## A RELIGION ON ITS LAST TRIAL - PART 3

This message was preached by Brother Amos, in three consecutive services, Sunday 17th, Tuesday 19th, and Thursday 21st September, 2006, at Bible Faith Tabernacle, Lagos, Nigeria, and was joined together and condensed to make up Part 3. We thank God for the light of truth, for the way of the bride is certainly getting brighter.

I greet everyone in Jesus' name. I want to thank God for travelling mercies to and from India. It is nice to be back home, and we thank God for the lovely time of fellowship He gave us over there around His Word, and for the open door. We want to appreciate God for His grace, and for His goodness. And I thank God that our missionary trip went

very well, for God blessed the meetings. I came back yesterday afternoon. My wife is still away in London, but she will be back this week, God willing. I pray God will bless all that she has gone to do over there. I greet our visiting brothers and sisters. It is nice to have each and every one, and may the Lord bless you all. I look to God this morning for grace. Let us bow our heads in prayer.

Before we made our trip to India, we were taking a message titled, *A Religion On Its Last Trail*. God helping me, I want to continue with that message this morning, and possibly bring it to a close. If you have been watching the news, you will that realize something is going on. The

Pope of Rome made a comment, while he was addressing the people in Germany. He was talking about the Islamic Jihad and holy wars, as being something that is anti-God, and anti the soul of man. The Islamic world went on fire, and all over the world, they are demonstrating, and also going on rampage. You have never seen that spirit like that before. This is not the first time people will make comments about Muhammad. This is not the first time people will talk about Allah, or about the Islamic religion. Why are they behaving so wild? If it is about Prophet Muhammad, and if, as they claim, he is a true prophet of God, why can they not let God judge it? THEN LEAVE IT TO GOD TO JUDGE! Because the God we Christians serve, can judge those that go against His will! He can! He will certainly judge all the sacrilegious words and actions people make against His true servants. In the Last Week of Daniel, as recorded in the Book of Revelation Chapter 18, God will avenge the death of all His holy Apostles and Prophets, whom Babylon the Great Harlot, which is the Roman Catholic Church, have killed, as verses 18-24 plainly declare: **“And”** (the people

of the world) **“cried when they saw the smoke of her burning, saying, What city is like unto this great city”,** (which is the Vatican city in Rome)! **“And they cast dust on their heads, and cried, weeping and wailing, saying, Alas, alas, that great city, wherein were made rich all that had ships in the sea by reason of her costliness! for in ONE HOUR is she made desolate. Rejoice over her, thou heaven, AND YE HOLY APOSTLES AND PROPHETS; FOR GOD HATH AVENGED YOU ON HER. And a mighty Angel took up a stone like a great millstone, and cast it into the sea, saying, Thus with violence shall that great city Babylon be thrown down, and shall be found no more at all. And the voice of harpers, and musicians, and of pipers, and trumpeters, shall be heard no more at all in thee; and no craftsman, of whatsoever craft he be, shall be found any more in thee; and the sound of a millstone shall be heard no more at all in thee; And the light of a candle shall shine no more at all in thee; and the voice of the bridegroom and of the bride shall be heard no more at all in thee: for thy**

**merchants were the great men of the earth; FOR BY THY SORCERIES WERE ALL NATIONS DECEIVED. And in her was found the blood of prophets, and of saints, and of all that were slain upon the earth.”** Thus saith the Lord! God will judge the Roman Catholic Church, for all the evil she has done to God's people! Revelation Chapter 17, verse 16 states: **“And the ten horns which thou sawest upon the beast, these shall hate the whore, and shall make her desolate and naked, and shall eat her flesh, and burn her with fire.”** Verse 6 also reveals precisely why she will be burnt out of existence, never more to rise. It states: **“And I saw the woman drunken with the blood of the saints, and with the blood of the martyrs of Jesus: and when I saw her, I wondered with great admiration.”** Hence the proclamation in Chapter 18, verse 20, which states: **“Rejoice over her, thou heaven, AND ye holy apostles and prophets; for God hath avenged you on her.”** All the blood of the saints she drank throughout the Dark Ages, and those of the saints she spilled through the Spanish Inquisition, she will certainly pay for! Absolutely! For God

will make her pay! So, if something is against God, let God judge it! Why do these Muslims not leave things to God for Him to judge, if their God is truly a living God, a God who can fight for himself?! Then let him fight! Let him fight, if he can! This reminds me of a divine encounter which took place in the city of Bombay, India, in the days of William Branham. The city is now called Mumbai. In a message titled, *"Jesus Christ The Same Yesterday, Today, And Forever"*, which was preached on 27th June, 1963, in Hot Springs, Arkansas, USA, William Branham narrated a challenge he gave the Muslims in India, and I will now relay the encounter. However, I have edited the quote a little, to allow for smooth, easy, and intelligible reading, without changing his thought, and without adding to it. Starting from paragraph 36, he declared: ***"Now if the Bible said that, 'He is the same yesterday, today, and forever' ... Now to me, the Bible is wrong, or It is right. Now, if that is not the inspired Word of God, then I don't know what to believe. I have had the privilege of seeing many forms of religion, right in Durban. And in Bombay, I was entertained one***

***afternoon in the temple of the Jains, where seventeen different religions of India gathered, every one of them denying Jesus Christ, and everyone who was gathered there, was entertained by these seventeen different religions. And I had seen that night, under the power of the Holy Spirit, how that God put a challenge to every holy man, every religion, and everything else, concerning a blind man standing on the platform. When they saw the discernment in projection, they thought it was telepathy of some sort. Then a vision broke out over a man that had been blind for twenty years; a worshiper of the sun. And I saw in the vision that he was going to be healed. Then I challenged every Mohammedan priest, every Buddha priest, every holy man, Raja's, all, that: "Any man that will come here, and give this man his sight, I will worship the god that gives him his sight." And the blind man said he will do the same. He worshiped the sun... He worshiped the creation instead of the Creator. I said, "I would say 'amen'***

***to that. But then there has got to be somebody right and somebody wrong." I said, "What would you do?" (That is, as a Mohammedan). "You would make a Mohammedan" (worshiper) "out of him. The Buddha would make a Buddha worshiper out of him, and so forth." I said, "What would you do? You would only change his mind. You would only change his way of thinking." I said, "We have the same thing in the United States. All the Methodists wants the Baptists to become Methodist. And then the Presbyterians wants them all to become Presbyterians. And the Oneness wants them to become Oneness. And Twoness wants them to become Twoness. Oh, my! What is it? It's a change of mind. THERE HAS GOT TO BE SOMETHING REAL SOMEWHERE. See, something has got to be right, and something is wrong." I said, "Now let the God of Creation restore his sight, before half a million people here. And the blind man said, "The god that will give him his sight, he will serve." And I said, "I will become a disciple of the***

man who comes and gives him his sight." That was the stillest" (or quietest) "five hundred thousand" (people) "you ever heard. NOBODY MOVED! I wouldn't have made that challenge, if I had not have seen the vision. Now, there was five hundred thousand witnesses of that. And I said, "Why don't you come? BECAUSE YOU CAN'T DO IT." And I said, "You, you Mohammedans, you claim the Mohammed religion is the greatest in the nation." And I said, "And which it may be, in numbers; and the Buddha, and so forth. But surely, there is some priest that is able", (or that should be able), "to come and accept this challenge." NOBODY DID. I said, "THE REASON YOU DON'T, IS BECAUSE YOU CAN'T. AND NEITHER CAN I. BUT THE GOD OF HEAVEN, HAS RAISED UP JESUS CHRIST, WHO I AM HIS WITNESS TONIGHT, that I've seen a vision that the man is going to receive his sight. If he doesn't do it, then I'm a false prophet; and run me out of your country. BUT IF HE DOES DO IT, THEN YOU'RE O B L I G A T E D , BEFORE YOUR OWN

P R I E S T S A N D EVERYTHING, TO WITNESS THAT HE IS TRULY THE SON OF GOD, AND THE SAVIOUR OF THE WORLD." Everybody was quiet. I brought the blind man; put my arms around him. I said, "Lord Jesus, according to the vision that cannot fail, I pray You would give the man his sight." And he begin to scream. And the Mayor of the city was sitting there, and he run and grabbed him. HE COULD SEE AS GOOD AS I COULD. Then they had a militia of about hundreds of soldiers; couldn't keep the people back. They run over the top of the soldiers, run beneath their legs and sticks, as they were trying to keep the crowds back. By the time I got to the car and got out, I hardly had clothes on; no shoes on my feet: people jerking for the shoes, and jerking for the coat, and everything, hungering and thirsting for God. But the God of Elijah still lives today, and He is just as much God as He ever was. Now all founders of religion... Standing there at the grave of Mohammed, has been a white horse, that's been standing there for two thousand years. They've

changed the guards about every four or six hours, and they're expecting Mohammed to rise, and ride down the world. You know ... He wrote the book of the Koran, and so forth. But, oh, Buddha, about twenty-three hundred years ago, was a man, a religious man in Japan, and so forth. And all these religions, every one of their founders is dead and in the grave. But Christianity, after a world-wide experience, CHRISTIANITY IS THE ONLY TRUE RELIGION. It's the only one that can show an empty grave. It's the only one that their founder, has no match, no man like Him; no man ever stood on earth and said, "I have power to lay my life down, and take it up again. A little while and the world seeth Me no more, yet ye shall see Me. The unbeliever won't see Me no more, yet ye shall see Me. For I... I is a personal pronoun, "I will be with you, even in you, to the end of the world; to the consummation." Jesus Christ the same yesterday, today, and forever!" So, if something is against God, let God judge it, for the true God is not helpless, and neither is He impotent! Our God is not

impotent! Consequently, if Allah be God, why do these Islamic fundamentalists not let Him prove Himself, if truly he is God? A lot of times, the name of Christ has been sacrilegiously maligned. A lot of times, the Christian faith has been evil spoken of, and ridiculed. Jesus has been portrayed blasphemously in films, as a fornicator and a womaniser. Remember the blasphemous movie titled, *Jesus Christ Superstar*. Just look at the so-called "*Da Vinci Code*", a book written on the life of Jesus Christ. Hollywood has also recently produced a movie on it. It is nothing but plain blasphemy, for anyone to infer that Jesus had an intimate relationship with Mary Magdalene, and that a holy secret lineage was established, through the seed they say was born out of the so-called relationship. How can anyone in his right mind say such things of the Messiah, when he was divinely born, for he was born without any sexual intercourse, being the perfect Lamb of God! Some religious sects, like the Mormons, The Church of Jesus Christ of the Latter Day Saints, a sect founded by Joseph Smith in the 1800s, call the so-called holy blood lineage, the "*Holy Grail*". But it is an

absolute lie, for no such thing ever took place, and it is therefore, nothing but absolute deception, and is downright rotten, heretic, and damnable! It is demonic! Nevertheless, we have not demonstrated or carried placards, and neither have we burned properties, effigies, or flags, because of it, because we know God will judge it. He will! He has set a day in which to judge these acts of impudence against Him. And as such, we leave that to God. Men cannot fight for God! God can fight for Himself, for He is not helpless! Our God is not a helpless God! I say that the God we serve, Elohim, is not helpless! But you cannot say anything about Islam, they go wild! It is so extreme! That is the spirit of that religion, because if it is truly a religion of peace, they will not do what they are doing out there! I do not say this to condemn a Muslim, neither do I say this to condemn the Islamic faith, but I say this because it is the truth, and I care less what anybody thinks or feels about it! A message of peace can only be delivered in peaceful ways! I repeat: A message of peace can only be delivered in peace! When you go wild, and demonstrate, and cause

nothing but utter destruction and chaos, on every little thing about your religion, it takes away every attribute of peace in the religion, evidencing that there is nothing peaceful about it, because if it is peaceful, you will go about it in a peaceful way! That is the truth! Just as it is written in James Chapter 3, verses 13-18, the Lord asks: ***"Who is a wise man and endued with knowledge"***, (heavenly knowledge), ***"among you? let him shew out of a good conversation"***; (let him show out of a good conduct), ***"HIS WORKS WITH MEEKNESS OF WISDOM. But if ye have bitter envying AND STRIFE in your hearts, glory not, and lie not against the truth. THIS WISDOM DESCENDETH NOT FROM ABOVE, BUT IS EARTHLY, SENSUAL, DEVILISH. For where envying and STRIFE IS, there is confusion and every evil work. But the wisdom that is from above is first pure, then peaceable, gentle, and easy to be intreated, full of mercy and good fruits, without partiality, and without hypocrisy. AND THE FRUIT OF RIGHTEOUSNESS IS SOWN IN PEACE OF THEM THAT MAKE***

