August 2013

EZEKIEL 38 AND 39 BATTLE - A REVISIT

The following message was preached by Brother Amos, on Sunday 10th February, 2013, at Bible Faith Tabernacle, Lagos, Nigeria. It is a re-visitation of Ezekiel 38 and 39 Battle, which Brother Jackson taught in the Contender of February 1994, titled, *From The Beginning To The End*, Part 31, under the subtitle, *LOOKING THROUGH WINDOWS OF PROPHECY*. It has been presented in a clear, concise, and refreshing way, further brightening the end time picture.

Good morning church. May God help me this morning. We want to take a message titled, *EZEKIEL 38 AND 39 BATTLE - A REVISIT*. We want to revisit the message we

received from the chief apostle, on the battle of Gog and Magog, of Ezekiel Chapters 38 and 39.

Please open with me to the Book of Ezekiel Chapter 38, and we will take it from verse 1, where it reads: ***“And the Word of the Lord came unto me, saying, Son of man, set thy face against Gog, the land of MAGOG”,*** (which is Russia), ***“the chief prince of Meshech”*** (or Moscow), ***“and Tubal”*** (or Tobolsk), ***“and prophesy against him, And say, Thus saith the Lord God; Behold, I am against thee, O Gog, the chief prince of Meshech and Tubal: And I will turn thee back, and put hooks into thy jaws, and I will bring thee forth, and all***

thine army, horses and horsemen, all of them clothed with all sorts of armour, even a great company with bucklers and shields, all of them handling swords.” (Now see the outline of the nations aligned with Russia in this battle, namely): *“Persia”*, (which is Iran, who are Shiite Muslims), *“Ethiopia,”* (which in prophecy takes in Eritrea and Sudan), *“and Libya”*, (which in ancient times include Tunisia and Algeria) *“with them; all of them with shield and helmet: Gomer”*, (which is Turkey), *“and all his bands; the house of Togarmah”*, (which is Armenia), *“of the north quarters, and all his bands: and many people with thee”* (who are aligned with them as well, in addition. God now declares to Gog, Russia, in verse 7, saying): *“**BE THOU PREPARED, and prepare for thyself, thou, and all thy company that are assembled unto thee, and be thou A GUARD UNTO THEM.**”* (This plainly shows that Russia is the brain behind this battle, for she supplies the military logistics and strategy for these allied nations. She will supply the weapons and a great portion of her military might for it, for she is

going to lead it. And that lets us know that all these nations under Russia's military leadership are motivated by their hatred of Israel, on account of that Islamic spirit. Brothers and sisters, look at Iran: They are Shiite Muslims, same as Libya, etc.! And no doubt, some of them would be annoyed because of what God would have used Israel to accomplish in the Hour of the Jewish Miraculous, dealing with the Islamic faith, as we shall presently also lay out. So they will see it as an opportunity to take revenge. So, here is Iran and Libya, with their hordes of terrorists coming against Israel, alongside Sudan, with Islamic Turkey etc.; but God is waiting for them. Because from the time of old, from the days of Ezekiel, almost 600 BC, 600 years before the Advent of Christ, God spoke of it! God is waiting, saints! But when precisely is this battle ordained for? Verse 8 gives it to us, and it states): *“**After many days thou shalt be visited: IN THE LATTER YEARS”***, (which is at this end time, for it is a long range prophecy), *“**thou shalt come into the and that is brought back from the sword, and is gathered***

out of many people, against the mountains of Israel, which have been always waste: but it is brought forth out of the nations”, (having been re-gathered and made a nation again), *“**and they shall DWELL SAFELY all of them.**”* Brothers and sisters, if Israel at this material time is dwelling *“safely, ALL OF THEM”*, then, by this, we know it is a war that could not have been fought at any point in time, except at this end time, after God has first re-gathered Israel. Period! That is point number one. Brothers and sisters, when we look at this war, please note that it has not happened as yet. Russia has not yet led a multitude of nations to come against Israel in any war. So, it is a prophecy that is hanging for fulfillment in this day and hour. We thank God for His grace upon the life of Brother Jackson, the chief apostle of this end time, the man God used to open up this prophetic Chapter of the Bible, to give us its prophetic application in time, that we can see its place, and look forward to something. Point number two: Brothers and sisters, it is a battle that will be fought,

and can only be fought, after the Hour of the Jewish Miraculous has also first been set in motion, and has accomplished its purpose, for the battle of Ezekiel 38 and 39 demands that Israel be dwelling safely. And right now she is not! She faces the constant threat of Palestinian suicide bombers and grenade attacks, which is an everyday onslaught! Israel is not dwelling safely today, for they are under constant terror alert from the Hezbollah, from the Palestinian terrorists, and from all the Arab nations that have always sought to exterminate her. Moreover, a lot of them do not even recognize Israel as a nation, and do not want Israel to exist. Even the Palestinians do not recognize Israel as a nation, and they certainly do not want her to exist! Look at the nonsense Mahmoud Ahmadinejad, the Iranian President says concerning Israel. He even blatantly denies the Holocaust, though he knows it is a horrible reality they passed through, and a sad reality which the Germans themselves accept responsibility for! So, she is not yet dwelling safely. It definitely means that God would have first executed the Hour of the Jewish

Miraculous in the field of battle, ever before this battle in Ezekiel is instituted, at this end time, thus enabling Israel to dwell safely, the enmity or the hostility of the Palestinian Arabs having first been removed! I repeat: We cannot have this war until after we have first had the Hour of the Jewish Miraculous, an end time prophecy which Prophet Micah gives to us, in Chapter 7, verses 14-17, which provides: ***“Feed thy people”*** (Israel) ***“with thy rod, the flock of thine heritage, which dwell solitarily in the wood, in the midst of Carmel: let them feed in Bashan and Gilead, as in the days of old. ACCORDING TO THE DAYS OF THY COMING OUT OF THE LAND OF EGYPT WILL I SHEW UNTO HIM MARVELLOUS THINGS. The nations shall see and be confounded at all their might: they shall lay their hand upon their mouth, their ears shall be deaf. They shall lick the dust like a serpent, they shall move out of their holes like worms of the earth: they shall be afraid of the Lord our God, and shall fear because of thee.”*** This prophecy, giving us the Jewish Hour of the

Miraculous, is reserved strictly for fulfilment when God turns Israel loose in the field of battle, in order to achieve the following purposes: Firstly, this miraculous war is the exclusive means God has ordained in His written Word, of giving Israel back her land, all of it, as He promised in Ezekiel Chapter 36, verses 8-12, amongst many other Scriptures, wherein God promised to settle her after her ***“old estates.”*** Secondly, the miraculous war is God's way of permanently removing the Palestinian Arabs from the land of Israel, taking them over to the other side of Jordan from where they came, that the children of Israel may be able to occupy their own land, particularly Jerusalem, as promised in Isaiah Chapter 49, verses 11-26, noting in particular, verses 17-19, amongst many other Scriptures. And for this reason, the conditional judgment or the decree placed on the nation of Israel, in the Book of Deuteronomy Chapter 28, shall be totally lifted, for it shall be ***“removed,”*** on the full authority of Micah Chapter 7, verse 11. Thirdly, and very importantly, the

miraculous war is designed to take out the Islamic spirit from the Arab nations, for it is the root cause of their old age enmity against Israel. God will use the Jewish Miraculous war to strip the Islamic religion from them, for they are also seeds of Abraham, begotten through Hagar and Keturah, as revealed in 1 Chronicles Chapter 1, verses 29-33, and they shall return to the worship of Elohim, the God of Abraham, Isaac, and Jacob, the God of Israel. Zephaniah Chapter 2, verses 4-11, declare: ***“For Gaza shall be forsaken, and Ashkelon a desolation: THEY”,*** (referring to the children of Israel), ***“shall drive out Ashdod at the noon day, and Ekron shall be rooted up.”*** (Please note that all these areas give us the Gaza strip, the land of the Philistines. The prophecy confirms it, as it continues, declaring): ***“Woe unto the inhabitants of the sea coast, the nation of the Cherethites! the Word of the Lord is against you; O Canaan, the land of the Philistines, I will even destroy thee, that there shall be no inhabitant. And the sea coast shall be dwellings and cottages FOR SHEPHERDS, and folds FOR FLOCKS.”***

(Who will dwell there? And whose flock is it? Verse 7 now gives it to us, for it clearly states): ***“And the coast shall be for the remnant of THE HOUSE OF JUDAH; they shall feed thereupon: in the houses of Ashkelon shall they lie down in the evening: for the Lord their God shall visit them, and turn away their captivity.”*** (God now turns His prophecy to this modern day Jordan area, saying): ***“I have heard the reproach of Moab, and the revilings of the children of Ammon, whereby they have reproached my people”*** (Israel), ***“and magnified themselves against their border. Therefore as I live, saith the Lord of hosts, the God of Israel, Surely Moab shall be as Sodom, and the children of Ammon as Gomorrah, even the breeding of nettles, and saltpits, and a perpetual desolation.”*** (Now watch what God says Israel will do to them, as laid out in this same verse, for God says): ***“the residue of my people”*** (Israel) ***“shall SPOIL THEM, and the remnant of my people shall POSSESS THEM. This shall they have for their pride, because they have***

reproached and magnified themselves against the people of the Lord of hosts”, (who are the children of Israel. Now pay close attention to the next verse, for here God touched upon the religion of these people, which is the main cause of the enmity which all the neighbouring Arab nations have against Israel. Verse 11 declares): ***“The Lord will be terrible unto them: for HE WILL FAMISH”*** (or stifle or dry out) ***“ALL THE GODS OF THE EARTH”*** (that is in the way of prophecy); ***“and men shall worship him, every one from his place, even all the isles of the heathen.”*** And once that Islamic spirit is taken out of the way, by the most outstanding and mind boggling way God will use Israel in the field of battle, to kill en-mass, and to utterly devastate these nations round about, all the way to Egypt and Saudi Arabia, Jordan, Syria, right up to the Euphrates River, **THE ARABS** will suddenly wake up and realise that Allah is not God, but Elohim! They will throw away Allah and embrace Elohim, being reconciled back to Israel, their half-brother. Isaiah Chapter

63, verses 1-6, is ignited in this war, and on the full authority of Ezekiel Chapter 25, verses 12-14, we know with absolute certainty, that the nation of Israel is God's battle axe, for the fulfilment of all these prophecies in that day! As a matter of fact, Balaam, the prophet for hire, was also inspired by God to lay out this miraculous battle in his prophecy to Balak, the King of Moab, which gives us the present day Jordan, as recorded in Numbers Chapter 24, verses 14-19, which states: ***“And now, behold, I go unto my people: come therefore, and I will advertise”*** (or show) ***“thee what this people”*** (of Israel), ***“shall do to thy people IN THE LATTER DAYS”***, (which is at this end time). ***“And he took up his parable, and said, Balaam the son of Beor hath said, and the man whose eyes are open hath said: He hath said, which heard the words of God, and knew the knowledge of the most High, which saw the vision of the Almighty, falling into a trance, but having his eyes open: I shall see him, but not now: I shall behold him, but not nigh.”*** (Now listen): ***“there SHALL COME a Star out of Jacob”*** (or

Israel), ***“and a Sceptre”*** (or a Ruler) ***“shall rise out of Israel, AND SHALL SMITE THE CORNERS OF MOAB, and destroy all the children of Sheth. And Edom”***, (which are all part of the area of modern day Jordan), ***“shall be a possession,”*** ***Seir also shall be a possession for his enemies; AND ISRAEL SHALL DO VALIANTLY. Out of Jacob shall come he that shall have dominion, and shall destroy him that remaineth of the city”*** (of Jordan). Thus saith Almighty God! Remember, there was no nation of Jordan in those days. It is the western colonial powers that cut up all that area of the Middle East, and carved out the nation of Jordan out of it. Jordan therefore covers the lands of Moab, Ammon, and Edom. And once God uses Israel to deal ruthlessly with them in the Hour of the Jewish Miraculous, when God turns Israel loose in the field of battle, the religious enmity is removed. This opens the door for the prophecy of Isaiah to fulfil, as recorded in Chapter 60, which is hanging for fulfilment at this end time. Note in particular, verses 6-7, which has Saudi Arabia, who is

“Sheba”, with the other Arab nations, who are all ***“Sunni Muslims”***, bringing acceptable animal sacrifice to worship the Lord in Jerusalem, as it is written: ***“The multitude of camels shall cover thee, the dromedaries of MIDIAN and EPHAH; all they from SHEBA shall come: they shall bring gold and incense; and they shall shew forth the praises of the Lord. All the flocks of KEDAR shall be gathered together unto thee, the rams of NEBAIOTH shall minister unto thee: THEY SHALL COME UP WITH ACCEPTANCE ON MINE ALTAR, and I will glorify the house of my glory.”*** This cannot be, unless and except God takes out the enmity, which is spiritual, for it is religion; for the Arabs falsely think that the promises of God are through Ishmael, and not through Isaac. But once this enmity is removed, Israel can now dwell safely, and as such, there will no longer be any need for the barbed wire security fences and concrete walls they have put in place today, to secure themselves from the constant and relentless attack of the

Palestinian Arabs, their suicide bombers, and whatever other attacks they face. Therefore, they will take down all the security walls and fences, for they will then be dwelling safely, without any fear of attack from their neighbours. But right now they are not dwelling safely, and hence they are dwelling with concrete walls and barbed wire security fences. And Prophet Ezekiel saw this condition also, as recorded in Chapter 36, verses 34-35, which states: ***“And the desolate land shall be tilled, whereas it lay desolate in the sight of all that passed by. And they shall say, This land that was desolate is become like the garden of Eden; and the waste and desolate and ruined cities are become FENCED, and are inhabited.”*** The coming hour of the Jewish Miraculous will take away the need for walls and fences, for security will be established for Israel, and she will bring down all fences.

