## A RELIGION ON ITS LAST TRIAL - PART 4

The following message was preached by Brother Amos over two services, Thursday 21st, and Tuesday 26th September, 2006, at Bible Faith Tabernacle, Lagos, Nigeria. It is the final part of a series, unveiling the spirit behind all the unexplained religious mayhem we see, all around the world.

Good morning, church. May the Lord bless you all. I greet everyone in the most precious name of our Lord Jesus Christ. We want to continue our message titled, *A Religion On Its Last Trail*. God helping us, we want to bring this message series to a close today. I want us to back up a little, to place emphasis on a few important

points, as we move forward.

It is obvious that the world do not know how to look at what is going on today, in the Islamic religious realm. I watched a programme yesterday: It was by the Clinton Foundation. The chief International correspondent of CNN, Christiane Amanpour, was the moderator. The former President of the United States, Bill Clinton, was there; the wife of the King of Jordan was also there, with a host of other dignitaries. They were looking into the grim religious reality the world is facing today, which is Religious Terrorism, and they were trying to find a way out, a solution to the problem; exactly what they

should do in order to quell it. They titled that documentary, "*In God's Name*", stating that in God's name, people are killing fellow human beings recklessly. I was listening to Bill Clinton. If there ever was a hypocrite, that is one. He could, in one breath, talk about issues of faith, and yet in another breath, he could say that your faith is not what should motivate you... My! What utter nonsense! I did not even understand what he was trying to say, for he lost me! You see, they speak words that sound so good to the carnal minded people of the world, for such words are acceptable to people devoid of the Spirit of God; but spiritually, it has no value whatsoever, being spiritually meaningless! They are not a people of faith, and hence, they have no problem compromising and jettisoning faith issues, when it comes to public acclaim, for faith means nothing to them. I must therefore ask: What is the use of faith, when it does not motivate? What value has faith, if one will not stand firmly for it? And if a man is expected to stand firmly for principles of moral conduct, how much more should he

stand for convictions of faith! And I must warn that we do not preach intolerance here, for we believe that every man is entitled to his own faith. As such, we believe that we should respect other people's faiths. And although we may not believe what the other person believes, nevertheless, he is entitled to his own faith! Therefore, we have to respect that person's faith. However, I must also state, that respecting other people's faith, does not mean we must imbibe their religious ideas! Consequently, I am still entitled to my convictions, and I am at complete liberty to stand for my personal convictions, particularly when it is absolutely grounded upon the revealed Word of God, which is the Bible, regardless of how opposed it is to another person's faith! Exactly! I am under a divine obligation to preach and teach the whole counsel of God, as expressed in the Holy Bible, regardless of the feelings of people towards it! Because I must obey God rather than man! That is why I said, if Jesus was alive today, he would have

been jailed for religious "intolerance"! He would have been imprisoned and killed much faster, for violating "religious rights", and for spreading "hatred"! And he never did! For no man ever spread love like that man! If Elijah the Tishbite was on ground today, they would have done the same thing to him within the first week of his ministry! Just look at the prophecies which the Prophets of old spoke forth, as recorded in the Bible: If any minister of the Gospel talks like that today, they will immediately call for his head! That is a fact, for they hate the truth, being a God hating society of people! That just lets you know that the human society is not being ruled by God, but by the devil! Exactly! This is Satan's world! I listened to all their mumbo-jumbo on CNN, all their carnal suggestions. One solution that struck me particularly, was the one proffered by the queen of Jordan. She said that people generally lump Hamas, Hezbollah, and Al-Qaida together as one; but that to truly understand them, you have got to differentiate them, because they are different. In other words, they are not

the same, and must be considered individually: You have to understand their individual motivations. I said to myself, there you go on a wild goose chase, for that is nothing but a merry-go-round! We now have to study and understand every little terrorist cell that rises up! There will be no end to it, and your understanding of them is not going to help you to stop anything! Brothers and sisters, the world cannot even see the issue! The issue on the ground, the root of the problem, is not even one of ideology, or of sociology, or of politics, but one that is strictly religious! It is simply and strictly spiritual, and it goes way back to the Book of Genesis! It brings us to the very beginning, and also to the genesis of that religion! And that is exactly the issue they do not want to look at! The terrorists that come on camera, and make a videotape before they go on a suicide mission, do it because they sincerely believe they are going to heaven! The people that are being trained to blow themselves up as suicide bombers, are extreme Muslims; but brothers and sisters, the truth is that they do so, strictly on a religious

basis! They have a religious motivation for what they do, and there is a spirit moving them to do just that! And until you look at things from a spiritual perspective, (because this is a spiritual issue), you will never understand the evil phenomenon the world is faced with today, in the religious realm, let alone be able to deal effectively with it! That is the point! What they are saying therefore, is that a few Islamic extremists are trying to hijack the Islamic religion, and are bringing it into disrepute. They are blaming Islamic fundamentalists. Saints of God, as I have said before, I do not doubt that there are many Muslims who are peace loving people. I have met many of them, and I know many Muslim people, in all works of life, and from different nations, and I have a good relationship with a lot of them, and I have great respect for them, for they are gentle, kind, and loving; they are peace loving. Nevertheless, we are not talking about them. You did not hear me: I said there is no doubt that there are a lot of Muslims who are peace loving, law abiding citizens, people who do not want

trouble, and people who do not make trouble, for they will not hurt a fly; but we are not talking about such people, but about the spirit of that religion! Precisely! You must look beyond the peace loving individuals, and see the spirit of a thing! That is the real issue! Because until you are able to log on to, and also address the spirit of a thing, you do not know what you are looking at, or what you are talking about! You do not! You have got to see the spirit of it. And the only way to truly identify it, is to log on to its genesis, for the very beginning of a thing, also shows its very end, if you have eyes to see!

Consequently, in a peaceful scenario, or in a peaceful condition, you cannot see the spirit of anything! As long as everything lies dormant, and is cool and dandy, everything looks okay; you will not see the spirit of it! It is just like the Roman Catholic Organization. She looks peaceful and gentle right now, with all her carnal sanctimonious ceremonies. Her pomp and pageantry helps to mask her original identity and true nature. But if you know anything about

her at all, you will know that she is as cruel and as evil hearted as Satan himself, going by the untold evil she has inflicted on the saints, for refusing her idolatrous message, when she ruled the ten horns of Europe. And all through the Dark Ages, of about one thousand years, she has admitted to having killed about 68 million saints in her Martyrology! That is a lot, for an organization that calls herself a church, to have done to God's people, simply for refusing her pagan and idolatrous ways! The three Christian Inquisitions, (the **Medieval Inquisition** of 1184-1230, the **Roman Inquisition**, which started in 12th Century France, to persecute Christians, whom the Church of Rome called heretics, and was later expanded to other European countries, the **Spanish Inquisition**, tribunals established in 1480 by Ferdinand II of Aragon and Isabella I of Castile, of Catholic Monarchs, in order to maintain Catholic tradition and dogma, coupled with the **Portuguese Inquisition**, instituted in 1515 against Jews who converted from Judaism to

the Roman Catholic faith, a people who were still practicing Judaism secretly), is just a child's play, considering what she will do in the second half of the 70th Week of Daniel, to the saints of God in that period of time, who are the Jewish saints, and the Gentile foolish virgins! Church, I will say again tonight: What you see out there expressed in Islamic fundamentalism; what you see expressed by these extreme Muslims, is the very same spirit that launched that religion in its very beginning, and it was by this very spirit the religion was spread. I am taking you way back to its roots, its genesis. And it is called the "*Jihad*"! In order to also understand true Judaism and true Christianity, you also have to go back to its genesis or roots, for that is what will give you the true picture, for things have changed, and consequently, you cannot go by what you see out there, but by its genesis, if you really want to see the true Spirit of Christianity, because the very way it started out, is precisely the way it will end up. Moreover, it is a fact that today, men are re-writing

history, changing the facts of history, denying how the Islamic religion started. They are using mass demonstrations and carnage on the streets, to make people shut up, so that nobody says anything about the religion. But we cannot all be afraid of it! I said we cannot all be afraid to speak against evil! Somebody has to be able to speak the truth, honestly and sincerely, and with respect! I have gone on the Internet, and I have read a lot of writings concerning the spread of Islam. They are now denying how it spread! I am not here tonight to preach hatred. We do not preach hatred! We love people, regardless of their religion, for we are all God's creatures. Moreover, it is strictly by the grace of God we are what we are. But nevertheless, the truth is that, many times, truth will put you in opposition with a lot of people. And if you stand for truth, you will have a lot of trouble on your way! It is not because you are looking for trouble, but as you stand for truth, everything the devil can throw, he will throw at you, because of your firm and faithful stand for truth. Consequently, brothers and

sisters, we are not preaching hatred against the Muslims. But we are looking at the spirit of that religion! The spirit of it that was projected in its very beginning, as it took over Saudi Arabia, and spread all over the Arabian Peninsula, and as it then moved across the whole of the Middle East, spreading all over North Africa. It spread strictly by the means of Jihad! Somehow or the other, things seemed to cool down; but now, at the end time, you see something in manifestation, and they say those are the extremists. But how did Islam spread in the first place? That is the issue! How did it take over the whole of the Middle East? Was it by the means of an Imam or a Muslim cleric carrying the Quran and preaching, "*Please believe in Allah*"? You know that is not how it started! It was a Jihad that launched it! But they now say we need to understand the workings of these people. I do not need to understand the workings of these terror cell groups, because we can see precisely the spirit behind it! And that is exactly what they do not want us to look at, because looking at it brings about serious