**PEACE.**” I therefore repeat: If your religion is peaceful, you will go about things in a peaceful way! You will not go wild and destroy buildings and properties, and maim lives! You do that only because it is not peaceful! Period! Christians do not do that! Yet, the name of the Lord is blasphemed every day, even by Muslim people! We let God Almighty, who is the only living God, and who is Omnipotent, Omnipresent, and Omniscient, deal with it Himself, for He can avenge Himself! He can! The true God of Creation can fight for Himself! When Moses asked Pharaoh to let the children of Israel go, and Pharaoh refused, saying, who is God? God showed His hand, and he let Israel go! It is written in Exodus Chapter 5, verses 1-2: **“And afterward Moses and Aaron went in, and told Pharaoh, Thus saith the Lord God of Israel, Let my people go, that they may hold a feast unto me in the wilderness. And Pharaoh said, Who is the Lord, that I should obey His voice to let Israel go? I know not the Lord, neither will I let Israel go.”** God came down, and began to plague the land of Egypt with plagues, exactly

as Moses was calling for it, the last plague being the death of every first born in the land of Egypt, from the first born of Pharaoh, to the first born of goats and dogs, and Pharaoh bowed to Elohim! In the end, he acknowledged that the Lord is God! Exodus Chapter 11, verses 4-8, declares: **“And Moses said, Thus saith the Lord, About midnight will I go out into the midst of Egypt: And all the firstborn in the land of Egypt shall die, from the firstborn of Pharaoh that sitteth upon his throne, even unto the firstborn of the maidservant that is behind the mill; and all the firstborn of beasts. And there shall be a great cry throughout all the land of Egypt, such as there was none like it, nor shall be like it any more. But against any of the children of Israel shall not a dog move his tongue, against man or beast: that ye may know how that THE LORD DOTH PUT A DIFFERENCE BETWEEN THE EGYPTIANS AND ISRAEL. And all these thy servants shall come down unto me, and bow down themselves unto me, saying, Get thee out, and all the people that follow thee: and after that**

**I will go out. And he went out from Pharaoh in a great anger.”** Then in Chapter 12, verses 29-33, it is written: **“And it came to pass, that at midnight the Lord smote all the firstborn in the land of Egypt, from the firstborn of Pharaoh that sat on his throne unto the firstborn of the captive that was in the dungeon; and all the firstborn of cattle. And Pharaoh rose up in the night, he, and all his servants, and all the Egyptians; and there was a great cry in Egypt; for there was not a house where there was not one dead. And he called for Moses and Aaron by night, and said, Rise up, and get you forth from among my people, both ye and the children of Israel; and go, serve the Lord, as ye have said. Also take your flocks and your herds, as ye have said, and be gone; AND BLESS ME ALSO. And the Egyptians were urgent upon the people, that they might send them out of the land in haste; for they said, We be all dead men.”** And Israel left Egypt for good, just as the Lord demanded, for THE LORD, HE IS GOD! Yes, He is! Again, when King Herod blasphemed, by accepting worship and adoration

which belongs to God alone, the Angel of the Lord killed him instantly. It is written in Acts Chapter 12, verses 20-23: ***“And Herod was highly displeased with them of Tyre and Sidon: but they came with one accord to him, and, having made Blastus the king's chamberlain their friend, desired peace; because their country was nourished by the king's country. And upon a set day Herod, arrayed in royal apparel, sat upon his throne, and made an oration unto them. And the people gave a shout, saying, It is the voice of a god, and not of a man. AND IMMEDIATELY THE ANGEL OF THE LORD SMOTE HIM, BECAUSE HE GAVE NOT GOD THE GLORY: and he was eaten of worms, and gave up the ghost.”*** Worms immediately broke out on him, not waiting for the normal seventy two hours, before corrupting his body! For our God, He being the Only True God, can fight for Himself! He can, for He is not a dead God, but The Only Living God! There was a day when the Philistines took the ark of God from Israel, and placed it in the house of Dagon, their god, and set it beside Dagon. 1 Samuel Chapter 5, verses 3-12, records: ***“And when***

***they of Ashdod arose early on the morrow, behold, Dagon was fallen upon his face to the earth before the ark of the Lord. And they took Dagon, and set him in his place again. And when they arose early on the morrow morning, behold, Dagon was fallen upon his face to the ground before the ark of the Lord; and the head of Dagon and both the palms of his hands were cut off upon the threshold; ONLY THE STUMP OF DAGON WAS LEFT TO HIM. Therefore neither the priests of Dagon, nor any that come into Dagon's house, tread on the threshold of Dagon in Ashdod unto this day. But the hand of the Lord was heavy upon them of Ashdod, and HE DESTROYED THEM, AND SMOTE THEM WITH EMERODS, even Ashdod and the coasts thereof. And when the men of Ashdod saw that it was so, they said, The ark of the God of Israel shall not abide with us: for His hand is sore upon us, and upon Dagon our god. They sent therefore and gathered all the lords of the Philistines unto them, and said, What shall we do with the ark of the God of Israel? And they answered, Let the ark of***

***the God of Israel be carried about unto Gath. And they carried the ark of the God of Israel about thither. And it was so, that, after they had carried it about, the hand of the Lord was against the city with a very great destruction: AND HE SMOTE THE MEN OF THE CITY, BOTH SMALL AND GREAT, AND THEY HAD EMERODS IN THEIR SECRET PARTS. Therefore they sent the ark of God to Ekron. And it came to pass, as the ark of God came to Ekron, that the Ekronites cried out, saying, They have brought about the ark of the God of Israel to us, to slay us and our people. So they sent and gathered together all the lords of the Philistines, and said, Send away the ark of the God of Israel, and let it go again to his own place, that it slay us not, and our people: for there was a deadly destruction throughout all the city; the hand of God was very heavy there. And the men that died not were smitten with the emerods: and the cry of the city went up to heaven.”*** That is the God we serve! He alone is God, for there is none beside Him! He can fight for Himself, for He is THE LIVING GOD! There was

also a day in the time of the Judges, that the Angel of the Lord spoke to Gideon, commissioning him to be a judge and deliverer for Israel. But he knew there were strange gods, idols, in his father's house, which he needed to destroy, in order to carry a true testimony, and also in order to serve God without a snare. The first thing he did was to destroy all those gods, and thus remove idolatry from his house. The people were annoyed, and wanted to fight for their god, who is Baal, for they had given themselves to Baal worship. We will pick up the account from the Book of Judges Chapter 6, verses 28-32, which records: ***“And when the men of the city arose early in the morning, behold, the altar of Baal was cast down, and the grove was cut down that was by it, and the second bullock was offered upon the altar that was built. And they said one to another, Who hath done this thing? And when they enquired and asked, they said, Gideon the son of Joash hath done this thing. Then the men of the city said unto Joash, Bring out thy son, that he may die: because he hath cast down the altar of Baal, and because he hath cut down the***

***grove that was by it. And Joash said unto all that stood against him, Will ye plead for Baal? WILL YE SAVE HIM? he that will plead for him, let him be put to death whilst it is yet morning: IF HE BE A GOD, LET HIM PLEAD FOR HIMSELF, BECAUSE ONE HATH CAST DOWN HIS ALTAR.***” Unfortunately, Baal could not fight for himself, for he is really no God! Brothers and sisters, our God can fight for Himself. We may stand firmly for His truth, we may stand firmly in defence of the Word of God, but we cannot avenge our God, for He can avenge Himself, for the Lord is God! Joash declared concerning Baal: ***“IF HE BE A GOD, LET HIM PLEAD FOR HIMSELF, BECAUSE ONE HATH CAST DOWN HIS ALTAR.”*** And this is precisely the ground upon which we stand! IF ALLAH BE GOD, LET HIM FIGHT FOR HIMSELF! I said, if Allah be God, let him fight for himself! It is a fair challenge! Let him fight, if he is not an idol or a man! He should be able to fight for himself, if he is truly God! We live in a world that has now gone totally berserk, and I am sick and tired of this downright stupid and senseless world! I want to go home! I

cannot wait for the coming of the Lord! You cannot say anything anymore, before they start to kill and maim lives, and destroy properties, senselessly! It is a hellhole they are creating! The world has gone totally berserk! Not that we fear for what they can do, for we do not fear those who can only kill the flesh, and afterwards, there is nothing more they can do! We fear only Him who, after killing the body, can also destroy the soul in hell! We do not fear death, for it is only a friend, to bring us to Christ! Let death come, our soul is secured in Jesus, for we have **A Blessed Assurance Policy!** Yes sir! We are coming out of the grave, with glorified bodies! And as such, we care not for the terror of these demon possessed extreme Muslims! We know whom we serve, and where we are going! However, let me tell you now, brothers and sisters: God is going to judge this bomb throwing spirit; this bomb throwing religion! It is now riding its last trail, and hence the reason for the venom with which it is moving at this end time. But know of a certainty, that God is going to judge it. Something has to happen to judge this spirit for good, even though it has also served as God's

judgment rod. Why do I say that? It is simply because God cannot allow the spirit to go on forever, particularly because it is also in the way of prophecy, which God has for the nation of Israel! Therefore, something has to give way, in order for the promise of God concerning Israel, to come to pass, and it will come to pass, without fail. This takes us straight to the Book of Prophet Zephaniah, Chapter 2, verse 11, starting from verse 4. It decrees judgment on certain places, saying: ***“For Gaza shall be forsaken, and Ashkelon a desolation: they shall drive out Ashdod at the noon day, and Ekron shall be rooted up.”*** (All these are the west coast sea areas, making up the land of the Philistines, which now give us the Gaza Strip in Palestine, which is part and parcel of the land of Israel. The prophecy continues): ***“Woe unto the inhabitants of the sea coast, the nation of the Cherethites! the Word of the Lord is against you; O Canaan, the land of the Philistines, I will even destroy thee, that there shall be no inhabitant. And the sea coast shall be dwellings and cottages for shepherds, and folds for flocks.”*** (I ask: Whose flocks? Verse 7 gives it to

us, for it states): ***“And the coast shall be for the remnant of the HOUSE OF JUDAH; they shall feed thereupon: in the houses of Ashkelon shall they lie down”;*** (when?), ***“IN THE EVENING”*** (TIME, which is this day): ***“for the Lord their God shall visit them, and turn away their captivity. I have heard the reproach of Moab, and the revilings of the children of Ammon”***, (speaking of the present day Jordan area), ***“whereby they have reproached my people”*** (the children of Israel), ***“and magnified themselves against their border. Therefore as I live, saith the Lord of hosts, the God of Israel, Surely Moab shall be as Sodom, and the children of Ammon as Gomorrah, even the breeding of nettles, and saltpits, and a perpetual desolation.”*** (Now watch): ***“THE RESIDUE OF MY PEOPLE SHALL SPOIL THEM, AND THE REMNANT OF MY PEOPLE SHALL POSSESS THEM. This shall they have for their pride, because they have reproached and magnified themselves against the people of the Lord of hosts.”*** (Now, please pay close attention to verse 11, for it is the main

text for this judgment. It proclaims): ***“The Lord will be terrible unto them: for HE”*** (GOD) ***“WILL FAMISH”*** (or stifle) ***“ALL THE gods OF THE EARTH”***, (that are in the way of Bible prophecy); ***“and men shall worship Him, every one from his place, even all the isles of the heathen.”*** From Japan and China, to Germany, to the United States of America, and to Australia, men will magnify the wonderful name of the Lord! In that day, they shall plainly see that Elohim, not Allah, is God, and as such, they shall bow before Him, and give Him reverence! Please note that this prophecy is not giving us their conversion, but only states the fact that they will acknowledge that the God of Israel, is the true God! Period! Consequently, they will want to identify with the nation of Israel, and help her with her building projects! Their master architects and chief construction engineers will lend their free services in that day! Brothers and sisters, May I remind you, that the enmity which the Palestinians and the Arabians have for Israel, is strictly spiritual, being deeply rooted in religion, going way back to Genesis. Period! That religious enmity must and will go.