The safe security situation in Israel having now been firmly established, time now rolls in for the ***EZEKIEL 38 AND 39 BATTLE*** to be set in motion. Ezekiel Chapter 38, verse 8, now records:

“After many days thou” (Russia) ***“shalt be visited: in the latter years thou shalt come into the land that is brought back from the sword, and is gathered out of many people, against the mountains of Israel, which have been always waste: but it is brought forth out of the nations, AND THEY SHALL DWELL SAFELY ALL OF THEM.”*** As a matter of fact, the truth of Israel dwelling safely is re-confirmed in verses 11-14, which state: ***“And thou shalt say, I will go up to the land of UNWALLED villages; I will go to them that are at rest, that DWELL SAFELY, all of them dwelling WITHOUT WALLS, AND HAVING NEITHER BARS NOR GATES.”*** (That is not yet a reality! Right now, they are dwelling behind gates and with bars, and with security barbed wire fences and concrete walls, for protection! Right now, Israel is not at rest; Israel is not dwelling safely. They just struck at Syria a few days ago. It was a pre-emptive strike, because of the weapons of mass destruction that the Syrians were going to ship to the Palestinians. Israel went and fired something there,

to blast the whole thing. Russia is now crying, and Syria is also crying, that they will retaliate. There is nothing they can do to Israel! The whole world put together cannot move Israel! They are the apple of God's eye! Do you know what God says in the Bible? He implicitly says, *“I will give nations for thee.”* This is the day of Israel! It does not yet appear so, but we look at things with the eye of faith, which is the eye of revelation. So, the passage says that Gog and Magog is coming against Israel, the land of unwalled villages, having neither bars nor gates): ***“To take a spoil”,*** (for that is the objective), ***“and to take a prey; to turn thine hand upon the desolate places that are now inhabited, and upon the people that are gathered out of the nations, which have gotten cattle and goods, that dwell in the midst of the land. Sheba, and Dedan”,*** (which gives us Saudi Arabia), ***“and the merchants of Tarshish”*** (or Spain), ***“with all the young lions thereof, shall say unto thee, Art thou come to take a spoil?”*** (Showing their utter disapproval of Russia's aggression against Israel in that day,

and also saying), ***“hast thou gathered thy company to take a prey? to carry away silver and gold, to take away cattle and goods, to take a great spoil? Therefore, son of man, prophesy and say unto Gog, Thus saith the Lord GOD; In that day when my people of ISRAEL DWELLETH SAFELY, SHALT THOU NOT KNOW IT?”*** Because it will be public knowledge! The whole world will see it! God helped us to really bring out this enmity in a good measure, in the message titled, *A Religion on Its Last Trail*. That is one of the scribes now available. Brothers and sisters, in that message, we dealt with the enmity between Israel and all the Arab nations, which enmity is not even land: It is religion! If you move all the children of Israel to just one little plot of land, at the very edge of the land of Israel, they will still not be happy with Israel! Why? It is simply because the enmity goes way beyond what people are looking at! But God has ordained to turn Israel loose in the field of battle, and loads of prophecies deal with it: Isaiah, Numbers, Ezekiel, Zephaniah, Zechariah, Obadiah, Micah, etc. Brothers, all these

prophecies zero in on this era, the era of the Jewish Miraculous, when God will turn Israel loose strictly in the field of battle, enabling her to claim all her land, and expunge the Palestinian Arabs who are occupying Israeli territory, taking them to the other side, and also using this military move to take out the religious enmity, thereby creating peace between the Jews and Arabs. Consequently, saints of God, and as Brother Jackson also laid out for us, we must all be settled on the fact that the battle of Ezekiel 38 and 39 cannot be initiated, until after Israel is dwelling safely, which, in turn, will be after the Jewish Miraculous. The battle in Ezekiel is contingent or dependent upon Israel dwelling safely first! Thus saith the Word of God! Therefore, it is a battle which is also hanging for fulfilment, right on this very day, for it is a battle we shall also witness. As such, we cannot take this battle to the last week of Daniel, for the *Ezekiel 38 and 39 battle*, is not the same as the battle of Armageddon, which will be fought towards the closing of the last week; and neither can we take Ezekiel 38 and 39

battle to the Millennium, for there will be no wars fought in the Millennium, the Millennium being an era of absolute global peace and prosperity. Consequently, the possibility of burning weapons of war in the Millennium does not exist. That is that.

Coming back to continue our Scripture reading, which sets out *EZEKIEL 38 AND 39 BATTLE*, in Chapter 38, verse 9, the Lord states: ***“Thou”*** (Russia) ***“shalt ascend and come like a storm”***, (meaning that they will come unannounced, being a great surprise attack), ***“thou shalt be LIKE A CLOUD TO COVER THE LAND”***, (creating the greatest military airdrop ever; the greatest military parachute expedition ever, which they will have to do in order to make it a successful onslaught, thereby evading radar detection, making it a great storm attack. They will have to do this because the movement of such great numbers of soldiers by ground transportation will be detected. Let us take verse 9 again): ***“Thou shalt ascend and come***

like a storm, thou shalt be like a cloud to cover the land, thou, and all thy bands, and MANY PEOPLE WITH THEE", (talking of military personnel. We will skip to verses 15-16, and it reads: **"And thou shalt come from thy place out of the north parts, thou, and many people with thee, all of them riding upon horses"**, (or on high-tech military horsepower), **"a great company, and A MIGHTY ARMY: And thou shalt come up against my people of Israel, as a cloud to cover the land"**, (God repeating the surprise and massive nature of the attack. The next clause gives us the time of its prophetic fulfilment a second time, declaring plainly that); **"IT SHALL BE IN THE LATTER DAYS, and I will bring thee against my land"**, (which is at this end time, the latter days), **"that the heathen may know me, when I shall be sanctified in thee, O Gog, before their eyes."** (That is the objective God has for allowing this war! It is to show His most awesome power, that He might be glorified as Elohim, the God of Israel, through what He does to Russia in this military onslaught against Israel! Verse 17 states): **"Thus**

saith the Lord God; Art thou he of whom I have spoken in old time by my servants the prophets of Israel, which prophesied in those days many years that I would bring thee against them?" (Now watch from verses 18-20): **"And it shall come to pass at the same time when Gog shall come against the land of Israel, saith the Lord God, that MY FURY SHALL COME UP IN MY FACE."** (Oh, watch out! God is just saying: *"I will get mad at you for daring this; I will get mad at you for having the audacity to come against the apple of my eye."*) **"For in my jealousy and in the fire of my wrath have I spoken, Surely in that day there shall be a great shaking in the land of Israel; So that the fishes of the sea, and the fowls of the heaven, and the beasts of the field, and all creeping things that creep upon the earth, and all the men that are upon the face of the earth, shall SHAKE AT MY PRESENCE, and the mountains shall be thrown down, and the steep places shall fall, and every wall shall fall to the ground."** (God is saying that He will create a mighty shaking, creating earthquakes and serious

tremors. Imagine a situation where everything is calm, and the weather is perfect, and the military expedition is given a go-ahead, and the mission is on its way, full-swing. Then, all of a sudden, everything changes, and the weather instantly becomes a monster, as God uses hurricane, tornados, and great hailstones, forces of nature, to utterly destroy the armies led by Russia. Let us skip verse 21 for now, and move on to verse 22, to continue the thought of the utter devastation, which God Himself will give this army. Verse 22 states): **"And I will plead against him with pestilence and with blood; and I will rain upon him, and upon his bands, and upon the many people that are with him, AN OVERFLOWING RAIN, AND GREAT HAILSTONES, FIRE, AND BRIMSTONE."** (Brothers and sisters, you do not want to be in a parachute when this happens, for you will be knocked to death by the hailstones, and smashed to bits, and strewn all over the place, by the awesome destructive power of the forces of nature, which God now employs in that

day, forces of nature which God alone controls! We are looking at a sudden change of weather, which no Weatherologist can predict! The weather suddenly changes in an instant, for God changes the weather, and it becomes extremely violent! Brothers and sisters, God will send hurricanes travelling at 200 miles per hour! You do not want to be coming down in a parachute at such a time! And God is coming with talents of hailstones, that if it hits the head of these soldiers, it breaks it into pieces until you cannot even gather it! Church, here comes the wind, gale force wind; here comes the hurricane; thunders are rumbling so much so, that the blood of the soldiers begin to congeal right away from utter terror, as they die instantly from heart attacks; and lightning strike, flashing unabatedly and fearfully, as God displays His anger! God Himself wipes them out! Israel wakes up in the morning, and sees dead bodies everywhere, and they wonder, "What has happened? What happened?" Chapter 39, verses 2-5, also declares): **"And I will turn thee back, and LEAVE BUT THE SIXTH PART OF THEE,"** (utterly killing a colossal five parts of an army divided into

six parts), **"and will cause thee to come up from the north parts, and will bring thee upon the mountains of Israel: AND I WILL SMITE THY BOW OUT OF THY LEFT HAND, AND WILL CAUSE THINE ARROWS TO FALL OUT OF THY RIGHT HAND. THOU SHALT FALL UPON THE MOUNTAINS OF ISRAEL, THOU, and all thy bands, and the people that is with thee: I will give thee unto the ravenous birds of every sort, and to the beasts of the field to be devoured. THOU SHALT FALL UPON THE OPEN FIELD: FOR I HAVE SPOKEN IT, SAITH THE LORD GOD."** (Then, God also moves the western nations and their allies against Russia, and they will seize the opportunity they have long been waiting for, as Chapter 38, verse 21 provides): **"And I will call for a sword against him throughout all my mountains"**, (or nations or kingdoms, referring particularly to the Western nations), **"saith the Lord God: every man's sword shall be against his brother."** (Watch church. This simply means that the hand of the western nations will be against Russia, who is their European brother; Not that

the western nations will be killing each other, but that they will be fighting Russia, their fellow European "brother." When this happens, God is going to call for a serious sword against Russia. The Western nations will rise up, when they wake up the following morning and see what has happened. God will move them, and they are coming against Russia with great venom. Brothers and sisters, today, Russia is making a lot of noise, and she is creating a lot of upset for the West, doing things that make the West very angry. But I would like to see the face of Vladimir Putin in that hour. Come and look at what God will do! Our God is awesome! There is no God beside Him! He is God alone! Brothers and sisters, God will use Western Europe to deal seriously with Russia. Yes! Already, they have pent up anger that they are reserving just for Russia. It started with the issue of gas. He tortured Europe with gas some years back, during winter, and a lot of other things. The West go this way, Russia goes the other way. Consequently, they already have a lot of grouse; it is only that they cannot execute it right now; but it is there. They

are mad with Russia, although for now, they just cannot do anything, because they fear a return to the Cold War, and they fear Russia's Nuclear and Atomic weapons capability, as the Old Soviet Union leader. But now their opportunity suddenly opens up, and they seize it. God has already dealt Russia the necessary blow, the major blow, leaving just a sixth part of Russia's allied forces. I must emphasize, saints, when we consider the attitude of Russia's President, Vladimir Putin, he has been a serious thorn in the side of the West. And although they are mad, they know they cannot afford right now to come against Russia militarily. Apart from the fact that it will be very bloody and costly, and they cannot predict the outcome, they also fear that it will re-ignite the Soviet Union cold war era. That makes them hold on to their pain, biding the right moment to deal with Russia. And right here is that moment they have long been waiting for, for God has destroyed the military capability of Russia, leaving her only one sixth of her army, and hence, most weak and vulnerable! The West immediately comes against her, with all their might, taking advantage. Chapter 39, verse 6 carries

the same thought, declaring): **“And I will send A FIRE ON MAGOG, and among them that dwell carelessly in the isles: and they shall know that I am the Lord.”** (In verse 7 of Chapter 39, God's objective for this battle is repeated): **“So will I make my holy name known in the midst of my people Israel; and I will not let them pollute my holy name any more: and the heathen shall know that I am the Lord, the Holy One in Israel.”** (Chapter 38, verse 23, also says precisely the same thing, declaring): **“Thus will I magnify myself, and sanctify myself; and I will be known in the eyes of many nations, and they shall know that I am the Lord.”** Hence, Chapter 39, verse 1 re-affirms: **“Therefore, thou son of man, prophesy against Gog, and say, Thus saith the Lord God; Behold, I am against thee, O Gog, the chief prince of Meshech and Tubal.”** Saints of God, please note that this is one war where Israel does not lift a finger, for she does not fire a single shot. It is God and the host of heaven that will fight for her, for she is absolutely unaware of it. Her intelligence radar and satellite will be beaten by

the surprise military move Russia makes. However, God will use the forces of nature to obliterate the soldiers of the enemy, leaving only one sixth of the total army! Israel wakes up only to see dead bodies littering the whole place, and she wonders what happened?! Chapter 39, verse 8, confirms the infallibility of the prophecy, for it is settled in heaven, declaring: **“Behold, IT IS COME, and IT IS DONE, saith the Lord God; this is the day whereof I have spoken.”**

Having laid out the *EZEKIEL 38 AND 39 BATTLE*, now come with me to see the aftermath. We will take Chapter 39, beginning from verse 9, right up to verse 16, and it records: **“And they that dwell in the cities of Israel shall go forth, and shall set on fire and burn the weapons, both the shields and the bucklers, the bows and the arrows, and the handstaves, and the spears, and they shall burn them with fire SEVEN YEARS: So that they shall take no wood out of the field, neither cut down any out of the forests; for they shall burn the weapons with fire: and they shall spoil**

those that spoiled them, and rob those that robbed them, saith the Lord God. And it shall come to pass in that day, that I will give unto Gog a place there of graves in Israel, the valley of the passengers on the east of the sea: and it shall stop the noses of the passengers: and there shall they bury Gog and all his multitude: and they shall call it *The valley of Hamongog*”, (meaning the burying place of Russia, for God buries five-sixth of his entire army right there. They do not return home). “And SEVEN MONTHS shall the house of Israel be burying of them, that they may cleanse the land. Yea, all the people of the land shall bury them; and it shall be to them a renown the day that I SHALL BE GLORIFIED, saith the Lord God. And they shall sever out men of continual employment, passing through the land to bury with the passengers those that remain upon the face of the earth, to cleanse it: after the end of seven months shall they search. And the passengers that pass through the land, when any seeth a man's bone, then shall he set up a sign by it, till the buriers have buried it in the valley of Hamongog. And also

the name of the city shall be Hamonah. Thus shall they cleanse the land.”

Amen. Brothers and sisters, from this passage, we see that the dead will litter the whole land, until they will have to employ people to bury them for seven whole months. After which period, they will now also search to see if they have missed any body parts strewn somewhere. Any such parts seen will be marked for those burying them to take for burial, at the burying place for Russia, called Hamongog. But we are also told in verse 9, that they will burn weapons of war for SEVEN WHOLE YEARS! This just shows, not only the colossal human and military weaponry which Russia will lose in that day, it also shows the great financial loss which Russia will suffer in that day as well. This is the battle of Gog and Magog, of Ezekiel 38 and 39, the understanding of which we received from the chief apostle to this age. However, for the sake of our new members and visiting brethren, I have to say that there is another Gog and Magog battle that is recorded in the Book of Revelation Chapter 20, verses 7-10, which is a battle that takes place right

after the end of the Millennium. We want you all to know that that battle recorded in the Book of Revelation Chapter 20, is different from the one we are considering today in the Book of Ezekiel, even though it is Russia that is also in reference in that war as well, for she is in prophetic view in both wars. But today, God helping us, we want to take a closer look at this war in Ezekiel, a battle that is going to be fought when the Bride is still here, for as we have confirmed from the Scriptures, it is a war reserved for this end time, which is the latter days. So, it is certainly a battle we are all going to see. Do not forget that we are already in the latter days, and in fact, we are at the ending of the latter days. But we now want to consider a crucial issue relating to this war, and hence, we title our message, *EZEKIEL 38 AND 39 BATTLE ARE VISIT*.

Brothers and sisters, I pray God will help me with this message. I got a letter from a brother, whose name I will not mention in this Scribe. He is a firm follower of the Continuity light Raymond Jackson bore for the bride of Christ,

and I appreciate the brother, for I have received a few correspondences from him. He wrote to inform me that he had read some of our literature, like *THE THIRD DAY*, and *THE SEVEN THUNDERS*, and that he enjoyed them very much, and that he agrees with the truths set forth therein. His initial reservation about my use of the title, "**The Chief Apostle**," or "**The Apostle**", for Raymond Jackson, on account of Hebrews Chapter 3, verse 1, was settled, when he read our message in the Scribe titled, *THE UNSEEN HEADSHIP OF JESUS CHRIST*, which I referred him to. However, he has now expressed a difference of opinion on a matter touching on prophecy, and specifically, it is one which devolves on the *Ezekiel 38 AND 39 BATTLE*. I am therefore under a divine obligation to lay out the truth on this matter, strictly from a scriptural standpoint, in order to dispel every cloud that hangs on this matter. Therefore, what I say this morning, I say in defense of truth, humbly, and in love. And more particularly, I pray that this message will help my brother to see the truth of this matter, for time is short. We want to stand only for that which can be sustained by the living Word

of God, which liveth and abideth forever; for all other ground is sinking sand, however good and plausible it may seem. For the foundation of all truth is strictly the inspired Word of God, which is the Holy Bible! Period! As such, we cannot lift up the words of a man, indeed any man, over and above the written Word. And as I have said before, I say again: When issues of faith arise that challenge what I know is the absolute truth of the Scriptures, I am under a divine obligation to stand in defense of God's Word. I will never run from a challenge of faith, except the challenge is just a mere waste of time. I know my brother is sincere in his belief, for he honestly thinks he is right, basing it on what Brother Jackson said; but it still does not make it right without a Bible base! Knowing better, that is, knowing precisely where the truth of this matter lays, scripturally, which is by the sheer grace of God, places an obligation on me to lay out the truth, so as to help God's people to see the truth of the matter. But more particularly, I do this so as to help the brother see the issue in the right perspective of the Word. I do this, not to put down my

brother, but to help him, particularly as my revelation (faith) has been called into question. My attitude is this: You can take my money and material substance, whatever little I have; I will let you go with it. But when it comes to an issue of faith, I will take up the challenge of faith, just so that truth may be established and upheld, against all falsehood. I do this, because Almighty God in His sovereign elective love and mercy, has called me to stand in defense of His Word, as unworthy as I am. Consequently, what else can a wretched sinner saved by grace like me do, but to be faithful, as an unprofitable servant? I will now set forth his views as laid out in his emails, and we will lay everything upon God's Holy Writ, which is "**the Scripture of Truth.**" You be the judge. May God help me.