opposition. It is going to stir a lot of heat! And we are not saying this tonight, to stir the hornet's nest. We are simply preaching to one another. We are not even out there on the Television or on the Radio. So, we have a right to tell the truth to one another, in the Continuity light following, for this message is only for those following the Continuing Message of Jesus Christ. And if anybody is mad at that, I care less! Because in the Mosques, they do the same thing: They tell one another things which you do not hear outside. So, I have a responsibility to my flock, to let them know how to look at the terrible onslaught the Christians are facing today, from these Islamic religious fundamentalists, for Christians are being slaughtered and maimed every day, and churches are being destroyed! Therefore, as a preacher of the Gospel of life, I have to give the saints hope, strictly by the unveiling of the Holy Scriptures, knowing precisely the end of that spirit. And please note: Any time a spirit is riding its last trail, it manifests itself in its true colour. Why? It is harvest time, and as such, it

is the hour of the maturity of seeds! It is so, simply because there are only two points in time you get seed, whatever kind of seed: At the Planting season, and at Harvest time! And those are the only two periods of time you will really see the spirit of something, and the magnitude of it, because it gives you a bumper product at harvest, particularly as you do not reap in the same measure in which you sow! Consequently, the harvest period brings out the very spirit of a thing, in bumper projection! Look at the Church of Pentecost. There has never been a church like it, since the Early Church went under! Even now, we are still to have that church. Consequently, you and I have never seen the church in the Book of Acts. We have only read about it. It is yet to come out of obscurity into the limelight, for it is yet to be a reality. You have not seen the body of Christ work and function as she did in the first church! You have not seen the ministry projected, work, and function, as it did in the first church! Yes, we are on the threshold of something, but we are still on the way, nonetheless. That is why I said, the world is yet to see

the Spirit of true Christianity. The world has not seen it yet! It is those that lived in the first Christian era that saw it. Coming out of the first era of Christendom, that Spirit began to decrease, slowly and quietly, until we were led into the Dark Ages. This is the day, and this is the hour, you are going to see the Spirit of true Christianity! The world is looking and waiting for the church expressed in the Book of Acts, and she will come forth, as she rides her last trail! Then the world will see that very same Spirit again, on a much glorious level! I have gone there to prove something to you: You have not seen true Christianity projected, as it did in its beginning. Its beginning manifested its Spirit, in every dimension you can think of: In the purity of revelation; in the divine life lived; and in the dynamics of the supernatural. That church spoke of Jesus in raw display, and in every dimension; in every divine attribute of the Spirit. Whether we are talking of the life of Christ, that godly nature, that divine nature, that consecration; or you are talking about the revelation of truth they bore,

the pure light of Christ they had; or the miraculous projection of the Spirit of God, expressed in great signs and wonders. But church, slowly and quietly, that Spirit died out, for it was eventually and completely withdrawn, as the church was led into the Dark Ages in Babylon, where the true church died out, and a counterfeit church took over, which is Roman Catholicism. And Christianity today, is judged by Denominational Christianity, the mother of whom is the Church of Rome. But may I say this tonight, this is that day you are going to see that Spirit of true Christianity ride its last trail, and it will be most glorious! When the Spirit of Christ makes his last entrance, and manifests himself in and through the bride, he will do it in the fullness of all his divine attributes, and the world will marvel! Why? Because at harvest time, at the end of something, you see the true spirit of it! Saints, there is a serious spiritual issue the whole world is facing tonight, and they do not know how to look at it, or how to deal with it. Just how do you stop people who have been given over to a

spirit?! They say it is an ideology they are dealing with. It is much more than that, even though I know people can give themselves over to an ideology! But it is a spirit they are dealing with, not a mere ideology! For a man to go and blow himself to pieces takes more than an ideology, and that is what they are not considering at all. It is a spirit! For a man to waste untold human lives, and maim many more lives with impunity, and destroy properties worth millions of dollars, thus creating colossal loss, takes more than mere ideology: It is a spirit! And yet, they want to divorce what is going on from the Islamic faith, as though it is something foreign to that religion! But all you need to do is to look at the very beginning of that faith, to see the spirit which birthed it, for that is precisely the very spirit you will get at the end time! Hence, it is not the Christians doing it! It is not the Christians bombing people! And the ones doing it are doing so, because they believe it is their duty as Muslims, to establish their faith all over the world, by force, since the West are not going to embrace Islam!

That is what is motivating the Al-Qaeda and the Taliban in Afghanistan! So, the Islamic Community has to bear the responsibility for what their fellow Muslims are doing! And they say, "*We are being discriminated against.*" Why would the authorities go and ransack Christian homes, looking for explosives?! Let us face it! Why would they go and ransack Christian homes? Because we are not the ones bombing people, are we?! So, who would they search? Who would they scrutinize? Let us look at one another, and be frank with one another! Is it the people worshipping Hare Krishna? You know they will not stop and search those ones! They may present themselves in a way that looks strange, because of their dressing, and the funny little hair they leave in the centre of their heads, like a cow's tail. And I do not say that to make fun of them. It is a fact, for they look strange! Brothers and sisters, I saw a pack of them at London Heathrow Airport, and every eye was turned on them, on account of how they look! Even the British policemen were nudging one another, saying, "*Look at those*

*people.*" They look a strange sight! I do not say that to belittle them, but they were not stopped and searched, because they are not the ones doing these things! They are not the religious terrorists! It comes from only one fold of religion, and that gives us only Muslims! So, who will the authorities stop and search? And they say it is discrimination. My foot! Church, this is about saving human lives! But the only problem is, the west do not have the solution. Only God does! And church, do you know what makes me smile when I look at the stupidity of man? You know, God is going to pull a fast one on this world, one of these days. And it will not be long. They are so intelligent and so advanced, until they have become so foolish! Look at Lebanon: Israel waged a war against them to stamp out Hezbollah, but they did not succeed. Look at Afghanistan: America and Britain waged a war to wipe out the Taliban and Al-Qaeda, but they did not win in that quest either. Are you with me? Look at the Iraqi war; they have not yet won that war against Islamic extremism, for hell has been opened up in Iraq.

Yet, Brother Jackson wrote George Bush, warning him not to embark on the war against Iraq. Israel tried to stop Hezbollah, and they did not win. So, what are they now saying? What did they say yesterday on Christiane Amanpour's discourse forum on CNN? They said words to this very effect: "***It has been proven time and time again, that we cannot win this war against terrorism in the field of battle. It is dialogue that will do it. Never has it been won by war.***" Dialogue, my foot! Dialogue will never work, for we are dealing with a spirit! Just how do you dialogue with a spirit? I said to myself, just wait a little while more, and let God turn Israel loose, then, you will know what can do the job! For blood will flow like never before, from the Middle East, all the way to North Africa! Just when the world is thinking that war cannot do the job, then God will bring war; because the solution to this thing is war, AN ALL-OUT WAR! Remember, it is not just a physical war; it is a holy war, because God Himself is going to fight in that battle, to "***famish***" the gods of the earth"! That is why I said you

and I have never seen a war like this before! We can only imagine it, because we have a revelation. A door has been opened to us, to give us an insight into what God wants to do. God is going to shock this world, and literally scare the daylight out of these religious terrorists! How? By the hand of God's **"battle axe and weapons of war"**, the children of Israel! The logistics is beyond men's understanding! When God begins to do it... God is going to show this heathenish hi-tech scientific, computerized world, that with all their knowing, they know absolutely nothing! When you do not know your God, your Maker, and you have not His revelation, brothers and sisters, you are nothing but a moron, a fool! For even a brand new car, rolling out of an automobile assembly plant, with its complex mechanical, electrical, and electronic engineering, knows it has a designer and maker! Yet men, with a much more complex anatomy, know not that they did not come out of the blues, and that they have a Maker! Fools! Saints, you cannot look at

spiritual things from an ideological perspective: You have to look at it from a spiritual perspective! More importantly, on this issue, and on every other issue, the Bible has the answer, for it is complete and entire, touching every aspect of human life. It therefore has the final solution to what is going on. Just when they think events around the world have proven that the field of battle cannot be used to stamp out religious terrorism, God is going to prove that they are totally wrong! Because the very thing that they think has been proven ineffective for stamping out terrorism, is the very thing God will use, but on a scale never seen before, for God and His ways, make all the difference, for He is God! You know the ways of God are always different. **"For my thoughts are not your thoughts"**, God said in the Book of Isaiah Chapter 55, verse 8; **"neither are your ways my ways"**, He also concluded. The very thing you think is impossible, is the very thing God will use to glorify Himself, showing He is God, the unlimited and omnipotent God. And please do not forget that this is not the thoughts of a

man; it is thus saith the Lord in the Holy Scriptures. Every god in the way of prophecy will go, for God is God. His sovereign will for Israel shall prevail at the end, for the zeal of God will perform it, for God cannot fail. Amen. We are looking at the hour of the Jewish miraculous in the field of battle, a prophetic Word which hangs over this very day. Something is fixing to happen in the Middle East. Something is brewing quietly, for something has to be judged, to enable Israel dwell in peace and safety.