Therefore, God has to take out the religion of Islam from the Arabians, that the Arabians may also serve the God of Israel, just as Ishmael did in the day he was circumcised by Abraham! Come with me to the Book of Prophet Isaiah, Chapter 63, to consider a prophecy for this very day and hour. We thank God for such a beautiful exposition, given to us by the Lord, through Raymond Jackson, the chief apostle of this end time, as divine light was shed on this passage, amongst many others, opening up the truth of God's plan for Israel in this our day. God be praised for His gracious dealing with the bride in the light! Verses 1-6, declares: ***"Who is this that cometh from Edom, with dyed garments from Bozrah? this that is glorious in His apparel, travelling in the greatness of his strength?"*** (This is none other than Elohim in the field of battle. Remember, the Edomites are the children of Esau, whilst the Moabites and the Ammonites are the children of Lot, begotten through his two daughters, after the destruction of Sodom and Gomorrah. The three nations give us the area now occupied and called the nation of Jordan. The prophecy in Isaiah

continues, stating categorically of God): ***"I that speak in righteousness, mighty to save."*** (Watch verse 2, for the Lord asks a question, which He also answers, saying): ***"Wherefore art thou red in thine apparel, and thy garments like him that treadeth in the winefat?"*** (His garment has been soaked completely in the blood of men. Verse 3 tells us why, for it states). ***"I have trodden the winepress alone; and of the people THERE WAS NONE WITH ME."*** (In other words: No one and no nation sided or agreed with Him who is God, concerning His will at this end time, for the nation of Israel. Consequently, He declared): ***"for I will tread them in mine anger, and trample them in my fury; and their blood shall be sprinkled upon my garments, and I will stain all my raiment."*** (Listen to verse 4. God proclaims): ***"FOR THE DAY OF VENGEANCE IS IN MINE HEART, and the year of my redeemed is come. And I looked, and there was none to help; and I wondered that there was none to uphold: therefore mine own arm brought salvation unto Me; and My fury, it upheld Me. And I will tread down the***

***people in Mine anger, and make them drunk in My fury, and I will bring down their strength to the earth."*** Brothers and sisters, God is going to institute this judgment by the hand of Israel, and blood will flow, and the dead will litter the ground, piled high on one another, all over the Middle East, like we have never seen before. Prophet Ezekiel also gave a prophecy which ties right in with this, giving us the precise instruments of divine judgment against the Palestinians, the Jordanians, the Syrians, the Lebanese, the Arabians, and the Egyptians, etc. Ezekiel Chapter 25, verses 8-17, declares: ***"Thus saith the Lord God; Because that Moab and Seir do say, Behold, the house of Judah is like unto all the heathen; Therefore, behold, I will open the side of Moab from the cities, from his cities which are on his frontiers, the glory of the country, Bethjeshimoth, Baalmeon, and Kiriathaim, Unto the men of the east with the Ammonites, and will give them in possession, that the Ammonites may not be remembered among the nations. And I will execute judgments upon***

**Moab; and they shall know that I am the Lord. Thus saith the Lord God; Because that Edom hath dealt against the house of Judah by taking vengeance, and hath greatly offended, and revenged himself upon them; Therefore thus saith the Lord God; I will also stretch out mine hand upon Edom, and will cut off man and beast from it; and I will make it desolate from Teman; and THEY OF DEDAN", (which is Saudi Arabia), "SHALL FALL BY THE SWORD. And I will lay my vengeance upon Edom BY THE HAND OF MY PEOPLE ISRAEL: and they shall do in Edom according to Mine anger and according to My fury; and they shall know My vengeance, saith the Lord God. Thus saith the Lord God; Because the Philistines" (in the West Bank and Gaza Strip), "have dealt by revenge, and have taken vengeance with a spiteful heart, to destroy it FOR THE OLD HATRED", (which is religious, for it is spiritual; please note that. I take verse 15 again): "Thus saith the Lord God; Because the Philistines have dealt by revenge, and have taken**

**vengeance with a spiteful heart, to destroy it FOR THE OLD HATRED; Therefore thus saith the Lord God; Behold, I will stretch out mine hand upon the Philistines, and I will cut off the Cherethims, and destroy the remnant of the sea coast. And I will execute great vengeance upon them with furious rebukes; and they shall know that I am the Lord, when I shall lay my vengeance upon them."** Can you now see the true enmity, for it takes you back to Genesis? In the Book of Prophet Micah, God sets forth the miraculous hour of Israel in the field of battle, when God turns Israel loose, to deal decisively with all the Palestinians and Arab nations that are so bitterly opposed to the establishment, peace, and prosperity of Israel. In Chapter 7, verses 11-20, it is written: "In the day" (at this end time), "that thy walls", (referring to the walls of Jerusalem), "ARE TO BE BUILT, in that day shall the decree" (of the divine judgment of Israel for iniquity, which Moses stated in the Book of Deuteronomy, that that decree shall) "be far removed. In that day also he", (talking of the Jewish immigrants),

**"shall come even to thee from Assyria, and from the fortified cities, and from the fortress even to the river, and from sea to sea, and from mountain to mountain. Notwithstanding THE LAND SHALL BE DESOLATE because of them that dwell therein," (referring to the Palestinian Arabs who were occupying Israel's land), "for the fruit of their doings." (And indeed, until Israel took over the land from the Palestinians, the land had been lying very barren and desolate for many centuries of time. I will take verse 13 again): "Notwithstanding the land shall be desolate BECAUSE OF THEM THAT DWELL THEREIN, for the fruit of their doings. Feed thy people" (Israel) "with thy rod, the flock of thine heritage, which dwell solitarily in the wood, in the midst of Carmel: LET THEM FEED IN BASHAN AND GILEAD, as in the days of old." (Bashan brings us to the area of Golan Heights, which the Israelis took back from Syria. It was occupied in olden days by the tribe of East Manasseh, whilst Gilead was occupied by the tribe of Gad. All that area is now an area occupied by the present day nation of Jordan, a nation carved out**

by the British Colonialists, under the Palestinian Mandate in 1922, and was recognised by the League of Nations, which is now known as the United Nations. It became an independent sovereign state in 1946. Do not forget that there was no nation of Jordan in old Bible times, except River Jordan, for the people who now make up the nation of Jordan, are majorly Arabians. The half tribe of Manasseh, East Manasseh, and the tribe of Gad, lived in that area, with the Edomites, Moabites, and Ammonites, occupying the lower regions, East of River Jordan. But pay close attention to verse 15, for that is the principal Scripture we want to see, giving us the Jewish Hour of the Miraculous, strictly in the field of battle. It declares): **“ACCORDING TO THE DAYS OF THY COMING OUT OF THE LAND OF EGYPT”**, (when God did great exploits, mighty signs and wonders in the land of Egypt; precisely according to those days), **“WILL I SHEW UNTO HIM”** (the nation of Israel, at this end time), **“MARVELLOUS THINGS. The nations shall see and be confounded at all their might”**, (when, through the satellite News Network, they see God move in

awesome power and majesty, doing astounding and incredible feats in the field of battle, to enforce His will for the nation of Israel. It will simply be too much for them to contain): **“they shall lay their hand upon their mouth, their ears shall be deaf. They shall lick the dust like a serpent, THEY SHALL MOVE OUT OF THEIR HOLES LIKE WORMS OF THE EARTH: they shall be afraid of the Lord our God, and shall fear because of thee”**, (the children of Israel. Nobody will ask the Palestinians to leave the occupied land in those days. They will simply back their bags and baggage, and run out as fast as they can, from the land of Israel, and they will realise in that day, that Elohim, and not Allah, is God! They will throw away Allah, and embrace the God of Israel, whose name is Yahweh! Hence, verse 18 asks): **“Who is a God like unto thee, that pardoneth iniquity, and p a s s e t h b y t h e transgression of the remnant of His heritage? He retaineth not His anger for ever, because He delighteth in mercy. He will turn again, He will have compassion upon us; He will subdue our iniquities; and thou wilt cast all their sins into the**

**depths of the sea. THOU WILT PERFORM THE TRUTH TO JACOB, AND THE MERCY TO ABRAHAM, WHICH THOU HAST SWORN UNTO OUR FATHERS FROM THE DAYS OF OLD.”** For God does not fail, and neither does He forget His promise, however long it takes, for He is the Lord, a Covenant keeping God! In the Book of Numbers Chapter 24, verses 17-19, Balaam the prophet gave a prophecy to Balak, the King of Moab, concerning what the nation of Israel will do to Moab, which is Jordan, at this evening time, which is **“the latter days”**. He states prophetically: **“I shall see him, but not now: I shall behold him”**, (who is the Lord), **“but not nigh: there shall come a Star out of Jacob, and a Sceptre shall rise out of Israel, and shall smite the corners of Moab, and destroy all the children of Sheth. And Edom shall be a possession, Seir also shall be a possession for his enemies; and Israel shall DO VALIANTLY. Out of Jacob shall come he that shall have dominion, and shall destroy him that remaineth of the city.”** Brothers and sisters, I say again: Watch Benjamin Netanyahu. And when precisely will Israel do this

to the Moabites, which gives us the present day Jordanians? Verse 14 plainly gives it to us, for Prophet Balaam categorically declared: ***“And now, behold, I go unto my people: come therefore, and I will advertise thee what this people”, (the Israelites), “shall do to thy people IN THE LATTER DAYS.”*** Again, in the Book of Isaiah Chapter 49, verses 11-26, the Lord also declared, saying: ***“And I will make all my mountains a way, and my highways shall be exalted”,*** (in order to allow for a new wave of Jewish immigrants to the land of Israel, from all the nations of the earth. They are Jews from the lineage of David, and they are coming to inhabit Jerusalem, because of the glory of God that has been openly manifested in Israel). ***“Behold, these shall come from far: and, lo, these from the north and from the west; and these from the land of Sinim. Sing, O heavens; and be joyful, O earth; and break forth into singing, O mountains: for the Lord hath comforted His people”*** (Israel), ***“and will have mercy upon His afflicted. But Zion said, The Lord hath forsaken me, and my Lord hath***