The problem the brother has is this, and I will quote him directly on it. In his email he stated: "**One particular issue regarding the burning of weapons in Eze. 38 & 39 war: You mentioned in the book, "The Third Day", that by three and a half to four years, Israel**

would burn weapons, as opposed to the Word of God, stating seven years in which weapons are to be burnt. Brother Amos, let us not make the same mistakes that James Allen and his gang are making. I do believe that if God said it would take seven years, so be it. It will take seven years for burning all weapons and bodies. We are aware that the Era of Miraculous is first, and then Ezekiel's war starts, just before the last week of Daniel starts; I would say just mere months before. Remember it is the government of Israel that will be involved in the burning of weapons and bodies, as the Word of God says "continual employment" will be created. So from the end of the war to the end of week would be seven years, which would comfortably fulfill this prophecy, time-wise, and this will not affect the revival of the anointed ones in Israel." Brothers and sisters, I have never preached that they are going to burn weapons of war for three and a half years to four years, and I also know that I have never written such a contrary thought in any of our publications either. So, I

had to take a second look at what exactly I wrote in *The Third Day* book. It is in the latter part of Page 171, straight through to Page 173. There is no place where I stated such a contrary thought in the entire book. I plainly declared that the children of Israel would burn weapons of war for seven full years. However, and this is what I said: I said that the seven years of burning the weapons of war could start from around three and a half years, prior to the beginning of the last Week of Daniel, allowing the children of Israel to continue burning the weapons into the first half of the week, which is another three and a half years, making a total of seven full years of weapons' burning. Consequently, I said that the burning of weapons could start from anywhere here, (Brother Amos pointed to the chart), three and a half to four years, before the last week is set in motion here, allowing the first half of the week to be added to the years of weapons burning, thus making a total of seven years. It will be seven years, if they start burning the weapons, beginning from three and a half years to the opening of the 70th

week, and they also add the first three and a half years, of the 70th Week to it! Period! Brothers and sisters, that is plain! Nowhere did I say they will burn weapons of war for only three and a half years or four years. I never said that! So, the brother either misread or misunderstood what I wrote, and yet it is very plain! Come on! If you are going to slug it out with a man, you have to be factual! You have to get your facts right, if you will accuse a man of error! And that write up is too simple and plain for him not to see it; for I never said they will burn weapons for three and a half years! Yet, my brother warns me to be careful, and not do like James Allen! I am not doing like James Allen! I never did! And it is only by the grace of God! But now I felt, that since he is telling me not to do like James Allen, then, he too must have respect for the Word of God! And on this premise, I wrote him an email, not only to let him know precisely what I stated in my book, but also to re-affirm the truth of the Word on the matter, for there is no contradiction in our faith as to how long the weapons will be burnt. However, realizing that at the closing of his email, he

made the statement that Israel would be burying weapons throughout the last Week of Daniel, I also had to address that issue, for it is not possible. I quote him again: **“So from the end of the war”** (of Ezekiel 38 and 39), **“to end of the week would be seven years, which would comfortably fulfill this prophecy, time-wise, and this will not affect the revival of the anointed ones in Israel.”** He is putting the burning of the weapons of war into the whole of the last Week. In essence, he is saying that the war is going to start just a few months before the last Week starts, allowing them to burn weapons of war all through the last Week. Brothers and sisters, I wrote him to let him see that that cannot be, particularly because of the prophecies God gave concerning the second half of the 70th week of Daniel. My email on this issue states: ***“My brother, it is not possible for me to project something that is clearly Anti the express Word of God. You obviously misconstrued what I wrote on Eze. 38 & 39 battle, when Israel will be burning weapons of war for seven full years, for we are both UNITED on the truth of this matter, for***

that is precisely what I also projected in my book, as well as in all my teachings. If you go back to the latter part of page 171, right up to page 173, of The Third Day Book, where I touched a little on the matter, I stated emphatically that Israel will be burning weapons of war for seven full years. However, I added that the seven years CAN start, (for it is a possibility); but it can start taking effect from around 4 years, to three and a half years, TO the opening of the last week of Daniel, giving Israel the first half of the 70th week of Daniel to FINISH burning those weapons, thereby making a total of seven full years! That is precisely what I laid out in t h e B o o k , and this projection does not offend the Scriptures. The truth is that we are not told by the Scriptures that the entire burning will take p l a c e p r i o r to the last week! We are only told in Eze. 39:9-10, that they that dwell in the cities of Israel shall go forth and burn weapons, for a precise period of seven full years! Period! And since the first half of the 70th week is a period of peace and prosperity, though false, amounting

to three and a half years, my brother, nothing stops Israel from continuing to burn weapons of war in that period, if she started burning these weapons about 4 years or so, prior to the opening of the week, making a total of seven years, thus fulfilling the prophecy of Eze. 39:9-10! We should not forget that although at the opening of the week, Israel would have made a pact with the Antichrist, the pope, thus igniting the 70th week, she would still have self-rule in the first half of the week, nonetheless, though subject to the overlordship of the pope, for the Antichrist will not take over Jerusalem, until the middle of the last week! Thus, there is absolutely nothing preventing the dwellers of Israel from continuing to burn weapons of war, in the first half of the week, in order to complete the seven years! It is a clear possibility, for it offends no Scripture. But yes, she will burn weapons for seven full years. That is what the Scriptures say. However, on the other hand, to suggest that

Israel will be burning weapons of war throughout the last week period, taking in the last half of the week, which is clearly the last tribulation period, is most unrealistic, my brother, and thus it cannot be, for Israel will be under serious satanic onslaught, going through the time which the Bible calls the time of Jacob's trouble. According to the prophetic Word of God, Israel will be running for her life, for she will be deprived her right to the land, being faced with excessive hatred, once the Antichrist moves over to establish himself as God, in the temple in Jerusalem, instituting a blood bath against the Jews! Thus saith the Word of God in Daniel 12:7 & 11, amongst many other Scriptures! Thus, Israel cannot burn weapons during the last three and a half years of the 70th week of Daniel. That period is completely out of the equation for such a purpose." Brothers and sisters, he disagreed with me on the issue, laying out various statements the chief apostle made on the matter. He wrote in response to my scriptural explanation, saying in material parts: **"I have**

come across a few earlier Contenders where Bro Jackson also mentions the time frame between the Ezekiel War, and the starting of the last week of Daniel, as being mere months or a year, or at most 2 years... In the Contender From Beginning to The End, Part 32, titled, Windows of prophecy, continued on Page 4, col. 5, (bottom, continued to page 5, col. 1, top), He says... "This is how we are to look toward to the seventieth week of Daniel. It goes into motion on the heels of this Ezekiel war. There is absolutely no doubt that it will be just a few months, a year or two maybe, until that week goes into effect." More recently, in the Contender From The Beginning To The End, Part 145, May 2008, titled, Scriptural Diagnosis - No. 3, Col. 5, just below midway: **"That is when Michael will stand up. It is not in the week. It is just before the week starts. When I say that, do not put it ten years back there. Do not try to make it more than a year and half or two years at the most." Bro Amos, I cannot see a period of three and a half to 4 years**

lapsing between the Ezekiel war and the last week of Daniel, (and the first 3 and a half years of false peace by antichrist comprising your seven years). My reasoning is, although the antichrist will persecute and try to annihilate the nation of Israel, these people will still be employed, starting from the end of Ezekiel war, time wise, as mentioned above, to probably the beginning of battle of Armageddon."

Saints, I realized it is the teaching of Brother Jackson that formed the basis of his projection, as he laid them out in this email. This also made me go an extra mile that I may win my brother. In fact, in his message of September, 1982, titled, *Watching For The Rapture*, page 19, under the subtitle, Wounded Head Healed, Brother Jackson declared: **"I have said it many times before, and I do not mind saying it again, I believe the fulfillment of Ezekiel 38 and 39 is what will so shake the world that their leaders will rush to the peace negotiating table, sign a peace pact, and appoint the pope of the Roman Catholic**

church as the overseer of it. Since the signing of such an agreement is what actually starts that last week of Daniel, I look for this old world to get a terrible shaking. The scope of Ezekiel 38 and 39 will be a lot greater than a lot of people expect. People of the world are going to feel that we are on the brink of total annihilation. You talk about shuttle diplomacy, that old pope is really going to be busy. Then when the agreement is signed, the man of the world is going to lean back and say, This is wonderful. This is what we have needed for so long. We can build houses now, and not have to worry about them being blown all to pieces. We can send our children to college and not have to worry about them being called to the battlefield as soon as they are finished. No wonder Revelation 13:8 says, "They worshiped the dragon which gave power unto the beast." In essence, the chief apostle is saying that the battle of Ezekiel 38 and 39, is what occasions the signing of the pact with the "man of sin", a pact which sets the 70th week of Daniel in motion; meaning that the battle is instituted, just as

the last week is about to start. Again in his message of February 2004, titled, *Prelude To Second Coming of Christ*, part 2, page 10, the chief apostle also stated: "**Naturally the events described in Ezekiel 38 and 39 have to take place before the week starts, but we are convinced that what Israel does to the Arabs in taking their land back, is what triggers the Ezekiel 38 and 39 events, (which in reality, will not take very long), and that is what brings world powers together to form a peace treaty, and that peace treaty is what will usher in the beginning of the week. We are back here somewhere, just a short period of time away from the beginning of the 70th week of Daniel, because we are persuaded that all the loose ends will be tied up in short order, once the miracle war is fought.**" Finally, with respect to the Contender under main reference, titled, *From the Beginning To The End*, Part 31, under the subtitle, *Looking Through Windows Of Prophecy*, page 6, column 1, Raymond Jackson declared categorically: "**Brothers and sisters, I refuse to be a fanatic; but if you can**

see these Scriptures like they should be, there is no doubt in my mind that it will take that Ezekiel war being fought just A FEW SHORT MONTHS BEFORE THE WEEK OF DANIEL ACTUALLY IS INITIATED. It is that type of condition being brought on, that causes the Western world, out of impatience, to negotiate with Israel for some kind of world peace plan." These projections are the things which made the brother have the stand he has. However, I also have a quote, where Brother Jackson made a projection which dovetails, more or less, with my time projection on this matter. In his message titled, *When Israel Does This*, part 1, of April 1994, and on page 10, under the subtitle, *The Lineup Of The Ezekiel 38 War*, the chief apostle also stated: "**There are those who still ask, Just how and where does Ezekiel 38 fit into this end time picture, so we will go over that again at this time. For the sake of understanding, LET US PLACE OURSELVES WITHIN the last two and one half OR THREE YEARS, as we are approaching the week of**

Daniel.” This projection is more plausible, scripturally speaking, though it still falls short by six months! Consequently, I wrote my brother another email, bending backwards, setting forth scriptural reasons why it is utterly impossible for Israel to be burning weapons of war in the last week of Daniel. In that letter, I appreciated the chief apostle, and also stated that, if anybody stood for Brother Jackson, it is me! I was the one God used to show the whole world his precise ministry position. I was also the one God used to stand in open defense of him. Moreover, brothers and sisters, I know what the man preached, what he stood for. By the grace of God, I have the revelation of the continuity message he bore for the universal bride of Christ, from the pages of the Bible. And that is precisely why I am able to stand for his truth, and for his ministry, and was also able to stand in the defense of his person, when men, who were supposedly following his ministry, were knocking him on the head, on account of the problems of Tim McKay and Rolf Strommen. I explained to him in the letter, that God u n v e i l s His Word in folds. And as such, God can give a man a truth to a particular

level or fold, and leave a fold unrevealed, in order to allow for scriptural continuity, and for the upgrading of revelation. But the fact remains that it does not matter how many quotes of Brother Jackson he has, until you have the Bible for something, you have nothing! Because no matter how many quotes of any man you have, as long as it is not anchored in the Word of God, it cannot hold! Because the basis of any truth is the Scriptures! We cannot set any man's quote over and above the Word of God! I informed him that that was also why Brother Jackson himself refused to accept many quotes of Brother Branham, because of the Bible. Saints, an example of this is the Church Order Doctrine, or the C.O.D., which Brother Jackson stood firmly against, strictly on a c c o u n t o f t h e Scriptures! But I let him realize in my very long and explicit email, that Brother Jackson bore a perfect revelation concerning this war, the Ezekiel 38 and 39 battle; f o r h e w a s t h e one God used to unveil it for us in the first place! He bore a perfect revelation as to the battle, its leadership by Russia, its preparation, its establishment; the fact that it is going to be an

amphibious war, the greatest military airdrop we have ever had in history; because that is how to beat the radar; it is by airdrop, and not by moving endless convoy of armored vehicles carrying armed personnel. Radar will catch that! So it is an amphibious war. It is a surprise attack! And the brain behind this war is Russia. Brother Jackson also rightly identified the nations involved, the national constitution of this military strike, how it would be executed, and the end time application of this war. Everything in this respect is perfect. He even let us know that Israel will not fight in this war, for God Himself is the one that does all the fighting. That man bore a perfect revelation! However, the only thing, or the only fold of truth, a material detail, which God did not let him take a close look at, something that omitted his mind when he was setting forth this teaching, is what now forms the bone of contention. And although Brother Jackson bore a perfect revelation of the Seventieth Week of Daniel, being the man God used to open it up for us in detail, after the death of the prophet to this age, nevertheless, at the time

he was preaching on this battle in Ezekiel, God allowed his mind to overlook or omit an essential detail of truth. Period! And it is specifically in order to allow for upgrading of revelation. And what is that detail? It is that in projecting the time the weapons of war will be burnt, he did not avert his mind to the reality of what is ordained for fulfilment in the last three and a half years of the 70th week! He did not! It was an oversight! We are going to see it this morning. That was precisely why he said that the worst case scenario, it would be about a month or one year, or even two years at the most, before the last Week starts; but he expects that it would really be just a few months to the last week, when the war would be fought, as he thought that that is what will bring about the pact with the Anti-Christ. Remember, the battle itself only lasts a night! It is just an overnight strike, and it is over; because God uses nature to do the job! So, in just a few hours, the war is all over! Brothers and sisters, that war is only an overnight scenario, although it takes quite some time to prepare for it. But we are not looking at the preparation of the war, but strictly at its execution! And Brother

Jackson is perfect in the revelation of the execution of this war, and the result of it. So, I am not knocking Brother Jackson; but I am simply saying that God did not allow him to avert his mind to the complexity of the situation in the last half of the Week, in relation to the burning of weapons of war. Period!

