

The Scribe

"Every Scribe which is instructed unto the Kingdom of heaven is like unto a man that is an householder, which bringeth forth out of his treasure things new and old" - Matthew 13:52

Amos Olusegun Omoboriowo

February 2013

THE SEVENTH SEAL

This message was preached by Brother Amos, at the May 2012, Bible Faith Tabernacle Convention, in Lagos, Nigeria, and was the message taken on the evening of Saturday, 19th May, 2012. It certainly opens our eyes to the fact that the Seventh Seal has not yet been broken, despite all the various erroneous viewpoints held within the end time Message Movement. It is a beautiful insight into the move of God concerning all Seven Seals, and we are grateful to God for continuing to post the bride ahead at this evening time.

Good evening saints. It is nice to be together again in fellowship with one another,

around the Word of God. May God bless each and every one of you. Let us turn our Bibles to the Book of Revelation Chapter 8, and we will take it from verse 1, and it records: **"And when he"** (Jesus Christ) **"had opened the Seventh Seal, there was silence in heaven about the space of half an hour."** Amen. Brothers and sisters, the focus of my message tonight is the Seventh and final Seal. We are considering **THE SEVENTH SEAL**. That is the title of my message. However, for the sake of the body of saints, particularly those who are just coming in new into this way of revealed faith, and by the grace of God, we are going to take an in-depth look at the

Seventh Seal, to the level, or to the extent, that God in His own sovereign grace and mercy has unveiled it to us at this evening time. I know in the Message Movement, there is a lot of controversy concerning the Seventh Seal. Some say, "Oh, the Seventh Seal is broken!" Another says, "No, the Seventh Seal is not broken!" This one says, "This is what it means." And another says, "No, that is not what it means. God gave the prophet the revelation of it, and this is what it means!" On and on the story goes! If there is any truth that is controverted, it is the issue of the Seventh Seal. If there is any truth that has brought so much heat, so much debate, and which has generated so much division, isms and schisms, within the Branham Movement, it is the Seventh Seal. The many teachings about it abound around the globe, starting from the ridiculous, to the sublime. Preachers in the Movement have pulled it every way imaginable. It is on an issue relating to the Seventh Seal, the issue of the Seven Thunders, that a man in New York city, USA, had majored his ministry upon, giving the people an erroneous, warped, and

most wild teaching, that the Seven Thunders are the "**Seven Virtues**" that a believer must have, which according to him, "**thunders against the kingdom of Satan!**" His name was Joseph Coleman. The man passed away some months ago. The story of the carnal projections of men on this subject of the Seven Seals is endless, and as such, it is most crucial to clear the air, for God's elect people. Therefore, I pray that God will help me to do justice to it. However, my objective is this: That by the time it is all done, and we are finished with this message, it is my desire and sincere prayer, that each and every seed of God, male and female, young and old, will go home from this Convention ground, without any question or doubt, as to where the truth lays, being firmly and perfectly established in the Word, on the Seventh Seal. God helping us, we should be able to do that, for God has shed enough light on the subject, to position the bride, squarely, in **THE SCRIPTURE OF TRUTH.**

I will start my message by saying this: When we look at what happened in March 1963 in the Branham

Movement, which was the explosion of divine revelation God ignited, a phenomenal unveiling of the deep things of the Spirit of Christ, that was opened to the end time bride, through the visitation of seven angels which William Branham received, and the marvelous light that was shed on the Seven Seals as a result, we have to acknowledge with a thankful heart, that the Seals of Revelation Chapter 6, have all been broken, except one, and that is the Seventh Seal. The first Six Seals have been opened. And since that time, with the passing away of Brother Branham, Raymond Jackson had consistently told the Movement, that only Six Seals were opened in 1963, for the Seventh and final Seal has not been opened. And as we speak tonight, it has still not yet been opened. It is the only Seal that remains to be opened. And that is precisely why the scriptural revelation that we have, concerns only the first Six Seals. However, because of the great controversy going on over the Seventh Seal, and in order to let you see that the Seventh Seal has not yet been broken, for it was not broken in 1963, I

have to take you back through time, and take you through the chronology of the revelation of the Seals, to prove this truth to you, that you may know without any shadow of doubt, that the Seventh Seal has not yet been broken. I must also point out, however, that we are moving slowly towards the hour of its opening. And as we get closer to that event, our understanding of that Seal can only get better, causing our pathway to become brighter. But in 1963, when Jesus opened the Seals in heaven, and sent a constellation of seven angels to His servant, William Marrion Branham, the Star Messenger to this age, and the Elijah of Malachi Chapter 4, Verse 6b, only the revelation of Six Seals were conveyed to him. The Seventh Seal was not broken, although the Lord also gave him the revelation of some things relating to that Seal, to help the bride look forward to the eventual opening of that Seal, which as it stands tonight, is a closed Seal. I do not care what Richard Gan of Singapore says! I only care for what the Scriptures say! I say that because he says in his books, one of which is titled, *The Revelation Of Jesus Christ*, on page 108,

that all Seven Seals were broken way back in 96 AD, for according to him, Apostle John saw the breaking of all the Seals, and as such, all the Seals were already broken in the first age of Christendom! On page 107, paragraph 2, he also declared that, “... **there are three phases in each of the Seven Seals found on the Seven-Seal Scroll for the accomplishment of God's purpose. They are the OPENING phase, the REVEALING phase, and the FULFILLING phase.**” That is very interesting, and sounds spiritual to the carnal minded folks, breaking it down like that, for it is logical! It is interesting to look at prophecy, and to interpret it in such a carnal way, for this is not logic! We do not preach logic! We preach a revelation, the revelation of Jesus Christ, which most times, confound human logic! In the first place, ever before 96 AD, the First Seal was already fulfilled in reality, for the white horse rider had already gone forth in that day, and God used the lion anointing upon the ministry of the apostles, to lift up a standard against it! Yet, the very thought of Seven Seals, was not even

conveyed to the body of saints until 96 AD! So, how can we go by the logic of first a breaking, then a revealing, and then a fulfilling, when the First Seal had been fulfilled, ever before John got on the Isle of Patmos in 96 AD, and was subsequently shown the Seven Seals! Think about it! That just throws the thought of a sequential breaking, revealing, and fulfilling, out of the window, for it does not work out like that! Secondly, to say that all the Seals were broken in 96 AD, on the premise that John saw the breaking, is utterly preposterous (absurd)! In 96 AD, John also saw “***Mystery, BABYLON THE GREAT, the mother of harlots and abominations of the earth***”, which is the Roman Catholic Church, as recorded in Chapter 17. But in 96 AD, the Roman Catholic Church was not yet in existence! Yet, he saw her as well! If he saw the breaking of the Seals, and he also saw “***Mystery, Babylon the great,***” which certainly did not exist in his day, common sense will tell you that he was not standing in his day, in the prophetic vision; but he was projected through time, in a divine spiritual time travel, to see the breaking of the

Seals, and to also see the prophetic judgment of Babylon the great! For an additional witness, John also saw the New Jerusalem coming down! So, what are we going to say? Going by the carnal interpretation of Richard Gan, we will have to say that the New Jerusalem is already a reality, because John also saw it way back in 96 AD! And by the time you go down that road, they will have to take you to Aro Mental hospital, because you have a psychiatric case, spiritually speaking! The fact that a man saw something in 96 AD, does not place the reality of what he saw in that hour of time, for we are dealing strictly with prophecy! Come on! Somebody should teach Richard Gan! A leader of a universal body of people should be able to know how to look at prophecy! He should understand the ABC of prophecy! And if a man does not know his 1,2,3's, how can he teach Algebra? In that prophetic vision or projection, it is certain that John was not in 96 AD. He was way off into the future time! His spirit was lifted out of his body, and projected in a time travel by the Spirit of God, to see a reality of something! So, in the spirit, he was no longer in 96 AD! It

was his flesh or body that was in 96 AD! You just do not go into the prophecy of the Bible, and interpret it anyhow! You cannot do that! It is not going to work! John also saw the 666 mark being instituted. What are you going to say? Will you tell me that because he saw it, it was already a reality in 96 AD? How carnal men can be in their projections, all out of desperation to be what God has not made them! No man is anything of himself! And no man can receive anything unless it is given to him from above! God and His grace alone, is what makes the difference! Take out God and His grace, no man is anything, and no man can do anything, and no man can see anything, and no man can be anything! All the glory goes to God! So, brothers and sisters, men have their impressive and compelling ways of translating or interpreting prophecy, but it can only sway carnal minded people who are not following a true divine revelation. That is the truth!

Coming back to the breaking of the Seventh Seal recorded in Revelation Chapter 8, all it gives to us is a silence of

about thirty minutes. Nothing more! But when God opens that Seal, we will know what is contained in it, what the hush is all about, scripturally, by divine revelation, and it will anchor us in the Scriptures! It will not take us away from the Bible; it will anchor us in the Word; because every truth will come back to the Bible, and anchor in the Word. Everything must have its basis in the Word. And it is because it is not yet opened, why Nobody can take his Bible, and say, "*I have the revelation of the Seventh Seal. This is what it is, in the light of the Scriptures.*" I challenge any man in the Movement to do that! Do not give me quotes, because I also have my own quotes of what Brother Branham taught! Take your Bible, and prove to me what the revelation of the Seventh Seal is, strictly by the written Word of God! If God has truly unveiled something to you, and you truly have a divine revelation of the Bible message the prophet bore for the universal body of saints, you will certainly be able to prove it by the Bible, because a true understanding comes by the Spirit of God unveiling the Scriptures to you on

something! Precisely! That is what a true revelation is, for it gives us a divine understanding of truth; for by revelation, a Scripture is opened up, thus letting us know the mind of the Spirit for that specific Scripture, what God means precisely by it! Consequently, if you have a true divine understanding, you can take your Bible, and show it to God's people, in order to establish them in the Word of God! But as I speak tonight, the Seventh Seal, is the only Seal that is still a mystery. And that is why, today, as I have been saying, nobody can go into that Seal, and show what is hidden behind the holy heavenly hush, in order to give us the revelation it contains, scripturally! You cannot do it! No man can do it! And if any man says he can do it, please send me your message! Be bold enough to send it to me! Do not be like the man that came to make a stand for truth, and preached on *Acts Of The Apostles*, right on my platform, and cried, and wept, and he also stood before the church in Ondo town, went on his knees, and said, "*I have fought this continuity for years, saying that it is not the truth. But God has now opened my eyes, and I can now clearly*

see that it is the Gospel truth. I am now telling you that that is the way to go, for we have gone the wrong way. If it is not the truth, if this is not the way, let your blood be on my head." And today, he has turned back to say it is no longer the way! My, oh my! But when he wrote his little pamphlets, which Brother Fregene rightly called "*Jehovah Witness pamphlets*", trying to rubbish what he said was the Gospel truth, he did not have enough boldness to send me just one copy! And every book I have written, Brother Johnson Ekunola has sent him, ever before he came to make a pretence stand for Continuity! So, now, there is no Continuity, and there is no John, there is nothing! In fact, Brother Joseph Tokpo, he said that the Joshua of today is the Holy Spirit! So, the Holy Spirit is working in a vacuum, without a ministry. But the Joshua in that day was a man, not a spirit; and then the Joshua of today is a spirit, an invisible spirit! My! Apostle Paul said, "**Professing themselves to be wise, they became fools!**" But these men know exactly what they are doing. However, they cannot stumble an elect

who has been brought to the light! No, not one! Because the revelation which the bride have tonight, is a giant beam of light, that exposes every error! How are you going to do it? You cannot do it! The bride is operating on a higher ground, and she is climbing ever higher, soaring on the wings of divine revelation, on a realm which no other bird can follow, except an eagle! If you are not an eagle, it is impossible to follow eagles, as they mount on wings of revelation into heavenly heights, where no other bird can dare! So, what are you going to say?! But brothers and sisters, if you say that the Seventh Seal has been opened, please take your Bible, and give me the revelation of the Seventh Seal, strictly from the Scriptures! Because all I see there, is the silence of about thirty minutes, No more, no less! I repeat: Nobody can go into the Seventh and final Seal, and show what is hidden behind the heavenly silence, scripturally. But we can do that with the first Six Seals, for the simple reason that they were broken in 1963! Period! Therefore, tonight, having received a perfect understanding of six of the Seven Seals, by the Spirit

of God, through the instrumentality of the prophet to this age, we will take our Bibles, and lay out the truth of the Six Seals, solely by the Scriptures, to prove my point. We do not even need to use quotes, because the revelation of the Seals which the prophet brought in 1963, is now burning in our hearts, and is most plain. We can therefore use our own words, and in our own way, we can project the truth the prophet brought, using only the Bible, without nullifying the revelation of the truth of the Seals. This we are able to do, only because the first Six Seals are open. Simple! Come with me to the Word.