***forgotten me.”*** (The nation of Israel is saying that, because God dealt with them in judgment, for their disobedience. But God is now comforting her. Remember, this is Prophet Isaiah, about 712 BC, prophesying concerning Israel. The spirit of God is speaking through Isaiah, on behalf of the nation of Israel. Verse 15): ***“Can a woman forget her sucking child, that she should not have compassion on the son of her womb?”*** (And that is very difficult for a woman to do; it is difficult for her to forget her baby. But even then, they can forget, and they do forget. That is why we have little babies being dumped in a garbage bin somewhere, by mothers who do not want them. Hence the Lord added concerning sucking mothers): ***“yea, they may forget, yet will I not forget thee. Behold, I have graven thee upon the palms of my hands; thy walls”,*** (speaking of the walls of the city of Jerusalem), ***“are continually before me. Thy children shall make haste”*** (to come); ***“THY DESTROYERS AND THEY THAT MADE THEE WASTE”,*** (talking of the Palestinian Arabs in the West Bank and Gaza Strip,

as well as in Jerusalem), ***“SHALL GO FORTH OF THEE.”*** (That is, the Palestinian Arabs will not live in that land. They are going to get out! The two-state solution will never work! Thus saith the Lord! They are literally going to get out of the entire land of Israel, back to the other side of Jordan, from whence they came, when God scattered Israel to the four winds of the earth in 70 AD. They will pack their bags and baggage, and leave the territories of Israel they have been occupying, all these many centuries. This is precisely what will happen, when God turns Israel loose in the field of battle! Trucks will be packing them to the other side. They are going home. Brothers and sisters, they will be glad to go! They will be so glad to go! When God moves in the field of battle, like man has never seen before, and the dead litter the whole land, the Palestinians that remain will be so glad to go home! They will be happy to go! They will not be making noise then! They will not be making any threats, and be turning themselves into suicide bombers! They will be glad to go home! When God does something, He does it real good! They will be removed far away. The

prophecy continued): ***“Lift up thine eyes round about, and behold: all these gather themselves together, and come to thee.”*** (God is re-confirming the new wave of Jewish immigrants, of the lineage of David, who are coming to occupy the old Jerusalem city, which currently has two-thirds Palestinian occupants. They will come after the hour of the Jewish miraculous has been executed. Consequently, the Lord affirms): ***“As I live, saith the Lord, thou shalt surely clothe thee with them all, as with an ornament, and bind them on thee, as a bride doeth. For thy waste and thy desolate places, and the land of thy destruction, shall even now be too narrow by reason of the inhabitants, AND THEY THAT SWALLOWED THEE UP”***, (referring again to the Palestinian Arabs), ***“SHALL BE FAR AWAY.”*** (This shows conclusively, that the two-state solution will never work, for the land belongs exclusively to Israel, and God Himself will ensure they get it, for the Palestinians will get out in haste, when God does this. Amen! Nobody will tell them when they will begin to pack their load! They will no longer be arguing with

Israel concerning who owns the land. Prophet Isaiah saw it over 700 years before the advent of Christ. Think about it! This prophecy has laid in the Bible all through centuries of time. Thank God for the chief apostle! Yes! They say Brother Branham preached everything. He did not! He only preached those things that were relative to his ministry. He preached all that was to make up his voice, as the seventh star messenger. And a new wave of Jewish immigrants will come to occupy the land of Jerusalem. Hence, verse 20 now declares): ***“The children which thou shalt have, after thou hast lost the other, shall say again in thine ears, The place is too strait for me: give place to me that I may dwell. Then shalt thou say in thine heart, Who hath begotten me these, seeing I have lost my children, and am desolate, a captive, and removing to and fro?”*** (Moved from one nation to another, during the long period of time when Israel was scattered throughout the world); ***“and who hath brought up these? Behold, I was left alone; these, where had they been? Thus saith the Lord God, Behold, I will lift up mine hand to the***

***Gentiles, and set up my standard to the people: and they shall bring thy sons in their arms, and thy daughters shall be carried upon their shoulders.”*** (Nations will donate planes, saying, *“We will carry you free-of-charge.”* Why? Because they see God in raw display on Israel's behalf! Oh, my! When God steps on the scene, and glorifies Himself, showing Himself in His awesome majesty on His people's behalf, then everybody wants to show favour to them. It is always like that). ***“And kings shall be thy nursing fathers.”*** (That is, Presidents, Heads of States, Prime ministers, will rush to their aid), ***“and their queens thy nursing mothers: THEY SHALL BOW DOWN TO THEE WITH THEIR FACE TOWARD THE EARTH, AND LICK UP THE DUST OF THY FEET; AND THOU SHALT KNOW THAT I AM THE LORD: for they shall not be ashamed that wait for me.”*** Look at verse 24. God asks: ***“Shall the prey be taken from the mighty, or the lawful captive delivered? But thus saith the Lord, Even the captives of the mighty shall be taken away, and the prey of the terrible shall be delivered: FOR I WILL CONTEND WITH***

**HIM THAT CONTENDETH WITH THEE, AND I WILL SAVE THY CHILDREN. AND I WILL FEED THEM THAT OPPRESS THEE WITH THEIR OWN FLESH; AND THEY SHALL BE DRUNKEN WITH THEIR OWN BLOOD, AS WITH SWEET WINE: AND ALL FLESH**, (Japanese, Chinese, German, Canadian, American, British, French, Dutch), **“SHALL KNOW THAT I THE LORD AM THY SAVIOUR AND THY REDEEMER, THE MIGHTY ONE OF JACOB.”** That is why I said, Look at the prophecy of Zechariah in Chapter 8. What does he say in verse 23? He declared: ***“Thus saith the Lord of hosts; In those days it shall come to pass, that ten men shall take hold out of all languages of the nations, even shall take hold of the skirt of him that is a Jew, saying, We will go with you: for we have heard that God is with you”***. It is all ordained for fulfilment through the hour of the Jewish miraculous, when God turns Israel loose in the field of battle! Brothers and sisters, the prophecies of Isaiah, Ezekiel, Balaam, Micah, Zechariah, and Zephaniah, all synchronise, and are all hanging for fulfilment on this very day,

and we will all see it. The prophecy of the Book of Zechariah Chapter 12, also ties right in with this. In verses 1-8, the Lord declared: ***“The burden of the Word of the Lord FOR ISRAEL, saith the Lord, which stretcheth forth the heavens, and layeth the foundation of the earth, and formeth the spirit of man within him. Behold, I will make Jerusalem a cup of trembling unto all the”*** (Palestinians and the Arabian) ***“people round about, when they shall be in the siege”***, (a political diplomatic siege, seeking to take away Jerusalem from Israel, and seeking to give it as the capital to the Palestinians; we are looking strictly at a diplomatic political siege), ***“both against Judah and against Jerusalem. And in that day will I make Jerusalem a burdensome stone for all people”***, (talking of the United Nations, the European Union, etc.): ***“all that burden themselves with it shall be cut in pieces, though all the people of the earth be gathered together against it. In that day, saith the Lord, I will smite every horse with astonishment, and his rider with madness: and I will open mine eyes upon the house of Judah, and***

***will smite every horse of the people with blindness. And the governors of Judah shall say in their heart, The inhabitants of Jerusalem shall be my strength in the Lord of hosts their God. In that day will I make the governors of Judah like an hearth of fire among the wood, and like a torch of fire in a sheaf; and they shall devour all THE PEOPLE ROUND ABOUT, on the right hand and on the left”***, (in the field of battle): ***“and Jerusalem shall be inhabited again in her own place, even in Jerusalem”***, (by a new wave of Jewish immigrants of the lineage of David). ***“The Lord also shall save the tents of Judah first, that the glory of the house of David and the glory of the inhabitants of Jerusalem do not magnify themselves against Judah. In that day shall the Lord defend the inhabitants of Jerusalem; AND HE THAT IS FEEBLE AMONG THEM AT THAT DAY SHALL BE AS DAVID; AND THE HOUSE OF DAVID SHALL BE AS GOD, AS THE ANGEL OF THE LORD BEFORE THEM.”*** Think about that! The prophecies of the Bible concerning this matter are enormous. That is why I

called Bill Clinton's carnal talk of faith, a hypocritical talk; for he talked about faith that should not be motivating people! What a hypocrite! Of course he has no faith! If you have true faith in God, you will stand for that faith, for it is more than life! Faith that does not motivate is useless! We are not talking of religious extremism though, for God hates extremism! *"But Brother Amos, what you have been preaching tonight is extremism."* No, I am not preaching extremism! I am preaching what God promised expressly in His written inspired and infallible Word! If that is extremity to you, it is because you are warped minded! Because extremity does not touch the truth of God! Extremity comes when a man takes God's Words out of context, or when he stretches it, and goes into an extreme with it. That is extremity! On the other hand, as children of light, we are under a divine obligation to preach and teach the Word of God, particularly Words of prophecy that are hanging for fulfilment in this our day!

The truth of God concerning the nation of Israel, and the reality she is facing at this end time, have to be laid out bare, for we must unveil the

mind of the Spirit of God, for those who have an ear to hear, in order to give God's children an anchor, and a lively hope, in times like these! Preaching the truth of God concerning the nation of Israel, the apple of God's eye, is not preaching hatred or extremity, regardless of how much opposed people are to that truth! The truth of God remains the truth of God! And it will hold, for it cannot fail, being divine, and God being sovereign! We are talking about Bible prophecies concerning Israel, and you cannot call that extreme preaching. But if you feel it is extreme, then let it be, for we do not have to be motivated or bothered by the disrespect people have for the Holy Scriptures! Moreover, as true Christians, we have the inalienable right to preach the holy message of the Holy Bible, just as the Muslims have to a right to preach their Quran! Period! And irrespective of the feelings of people to this message, the truth of the Holy Scriptures remain the absolute truth on the Israeli cum Palestinian matter, even as Prophet Isaiah, a major prophet, declared in Chapter 63, verses 1-6, in a passage we saw before, saying: ***"Who is this that cometh from Edom, with***

***dyed garments from Bozrah? this that is glorious in His apparel, travelling in the greatness of His strength? I that speak in righteousness, mighty to save. Wherefore art thou red in thine apparel, and thy garments like him that treadeth in the winefat? I have trodden the winepress alone; and of the people there was none with me: for I will tread them in mine anger, and trample them in my fury; and their blood shall be sprinkled upon my garments, and I will stain all my raiment. For the day of vengeance is in mine heart, and the year of my redeemed is come. And I looked, and there was none to help; and I wondered that there was none to uphold: therefore mine own arm brought salvation unto me; and my fury, it upheld me. AND I WILL TREAD DOWN THE PEOPLE IN MINE ANGER, and make them drunk in my fury, and I will bring down their strength to the earth."*** Did you hear that? Today the Palestinians are swearing at Israel, saying, *"Blood for blood! We will kill you... We will destroy you!"* Brothers and sisters, that is only for a while. I will tell you that the day is coming when such

impudent talk against Israel will stop! Because God is going to bring down their strength! God is going to clothe them with absolute shame, and they will shake as a leaf, and be afraid as women in front of a boar constrictor! When God has not yet shown His hands in the affairs of men, men can say anything they like, and can do anything they like. We will take verse 6 again. God says: ***“And I will tread down the people in mine anger, and MAKE THEM DRUNK IN MY FURY, and I will bring down their strength to the earth.”*** God is not going to do it gently or lightly. He does it with serious anger! And when God is furious, Lord have mercy! Brothers and sisters, let me tell you this, as we move on: Even the Red sea knew how to run away from the fear of God! I said the Red sea had enough sense to know to run away from God's fear! Because when God opened the window of heaven, and looked down at the Red Sea that was in the way of His children, the Hebrews, the Red sea said, *“No, no, do not be annoyed with me O Lord. I will do your will. You do not need to get angry, Lord. I will remove myself out of their way. They can pass without any hindrance or fear.”* The sea rolled itself

up, and stood still, saying to the children of Israel, *“Please pass, for I am thy obedient servant!”* Micah Chapter 7, verses 15-17 declares: ***“According to the days of thy coming out of the land of Egypt will I shew unto him marvellous things. The nations shall see and be confounded at all their might: they shall lay their hand upon their mouth, their ears shall be deaf. They shall lick the dust like a serpent, they shall move out of their holes like worms of the earth: they shall be afraid of the Lord our God, and shall fear because of thee.”*** God is going to anoint the children of Israel, to institute an all-out war against the Palestinians, the Syrians, the Lebanese, the Jordanians, the Arabians, the Egyptians, swinging all across the Middle East, all the way to the Euphrates River, to the other border of Bagdad! What is the objective? It is not only in order to give Israel back her land, it is also in order to remove the enmity! God will fight mightily, doing incredible exploits in the field of battle, through Israel, just as He did in days of old, when He humbled Pharaoh and His great army and people, thereby creating an

unparalleled military onslaught the world has never seen, at this end time. And within a few short days, it is all over and done, and everything is settled permanently, being strictly a miraculous war. The dead will litter the whole of the Middle East, piled up high on top of one another, from Egypt, right through the whole of Palestine, to Iraq, and the world will be utterly shocked and stupefied! They will be dumbfounded, and the Palestinians will be totally mesmerised, completely terrified, and utterly whipped, so much so, that they will know that the god they serve, is non-existent! This will make the Arabians throw away Allah, and embrace Elohim, for God will do the job well, just as He promised, that the enmity with Israel, which is strictly religious, being spiritual, may be removed completely, and forever. And that being accomplished, Israel will thence be living safely, and will therefore have to take down the electric barbed wire security fences, and brick walls she has erected, for it will no longer be necessary, as she will be living in peace and safety, with all her Arab neighbours. Thus saith the Lord! ***“According to the days of thy coming out of***

