can never fail! A jot of the revealed Word of God cannot but come to pass, for as Christ assured us, it is easier for heaven and earth to pass away, than for a jot of God's Word to pass away without being fulfilled! After his resurrection, Christ declared in Saint Luke's Gospel, chapter 24, verse 44, even as it is written: **“And he said unto them, These are the words which I spake unto you, while I was yet with you, THAT ALL THINGS MUST BE FULFILLED, WHICH WERE WRITTEN.”** Somebody today has to be used of God to fulfil this prophetic commission, and

that gives us John, a man who also must be an apostle, for only an apostle can fulfil this very ministry verse, being a written divine commission for Apostle John! In essence, we must realise Apostle John received this commission in the Spirit in A.D. 96, for and on behalf of the end time John, thereby giving us the Scriptural promise of the apostolic ministry of John in this last age. Amen. But please note, the man to fulfil this prophetic promise must not only bear a universal ministry, HE MUST BEAR A CONTINUING MESSAGE, bearing all we received from Elijah, and from the Chief Apostle of today, plus new nuggets; nuggets of truth, carrying a perfectly clear Bible message, to move the bride on, which continuity message God will use to wrap up His Gentile plan of salvation, bringing the revelation of the bride to its Scriptural climax! That is it, for THE MESSAGE IS ONE! It is the message of Jesus Christ, for it is all about Jesus Christ! And let me say this to warn you: Any idiot can claim to be anything, but only the man who packs the clear message of the **entire Bible**, a man who bears the clear message of **Scriptural continuity** for this very hour (a Scriptural voice), brightening the pathway of

God's bride seeds, giving a true focus and direction to the bride of Christ, a man whom God is using to answer Bible questions and establish the saints strictly in the Word of God, bearing a clear revelation of Jesus Christ, and is being used to tie up all loose ends in the end time message, that man alone is John! Any other John is false! Any other projection will be a most carnal projection, for there is a divine objective to John's ministry! Exactly! Everything is about the Word of God, Christ the Messiah of the whole world! Brothers and sisters, we are now Scripturally at the end of the road. And it really has been a very long journey: The long journey of salvation. And what a most gigantic and most complex puzzle this plan of salvation is! God is most awesome! May His most glorious Name be praised forever and ever, Amen!

However, before I move any further in our consideration of John's ministry, I need to touch something most important, for it is most material to the unveiling of John. Where is John? Where does he come from? From which race is he? These are very crucial questions, as the answer will lead us to see the logistics of God, through the races He established on

earth, as it bears on God's revealed plan of salvation, knowing God uses men to accomplish this great plan, as He sovereignly designed the plan: Men are partners with God in His kingdom building. Therefore, this issue forms an integral part of the plan of God, and hence very crucial to this message, for it gives us **God's racial logistics**, in His plan of salvation. I will lay it out very briefly, but clearly, the Lord being my helper. Follow me with your eyes on the Scriptures, and consider what I now want to show you. According to the book of Acts chapter 17, verse 26, Apostle Paul declared on Mars hill, in Athens, in Greece: ***“And hath”*** (i.e. God hath) ***“made of ONE BLOOD”*** (which is the blood of Noah), ***“ALL NATIONS of men for to dwell on all the face of the earth, and hath determined the times before appointed, and the bounds of their habitation.”*** This Bible passage clearly gives us one progenitor for the whole of humanity; white race, black race, or yellow race. That is settled. But we must realise, even as I projected succinctly in my book titled, *The Input Of Ham*, the man whose blood produced the whole of the human race, irrespective of the colour of the skin, is Noah, and not Adam, for