And that was allowed to happen, in order to allow for continuity of revelation. What is hard to understand in that? But as I have been stressing, we cannot accept something simply because Brother Jackson said it! We have got to have a Bible base for it! We must have Scripture for anything we are to believe! And until it is Scripture, we cannot go with it, particularly when something offends the revelation of the Word! So, I told the brother, I said it is true Brother Jackson made that projection. I have also taught it like that myself in times past, as a faithful follower of that man's ministry. But there comes a day God addresses your mind to certain realities of Scripture, and you are forced to take a second look at something, a little detail you have been looking at in a traditional or carnal way. I call it a little detail, because Raymond Jackson's revelation of

Ezekiel's war is perfect! And this has to do with time, in relation to the last Week. Saints, we already know the war cannot happen until after the Hour of the Jewish Miraculous. We know that, and I have shown that this morning. But brothers and sisters, when we consider the execution of this war in relation to the last Week, there is no Scripture that ties it to the last Week. None! But the brother gave me one in his reply, which I will now read, and it states: ***“Thanks for your response to my mail. Like you rightly said in your mail that we cannot stand on man's opinion, if it does not align with the Truth of God's Word. The reason I have quoted from Bro Jackson's Contender is, when I read these statements and took them to the Word of God, there was total agreement with both. The first quote mentioned is Eze 39:22, (“The house of Israel shall know the Lord FROM THAT DAY FORWARD”). That is the scripture that links Ezekiel's miracle war with the 70th Week of Daniel. I must admit this has very much inspired me, as no one has ever***

explained this scripture like Bro Jackson did, and therefore, I do not see a three and a half year or four year interval, in-between the Ezekiel war, and the ushering in of the 70th week of Daniel.

I also agree with you that the House of Israel would be under intense pressure from The Antichrist, in the second half of Daniel's Week, which we know as the tribulation period or Jacob's trouble. But we must remember, as much as it is clearly stated that it will take the House of Israel seven months to bury the dead, the same is not said for burying of weapons. (It is 7 years). The point I am making here Bro Amos, is that today in war situations, we find organisations like UNO, Red Cross, and even Amnesty International, employing people to do mopping up and cleaning operations. So I believe it is these organisations that will handpick people as the Scripture says, for "continual employment".

Brother, I firmly believe that God has his 5-fold ministry on the earth today, and they shall see eye to eye, and lead the End Time Bride Church in one direction: that is

towards The Lord Jesus Christ and the Rapture, and I am willing to stand with whoever stands for this End time truth that was brought to us by Bro Branham, Bro Jackson, and the continuing 5-fold ministry. I thank the Lord for giving me wisdom to see a lot in His Scriptures, as John the Baptist rightly said, "a man can receive nothing except it be given to him from heaven." When I got that letter, I decided there was no point replying him any further in that way, for it will only be a "ping pong." I knew I had to deal with it by way of a message, and send same to him, and hence this message: **EZEKIEL 38 AND 39 A REVISIT.** I had to, for there is no doubt that there are many others holding to the same view around the globe, in the following of the Continuity Message which Raymond Jackson bore, just as I had once held to that scripturally unsettled view.

The brother gave me Ezekiel Chapter 39, verse 22, as the scriptural proof which ties Ezekiel's weapons' burning to the last Week, for he said: **"The first quote mentioned is Eze 39:22, ("The house of Israel**

shall know the Lord FROM THAT DAY FORWARD"). That is the scripture that links Ezekiel's miracle war with the 70th Week of Daniel. I must admit this has very much inspired me, as no one has ever explained this scripture like Bro Jackson did, and therefore, I do not see a three and a half year or four year interval, in-between the Ezekiel war, and the ushering in of the 70th week of Daniel." But where exactly in the passage he quoted, does it give us the last Week? Ezekiel Chapter 39, verse 22, plainly states: **"So the house of Israel shall know that I am the Lord their God FROM THAT DAY AND FORWARD."** Simply because it says that from that day forward, the Jews will know that the Lord is their God, for He is with them, does not tie it to the last Week! It does not, even though we know that for all these end time prophecies, we are close to the last Week, for they are in close proximity to the last Week! Otherwise, I have to ask: What of the Six Days War, and the miraculous nature of it? Was it not a feat, a miraculous war, when Israel defeated all those

nations in a jiffy? What about the Hour of the Jewish Miraculous that is coming? Will they not also know from that time onward, that God is with them, and that the Lord is their God? So how can you take verse 22, and tie it to the last Week of Daniel? You cannot do that! It is an assumption, and it is too much of an assumption to make! Because verse 22 does not tie itself to the Seventieth Week of Daniel, and as such, you cannot import it into the last Week. It only states that from that day onward, they will know that the Lord is their God. Period! In other words, it boosts their confidence in God's abiding presence with them! It lets them realize that God is with them! Yes! But I also ask: Will they not have also realized this fact from the Hour of the Jewish Miraculous, something that makes the Arab nations throw out Islam and embrace Elohim? Come on! Are we now going to make this verse, one which speaks of the last Week? No, we cannot! So, how can a man read the last Week into Ezekiel Chapter 39, verse 22, which is really a mere statement of fact, a realization of something, which in essence is a further confirmation of God's

abiding presence with the nation of Israel? This baffles me! It is only an assumption! Church, let us talk about time a little. I am talking of time projections, before I delve into the breakdown of this issue, and settle it once and for all. If you want to talk about time, here came William Branham. God gave him certain visions for the end time. He saw the fulfillment of many of it, and this caused him to make a prediction, that by Year 1977, everything would be over. He said, *"Not the Lord said, but I predict; and I am a prophet of God. By virtue of the prophetic events I saw, and how things are fulfilling, by 1977, I predict that the world will be all over."* Brothers and sisters, it is almost fifty years now since he passed away, and we are still here. He made that prediction, only because he knew we are at the end of time; but we are still here, nonetheless! When James Allen and Bud Thompson were going to do their carnal and unreasonable judgment, tearing down the only book that puts Raymond Jackson in his precise ministry office, I warned them, I said, *"Why not wait till God sets apostles in place."* They also spoke concerning time. James

Allen replied, asking: **"HOW LONG WE GONNA WAIT, FIVE YEARS?"** Well, it is over eight years now, and we are still waiting for the apostles; we are still waiting for the original Ephesian fivefold ministry. What are you going to do? Are you going to rush time? Are you the one in charge of time? Are you God's time keeper? I do not know when any of these men became the Angel of time! And that is the truth! So, what are you going to do? Over eight years, we are still waiting for the apostles to be established! Who can hasten it? Are you going to usurp divine authority just because you think things are getting too strung out, time-wise? Who is running the show, if it is not God Himself? And what if God even makes Ezekiel's war to occur seven years before the last Week? What are you going to do? I did not say He will, for I only said, *"What IF"*? What are you going to do? Brother Branham expected the world to have ended in Year 1977. About thirty six years over that date, we are still here. This is Year 2013, which is over eight years since Raymond Jackson also passed away. We are still

here, and the original substantive Ephesian fivefold ministry is yet to be established. And if you say that they have been established, I will simply ask you to give me their names, and their precise ministry positions, and the unity of revelation they bear around the world. We are even still waiting on God for the establishment of the apostolic head of the ministry, which comes first! Brothers and sisters, Hosea Chapter 6, verse 2, is still staring us in the face! However late time is, or however short time may be, God is still the determiner of it! But the point is that we cannot take a Scripture that does not give us time, in relation to the last Week, and tie it to the last Week, and say it is for fulfilment in the last Week, without a Bible base! We cannot do that! It is an assumption! And when it comes to the revelation of the Scriptures, I am here to set the record straight under God, and by God's grace. I am saying categorically, that it is not possible for the weapons of war to be burnt in the last three and a half years of the 70th Week of Daniel. That is precisely what I now want to prove this morning in this message. May God help me, for without Him, I can do absolutely nothing! But I

want to show you that you cannot by any figment of imagination, take Ezekiel Chapter 39, verse 22, and stretch it to the last three and a half years. It will not work! I believe that the Hour of the Jewish Miraculous, will synchronize with the revival of the bride. And if you look down through time, revival does not usually span more than about three years and a bit, and it is over.

Look at it all through time. And in this last age, consider the Oil Movement in Azusa, a move which produced the Pentecostal Movement, as God moved by His Spirit in the Year 1906, in Azusa Street California. A few years ago, my wife and I were privileged to visit the very spot where the Mission House once stood. I am talking of the dilapidated building which William Seymour used, where the fire fell in 1906. That building no longer exists, and a garage is what now stands in its place. Revivals never last long. And we all know scripturally, that once we enter into the last Week, the rapture must come. As such, the bride of Christ must have been revived and fully prepared, ever before then. Come on! The Bride must have been

revived and prepared before the last Week starts, because once the last Week starts, we are going up! That is the last sign post, or the last condition precedent, upon which the rapture of the elect bride is hanging upon, on the full and infallible authority of the Book of 2 Thessalonians Chapter 2, verse 3! The peace and economic pact, which the Pope of Rome of that hour will make with the ten horns of Europe, (the European Union), including most particularly, the nation of Israel, is what sets the Seventieth Week in motion! And once we see that, brothers and sisters, the prophetic Words Apostle Paul laid out in 2 Thessalonians Chapter 2, verse 3, is thus fulfilled, for the man of sin is thereby revealed, introduced as the head of the restored Roman Beast Empire, called the European Union. We know right there and then, that that is the man, who in the middle of the Week, will come and take over the temple in Jerusalem, and declare himself God, and institute the 666 mark, and demand worship. Are you with me? Consequently, it is a settled scriptural fact that once that Week opens

up, we are going up. That is the last prophetic event the rapture is contingent or hanging upon. Therefore, we must understand that before the last Week starts, the bride must have had her revival, and the seven thunders will be here, just as we are entering the last week, to lead us into that week. This gives us the seven thunders on the side of the Gentiles, and the two Jewish prophets on the side of Israel. And talking of major anointings, this gives us the three greatest anointings: John on the side of the Gentiles, Moses and Elijah on the side of Israel. Brothers and sisters, that is precisely why I believe that the revival of the bride will synchronize with the glorious Hour of the Jewish Miraculous, carrying on into the last week of Daniel, taking in *EZEKIEL 38 AND 39 BATTLE* as well, because God deals with us on a parallel! We just have to realize, that we have to be revived, ever before the last Week starts. Moreover, it takes time to get a universal body of saints in shape, and it also takes God Himself to awaken His people. Brothers and sisters, when we look at the controversy at hand, honestly speaking, the letter I wrote to the brother should have resolved the

issue; but it did not. He still raised objections based on his incorrect understanding of the Scriptures, and of the message of the chief apostle. However, I see God's hands in it, for I can see that God allowed it to go this way, so that I can revisit this message for the universal body of saints. For had he seen the truth of it, I would have just let the matter lie, without revisiting the issue for the general body! Saints, let me warn you though: God wants us to humble ourselves to truth; He wants us to be a humble people in attitude. And as such, He will take us on a road that will teach us humility. Not one that is a put on, but one of genuine humility, one that is of the Lord; the humility of Christ. That is why I appreciate a brother this morning; I am talking of Brother Mac, for the very humble way he went about what he did this morning; the very humble and sincere way he made right before the church, coming completely clean, over the truth of Genesis Chapter 4, verse 7, *SIN LIETHAT THE DOOR*. I was deeply touched myself, and I am happy that the Lord has restored him back to fellowship, and that he has taken a vital and necessary step of making right before the church,

without anyone's prompting, but solely by the conviction of the Spirit of God. May God bless you, Brother Mac. That is the zeal God expects from the saints in Laodicea, the zeal to see their wrong, and to make right, humbly and sincerely, coming completely clean, even as it is written: ***“As many as I love, I rebuke and chasten: B E Z E A L O U S T H E R E F O R E , A N D R E P E N T .”*** (Rev. 3:19). Humility is God. May God help us all, for we are nothing in ourselves. Amen.

Coming back to the controversy at hand, and in first determining who exactly are the people who will burn weapons of war, the brother said in his third material email, of 19th January, 2013: ***“The point I am making here Bro Amos, is that today in war situations, we find organisations like UNO, Red Cross, and even Amnesty International, employing people to do mopping up and cleaning operations. So I believe it is these organisations that will handpick people as the Scripture says, for “c o n t i n u a l e m p l o y m e n t .”*** But is it

really going to be the United Nations Organization, (the U.N.O.), the Red Cross, Amnesty International, that will take responsibility for the burning of weapons of war in the land of Israel? Of course not! We will see what the Scriptures really say about that. But even in that projection, my brother has shifted base; for in his first material email, written on 12th January, 2013, he said to me: **“Remember it is THE GOVERNMENT OF ISRAEL that will be involved in the burying of weapons and bodies, as the Word of God says “continual employment” will be created.** But now he has shifted base! His first material letter gives us the government of Israel, and now in his third email, he now gives us the UNO, Amnesty International, and the Red Cross, which are all International organizations! My brother does not even know what he is saying again! And that is the problem you get into, when you come against the truth! You have to shift base, in your bid to hold what cannot be held! He is shifting because he can now see the prophetic reality of the last half of the 70th Week, in relation to the burning of weapons, for that is when the Antichrist takes over

Jerusalem, pushing aside the Israeli government! I say that humbly and with respect! Brothers and sisters, I am here to let you know, that the prophecy concerning the burning of weapons of war, will not be fulfilled by any nation outside of Israel, and I will give you the Scripture for it shortly. But it will certainly not be the UNO, the Red Cross, or Amnesty International! It will be nothing but the government of Israel! Period! Just bear with me, for I do this in defense of truth. My brother even said in his letter of the 19th of January, in his last paragraph: ***“Brother, I firmly believe that GOD HAS HIS 5-FOLD MINISTRY ON THE EARTH TODAY, and they shall see eye to eye, and lead the End Time Bride Church in one direction: that is towards The Lord Jesus Christ and the Rapture...”*** I have to ask: Who is leading them away from Jesus Christ? I certainly am not! The only way to lead people to Jesus Christ is to lead them to the Word, because Jesus is revealed in the Word. It is absolutely so, because Jesus is not here in his body of flesh for any preacher to say, “Now

follow me, let us go and meet Jesus Christ in Jeffersonville, or in Johannesburg, or in Lagos.” No! Christ is only here spiritually, and not physically, for he is revealed strictly in his Word! Consequently, if you take people to the Scriptures, you are taking them to Jesus! Simple! And if you take them away from the Scriptures, you are also leading them away from Jesus! Period! You do not take people to Jesus by mere statements, but by leading them into the paths of the revealed truth of the Holy Scriptures! Otherwise, saying that you are leading people to Jesus, is merely saying so, for it is empty words, meaning nothing! Moreover, since my brother says he firmly believes that God has His fivefold ministry on earth today, I will simply ask him: Where are they? I will be happy to know them, because I want to walk in unity! So, please, give me their names, and where they are based, and the precise offices they are holding! I would like to know the fivefold ministry on earth today; when we know that God is yet to place the apostolic head of the ministry! Who are their

apostles? Where are those who make up the apostolic head of this so-called fivefold ministry? I want their names! If you know even one in your locality, I would like to meet him, for we have been waiting for them! But before you show me the men, please, FIRST show me the revelation they bear, particularly in its PROGRESSIVE ATTRIBUTE, which conveys fresh nuggets of Bible truths, the fresh "**Carcase**"; AND also show me the unity of scriptural revelation which exists between them, AND their lead apostolic ministry! Then, I will be very happy to know and follow them, for this is not a game! And we have not been called into politics either; for this is about our eternal destiny! Come on! My brother, you have to wake up! You have to know precisely where we are in the revealed programme of God, with respect to the establishment of the fivefold ministry! You have to! And you cannot know it, unless you have a revelation of THE PLOT! Now listen to what my brother says next: "**... I am willing to stand with whoever stands for this End time truth that was brought to us by Bro Branham, Bro Jackson,**

and the continuing 5-fold ministry." Who are they?