Revelation Chapter 6, verse 1: ***“And I saw when the Lamb opened one of the Seals, and I heard, as it were the noise of thunder...”*** So, it was not Brother Branham that opened the Seals, but Jesus Christ the Lamb of God. Moreover, the Seals were not opened on earth, but in heaven. However, when the First Seal was opened, John records: ***“...and I heard, as it were THE NOISE OF THUNDER...”*** What is thunder? It is the voice of God! At the opening of the Seals, and specifically, at

the opening of the First Seal, one (singular) thunder sounded! May I reiterate or repeat the fact, that it was not seven thunders that sounded at this point right here; it was only one thunder, (a singular thunder), that sounded, at the opening of the Seals! I do not care how many quotes you have to the contrary, it is written: ***“And I saw when the Lamb opened ONE of the Seals”, (which was the First Seal), “and I heard, as it were the noise of thunder...”*** (Singular thunder)! I am telling you what the Scripture says! You will never be able to pluralize the thunder that sounded at the opening of the Seals, for it was just one thunder that sounded, not two, not three, and definitely not seven! It was one! Full stop! And what is thunder, prophetically speaking? Thunder speaks of the voice of Almighty God! It gives us nothing but a divine revelation of God! Hence, when it thunders prophetically, it is the Lord that is speaking! It is the Lord unveiling His mind! Oh, my! Church, come with me to consider a few passages of Scripture dealing with the issue of thunder. In the Gospel of Saint John Chapter 12,

starting from verse 27, the Bible records: ***“Now is my soul troubled; and what shall I say? Father, save me from this hour: but for this cause came I unto this hour.”*** Jesus then prayed, looking up to God the Father, saying: ***“Father, glorify thy name...”*** When Jesus said this prayer, what did God do: ***“... Then came there a voice from heaven, saying, I have both glorified it, and will glorify it again.”*** Now watch verse 29, for it declares: ***“The people therefore, that stood by, and heard it, SAID THAT IT THUNDERED: others said, An angel spake to him. Jesus answered and said, This voice came not because of me, but for your sakes.”*** God spoke from heaven to comfort His Son, but it was a thunder the people heard; others had the inkling though, that it was probably an angel that spoke to him, even though it was still the sound of thunder they heard! So, I ask: What is thunder in prophecy? It is the voice of God! It is a divine message! Again, when we take a look at the scenario which took place at Mount Sinai, as recorded in Exodus Chapter 20, beginning from verse 18, the Bible says:

“And all the people saw the THUNDERINGS, and the lightnings, and the noise of the TRUMPET, and the mountain smoking: and when the people saw it, they removed, and stood afar off. And they said unto Moses, Speak thou with us, and we will hear: but LET NOT GOD SPEAK WITH US, LEST WE DIE. And Moses said unto the people, Fear not: for God is come to prove you, and that his fear may be before your faces, that ye sin not. And the people stood afar off, and Moses drew near unto the thick darkness where God was.” So, what was the thunderings, and the lightnings, and the sound of trumpets they heard on the mountain? It was the baritone voice of God that shook Mount Sinai in that day, for when God speaks, carnal men only hear the rumbling and sounding of thunder; because that is how it sounds to carnal men! So, at the opening of the Seals, there was one thunder, showing evidently, that when the First Seal was opened, God spoke from heaven! But when and where do we apply this prophetic projection, knowing that there is **a set time** of fulfillment, **AND a**

set place, for every prophetic event God projects in His written Word? Every prophecy has a specific time application, and a specific place of application, except it is a global prophecy, which this one is not! I repeat, for you must understand tonight, that every prophetic picture has a specific time application. Do not ever forget that! Every prophetic picture has a specific time application. In other words, a prophecy cannot be taken and applied just anyhow and anytime. It has a particular time God ordains that a prophetic projection or picture will be fulfilled. So, every prophecy has a specific or a certain time application. So, when we look at Revelation Chapter 6, and we consider the opening of the Seals, we see that at the opening of the First Seal, there was a thunder. The question therefore is, how do we apply it? Let me therefore tell you tonight, that Chapters 4, 5, and 6, of the Book of Revelation, are relative to 1963, for that is the year that that prophetic projection relates to! Do not forget that the experience John had in 96 AD, on the Isle of Patmos, gives us the prophecy of the reality of things or events, that are

way beyond 96 AD! Look at Revelation Chapter 1, and look at what the Bible says in verse 1: ***“The Revelation of Jesus Christ, which God gave unto him, to shew unto his servants THINGS WHICH MUST SHORTLY COME TO PASS; and he sent and signified it by his angel unto his servant John...”*** Like we heard this morning, when Jesus was here on earth, he did not have a clue to this prophetic revelation, for it is a revelation he received only when he went up to glory, after his resurrection. However, from the opening verse, the Book plainly declares, that it is the revelation of Jesus, which God gave unto him, to show unto us, things which must shortly come to pass, thus letting us know right from the onset, that the Book is strictly one of prophecy! Verse 3 states: ***“Blessed is he that readeth, and they that hear the words of this prophecy, and keep those things which are written therein: FOR THE TIME IS AT HAND.”*** It is still future tense, for it is prophetic! Brothers and sisters, when you look at the last Chapter of the Book of Revelation, it confirms that the Book is a prophecy, in verses 18-19, which

declares: ***“For I testify unto every man that heareth THE WORDS OF THE PROPHECY of this book, If any man shall add unto these things, God shall add unto him the plagues that are written in this book: And if any man shall take away from the words of the book of this prophecy, God shall take away his part out of the book of life, and out of the holy city, and from the things which are written in this book.”***

Consequently, I have to say tonight, when John saw Jesus breaking or opening the Seven Seals in heaven, he was not in 96 AD; he was standing at this end time. In Chapters 1-3, he was in the spirit, but he was still on the Isle of Patmos, in that divine encounter. But when he came to his experience in Chapter 4, his spirit was caught up into heaven, in an out of the body experience, to view what he saw from that point on, leaving his body on the ground in time, in 96 AD, on the Isle of Patmos. From that point on, he was no longer on the Isle of Patmos, and he was no longer in 96 AD, time wise! He was here, in this last age, relative to 1963, to view the setting in heaven, of the breaking of the Seals. Chapter 4, verse 1 records:

“After this I looked, and, behold, A DOOR WAS OPENED IN HEAVEN”, (giving John a divine accessibility into heaven): ***“and the first voice which I heard was as it were of a trumpet”,*** (depicting or representing the voice of God), ***“talking with me; which said, COME UP HITHER”*** (INTO HEAVEN), ***“and I will shew thee THINGS WHICH MUST BE HEREAFTER.”*** ***“Things which must be hereafter”,*** speak strictly of things that are prophetically ordained for the future, following the revelation of the spiritual condition of the Seven Churches in Asia Minor, which John saw earlier, and which he recorded in Chapters 1-3. So, I ask: Where was John positioned in the spirit, when he heard the voice from heaven say, ***“COME UP HITHER”***? He was on the Isle of Patmos, right here on earth! But when he heard this voice, asking him to come up into heaven, something happened, as verse 2 now confirms: ***“And IMMEDIATELY I WAS IN THE SPIRIT: AND, BEHOLD, A THRONE WAS SET IN HEAVEN, and one sat on the throne. And he that sat***

was to look upon like a jasper and a sardine stone: and there was a rainbow round about the throne, in sight like unto an emerald. And round about the throne were four and twenty seats: and upon the seats I saw four and twenty elders sitting, clothed in white raiment; and they had on their heads crowns of gold.” John was immediately caught up into heaven. And now in heaven, he is before the throne of God. Church, he is no longer in 96 AD. His body remains way back in time in 96 AD, but his spirit was projected into a future period of time, in what I call a spiritual time travel, to behold an event that was to take place many centuries down the road! Now, he sees the one sitting on the throne, Jesus Christ the Immortal Son of God, who is veiled with the majesty, glory, and power of the Eternal Spirit God. He also sees the scroll of redemption, sealed with Seven Seals, in the hand of Jesus Christ, the Lamb of God, sitting on the throne, as Chapter 5, verses 1-5, records: ***“And I saw in the right hand of him that sat on the throne a book written within and on the backside, SEALED WITH***

SEVEN SEALS. And I saw a strong angel proclaiming with a loud voice, Who is worthy to open the book, and to loose the seals thereof? And no man in heaven, nor in earth, neither under the earth, was able to open the book, neither to look thereon. And I wept much, because no man was found worthy to open and to read the book, neither to look thereon. And one of the elders saith unto me, Weep not: behold, the Lion of the tribe of Juda, the Root of David, hath prevailed to open the book, and to loose the Seven Seals thereof. And I beheld, and, lo, in the midst of the throne and of the four beasts, and in the midst of the elders, stood a Lamb as it had been slain, having seven horns and seven eyes, which are the seven Spirits of God sent forth into all the earth. And he came and took the book out of the right hand of him that sat upon the throne. And when he had taken the book, the four beasts and four and twenty elders fell down before the Lamb, having every one of them harps, and golden vials full of odours, which are the prayers of saints.” This

prophetic setting shows us the Investiture of Jesus Christ, by the Spirit of God the Father, which enabled him to sit on the throne of God in heaven. So, I now ask: Where exactly was John transported to, time-wise, to view the actual breaking of the Seals? Remember, that he also saw the twenty four elders sitting round the throne, which gives us the twelve patriarchs and the twelve apostles, and there was no vacant seat! I say this because he is one of the twenty four elders, being one of the original twelve apostles of Christ! Yet, all twenty four elders were seated, without any vacant seat, showing that John was also among them! This confirms the truth that John was way in the future time-wise, way past his day, way past his hour on earth, in this prophetic projection, for he was not in 96 AD!

I am simply showing you by the prophetic revelation of Jesus Christ, that the prophetic event John saw, has a specific time application, for it gives us the reality of the prophetic picture he saw in the spirit in that day, a prophetic time which gives us the reality John saw way back there, in a prophetic preview! In

other words, the fulfillment of what John saw in prophecy, now gives us the reality, as opposed to a mere prophetic event to come; for now we have the fulfillment or the reality of what the prophecy points to! I repeat: He was transported through time to view a prophetic reality. So, the question is this: What time was he transported into, to view the breaking of the Seals? That is the material issue we want to establish! So, we have to ask ourselves tonight: When were the Seals broken? Please do not ask the Pope of Rome, or the Bishop of Canterbury, and do not ask the religious world, for they do not have any clue! They are not following Jesus in a divine revelation of the Scriptures. All they have are their carnal traditions and ceremonies, mixed together with their creeds and dogma, and they are most happy with it! It is the bride of Christ that has the revelation of these things, because we are following Jesus in a true divine revelation of the Word of God. So, I ask again, knowing that there is a specific time application for the prophetic event of the breaking of the Seals: When does it apply?