*the land of Egypt*", (that is, to that very miraculous scale and dimension, to that very magnitude), **"WILL I SHEW UNTO HIM MARVELLOUS THINGS. The nations shall see and be confounded at all their might: they shall lay their hand upon their mouth, their ears shall be deaf. They shall lick the dust like a serpent, they shall move out of their holes like worms of the earth: they shall be afraid of the Lord our God, and shall fear because of thee."** It is in the field of battle, where **"Israel shall do VALIANTLY"**, thereby bringing peace and security to Israel! Prophet Ezekiel also confirms the truth of the security of Israel in his prophecy. Come with me to consider Chapter 38. We will take it from verse 1, and it records: **"And the Word of the Lord came unto me, saying, Son of man, set thy face against Gog, the land of Magog, the chief prince of Meshech and Tubal,"** (which is Russia in prophecy), **"and prophesy against him, And say, Thus saith the Lord God; Behold, I am against thee, O Gog, the chief prince of Meshech,"** (Moscow), **"and Tubal,"** (Tobolsk): **"And I will turn thee back, and put hooks into thy jaws, and I will bring thee**

**forth, and ALL THINE ARMY, horses and horsemen, all of them clothed with all sorts of armour, even a great company with bucklers and shields, all of them handling swords."** (God gives their line up): **"Persia,"** (which is Iran), **"Ethiopia, and Libya with them; all of them with shield and helmet: Gomer,"** (which is Turkey), **"and all his bands; the house of Togarmah,"** (a son of Gomer, which is Armenia), **"of the north quarters, and all his bands: and many people with thee."** (Please note that Arabians, Syria, Lebanon, Jordan, and Egypt, are not part of this military line up, for something has happened to change their religious stand. The Lord now speaks to Russia, who oversees and leads this military onslaught): **"Be thou prepared, and prepare for thyself, thou, and all thy company that are assembled unto thee, and be thou a guard unto them. After many days thou shalt be visited: IN THE LATTER YEARS THOU SHALT COME I NTO THE LAND that is brought back from the sword, and is gathered out of many people, against the mountains of**

**Israel, which have been always waste: but it is brought forth out of the nations..."** (Now watch what God says next, in this very verse): **"AND THEY SHALL DWELL SAFELY ALL OF THEM."** (This plainly shows that the miraculous hour in the field of battle has been wrought, and it has been most successful, for the enmity has been removed, causing Israel to dismantle all her barbed wire security fences, and security concrete walls). **"Thou shalt ascend and come like a storm, thou shalt be like a cloud to cover the land, thou, and all thy bands, and many people with thee,"** (being an amphibious war, the greatest military airdrop ever embarked upon). **"Thus saith the Lord God; It shall also come to pass, that at the same time shall things come into thy mind, and thou shalt think an evil thought: And thou shalt say, I will go up to the land of UNWALLED VILLAGES; I will go to them that ARE AT REST, that DWELL SAFELY, all of them DWELLING WITHOUT WALLS, AND HAVING NEITHER BARS NOR GATES."** (Brothers and sisters, this is not the condition we find today in Israel, for Israel is erecting

security barbed wire fences and concrete walls as we speak, on account of terrorist activities, for she is not dwelling safely as yet, but is under constant threat. But God will bring this prophetic promise to pass, for He cannot fail, for He is God! Let us quickly turn to Ezekiel Chapter 28, verses 25-26, which ties in with this. It states: ***“Thus saith the Lord God; When I shall have gathered the house of Israel from the people among whom they are scattered, and shall be sanctified in them in the sight of the heathen, then shall they dwell in their land that I have given to my servant Jacob. And they shall dwell safely therein, and shall build houses, and plant vineyards; yea, THEY SHALL DWELL WITH CONFIDENCE, when I have executed judgments upon all those that despise them round about them; and they shall know that I am the Lord their God.”*** The Lord says they will dwell with confidence, when God has wrought divine judgment upon their Arab neighbours! Wake up now! Remember, Israel is standing as a lone nation today among many foreign nations. When I say

foreign, I am talking strictly in terms of religion. Look at the whole of the Middle East: Only Israel is different in terms of religion. All of them are following the Islamic religion, whilst Israel alone is following Judaism. All of them are therefore bonded together by that same Islamic spirit, and all of them are united in their hatred of Israel, on this account. But look at this prophecy of Ezekiel in Chapter 28, a prophecy that was given almost 700 years BC, talking about Israel dwelling with confidence. That means that they are safe and secure, and will therefore be living with confidence, with nothing to trouble or harm them. Prophet Ezekiel also tells us precisely when they will be dwelling with confidence, for he stated: When God would have executed judgment upon all that are round about them! Those are all their Arab neighbours, which gives us Saudi Arabia, along with the United Arab Emirates (U.A.E.), Syria, Lebanon, Jordan, etc., including Egypt, because they are all round about Israel! Therefore, there has to come a time of divine military judgment, which will usher in a new era for Israel, an era of peace. It is

an era of judgment when God will be sanctified in Israel, in the eyes of the heathens roundabout. That judgment is the means whereby God is going to silence the mouth of Israel's adversaries, once and for all, and shut every contrary voice. God will cripple all antagonists of Israel, so much so, that Israel will dwell safely. This is the promise of God concerning Israel. It is at this time of Israel's peace and safety, that Russia will institute the battle of Gog and Magog, the battle of Ezekiel Chapters 38 and 39. Continuing with our initial thought, which the Lord continued in Chapter 38, verse 12, declaring that Russia will lead an army of allied nations): ***“To take a spoil, and to take a prey; to turn thine hand upon the desolate places that are now inhabited, and upon the people that are gathered out of the nations, which have gotten cattle and goods, that dwell in the midst of the land.”*** Now watch verse 13, for it zeroes in on Arabia: ***“SHEBA, AND DEDAN,”*** (which give us the Arabians), ***“and the merchants of Tarshish”***, (which gives us Spain), ***“with all the young lions thereof, Shall say unto thee, Art thou come to***

**take a spoil? hast thou gathered thy company to take a prey? to carry away silver and gold, to take away cattle and goods, to take a great spoil?**” (They will say these things, showing their utter disapproval of what these nations, who are gathered with Russia, have tried to do to Israel, in that day, because they are now totally united with Israel, and the Arabians are no longer calling on Allah, but on Elohim! The removal and judgment of the Islamic religion, and Arabian's rejection of Islam, will infuriate these Shiite Muslim countries, who now want to take vengeance, knowing that Arabia has made a complete U-turn, and is serving Yahweh, the God of Israel. Hence the remark of Sheba and Dedan against Russia! Saints of God, we must know that if such a military onslaught is embarked upon by Russia today, alongside these allies, against the nation of Israel, the Arabians will be most happy about it, and they will support it with all they have! Yes, they will! But according to this prophecy, they are in disagreement, for something has taken place to change the equation of things in the Middle East for good! Their relationship

with Israel, is now one of total love, peace and harmony! And that is precisely what Prophet Isaiah saw, for the revelation of God is one, because the Spirit of God is one! Come with me to the written inspired record of Isaiah.

The Book of Isaiah Chapter 60, verses 1-17, states: **“Arise, shine; for thy light is come, and the glory of the Lord is risen upon thee.”** (This end time prophecy is not talking of the salvation light which the Gentiles have, but of God's glory upon Israel; for time has come, for God to do wonderful things for her, in fulfilment of His Word. She is therefore to arise, and shine, before the whole wide world). **“For, behold, the darkness shall cover the earth, and gross darkness the people”**, (speaking of the spiritual condition in the earth at the end time): **“but the Lord shall arise upon thee, and HIS GLORY SHALL BE SEEN UPON THEE. And the Gentiles shall come to thy light”**, (which is not a salvation light, but the light of God's glory bestowed upon Israel, by the wonder working power of God, which the world will see upon Israel, as God moves mightily and miraculously

for her, in the field of battle, showing that this is the day of Israel); **“and kings to the brightness of thy rising”**, (after having been hated and persecuted for many centuries of time). **“Lift up thine eyes round about”**, (to the new wave of Jewish immigrants), **“and see: all they gather themselves together, they come to thee: thy sons shall come from far, and thy daughters shall be nursed at thy side. Then thou shalt see, and flow together, and thine heart shall fear, and be enlarged; BECAUSE THE ABUNDANCE OF THE SEA SHALL BE CONVERTED UNTO THEE, THE FORCES OF THE GENTILES SHALL COME UNTO THEE.”** (The abundance of the sea, and the forces of the Gentiles, gives us strictly the goods and material forces or material things of the Gentile world, which will be richly and most generously bestowed upon Israel in that day, for they have seen that God is evidently and manifestly with her. They will be most willing and very happy to render their support, and services, their expertise and money, to Israel, to build the Temple in Jerusalem. And precisely for this very reason of Temple service and

worship, verse 6 declares, plainly and categorically, what Saudi Arabia, and the other Arab countries will do, in this regard. Pay attention, for it states): **“The multitude of camels shall cover thee, THE DROMEDARIES OF MIDIAN AND EPHAH; ALL THEY FROM SHEBA SHALL COME: they shall bring gold and incense; and they shall shew forth the praises of the Lord.”** (Saints of God, the Bible plainly tells us here, that the Arabians will breed animals for sacrifice, specifically for the worship of Elohim in Jerusalem, in the land of Israel! You must realise that that is impossible today, and it will never be fulfilled, except God does something to change the religious inclination of the Arabians! And He will do it! That is what Micah's prophecy, along with that of Balaam, Zephaniah, and Isaiah, is all about! Look at the next verse, for it still continues with the Arabian people). Verse 7: **“All the flocks of Kedar shall be gathered together unto thee, the rams of Nebaioth shall minister unto thee: THEY SHALL COME UP WITH ACCEPTANCE ON MINE ALTAR, and I will glorify the house of my glory”**, (in Jerusalem). **“Who are**

