JOHN: THE ANGEL'S FEET PLACING

The following message was preached by Brother Amos, on the morning of Sunday 17th May, 2009, during the May Convention, at Bible Faith Tabernacle, Lagos, Nigeria. It is a continuation of a series of messages, all taken from Revelation chapter 10, showing how and what God is using His end time lead Apostle John to accomplish, at this very end of Gentile time, for the Universal bride.

I want to greet everyone in the name of the Lord Jesus Christ. It is good to see you again. And we thank God for His grace and mercy towards us. It is His grace that has brought us together in this Convention. I know that quite a number of our brethren have to go back right after service this

morning, because they have a long way to go, and there is work tomorrow. I just want you to know it has been a joy having you all, and we really appreciate your presence. You have been a blessing, and may the Lord bless you, be with you, and take you safely back. It is our prayer that God's grace will abound richly in your lives, and that God will uphold you by His Spirit. I want to encourage you to stay with the truth of Christ; let us uphold the Word of God: Brothers and sisters, it will take us home. The Word of God was sent, for God gave His Word, to bring us back to Himself. And there is no way we are going to find our way home, except by God's revealed Word. Saints of God, that is the blueprint. It is the master plan of God; it is

God's roadmap for us. Let us therefore stay with the roadmap of God, and we will not fail to make it home. May God bless you all. Amen and Amen.

I want to share a few testimonies before I go into my message this morning. We were privileged to visit South Africa about a month ago or so. In Moorreesburg, in the Western Cape Province, I was taking a message titled, *Why Continuity?* As I stood in the aisle, directly in front of the pulpit, whilst preaching, the Angel of the Lord manifested himself; and I told the people, "*The Angel of the Lord is here right now.*" Ernest Scotsman, the pastor of the church, instantly beckoned to some members of the church to take photos. I had my chart on *Why Continuity?*, hanging on the wall of the platform. Brothers and sisters, they took photo shots, and God took my left arm, as I stood in front of the pulpit, and placed it behind the chart, which was hanging on the wall behind the pulpit, and made the chart, which was on flex material which you cannot see-through, into a see

through material, like the veil a woman wears when she is getting married. God literally turned the flex into a veil, and you could see the red arrow on my chart, still running across my arm, as if my hand was directly behind the chart, and was part of the chart! God is simply awesome! As I stand here this morning, if you take my photo, along with the chart we are using today, my body will definitely block whatever portion of the chart I am standing in front of, as I am not transparent! That is a fact. You can put it to the test. But on that blessed day, God took my arm, and placed it behind the chart, and made the chart a see-through chart, as you could still see the red line I drew across my hand, as though my hand was directly behind the arrow on the wall! And saints, the name of "John" which I wrote on my chart, was now also legible on my hand! My hand should have covered it! It is inexplicable, but we know it is God doing these incredible things, seeing I was standing some distance to the wall, and in front of the pulpit, down on the aisle! The first name of John Wesley which I had

on the chart, was still visible on my arm. We now have that supernatural shot on our website. No man can do that except God! And He does it to vindicate His Word of truth. Moreover, it was not my photo shot. I did not take the shot. It was not my camera. It is one of our brothers in South Africa, Roy Arries, who took the shot. I do not have the negative; I only have the printed photo which he sent to me. Brothers and sisters, at a particular point in my message, I asked the people, "*Are you with me?*" When I said those words, the brother recording with the video machine saw a burst of light, and he caught it on his video tape. And it happened twice. I have the dvd. He sent it to me. I was taking another message in that meeting, titled, *Joel's Army*, a message we also took yesterday. Here came the Angel of the Lord again, that great light. And brethren, the light enshrouded the soldiers on the chart, and you can see the two soldiers in front of the military formation overwhelmed by the light. And you know what God is trying to tell

us: *"This is exactly what I will do to the soldiers of men on the Day of the Lord."* We have these photos on the wall at the back of the church. Brothers and sisters, I say all that to say this: If this is a message of truth, God is under obligation to vindicate it. If this is a message from God, the Lord will surely back it up supernaturally; for as Brother Jackson declared, in this last move, the supernatural will have much to play in it, because the message of Jesus Christ is a message of life, and it will give life to its recipients. God therefore has to give it a supernatural touch, for the sake of His elect seeds, in a dark apostate hour. And that is what I feel the manifestation of the Angel of the Lord is about: It is to cause an attraction in the hearts of God's children to the truth, because it will make them realise that only God can do these things. If they say the light is a mere reflection, or a damaged shot, as Richard Gan says on his website, how do you explain my arm being blended with the chart? No man can explain that! That is phenomenal! The photos are there!

Moreover, Richard Gan said, when you look at the supernatural light, the halo above the head of Brother Branham, is amber in colour. That is a blatant lie! The halo over his head is white! The little streak of light on his left shoulder is also white, not amber! And even if it was amber in colour, which is denied, it does not take away from the reality of what the Lord is doing today! That vulture had to say that to blight something. And the more they say it, the more it grows! The more they blight it, the more it grows! Praise God! He said it is a damaged shot. Thank God for the damaged shot that could touch the cyst on the back of my sister, Patsy Parker, who was in such a harrowing pain, and was waiting for an operation that was to be performed on her in the United States of America! God not only took away the terrible pain that very day; when she got back to the United States from Nigeria, and she was placed on the operation table, and they tested her, the cyst was completely dead, and dried out! I love that! Yet, she was not even the person that placed her hand on the

supernatural light! She was not the person who touched the light! Yet, this first class unbeliever in Singapore says the light was a mere reflection, and that God was only responding to her faith as she touched the reflection! But she was not the one who touched the supernatural light, for she was not in that service! What a world of gross unbelief! What utter blasphemy! May that reflection never cease! We even thought it was just about the cyst; but no, that precious sister also had a brain tumour, and God also took that away as well, in one effective divine touch! God be praised! That was what she was testifying about this morning! She testified of God's goodness to her at the last Convention she attended! God took away a cyst, which was like a ball. The doctors stuck needles into it, and wondered, *"Wow, this is dead and dry. It is gone!"* But God also took away a brain tumour! Why? Because God honoured the sacrifice she made to come all the way to that Convention, all on account of her pure love for the truth of Christ! When Sister Liz Gainor

realized the Angel of the Lord was manifesting, and that the ball of light was there, she asked to be led there, and she stuck her hand in the light, and a tingling sensation immediately developed in her hand, a burning sensation. And after placing her hand on her eyes for God to open her eyes, and nothing happened, she was then moved in her heart to take the tingling sensation to Sister Patsy. Therefore, she took that sensation back to the house where Sister Patsy lay in great pain, laid her tingling hand on Sister Patsy's back, praying for her, and God touched her immediately, taking away the pain, a cyst, and a brain tumour! I like that reflection! What a wonderful reflection! I pray again: May such reflections never cease! Amen.

I was visiting the church of this "gambler" in Montgomery, Mike Hefner. His son-in-law, Brother Brad, took all the various photos, along with one of Mr. Hefner's sisters, Sister Margo. She took shots with a Polaroid instant camera. The instant camera had the supernatural in it. Brother

Brad's camera also caught the supernatural. That is the photo caught on the negative which gives us that ball of light reflecting on my head. They have the negatives, for it is their camera, taken by them, and printed by themselves. They only gave us an album of all the photos. So Mike Hefner cannot say it is not true, because his son-in-law took the shots. But he can say today, Ham cannot be an apostle; Ham cannot carry the light, because Ham is cursed. He also said that the ***Input of Ham is deception***, as if his warped testimony makes a difference! That was the last letter he wrote to me when he got our book titled, *The Third Day*. He said the Input of Ham is deception, that I am deceiving the people. Brothers and sisters he has a witness which remains till this day in his own household, but that is okay. I say all that to say this: If it is not Jesus in this ministry or behind this ministry, it is impossible for these things to happen, for no man can do these things, for they are not common events. Moreover, no man can receive anything, unless it is given to him from

above! I do not beg people to believe my message, but I know that the elect bride seeds of God will believe it. And wherever the seeds of God are located around the globe, they will come to this continuity light. It is not my light; it is the light of Jesus Christ, because Jesus is the light, the true light. So, it is about him. It is about Jesus, because he alone is the Saviour. But we are messengers of his; servants of Jesus Christ. God's people have to see God in something. May the Lord help us to be faithful. Brothers and sisters, I want to say that God has a way of confounding hypocrites and unbelievers. I remember I was in Mike Hefner's church in Montgomery, on another occasion, for meetings, when Brother Jackson was still on the ground. I was preaching my heart out in that church. They have a gallery upstairs, where they also have a library, along with the pastors' office. But they have a mini-gallery where people sit, looking down into the main church auditorium. The Mexican brethren sit there, because they have Mexicans in their church.

And there the message is being interpreted to them in their language. Whilst I was preaching on this particular Sunday morning, something happened. I did not know it happened; it was the testimony of an elderly Mexican sister. After the service, Mike Hefner came to me, and said, *“Brother Amos, you have to listen to this testimony. There is a Mexican sister here that has a testimony for you. She cannot speak English; she speaks only her language.”* But another Mexican brother, Emmanuel Rojas, translated for her, in the presence of Mike Hefner, as we all listened to her testimony. She said, whilst I was preaching, she was looking down from the gallery, listening attentively to the message. She said it got to a point during the message, it was no longer my face she was seeing. Another face had taken over my face, and it was the face of Jesus Christ that was appearing. She said she was baffled, thinking, *“Wow, this is Brother Amos preaching. But look at his face; it has changed to the face of Jesus Christ; and it was the face of Jesus that was*

manifesting, rather than the face of Brother Amos!” I know God was speaking to them. And let me say this: What that sister herself does with the truth, is between her and God. But that manifestation was given, to show that Jesus Christ himself is the one behind this ministry. Period! It was to vindicate the truth, and what the Lord is doing. Simple!

For our message this morning, we will turn to the book of Revelation chapter 10, and we will take it from verse 8 to verse 11. It records: **“And the voice which I heard from heaven spake unto me again...”** Again means a second time. So we must ask, When was the first time that voice from heaven spoke to him in this particular prophetic setting? We see that in verse 4, even as it is written: **“And when the seven thunders had uttered their voices, I was about to write: and I heard a voice from heaven saying unto me...”** not unto a plural ministry, not unto the bride of Christ, but unto John, the Lead ministry of the bride of Christ in that day. I will take that verse again: **“... and I heard a voice**

from heaven saying unto me, Seal up those things which the seven thunders uttered, and write them not.” That was the first time he heard that voice from heaven in this setting. It is the baritone voice of Elohim. It is the voice of God. It is not the voice of the Angel; it is the voice of God! Now, in verse 8, Elohim spoke again to John, directly from heaven, as it is recorded: **“And the voice which I heard from heaven”** (that is earlier in verse 4) **“spake unto me again, and said, Go and take the little book”** (that is a scroll) **“which is open”** (because the Seventh Seal has now been broken, making the scroll a fully open scroll) **“in the hand of the Angel which standeth upon the sea and upon the earth. And I went unto the Angel, and said unto him, Give me the little book”** (the scroll). **“And he said unto me, Take it, and eat it up; and it shall make thy belly bitter, but it shall be in thy mouth sweet as honey. And I took the little book out of the Angel's hand, and ate it up; and it was in my mouth sweet as honey: and as soon as I had eaten it, my belly**

was bitter. And he said unto me” (John), “THOU” (John) “MUST PROPHECY AGAIN before many peoples, and nations, and tongues, and kings.” Let us hold it there. As I always say, and as the Word of God also declares in 2 Peter chapter 1, verses 20-21, there is no Word of prophecy that is of any private interpretation, for God is His own interpreter, even as it is written: **“Knowing this first, that NO PROPHECY OF THE SCRIPTURE IS OF ANY PRIVATE INTERPRETATION. For the prophecy came not in old time by the will of man: but holy men of God spake as they were MOVED by the Holy Ghost.”** That is divine inspiration! But the issue is this, how does God interpret His Word? He has to have an anointed vessel for it! Why? Because the written Word of God came by anointed vessels of clay; and the revelation of the written Word must also come by anointed vessels of clay! It is all inspirational! It is all about the anointing of God, for God is the one that is behind everything,

and that is what makes the real difference! I repeat, the inspired Scriptures came by men, and the revelation of it also comes by God ordained and God inspired men! That is a fact! And the revelation which an anointed vessel of God gives, of the Word of God, is God's interpretation of it. Period! Hence, the Word of God is not of any private interpretation! God is His own interpreter. That simply means God has an anointed vessel of clay through which He reveals His mind concerning His Word, for it is not given to every Tom, Dick, and Harry to interpret the Word! Just because people can read and write does not give them the right to use their little canary brain to interpret the divine Word, because intellectualism is opposed to true revelation! Exactly! Because revelation is not about education! Therefore, true revelation of the Word comes through a God anointed eye! Full stop! That is how true interpretation comes! And when you turn it down, it is the interpretation of God, or the voice of God, you are turning down; and your

folly will be made manifest, for you will simply degenerate, because you are implicitly turning down the voice of your Maker! He that truly hath an ear, is expected to hear the voice of the Spirit of God, sounding through His ordained vessel! That is a fact! You must understand the logistics of God, as a true child of God, one walking in the light. You must understand how God works; how He deals and moves with His people in the light; how He unveils the Word of life. Why? Because there is a revelation of God that anchors in the hearts of all God's predestined seeds! For God gives a personal touch to every elect child of His! Moreover, we have God's blueprint, our infallible roadmap, the revealed master plan of God, which today has been opened up to us, like no other age has! The Bible is now an open book this morning, at the evening time, just as He promised through Prophet Zechariah. It is no longer a book of mysteries; it is opened up, and we can see Christ in plain view, as he is revealed from the book of Genesis, right up to the book of Revelation!

We must, as such, follow the Lord, strictly in the light of His Word, for this is a way we have never walked before. Just look at the condition of the Branham Movement today. They know it all, and have it all; you cannot tell them anything; they have all the quotes that will take them to rapture: So they think! But they are certainly going nowhere with their quotes! If you do not allow your soul to be robed with the pure continuous revelation of Jesus of the Scriptures, you are going nowhere! You can plaster your house with all the quotes of William Branham, you are going nowhere! With all those quotes, you will gladly take the mark of the beast in the second half of the last Week of Daniel. The same applies to the followers of Brother Jackson, who do not want to move on, and who do not care for any further light. They are just wrapped up in their separate little cocoons, doing their own little things, forgetting that this is not about their private plans, but about a universal plan of God's salvation, involving a universal body of saints! And God has moved on!

Therefore, let me warn you: When you miss the rapture, as an end time message believer, there is no second bus you are going to catch. So, do not think you will go to the land of Israel to catch a second bus, as these message unbelievers are teaching: There is no bus of rapture anyone can catch in Israel, or in any other place in that day, once the bride of Christ is gone! Once you are left behind, all you have left is the mark of the beast! That is something serious to think about, for the foolish virgins are not following this revealed way. Just think for a minute, for this is not a game.