Please do not ask Benny Hinn, whom I call the Caiaphas of the Pentecostals. Brothers and sisters, although the Bible did not expressly say that the prophecy will be fulfilled in year so and so, however, the fulfillment of a prophecy, gives you its precise time application! It does! Moreover, when you go through time, and see all the prophecies of God, rarely does the Bible give us the set time application of the prophetic utterances God gives! God simply sends His prophetic Word, and leaves its time application for the elect seeds of God to unravel, by divine revelation He gives to them, in its time of application! Hence, I said, that the fulfillment of a prophecy, gives us its prophetic time application. Period! The prophetic time application does not have to be written, for we are following God in a divine revelation which His Spirit gives, even as it is written: ***“I have yet many things to say unto you, but ye cannot bear them now. Howbeit when He, the Spirit of Truth, is come, HE WILL GUIDE YOU INTO ALL TRUTH: for He shall not speak of Himself; but whatsoever He shall hear, that shall He speak: AND HE WILL***

SHEW YOU THINGS TO COME. He shall glorify me: for He shall receive of mine, and shall shew it unto you. All things that the Father hath are mine: therefore said I, that He shall take of mine, and shall shew it unto you”! (John 16:12-15). I repeat: More often than not, ninety nine percent of the prophecies recorded in the Holy Bible, do not give us the time they will apply. God just gives us His prophetic Word, and leaves His Spirit to deal with His children, as to its time application, nearing its hour of fulfillment, or at the hour of its prophetic application. Period! Church, that is precisely what happened in 1963, and even prior to 1963! Prior to 1963, just before the hour of reality, just before that time came, God dealt with his prophet, William Branham, wherein he went west in a prophetic vision, in order to let him know something was coming, and he took a message, titled, ***“SIRS, IS THIS THE TIME?”*** At that time, God began to deal with His children in dreams, to show them something to come, posting them ahead, all of which synchronized. But the principal dream was the one given to

Raymond Jackson, concerning *The Rock of Revealed Truth*, a dream which Brother Branham used a lot, particularly as the basis of his message, not only when he was preaching, *Sirs, Is This The Time*, but also when he was preaching on *The Revelation Of The Seven Seals*. In that prophetic dream which Brother Jackson had, God used Brother Branham to open up a portion of the rock of revealed truth, which had never been opened up before, allowing the saints of God to see something that had hitherto never been seen by man, thereby giving us an insight into something very rich and extremely deep, all which pointed to the opening of the Seals, which later took place in March 1963! And I re-affirm: Chapter 6 of the Book of Revelation, is relative to 1963, because that is the year of the opening of the Seals! And let me tell you tonight, that God fulfilling something, explains something. God fulfilling a prophecy, is the interpretation of the time application of that prophetic event. Full stop! If God had not fulfilled it; if it was not opened in 1963, we would not have known what we know tonight; and we would

not have been able to go into what we are going into tonight. So, the fact that we know what we are talking about tonight, by the revelation of the written Scriptures; the fact that we can establish the revelation of the Seals, strictly by the light of God's Holy Writ, confirms that God has fulfilled it, which is why we can face the whole wide world with its truth, with our shoulders held high, for we have received something, and hence, we certainly know something. I am making a serious point in relation to time. I am saying that the time application of the opening of the Seals has been given to us, for the Seals have been broken, and also unveiled, letting us know without any iota of doubt, the precise hour of time that John was transported to view in his day! It lets us know that John was transported to 1963, the very year Jesus broke the First Six Seals in heaven! And as Jesus promised us in his Word, at the time of the breaking of the Seals, Jesus sent his angels to his servant, William Branham, to shew him the things of God; for when the hour came for the Seals to be broken, the prophet heard a giant blast on the mountain, like a giant

earthquake, and he thought he was being blown out of existence, dead! But it was actually the voice of God that he heard, for that was "**the noise of thunder**"! And when he looked up, here came a constellation of seven angels, coming straight at him, with a terrific speed, and he was caught up in that angelic constellation! What day was that? It was in 1963, at the hour of the breaking of the Seals! It takes a people following Jesus in a divine revelation to know that! He was told that it was the hour of the opening of the Seals, and the revelation of the Seals were given to him, one Seal per day, by the angel carrying the revelation of each Seal, as Jesus was breaking them in heaven! Oh, my! This enabled us to know that the prophetic setting John was caught up to preview in heaven, recorded in Chapters 4, 5, and 6, is relative to 1963.

What happened coming to the month of March 1963? Let us now go back to the Book of Revelation Chapter 6, and run it through. Verse 1 declares: "**And I saw when the Lamb opened ONE OF THE SEALS**", (specifically

the First Seal), "**and I heard, as it were the noise of thunder**", (which is the voice of God, which was what sounded in 1963, when Brother Branham heard a giant blast, sounding as if a giant earthquake had struck the mountain), "**one of the four beasts saying, Come and see.**" Who is the first beast? It is the beast with the head of a lion! How do we know that? Revelation Chapter 4, verse 6, gives it to us! Do not forget that there are four beasts around the throne of God in heaven, as revealed in verses 6-8 of Chapter 4, which states: "**And before the throne there was a sea of glass like unto crystal: and in the midst of the throne, and round about the throne, were four beasts full of eyes before and behind. And the first beast was like A LION, and the second beast like A CALF, and the third beast had a face as A MAN, and the fourth beast was like A FLYING EAGLE. And the four beasts had each of them six wings about him; and they were full of eyes within: and they rest not day and night, saying, Holy, holy, holy, Lord God Almighty, which was, and is, and is to come.**" These

four beasts around the throne, (having the face of a lion, a calf, a man, and a flying eagle), therefore, form a scaffold around the throne, for they form a scaffold around the revelation of Jesus Christ, the one who sits on the throne. I repeat: The four beasts are like a scaffold that covers, or that hides, or that shields, the revelation of Jesus Christ; because Jesus is the one on the throne; and these four beasts form a shield around him, veiling his revelation from human view! Halleluia! It is so, because the four beasts represent or characterize the four Anointings God has used consecutively, in the Seven Church Ages, to guard and guide His church. It means in essence, that it takes the Spirit of God allotted for the hour, to deal with you in a divine revelation of the Lord, before you can have the true revelation of Jesus Christ, or before you can see Jesus in a true divine revelation. Why, you may well ask? It is because you have to break through the veil, by the Spirit of God! Halleluia! So, the first beast in Revelation Chapter 6, verse 1, which is the lion beast, said, **“COME AND SEE.”** And what came out? What did John see? The

first horse rider, which was the white horse rider! That lets us know, church, that ever before the first horse rider stepped on the scene, God was already on the scene, ahead of the devil, for God is always one step ahead of the devil! Verse 2 records: **“And I saw, and behold A WHITE HORSE: and he that sat on him had A BOW; and a crown was given unto him: and he went forth conquering, and to conquer.”** Church, The Seventh Day Adventists say, that the white horse depicts when the Gospel went forth in purity, because it is a white horse, and white represents the purity of the Gospel. What a carnal way to interpret the deep things of the Spirit of God! What a way to interpret prophecy! Brothers and sisters, **The Four Horse Riders** have nothing to do with God; for it gives us nothing but the four moves of the spirit of Satan, the opposer of the truth, just as **The Four Beasts** around the throne, give us the four Anointing moves of God, against the onslaught of the devil! Consequently, saints of God, the white horse rider is the spirit of the Anti-Christ, going forth in the first church age, moving in

deception! The infallible proof of this truth is this: It is expressly written that the white horse rider **“WENT FORTH CONQUERING, AND TO CONQUER”**, **AND YET HE HAD NO ARROW!** He had a bow, but he had no arrow, and yet, **h e w e n t a b o u t “conquering, and to conquer”!** In other words, he not only conquered as he went along, he actually set out with the main objective of conquering people! However, the issue is this: How could he go about conquering, and to conquer, with just a bow, without a single arrow?! What does that show you? It infallibly shows that he is a bluffer! Precisely! He is a bluffer! What then was he using to conquer? Deception! He was and is still using deception! It is the spirit of the antichrist in projection! It is the going forth of the spirit of the Anti-Christ, in the first age of Christendom. That was precisely why he had a bow, but no arrow, and yet he was able to conquer! So, we know by that, that what he was using to conquer people, is not the bow, for he had no arrow to shoot, but strictly deception, pure and simple. Who then is this rider? It is the spirit of the antichrist, as he

stepped out in time, at the opening of the grace age, to war against the kingdom of light, which is the kingdom of God, which is the church. However, God is one step ahead, because before the devil ever makes his move, the Spirit of God always moves ahead, and hence, He is always on ground, in the ministry, to checkmate the move of the enemy of the soul of man. And let me tell you tonight, you will never live a victorious life; you will never live an overcoming life, overcoming the spirit of the day, without following Jesus in his Continuous light, which is the standard of truth Jesus gives, in your own hour and or junction of time! Because it is **THE PRESENT TENSE LIGHT**, (or the **"THE PRESENT TRUTH"**), God sets in your hour or junction of time, making up the Continuing or the Progressive light of the Word, that gives God's children the prevailing power, over the spirit of the Anti-Christ! And that is the truth! Outside of that, you have nothing with which to overcome the devil! Nothing can overcome the spirit of the age, except the standard of truth God sets in every hour and junction of time; Not the standard of yesterday; for the light of

each subsequent hour always gets brighter than its preceding hour, for God always moves higher, ever higher! Therefore, it is impossible to overcome the devil, except by the standard of truth God has set for His elect seeds today, in this junction of time, over the current moves of the devil! That is a fact! Coming back to the first horse rider, the white horse rider, before the devil made his move, in the first age, God was one step ahead; for before the antichrist spirit made his entrance, the anointing of God was already on ground: The spirit of the lion. And the lion is the king of the jungle. Oh, my! No sooner had they taken Peter, and locked him up, God sent an earthquake for him! Halleluia! Here came an angel of God, he busted all the bars, busted the chains, put the guards to sleep, and said, *"Peter, follow me."* The door opened of its own accord. Halleluia! Peter thought he was sleeping, but he was not sleeping. Peter thought he was dreaming, but it was not a dream. Peter thought it was a vision, but it was more than a vision; it was reality! And when they got to a junction, away from the prison

house, the angel instructed Peter, *"Go on, continue preaching."* In the morning, the king said, *"Go and bring the men, and let us kill them."* They said to him, *"They are not there."* Yet, the guards were there; the doors were shut securely; the bars were intact, for everything was there as it had always been; the cell was still padlocked tight, and the guards were still standing on guard! However, the men were nowhere to be found! The king was so mad, and as such, he killed all the guards! They told him, *"The men you are looking for, are preaching out there."* Another time, brothers and sisters, they took Paul and Silas, men that stood for truth, beat them mercilessly, and threw them in jail. But in jail, they prayed and they sang. Saints, God sent an earthquake for them! All the chains broke, and every prisoner was set free! In that awesome experience, the jailor wanted to kill himself, thinking all the prisoners had escaped, but Saint Paul called out to him, saying, *"Do not kill yourself; we are all still here."* Halleluia! Right in the middle of the night, the jailor came and threw himself at the feet of Paul,

saying, "What can I do to be saved?" He did not tell him, "Well, you must first take a baptismal examination; and when you pass the exam, then we will baptize you." No, for the just shall live by faith! Brothers and sisters, without any baptismal exam; without any test; but just by believing, his whole household were baptized that same night! Why? You could not stop the Spirit from moving in that first age of Christendom! It was the lion anointing! This reminds me of the anointing on Samson. It is like the lion anointing. You could not scare the Spirit on Samson, because the Spirit on Samson was the Spirit of Jesus Christ, the Lion of the tribe of Judah! Whenever they shouted on Samson, it awakened that anointing. Oh, my! When they shouted against Samson, the lion Spirit in him roared in response! I show you the white horse rider! It was not the going forth of the Gospel in purity, as the Seventh Day Adventists falsely teach, but it is the going forth of the spirit of the Anti-Christ in deception, using nothing but falsehood or untruth, to kill the people, spiritually. Neither was the rider of the white horse Jesus Christ, the King of kings and Lords of lords, but

the Anti-Christ spirit, who was later crowned through the papacy, when the Bishop of Rome took over the seat of the emperors of Rome! Brothers and sisters, he had a bow, and no arrow, and yet, he was conquering everywhere. It was not the Gospel going forth in purity at all; it was the entrance of the antichrist spirit working in deception! Period! But the anointing of the lion, one that cannot be stopped, being the king of the jungle, and who knows no retreat, was on ground to checkmate that! So, here is the revelation of the First Seal. Brothers and sisters, it is so simple. You do not need to climb the mountain to see it, and neither do you need a college degree in order to understand it, as long as you have an open heart, and a love for truth. Period!