Adam is not the father of all living. The two streams of humanity produced right after the Garden, the Cainite lineage, and the Sethite lineage, (I say Sethite lineage because Seth stood in the place of Abel, whom Cain slew), were subsequently mixed, starting from the days of Enos. And by the time Noah came on the scene, the interbreeding had reached its climax, fouling every seed, including Noah himself, and God brought it to a close, using Noah to start afresh! This picture has been well laid out in our message titled, *Genesis: The Mixing Of Seeds*. God started the repopulation of the earth with Noah and his three sons, Shem, Ham, and Japheth, for he (Noah) had no daughters. Hence the book of Genesis chapter 9, verses 18-19 records: ***“And the sons of Noah, that went forth of the ark, were Shem, and Ham, and Japheth: and Ham is the father of Canaan. These are the three sons of Noah: AND OF THEM WAS THE WHOLE EARTH OVERSPREAD”*** (i.e. populated or filled)! Genesis chapter 10, verse 32 also records; ***“These are the families of the sons of Noah, after their generations, in their nations: AND BY THESE WERE THE NATIONS***

DIVIDED IN THE EARTH AFTER THE FLOOD.” That lets us know without a doubt, it was Noah's blood which produced every human being that walks on God's green earth today, through his three sons. We all have one progenitor: Noah. That is settled. Shem gives us the yellow race, out of which came the nation of Israel. So, Israel is Shem, and is settled in the Middle East. Ham gives us the black race, whose continent is Africa. And Japheth gives us the white race, whose continent is Europe. Every other race and skin colour we currently have on earth, came out of these three main races of people, the three sons of Noah, for we all go back to Noah through one of his three sons. However, when we come to the Word of God, which is God's salvation plan in Christ Jesus the Messiah, we see that the entire Bible, from the Old Testament writings, to the entire New Testament writings, was given to us by God, through only one race of people, and that is strictly the Shemites: The Jews! They bore the entire Oracles of God, which is the Word of God! The bearing of God's expressed Word in its written form, came strictly by the Shemites. And as a result, it is an incontestable fact that the only two **true** religions

(Judaism and Christianity), and the entire inspired written Word of God, was given to the whole world through the lineage of Shem. And this plainly gives us the input of Shem, all under God, in God's revealed plan of salvation. The written record of salvation was started by Moses, and it was completed by John, all Shemites! That is settled. But after the entire written Word of God's salvation had been delivered to the world through the lineage of Shem, and the baton of the torch of truth was handed over to Saint Polycarp, of the lineage of Japheth (the white race), the Japhetic race bore the Gospel light since then, throughout all the ages, from the closing of the first church age, right to this seventh and final age, with the ministries of William Branham and Raymond Jackson, barring only the input of William Seymour, at the very beginning of this last age. That is the truth! The white race were the missionaries to the world, and they were used to carry the Gospel light to the whole wide world, all through six long church ages! That is a fact nobody in his sane spiritual mind can deny or fight! Yet, there is no verse of Scripture which promises us that the race of the lineage of Japheth would be the ones who would be used of God to

carry the baton of light, once the Jews (the Shemites) hand it over, at the close of the first age, when Apostle John passed it over to Saint Polycarp, his disciple and successor standard bearer! As a matter of fact, out of the seven stars in the hand of Christ in Revelation chapter 1, only one was a Shemite, and that was Apostle Paul! The other six stars were strictly from the Japhetic race, the white race, from Saint Irenaeus to William Branham! There is not one Hamite that is a star messenger! Think of it! No one from the lineage of Ham was made a star messenger! And God is sovereign! And as the people of God, we rejoice in God's sovereignty, and in His divine ordination! Exactly! Moreover, in the beginning in the Garden of Eden, no Word of God was given to indicate that the Shemites alone would bear the Old Testament writings. But that is how God accomplished it, starting with Moses, which was why Prophet Amos could subsequently refer to the fact that to Israel alone was committed the Oracles of God, looking back at how the Torah came, and to whom it was given! But when the New Testament dispensation was also opened up, we also did not have, and still do not have, any New Testament