May God help me this morning. When you look at the book of Revelation chapter 1, this entire book of prophecy opens up in verse 1, this way: ***"The revelation of Jesus Christ, which God gave unto him"*** (*unto Christ*), ***"to show unto his servants"*** (*plural servants*) ***"things which must shortly come to pass; and he"*** (*Jesus*) ***"sent and signified it"*** (*delivered it*) ***"by his angel"*** (*personal angel*) ***"unto his servant John."***

Verse 1 starts with the declaration of the authorship of the book: ***"THE REVELATION OF JESUS CHRIST."*** In the entire Bible, there is only one book that Jesus authored, and that is the book of Revelation. Although the words and works of Jesus are recorded in the Gospels of Saints Matthew, Mark, Luke, and John, Jesus did not write them. Those four Gospels, although inspired, were written by the men whose names the books bear. But the book of Revelation is the only book that Jesus wrote, using Saint John as his Scribe. That was why John heard a great voice behind him, on the Isle of Patmos, as of a trumpet, asking him to write. What was he told to write? The things the Lord was going to show him precisely, and the things the Lord was going to tell him precisely to write! Why? It is the revelation of Jesus Christ himself, which he (the Lord) committed unto John, to give to the plural servants of Jesus Christ, for the entire body of Christ of the end time, seeing that the book is strictly prophetic! What am I saying this morning? It is simply this: When we

come to the book of Revelation, particularly as we consider chapter 10, we are looking strictly at the revelation of our Lord and Saviour Jesus Christ, the only book in the entire Bible which Jesus authored. Therefore, you are under a divine obligation to give utmost heed, to the prophetic revelation Jesus Christ gave forth in this book! Yes! Brothers and sisters, I will dare to say this morning, what you do to the revelation of this specific book, determines your eternal fate, for it certainly determines whether you will be in the bride of Christ or not! Take it or leave it: Truth remains the truth, for there is not one ounce of prophetic revelation which this book conveys, that the bride of Christ will not be robbed in. Therefore, your attitude to the revelation Christ conveys in this book, will seal your eternal fate. Let that sink in. I therefore warn: What we share this morning, is the revelation of Jesus Christ. It is not the revelation of any man. It is Christ's own revelation! Apostle John was the scribe the Lord used to pen it down, but the author of it is Jesus Christ himself. Do not

forget that. That is why the chief apostle to this age, Raymond Jackson, rightly called the book of Revelation, "**Christ's love letter to his bride**", and only the bride of Christ will understand it. In the entire Bible, this is the only book he authored! Yes, as I stated earlier on, it is his message which is presented in Saints Matthew, Mark, Luke, and John; but church, Christ is not the author of those books: Doctor Luke is the author of the Gospel of Luke. John Mark is the author of the Gospel of Mark. Saint Matthew is the author of the Gospel of Matthew. And Saint John is the author of the Gospel of John. But this book, the book of Revelation, Jesus Christ is the author of it, using John as his Scribe to pen it down, even as Jeremiah used Baruch. Hence the book opens up with a categorical declaration of its author, in the very first verse, the opening verse, proclaiming inviolably: "**THE REVELATION OF JESUS CHRIST.**" And if you really love the Lord, and you truly believe in Jesus Christ our Lord and Saviour, you will listen to what he says in this book. You will listen, and you will

follow; otherwise, your love for Christ is empty, baseless, and useless! And as I also stated earlier, and as it is written, **No Word of prophecy is of ANY private interpretation**, particularly when considering this very deep and highly coded prophetic book, a book full of prophetic symbols. You will only kill yourself with your "*kukuru*" "*kukuru*" private interpretation. Yes, you will, particularly in considering chapter 10! Why do I give this warning in considering chapter 10 of the book of Revelation? I will show you, for that is precisely why I am taking this particular message today. For today, every idiot has his own interpretation of this book. And that is only because they have no fear of God in them. Otherwise they would not venture into things that are too wonderful for them; intruding into things they know nothing of; intruding into divine things! But their flagrant intrusion only shows they are nothing but a pack of unbelievers! That is the bottom line! What a world of incredible unbelief and

rebellion against God! My! What utter audacity men have! Lord have mercy!

Saints, when considering Revelation chapter 10, verse 11 ministry of John, I have heard people say, even as a deceived brother is now teaching in Maiduguri, in the northern part of this country, that we cannot have John, until the hour of the seven thunders. That is as false as false can be, for it is a lie, being an untruth! And that is precisely why I am taking this message, for I want to show you something. Before now, he believed in John though, but now, he no longer believes in John, for he claims we cannot have John, until the hour of the thunders; although he still claims to believe in the lead ministry of this hour, nonetheless. My! What a hypocrite! But let us simply ask him: Who then is the lead apostle of this hour, if not John, with the passing away of the chief apostle Paul of this end time? What a load of confusion! It is like saying that Jesus was not the Lamb of God until he got to the Cross! But the truth is that Jesus was able to die on the Cross, simply

because he is the Lamb of God! Exactly! Hence John the Baptist proclaimed in John chapter 1, verse 29: ***“... BEHOLD THE LAMB OF GOD, which taketh away the sin of the world”!*** The Lamb of God was a prophet, and therefore, whilst here on earth, he had to exemplify or manifest that prophetic attribute, being the Lamb of God, and he did! He is the Lamb, and that is why he was able to pay the price on the Cross, for only the Lamb of God could pay that mortal price! We therefore want to see, strictly from a Scriptural perspective, if John's ministry is indeed limited to the hour of the seven thunders, or if his ministry is already on. That is the main issue I want to set forth in this message. I will not be addressing some utterly ridiculous and most stupid interpretations of Revelation chapter 10, verse 11, which some men are bearing, for I have better things to do with my time. And if anyone is stupid enough to believe that the first age John fulfilled Revelation chapter 10, verse 11 Ministry Commission, by the book of Revelation he wrote, it is certain such

people do not have any interest in the revelation of life, being a people who merely want to make jest and make a mess of the Word of life! I have no time for such people! However, I must warn, that in laying out the truth of this matter, and as we consider chapter 10 in this respect, I will go into this chapter only in a measure, because there are things I will still leave out, being things I intend opening up later, when we take other messages relating to the ministry of John. We have quite a number of messages or topics in this message series, dealing with the ministry of John, as Jesus Christ set it forth in his prophetic revelation. But look at this chapter, chapter 10. It is a prophetic chapter which is very crucial for the bride of Christ of the end time; because the **entire chapter** has application, strictly in this seventh and final church age, this Laodicean church age! There is not one verse or clause in the entire chapter, which we can apply to any other age, except this very last church age! And it relates strictly to the Gentile bride of Christ of the end time, and not to the Jews, for

there is nothing in the entire chapter which relates to the Jews, or which applies to them! We must first realise, that John the beloved disciple had the prophetic experience laid out in this chapter, on the Isle of Patmos in 96 A.D., relative to this very end time. It all points to this very day, and is applicable in this very age. He was caught up by the Spirit of God, and was transported through time, in a spiritual vision or projection, to see what he saw, which things are prophetic realities God ordained for this end time! So, that lets us know, that the reality of his prophetic writing in this very chapter, is facing us today, for we are living in the days of its prophetic application. He saw things that are realities of God, realities of Christ, ordained for today. But, he saw it ahead of time, in a spiritual projection, or in a spiritual fast forward. That is why I say, God took him on a time-travel! God is the author of time-travel, not Hollywood! And there is no mechanical contraption or machine of man, which can give man time-travel! Do not believe in that Hollywood junk! There is no machine for

time-travel! God is the author of time-travel! God simply took John on the Isle of Patmos, and lifted him out of his body. He took his spirit out of his body. And as such, John saw himself standing up, and yet, he also saw his own carcass lying on the ground, on the Isle of Patmos, and he must have wondered, *"Wow! Here I am standing up here, and yet that is also me lying on the floor!"* It was an out of body experience he had, as he was taken through time. God simply took him travelling through time. And coming to the prophetic setting recorded in chapter 10, he was standing right in this age, to behold the realities of this end time, for it all points to this seventh church age. Furthermore, I want us to also realise, that apart from the ministry of the star messenger to this age, which is expressed in verse 7, and that of the seven thunders in verses 3-4, a plural prophetic ministry which will still have John as its lead thunder, the entire chapter 10, is relative to the ministry of John! Just think of it! The entire chapter 10, of the book of

Revelation, barring verse 7, is relative to the ministry of John. Think of it for a while, for that is also something I will show you in this message. And that is why we have quite a number of messages that make up the John series, as the Lord helps us to slowly but steadily unveil the things Jesus Christ revealed in 96 A.D., concerning the John of this end time, a climaxing and wrapping up ministry, which Christ set forth for us Gentiles. Just follow me with the eyes of faith, the eyes of revelation, for as it is written: ***"The just shall live by faith."*** The foundation for all things, the foundation for truth, is the Scriptures. Come with me to the Word of God, as we lay out these things, the Lord being our helper.

Church, let us look closely at this end time Apostle John's ministry, the ministry of Revelation chapter 10, verse 11; for as I said before, I want you to see something. Please follow me closely. I want to show you the prophetic revelation of Jesus Christ. Therefore, saints of God, as we now start this message titled, *The Angel's Feet Placing*, let everyone hear me loud

and clear: **John's ministry does not start in the thunders!** It does not! John's ministry actually starts long before the thunders step on the scene, and I am going to prove it to you, strictly by the Bible, and by what the Lord has already accomplished today, strictly in the light of his prophetic Word, as it also vindicates the revelation Jesus Christ gave me, concerning the ministry of John. So, in essence, everything I will lay out in this message, is based strictly upon the Word of God. To start with, let me say this: Nobody can fulfil the Ministry Commission in Revelation chapter 10, verse 11, except an apostle! Let us take it from there, although people are now vehemently denying this ministry, because they hate divine headship. They can only take headship in their place of work. But the truth is: If John the beloved apostle was told to prophesy AGAIN, on a universal scale, in that day, and he did not fulfil it, for he did not leave Asia Minor, which is modern day Turkey, and he died a few years later, we must know he did not fulfil it, simply because it was not

a Ministry Commission meant for him, but for the end time John, of which his ministry sets an infallible type or standard! Period! And as such, we must all understand that whosoever will fulfil Revelation chapter 10, verse 11, has to be an apostle, for only an apostle can fulfil it; and that apostle has to be the end time John. Period! That Commission gives us the return of the Spirit of John. And as we had an Elijah at this end time, standing in the shoes of John the Baptist, who was an Elijah in that day, so we also have an end time John the apostle, standing in the shoes of John the beloved apostle, of the first church age! Period! Moreover, and please note this, if John of the early church was the lead apostle, and hence, the Standard Bearer, after Apostle Paul, a man who was the chief apostle in that first age of Christendom, then the John of this end time must also be the lead apostle, and hence, the Standard Bearer, after our Paul, our chief apostle, Raymond Jackson, passed away in 2004! He has to be the lead apostle, for everything has to carry on

in its restored continuity! You cannot take it out of sequence, for it will not work! You are not looking at the Bible if you do that! We have to keep everything in Scriptural perspective! It is line upon line, here a little, and there a little; but we must keep everything in its divine continuity, for God is a God of continuity, being absolutely consistent and most perfect in all His ways, and in the accomplishment of His great and marvellous plan of salvation! Exactly! You cannot break the record of the Scriptures, for it will not work! As such, if we really believe in the Paul of today, the chief apostolic ministry of Raymond Jackson, as the take-over ministry from Malachi chapter 4, verse 6B Elijah, William Branham, commonsense will tell us, therefore, that we are already in the hour of John, following the passing away of Brother Jackson! Simple! **THERE CAN BE NO VACUUM IN THE LEADERSHIP OF GOD'S PEOPLE!** And the lead apostle of today is not "abracadabra" either, for he is John! Come on! That is so, particularly because, in the first church age, the take-over

ministry from the Paul of the first church age, was Apostle John! Therefore, the take-over ministry from the Paul of this end time, can only be Apostle John, looking strictly from the standpoint of the revealed plot God charted in the ministry in the first church age! It set an infallible and unchanging ministry pattern and standard, being the model ministry God established in the model age, a standard ministry pattern which this end time ministry must and will attain unto, for our God is most perfect and most consistent in all His ways! He does not change! Brothers and sisters, we serve a perfectly consistent God, whose ways do not change! Precisely! Therefore, considering the ministry of John of this end time, strictly by looking at the ministry plot God established in the first church age, which is the standard age, an age which had the original standard ministry which God is bringing back today, we have to realise, that Apostle John has to be on the ground already, in reality, and not just in potentiality! That is the first point I want us to see.

It is an infallible and unchanging pattern we cannot nullify, if we truly know that this is indeed **T H E A G E O F RESTORATION**, of the original standard bride ministry, and of the original standard bride church! Exactly! That is the objective of God for sending the Elijah of Malachi chapter 4, verse 6B! He was sent to relay the foundation for the re-establishment of the original Ephesian ministry the church had in the first age, giving us every office and attribute of that ministry! Absolutely! As it was in the first church age, it has to be today! It cannot change! As such, when we are considering the time application of the ministry of Revelation chapter 10, verse 11, we must see that the ministry of John is on, even as we speak, for the death of the endtime Apostle Paul in December 2004, initiates the igniting of John's successive lead apostolic ministry! It does! And that will also make me say, therefore, that **the Ministry Commission of Revelation chapter 10, verse 11, can stand on its own, and it stands on its own, IN ITS APPLICATION**, away

from the eating of the scroll in verses 8-10, and away from the hour of the thunders in verses 3-4, although IT ALSO STANDS in relation to the eating of the scroll, as well as in relation to the seven thunders! Please take note of this fact very well. We will lay out everything, and tie everything together, in order to make it plain, by God's grace. Just follow me closely with the eye of revelation. But do not forget, for I must repeat for the sake of emphasis, that **VERSE 11 CAN STAND ON ITS OWN, and IT STANDS ON ITS OWN**, for its application covers the entire period of time leading up to the rapture, beginning from the time of the passing away of Brother Jackson in December 2004. Just bear with me, for as I said, everything will be made plain. Come with me. I want to show you something that will settle this issue, and it will clearly show that the people denying the currency of John's ministry, obviously have no clue, being devoid of the Spirit of God, which is the Spirit of truth. After all, a man can only talk and judge to the limit of his

u n d e r s t a n d i n g , particularly when God is not dealing with him on something. Moreover, not all men have faith. But for the eagles of God, the true bride of Christ, and as it is written, to us it is given, **“to know the mysteries of the kingdom”** of our God! It is also written, **“the wise shall understand”**; for when the Comforter comes, it is written, that **He will guide us into ALL TRUTHS!** Amen.