We now come to the Second Seal. Verse 3: "**And when he had opened the Second Seal, I heard the second beast say, COME AND SEE.**" This confirms that God's anointing is always on ground, ahead of any move of the devil, for here we see the anointing of the Calf or Ox, released on men, preceding the second

move of Satan. Hence the second beast said: "**Come and see**", ahead of the entrance of the second horse rider! COME AND SEE THE ENTRANCE OF SATAN! It therefore shows that in order to overcome the spirit of the antichrist in any age or junction of time, we must follow the Holy Spirit revelation of truth, for our very hour of time! It is "THE PRESENT TRUTH" that can overcome the spirit of Satan, in our hour of time! Nothing else will work! I repeat: Before the devil ever makes a move, God is one step ahead, in a current move, which is the current move, in the current anointing. And as such, if you do not follow God in the Continuity of His revelation, which is in the currency of His anointing, in the currency of His revelation, how can you see the deception of the devil; the move of Satan? So, here came the second beast. What is the second beast? It is a Calf or an Ox, which is a beast of burden. It can take whatever it is you give it! Send it to the slaughter, and do with it as you wish, it will take it all! Take it to the abattoir, cut it up, maim it, kill it, anything you want to do to it, it can take it! It was the grace God gave His children, beginning from

the second church age, enabling them to face martyrdom! The devil realized, *"The standard of the lion anointing is not allowing my deception to work."* Because no sooner had he entered the town, working through his false preachers, Apostle Paul would write an epistle, saying, *"Those who are troubling you, I wish they were cut off. Throw them out!"* And the saints told the men, *"You preachers are not speaking like Apostle Paul, for you are carrying a different message... So, get out!"* Oh, my! And here later came Saint John; he also stood against that evil spirit, and his children had to pack their bags and baggage, saying to one another, *"That man is a hard man. Let us leave him. He will not be alive forever. Let us go. We will come back later. Come, let us go for now. He will soon be dead."* Satan therefore had to change his tactics, and he got on another horse! Brothers and sisters, the second beast anointing, the Calf or Ox, like the first beast anointing of a lion, gives us the standard God raised against the devil, in the second age; for the anointing of a calf, a beast of burden, was what God released upon His people,

in order to give them grace, enabling them to take whatever the devil threw at them, as they faced great persecution and martyrdom! Verse 4: ***"And there went out another horse that was red: and power was given to him that sat thereon to take peace from the earth, and that they should kill one another: and there was given unto him a great sword."*** Here we see the red horse rider. It is the same spirit of the antichrist, changing tactics, moving from one horse to another, in his desperate onslaught against the children of light, for his desire is to conquer the kingdom, although he will fail in this evil bid. However, now as a red horse rider, he has been allowed to take peace from the earth, and set in motion a blood bath against the children of God, opening up the age of martyrdom. His thinking is this: *"If I cannot deceive them, and thus derail them, let me wipe them out; let me kill them all; let me exterminate them!"* This brings us to the second church age. It opens up the age of martyrdom; mass martyrdom, when the children of God were being burnt on stakes, fed to lions, tortured to death. Are

you with me? Everything the devil could do, he did! Women had their unborn babies ripped out of their stomachs and fed to dogs, and the women were left to bleed to death; men had their tongues cut out to incapacitate them, stopping them from preaching; and many were buried alive, for daring to make a stand for the truth of Jesus Christ. But the more he killed them, the more conversions the occasion brought about! The more he killed, the more converts were gotten as a result, for people desired what these saints had, that enabled them to face death with a song of redemption! Brothers and sisters, the Gospel was working so mightily and effectively, and the conversions were enmasse! It was the hour of mass conversions, by the power of the Spirit, for it was still the hour of the going forth of the Gospel of salvation, the Good News! Come and see, as they faced hungry lions, in the open arena in Rome, the Roman Coliseum, whilst singing:

"See you in the rapture; I'll see you in the rapture;

I'll see you at the meeting in the air..."

Looking at the calm and serene attitude of the saints in the arena, in Rome, Emperor Nero said, *"Oh, these people are not human! Look at how they sing! They are facing hungry lions and singing! And they are dying with smiles on their faces!"* Yes! They had an anointing, the anointing of a calf! Halleluiah! Just as a calf or an ox would go to the abattoir without resisting or crying, so God anointed His children to face death with a calmness of spirit! They said, *"Satan, bring it on! Make me a martyr!"* And they put their necks on the guillotine blocks, and the devil possessed priests chopped off their heads! Brothers and sisters, they knew they would rise in the morning, obtaining a better resurrection! Praise the Lord! God lifted a standard by His Spirit in that day, and the devil realized that his attempt to stamp out Christianity by killing the saints would not work either. He had to change tactics again, but God however, was still one step ahead. This brings us to the next move of Satan, as he rides yet another horse. God also lifted a standard ahead of that new move of the devil. Halleluiah! Verse

5 declares: ***"And when he"*** (Jesus) ***"had opened the third seal, I heard the third beast say, COME AND SEE."*** Who is the third beast? The one with the face of a man! And what did God release this anointing to checkmate? ***"And I beheld, and lo a black horse; and he that sat on him had a pair of balances"*** (or measuring scales) ***"in his hand. And I heard a voice in the midst of the four beasts say, A measure of wheat for a penny, and three measures of barley for a penny; and see thou hurt not the oil and the wine."*** Commenting on this prophetic verse of the Bible, Morris Cerullo said words to this very effect: *"You see, a measure of wheat for a penny, and three measures of barley for just a penny, shows prosperity in the time of famine. God will bless His people, so much so, that they will buy so much, for such a small amount of money, because God will bring unusual prosperity in the earth."* I looked at the miserable man! He said: *"You see, prosperity is coming. Even in times of famine, you are going to prosper. God is going to prosper you."* Brothers and sisters, if it were not for the

grace of God, we would be following just anything the devil throws out there as revelation, and we would eat just about anything that we are given by men. As a matter of fact, when we were still out there in the world of organized religion, we were eating everything that was served to us as divine revelation! Grace brought us out. Thank God for grace! I watched Morris Cerullo on cable television that day, and I shook my head, knowing the truth of this Seal, which God gave to us through the prophet to this age. ***"And I beheld, and lo a black horse; and he that sat on him had a pair of balances in his hand. And I heard a voice in the midst of the four beasts say, A measure of wheat for a penny, and three measures of barley for a penny; and see thou hurt not the oil and the wine."*** Church, the third horse rider starts at the beginning of the reformation era in the fifth church age, and God knew the devil was going to change his tactics. Satan had instituted a blood bath against the church, right from the beginning of the second church age, after his first move in deception, working through the white horse, did not work. And

from the second church age, right up to the fourth church age, in the dark ages, the red horse had ridden with great venom. Thus, coming to the 11th, 12th, and 13th Centuries, when we had the Spanish Inquisition and other Inquisitions, it was still that red horse riding through the land, till time moved to the beginning of the reformation. It produced a lot of martyrs, until the Church of Rome admits in her own Martyrology, to having killed sixty eight million saints. But only God knows the amount of people they slaughtered! But by admission, the Church of Rome admits to killing sixty eight million martyrs, and yet, she calls herself the church of the living God! No wonder Saint John, in the Book of Revelation Chapter 17, saw her drunken with the blood of the saints, and with the blood of the martyrs of Jesus Christ, and he wondered with great admiration! What a woman! She is nothing but an apostate church, through and through, the greatest machine of deceit the devil has ever invented, to carry on the idolatry of the Roman Beast Empire, under the guise of Christianity! So, realizing that the more he killed, the more mass

conversions it invited; because people saw them with a grace, and they suddenly realized, *“Wow, there is something to these people! They are going to their death smiling! These people are facing death; they are facing lions with a song! I too want what they have!”* And people were leaving the Amphitheater to take their place, and as they were being slaughtered, brethren, they were being killed too! So the more they killed, the more the mass conversions it caused! And the devil realized: *“Killing them is not going to work, for I will never be able to stamp them out that way. I need to change tactics again.”* But God was one step ahead of the move of Satan. Thus, God anointed the intelligence of men, to counter the grand deception of Satan. This brings us now to the beginning of the Reformation, the beginning of the 1500s, as the spirit of the Anti-Christ got on his black horse, with a scale in his hand, to measure meal. But this is spiritual meal, or rather, it is what is supposed to be a spiritual meal. It lets you see, brothers and sisters, that the Church of Rome, being inspired by the Anti-Christ,

is going to sell religious services, for that is what is depicted here in prophecy. The Church of Rome, not only sold Indulgencies, (giving the poor folks mere certificates issued by the church, supposedly covering their sins, and absolving them from their sins, whether past, present or future, for a sum of money), she also sold every religious service she offered the people, and still does, even as we speak today. ***“And I beheld, and lo a black horse; and he that sat on him had a pair of balances in his hand. And I heard a voice in the midst of the four beasts say, A MEASURE OF WHEAT FOR A PENNY, AND THREE MEASURES OF BARLEY FOR A PENNY; and see thou hurt not the oil and the wine.”*** No, this prophetic passage does not give us prosperity as Morris Cerullo teaches and wants us to believe. Forget that nonsense! It is not prosperity at all. It is how the devil, working through the Church of Rome, would begin to sell religious services, including the sale of indulgencies, for the measure of ***“wheat”*** and ***“barley”***, gives us natural food, which only represents what ought to be true

spiritual food, which is the Word of God, which God's children hunger for! However, the Church of Rome sells everything, and yet, what she sells as food is nothing but spiritual junk, for it is totally defiled bread, completely leavened up! If you want a burial service for a loved one, you pay for it. If you want baptism, you pay. If you want the church to conduct a naming ceremony, you pay. There is absolutely nothing you do in the Church of Rome that you do not pay for, for they sell all religious services, even as we speak! Hence it is written: ***“a pair of balances in his hand... A measure of wheat for a penny, and three measures of barley for a penny”!*** Everything is for a penny, whether it is wheat or barley, simply meaning that everything is for money! Period! **Everything is for sale!** That is what that prophetic passage means! The Church of Rome sells everything! But God told the spirit of the antichrist that is ruling that church system, saying: *“You can sell all your religious services, but you cannot touch my oil and my wine. You can sell everything else you want; you can make merchandise of religion; But my oil and my wine, you do not have*

any right to it, let alone touch it, because it is not yours to have or sell!” ***“... and see thou hurt not THE OIL AND THE WINE.”*** What is the oil and the wine? The oil is the emblem of the Holy Spirit! Wine on the other hand, is a stimulant, for it is a stimulating drink. It speaks of the divine stimulation which the seeds of God receive in their soul, from the divine revelation of the Word of God! And truly, the Church of Rome can sell all her creeds and dogma; she can sell all her idolatrous religious services, called ***“Mass”***; she can sell all her images and relics for money; but she has no ounce of truth to give, and therefore she has no ounce of stimulation of revelation; she certainly has no Holy Spirit to give either, for these are two things she does not have and cannot touch, let alone sell! Full stop! Are you with me? God seriously warned the devil, saying: ***“... and see thou HURT NOT the oil and the wine.”*** What is that showing us? It is that God knew that the move of the antichrist was going to pacify the people, selling blatant lies to them, giving them false hope. That was when they instituted the false Doctrine of Purgatory,

claiming that you can even buy your family and loved ones out of purgatory into heaven, avoiding hell, if you have the money; and yet, there is no purgatory anywhere, except here on earth, before we die, for here is where we must all be purged, by faith in the redeeming power of Christ, or we perish! Here you must purge yourself, by faith in the blood of the Lamb, or as a Gentile, you are going straight to hell! I am simply showing you the black horse rider, for the spirit of the antichrist needs a body to manifest through. So here come the priests of Rome. They always have that white collar, that turned-around collar. Their collar never faces the front; it is always turned around, just as their faith is. But here they came in that day, selling Indulgencies, and also selling false certificates to the poor folks, releasing their loved ones from purgatory, for a monetary price! Our brother, Brother Kallie Schaffers, just lost his dad. May God bless my brother, and may the Lord comfort his heart. He lost his dad a week to the time I lost mine. He called me last month, whilst we were away on missionary work in India, and said, ***“Brother Amos,***

I just lost my dad." A week later, I also lost mine. God is sovereign. May God's name be praised! Amen. It is well, for our God is good, and perfect in all His ways; perfect in all the things He allows. The truth, however, is that the people bought the lie of the Church of Rome, and were buying indulgencies. They also began buying false certificates which supposedly released their loved ones from purgatory, so they would not go to hell as well. They appealed to the power of the love people have for family. And so, they paid for their great-great-grandfather to get out of purgatory, which is nothing but a fabrication of the devil, being nothing but a blatant lie! That is how the Church of Rome made her money. Do not ever think that the Basilica in Rome was built with legitimate donations. They fleeced the people! They fleeced the nations of the world of their wealth, and impoverished them! Look at what they did to the nations of South America! The Church of Rome impoverished those nations, for they fleeced them of everything they had, and ran them bankrupt! Knowing they were going to embark on grand deception, selling

religious services, indulgencies, and certificates to get out of purgatory, a place which does not exist, payment for mass, and all such services, through their deceptive oratory power, God anointed the intelligence of man, to checkmate this move of the spirit of the antichrist! The Church of Rome used priests who were great orators and debaters, men who could speak to convince the masses of people to believe their lies! They said: *"How can you close your heart to your loved ones? Is it for nothing that God has blessed you? How can God bless you, and you do not remember your grandfather who is now crying in purgatory, being in great anguish of soul and spirit? And is that not enough suffering? Would you also allow him to go to hell thereafter? What use is your money, if you cannot help him come out of torment? And all it takes is just a few dollars, and his soul will rise into heaven. You have houses and lands. What is a few dollars compared with the life of your grandfather?"* I am simply showing you how the priests of Rome sold their purgatory teachings to the people! It

was grand deception that they used, from town to town, and from city to city, with the sale of indulgencies, established to make money for the building of St. Peter's Basilica in Rome! But before it started, God being always one step ahead of Satan, released the anointing of man. This brings us to the opening of the fifth church age, for it brings us to the beginning of the 1500s, when God anointed Martin Luther, an Augustinian monk. This is the beast with the face of man. (Brother Amos points to the chart). It is how God anointed the intelligence of men, to checkmate the evil sophistry of the false ministry of Rome, who bombarded everywhere with a great deceptive reasoning ability, which was most convincing, and most compelling. Those were the days that God used highly educated men, who He anointed with higher wisdom, which is the wisdom of Christ, enabling them to confound the evil genius of Rome! We are looking at men like Martin Luther, John Calvin, John Knox, William Tyndale, John Wesley, men whose words could not be contradicted! When they stood before the priests of