Scripture, which declares or promises that only the Jews, (the Shemites), would bear the written Word of the New Testament! But that is exactly what God did! That is a fact, for although salvation is of the Jews, and although God started with the Jews, we still do not have a single verse of the New Testament, stating that the Shemitic race alone, would give the world the entire New Testament Scriptures. And in Romans chapter 3, verses 1-2, Saint Paul was also looking back at the Law and the Prophets! Hence he stated: ***“What advantage then hath the Jews?”*** (Over the Gentiles), ***“Or what profit is there of circumcision?”*** (He answered it): ***“Much every way: chiefly, because that unto them WERE committed”*** (Not is committed, but were committed, past tense), ***“the Oracles of God.”*** (i.e. the Old Testament writings)! Even Saint Paul did not know they would also bear the entire New Testament Oracles! God simply anointed them and used them to give everything to us, and then the baton was passed into the hands of the white race, the Japhetic race! And since then, until Brother Jackson passed away, the whole world received the Gospel light from the white race! We all looked to the

white race for the revelation of the Word of God! Who will deny that?! We do not need to have a Scripture for that! All we need to do is to simply look back, and see how God has accomplished something! Period! No one can argue with that if he or she is sane! Brothers and sisters, looking back through the seven church ages, you will agree with me that the Japhetic race were the ones the Lord used to carry this plan of salvation, moving it on for six long church ages! That is a fact! I repeat: Apart from a very brief period at the beginning of this seventh age, when an African American, William Seymour, was used of God to bear the Oil message, and the whole world flocked to Azusa street in California for the experience, only the white race carried the baton of truth, for the whole wide world, and for so long a time, making up six church ages! Who will contest or deny the incredible input of the lineage of Japheth, under God, in this great plan of salvation? No one can, no matter how racially motivated he may be! But thus far, that is coming up to the days of Raymond Jackson, in reality, all we see is the input of Shem, and also the input of Japheth, the two lineages out of which God secured for Himself vessels, whom He used to

accomplish His great plan, thus far. And what an accomplishment! What a light they bore for the bride of Christ universal! All the glory goes to God, for it is strictly His sovereign doing.

The issue now is this: Of the three sons of Noah, out of which came all races of people and nations on earth, will the lineage of Ham also not have a major input in God's plan of salvation, on a global scale, other than to be followers of the light? Will they not also bear the light for the world to follow, even as Shem and Japheth have done? That is the material question! I ask this, not to question the sovereignty of God, for God is at liberty to even use only the Jews to accomplish everything, if that is His will! I ask the questions simply to let you see the equity of God, and His perfect ways, for He is not a respecter of persons! And in His gracious and equitable (i.e. fair) dealing, He sheds His glory on the least comely parts, so that there may be no schism or looking down upon the other parts, in the same body of Christ! Thus saith the Word of God, for it is written in 1 Corinthians chapter 12, verses 23-26: **“And those members of the body, which we think to be less honourable, upon these**

we bestow MORE ABUNDANT HONOUR; and our uncomely parts have more abundant comeliness” (i.e. God gives it more honour. Why? Saint Paul tells us): **“For our comely parts have no need”** (i.e. they have no need of God bestowing any additional glory on them, because they are glorious in themselves, and their glory speaks out loud and clear for everyone to see and appreciate); **“But God hath tempered the body together, having given more abundant honour to that part which lacked: THAT THERE SHOULD BE NO SCHISM IN THE BODY, but that the members should have the same care one for another.”** We have to realise that God cannot break this very important principle of faith He established for the smooth and harmonious functioning of the universal body of Christ, for its application goes beyond the issue of gifts! He cannot break this Word, no more than He can break His natural law of reproduction, and you know He cannot! He magnifies His Word above His own Name! Exactly! Amen! As such although Ham's lineage (the black race) had a brief input through the move of God through William Seymour,

the vessel God used to restore the gifts of the Spirit to the universal body of saints, we must not forget, however, he is still from the continent that was founded by, and is also majorly made up of, the lineage of Japheth, which is the white race! The Hamitic race is still left out in the racial logistics of God accomplishing His marvellous plan of salvation, even though the move of God through William Seymour was a pointer to the hour of the input of the Hamitic race! Hence I say to you today: THESE ARE THE DAYS OF THE INPUT OF HAM! That is why we put out the book titled, *The Input Of Ham*, and it can be freely obtained, on request. It is strictly to show that this last move of God for the bride universal through John, the lead apostle of this end time, the Revelation chapter 10, verse 11 ministry, is ordained by God in His sovereign will, for the hour of the input of the lineage of Ham, to enable the Hamitic race to bear the final torch of the continuity light of Jesus Christ, for the whole wide world, as God brings salvation to a close for the Gentile world! Hence the reason why John, who bears a world wide ministry expressed in verse 11, of Revelation chapter 10, is a