**these that fly as a cloud, and as the doves to their windows?”** (The glorious things God will do in that day, causes the Jews from Diaspora, particularly the Jews from the lineage of King David, to proudly immigrate to Jerusalem. Hence the next verse says): **“Surely the isles shall wait for me, and the ships of Tarshish first, to bring thy sons from far, their silver and their gold with them, unto the name of the Lord thy God, and to the Holy One of Israel, BECAUSE HE HATH GLORIFIED THEE.”** (Now pay attention to verse 10, for it further tells us what the forces of Gentiles also mean): **“And the sons of strangers shall build up thy walls”**, (in Jerusalem, as the Temple is also being built), **“and their kings”**, (and presidents and prime ministers), **“shall minister unto thee: for in my wrath I smote thee, but in my favour have I had mercy on thee. Therefore thy gates shall be open continually; they shall not be shut day nor night; that men may bring unto thee the forces of the Gentiles, and that their kings may be brought. For the nation and kingdom that will not serve thee”**, (or help thee, or bless thee), **“shall**

**perish; yea, those nations shall be utterly wasted. The glory OF LEBANON”**, (a nation who today are worshipping Allah), **“shall come unto thee, the fir tree, the pine tree, and the box together”**, (are brought to Israel for what purpose?) **“TO BEAUTIFY THE PLACE OF MY SANCTUARY; AND I WILL MAKE THE PLACE OF MY FEET GLORIOUS. The sons also of them that afflicted thee”**, (referring to the Palestinians and the Arabs), **“SHALL COME BENDING UNTO THEE; and all they that despised thee shall bow themselves down at the soles of thy feet; and they shall call thee, The city of the Lord, The Zion of the Holy One of Israel. Whereas thou hast been forsaken and hated, so that no man went through thee, I will make thee an eternal excellency, a joy of many generations. Thou shalt also suck the milk of the Gentiles, and shalt suck the breast of kings: and thou shalt know that I the Lord am thy Saviour and thy Redeemer, THE MIGHTY ONE OF JACOB.”** (He is the mighty one of Jacob, which is Israel, not the mighty one of Ishmael. In the next verses, God now upgrades the materials for

the third and final Temple that will be built, the Temple which our Lord Jesus, the King of kings, and Lord of Lords, will use in the Millennium). Verse 17 states: ***“For brass I will bring gold, and for iron I will bring silver, and for wood brass, and for stones iron: I will also make thy officers peace, and thine exactors righteousness.”*** Do not forget, that the Promise and the Covenant of God to Abraham, is with Isaac, not with Ishmael. But God will reconcile them with Israel, for He will take away the enmity, which is spiritual. Consequently, it is written: ***“The multitude of camels shall cover thee, the dromedaries of Midian and Ephah; all they from Sheba shall come: they shall bring gold and incense; and they shall shew forth the praises of the Lord. All the flocks of Kedar shall be gathered together unto thee, the rams of Nebaioth shall minister unto thee: THEY SHALL COME UP WITH ACCEPTANCE ON MINE ALTAR...”*** Thank God for Brother Jackson! Thank God for the Continuity light he brought! God be praised for such a wonderful light! Amen! Brothers and sisters, do not be afraid of what you see out there, for Islam is

riding its last trail, being on its last lap. God will overthrow it. Let us see something, a prophecy which backs up this truth, for it is applicable only in this day. I will remind you that we are not following fables, but the true light of life. God has His Word on everything, for He alone is God. That is precisely why the Bible will have the last say on everything. Open with me to the Book of Isaiah Chapter 19, and we will take verses 11-25. Speaking concerning Egypt, a country which today is majorly Islamic, the Word of God declares: ***“Surely the princes of Zoan are fools, the counsel of the wise counsellors of Pharaoh is become brutish: how say ye unto Pharaoh, I am the son of the wise, the son of ancient kings? Where are they? where are thy wise men? and LET THEM TELL THEE NOW, AND LET THEM KNOW WHAT THE LORD OF HOSTS HATH PURPOSED UPON EGYPT. The princes of Zoan are become fools, the princes of Noph are deceived; they have also seduced Egypt, even they that are the stay of the tribes thereof. The Lord hath mingled a perverse spirit in the midst thereof: and they have caused***

***Egypt to err in every work thereof, as a drunken man staggereth in his vomit. Neither shall there be any work for Egypt, which the head or tail, branch or rush, may do.”*** (Now listen closely, for we now see the serious effect, which the hour of the Jewish Miraculous has on Egypt, in the field of battle. It declares): ***“In that day shall Egypt be like unto women: and it shall be afraid and fear because of the shaking of the hand of the Lord of hosts, which He shaketh over it”***, (through the children of Israel. Verse 17 confirms this fact, for it states): ***“AND THE LAND OF JUDAH SHALL BE A TERROR UNTO EGYPT, every one that maketh mention thereof shall be afraid in himself, because of the counsel of the Lord of hosts, which He hath determined against it.”*** (Now watch): ***“In that day shall five cities in the land of Egypt speak the language of Canaan, and swear to the LORD OF HOSTS”***; (no longer will they swear by Allah, but by Elohim); ***“one shall be called, The city of destruction”***, (because of the utter destruction Israel will wrought in the land of Egypt. Israel will completely devastate Egypt, in order to

strip the Islamic religion from her. Hence, the next verse says): **“IN THAT DAY SHALL THERE BE AN ALTAR TO THE LORD IN THE MIDST OF THE LAND OF EGYPT, AND A PILLAR AT THE BORDER THEREOF TO THE LORD. And it shall be for a sign and for a witness unto the Lord of hosts in the land of Egypt: for they shall cry unto the Lord because of the oppressors, and he shall send them a saviour, and a great one, and he shall deliver them. AND THE LORD SHALL BE KNOWN TO EGYPT, and the Egyptians shall know the LORD in that day, and shall do sacrifice and oblation; yea, they shall vow a vow unto the Lord, and perform it. And the Lord shall smite Egypt: He shall smite and heal it: and they shall return even to the Lord, and He shall be intreated of them, and shall heal them. In that day shall there be a highway out of Egypt to Assyria, and the Assyrian shall come into Egypt, and the Egyptian into Assyria, and the Egyptians shall serve”** (Elohim) ***“with the Assyrians. In that day shall Israel be the third with Egypt and with Assyria, even a blessing in the midst of the land:***

***Whom the Lord of hosts shall bless, saying, Blessed be EGYPT MY PEOPLE, and Assyria the work of my hands, and Israel mine inheritance.”*** Brothers and sisters, *Islam Is On Its Last Trail*. God is going to move, for wonderful things will He do today for Israel, ***“the apple of His eye”!***

Horrible things are going on today in the Islamic religious realm, but something much bigger is also fixing to happen, to deal with it, for it will not go on forever. You have to agree with me, brothers and sisters, that when we look at the Islamic fundamentalism that is being expressed out there today, the incessant and mindless suicide bombings by these religious terrorists, and the utter chaos and waste of human life it is causing, outclasses anything we have ever read in all religious history! We have never seen such an extreme and most barbaric spirit before. I do not say this to insult any Muslim. I say it simply because it is the truth, for there is no excuse or place for such reckless disregard for human life and property, in the name of religion, and I will not be placating anybody for it. And if

speaking the truth will make people mad, let them go mad! We have to be able to speak the truth, however bitter, and however much hated it may be. And any man with a conscience should be able to acknowledge truth. After all, we do not preach hate, but love. But preaching divine love also entails that we speak the truth of the Bible on troubling issues, regardless of people's feelings and sentiments, for truth is truth. Moreover, we are not expected to mortgage our conscience! As believers, God expects us to look in the Bible, and stand for the truth of the Bible, and also stand for spiritual principles, without having to flinch before any man, for whether we live or die, we are heaven bound! Moreover, what is man, to fear before him? There is no terrorist we will fear, religious or secular, for man is nothing! He is dust! It is written in the Book of Isaiah Chapter 51, for God declared in verses 12-13, saying: ***“I, even I, am He that comforteth you: who art thou, that thou shouldest be afraid of a man that shall die, and of the son of man which shall be made as grass; And forgettest the Lord thy Maker, that hath stretched forth the***

**heavens, and laid the foundations of the earth; and HAST FEARED CONTINUALLY EVERY DAY BECAUSE OF THE FURY OF THE OPPRESSOR, AS IF HE WERE READY TO DESTROY? AND WHERE IS THE FURY OF THE OPPRESSOR?"** WHERE IS THE FURY OF THE OPPRESSOR? Man is dust, for his life is like a breath: He is here today and gone tomorrow! He can go to bed tonight and not wake up in the morning! True Christians have never been cowed by anything! There is nothing to keep the children of light from publishing the light, even if the whole wide world gathers against them. The true believers were burnt on stakes, fed to lions, buried alive, flogged mercilessly with iron rods, had their heads cut off, for they were guillotined by the Church of Rome, in order to silence the voice of truth, and with all her fury, she still failed! Truth still marched on, and is marching on today, as it is written: "... **THE GATES OF HELL SHALL NOT PREVAIL AGAINST IT!**" The Spanish Inquisition could not stop the publishing of truth, for we are not talking of apostate Christians who are peddling a warped gospel of material prosperity! We are

not talking of a bunch of idolaters who have carved the Almighty God into three, and are thus preaching three Gods, but we are talking of revealed and anointed Covenant elect seeds of God, planted on the Solid Rock, who are standing firmly for the revelation of One, eternal, invisible, omniscient, omnipresent, and omnipotent God! The truth is: If Jesus Christ was alive today, they would have immediately thrown him in jail, for preaching "hate"; because he looked at the Scribes, and he also looked at the Pharisees, and he told them point blank: "**But woe unto you, Scribes and Pharisees, hypocrites!**" The world no longer wants to be told the truth, though they know deep down in their hearts that it is the truth! They are a truth hating world! When you preach the truth, they call it hate preaching, and they come after you, because they do not want to be told the things that they are doing wrong, however abominable! They want acceptance, as if their liberty as unbelievers, overturns my own religious liberty as a believer, particularly as it is one set by God in defence of the true Gospel of God! Gays can openly express their

abominable lifestyle, for instance, but I must accept their evil and degenerate lifestyle, and say nothing of my own faith, so that I do not offend them! But they can offend me! Of course I will lend my voice against that nonsense, regardless of how many degenerate Prime Ministers accept and promote it! Coming back to our message, brothers and sisters, I thank God for the revelation of Jesus Christ. And let me repeat this infallible Bible truth: In the Millennium, there will not be one Muslim; not one! There will not be one Hindu; not one Buddhist, and not one idol worshipper in the Millennium, but only worshippers of Elohim, the Creator of the Universe, the God whose name is Yahweh. The world has no clue of what is coming! They do not know what is coming down the road, as late as the day speaks, and as loud as God is speaking today in divine judgments, through nature, in an unparalleled way. That is why I am taking my message this morning, *A Religion On Its Last Trail*. I want to show you another reason, why God has to deal with this Islamic spirit, why He has to judge it, and contain it, before the Seventieth Week of Daniel starts, for this touches on divine prophecy. God will

certainly have to judge this spirit, before the Seventieth Week of Daniel starts, in order for the Word of God to fulfil. For as long as things remain the way it is, with all these senseless and most violent religious outbursts the world is facing, an outburst which no one can appease, and where every little statement throws them in uproar all over the world, then God has to do something about it! And I want to say this morning, that this spirit which has a beginning, is serving a precise divine purpose, and it certainly has an end, for its purpose is now coming to a close. I know some will say: *"But Brother Amos, Christianity also had a beginning."* The fundamental difference is that the beginning of Christianity is of God! True Christianity, as God's lone avenue for giving the Gentile world **Eternal Life**, through the preaching of the Gospel of Jesus Christ, was already foreshadowed by the law, which Moses brought, a law written supernaturally by the finger of God, on tables of stone, backed up with the visible miraculous power of God, setting a perfect type of the divine writing of God's revelation of the New Testament, on fleshly tables of the hearts of men,