Saints of God, the revelation of the currency of John's ministry, will reinforce the truth, that indeed, **No word of prophecy is of any private interpretation.** Brothers and sisters, as earlier stated, when we consider chapter 10 of the book of Revelation, from verse 1, right to the very end of the chapter, it is strictly for the bride. There is nothing therein that concerns or relates to the Jews. From verse 1 to the end, the prophetic revelation it contains is applicable strictly to the Gentile bride of Christ of this last age, for it has strictly an end time application. Therefore, there is nothing in it anyone can take and

apply to any other age, or to any other group of people, other than the bride of this day. And as I stated yesterday, in this chapter, we see the beginning move of God for the end time bride, and the ending move as well. The beginning move of God to get a bride, is given in the ministry in verse 7, and the ending move of God for the bride, is given in the ministry in verse 11. That makes both ministry verses crucial texts of Scripture! And as such, brothers and sisters, we cannot accept Revelation chapter 10, verse 7 ministry, and reject the ministry of verse 11. However, we must realise that the ministry of the John of verse 11, cannot start in the hour of the seven thunders, because, **the hour of the thunders gives us a climax**, and hence, John's ministry only comes to its climax in the thunders, but it does not start in the hour of the thunders! Why is this so? It is simply because, when we come to the hour of the seven thunders, we enter strictly into a prophetic hour, an hour of unwritten truths, which is an hour

when salvation would have been completely over for us Gentiles! And the thunders are not the ones the Lord ordained to bring the bride into unity of the faith and perfection, but the Ephesian fivefold ministry, under the headship of apostles, with John as the lead apostle! Thus saith the Lord in Ephesians chapter 4, verses 10-14, a passage which still gives us Christ's lead apostolic ministry! It is an indisputable fact of the Scriptures that the thunders do not bring unity of faith and perfection, but only prophetically prepare a perfected bride for the rapture event! Precisely! And if John, the lead apostle after Paul, is not already here, then we have no apostolic ministry, for he is the lead apostle! And if we have no apostolic ministry, it means we have no Ephesian ministry until the hour of the thunders, for that is the implication! And if we have no Ephesian ministry, then there can be no seven thunders, for there will be no bride made ready for the thunders to instruct prophetically for the

rapture! In essence, No John, no fivefold ministry, for the Ephesian ministry start with the apostolic fathers of the end time, on the authority of Malachi chapter 4, verse 6B, which gives us end time apostolic fathers! They are the Scribes of Matthew chapter 13, verse 52, following the householder Scribe, which is William Branham! It has a most serious implication, if we do not have crossed eyes! For if we do not have the fivefold ministry until the hour of the thunders, which is vehemently denied, then, it throws the entire ministry structure and divine ministry plan and purpose of God into utter chaos! It throws God's divine plan for the end time bride all out of joint! And that cannot be! That is why we cannot even be talking of the thunders now, for we are yet to have the faithful original substantive fivefold ministry! They are yet to be established in their substantive offices, for they are all still on a potential, which is why men are falling, and are being divested! And without the establishment of the end

time original fivefold ministry, no bride will be made ready for the thunders to sound unto! You have to see it! Oh, now I got those who say that there cannot be John until that prophetic hour comes, if you have eyes to see! Yes! That is their private understanding, borne by their private interpretation of God's Word of prophecy, which is not of any private interpretation! We care less for men's private study thoughts! We care less for what any man's opinion is on the Word of life, for by faith, which is divine revelation, we cast down human imaginations and reasoning, and bring it into subjection to the revealed Word! Yes sir! Private study thoughts are therefore grossly irrelevant and useless!

Furthermore, it is obvious, that they also forgot Revelation chapter 19, verse 10 record, which plainly declares: **"... for the testimony of Jesus IS THE SPIRIT OF PROPHECY"**! I said they forgot the record of Revelation chapter 19, verse 10! John had such a wonderful prophetic experience, having been

taken through time to see various deep prophetic settings, previewing wonderful things of God, which Apostle Paul declared in 2 Corinthians chapter 12, verse 4, ***"is not lawful for a man to utter."*** What did John do as a result in verse 10 of chapter 19? It is written: ***"And I fell at his feet to worship him."*** Because he was overwhelmed by the depth and the abundance of divine revelation and prophetic insight he received! ***"And he said unto me, See thou do it not: I am thy fellowservant..."*** Why? Because Angels are also servants of God; but they minister on a higher capacity than human servants! Is that right? Yes! That is the difference! We will take that verse again: ***"And I fell at his feet to worship him. And he said unto me, See thou do it not: I am thy fellowservant, and of thy brethren that have the testimony of Jesus: worship God..."*** Look at what the Angel of the Lord now says: ***"FOR THE TESTIMONY OF JESUS IS"*** (not that it will be, but that it is) ***"THE SPIRIT OF PROPHECY."*** The testimony of Jesus IS the Spirit of prophecy!

What does it mean in its prophetic application in relation to John? Saints of God, I want you to realise that it has a two-fold meaning, and a two-fold application. It simply means, firstly, when John is carrying a true and pure salvation revelation of Jesus Christ at this end time, in order to bring unity and perfection to the body of saints around the globe, through the fivefold ministry, he will be doing it by the inspiration of the prophetic anointing of Jesus Christ! Remember, Jesus himself was a prophet, the prophet of all prophets. When he came to establish the New Testament, he was a prophet, a man who was born under the Law, and who lived under the Old Testament Law. And it was that prophetic anointing that also carried the men whom God used to write all the Old Testament Scriptures, speaking ahead of the coming of Christ, and the New Covenant revelation he would bring, therefore forming a foundation for the New Testament faith, even as Apostle Peter declared 1 Peter chapter 1, verses 10-12! ***It was the Spirit of Christ in them!*** The Angel of the

Lord is saying therefore, that that Spirit of Christ today, is first a salvation Spirit, carrying a salvational message, before it becomes a prophetic Spirit, carrying strictly a prophetic message. But whilst carrying a pure salvational message at this end time, ***“the testimony of Jesus IS the Spirit of prophecy”***; because He will still unveil the deep prophetic **written truths** of Christ unto us, the deep things of the Spirit of God, before going into those things which are buried only in the mind of God, in the hour of the thunders, who will carry the **unwritten revelation** of Jesus Christ! Are you with me? So, today, we are enjoying the prophetic written things of God. But these prophetic things of God come in a message of salvation, a message which gets the bride ready for the return of Christ. Hence, the testimony of Jesus first carries a salvation message, yet by the Spirit of prophecy, before it carries a prophetic message, by the same Spirit of Christ, which is the Spirit of prophecy, showing evidently, that both the

New Testament ministry, and the Old Testament ministry, carry the same Spirit of Christ; for the Spirit of God is One! Simple! And hence, John's ministry must start, and actually starts, with a salvation message, powered by the salvation anointing of the prophetic Spirit of Christ. And when he is doing so, he is doing it by the Spirit of prophecy. In essence, it means John has to be on the ground, ever before the hour of the thunders, if you understand what has been set forth before you today; that is, if you understand the prophetic utterance of the Angel of the Lord to John, in Revelation chapter 19, verse 10! But after Gentile salvation is fully realised, John's ministry will come to its climax, and therefore will change, in the hour of the thunders, which is strictly a prophetic hour, when they will all carry a prophetic message, by the prophetic anointing of the Spirit of God, prophetically preparing the bride for the secret catching away into heaven. Period! Thirdly, if John is to carry the message of Christ, to positively affect a universal or a global body

of people, referred to as **“MANY peoples, and nations, and tongues, and kings”**, according to the infallible record of Revelation chapter 10, verse 11, commonsense will tell you, therefore, that we cannot put the hour of the starting of John's ministry, to the season of the thunders, because they operate only for a short space of time, prophetically referred to in Revelation chapter 8, verse 1, as, **“about the space of half an hour.”** John needs more time! We need time for the establishment of the pure and original Ephesian fivefold ministry, and we also need time in order to accomplish revelational unity and perfection, within a universal body of saints! If we tie all these points we laid out together, we will know without any shadow of doubt, that John's ministry ignites before the thunders! It does, for no Word of prophecy is of any private interpretation! There can be no vacuum in the leadership of God's people! And God never leaves Himself without a true witness, more particularly at this end time, a time of gross apostasy and incredible

unbelief! John was already the **“Candlestick”** of the Lord on the ground, the true witness of Jesus Christ in that Ephesian age, when he had the experience on the Isle of Patmos in 96 A.D., according to the witness of Jesus in the book of Revelation chapter 2, verse 5! John's witness in that first age, did not start with his prophetic experience, for that was only the climax; it started with a salvation experience! And so is it with the John of today, who has a REPEAT ministry! Brothers and sisters, please, let us wake up, for this is not a game! Please! Let us not play with issues of eternal life! Let us not play with the Bible as some do, for it is the Word of God, and it is life eternal! Jesus Christ is the same yesterday, he is the same today, and he is the same forever. Saints, even without an express promise of John at this end time, as a seed of God, a child of light, you should be able to see how God used John in the first church age! You have to go by God's blueprint, and the infallible pattern set by the early church ministry, because that is the

original pure seed ministry, which produced the original pure seed church! And God is bringing back pure seed, exactly as it was in that day! The death of Paul gives us the standard bearing ministry of John, a man anointed to checkmate the spirit of the antichrist! We must know how to look at this promise, for it is staring us right in the face, being a ministry promise by Jesus for this day!

Brothers and sisters, we must know how to look at Bible prophecy. When God told Simeon he would not die until he saw the Lord's Christ, even though a blind man in the flesh, church, he was in the temple at the right time, and he knew the day the Messiah would come into the temple. Why? He had borne a witness that he would not die until he saw the Messiah, even as the Lord had shown him! He was living for that! He was waiting for that! He had borne a true witness concerning that, and not even sickness or death itself could change the picture, for the Word of God cannot fail! It would have been a shame for him to bear such a

witness, and for the Messiah to be on the ground, and for him not to know! Where then would be the leadership of God upon his life? What would be the value of his revelation if he could not by the same Spirit of God know how to look at the promised reality he faced in that day?! Brothers and sisters, as blind as he was physically, he went to the temple. In his mind, he knew that it was a special day. There was no day like that in his mind, because he had been waiting for the consolation of Israel; he was waiting for the promised Messiah. I can see him getting up very early in the morning, and the wife must have said, *“Oh, my husband, why are you up so early? You were tossing and turning in the bed all night. I hope all is well?”* He must have replied, saying, *“This is a new day, a very different day. There has not been a day like this before. It is a special day. I could not sleep, for I could not wait for the day to break.”* She would have asked, *“Why, my lord? What is the cause of your restlessness?”* Simeon would have said, *“Because today, God is fulfilling His Word, and the*

hour of my departure is here, for I am meeting the Messiah.” *“Are you sure?”*, she would have asked, with an awakened interest. And he would also have replied, *“Have I ever told you a lie before, my dear wife?”* Brothers and sisters, when Simeon went into the temple that day, he went with a great expectation in his heart. His heart must have been bubbling over with great anxiety. Why do I say that? There is a revelation God gives every true seed of His, for our God is perfect in all His ways! He does not leave His people in darkness, particularly concerning the things He is doing in the earth, on their behalf! The Lord let Simeon know that the day had eventually come! Church, as the Son of God was brought into the temple, he went there to pick him up. You must know that baby Jesus could not have been the only baby in the temple in that day for dedication, and Simeon did not pick the wrong baby! Brothers and sisters, as blind as he was in the flesh, his spiritual vision was 100%, for it was very clear and sharp! His spiritual eyesight was perfect! Of all the babies for

dedication that day, he was interested in only one! He must have brushed baby “A” aside, moved baby “B” out of his way, and out of serious anxiety, he probably pushed the mother of baby “C”, in order to get to the promised Messiah! Brethren, I ask, who guided him? The Spirit of the Lord! The Lord guided him directly to the right baby! And when he got there, and he picked him up, and looked up to h e a v e n , w h a t a n inexplicable joy must have flooded his soul that day! My! Glory to God! And what did he say? Saint Luke chapter 2, verses 25-35 lays it out beautifully, even as it is written: ***“And, behold, there was a man in Jerusalem, whose name was Simeon; and the same man was just and devout, waiting for the consolation of Israel: and the Holy Ghost was upon him. AND IT WAS REVEALED UNTO HIM BY THE HOLY GHOST, that he should not see death, before he had seen the Lord's Christ. And HE CAME BY THE SPIRIT into the temple: and when the parents brought in the child Jesus, to do for him***

after the custom of the law, Then took he him up in his arms, and blessed God, and said, Lord, now lettest thou thy servant depart in peace, according to thy Word: For mine eyes have seen thy salvation, Which thou hast prepared before the face of all people; A light to lighten the Gentiles, and the glory of thy people Israel. And Joseph and his mother marvelled at those things which were spoken of him. And Simeon blessed them, and said unto Mary his mother, BEHOLD, THIS CHILD IS SET FOR THE FALL AND RISING AGAIN OF MANY IN ISRAEL; AND FOR A SIGN WHICH SHALL BE SPOKEN AGAINST; (Yea, a sword shall pierce through thy own soul also,) that the thoughts of many hearts may be revealed.”
 Halleluyah! Amen! How prophetic and perfectly true those words are! And how true it is till this very day! Saints of God, that prophetic utterance holds even as we speak! That was a man with a true vision! That was not a gambler! That was a man with a true revelation! That was a man who knew

how to look at a promise of God laid out in the Word of God! And let me say this today: Every elect bride saint will know how to look at the promise Jesus Christ gave in Revelation chapter 10, verse 11, for it fulfills the testimony which Jesus gave concerning the Spirit of John, in John chapter 21, verse 22! Exactly! Brothers and sisters, what am I saying? God gives perfect revelation to all His predestinated seeds, as to how to look at a promise that has a serious bearing on their lives, in their walk with the Lord, particularly in their hour of time! Precisely! Absolutely! I am simply telling you, for we must go back to our message, that every bride saint must understand, by the revelation of God, based upon the revealed Scriptures, that we are now living in the days of John! Exactly! For John is not to come; he is already on the ground! I warn again: The Word of God is not of any private interpretation; and the fulfilment of something gives you the interpretation of it. It does! You will know how to look at something the Lord has promised in His Word for this day, if you truly have the Spirit

of Christ, for it is the Spirit of the Word, the Spirit of Truth, which is the Spirit of divine revelation! That is most certain! God gives perfect understanding to all His redeemed children. Therefore, let every eagle of God understand we cannot push the ministry of John to the hour of the thunders, simply because John was instructed or commissioned to prophesy in that setting, following the account of the thunders, for as I earlier stated, verse 11 stands on its own, even though it also stands in relation to the thunders! So, you cannot deny the ministry of John, and neither can you tell me that John is not on the ground until the thunders. You cannot tell me that! And if you tell me that, I will say to you, that it is probably because you are reading the Quran instead of the Bible! Exactly! You are definitely not walking and talking with Jesus! Therefore, on account of all these “believing” unbelievers, these deceived and deluded individuals, I am going to show you something today, as clear as crystal,

God being my helper, to seal this issue, for this is strictly a Bible issue. We are therefore not afraid of any Scriptural challenge. As a matter of fact, we thrive on it, for truth shines through adversity. When the Pentecostal organised religious world are talking of the millions of dollars, expanse of lands, and church properties they have around the world, we will keep quiet, for we have none of those things. We are very poor in that respect. But when they talk of the Word of God, then they are on our turf, for they are talking of our priced possession! For the revelation of the Word is our land, our terrain, our inheritance; and God has made us extremely rich in things divine. Amen. The inspired Scripture is indeed, the Word of our inheritance. And on that, when we talk, they must keep quiet! It is the doing of the Lord for the bride of this evening time, and it is marvellous in our eyes. To God be the glory. Amen.