In referring to the entire body of ministry, you could set aside one man; you could single out Brother Branham, and you could also single out Brother Jackson, and yet, these two men are dead, and the bride is still here! But despite the fact that Raymond Jackson is dead, you throw away the need for a lead apostolic ministry, and everything now becomes the fivefold ministry, without any lead ministry! But it was not so when you referred to the chief apostle, even though there were a lot of men on the ground in the ministry, in his days, who similarly followed William Branham's message! You could single him out, as Brother Branham's successor lead ministry. Today, however, it is now simply the fivefold ministry, with no lead ministry! But who are the men who make up the fivefold ministry, and where are they located? Where is even another man in your country, who is seeing "**Eye to eye**" with you on issues of truth? No, do not even go outside of your country to find one man with whom you see eye to eye. Right there in your town or city, show me

another man with whom you are Seeing Eye to eye, on every issue of the Bible, and I will accept that there is a fivefold ministry going on right now! If you could see the lead ministry of Raymond Jackson after the prophet died, and we are in the days of the apostles, why will you not also see another lead apostolic ministry today, when Raymond Jackson is no longer with us? That is the question! If God moved on after William Branham, why will He not also move on today, when the bride is still here? Why then did He move on at all after the prophet to this age passed away? Think about it seriously, for pride, race, and ambition, have absolutely nothing to do with this way of life eternal! All the brother really sees at the moment, (and he is entitled to his faith), is Brother Branham and Brother Jackson, and that is the truth! But like I said, he is entitled to it, for he is at liberty to believe whatever he chooses to believe, although I pray he sees the present tense move of God. Consequently, I will say this to the brother: God has moved on beyond all that! He has moved on beyond Raymond

Jackson! Yet, my brother told me in one of his letters, he said, *"I believe what Brother Jackson said concerning you."* To that I reply: No, you do not believe anything as yet, as you really should! Because I will have to ask: What exactly did Brother Jackson say concerning me? What did he say? And what is it you believe that Brother Jackson said about me? What did he say? I ask that because I can see that you are struggling with something! You said you believe Brother Jackson. Before I lay out the truth of Ezekiel's war which is in question, I will now give you quotes of Brother Jackson, the very man you say you believe so much, in order to challenge your faith. I say that because I see that a lot of men are just picking and choosing what they like in the continuity light Brother Jackson bore, and are not really interested in following the light he brought, for their selfish reasons! I am not applying that statement to my brother though, but nevertheless, it is a reality which exists in the men who say they are following Brother Jackson. On the 5th of September, 2004, in a message titled, *The Body Of Christ*, Part 5, a message which is already in the

Contender, Brother Jackson said, and I am quoting him directly from the audio tape: ***"Today is the first time I've ever stood to say some things that I'm going to say. There is a time factor that we are faced with; and that is: God is going to have"***, (future tense), ***"some people that he has put together."*** (I will move down a little to continue the thought, for he continued, saying): ***"... I have to say, the time has come, GOD IS GOING TO TAKE SOMEBODY'S MESSAGE"***, (which is none other than John's Continuing and Climaxing Message), ***"and He's going to take some men, that have a revelation, and they are going to start putting that thing together. It's going to form a picture. And there's a nucleus of people, that's going to begin to believe it. They're not even going to care, who it hurts, or what their name is! Cause that's the truth."*** (Now pay attention, if you will, to what he says next, for it is most instructive, being divine. He says): ***"I have to say this morning, God will not start with the voice of MEN. HE WILL START WITH THE VOICE***

OF ONE MAN, THAT WILL LIFT UP THE TRUTH, STRONG ENOUGH, LOUD ENOUGH, THAT THOSE MEN WILL KNOW GOD'S IN IT!" (This speaks of no other voice, but that of the lead apostolic ministry of John, the successor ministry to that of the chief apostle. Moving a little further down, he re-affirmed the truth of the successor lead ministry, stating plainly and categorically): ***"... And that's what I'm saying this morning. If there's unity"***, (in other words, if there is to be unity), ***"THERE'S GOT TO BE THE VOICE OF ONE MAN, WHO ALL THE OTHER MEN WILL GET ALLIGNED WITH. What we've put in print for the past thirty something years, God is going to confirm it. It's a framework; people have built their faith around it."*** (We will again move down a little to continue this thought, for he again states): ***"Always remember, brothers and sisters, the birth of anything, you get the head first... The head's got to be set in motion first! That head don't have to be one man. BUT IT STARTS WITH ONE***

MAN. AND AS THAT ONE MAN SPEAKS, other components of the head join with it... I have to say today, God's going to put His head", (the apostolic head), **"in shape. The head's got to speak..."** Furthermore, in a subsequent message, one which was brought out in the Contender of November 2004, titled, *The Great Mystery*, Part 5, page 7, column 5, Raymond Jackson also declared prophetically, saying: **"I am simply saying to you, There is something coming up the road; and I believe God is absolutely going to anoint His servants, where ever they are around this earth, to be ready for it."** (Please pay attention to what now follows, for it is prophetically revealing. He gives us precisely what is coming up the road. Brother Jackson declared): **"Out of the shadows, GOD IS GOING TO SET A MINISTRY OUT FRONT",** (a lead apostolic ministry), **"THAT IS GOING TO STAND TRUE TO HIS CALL, HIS PURPOSE, AND TO THE REVELATION OF TRUTH THAT HAS BEEN RESTORED!"** My question now to all who claim that they believe that Raymond Jackson was the chief

apostle, and to all who also do not believe that he was the chief apostle, but who, nonetheless, believe that he bore the standard of the truth of Jesus Christ, for the bride of Christ universal, after the death of William Branham, is this: What are you going to do with these quotes of Raymond Jackson, which plainly and categorically sets forth the order of the establishment of the fivefold ministry, and which also lays out the absolute fact that the apostolic ministry will start with ONE LEAD VOICE; ONE LEAD APOSTOLIC MINISTRY, **"OUT FRONT"**? Chew on that! We will now return to deal with the controversy at hand, which is the *Ezekiel 38 and 39 Battle*. As for us, by the grace of God, we will stay with the revealed Word; we will stay with God's Blueprint for the elect bride ministry, for there is no other way, for it is infallibly written: **"And God hath set some in the church, FIRST apostles, secondarily prophets..."** (1 Cor. 12:28). Joshua asked the children of Israel in Chapter 24, verse 15, declaring: **"And if it seem evil unto you to serve the Lord, choose you this day whom ye will serve; whether the gods which**

your fathers served that were on the other side of the flood, or the gods of the Amorites, in whose land ye dwell: BUT AS FOR ME AND MY HOUSE, WE WILL SERVE THE LORD." The choice is yours. May the Lord help you to make a right choice before it is too late, for the day is far spent, and darkness has obviously set in.

Saints of the living God, I am here by God's grace to set the record straight, that you may know without any shadow of doubt, that the *EZEKIEL 38 AND 39 BATTLE*, cannot happen two months before the last Week. For it to happen two months before the last Week, shows they will finish burning weapons of war, only two months before the expiration of the Week. That is at the end of the Week. And if they start burning weapons of war one year or even two years before the last week, that means that they will still be burning weapons, up till one year or two years, to the end of the last week. But that is when the war of Armageddon is going to be fought, for it is fought towards the end of the Week! You need two

hundred Million soldiers in that war, not to talk of the dead. A third of men will be killed. The population of the earth is currently over seven billion; a third of it gives you over two billion dead! We will come back to take up this issue later.

Come with me to Ezekiel Chapter 39, as we take a close look at this prophetic passage, and close. Pay close attention to what Ezekiel Chapter 39, says concerning those who are to burn weapons of war. In verse 9, the Spirit of God declares: ***“And THEY that dwell in the cities of Israel”***; (Not the United Nations; Not the Red Cross; and definitely not Amnesty International), ***“shall go forth, and shall set on fire and burn the weapons, both the shields and the bucklers, the bows and the arrows, and the handstaves, and the spears, and they shall burn them with fire SEVEN YEARS.”*** Hold it there. Let me say this morning: In the day Prophet Ezekiel saw this vision, it was shown to him with the soldiers carrying hand staves, spears, and swords, etc., for that was the kind of battle instruments being used for war in his day! That was what he could relate to, and hence, that was what

God used to speak to him in prophecy. But all that only speaks of hi-tech modern day military weaponry, for that is what is used in military warfare today; not staves and bows and arrows. Are you with me? Soldiers no longer carry such crude instruments of war. Today, soldiers use hi-tech military hardware! Can you imagine facing bazookas, grenades, rocket launchers, and missile propellers with spears and swords! As such, we have to translate the weapons in terms of the present day military hardware, for it is prophetic of this end time. And to let you see with absolute scriptural certainty, that it is totally and utterly impossible for the United Nations, or Red Cross, or Amnesty International Organisation, other than the Israeli Government, to fulfil the verse which talks of burning weapons of war, watch the next verse, for verse 10 is the clincher, and it declares of the seven years of the burning of the weapons of war: ***“So that they shall take no wood out of the field, neither cut down any out of the forests; for they shall burn the weapons with fire: And They Shall Spoil***

Those That Spoiled Them, And Rob Those That Robbed Them, saith the Lord God.” That is the objective! Verse 10 plainly declares that by burning the weapons of war, the Israelis will spoil or rob those that wanted to spoil them! It is not the United Nations Organization that will spoil them, but Israel! And neither is it the Red Cross or Amnesty International that will spoil them, but the children of Israel! What does this mean? God is allowing Israel to take the spoils of war, for by this, Israel now robs those who wanted to rob them! Therefore, this is ordained by God to glorify Israel! So, what has the United Nations got to do with it? That monstrosity of an organization is coming to an end! Church, by the time we come to the last Week of Daniel, the United Nation is dead! The Pope would have taken over the saddle of the European Union, which is the seat of the old Caesars! America will also be standing on her own in that day. We are still coming to consider Revelation Chapter 12 later. They will not be running to the United Nations to settle matters,

for everything will be settled by the Pope around a diplomatic table, once his government seat is established over the restored Roman Empire, which in its end time geographic entity is called the European Union! Brothers and sisters, burning weapons of war is not what the United Nations will do; it is what Israel will do, because God's objective in verse 10 is to bless Israel, not the United Nations! You did not hear what I said. It is to enable Israel to take the spoils of war! In the days of King David, as recorded in the Book of 1 Chronicles Chapter 26, the Scripture declares in verse 27: ***“Out of THE SPOILS WON IN BATTLES did they dedicate to maintain the house of the Lord.”*** So likewise, by burning weapons of war, Israel is enriched by the spoils of those that wanted to spoil them! They will therefore convert the spoils into other things. They can use it for whatever military hardware they deem fit; but by it, Israel is spoiling those that wanted to spoil them, and Israel is robbing those that wanted to rob them. Period! It is God's way of blessing Israel, turning the tables on her adversary! God is not

blessing the United Nations; God is not blessing Amnesty International; and God is certainly not blessing the Red Cross; God is blessing only the children of Israel, by allowing Israel to take the spoils. Let me remind you of the battle of Jericho, as recorded in Joshua Chapter 6, where Achan took of the accursed thing. Joshua by divine inspiration had placed a curse on the city, and upon all that was therein. But Achan took of the accursed thing, thereby causing the children of Israel to suffer a shameful defeat in the hands of a few men, in the subsequent battle of Ai. In Joshua Chapter 7, verses 20-21, Achan confessed to his iniquity, as it is written: ***“And Achan answered Joshua, and said, Indeed I have sinned against the Lord God of Israel, and thus and thus have I done: When I saw AMONG THE SPOILS a goodly Babylonish garment, and two hundred shekels of silver, and a wedge of gold of fifty shekels weight, then I coveted them, and took them; and, behold, they are hid in the earth in the midst of my tent, and the silver under it.”*** He and his

family died for this setback, for they were stoned to death, for the shame and defeat he brought upon the children of Israel. I went into that just to let you see what spoils of war mean. It gives you the “booties of war”! Period! Similarly, in the day when Ezekiel 38 and 39 Battle is won for Israel by God, the children of Israel will take the booties or spoils of war, for by it, God wants to bless Israel. Simple! As such, we cannot bring in any other group or nations of people, as the ones to fulfil the prophecy of the burning of weapons of war. It gives us only Israel. That is scripturally established. Yes! As a matter of fact, the reason why Russia leads this war is also in order to take a spoil, but God reversed it, turning the tables on them! Is it not surprising that Israel discovered natural gas in its domain just in 2009/2010? Noble Energy Incorporated and its partners have made a discovery of huge deposits of natural gas, in its exploration well in Tamar, Southwest of Tamar, offshore of Israel. Now Russia has a great reason for coming for spoils! She does! She is

coming to take over the gas deposits of Israel! God is simply awesome! Ezekiel Chapter 38, verses 10-13, confirms it, declaring: **“Thus saith the Lord God; It shall also come to pass, that at the same time shall things come into thy mind, and thou shalt think an evil thought: And thou shalt say, I will go up to the land of unwalled villages; I will go to them that are at rest, that dwell safely, all of them dwelling without walls, and having neither bars nor gates, TO TAKE A SPOIL, and to take a prey; to turn thine hand upon the desolate places that are now inhabited, and upon the people that are gathered out of the nations, WHICH HAVE GOTTEN CATTLE AND GOODS, that dwell in the midst of the land. Sheba, and Dedan, and the merchants of Tarshish, with all the young lions thereof, shall say unto thee, Art thou come to take A SPOIL? hast thou gathered thy company to take a prey? to carry away silver and gold, to take away cattle and goods, TO TAKE A GREAT SPOIL?”** Hence, Chapter 39, verses 9-10, now declares: **“And THEY”** (who are the Jews), **“that**

dwell in the cities of Israel shall go forth, and shall set on fire and burn the weapons, both the shields and the bucklers, the bows and the arrows, and the handstaves, and the spears, and they shall burn them with fire seven years: So that they shall take no wood out of the field, neither cut down any out of the forests; for they shall burn the weapons with fire: AND THEY SHALL SPOIL THOSE THAT SPOILED THEM, AND ROB THOSE THAT ROBBED THEM, saith the Lord God.” God turns the table, that by it, the children of Israel may be blessed with booties of war! Instead of taking a spoil, Russia is spoilt. Amen. That is precisely why verse 12 states: **“And seven months shall THE HOUSE OF ISRAEL be burying of them, that they may cleanse the land.”** Everything is about Israel! Therefore, we must realize that it is the Government of Israel that will set up continual employment for her people in that day, not only for the burying of the dead, which is for seven months, but also for the burning of the weapons of war, which is for seven full years. Now we will turn our full attention

to the burning of the weapons of war, to determine precisely where it starts, in relation to the 70th Week of Daniel, and why.

Concerning the seven year burning of the weapons of war, please note certain fundamental truths: Firstly, burning the booties or spoils which a nation gets in war is not what any individual or private company can do, for no individual or private company own such; no individual Jew, and no private Jewish company, can lay claim to it, except the Jewish Government. They are spoils that belong strictly to the Jewish nation, and hence, it belongs to the Israeli Government. Consequently, it must be understood that it is the Israeli Government that will determine precisely how the weapons of war will be burnt by her people, the Jews. Yes, they may award it to private Jewish companies to do, for governments of nations employ skilled private companies to build war planes, make explosives of all sorts, and all types of military hardware, gadgets and uniforms, etc. Nevertheless, it is what

will be done by the Israeli Government, in collaboration with these private hi-tech military equipment producers. The bottom-line is, however, that Israel takes a spoil, for she gains in this war, and Russia losses, big time! And she losses irreversibly! Good! I say that to mean Amen! Secondly, when God says that the cities of Israel ***“shall set on fire and BURN the weapons”***, we have to realize that the terminology of burning weapons of war is only figurative, for it is not literal burning with the objective of destroying those military hardware, for in such a case, they will have no spoils. It is the conversion of the hi-tech military hardware which has fallen into their hands, is what the burning means in true essence! You are looking at the conversion of this hardware for the use of the nation. Some, no doubt will be burnt, which is really to melt it, that something else may be produced out of it. But in the main, the burning is figurative; otherwise I will simply ask you: How do you burn armoured tanks and military planes and choppers like the United States' Apache helicopter, for instance? I ask that because it is certain that the

military airplanes used for the military airdrop will also be brought down by the force God unleashes on the Russian army! So, how do they burn such military airplanes? What good will it do, except to create a big pile of junks of burnt up tanks and airplanes in the land? Exactly! Unless the hardware are either melted by fire, using them for other things that will be beneficial to the nation of Israel, or that they are stripped of the military goodies in them, or that they are converted to suit the military purposes of Israel, the benefit of taking spoils of those that wanted to spoil them is completely defeated. **Therefore, we must know that the burning of the weapons of war IS FIGURATIVE**, even though those that can be melted by fire and converted into something else will be melted. The bottom-line is that the burning is to remake them into valuable machinery for the nation of Israel, for it is God blessing them with the spoils of war. Period! You have to see that, for that is precisely why it takes such a length of time! For instance, try converting a car into something else, and let us see just how easy that is: It will take time! Furthermore, we must also

know that the burning of weapons is not what the Anti-Christ will do for them, but what the autonomous government of Israel will do. Why is this so? It is simply because in that day and hour, the Anti-Christ to come will not yet be on the scene, when this battle is initiated, for he only comes on the scene at the opening of the 70th week! Consequently, it is what the nation of Israel, a nation that will be dwelling safely in that day, will do, still being an autonomous government, which is having self-rule. Today, Israel has self-rule. In the beginning of the week, she makes a pact with the Antichrist, but she is still autonomous in that hour, having self-rule. It is only in the middle of the Week that the Antichrist will come to take over the temple in Jerusalem by force, using the European Union Military Force, and Israel will cease having self-rule from that point on, till the end of the week. We are still coming to consider the Scriptures in this regard. But we know one thing: Israel's sovereignty is intact all throughout the first three and a half years of the last week. So, it is Israel who sets in motion the machinery for the

“burning” of the weapons of war. But the issue now is this: Can they burn weapons of war even in the last three and a half years of the last Week of seven years of Daniel? That is what we want to find out! That is the main essence of this message, our main focus and reason for taking this message. And to that question, I am here to give you an emphatic No! It is impossible for them to do that! And I do not care how many quotes you have for it: It just cannot be done. Come with me.