I want to also remind you that the Arabians and the Israelis have the same father, who is Abraham. God is therefore going to reconcile these two nations of people, by taking away the enmity, so that the end time promise of God for Israel may be fulfilled. Come with me to the Word. Here was Apostle Paul, a man who was the chief apostle to the Gentiles, around 60 AD, dealing with a serious issue in the body of saints. He stood firmly against error and perversion, and he vehemently resisted the infusion or the injection of the law into the Message of

Grace, for such would only bring God's children into bondage. He was now writing to the Galatians, who were giving themselves to the same spirit of bondage, and he therefore had to kind of spank them, figuratively speaking, as he sought to shake them from that spirit! Let us open to the Book of Galatians Chapter 4. It reads from verse 19: ***“My little children, of whom I travail in birth again until Christ be formed in you, I desire to be present with you now, and to change my voice; for I stand in doubt of you. Tell me, ye that desire to be under the law, do ye not hear the law?”*** (So now, we realize the problem. Somebody was preaching contrary to what Saint Paul had laid down for the Gentile bride, something contrary to the Message of Grace, which is the pure and unadulterated revelation of Jesus Christ. One error preacher was trying to take them back to the law; he was trying to turn back the hands of the clock, seeking to overturn the gains of the New Testament. It is just like the Seventh Day Adventist Church. They say they believe in Jesus Christ, but

in reality, it is the laws of Moses they are seeking to turn people back to, with their Sabbath and Vegetarian teachings! It is the devil that does that, for it is the devil that turns back the hands of the clock of God! Because you cannot mingle grace with the law: It will not work, for the law is the law, and grace is grace! Brothers and sisters, if the Old Testament could work, we would not have needed a New Covenant! Period! Watch verse 22: ***“For it is written, that Abraham had two sons”,*** (Ishmael and Isaac), ***“the one by a bondmaid”,*** (Hagar), ***“the other by a freewoman”,*** (Sarah). ***“But he”*** (who is Ishmael), ***“who was of the bondwoman was born after the flesh”,*** (for he was born by the will of man); ***“but he”*** (who is Isaac), ***“of the freewoman, was by promise”*** (of God. What does God mean by that? The birth of Ishmael was caused by the will of a woman, Sarah. When she could not conceive, she took her handmaid and brought her to Abraham, and said to him, ***“Go in to her, and let me have a child by her.”*** Now, that was not God; that was a woman

desperately desiring to have a child at all cost; and feeling that she could not conceive and bear one, she felt, ***“I might at least have a child by my handmaid.”*** Are you with me? The child would then be hers, vicariously. Abraham went in to Hagar, and out came Ishmael. There was a day God was telling Abraham in Genesis Chapter 17, saying: ***“You still are going to have your son through Sarah.”*** Abraham said unto God, ***“O that Ishmael may live before thee!”*** God said, ***“No, I will not accept Ishmael in place of my promised seed. My Covenant is going to be with your son Isaac, whom Sarah your wife will bear you.”*** God confirmed that Covenant. Hagar is referred to as a bondmaid, because she was a slave girl. But Sarah was free, she was not a slave. Abraham later went in to Sarah, and she conceived, and gave birth to Isaac. Isaac therefore was a child of promise, but Ishmael was by the flesh of man. Yet, it fulfilled a purpose of God, for God used it, nonetheless, to serve a divine purpose, because it was going to set a type, a perfect type, which we now want to see). We

will take Galatians Chapter 4, starting from verse 21 again: ***“Tell me, ye that desire to be under the law, do ye not hear the law? For it is written, that Abraham had two sons, the one by a bondmaid, the other by a freewoman. But he who was of the bondwoman was born after the flesh; but he of the freewoman was by promise. Which things are an allegory”***, (or a type, for they foreshadow something): ***“for these are the two covenants; the one from the mount Sinai, which gendereth to bondage, which is Agar. For this Agar is mount Sinai in Arabia, and answereth to Jerusalem which now is, and is in bondage with her children. But Jerusalem which is above is free, which is the mother of us all.”*** Church, hold it there. Here we have two children in this passage, born to Abraham, by two different women, and God is using them to set a perfect type of something. The two boys set a perfect type of the nation of Israel, and the bride of Christ. That is the spiritual projection of it. That is the prophetic projection of it. But do not forget, that

these two children, in the natural, also serve as a perfect type of the relationship that will exist between the Arabians and the Israelis. Are you listening to me? But the focus of Apostle Paul, with respect to this verse, was first on its prophetic or spiritual application, speaking of natural Israel, and the bride of Jesus Christ. And in that respect, God is using the two boys to foreshadow the two covenants: The Covenant the Jews received at Mount Sinai in the days of Moses, which is the law, (or the Torah), which speaks of the nation of Israel, AND the New Covenant which Jesus Christ established, which produced the universal nation of the bride, the heavenly Jerusalem. Consequently, Ishmael, the son of the bondwoman, is setting a type of natural Jerusalem, which is in bondage, for in the day when Saint Paul was writing this Epistle around 60 AD, Israel was in bondage, because she was under the rulership of Rome! They were subservient to a foreign government, and hence they were in bondage! That was why, after the

resurrection of Christ, they asked him in Acts Chapter 1, verses 6-7, saying: ***“... Lord, wilt thou at this time restore again the kingdom to Israel? And he said unto them, It is not for you to know the times or the seasons, which the Father hath put in His own power.”*** Now, she is a free nation, but do not forget that in the last Week of Daniel, she will still be overrun and controlled, and be brought into bondage, as the Anti-Christ takes over Jerusalem. So, Hagar, in spiritual or prophetic application, types the nation of Israel, whilst Sarah, the free woman, represents or types the bride of Jesus Christ, who is in no bondage of any kind, for she is the heavenly Jerusalem! So, Hagar types natural Jerusalem, which is natural Israel, whilst on the other hand, Sarah types the bride of Christ, which is spiritual Israel, who is the royal seed of Abraham. However, we must also know that on a natural level, the verse relating to the two boys, also has a natural application! Do not forget that although we cannot have a dual interpretation of a prophetic Word, nevertheless, we can have

a dual application of a prophetic Word! Consequently, and as stated earlier, the two sons and their mothers, do not only represent the two covenants, which produced the two nations, in spiritual application, they also represent the Arabians AND the Israelis, in their natural application! But Apostle Paul was considering these two seeds, mainly in their prophetic or spiritual typology, representing the nation of Israel, and the bride of Christ, two nations produced by the two covenants. Are you with me? However, he was also moved to consider them in their natural application, which plain typology speaks of Ishmael, (the son of the bondwoman), who produced the Arabs and the Palestinians, AND Isaac, (the son of the free woman), who produced the nation of Israel. The focus of my message this morning, is not on their prophetic or spiritual application, but strictly on their natural application, that is, between the Arabians, which includes the Palestinians, AND the nation of Israel. This is the issue Saint Paul brought out in verse 29, but we will take it from verses

28-30. It records: **“Now we”,** (the Gentile bride), **“brethren, as Isaac was, are the children of promise.”** (Now pay attention to verse 29): **“BUT AS THEN HE THAT WAS BORN AFTER THE FLESH PERSECUTED HIM THAT WAS BORN AFTER THE SPIRIT, EVEN SO IT IS NOW.** **Nevertheless what saith the Scripture? Cast out the bondwoman and her son: for the son of the bondwoman shall not be heir with the son of the freewoman.”** Look at that natural type. It declares that Ishmael, who was born after the flesh, persecuted Isaac, who was born after the Spirit, or who was born after the promise of God! This clearly speaks of the enmity that will exit between the Arabs and the nation of Israel! **“... He that was born after the flesh persecuted him that was born after the Spirit.”** That lets you see there is an enmity. And it is not the son of the free woman that is persecuting the son of the bondwoman; it is the reverse. It is actually the seed of the bondwoman that persecutes the seed of the free woman! And I will say it like this: It is the tares

that always persecute the seeds of God, and not the other way round. A seed of God is always seeking to stand for truth, and to uphold the revelation of God his Father. But the tare does not care for that. Instead of standing for truth, and knowing that they cannot nullify the truth being set forth, they resort to destroying the name and the image of the seed of God, who is standing firmly and faithfully for truth! It is always like that. It is always the seed of the bondwoman, that persecutes the seed of the free, not the reverse! And Paul says, **“EVEN SO IT IS NOW.”** Church, this is precisely why we have the serious enmity which exists today, between seeds of Ishmael, who are the Arabs, and the seeds of Isaac, who are the Israelis. THE ENMITY IS DEEPLY SPIRITUAL! It is all hanging upon God's Word of Promise, and God's Covenant! Who has the Promise AND the Covenant of God? Is it the Arabs or the Israelis? Is it Ishmael or Isaac? The Bible clearly and categorically lets us know that it is Isaac! And that is precisely why Isaac, who is Israel, is being

persecuted by Ishmael. That is the cause of the enmity! The enmity is not ideology! They can have all the summits they want, seeking to resolve the Palestinian Israeli issue, but they will never resolve it! It will only get worse, until God Himself resolves it! Because the enmity is not ideological; the enmity is not social; the enmity is spiritual! It is the battle of the other seed, trying to claim a promise that is meant strictly for the son of the free woman. Are you with me? That is the enmity: ***“But as then he that was born after the flesh persecuted him that was born after the Spirit, even so it is now.”*** Brothers and sisters, this is why the Palestinians, and the whole of the Arab world, together with the rest of the Islamic world, are united in their hatred of Israel. Moreover, it is a serious hatred, for it is deep rooted in Genesis! Do you know that to this day, the Government of the Palestinians fail to recognize, and consistently refuses to recognize Israel as a nation? They do not recognize the nationhood of Israel! The enmity is that serious! They say Israel is trespassing on their land;