powered by the Holy Spirit! Therefore, the Old Testament, being a perfect shadow, or a perfect type of the New Testament, both relate, and both take us back to the Garden of Eden, where two Pascal lambs were killed for Adam and Eve, as atonement for sin. Consequently, both Testaments have their genesis in God. The Old Covenant could not give eternal life, but it provided a temporary shelter from sin, and it certainly showed the way of eternal life to come in Christ Jesus, the man who alone could give true righteousness and eternal life, thus bringing us to the God of eternity. That is why in this whole wide world, and regardless of the innumerable plurality of faiths in the world, there are only two religions God Himself has established, to show fallen man the way back to Himself, and that is Judaism, and Christianity. It gives us true Monotheism, and with this divine knowledge, we end up in the eternal age, showing that true Christianity gives us nothing but an endless faith. It started in God, and it takes us back to God, in an endless eternity with God. Nothing else will pass through into the Millennium, for we must not even forget the Judgment

of Nations, conveyed in Matthew Chapter 25. By this judgment the Lord will select the mortal elements of mankind, that will be allowed to pass into the Millennium, after the Day of the Lord has literally wiped out the billions of humanity we see today in the earth, leaving only an incredible remnant, a people whose rarity in that day is described in prophecy by Prophet Isaiah, thus: ***"I will make a man more precious than fine gold; even a man than the golden wedge of Ophir"***! (Isaiah 13:12). Why? Because God literally wipes out the whole of humanity, just as in the days of Noah! Consequently, saints of God, you have to see that every other religion is false, regardless of the multitude of its adherents. I will think seriously about that if I were you, instead of taking offence. Brothers and sisters, God is going to throw His searchlight on everything in front of us, for everything is now coming to a close. It is to enable us to know how to look at the conditions we face, on all levels, and also to enable us to know how we are to look forward, to those things coming upon the world, for we are the children of light. We have nothing to be afraid of, for everything will

go the Bible way. Moreover, we are heaven bound, no matter what comes and goes! I repeat: God will judge this Islamic fundamentalist spirit. Church, we have to look at this spirit from three main angles. Firstly, we have to consider it in the light of the prophecy of God concerning Israel at this end time, which we have already done. Secondly, we have to consider it in the light of the will of God for the Arabians themselves, in their walk with God! Thirdly, and finally, we will also have to consider it, in the light of God's prophetic Word concerning the Roman Beast, as recorded in the Scriptures. However, I must restate, that we have considered this issue in a measure, from the first two angles, to give us an insight into this matter. As such, we must realise, that there are many prophetic issues this message touches on, and we will lay out everything by the Scriptures, the Lord being my helper, knowing that the Word of God will have its way, whether men want it or not, God being sovereign. Let us go to the Bible.

Still on Israel, look at something in Ezekiel Chapter 36. I am going to verse 35, but I want to take it

from verse 34: ***“And the desolate land”,*** (that is the land of Israel), ***“shall be tilled, whereas it lay desolate in the sight of all that passed by. And they shall say, This land that was desolate is become like the garden of Eden; and the waste and desolate and ruined cities are become FENCED, and are inhabited.”*** Church, this is another prophecy by the same prophet concerning Israel, and concerning the same land of Palestine, that they are going to inhabit. But here, God promised that they will be established in it. They have been promised that they will rebuild it; they have been promised that they will inhabit it; and church, it is a reality today. Israel has been able to cultivate and develop that land. Israel has been able to build houses. Israel has been able to inhabit it. It is a reality, for it is fulfilled. It is the truth, and you can see it. It does not need interpretation. It is a reality before us as we speak. And today, not only does Israel have concrete wall fences, in order to give herself security; we also see she has inhabited the ruined and desolate places of old as well. That is why I said when you look at this verse, it is already fulfilled,

because you see the fences being built, you see Israel inhabiting the land. But there is something different between this verse in Chapter 36, and the one in Chapter 28. The difference is in the issue of security. Israel today is living under Chapter 36, verses 35-36. She has inhabited the land, but church, she is not dwelling safely. So Ezekiel Chapter 28, verse 26, is still hanging over her for fulfilment. Are you seeing the distinction? Israel now inhabits the land. She has developed it, and she continues to build on it. Fenced walls are also there before our very eyes, and the Arab world is crying that they should dismantle the security walls. But those fences have been prophesied of by Prophet Ezekiel in Chapter 36! They are required for security! But Chapter 28, verse 26, is hanging right over Israel, for Israel will soon dwell safely, when God turns Israel loose. Israel will live ***“with confidence”***, because nothing can touch or harm her, and nothing can make her afraid. That is what it means to dwell with confidence; Israel does not need to be afraid of going to bed in the night. He does not need to be afraid that maybe something can happen, because nothing

will happen. It is God's way of giving Israel rest and peace, Israel's dwelling with confidence. Saints of God, this prophecy is hanging right over Israel this morning, as we speak, waiting for fulfilment. And church, it will not happen until God executes judgment on her Arab neighbours, even as it is written: ***“And they shall dwell safely therein, and shall build houses, and plant vineyards; yea, they shall dwell with confidence, WHEN I HAVE EXECUTED JUDGMENTS UPON ALL THOSE THAT DESPISE THEM ROUND ABOUT THEM...”*** For how can Israel ever dwell safely, unless and until God removes the enmity? Therefore, there has to come serious divine judgment, to deal with the enmity! And do not forget that the enmity between Israel and all her neighbours is the Islamic religion. That is the enmity! Islam is what joins Egypt with the Arabians, even though the Egyptians are not Arabs, but are part of the lineage of Ham, being strictly Africans. Egypt also makes part of the Fertile Crescent, which is the cradle of man, but they are not Arabs. They are only joined together with the

Arabs on account of the Islamic religion, and consequently, they are religious brothers. They therefore have a united front. Hence I ask: Why is Saudi Arabia not fighting Jordan? Why is Jordan not fighting Syria? And why is Lebanon not fighting Egypt? Because they are all brothers of the same faith! But Israel is the only nation in that entire region of the earth, with a different faith, and the faith Israel has, a faith which is opposed to Islam, is the faith that J e h o v a h H i m s e l f established, ever before the Arabians ever dreamt of an Islamic religion! And that is precisely why they all hate Israel, and are opposed to Israel, and are all fighting Israel! So you are dealing with something deeply spiritual! That is what the Western world does not understand. What is going on this morning, what the problem is, what the enmity is, in the Middle East, is not about politics, nor is it about human rights, but it is strictly about religion! The enmity is strictly and deeply spiritual! And until you understand that, there is no sense you will make of the developments in the Middle East, for religion is the root of the conflict! Brothers and sisters, I repeat: What is

causing the problem today in the Middle East, is not even so much of the land that Israel has occupied, but spiritual reasons! I say that simply because, even if Israel withdraws from the land it has acquired, and removes herself to the very corner of the land, and even dwells in a piece of land that is only one square feet wide, they will still want her out! They will still stand against her existence! Exactly! Why? Because the enmity is much more serious than the issue of land, being deeply spiritual! And that is exactly what the Western world does not understand. They do not understand the mind of the Moslem people, because the West looks at things from a rational standpoint. But faith defies rational; it defies human rationality, whether it is true faith or not! That is why a Christian can walk into a lion's den with a smile on his face. It defies human rationality! It is faith! Why would a person do that? Faith, true faith! However, perverted faith also has the same effect, for it makes a man a suicide bomber; he packs himself with explosives, and knowing he is going to die, he simply walks into the densely or crowded part of the market, and detonates the explosives, blowing

himself up, and killing as many as possible in the event. Why? It is on account of his faith! For he has been falsely taught that if he can kill and maim as many as possible, a great portion of heaven is waiting for him! Now, that is a blatant lie, for he is going straight to hell! We all know that! But nevertheless, what makes a suicide bomber do that? It is the faith he has! That is why he does that! I will therefore now ask you one thing this morning, and I ask it sincerely, for I do not say this to ridicule, but to make a very serious point: A man that handles a sword and declares a holy Jihad, and begins to slit the throats of human beings, people who would not convert, and the one that carries a suicide bomb in the name of Allah, what is the difference? I ask, what is the difference? I will say no more than that. The enmity in the Middle East today, between Israel and all her Arab neighbours, is spiritual, for it is strictly on account of the Promise AND the Covenant of God! Thus, the enmity is deeply rooted in religion. The West cannot understand what is going on today, because they have lost their way to God, having imbibed a Liberal Atheist spirit. They therefore cannot relate to spiritual things, for they are

an apostate people, who have turned their backs on God. All they know to do is to use their little canary brains to try to stop the onslaught of extreme Islamic fundamentalists. And it is a losing battle they are fighting, and many lives are being wasted every day. But God Himself will stop it. It will not be George Bush and Tony Blair who will stop it, regardless of their military offensives; it will be God Himself. God has a way, God has a plan, and God Himself will do this thing, using that tiny nation of Israel, the apple of God's eye. Brothers and sisters, I repeat: Unless you understand something in a spiritual context, you cannot lay hold on anything, for everything goes back to Genesis. You will only be groping in darkness, not understanding what you are dealing with. And that is the problem with the West, whether America or Western Europe. But the truth remains that God is going to judge this Islamic spirit, because if Israel is to live in safety and **"with confidence"**, not having to fear for any aggression from any quarters, whether it is from Iran, or from Iraq, or from Saudi Arabia, or from Syria, Lebanon, Jordan, or Egypt, then God

has to do something! Because various Bible prophecies will never fulfil for Israel, until God takes away the religious enmity. And that is why Prophet Ezekiel talks about Israel dwelling safely, when God would have executed judgment on her neighbours round about. You are looking at the hour of the Jewish Miraculous in the field of battle, an hour that is coming for Israel before our very eyes, in this our day. Please do not push it to another generation. It is strictly for our day, and we will see it, except God takes us away individually, by way of the grave. Otherwise, we will see it, for this is the hour that God will bring it forth! As I stated before, the hour of the Jewish Miraculous is what God is going to use to judge it, and kill the Islamic spirit, which will cause Saudi Arabia to come with acceptable offerings on the Altar of God in Jerusalem. When God does this, it opens up Saudi Arabia to embrace Judaism. Do not forget that they still go back to Abraham himself, being also Abraham's children by Hagar and Keturah. And although the promise of God unto Abraham was through Isaac, and although there was a Bible before there was a Quran, for Genesis was written by

Moses, coming out of Egypt, thousands of years ago, before Mohammed was born in 570 AD, church, we must not also forget that Saudi Arabia did not start with the Islamic faith, and she will not end up with it either, for God will strip that spirit from her, that she may also serve Elohim. Thus saith the Word of God! In the face of gross apostasy and idolatry, God allowed another spirit to take over in Saudi Arabia, as a punishment and judgment rod, in the Middle East. It has served its purpose, and it is now riding its last trail. That is why it is coming out in the forefront today, because God is going to judge that spirit. This move will cause Israel to dwell safely, thereby necessitating them to bring down their security fences. In turn, it opens up the way for Russia to come against Israel, leading these extreme Muslim nations, who are very mad and bitter, on account of what God has used Israel to do to Islam, to come against Israel. Are you with me? But you are no longer looking at the Arabians, for they would have been united with Israel. You are looking at Iran, Turkey, Libya, and Ethiopia, etc. The battle of Ezekiel 38 and 39 is how God deals seriously in

judgment with the rest of the extreme Islamic community, for other Islamic nations, no doubt, will join in with them, in this secret war. Remember that Israel will not be aware of it, and neither will she fire one shot. God Himself will fight in this war, surprising them in the field of battle, using enormous forces of nature to judge them, and to destroy their great armies! They go back completely whipped! Israel simply wakes up in the morning to see the total devastation God has made of their enemy armies. God has a way of killing the rest of that spirit. It is written in Ezekiel Chapter 38, verses 22-23: ***“And I will plead against him with pestilence and with blood; and I will rain upon him, and upon his bands, and upon the many people that are with him, an overflowing rain, and great hailstones, fire, and brimstone. THUS WILL I MAGNIFY MYSELF, AND SANCTIFY MYSELF; and I will be known in the eyes of many nations, and they shall know that I am the Lord.”***Amen.