Rome to debate with them, they were mad at them, because they could not scripturally contradict their words, which burned like fire! Just look at the defense of John Huss and William Tyndale before the religious councils they faced! The councils had no comeback to their defense of the Word! Eventually, they burnt both men alive, in their respective hour of time! But it did not make a difference to truth! Halleluiah! That was the time when these men began to say under divine inspiration, *"The Bible is locked up in a foreign language, left only to the priests of Rome to interpret according to their whims and caprices, in order to bind the people in total ignorance of the truth. We must translate it into the common man's language, the language the people can read and understand."* Men like John Wycliffe, Martin Luther, William Tyndale, and Miles Coverdale, began to translate the Bible into the common man's language. They stood before the Church of Rome under the anointing of man, and the Church of Rome could not withstand their wisdom, and the power of the presentation of truth, for they possessed great divine

reasoning power. Brothers and sisters, it was a move of God! I show you the anointing of the face of man! It was released to checkmate the spirit of the black horse rider. The black horse rider was not about the prosperity of God's children at all, whether material or spiritual, except we are speaking of the material prosperity of the counterfeit church, which is the Church of Rome; but the black horse rider, being the spirit of the antichrist, was about the selling of religious services. Period! And as we speak tonight, Rome still sells everything! That black horse was galloping all through the fifth and sixth church ages, but was rendered ineffective by the power of the beast with the face of a man. And now we come to the last church age, which is the seventh and final church age.

God knew that the devil, having lost the battle, would change his tactics, and God knew precisely what the devil would do in his final move. Remember, all these horses are riding straight to hell. What did God do? God first raised up a standard. And what standard did He raise for this age, for we are now

looking at our day, this very day, this seventh and final age, the Laodicean church age? What standard did he raise? What Anointing did God send? Let me tell you tonight, He did not send an anointing characterized by any land animal, or land creature. A lion is wonderful, it is great, being the king of the jungle, but it is an earthly creature, nonetheless. An ox or a calf can withstand much, for it is strong, and can bear whatever is thrown at it. Nevertheless, it is still a land animal. It is still an earth bound animal! Halleluiah! Man is the crowning of the glory of God's creation. Hence King David exclaimed: *"What is man that thou art mindful of him? For thou hast made him a little lower than angels. And thou hast crowned him with glory, and hast put all things under his feet."* God anointed the intelligence of man in the Reformation, but brothers and sisters, man is still an earthly creature. God now decided in this last age, *"With the deluge of hell which the devil is about to unleash, I will take a heavenly creature to project my anointing for this last age. I will simply take my elect seeds from the earth, and put them in the*

sky, by divine revelation, way above the storms of the devil. Now Satan, if you can fly, catch them; let me see you catch them!" So, what did God do? He released an anointing! Come with me, church. Verse 7: **"And when he had opened the Fourth Seal, I heard the voice of the fourth beast say, COME AND SEE."** This fourth and final beast, wraps up the move of God for the bride church. What beast is that? **"... and the fourth beast was like A FLYING EAGLE."** Please note that it is not a stationary eagle, and neither is it an eagle perching or resting on a tree somewhere. **IT IS A FLYING EAGLE; AN EAGLE IN PERPETUAL MOTION:** Because it is the anointing of *"The Walking Voice."* It is an anointing that lifts the bride into the sky, causing her to be in continuous revelatory motion, gliding ever higher, on the wings of divine revelation, where the devil cannot touch her! Halleluiah! God simply took the bride from the ground, and put her in the heavens, and said, *"Now, Satan, catch her if you can!"* And church, that shows that the anointing of the bride in this final church age, is loaded with mega revelatory power, which is why it is

characterized by a flying eagle, which is an eagle in perpetual motion! It is the power by which she is climbing and mounting on the clouds of unparalleled divine revelation, as she flies into heaven, into God's very presence! And nobody can follow the bride in her revelatory flight, except you are also an eagle; otherwise, you will pack up! You have to! My! The Spirit of the flying eagle, simply gives us the prevailing power of continuous divine revelation, setting the bride ever higher, than the devil can ever fly, or than whatever the devil may throw at her! But what is the **"flying eagle"** anointing standard guarding against, for the standard has been set to guard against something? We will take it from verse 7 again, and it states: **"And when he had opened the Fourth Seal, I heard the voice of the fourth beast say, COME AND SEE. And I looked, and behold a PALE HORSE..."** A pale horse is a grey horse. It is not white, and neither is it black. Remember, all the other horses are horses with a specific colour. The first one is white; the second is red; the third is black; and now the fourth and last

horse is said to be a pale horse. But there is no pale horse in reality. As such, the **"pale"** colour actually represents grey, for what John described as pale, is grey, thus giving us the grey horse. **"And when he had opened the Fourth Seal, I heard the voice of the fourth beast say, Come and see. And I looked, and behold a pale horse: and HIS NAME THAT SAT ON HIM WAS DEATH, AND HELL FOLLOWED WITH HIM. And power was given unto them over the fourth part of the earth, to kill with sword, and with hunger, and with death, and with the beasts of the earth."** Brothers and sisters, this horse is galloping straight to hell, and Hell is following with him. Everything that is bound for hell is being drawn by this horse, straight to hell. I do not care whether it is people in the Message Movement, or folks in the Denominational religious world, everything bound for hell is being packed along by this horse rider! Anything and everything that is not meant for life eternal, is being packed by this horse! My! **THE NAME OF THE RIDER HIMSELF IS DEATH! "AND HELL FOLLOWED WITH HIM"!**

Saints, the body of the horse represents Ecumenism, for the horse, being a beast, represents power! We are therefore looking at Ecumenical power, which is nothing but an amalgamation of **Roman Catholicism AND Protestantism!** That is what makes up the body of this horse! And in order to get its colour, it takes a good mixture of white and black, to get the grey colour it has, which gives us nothing but spiritual babel. I repeat: The body of this grey horse beast, gives us nothing other than the Roman Catholic Church Organization, plus the entire Protestant Churches, inclusive of all organized systems of religion, whether Denominational, Inter-Denominational, or so-called Non-Denominational. As long as you are not following the light of Christ, you are all part of the package of hell! Period! The rider is Death, and Hell is following him. He is pulling everything in the religious world meant for hell, and bound for hell, as he gallops to hell! This prophetic projection gives us where it all ends, brothers and sisters, for it gives us the end of what God started, and what Satan also started. It plainly

lets us see that the horse riders are riding straight to hell, regardless of the horse! Why? It is simply because this is the hour of harvest! This is where the seed sown in the beginning age, is harvested, for it is the hour of the maturing of seeds, both good and bad. God is certainly going to get a bride for His Son Jesus Christ. But so will the devil also be married to the World Church. Yes! The World Council of Churches will be married firmly and absolutely to Lucifer, **“the beast”**, in the last half of the 70th Week of Daniel! That is why we are not part of the World Church, or of the World Council of Churches, for we are the bride of Jesus Christ! That is why we do not join Ecumenism, and we do not belong to any Christian Association whatsoever, for as it is written in Amos Chapter 3, verse 3: **“CAN TWO WALK TOGETHER, EXCEPT THEY BE AGREED?”** Certainly, two cannot walk together, unless they be agreed on the strict basis of the Word of God! Hence, not even the Christian Association of Shomolu Local Government will we join, for the end of all such associations is the Lake of Fire! Brothers and sisters, I

show you the grey horse! But notice that ever before the devil got on the grey horse, God had already lifted a standard, for He released the flying eagle anointing on His servant, a mighty eagle prophet, to checkmate the move of the spirit of the antichrist. And in early sixties, as Pope John XXIII, picked up the prayer of Jesus Christ, recorded in John Chapter 17, verses 20-21, pleading carnally to the whole of Christendom, **“THAT THEY ALL MAY BE ONE”**, William Branham, the Elijah of this end time screamed, warning the elect bride: **“DO NOT JOIN THE ECUMENICAL MOVEMENT! DO NOT JOIN THE WORLD COUNCIL OF CHURCHES: IT IS THE IMAGE OF THE BEAST! DO NOT LISTEN TO THE POPE! THAT IS THE GREY HORSE RIDER GOING FORTH!”** This eagle anointing lifted the bride saints from the ground into the sky, way above the deluge of hell, where the devil cannot touch or harm us, causing us to mount higher and higher since then, in progressive light, and we can only continue to mount, until we see Jesus in the sky! Halleluia! Therefore,

God took a heavenly beast, a bird of the skies, to characterize the anointing we have received at this end time, rather than that of a land animal! Brothers and sisters, we are eagles, God's eagles! We are not chickens, for chickens do not fly! Hence it is written: ***“For wheresoever the carcase is, THERE WILL THE EAGLES BE GATHERED TOGETHER.”*** (Matt. 24:28). We are eagles, brothers and sisters! And if you are an eagle, you will fly with truth; because every eagle will mount on the wings of divine revelation, gliding in the realm of God, for truth is ever marching progressively on! ***THE EAGLE IS STILL FLYING***, because the Spirit of God we received is that of ***“A FLYING EAGLE”***; which is an eagle in motion, an eagle in perpetual and continuous motion! And in following God in His continuous divine revelation of the Scriptures lies our refuge, our security. Consequently, we must understand, that this prophetic projection shows that the revelation of the true bride will not stop, for God will lift her higher and higher, in divine revelation, until we meet Jesus in the sky, and together, we will go up for

the marriage, and for our honeymoon, for under this flying eagle anointing, we go up, literally! And together, we are coming back again to earth, to rule and reign over this planet, for one thousand solid years. Brothers and sisters, I show you the four horse riders, and I also show you the four beasts. But remember, the anointing of the flying eagle is what is going to take us up, for it is the anointing that connects the two Jewish prophets as well. Please take note of this fact very well, because it is going to make meaning tomorrow, when we take our next message. Under the anointing of the flying eagle, we are going up. Because in this age, as we shall see, the rapture of the bride, which is going to take place under the Seventh and final Seal, is still under the anointing of the flying eagle, because that Fourth Seal has application, strictly in this seventh and final church age! Whilst the Fourth Seal gives us the opening of the last age, the Seventh Seal gives us the closing of the age. Hence, after the fourth beast, there are no more beasts, and neither are there any more horse riders! Can I hear Amen?! Yes! Why is this

so? It is simply because this is where it all ends: The moves of God, and the moves of the devil, each one of them battling to get a church! Christ will have his bride, and the devil will also have his own bride, which is the world church! The world church belongs to Satan. That is the World Council of churches! Let us move on, for we can now plainly see the Fourth Seal.

Revelation Chapter 6, verse 9 records: ***“And when he had opened the Fifth Seal, I saw UNDER THE ALTAR the souls of them that were slain for the word of God, and for the testimony which they held...”*** These souls, who were under the altar of God in heaven, were not slain for the testimony of Jesus Christ, but for Word of God, which in this prophetic passage, gives us the Old Testament, and for the testimony of it which they held. ***“And they cried with a loud voice, saying, How long, O Lord, holy and true, dost thou not judge and avenge our blood on them that dwell on the earth?”*** They are in heaven, and yet, they are crying for vengeance. Verse 11 states: ***“And white robes were given unto every one of them;***

and it was said unto them, that they should rest yet for a little season, until their fellowservants also and their brethren, that should be killed as they were, should be fulfilled.

Brothers and sisters, this Fifth Seal brings us to the souls under the altar, which is paradise! What are the souls under the altar killed for? They are martyrs of the faith of the Old Testament. They are believers of the Torah which Moses brought. This therefore makes them Jews. Moreover, because they died for the Word of God, and for the testimony they held, and not for the testimony of Jesus Christ, lets us know that they are Jews who died under Judaism. How do we know that? It is very easy. They were crying to God for vengeance! We see their spirits in heaven, and in heaven, they are crying to God for vengeance, saying: ***“Avenge our blood on them that dwell on the earth!”*** Brothers and sisters, you all know that no bride saint, no true Christian, will cry for vengeance, because Jesus says, *“Bless those who curse you. If your enemy is hungry, feed him; if he is thirsty, give him water to drink.”* And that is the truth!