Church, I repeat, for no Word of prophecy is of any private interpretation, that the ministry of John,

which Jesus promised in his prophetic revelation in 96 A.D., is here. And it is here in Africa. That is the attraction on the mountain, for that is what brought my three precious sisters from the United States of America to Africa! This is their second time in Africa! It is the revelation of Jesus Christ which is sounding through John that is causing an attraction to the continent of Africa today! Truth is what brought them here from the United States! And if the Lord was not truly moving in Africa, to shed forth his light for the body of Christ universal, Africa today would not have been the attraction for these precious saints! It is certain that the Lord is no longer dealing from America, and neither is He dealing from Norway, Germany, Singapore, or Far East Asia, to shine forth his continuous light, for the global body of saints, but He is doing it from Africa, and from Africa today, the light of Jesus Christ is shining brightly to the nations of the world! That is a fact! This would not be happening if the Lord had not moved, in His dealing, to the continent of Africa! Precisely! That is what

makes the lighthouse or the bread basket of the bride to be in Africa! Exactly! We are living in the days of prophetic reality Jesus spoke about. And the truth of our Lord and Saviour Jesus Christ, that is shining forth from Africa today, is what makes Africa the bread basket of the universal bride, even as the prophet to this age had foretold or predicted! Before I show you what I want to show you, I first want to give the witness of William Branham concerning what the Lord is doing today in Africa. And I will ask the Branham Movement: Where will you place this prophetic utterance? And what are you going to do with it, because it is starring you in the face? Brothers and sisters, I am going slow on purpose, for I have to lay a very solid and necessary foundation for this message, before I can really launch into it. Please bear with me, for this is a move greatly hated and contested. There is, as such, methodology to what I am doing. Just bear with me and open your eyes. There is a book which the Branham Movement love; two books are most

prized, or most prioritized by the Movement: *The Seven Church Ages*, and *The Seven Seals*. But today, I am reading from *The Seven Church Ages*, page 36, a message the prophet preached in 1960. Brothers and sisters, he was talking about the revival of Israel from paragraph 2. But I will go directly to the relevant place, so that we can go fully into the core of our message for today, even though this forms a material background part of the message; but we want to enter into the real core of this message, for which all I have shared so far, only forms a material foundation. Now, watch what the prophet speaks forth: **“Now, when is the Gospel returning to the Jews?”** The prophet asked the question; but he also answered his own question. He said: **“When the day of the Gentiles is finished.”** That is, when the Gentile age of grace is over. That brings us time-wise, to the ending of this Laodicean church age. Now listen carefully to what Brother Branham says next: **“The Gospel is ready to go back to the Jews. Oh, if I could just tell you something that is about to**

happen...” (Not that it has happened; and not that it is happening; but something that is about to happen; future tense; when is it about to happen?) **“IN THIS OUR DAY”** (i.e. right in this Laodicean age; right in this seventh age; not in another age; something that will happen in the final junction of time in this last church age. He continued): **“This great THING”** (*singular*). You see, Brother Branham was rejoicing in the spirit. Remember there was a day also when Jesus rejoiced in the spirit, and he began to bless the name of the Father, for hiding these things from the wise and prudent, and revealing it to babes, such as would learn. Halleluyah! So also Brother Branham began to rejoice that day, because he was looking at something. And I am telling you this morning, he was looking at something in Scriptural prophecy. What he was looking at will not take us away from the Bible, because he was the prophet star messenger to this age, the man who bore the Word of God for this age, as the principal householder scribe. He

declared: **“Oh, if I could just tell you something that is about to happen right in this our day. This great THING that is about to happen WILL CARRY OVER to Revelation 11.”** Please note that the great thing the prophet talked about is not Revelation 11 ministry; but the great thing **“will carry over.”** It is a singular connector, or a singular connecting ministry, which **“will carry over to Revelation 11, and pick up those two witnesses, those two prophets, Moses, and Elijah, turning the Gospel back to the Jews.”** I ask you, what was he looking at? He was looking at the ministry of John! He was looking at Revelation chapter 10, verse 11! And in Scriptural reality, when you leave Revelation chapter 10, verse 11, you come straight to the ministry of the two Jewish prophets, because John connects with the two prophets in the record of the Bible! That is the record of the Word of God! As such, it is absolutely certain, that Brother Branham was looking specifically at John's ministry, the ministry of Revelation chapter 10, verse 11, that

day. John's end time ministry is what the prophet referred to as the "**Great Thing**"! He continued his prophetic insight, saying: "***This great thing that is about to happen will carry over to Revelation 11, AND PICK UP THE TWO WITNESSES.***" So, it is clear that the great thing is not the two witnesses, for it is not Moses and Elijah, but the great thing will pick up or connect with the two witnesses. Why? He is the connecting ministry between Gentiles and the Jews! The Shemitic race gave the baton of the revealed truth of Christ to the Japhethic race, and at this very end of the grace age, and specifically, at the last junction of time in this Laodicean church age, the Japhethic race passed that baton to the Hamitic race, and the Hamitic race will, in turn, give it back to the Shemites, and as the prophet foretold, and as the Scriptures vindicate, and the rapture will then come! Amen! But look at how Brother Branham concluded it. Listen to what he said: "***As the Jews brought the message to the Gentiles, even so the Gentiles will take it right***

back to the Jews, and the rapture will come."

That is an infallible and a Scriptural witness the prophet to this age gave, of the end time ministry of John! It is therefore thus saith the Lord, by prophetic insight! Yes! Halleluyah! I said that is a witness William Branham gave of the ministry of John, and it dovetails perfectly with the Word of God; for when we leave John's ministry, we immediately come into the ministry of the two Jewish prophets, showing plainly, that the connecting ministry between Gentiles and Jews, is the ministry of the end time John! Absolutely! And he is from the Hamitic race! John is in Africa! For John is sounding forth from Africa, which is the continent of Ham; for we are living in the days of the Input of HAM! How many can see it? Many other witnesses I can give to back this up, but this witness will suffice, for with this, we can now launch into the very essence, or into the very core of this message. Please come with me.

Church, I have stated over and over again, just to let you know, that John's

ministry does not start in the thunders, but only comes to its climax in the thunders, because John must first bear a salvational message, before he moves into the unwritten message in the thunders. Commonsense will tell you, therefore, that before a man can bear unwritten revelation, he must first bear the balance of written revelation, for our God is perfect in all His ways, not being a wishy-washy God! Exactly! And I now ask you: Who bears the balance of the revelation of written truth, if not John, the man who bore the balance of the written record in 96 A.D.?! So, let every bride saint know for certainty, that before we can come into the unwritten revelation of the thunders, we must first c o n s i d e r t h e appropriation of the balance of the revelation of written truth. In fact, as we speak today, we still have the present day identity of the serpent to be revealed to us, for we do not have that revelation! I said, we still have the present day identity of the serpent within the reptile family to be unveiled! Precisely! Do not forget that it is part of

the written truth; it is not part of unwritten truth: For we see his deformation into a snake right there in the written record of Genesis chapter 3, verse 14! In the written Word of God, we can see where God transformed him from an upright creature into a snake, as God put him in the reptile family! That is written truth! But the question is this: Which snake family constitutes the original serpent? Which specie of snake in the reptile family is the serpent? That is what we do not know! But since the serpent in his present form will also be in the Millennium, even as Prophet Isaiah prophesied, we will definitely have the revelation of his current state identity, before we move into unwritten truth in the hour of the thunders. That is definite! That is even commonsense! Hence, I re-affirm, John's ministry is already on, for JOHN IS HERE IN AFRICA. Now this is the clincher. Come with me to the Scriptures, for this is why I am taking this message in the first place.

Brothers and sisters, to show you that what I have

laid out concerning the currency of John's ministry, is the truth, and is no lie, I want you to come with me to Revelation chapter 8 verse 1. You have to see this. It records: **"And when he" (Christ) "had opened the seventh seal, there was silence in heaven about the space of half an hour."** Church, you have to take that verse, and place it on top of Revelation chapter 10, verse 1, in order to get the succeeding move of Jesus Christ, following the breaking of the seventh seal. Do you know why? It is simply because Jesus Christ is the only one who holds that scroll; for he is the only man that is worthy to even look on it, and also to take it, and to break the seals thereof, even as laid out in Revelation chapter 5, being the Lamb of God, the one who paid the full price for our redemption, on the Cross of Calvary. Saints of God, in 1963, only six seals were broken in heaven by Jesus Christ, and only six seals were revealed to Christ's servant, William Branham, on earth, in that day, for the universal bride of Christ. There is one seal that is yet to be

broken. And as long as there remains one unbroken seal on that scroll, the scroll of redemption remains till this very day, as a scroll that is not fully open. And it will not be fully open, until the seventh and final seal is broken. I am not going to take much time on that, as we have a lot of messages which lay these things out most plainly. God helping us, shortly, we hope to put our message on *The Seventh Seal*, in the Scribe. But church, the issue is this: One seal still holds Christ on that mercy seat this morning, as we speak. And once he breaks the seventh and final seal, and he leaves that throne (for he must leave that throne once he breaks it), he does not return back to it again. Brothers and sisters, his mediatorial days will be completely over! So, that lets us know God is still saving souls today, for there is still grace unto salvation. The door of Gentile salvation is not yet closed. Why? The fullness of the Gentiles has not yet come in. When **"the fulness of the Gentiles be come in"**, according to Romans chapter 11, verse 25, that door will be closed, and

mercy will be over for the Gentiles. It may be you the Lord is waiting on. Accessibility to salvation must come to an end one of these days, to allow the collective body of Christ to grow into the perfect stature of Christ. So, there has got to be a cut-off point, a time when God stops adding to the body, because the body has then become complete. Everybody is then sealed in his own slot, and the work of perfection is wrought in earnest! Let the righteous be righteous still, and the filthy be filthy still, becomes applicable. But until then, the door is still open. Please make hay while the sun shines. Give your heart to the Lord, and He will bless your soul with life eternal. The point however is this: Once Christ breaks the seventh seal, he must leave the intercessory throne, with the fully opened scroll. And where next do we see him with the fully open scroll? It is in Revelation chapter 10, verse 1! The fully open scroll is the connecting factor or link, for we do not see him again in chapter 8, from verse 2; rather, we see the seven trumpet judgment Angels going forth in the last week of

Daniel! But in chapter 10, we see him with the fully open scroll, although now, he is revealed in the form of a mighty Angel; but he is still with the fully open scroll in his hand, showing plainly that once he breaks the seventh seal, he will leave the throne, and the prophetic setting we see in chapter 10, verse 1, must be set in motion immediately thereafter! I am saying something this morning: Now watch. He alone holds the scroll, for he is the Messenger of the Covenant; the scroll of redemption is in his hands; he has purchased it. Are you with me? It is on the merits of what he accomplished on our behalf on the Cross that entitled him to it, because that is the title deeds. He holds it in his hand. But where do we see him again with the fully open scroll of redemption, after he breaks the seventh and final seal in chapter 8, verse 1? It is only in chapter 10! That means, when you read chapter 8 verse 1, you have to take that verse, and place it on top of chapter 10, to follow Jesus in his subsequent prophetic trail, following the breaking of the seventh seal! Exactly!

Brethren, we are trailing the prophetic movement of Jesus; because the connecting factor is the fully open scroll, which he alone holds! Come on! Let us take chapter 8, verse 1, again, and then follow the trail of Jesus in his movement to chapter 10, by placing chapter 8, verse 1, on chapter 10, on account of the fully open scroll. It reads thus: ***“And when he” (Christ) “had opened the seventh seal, there was silence in heaven about the space of half an hour.”*** Now with the scroll fully open, Christ makes his appearance on earth, in the spirit, not physically, for he slips to the earth in the spirit, which is why he is revealed as a spirit Angel, even as chapter 10 now records, starting from verse 1: ***“And I saw another mighty Angel...”*** *“Brother Amos, I thought you said it was Christ,”* someone would say. Just pay attention. We will take that verse again: ***“And I saw another mighty Angel come down from heaven, clothed with a cloud”*** *(That is he was clothed with the glory of God):* ***“and a rainbow upon his head...”*** Look at chapter 4, verse 3, and we will see the same

projection. In chapter 4, Jesus is on the throne, and verse 3 records: ***“And he that sat was to look upon like a jasper and a sardine stone: and there was A RAINBOW ROUND ABOUT THE THRONE, in sight like unto an emerald.”*** So, when Christ breaks the seventh seal, and leaves the throne which has a rainbow round about, he is still coming with that rainbow round about him. It helps us to know the identity of this Angel. How many can see that? So, chapter 10, verse 1, tells us: ***“... and a rainbow was upon his head.”*** Church, do not forget, the rainbow is the sign of the Covenant God made in Noah's day with the earth. So, that lets us know, this is the Angel of the Covenant, or the Messenger of the Covenant, which is Jesus Christ, even as Malachi chapter 2, verse 1B, refers to the Messiah, the Holy One of God, the One whom John the Baptist foreran. In Revelation chapter 10, verse 1, the record continues: ***“and his face was as it were the sun, and his feet as pillars of fire.”*** When you go to chapter 1, verse 15, you see a similar

depiction or picture, as Jesus reveals himself in Angelic form to John, on the Isle of Patmos, even as it is written: ***“And his feet like unto fine brass, as if they burned in a furnace”***, showing he stood our judgment. Brothers and sisters, this is Jesus Christ being characterized by a mighty Angel in chapter 10 as well. Chapter 10, verse 2 records: ***“And he had in his hand A LITTLE BOOK OPEN.”*** Now in this prophetic setting, the scroll is fully open, as the seventh seal has been broken. It is Jesus Christ slipping down to the earth in the spirit, with the open scroll, as he is characterised by a mighty Angel. That is a fact. It is established. Now pay attention.

Brothers and sisters, Revelation chapter 10, verse 1 records: ***“And I” (John) “saw another mighty Angel COME DOWN from heaven...”*** It simply means, he saw a mighty Angel COMING DOWN from heaven! So I ask, Where geographically was John positioned in the spirit, to see this Angel's descent to the earth? He was obviously on the earth! He

was standing in the earth, as he previewed this end time prophetic event! If he was standing in heaven in this prophetic vision, he would have said, ***“I saw the Angel go down...”*** To go down, is to go away from. But when he said, ***“... I saw another mighty angel COME DOWN”***, we realise the Angel was coming towards him, and that lets us know without any shadow of doubt, that in the spirit, John was positioned on the earth, when he saw that mighty Angel coming down, with the fully open scroll in his hand. This is what I want you to see, and please pay close attention. Saints of the Living God, this is the clincher to the currency of the ministry of John: The very fact that John witnessed this Angel's descent to earth, in this prophetic PREVIEW, lets us know assuredly, that ever before Jesus breaks the seventh seal, and ever before he comes to the earth with the open scroll, as revealed in this prophetic passage of Scripture, the John of the end time is already on the ground! It shows that the establishment of the ministry of John precedes the mighty Angel's

descent to the earth in the spirit, with the open scroll! Exactly! Before Jesus breaks the seventh seal, John is already a reality on ground! Why do I say that? It is simply because, when that Angel is coming to earth with the open scroll, after the breaking of the seventh seal, John will see him come! Yes, he will, because the John of that first age was only standing in the shoes of the end time John! It is strictly a prophetic vision, a vision which has an end time application, relating solely to the end time bride of Christ! In the prophetic vision, John saw Christ the Messenger of the Covenant coming down, as characterised and revealed by the mighty Angel, speaking of an hour of reality! What John saw in that day, was only in a spiritual vision, for he was transported into this end time to see it, and it conveys only a prophetic picture, which points to an hour of prophetic reality! Exactly! I show you this day its prophetic application, for John the beloved apostle was only standing in the shoes of the end time John! That is certain, for in the final analysis, he is going to give John the

open scroll in his hand to eat! Did you hear that? I said, in the final analysis, or in the end, the mighty Angel is going to give John the open scroll in his hand to eat! Come on! This is a prophetic picture! Do not forget that, for chapter 10 relates strictly to this last church age! In 96 A.D., John saw the Angel as he was **COMING** down, for he was standing on the earth in the spirit, merely previewing in a spiritual vision, something that is about to happen in this our day! It was only a preview of a prophetic reality John saw in that day! That lets us know with Scriptural certainty, that ever before the hour when Jesus will break the seventh seal, John would already have been a reality in the earth, to view the reality of the mighty Angel's descent to the earth, with the fully open scroll! Absolutely! I repeat: When that mighty Angel is coming to the earth with the open scroll, even as John saw it in that vision, **JOHN WILL SEE HIM COMING DOWN!** And that lets us know, that the ministry of John is already on! It is on, for John is here! That is settled! John has to see the Angel of the Covenant

coming down in prophetic reality, for as I have been emphasising, John in that vision, was only in the shoe of the end time John, the man who will have the reality of what John had only in a visionary preview! That is an infallible truth of God! Brothers and sisters, this is where I am going, for this is my message today, so please pay attention. Church of the living God, John saw that Angel coming down. Nobody else saw him but John. And nobody else will see him today except John, for only John saw that Angel coming down, even as it is written: ***“And I saw another mighty angel COME DOWN from heaven...”*** John gave us the full description of this Angel, to enable us to know precisely the One he characterises. But let us now ask ourselves these material questions: Why is this Angel coming? What is he coming to do? And why is Christ manifesting here as an Angel? Or better still, why is Christ being characterised by a mighty Angel? In the first place, Christ is being represented here by a mighty Angel, because the manifestation of Jesus