that Israel is on occupied territory! But see who is talking! Since when did God deed the land to the Palestinians? They are the ones on occupied territory! God deeded that land to Israel, and forever, it belongs to Israel! Something is fixing to happen, saints of God! The Palestinians may have lived on that land for hundreds of years, because God judged Israel in 70 AD, for rejecting the Messiah, and scattered them to the four winds of the earth, through the Roman army, under General Titus; but God never took away Israel's title or deed to the land! He never did! He only judged Israel for disobedience! That is precisely why the Lord God could ask in the Book of Isaiah, Chapter 50, verse 1: ***“Thus saith the Lord, WHERE IS THE BILL OF YOUR MOTHER'S DIVORCEMENT, whom I have put away? or which of my creditors is it to whom I have sold you?”*** God could ask that because He only put Israel away; He did not divorce her, for she is still Jehovah's wife, for the nation of Israel is married to God! And

there is a difference between separation and divorce. Separation is not divorce. If you are merely separated from the person you married legally, you cannot remarry, until you are divorced! Because the decree of separation granted, is only to make you see if you can still work things out, if you can still save your marriage, so you can come back together again as husband and wife, having resolved issues! Thus, under the decree of separation law, or under the law of separation, you are still legally married, even though separated. But when you are divorced, the marriage becomes null and void, and as such, the parties are free to remarry. That is why God could ask Israel, through the mouth of Isaiah the prophet, saying, ***“... WHERE IS THE BILL OF YOUR MOTHER'S DIVORCEMENT, whom I have put away? or which of my creditors is it to whom I have sold you?”*** In order words: God is saying, Show me the divorce papers I gave your mother, Israel; because God did not divorce her! He only put her away! Exactly! We must also realize that THEIR MARITAL BED IS

THE LAND OF ISRAEL! Hence, it is written in the Book of Isaiah Chapter 49, verses 13-17: **“Sing, O heavens; and be joyful, O earth; and break forth into singing, O mountains: for the Lord hath comforted His people”** (Israel), **“and will have mercy upon His afflicted. But Zion”**, (which is Jerusalem), **“said, The Lord hath forsaken me, and my Lord hath forgotten me. Can a woman forget her sucking child, that she should not have compassion on the son of her womb? yea, they may forget, yet will I not forget thee. BEHOLD, I HAVE GRAVEN THEE UPON THE PALMS OF MY HANDS; THY WALLS ARE CONTINUALLY BEFORE ME. Thy children shall make haste; thy destroyers and they that made thee waste shall go forth of thee.”** The Palestinians will pack their bags and baggage, and leave Jerusalem, because it belongs to Israel, and not to the Palestinian Arabs! Therefore, this is the day the walls of Jerusalem and the temple will be rebuilt! The mosque of Omar, which presently seats on the temple mount, will come

down, and Arabia will be very happy to dismantle it. I said they will be very happy to have it dismantled! They will not be battling over it, for as it is written in Isaiah Chapter 60, verses 6-7, way back around 700 AD: **“The multitude of camels shall cover thee, the dromedaries of Midian and Ephah; all they from Sheba shall come: they shall bring gold and incense; and THEY SHALL SHEW FORTH THE PRAISES OF THE LORD. All the flocks of Kedar shall be gathered together unto thee, the rams of Nebaioth shall minister unto thee: THEY SHALL COME UP WITH ACCEPTANCE ON MINE ALTAR, and I will glorify the house of my glory”**, (which is the temple to be built today in Jerusalem, the third and final temple). If that does not let you see the end of Islam in Arabia, I do not know what else will, for the Arabians will be very happy to bring acceptable offerings on the altar of God in Jerusalem. Thus saith the Lord in His Holy Word! God will turn their hearts from Allah to Elohim, and from Mecca to Jerusalem. Period! I say Amen to that, for it is the unfailing Word of

the living God!

Let me take you back to the Book of Genesis. In Genesis Chapter 21, Sarah looked up, and saw Ishmael mocking. The inspiration of God suddenly struck her. Remember, she was also a daughter of God. Under divine inspiration, she looked at Abraham and said, **“Cast out the bondwoman and her son.”** Verses 8-10 records: **“And the child”** (Isaac) **“grew, and was weaned: and Abraham made a great feast the same day that Isaac was weaned. And Sarah saw the son of Hagar the Egyptian, which she had born unto Abraham, MOCKING. Wherefore she said unto Abraham, CAST OUT THIS BONDWOMAN AND HER SON: for the son of this bondwoman shall not be heir with my son, even with Isaac.”** The request of Sarah was very hurtful to Abraham; but being the prophet of God, he took it to God in prayers, and God told him to give heed to the request of Sarah. Verses 11-13 record: **“And the thing was very grievous in Abraham's sight because of his son. And God said unto Abraham,**

***Let it not be grievous in thy sight because of the lad, and because of thy bondwoman; in all that Sarah hath said unto thee, hearken unto her voice; FOR IN ISAAC SHALL THY SEED BE CALLED. And also of the son of the bondwoman will I make a nation, because he is thy seed.***

God inspired this to happen, in order to serve His divine purpose for the nation of Israel. But do not tell me when Hagar and Ishmael were going away that day, after Abraham sent them away, that they were smiling. They were not! The enmity was set deep in their hearts that day! And the enmity has not stopped as we speak! It is spiritual! God cast them out, in order to take away the possibility of the son of the bondwoman ever contesting for the inheritance, or the possibility of his taking the inheritance. You did not hear me. God inspired Sarah to make that declaration, in order to take away the likelihood of a fight over the inheritance, so that the issue of who owns the Promise of God, AND the Covenant of God, is forever settled, showing who has the true way of approach unto God! Hence, Abraham

gave gifts to Ishmael, and to all the sons he had through Keturah; but unto Isaac, he gave ALL that he had. The enmity is therefore deeply spiritual, and it is still there today. That is why the Arabs hate the children of Israel, for it is deep rooted spiritual jealousy! It is not for anything, other than because of the Promise of God, AND His Covenant. No, they themselves will not tell you that, but it is the reason; that is the root cause. It is spiritual! But if Israel would believe Allah today, the enmity will go, for it would mean that they are the ones with the Promise and the Covenant of God! It will show that the Promise of God was through Ishmael, and it is not! Hence, as I stated earlier, the enmity is much deeper than the issue of land: Because even if Israel removes herself to a tiny corner of the land, allowing the Palestinian Arabs ninety nine percent of the entire land, the enmity will still not go! They still will not recognize Israel, nor will they dwell in peace with them, showing that this issue is deep rooted in Genesis! And indeed, it is! The enmity is on account of

the Promise AND the Covenant. Period! Church, I have gone to this length, in order to establish by the Holy Scriptures, the enmity; that you may know without any shadow of doubt, what the enmity is. The enmity is spiritual: It is because of the Promise of God. The Arabs claim that the Promise is through Ishmael, but it is definitely not; for it is through Isaac. And hence, before there was a Quran, there was the Bible. Over five hundred years before the birth of Muhammad, there was the New Testament of God, which Jesus Christ, the Son of God, established. And thousands of years before there was a Muhammad, there was Moses, who brought the Torah, which gave the Jews the Old Testament. However, the truth remains, as I have consistently stated: As long as we have this enmity, as long as this enmity remains, and is not removed, the end time promise of God to Isaac, which is Israel, will not fulfill, because Israel must dwell safely and in peace with her Arab neighbours. Consequently, God is going to take out the enmity, and make them one with Israel. I was listening to

the leader of Hezbollah boasting, *"We will never put down our swords! There is nobody that can make us back down! We have more squad missiles"* I said to myself: *"Do not worry, your day is coming, and when it comes, we will see if you have any mouth to talk!"* The hour of the Jewish miraculous is at hand, to take away the enmity. After all, remember, they are half-brothers. I said, after all, they are half-brothers! They all have the same father, Abraham. So, what is the reason for the fighting, for the age old enmity? It is spiritual! It is the promise! Are you clear on that? So, church, when we look at this Islamic religion from the viewpoint of the promise of God unto Israel, at this end time, you know God has to kill that spirit. You have to see that. And having set forth this truth, we will now consider another material prophecy, touching upon the Islamic Arabian Peninsula. May the Lord help me to do justice to this message. Amen.