Hamite. In essence, I am simply showing you that the John of today is a black man from the continent of Ham itself; he is from Africa! That is the ministry base of John, for he is now on the ground, and has been, since 2005, after the chief apostle passed away in December of 2004, for God does not allow vacuum in the leadership of His people, and in the accomplishing of His plan of salvation. GOD HAS ALSO MOVED FROM AMERICA TO AFRICA. And from Africa, the pure and complete Gospel, washed of all impurities, will return to the Jews in the Middle East, for their revival under the two prophets, once the perfection of the bride is accomplished, through the five fold ministry, and the seven thunders are set in motion. Thus saith the Lord! And thus saith the revelation of the Word of God! Ham bears his input at this hour of gold, just before Christ the King comes to take his bride. But remember, it is not about John, for it is not about a man: It is about Jesus Christ in his divine revelation, and about God's plan of salvation. But neither was it about William Branham, nor was it about Paul of Tarsus! It is all about our Lord and Saviour Jesus Christ, the Word of God! But in the revealed plan of God,

there is a vessel of clay called John, an end time lead apostle, who will not only bear the balance of written truth, he will also bear unwritten truth to the whole wide world, for he alone ate the scroll. However, his ministry does not take away the ministry of the thunders. And if today we can see Apostle Paul, a Shemite, and William Branham, a Japhite, we should also be able to see "John", a Hamite, for God does not work in secret, either in setting forth His plan of salvation, or in accomplishing this plan! That is an infallible truth of the Word of God, and of His move! All the myriad of vessels we have touched through time, beginning with Moses, and ending with the John of today, bore something, for they bore, either a portion of the Word of God, or a portion of the revelation of the Word of God, depending on their hour of time, within the overall plan of salvation. I will leave it as it is, except to say that Brother Branham pointed to this Hamitic move of God, and Brother Jackson also openly declared that a Hamite would be used of God to write the last chapter of the book of Acts, before he passed away, thereby putting the universal bride

on notice of God's next move, God's wrap up move, for those who have an ear to hear. I lay before you the racial logistics of God: The standard of the revelation of Christ started with the **lineage of Shem** (the Jews), who then passed the baton of truth to the **lineage of Japheth** (the white race), and now it has been passed to the **lineage of Ham** (the black race), a people whom the Lord will use to give the baton of absolute truth, back to the Jews, the **lineage of Shem**, thereby completing the cycle. It started in the Middle East, and then it moved to Europe, and after that it moved to America, and now it is in Africa. Therefore, from Africa, the Gospel will return back to the Jews, and Christ will come, for it is Scripturally certain, that in the hour of Ham's input, everything comes to a close for us Gentiles, for time will then move to the hour of Israel. Behold, I show you in this message, **the entire plan** of salvation, and **the entire racial logistics** God designed, for accomplishing this very great and most glorious plan. Remember, there is no other age after this, to bear witness to what God is doing today, being the final age, and as such, everything will be laid out bare in this last move, that

we may see God all through the ages of human time, in His plan of salvation, for we are at the very end. And it is certain, every child of light will see the light, and will follow the light. Of that I am certain, for as it is written, ***The light is sown for the righteous.***