Christ in this prophetic setting, is in the spirit, and not a physical manifestation which everybody will see. Therefore, it will take the eye of the spirit for John to see him, through God's prophetic dealing with him. Secondly, the Angel expressing the person of Jesus, is coming in this great prophetic hour, to convey to the bride of this hour, very deep things of the Spirit of God, things which have been buried through time in God's mind, hidden from humanity. Yes! That is why he is coming, for he is coming with the revelation of unwritten truths contained in the seventh seal! And that is when the Lord will also activate the ministry of the seven prophetic thunders. Halleluyah! Verses 3-4 reveal that, even as it is written: ***“And cried”*** (i.e. the mighty Angel cried) ***“with a loud voice, as when a lion roareth: AND WHEN HE HAD CRIED, SEVEN THUNDERS UTTERED THEIR VOICES. And when the seven thunders had uttered their voices, I was about to write: and I heard a voice from heaven saying unto me, Seal up***

those things which the seven thunders uttered, and write them not.” Church, I am taking it slow on purpose. But watch. We have the identity of this Angel, for he speaks of Jesus Christ the Messenger of the Covenant. John also saw him coming down to the earth in the spirit; John saw the fully opened scroll in his hand; John saw him as he systematically placed his feet on the earth and on the sea; John heard him cry with a loud voice in verse 3; and John also heard what the seven thunders uttered, although he was forbidden to write it, thereby making the message of the thunders an unwritten message. I have to say this morning, just as I have been saying consistently, If John heard the message of the thunders in that day, and he went to the grave with it in his heart, yet it was only in a prophetic preview, and JOHN IS TO PROPHECY AGAIN, then the John of the end time must be a possessor of that hidden message. And the only way John will have that unwritten prophetic message, is to be a thunder himself. Yes! Absolutely yes! And

church, that shows us that the leadership of John still holds, even in the thunders, for it holds right till the rapture, an event which will be preceded by the Jewish Connection which John will also make. But please note: John is not a thunder now, for the hour of the thunders has not yet come; but he will be one of them, when that time comes. That is Scripturally so, as God does not bypass headship. Jesus is King of kings today, only potentially. In reality, he is only the High Priest today. But in the Millennium, in actuality, and not in mere potentiality, but in reality, he will be the King of kings, and Lord of lords. So, we must understand the potentiality of something, as opposed to its actuality. This is all about the Word of God. Brothers and sisters, look at it. John heard the message of the thunders. He even wanted to write it, but God told him not to write it, and he died with the message in his heart. Yet, that message was not a message for his day; it was not a message for his hour of time. It is a message to be borne strictly at the very end of

the church ages, an hour of time we are about to enter. John the beloved disciple will not be a beneficiary of this hidden message in reality, even though he heard it in a prophetic preview, and though he went to the grave with the prophetic utterance in his heart. Are you with me? Brothers and sisters, that is simply to let us know, that at the end time, there will be a man, who will be the John of the end time, who will receive the revelation of the thunders ahead of every other thunder! That makes him the first thunder, for as the prophet to this day revealed by the Spirit of God in 1963, at the opening of the six seals, the thunders will be ignited at seven different times! He stated specifically, and please listen closely. On page 557 of *The Revelation of the Seven Seals*, paragraph 4, he declared concerning the seventh seal: ***“What happens is that those seven thunders that he heard thunder and was forbidden to write, that’s what the mystery is laying behind those SEVEN CONSECUTIVE THUNDERS rolling out.”*** Then on page 558,

paragraph 1, he re-affirmed this thought, saying precisely: ***“... But here is seven straight thunders right IN A ROW: one, two, three, four, five, six, seven, that perfect number. Seven thunders IN A ROW...”*** Then on page 567, paragraph 1, the prophet spelt out what he meant, in case anyone is uncertain, what he means by ***“seven CONSECUTIVE thunders”***, or of the fact that they will be sounding ***“in a row.”*** He plainly revealed: ***“... Now, what this great secret is that lays beneath this Seal, I do not know. I don’t know it. I couldn’t make it out. I couldn’t tell it, just what it said. But I know that it was them seven thunders uttering themselves right close together, just BANGING SEVEN DIFFERENT TIMES, and it unfolded into something else that I seen”!*** That is, they were ignited and sounded consecutively, for they sounded in a row, and not together all at the same time! No! Then I ask, who will God ignite first as a thunder, if not John, the lead apostle? Think about it! Do not fight truth, or you will lose big time, for this is

not a game! Church of the Living God, if John is the standard bearer and Lead apostle of today, Christ's current ***“Candlestick”*** on earth, and we know he is, Scripturally speaking, then, commonsense will tell you he will be the first thunder. For the Lord will not leave the lead apostle and standard bearer, to anoint another apostle as the first thunder, to bear such a deep prophetic revelation which John does not have as yet, an apostle who himself is following John in his climaxing and wrapping up revelation! Wake up! Come on! Remember, the thunders do not sound in heaven, for they sound strictly on earth to the bride; for the entire chapter 10 gives us an earthly prophetic picture of this end time! Moreover, the seven thunders will be seven apostles known only unto the Lord. In the first place, every revelation of truth in the New Testament, outside of the things Jesus gave in the days of his earthly ministry, came by only one fold of ministry, and that is the apostles. And if the revelation of written truths came strictly by apostles, unwritten truths will not

come by a lesser fold of ministry. Commonsense will tell you, therefore, that no one will be a thunder, unless he is an apostle, although all apostles will not be thunders! I say that only because we will have more than seven apostles, out of which the Lord will choose seven men as thunders, to carry an unwritten prophetic message! But as I earlier stated, God will not anoint seven apostles as thunders, and leave John, a man who is the lead apostle out! Moreover, it will not be another apostle that will be anointed as the first thunder, to show the way for John who is bearing the standard! You have to see it, for it is settled. That is precisely why in 96 A.D., John saw the thunders, and also heard their message ahead of the hour of reality, showing plainly that John will have this unwritten revelation, ahead of every other man ordained as a thunder! Yes! That is why that mighty Angel is coming to John to give him the scroll! Come on! And when he is coming, only John will see him, for he is coming to John with

the scroll! That plainly and unquestionably shows, John's ministry is established in the earth, and is on the ground, long before the hour of the breaking of the seventh seal, which will give us the hour of the seven thunders! Period! And let me tell you now, JOHN'S MINISTRY IS WHAT LEADS INTO THE THUNDERS! Look at what Brother Branham boldly claimed, a prophetic insight he declared he had, on page 559, paragraph 3, of the Seven Seals message. He declared categorically concerning the future breaking of the seventh seal, saying precisely: **"... I KNOW THE NEXT STEP THERE!"** Did you hear that? The prophet declared plainly and categorically: **"... I KNOW THE NEXT STEP THERE!"** Brothers and sisters, by the grace of God, I show you today, that the next step into the seven thunders, a plural ministry God will use to give us the revelation of the seventh seal, is the ministry of John, for he is that **"great thing"**, or that great ministry, William Branham earlier spoke of in 1960, in his

message on *The Seven Church Ages*. I again repeat the prophetic claim the prophet made in 1963, concerning the future breaking of the seventh seal, for he declared: **"... I KNOW THE NEXT STEP THERE, but I don't know how to interpret that."** (That is, he did not know how to interpret the secret that lies beneath the seventh seal. Brother Branham however concluded, assuring us, saying): **"It won't be long."** Saints of the living God, the next step into the breaking of the seventh seal, when the seven thunders will be activated, to give us the revelation of the seventh seal, is Apostle John! For the next step into the thunders is Revelation chapter 10, verse 11! **"He that hath an ear, let him hear what the Spirit saith unto the churches!"** Make no mistake about it, brothers and sisters, for I show you the revelation of Jesus Christ our Lord, the next step into the seven thunders is John, and the connecting ministry to the two Jewish prophets is also John, for he is also the next step into the ministry of the

two olive trees! Thus saith Jesus Christ in his divine prophetic revelation! Hence, when the Angel of the Covenant is coming with the fully open scroll, and with the revelation of the seventh seal, after the breaking of the seventh seal, John will see him as he is coming, for he is already on the ground! It is thus saith the Lord in His Word! Stay with it, saints of God. It is the revelation of Jesus Christ. This is where it all ends, for everything for us Gentiles, ends in the days of the ministry of John. I therefore have to warn you seriously: Take heed how you hear, for you cannot avoid divestment or derailment at this very late hour. It is a most crucial hour. Please, keep focus, and stay with the revelation of Jesus Christ. It is our clothing and life. Hold it therefore as your most precious possession. Nothing can be compared with it.

But make no mistake about this truth, for truth is an absolute, and it holds against the entire world: John will be the lead thunder in that day, because his prophetic

thunder ministry will be activated first, for John is already on the ground, even as we speak; and he will see that mighty Angel **“come down from heaven”**, as revealed in the prophetic setting, in verses 1-4 of Revelation chapter 10, for that Angel will manifest to him. Consider this: In verse 5, it was John who also heard the Angel swear to God as to time, at this very end of Gentile time, showing there is a specific time revelation we will have in that day through John, in relation to the rapture event itself, which will give us the knowledge of the season of the rapture, even though we will not know the particular day or hour of the rapture. And when we come to verse 8, John also heard the voice of Elohim speak directly to him a second time from heaven, asking him to go to the Angel and take the scroll. And in verses 9-10, it was John that took the scroll of redemption and ate it up, thereby giving John what the other thunders do not have; and it was John that was also told to prophesy, for verse 11 gives us the global Ministry Commission of John. As such, we must realise that apart from

verse 7, which deals with the ministry of William Branham, the entire chapter 10 is relative to the ministry of John! I repeat: Apart from verse 7, the entire chapter 10 is relative to the Ministry of John, because even in the thunders, we still have John! Therefore, when the mighty Angel is coming, no other ministry will see him, except John, and only John will know ahead of time that that Angel is coming! He has to know ahead, in order to post the bride ahead, for the Lord will prepare him for that marvellous prophetic event, and he will see him come. Hence, when that hour is about to be a reality, God will deal with John, and that will put him in expectation of this prophetic reality, and in turn, the bride of Christ will be put in the know, and in great expectation, for this great Angelic descent, an event which will also ignite the ministry of the seven thunders. Remember, the secret of God is with his people, and as Christ promised in Saint John chapter 16, **When the Comforter comes, the Spirit of the Word, He will lead us into all Truth, and He will shew us things to come!**

Do not forget, what John saw and experienced was only in a prophetic preview! What he experienced in that day was only in a spiritual vision, as he was standing here at the end time in that prophetic setting, in the shoe of John. However, in reality, for John to see this mighty Angel come, he must be warned ahead of time, because God is perfect in all His ways, and is most consistent. Let me show you something to back this up, for it vindicates the truth of John knowing ahead of time, of the imminence of this prophetic event, for the Lord will post him ahead, in order to post the bride ahead, for God does not spring such surprises on His people. Come with me to Revelation chapter 6, which deals with the first six seals. We will take only verses 1-2: ***“And I saw when the Lamb opened ONE of the seals”*** (that is the very first seal), ***“and I HEARD, AS IT WERE THE NOISE OF THUNDER”*** (singular), ***“one of the four beasts saying, Come and see. And I saw, and behold a white horse: and he that sat on him had a bow; and a crown was given unto***

him: and he went forth conquering, and to conquer.” Church at the opening of the seals, there was only one thunder which sounded; not two, not three, and it sounded only at the opening of the first seal. Period! No other thunder sounded in any of the other seals, except at the opening of the first seal. The next thunders that will sound in relation to the seals are seven, and they will sound, only after the breaking of the seventh seal, according to chapter 8, verse 1, placed together with chapter 10, verses 1-4. And seven thunders give us the number of completion, for seven is the number of completion. Brothers and sisters, we have to rightly divide the Word of life. We have to hold everything in its proper Scriptural context. But watch. The thunder spoken of here, in Revelation chapter 6, verse 1, is the voice of God, thundering forth from heaven. It is the baritone voice of God, sounding forth in a divine revelation! But that revelation, when it busted forth in reality, caused a great convocation in 1963 around the Word of God,

around the deep things of the Spirit of God, because the seeds of God had to hear it, and gather round that voice, to feast upon it. How many understand what I am saying? Revelation chapter 6, verse 1, records, for we will take it again: ***“And I saw when the Lamb opened ONE of the seals, and I heard, as it were the noise of thunder, ONE OF THE FOUR BEASTS SAYING, COME AND SEE.”*** But remember, the thunder in this prophetic picture is the voice of Elohim, that awesome voice of God. And it sounded in reality at the opening of the first seal, which event took place in heaven in 1963. But John heard it, and also saw something, for he saw the white horse rider! The first beast, which is the Lion-head beast anointing, called out to him, saying, ***“Come and see.”*** And when John was told to come and see, do not forget, it was only in a visionary preview. It lets us also know, in the hour of the prophetic reality of the breaking of the seals, there had to be a man on ground, because the breaking of the seals was not until 1963, although

John had the experience in A.D. 96. He was transported in a spiritual vision to this end time, to preview the breaking of the seals, which took place in 1963. And as such, John was only standing in the shoe of the prophet to this age, Brother Branham, the man who had the reality of the things the prophetic picture laid out. That is precisely why, brothers and sisters, before 1963 came, God posted the prophet ahead, concerning the breaking of the seals, and he took a message titled, "Sirs, Is This The Time?" Dreams were coming from the saints of God, all synchronizing in their projection, with what was about to take place, including Raymond Jackson's dream of the *Rock of Revealed Truth*. That was the principal dream, for the rock of revealed truth dream Brother Jackson had, speaks of the unveiling of the Word, the unveiling of things buried through time in God's Word, things which no man had ever before been privileged to behold. But in that day, God was going to make it plain. It all pointed to the opening of the seals, an

hour which would mark the beginning of the unveiling of things Apostle Paul referred to as "**unspeakable words, which it is not lawful for a man to utter**"! What an hour; what a great prophetic hour! Prior to the hour of William Branham, no man had the authority of God to unveil the revelation of the seals, and hence, the book of Revelation was a closed book to all Christendom! But in 1963, the door of accessibility to the deep things of our God was opened up for us, as the bride of Jesus Christ. However, God posted His servant ahead concerning this great prophetic event, and he in turn posted the saints ahead in his message titled, "Sirs, is this the time?" In a prophetic vision, he saw how he was on the mountain hunting, and his trousers had picked cockleburs. And he bent down to pick them, when all of a sudden, there was a great blast which rocked the mountain immeasurably.