In opening up this issue, I have said before, and I say again, that God did not allow Brother Jackson to avert his mind to something, a material thing, in order to allow for a continued revelation. It also allows for a revelation upgrade, for we must brighten the corner, as we get closer to the return of Christ, when we will be united with him, being in his full image. Consequently, the nearer we get to his return, the brighter our pathway will be, and the richer and deeper our understanding of truth will be. Moreover, God saw a day like this. I do not say that to be arrogant or mean. I say that because it is a fact of God's revelatory dealing,

that He knows ahead what the prevailing situation in every age will be, and the truth of His Word that will be challenged, and as such, He sets something in the Scriptures, reserved strictly for a time when truth is in conflict, and then He opens up that Scripture, in vindication of truth. Brothers and sisters, let us look closely at the last Week of Daniel, for we will look at everything strictly from a scriptural standpoint. The Book of 2 Thessalonians Chapter 2, starting from verse 1, states: ***“Now we beseech you, brethren, by the coming of our Lord Jesus Christ, and by our gathering together unto him”*** (in the rapture), ***“That ye be not soon shaken in mind, or be troubled, neither by spirit, nor by word, nor by letter as from us, as that the day of Christ is at hand. Let no man deceive you by any means: for that day shall not come, EXCEPT there come a falling away FIRST,”*** (And that is evidently before you: The falling away from the restored faith, which God sent through Elijah of Malachi Chapter 4, verse 6B, is what has led to the open rebellion we now see in the world all around us

today, which is nothing but utter godlessness, abominable and perverted global lifestyles humanity has embraced today, having fallen away from basic Christian righteous principles. This is the first condition precedent for the return of Christ, and it is a fulfilled reality before us. But there is a second condition the rapture is also contingent upon, and that is), ***“AND that man of sin BE REVEALED”*** (or be introduced as the head of the European Union), ***“the son of perdition; Who opposeth and exalteth himself above all that is called God, or that is worshipped; so that he as God sitteth in the temple of God, shewing himself that he is God.”*** (Where? In the temple in Jerusalem! And is that not what Daniel tells us? That is exactly what Daniel also says! Come with me to the Book of Daniel, Chapter 11, verse 39; but we will take it from verse 36, which talks about the Antichrist of the end time: ***“And the king shall do according to his will; and he shall exalt himself, and magnify himself above every god, and shall speak marvellous things against the God of gods,***

and shall prosper till the indignation be accomplished: for that that is determined shall be done. Neither shall he regard the God of his fathers, nor the desire of women, nor regard any god: for HE SHALL MAGNIFY HIMSELF ABOVE ALL. But in his estate shall he honour the God of forces", (which is the God of military forces): "and a god whom his fathers", (the other popes), "knew not shall he honour with gold, and silver, and with precious stones, and pleasant things", (knowing the power of military forces with which he can do and undo). "Thus shall he do in the most strong holds with a strange god, whom he shall acknowledge and increase with glory: and he shall cause them to rule over many, and SHALL DIVIDE THE LAND" (of Israel) "FOR GAIN." Verse 39 tells us explicitly that the Antichrist shall divide the land of Israel for gain! When will he do this? Verse 45 gives it to us, for it declares: "And he shall plant the tabernacles of his palace between the seas in the glorious HOLY MOUNTAIN..." That takes place right in the middle of

the Week! What is that telling us? It is telling us precisely what Apostle Paul also laid out in prophecy, and that is that the "man of sin", the Antichrist, will leave the Vatican City in Rome, which is his seat, the seat of his power, and shall come to take over Jerusalem by military force, and sit in the temple of God, from where he will rule over the prophetic earth! In other words: He will plant his palace in Jerusalem, where he will sit in the temple of God, and make himself God, thus desecrating the temple, demanding worship, and also instituting the 666 mark, ushering in the blood bath against the nation of Israel! Church, Daniel's prophecy here, also synchronizes with what Apostle Paul said in 2 Thessalonians Chapter 2. Is that right? Yes! He is going to plant his palace in the holy land! But look at Daniel Chapter 8, from verse 23, which states: "**And in the latter time of their kingdom, when the transgressors are come to the full, a king of fierce countenance, and understanding dark sentences, shall stand up. And his power shall be mighty, but not by his**

own power: and he shall destroy wonderfully, and shall prosper, and practise, and shall destroy the mighty and the holy people." Who are the holy people referred to in this passage of Scripture? It gives us the Israelis, along with the Gentile foolish virgins. But the focus, however, is the people of Israel. Brothers and sisters, so we see here that he is going to try to destroy Israel! It does not end there. Let us go to Daniel Chapter 9, verse 27, a popular text, which says: "**And he shall confirm the covenant with many for one week",** (including Israel): "**and IN the midst of the week HE SHALL CAUSE THE SACRIFICE AND THE OBLATION",** (which is the incense offered in the evening time, representing the prayers of the people), "**TO CEASE.**" (He will stop animal sacrifices and offering of incense to God. But not only that): "**and for the overspreading of abominations HE SHALL MAKE IT DESOLATE,** even until the consummation, and that determined shall be poured upon the desolate." What is that saying? The Lord is saying

that he will institute the abomination of desolation, an **“overspreading of abominations”**, which is the excessive, unrestrained, and unlimited hatred of the Jews, whereby he seeks to exterminate the Jews, and also deprive them of their right to the land! What Hitler wanted to do and failed to accomplish, is what he will want to accomplish! Adolf Hitler wanted to be remembered in 500 years' time, after the Jewish Holocaust he set in motion, as the man who got rid of the Jews in the world! And it is not even 100 years yet, and he failed woefully in that evil venture! Moreover, we just read a few minutes ago in Daniel Chapter 11, that he will divide the land for gain. He takes the land of Jerusalem away from them. That is why he takes it over! He makes it, not a Jewish national capital; he makes it an International city, which no longer belongs to Israel! That is what he will do! Daniel Chapter 9, verse 27B, says: **“... and in the midst of the week he shall cause the sacrifice and the oblation to cease, and for the overspreading of abominations he shall make it desolate, even until the consummation, and that determined shall**

be poured upon the desolate.” When is this going to happen? It is not in the first three and a half years of the last Week, when they are enjoying false peace and prosperity. (Brother Amos pointed at the chart). It is right here, in the last three and a half years, starting from the middle of the week. That is the last phase of the great tribulation. But in the first three and a half years of the last week, he institutes an era of false peace and prosperity, according to Daniel Chapter 8, verse 25, which states: **“And through his policy also HE SHALL CAUSE C R A F T ”** (O R E C O N O M I C S) **“TO PROSPER IN HIS HAND; and he shall magnify himself in his heart, and BY PEACE shall destroy many: he shall also stand up against the Prince of princes; but he shall be broken without hand.”** Saints, the point we are making is that it is only in this time of false peace and prosperity that the children of Israel can burn or convert weapons of war, in the last Week of Daniel! For instance, during the Second World War, when America entered the war, many American factories producing plates and pans

were turned around to produce military hardware. That is also what we have to see here. They take the spoils of war, and reproduce something out of it for the blessing of the nation, which adds to the economy of Israel. It can only be done in the time of peace and prosperity! Full stop!

Brothers and sisters, let us take a look at the Book of Daniel Chapter 12, from verse 1, and it reads: **“And at that time shall Michael stand up, the great prince which standeth for the children of thy people”** (Israel): **“and there shall be a time of trouble, such as never was since there was a nation even to that same time: and at that time thy people shall be delivered, every one that shall be found written in the book.”** Brothers and sisters, what an hour! Look at verses 6-7: **“And one said to the man clothed in linen, which was upon the waters of the river, How long shall it be to the end of these wonders? And I heard the man clothed in linen, which was upon the waters of the river, when he”** (the angel of time),

“held up his right hand and his left hand unto heaven, and swore by Him that liveth for ever that it shall be for A TIME,” (which is one year), **“TIMES”** (which is Two Years, making three years), **AND AN HALF”**, (which is an additional six months, making a total of three and a half years of prophetic time); **“and when he”** (who is the Antichrist), **“shall have accomplished TO SCATTER THE POWER of the holy people”**, (that is, when the authority or the right which the children of Israel have to the land shall be taken away, in the last three and a half years, of the last Week; when this is done), **“all these things shall be finished.”** Here we are plainly told in this prophetic Chapter of the Word, that the man of sin will deprive Israel of her right to the land, and seek to wipe them out, thus fulfilling the **“overspreading of abomination”** in Chapter 9, verse 27! Why exactly do you think God is going to preserve an element of Jews in America, particularly young men and women of marriageable age? That hour is so horrible for Israel, that in verses 11-12 of Chapter 12, the angel declared: **“And from the time that the**

daily sacrifice shall be taken away, and the abomination that maketh desolate set up, there shall be a thousand two hundred and ninety days. BLESSED IS HE THAT WAITETH, AND COMETH to the thousand three hundred and five and thirty days.” This is said on account of the terribleness of that hour! It will take the grace of God to survive that satanic onslaught! Period! I ask again: Why do you think God is going to take an element of them all the way across the Atlantic to North America, in order to preserve them? And at such a horrible time as this, what weapons of war will Israel be burning, when **SHE IS RUNNING FOR HER LIFE?** It cannot be done! The last three and a half years are troublous times for the nation of Israel! Come on! It is prophetically called the time of **“JACOB'S TROUBLE.”** Come with me to Revelation Chapter 12, and we will take it from verse 13, which declares: **“And when the dragon saw that he was cast unto the earth, he persecuted the woman”**, (which is the nation of Israel), **“which brought forth the man child”** (Jesus. Now pay

close attention to the next verse, for verse 14 now states explicitly): **“And to the woman”**, (who makes up the spiritual element of the nation of Israel), **“were GIVEN TWO WINGS of a great eagle”**, (which is the message of the two Jewish prophets by which they were converted and prepared prophetically, which is the message of the end time Moses and Elijah), **“that SHE MIGHT FLY INTO THE WILDERNESS, into her place, where she is nourished for a time”**, (one year), **“and times”**, (two years), **“and half a time”**, (which is six months, making a total of three and a half years of the last week of Daniel), **“FROM THE FACE OF THE SERPENT”**, (who is the Antichrist. Did you hear that? She will run away from the face or from the domain of the Antichrist, for the whole of the last three and a half years! What are you going to do with this prophetic verse, in relation to the burning of the weapons of war? Come on! Just think about it! And we all know from the record of the Bible that, **“THE SCRIPTURE CANNOT BE BROKEN”!** Just how can she be burning

weapons of war and be running at the same time? Think about that for a moment! That is just like the Branham Movement, who want to put all the prophetic dealings Israel has at the end, into only three and a half years, for they flatly and vehemently deny that Israel has a full Week of seven years left! We therefore have to ask the Branham Movement, who say that Israel has only three and a half years left: Just how can Israel be having her revival, and be running away from the face of the Antichrist at the same time? Because as it is written in Revelation Chapter 11, verse 3, for the revival of Israel, the two Jewish prophets will prophecy for precisely, **"... A THOUSAND TWO HUNDRED AND THREESCORE DAYS, clothed in sackcloth"**! This gives us precisely three and a half years of their ministry, which is the first half of the last Week of Daniel, and not the second half of the Week, for in the second half of the Week, the Antichrist takes over Jerusalem, and institutes a blood bath against the nation of Israel, for precisely another three and a half years, making a total of seven full years of the last Week! Thus saith the Lord

in His infallible Word! Wake up! Everything must be put in its proper scriptural context! You cannot use the fulfilment of one Scripture to nullify another Scripture! That will be confusion, for Scripture does not fight Scripture, if you are bearing a perfect revelation by the Spirit of God! Absolutely! Continuing on with Revelation Chapter 12, we will take verses 13-14 again, and it states: **"And when the dragon saw that he was cast unto the earth, he persecuted the woman which brought forth the man child. And to the woman were given two wings of a great eagle, that she might fly into the wilderness, into her place, where she is nourished for a time, and times, and half a time, FROM THE FACE OF THE SERPENT."** Watch what verse 15 now states: **"And the serpent cast out of his mouth water as a flood after the woman, that he might cause her TO BE CARRIED AWAY of the flood."** That simply means that the Antichrist issued a decree, just like Adolf Hitler did in the Holocaust years of 1939-1945, demanding that the Jews should be exterminated, or carried

away by the flood of persecution he unleashed on them! Hence, for the deliverance of the elect Jews, verse 16 now records: **"And THE EARTH helped the woman, and THE EARTH opened her mouth, and swallowed up the flood which the dragon cast out of his mouth."** This simply means that the earth in this prophecy, called off the bluff of the Antichrist, with all his European Union International Military Force. Yes! She has the military might or the military power to do so! The **"woman"** in her domain is therefore untouchable. Satan is seeking to wipe out Jewry, so that the Millennial promise does not fulfill. He wants to exterminate every Jew, and every God fearing Gentile person! So, God has to take these ones completely out from the Old world, far away from the domain of the Antichrist, leaving a wide gulf of the Atlantic Ocean between them and where He is keeping them in that hour of time. This prophetic earth, as the chief apostle rightly revealed by the Spirit of God, is America, and this takes in the United States

of America and Canada, the “EARTH” of Revelation Chapter 13, verse 11, where the lamb beast came out of. And the military might of America needs no introduction, for it is well known to the whole wide world. Moreover, according to Revelation Chapter 12, verse 6, still speaking of this very “earth”, the Bible states: **“And the woman fled into the wilderness, where she hath a place PREPARED OF GOD, that THEY”,** (a people), **“SHOULD FEED HER THERE a thousand two hundred and threescore days.”** This simply means that they will feed the woman element of the nation of Israel, for a whole three and a half years, of the last tribulation period unleashed against them by the Antichrist. This feeding takes in comfortable accommodation, food, clean drinking water, health care, and most importantly, it also takes in effective and adequate protection from the face of the Antichrist! Yes, it does, for that is the very essence of her being carried away into this region of the world in the first place! Period! Moreover, this truth is reinforced by its repetition in verse 14, which similarly declares: **“And to the woman were given two**