He says, *“Do good to those who do evil to you, so that you may be the children of your Father who is in heaven; for He maketh His rain to fall upon the just and the unjust, and His sun to shine upon the just and the unjust.”* Is that right? Yes! Moses was the one who brought the law which demands, ***“AN EYE FOR AN EYE, AND A TOOTH FOR A TOOTH.”*** Such does not apply under the New Testament, for it is the message of grace. Is that right? Yes! But these ones are those who died believing in the Torah, which is the law of Moses. That is precisely why they are crying for vengeance! They are Jews who died under Judaism! Period! And church, in heaven, not on earth, but in heaven, they are given white robes of righteousness, which speaks of salvation. That lets us know that they were not followers of Jesus Christ, when they were here on earth. Nevertheless, they died faithful to the Torah, and now IN heaven, God gives them salvation, because the white robe of righteousness they received, speaks of eternal life; it speaks of salvation. But let me tell you tonight, that as a Gentile, if you do

not get your robe of righteousness down here on earth, whilst still alive, you will never be a saint of God, for you will never receive salvation up there in heaven, for you will just not be there. Simple! However, the issue is this: Why would God give salvation in heaven, to Jews who died under Judaism, in this grace age, when the New Covenant is in effect? It is because God blinded the Jews from accepting the message of salvation which Christ gives, so that He can have mercy upon us Gentiles. And since God blinded them, He cannot send them to hell at the same time, if they would have otherwise believed, had God not blinded them. Therefore, if they are faithful to the Torah, they will be saved, all by the sacrifice of Jesus Christ on the Cross of Calvary, for they all died looking forward to the Messiah, whom they do not know has come and gone! God's justice and equity cannot send them to hell at the same time, having blinded them for our sakes. That was why Apostle Paul declared in Romans Chapter 11, verses 25-32, saying: ***“For I would not, brethren, that ye should be ignorant of this***

mystery, lest ye should be wise in your own conceits; that blindness in part is happened to Israel, until the fulness of the Gentiles be come in. And so all Israel shall be saved: as it is written, There shall come out of Sion the Deliverer, and shall turn away ungodliness from Jacob: For this is my Covenant unto them, when I shall take away their sins. As concerning the Gospel, they are enemies for your sakes: but as touching the election, they are beloved for the Fathers' sakes. For the gifts and calling of God are without repentance. For as ye in times past have not believed God, yet have now obtained mercy through their unbelief: Even so have these also now not believed, that through your mercy they also may obtain mercy. FOR GOD HATH CONCLUDED THEM ALL IN UNBELIEF, that he might have mercy upon all. Consequently, since God blinded the Jews, He could not send them to hell at the same time, if they lived faithfully to the laws of Moses. Hence, the prophet to this age revealed that the Jews we see under the altar in this prophetic setting, are

those killed by Hitler during the Holocaust years of 1939-1945. However, we should note that this setting does not take in every Jew who died in that day, for it is not every Jew who believes in God, or who lives faithfully to God, for as it is written, ***"For they are not all Israel, which are of Israel."*** (Rom. 9:6-7). Some Jews, all they know and care about is money or Shekel, for they do not care for God in the least. Some of them even died cursing God! And that is the truth! But any Jew that is faithful to the Torah, the laws of Moses, in this grace age, will be saved; because Jesus shed his blood for them as well, for salvation is strictly of God; as it is written: *"I will love whom I will love, and I will have mercy on whom I will have mercy. It is not of him that willeth or runneth, but of God that showeth mercy."* Period! Salvation is strictly God's prerogative. But the issue is this: If God would save the Jews that died under Hitler's purge, during the Second World War, for being faithful to the Torah, what about the Jews who died before then, and what about the Jews who are dying now as we speak, who are also faithful to the Torah? I ask that, because

the revelation of God, and the standard of God, is one! The justice of God is one! That is the truth! That lets us know that every Jew who dies throughout the grace age, who is faithful to the Torah, will be given a white robe when they die, because salvation is of God. Period! But we Gentiles are not blinded by God. Consequently, if we are blind, we are willfully blind, because all that should be known of God, has been made plain to us at this end time! But many times, men's ego and pride, men's stubbornness, which is willful hardness, and men's selfish ambition, will not make them submit to the will of God! Brothers and sisters, they were given white robes in heaven. They are not Gentiles, but strictly Jews, and they were told to wait till their remnant brethren are killed, in the last half of the 70th week of Daniel. Brothers and sisters, I show you the Fifth Seal. It is not my revelation, for I was not the one God used to unveil this truth to the universal body of saints; but it has now become my revelation, for I also received it from the prophet by divine revelation from God, which is why I am able to set it forth by the Scriptures of

truth. It is the grace of God. The Fifth Seal shows us the grace of God to the Jews unto salvation, all through the Gentile age of grace. Why? Because God is the one that blinded them! And if God blinded them, He cannot send them to hell for it. And that is the truth! Thus saith the revelation of Jesus Christ! That is why it is in heaven that they are given white robes. And to give us their identity, they are crying for vengeance, because that is what Moses said in Exodus Chapter 21, verses 24-25: **“Eye for eye, tooth for tooth, hand for hand, foot for foot, Burning for burning, wound for wound, stripe for stripe.”** But as Gentile bride saints, we bless those who curse us, and pray for those who spitefully use us. Period!

Come with me to consider the Sixth Seal. Starting from verse 12, the Bible declares: **“And I beheld when he had opened the Sixth Seal, and, lo, there was a great earthquake; and the sun became black as sackcloth of hair, and the moon became as blood; And the stars of heaven fell unto the earth, even as a fig tree casteth her untimely figs, when she is shaken of a mighty wind.**

And the heaven departed as a scroll when it is rolled together; and every mountain and island were moved out of their places. And the kings of the earth, and the great men, and the rich men, and the chief captains, and the mighty men, and every bondman, and every free man, hid themselves in the dens and in the rocks of the mountains; And said to the mountains and rocks, Fall on us, and hide us from the face of him that sitteth on the throne, and from the wrath of the Lamb: For the great day of his wrath is come; and who shall be able to stand?” What is the Sixth Seal? It gives us the Day of the Lord, immediately following the last Week of Daniel. It ushers in the second physical coming of Jesus Christ, with the bride. That is when the sun will be turned to blackness, and the moon will become red. Halleluia! A giant earthquake rocks this planet, and tilts it out of its axis. Prophet Isaiah saw it, for he wrote that the earth **“moved to and fro like a drunkard.”** All these skyscrapers are coming down in that day! All the houses and corporations

men have built, and all their works, all their infra-structures, God wipes it all out, for He will wipe the slate clean, and start afresh! Brothers and sisters, unimaginable earthquakes will rock this planet, coupled with terrible fire, burning directly from heaven, and with fire also burning from beneath the earth, setting the globe into a giant inferno, in order to consume this planet! This is the end of man! It is the physical return of the Lord; it is the second physical return of Jesus Christ. This is where the world comes to a literal physical close, and the Millennium will be established. Brothers and sisters, this lets us know, that the Seventh and last Seal, is really not what ends everything, for this planet. It is the Sixth Seal that ends everything, for this planet, bringing the world to its literal end. But God juggled the divine recording of these events, that He may use revelation to put the picture together for His saints. So, people think that because the Seventh Seal is the last Seal, therefore, that is where everything ends for this earth, but it is not so! Everything does not end under the Seventh Seal, for everything ends in reality, under the Sixth

Seal, for the Seventh Seal fulfills before the Sixth Seal. Therefore, the Sixth Seal is really the last Seal to be fulfilled, for it fulfills after the Seventh one. It is the salvation of the Gentiles that ends under the Seventh Seal, not the world; for the word still goes on for the remainder of the 70th week of Jewish time, after which, the Sixth Seal will be ignited for fulfillment, once that week comes to its close! But in the chronology of inspired writing, God joggled the picture, like a jigsaw puzzle, to throw off the wise and prudent of this world, the theologians and doctors of divinity so-called, along with the professors of ignorance, as Brother Jackson often called them. But the world ends literally under the Sixth Seal. So, brothers and sisters, I show you, the Day of the Lord, for that is what the Sixth Seal gives to us. That is why it says, ***“And the stars of heaven fell unto the earth, even as a fig tree casteth her untimely figs, when she is shaken of a mighty wind... and every mountain and island were moved out of their places.”*** That is when presidents and prime ministers will run out of their homes without their pants on, and there will be no

guard or secret service agents, keeping watch over them on that day: Because as the president is running for his dear life, without his pants on, the guards are also running for theirs, for the utter terror, the unparalleled terror it brings to man! Brethren, it is when things are sane and normal, or when things are manageable, that you see men dressing up in order to keep their pride. When things are sane, you remember to put on your shirt! If God sends an earthquake into your bedroom right now, you will not remember or care whether you are naked or not! If an earthquake hits your room tonight, you will not be looking for your pant or towel to wrap around yourself! Forget it! What is the Sixth Seal? It is the physical return of Jesus Christ to earth, for the Millennium. It is the Day of the Lord! I show you the Sixth Seal, by the grace of God, with scriptural infallibility.

Now, let us simply ask: How come I am able to do this? How come I am able to lay out the revelation of the first Six Seals, by the Scriptures? I have just done a run of the first Six Seals by the Scriptures!

How come? It is not because I slept, and then I had a dream of these things; or that I was lying in bed one night, and here came an angel of God, and I saw a vision of the Most High concerning these things. I did not see a vision! I simply heard the prophet to this age, and God gave me a perfect understanding of the message of truth he brought! Period! I read his message, laying out these wonderful truths, because the first Six Seals have been opened! That is why I am also able to lay it all out, using only the Bible! I was not even there when he preached it. I was just a little boy when he preached it. I never even knew about God or about salvation, in that day; never knew that God sent a prophet, or even what a prophet is, for I was just about three years old when he took the Seals! But I read the message, and God opened my eyes and heart, to understand what he preached. And because God gave me understanding, I am now able to take my Bible, and show the truth to God's children! I am able to do so because the first Six Seals have been broken! Exactly! But listen, church, as easy as it is for us to take the first

Six Seals, and scripturally open up the truths buried in them, we cannot do that with the Seventh Seal. Why? It is for the simple reason that it has not yet been broken! We do not know what is under that Seal, because it is not yet broken, and hence, we cannot lay out the truth concealed under it, scripturally, for we do not know what it holds! All it gives us in Revelation Chapter 8, verse 1, is a heavenly silence of about thirty minutes! Full stop! But because the first Six Seals are broken, is why I can teach it tonight in a measure, doing a simple run through them! After all, the prophet took it a Seal per day, as the angel of the Lord gave it to him, by the Spirit of Christ, because there is a lot in the Seals! But I just simply ran through them tonight. Why? Because we have the revelation of them! And we challenge any man, any Doctor of Divinity, to come and knock it by the Scriptures, if he can! Forget about what Billy Graham taught, for he has no clue! He has all four horse riders riding in the 70th week of Daniel! My! Billy Graham has published a beautiful book of death, for it is strictly leaven. He took all the four

horse riders, and put them in the future, when all the four horse riders have already ridden, and the last one is now on its way out, as he rides through to the last week of Daniel! The last horse rider has been riding since the early sixties, and is just on his way out, riding straight to hell! Billy Graham, the world's renowned evangelist! Go and read his book on the four horse riders, for every last one of them he has put in the future! The revelation I have just shared tonight, came from the message of the prophet. It opened up the Scriptures, and it planted my feet solidly upon the Scriptures of truth, and I can take my Bible, and show it to others, which is why I am able to do what I have just done tonight! And nothing makes better sense! Nothing else makes sense! Is it about the white horse rider, a man with a bow, but without an arrow, yet conquering everywhere? Why will you not see the antichrist spirit going forth in deception? Why will you make that the entrance of the Gospel going forth in purity? Come on! What about the red horse rider, instituting a bloodbath against God's children, taking peace from

the earth? What do we also do with the black horse rider, with a pair of balances for measuring what is supposed to be spiritual food, but in reality, he is selling death, selling all religious services, which is why he was warned by God not to touch the Oil and the wine?! And at the very end of the grace age, the age appointed for the rapture, here came the grey horse rider, which is Ecumenism, pulling hell along with him! The body of the horse bundles together everything in the organized religious world, in one giant pot or body, called the World Church Council, or the World Church, which is the image of the Beast! Everything is mixed up in one giant body, which is nothing but Babylon, meaning confusion! The horse is not white or black, but is an amalgamation or mixture of colours, giving us nothing but a hybrid! Hybrid religion! Jezebel religion! Come on! Nothing makes better sense, and nothing is plainer, brothers and sisters, if we love the truth! And to think that Brother Branham was a friend to Billy Graham! Yet, the man will not walk in the light! He had an ambition to be the world's greatest evangelist, and he