And when the day of the prophetic reality came, the prophet was on a mountain, hunting with other brethren. His

trousers caught cockleburs. He was picking the cockleburs, when all of a sudden, there was a great explosion, like a giant earthquake which struck and rocked the mountain. I want to tell you this morning, that that giant explosion, which rocked that mountain that day, was the voice of God. That is the thunder which sounded in verse 1 of Revelation chapter 6, a thunder which John heard. It is the voice of God sounding forth at the opening of the seals in 1963. That was how the voice of God sounded on Mount Sinai in the days of Moses. That mountain, as the book of Hebrew reveals, in chapter 12, verses 18-21, burned with fire, and blackness, and darkness, and tempest, "**... And the SOUND OF A TRUMPET, and the voice of Words; which voice they that heard intreated that the Word should not be spoken to them any more: (For they could not endure that which was commanded, And if so much as a beast touch the mountain, it shall be stoned, or thrust through with a dart: And so terrible was the sight,**

that Moses said, I exceedingly fear and quake:)" Again in the Gospel of Saint John chapter 12, verses 28-30, it is written, that Jesus prayed to the Father, saying: ***"Father, glorify thy name. THEN CAME THERE A VOICE FROM HEAVEN, saying, I have both glorified it, and will glorify it again. The people therefore, that stood by, and heard it, said that I T THUNDERED: others said, An Angel spake to him. Jesus answered and said, This voice came not because of me, but for your sakes."*** Thunder in prophetic Scripture speaks of the voice of God! Revelation chapter 6, verse 1 singular thunder, was fulfilled in 1963! Brother Branham was picking out cackleburs, just as it was in his vision years back, when it suddenly thundered! It simply means, God spoke, for it was the time of the breaking or opening of the seals! When the first seal was broken, then it thundered; and when it thundered, the effect on the earth was the earthquake effect it had on that mountain! As the giant explosion took

place, rocking the mountain, causing the prophet to think he had been blasted out of existence, and as he looked up, behold, there was a bright light coming! It was initially very small but very bright; and it was coming with a terrific speed. And as it got closer to the prophet, it was getting bigger and brighter, and behold, it was a constellation of seven Angels coming straight from heaven, from the throne of God, with a great speed. And before Brother Branham could blink his eyes, they had literally picked up the prophet, and he was caught up in the constellation of seven Angels. He was caught up specifically between the sixth and the seventh Angel! That was his testimony! Brothers and sisters, what was the blast the prophet heard on the mountain in 1963? It was the voice of Elohim, signalling the breaking of the first seal! And before the white horse rider went forth in the first church age, the Spirit of God had signalled to Apostle John in that prophetic vision, (for he was standing in the shoe of Apostle Paul), saying, ***"Come and see!"***

So also in verses 7-8, before the grey horse rider went forth in the seventh church age, in the early sixties, in prophetic reality, the Spirit of God had signalled to Apostle John in that prophetic preview, (for he was also standing in the shoe of William Branham), saying, ***"Come and see!"*** It was God posting the ministry ahead, for the Pope of that day, Pope John the 23rd, inspired by the spirit of the Anti-Christ, was going to initiate the Ecumenical Movement, which would bind all apostate Christendom together, in an unholy universal alliance! And although we know that the Lion beast-head is the first beast, which characterised the Spirit of God expressed in the first church age, as revealed in Revelation chapter 4, verses 6-7, do not forget, however, that in the hour of reality of the breaking of the seals in 1963, it is the fourth beast, the eagle beast-head, which characterises the Spirit of God expressed in the earth, in this seventh and final age! It is the Spirit of a flying eagle! And as such, the Eagle Spirit of God had an eagle prophet on the ground, the Elijah

of Malachi chapter 4, verse 6B, William Branham, who was to have the prophetic reality John had in a vision, for John was standing in his shoes. It is a fact that there was a William Branham on the ground, at the hour of the opening of the first six seals, the day of its prophetic reality. Therefore, when the days of reality came, it was not John who received the revelation of the seals, it was William Branham! John was given these prophetic insights, strictly in symbolic forms, symbols which he himself did not understand, for it was not yet the time for its unveiling! Saints of God, the main issue, however, is this, and please listen attentively: When the Angels were coming with the revelation of the first six seals, only one man saw them. I repeat: When Jesus broke the first six seals in heaven in 1963, and he dispatched his Angels with the revelation of the seals, only one man saw them! And not only was that man already on the ground, prior to the breaking of the seals, he also knew ahead, that the hour of the breaking of the seals was at hand! And he told the church in, "Sirs, Is

This The Time?" Brothers and sisters, and when the day of reality came, only one man saw those Angels coming down literally from heaven! And those Angels did not go to Pearry Green, Joseph Coleman, Neal Frisby, Richard Gan, Ewald Frank, or to any of these men causing confusion in the Movement! They came to only one man, and only to one man, did the Lord send the seven Angels, bearing the revelation of the seals! They came to the man carrying the torch of the light of Jesus Christ for the universal body of saints in 1963! But since the seventh seal is not yet broken, we know the Lord will send back that seventh Angel, with the revelation of the seventh seal, even as William Branham also revealed. Precisely! Brother Branham, in relation to the seventh Angel and the seventh seal, stated precisely on page 560, paragraph 4, thus: "***And did you notice that one Angel, I said in there, was a strange Angel? He looked more to me than any of the rest of them. Do you remember that? They were in a constellation three on a***

side and one on top. And the one right next to me here, counting from the left to the right, would have been THE SEVENTH ANGEL. He was BRIGHTER, MEANT MORE TO ME than the rest of them. You remember, I said he had his chest out like that, and was flying eastward. Do you remember like that? I said, "It picked me up, lifted me up!" Do you remember that? Here it is! THE ONE WITH THE SEVENTH SEAL the thing that I've wondered all my life. Amen! Them other Seals meant a lot to me, but, oh, you don't know what this has meant!" This is the Angel of the seventh seal, and that takes us straight to Revelation chapter 10, verses 1-2 Angel with the open scroll in his hand! In that day, Brother Branham made the seventh seal, and the Angel ordained to bear it, the highlight of the 1963 Angelic encounter! Not only was the Angel brighter than all the other six Angels, and meant more to him than the rest of them, the seventh seal also meant more to the prophet, than all the other six seals, even though they all bear wonderful

insights of God, being supernatural revelations of Jesus Christ! Yes! That was his own testimony!

This will now lead me to say, if at the opening of the first six seals, there was a man on the ground ahead of its breaking, commonsense will tell you that at the breaking of the seventh and most spectacular seal, the grand finale, there must be a man on the ground ahead of its breaking, whom the Angel of the seventh seal is also coming back to! There has to be, and there is, for it gives us John, whom the Angel will give the open scroll to, that he may eat it! It is a perfect Bible picture, and it is only a chronic unbeliever that will contest the truth! Moreover, even as I stated earlier, because God always posts His people ahead, and just as before the breaking of the first six seals, when God posted the bride ahead, through the ministry of William Branham, when the time comes for the seventh seal to be broken, God will also post the end time bride ahead, through John, for this most glorious prophetic event, for John will know ahead

of time, God being perfect and consistent in all His ways. That is why we put out a message in the Scribe titled, *The Angel Of The Seventh Seal*; for that Angel is coming back with the revelation of the seventh seal. That should let us see, that in that prophetic hour just ahead, John will be in the shoes of William Branham, in that respect, for William Branham is gone, but John is here. When the seventh seal is broken, Christ will slip to the earth in the spirit. But when he is coming, he is coming to John, for John is already a reality on the ground, ever before the hour of the breaking of the seventh seal, which ignites the ministry of the seven thunders, giving us John as the lead thunder! That is settled and most clear, and it should be to you, if you have any attribute of light in you. Leave tares to flagrantly contest the word, with the sophistry of their father, the devil, and you follow the light, and stay with the Word. The fact remains, that as William Branham knew ahead, so will John also know ahead! And as William Branham saw the Angels bearing the

revelation of the seals coming down, so will John also see the Angel of the Covenant coming down with the open scroll. And as the Angels came to only one man in that day, the Angel of the seventh seal is coming to John, and that is also when the ministry of the prophetic thunders will be activated. The picture of the Bible is clear, for **“the Scripture cannot be broken.”** In the final analysis, brothers and sisters, I must remind you that the scroll the mighty Angel is bringing, it is John who eats it, for it is to John alone he gives it! Therefore John has to be a reality on the ground, prior to that day! You have to see that, even as John's lead ministry was already a reality in 96 A.D., ever before he had his prophetic experience on the Isle of Patmos. So, how can anyone deny John, or even say we will only have John in the hour of the thunders? That is anti-Christ, being anti-Truth! And remember, this is about the revelation of Jesus Christ we are setting forth here! This is not just about a man: It is about the wrapping up plan Jesus Christ revealed in his infallible prophetic Word in 96 A.D.!

Therefore, you must look beyond the flesh of a man, and look at the Scriptures; look at the plan of God; look at the program of God; look at the promise; look at the revelation of Jesus Christ: for it is life to follow Christ in his revelation, and it is death to reject him in his revelation, whatever the reasons may be. I repeat: This is the revelation of Jesus Christ to his bride church! ***And he that hath an ear, let him hear what the Spirit is saying to the churches.*** But I must ask: How is the Spirit speaking? You know you must listen to somebody, for the Spirit of God is speaking today through the ***“Candlestick”*** of Christ, the servant of Christ, who is Apostle John, for we have not been given an ***“abracadabra”*** lead ministry! Brothers and sisters, in the days ahead, we are going to know something the world will have no clue about, something extremely rich and deep; something so exciting; something that will lift us out of this world, as we go in the rapture, in the hour of the seven thunders, which hour would still have John as the lead thunder. When

the season comes, for the seventh seal to be broken, and the thunders are to be ignited, we are going to know that Jesus is about to do something! And when the Messenger of the Covenant is coming, as revealed in Revelation chapter 10, verses 1-2, somebody will see him, because he is coming to somebody! He even gives the scroll to that person! That is established by Scriptural prophecy, and it vindicates the truth that John is here! It infallibly does, for John is here! And that also further confirms the truth, that Revelation chapter 10, verse 11 Ministry Commission, stands on its own, even though it also stands in relation to the thunders, and to the eating of the scroll! This will now lead me to go into something wonderful, a prophetic picture Christ buried in his Word, for the end time bride; for as we all know, the book of Revelation is a book of symbols; and we also know that the Bible is a living book. What I am about to project, adds an additional witness to the truth that John's ministry is already on; it vindicates the truth of God's current move. Come with me, as I

back up a little, and as I bring this message to its climax and close. I am almost at the end of my message. Let me show you something of Christ, for Christ promised, when the Comforter comes, He will guide us into all truth, and He will also show us things to come: He will take the things of Christ, and show it to us. I appreciate your patience; but pay attention. This is the very reason the Lord inspired me to take this message in the first place, for this is what I set forth to show you.

Revelation chapter 10, verses 1-2 records: ***“And I saw another mighty Angel come down from heaven, clothed with a cloud: and a rainbow was upon his head, and his face was as it were the sun, and his feet as pillars of fire: And he had in his hand a little book open: AND HE”*** (The Angel of the Covenant, with that open scroll still in his hand) ***“SET HIS RIGHT FOOT UPON THE SEA, AND”*** (conjunction) ***“HIS LEFT FOOT ON THE EARTH.”*** Saints of God, I want you to know, for you have to realise, that everything stated in this prophetic

passage, is symbolic, and everything has a definite prophetic meaning, whether as regards to the “cloud” with which he is clothed, the “rainbow” around his head, the appearance of “his face”, his feet which are as “pillars of fire”, the open “book” in his hand, and finally, THE PLACING OF HIS FEET: all are absolutely prophetic, for they are all prophetic symbols; Nothing was written to occupy space in this prophecy; nothing was expressed for nothing, although we can read it like a piece of Newspaper, without averting our minds to something that may hold a serious meaning for us today! But as it is written in the book of Daniel chapter 12, “***The wise shall understand***!” We are told in this prophecy in Revelation chapter 10, verse 2, “***AND HE SET HIS RIGHT FOOT UPON THE SEA, AND HIS LEFT FOOT ON THE EARTH.***” I now ask: Why did Jesus Christ do this in the spirit? Why did he not just come suspended in the air, and begin to talk to John? Or why did he not just simply come down to earth? And why did John not simply write that the Angel came

down? Why did he describe the precise order of the Angel's feet placing, or the precise feet stance of the Angel, in this prophetic vision? Why was it dramatized and sequentially laid out in this prophecy? He first set his right foot upon the sea. Why such drama? After that (for the written record gives us a conjunction “and”), he now placed his left foot on the earth, in an orderly fashion! Why the drama? Why the sequential feet placing, knowing this is a book of prophetic symbols? Why the order in his feet placing? I am asking you these questions because you must realise that Christ is conveying something by this Angelic stance or feet placing, for it holds a truth of Jesus! That is the truth I want to show you today, for the order of the Angel's feet placing carries a revelation, for it has prophetic application! It does! And we must understand it; we must see it. Hence this message: *The Angel's Feet Placing*. “***And he set his right foot UPON THE SEA***” (first), “***and his left foot ON THE EARTH***” (subsequently). We must now ask: What is the

prophetic sea, and the prophetic earth, in this setting? But before we answer that question, let me first say this on a carnal level, or on a human level, or better still, let me say it on a natural level, knowing that the natural types the spiritual. A MAN'S FEET PLACING SHOWS THE WAY FORWARD. For example, when, as an unmarried brother, you want to pick a sister for a wife, and you are invited to meet her family, you know you must “*put your right foot forward*”, as the saying goes. Your right foot must be first, because you are expected, and it is only commonsense, that you put your right foot forward! It simply means you should be at your best behaviour! That is your way forward in your marital quest, when meeting her parents for the first time! Exactly! So, PUTTING YOUR RIGHT FOOT FIRST, IS YOUR WAY FORWARD, if you understand what that means. Taking the left foot first is to mess things up, literally. Brothers and sisters, that is just on a human or on a natural level. But let us now transpose that, and look at it from a spiritual

perspective. The Angel first put his RIGHT FOOT ON THE SEA, before placing his LEFT FOOT ON THE EARTH. I ask again: Why did he do that? Why did he not simply come down, and do what he needed to do? Why such a drama? It is simply because the book of Revelation is a book of symbols, a book where God hides prophetic truths in symbolic forms, and uses revelation to put the picture together for His seeds at this end time, being a book written strictly to the end time bride. And only the bride can understand it! That is why the denominational world does not touch it! When you go into the book of Revelation, they say, "Oh, it is too deep for me. I do not touch it." It has to be! It is deep; but that is our terrain; for it is what sets the bride apart! We swim in it, doing back stroke, freestyle, enjoying the deep revelation of the Lord, as we explore the depth of this most precious infallible Word of our inheritance! I am simply making a point, for I am telling you this morning, that the feet placing of the Angel in this passage is prophetic, and has a divine meaning, and

hence, it has a divine application! Because the Angel of the Covenant is not playing a game, for he is not a comedian! Why would he plunge his right foot upon the sea, and then his left foot on the earth, if it had no meaning? He could have suspended himself just a foot above the ground, or simply stood on the earth, to convey his revelation to John! When the Angel came to Brother Branham in the cave in 1946, he stepped out of a light. Brother Branham did not say he was suspended in space when he came to him, for he was not suspended in the air! The prophet said he heard footsteps, and a huge man stepped out of the light. He was afraid, but the Angel said to him, "Do not be afraid. I have been sent from the presence of the Almighty God, to explain to you, your *u n u s u a l* life's experiences..." But in Revelation chapter 10, verse 2, this mighty Angel made a display, a dramatic display, as he came down! And I am saying it has a prophetic purpose, and that is what I want to emphasize this morning! And if you do not see it, I guarantee you,

you will not understand Revelation chapter 10 as you should, for you will be blind to a lot of things the Spirit of God is laying out in that prophecy; and you are supposed to be led into all truth, if you are a bride seed! And for a Scriptural witness, it is written in the book of Zechariah chapter 14, verse 4, that on the Day of the Lord, when the Lord comes down, "***HIS FEET SHALL STAND IN THAT DAY UPON THE MOUNT OF OLIVES, which is before Jerusalem on the east, and the Mount of Olives shall cleave in the midst thereof toward the east and toward the west, and there shall be a very great valley...***". Why? That stance or feet placing of Christ, shows he will literally touch down on that very spot of the earth, when he comes to establish the Millennium, for that is precisely where he will be manifesting himself! But when he is coming for the bride, however, we will meet him in the air, showing he does not touch down, but he descends mid-way to the earth, for in the sky, is precisely where we will meet him! Exactly! Even in the book of Daniel, chapter 12, verse 6, we

see the Angel of the Lord swearing as to time, standing precisely **“upon the waters of the river”**, and not upon the earth, showing this prophetic scene will happen in the land of Israel, in the Middle East, for the river in this prophecy is River Jordan! Everything has a **d i v i n e p r o p h e t i c** objective! So, therefore, we must see that the Angel, setting his right foot first on the sea, before placing his left foot on the earth, conveys a prophetic message, for it is saying something! Come on! It all has to do with Christ's manifestation on the earth, in the spirit, in that day! Precisely!