Please come with me to the Book of Daniel Chapter 9. A specific timeframe was given to Daniel, for the nation of Israel; a frame of

time to judge things by, to censor time by. Seventy whole weeks of time was given to Israel. Taking it from verse 24, Daniel records: **"SEVENTY WEEKS are determined upon thy people"** (Israel), **"and upon thy holy city"** (Jerusalem), **"to finish the transgression, and to make an end of sins, and to make reconciliation for iniquity, and to bring in e v e r l a s t i n g righteousness"**, (which is the Millennial reign), **"and to seal up the vision and prophecy, and to anoint the most Holy"** (temple in Jerusalem, which will be the Millennial temple, a temple which will be built today, at this end of time. Firstly, this lets us know that the temple will be built, before the physical second coming of Jesus Christ, as King of kings and Lord of lords; for he will reign and rule over the whole earth, from the temple in Jerusalem. Secondly, this lets us know undoubtedly, that the Mosque, called the Dome of the rock, which presently seats on the temple mount, will come down. That is settled. And it can only be on account of the fact that God has taken away the enmity, for He has

judged that spirit, for even Saudi Arabia is coming to bring acceptable offering on the altar in Jerusalem, according to the inspired writings of Prophet Isaiah. Daniel Chapter 9, verse 25 adds): **"Know therefore and understand, that from the going forth of the commandment to restore and to build Jerusalem"** (city), **"unto the Messiah the Prince shall be seven weeks, and threescore and two weeks..."** Here we have the seventy weeks of seven years per week, broken up into a seven week period, and then a sixty two week period, all together making up a total of sixty nine weeks, to the Messiah the capital Prince, who is Jesus Christ our Lord, leaving just a balance of one prophetic week thereafter, for the nation of Israel. And according to the Angel's prophecy, from the time of the commandment to rebuild and to restore the city of Jerusalem, to the death of the Messiah the Prince, who is Jesus, shall be sixty nine weeks, for he died precisely at the very end of the sixty ninth week, just as verse 26 confirms: **"AND AFTER THREESCORE AND TWO WEEKS"**, (the first seven

week period having gone on before, giving us a total of sixty nine weeks), **“SHALL MESSIAH BE CUT OFF...”** (This simply means, that IMMEDIATELY the sixty ninth week expires, the Messiah will be killed. His death therefore infallibly shows that the sixty nine weeks have expired, thus still giving the nation of Israel, ONE FULL WEEK of time left, for “THE SCRIPTURE CANNOT BE BROKEN”). Consequently, the Angel of the Lord was not saying that in the 70th week of Daniel, the Messiah shall be cut off; he said after the sixty ninth week, which means, immediately after the sixty ninth week, Christ will be killed. So, the death of the Messiah on the Cross, signifies the ending or the completion of the sixty ninth week, leaving Israel with only one full week, of seven complete years of prophetic time left. Period! And I do not care how many quotes of the prophet people have on this issue, projecting that Israel has only three and-a-half years of prophetic time left. I will also tell you that I have a whole sermon of the prophet to give, in support of this truth, that Israel still has a balance of a full week

of seven years left, a message titled, *The Seventy Weeks of Daniel*. You will never see 3½ years projection, anywhere in that whole sermon, when he dealt with the issue of the seventy weeks, as his focal message. That teaching tallies perfectly with the Bible, and I care less, what chartering squirrels may say concerning the Seventieth week! We will take verse 26 again. It states: ***“And after threescore and two weeks shall Messiah be cut off, but not for himself”***; (it is for our sakes as Gentiles): ***“and the people of the prince...”*** (The prince here is in small letters, representing a little prince, different from Messiah the capital Prince in verse 25). ***“... and the people of the prince that shall come shall destroy the city and the sanctuary.”*** I ask you: Who destroyed the city and the sanctuary in 70 AD? It was the Romans! It was the Romans under a military general, General Titus, a Roman prince, who destroyed the city and the temple. And since that time, there has been no temple in Jerusalem, until the Muslims later invaded the

land, and subsequently built a Mosque on it. That is precisely why the prince in verse 26, is with a little 'p', because it is not referring to Jesus the Christ, our Messiah. ***“... and the people of the prince that shall come shall destroy the city and the sanctuary; and the end thereof shall be with a flood, and unto the end of the war desolations are determined.”*** However, it is the next verse that is my focus, and the very reason why I have come to the Book of Daniel. Verse 27 records: ***“And he”,*** (the antichrist of this end time, another prince of Rome), ***“shall confirm the covenant with many for one week: and in the midst of the week he shall cause the sacrifice even until the consummation, and that determined shall be poured upon the desolate.” and the oblation to cease, and for the overspreading of abominations he shall make it desolate.”*** Saints of God, Verse 27 gives us the Anti-Christ of the end time, the ***“man of sin”***, also called in the Scriptures, ***“the son of perdition”***, the man whom the world is waiting for. As bride saints, we are also

watching out for him, because his entrance, or manifestation, or his introduction, as the head of the European Union, is the last prophetic event the rapture of the bride is contingent or based upon. That is why we know that the rapture cannot take place tomorrow, even though the Lord may come for us tomorrow, or even tonight, as individuals, to take us home. But please pay attention. Verse 27: **“AND HE”** (the little prince of Rome; the Anti-Christ to come), **“SHALL CONFIRM THE COVENANT...”** Note that this is not the covenant of salvation. It is simply a covenant or pact guaranteeing peace and prosperity in the last Week of Daniel, giving the prophetic world false peace. **“And he shall confirm the covenant with many FOR ONE WEEK.”** Church, please understand, as the chief apostle to this day often emphasized, that the covenant or pact which the antichrist will make, is not going to be limited by time, for it is meant to last forever. They will sign the pact, expecting or intending it to last forever. It is God that determines that the pact will only be for one

week of seven prophetic years. Therefore, the pact will not have a clause limiting it as to time: It is God that ordains it will be for one week. It is a pact of peace and prosperity; but it is a false peace: Because when they shall say peace and safety, then shall come sudden destruction upon them, at the end of the week! **“And HE shall confirm the covenant with many for one week.”** Who is this **“he”**, the pact maker, or the covenant maker? You are looking strictly at an ecclesiastical horn, the **“little horn”** of Daniel Chapter 7, verses 8 and 20, which is none other than the Pope of Rome. You are looking at the Papacy, who is still a prince of Rome. This is where I am going. Remember, brothers and sisters, we are looking at *Islam On Its Last Trail*. Verse 27 declares prophetically: **“And he”** (the antichrist) **“shall confirm the covenant with many for one week: and in the midst of the week”**, (which is the last week of Daniel), **“he shall cause the sacrifice and the oblation to cease”**, (because Israel will once again be offering animal sacrifices, and evening

oblation or incense, according to the Torah, from before the last week of Daniel, once they regain access to the temple mount), **“and for the overspreading of abominations he shall make it desolate, even until the consummation”** (or completeness), **“and that determined shall be poured upon the desolate.”** This is a prophecy of the 70th Week of Daniel, which gives us the last seven years of human time on this planet. Church, listen to me now, and wake up. I know some would think: But what has this got to do with *Islam On Its Last Trail*? I want you to see something, and we will bring this message series to a close. Come with me.

In the Gospel of Saint John, Jesus made a serious prophetic statement, which dovetails with the prophecy the Angel of the Lord gave to Daniel, saying in Chapter 5, verse 43: **“I am come in my Father's name, and ye receive me not: if another shall come in his own name, him ye will receive.”** This gives us a prophecy of Israel, letting us know undoubtedly, that the nation of Israel will receive

the false Christ, the Anti-Christ, at the end time. Are you listening to me? This is a prophecy the Lord gave in 33 AD, synchronizing perfectly with that of Daniel, which was given way back around 538 BC, that the nation of Israel will receive the False Christ, Israel having rejected the True Christ, Jesus Christ, the Messiah the Prince. They will make a pact or covenant with the prince of Rome, the Pope, who is the Covenant maker of Daniel Chapter 9, verse 27. Do not forget, the Angel declared: **“And he”** (the antichrist) **“shall confirm the covenant WITH MANY for one week...”** Brothers and sisters, when you put this prophecy with that of Jesus Christ in John Chapter 5, verse 43, that puts Israel as one of the many nations, with whom the Anti-Christ will make his false peace and prosperity pact; even though his pact with Israel is the main focus, for that is what sets the 70th week of time in motion. **“And he shall confirm the covenant WITH MANY...”** It is an economic and peace pact, one meant to guarantee peace and prosperity, so that there is no more war. But it is false!

Because 1 Thessalonians Chapter 5, verse 3, tells us: **“For when they shall say, Peace and safety; then sudden destruction cometh upon them, as travail upon a woman with child; and they shall not escape.”** Church, this pact will be made by the Pope of Rome, with the ten horns of Europe. But not only that, more importantly, he will make the pact with the Middle East nations, including Israel, and this pact with Israel, is what will re-ignite prophetic time, setting it in motion, giving the world a literal balance of seven years of prophetic time left, of 360 days per year, 30 days per month. Please note that the covenant or pact is to be made with the nations making up the geographical area of Old Rome. In other words, we are looking at the Roman beast in its restored geographical entity at this end time. Are you with me? Rome used to rule Palestine. In the days of Jesus, Palestine was under the rulership of Rome! The covenant will be made, not just with the ten horns of Europe, it will also be made with the whole of Palestine, Israel inclusive. This takes

in the Middle East. They are all included in that prophetic picture! Now pay attention. The nation of Israel will make a pact with the antichrist. But so will Arabia, and so will Syria and Lebanon! The nations in the Middle East are going to make a covenant with the Pope of Rome, the Anti-Christ to come! Why? Because they all make up the geographical area known as Old Rome! Jesus Christ already stated that Israel will make a pact with the Anti-Christ, in John Chapter 5, verse 43. And the Bible says in Daniel Chapter 9, verse 27, that the antichrist will make a pact with many. That is many nations! It takes in, not only the ten horns of Europe, and Israel, (for the prophecy in Daniel Chapter 9, is stated principally in relation to Israel), it also includes other nations that come under the geographical territory of Old Rome, in its end time restored geographical entity. And this takes in the Arabian Peninsula, which is strictly an Islamic region today. Hence, when we look at that Roman beast in Revelation Chapter 13, in its end time prophetic projection, it encompasses