Church, tonight we will close here in a few minutes. But remember, the way God will take away the enmity between Israel and

all her Arab neighbours, is strictly through the field of battle. Because without God taking away the enmity, Israel will never dwell in peace and safety! And if Israel does not dwell in peace and safety, there will not be any Gog and Magog battle of Ezekiel Chapters 38-39. And if God does not take away that enmity, Isaiah Chapter 60 will also never be fulfilled! Otherwise, it will just be like somebody asking, *“Brother Amos, please can you give an offering for the building of a mosque in Shomolu?”* You will have to kill me to get a dime out of my pocket for such a cause, for it will constitute religious prostitution on my part, and God hates it! Because there are some things you cannot do, as a believing Christian! You cannot go into shrines, and neither can you go to herbalists and palm readers and necromancers, for instance, for it is idolatry, and God hates it; and neither can you support a strange religion, any strange religion, for it also amounts to spiritual idolatry as well! However, if you come to me, and you tell me that you are hungry, and you need help, as a true Christian, I will give you money or food, if I have it, for the Lord expects me to show kindness to all people,

regardless of their faith. Exactly! That is what the higher law of grace is about: mercy and kindness! But I am not expected to support their faith, if it is not the faith of Christ! Consequently, before you can take my kobo to build a mosque, you will have to kill me to take it. At the end of the day, it will not be me giving you the money; it will be you taking my money without my permission, and against my will! Why do I make this point? I make this point because of the prophecy of Isaiah Chapter 60, which states plainly and categorically, that Saudi Arabia will bring acceptable offering on the Altar of God in Jerusalem! The only way she can do that is to strip her of the Islamic religion! You have got to see the implication! Come on! Isaiah Chapter 60, and Ezekiel Chapter 28, verses 25 and 26, is staring you in the face! Therefore, THE ENMITY MUST GO! That is precisely why we say that Islam is riding its last trail, looking at it from the view point of Israel in prophecy. The battle of Gog and Magog, in Ezekiel Chapters 38 and 39, is ordained to kill the last remnant of that spirit. And when God does something, He does it right. That is why I said: Do not be afraid of what is going on

out there today, in the Islamic realm. Nothing will harm a child of God! Nothing will harm you, if you walk with God in the light of His truth, for our God is an awesome God! Nothing will harm you! And may I say, according to the Word of God, the hairs on your head are all numbered: Not one will fall to the ground without the Father knowing. Not one! And if you are ordained to go by way of the rapture, and not by the way of the grave, there is no devil that can take away your life! No devil can! Except you are ordained as a martyr; then you will die a martyr's death, which MAY also be through the operation of suicide bombers or terrorists. But church, if you look at the Islamic spirit from the viewpoint of Israel in prophecy, that spirit certainly has to go! That is why we say when God turns Israel loose in the field of battle, she will sweep through to the west and to the East, to the north and to the south, right to Egypt, sweeping all through the Middle East. And Angels of God will fight in that battle, big time, for Angel Michael, the captain of the Lord's hosts, will be in the field of battle, overseeing everything! Remember the days of Israel's coming out

of Egypt, when Michael was in the field of battle, in the hour of Joshua! The Book of Joshua Chapter 5, verses 13-15 declares: ***“And it came to pass, when Joshua was by Jericho, that he lifted up his eyes and looked, and, behold, there stood a man over against him with his sword drawn in his hand: and Joshua went unto him, and said unto him, Art thou for us, or for our adversaries? And he said, Nay; BUT AS CAPTAIN OF THE HOST OF THE LORD AM I NOW COME. And Joshua fell on his face to the earth, and did worship, and said unto him, What saith my lord unto his servant? And the captain of the Lord's host said unto Joshua, Loose thy shoe from off thy foot; for the place whereon thou standest is holy. And Joshua did so.”*** Saints of God, in this battle ahead, Angels will spread themselves over the Middle East, and marvellous and astounding things will happen in the field of battle! As the Israeli soldiers are fighting, God is magnifying their weaponry one million times over! God is looking at the enemy, and is jamming every device, nullifying every plan, destroying their weaponry, confusing and confounding them in every

way; because it is not just a physical war. Do not forget, it is also a holy war! You did not hear me. It is a holy war, because God Himself is going to fight in the battle! It is God in the field of battle! That is Isaiah Chapter 63! Angel Michael and the hosts of heaven shall come down to fight in this war! That is why I said it is not a war that will last for weeks and or months; it is a war of just a few days, and incredible things would have been wrought by Israel! And by the time it is over, brothers and sisters, from Egypt, all the way to Baghdad, in Iraq, the dead will litter the whole place, piled on one another, leaving the world in great shock! Man has not seen anything like that before! Men will wake up and realize, *“What an unparalleled onslaught! Oh, there is no God outside the God of Israel!”* No wonder it is written that they will take the skirt of a Jew, and say, *“We will go with you! We have heard that your God is with you!”* And then, here comes Architects from China and Japan; here comes Building Engineers from the United States and Europe. Where are they going? They are going to Jerusalem, to help in the reconstruction of the city, and in the building of the

temple in Jerusalem; because they see God in Israel! And you know that that is how it usually is. It takes God displaying Himself in the open miraculous, for people to realize something. Then they want to identify with it. Saints of God, our day is coming! But this is the day God wants to be glorified in Israel. He said, *“I will be sanctified in thee.”* It is a war that you have never seen its kind before. It is strictly a miracle war, being a divine war! The enormity and awesomeness of the battle, and the miraculous and incredible accomplishments of the war, will be so stupefying, that the Arabians will suddenly wake up like people out of a deep sleeping stupor! They will suddenly realize, *“Oh, for many years, for many centuries, we have wasted our time worshipping what is not God! The God of Israel is God! We will serve Him!”* They will realize Elohim is God. Then, here will come Saudi Arabia making offering to God in Jerusalem; here comes Egypt; here comes Syria. Are you with me, church? The enmity has to go; and it is in this day that the enmity will go. And Israel is God's instrument of divine judgment, for as it written in

the Book of Jeremiah Chapter 51, verses 19-23, Israel is God's Battle Axe and Weapons of War: ***“The portion of Jacob is not like them; for he is the former of all things: and Israel is the rod of His inheritance: the Lord of hosts is His name. THOU ART MY BATTLE AXE AND WEAPONS OF WAR: FOR WITH THEE WILL I BREAK IN PIECES THE NATIONS, AND WITH THEE WILL I DESTROY KINGDOMS; And with thee will I break in pieces the horse and his rider; and with thee will I break in pieces the chariot and his rider; With thee also will I break in pieces man and woman; and with thee will I break in pieces old and young; and with thee will I break in pieces the young man and the maid; I will also break in pieces with thee the shepherd and his flock; and with thee will I break in pieces the husbandman and his yoke of oxen; and with thee will I break in pieces captains and rulers.”***

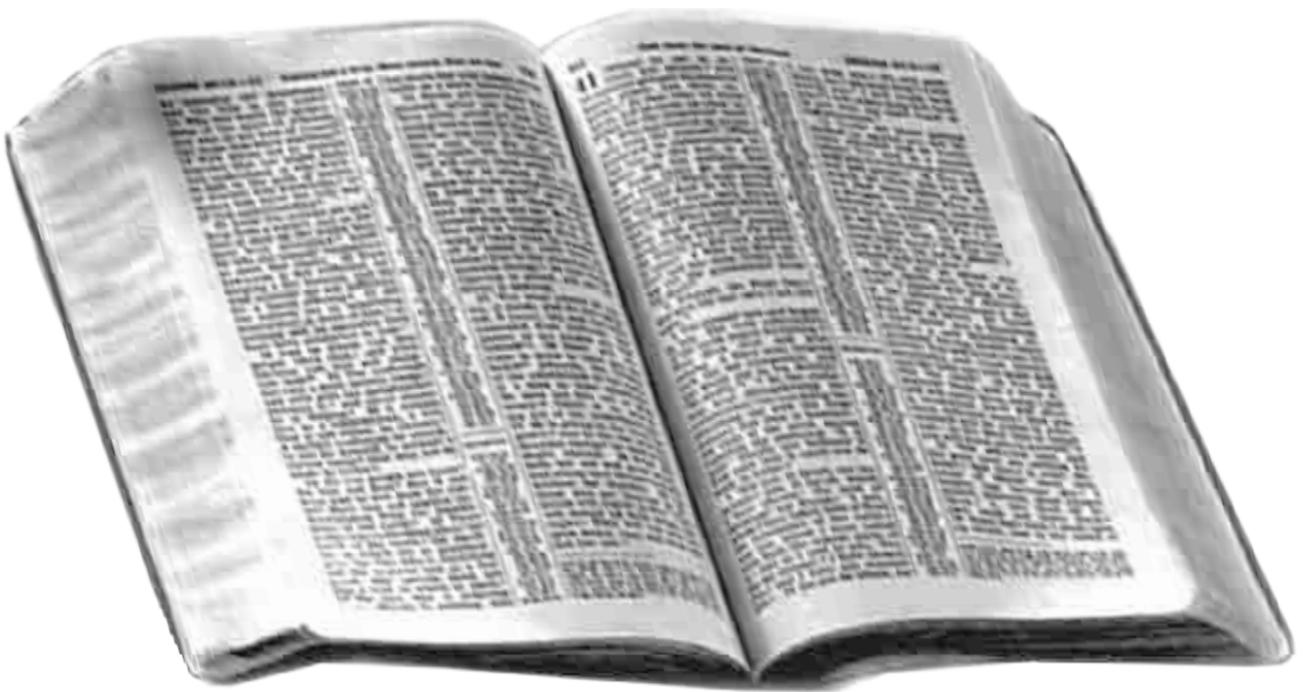

I will close by stating this final thought: Brothers and sisters, following the true God in a true divine revelation, does not allow for fear, for there is certainty and eternal salvation, in the revelation of life. Therefore,

it does not allow for guesswork, or for trial and error, for no one can gamble with God. As such, following the true God is not about pride, be it personal, family, national, racial, or even religious pride. The fact of the matter is that His truth, being divine, is an absolute, and it therefore holds against the whole wide

world, giving certainty, absolute certainty. It is therefore exclusive, for HIS TRUTH IS ONE. It is one, simply because God, the Creator of the Universe, is one. Therefore, His revelation is one, and is perfect, and life giving, being inherently and eternally redemptive. Amen. Consequently

I re-affirm: Islam is on its last trail, for the Promise of God, AND the Covenant of God, is with Isaac, not with Ishmael. Let us bow our heads in prayer. (Brother Amos prayed).

May the Lord bless you.  
Amen.

*Behold, I have created the smith that bloweth the coals in the fire, and that bringeth forth an instrument for his work; and I have created the waster to destroy.*

*No weapon that is formed against thee shall prosper: and every tongue that shall rinse against thee in judgement thou shalt condemn.*

*This is the heritage of the servants of the Lord. and their righteousness is of me, say the Lord.*

*- Isaiah 54:16-17.*

But it shall be one day which shall be known to the LORD, not day, nor night: but it shall come to pass, that at evening time it shall be light. - Zechariah 14: 7.