Remember, this Angel is portrayed in this setting, as being much bigger than a giant. He is covered with the cloud, which speaks of the glory of the eternal Spirit of God! It is a prophetic picture. Every symbol is crucial. Every symbol is material. Every symbol carries a message. Nothing here is written for nothing. This book is a book of symbols, where God hides deep truth in deep symbolic language. Therefore, to understand

this prophecy, we must understand the symbols; we must be able to decode it. Here is a symbol, because Jesus is dramatizing it in a symbolic form to John, through his Angel. John himself does not know its meaning, but John wrote what he saw. And it was given to him in that vision in that way, that he may write it. And that Angel, as I said, is not depicted in this vision as a giant. He is a thousand times bigger than a giant! Why do I say that? Because he is big enough to place one leg on the sea, and the other leg on the earth, in the vision! Even a giant cannot do that! Moreover, the cloud he is clothed with is not on the earth, for it is above the earth! And yet, his head towered above the cloud, for he is robed with the cloud! But remember, there is no being like that in reality. It is a prophetic picture, showing how mighty, how great, the Angel of the Covenant is. He is invested with the authority of the Eternal Spirit, who rules over heaven and earth! He then makes a **d r a m a t i c m o v e**, systematically and intentionally (i.e. purposefully) placing his

right foot first on the sea, before placing his left foot on the earth. The very fact that eventually, he placed both feet on the sea and on the earth, shows that this prophetic event has a universal application! It is because it relates to the universal body of Christ. However, his ordered or systematic feet placing, confirms, for it portrays, the racial logistics of God, at this very end of time, for it shows where God is in time, geographically, revelatory-wise! Just pay attention, for it is not a truth we could have seen before this hour, for conditions prior to now, had not yet shaped up to the point, where prophecy is made plain by events! And you cannot take resentments to the Word of life, except you are a reprobate! But the fact remains that this systematic Angel's feet placing, conveys a material prophetic message, and its meaning is precisely what we want to lay out, by the grace of God. We know that the word **“sea”** in prophecy, speaks of multitudes, peoples, nations, and tongues, for sea is made up of many **“waters”**, on the authority of Revelation chapter 17, verse 1 and

verse 15. It is the sea of humanity, which takes in many races or many peoples, nations and tribes. And the particular sea, where the mighty Angel touched down in this prophetic setting, is the Mediterranean sea, which in turn speaks of the Old World. How do I know that? When we come to Revelation chapter 13, verse 1, John also saw the ten horned beast, which is the Roman beast empire, rise up at the end time, for its end time role, out of the sea; and that beast is the European Union, speaking of the Old World! Do not forget, the breakup of the Old Roman Empire, is what gave us the ten horns of Europe, or the ten European nations. As such, the European Union gives us the end time reconstituted geographical area of Old Rome. Is that right? Yes! It is the Old World, or the old known world. Do not forget, that that geographical area is what is known as the Old world, or the world as it then was, ever before the New World (i.e. America) was discovered. Revelation chapter 13, verse 1, records: ***“And I stood upon the sand of THE SEA, and saw a beast***

rise up out of the sea, having seven heads and ten horns, and upon his horns ten crowns, and upon his heads the name of blasphemy.”

This ten horned beast rose up out of the sea, which is the Mediterranean Sea, which gives us the Old World. So also, the ***“sea”*** in the prophetic setting, in Revelation chapter 10, verse 2, also gives us in geographical essence, the areas of the world which covers Europe, the Middle East, Africa, and Asia, the area known as the Old World, for it is the same sea in both prophecies! The ***“earth”*** in Revelation chapter 10, verse 2, however, speaks of the continent of America, known also as the New World, a continent also expressed in chapter 13, verse 11, as the Lamb beast, even as it is written: ***“And I beheld ANOTHER BEAST coming up out of THE EARTH; and he had two horns like a lamb, and he spake as a dragon.”***

Brothers and sisters, the earth in this prophecy, where the lamb beast rose up, is none other than the continent of America, which takes in Canada. Therefore, we

should all be able to see, that when the mighty Angel first placed his right foot on ***“the sea”***, before he placed it on ***“the earth”***, shows infallibly, that his manifestation is first in the Old World, ever before he manifests in the New World, which is America! I repeat: It clearly shows that Christ will first reveal himself in the Old World, before he also reveals himself in the New World, in that day: for the placing of both feet speaks of the universal application which the prophetic revelation of Christ will have in that day! It does! But the very fact that he placed his right foot first on the sea, definitely lets us know, Christ will be revealed through this Angel, first in the Old World, ever before he reveals himself in America. Period! That is the prophetic implication of the Angel's feet placing! That is the prophetic revelation which the symbolic and systematic Angel's feet placing conveys! You have to see that the Mediterranean Sea is where the Angel first placed his foot, and it was his right foot he placed there, speaking of God's way forward, as that is where he first

manifests himself, for in that day, the pre-eminent dealing of God lays in the Old World! That is why I have encased the Mediterranean Sea in the colour red on my chart, to make it stand out. The Mediterranean Sea opens up into the Atlantic Ocean. But remember, the Angel did not place his foot on the Ocean, but on the sea! It is a prophetic picture. It clearly shows that Christ is first revealing himself around the Mediterranean Sea, for he is revealing himself in the Old world first! Why? It is to show the end time bride of Christ, God's way forward in that hour of time! It is to post us ahead! **The placing of the right foot on the sea first, shows the way forward!** Your right leg going first is the way forward! You have to move with your right foot first! And he placed his right foot first on the Mediterranean Sea. What does that show us? That is the way forward! The left leg is not the way forward; it is the right leg! And Jesus put his right leg first on the sea. That lets us clearly see the way forward in that day, for it shows the geographic logistics of God, in His revelation in that day! It

shows us that the way forward of the Lord is in the Old World! It plainly shows that when Jesus is coming with the fully opened scroll, his manifestation will first be in the Old world, because that is where the present day continuity light of Jesus Christ is coming forth from, even as we speak! Thus saith the revelation of the Word of God! I am giving you its symbolism, for the Lord is only now unveiling its symbolism, as God has left some little nuggets for us, in order to brighten our pathway, to move the church on. And the church is marching on, and the gates of hell shall not prevail against her, for she is anchored solidly in the perfect light of Christ. Brothers and sisters, I am saying something this morning, for you must see that the placing of the mighty Angel's feet is prophetic! It is prophetic! And you must catch the revelation concealed therein, for the edification of your soul, if you are a bride saint!

Backing up a little, when we look at Revelation chapter 13, verse 1, we see a Sea there, which is the Mediterranean Sea,

and that brings us to the Old world, a world where a beast rose up, a ten horned beast, the Roman beast, which at the end time, gives us the European Union, which is the end time reconstituted geographic entity of the broken up Old Roman empire. So, **"the sea"** in Revelation chapter 10, verse 2, speaks of the old known world, being the same Sea we find in chapter 13, verse 1. But in verse 11, we also see another beast, a lamb beast with two horns. Where did it rise up? It rose up, not from **"the sea"**, not from the mass of humanity, but from **"the earth"**, a geographical area, far removed and quite distinct from the area of the first beast which came out of **"the sea."** And Brother Branham said that that lamb beast is America. So, **"the earth"** in that prophecy is America, which is the same **"earth"** also referred to in chapter 10, verse 2. Consequently, when Jesus came down in the spirit, in Revelation chapter 10, verse 2, and placed his right foot first on **"the sea"**, it shows without any doubt, that when the revelation of the

seventh seal is coming, it is first revealed in the Old world, before it is revealed in the New world. Why? Because the Lord in his revelatory dealing, has moved away from the New world, which is America, and he is now in the Old world, sounding forth his continuity light! Simple! It gives us continuity! That is the reality we face today, for as we speak, America is spiritually dead, with no iota of light shining in her! But then we must ask: Where particularly has the Lord moved to, in his revelatory unveiling, in the Old world? He is in Africa! The light is shining forth today from the continent of Africa, which is part of the old known world! And where exactly is the Lord shining his light from in Africa? I will tell you, for I will not be afraid or ashamed of the testimony of my Lord. He is shining forth his light today from Nigeria! And as a matter of fact, for we are not playing a game of hide and seek, the Lord Jesus is revealing himself today, in his continuous Scriptural light, from the city of Lagos! Yes! That is precisely why I have the open Bible placed in Nigeria on the chart,

thereby accentuating Nigeria, in order to make it stand out in the continent of Africa, in the old world, with the Bible light shining across the world.

However, the material question we must now ask is this: Why is the Lord Jesus manifesting himself first in the prophetic sea area, by the Angel's feet placing? It is simply because that is the way forward in this final junction of time, in this Laodicean church age. But we must then ask: Why is the old world the way forward? The answer is very simple: It is simply because the lead apostle is in Africa, for John is in the Old World! Period! Remember, when Jesus sent his Angels to convey the revelation of the first six seals in 1963 to the bride, they did not come to **"the sea"** (which is the Old World); they went to **"the earth"** (which is America). But we must likewise ask: Why did they go to America? Why did they go to the New World, and not to the Old World? It was simply because, William Branham, the standard bearer, the star messenger to this age, was there, the man to whom the revelation of the

seals would be committed, for and on behalf of the bride of Christ. So, we have to see there is a divine purpose, for this is not a game; for our God is not Benny Hill, for He is not a comedian! Brothers and sisters, the manifestation of Christ, the Angel of the Covenant, first in the sea area, is strictly because God is dealing principally from the Old World, and precisely from the continent of Ham, and from the nation of Nigeria, in the unveiling of His Word! Period! That is the fact of God's gracious dealing today in the earth, regardless of the racial sentiments and objections of men! The mighty Angel placed his right foot first in the old world, all on account of Christ's final Gentile **"Candlestick"**, John, based or located in Nigeria, for we must see the objective of God; for John is the one to whom he gives the open scroll! And you know Nigeria is just like Nazareth was in those days. It has a very bad name, a very bad reputation! Nazareth was filled with fraudsters, and a lot of evil went on in that place, until it gained an incredible amount of notoriety. That is, it

became very notorious, being a corrupt place. And that is precisely Nigeria for you; a most corrupt nation, and a nation filled with fraudsters, who will do anything for money; for money is their God! Yes! When Philip went to Nathanael, as recorded in Saint John chapter 1, from verse 45, and said to him, *"We have found the Messiah of whom Moses wrote"*, Nathanael said, *"I hear you, but where is he from?"* Philip said, From Nazareth. Nathanael replied, *"Of all places? You want to tell me of the Messiah, and you are saying he is from Nazareth? Tell me the truth, and do not pull my legs. That town of fraudsters..."* That is what was implied, for Nathanael asked Philip in verse 46, saying precisely, **"Can there ANY GOOD THING come out of Nazareth?"** Philip did not argue with him, other than to challenge him, saying, **"Come and see"**. I also say, do not also use the reputation of Nigeria to judge the revelatory move of God: Just come and see, for John is here! I am telling you in essence this morning, brothers and sisters, the very reason

why the Angel of the Covenant made a systematic display, of first putting his **"right foot upon the sea"**, before he also systematically placed his **"left foot on the earth"**, is because his right foot is showing us the way forward today! Why? It is on account of the end time Apostle John, because John is in the Old World! John is in Africa! He is in Nigeria, being a Nigerian! He is not an Angel, and neither is he a myth! Some of you know his daddy and mummy. And some of you can say, *"I knew him as a little baby, when he was still wearing nappies."* That is irrelevant! That is past tense! Saints, I am here to let you know that the Angel's feet placing is prophetic, for it is a prophetic act, or a prophetic projection! And that lets us know with Scriptural certainty, that at the hour of the seven thunders, when this prophetic manifestation will become a reality, the revelation of the thunders will sound first from the Old World. Period! I repeat, for the Angel of the Lord did not convey this systematic feet display for nothing: At the hour of the seven thunders, when this

prophetic manifestation will become a reality, the revelation of the thunders will sound first from the Old World. You have to see that! But why will it be so? It is on account of the lead apostle John, for John will be the first thunder to be anointed, making him the lead thunder, being the man who carries the balance of truth, as the man who eats the scroll! Period!

Listen to me now, for I must ask you very serious questions. Brothers and sisters, if there is no lead ministry to point the bride ahead to the thunders; if there is no standard bearer to show the way, just how can we be ready for this event? Think about it for a minute. How will the bride get ready for this serious and most glorious prophetic event? **For we must think of how we get from here to there!** Exactly! HOW DO WE GET INTO THE THUNDERS! And if there is no person to show us the way, under the Spirit of Christ, and point us ahead, how do we prepare our minds for the unwritten message of the seven thunders? Think of it! And if there is no lead thunder, to let us know

that the hour of the seven thunders has finally come, he being the first thunder, just how can we know we have entered into the hour of the thunders? Come on! God has to put the bride on notice of the fact that we have now entered the hour of the prophetic thunders! That has to be so, because any idiot can rise up from any part of this globe and claim he is a thunder! Any idiot can get up and make himself a thunder! Just how do we know that the hour of the thunders has arrived, if God does not post the bride ahead through a lead apostle? **AND WHO IS THE LEAD APOSTLE FOR THIS DAY IF NOT JOHN?** These are serious issues we must consider! It is not that the thunders will receive their message from John; it is that John will be used to set off the ministry of the thunders, as the first thunder, who in turn will alert the bride that we have entered into the hour of the thunders! Period! This will make the bride of Christ open up her heart to receive the unwritten prophetic message of the seven thunders, as God supernaturally anoints the thunders, who are seven apostles known unto God,

one after the other, around the globe! But as I stated earlier, for we must not forget, that as God posted the bride ahead prior to 1963's prophetic event, so also, God will also post the bride ahead today! He will, for he does not change! That is the truth, for that is the very essence of the Angel's feet placing, for it is showing us the revelatory direction of the move of the Spirit of God, at the hour of the seven thunders! Exactly! It does! That lets us know, church, for I must re-emphasise, the reason why the mighty Angel placed his right foot first upon the sea, is b e c a u s e , t h e manifestation of Jesus Christ in the hour of the thunders, is first to John, because it is John that will see him coming! Remember, it was John who saw his ordered feet stance; it was also John in the vision who heard the thunders' message, showing plainly that the John of today will be the first beneficiary of the thunder anointing, for the other thunders will not show the way for the Lead Apostle John. Period! The other thunders will not be anointed first, and as such, they will not catch

this unwritten message first, for they will not be telling John what the message of the thunders is, for John to follow, when John is supposed to be the lead apostle and standard bearer, the last Gentile "**candlestick**" for that matter! This is not about ego, for it is not stated to beef up the flesh of man, but simply to show us Jesus in his divine prophetic revelation, for Christ has an order, a divine order, and you will never get away from that, regardless of your feelings! Exactly! Moreover, we must not even forget, that it is still under the leadership of John, that the Gospel will be taken back to the nation of Israel in the Middle East, because John is the connecting ministry, being THE NEXT STEP into the ministry of the two Jewish prophets! Brother Branham called his ministry, the "**great thing.**" He is also THE NEXT STEP into the seven thunders, even as the prophet also declared in 1963. That should let us know, for commonsense will tell us, that John will be the lead thunder! Absolutely! Even the scroll of redemption, it is John who eats it. Brothers

and sisters, when that Angel is coming, John is the only one who sees him, for that Angel will manifest to him. Hence in Revelation chapter 10, verse 8, God instructs John, ***“Go and take the little book which is open in the hand of the Angel which standeth UPON THE SEA and UPON THE EARTH.”*** And he went to the Angel to take the scroll. That Angel did not change his stand! Consider that! The mighty Angel maintained his feet placing, all through this prophetic event, showing unambiguously, that it is a picture that is inviolate, for it will not change! It is settled! God's way forward in the hour of the thunders is settled and will not change, for the pre-eminent dealing of God with the universal bride of Christ, will be from the Old World, for it will be from Africa, even as time moves into the last week of Daniel, when God will deal strictly with the nation of Israel, in revival, through the ministry of the two olive trees, the two candlesticks! And that pre-eminent revelatory dealing from Africa, is on account of the location of John, the man who is bearing the torch of truth!