all the geographical areas of the three beast empires before it. Come with me to the Book of Revelation, where Chapter 13, verses 1-2, declares concerning the Roman beast: **“And I stood upon the sand of the sea, and saw a beast RISE UP out of the sea, HAVING SEVEN HEADS AND TEN HORNS”**, (showing in 96 AD, the going forth of the fourth beast empire at this end time, the ten horned beast of Daniel Chapter 7, verse 7, which is Rome), **“and upon his horns ten crowns”**, (which give us the ten horns, or the ten kingdoms of Europe), **“and upon his heads the name of blasphemy. And the beast which I saw was like unto a LEOPARD”**, (which is the Grecian beast empire, or the empire of Greece, in its geographical entity, as revealed in Daniel Chapter 7, verse 6 characterisation), **“and his feet were as the feet of a BEAR”**, (giving us the Medo-Persian beast empire, in its geographical entity, as revealed in Daniel Chapter 7, verse 5 characterisation), **“and his mouth as the mouth of a LION”**, (which is the Babylonian beast empire in its geographical entity or

area, as also revealed in Daniel Chapter 7, verse 4 characterisation; showing plainly that the Roman beast empire, in its restored geographical entity at this end time, encompasses or incorporates the entire geographical areas of the three beasts before her! Absolutely! I say you are looking at the geographical coverage of the other three beast empires, all merged or incorporated into that of Rome, at this end time! Consequently, this prophetic picture gives us the geographic extent of the Roman beast empire, in the 70th week of Daniel! Precisely! Revelation Chapter 13, verse 2, went further, saying): **“... AND THE DRAGON”**, (which is Satan or Lucifer), **“GAVE HIM”**, (who is the Pope of that hour, the Anti-Christ, the man of sin, Satan's super prince, or Satan's heir apparent), **“HIS POWER, and HIS SEAT, and GREAT AUTHORITY”**, the very same power, seat, and authority, he offered Jesus Christ on the mount of temptation, as recorded in Matthew Chapter 4, verses 8-10, which Jesus rejected out-rightly! This verse clearly gives us the extent

of the influence and power of the Pope of that hour, geographically: It covers Europe, the Middle East, going over to North Africa. These are the nations of people he will make his peace and economic pact with, intending it to last forever. However, saints, I have to say this morning, that peace will only last for 3½ years, because in the middle of the Week, something will take over his heart completely, and he will tear the pact, and overrun Jerusalem with his International police force; he will take over the temple, and sit in it, desecrating the temple, and make himself God, and also demand worship, thereby fulfilling the promise of God through Apostle Paul, recorded in 2 Thessalonians Chapter 2, verses 3-4, which declares: **“Let no man deceive you by any means: for that day shall not come, except there come a falling away first, and THAT MAN OF SIN BE REVEALED, the son of perdition; Who opposeth and exalteth himself above all that is called God, or that is worshipped; so that he as God sitteth in the temple of God, shewing himself**

***that he is God.***” He will institute a blood bath against the Jews, and also set in motion the 666 mark, which is the mark of the beast. Church, so in essence, this peace only lasts for 3½ years, being a false peace. The devil hoodwinks the people of the prophetic world into following his plan, including Israel. Then I say this: As long as we have Islamic terrorists and suicide bombers threatening the balance of peace in the Middle East, then, there will be no peace of any kind in the Seventieth Week, except God removes this enmity. This extreme Islamic spirit is too much in the way of prophecy! You are not hearing me. I said God has to do something about the spirit we are seeing currently in the religious world, if there is to be peace in the first 3½ years of the 70th week of Daniel. Open your eyes! But let me warn you though. This is not something we can share with the public. It is a revelation strictly for the elect seeds of God, following the continuing divine revelation of Jesus Christ, our Lord and Saviour. So, please, do not go to your office, and try to

set forth this truth before them, for you might end up losing your teeth, nose, or eyes! All of you can see the violent reaction, and the complete lack of understanding which these extremists have, towards any negative comment on their religion, however true, or justified, or balanced it may be. We have been warned by Jesus Christ not to give what is holy to dogs, and neither to cast our pearls of truth before swine! Matthew Chapter 7, verses 6, declares: ***“Give not that which is holy unto the dogs, neither cast ye your pearls before swine, LEST THEY TRAMPLE THEM UNDER THEIR FEET, AND TURN AGAIN AND REND YOU.”*** Divine wisdom, and a genuine heartfelt appreciation of the priceless truth, will make you keep your priced possessions from people, who have no value for truth; people who will even box you in the face, and blaspheme, on account of your truth! We share spiritual things only with spiritual persons, says Apostle Paul in the written Word. Therefore, we keep these precious truths to ourselves, for it is strictly for our spiritual adornment.

The truth is: We have a divine obligation which the Bible places upon our shoulder, to declare the whole counsel of the Word of God, that God's people may be established in the light, and that they may also find comfort, encouragement, and confidence, in the infallible Word of God, in the perilous or dangerous times we are now living in. We are therefore entitled to break down the Holy Scriptures for our people, in our local assemblies, just as the Imams and Muslim clerics are entitled to preach and teach their Quran. And many times, I have personally heard their Imams deride the Christian faith in Lagos, from their loudspeakers. It did not make me mad, for I know where the truth lays. Moreover, I know their day of reckoning is coming, when we will see whose faith is true. It makes me maintain my confidence in the infallibility of the inspired Word of God. But as I said earlier, as long as we have Islamic terrorists and suicide bombers running loose, with nobody being able to do anything to check that spirit, you will not have peace in the Middle East, in

the last Week of Daniel! Period! Do not forget that the pact or covenant the prince of Rome will make with many for one week, as recorded in Daniel chapter 9, verse 27, is to guarantee that there is no more war, or any such violent displays, within its member nations or states. Exactly! All problems and disagreements are to be settled around the diplomatic table, thus ensuring peace and economic prosperity; for everything is to be resolved by dialogue! Daniel Chapter 11 gives us the economic and peace scheme the devil will employ in that period of time. But the truth remains, that as long as this spirit is running rampant, many great prophecies of God will never fulfill. And it is written, that it is easier for heaven and earth to pass away, than for a jot of God's Word to fall to the ground. God's Word cannot fail, for God cannot fail. The honour and the integrity of God, hangs upon His keeping His Word! The God of all creation, who made all flesh, who put the spirit in man, can carry out His plan, and He can bring every man to subjection, whomsoever He desires to bring to subjection. There

were nations in times past that thought they were warriors, and God simply wiped them out of existence! He is still the same; He has not changed! What am I saying? It is simply that, if we take a serious look at the pact the antichrist will make **"WITH MANY for one week"**, which takes in Iraq, Lebanon, Syria, Turkey, and the ten horns of Europe, and Israel inclusive, along with Libya, Sudan, Ethiopia, Algeria, Morocco, Egypt, and many other countries, unless the spiritual enmity is removed, this prophecy will never fulfill! Is it not interesting, brothers and sisters, that recently, the Pope of Rome made negative remarks concerning the Islamic faith, saying it is evil, and the Muslims went on a rampage all over the globe, and were calling for his head? The Vatican big-wigs apologized on his behalf, and it was not enough to pacify them. The Pope himself apologized, and it still was not enough! In fact, they are now asking him to resign, that he is not fit to be the Pope! These Muslims said that nothing less than his resignation will satisfy them. So, what did the

Pope do? Church, he is now calling all the ambassadors of those Islamic nations to the Vatican, to plead with them. Knowing what the Papal office is, I have to say: Wonders shall never cease, for the Pope to be begging Muslims! My! Brothers and sisters, you must know that in the 70th Week, the Pope will not be begging anybody! He will not! For he will be a different Pope entirely; a different kettle of fish! He will crush and annihilate anything and everything in his way, and he will not be apologizing to any person, persons, nation, or nations! Because in the middle of the last week of Daniel, he makes himself God, and demands worship! My! Whoever does not agree with him, in his entire domain, which is in the entire prophetic earth or world, must die the death! Come with me to Revelation Chapter 13. It is most interesting to see the Pope apologizing and begging people today! My! What a wonder indeed, knowing the kind of office he holds. It is simply because that little horn of Daniel Chapter 7, is not yet speaking, for when he begins to speak, it will be a different kettle of fish. Talking of the office of the

Pope of Rome, or the Papacy, Daniel Chapter 7, declares in verses 19-22, saying: ***“Then I would know the truth of the fourth beast, which was diverse from all the others, exceeding dreadful, whose teeth were of iron, and his nails of brass; which devoured, brake in pieces, and stamped the residue with his feet; And of the ten horns that were in his head, and of the other which came up, and before whom three fell; even of that horn that had eyes, and a mouth that spake very great things, whose look was more stout than his fellows. I beheld, and the same horn made war with the saints, and prevailed against them; Until the Ancient of days came, and judgment was given to the saints of the most High; and the time came that the saints possessed the kingdom.”*** He has a mouth to speak ***“very great things”***. Revelation Chapter 13, verses 3-8, also records: ***“And I saw one of his heads as it were wounded to death; and his deadly wound was healed: and all the world wondered after the beast.***