wings of a great eagle, that she might fly into the wilderness, into her place, where she IS NOURISHED for a time, and times, and half a time, from the face of the serpent.” It takes a nation with a great economic and military might to do that, one that can withstand the military forces of the European Union put together, and that is none other than America, which was a wilderness in 96 A.D., when John saw her, for in that day, she was still undiscovered and undeveloped, and hence a “wilderness.” But here comes Tunji Taiwo, one guy in the Branham Movement in this country, with a warped and incredible so-called revelation, knocking Raymond Jackson and myself on the head, on account of the truth of the identity of **“the earth”**, in Revelation Chapter 12, a region of the world which is also referred to in Revelation Chapter 13, verse 11, which is no other place but America. He tells us in his little pamphlet-book that the earth opening up is literal, that it will open up literally as it does in an earthquake, and as it did in the days of Moses. That is even silly! I guess the same

earth also will open up to give them accommodation, food, and drinking water, for a whole three and a half years! Earthquake will take place, for the earth will open up literally, and when it does, it will be popping out loaves of bread for the people of God to eat; and it will also open up to provide rooms within it to house the people. How silly people can be! My! That is the most ridiculous so-called revelation I have ever heard in my entire life! After they have eaten too much pounded yam and vegetable soup, with a total lack of humility and fear for God, and with unbridled ambition in their hearts, they just turn their Bible upside down, all in the name of having their own revelation. Revelation Chapter 12, verse 14, declares plainly and categorically: **“And to the woman were given two wings of a great eagle, that she might fly into the wilderness, into her place, WHERE SHE IS NOURISHED for a time, and times, and half a time, from the face of the serpent.”** (In 96 A.D., as I said earlier, this prophetic earth was a wilderness, unknown,

unconquered, and undeveloped. But today, it is no longer so. Everybody wants to go there. They even call it "God's own country." Revelation Chapter 12, verse 6, says that "**THEY**", (A PEOPLE), "**SHOULD FEED HER THERE...**" They, who are a people, should take care of her there, for a whole three and a half years. Full stop! Somebody should give Tunji Taiwo the Dictionary to look up the meaning of nourishment, and also what the word "**THEY**" means! To nourish people simply means to take care of them, providing accommodation, food, water, Medicare, and clothing, whatever the situation requires, including, in this very instance, security. He said it is inside Petra, which is in Jordan, that they will be kept, inside a rock. When the Antichrist is coming in the middle of the Week, to plant his palace right there in the Middle East, right there in Jerusalem; then you are going to Petra to hide in his very domain. I think not! You know you are being stupid if you do that! You want to run into hiding, and you run into the domain of the man of sin, who has a price tag on your head. I seriously think not! As it is written, God is literally

taking this woman away **"FROM THE FACE of the Antichrist!"** Thus saith the Lord! Catch that! Consequently, it is written: **"And the earth helped the woman, and the earth opened her mouth, and swallowed up the flood which the dragon cast out of his mouth."** Saints of God, this gives us a nation that has the military muscle to say to the Antichrist himself, "Look, stop it!" In other words, this prophetic earth has power to call off the bluff of the Antichrist, with all his multinational European forces, saying to him, "Do not dare come after this woman in our domain! You can do what you like in your region over there, but do not try crossing the Atlantic: You will not make it here!" Who can look at the Antichrist and say that, when Revelation Chapter 13, verse 4, says, **"Who is able to make war with him?"** So, who can call off the bluff of the Antichrist? Who has the hi-tech military force that can do that to the European Army but "Uncle Sam", America, the great giant? The hiding place for the spiritual element of the nation of Israel is not Petra, in Jordan, a rocky mountain. Where is even drinking

water for them in Petra? Where is their nourishment, and their Medicare? What if they are ill, who takes care of them? "Oh, but God is a supernatural God, Brother Amos." We know that, but God did not ordain that their nourishment should be by supernatural means! He said categorically that, **"THEY SHOULD FEED HER THERE, a thousand three hundred and threescore days!"** It is not God nourishing them; it is "**they**", a people, all under God! Yes, we know that God can nourish them, but He ordained it would be "**they**", a people! So, it is not a supernatural nourishment; it is a natural nourishment. That is God's provided way! So, do not put it on God, for God put it on men! And what was the effect of America calling off the bluff of the Antichrist? What does the Antichrist do, knowing he cannot come after the Jews in America, in the last three and a half years? Verse 17 gives it to us, and it declares: **"And the dragon WAS WROTH" (or mad) "WITH THE WOMAN, and went to make" (peace and**

fellowship, and to give a blessing and a handshake to the Jewish remnant in Palestine and in Europe? Of course not! This thing is so plain you know. I cannot see why people are stumbling on it. It simply baffles me. But I thank God for grace that makes the difference in our lives; for were it not for God's grace, we would see nothing! We will take verse 17 again): ***“And the dragon was wrath with the woman”***, (because he could not get her, and can do nothing to her, being absolutely beyond his reach), ***“AND WENT TO MAKE WAR WITH THE REMNANT OF HER SEED”*** (in his entire geographic domain in the Middle East, and in West Europe, as well as in all nations aligned with him; he went to make war with the remnant of her seed), ***“which keep the commandments of God”***, (which is the Jewish saints), ***“AND have the testimony of Jesus Christ”***, (who are the Gentile foolish virgins). So much for burning weapons of war when their very life's existence is at stake! Exactly! The Antichrist sends out soldiers, not German Nazi soldiers, not the Gestapo soldiers of Hitler now; but the European Union Army

soldiers. They are looking for every Jew to kill, and you say the Jews will be burning or converting weapons. Go and burn it! You will end up being the one to be burnt or converted into ashes!

Coming back to our main subject, I therefore ask: When is Israel burning weapons, when in the last half of the week she is running for her life from the face of the Antichrist? It would be like asking the Jews in Poland in the days of Hitler to go into business, converting military equipment into their beneficial assets, whilst the German Nazis were also hunting for them all over the place, burning them by train loads! It just cannot be in the last three and a half years, that they will be burning weapons of war. It has to be in the first three and a half years, because that is the time of peace and prosperity, allowing the children of Israel to engage in employment, and have temporary respite or temporary enjoyment, for three and a half years. You cannot take it to the last three and a half years. It will never Work! I do not care how many quotes you have for it! I am laying out the Holy Scriptures before you.

Brothers and sisters, look at Revelation Chapter 6. There we see souls under the altar in the fifth seal. And what did God tell them from verse 9? It is written: ***“And when he”*** (Jesus Christ) ***“had opened the fifth seal, I saw under the altar the souls of them that were slain for the Word of God,”*** (who are Jewish saints holding to the Torah), ***“and for the testimony which they held.”*** (This confirms their identity, for it gives us Jews who do not have the testimony of Jesus Christ, but only of the Word of God, which is the Torah, the testimony which they held. They are God fearing Jews killed by Hitler's soldiers in the Second World War years. But the souls under the altar also take in the Jews who died faithful to the Torah, all through the grace age as well. Listen to verses 10-11, which records): ***“And they cried with a loud voice, saying, How long, O Lord, holy and true, dost thou not judge and avenge our blood on them that dwell on the earth? And white robes were given unto every one of them; and it was said unto them, that they should rest yet for a little season, UNTIL THEIR***

FELLOWSERVANTS ALSO AND THEIR BRETHREN, THAT SHOULD BE KILLED as they were, should be fulfilled.

Now I ask: The other Jews that are to be killed in fulfilment of this seal, when are they going to be killed? You are looking precisely at the last three and a half years, of the last Week of Daniel! That is when the Antichrist will seek to wipe them out. That is why, in order to preserve a seed for Israel, to repopulate the Jewish race in the Millennium, God takes her far away to America. Why? There is no place safe in all Europe and in the Middle East! Why? Because that is the domain of the Antichrist in that day! He rules mightily over the entire restored geographic area of the old Roman Empire. So, how can they be burning weapons of war in such a scenario? Look at Jeremiah Chapter 30 which I referred to earlier. It is such a serious hour for the nation of Israel, that God calls it the time of Jacob's trouble. I appreciate your patience. I am almost at the end of my message. May the Lord bless you. Let us open up to the Book of Jeremiah Chapter 30, and we will take it from verse 1, and it declares: ***"The Word that***

came to Jeremiah from the Lord, saying, Thus speaketh the Lord God of Israel, saying, Write thee all the words that I have spoken unto thee in a book. For, lo, the days come, saith the Lord, that I will bring again the captivity of my people Israel and Judah, saith the Lord: and I will cause them to return to the land that I gave to their fathers, and they shall possess it." (Brothers and sisters, we all know that this is a fulfilled prophecy, for Israel has been restored back to the land of Palestine. She is back home. But now watch from verse 4, which looks at the last three and a half years. It declares): ***"And these are the words that the Lord spake concerning Israel and concerning Judah. For thus saith the Lord; We have heard a voice of trembling, of fear, and not of peace. Ask ye now, and see whether a man doth travail with child? wherefore do I see EVERY MAN WITH HIS HANDS ON HIS LOINS, as a woman in travail, and all faces are turned into paleness?"*** Listen to me saints. In this prophetic vision, the children of Israel are all behaving like

pregnant women who are travailing in child birth, women in serious labour pain! Are you with me? And it is even men that are being projected like pregnant women with great birth pains, because of the painful enormity of the trouble! Why are they in such anguish? Watch the next verse, for it gives it to us. Verse 7 declares): ***"Alas! for that day is great, so that none is like it: it is even THE TIME OF JACOB'S TROUBLE; but he shall be saved out of it."*** I will simply tell whoever has an ear to hear, that the time of Jacob's trouble, is certainly not a time that Israel can burn weapons of war. That is settled! Their travail is so great, and all faces turn into paleness, and with their hands on their loins as a woman in travail. What an hour!

Brothers and sisters, I have gone into all these Scriptures, just to let you see that when we come to the last three and a half years of the 70th week of Daniel, Israel cannot be burning weapons of war. In that day, she would have lost her sovereignty again, thus fulfilling the prophetic utterance Jesus

gave concerning the children of Israel, as recorded in the Gospel of Saint Luke Chapter 21, verse 24, which states: ***“And they shall fall by the edge of the sword, and shall be led away captive into all nations: and Jerusalem shall be trodden down of the Gentiles, UNTIL THE TIMES OF THE GENTILES BE FULFILLED”***, (referring to the times of the Gentiles' occupation of the land of Israel)! Right now she is enjoying sovereignty, though temporary. In the middle of the Week, a foreign power takes over Israel, which is the power of the Antichrist, the power of Rome, and Israel is again trampled underfoot, and brought in subjection to a foreign government, the government of the restored Roman Beast Empire, called the European Union. Israel loses autonomy; Israel loses her sovereignty. Who is leading and ruling Israel at this horrible time? It is the man of sin, the son of perdition, the man they made a pact with at the beginning of the Week! The Gentiles will again tread over Jerusalem, when we come to the last three and half years, which is the time of Jacob's trouble. The Antichrist takes over the

temple, makes Jerusalem his base, as an International city, and deprives Israel her right to the land, and seeks to wipe them out, and Israel is running for her life. God even has to take an element of them to America for keeps, a spiritual woman element revealed in Revelation Chapter 12, preserved to be used to repopulate the Jewish race in the Millennium. So, with all this, just how can Israel be running for her life from the face of the serpent, and also be burning weapons of war at the same time? It is utterly impossible! It does not make sense! I say that only to make a serious point, in view of the perfect understanding of truth we now possess today, with respect to this issue. The truth, however, is that there is not one shred of Scripture, from the Book of Genesis to the Book of Revelation, that takes Ezekiel 38 and 39 miracle war, and ties it to the last Week. There is none! It is only an assumption. But yet, we know that Ezekiel 38 and 39 is ordained to be fulfilled towards the end of the end time, before the Week opens up. We know that. But how close it actually is, in relation to the last Week, no man knows

And until you have Scripture for something, you are entitled to your views; but please do not put it over the bride. It will never work!

Bringing our message to a close, brothers and sisters, when we look at all these prophetic events lined up for the last Week, something stands out in relation to the burning of the weapons of war. And what is it? It is simply this: If according to the Scripture, (and the Scripture cannot be broken), the children of Israel have to burn weapons of war for seven full years, and we also know that from the middle of the Week, right to the very end of the Week, which gives us the last three and a half years, Israel cannot be burning weapons of war, in order to spoil those who sought to spoil them, because she will be running from the face of the Antichrist, t h e n , i t m e a n s undoubtedly, that she cannot have *EZEKIEL 38 AND 39 BATTLE*, earlier than three and a half years to four, to the opening of the seventieth Week of Daniel, to enable her fulfil the seven years of burning, utilizing the first half of the Week in

addition. Full stop! Consider the prophetic message of the three angels, who are behind the ministry of the 144,000 Jewish preachers, who will carry the Everlasting Gospel in the last three and a half years, a message which prepares the tribulation saints to face martyrdom, in the second half of the Week. In the Book of Revelation Chapter 14, although their message starts from verse 6, we will, however, skip to the message of the third angel in verse 9, and the Word of God declares: ***“And the third angel followed them, saying with a loud voice, If any man worship the beast and his image, and receive his mark in his forehead, or in his hand, The same shall drink of the wine of the wrath of God, which is poured out without mixture into the cup of his indignation; and he shall be tormented with fire and brimstone in the presence of the holy angels, and in the presence of the Lamb: And the smoke of their torment ascendeth up for ever and ever: and they have no rest day nor night, who worship the beast and his image, and whosoever receiveth the mark of his name.”*** (Now see what verse 12 states,

for that is where I am going, and it records): ***“HERE IS THE PATIENCE”*** (or the trial) ***“OF THE SAINTS: here are they that keep the commandments of God, AND the faith of Jesus.”*** It gives us the Jewish saints, who keep the Torah, and the Gentile foolish virgins, who have the faith of Jesus Christ. And please note that the Antichrist will get them, and hence, they are to be prepared by this message, in order to enable them to face martyrdom in the last three and a half years of Daniel's seventieth Week! What is that telling you? It shows it is a horrible time, which only the elect seeds of God can overcome! Hence, the Bible says: ***“Here is the patience of the saints”***, meaning, HERE IS THE PROVING OF TRUE SEEDS; here is the trying of a true seed; this is what shows who has what! Because you cannot face that hour without God in your life! And the 144,000 Everlasting Gospel preachers will tell them, ***“Die! Give yourself! Let him kill you! But do not take the mark, for you will rise in the morning!”*** And they will give themselves, and seal their testimony with their blood. Revelation Chapter 13, starting from

verse 4, states: ***“And they worshipped the dragon which gave power unto the beast: and they worshipped the beast, saying, Who is like unto the beast? who is able to make war with him? And there was given unto him a mouth speaking great things and blasphemies; and power was given unto him TO CONTINUE forty and two months.”*** How many years does that give us, dividing 42 months by twelve? It gives us exactly three and a half years! And what period of the last Week is that? It is the last three and a half years, for it is giving us the tribulation period, a period ordained for the second half of the Week, and a period which Daniels records as constituting ***“a time, times, and a half.”*** In the first half of the week, he settles the economic problem of Europe and the Middle East, and they say, ***“Wow, we should have made him the Head of the European Union a long time ago. We did not know; we should have asked him a long time ago to take over the affairs of Europe: All the troubles we put ourselves in; all the economic collapse and woes; the miseries that it***

brought; for so many committed suicide on its account. We should have allowed the man a long time ago. Why did we not think of it earlier?" Satan will say, "Just wait... Wait just a few more days, and I will show you my true self." But in the first half of the Week, everything looks very nice and lovely, and the world is saying, "Oh, this is the era we have been looking for. We thank you, O God. Thou art a God that answereth prayer. Thank you for thy blessing upon us on this earth... Thank you for sending this man. We worship you, O Lord... Let us pray, for the man. You know he has been doing very good since he assumed office." And all these apostate churches are praying, "O Lord, keep him for us... Give him long life and good health." Do you not see that even today? You know that these apostate churches will be praying for the man in the first half of the Week! As long as everything is going well for people in a material realm, they will be blessing God: "Oh, what a lovely hour... Only a Christian can do this work... I have always known that! Oh, thank you Lord! Thank you Father, for giving us a man of God... Only a Christian can rule

this world!" Oh, my! Let a Head of State of any nation do good, and the people will be praying for him, regardless of what his true intentions are. The world will be praying for him in that day, not knowing that they are praying earnestly for Lucifer! Because he is not going to come with two horns and one long tail! Come on! And in the middle of the Week, Satan incarnates him, just as God incarnated Jesus, which made Jesus become The Christ, meaning, The anointed One of God. Likewise also, Satan incarnates the "man of sin" in the middle of the Week. So, when the Antichrist stands to talk, it is no longer the man; it is Lucifer, the fallen angel, using the two sockets of the man's eyes to see, and his mouth to speak. The last half of the Week is the hour of the cashless society, for that is when the mark of the beast is set in motion, and Satan institutes a blood bath against any and every godly person he can lay his hands upon. Let us conclude our reading of Revelation Chapter 13. Verses 5-6 states: "**And there was given unto him a mouth speaking great things and blasphemies; and power was given**

unto him to continue forty and two months. And he opened his mouth in blasphemy against God, to blaspheme his name, and his tabernacle, and them that dwell in heaven." But now watch verse 7, which states: "**And it was given unto him TO MAKE WAR with the saints, AND TO OVERCOME THEM: and power was given him over all kindreds, and tongues, and nations.**" (There is no hiding place for the tribulation saints in that day)! **Verse 8: "And all that dwell upon the earth shall worship him, whose names are not written in the book of life of the Lamb slain from the foundation of the world."** It simply means that the whole prophetic world will go along with him in his sinister and most evil plot. For if you do not follow God's plot, you will follow Satan's plot! That is certain. The choice is yours.