Moving on with the ministry of John, I have to reaffirm that the ministry of John is definitely an offshoot of the end time chief apostle's ministry, for as I stated much earlier, the John of today is the second ministry fruit of Elijah's ministry! Yes, he is! That is precisely why we have both ministries in projection in chapter 10 of the book of Revelation: Verse 7 gives us the star messenger to this age (Elijah), William Branham, the beginning ministry move of God for the bride in this seventh age, whilst verse 11 gives us the final messenger to this age (a minor messenger, and a lead apostle), John, a ministry move of God which ends God's salvation move (God's salvation plan), for the bride of Christ! For under John's ministry, the bride of Christ is going in the rapture. And the fact that we now have John, shows our Paul has come and has gone! Exactly! The

chief apostle of the end time has come and gone! And as such, I repeat: The salvation move of God in this last age, for the bride of Christ, is from: ELIJAH - A P O S T L E P A U L - APOSTLE JOHN. And both ministries are spoken of in Malachi chapter 4, verse 6B: "***Elijah***" and the end time apostolic "***fathers***" of faith! Yes sir! And in Revelation chapter 10, both ministries are also both spoken of: William Branham and John, on the authority of verses 7 & 11! One starts, and the other completes the move of God for the bride! Therefore, as I have been warning, I warn again: With John's ministry, the salvation move of God for the Gentiles comes to a perpetual close! You have to make hay while the sun shines. Walk in the light while there is still light, for the night cometh! I am simply saying time is short! Why do I say that? Please come with me, for we have lay out the Scriptural balance, that we may lay out the entire plan of salvation (the entire puzzle of Jesus Christ the Word of God), and make it plain. I look to God for grace. May He help me. But I want you to know, saints of God, we are now at the end of this long Bible message. I appreciate your patience,

and may the Lord bless you. But I have to show you the balance of God's revealed plot, as we bring this message to a close.

Saints of God, you have to realise that once we leave the ministry of John in verse 11 of chapter 10, we come straight into the ministry of Moses and Elijah of Revelation chapter 11, two modern day Jews, the two olive trees, or the two candlesticks, or the two anointed ones, sent only to the nation of Israel, in the 70th week of Daniel, to bring revival strictly to the spiritual element of the nation of Israel, that they may receive Christ the Messiah, whom they rejected and crucified way back in A.D. 33! This is because the Gentile dispensation of grace would have run out! And in the middle of the last week, the two prophets will be killed by the anti-Christ. And at that time, the 144,000 Everlasting Gospel preachers (who are all Jews), who are instructed and anointed under the ministry of the two prophets, will hit the road to all the nations of the earth, **not with a salvation message**, for they do not carry a salvation message, but strictly with a message ordained of God to prepare the tribulation saints for

martyrdom, in the last three-and-half years of the 70th week of Daniel! It is nevertheless, the last Good News this world will ever hear, as they prepare the tribulation saints of God (the Jewish saints, and the Gentile foolish virgins), for martyrdom, in the last phase of Satan's onslaught against God's people, in that great Satanic hour, which is the Anti-Christ hour. They will be on the ground, carrying on with their ministry, as Christ and his bride will literally appear in the sky, coming down from heaven, with the saints of all ages, together with the holy Angels, to take over the earth, and establish the Millennium, for the regeneration of planet earth itself, before the eternal age sets in! Therefore, with the 144,000 Everlasting Gospel preachers, the entire ministry plot of God comes to a complete close, for after them, there will not be another ministry established on the earth again, to carry any message. Never! Why? Because the plan of salvation of men is completely over! This brings to a perpetual end, the need for any particular class of men being set aside for the ministry, carrying a message from God! The literal **priesthood of all believers** is thus established in the

Millennium, for right now, **all believers** are only spiritual priests and kings, offering spiritual sacrifices to God, through Christ Jesus our Lord, even as it is written in Revelation chapter 1, verse 6: ***"And hath"*** (i.e. Christ hath) ***"made us KINGS AND PRIESTS unto God and his Father; to him be glory and dominion for ever and ever. Amen."*** Brothers and sisters, you should now be able to see the entire roadmap! It should therefore be obvious to you, looking at the entire plan of salvation God designed for the nations of the earth, which God promised Abraham way back in Genesis that, we are at the end! Please follow the light while the sun shines. And for us Gentiles, in John's move, is when God brings to an end, the salvation of the entire Gentile world! Yes! That is settled. Open your eyes and wake up! I lay before you the mirror of the Word of God! It started being expressed in Genesis, in the Garden of Eden, to Adam and Eve, as written by Moses, and it ends in the book of Revelation, as written by John of the early church, and as it will be completely revealed by the end time John, whom God will use to wrap up the revelation of the Word of God, and of the