***And they worshipped the dragon which gave power unto the beast: and they worshipped the beast, saying, Who is like unto the beast? WHO IS ABLE TO MAKE WAR WITH HIM? And there was given unto him A MOUTH speaking great things and blasphemies; and power was given unto him to continue forty and two months”***, (which is three and a half years). ***“And he opened his mouth in blasphemy against God, to blaspheme His name, and His tabernacle, and them that dwell in heaven. And it was given unto him to make war with the saints, and to overcome them: AND POWER WAS GIVEN HIM OVER ALL KINDREDS, AND TONGUES, AND NATIONS. And all that dwell upon the earth whose names are not written in the book of life of the Lamb slain from the foundation of the world.”*** That little horn of Daniel, which is the Papacy, is not yet speaking! The ecclesiastical head has only been healed, although not completely, for its complete healing brings

him back on the throne of rulership over the ten horns of Europe, which is the European Union, for that is precisely why he is a horn on the Roman beast! But in the last Week he will begin to speak! And when he begins to speak, brothers and sisters, there is no Shiite or Sunni Muslim that will be in his way, at that point in time, because that is the hour God allows the devil to embed himself in the human society, and literally rule over his earthly kingdom, incarnated in the Pope! He is Satan's super prince! That is why Revelation Chapter 13, verse 2, tells us that ***“the dragon”***, (which is Lucifer), ***“gave him HIS POWER, and HIS SEAT, and GREAT AUTHORITY.”*** It will be Lucifer ruling in and through the man of sin! That is why he knows no God in that era of time, but rather, he makes himself God, and initiates the 666 mark, in the last 3½ years of prophetic time, thereby ushering in the final phase of the Great Tribulation! Think about it! Do you think that that will be a Pope who will be begging Muslims? Of course not, for ***“WHO IS ABLE TO MAKE WAR WITH HIM?”***! No, that does not look like people

are saying to the Pope, “*You must repent now, and apologize!*” For the Bible tells us: “... **and they worshipped the beast, saying, WHO IS LIKE UNTO THE BEAST? WHO IS ABLE TO MAKE WAR WITH HIM?**” In other words, he is feared greatly, for none can face him! Oh, my! It is the incredible military force he has, and the mind he has to use it, to crush any opposition, and remove any threat, at any and every cost, mercilessly! If people know you are a sissy, you can have the best army in the world; they will still mess with you, for they know you are not going to use it. Are you with me? But when they know you cannot be messed with, they will fear you! Moreover, in that hour of time, they will see the military force he has, with which to whip the nations into subjection, just as he will whip Israel into subjection, taking over the temple, and declaring himself God! And that force is an International military force, which will be the European Union Army. It will not be NATO Force in that day, but the European Union Army, because America controls NATO! This is an army controlled

by the Pope of that hour, he being the head of the European Union. So, the Roman beast army is what we are looking at; the European Union Army. Already, there are plans in the European Union, to set forth their own army. And you can imagine a strike force made up of the best of the European nations' armies, a people whose minds have been bonded together in a unity, to serve the purpose of God. When Germany puts down her army with all her heart, Britain will also put down her army with all her heart; France, Spain, Portugal, Italy, and the rest of them, will do likewise: What an army that will be! Then you will have the best elite army, within the entire old world! That takes in the world as we then knew it, before America was discovered by Christopher Columbus: Europe, the Middle East, Africa, and Far East Asia. And that is precisely why the Pope's International Military Force will win the battle of Armageddon, for they are the best army you can find in the entire old world, just as it is written: “*Who can make war with him?*” Even the kings of the East will be trashed by his

army, and they will learn a terrible lesson. Do not forget that Rome never controlled China in the olden days. She did not rule over China in the olden days, and so, she is not going to rule China today. The geographical area of the old Roman Empire never extended to China, Japan, Korea, Taiwan, and the other Far East nations, making up the kings of the East, and it will not extend to it today. But the prince of Rome will defeat the kings of the East. So that should let you see something. Hence I repeat: If these prophecies of the end time are to be fulfilled, then God must take away this spiritual obstacle, because it has become a great monstrosity, and is a torment on all mankind! Presidents shake in the face of their evil onslaught! Look at what they did to Denmark, just because a Danish Newspaper published a caricature, a cartoon of Muhammad. What did they do? They went up in arms, and were sanctioning Denmark, banning Danish products! Saints of God, you have to see that the days of this spirit is not many more: It is riding out its last trail. That is

why it is doing that, because it knows its time is short! That Islamic spirit knows its time is short! It is riding out its last trail! It is just like what we see of Satan recorded in the Book of Revelation Chapter 12, verse 12, which states: ***“Therefore rejoice, ye heavens, and ye that dwell in them. Woe to the inhabitants of the earth and of the sea!”*** Why? ***“for the devil is come down unto you, having great wrath, BECAUSE HE KNOWETH THAT HE HATH BUT A SHORT TIME.”*** He is coming down to embed himself in the human society, and with great wrath, because he knows that his time is short! That will be his last trail before he is bound for one thousand whole years, and he will only be released for a very short while thereafter, following which he will be thrown to the Lake of fire! He therefore knows that that is his last trail. The devil knows that! But today, we are looking at the last trail of this most violent, unreasonable, and extreme Islamic spirit. We are looking at it strictly in the light of Bible prophecy. That is why I said, that I do not care where you look in the

Holy Scriptures, you must know that this spirit has to die, for the Almighty God has a day He will do it, and the means He will use to accomplish it perfectly. It is not what any man will do; it is what God will do. But the instrument of judgment is the nation of Israel! For as long as there is an extreme Islamic spirit running rampant, none of these Muslim nations will ever submit to the rulership of the Pope! Can I hear Amen?! Yes! As long as these nations are given to another spirit called Islam, they will never submit to the rulership of any Pope! Because the pact is recognizing the Pope of Rome, as head over the entire geographical entity called the Roman beast empire! Are you listening to me? As long as they believe in Islam, and follow Allah, they will never submit to Western rulership! Because at the end of the day, the Pope of Rome is from the West, from a people Muslims call infidels! And that is why they hate the West! They do not hate the West because of the Pope; they hate the West because of the Christian faith Europe stands for! They see them

as infidels! If the West were to embrace Islam today, the enmity will go! But as long as these nations hold on to the Islamic faith, they will not make a pact to submit to the headship of the Pope of Rome, and neither will they receive the 666 mark of the beast which the Bible confirms they will certainly take! Yet, it is written: ***“And power was given him over all kindreds, and tongues, and nations. AND ALL THAT DWELL UPON THE EARTH”***, (meaning the prophetic earth, which is the Roman Empire's end time restored geographic boundaries), ***“SHALL WORSHIP HIM, whose names are not written in the book of life of the Lamb slain from the foundation of the world.”*** All nations, all tongues, in the prophetic earth, all of them will worship him. No, they are not going to bow down, and lie prostrate, no! That is not what that prophecy means! That verse simply lets us know that all that dwell upon the earth, the prophetic earth, whether in the Middle East, or in Europe, or in North Africa, will agree to his leadership. All nations, whether they are Arabians, or Syrians, or Lebanese, or

Egyptians, I care less: All nations that make up this Roman beast empire in its end time restored geographic entity, will worship him. That is to agree with him! That is to submit to his rulership, and agree with his programs and plans! It is to come under his sovereignty, his rulership! So, you will not be seeing what you are seeing today, where the Pope of Rome will be begging the Muslims. All what we are seeing today is going to change. Something has got to happen! Because in the last Week, a pact will be in place, which will be made with the Arab nations as well, with the Pope of Rome presiding over it! And nobody is going to question his authority. The dragon gives him his seat, his authority, and power. That makes him Satan incarnate! For as God incarnated Jesus Christ His Son, so will the devil also incarnate the Pope of Rome, making him wield a very strong hold over the whole prophetic earth! Hence Revelation Chapter 13, verses 16-18, declares: **“And he”** (the beast, or the Pope), **“causeth all, both small and great, rich and poor, free and bond, to receive**

**a mark in their right hand, or in their foreheads: And that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name. Here is wisdom. Let him that hath understanding count the number of the beast: for it is the number of a man; and his number is Six hundred threescore and six.”** I therefore re-affirm: As long as these nations hold on to the Islamic faith, they will not make a pact to submit to the headship of the Bishop of Rome, and neither will they receive the 666 mark of the beast, which the Bible confirms they will certainly take! What does that tell you? Great prophecies of the end time, which the Lord gave concerning the nation of Israel, and also concerning the last Week of Daniel, hang firmly upon God fulfilling His Word of promise, recorded in the Book of Zephaniah Chapter 2, verse 11, which declares categorically: **“The Lord will be terrible unto them: FOR HE WILL FAMISH ALL THE GODS OF THE EARTH; and men shall worship Him, every one from his place, even all the isles of the heathen.”**

Hence, it is written in the Book of Micah Chapter 7, verses 15-17, thus: **“According to the days of thy coming out of the land of Egypt WILL I SHEW UNTO HIM”**, (WHICH IS ISRAEL, IN THE FIELD OF BATTLE), **“MARVELLOUS THINGS. The nations shall see and be confounded at all their might: they shall lay their hand upon their mouth, their ears shall be deaf. They shall lick the dust like a serpent, they shall move out of their holes like worms of the earth: they shall be afraid of the Lord our God, and shall fear because of thee.”** For as the Book of Obadiah declares plainly and categorically, in verses 17-19: **“BUT UPON MOUNT ZION SHALL BE DELIVERANCE, AND THERE SHALL BE HOLINESS; AND THE HOUSE OF JACOB SHALL POSSESS THEIR POSSESSIONS. And the house of Jacob shall be a fire, and the house of Joseph a flame, and the house of Esau for stubble, and they shall kindle in them, and devour them; and there shall not be any remaining of the house of**