Brothers and sisters, once that mighty Angel makes that stand, he will maintain that feet placing, exactly as depicted in this vision, till he moves to the Jews. How do I know that? Because in that prophetic vision in verse 8, John saw him still standing exactly as he stood earlier in verse 2, even as God confirmed that fact to John in verse 8! The Angel's geographic positioning does not change! And John went to him to ask for the scroll, and he was given, and he ate it up! Fight that if you will! Dispute it or explain it away if you must! Truth however remains the truth, and it will have the last say! Amen!

That is why I say, brothers and sisters, that Revelation chapter 10, with the exception of verse 7, is all relative to the ministry of John! You do not want to believe in a John ministry? You want to deny the ministry of John? If you do, you are doing it only by the spirit of the antichrist! If you do not want to believe in the promise of John, you do not have to believe in it, for you are a free moral agent. But, brothers and sisters, I must remind you

that this is a serious matter, as it relates to the wrapping up of God's plan of Gentile salvation, which we have in Christ Jesus; and that wrap up is ***o r d a i n e d f o r*** accomplished precisely in the hour of John, as God's last Gentile ***“candlestick”!*** Why will anyone fight that? How can a child of God fight the sovereignty of God? How can any true seed of God deny this, when I am only showing you the revelation which Jesus sent by his Angel unto Apostle John on the Isle of Patmos, as recorded in the book of Revelation chapter 10; and I am simply showing you the prophetic application or revelation of verse 2, which gives us the Angel's feet placing, for it has prophetic application, being an Angelic move which hides a truth of God's end time dealing! Exactly! I am simply telling you that Christ will first be revealed in the Old World, in that prophetic revelation, before he is also revealed in the New World, thereby giving us a universal application, on account of the universal bride! And that should let us know, that the seven thunders, even though

they are strategically located around this globe, and even though they are all individually and supernaturally anointed and inspired prophetically, they are not anointed the same day, for the first thunder will sound first in Africa, thereby putting the bride on notice, and from Africa, which is in the Old World, the universal bride of Christ will know that the hour of the thunders has arrived! That will enable them to open up their hearts to receive their unwritten, fresh, prophetic, divine revelation! Yes! But it will first be revealed in the old world, because it is the base of the lead apostle of this end time! Simple! For before anybody knows anything about the thunders, John will know! Moreover, that mighty Angel will manifest to John, for John will see him coming, and he will give the scroll to John, for John will be used in turn, to alert the bride, that that seventh seal has been broken, and that we are now in the hour of the seven thunders! Precisely! And then, here come the thunders in divine order, for according to the revelation the Lord

gave to Brother Branham, ***the seven thunders were banging seven different times!*** And he also saw the next step into the seven thunders, and that step is none other than John! The Angel's Feet Placing is on account of John, for it gives us the way forward in this final junction of time! When those Angels were coming in 1963, they did not make a mistake to land in Africa, or in Europe, or in Asia, or even in the Middle East, only for them to realise, and say, *"Oh no, we should not have stopped here. Now, let us take off and go down to where we should have gone. Now, let us move to the New World, for God's principal vessel, the man holding the plumbline of truth is there. Let us now go to America."* When they were coming, brothers and sisters, only one man saw them coming, and they came only to one man, and they only came to the United States of America! And before they even came, he had already posted the church ahead of the prophetic event! And here came the constellation of seven Angels. Yet, we know that the seventh Angel is coming back, because the

seventh seal is yet to be broken, and because we see him coming down to earth in Revelation chapter 10, verses 1-2, with the open scroll, showing that the seventh seal has been broken in that day! And if William Branham saw those Angels coming in 1963, and they came directly to him, and yet the Scriptures did not tell us anywhere that God will send seven Angels at the breaking of the seals; and yet, God sent seven Angels to the star messenger to this last age; And the Scriptures tell us that a mighty Angel is coming with the open scroll, coming implicitly with the revelation of the seventh seal, we have to realize, as such, that we have a Scriptural promise, that God will send down His Angel, more particularly because he will give that open scroll to John. That cannot be disputed. And that even makes this event surer and infallible! Oh, my! That is why we took a message titled, *The Angel of The Seventh Seal*. It is now in the Scribe. He is coming back. Why? The seventh seal has not yet been broken; but when it is broken, he will come

with the revelation of the seventh and final seal, to anoint seven thunders! But who is he coming to? He is coming to John, who will be anointed first, as the lead thunder, for John sees him coming! That lets us know, without any iota of doubt, that ever before the seventh seal is broken, and this prophetic Angelic descent takes place, John's ministry is already a reality on the earth! Precisely! It is! That is why I keep warning anyone who has an ear to hear, that No Word of prophecy is of any private interpretation! For the ministry of John does not start in the thunders; it only comes to its climax in the thunders! John starts with salvational revelation, giving us the balance of the revelation of written truths, in order to move the bride forward to obtain the reality of unity and perfection, through the fivefold ministry, truths of the Bible which William Branham and Raymond Jackson did not touch. And then, the anointing will change. And even when it does, one man receives it first, and that one man will post the bride ahead, as he himself is posted ahead by the Spirit of our Lord

Jesus Christ. That is plain enough for every elect bride saint to see, and I know that every eagle of God will log on to this truth, for it is the revelation of our Saviour Jesus Christ.

Saints of God, there is a lot we can share in this chapter, but we will take them a truth at a time. But before I end my message, let me also say this, for we must know this: All that God accomplishes here at this end time, for the universal bride of Christ, is on the basis of what He used Revelation chapter 10, verse 7 ministry to accomplish for the end time bride, for it all hangs on the accomplishment of the ministry in verse 7. I repeat: All that God will do for us at this end time, including the establishment of the original Ephesian fivefold ministry, as well as the establishment of the seven thunders, is all on the basis of what God used William Branham to set in motion at this end time, for the bride of Jesus Christ. We must understand that, it is on the basis of what the Lord used his ministry to accomplish or set in motion, for the end time

bride, that will enable the fulfilment of the entire chapter 10, for it is what lays the foundation for the fulfilment of the entire chapter! Period! But as I close my message this morning, I will challenge you with Revelation chapter 10, for that entire chapter, barring verse 7, is all relative to the ministry of the end time John. Why? Because he is Christ's wrapping up lead ministry! That places upon the shoulders of John, a great responsibility at this end time, making his ministry a major one in relation to the body of ministry, although it is minor, in comparison with that of the star messenger to this age. It is simply because everything now devolves or balances upon his head, whether we want to talk in terms of accomplishing unity and perfection, he plays a most crucial role; or whether we want to talk of the writing of the last chapter of the book of Acts; or whether we want to talk of the ministry of the seven thunders, being the only one of them who eats the scroll, and hence the lead thunder; or whether we want to talk of the Jewish Connection: At

this very end of time, **JOHN'S MINISTRY WORK IS BIG**, all under Jesus Christ our Lord! No wonder, in 33 A.D., after Jesus rose from the dead, as recorded in Saint John chapter 21, verse 22, when Peter asked him in verse 21, saying, "**... Lord, and what shall this man**" (John) "**do?**", Jesus declared prophetically concerning John's end time work in coded language, saying precisely: "**... IF I WILL THAT HE TARRY TILL I COME, what is that to thee? Follow thou me.**" That response of Christ in verse 22, placed against the Ministry Commission John received in Revelation chapter 10, verse 11, lets us know assuredly, that THE SPIRIT OF JOHN WAS RESERVED, being one of the three major anointings of God, for a most serious work at the very end of the grace age! Yes! And this position was not something John asked for, and neither is it something any man asked God to do; for it is strictly the sovereignty of God at work, in laying out His divine plan of salvation, wherein He also ordained who does precisely what, after the counsel of His

own sovereign will! Precisely! I say that because there is no need to kill John out of envy and jealousy, because of the great work God has allotted to him to do at this very last junction of Gentile time, in the light of truth! And there is no need to falsely accuse him of idolatry either, simply for believing what the Lord wrote concerning his ministry, in the Scriptures of truth, for it does not make him the Messiah; and neither does he present himself as the Messiah, for he presents himself only as the servant of Jesus Christ our Lord, a man set in defence of the Word of God! Full stop! Yet, we know, like the apostles of old, and like our Saviour Jesus Christ, he will also be greatly persecuted, nonetheless, for as it is written, a servant cannot be greater than his Master, who was likewise rejected and persecuted! Exactly! Moreover, the eating of the scroll makes his belly bitter! It is the last move, and as such, Satan must oppose it with all he has! He must oppose it most viciously, and most vehemently! Yes! Therefore, John will be battered by friends and

foes, left, right, and centre, for in his days, everything comes to a literal close, for us Gentiles; for his ministry input gives us the hour of climax and completion! And when we consider the work that is still to be accomplished today, ever before we get to the thunders, you will agree with me, that there is a lot of work for John to do, for the true and original fivefold ministry is yet to be put together, substantively. Therefore, the Angelic feet placing gives us a serious message, if we really have eyes to see, for it shows the way forward, and we must follow Christ in his way forward, if we are to receive the blessing of faith! Any other way is tantamount to derailment! And the Angelic descent from heaven to the earth with the open scroll, is a serious prophetic event, for it relates to how the Lord is going to instruct the bride prophetically concerning the rapture, through the ministry of the seven thunders! But there is no point believing that, or looking forward to the thunders, if we cannot also see the Angel's feet placing, for they are all tied together in prophecy,

and everything carries the mind of Christ to his bride! Exactly! Brother Branham expressed his desire or hope to live to see that prophetic hour, but God planned otherwise. And we have the opportunity today, which the prophet did not have. But you will not be there to appropriate anything, if you do not walk in the light, for this is not a game! We are all faced with the reality of John's ministry, and the attitude we bear to the continuity light of Christ he bears today, by the Spirit of Christ, determines whether we will make it as bride or not. You can fight that statement as much as you want, it will not change the truth of God! John is a key vessel of Christ in this closing hour of Gentile time, with enormous spiritual responsibility, which is why the Angel's right foot was placed in the old world, on account of John's geographical location, and also why he eats the scroll, showing plainly that completion is in John! That also lets us know, that the Angel's right foot placing on the sea, is the key to the ministry of the seven thunders, if you have eyes

to see. Chew on that for a minute. Therefore, it is certain, that if you do not follow the present day continuing and concluding light, which Jesus Christ is giving the bride today, from the pages of his Word, it is absolutely impossible for you to hear the seven thunders, for they are coming out, strictly from the followership of the truth of John! That is the fact we all face, whether we like it or not, and whether we accept it or not! I tell you again: You will never be able to get away from the ministry of John, if you really want to walk in the true light of Christ. What more can we say to let people see the light of Christ? My! May God help us all.

And in order to show you the seriousness of this hour, and how crucial the ministry of John is, in the light of God's revealed plan, brothers and sisters, we took a message titled, *Completing The Mystery*, which is the mystery recorded in Revelation chapter 10, verse 7, a verse which gives us the ministry of William Branham, the prophet-star messenger to this

age. We took that message to show just how the Branham Movement missed it, all out of stubborn unbelief and gross rebellion! God helping us, we hope to put that message in the Scribe, being a crucial message, for it has to do with the ministry of John, and is as such, a crucial part of the John series. It is an integral part of the prophetic revelation of Jesus Christ.

I will close my message with two serious warnings Christ gave. And it will do good to take heed to them. The first is recorded in Saint Luke chapter 8, verses 16-18. It records: **"No man, when he hath lighted A CANDLE, covereth it with a vessel, or putteth it under a bed; but setteth it on a candlestick, that they which enter in may see the light."** (Jesus lets us know here that God cannot anoint a man to carry His light, and make it a secret matter! He cannot! I say this on account of the present day John. Hence Christ added): **"For nothing is secret, that shall not be made manifest; neither any thing hid, that shall not be known and come**

abroad.” (Now he gives his warning, on account of the candle he sets in place, and the light such candle will shed for God's people, saying) **“TAKE HEED THEREFORE HOW YE HEAR: FOR WHOSOEVER HATH, TO HIM SHALL BE GIVEN; AND WHOSOEVER HATH NOT, FROM HIM SHALL BE TAKEN EVEN THAT WHICH HE SEEMETH TO HAVE.”**

Brothers and sisters, I want you to realise that the end time move of God to get a bride, which William Branham started, John is who completes it. What starts actually with the ministry of Revelation chapter 10, verse 7, the star messenger, William Branham, ends with the ministry of verse 11 minor messenger, Apostle John. Therefore, whoever turns John down, in his revelation, turns Jesus down. And whoever turns Jesus down, turns down God the Father. Thus saith the Lord Jesus, in

Saint Luke chapter 10, verse 16, even as it is written: **“He that heareth you heareth me; and he that despiseth you despiseth me; and he that despiseth me despiseth Him that sent me.”** Period! In the Gospel of Saint John chapter 13, verse 20, the same warning was given, and it states: **“Verily, verily, I say unto you, He that receiveth WHOMSOEVER I send receiveth me; and he that receiveth me receiveth Him that sent me.”** Consequently, it is evident that you will not be in the rapture, if you reject the message of John, for he bears the revelation of Jesus Christ for his true bride; how much more if you deny the ministry of John. The ball is in your court, for the choice is strictly yours. But do not forget, The Angel's Feet Placing, confirms God's current racial logistic move, for it is showing us God's geographical

revelatory move at this end time, thereby showing us the way forward today, being an infallible evidence, that the pre-eminent dealing of God in the light, is from the Old World, and is precisely from Africa. It clearly shows that the true and continuous light of Christ is shining forth today from the old world, and it is shining precisely and strictly from the continent of Africa, which is the tabernacle of Ham; which is why Jesus Christ, the Angel of the Covenant, is revealing himself first in the old world, with the scroll which he gives to John; for I must repeat for the sake of those who have an ear to hear what the Spirit of Christ is saying: **THESE ARE THE DAYS OF THE INPUT OF HAM. “He that hath an ear, let him hear.”** Let us bow our heads in prayer. (Brother Amos prayed).

May the Lord bless you.