achieved that. But after that, then what? What happens on the day of reckoning? That is a different kettle of fish! God forbid I die as an unfaithful preacher! God forbid! I would rather die a quitter, than to die an antichrist! I would rather quit the ministry, than to compromise the Word of life! And let me tell you tonight, God helping me, I will not make friends with anybody, when it comes to truth! When it comes to truth, if we have to part ways, so be it! I will not be making friends with anybody, except on the strict basis of truth! My only friend is the Scriptures of truth! I say that because I have a rapture to catch, and a heaven to make! God forbid I die an unfaithful man! I would rather die a quitter, and go back to my law practice, and pick up my wig and gown, or to the oil industry, and make money, than to come to this way, and compromise the Word of life! God forbid! Brothers and sisters, nothing makes better sense than the revelation of the truth we got from the prophet concerning the Seals. It just makes perfect sense! It opens up the Scriptures, and we can see the reality of it! But when we come to the Seventh Seal, what do we

find? Silence in heaven! That is all we see, for that is all it gives! What about the silence in heaven? What is the revelation of it? You do not have it, and neither do I. And there is only one reason why we do not have it. It is simply because it is not yet opened. Period! Brothers and sisters, when it comes to the Seventh Seal, all we find is silence in heaven. And by the veiled revelation of the Scripture, it is settled that the Seventh Seal is not yet broken. Let us now consider the Seventh Seal. But as we now delve into the Seventh Seal, I first want to show you tonight, by the quotes or teachings of the prophet, that it has not yet been broken, for it was not broken in 1963. Thereafter, I will seal it with the Scriptures, and close. I want to show you something in the morning. I appreciate your patience, but I am making a serious point.

When Brother Branham was preaching on *The Seventh Seal*, in March 1963, on page 521, paragraph 393, he said: ***"... Here, now, we find that the Sixth Seal has been opened to us. We see it. And we know that THIS SEVENTH SEAL***

CANNOT BE BROKE TO THE PUBLIC UNTIL THAT HOUR ARRIVES." That is plain enough, for the prophet declares, plainly and categorically, that the Seventh Seal has not been broken, and cannot be broken to the public, until its set hour comes. Full stop! Let us skip to paragraph 397, as he continues: ***"Now, we have, in the completion here now, by the grace of God, all the mysteries of the six Seals that's been sealed up, and we understand and know here, that THE SEVENTH SEAL IS NOT TO BE KNOWN TO THE PUBLIC."*** But when we come back to paragraph 394, he linked the Seventh Seal with the Seven Thunders, which is a future prophetic event, saying: ***"Now, there was some reason that God let these Seven Voices be thundered; because it must come. See? For... We find that Christ, the Lamb, took the Book in His hand, and He opened the Seventh Seal"***, (that is in John's prophetic preview. Are you with me? Brother Branham continued): ***"But, you see, it's a hidden mystery. No one knows it. But right along with what He said, "No one will know His coming." They***

also will not know about this Seven-Thunder mystery. SO, YOU SEE, IT'S CONNECTED TOGETHER. Now, let us move to page 520, paragraphs 392-393, where he restates the connection, declaring: ***“Did you notice, when the Jews asked him that?”*** (They asked him in Matthew Chapter 24, verse 1-3, about when he is going to come back). ***“You know... when we compared the Scripture here with Matthew 24, with the six Seals, the Seventh Seal was left out. Because, you see, Christ said “Only God Himself knows; Not even the Angels.” No wonder, it wasn't even written. You see? They hushed; nothing taken place then. Angels don't know it. NOBODY KNOWS WHEN HE IS COMING. BUT THERE'LL BE SEVEN VOICES OF THESE THUNDERS, THAT WILL REVEAL THE GREAT REVELATION AT THAT TIME... It won't be known until that time. But it will be revealed in that day, in the hour that it's supposed to be revealed in.”*** Now, we are going to turn to page 512, paragraphs 323-324, where Brother Branham plainly admitted: ***“NOW, WHAT***

THIS GREAT SECRET IS THAT LAYS BENEATH THIS SEAL”, (which is the Seventh Seal), ***“I do not know. I don't know it. I couldn't make it out.”*** (That is most plain, and most clear. The prophet could not have been clearer. He continued, stating): ***“I couldn't tell it, just what it said. But I know that it was them Seven Thunders uttering themselves right close together, just banging seven different times. And it unfolded into something else that I had seen. Then, when I had seen that, I looked for the interpretation that flew across there, and couldn't make it out. That's exactly right. See? THE HOUR ISN'T QUITE YET FOR IT, BUT IT IS MOVING INTO THAT CYCLE. See?”*** (In other words: The hour is not yet ripe for the opening of the Seventh Seal. But he warned): ***“It is coming up close. So, the thing for you to do is to REMEMBER THAT I SPEAK TO YOU IN THE NAME OF THE LORD. Be prepared, for you don't know what time something can happen.”*** It is thus saith the Lord, and as we all know, thus saith the Lord cannot fail. Saints

of God, this thus saith the Lord, settles the issue of the Seventh Seal, as far as the prophet's message is concerned, for it is not yet broken. In paragraph 326, he declared: ***“I'm only telling you what I have seen and what has been told to me. And now, you do whatever you want to. I don't know who is going to... what is going to take place. I do not know. I just know that those Seven Thunders holds the mystery, that heavens was quiet.”*** He then asked, ***“E v e r y b o d y understand?”*** On page 503, at the end of paragraph 252, still talking of the Seventh Seal, he said: ***“... It was so great, till, it was kept secret from the Angels.”*** Moving a little further down, on page 504, paragraph 256, he also said: ***“Jesus never spoke of it. John couldn't write it. Angels know nothing about it. What is it? It's the thing that Jesus said, “Even the Angels of Heaven didn't know” nothing about it. See? See? He didn't know it Himself. He said, “ONLY GOD KNOWS IT.””*** That takes us straight to Mark Chapter 13, verse 32, where Christ declared: ***“But of that day and that hour knoweth no man,***

no, not the angels which are in heaven, neither the Son, but the Father.

Concerning the particular day of his return for the bride, nobody knows that day or hour; not even angels, and neither does the Son of God himself know: Only God knows! Brothers and sisters, if we look at all these quotes, they are consistently telling us that the Seventh Seal has not yet been broken. Hence, we do not have the revelation of it, as we speak. But nevertheless, God posted us ahead, to let us know that Seven Thunders are coming down the road, with the revelation of the Seventh Seal, a ministry that will carry the revelation of the thirty minutes silence in heaven. So, until then, nobody has it! Full stop! But I know some will ask, and it is very material to ask: *"If the Seventh Seal has not been broken, how come Brother Branham knows that the Seven Thunders are ignited under the Seventh Seal, and further, that they are also going to give us the revelation of the Seventh Seal, if the Seventh Seal has not yet been broken? Furthermore, he let us know that the Seventh Seal has to do with the return of Christ for the rapture: How come he*

knows this, if the Seventh Seal is not yet open?" It is simply because, Almighty God, who made that Seal, knows precisely what He put under the Seal! Period! God is not ignorant of the Seal; it is you and me who are ignorant, for it is unto us that it is sealed! That something is sealed, does not mean that God is ignorant of its content, for He is the one that made the Seals! The Seals are God's secrets, and as such, He knows everything! Consequently, He can post the bride ahead, in order to enable us to know just how to look forward, and what to look forward for, at its hour of opening! That is precisely what the revelation we have of the coming seven thunders does! He had to post the bride ahead, to let us know how to look forward; otherwise, we will not know what to look forward to! That is why God used the prophet to post us ahead, to let us know that the Seven Thunders are the ones that will carry the revelation of the Seventh Seal, in the day it is broken, and that that Seal also relates to the return of Christ for the bride, for that is the secret it will hold. Therefore, saints of God, we know today that the

Seventh Seal has not yet been broken. Consequently, until the Seventh Seal is broken, we will not have the Seven Thunders on the scene. And until we have the Seven Thunders, we will not know the revelation of the Seventh Seal, because it is not yet broken as we speak! Period! So, tonight, The Seventh Seal is still a mystery. But the first six Seals are no longer mysteries to the elect bride, for they have been opened up for us. Church, let me seal this message with the Scriptures, making it water-tight, and we will close. I thank you for your patience, and I thank you for your understanding, and I also thank you for bearing with me. I say that because it is not like it is a new revelation. It is not! However, we are not told to manufacture revelation, but that we must be faithful to whatever God gives us, and to the measure He gives it. There is no truth we will throw away. The saints of God must be established in it; they must be established in every truth of Christ, barring none. And I am determined, God helping me, that there is no revelation of the Bible that we have been given, that I will not lay out before God's

people, however elementary or simple it may be, that they may be established in the truth, the whole body of revealed truth we have been given, for this is what will ensure that we have one faith, when all of us in the ministry, do the same faithfully.

Now listen to me, saints. Having shown you what the prophet himself taught, I now want to prove to you scripturally, that the Seventh Seal has not yet been broken, that it was not broken in 1963, and that it could not have been broken in 1963, having first shown you the revelation Brother Branham bore on that day, strictly from his message, which I quoted from. Let us now seal the truth tonight, with the perfect scriptural understanding God has given me, of what we are talking about, for revelation has a solid and immutable anchor in the Word. The Scriptures of truth settles all things for all God's seeds. In Revelation Chapter 8, verse 1, when the Seventh Seal was broken, there was silence in heaven for about the space of half an hour, just as it is written: ***“And when he had opened the Seventh Seal, there was silence in heaven about***

the space of half an hour.” Saints of God, we must know that until the Seventh Seal is broken, being the last Seal, the scroll cannot be fully open. When you go home, please roll a piece of paper like a scroll, and bind it with seven seals. You can use a piece of string, or wax, or even a legal seal, anything that can seal, and seal it seven times. Then break six of them, and I tell you, the final seal will still hold that scroll! It will not allow the scroll to be fully open. You can open it to a measure though, but it will never be fully open! It will only be fully open, when the seventh and final seal is removed. Then you can roll it out fully, and it becomes an open scroll. Until then, brothers and sisters, it is not fully open. Period! Church, in the same vein, until the Seventh Seal is broken, the scroll of redemption will not be fully open! With the breaking of the six Seals, the scroll is only open to a great measure, but not fully open! And when the Seventh Seal is broken, Jesus Christ must, and will, leave the throne. He must leave the throne! What throne is he sitting on tonight? He is sitting on the mediatorial throne; the

intercessory throne, as our great High Priest, our Melchisedek! There are three offices Jesus occupies, in his redemptive role. His first office or position is that of a Prophet, because the Prophet is the Lamb of God, who taketh away the sins of the world. Remember what Moses stated in Deuteronomy Chapter 18, saying: *“The Lord your God shall raise up a prophet unto you, like unto me.”* Is that right? Yes! He was talking of Jesus Christ, the Lamb of God. So, the first office of Jesus is as the Prophet, because the Prophet is the Lamb. The second office is as High Priest, our Melchisedek. Is that right? Yes! Tonight, he is no longer the Prophet. That office is over and done with. Tonight, he is occupying the position or office of the High Priest of God, our great High Priest, our Intercessor; he is our Melchisedek. When he was on earth about two thousand years ago, he was the Prophet, the Lamb of God. And tonight, he is our Great High Priest. But church, there is one position or office remaining for him to fulfill, in order to complete the work of redemption, and that is the office of the King. And as