***Esau; for the Lord hath spoken it. And they of the south shall possess the mount of Esau; and they of the plain the Philistines: and they shall possess the fields of Ephraim, and the fields of Samaria: and Benjamin shall possess Gilead.***

Remember, once the last Week of Daniel starts, ushering in an era of false peace, there will be no more war among the nations that make up the Roman beast, except the battle of Armageddon, when the kings of the East will come against the West. Everything will be settled at the diplomatic table, and the prince of Rome will have the last say on all matters! I was watching CNN recently, when the Pope invited Islamic Clerics, and ambassadors from the Islamic nations to the Vatican in Rome, for fence mending, over the global anger and demonstrations Muslims staged over his open criticism of Islam. He had dialog with them, and made peace with the Islamic world. I said to myself, they were able to humble the Pope this time, for he backed down. But that man, when he comes

into his hour, as the head of the European Union, that will be a different kettle of fish in that day, for he will not be backing down for any man! When, as the little horn of Daniel, there is given to him ***“a mouth speaking great things and blasphemies”***, the man occupying that office at the moment, that Pope, whoever he is, the man of sin, ***“that wicked”***, whom the Lord will remove with the brightness of his coming; when he ascends that throne, and takes over the headship of the European union, and makes a pact with many nations, not just with the ten horns, but also with the nations making up the Middle East, particularly Israel, in order to fulfill the prophecy of Jesus Christ in John Chapter 5, verse 43; Church, when that Pope begins to speak, you will not have what you are having today from the Islamic world. The situation will have changed! Because in the first 3½ years, he gives them false peace and prosperity, before the devil enters into him in the middle of the Week, possessing him absolutely, and he loses all sense of God, and makes

himself God, and demands worship, completely crushing and annihilating anything and everything in his way! Right now, he is still a Pope that believes in God; he is still a Pope that kind of prays to God. But in that hour of time, he will not be praying to any God. But rather, it is written in Daniel Chapter 11, that he will worship the God of military forces, which he will use to enforce his will, under Satan. Verses 36-38 declare: ***“And the king”***, (which is the little horn), ***“shall do according to his will; and he shall exalt himself, and magnify himself above every god, and shall speak marvellous things against the God of gods, and shall prosper till the indignation be accomplished: for that that is determined shall be done. Neither shall he regard the God of his fathers, nor the desire of women, nor regard any god: FOR HE SHALL MAGNIFY HIMSELF ABOVE ALL. But in his estate shall he honour the God of forces: and a god whom his fathers knew not shall he honour with gold, and silver, and with precious stones, and***

**pleasant things.**” That is the god of military power, for he will have an International Military Force. When you open your mouth, he will come and shut it, just as the Americans shut the mouth of Saddam Hussein, in the Desert Storm war, a war which Saddam Hussein boasted would be the **“Mother of Wars.”** Remember, when Saddam Hussein invaded Kuwait, and George Bush Senior, the former American President, told him, **“Get out of Kuwait”**, and he did not, they warned him, **“We will come after you.”** And they came after him in what was called Operation Desert Storm, crushing his army like it is nothing. Saddam Hussein began to beg **“Please, allow us to leave Kuwait safely.”** You know they had to beg to be allowed safe passage across the bridge, back to Iraq from Kuwait. That is nothing in comparison with the force of arms the Beast will command, for he will rule supreme in his domain, within the prophetic earth. So therefore, brothers and sisters, when you look at Revelation Chapter 13, you know it will never have application in the Middle East, unless something has

happened to change the spiritual reality of that region. When we even consider the second physical return of Jesus Christ with his bride, on the Day of the Lord, who do we see leading the whole wide world in battle against the descending heavenly armies of Jesus Christ? It is the Bishop of Rome! Revelation Chapter 19, verses 19-20 records: **“And I saw the beast, and the kings of the earth, and their armies, GATHERED TOGETHER TO MAKE WAR AGAINST HIM THAT SAT ON THE HORSE, AND AGAINST HIS ARMY. And the beast was taken, and with him the false prophet that wrought miracles before him, with which he deceived them that had received the mark of the beast, and them that worshipped his image.”** Do not also forget, that Daniel saw the Roman Empire in its beginning, as it was rising up; but John saw it at its end, as it went forth at the end time. And church, in the day that John had this experience on the Isle of Patmos, there was nothing called the **“little horn”** of Daniel. It was not yet in existence, because the Roman Catholic Church

had not yet been formed! So, the **“little horn”**, which is the mystical or religious head, had not yet been established, and hence, the mystical head of this beast had not yet been wounded. But John saw it rise up at the end time. What does that show you? In the vision, John was not in 96 AD; John was at the end of time, it being strictly a spiritual prophetic projection, showing an end time reality. You are therefore looking at old Rome at the end time, in its restored geographical entity, called the European Union; because the breakdown of old Rome, produced the ten horns of Europe. This is the fourth and the last beast empire, and it will rule in the last week, till Christ comes literally at the end of the week, to establish the Millennium; for he, Jesus, according to Daniel's revelation, is the **“stone cut without hands”**, who destroys this fourth and last beast empire, in the days of the ten toes, which corresponds to the ten horns of Europe, which is the European Union.

Something has to happen to stop the religious madness which we currently see in the earth, before the last

Week starts. You just have to look at it from various prophetic angles, or from different prophetic viewpoints: whether you look at it from the viewpoint of Israel in prophecy, or you look at it from the viewpoint of the pact many nations are going to make with the Pope of Rome. But whichever way you consider it, the truth is that the enmity must go! It must go before the last Week comes. But note, brothers and sisters, it is not the pact which many nations will make with the Pope, that will take away the enmity; it is what God does through the nation of Israel, in the field of battle, that will take away the enmity. That is what will usher in a new era for the children of Israel, an era of peace and safety, when they are dwelling safely with their Arab neighbours, and the security fences and walls are down, for God has judged the Islamic spirit, thereby causing Saudi Arabia and the other Arab nations to come with acceptable offerings upon the altar of God, in Jerusalem. This is what sets the stage for the battle of Ezekiel Chapters 38 and 39, for you must understand that battle, taken in its right

perspective, or in its proper context. By the time Saudi Arabia throws out Allah, and embraces Elohim, it is going to ignite extreme anger within the Islamic countries who are not Arabs! They will be motivated by the desire to deal ruthlessly and permanently with Israel, for what they have done to their religion. Russia will be their guide, their leader, in that war, supplying strategic and logistical support. But Russia is going to do it purely out of economic motivations. But God has a burying ground for their armies, in the land of Israel. It is God's way of dealing with the remnant of the Islamic spirit, taking it out, and God will get glory unto Himself by it, and that will be the end of the matter. Brothers and sisters, the world will then be ushered into the last Week, and the world will have false peace and prosperity: No more wars in the Middle East and in Europe, and in all the domains of Rome. Are you with me? Everything is settled around a diplomatic table. That is why 1 Thessalonians Chapter 5 says, ***“When they shall say peace and safety, then shall come sudden***

***destruction.”*** That destruction is delayed till the end of that Week. But nevertheless, it is added in prophecy, because it will come upon the world unawares.

We do not need to be afraid of what is going on out there, saints of God. God keeps his own people, and He posts them ahead, for we are walking in the light of God's pure divine revelation, where there is no darkness at all. Therefore, as bride saints, please, let us walk in the light. The unparalleled understanding God has given to us, gives us peace, and an assurance, and a confidence. We know who we are, and we know exactly where we are going. We know what is coming upon the world, because God has shown it to us in His Word, thereby giving us peace and confidence. The peace we have is the peace that the Lord gives His own people; a peace that can hold in the time of storm. How blessed we are! The world is walking in darkness today; they are walking in absolute ignorance and fear of the things coming upon the earth. And things can only get worse! But the Lord

is the security of His people. We have nothing to fear, brothers and sisters, because we are on the Amen side. We know where we are coming from, and we know where we are going to: For we came from God, and are going back to God! What then can any man do to us? Nothing! We are the children of light, and we are walking in the perfect light of Jesus Christ, the Son of God. What a beautiful day!

What a day we are living in, when God shed His light across our pathway like never before, that we may see our way through to the very end! We thank God for His love and favour. It is not our goodness or righteousness, and neither is it on account of any smartness on our path, that has earned us this glorious dealing of God. It is just on account of His sovereign elective love and mercy

towards us. It is so wonderful to know Jesus Christ in his true divine revelation. It is more than life! Hence Apostle Paul declared: **“FOR TO ME TO LIVE IS CHRIST, AND TO DIE IS GAIN.”** Brothers and sisters, I show you *A Religion On Its Last Trail*. Let us bow our heads in prayer. (Brother Amos prayed).

May God bless you. Amen.

*Behold, I have created the smith that bloweth the coals in the fire, and that bringeth forth an instrument for his work; and I have created the waster to destroy. No weapon that is formed against thee shall prosper: and every tongue that shall rinse against thee in judgement thou shalt condemn. This is the heritage of the servants of the Lord. and their righteousness is off me, say the Lord.*