Gentile plan of salvation, which is why he ate the whole scroll of redemption! It is a most beautiful, most spectacular, extremely rich and profoundly deep plan! It is breathtaking! Thank God for the light, Jesus Christ the light of the world! Church, this message lets us see how incredibly detailed and precise God is, for it is God from one age to the next, and from one junction of time to another, using one vessel after the other, to move His people forward, moving them on in the light, and in His plan, as they bore the mind of God to God's children, slowly unveiling God's plan of salvation in bits and pieces, for it came in measured detail, through all human time. And we have come a long way, for it has certainly been a very long journey. But saints, do you know the beauty of it? Today, we can look back, and see God's footprint all through time, as He has been dealing with men in this giant puzzle of salvation, from the very beginning until this very hour, slowly unfolding His plan, which is the Word of God. We can see each vessel, the position he occupied, the revelation he bore, and the accomplishment of his ministry, all within this most wonderful plan, as God put

the entire picture together for us by His Spirit! This shows the enormity of God, and His awesome consistency, and sacrosanct (inviolable) continuity. Saints of God, everything is laid out bare for us today, from the very beginning, to the very end! God is simply awesome! That is the beauty of God's dealing with the bride of Christ in this last age! Everything is laid bare! The entire plan, as great and as complex as it is, is laid bare! The Bible is now an open book to us! We are not ignorant of God's revealed plan, and we are not walking in darkness, because we are not following creeds and dogma, and hand-me-down traditions of men. We are the children of light. And neither are we punching the air, or chasing shadows. We are following a divine revelation! We are following our Saviour Jesus Christ, purely in a divine revelation! We are following a truth! So, therefore, we can look back, and we can see how far God has dealt with us, and we can know precisely in God's plan of salvation and in His revelation, precisely where we are, and what the balance is. Brethren, we can see the end of the tunnel! We sure can, for God by His Spirit has laid everything bare for the bride of this very

end! Praise God! Amen! But the most pathetic thing is that people always see and accept what God has done in the past, and also see and accept what He will do in the future, but they never see what God is doing **right now** in the earth, for and on behalf of His people. They can see and accept the seven thunders who are yet to come; but the man whom the Lord is using currently, at this last junction of time, is what they will never see or accept, and yet his leadership holds right through to the very end, even into the thunders, thereby ensuring that he will be a lead thunder in that hour, for he is the one who eats the scroll, thus bearing the message of the entire Bible! And yet, they are looking forward to the thunders! Incredible! I have to ask you: And just how will you locate the thunders, if you cannot see John? You are simply deceived! The devil cheated you! If you really want to see the thunders, look for John, for God is not a God of abracadabra. The Lord has made everything plain at this end time, for all who love and know the truth.

Saints of God, I implore you: Receive this message, for it is the Gospel truth, and stay with the message of

continuity. It is the message of the Bible, for the message is one. It gives us the absolute truth of the entire Bible, a message which runs in perfect and most harmonious continuity. And until it is all over, it is not yet over. Why Continuity? There is no other way for a child of God to go, but to follow continuity. That is the only way to eternal glory, for the salvation of God continues still, even though we are in the very last move, and hence, at the very last junction of Gentile salvation time. This message of Christ the Messiah, "**The Word of God**", started in eternity, in the mind of God, and is taking us to eternity, with God. Continuity is all about our eternal destiny, and everything is by Jesus Christ, the Word of God. He that hath an ear, let him hear what the Spirit is saying to the churches, for the Spirit of the Lord is still speaking today, for the Word of God is alive, Jesus Christ, the Messiah of the world. Amen.

May the Lord bless you.