Brothers and sisters, the last three and a half years of the 70th Week, is a most horrible era. It is the last phase of the great tribulation. What an hour it is, an hour of "**Jacob's trouble.**" What a time it is

for Israel! And as we saw earlier, because the man of sin cannot get to the spiritual element of Israel, the prophetic woman of Revelation Chapter 12, he comes with serious wrath, great anger, against the remnant of her seeds. His desire is to wipe out the nation of Israel. This brings us to the battle of Armageddon, a battle which brings us to the valley of Jehoshaphat, and a battle which will be fought towards the closing of the Week! Brothers and sisters, on the account of this battle alone, it is impossible, absolutely impossible, for weapons of war to be burnt at that time! When the battle of Armageddon is set in motion, it is requiring a whooping two hundred million soldiers! Thus saith the Lord! Think about it! Can you imagine the colossal death and devastation? For as it is written in Revelation Chapter 9, verses 13-21, by the time the war of Armageddon is over, one third of the earth's entire population is completely wiped out! Revelation Chapter 9, verse 15 confirms it, declaring: ***“And the four angels were loosed, which were prepared for an hour, and a day, and a month, and a year, for to slay THE***

THIRD PART OF MEN...”

Verse 18 also re-affirms it, declaring: ***“By these three was THE THIRD PART OF MEN KILLED, by the fire, and by the smoke, and by the brimstone, which issued out of their mouths.”*** In essence, saints, over two billion people will be annihilated from existence by that war, and Jesus comes at the very end of the last Week, to finish out the rest, leaving only a minute and an insignificant number of people from the various nations, who will then come before the Judgment of Nations, according to Matthew Chapter 25, verses 31-46! So, I ask you in all honesty, is this an hour the children of Israel can continue burning weapons of war, when the Armageddon war is being fought right there in the land of Israel, when God brings in an army of two hundred million soldiers, squashed right here, (Brother Amos points at the chart), in the Megiddo Valley, in the valley of Jehoshaphat? Do you want to tell me in all seriousness, that such a war, having such colossal kill power, (and with an awesome destructive power), IS RAGING, and whilst the war is raging, and with

Israel also as Satan's object of attack, they will still be burning weapons? Do not be ridiculous! It does not make any sense to teach that they will! Prophet Zechariah in Chapter 14, verse 2, even declares: ***“For I will GATHER ALL NATIONS AGAINST JERUSALEM to battle; and the city shall be taken, and the houses rifled, and the women ravished; and half of the city shall go forth into captivity, and the residue of the people shall not be cut off from the city.”*** This is the battle of Armageddon! God leaves only a remnant in the land, and you still want to believe that the children of Israel will be burning weapons of war regardless, just because you do not want your revelation straightened out?! Come on, and wake up! We just have to understand, that the Lord did not allow the chief apostle to avert his mind to the prophetic realities of the last half of the Week, realities which he himself was used of God to lay out for us; otherwise, he would not have projected the weapons of war into the last three and a half years of the 70th Week of Daniel. He would not! And

as I stated before, I believe that God allowed him to make the projection he did, only in order to make way for the Continuity of divine revelation, because the revelation of God is progressive, ever progressive, and never stagnant. It allows us to brighten the picture, for now today, we can see precisely what the burning of weapons really mean, for it is figurative. But if Brother Jackson was here with us today, I believe he would have straightened out the issue we straightened out in this message, concerning the time application of the battle, in relation to the 70th Week. But let me also touch on a prophetic subject which also has bearing upon the issue of weapons burning, before bringing my message to a close, as it relates to the bride of Christ. Please pay close attention. But first, let me re-affirm: In relation to the burning of weapons of war, of the *EZEKIEL 38 AND 39 BATTLE*, it is utterly impossible for Israel to start burning weapons of war, only just two months, or a year, or even two years, to the opening of the last week of Daniel. The earliest time that the *EZEKIEL 38 AND 39 BATTLE* can be fought, as a miracle war, a war

which happens overnight, is at least three and a half years to the opening of the last Week, in order to allow them to burn weapons of war for three and a half years before the last Week, and also to continue burning weapons of war, in the first three and a half years of the last week, which is the first half of the week, thus making up a total of seven full years of weapons burning. Period! It has to be so, because God gave the specific number of years in which weapons will be burnt, and we all know that God does not speak specifically of time in vain. Consequently, the seven years of weapons burning cannot be anything else, but seven full years of 360 days of prophetic time each. Period! But seeing the prophetic layout of the entire Week, we know with absolute scriptural certainty, that the weapons cannot be burnt by the children of Israel, in the second half of the Week, for she will then be running for her life, from the face of the Antichrist, right from the middle of the Week, for it is the time of Jacob's trouble, when she will be facing so much evil, coupled with the added effect of the battle of Armageddon, which will be

fought right there in the land of Israel. Brothers and sisters, the Word of God just cannot be broken! That is that.

Now, concerning the elect bride of Jesus Christ, and with relation to the burning of weapons, let me say this as I close my message: We must realize that this hour, when they start burning weapons prior to the last Week, when God is sanctified in Israel, should also synchronize with the revival of the bride, for her revival will not last for more than **about** three and a half years as well, or thereabout, leading to and around the opening of the last Week! Do not forget as it is written in Romans Chapter 9, verse 28: ***“For he”*** (God) ***“will finish the work”*** (of the salvation of the bride), ***“and CUT IT SHORT in righteousness: because A SHORT WORK will the Lord make upon the earth.”*** We are promised a quick, short, but most effective and powerful wrap-up work. Then off we go home in the rapture, right after the Week is opened! Let me also say this: Do not extend time beyond measure in your mind, simply because you

are also considering the Hour of the Jewish Miraculous, and you think that that time, added to the time required to burn weapons of war, gives you time. It does not! It does not, because the Hour of the Jewish Miraculous, being a miracle war of God, will not take more than a matter of days, and it is all over! It is the incredible swiftness and intensity, the awesome power of the Israeli strikes, plus the mind bugling death toll and utter devastation it causes, which transforms the religious topography of the Arabian nations for good, thus giving Israel peace! Nothing can stand and shall stand in the way of God's prophetic Word! God causing Israel to dwell in safety does not require more than months to accomplish, and certainly, it does not need more than one year at the most, for God does thorough and most effective miraculous jobs! No doubt, however, as we approach this hour, the Spirit of God is going to deal with the elect bride in dreams and visions, brightening the understanding she has, enabling her to have a clearer perspective, in the light of truth, and in relation to time, for God does not leave His people in

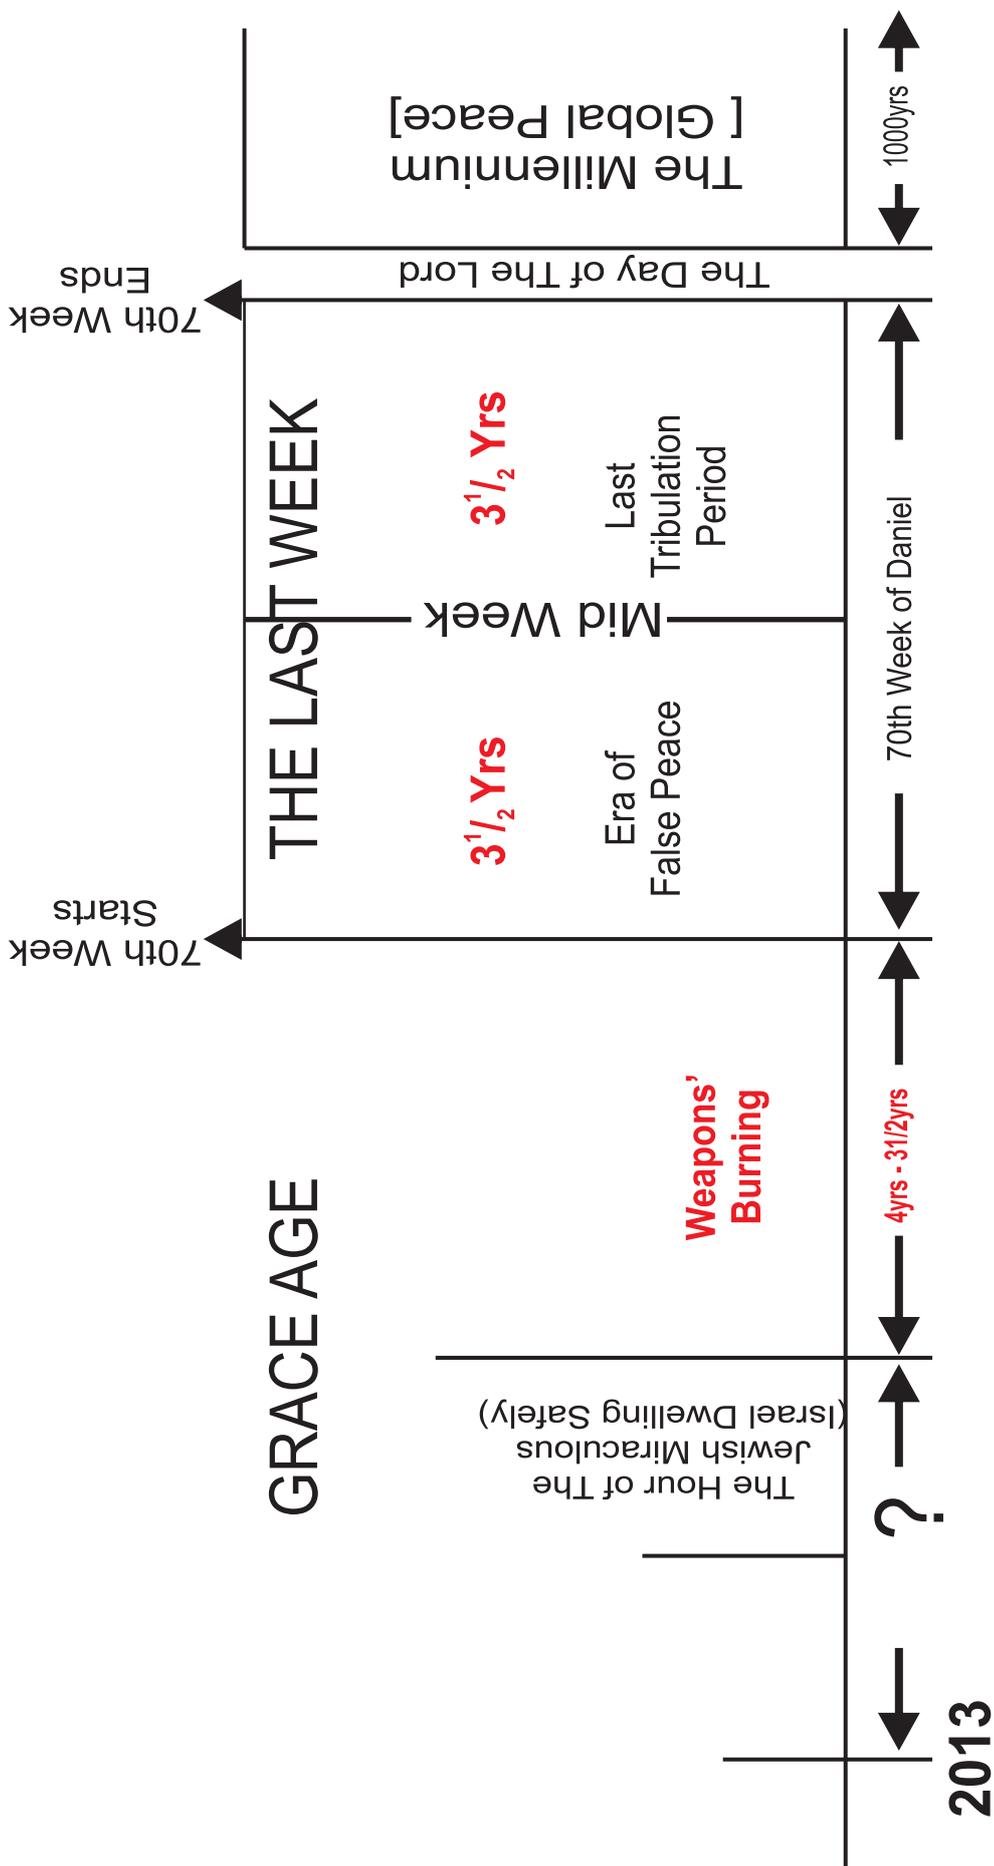

darkness. As it is written in John Chapter 8, verse 12: ***“Then spake Jesus again unto them, saying, I am the light of the world: he that followeth me SHALL NOT WALK IN DARKNESS”***, (or in ignorance), ***“BUT SHALL HAVE THE LIGHT”*** (or the revelation) ***“OF LIFE.”*** Period! As such, the picture can only get brighter as that hour approaches. What we therefore see today prophetically, time-wise, can only then be made plain, for the secret of God is with His people. But the truth is that the execution of the Hour of the Jewish Miraculous, does not add much time to the duration of time it takes to burn the weapons of war, prior to the opening of the last week. You cannot afford to relax, for you may be caught napping. Moreover, regardless of whatever length of time the bride has left before the last Week, the truth remains that the Lord can come for you tonight, for time is not in your hand. Therefore, live for God, for He can call for your soul at any time.

My brothers and sisters, let me say this as I now close my message: If you do not have an open heart, and keep your eyes on the

Scriptures, and stay with this Continuing truth of Jesus Christ, you have a lot that will stumble you. And let me also say this: In this move, every loose-ends that remains in the message, taking in the loose-ends in the Continuity light the chief apostle also bore for us as well, and any fold of revelation that remains to complete the picture, God will unveil it, in this final hour, and in this final Gentile move. There is no loose end that will remain untied. What is the objective? It is to the intent that by the time it is all over, we are not ignorant of any material truth, and we are not looking at the Bible upside down, in any material measure; but that we have a perfect revelation of God's perfect Word, to produce a perfect bride, who will go in the rapture to a perfect heaven. Amen. Let us bow our heads in prayer. (Brother Amos prayed).

May the Lord bless you.

Ezekiel 38 & 39 Battle - A Revisit

DIRECTORY OF THE SCRIBE contd.