King, that makes him also the Judge of the whole earth. That is why at the White Throne Judgment, it is still Jesus we see executing that Judgment, because he is the Judge; because the King is also the Judge of the whole earth. So, Jesus occupies three main offices: Prophet, Priest, and King. The Prophet is the Lamb, and that office is over and done with. He will never come back again as a Lamb to die. He did it once and for all, and that is done. Tonight, he is our Great High Priest, our Intercessor. Brothers and sisters, we must also realize that when he leaves that Intercessory throne, he has only one more office to fulfill, and once that is done, everything will be turned over back to God the Father, that God may be all in all, on the full authority of 1 Corinthians Chapter 15, verses 24-28, just as it is written: ***“Then cometh the end, when he shall have delivered up the kingdom to God, even the Father; when he shall have put down all rule and all authority and power. For he must reign, till He hath put all enemies under his feet. The last enemy that shall be destroyed is death. For He hath put all***

things under his feet. But when He saith all things are put under him, it is manifest that He is excepted, which did put all things under him. And when all things shall be subdued unto him, THEN SHALL THE SON ALSO HIMSELF BE SUBJECT UNTO HIM that put all things under him, THAT GOD MAY BE ALL IN ALL.” What last office is that? It is the office of the King of Kings and Lord of lords, the Judge of the whole earth! With this thought at the back of our minds, church, when you look at Revelation Chapter 8, verse 1, when the Seventh Seal is broken, leaving the scroll to be fully open, a scroll which nobody but Christ alone is worthy to look upon, touch, and hold, where do you see Christ again with that open scroll? I ask because when we look at Revelation Chapter 8, verse 2, we see the seven trumpet angels going forth. We do not see Jesus again with the open scroll, the fully open scroll. So, where do we see him again with that open scroll of redemption? It is in Revelation Chapter 10! When we come to Chapter 10, verse 1, now we see Jesus, characterized by a mighty angel, with the fully

opened scroll. Let us now go there. We will close with that Chapter of the Bible. It is written from verse 1: ***“And I saw another mighty angel come down from heaven, clothed with a cloud: AND A RAINBOW WAS UPON HIS HEAD, and his face was as it were the sun, and his feet as pillars of fire: And he had in his hand a little book OPEN...”*** This little open book in his hand, which is actually an open scroll, plus the rainbow around his head, coupled with the glory cloud of the Eternal Spirit God that he is clothed with, lets us know undoubtedly, that it is Jesus Christ being expressed or characterized here, for he is the Angel of the Covenant, coming down to earth in the spirit, with the fully opened scroll. Malachi Chapter 3, verse 1, confirms that he is the Angel or Messenger of the Covenant. This prophetic projection in the Book of Revelation Chapter 10, shows undoubtedly that the Seventh Seal has now been broken, making the scroll an open scroll, or an open Book. The Bible continues, stating: ***“... and he set his right foot upon the sea, and his left foot on the earth, And cried***

with a loud voice, as when a lion roareth: and when he had cried, seven thunders uttered their voices. And when the seven thunders had uttered their voices, I was about to write: and I heard a voice from heaven saying unto me, Seal up those things which the seven thunders uttered, and write them not.” Hold it, church. Now listen. In Revelation Chapter 8, verse 1, the Seventh Seal is broken, which is the last seal, making the scroll become a fully opened scroll. But from verse 2, right through to the very end of Chapter 9, we no longer see Jesus with the open scroll. We only see the seven trumpet angels going forth. So, where do we see Jesus with the open scroll of redemption in his hand? It is in Chapter 10! That lets us know that once Jesus breaks the Seventh and final Seal in Chapter 8, verse 1, we must go straight to Chapter 10 with it, in order to see the subsequent move of Christ, for Jesus must slip down to the earth in the spirit, characterized by a mighty angel, with the open scroll still in his hand. So, I ask again: What connects Revelation Chapter 10, with Revelation Chapter 8, verse 1? It is the

fully open scroll! And when is it fully open? When the Seventh Seal is broken! However, brothers and sisters, I must point out that knowing this, still does not tell us what is under the Seventh Seal. How many see my point? Knowing that, still does not tell us what is under the Seventh Seal, for it is still a secret! Why? Simply because that Seal has not yet been broken! That is precisely why Brother Branham said that the Seven Thunders will reveal the great secret buried under the Seventh Seal in that day, when it is broken, because the Seven Thunders' ministry will be activated, after the Seventh Seal is broken, and the scroll becomes a fully open scroll! Jesus will then slip to the earth in the spirit, and set their ministry in motion, giving them the revelation contained in the Seventh Seal. And in turn, the Seven Thunders will give us the revelation of the Seventh Seal at that time.

Church, this is the clincher that seals everything. To prove to you scripturally and infallibly, that the Seventh Seal has not been broken tonight, let me tell you, once the Seventh Seal is broken, and the scroll becomes fully open, by

virtue of the breaking of the Seventh and final Seal, Jesus Christ must leave the Intercessory throne! And church, once he slips to the earth in the spirit, as we see in Chapter 10, after the breaking of the Seventh Seal, he will never go back to that throne! Forget the nonsense Richard Gan is teaching in his writings! Jesus will never go back to that throne, once he leaves it, for that office is henceforth over and done with! Church, Richard Gan asked: *“What about the Jews who are to be saved thereafter?”* What about the Jews? Brothers and sisters, the Jewish elects would all have already been fully interceded for, before the Seventh Seal is broken! He would not have any need to go back to that throne, in order to intercede for them! Their intercession would have been done, and concluded, ever before the Seventh Seal is broken, because it is the end of Gentile redemption! Church, now watch. Once he leaves the throne, after the breaking of the Seventh Seal, I repeat: Christ will never return to that throne again. Let me show you the concluding picture. He slips to the earth in the spirit, right after breaking the Seventh Seal. We see him

in the spirit on earth, because he is the Angel of the Covenant, with a rainbow over his head, as revealed in Revelation Chapter 10, verses 1-2, with the open scroll in his hand. Is that right? Yes! He gives a loud cry that ignites the ministry of the Seven Thunders. Is that right? Yes! The seven Thunders give their prophetic message, showing that Jesus is here, in the spirit, to prepare the bride prophetically for the rapture, through the ministry of the Thunders. This fulfills the prophetic revelation Apostle Paul gave in 1 Thessalonians Chapter 4, verse 16, when he declared: ***“For the Lord himself shall descend from heaven... with the VOICE OF THE ARCHANGEL”!*** It is Jesus Christ by his Spirit in the Archangel or mighty Angel, giving the voice which activates the Seven Thunders! Now, nobody knows the day or hour, but time relating to the rapture will be revealed at that time, through the thunders, who will prepare us prophetically for the rapture, and off we go in the rapture, to meet Jesus in the air! Is that right? Yes! When we meet Jesus in the air, what do we do? We go for the marriage ceremony, to be married to

Christ, and after the marriage, we have our honeymoon in heaven! Do not also forget that in heaven, we will be coming before the Judgment Seat of Christ, for our reward. Moreover, it is also in heaven that we are going to eat ***“the hidden manna”***, which is nothing but the Millennial revelation, and we will also be given ***“a white stone”***, on which a new name has been written, on the authority of Revelation Chapter 2, verse 17. Thus, we are not only going to be married, we are also going to be prepared for the role which we will perform in the Millennium, as God will begin to deal with us, to open up the plan and the structure of the Millennium to us, up there in heaven, letting us know precisely what He will do, how everything will run, and our place in that Millennial reign! That is what we are going to be doing, while the world is going through the last Week of time. So, in heaven, we are with our Jesus, having been married to him as his wife. And together with him, at the end of the last week, we are coming back on white horses, to institute the Sixth Seal, on the Day of the Lord, which ushers in

the Millennial reign of one thousand years. So, I ask you: Where again do you see him go back to the Mediatorial throne, after the Seventh Seal is broken, when he leaves the throne? He does not return to that office! His Intercessory days are over! After the Seventh Seal is broken, he descends to the earth from heaven with the voice of the Archangel, to deal with the bride prophetically, preparing her for rapture. He then takes her away in the rapture, and marries her in heaven. We then have our honeymoon with him, throughout the rest of the last Week, and at the end of that week, we are coming back together, for a thousand years reign, over this earth. I therefore ask again: Where do you see him go back as High Priest? It is simply because these men do not know their Bible, that they teach such utter junk! Not that anybody is anything of himself, but truth is truth! I repeat: Once the Seventh Seal is broken, Jesus Christ must leave the throne, and he will never return to that throne as Intercessor! The next and final office is as King and Judge! Come on, and wake up! There is no quote you can use to nullify this truth, for it is a perfect projection!

That is why I always say, if the Seventh Seal was opened in 1963, none of us here would have been saved; because the breaking of the Seventh Seal shows an end to Gentile Redemption! Exactly! Even the Jews that will be saved in the last Week of Daniel, would have already been interceded for! He will never go back to the throne, as Intercessor! The next office will be as King of kings and Lord of lords, and we will crown him in heaven! That is why he is coming back with so many crowns on his head, also with the bride, all on white horses, as Revelation Chapter 19 reveals! Where do you see him again on the Mediatorial throne?! These men do not have a clue! You want to follow their carnal so-called revelation? Suit yourself! That is why I said, scripturally speaking, it is impossible for the Seventh Seal to have been opened in 1963, because it signifies a complete end to Gentile redemption! It signifies a complete end to Jesus' Intercessory, High Priestly ministry! He will never go back to that office or position again! Never again will he act as an Intercessor; and never again will he act as a Lamb! It is over and done with! He is the

Prophet, Priest, and King! Jesus will not be interceding for people, whilst at the same time, keeping his new wife waiting for him, being our beloved husband, having been married to him in heaven. Moreover, we are supposed to be preparing ourselves for the Millennium! Do not even forget that we are coming before his Judgment Seat in heaven, to receive our reward! It is a Judgment of reward for the works we have done here for his name sake! So it is good to sacrifice yourself for God. There is a payday for it. If you know how to serve the Lord, please go on! There is a payday for everything! Even if men do not appreciate you, do not worry; just go on, for there is a payday! You do not need men to appreciate you: You need God to appreciate you, because God is a just rewarder of them that are faithful! I would rather reserve my pay for that day! Church, it is written in the Book of 2 Corinthians Chapter 5, verse 10: **“For we must all appear before THE JUDGMENT SEAT OF CHRIST; that every one may receive the things done in his body, according to that he hath**

done, whether it be good or bad.” This being infallibly so, I ask again: Where is Christ's subsequent Intercession?! There is none! Up there we eat the hidden manna, where he begins to reveal to us God's Millennial plan. We are enjoying our honeymoon, preparing ourselves for the Millennium, and together, we come back on the day of the Lord. I show you infallibly tonight, that it is scripturally impossible for the Seventh Seal to have been broken in 1963! It has not even been broken as we speak tonight, for once Christ breaks that Seal, he must leave the High Priestly office, never more to return to it! Saints of the Living God, I have shown you the message of the prophet by his quotes, and more importantly, I have shown you from the Bible. I repeat: Once the Seventh Seal is broken, Christ must leave the Mediatorial throne, and he will never return to it. The Jews who are saved in the last Week, would have already been interceded for, because his intercessory days are over.

Consequently, brothers and sisters, you must understand the implication of the breaking of the

Seventh Seal, for it brings an end to Gentile salvation, and to the ministry of Christ as High Priest! There is not one Gentile that will ever be saved thereafter, once he breaks the Seventh Seal, and leaves the Mediatorial throne! I do not care how old you may be tonight, I am certain that there is not one person in here tonight, not one man or woman, in this Convention, who was saved IN 1963, or Prior to 1963. If you were saved IN 1963, or even before 1963, please raise up your hand, so I can see you! I can assure you, not one hand will go up! Who was saved in this house tonight, in 1963, or before 1963, please raise up your hand! Yet, we have some old people in this place tonight, who are following the Message. I am waiting to see a hand go up. But I do not see any. Brothers and sisters, once the Seventh

Seal is broken, salvation is over for us Gentiles. Thank God it was not over in 1963! Thank God the Seventh Seal was not broken in 1963, for I would not have been saved! Thank God there is still grace unto salvation as we speak tonight! I am saying in effect, that we must know the implication of the breaking of the Seventh Seal. We must! It signifies a complete end to Gentile salvation, and an end to the High Priestly role of Jesus Christ. But I also ask: What is the revelation of the Seventh Seal? We still do not know it, for the simple fact that that Seal has not yet been opened. However, God has graciously posted us ahead, to let us know that the Seven Thunders will give us the revelation of this last Seal, once it is broken in heaven. And until then, brothers and sisters,

let us know how to look forward to the Seven Thunders, FOR WE MUST STILL GET FROM HERE TO THERE! So, I ask: How do we get to the Seven Thunders? That is a very serious and most pertinent or material question, if you have any understanding of truth at all. But be certain tonight, that the Seventh Seal has not yet been opened, which is why it is still a secret, a secret no one can bring out from the pages of the Bible, regardless of whatever quotes of the prophet you may have. It is written in the Gospel of Saint John Chapter 8, verse 12: ***“Then spake Jesus again unto them, saying, I am the light of the world: he that followeth me shall not walk in darkness, but shall have the light of life.”*** Let us bow our heads in prayer. (Brother Amos prayed).

The Lord bless you.
